THE SOUTH WALES BORDERERS.

2ND BATTALION.

Colonel.

General Taylor proceeded in 1811 to join the 22nd Dragoons in the East Indies, where he served until their return to Europe and disbandment, 25th Oct. 1820. He was in the field in 1815 and 16, and during the whole of the Mahratta war in 1817-19; the published official records show that his conduct was conspicuous in the Brigade Cavalry actions of Bucktowlie and of Nagnore, and in that of Ashta [20th Feb. 1818], the enemy having charged, overthrew one Regiment and cut down the General commanding, he, as Brigade Major, incurred the responsibility of countermanding the retreat, of ordering measures which terminated in the entire defeat of the Peishwar, the death of his Commander in Chief [Gokla], and he rescued the Rajah of Satarrah, the influential events that terminated the war. At the siege of Capaul-droog, he commanded a Battery at the storm [13th May 1819], he blew open the first gate with a galloper gun of the 22nd Dragoons, and heading the Forlorn Hope, he stormed in succession the five distinct circles of fortifications, every man and officer of his party being either killed or wounded, he received at the summit of that strong hill fort, at the moment of success in its capture, a shot through his lungs and body that killed the Grenadier behind him. The Governor General of India specially recommended him to favourable consideration for his services in India. In 1823-24 he was employed in the Cape Cavalry against the Caffres, and was recommended for promotion by the Governor and Commander in Chief. In Jan. 1841 he was relieved from a bullet which had been in his body since 1819. In Aug. 1846 his life was imperilled from a surgical operation consequent upon the passage of some cloth driven into him by a shot. In Nov. 1848 he was relieved from a piece of bone broken in his body by a shot. From April 1851 to Dec 1857 he was a Colonel on the Staff at the Cape of Good Hope, where as a Brigadier at a "period of peculiar difficulty and imminently threatened war" he commanded a large force in Kaffraria with approbation and thanks publicly recorded. From April 1860 to April 1861 he was Commander of the Forces and Lieut. Governor of Jamaica and its Dependencies. In 1827 he was sent to England from Malta to establish discipline in a corps that had fired at and nearly killed their Adjutant, their insubordination sustained by a turbulent mob at a period of popular excitement. He took command and the Battalion shot him three times on the public parade, they fired into his windows and shot through the cheeks a field aide who stood behind him. Without calling in other Troops he suppressed the mutiny, and alone he overawed the fury of the mob. The approbation of his Major General was submitted by his Lieut. General to the Horse Guards, and elicited through the Adjutant General the Sovereign's record that "the decided and necessary punishment to which he had resorted had effectually repressed the spirit that prevailed when he assumed the command."

GENERAL ORDERS.

HEAD QUARTERS, OOTACAMUND,
10th May 1883.

No. 32.—Madras Army Regulations.—The following alterations are made in the Madras Army Regulations :—

Para. 818 is cancelled and the following substituted :

The married establishment of British Corps in India is laid down in the Pay Code for India, Volume I, British Troops.

Page 296, in heading after "ignominy," add "and as incorrigible and worthless."

Para. 1864 is cancelled and para. 1865 to be numbered 1864.

New paras. 1865, 1866, 1867 and 1868.

Disposal of men sentenced by Court Martial to Penal Servitude.

Para. 1865(*a*). Every sentence of penal servitude must be undergone in a penal servitude prison, and therefore a military convict on whom such sentence is passed, will, *as soon as practicable*, be transferred to a convict establishment in the United Kingdom.

The only exceptions to this rule are the classes laid down in clause 256 of War Office Circulars of 1881, viz. :

1. Asiatics, Africans and other persons of color.

2. Persons born out of the United Kingdom, and domiciled in any place not in the United Kingdom.

3. Persons enlisted for service in any Indian corps.

(*b*) As soon as practicable after promulgation of the sentence (with due regard to the season of the year, in cases where travelling to a distance is necessary), the convict will be removed, under the orders of the general officer commanding, to the nearest military prison for intermediate custody, accommodation being made available in the prison for the convict by the return, if necessary, into regimental custody of short sentence men, or men whose sentences are about to expire.

(*c*) If the man is tried during the embarkation season, and arrangements can be made for sending him to England before the last troopship leaves, he may be permitted by the general officer commanding to be retained in regimental custody until he can be sent home.

(*d*) If a convict is sentenced to be discharged with ignominy in addition to penal servitude, the documents marginally* noted will be carefully prepared in accordance with the instructions laid down in the "Regulations for the Discharge of Soldiers of the British Forces serving in India," and will be sent home with the convict, together with all other necessary documents, when he is removed to England.

* 1. Proceedings on discharge.
2. Parchment certificate.
3. Descriptive Roll (Army Form B. 130).
4. Regimental Defaulter Sheet.
5. Medical History Sheet.
6. Copy of Charge, Finding and Sentence; and Confirmation of Sentence.
7. Copy of civil convictions (if any).

(*e*) Should the man be sentenced to penal servitude only, the officer commanding will apply to the Adjutant-General, Madras, for the necessary order for the convict's discharge from the service, and the directions above regarding documents to be sent home will be followed.

(*f*) Immediately a sentence of penal servitude is promulgated commanding officers will apply to the Adjutant-General, Madras, for the necessary committal warrant, on the form given in Appendix 20, Madras Army Regulations.

(*g*) General officers commanding divisions and districts where convicts are in intermediate custody, whether in military prisons or regimental cells, will cause timely notice to be given to commanding officers of corps concerned, of the probable date of embarkation of such convicts, in order that in addition to the warrant of committal to a convict prison in the United Kingdom, all necessary documents may be got ready for despatch with the convicts.

