APPENDIX.

Retiring and Furlough Regulations of 1796.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G. 11th June 1850, No. 120.

G. O. G. 10th June 1852, No. 33.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

7. Absence on sick certificate within the limits of India for periods not exceeding two years, *successively*, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates *on which they* shall have respectively left India.

9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.

10. All effective Officers, without reference to their actual rank, are allowed to retire—

After twenty years' service in India, on the pay of Captains.
After twenty-four years' service in India, on the pay of Majors.
After twenty-eight years' service in India, on the pay of Lieutenant Colonels.
And after thirty-two years' service in India, on the pay of Colonels.

11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank.

This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

* * * * * *

19. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.

20. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they may hold at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 158.

21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

Promotions in succession to casualties, by death in England, shall have effect from the date following that of decease, or from the expiration of three years' absence from India, whichever shall happen first.—G. O. G., 9th February 1864, No. 58.

It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, *which must be a prospective one, from* which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Military Accountant.

G. O. C. C., 15th July 1830, No. 42.

23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c., applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of full pension and half pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:—

		Full.			Half.			Full Pay Yearly.

G. O. G., 5th Feb. 1875, No. 83.

No. 127 of 29th January 1875.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that for the future the service for pension of such Officers of the Royal Artillery, Royal Engineers, and New Line Regiments, as formerly belonged to the Indian Service, who may at any time be ordered for duty out of India under the Imperial Government, will be regulated on the same terms as apply to other Officers of the British Army, that is to say, the periods of full pay service entitling them to pension will be held to include all leave granted to them subsequently to their having been ordered for duty out of India of such a nature as would be allowed to count towards full pay retirement under British rules.

G. O., 31st May 1875, No. 52.

No. 248, dated 4th March 1875.—The following despatch from the Right Honorable the Secretary of State for India, which is in reply to an enquiry relating to officers who held saleable commissions on the 1st November 1871, is published for general information:—

INDIA OFFICE,
MILITARY.
No. 21. *London, 28th January* 1875.

To His Excellency the Right Hon'ble the Governor General of India in Council.

MY LORD,—In reply to your letter No. 225, dated 20th November 1874, I have, after communication with His Royal Highness the Field Marshal Commanding-in-Chief, to inform you that—

1. An officer exchanging to the Staff Corps after 1st November 1871, would, on retirement, otherwise than upon a pension, be entitled to the full value (Regulation and over Regulation) of the commission held by him on 1st November 1871.

2. An officer so exchanging and eventually retiring from the Staff Corps upon a pension, would be entitled to the over Regulation value of the commission held on 1st November 1871, in the same manner as if he retired to full or half pay from the regiment from which he was transferred.

3. An officer transferred from a non-purchase regiment would receive the compensation for loss of bonus belonging to the position which he occupied on 1st Nov. 1871.

RETIREMENTS—REVISED SCALES OF PENSIONS.

Officers of the Indian Staff Corps and the Indian Forces.

I. A. C., Clause 207, *dated November* 1881. *G. G. O. No.* 489 *of* 1881.

Under the authority of the Secretary of State for India, His Excellency the Governor-General in Council is pleased to direct the publication of the following revised scales of pensions for Officers of the Indian Staff Corps and the Indian Forces, to take effect from the 1st July 1881.

2. For the purposes of these pension rules, which will be known as those of 1881, Officers will be divided into four classes, viz.:—

I. Officers who entered the Staff Corps prior to or on the 12th September 1866.
II. Officers of the late Indian Cavalry and Infantry who have not joined the Staff Corps, commonly known as Officers of the Local Service.
III. Officers on the General List, who entered the service under "new conditions of appointment," and who have not subsequently joined the Staff Corps.
IV. Officers who have entered the Staff Corps since the 12th September 1866.

3. The pensions for Classes I and II will be—

	Pension.
	£
After 20 years' service	288
24 " "	430
28 " "	571
32 " "	783

4. The existing regulation which gives to these classes certain rates of pension after 35 years' and 38 years' service will thus become inoperative.

5. The conditions of retirement offered in G. G. O., No. 1 of 1st January 1881, will not be renewed.

6. The pensions for Officers in Clauses III and IV will be—

	Pension.
	£
After 20 years' service	250
" 24 " "	365
" 28 " "	500
" 32 " "	700
" 38 " " (as now)	750

7. Furlough service for pension will continue to be governed by the furlough regulations under which each officer may be serving.

8. The senior officers of Classes III and IV will succeed to Colonel's allowances as soon as they have completed 12 years as substantive Lieutenant-Colonel, until the number of officers in receipt of the allowances is equal to one-thirtieth of the whole of the officers in their respective lists in each Presidency, and thenceforward the number of Colonel's allowances then enjoyed by officers of that class shall be considered as the fixed establishment to which officers are to succeed by seniority as vacancies arise. For the purposes of this scheme, all the officers of Class III of all three Presidencies will be placed on one list. The establishment will be ascertained by the number of officers remaining on that amalgamated list on the day the senior officer completes 12 years' service as substantive Lieutenant-Colonel.

9. No Colonel's allowances will be granted to any officer joining the Staff Corps as a probationer after the 1st July 1881.

10. Pension regulations for officers entering the Staff Corps henceforward will be notified hereafter.

11. Officers will be allowed to commute a portion, not exceeding one-third, of their pensions, and this commutation may take place at any time and not merely on retirement.

12. In every case the capitalized sum will be payable in rupees in India, the sterling sum being converted at the official rate of exchange for the year in which the payment is made.

13. Full power is reserved to the Secretary of State for India to temporarily suspend or limit retirement, whenever it may appear to him necessary in the interests of the public service to do so.

Officers joining the Indian Staff Corps on or after the 1st July 1881.

I. A. C. Clause 208, *dated November* 1881. *G. G. O. No.* 570 *of* 1881.

Under the authority of the Secretary of State for India and with reference to paragraph 10, G. G. O. No. 489 of 1881, His Excellency the Governor-General in Council is pleased to direct the publication of the following scale of pensions for officers joining the Indian Staff Corps on probation on or after the 1st July 1881:—

Years' Indian Service.	Yearly Pension.
	£
20	250
24	365
28	500
32	700

No Colonel's allowances will be granted to any officer coming under the provisions of this General Order.

The furlough service for the above pensions will be governed by the furlough rules of 1875.

2. Officers will be allowed to commute a portion, not exceeding one-third of their pensions, and the commutation may take place at any time and not merely on retirement.

3. In every case the capitalized sum will be payable in rupees in India, the sterling sum being converted at the official rate of exchange for the year in which the payment is made.

4. Officers joining the Indian Staff Corps on or after the 1st July 1881 will be subject to such further conditions of retirement in the rank of Colonel and General Officer as may be hereafter laid down.

5. An officer in receipt of a good service annuity will not retain it after retirement on pension.

6. Full power is reserved to the Secretary of State for India to temporarily suspend or limit retirement, whenever it may appear to him necessary to do so in the interests of the public service.

Note.—Officers who enter the Staff Corps from the British Service are allowed to count *all service in India* for pension under Indian Retiring Regulations, provided that not less than one-half the required period for each rate of pension shall have been passed in the Staff Corps. Subject to this rule, and to certain restrictions in respect to furlough, pensions are given after 20, 24, 28, 32 and 38 years' service, towards which may be reckoned *service out of India* before joining the Staff Corps, to an extent not exceeding two years in any case.

Officers of the Royal Artillery and Royal Engineers under Indian Retiring Regulations.

I. A. C., Clause 209, *dated November* 1881. *G. G. O. No.* 596 *of* 1881.

Para. 1. I have had under my consideration the question of extending to Officers of the Royal Artillery and Royal Engineers, under Indian Retiring Regulations, the recently revised scale of pensions for Officers who entered the Staff Corps subsequently to September 1866.

2. Under the very favorable terms of retirement given to Officers of the Ordnance Corps in Articles 92-111 of the Royal Warrant of 25th June 1881, it is probable that the revised Indian pensions would be rarely taken advantage of by them. As, however, the extra annuity granted under the Royal Warrant is given under certain restrictions, an Officer may find himself unable to retire, except under those Indian Pension Rules in force up to the 1st July 1881, which have recently been revised on the ground that they had become unsuitable to present circumstances. I consider therefore that the benefits of the revised scale should not be withheld from the Officers of the old Indian Army, not of the local service or Staff Corps, who are still serving for Indian pensions.

*Years.	£
20	.. 250
24	.. 365
28	... 500
32	.. 700
38 as now	.. 750

3. I have accordingly intimated to the Secretary of State for War that these revised rates will be extended to Officers of the Indian cadres of Royal Artillery and Royal Engineers, but that the increased rates* will not be given to Officers availing themselves of the extra annuity specified in Article 978—XI of the Royal Warrant of the 25th June 1881, Officers retiring on those terms being restricted to the Indian retiring pensions hitherto in force.

4. I request that your Lordship will cause this to be notified in General Orders.

MILITARY, No. 407.

INDIA OFFICE; *London, 8th December* 1881.

To His Excellency the Most Honorable the Governor-General of India in Council.

MY LORD MARQUIS,—Para. 1. In my Despatches, Nos. 112, 258, 260 and 299 of the present year, I have sanctioned revised pension regulations for the Officers of the various branches of the Indian Military Service, including the Medical and Veterinary Departments. Under the revised rules substantial benefits have been conferred upon Officers already serving, while a very sufficient pension has been allowed to those Officers who may hereafter enter the service.

G. G. O. No. 10, *dated 6th January* 1882.

2. It seems to me expedient now to review the general result of these measures, in order that misapprehensions may be removed, and at the same time to issue some further regulations which appear to me desirable, in view to placing the pension system of Her Majesty's Indian Forces on a perfectly satisfactory footing.

3. I will proceed first to show what alterations have been made in the pension regulations as they existed in the year 1860 and those sanctioned in the year 1881. I select the year 1860 as the best period with which to draw the comparison, as this was the year preceding those great changes in the Indian Service which resulted in the amalgamation of the Artillery and Engineers of the three Presidencies with the Royal Artillery and Royal Engineers, the transfer of European regiments to the British Line, and the formation of the Staff Corps. In making this comparison, I shall pass over any regulations made between 1860 and 1881 which have been superseded by the regulations of the present year, but I shall briefly specify the advantages in the matter of retirement which have been avowedly of a temporary nature, and of the benefits of which many Officers have availed themselves.

4. Under this head of temporary measures I include the following:—

I. The extra annuity of 50*l.* given to Officers who retired from the Service on full-pay pension under the terms of Sir C. Wood's Despatch, No. 60, of the 4th February 1861, published in Government of India Order No. 262 of 1861.

II. The extra pensions to Officers of Cavalry and Infantry, varying from 150*l.* to 550*l.* per annum, given under Sir C. Wood's Despatch of the 10th August 1861, No. 320, published in your General Order No. 807 of 1861.

III. The special additional pensions of 200*l.* a year each allowed to 14 Colonels of Artillery and to 7 Colonels of Engineers by Sir Wood's Despatch of the 16th May 1863, No. 175, published in your Order No. 80A of 1863. These annuities were granted in consideration of a reduction of the number of Colonels' allowances in those branches of the Service, but the number reduced was subsequently restored.

IV. The special annuities varying according to length of service from 150*l.* to 350*l.* per annum, granted in 1872 to 36 Field Officers and 23 Captains of Artillery, in addition to seconded Officers who might accept the retirement on similar terms.

V. The grant of an annuity or lump sum in commutation of the prospective value of Colonels' allowances, in addition to pension, to 90 substantive Lieutenant-Colonels of the Staff Corps or Local Cavalry or Infantry of 28 years' service and upwards, in each year from 1874 to the end of 1881 as annually sanctioned in those years.

5. Confining myself for the present to the combatant branches of the Service, I find that in the year 1860 the retiring pensions for Officers of Artillery, Engineers, Cavalry, and Infantry were as follows, with the proviso that the pensions of Officers appointed to the Cavalry or Infantry after the beginning of the year 1859 were subject to any modification that might be ordered:—

	Pension per Annum. £	s.	d.
After 20 years' service...	...191	12	6
„ 24 „ „	...292	0	0
„ 28 „ „	...365	0	0
„ 32 „ „	...456	5	0

Twenty-two years' service entitled an Officer to the pension of his rank, that is, if a substantive Major, he could claim 292*l.* a year, and if a substantive Lieutenant-Colonel, 365*l.* There was no regimental rank of Colonel, except in the case of Officers eligible to the superior advantages stated in the next paragraph.

In the year 1866 two additional rates of pensions were created, namely, that of 600*l.* after 35 years, and 750*l.* after 38 years' service.

In 1860, as at present, 2 years' leave of absence in 20 years, 3 in 25 years, and 4 years in 30 years, were allowed to count as service for pension; and in 1872 sanction was given to 5 years' leave of absence counting in 35 years', and 6 years in 38 years' service.

6. In addition to this there were the regimental Colonels who received Colonel's allowances, which may be considered very much the same as retiring pensions. These Colonel's allowances were obtainable in regular succession by seniority; the number of these allowances in each branch and their proportion to the total authorised establishment of Officers was as follows:—

Artillery	24 to	696
Engineers	11 to	297
Cavalry	21 to	483
Infantry	167 to	4,402

7. The present rates of pension allowed to the Artillery and Engineers, the rules for which branches are of a special nature, are as follows, and to facilitate comparison the rates in force in 1860 are entered in juxta-position.

Pensions allowed to Officers of Indian Artillery and Engineers in 1860 *and in* 1881 *respectively.*

	1860 (including certain Leave of Absence, as stated in para. 5) With service at Addiscombe after 16 years of age.			1881 (WITHOUT DEDUCTIONS FOR LEAVE OF ABSENCE). II. Rates given irrespective of Rank or Period of Service in Rank. With service at Addiscombe after 16 years of age.			III. Rates given after 38 Years of Age to a Captain, or 7 Years' Service as Major, or 5 Years as Lieutenant-Colonel or as Colonel. With Addiscombe Service for proportion of Pension specified in Column I.

8. Nearly every Officer of these branches retiring henceforward will, no doubt, if health permits, arrange his retirement so as to obtain the benefit of the pensions given in Column III, and these, it will be perceived, are higher by from nearly 60 to 120 per cent. than the old rates, with the additional advantage that time passed out of India on duty and all leave of absence now counts as service for pension.

9. The number of Colonel's allowances is the same as in 1860, and privilege of retirement on the pay of rank after 22 years' service has not been interfered with, but has practically become inoperative since the introduction of more advantageous rates of pension.

10. It has to be observed that the scale of pensions contained in Column III, as laid down in 1878, was sanctioned in order to encourage retirement, and in some measure to hasten promotion, an object secured in the old Royal Artillery and Engineers by compulsory retirement. It was therefore, not extended to those Officers who remained in the Service after promotion to the rank of General Officer, except as a temporary measure open to all General Officers in 1878.

11. The next class to which I shall refer is that of Officers who voluntarily joined the 19th, 20th, or 21st Hussars, or the regiments lately known as the 101st to 109th Foot. These Officers have been able to retire under the old pension rules, as detailed in paragraph 5, including the two higher rates given in 1866. They would also be entitled to the benefits of the pensions specified in Column 2 of paragraph 7, or they can retire under the following conditions after 20 years in the Service:—

	PER ANNUM. Cavalry	Infantry.
	£	£
If Senior Lieutenant-Colonel in a regiment of Cavalry or battalion of Infantry	600	575
If 2nd Lieutenant-Colonel in Cavalry, or 2nd Lieutenant-Colonel or Senior Major in a battalion of Infantry	500	475
If of lower rank	350	350

12. All leave of absence taken by these Officers counts as service for pension, and if they succeed to the establishment of General Officers they are eligible for the higher rates of half pay and retired pay given under the Royal Warrant of 25th June 1881, that is:—

Half pay,—
Major-General, 500*l.*
Lieutenant-General, 650*l.*
General, 800*l.*

Retired pay,—From 600*l.* to 1,000*l.* per annum according to grade and age.

13. The next class of Officers are those who entered the Staff Corps on its formation, or at any period up to the 12th September 1863. These Officers entered subject to the pension rules specified in paragraph 5 of this Despatch, but Sir Charles Wood ruled that they could not claim retirement on the pension of their rank after 22 years' service under the Regulation of 1796. As some Officers represented that they entered the Staff Corps under the belief that they should have the benefit of this rule of 1796, permission was given to all Officers who alleged that they had entered the Staff Corps under a misapprehension on this point to withdraw from it, and to revert to the local service, the Officers of which still retained the privilege.

14. In addition to pensions, it was notified that eventually Colonel's allowances would be allotted to the Staff Corps in the proportion of one Colonel's allowance to every 30 Officers, but in 1866 the Marquis of Salisbury, in Despatch No. 159, published in your General Order No. 808 of that year, sanctioned the grant of Colonel's allowances to substantive Lieutenant-Colonels of the Staff Corps who entered it on or before the 12th September 1866, after 12 years' service in that grade, irrespective of numbers. Taking this latter valuable privilege into account, it seemed essential, if retirement prior to succession to Colonel's allowances was to be facilitated, to give to Officers of this class the estimated value of their absolute title to those allowances, in addition to the pensions previously granted, and this was sanctioned in my Despatch No. 258 of 4th August last.

