

Note.—IT IS AN ADVANTAGE TO MILITARY MEN to effect Assurances in time of Peace, as the small Military Extra covers the Risk of War in any part of the Globe. Should Officers delay effecting Assurances until time of War, they are then liable to pay a heavy War Extra.

STANDARD LIFE OFFICE.

Invested Funds, upwards of Six Million Pounds Sterling.

The monthly payment to secure a sum of FIVE THOUSAND RUPEES at age 55 (the same sum to be paid at death if it occurs previous to that age) is about SEVENTEEN Rupees at age 20. If delayed until age 40, the monthly payment for exactly the same provision is more than doubled.

Payments may be made monthly, quarterly, half-yearly, or yearly, and the conditions are very liberal in regard to payments falling into arrear, &c.

This form of Provision (a sum payable at age 55 or at death if previous) is particularly suitable to Officers in India in many ways. Prospectuses and every information may be obtained on application.

NON-OFFICIAL SUPPLEMENT

TO THE

QUARTERLY MADRAS ARMY LIST.

APPENDIX.

Retiring and Furlough Regulations of 1796.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—
2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.
3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.
4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above.
G. O. G. 11th June 1850, No. 120. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.
5. Officers appointed in India, count service from the date on which they take the oath of allegiance.
G. O. G. 10th June 1852, No. 33.
6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.
7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.
8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.
9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.
10. All effective Officers, without reference to their actual rank, are allowed to retire—
After twenty years' service in India, on the pay of Captains.
After twenty-four years' service in India, on the pay of Majors.
After twenty-eight years' service in India, on the pay of Lieutenant Colonels.
And after thirty-two years' service in India, on the pay of Colonels.
11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank.
This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.
12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.
13. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.
14. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they may hold at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 158.
15. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.
16. Promotions in succession to casualties, by death in England, shall have effect from the date following that of decease, or from the expiration of three years' absence from India, whichever shall happen first.—G. O. G. 9th February 1864, No. 53.
17. It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.
18. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Military Accountant.
G. O. C. C., 15th July 1850, No. 12.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

If he has not served 14 years altogether, his case will be specially considered.

8. Retirement will be compulsory at the age of 55 years: and all Warrant Officers of that age now in the service will be required to retire at the expiration of one year from the date of this order.

9. All Warrant Officers at present on the Establishment will be allowed the option of electing the old or the new scale of pensions at any time previous to retirement.

10. Pension, according to the present scale and conditions is admissible to the widow of a Warrant Officer who may die, either while in the service or on the Pension establishment, provided, in the latter case, that she married the deceased Warrant Officer previous to his retiring from the army or being invalided.

Medical Department—Subordinate—Pensions.

Warrant medical officers are entitled to the pension of their rank and grade after a service of 25 years, reckoning from date of appointment to the rank of Sub-Assistant Apothecary, according to the following rates:—

	In India, per mensem. Rs.	In England or in the Colonies, per annum. £
Senior Apothecary ...	200	200
Apothecary ...	175	175

	85	85
	60	60
	40	40

[NOTE.—Warrant medical officers who now hold honorary commissions as Surgeons and Surgeons-Apothecary of the 1st grade.]

A Senior Apothecary, Apothecary, or 1st grade Assistant Apothecary, wishing to retire after 21 years service, will receive a pension of £54 per annum in England or in the Colonies, or Rs. 50 per mensem if in India.

After a service of 15 years, a warrant medical officer declared by a medical board to be unfit for further effective duty, on account of sickness or other disability contracted in and caused by the service, is entitled to the pension of his rank and grade.

A warrant medical officer of under 15 years' service, if invalided in consequence of wounds or injuries received, or of diseases contracted in and caused by the service, will have his claim to pension specially considered.

A warrant medical officer whose disqualification for further service is occasioned by intemperate or irregular habits will, if he has served for 15 years, be restricted to the following rate of pension:—

	In India, per mensem. Rs.	In England or in the Colonies, per annum. £
Senior Apothecary ...	105	105
Apothecary ...	90	90
Assistant Apothecary ...	60	60
	51	51
	36	36
	24	24

If he has served less than 15 years, his case will be specially considered.

The rule which requires a warrant medical officer to serve three years in his grade to entitle him to the pension of that grade is abrogated.

A warrant medical officer cannot claim more than the pension of his rank on account of any service in civil employment; and the pension will be chargeable to that department (military or civil) in which he has spent the greater part of his service.

Retirement will be compulsory at the age of 55 years.