(*h*) Care is to be taken that no convict is sent from his place of confinement to the port of embarkation, unless the officer in charge of the party with which he is proceeding is in possession of—

I. A warrant of re-committal.
II. A certificate of the convict's conduct in prison, should he have been confined in a military prison.
III. The papers mentioned in sub-para. (*d*).

Disposal of men sentenced to imprisonment requiring removal to England.

Para. 1866(*a*). Every sentence of imprisonment *exceeding twelve months* awarded by court martial, under the Army Act, must be undergone in England, unless otherwise ordered, or unless the prisoner belongs to one of the classes laid down in clause 256 of War Office Circulars of 1881.

(*b*) In every case of a prisoner having to undergo his sentence of imprisonment in the United Kingdom, he will be sent to a military prison until he can be removed to England, which must be effected as soon as practicable.

(*c*) If the man is tried during the embarkation season and arrangements can be made for sending him home before the departure of the last troopship, he may be kept in regimental custody until his removal.

(*d*) All men undergoing sentences of imprisonment belonging to corps under orders for England will accompany their corps, unless the sentence is directed to be carried out not in the United Kingdom. In this latter case the Commander-in-Chief's orders must be applied for through the Adjutant-General, Madras. The warrants of prisoners, who may accompany their corps to the United Kingdom for committal there, will be made out by the commanding officer of the prisoner according to the provisions of section 65 of the Army Act.

(*e*) If the man is sentenced to be discharged with ignominy, in addition to imprisonment, the discharge and other documents required by the "Regulations for the Discharge of Soldiers of the British Forces serving in India," must be carefully prepared in time to accompany the prisoner when he is removed to England.

Disposal of prisoners sentenced to be discharged with ignominy or as incorrigible and worthless.

Para. 1867 (*a*). All soldiers of the British service undergoing imprisonment by sentence of court martial, and sentenced to be discharged with ignominy, or ordered to be discharged as incorrigible and worthless, who have to undergo their sentences of imprisonment in India, will nevertheless be removed to England in sufficient time to allow of their discharge being carried out in England before the expiration of their terms of imprisonment.

[This will not apply however to soldiers enlisted in India, who will as heretofore be discharged in this country on the termination of their term of imprisonment. Care must be taken by commanding officers that the discharge documents of such men are forwarded to head-quarters for confirmation, one month before the termination of the imprisonment awarded.]

(*b*) Under this ruling therefore men ordered to be discharged, whose sentences of imprisonment expire before the 15th December, will be removed to England during the preceding trooping season.

(*c*) The usual applications for commitment warrants must be submitted to the Adjutant-General's Office, Madras.

(*d*) In the case of men who have been sentenced to imprisonment not in the United Kingdom, an intimation will be sent with the commitment warrants from the Adjutant-General's Office, to

the effect that His Excellency the Commander-in-Chief has been pleased to mitigate the sentence by ordering that so much of the sentence as directs that the imprisonment is to be carried out not in the United Kingdom shall cease to have effect from date of embarkation.

Documents of prisoners removed to England.

Para. 1868. The instructions laid down in para. 1865 (*f*), (*g*) and (*h*), will be followed, as far as applicable in the cases of all prisoners removed to England; and no prisoner is to be sent to the port of embarkation unless the officer commanding the party with which he is proceeding is in possession of all the necessary documents.

Paras. 1871, 1873, 1875, 1876 and 1877 are cancelled.

Para. 1433, first line, omit the words "privilege and."

If such extension be not recommended, the commanding officer should submit the name of the officer whom he wishes to succeed to the appointment, and the documents should be forwarded in sufficient time to allow of the arrangement being notified in the London Gazette as nearly as possible on the date on which the Adjutancy is to be vacated.

The name of the intended successor should be forwarded, in like manner, in cases where Adjutants have completed the maximum period of seven years in the appointment.

VII. *Examinations for promotion and Garrison Instruction.*

Subjects.

360. The professional examinations of officers of the British Army for promotion will comprise the following subjects, viz.:—

(*a*) Regimental duties.
(*b*) Drill.
(*c*) Military law.
(*d*) Duties in the field.
(*e*) Artillery (for Lieutenants of Artillery only).

Scope.

361. The scope of each subject will vary according to the rank for which the examination is required.

The various subjects (*a*) to (*e*) are detailed in para. 398 (1-18) which shows the scope to be required from officers in each rank.

Examination for each rank.

362. The examination for each rank will be as follows:—

I. Quarter Masters, Riding Masters, Warrant Officers, and Non-commissioned Officers, before promotion to the rank of Lieutenant, in subjects (*a*) and (*b*), as detailed for a Lieutenant before promotion. (A Warrant Officer or Non-commissioned Officer before being recommended for a commission must also be in possession of a first-class certificate of education, including English history and general geography.)

II. Lieutenants of all arms, before obtaining their first increase of pay, in subjects (*a*) and (*b*) only, as detailed for Lieutenants before promotion. (This will not be

required from those Lieutenants who have previously passed that standard of (*a*) and (*b*) on appointment under 1.)

III. Lieutenants of all arms, before promotion to the rank of Captain, in (*a*), (*b*), (*c*), and (*d*), as detailed for that rank, also (*e*) for Royal Artillery. (This examination in (*a*) and (*b*) will not be required from those who have previously passed it in the same standard on appointment under I, or before obtaining increase of pay under II.)

IV. Captains of all arms, before promotion to higher substantive rank, in (*a*), (*b*), (*c*), and (*d*), as detailed for that rank.

363. When officers who have previously qualified are transferred from one arm of the service, or from one branch of Artillery to another, they will be required to pass a further examination in the subjects which relate exclusively to the arm or branch which they join.

Certificates taken in lieu.

364. The following certificates will be accepted in lieu of examination, viz. :—

I. A first-class certificate at the School of Musketry, or a company certificate of musketry qualification, in lieu of examination in musketry subjects.