15. The result of these regulations is that the retiring allowances of Officers of this class now, as compared with what was claimable in 1860 are as follows, exactly the same periods of leave of absence being allowed to count as service for pension in 1881 as in 1860, with the additions made in 1872 as mentioned in paragraph 5 of this Despatch:—

	Rates in 1860.			Rates from 1st July 1881		
	£	*s.*	*d.*	£	*s.*	*d.*
20 years' service...	191	12	6	288	0	0
24	292	0	0	430	0	0
28	365	0	0	571	0	0
32	456	5	0	783	0	0
38	456	5	0	1,124	17	5

16. It is true that in 1860 an Officer who happened to be a Major or a Lieutenant-Colonel could at any time, after 22 years' service, retire on what is called the pension of his rank, or 292*l.* if he was a Major, and 365*l.* if he was a Lieutenant-Colonel, but, as promotion was usually slow, this rarely gave an Officer any advantage, and the retirements under the rule were few, while every Officer in the class referred to voluntarily relinquished the prospect of benefiting by it. The general result is that up to 32 years' service inclusive there has been an increase of from 47 to 71 per cent. according to periods of service while 1,124*l.* is insured after a service of 38 years, instead of 456*l.* with a prospect of succeeding to 1,124*l.* at an uncertain period as was the case in 1860.

17. The next class to refer to is that of Officers on the cadres of Cavalry and Infantry of the three Presidencies. They have been granted the same retiring pensions as Officers whose pensions were detailed in the foregoing paragraph, although their date of succession to Colonel's allowances is not fixed in exactly the manner prescribed for Officers who entered the Staff Corps up to 1866. Hence any Officer of these cadres who takes pension has exactly the same advantages as Staff Corps Officers, with the addition that he can retire on the pension of his rank after 22 years. With respect to Colonel's allowances, succession is secured after 12 years as Lieutenant-Colonel, but, as succession to the grade of Lieutenant-Colonel depends upon vacancies, the period of succession must vary. Indeed it was not intended to do more than arrange as far as possible that these Officers, who all had the option of joining the Staff Corps under the conditions of September 1866, should not be in a worse position than previously in this respect. In point of fact, while some of these Officers have suffered by slow promotion in years gone by in their cadres, their actual succession to Colonel's allowances has been greatly hastened by the measures adopted, and a large proportion of Officers since 1866 have succeeded to these allowances in less than 38 years, and some even in less than 30 years.

18. The next class is composed of Officers on what are called the General lists of Cavalry and Infantry of the three Presidencies, all of whom were appointed to the Service between the month of February 1859 and February 1862, and whose nominations were made subject to any alterations that might be subsequently ordered in the conditions of service. There was no pledge given to these Officers as to Colonel's allowances, but it was no doubt understood that they came under the general pension regulations of the day.

As explained in my Despatch of the 4th August 1881, No. 258, I have conceded to them the right of succession to Colonel's allowances in the proportion of one to every thirty Officers in the

manner described in paragraph 17 of that Despatch, and I have fixed the rates of pension as follows:—

	Old Rate.			New Rate.		
	£.	*s.*	*d.*	£.	*s.*	*d.*
20 years	191	12	6	250	0	0
24 ,, ...	292	0	0	365	0	0
28 ,, ...	365	0	0	500	0	0
32 ,, ...	456	5	0	700	0	0
38 ,, ...	456	5	0	750	0	0

19. The last class of Officers already serving are those who have entered the Staff Corps at their own request since the 12th September 1866. These Officers presumably knew all the conditions as to pension and retirement when they entered, and the only change in the rates made since that period has been to admit them to the increased rates shown in the table given in the preceding paragraph.

20. As respects the Medical Department, the following statement shows the pension rates in force in 1860, the revised rates introduced in 1864, and the present rate of pensions.

RATES OF PENSION FOR THE MEDICAL SERVICE PER ANNUM.

	1860.			1864.	1881.
	£.	*s.*	*d.*	£	£
17 years' service	191	12	6	220	292
20 ,, ,, ...	191	12	6	220	365
21 ,, ,, ...	250	0	0	292	365
24 ,, ,, ...	250	0	0	365	365

30 ,, ,, ...	365	0	0	550	700
32 ,, ,, ...	500	0	0	550	700
35 ,, ,, ...	700	0	0	*550	700

Besides this, since 1864 an additional 250*l.* or 350*l.* a year is given to every Officer who, on retirement, has rendered five years' service in the office of Deputy Surgeon-General or Surgeon-General respectively.

21. From this table it will be seen that the pensions of Medical Officers who have not served in the higher appointments have been raised since 1860 by amounts varying from 37 to 91 per cent. in the case of Officers who have served under or up to 30 years; while the highest pension formerly allowed, namely, 700*l.*, which was only obtainable after 35 years, can now be obtained after 30 years' service. Further those Medical Officers who serve as Deputy Surgeons-General and Surgeons-General can now on completion of 30 years' service and five years in the grade obtain pensions of 950*l.* and 1,050*l.* a year respectively, as against the 365*l.* and 700*l.* obtainable after 30 and 35 years under the old rules, and as against 800*l.* and 900*l.* obtainable by them under the rules of 1864.

22. Medical Officers, it must be recollected, have of late years been granted higher relative rank, a privilege which carries with it a higher rate of pension for widows, a higher rate of wound pension, and a higher rate of retirement if an Officer is compelled to leave the Service from ill health before completion of 17 years' service in India. By these rules Medical Officers on joining from probation at once rank as Captains, a rank only gained by a Staff Corps Officer after 12 years' service, while the relative rank of Major is obtained eight years earlier than in the Staff Corps, and that of Lieutenant-Colonel in six years' less service than in the Staff Corps.

23. The Veterinary Department of the Indian Army has long since ceased to be recruited, and the junior Officer in that branch in the three Presidencies was appointed in 1859. It has been therefore unnecessary to discuss the propriety of a general revision of the pension rules of the Department, but in my Despatch, No. 260, of 4th August 1881, I authorized the pension of 250*l.* a year hitherto granted to Veterinary Surgeons of 25 years' service to be increased to 350*l.*, and that of 350*l.* after 30 years' service to be increased to 450*l.* a year.

24. An examination of the foregoing details shows how greatly all classes of Officers in the Indian Army have benefited by the alterations in the pension regulations, while very sufficient rates of pension have been fixed for those Officers who henceforward enter the Service. There are, however, some particular conditions which I think may advantageously be modified; but, before I refer to these points, I desire to advert to a complaint which has been made, that all leave of absence does not count as service for pension. The rules on this subject are not new rules, but rules that have been in existence for 27 years, which rules were again more liberal

* With the option of 700*l.* to Officers who entered before 1864, and did not receive the higher additional pensions of Deputy Surgeon-General or Surgeon-General. Medical Officers compulsorily retired at the age of 55 were granted the pension next above that to which their service entitled them.

than those in force prior to 1874. These rules were not interfered with by the recent regulations, which simply augmented rates of pension all round, and they apply to no Officer who has entered the service since the year 1875. I cannot admit that the continuance of the long existing rule, which only admits leave to a certain extent to count as service for pension, constitutes any grievance whatever.

25. The position of Officers under the regulations referred to is as follows :—
The whole of the following descriptions of leave of absence count as service for pension without any deduction whatever :—

I. Recreation or regimental leave, to the extent of three days at a time within musters, and in the district, and to an aggregate of ten days in each six months.

II. Temporary or station leave, extending to ten days' absence within the Presidency in which the Officer is serving, and limited to 20 days in six months.

III. Privilege leave, irrespective of musters, to the extent of 60 days in each year, with liberty to proceed anywhere, provided the Officer taking it shall ensure return within the term of his leave. To Officers of certain local corps privilege leave is allowed for 90 days in each year, while to military Officers in civil employ it is limited to 30 days annually, but with the privilege of accumulating the leave for two or three years and then taking 60 or 90 days.

(Officers availing themselves of any of the foregoing descriptions of leave retain their full salary and emoluments.)

IV. Leave rendered necessary in consequence of wounds or from ill-health due to exposure on field service, to an extent not exceeding 18 months in each case.

V. Leave not exceeding 30 days preparatory to embarking on furlough, and again on return from furlough to enable an Officer to rejoin his corps or appointment.

VI. Leave granted to enable an Officer to study the Native languages at one of the Presidency towns, provided he passes the prescribed tests within the following periods :—
Higher standard in Hindustani, six months.
Examination in other languages than Hindustani, a further period of six months.
On obtaining a certificate of high proficiency, a period of 18 months in the aggregate.
On obtaining a degree of honour in Arabic, Sanscrit, or, Persian, a period of two years.

26. In addition to leave taken under any of the circumstances just stated, two years leave in 20, three years in 25, four years in 30, five years in 35, and six years in 38 years' service are allowed to count as service for pension.

27. Not only are these regulations liberal, but Officers of the Indian Service have had the further advantage of drawing furlough pay when on leave, varying from 250*l.* to 1,000*l.* a year, and of retaining staff and other situations when on leave, while in nearly all cases where leave on medical certificate has been granted, it has been allowed for a fixed term of two years, instead of being limited to the actual necessities of the case. It is impossible to consider these rules as anything but liberal in the extreme, and I believe that, in several of those cases where leave has been taken in excess of the time allowed to count as service for pension, a more strict attention on the part of superior authorities would have led to the removal from the active list of the Army of Officers who have passed a considerable portion of their service on leave on sick certificate. I must also observe that there is no analogy between the case of these Officers and that of Officers under the British service rules, who ordinarily only obtain leave for limited periods and on lower rates of pay, with the disadvantage of compulsory retirements and smaller pensions. Certain considerations have rendered it desirable to cease to deduct leave from the service for pension in the case of Officers of the late Indian Artillery and Engineers and new line Regiments who are under Indian pension rules, but these considerations do not apply to Officers of the Staff Corps or Indian Army.

28. I have, therefore, no intention of abrogating rules which I consider to be just, and the operation of which has always been well known to the Officers concerned ; but as respects the actual periods to count as service, when the leave has been taken under regulations prior to those of 1875, I have determined to sanction some small modifications, as in some cases the periods in which a certain amount of leave is allowed to count as service for pension do not correspond with the periods at which higher rates of pension are claimable. Thus, after 24 years' service the second rate of pension for combatant Officers is claimable, but the second period of leave allowed to count requires 25 years' service before it can be reckoned. I am induced, therefore, to sanction an alteration in the periods of leave to be allowed to count, so as to make each period correspond with a period of service at which a pension can now be earned. Under this view, I will allow three years' leave to count in 24 years, four years in 28, five years in 32, and six in 38 years, instead of, as at present, three years in 25, four years in 30, five years in 35, and six in 38. As respects the Medical Department, the Officers of which can claim pensions at periods different from the foregoing, and who enter the Service at a later period of life than the combatant Officers, the periods allowed will be two years in 17 years' service, three years in 20 years' service, four years in 25 years, and five years in 30 years, at which last period the highest rate of pension is claimable. This latter scale can be applied also to the Veterinary Department.

29. In making this concession, however, I must desire that no furlough on medical certificate for Officers under any furlough regulations shall be given in future for more than one year in the first instance, and it will only be renewable on satisfactory evidence that more leave is necessary. Officers at home will have to appear before a Medical Board to obtain an extension.

30. I have further determined on the two following modifications of existing rules as to length of service for pension :—

I. In my Despatch, No. 258, of the 4th August last, I informed your Excellency that I had sanctioned certain higher rates of pension for all Officers of the Staff Corps and Indian Service who were entitled to Colonel's allowances after 12 years as Lieutenant-Colonel. The estimated value of the right of succession to Colonel's allowances was added to the ordinary rates of pension then in force, up to and including the pension of 456*l.* 5*s.* claimable after 32 years' service, including four years' leave of absence. These increments, however, only accrued on the attainment of the several rates of pension dependent on specific periods of actual service. But, as the right of succession of these Officers to Colonel's allowances is not affected by leave of absence, I now sanction, in substitution of my previous order, the following addition to the old ordinary rate of pension to these Officers after each year of service from 20 to 32 inclusive ; and, in fixing the pension of such Officers on retirement you will, therefore, add the following sums to the ordinary pensions to which they are entitled under regulations issued previously to August 1881, but with any benefit to which they may be entitled under the terms of paragraph 28 of this letter. For the extra pension no deduction will be made for leave of absence :—

II. Officers who have entered the Staff Corps from the British Service are allowed to count all service in India for pension under Indian retiring regulations, provided half their service has been in the Staff Corps ; but service out of India previous to joining the Staff Corps is not allowed to count for pension. As I recognize the value to India of the training of Officers in the British Army before joining the Staff Corps, I have determined to allow service out of India before joining the Staff Corps to count for Indian pension to an extent not exceeding two years in any case.

31. I have also had under consideration the circumstance that General Officers of the British Army may, by recent regulations, on relinquishing their claim to paid Colonelcies of regiments, receive higher half pay and special rates of pension. In the Staff Corps and Local Service nearly every General Officer has already succeeded to Colonel's allowances, and for these no alteration is requisite ; but in any case where an Officer obtains early promotion to the rank of General in any branch of the Service, including Artillery and Engineers, I am prepared to allow him, on relinquishment of any title to succeed to Colonel's allowances, to claim the benefit of the rates of half pay and retiring pay, as allowed in my Despatches, Nos. 372 and 392, of 10th and 24th November 1881,* for Officers who enter after the 1st July 1881, but subject to exactly similar conditions as to removal from the effective list. The name of any Officer of the general list, or who entered the Staff Corps after the 12th September 1866, and who may elect this privilege when he becomes a General Officer, will continue to be reckoned in calculating the number of Colonel's allowances due to Officers who have not taken this privilege.

32. Finally, I have decided to allow General Officers of Artillery and Engineers to retire at any time under the conditions temporarily allowed to those Officers by the Royal Warrant of 8th September 1878.

There seems to me to be now no good reason to limit this retirement to the rank of Colonel, while the limitation of the rule may operate hardly upon Colonels who, under exceptional circumstances, may obtain promotion to the rank of Major-General before they have served five years as Colonel. Under the rule I now sanction, a General Officer who has completed five years' service in the rank of Colonel and Major-General combined will be entitled to retire with the extra annuity.

33. Having now completed my review of the pension regulations of the various classes of Military and Medical Officers under Indian regulations, I must express my conviction that the rules

* (Despatch 372) " 9. Those Officers will come under the compulsory retirement clauses of the Royal Warrant on attaining the age of 55 years in the rank of Colonel, of 62 years in the rank of Major-General, and 67 years in the rank of Lieutenant-General or General. Up to the age of 55, there will be no compulsory retirement on account of age from the Staff Corps. Non-employment for five years in the rank of Lieutenant-Colonel or Colonel, and non-employment as a General Officer for five years continuously since his promotion to Major-General, or non-employment for seven years continuously from the time of his last employment as Colonel, will involve compulsory retirement on the pensions elsewhere laid down, or in the grade of—
" Major-General, at 62, on 800*l.* a year.
" Lieutenant-General, at 67, on 900*l.* a year.
" General, at 67, on 1,000*l.* a year."
With voluntary retirement in those grades of—
" Major-General, at 60, on 750*l.*
" Lieutenant-General, at 65, on 850*l.*
" General, at 65, on 950*l.*

" 10. I have already informed you that Officers in receipt of good service pensions will not retain them after retirement on pension."
(Despatch No. 392) :—
" Unemployed General Officers of the class referred to in paragraph 8 of the former Despatch, that is Officers who join the Staff Corps after the 1st July 1881, will receive the rates of half pay laid down for General Officers of Her Majesty's British Forces in Article 981 of the Royal Warrant of the 25th June 1881, viz. :—
" Field Marshal .. .. .. £1,300 yearly.
" General .. .. .. 800 do.
" Lieutenant-General .. .. .. 650 do.
" Major-General .. .. .. 500 do."

as they now stand are not, with due regard to the public interest, susceptible of further extension. I have no doubt whatever that the benefits of these regulations, combined with the other advantages of service in India, will continue to attract candidates to the Indian Service, well qualified to maintain the deservedly high reputation already acquired by the Officers of that Service.

34. I request you will cause this Despatch to be published in your General Orders, and to intimate that any benefits conferred by it will take effect from the 1st July 1881.

Half Pay Officers—Scale of Pension.

No. 63 of 1882.—The following General Order by the Government of India, dated 20th January 1882, is republished with reference to G. O. G. Nos. 490 and 650 of 1882:—

No. 34.—With reference to G. G. Orders Nos. 279 and 489 of 1881, the following despatch from the Secretary of State for India, No. 432, dated the 22nd December 1881, is published for general information:—

RETIREMENTS.

Para. 1. In your Military Letter, No. 210, of the 23rd June 1879, on the subject of the amelioration of the scale of pensions of the Indian Army, you make certain proposals with regard to the rates of half pay.

2. In my Military Despatch, No. 258, of the 4th August last, in which I sanctioned a revision of the then existing scale, I did not deal with the question of half pay.

3. As regards the rates, if appears to me to be sufficient to declare that combatant Officers placed on half-pay shall receive the same rates as Officers of the same rank in the British Service. Medical Officers, you were informed in my Despatch, No. 112, of the 14th April last, are to receive the British rate of *half* pay of their relative ranks.

4. I have decided that Officers placed on temporary half pay at the recommendation of the Medical Board of the India Office shall be examined by the same Board as to their fitness to return to duty every two years, and if still reported unfit at the third examination, that is, after being six years on the temporary half pay list, that they shall be transferred to the retired list on permanent half pay. An Officer reported to be unfit at the commencement of the second period, *i. e.*, after two years on half pay, may, however, be permitted voluntarily to retire on permanent half pay.

5. Officers unable to appear before the Medical Board at the stated times will be required to furnish a certificate, signed by two medical men, as to their inability. An Officer who is continuously unable to appear will be retired permanently after six years without further report.