Wound pensions, pensions to the widows of warrant medical officers, scale of quarters and camp equipment, donation batta, remittances, compensation for loss of military equipment, baggage, &c., prize money, advances of pay, passages, and scale of servants on boardship, will be the same as for combatant warrant officers according to relative rank under the rules in force.

Regulations for the Instruction at Chatham of Officers of Royal Engineers on Furlough from India.

Study for Promotion.

I. Lieutenants and Captains of Royal Engineers in the Public Works Department in India, when on furlough in England, will be allowed to spend a certain time on duty at the School of Military Engineering at Chatham.

II. The time to be passed on such duty is to be limited to a maximum of six months after the first eight years of service in India qualifying for furlough, and three months after the second period of six years.

III. Officers will be called upon to pass the required examination on the termination of the period of instruction, and prior to quitting the School of Military Engineering.

IV. Officers who wish to study for promotion must join at Chatham about 1st March or 1st September.

Special Instruction.

V. A limited number of Officers of Royal Engineers on the Indian Establishment, while on furlough in England, in addition to those studying for promotion, will be allowed to go through special courses of instruction at the School of Military Engineering in the following subjects:—

1. Field Works.
2. Surveying.
3. Construction.
4. Telegraphy.
5. Photography.
6. Chemistry.
7. Sub-Marine Mining.

VI. The number of Officers to whom this privilege shall be granted shall not at any one time exceed four.

VII. The period spent at the School shall ordinarily be limited to six months, but it may be extended to nine months in special cases where officers may desire to go through complete courses of sub-marine mining, and may exhibit special aptitude for that subject.

VIII. As far as possible all applications should be made three months prior to the time at which the Officers propose joining at the School of Military Engineering, and the Officers should specify the subject or subjects which they wish to take up, in order that the Commandant may make the necessary arrangements for their instruction.

IX. Officers on furlough on medical certificate will only be allowed to go through special courses of instruction when the courses can be completed within the period of their leave.

X. In addition to the above, short classes for instruction in Field Works and Military Sketching commence on 1st April and 1st August in each year, and last three months.

General Regulations.

XI. Officers who join the School during their furlough will not be allowed thereafter to resume such unexpired portion of their furlough as will carry them over at aggregate absence from India of two years without the sanction of the Government under which they are employed.

XII. The prior sanction of the Local Government will also be required before Officers are allowed to undergo courses of instruction during their furlough, when their doing so will necessitate a total absence of more than two years, or to enter on such duty at the expiration of their ordinary furlough of two years.

XIII. Officers on furlough on private affairs may reckon the time passed at Chatham either as part of their furlough or as in addition to their furlough (subject to the provisions of paras. XI, XII, and XVIII).

XIV. In the former case they will receive furlough pay during the period, with lodging allowance at the rates fixed under Indian Regulations, provided they do not occupy public quarters; and in the latter case they will receive English pay and the allowances and other advantages fixed under Royal Warrant for Officers of the Imperial Establishment under similar conditions.

XV. Officers on furlough on medical certificate while under instruction may choose at which rate pay shall be issued to them, but in no case will furlough pay be issued after an officer has completed two years' absence from India, or after his leave on medical certificate has expired.

XVI. Officers on furlough on private affairs are expected to reserve a sufficient amount of the leave granted to them in India to enable them to return to their duty before the expiration of such leave, in cases in which the balance of furlough remaining available at the expiration of the term of study is only sufficient to allow for the return voyage in India. They will be allowed one month's leave, previous to embarkation, on English furlough pay. Officers on furlough on medical certificate, whose leave may expire while they are studying for promotion, will also be allowed, on being reported fit to return to duty, a month's leave on English furlough pay after quitting the school.

XVII. A certificate of proficiency will be required in all cases to authorize the period passed in study at Chatham to count as service in India. It will not reckon as service for furlough.

XVIII. The time passed at Chatham at the classes referred to in para. X is not allowed to reckon as in addition to furlough, or as service in India.

Furlough Regulations of 1868 (with subsequent alterations.)

General Order No. 171, of 25th February 1874.

The Rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

NOTE.—The advantages granted by the Furlough Rules of 1854 to Officers who obtain furlough on medical certificates are not applicable to any Officers of the British Service whose regiments, battalions, brigades or batteries arrived in India after the date of the Passage Warrant of 1864, and neither those Rules nor the Furlough Rules of 1868 are, as respects furlough on private affairs, applicable to British Officers serving with their regiments.

But Officers of the late Indian Army who hold permanent appointments under the Government of India, and who may have elected to abide by the Furlough Rules of 1854, in preference to those of 1868, retain their election.