II. A certificate of having passed the long course of the School of Gunnery, or the course for Inspectors of Warlike Stores, in lieu of examination in subject (*e*). The former will also be accepted in lieu of examination in that portion of subject (*b*) which relates to Garrison Artillery.

III. A first or second-class certificate on examination as *Sub-lieutenant*, in lieu of examination in subjects (*c*) and (*d*), in rank of Lieutenant only.

IV. A staff College certificate in lieu of examination in subjects (*a*), (*c*), (*d*), and also (*b*), except the practical examination in that subject.

V. A certificate of having passed through the long or short course at the School of Military Engineering, in lieu of the *practical* examination in Fortification.

VI. Officers who have been reported as fully qualified for promotion, under the regulations hitherto in force, will not be required to be examined further in their present rank.

An officer who has passed in subjects, *a*, *b*, *c*, under the old rules, will be accepted as qualified in (*a*) and (*b*), and similarly a pass in *d*, *e*, *f*, *g*, will be accepted in lieu of examination in (*c*) and (*d*).

Lieutenants who, under the old regulations, were liable to only one or more of the subjects (*d*), (*e*), (*f*), (*g*), will be required to pass only in the corresponding subject under the new regulations, viz., (*c*) (d_1) (d_2) or (d_3).

VII. Officers who were Second Lieutenants on the 30th June 1881 may, *if they prefer it*, obtain their first increase of pay after the prescribed period of service on passing in the lower standard of (*a*) and (*b*) formerly required for promotion from Second Lieutenant to Lieutenant, but examination in that standard will not, in any case, be accepted as qualifying for promotion to the rank of Captain under paragraph 362 (III).

365. When an officer has fully qualified for promotion, a notification to that effect will be published in G.O.C.C. which will be the authority for the return of the officer in the confidential reports as "passed for promotion."

Notification of qualification.

366. For the purpose of conducting examinations, officers commanding divisions and districts will select as examiners qualified officers of the various arms of the service, sufficient in number to conduct all the examinations within their command. Boards of Examination will be formed exclusively from these officers. General Officers may exempt at their discretion these selected officers from serving on other Boards.

Board of Examination—selection of officers composing.

367. For the examination of all ranks in subjects (*a*) and (*b*), General Officers will assemble Boards as required. They will consist of a Field Officer as President, and two or more Field Officers or Captains who are qualified for field rank, as Members; at least one, and if possible two, Members should belong to the same arm of the service, and in the case of Artillery to the same branch, as the officers under examination. On no occasion, when it can be avoided, is an officer of the same regiment or battery as the candidate, to be a Member.

Examination in (*a*) and (*b*) can be held at any time.

These examinations will be conducted entirely by the Board. As many candidates as possible should be examined together, in order to reduce the labour and time necessary for the preparation of the papers of questions.

368. For examination in subjects (*c*) to (*e*), of Lieutenants and Captains of all arms, qualified under para. 369, Boards will be assembled by General Officers commanding on 1st March and 16th October. Should any of these dates fall upon a Sunday, the examinations will commence on the following day; but no alteration of these dates is permissible on account of the garrison holiday. These boards will consist of not less than three Members appointed from among the officers selected as examiners in the command. A Field Officer should preside whenever possible. When the Garrison Instructor is available, he will attend the Board and render such assistance as may be necessary. The examinations will be conducted chiefly by questions, sent by the Director of Garrison Instruction, but partly by practical examination on the ground.

Examination in (*c*) and (*d*) twice a year.

The examination in Field Fortification will be partly practical, and an Engineer Officer (if available), not under the rank of Captain will be added to the Board to assist in conducting that portion of the examination.

369. Officers cannot present themselves for examination in subjects (*c*) to (*e*), until they have passed in (*a*) and (*b*). The examination in (*a*) and (*b*) will be permitted only after the following periods of service, viz.:—

Attendance at examination, qualification for.

Lieutenants—after being dismissed from all drills and having not less than one year's service.

Captains—not less than six years' service, of which at least one in the rank of Captain.

370. Every Captain of Artillery and Engineers will be permitted once, prior to promotion to Major, at his own request, to be attached to a regiment of Cavalry or battalion of Infantry, for any period not exceeding three months during the drill season, and the officer commanding such regiment or battalion will be directed to afford him every facility towards acquiring the practical knowledge in the field which is required of him before promotion.

371. General Officers commanding will forward, so as to reach the Director of Garrison Instruction not later than the 1st February or 15th September the names of all officers in their command who are desirous of being examined in subjects (*c*) and (*d*) in the following month.

Applications for examination in subjects (*c*) and (*d*).

372. Candidates for examination in subjects (*c*) and (*d*), who have not attended the previous course of garrison instruction, will report themselves at the station, where the examination is

(*a*) In the case of Riding Masters, Quarter Masters, Warrant Officers, and Non-commissioned Officers selected for promotion to Lieutenant, the proceedings with the written questions and answers must be transmitted to the Adjutant-General in India, with the concurrence, or otherwise, of the General Officer, with the opinion of the Board.

(*b*) In the case of the examination of Lieutenants and Captains in subjects (*c*) and (*d*), all papers will be transmitted by the President of the Board in accordance with the instructions furnished to General Officers by the Director of Garrison Instruction. In subject (*c*) all papers will be forwarded to the Adjutant-General in India.

(*c*) In all other cases the General Officer will confirm or disapprove the proceedings of the Board, and his decision shall be final. In cases of Lieutenants and Captains examined in subjects (*a*) and (*b*), he will notify in

orders the names of candidates who have passed, and such notification will be the authority for the return of the officer as being qualified for examination in subjects (*c*) to (*e*). Each officer will be at once furnished with a copy of the order. The proceedings of the Boards, together with the written questions and answers, will be forwarded in all cases to the Adjutant-General in India for record, and for supervision, with the view to maintain a uniform standard of examination.