6. Officers who, in view to being restored to the active list, may wish to appear before the Board at other times than those specified may be permitted to do so. Officers ordered periodically to appear before the Board will receive their travelling expenses and lodging allowance on the Home scale, but those appearing at other times, at their own wish, must do so at their own expense.

7. Officers who have now been more than six years on the half pay list of the Staff Corps will, unless prior to the 1st July 1882 they voluntarily appear before the Board, and are then reported it for duty, and permitted by the Secretary of State to return to India, be permanently placed on the retired list on half pay.

8. It will be understood that these provisions do not in any way abrogate the existing power vested in the Secretary of State for India to recommend to Her Majesty the removal of an Officer from the effective list of the Staff Corps to permanent retired half pay for inefficiency or misconduct, or on the report of the Medical Board at this Office that he is permanently unfit for further service.

Regulations for the Commutation of Pensions of Officers of the Indian Service.

No. 64 of 1882.—The following General Order by the Government of India, dated 20th January 1882, is republished with reference to G. O. G. No. 650 of 1881:—

No. 35.—With reference to paragraph 11 of G. G. O. No. 489 of 1881, the following despatch from the Secretary of State for India, No. 431, dated the 22nd December 1881, and enclosure, is published for general information:—

Para. 1. In paragraph 22 of my Military Despatch, No. 258, of 4th August 1881, your Government were informed that I had directed the preparation of rules under which Officers retiring on and after 1st July 1881 will be allowed to commute a portion, not exceeding one-third, of their pensions at any time, either on retirement or subsequently.

2. I now forward the rules, and request that the necessary instructions may be given for carrying out the system into effect throughout India.

3. Under no circumstances will an Officer serving in India be permitted to commute his pension without the report of a Medical Board at the Presidency towns, which, in conformity with the principle followed at Home, should be either presided over or have as a member a Civil Medical Administrative Officer.

Regulations for the Commutation of Pensions of Officers of the Indian Service.

1. These Regulations shall be applicable only to Officers retired on or after the 1st July 1881.
2. An Officer may be allowed to commute a portion, not exceeding one-third, of his pension, which commutation may take place on retirement, or at any time subsequent thereto.
3. An Officer in Europe desirous of commuting must make application, in writing, to the Under Secretary of State for India, stating his desire so to commute, and furnishing information as to his age, rank, and the amount of his pension.
4. If the Secretary of State for India in Council shall approve the commutation, the Officer will be so informed, and his application will be forwarded to the Standing Medical Board at the India Office.

5. The Board will require the Officer to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination by the Board at the India Office.
6. An Officer in India desirous of commuting must address the authorities of his Presidency. He will be required to go through similar forms. Boards, which will, when practicable, be presided over by the chief Civil Medical Administrative Officer of the Government, being formed in the Presidency towns of Calcutta, Madras, and Bombay, under orders of the respective Governments.
7. The basis of commutation, subject to an addition of years of age in the case of impaired lives, shall be the following table, the age of the Officer being reckoned at the age he will attain on the birthday next succeeding the date of the receipt of his application for commutation:—

9. The amount having been fixed, the applicant will be informed thereof, and will have the option of withdrawing his application within 30 days after receiving that notice.
10. If the applicant shall not withdraw his application within that period, the decision will be considered final, and the commutation of pension will take place absolutely.
11. In any case in which a pensioner shall accept public employment, involving the withholding of pension, a deduction will be made from the salary payable to him equal to the amount which would have been abated from the pension if it had not been commuted, and, in the event of his becoming entitled to a pension in respect of such employment, the amount of such pension granted to him shall not exceed the amount which he might have received had his pension not been so commuted.

Revised scale of Pensions for the Indian Medical Service.

I. A. C., Clause 121, *dated June* 1881. *G. G. O. No.* 279 *of* 1881.

His Excellency the Viceroy and Governor-General in Council is pleased to direct the publication of the following despatch from the Right Honorable the Secretary of State for India:—

MILITARY. No. 112.

INDIA OFFICE, *London, 14th April* 1881.

To His Excellency the Most Honorable the Governor-General of India in Council.

MY LORD MARQUIS,

PARA. 1. I have given very careful consideration to the proposals for a revised scale of pensions for the Indian Medical Service contained in your Financial letter of the 12th October 1880, No. 335, and, on a full review of all the circumstances, I have determined to sanction, with some slight exceptions, the proposals you have made.

*2. I am unable, however, to allow longer periods of leave of absence to count as service for pension than those at present admitted; and I do not consider it would be expedient to give higher rates of pensions to Medical Officers of 20 and 26 years' service who retire on account of wounds or ill health contracted in the service, than are granted to Officers who, after a similar period of service, retire in ordinary course.

3. It has not been usual in any branch of the service to give higher pensions to Officers entitled to pension merely because they retired on account of wounds or ill health, and I see objections to altering the system in the manner proposed. Officers who break down in the service before they are entitled to pension receive the half pay of their relative rank, and Officers so severely wounded as to entail the loss of a limb receive the wound pension of their relative rank in addition to pay or pension, and this appears to me to be sufficient.

4. I also consider that the third scale of pension may properly be given after 25 years' service instead of after 26 years.

*5. In accordance with these views, therefore, the following will be the scale of pensions for the Indian Medical Service, with effect from the 1st January 1881:—

After 17 years' service, including two years' leave and furlough, 292*l.*
After 20 years' service, including three years' leave and furlough, 365*l.*
After 25 years' service, including four years' leave and furlough, 500*l.*
After 30 years' service, including five years' leave and furlough, 700*l.*

6. Those Officers who served five years as Surgeon-General or Deputy Surgeon-General will receive on retirement extra pensions of 350*l.* and 250*l.* a year respectively, six months' leave on medical certificate, or four months on private affairs, being allowed to count as part of this service of five years. A good service pension granted to a Medical Officer will lapse on his obtaining the additional pension allowed to a Deputy Surgeon-General or Surgeon-General.

7. Medical Officers not entitled to pension, but who, at the expiration of two years' leave of absence on medical certificate, are unfit to return to duty, will be placed on temporary or permanent half pay, after examination by the Medical Board at the India Office. The half pay granted in such a case will be the British rate of half pay of the relative rank held by the officer. The period passed on half pay will in no case be reckoned as service in calculating claims for promotion or to pension on retirement.

8. With the liberal rates of pension now introduced, I do not consider that it will be necessary to give any higher rate than that to which they may be entitled, to medical officers below the rank of Deputy Surgeon-General who may be retired on attaining the age of 55 years, under the provisions of Article 8 of the Royal Warrant of the 16th November 1880. An officer now in the service, who is so retired, may, if he pleases, elect to receive pension under the previous Regulations.

9. You will have the goodness to publish this despatch in the General Orders of your Government.

I have, &c.,
(Signed) KIMBERLEY.

Revised scale of Pensions for Officers of the Indian Veterinary Department.

I. A. C., Clause 173, *dated September* 1881. *G. G. O. No.* 492 *of* 1881.

Under the authority of the Secretary of State for India, His Excellency the Governor-General in Council is pleased to notify that the following will be the scale of pensions for the officers of the Indian Veterinary Department:—

	£
† After 25 years' service, including 4 years' furlough or leave of absence	... 350
After 30 years' service, including 5 years' furlough or leave of absence	... 450

2. The commutation of a portion of the pension not exceeding one-third, as sanctioned for combatant officers, will be allowed under the same conditions to officers of the Veterinary Department, such commutation being allowed to take place at any time and not merely on retirement.

3. In every case the capitalized sum will be payable in rupees in India, the sterling sum being converted at the official rate of exchange for the year in which the payment is made.

4. The new scale of pensions will have effect from the 1st July 1881.

Revised scale of Pensions for Warrant Officers of Her Majesty's Indian Army.

I. A. C., Clause 210, *dated November* 1881. *G. G. O. No.* 514 *of* 1881.

Under the authority of the Secretary of State for India, His Excellency the Governor-General in Council is pleased to direct the publication of the following revised scale of pensions for Warrant Officers of Her Majesty's Indian Army, to take effect from the 1st September 1881:—

2. The distinction between the invalid pension, which can be drawn only in India, and the retiring pension, will be abolished.

3. The periods of service entitling Warrant Officers to retiring pensions will be as follows:—

24 years' total service in Europe and India, including 16 years in the department.
26 years' total service in Europe and India, including 14 years in the department.
28 years' total service in Europe and India, including 12 years in the department.

* With reference to paras. 2 and 5 of G. G. O. No. 279 of 1881 Furlough Service for pension in the Indian Medical Service will continue to be governed by the furlough regulations under which each Officer may be serving (*G. G. O.* 512, *dated* 16*th September* 1881) but under the concluding part of paragraph 28 of G. G. O. No. 10, dated 6th January 1882 the actual periods allowed to count as service, when the leave has been taken under regulations prior to those of 1875, will be two years in 17 years' Service, three years in 20 years, service, four years in 25 years, and 5 years in 30 years, at which last period the highest rate of pension is claimable.

† Vide para. 28 of G. G. O. No. 10, dated 6th January 1882.

If he has not served 14 years altogether, his case will be specially considered.

7. A Warrant Officer, whose disqualification for further service in India has been caused by intemperance or irregular habits, will, if he has served half the periods of service, army and departmental, laid down in paragraph 3, receive—

	England or the Colonies. Per annum. £	India. Per mensem. Rs.
Deputy Commissary ...	... 130	120

9. All Warrant Officers at present on the Establishment will be allowed the option of electing the old or the new scale of pensions at any time previous to retirement.

10. Pension, according to the present scale and conditions is admissible to the widow of a Warrant Officer who may die, either while in the service or on the Pension establishment, provided, in the latter case, that she married the deceased Warrant Officer previous to his retiring from the army or being invalided."

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules. Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under Rule 39.

* * * * *

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs

or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furlough on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence *on sick* certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

With reference to paras. 6, 7 & 8. *M. C. No.* 1,411, *10th May* 1855.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C., 18th November 1856, No. 92.

Fort William, the 28th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY, No. 362. INDIA OFFICE, *London, 8th December* 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea."

G. O. G. 20th Feb. 1866, No. 65.

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and for a second period of two years' after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that the absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in the country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

No. 1244 of 1869, *Fort William, the 15th December* 1869. In continuation of G. G. O., No. 1131* of the 1st December 1868 and under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—* Madras G. O. G. 15th December 1868, No. 450.

Regulations of 1854—G. G. O. No. 1150 of 1854, paragraph 7.

Regulations of 1868—G. G. O. No. 4610 of 1868, Rule VIII.

G. O. G. 28th Dec. 1869, No. 423.

* Madras G. O. G., 5th May 1865, No. 170.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G., 1st July 1856, No. 211.

G. O. G. 25th May 1860, No. 246.

9. Officers who have come to this country on duty with discharged Troops, and have been granted extensions (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

G. O. G. 26th June 1860, No. 290.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

G. O. G. 12th July 1861, No. 232.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

G. O. G. 21st June 1864, No. 231.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objections to the modification of the Furlough Regulations suggested by your Government in favour of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

G. O. G. 14th April 1863, No. 127.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs, fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

G. O. G. 28th Aug. 1863, No. 304.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. *Calcutta Gazette, 4th April* 1856. *Notification in Foreign Department.*

G. O. G. 15th April 1856, No. 119.

No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

The foregoing was declared in a Notification, No. 2,129, *dated 16th April* 1856, *republished in G. O. G. 2d May* 1856, *No.* 139, *to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.*

With reference to paras. 13 and 16, *M. C. No.* 2,702, *20th October* 1856.

G. O. C. C. 18th Nov. 1856, No. 92.

6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

G. O. G. 16th Sept. 1859, No. 360.

3. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond Sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental,) Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their * * allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported at once to the Secretary of State for India with the reasons for it, and to be subject to his approbation.

With reference to para. 19.

1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

G. O. C. C. 3d October 1856, No. 73.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. * * *

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

* Vide margin of Rule 9.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

G. O. G. 5th Nov. 1861, No. 391.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

G. O. G. G. No. 952, 22d Oct. 1861.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

No. 1161 of 1868.—His Excellency the Governor General in Council is pleased to direct the publication, for general information and guidance, of the following Military letter from the Right Hon'ble the Secretary of State for India:—

INDIA OFFICE, *London, 31st October* 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

G. O. G. 22d Dec. 1868, No. 462.

SIR,—As it appears from recent circumstances that an impression exists in India that Officers Commanding Divisions and Brigades whose leave of absence on sick certificate with retention of appointment is limited to six months, and who may come to this country for that period, are not required to produce evidence of physical fitness for duty before being allowed to return to India, I request that you will notify to the Army at large that all Officers, however employed, and whatever may be the amount of leave granted them, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

No. 170 *of 24th February* 1874.—The following paragraph of a Military Letter from the Right Honorable the Secretary of State for India, No. 5, dated the 14th of January 1874, is published for general information:—

G. O. G., 10th March 1874, No. 87.

3. I have resolved to grant Officers, whether of the British or Indian service, in Command of Divisions or Brigades, the English pay of their rank, when on leave on private affairs, under General Order No. 952* of 1861. This decision will apply to all other Officers affected by this General Order.

"An Officer who has once returned to Europe, retaining his appointment under the new rules, cannot be allowed that privilege a second time, no matter whether it be the same or another appointment, unless he has served the prescribed period since his last return to duty."

G. O. G., 10th Nov. 1863, No. 396.

"An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e., who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advertence to para. 20 of the new furlough Regulations."

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it."

The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

INDIA OFFICE, *London, 30th April* 1868.

MILITARY, No. 140.

To His Excellency the Right Hon'ble the Governor General of India in Council.

G. O. G. 19th June 1868, No. 232.

SIR,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

G. O. G. 25th Sep 1874, No. 244.

No. 895, *Fort William, the 14th September* 1874.—In modification of G. G. O., †No. 852, dated 29th September 1871, it is notified for general information that, in future, the day on which an Officer reports himself as having disembarked on return from furlough out of India, will be reckoned as service, as formerly, and not be included in the period of his furlough.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—"When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India."—G. O. G. 15th August 1862.

* Madras G. O. G., 8th November 1861, 391.
† Madras G. O. G., No. 341, dated 6th October 1871.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence a sick certificate, who may be entitled to them, will be made if desired in India for three months from ate of embarkation. Payments in continuation will be made in England at the rates of exchange fixed nnually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will ontinue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

G. O. G. 5th May 1862, No. 181.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter *No. 497, dated the 31st December 1861*, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether *in advance* or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the signature of the authorities at the India Office to the effect that no such adjustment has been made by them.

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

G. O. G. 15th August 1862, No. 327.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on *good security* for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. G., No. 1009 of 3rd December 1866.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

G. O. G., 1st Dec. 1866, No. 492.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. G., No. 90 of 23rd January 1867.—In modification of Government General Order, *No. 841 of 1861*, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which

26. The certificates issued to Officers who are granted *furloughs* on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence

Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on *leave for any period under the old furlough* rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The *guarantee must* be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The *guarantee is to be in the following form, and must* bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

G. O. G. 2nd Feb. 1864, No. 45.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depôt, or with Drafts on the voyage to India, will *reckon such duty as service* in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above *laid down in respect to* allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who *may retire* or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of *six months from* the date of quitting India.

Simla, 22nd September 1861.

No. 771 of 1861.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the General convenience of Officers.

2. G. G. O. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond the sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

G. O. G. 11th Oct. 1864, No. 401.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his Corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates of the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In every special case, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

G. O. G. 7th May 1862, No. 212.

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

19. An Officer who has served twenty or twenty-four years and *not more* is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

G. O. C. C. 18th Nov. 1856, No. 92.

30.* No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-three years, four years in thirty years, five years in thirty-five years, and six years in thirty-eight years' service shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

G. O. G., 9th April 1872, No. 90.

No. 337 of 28th March 1872.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 50, dated 29th February 1872, is published for general information:—

MILITARY, No. 50. INDIA OFFICE, *London, 29th Feb.* 1872.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD.—1. With a view to meeting the cases and facilitating the retirement of the senior officers of the Army subject to the Indian Retiring Regulations, Her Majesty's Government have resolved so to modify the present Regulations, as expressed in Clause 30 of the Furlough Rules of 1854, as to admit of a larger amount of furlough being reckoned as service by claimants to the higher rates of pension granted in 1866.

2. *With this view, I request that it may be notified to the service that,* from and after the date of this despatch, the following regulation will be substituted for Clause 30 of the rules above referred to, and will govern the rates of pension to be granted to officers retiring under the Indian Regulations:

"No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-*five years' service, four years in thirty years' service, five years in thirty-*five years' service, and six years in thirty-eight years' service shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

With reference to para. 31.

G. O. G. G. No. 1113 of 1857.—The following Extract, paras 18 and 19, of a Military letter from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

Letter dated 6th March 1857, *No.* 82.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations.

G. O. G., 5th Sept. 1857, No. 290.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required *for retirement on full pay. Every claim to the benefit of this* exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by service in the "Field, duly certified by a Medical Board, when each case will "be separately considered with reference to the time to be "allowed."

G. O. C. C., 21st Mar. 1859.

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

No. 10.—Applications for permission to count as service for retiring pension under the provisions of G. O. G. No. 290 of 15th September 1857, the period of absence on leave occasioned by wounds or illness contracted by service in the Field are required to specify the particulars of the Field service on which the Officer was engaged.

G. O. C. C., 20th Jan. 1861.

No. 95.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, where an aggravation or reproduction of an illness originally produced by service in the field, to such an extent as to necessitate leave of absence, is clearly attributed to exposure or other causes attendant on subsequent active service in the field, such leave may be held to come within the provisions of Government General Order, No. 1113, dated 1st September 1857.

G. O. G., 9th Feb. 1866, No. 54.

Para 2. It was not the intention of the late Court of Directors to give retrospective effect to the *privilege granted in July* 1857, to Officers wounded or losing their health on active service, to count as service for retiring pension their leave of absence on medical certificate.

G. O. G., 8th Nov. 1856, No. 123.

31.* In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

Vide Margin of Para. 9, Old Retiring Regulations.

(32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension,

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835—7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the former and three in the latter and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

* Vide margins of Rules 26 and 28.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for five years in the aggregate, and not more, will be allowed to count as service.

G. O. C. C., 1st October 1862

No. 70.—The following Extract from a Despatch from the Right Hon'ble the Secretary of State for India is published for general information and guidance, with reference to G.O.G., No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field.

"Applications for this boon should not be submitted in cases where the sickness has not been such as to render the absence of the Officer on sick certificate immediately necessary."

G. O. G., 17th July 1868, No. 275.

The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY, No. 193.

INDIA OFFICE, *London, 4th June* 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

Sir,—In accordance with the recommendation contained in your letter, dated the 6th April 1868, No. 139, I authorize you to announce that, in future, all Officers who may do duty with troops on the voyage to or from India, will be allowed to count the whole of the period during which they may be employed on such duty as service for pension.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence counting for the retiring pension, will be as follows:—

2 years in 17 years' service.	4 years in 25 years' service.
3 " 20 " "	5 " 30 " "

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

G. O. G., 3d Nov. 1863, No. 387.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate *in India*, shall, for the future, be limited, under ordinary circumstances, to *one year*, subject to extension on fresh Medical Report.

39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to Sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Furlough Rules of 1868 (with subsequent alterations.)

General Order No. 171, *of 25th February* 1874.

The Rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

NOTE.—The advantages granted by the Furlough Rules of 1854 to Officers who obtain furlough on medical certificate are not applicable to any Officers of the British Service whose regiments, battalions, brigades or batteries arrived in India after the date of the Passage Warrant of 1865, and neither those Rules nor the Furlough Rules of 1868 are, *as respects furlough on private affairs*, applicable to British Officers serving with their regiments.

But Officers of the late Indian Army who hold permanent appointments under the Government of India, and who may have elected to abide by the Furlough Rules of 1854, in preference to those of 1868, retain their election.

The following Government General Orders are cancelled prospectively from the 1st January 1875:—

Government General Order No. 630 of 1869 (1st clause).

Government General Order No. 627 of 1870.

Government General Order No. 613 of 1871.

2. These rules are applicable to all Officers who, on the 1st July 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: Officers of the British Army who entered the Staff Corps after that date are, of course, subject to them.

(2). In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such Officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

(3). But should an Officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

3. These rules are not applicable to Officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for Officers on the effective list.

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army and now in the Royal Artillery, Royal Engineers, and new Line Regiments, or on the old Line Establishment:

NOTE (1.)—British Medical Staff Officers holding administrative appointments in India tenable for 5 years, who are compelled by ill health to return to England, will be allowed by the Government of India in the Military Department to proceed there to appear before a Medical Board, and if reported unfit for further service in India, will be removed from the Indian Establishment; if otherwise, they may be allowed by the Secretary of State for India 6 months' leave on medical certificate on their Indian allowances and half staff.

Such Officers are also eligible for 4 months' leave on private affairs without pay, but only one grant of leave will be allowed out of India during their tenure of office.

NOTE (2).—All British officers holding Staff appointments in India, except the command of Divisions and Brigades, will be allowed, during their five years' tenure of office, only one grant of leave out of India either on medical certificate for six months with absentee allowances regulated under the furlough rules of 1868, or on private affairs for four months, with British pay, from Indian revenues. Any leave obtained in excess of either of these periods will involve loss of appointment.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

(2). These Officers, therefore, and other Royal Engineer Officers of the Imperial List on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

(3). Such Officers will be allowed an advance of passage money, or free passage in a troop-ship if proceeding in the trooping season; the advance to be refunded on receipt of the balance of furlough pay. The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, on their presenting an order for them to return to India, the difference between that rate and furlough pay, less the passage money they have received, will be paid to them in England conditionally on its refund, if the order to return to India is not carried out.

(4). Those Royal Engineer Officers who arrived in India before the 1st July 1872 are, however, not subject to the provisions of the preceding clause as long as they do not exchange Indian for home service, but draw furlough pay during furlough, as others.

NOTE.—Royal Engineers of the Imperial List may receive their pay while on furlough, either under the regulations in force before February 1873, or under the terms of General Order No. 123 of 1873, that is to say, an Officer of Engineers of the Imperial List may, at his option, on taking furlough to England, either receive furlough pay on the understanding that, should he not return to India, he will have to refund the difference between it and English pay, less the regulated amount of passage money, or a free passage and English pay only during the period of his furlough, the difference between English pay and furlough pay, less the cost of his passage, being issued to him upon his return to duty in India.

2.—The Officer's choice should be made at the time of applying for furlough, and should be noted on his last pay certificate.

(5). An Officer of the British service, holding permanent staff employ under the Government, who may proceed on furlough under circumstances which involve the forfeiture of his appointment, must obtain the furlough as a British regimental officer, and it will reckon as a portion of the aggregate eight years of furlough on pay to which an officer is restricted during his service by Rule XVI. But, on again becoming permanently employed, he resumes the right of obtaining furlough under these rules.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V, but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

(2) Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years), or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 9.]

8 Every Warrant Officer who attained warrant rank before the 19th February 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O., Nos. 518 and 531 of 1854, G. G. O., No. 1559 of 1857, and subsequent orders. That election will be considered final.

(2) Those who became Warrant Officers after the 19th February 1869, are subject to these rules, and cannot elect any of the previous rules.

(3) Leave on Medical Certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

(4) These rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

9. The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph V of these Rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the Rules of 1796 and 1854.

NOTE (1).—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of Government General Order No. 69, dated 22nd January 1868, and (for Medical Warrant Officers) paragraph 22 of Government General Order No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

NOTE (2).—Officers who *elected* these rules prior to 1st July 1871, or before G. G. O. No. 588 of 1871 reached their stations, will receive furlough pay at the exchange of 2 shillings the rupee.

RULES.

I.—The distinction, with respect to allowances, which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term furlough, provision, however, being made for the obtainment of furlough under medical certificate without all the restrictions applicable to furlough when taken without medical certificate.

II.—Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

2. Officers of the Staff Corps and local Indian Service, and Officers on the General List, can retain their appointments during *all* leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

NOTE.—The above rule is applicable to *all Military and Medical Officers* taking furlough leave under these Regulations.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII of George III., Chapter 52, Sec. 70*; but an absentee cannot retain his appointment and draw absentee allowances, except under the Rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their commands.

IV.—Leave of absence will in future be of three kinds, *viz.* :—

I.—Furlough in or out of India.

II.—General leave on private affairs, or sick certificate in India, or short leave to sea.

III.—*Privilege* leave.

CHAPTER I.

Furlough.

V.—An Officer drawing staff pay, in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

2. But an Officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him during the three years prior to his proceeding on furlough, or during his actual service in India, should that be less than three years: and the time spent and the allowances drawn during any leave other than "Privilege leave," will be omitted in the calculation of average salary.

3. No absentee shall in either case draw more than £1,000, or less than £250 per annum.

4. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But, in the case of a Military Officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

5. An Officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This *furlough* pay will be continued to an Officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

6. But an Officer whose term of office shall lapse, who shall vacate his *appointment*, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below in Section 4. Any case of sudden abolition of *appointment may, however, be specially considered in* the department of the Government under which the officer may have been employed. An Officer will also be entitled to the benefit of his *promotion to* a higher *Staff Corps or regimental rank whilst on furlough, subject to the maximum limit.*

7. Officers holding regimental medical charges will be allowed to retain such charges during the *authorized periods of furlough, as if they were medical staff* appointments. And the difference between the unemployed* *grade pay of the* Officer holding *the substantive charge*, and the consolidated salary of the charge, will be considered the staff *salary divisible between the absentee and the. Officer officiating* for him.

* Government General Order No. 1060 of *23rd December 1864, para 29.*
Government General Order No. 370 of 4th April 1867, para. 9.

8. Officers not in staff employ will receive half the Indian pay of their rank, provided that an Officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

NOTE.—*Officers who may be entitled to income allowance from the* Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction *equivalent to the amount of such Income allowance.*

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which *exigency the Government is to* be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

NOTE.—*It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to* forward the application of any officer whose absence would, in their opinion, be detrimental to the inter*est of the public service, until such time as arrangements can be made for removing the difficulty ; and it* is the duty of the head of every department to decline to forward any application for furlough whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful *case being referred for the orders of Government.*

VII. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years; any extension of such furlough will be without pay, unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule (IX.) And no extension on private affairs beyond two years will be granted, though without pay, except *upon satisfactory evidence* of very urgent necessity.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a *period not exceeding six months under Rule XI, (and excepting also, in the* case of an officer in civil employ,

* The section referred to is quoted below :—

Section 70.—"And be it further enacted that no person *who shall have held any civil or military station* whatever in *India*, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and *who, having departed from India* by leave of the Governor-General in Council shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or *restoration of office*, or be capable of again serving in *India*, either in the *European* or Native Corps of *Troops, or in the Civil line of the Company's Service, unless, in the case of any Civil Servant of the Company,* it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to *India* by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous *notice of the time and purpose* of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the *Board of Commissioners* for the affairs of *India* that such absence was occasioned by sickness or infirmity, or some inevitable accident."

ordinary furlough not exceeding three months) must be completed before furlough can again be taken, unless obtained under medical certificate.—(See Rules XIII and XIV, and Note (3) of Rule IX.)

NOTE (1).—An officer in civil employ cannot reckon in this interval of three years, any period of *absence from* actual duty excepting those spent on privilege leave.

NOTE (2).—Although furlough not exceeding 3 months taken by officers in Civil employ is not considered as furlough requiring an *interval* of 3 years' duty, such furlough will be excluded from the period of 3 years' service required between two furloughs.

2. But an Officer who may be *ordered* to return to duty before the completion of his furlough for the purpose of proceeding on Field Service, *may* be allowed to *take* the balance of such furlough at any time.

NOTE (1).—*Officers ordered* out for special duty, or on account of the exigencies of the service are allowed a free passage out, but not a return passage home, and *furlough* pay for the period of the voyage to India and the voyage home, in *the event of their returning* to England to avail themselves of the residue of their furlough, as also the privilege of counting both periods as service for pension, and as exclusive of the residue of furlough due. No limit to time is imposed within which an officer *might take the balance of his furlough after the termination of the* duty for which he was recalled.

IX.—An Officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see paragraph 6 of this order) ; for a third year after a further period of six years' actual service ; and for a fourth and fifth year after similar intervals of six years, and so on up to the maximum prescribed in Rule XVI. The grant of furlough to an Officer eligible for it will be subject only to the conditions specified in Rules VI and VII. But see notes to this Rule.

1.—Leave granted under these *rules, without* furlough pay, will not reckon as furlough already taken *in calculating the balance* at an Officer's credit, or as part of the total of eight years allowed, as shown in Rule XVI; but all furlough, with furlough pay, whether on private affairs or on medical certificate, taken under these Rules, will so reckon.

2.—Furlough and leave previously *taken under* the Rules of 1796 or 1854 will count, as respects officers *who have elected* these Rules, as follows:—

'Furlough on private affairs, with pay, taken under the Rules of 1796 or 1854, counts in all respects as furlough.

'Leave on sick certificate, under the Rules of 1796, *does not count* in any respect as furlough.

'Leave on sick *certificate*, with pay, under the Rules of 1854, counts as part of the maximum of eight years allowed under these Rules ; but until the maximum thus made up be reached, this leave will not count as furlough already *taken* in determining the amount of furlough to which an officer is entitled.

'Leave without pay under the Rules either of 1796 or 1854 does not count in any respect as furlough.'

N. B.—Furlough on medical *certificate with* "Furlough pay" obtained by officers, under Rule IX, Note (1) of these Regulations, between the publication of G. G. Orders No 171 of the 25th February 1874 and No. 197 of the 1st March 1877, will not be reckoned as "Furlough already taken" in *computing* the amount of furlough at the credit of such officers ; but it will form part of the aggregate of eight years allowed to officers.

NOTE (1).—An officer of less than eight years' service in India may obtain furlough, not exceeding two years, on medical certificate, with furlough pay and *retention of appointment*, provided he has been three years *in the Staff* Corps, or,—in the case of a Royal Engineer Officer holding a permanent staff appointment, or an officer not in the Staff Corps,—has served for three years in India.

NOTE (2).—If the Officer has not been three years in the Staff Corps, or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.

NOTE (3).—This rule (in *Note* 2) and the proviso in Note 1, however, are not applicable to Officers of the Indian Army who entered the new Line Regiments or Royal *Artillery*, and subsequently the Staff Corps.

NOTE (4).—Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, *respectively*, prescribed in Rules VIII and IX ; and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's *service by* Rule XVI [*eight years on the whole*] on the English furlough pay of their rank.

NOTE (5).—And a Major-General of the Staff Corps—if he has so much furlough at *his credit*, and proceeds to England within a year of his *being* promoted to that rank, or of his ceasing to be employed—can continue after the expiration of the two years' furlough, to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

3.—If an officer appointed to any *duty* in England draws his Indian allowances, with or without any portion of *his staff salary*, he can count the period of such employment as service towards furlough ; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

X.—An Officer *eligible* for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment ; and in that case the balance will remain at his credit in any future computation of the amount of furlough for *which he may* be eligible.

Illustrations.

1. An Officer who has served nine years in India is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is *then eligible for* two years' furlough as follows:—

Total Service in India...	14 years.
Furlough due on that service	3 „
Furlough already taken...	1 year.
Balance for which he is eligible	2 years.

2. An Officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first *instalment*.

NOTE.—An officer is said to have *furlough* at his *credit*,—even though he may not be able to obtain it owing to the number of absentees or other causes,—when the calculation of his service, as in Illustration 1 above, shows a "Balance for which he is eligible"

XI.—Furlough on urgent private affairs for six months, on pay equivalent to the British Regimental pay of his rank, may be granted when the Officer has no furlough at his credit, or when from other causes, *e. g.*, the number of absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX., and also,—except in the case of an Officer in civil employ, see Rule VIII. (Note 1)—of the three years which are required to intervene between two periods of furlough by Rule VIII.

2.—This leave cannot be given in extension of any furlough, neither can it be extended beyond the six months, except on medical certificate, in which case the whole of the leave will be considered as if taken under Rule XIV.

NOTE.—Ill-health is not considered as warranting furlough under this rule to any officer who, under the provisions of these rules, can obtain furlough on medical certificate without forfeiting his appointment.

XII.—Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during furlough. But, if he desires to spend in England the rest of a "Furlough in India," or *vice versâ*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An Officer who, on his return to India, reports his debarkation, without forwarding *at once* a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on "English furlough pay;" and an Officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

2.—In the event of an Officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear *before* a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list.

3.—Should the circumstance of the case warrant a further extension of furlough, it can only be granted without pay.

NOTE.—All officers, however employed and whatever the amount of leave *granted them may be*, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

XIV.—An Officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI, (and excepting also in the case of an Officer on civil employ, *ordinary furlough not exceeding three months*) may obtain, under the usual medical certificate such amount as may be *duly certified* to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

2.—If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be *entitled, on obtaining* furlough on medical certificate, to retain his appointment and to "receive furlough pay" as laid down in Rule V for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An Officer entitled to furlough, or having a balance of *furlough at his credit*, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX, without forfeiting any passage money to which he may be *entitled under* Military Fund Rules,—or, if a Subaltern, by Regulation,—when proceeding on medical certificate.

2.—Should the Officer be declared fit for duty before the *expiration of* two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established *proportion of absentees*. Any extension *on private affairs* of such furlough beyond the said period of two years must be without pay.

3.—Any extension on medical certificate of furlough taken under this rule beyond two years must be on "English furlough pay" under Rule XIII.

XVI.—The aggregate *amount of furlough* with pay and retention of appointment on private affairs and on medical certificate, that may be granted to an Officer during his service, will be limited to eight years.*

NOTE 1.—This aggregate is calculated agreeably to Clauses 1 and 2 of Rule IX.

NOTE 2.—Furlough allowed by proper authority to reckon as service for pension under the provisions of G. G. Orders Nos. 1113 of 1857, and 95 of 1866, or in consequence of an Officer's employment on any duty during his furlough, will not reckon as part of the *aggregate period of eight years*.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, *from the date* of the sailing of the vessel in which he may have embarked to the date of his *bona fide* disembarkation in India for the purpose of rejoining his appointment or Regiment: *the date of embarkation (or of the* vessel's leaving the Sandheads if from Calcutta) and that of disembarkation also, are included in the furlough.

NOTE (1).—Prior to the 4th April 1870, and on or after the 14th September 1874, the day on which an Officer reports himself as having disembarked on return from furlough out of India, will be reckoned as service, and not as part of his furlough.

N. B.—As an illustration of this rule, it may be observed that a Madras Officer's landing and reporting himself at Madras *en route* to Calcutta to join his *appointment in Bengal or the* North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

NOTE 2.—To enable an officer who overstays his leave to obtain an extension, he should shew that he took all needful precautions to ensure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bona fide* advertised to sail from ——— on the ——— but that her departure had been delayed till the———. See General Order No. 52, dated 21st February 1873.