An officer who fails in one of the subjects (*a*) and (*b*) must be re-examined in both; but failure in riding only will not necessitate repassing in the remaining portions of the examination.

376. Special mention in G.O.C C. will be made of those who pass a superior examination in (*c*) and (*d*) or in (*e*).

Proceedings of Boards.

377. The proceedings of the Board will be drawn out on Army Form A 2. The written questions and answers must be forwarded with the proceedings, accompanied by a certificate (which must be written and signed in the presence of the President or of a Member of the Board), from each candidate in his own handwriting as follows:—

For examination in (*a*) and (*b*) or (*e*).

"I certify that during the examination I received no assistance from books or other sources."

For examination in (*c*) and (*d*).

"I certify that the whole of the examination papers, drawings and surveys marked by me, with the Index No. ( ) are my own work, and that I received no assistance from books [except the books of reference authorised during examination in (*c*)] or from any other source during the examination.

"I further certify that the whole of the field sketch marked by me with the Index No. ( ) was executed by me without any assistance, on the ground which it represents, with (here state instruments used); that no part of it was done in any house or building; and that it was not retained in my possession except during the hours marked upon it by the Board, and while making the finished drawing in the Examination Hall.

"*(Signature of Candidate.)*"

Examination in subject (*a*).

378. The examination in subject (*a*) will be *viva voce*, and by written questions set by the Board.

Examination in subject (*b*).

379. The examination in subject (*b*) will be divided into two parts; one part will be practical in the field with *viva voce* questions, the other by written questions set by the Board. The knowledge of each candidate in drills and exercises is to be tested practically on parade, and, in addition to giving the words of command, the candidate is to be required, in respect of his own arm of the service, to give the explanation of the exercise or manœuvre about to be performed to the men on parade in a clear and audible manner.

380. The Board will enumerate in their report the manœuvres and exercises performed, and will state clearly their opinion of the candidate's proficiency, whether he is a good, bad, or indifferent drill, whether he is able to impart instruction, and is fully competent to command the body of troops he may be exercising.

381. In the Garrison Artillery the Board will satisfy themselves that the officer under examination is fully competent to work, mount and dismount, shift, and transport *at least* one gun employed in the defence, and if available one other gun in the attack of a fortress.

Copies of certificates in lieu of examination.

382. Copies of all certificates accepted by the Board in lieu of examination must be attached to the proceedings. Should the examination passed have been notified in general orders, it will be sufficient to quote the order. When riding is a subject of examination a certificate of proficiency must be attached. This may be obtained either.

(*a*) By going through a course of equitation under a Riding Master of a British Cavalry regiment, or under a duly qualified Battery Instructor. This certificate must be prepared on Bengal Form 14 (S.G.O. 8 of 1882).

(*b*) From the General Officer commanding after personal examination.

(*c*) From a Field Officer specially deputed by the General Officer commanding.

Examination in (*a*) and (*b*).

383. In conducting the examination in subjects (*a*) and (*b*), Boards will observe the following instructions:—

(*a*) The number of written questions will be not less than 40. The questions, if not printed, are to be written on half-margin, and the replies inserted opposite to them in the candidate's handwriting. The Board will correct in red ink any replies which are erroneous.

(*b*) To each written question or practical test the Board will allot a numerical value, and they will credit each answer with full or a less number of marks according to its nature. The

report will contain a summary of the examination in the following form:—

—	(a)						(b)						Remarks.
	1	2	3	4	Total.	Decimal.	1	2	3	4	Total.	Decimal.	
	Full credits.						Full credits.						
	20	10	20	20	100		40	20	20	20	100		
	Number of marks gained.												
Capt. A. B.	5	25	15	15	60	·6	10	10	10	10	40	·4	Failed in (b).
„ C. D.	15	35	15	20	85	·85	35	20	20	15	19	·9	Passed.

Note.—When an officer who has not gone through the prescribed course of equitation is examined in riding, the certificate of qualification if granted by the General Officer commanding, after personally examining the candidate, should show that he could ride sufficiently well to perform efficiently the duties of a mounted officer of Infantry. If the examination is not made by the General Officer in person, the certificate should further show that the officer who conducted the examination was specially detailed for the duty by the General Officer commanding. When the candidate is not examined by the General Officer commanding in person, the officer selected to carry out the examination should be a Field Officer of one of the mounted branches.

The first line of figures corresponds to the heads under which the subjects are divided. The second line of figures gives the sum of the marks allotted to all the questions or tests under each head, which sums will be fixed in each case by the Board. The figures under those opposite the candidates' names record the sum of the marks gained under each head. The decimal marked up to each candidate represents the proportion of marks gained to the total marks allotted under each subject (*a*) and (*b*).

(*c*) Officers will not be reported as qualified unless they have gained one-half of the total number of marks allotted to the questions and practical tests under each subject (*a*) and (*b*), that is, unless the decimal gained shall amount to ·5.

(*d*) Very bad writing will be considered sufficient reason to require the re-examination of an officer.

Examination in (*c*), (*d*) and (*e*).

384. In conducting the examination of Lieutenants and Captains, in subjects (*c*) and (*d*), the subjects of examination will be taken in the order laid down in the instructions furnished to

General Officers commanding by the Director of Garrison Instruction in India. The examination in subject (*e*) will be carried out as directed by the General Officer commanding.

(*a*) The officers while under examination are to be placed at least six feet apart, and no officer is to be examined in any subject except at the time ordered.