XVIII.—*Subsidiary leave to embark* for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding thirty days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant *subsidiary leave* can, on due cause being shown, grant any necessary extension of it; but this can be done only on very sufficient reasons.

NOTE (1).—The words "with the necessary subsidiary leave" will be added to the Government General Order granting an officer furlough, and will be understood to mean both the leave granted before embarkation for Europe, and on return.

NOTE (2).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough

in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bona fide* public grounds. If, however, the officer does not within a reasonable time avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will *not* exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to embark after the expiration of 3 months until he has applied for, and obtained from the Government of his Presidency an extension of the period.

NOTE (3).—Officers who may be serving in other Presidencies than their own, if they desire to embark *bona fide* for Europe from the latter, may obtain subsidiary leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

N. B.—For full information as to the submission of applications for furlough, see Government General Order No. 31, of 11th January 1869; Government General Order No. 103, dated 26th January 1869; General Order by the Commander-in-Chief, No. 135, dated 11th June 1870.

NOTE (4).—The allowances of Military Officers in Civil employ during subsidiary leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

XX.—Advances of furlough pay will continue to be made in India to those officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

NOTE (1).—Officers returning from furlough will similarly be granted advances of pay at the following rates, on obtaining permission to return:—

For a Subaltern	£ 65
For a Captain	£100
For a Field Officer	£150

Recovery of the advances made in England will be effected in India by five equal monthly instalments at the rate of exchange fixed for the year *in which the* advance was made. The first recovery will be effected from the issue of the second full month's pay after arrival in India.

NOTE (2).—Warrant Officers returning to duty from furlough will be granted advances of pay at the following rates on obtaining permission to return:—

To First class Combatant Warrant Officers	£50
„ Senior Apothecaries	
„ other Warrant Officers with Honorary Commissions	
„ Second class Combatant Warrant Officers	£25
„ Apothecaries	
„ Assistant Apothecaries	£15

to be recovered in the same manner as the advances made to Commissioned Officers.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

N. B.—For rules regarding the obtainment of last pay certificates by officers quitting India, see Clause 46, India Army Circulars for May 1880. Published on page 50 of this supplement.

XXII.—An officer acting in India for an absentee on furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The aggregate staff salary granted to the acting officer in such cases will not be less than Rs. 100 per mensem, *unless the* full staff salary of the post in which he is officiating is less than that sum.

2.—A Warrant Officer acting for one of a higher grade on furlough, receives half of the aggregate allowances of the absentee, added to half of the aggregate of his own allowances.

NOTE.—The indulgence granted by the above rule is only allowed to one *directly* officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

XXIII.—The privilege heretofore granted to Military and Medical officers who had elected the Rules of 1854 of counting the proportion of leave noted in the margin as service for pension is retained, and is applicable to those who elect these Rules, subject (in the case of officers under the Rules of 1796) to the condition laid down in Clause 4 of Rule XXXIV. The periods of service qualifying for pension remain unaltered.

NOTE.—Officers of the old Indian cadres of Royal Artillery and Engineers and of the 12 new line regiments of Cavalry and Infantry who are serving under the Indian Pension Rules, are allowed to count all full pay service, past or future, towards pension on retirement,

2.—Warrant Officers obtaining that rank after the 24th August 1872 can only reckon as service towards pension the following periods of leave, whether taken in or out of India:—

15 months in	12 years' departmental service.		
20 „	14 „	„	
24 „	16 „	„	

3.—Those who were promoted to warrant rank before that date are allowed to continue, if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service for pension.

XXIV.—In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule IX he can lay claim. The balance (within the limit of 8 years' total furlough on private affairs and medical certificate laid down in Rule XVI) will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.—(See Sections 1 and 2 of Rule IX.)

(1).—An officer, who had obtained under the existing rules two years' furlough after ten years' service returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term he can take one year's furlough, thus:—

He returns, serves six years in India, takes two years' furlough, and returns to India about the time of the promulgation of these rules, which he accepts. He must serve four years before he can take an additional year's furlough, thus:—

CHAPTER II.

Casual leave, private affairs and sick certificate in India.

XXV. An officer will be entitled, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form one part of the eight years' aggregate furlough. If this *indulgence* should be taken advantage of for a third year consecutively, the officer will lose his staff appointment, unless *entitled to retain it under Rule VI.*

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension under renewed medical certificates to a limit of two years, may be granted to any officer who, in the *opinion of a* Medical Board, may require it. Leave of this description, granted after the promulgation of these rules, will be held to constitute a part of the furlough to which the officer is entitled, nor will it affect the intervals entitling him to furlough. (See Rule IX.) During this leave the officer will draw a moiety of his *staff* salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as *furlough*, and allowances be adjusted accordingly.

XXVII. Short leave not exceeding three *months* on private affairs or sick certificate, may also be taken to sea on the above conditions; but absence from India for any longer period will be treated *as furlough.*

XXVIII.—All general leave taken in India *counts* as part of the leave reckoning against service for pension.

CHAPTER III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

NOTE (1).—Privilege leave for ninety days, after thirty-three months' duty, which may be spent anywhere, in or out of India, is admissible to Commissioned and Warrant Officers under *these Rules*; but to claim the privilege, it shall be necessary for an officer to show that he has had no privilege leave for thirty-three months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence at no additional cost to the State. If leave for a shorter period than 90 days is taken the balance is forfeited.

NOTE (2).—Officers are not required to report themselves to the India Office *should they* go to England but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

XXX.—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of local corps, or of corps which are usually employed in one or other of the districts named.

Assam.	Khairwara.	Dera Ghazi Khan.	
Shillong.	Khetria.	Rajenpore.	
Erinpoora.	Bunnoo.	Jacobabad.	
Deolee.	Dera Ismail Khan.		

NOTE.—The above rule is not applicable to officers of regiments moved in course of relief to any of the stations, or who are only temporarily employed there.

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege leave cannot be taken in continuation of [illegible]. Nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer who is absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

Military Officers in Civil Employ.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ, who may elect these rules when they take leave in India,

come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the *Military Leave Rules.*

NOTE.—Furlough *in India* is allowed under Chapter I of these rules to a Military Officer in civil employ, under the same chapter, by the Government *to which he is subordinate*; as also subsidiary, privilege and examination leave under the rules in the Civil Leave Code; but under no circumstances will he be allowed any *leave out of India* under the Civil Leave Code, but under Military rules and by the Military Department.

When furlough *in India* is required by a Military Officer in civil employ, he must obtain from the Military Department, and submit to the Accountant General, a "Furlough *certificate*;" and *when furlough is* granted by the Government to which the officer is subordinate, a copy of the order granting the furlough should be sent to the Military Department.

2.—For subsidiary leave, see Note (5) of Rule XVIII.

Subsidiary Rule.

XXXIV.—Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the *publication of this order.* Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

2.—Officers going home under these *rules* will pay English rates of subscription only to the Military Fund.

3. Officers who may determine to *abide by existing rules*, will be allowed to proceed on furlough on the conditions laid down in Rules VII, VIII and XIII, to the extent to which they may be entitled under the Furlough Regulations of 1854, or of 1796, *whichever of the two they may have elected*, and on the rates of pay contemplated in those regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

4.—If an officer, under the Furlough Rules of 1796, elects the present rules, his service for pension will be reckoned under the former rules up to 1st July 1868, and *thenceforward under the rules of 1868*; and the fact of the officer having been on furlough on 1st July 1868, and not then having elected the rules of 1868, will not affect the case. All periods of leave out of *Indian limits taken previous to 1st July 1868*, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service *counting for pension, as shown in Rule XXIII.*

5.—His election of these Furlough Rules in no way affects his right to *retire* under the Pension Rules of 1796.

No. 201 of 1873. The following decision by the Government of India, is published:—

The first clause of paragraph 6 of Government General Order No. 813* of 1871, which rules that a Military *Officer of* the Staff Corps, Local Service *or* General List, in civil employ will forfeit his appointment on obtaining an extension of three months' furlough in India, may be considered cancelled by paragraph 6 of Government General Order No. 797† of 1872, which declares that "all leave of absence granted by competent authority to officers of the Staff Corps" will henceforward involve retention of appointment."

But in the event of the Government or other authority deciding that an officer, who may have overstayed his leave cannot be granted the extension needed to cover the period by which he has overstayed, paragraph 6 of Government General Order No. 797 of 1872, does not exempt him from forfeiture of appointment.

6. Moreover, in order to remove one of the causes through which officers come on the unemployed list, Her Majesty's Government have directed the following change to be made in the present Furlough Regulations as far as they apply to Staff Corps officers:

"All leave of absence granted by competent authority will henceforward involve retention of appointment. No officer will be allowed, on the plea of private affairs, to extend his leave, upon whatever grounds such leave may have been originally granted, beyond two years, except upon satisfactory evidence of very urgent necessity.

To His Excellency the Right Honorable the Governor-General of India in Council.

My Lord, Major-General * * of the Royal (Bengal) Engineers, *now on furlough for two years, has* raised the question whether, in the event of his obtaining an extension of such furlough, he will be entitled *to retain his* appointment in the Public Works Department, and I have to inform *you that*, with reference to this application, I have *decided* that the rule under which Officers of the Staff Corps and Local Service retain their appointments during all authorized leave *shall be made* applicable to all Military and Medical Officers taking leave under the Rules of 1868.

Hon'ble the Secretary of State for India in Council to order him to appear before a Medical Board with a view to placing him on the retired list if entitled to pension, or on the half-pay list.

"Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay."

paragraph 13 of the Furlough Rules of 1868 will be in all cases strictly observed."

Furlough Regulations of 1875 (with subsequent alterations.)

General Order No. 1316, *dated the 30th December* 1875.

Under instructions from Her Majesty's Government, the Right Hon'ble the Governor General in Council *is pleased to publish* the following revised Furlough and Leave Rules applicable to the Staff Corps and Indian Local and Medical Services:—

NOTE.—These rules are not applicable to officers of the Royal Artillery or Engineers, whether of the late Indian Army or not.

Furlough and Leave Rules.

1. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each *subsequent* five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

NOTE.—Service for furlough under these rules, in the case of an officer *electing* them, is reckoned from the date of his *election* See also Notes 2 and 3 to Schedule A.

2. An Officer may receive at any time any portion of the furlough to which he is entitled, but, except under Rule VIII, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule VI, any further portion of the furlough to which he is entitled until after the interval of two years.

3. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

4. *Furlough does not* involve forfeiture of appointment, may be spent anywhere, and counts as service for pension. (See Rule VIII).

NOTE—Furlough taken before it is *earned* by length of service, except under Rule VIII, reckons against service *until it has been paid off.*

5. A Commissioned Officer on *furlough* receives (up to, but not beyond, the sum of 1,000*l.* a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State: *but* in any case he does not receive less than 250*l.* a year. The emoluments of his office include all pay, *staff corps pay, staff* salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment, his office is the office he fills on the day when that payment becomes due.

2.—A Warrant Officer receives half the emoluments of his office, calculated in the same manner as those of Commissioned Officers; no Warrant Officer, however, receiving as furlough pay less than the English furlough pay of his rank.

NOTE 1.—Officers proceeding on furlough to Europe may, if they desire it, receive an advance equivalent to three months' furlough pay.

Officers returning from furlough will, similarly, be granted advances of pay at the following rates, on obtaining permission to return:—

	£
For a Subaltern	65
For a Captain	100
For a Field Officer	150

Recovery of the advances made in England to be effected in India by five equal monthly instalments at the rate of exchange fixed for the year in which the advance was made. The first recovery will be effected from the issue of the second full month's pay after arrival in India.

NOTE 2.—Warrant Officers returning to duty from furlough can, if they desire it, receive an advance of pay at the following rates on obtaining permission to return:—

First Class Combatant Warrant Officers	50
Senior Apothecaries	
Other Warrant Officers with Honorary Commissions	
Second Class Combatant Warrant Officers	25
Apothecaries	
Assistant Apothecaries	15

Recoveries of advances made in England to be effected as in the case of Commissioned Officers.

NOTE 3.—If an Officer is promoted while on furlough, he will be entitled to an increased pay from date of promotion.

NOTE 4.—Furlough pay can be drawn by an Officer for three years consecutively, if he is entitled, and is allowed so much furlough.

6. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted *from his next accruing* furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an *aggregate amount of more than* two years.—(See note to Rule IV.)

NOTE.—An Officer of less than two years' service from date of coming under the new rules, falling sick, will be sent to England on medical certificate without the period of his furlough being fixed, "on English furlough pay," subject to the decision of Her Majesty's Government as to his ultimate disposal; a special report on each case being submitted to Her Majesty's Government by the Government of India, or in the case of Officers of the Madras or Bombay Army, by the Government of those Presidencies.—See Notes 2 and 3 to Schedule A.

7. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

NOTE.—An Officer anticipating furlough a second time will be placed on half-pay at once and allowed to proceed to England in the same manner as under the note to Rule VI.

8. Under very urgent circumstances, special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

NOTE.—The amount of leave which may be granted under this rule will be restricted to such periods as the Government granting it is satisfied to be actually necessary, with reference to the urgency of the case.

9. Advances for passage money, on need shown, will be granted to Officers on furlough, to be recovered in manner specified at the time of the grant: in India, at the discretion of the local Government; and in England, at the discretion of the Secretary of State.

10. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who, in granting it, shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to furlough, or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India. (See Subsidiary Rules II and III.)

NOTE 1.—If an Officer exceeds the six months' leave admissible at one time under the above rule, the entire period will be converted to *furlough*, and his allowances adjusted accordingly.

NOTE 2.—If an Officer takes, say, three months' leave, and is obliged to go on leave before completing six months' service from date of return, such leave will be treated as *furlough*; but if he is obliged to take an extension of the three months (to a maximum of six months in all), it may be granted as general leave.

11. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

12. The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

13. Officers now in the service placing themselves, from a given date, under these rules, shall count service for pension up to that date under the rules to which they were then subject.

NOTE.—An officer takes with him so much service for pension as he has become entitled to under former rules. Under the Rules of 1854 and 1868, two years leave in 20 years' service counts for pension; but in periods of less than 20 years no leave counts. Therefore if an Officer, now under the Rules of 1854 or 1868, of 20 years' service, with two years' leave, elects the present rules, his service for pension will be 20 years; if an officer of 19 years' service with the same amount of leave, elects these rules, his service for pension will be 17 years only.

SCHEDULE A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December 1875; and

2. Any other Officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st December 1875, shall before asking for leave or furlough, apply in writing to their local Governments to be placed definitively upon this Schedule: but their service for furlough under Rule I shall commence from the date of such entry or such application respectively.

NOTE 1.—The date of entry into the Staff Corps is that of entry for choice of Furlough Rules, *viz*, the date on which the Officer was originally appointed on probation. An Officer, therefore, whose date of admission to the Staff Corps is not after the 31st December 1875, will have the choice of rules; but an officer whose date of admission is after that date, will have no option.

NOTE 2.—Officers compulsorily placed under these regulations on entering the Staff Corps, will be allowed to count their previous military service in India towards furlough, provided they shall have served five years in India, of which not less than half shall have been in the Staff Corps; but any leave out of India on private affairs taken by them during service so counted will be reckoned as furlough taken under Rule I, and any leave taken on medical certificate will be reckoned as taken under Rule VI.

II.—Should, therefore, an Officer, who took sick leave out of India whilst in the British service, again require leave on medical certificate on his admission to the Staff Corps, and proceed under Rule VI, he will be granted, in the first instance, only so much furlough as will complete the period admissible under that rule. This furlough may be extended to two years on "English furlough pay," but it will rest with Her Majesty's Government to determine whether any, and if so, what, extension shall be granted.

NOTE 3.—Warrant Officers promoted to that grade after the 31st December 1875, and thus compulsorily brought under these rules, will be allowed to count their previous service for furlough under Rule VI; but furlough is not to be granted under this rule until a Warrant Officer has completed two years' service since his last return to duty from furlough as a Non-Commissioned Officer, otherwise he can only be granted leave under the note to Rule VI.

NOTE 4.—An officer electing these regulations, and having furlough to his credit under previous rules, forfeits such furlough absolutely, he being required to serve five years from date of such *election* to entitle him to one year's furlough, unless it be sick furlough. An officer similarly circumstanced, but having furlough to his debit, is, equally with the others, entitled to take one years furlough five year's after electing the new rules.

3. Any Officer in civil employment declared by the Government of India to be under Civil Leave Rules, shall not be under these rules.

NOTE.—These regulations are not applicable to Commissioned Officers employed in the Public Works Department, but they are applicable to Warrant Officers so employed.

4. The last pay certificate issued to an Officer to whom furlough or leave has been granted, shall state the pay to which, under Rule V, he is at that date entitled in respect to the office he is holding noticing the date, if any, fixed at which he will vacate it.

SUBSIDIARY RULES.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify—

I. That no "extra or special allowances" drawn by an officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule V).

II.—That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief, in regard to Officers serving directly under them, shall be held to be the "Local authorities" named in Rule X.

III.—That, pending further orders, a Staff Officer granted leave under Rule X shall receive, as heretofore, the pay or Staff Corps pay of his rank and half the Staff salary of his appointment during such leave: but full Staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the G. O. granting the leave must state that the first two months are to be on full Staff pay.

NOTE 1.—Privilege leave for 90 days, after 33 months' duty, which may be spent anywhere in or out of India, is admissible to Commissioned or Warrant Officers under these rules; but to claim the privilege it shall be necessary for an officer to show that he has had no leave on full Indian pay and allowances for 33 months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence, at no additional cost to the State. If leave for a shorter period than 90 days is taken, the balance is forfeited.