(*b*) At least one Member of the Board is invariably to be present while the written examination is going on. During the practical part of the examination the presence of the whole Board is necessary.

(*c*) The Board will attach to their proceedings a certificate that the prescribed order of examination was strictly observed.

(*d*) The Board will record on the face of each field sketch the number of hours spent by the officer in executing it.

(*e*) At the close of the written examination on each subject, the Board will see that each officer's work is folded and docketed as follows:—

Date_____
Station_____
Examination_____(for Captain or Major.)
Subject_____
Index No._____

The papers will then be tied together by subjects, those of the Lieutenants being kept separate from those of the Captains. A triangulation (from chained base), or traverse, or tracing from a map, of the ground or road selected, is to be forwarded with the sketches of the candidates. This outline drawing should contain sufficient points to enable the examiner in Military Topography to test the accuracy of the work sent him for review.

(*f*) Printed instructions will be furnished from time to time for the guidance of Boards of Examination; and the Garrison Instructor, when attending Boards, will be responsible, under the orders of the President, that the proceedings are carried on with due regularity, and that the papers of the candidates are arranged and forwarded without unnecessary delay.

(*g*) The President of the Board will report to the officer commanding the station the date upon which the examination may be concluded, in order that the candidates may be directed to rejoin their regiments without delay.

385. The standard of qualification in subjects (*c*) and (*d*), and for obtaining a special mention therein will be as follows:—

For Pass—·4 in each subject [*i.e.*, in (*c*) and in each of the three sub-heads of (*d*)] and ·55 in the aggregate. An officer who fails in one or more subjects will be required to pass in all subjects at a future examination, unless the failure is in one subject only, and the required aggregate

is obtained; in that case re-examination will be required in that one subject only.

For Special Mention—An officer who obtains ·8 in any subject will be recorded as "distinguished" in that subject.

The standards in subject (*e*) will be ·5 for a pass, and ·8 for special mention.

Any officer who may desire to ascertain the value placed upon his work by the examiners, can do so upon application to the Garrison Instructor who will be furnished with a detailed report upon the work of each officer who went up for examination.

Director of Garrison Instruction.

386. The establishment for Garrison Instruction belongs to the Department of the Adjutant-General in India. The Director is responsible for the instruction throughout India, and is attached to the Head-Quarters of the Army in India. He will report to the Commander-in-Chief in India, and to the Director-General of Military Education, War Office, and will correspond direct with the Garrison Instructors in the three Presidencies; he will also visit the centres of Garrison Instruction annually, or whenever necessary.*

Garrison Instructors.

387. The Garrison Instructor belongs to the Divisional Staff, but when not stationed at the head-quarters of the Division, he is under the orders of the officer commanding the station to which he may be posted. As regards the details of Instruction he receives his orders direct from the Director. During the intervals between the course of instruction, he may reside where he likes in his Presidency, provided no expense to the State is incurred, with the sanction of the General Officer commanding. When availing himself of this privilege he must report his address to the Director. Beyond the limits of the Presidency to which he belongs the sanction of the Commander-in-Chief is necessary, and permission to pass any portion of the time out of Indian limits, unless taken as leave under the regulations of the service, must be obtained from Government, and can only be granted on special grounds. He must return in ample time to make the preliminary arrangements for the assembly of his class on the fixed date. He is responsible for all the instruments, stores, &c., supplied for garrison classes, and will submit requisitions on the various departments for articles sanctioned. He will submit a monthly report to the Director, forwarding a duplicate to the General Officer commanding the division.

* Appointments to the establishment for Garrison Instruction are made for five years, subject to re-appointment for an additional term if specially recommended. It is not obligatory upon candidates to have passed in the native languages by either standard.

Garrison classes.

388. To assist officers in preparing for examination in (*c*) and (*d*), and in the equivalent examination required from officers of the Indian Army, there will be two courses of instruction in the year, lasting four months each, commencing on 15th June and 1st November.

389. Officers will be permitted, so far as the exigencies of the service allow, to be struck off all duties for the purpose of attending a course of instruction, once in the rank of Lieutenant, and once in the rank of Captain, but not in the case of Officers of the British service, until they have passed the examination in subjects (*a*) and (*b*) prescribed for their rank. They will be expected to have prepared themselves by private study to derive full advantage from the assistance of the Instructor. Officers not so prepared, or who show inattention in the classes, may be recommended by the Instructor to the General Officer commanding to be remanded to their corps.

390. Officers will be permitted to avail themselves at all times of the garrison classes where they are quartered, without being struck off duty, provided that room can be found for them.

391. General officers commanding divisions and districts will send to the Adjutant-General on the 1st May and 15th September a return of officers recommended to attend the next garrison course. Opposite the name of each officer of the British service recommended, a note is to be made of the date on which, and place where, he passed the examination in (*a*) and (*b*) for higher rank.

In the event of no officers being recommended, a report to that effect is to be submitted.

Attendance at, and discipline of, classes.

392. Each class will consist of 8 or 9 officers who will be detailed in G. O. C. C. Officers attending classes will be under the orders of the Garrison Instructor; they will be struck off all duties while so employed, but will be required to attend their classes with the same regularity as their regimental parades.

Garrison Instructor responsible for maintenance of discipline.

393. The Garrison Instructor will be held responsible for the maintenance of discipline in his class, and he will be required to bring at once to the notice of the General Officer commanding the division the case of any officer whom he may consider unlikely to pass his examination, either through irregularity in attendance, or want of application, in order that he may be forthwith remanded to his regiment.

A similar course will be adopted in the case of an officer who may be prevented by continued illness from punctual attendance with the class.

394. The following drawing materials and text-books will be provided by officers at their own expense :—

Text-books and drawing materials to be supplied by officers.

Paper, pens, and drawing materials; sketching case or block; small case of instruments; box of Marquois scales; Manual of Military Topography; Clery's *Minor Tactics;* Instruction in Military Engineering (Vol. I, Part I,) Field Defences; Manual of Elementary Field Engineering.

The Garrison Instructor will make arrangements for supplies of the above text-books and materials being readily available for purchase by officers attending classes.

395. A Native Non-commissioned Officer and two Privates of Sappers, to be relieved annually, will be attached to the centre of instruction for the purpose of assisting in the construction of gabions, fascines, revetments, knotting, lashing spars, &c.; they will also have charge, on the responsibility of the Garrison instructor, of all the tools, implements and stores issued for the use of classes. This detail of Sappers is to be inspected at least once a week by the Garrison Instructor, who will make a careful inspection of their clothing, arms and accoutrements. A certificate to the above effect will accompany the monthly reports to the Director of Garrison Instruction.

Native Sapper assistants.

396. A party will be detailed, when required, from the British or Native Infantry regiment at the centre of instruction, for the purpose of assisting in the construction of field works, &c.; they will not be considered a working or fatigue party, but as sent for instruction in this portion of their duty.

1. They should be placed for discipline under an officer specially appointed by the commanding officer.

2. They should, if possible, be placed quite apart from the men, in rooms and messes, under a trustworthy non-commissioned officer or man who shall sleep in the room. Special permission

may be given by the commanding officer for boys to reside with their parents.

3. When accommodation is available, a separate recreation room should be set apart for them, and they should be forbidden to visit the men's reading and recreation rooms. Papers, books and games should be allotted to the boys' room, but all card-playing forbidden.

4. They are not to be confined in the guard-room, nor placed under escort, unless absolutely necessary for their safe custody.

5. In carrying out minor punishments some task or work should be substituted for extra drill. Imprisonment should only be resorted to as an extreme measure.

6. They are only to be granted leave after tattoo under very special circumstances, and never unless the commanding officer is satisfied as to where they are going.

7. Boys, whose conduct and progress is satisfactory, and who have friends in India, should be granted leave to visit them twice a year, for a fortnight in summer and a month in winter. Commanding officers will satisfy themselves as to the respectability of the friends the boys are going to visit.

8. All boys are to go through a course of gymnasium suitable to their age and strength, and they should be encouraged to attend voluntarily classes afterwards.

GENERAL ORDERS.

HEAD QUARTERS, OOTACAMUND,
17th May 1883.

No. 39.—Clothing—Native Army.—The Commander-in-Chief is pleased to notify that Government have sanctioned the following revised scale of clothing for the Native Army, with effect from 1st April 1883, in substitution of that now in force.

The saving effected by the change has been applied, in full, to the provision, as a free issue annually, of khaki in material.

2. Cavalry:—

(*a.*) 1 Serge alkalik, 1 pair of cloth pantaloons. } Biennially in alternate years.

(*b.*) In addition to the present annual grant of Rupees 4 per man, a free issue of khaki material to the value of Rupees 3½ per man for all ranks, excepting Native Officers, to be made annually on 1st April by the Clothing Department.

This material will be applied to the provision of—

a khaki blouse,
a pair of khaki stable trowsers.

II. The first issue of alkaliks will be made of cloth, in order to utilize that in stock.

III. In order that the change in dress may be carried out simultaneously, and in view to ensure uniformity in all four Regiments of Light Cavalry, the 1st and 4th Regiments will receive this year, in advance, the alkaliks due on 1st April 1884.

IV. The ordinary dress for parades and duties will be the turband, the khaki blouse, and cloth pantaloons; the alkalik being worn only as full dress, or on special occasions when ordered; in cold, damp, or rainy weather it can also be worn either by itself or underneath the khaki blouse.

V. A turband, with or without "kula," as may be regimentally decided on, will be substituted for the head-dress hitherto in use.

The turband will be provided under regimental arrangement in the same manner as the present head-dress has been.

A description of the turband and "kula" is to be sent to the Adjutant-General by the Officers commanding the four Light Cavalry Regiments.

3. Infantry:—

(*a.*) A Serge Zouave jacket.
A pair of serge knicker-bockers.
Khaki material for a pair of gaiters.
} Triennially, beginning from 1st April 1883.

The first issue of the new jacket will be of cloth in order to utilize that now in stock.

Indents for the number of khaki gaiters, in material, including Native Officers, will be submitted by regiments at once to the Clothing Department.

(*b.*) In addition to the present annual grant of Rupees 4 per man, a free issue of khaki material to the value of Rupees 3 per man for all ranks, excepting Native Officers, to be made annually on 1st April by the Clothing Department; this material will be applied to the provision of—

a khaki blouse,
a pair of khaki knicker-bockers,
a pair of khaki gaiters.

II. Khaki will be the ordinary dress for parades and duties, and will also replace the present summer dress.

III. The serge clothing will be worn only as full dress, or on special occasions when ordered; in cold, damp, or rainy weather it may also be worn, and, if necessary, the serge jacket can be worn underneath the khaki blouse.

IV. The gaiters are to be made up regimentally without extra expense to the State.

4. A khaki turband will be substituted for the head-dress now in use.

The turband will be provided regimentally in the same manner as the present head-dress.

II. at the ends of the turband there is to be a band, four inches wide, of the color of the regimental facings, finished off with a fringe of the same color as the turband.

The fringe of Native Officers' turbands may, however, be of gold if preferred.

III. Regiments that have already been permitted to adopt a turband may continue to wear it, but a description thereof is to be at once sent to the Adjutant-General.

5. The turband is not to be stitched or pinned, but is to be tied uniformly.

6. The Superintendent of Army clothing will furnish Commanding Officers with a sealed sample of the khaki that has been approved; patterns of the articles of clothing have already been furnished to Commanding Officers.