NOTE 2.—Officers are not required to report themselves to the India Office should they go to England; but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

NOTE 3.—No furlough or leave out of India, if exceeding six months, can be counted as part of the required 33 months duty; but an officer who may have 33 months' service at credit before proceeding on such furlough or leave [in excess of six months] may be allowed to take accumulated privilege leave on his return, if he can b spared.

NOTE 4.—Warrant Officers proceeding out of India on privilege leave under Note I must deposit the amount of their return passage money, or give security for the payment of the same.

NOTE 5.—General Officers Commanding Divisions, Districts and Brigades are not eligible for 90 days' privilege leave referred to in the above Note I.

NOTE 6.—The "Staff Officers" referred to in the above Rule III, apply to Regimental as well as Departmental Staff

N.B.—It is distinctly to be understood that the rule regarding the pay to be drawn on leave under Rule X is liable to be modified at any time in any way that the Government of India may deem expedient.

Supplementary Regulations for Military Commissioned Officers in civil employ.

I.—Any officer now in civil employ, who is subject to the Military Furlough Regulations of 1854 or 1868, shall remain so subject.

II.—Any military officer who may hereafter enter civil employ, who is not already subject to the Military Furlough and Leave Rules of 1875, shall remain subject to the rules applicable to him when he enters civil employ.

NOTE.—An Officer referred to in Rules I and II cannot elect the Military Furlough and Leave Rules of 1875 so long as he continues in Civil employ.

III.—Any officer who may enter Civil employ, who is already subject to the Military Furlough and Leave Rules of 1875, shall be subject to the rules in the Civil Leave Code applicable to covenanted civil servants, both as regards furlough and leave taken out of India and in India.

IV.—If any officer, who is employed in the civil administration, has taken furlough in the Military Department under the said rules of 1875, his furlough shall be treated, in calculating the furlough or special leave admissible to him under the preceding rule, as if it had been furlough taken under the Civil Leave Code. Leave so taken under the 10th Military Rule shall be treated as if it had been privilege leave taken under the Civil Leave Code, and the claims of the officer under the Civil Leave Code adjusted accordingly.

V.—If an officer who has been subject to the rules in the Civil Leave Code under the third of these rules is again employed in the Military Department, and so again becomes subject to the Military Furlough and Leave Rules of 1875, any furlough or special leave taken by him under the Civil Leave Code will be treated, in calculating the furlough admissible to him under the said Military Rules, as if it had been furlough taken under the said Military Rules. Privilege leave taken under the Civil Leave Code Rules will be treated as if it had been leave taken under the 10th Military Rule. Subsidiary or examination leave taken under the Civil Leave Code will not affect the claims of such an officer under the Military Furlough and Leave Rules.

Applications for Furlough.

All applications for furlough are to be on Madras Form 466, which is supplied gratis, on application to the Adjutant-General, Fort Saint George. No application in manuscript will be received. Applications for leave, including privilege leave, to be on Form 471. This Form is supplied on payment by the Lawrence Asylum Press, Madras.

All Officers applying for furlough, whether in civil or military employ, and whether proceeding on Medical Certificate or private affairs, are to attach to their applications the following certificate:—

"I am aware that it is my duty to report (personally if possible) my arrival at, and departure from, the port to the Deputy Assistant Adjutant General there, both on proceeding on furlough and on my return.

Further that I must take with me to England a copy of the order granting me furlough, and a last-pay certificate from the Presidency Paymaster."

The usual subsidiary leave will be added to the General Order granting an Officer furlough.

The subsidiary leave to the port of embarkation, whether the Officer is proceeding on furlough on private affairs or on medical certificate, is, in all ordinary cases, limited to thirty days.

Subsidiary leave of absence is intended only for the purpose of enabling an Officer to make the necessary arrangements for breaking up or reorganising his household, and for the journey to or from the seaport, as the case may be; and its duration should be limited to what is necessary for these purposes.

When an Officer in charge of cash or stores applies for furlough on private affairs out of India, he will be required to furnish a certificate from the Examiner of Accounts concerned, that there are no known irregularities in his accounts pending adjustment, or heavy accounts for payment remaining unsettled. He will also at the time of relief obtain from his successor, in addition to the usual receipts for cash and stores, a certificate that, as far as can be ascertained after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office. This certificate will be sent on date of relief direct to the Controller of Military Accounts.

Applications for furlough in or out of India, on private affairs, from all Officers holding permanent appointments not under the Commander-in-Chief, should be submitted (through the Accountant-General) to Government; and on sanction being accorded, an intimation to that effect, or an extract General Order will be sent by the Military Department to the head of his Department. Applications for furlough from Medical Officers will be forwarded for submission to Government through the office of the Adjutant General. Officers serving out of their own Presidencies will submit their applications for furlough *on private affairs* to the Government of their own Presidency, through the Government or Administration under which they may be serving.

Officers are recommended not to defer submitting their applications to the last moment, as they are on no account to be permitted to leave their stations until they have been officially informed that the furlough has been sanctioned.

An Officer desirous of proceeding to Europe on emergent private affairs, who may have already enjoyed the authorised furlough, or who is not entitled to such indulgence, will transmit with his application, confidentially if necessary, a succinct detail, on honour, of the circumstances which induce him to apply.

The following papers must be submitted with the application, *viz* :—

1. Certificate of the Medical Board.
2. Certificate required of Officers in charge of cash or stores in accordance with the form below:

"Certified that, as far as can be ascertained, after careful examination, nothing irregular nor any known demands against_____ remain unadjusted in his office."

Place.

Date. *Signature of the Relieving Officer.*

Officers in *Civil employ* will obtain this certificate from the Accountant General of the Province in which they may be serving, and not from the relieving officer.

N. B.—Officers employed in the Public Works Department will have to submit certificates from the Public Works Controller of the Province in which they may be serving that, "so far as is known," there is nothing objectionable in their "accounts."

A Military Officer in civil employ proceeding on furlough cannot obtain a last-pay certificate until he submits to the Accountant General a certificate from the Military Department of the Presidency to which he belongs, showing the leave to which he is entitled.

Medical Boards.

Officers of the Indian services proceeding on furlough out of India on medical certificate, who have appeared before local medical committees, are not required to appear before the standing Medical Board at the port of embarkation; but as furlough can be granted to the officers of the Indian services for a longer period than to officers of the British service, the local board, in the case of an officer of the Indian services shall invariably be presided over by an administrative medical officer.

I. A standing medical committee, composed of a Deputy Surgeon General as president, or, in his absence, of the senior medical officer at the station, and two other medical officers as members, is formed at the head-quarters of divisions and districts, and is to assemble as occasion may require. The medical officer who attends a sick officer should not, if it is avoidable, be a member, and can never be president of the medical committee before which he appears. He should, however, be required to attend the board whenever his presence is considered necessary, to furnish any information.

II. When a change of climate is deemed necessary by a medical officer for the restoration of the health of any officer under his charge, he is, with the cognizance of the commanding officer or head of the department, to report the circumstance to the president of the standing medical committee, who will direct the assembly of the committee either at his own or the sick officer's quarters, when they will determine the nature of the change of climate essential to recovery and the period of absence necessary to effect it. This period must always be stated in years and days, not in months."

The grant of leave on Medical Certificate, out of India, is limited in the first instance to one year. Any question of an extension of this period must be left to be decided on the report of the standing medical board at the India Office. The particular attention of presidents of medical boards is requested to this order.

III. In all cases where the change of climate contemplated necessitates furlough, the committee must be presided over by an administrative medical officer.

IV. Officers who have claims to count leave or furlough as service for pension, under section 12, Madras Army Regulations, para. 1494, owing to wounds or illness contracted by service in the field, will be careful to submit them to the local board before which they appear, and the board will record their opinion on such claims, in the manner prescribed in section 12, Madras Army Regulations, para. 1496.

V. A statement of the case and certificate, in triplicate, is to be prepared by the medical attendant, on pages 2 and 3 of the form appended, and laid before the board for completion by them on the first page with their recommendation.

VI. When an officer is recommended for furlough, or leave of absence, in or out of India on account of illness caused by intemperance, the medical board is not to fix the term of leave to be allowed; this must

in all cases be left to the decision of Government or of the Commander-in-Chief; and the officer will be directed, if leave or furlough is taken in India, to appear before continuous boards, or his case may be treated as one of discipline, if this is deemed necessary.

VII. Two copies of the board's proceedings with statements of the case are to be delivered to the officer, one for his personal use, and the other for attachment to his application for leave or furlough. The third copy is to be forwarded by the administrative medical officer of the circle to the Surgeon General, Her Majesty's Forces, Madras.

VIII. The officer will at once apply for the leave or furlough recommended by the board, using Madras Form 471 for leave, and 466 for furlough. The period of furlough or leave must always be stated in years and days, not in months.

IX. The officer will submit his application through his commanding officer or the local head of his department to the general officer commanding the division or district in which he is serving, who, whether the application is for leave or furlough in or out of India, is empowered to permit him to proceed in anticipation of sanction by superior authority.

X. The following form of order is to be used by the general officer:—

On the recommendation of a medical board, presided over by an administrative medical officer

Rank _____

Name _____

Corps or Cadre _____

Appointment _____

Regiment or Department _____

is permitted to proceed to _____ on { leave or furlough }

in anticipation of the { leave or furlough } which will hereafter be granted to him by the { Government of Commander-in-Chief }

No period of absence is to be specified.

XI. One copy of this order is to be attached to the application which will then be at once transmitted by the general officer to the Adjutant-General.

XII. All furlough (out of India) is granted by the Government in the Military Department. When general officers permit officers under the Commander-in-Chief to proceed out of India in anticipation of the sanction of Government, they will forward a special report of the circumstance to the Adjutant General, stating that the formal application has been duly transmitted.

In the case of medical officers attached to Regiments, a copy of the report to the Adjutant General will be sent direct to the Surgeon General, Her Majesty's Forces, for his information.

XIII. A copy of the local order will also be delivered to the officer applying for leave as soon as it is issued, who will then be at liberty to proceed to his destination. If quitting India, he is to report the date and place of his embarkation with the name of the vessel in which he takes his departure, direct to the Adjutant General, in addition to making the ordinary report of departure to the staff officer at the port; and if he proceeds to Europe, he must notify his arrival there to the Under Secretary of State at the India Office, attaching to his letter a copy of the order permitting him to leave India, and giving his address while on furlough.

XIV. An officer quartered at a station where a medical board, presided over by an administrative medical officer, cannot conveniently be formed, may, on the certificate of a station committee, or, if no committee can be formed there, on the certificate of the senior medical officer on the spot, be permitted by the officer commanding the station to proceed to the most convenient place where a properly constituted committee can be convened. But medical boards are not to be assembled at stations other than those at which they can be properly constituted without involving the State in unnecessary expense, and causing inconvenience by the withdrawal of medical officers from their duties to form boards at out-stations.

XV. In these cases the officer will take with him triplicate copies of the medical papers, and, on arrival at the station to which he is ordered, will report himself to the staff officer in view to the necessary board being assembled. The decision of the committee is to be forwarded to the general officer commanding the division or district in which the last mentioned board is convened, who will call upon the officer to submit to him direct his application for leave or furlough as laid down in para. VIII, and dispose of it as directed in paras. IX, X, XI and XIII, reporting the grant of leave to the officer commanding the station the officer originally left, who will inform the regiment or department concerned. In the case of officers dealt with under this clause subsidiary leave will be reckoned from date of leaving the station referred to in Clause XIV, if furlough is allowed.

XVI. The general officer referred to in the preceding paragraph, may require the officer to alter his route should the committee consider the destination originally assigned objectionable, or he may remand the officer to his corps or station if it appears that leave has been recommended on insufficient grounds. In either of the last mentioned circumstances, a report is to be made to the Adjutant General, accompanied by the proceedings of the committee.

XVII. Officers of the British service holding staff appointments tenable for five years as also officers of the Royal Artillery or Royal Engineers holding permanent staff appointments not of a regimental nature, and Royal Engineer officers on the fixed establishments of the Sappers and Miners, come under the above rules when proceeding to Europe on medical certificate. Staff Corps probationers are not under these rules, and when invalided are to be sent home under the procedure laid down for British Officers.

XVIII. These rules and instructions apply to all warrant officers in military employ when recommended for furlough, on medical certificate, out of India. The applications for conductors and sub-conductors will, however, be made on Madras Form 466A, and for warrant officers of the Subordinate Medical Department, on Madras Form 466B.

The rules contained in section 12, Madras Army Regulations, will guide the grant of leave in India to warrant officers of all grades.

XIX. The above rules apply also to military officers and warrant officers in civil employ, and the same form will be used in their case, but the following modifications in the procedure will be observed:—

a. (In modification of Clause II). The medical officer, with the cognizance of the district officer or head of the department, will apply for the assembly of the medical committee to the military authorities at the station where it will be most convenient for the sick officer to appear before it.

b. (In modification of Clause VII). The third copy of the case will be forwarded to the Surgeon-General or Deputy Surgeon-General of the province to which the officer belongs. Should the officer be serving directly under the Government of Madras, it will be forwarded to the Surgeon-General with the Government of Madras.

c. (As an addition to Clause VIII)—forwarding his application through the Head of his Department to the Adjutant-General, who will transmit it to the Accountant-General with the necessary certificate. The Accountant-General will submit the application to Government in the Civil Department concerned.

d. (In modification of Clause X). The order permitting the officer to proceed in anticipation will be issued by the Local Government, who will also fix the amount of subsidiary leave to be allowed in each case agreeably to Civil Leave Rules—and then transfer the application, if for furlough out of India, to the Military Department for disposal.

INSTRUCTIONS.

Medical boards on commissioned and warrant officers and hospital apprentices in military employ, will be composed of medical officers of either or both (British and Indian) departments.

In the case of officers of the Indian services, the board will invariably be presided over by an administrative medical officer.

If it can be avoided, the medical attendant on a case should not be a member of the board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the board to furnish any information whenever his presence is considered necessary.

The board after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record their opinion and recommendations in the proceedings:—

(*a*) As to whether the disability has been or has not been, or how far it has been, the result of climate, and caused in and by the service.

(*b*) As to change of climate *in or out of India*.

(*c*) As to period of absence in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations, is not recommended.

(*d*) In case of leave to Europe being recommended as to the particular route by which, in their opinion, the sick officer should travel, due regard being given to the seasons of the year, the interests of the service, and the health of an officer; also whether the officer is fit, or otherwise, to do duty with troops during the homeward journey and voyage.

(*e*) In recommending leave to Kashmir, some alternative place to which the officer should proceed if he fail to obtain a pass to visit Kashmir, should invariably be named.

(*f*) In the case of an officer requiring leave of absence owing to illness caused directly by intemperance, the board, whilst recording their opinion, will confine their recommendation either to the appearance of the officer periodically before fresh boards, or to the treatment of the case as one of discipline, as may be deemed necessary.

In urgent cases in which the grant of leave rests with the Commander-in-Chief, when a medical board considers it absolutely necessary that an officer recommended for change of air *either in* or *out of India*, should proceed in anticipation of sanction, the concurrence of the Deputy Surgeon General of the division should be obtained, and permission to proceed in anticipation may then be granted by the divisional or district authorities.

Whenever a medical officer considers an officer under his charge to be in such a state of health as to render a change of climate necessary, he will, *with the cognizance of the commanding officer* or the head of the department, report the fact to the Deputy Surgeon General of the division, who will take the necessary steps to convene the standing or special medical board at such time and place as the circumstances of the case may warrant.

A medical officer, who may be called upon to grant a certificate to an officer when absent from his corps or appointment, will—*except in cases of emergency*—require the officer to obtain a statement of his previous medical history from the officer in medical charge of his corps. When, under similar circumstances, an extension of sick leave is required, the medical officer in attendance will request the sick officer to procure a copy of the medical statement on which the original leave was granted.

Medical officers on leave at hill stations are prohibited from granting certificates to officers residing there to enable them to appear before a medical board. Such certificates will only be granted by the regularly appointed local medical officer.

The case of an insane officer recommended to be sent to Europe, or to an asylum in India, will be especially considered by the medical officer drawing up the medical history and by the medical board, with a view to distinct recommendations being inserted by both as to the necessity for a soldier servant, or other escort, or any special accommodation being provided for him *en route*.

To each copy of this document will be attached a statement of case, Medical Department Form No. 41A; one set of these documents will be submitted to the Surgeon General, Her Majesty's Forces, who, on approval of the proceedings of the medical board, will furnish, in accordance with the Military Lunatics' Act of 1877, the requisite admission order for the Colaba or Madras Asylum, as may seem advisable. The second set is intended for the military authorities for transmission to the Adjutant General. The third will be made over to the officer commanding the station.

Rules for obtaining Last Pay Certificate by Officers quitting India.

The following rules are prescribed for the guidance of officers quitting India on furlough, promotion, change, completion of tour of duty, &c.:—

1. No officer is permitted to embark for England or other place out of India without the previous sanction of superior authority; and no officer's accounts can be adjusted by the Pay Department at the port of embarkation without the production of a general order sanctioning his embarkation, either by Government or by the Commander-in-Chief, as the case may be.
This order applies to officers who may have completed prescribed tours of command or staff employ in India in common with all other officers.
It is, however, not to be considered applicable to officers proceeding on accumulated privilege leave of six months to Europe.

2. An officer in charge of cash, stores, or public accounts, who may intend to proceed to England or elsewhere out of India on furlough or any other account, must, at the earliest possible date, intimate to the Controller of Military Accounts of the presidency in which he is serving, his intention to leave the country, to admit of arrangements being made for the prompt examination and adjustment of his personal and official accounts.

3. Every officer before leaving India must apply to the Paymaster at the port of embarkation for a final last pay certificate in exchange for the last pay certificate issued to him by his circle or regimental Paymaster, as the case may be. Neglect to comply with this rule will prevent an officer receiving any pay in England, as the last pay certificate granted by a circle or regimental Paymaster is not recognized there.

4. On proceeding to the port of embarkation, an officer must take with him the documents specified in the accompanying schedule for presentation to the Presidency Paymaster on applying for a final last pay certificate. Should he, for any cause, be unable to obtain the certificate, he will at once make a report on the subject to the Controller of Military Accounts of the presidency, and will give the address in England or elsewhere, to which the certificate, when issued, is to be forwarded.

5. An officer embarking at Kurrachee will obtain a final last pay certificate from the Paymaster, Bombay, to whom he should apply in time to receive it before sailing. The circle or regimental last pay certificate, with the other documents specified in the accompanying schedule, should be sent by post to the Presidency Pay Office, Bombay, if possible before the officer leaves his station.

6. The regimental last pay certificate of an officer of a native regiment, who intends to embark from a presidency other than his own, must bear the countersignature of the Pay Examiner of the presidency to which he belongs. This is not, however, necessary in the case of an officer who intends to embark from his own presidency.

7. In the case of a sick officer incapable of looking after his own affairs, the duty of making the intimation to the Controller should devolve on the commanding officer of the regiment, battery, department, or station wherein the officer is serving.
In such circumstances also care should be taken that the Paymaster at the port of embarkation is placed in possession of all information necessary for the settlement of the sick officer's claims.

Furlough and Leave.

Furlough out of India on medical certificate to reckon in the seven-years' tour of Indian Service of Royal (Imperial) Engineer officers.

Under the authority of the Secretary of State for India in Council it is notified, in supersession of previous orders on the subject, that furlough out of India on medical certificate, taken by officers of the Royal Engineers, Imperial Establishment, will reckon as part of their seven-years' tour of Indian service.

No. 1113 of 1857, under which Commissioned officers are allowed to reckon furlough or leave necessitated by wounds or illness contracted on field service as service for pension, are extended to Warrant and Non-Commissioned officers on the Unattached List, but the maximum amount of furlough or leave to be allowed to reckon will be limited to twelve months.

M.A. R., Section 12, paras. 1494-98.

This order will have retrospective effect from the commencement of the operations in Afghanistan in 1878-1880.

Furlough or leave taken in consequence of wounds or illness contracted by service in the field to count as service.

Clause 154, I. A. C., dated August 1881.

Under instructions from the Right Hon'ble the Secretary of State for India, it is notified that furlough or leave in or beyond India necessitated by wounds received in action or by illness contracted by active service in the field, *i. e.* service recognised as such by the Government of India and the Secretary of State, or by illness, which was originally contracted by such service, being aggravated or reproduced by subsequent active service in the field, is allowed, under the provisions of *G. G. O. No. 1113 of 1857*, to count as service for pension to a maximum limit of eighteen months, provided—

1st.—That the immediate departure on furlough or leave of the officer concerned is necessitated.

2ndly.—That the Medical Committee, before which an officer appears in view to obtain furlough or leave, certifies that the disability originated on field service, and is solely caused by unusual exposure and hardship in the field, or by wounds received in action.

2. The indulgence is admissible to all Commissioned officers, whether in military or in political* employ, including British officers who entered the Indian Staff Corps on or soon after its first formation, though the leave may have been taken before their admission to the Staff Corps, but subsequent to the publication of G. G. O. No. 1113 of 1857. It is also admissible to all Warrant officers, and to Non-Commissioned officers on the Unattached List, but to a maximum limit of 1 year only, with effect from the operations in Afghanistan in 1878-80.

* *With effect from the 9th Oct.* 1877.

3. When an officer considers that he has a claim to this indulgence, he is to advance the same to his Medical attendant, who is required to duly note it in his statement of the case for the Medical Committee and to clearly specify the particulars of the field service in which the officer has been engaged, the precise nature of his disability, and, in cases of illness, what grounds there are for considering that it was originally contracted during the service in question, and has been solely caused by unusual exposure and hardship in the field.

4. If the Committee consider the claim has been established, they will add to their proceedings a special certificate in the following terms:—

"We are of opinion that the illness from which is suffering originated on field service with the with which he was employed from the to the and has been solely caused by the unusual exposure and hardship undergone by him on the said service (or by wounds received in action), and we accordingly recommend that he may be permitted to reckon as service for pension the leave or furlough which may now be granted to him up to eighteen months."

5. Should the Committee consider the officer's claim has not been established, they will record their opinion to that effect in their proceedings.

Furlough under Rule VI of the Regulations of 1875, on account of illness due to field service, not to be repaid.

Clause 170 I. A. C., dated September 1881.

The following Military despatch from the Right Honorable the Secretary of State for India, No. 274, dated 18th August 1881, is published for information.

My attention has been drawn to the operation of Clause 6 of the Furlough Rules of 1875, in the case of officers invalided home for sickness due to wounds or other cause solely attributable to active service in the field.

2. Under the rule as it now stands, an officer of not less than two years' service in India, compelled then to return to England on two years' leave from the above cause, would have to complete on his return fifteen years' service in all before he could take one year's leave on private affairs.

3. I do not believe such consequences were contemplated when the rules were drawn up, and I am of opinion that provision should be made to meet such case.

4. I have accordingly decided that leave on medical certificate, when due solely to active service in the field, shall not be subject to repayment, but that it shall not count as service for furlough. That is, that the officer obtaining it shall still be required to put in the full Indian service qualifying for furlough under the Rules of 1875, with the condition also that he shall complete two years' further service in India before availing himself of it.

5. In relaxing the Furlough Rules of 1875 to this extent, I consider it necessary to place a restriction on the period of all sick leave out of India granted by the Indian Governments. At present, in almost every case the period is fixed at two years. I request that, in future, you will not grant under any of the furlough rules now in force more than one year's leave on medical certificate, leaving any question of its extension to be decided on the report of the Standing Medical Board of this office.

The privilege conceded to Warrant officers promoted to that rank since the 31st December 1875, of reckoning their previous service for furlough, is only admissible to those Warrant officers who are compelled to take furlough on medical certificate, and not to those proceeding on furlough on private affairs.

P. M. G., dated 2nd Nov. 1881, No. 5770.

Rule VI.

Periods of Absence allowed, under Rules of 1854 and 1868, to be counted as Service for Retiring Pensions.

NOTE.—All leave taken under the Furlough Rules of 1875 counts as service for pension: see paras. 4 and 13 of the Rules.

The period allowed by Regulation for proceeding to the Presidency, or to the nearest port of embarkation, when proceeding on furlough or sick certificate, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in 24, four years in 28, five years in 32, and six in 38 years shall be allowed to count as service for the retiring pension, and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

In the term "leave of absence as announced in General Orders" is to be included all leave of absence, except the period allowed as leave preparatory to furlough and subsidiary leave on return therefrom, and the ordinary indulgence of two months' leave per annum, as authorized by the existing Regulations, and which are, in all cases, to be allowed to count as service for pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

Officers to be entitled to retire on the full pay of their regimental rank (under the Regulations of 1796) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

NOTE.—This rule is not applicable to officers of the Staff Corps and of the General List.

Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-37) must have served twenty and twenty-four years, respectively, out of which time leaves of absence for two years in the former and three in the latter, and not more, will be allowed to count as service.

Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

Officers to be entitled to retire as Colonels must have served thirty-two years, out of which leaves of absence for five years in the aggregate, and not more, will be allowed to count as service.

Officers of the old Indian Cadres of Royal Engineers, and Royal Artillery, and those Officers of the twelve new Line Regiments of Cavalry and Infantry who are serving under Indian Pension Rules, are allowed to count all leave or furlough taken by them towards pension on retirement.

In the case of these officers, all full pay service, past or future, will count towards pension.

It is to be distinctly understood that under no circumstances whatever will an Officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service, or elsewhere.

The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a Captain, without returning to India; and so on the other terms of service for the higher pensions. In like manner, a Medical Officers on furlough or sick certificate in Europe or elsewhere, at the end of seventeen years' service, fifteen years of which had been passed on actual duty in India, will be entitled to retire on the lowest rate of pension without returning to India, and so in the other terms of service for the higher pension.

UNATTACHED OFFICERS.

No. 226 of 1879.—The following General Order by the Government of India, dated 7th March 1879, is republished:—

No. 196.—UNATTACHED OFFICERS—

Under the authority of the Right Honorable the Secretary of State, the regulations governing the promotion of Officers of the Unattached List, are revised as follows:—

I.—Unattached Commissions are conferred on Warrant and Non-Commissioned Officers employed on staff or detached duty who may distinguish themselves in action on the recommendation of the Commander-in-Chief and the Government of India.

II.—The rank of 2nd Lieutenant will be given in the first instance, promotion to the grade of Lieutenant being granted after one year's service; to Captain after twelve years' service, and to Major after twenty years' service, from date of first Commission, provided that for each step of rank the prescribed examination* is passed and the Officer is reported by the Commander-in-Chief as qualified in other respects for the higher grade.

III.—The qualifying period of service and examination may be relaxed on the recommendation of the Commander-in-Chief in the cases of those Officers who perform further distinguished service in the field, subsequent to the date of their last promotion.

IV.—Captains of the Indian Unattached List, who obtain their promotion to that rank prior to the 30th October 1871, may be advanced to the next higher rank without examination, provided that they are reported to be in other respects qualified for promotion; but those whose commission as Captain bears a subsequent date, must pass the prescribed tests before becoming eligible for promotion.

V.—This order is applicable to the three Presidencies.

* The prescribed examination is that laid down for officers of the British Service—P. M. G., No. 30th January 1882.

G. G. O. No. 322, dated 6th June 1851.

Reply to letter dated 20th September, 1850, No. 158, with reference to former correspondence, forward papers relative to an inquiry made by Ensign (unattached) J. Donavan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,
If under 3 years' service as Commissioned Officers.....2*s.* 6*d.* per diem.
If above and under 7 years' service in India as Commissioned Officers.....3*s.* per diem.
If above and under 12 years' service in India, as ditto.....4*s.* per diem.
If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....5*s.* per diem.
If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....6*s.* per diem.

He will be also entitled to the benefits of the new furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

Warrant Officers.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

G. O. G., 3d February, 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

Invalid Establishment.

FORT ST. GEORGE, 10th July, 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit or further service:—

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn-out or disabled, but deserving Officers

G. O. C. C., 1st June, 1858, No. 59.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. G., No. 819 of 1857, (republished in G.O.G., No. 210 of 10th July, 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

G. O. G., 1st Feb., 1859.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretray of State for India, is published in General Orders:—

Despatch dated 22d December, 1858, No. 47.

Reply to Military letter, dated 31st August, 1858, No. 165.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para. 6.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	*House Rent.*	*Total.*

Lieutenant	145 12 0	30	175 12 0
Ensign	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.		*Per mensem.*
Lieutenant Colonel	Rupees 200	Captain	Rupees 130
Major	„ 170	Lieutenant and Ensign	„ 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

G. O. G., 1st April, 1859.

No. 132 of 1859.—With reference to G. O. G., No. 810, 10th July, 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with advertence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to furlough and sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same rules as are applicable to effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

   1. Surgeon-General.
   2. Deputy Surgeon-General.
   3. Brigade Surgeon.
   4. Surgeon-Major.
   5. Surgeon.
2. The relative rank of the Medical Officers of Our Indian Military Forces shall be as follows:
   Surgeon-General as Major-General, according to the date of his Commission.

   Brigade Surgeon as Lieutenant-Colonel, according to the date of his Commission, or according to the date upon which he completed 20 years' service as Surgeon and Surgeon-Major.
   Surgeon-Major as Major, according to the date of his Commission, and after 20 years' service as Surgeon and Surgeon-Major, as Lieutenant-Colonel.
   Surgeon as Captain, according to the date of his Commission.
3. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds [except as regards the presidency of court-martial, where Our will and pleasure is that the senior combatant Officer be always president], and shall regulate the choice of quarters and the rates of prize money.
4. A Surgeon shall be promoted to Surgeon-Major on completion of 12 years' service from date of first Commission.
5. In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Secretary of State for India, on the recommendation of Our Viceroy and Governor-General of India in Council, to shorten the period of service above mentioned, in such manner as he shall deem fit and expedient.
6. All promotion from the rank of Surgeon-Major to that of Brigade Surgeon shall be given by selection for ability and merit.
7. All promotion from the rank of Brigade Surgeon to that of Deputy Surgeon-General, and from the rank of Deputy Surgeon-General to that of Surgeon-General, shall be given by selection for ability and merit, and the grounds of such selection shall be stated to Us in writing, and recorded in the office of the Secretary of State for India in Council.
8. With a view to maintain the efficiency of the service, all Medical Officers of the ranks of Surgeon-Major and Brigade Surgeon shall be placed on the Retired List when they shall have attained the age of 55 years, and all Surgeons-General and Deputy Surgeons-General when they shall have attained the age of 60 years; but as respects Surgeons-Major and Brigade Surgeons who entered the service prior to the 13th January 1860, this rule shall be relaxed, and an Officer who has attained the age of 55 years, without having obtained the rank of Deputy Surgeon-General, shall be permitted to remain in the service for three years more, on his perfect competency and fitness being certified in such manner as Our Secretary of State for India may direct. In any special case where it would appear to be for the good of Our Service that the Officer should continue in employment, he may be so continued, subject in each case to the sanction of Our Secretary of State for India in Council.
9. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.
10. Their families shall in like manner be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.
11. A Medical Officer, retiring on a pension after a service of 20 years and upwards, may, if recommended for the same by the Government of his Presidency, receive a step of honorary rank, but without any consequent increase of pay.

G. O. G., No. 209 of 19th January 1881, No. 300.—The following directions, defining the relative authority of the Surgeon-General with the Government of Madras and the Surgeon-General of Her Majesty's Forces in Madras over the Indian Medical Officers on the Madras Establishment, will have effect from the 1st January 1881:—

I.—Surgeons of the Indian Medical Service appointed to Madras, on arrival at Bombay, shall, in accordance with the "Instructions" (copy of which will then be furnished to them), send their letters of appointment to the office of the Surgeon-General with the Government of Madras, by whom they will be at once forwarded to the Military Department. Thereon the officers will be gazetted as having come on a given date on the Madras Establishment, and will be formally placed at the disposal of His Excellency the Commander-in-Chief for military duty. Meanwhile, and in anticipation of this formal notification, the officers, in the absence of any order to the contrary, will proceed at once to Madras, and on arrival there will report themselves to the Deputy Surgeon-General of that circle for military duty.

Thenceforward, and until the officer may be withdrawn for other duty employment, he will be under the authority of the Surgeon-General, Her Majesty's Forces, from whom he will receive all orders of His Excellency the Commander-in-Chief for his employment, postings, transfers, &c. If ordered to do duty at Madras, the Surgeon-General, Her Majesty's Forces, or the Deputy Surgeon-General of the circle, will arrange with the Government of Madras for the officer seeing for time the practice of the various civil hospitals.

The withdrawal of an officer for civil employment will not be permitted until he has completed two years' actual military duty, and then only provided his services can be spared. Should the interests of the public service, however, very urgently demand his withdrawal before the completion of his two years' course of military duty, an exception may, under the orders of the Governor in Council, be made, as a very rare and special case, in the above general rule.

II.—All officers of the Indian Medical Service are, subject to the above restriction, eligible for civil duties; yet, however employed, they remain liable at any time to be recalled for military duty. Such recall can only be made by the Government in the Military Department. During the whole period of an officer's employment on any other than military duty under the Commander-in-Chief, and until he is formally replaced at His Excellency's disposal, he will be under the authority of the Surgeon-General with the Government of Madras, or of the local Government under which he may be serving.

III.—A minimum establishment for the requirements of the Army and for all other sanctioned appointments will always be maintained. This will include the prescribed margin for absentees on furlough or sick leave. Lists of the appointments controlled by the two Surgeons-General are annexed; but it will be understood that the Army has the first claim on the medical service, and that any officers whose services are required with the Army may be placed at the disposal of His Excellency the Commander-in-Chief.

IV.—All applications for medical officers required for civil employment should be addressed to the Government of Madras in the Public Department.

V.—As the Surgeon-General with the Government of Madras is the actual administrative head of the Indian Medical Service on the Madras Establishment, and as he should have the means of keeping an accurate record of the services of all officers belonging to it, all returns and reports, including confidential reports, furlough statements, &c., as are considered necessary for this purpose by the Military Department, will, as regards officers under the orders of the Commander-in-Chief, be furnished to the head of the department by the Surgeon-General, Her Majesty's Forces.

Applications for furlough of officers under His Excellency the Commander-in-Chief will be forwarded by the Surgeon-General, Her Majesty's Forces, through the Surgeon-General with the Government of Madras, so that all such applications may be dealt with for the service as a whole; and all such officers while on furlough or leave will remain on the list of the Surgeon-General, Her Majesty's Forces.

Ag. Secretary to Government.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

Royal Warrant, Clause 1, Despatch 27, para. 6.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

Royal Warrant, Clause 1.

68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

Royal Warrant, Clause 2, Despatch 27, para. 6.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments, will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

Despatch 27, para. 6.