7. His Excellency the Commander-in-Chief, while desiring that uniformity of dress should be introduced without unnecessary delay, does not wish that the men should be required to replace their present summer clothing till it becomes unserviceable; but to ensure uniformity of color, as far as possible, the present white drill tunic is to be dyed khaki.

8. When the troops wear khaki, British Officers will, when on duty with their men, wear—

A jacket of plain khaki drill (blue patrol jacket shape), without braid, of sufficient length to just clear the saddle when the officer is mounted; fastened by five gilt buttons of regimental pattern; cuff pointed; the collar stand up and rounded off in front. Shoulder-straps, of the same material as the jacket, fastened at top by gilt buttons, regimental pattern. Badges of rank in gold, or gilt metal, on the shoulder-strap.

Trowsers of plain khaki drill.

Pantaloons of this material are not authorized for mounted officers, who may, however, wear cloth pantaloons and boots on mounted duties.

Helmet to be of khaki, or with a khaki cover, with turband of the regimental pattern.

On service, or in camps of exercise, jackets of khaki serge of the same pattern as above, brown cord pantaloons or breeches, and brown boots, gaiters or putties, as may be arranged regimentally, may be worn.

No. 46.—Madras Army Regulations.—The following alterations are made in the Madras Army Regulations:—

Para. 391, as reconstructed by S.G.O. No. 34 of 1883, is cancelled and the following substituted:—

General Officers commanding divisions and districts will forward, so as *to reach* the Adjutant-General on the 1st May and 15th September, a return of officers recommended to attend the next garrison course. Opposite the name of each officer of the British Service recommended, a note is to be made of the date on which, and of the place where, he passed the examination in (*a*) and (*b*) for higher rank.

The return is to be accompanied by a nominal roll of all Captains and Subalterns of every British corps or battery in the command, noting those who are (1) wholly qualified, (2) partly qualified, (3) or unqualified for promotion to a higher grade; and in the case of officers eligible for examination in (*c*) and (*d*) who are not recommended to join the garrison course, the reasons why they are not so recommended should be stated.

In the event of no officers being recommended, a report to that effect is to be submitted, together with the nominal roll referred to above.

Para. 536. Add—

ii. A Commanding Officer should not, unless indispensably necessary, have recourse to written and official communications with his officers through the Adjutant, but should call before him any officer whose conduct is in any way unsatisfactory, and verbally make known to him his disapprobation.

Government, the cost being defrayed out of the prison funds. Books of amusement are to be entirely excluded.

No. 47.—The following general orders, by His Excellency the Commander-in-Chief in India, are republished:—

Adjutant-General's Office, Simla, 15th May 1883.

No. 68.

Bands and Messes.—The monthly mess bills and all duly authorized regimental subscriptions of officers are to be paid on or before the 15th of each succeeding month. Any officer neglecting to comply with the regulation will be at once called upon by his commanding officer for an explanation. If the result be unsatisfactory, and the account not settled by the end of the same month, the officer will be suspended as a member of the mess, and the circumstances reported to the General Officer commanding the division or district for such action as he may deem necessary.

II. Before any officer proceeds on leave longer than ten days, he will make arrangements satisfactory to his commanding officer for the payment of the mess bill.

III. Officers commanding British and Native corps are reminded of the necessity for discountenancing in every way all extravagant living amongst their officers, and it is hoped that they will assist towards the attainment of so important an object by themselves setting an example in this respect.

It is not only the actual daily charges for messing to which allusion is made, but to the incidental and often unnecessary monthly subscriptions and other expenses, which should, as far as possible, be brought within such limits, that those officers who may not have private means may be enabled to live in a comfortable and suitable manner.

IV. Balls and all other expensive regimental entertainments can only be given on the responsibility of officers commanding corps, who must in every case obtain the sanction of the General Officer commanding. Before granting such permission the General Officer commanding will satisfy himself as to the wishes of the officers concerned, and will take care that no undue expenditure is allowed.

Before any commanding officer applies for such permission, he will cause to be circulated amongst his officers a paper notifying the proposal to give such entertainment, and in the event of its being allowed, only those officers who have signed the papers are to pay any share of the expense incurred. Commanding officers are to give their special countenance and protection to those officers who may, from motives of economy, decline to share in the proposed expense. In distributing the cost of any such entertainment amongst those concerned, it is invariably to be apportioned in shares proportionate to the total monthly pay and allowances drawn by each individual officer; the cost will, therefore, fall more lightly upon the junior than upon the senior officers.

V. The expenses of all entertainments that may be allowed will be submitted to the General Officer at his annual inspections at the same time that the mess arrangements are brought under his consideration; and in the confidential reports he will give his opinion, whether the spirit of these orders has been loyally carried out.

VI. The accounts of the mess will be balanced and audited at each quarterly mess meeting, and General Officers at their inspections will carefully examine these accounts, and will note in their reports whether these audits have or have not been duly carried out. They will also report the amounts of the debts (if any) owed by the mess, and what provision has been made for their payment.

VII. The practice which prevails in some corps of presents of plate being made by officers on first appointment, on promotion or other occasions, is positively prohibited, and the purchase of plate, &c., must be restricted to articles of ordinary use.

The payments to be made to messes by officers as contributions and subscriptions, are laid down by regulation, and these

amounts are never to be exceeded except in cases of necessity, for which special authority has been obtained.

General Officers will make enquiries upon these points at their inspections, and report any instances in which this order has been infringed.

VIII. In many instances, extra subscriptions have been entailed upon officers in order to defray the very often heavy liabilities incurred by the purchase, under the authority of regimental committees, of articles not absolutely required. It must be distinctly understood that the commanding officer is responsible for the proper management of all regimental funds, and that the committees possess only a delegated authority; and, further, that an officer in temporary command is not justified in authorizing any but the regular current expenditure.

IX. Before giving over the command of a regiment or battalion, the commanding officer will forward to the General Officer commanding a certificate that all debts owing by the mess have been paid, or that a sufficient amount is in the hands of the regimental agent or mess president to meet all liabilities. Should, however, he be unable, owing to exceptional circumstances, to furnish these certificates, he will explain fully the reasons which have necessitated the contraction of debts which the regiment is unable immediately to meet.

The certificates and correspondence will be forwarded by the General Officer commanding to the Adjutant-General.

X. An officer, on assuming the command of a corps, will satisfy himself that no debts are due either by the mess or wine funds which have not been reported in the certificate alluded to, a copy of which will be handed over to him by the officer vacating the command.

He will forward a report to the General Officer commanding that he is satisfied with the state of the funds.

No. 69.

Military Instruction.—The attention of officers of the Indian Army is drawn to the provisions of section 5, para. 157, Bengal Army Regulations,* which rule that no officer will be permitted to pass Part II of the examination laid down in para. 150† of the same section, until he has passed Part I of the same examination.

As Part I can only be passed by an officer after he has attained the rank of Captain, it therefore follows that no garrison course

* Section VI, para. 262, M.A.R. † Paras. 253 and 293.

examination passed in the rank of Lieutenant can in future be accepted as the equivalent of Part II.

Officers who have attained the rank of Captain, and who desire to qualify for appointments under para. 150,† will therefore have to pass an examination in Part II, as well as in Part I, as detailed in that paragraph.

This order will, however, not have retrospective effect as regards subaltern officers whose names have been noted in G.O.C.C. as having passed Part II.

No. 48.—Madras Army Regulations.—The following alterations are made in the Madras Army Regulations:—

Para. 262, after "Part I" in the fourth line, add "for which latter examination no officer under the rank of Captain is eligible to present himself, consequently no garrison course examination passed in the rank of Lieutenant can be accepted as the equivalent to Part II."

Add as clause II to para. 262:—

"Officers who have attained the rank of Captain, and who desire to qualify for appointments under para. 253, will therefore have to pass an examination in Part II as well as in Part I as detailed in that paragraph.

Add fresh para. 2722A:—

2722A. Soldiers enlisted for reserve service, who may wish to rejoin their regiments on the termination of their army service, and to go home to complete their service engagement, are, on the necessary application being made to the Adjutant-General, remanded to their corps in the rank they held prior to their transfer to the Unattached List.

The Commander-in-Chief therefore directs that in modification of Rules II and III of that order, the values of only such articles of clothing as great coats, cloaks, and capes shall be specified in a charge, and be entered in a sentence; and that with respect to other articles of clothing the names of the articles only shall be specified in a charge and in a resulting sentence; in all other respects the Horse Guards' order continues in force.

No. 76.

Bedding.—Extra blankets which may have been issued under the authority conveyed in Bengal Army Regulations, sec. 12, para. 55,† are, as a general rule, not to be taken away by men proceeding to the port of embarkation.

In exceptional cases, where it is recommended by a medical officer that these extra blankets should be retained by invalids for the journey, the officer proceeding in charge of the party will sign receipts in duplicate for such blankets, specifying their condition. One copy of the receipt will be forwarded by the officer commanding the corps from which the men are proceeding, to the Executive Commissariat Officer at Bombay or Deolalee, with a request that the blankets may be taken into store on the arrival of the detachment, the other copy, together with a copy of the commanding officer's letter as above, will be attached to the half-yearly return in which the blankets are struck off charge.

* S.G.O., No. 50 of 1882. † G.O.G., 199 of 1872.

On arrival of the detachment at Bombay or Deolalee, the extra blankets will be made over to the Commissariat Department, the value of any deficient being paid to that department by the officer commanding the detachment.

CHURCH OF ENGLAND ASSURANCE INSTITUTION,

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

"Short Term" and "Whole Life" Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also "FREE" Policies are granted which can never altogether lapse in consequence of the non-payment of Premiums.

Premiums may be paid annually, half-yearly quarterly or monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Medical Officer, Dr. Cockerill, sees applicants for Assurance at the General Hospital, on any day of the week at 9 A.M., and noon at his House, Nungumbaukum.

Detailed Prospectuses, with the names of the Directors, Full Tables of Life Premiums, and the necessary Forms of Proposal, may be obtained on application to the following Agents:—

Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are: –

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy-holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1881-85 is at the rate of 70 per cent. of original Annual premiums paid during 1876-80.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this Office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road, Egmore, on Wednesdays and Saturdays between 11 and 12 A.M.

Our Sherries

Are not to be surpassed in this Presidency, and from the large orders we receive for them from various parts of the Bombay Presidency, it is only natural to assume that better Sherries at our prices are not even obtainable there.

The three Wines at Rs. 24 per dozen are certainly without their equal in Madras.

These are MEDIUM DRY—DRY—and EXTRA DRY.

Our Sherries.—*continued.*

We may here state that, excepting MONTILLA and MANZANILLA, our Xerez House confines itself exclusively to Wines of Genuine Xerez growth, which it ships pure and guarantees free from those admixtures of the low price products from outlying districts which, shipped as Sherry, have done so much to bring discredit upon Genuine Xerez Wine.

The Pale Standard Dinner Sherry.

Spencer and Co. continue to make a *specialité* of this particular Sherry, which they have no hesitation in recommending as a Dinner Wine hitherto unequalled in this market at the Price. It is a genuine, light, pale and delicate Wine, such as has hitherto been chiefly consumed in Spain, and is well worthy the attention of consumers who desire a good, wholesome, and inexpensive Wine.