1st. Purely Military, as in Regiments of the Native Army.

2nd. Various Civil appointments, as Political, Public Works, &c.

There will also be practically many sub-divisions of employment, for each of which there will be as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in the Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

Royal Warrant, Clause 2, Despatch 27, paras. 13, 17.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired Furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

Royal Warrant, Clause 2, Despatch 27, para. 26.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commanders-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

Despatch 27, para. 16.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointment for less than one year will not be transferred *permanently* to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

Royal Warrant, Clause 2, Despatch 27, paras. 18, 19.

76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "the Queen's Regulations and Orders for the Army," in Clauses 30 to 33 of the Section entitled "Duties of the General and other Officers employed upon the Staff of the Army."

Despatch 27, para. 15.
Adjutant General's Dept.
Quarter Mr. Genl.'s Dept.
Brigade Major and Fort Adjutants.
Personal Staff.

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of publication of the Royal Warrant in India.

Despatch 27, para. 26.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment, will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

Despatch 27, para. 20.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they have served below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have passed the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

Royal Warrant, Clause 2.
Despatch 27, paras. 19, 20.

Despatch 27, para. 29.

81. A subsequent notification will prescribe the period of probation and the test of qualification in the several Departments.

Despatch 27, para. 21.

82. The promotion of officers while on probation will go on in their respective Regiments.

Despatch 27, para. 21

83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

84. The promotion of Officers to the Staff Corps will be regulated as follows:—

Royal Warrant, Clause 3, paras. 1 and 2.

Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Four years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

Royal Warrant, Clause 3, Despatch 27, para. 26.

Royal Warrant, Clause 2.

86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

Despatch 27, para. 26.
Royal Warrant, Clause 3, para. 3.

87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.

Despatch 27, para. 27.
Royal Warrant, Clause 3, para. 6.

89. An Officer of the Staff Corps whose name is borne in the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.

90. It will be discretional with the Governments in India, as at present to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief remain as heretofore.

Despatch 27, para 22.

91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

Despatch 27, para. 28.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed pay of their rank. With the above exceptions the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.

Royal Warrant, Clause 8.
Despatch 27, para. 32.

94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonel's allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonel's allowance at one time shall never exceed the regulated number of Colonel's allowance for each Presidency.

Despatch 27, para. 30.

* * * * * * *

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to effective service, either in the Staff Corps or in the Regimental Line. In the former case their names will not be restored to their old Cadres.

Royal Warrant, Clause 8, para. 10.
Despatch 27, para. 31.

97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonel's allowance.

Despatch 27, para. 33.
Cancelled—Vide page 27.

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

Royal Warrant, Clause 8.
Despatch 27, para. 28.

99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

	Whilst required to remain in India. Per Mensem.	*Out of India.* Per Diem.
General Officers	Rs 1,295 5 0	£1 5 0
Brevet-Colonel and Lieutenant-Colonel	" 827 14 0	1 0 0
Major	" 640 14 0	0 16 0
Captain	" 374 1 6	0 10 6
Lieutenant	" 225 12 0	0 6 6

100. The pay and allowances to be established for the several Staff appointments, in all Departments of Staff employ will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

Despatch 27, para. 23.

101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

Royal Warrant, Clause 8, para. 4, 5.

102. Officers of the Staff Corps will succeed to Colonel's allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonel's allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the same time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February, 1861, the date of the receipt of the warrant in India.

104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

Royal Warrant, Clause 7.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

RANK AND PROMOTION.

STAFF CORPS.

I. A. C., Clause 229 of 1881.
G. G. O., No. 680 of 1881.

The Governor-General in Council is pleased to direct the publication of the following extracts of a Military letter from the Right Hon'ble the Secretary of State for India No. 372, dated the 10th November 1881:—

Para. 1. I forward, for the information and guidance of your Lordship's Government, the accompanying copy of Her Majesty's Royal Warrant of 25th June 1881, regulating the pay, promotion, and non-effective pay of the Army, with effect from the 1st July 1881, throughout the British dominions except, as regards full pay and allowances, India.

2. With regard to the operation of the Warrant in India, your Lordship will observe that power is reserved to me to submit for Her Majesty's approval such modifications in the Royal Warrant of the 6th September 1878 as are the necessary result of the changes instituted in the Warrant of the 25th June, and such changes of pay and emoluments as appear desirable in consequence of the recently sanctioned organization of Her Majesty's British Forces.

* * * *

5. It is not necessary that a special Royal Warrant should be issued for regulating the promotion and retirement of Officers of the several Staff Corps, all that is needed is that the Secretary of State for India in Council shall lay down such rules within the limits prescribed as the Royal Warrant of 25th June 1881 empowered him to do.

6. I accordingly forward, for information and guidance, the rules which the new Warrant appears to me to call for. These are concurred in by the Secretary of State for War.

* * * * *

8. I have already addressed your Lordship on the subject of the pensions for those Officers who join the Staff Corps after the 1st July 1881, and I now desire to inform your Government what has been decided under Article 107-1 of the Royal Warrant with respect to their retirement in the several grades.

9. Those Officers will come under the compulsory retirement clauses of the Royal Warrant on attaining the age of 55 years in the rank of Colonel, of 62 years in the rank of Major-General, and 67 years in the rank of Lieutenant-General or General. Up to the age of 55, there will be no compulsory retirement on account of age from the Staff Corps. Non-employment for five years in the rank of Lieutenant-Colonel or Colonel, and non-employment as a General Officer for five years continuously since his promotion to Major-General, or non-employment for seven years continuously from the time of his last employment as Colonel, will involve compulsory retirement on the pensions elsewhere laid down, or in the grade of—

Major-General, at 62, at 800*l.* a year,
Lieutenant-General, at 67, at 900*l.* a year,
General, at 67, at 1,000*l.* a year,

with voluntary retirement in those grades of—

Major-General, at 60, on 750*l.*,
Lieutenant-General, at 65, on 850*l.*,
General, at 67, at 950*l.*

10. I have already informed you that Officers in receipt of good service pensions will not retain them after retirement on pension.

11. The regulations under which Officers of the Indian Service may be placed on half-pay will, of course, apply to those now joining the Staff Corps, with this further addition, that an Officer who, after six years' service on the half-pay list, whether continuous or otherwise, is not reported fully qualified for active service in India, will be then placed permanently on the half-pay retired list, and will not be eligible for further employment. An Officer so circumstanced, may, if entitled to pension, retire on that pension, for which, however, his service on half-pay will not count as qualifying service.

REGULATIONS FOR THE PROMOTION AND TRANSFER TO AN UNEMPLOYED SUPERNUMERARY LIST OF THE OFFICERS OF HER MAJESTY'S INDIAN STAFF CORPS.

I. Promotion in the Staff Corps shall continue as at present, with the following exceptions:—

Four years' service in the Staff Corps, with the substantive rank of Lieutenant-Colonel, shall qualify for the Brevet rank of Colonel, instead of five years, as heretofore.

*Article 12, Clauses (*e*, sub-sections 1 and 2), of the Warrant of the 25th June shall be applied to the Officers of the Staff Corps, the Secretary of State for India in Council being substituted for the Secretary of State for War.

II. General Officers shall be placed on the unemployed supernumerary list on completing the ages and periods of non-employment fixed under Articles 106 and 107 of the Warrant of the 25th June, for the compulsory retirement of the General Officers of the British Service.

III. Colonels who entered the Staff Corps on or before the 12th September 1866 shall be placed on the unemployed supernumerary list, provided they are in receipt of Colonel's allowance, and not in military employ, and Colonels who entered the Staff Corps after that date, whether in receipt of the allowance and employed or not:—

If they attained the Rank of Lieutenant-Colonel before the 1st October 1877—at the age of 59 years until the 1st July 1885, and after that date at the age of 58 years.

If they attained the rank of Lieutenant-Colonel on or after the 1st October 1877—at the age of 55 years.

* A Lieutenant-Colonel may attain the rank of Colonel.

(*e*) After four years' satisfactory service with the rank of Lieutenant-Colonel.

(1) in any military appointment - except the Command of a Troop or Company by an Officer with the substantive rank of Captain, and except also any appointment which the Secretary of State for India in Council may exclude from qualifying.

(2) in any Civil situation approved by the Secretary of State for India in Council upon the recommendation of the Commander-in-Chief, provided it be of a nature to afford practical experience likely to be afterwards of advantage in Military Service.

IV. In special cases, where it may appear desirable, the Secretary of State in Council may delay the transfer of an Officer to, or, in the case of those under the Parliamentary guarantee, bring an Officer back from the unemployed supernumerary list.

V. Of the above regulations, Clauses II. and III. shall not affect Officers whose admissions to the Staff Corps shall bear date on or after the 1st July 1881. On attaining to the rank of General Officer or Colonel in the Army, these Officers will come as regards the limits of age and periods of non-employment under the retirement Articles of the Royal Warrant of the 25th June 1881: the amounts of their pensions, non-effective pay, &c., being governed by Indian regulations."

Note.—Officers of the Indian Staff Corps are eligible for brevet promotion agreeably to despatch from the Secretary of State for India, No. 194, dated 17th June 1864 (vide para. 69 of despatch, page 507 of G. O. G. of August 1864) and not under the Royal Warrant of the 10th November 1881, which deals only with the promotion of Officers of the Indian Forces, *i. e.* Officers of the Indian Service other than those belonging to the Staff Corps.

Staff Corps.

PROBATIONERS.

Clause 51 *I. A. C., dated February* 1881.

Admission to the Madras Staff Corps may be obtained by an officer serving in India on the following conditions:—

1st.—He shall be under the rank of substantive field officer.

2nd.—He shall have completed two and not more than seven years' service from date of first commission.

3rd.—He shall have completed one year's service in India.

4th.—He shall have passed by either the lower or higher standard examination in the Native languages.

5th.—He shall have passed a course of garrison instruction.

Officers of the Royal Artillery, and those who as Sub-Lieutenants passed out of Sandhurst in the first and second classes, will be exempted from going through this course; as also all officers who obtained the rank of 2nd Lieutenant on passing out of the Royal Military College. O. 117 of 1878), is to be considered as one whole term of three years, reckoning from the date of first appointment to a native regiment, in which the candidates will be required to pass the different tests prescribed for admission to the Staff Corps, viz:—

† *Vide I. A. C., Clause* 123, *dated June* 1881.

1st, the higher standard in Hindustanee; 2nd, a garrison course of instruction for the officers who come under the first para. of this order; and 3rd, the tests laid down in Part I of Examination A, as laid down in para. 116, Madras Army Regulations.

4. In all cases of candidates who come under the provisions of this order, it will be necessary for the committee of examination to record in their proceedings that the officers have passed a course of garrison instruction.

The Governor-General in Council is pleased to direct the publication of the following additional extracts of the above quoted Military letter from the Right Hon'ble the Secretary of State for India, No. 373, dated the 10th November 1881, together with the Royal Warrants therein referred to:—

I. A. C., Clause 280, 1881, *G. G. O.* 681 *of* 1881.

3. I now forward, for your Lordship's information, and guidance, two Warrants which have received Her Majesty's sanction, one providing for the transfer to an 'Unemployed Supernumerary List' of General Officers and Colonels of Her Majesty's Indian Forces who have attained certain limits of age, or who have been continuously unemployed for certain periods, the other providing for the promotion of the Officers of Her Majesty's Indian Forces on the effective list.

4. In the first Warrant the limits of age and non-employment have been taken generally from the Royal Warrant of the 25th June 1881, but some of the provisions of that Warrant

have been somewhat relaxed in the case of those Officers who are under the previous conditions of service. In the second Warrant the existing regulations have been modified in accordance with the terms of the Warrant of 25th June, the necessary reductions being made in the establishment of General Officers.

Royal Warrant for the formation of the Unemployed Supernumerary List.

VICTORIA, by the grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India.

If he attained the rank of Lieutenant-Colonel before the 1st October 1877,—at the age of 59 years until the 1st July 1885, and after that date at the age of 58 years.

If he attained the rank of Lieutenant-Colonel on or after the 1st October 1877,—at the age of 55 years.

5. A Colonel of the 'general list,' that is, an Officer whose appointment was made subject to the above-mentioned General Order, shall be placed on the unemployed supernumerary list on attaining the age of 55 years.

6. In the event of an Officer being called to, or engaged on, active service in the field, at or about the time when, under any article of this Our Warrant, he would be liable to be transferred to the unemployed supernumerary list, Our Secretary of State for India in Council may, on the recommendation of Our Governor-General in Council, extend his term of service during the continuance of the emergency as a supernumerary to the Establishment.

7. If in any special case, not under the terms of the preceding article, it appears desirable to postpone the transfer of an Officer to the unemployed supernumerary list, Our Secretary of State for India in Council may, upon the recommendation of Our Governor-General in Council, so postpone it.

8. Our Secretary of State for India in Council, upon the recommendation of Our Governor-General in Council, may also bring back an Officer from the supernumerary unemployed list to the effective list, should it appear essential to the interests of Our Service to do so.

9. An Officer whose case has been specially treated under Articles 6, 7, or 8 shall, so long as he remains on the effective list, be supernumerary thereon.

His Excellency the Governor-General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, *sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.*

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

* * * * *

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations :—.

I.—Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II.—Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III.—The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

G. O. G., No. 122, 29th March 1866.

IV.—Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V.—On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to the effect will be published in the "Gazette of India," specifying the Military services of the Officer.

11. Although not specifically referred to in my previous despatch, it is to be understood that Medical Officers are also to be considered eligible for the good service pension. In these cases, in accordance with the principle observed with respect to officers succeeding to the Colonel's allowance, a Medical Officer in receipt of this pension will give it up on retirement from the service, on the pension of 700*l.* a year, or on coming into the receipt of the special additional pensions of 350*l.* and 200*l.* allotted respectively for the grades of Inspector General and Deputy Inspector General of Hospitals on retirement.

12. The number of the officers of the three presidencies recommended by your Government as recipients of these pensions is as follows:—

Bengal	...	...	27
Madras	...	...	18
Bombay	...	...	10
			50

20. Although under the terms of my despatch, No. 888 of 1864, the good service pensions are to be open to retired officers, your Government express your opinion that they should only be granted to these officers in very rare and exceptional cases, and you consider, as the succession to Colonel's allowance disqualifies for the pension, that officers who have received an annuity on retirement, partly as a compensation for Colonel's allowance, are not entitled to the pension.

21. I agree with you in this opinion.

CHURCH OF ENGLAND ASSURANCE INSTITUTION,

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

"Short Term" and "Whole Life" Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also "FREE" Policies are granted which can never altogether lapse in consequence of the non-payment of Premiums.

Premiums may be paid annually, half-yearly, quarterly or monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Medical Officer, Dr. Cockerill, sees applicants for Assurance at the General Hospital, on any day of the week at 9 A.M., and Noon at his House, Nungumbaukum.

Detailed Prospectuses, with the names of the Trustees and Directors, Full Tables of Life Premiums, and the necessary Forms of Proposal, may be obtained on application to the following Agents :—

Messrs. PARRY & Co., Madras.

Messrs. REMINGTON & Co., Bombay.

Messrs. LAW, BROWN & Co., Ceylon.

THE MADRAS EQUITABLE ASSURANCE SOCIETY,

Surgeon A. M. BRANFOOT, M.B.

Actuary.

A. H. BAILEY, ESQ., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy-holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1881-85 is at the rate of 70 per cent. of original Annual premiums paid during 1876-80.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this Office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road, Egmore, on Wednesdays and Saturdays between 11 and 12 A.M.

ABRIDGED PROSPECTUS.

This Company has been formed for the purpose of acquiring Estates with auriferous reefs in the Southern Indian Gold Mining Districts, and for re-selling the same or for developing the mineral resources thereon.

It is known that many owners are unable, either from want of opportunities or funds, to ascertain the mineral value of their properties, and that most of them are not in a position to obtain the market value for their Estates. The Agency of this Company will in consequence prove attractive to them.

In its negotiations, the Company, before it authorises its Engineers to proceed to an examination of any property, will enter into a written agreement with the owner as to the terms on which, if that examination proves satisfactory, he will be bound to sell.

Where there is *primâ-facie* evidence that an estate is auriferous, prospecting will be undertaken, free of cost, to the owner. In other cases, where there is no such evidence, the Company does not propose to undertake any examination except at the request and cost of the owner.

It is intended that the prominent feature that shall characterize the operations of the Company shall be in the main not to part with any cash which will not be represented by adequate and substantial properties and securities; but the Company reserves to itself the right upon due advice to undertake such further developments of its purchases as may be desirable for the purposes of re-sale.

The inducement offered to owners of Estates to deal with the Company will be very great. Hitherto they have received but a very small fraction of the profits realised by the sale of their Estates through individual agency to English Companies, but by dealing with this Company they will at once realise the market value of their surface rights, and obtain a liberal share in the disposal of their mining rights.

No agreements have been entered into, and no promotion money has been or will be paid.

Mr. C. J. Harvey's services have been secured as Consulting Engineer, and a Mining Engineer of experience and repute is very shortly expected from Australia.

A portable prospecting plant, consisting of four gravitating stamps, engine, boiler, etc., has been under order for some time and is expected in India about the end of the month. It is capable of treating from six to eight tons of ore a day, and being specially designed by Mr. Harvey to be easily moved about, *bulk* crushings which can alone afford reliable data as to the auriferous value of any estate, will be readily obtainabe.

Owners of properties wishing to enter into negotiations with the Company are invited to communicate with

MR. JER. RYAN,
Charambaddy or Ootacamund.