The following Government General Orders are cancelled prospectively from the 1st January 1874:—

Government General Order No. 630 of 1869 (1st clause).

Government General Order No. 627 of 1870.

Government General Order No. 618 of 1871.

2. These rules are applicable to all Officers who, on the 1st July 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: Officers of the British Army who entered the Staff Corps after that date are, of course, subject to them.

(2). In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such Officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

(3). But should an Officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment this leave will be reckoned as a portion of the aggregate eight years of furlough on pay to which an officer is restricted during his service by Rule XVI. But on again becoming permanently employed, he resumes the right of obtaining furlough under these rules.

3. These rules are not applicable to Officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for Officers on the effective list.

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army and now in the Royal Artillery, Royal Engineers, and new Line Regiments or on the old Line Establishment:

NOTE (1).—British Medical Staff Officers holding administrative appointments in India tenable for 5 years, who are compelled by ill health to return to England, will be allowed by the Government of India in the Military Department to proceed there to appear before a Medical Board, and if reported unfit for further service in India, will be removed from the Indian Establishment; if otherwise, they may be allowed by the Secretary of State for India 6 months' leave on medical certificate on their Indian allowances and half staff.

Such Officers are also eligible for 4 months' leave on private affairs without pay, but only one grant of leave will be allowed out of India during their tenure of office.

NOTE (2).—All British officers holding Staff appointments in India, except the command of Divisions and Brigades, will be allowed, during their five years' tenure of office, only one grant of leave out of India either on or on private affairs for four months, with British pay, from Indian revenues. Any leave obtained in excess of either of these periods will involve loss of appointment.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

(2). These Officers, therefore, and other Royal Engineer Officers of the Imperial List on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

(3). Such Officers will be allowed an advance of passage money, or free passage in a troop-ship if proceeding in the troping season; the advance to be refunded on receipt of the balance of furlough pay. The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, pay, less the passage money they have received, will be paid to them in England conditionally on its refund, if the order to return to India is not carried out.

NOTE (1).—An Officer of Engineers of the Imperial List may, at his option, take furlough to England on the above conditions, or receive furlough pay on the understanding that, should he not return to India, he will have to refund the difference between it and English pay, less the regulated amount of passage money.

NOTE (2).—The Officer's choice should be made at the time of applying for furlough, and should be noted on his last pay certificate.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England otherwise than on medical certificate they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V, but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

(2) Such furlough may be for two years (one year only or less being granted in the first instance) with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years), or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 9.]

8. Every Warrant Officer who attained warrant rank before the 19th February 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O., Nos. 518 and 531 of 1854, G. G. O., No. 1559 of 1857, and subsequent orders. That election will be considered final.

(2) Those who became Warrant Officers after 19th February 1869, are subject to these rules, and cannot elect any of the previous rules.

(3) Leave on Medical Certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

(4) These rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

9. The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph V of these Rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the Rules of 1796 and 1854.

NOTE (1).—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of Government General Order No. 69, dated 22nd January 1868, and (for Medical Warrant Officers) paragraph 22 of Government General Order No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

NOTE (2).—Officers who elected these rules prior to 1st July 1871, or before G. G. O. No. 588 of 1871 reached their stations, will receive furlough pay at the exchange of 2 shillings the rupee.

RULES.

I.—The distinction, with respect to allowances, which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term *furlough*; provision, however, being made for the obtaining of furlough under medical certificate without all the restrictions applicable to furlough when taken without medical certificate.

II.—Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

2. Officers of the Staff Corps and local Indian Service, and Officers on the General List, can retain their appointments during all leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

NOTE.—The above rule is applicable to all Military and Medical Officers taking furlough or leave under these Regulations.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII of George III., Chapter 52, Sec. 70*; but an absentee cannot retain his appointment and draw absentee allowances, except under the Rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their commands.

IV.—Leave of absence will in future be of three kinds, viz.:—

I.—Furlough in or out of India.

II.—General leave on private affairs, or sick certificate in India, or short leave to sea.

III.—Privilege leave.

CHAPTER I.

Furlough.

V.—An Officer drawing staff pay, in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

2. But an Officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him during the three years prior to his proceeding on furlough, or during his actual service in India, should that be less than three years; and the time spent and the allowances drawn during any leave other than "Privilege leave," will be omitted in the calculation of average salary.

3. No absentee shall in either case draw more than £1,000, or less than £250 per annum.

4. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But, in the case of a Military Officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

* The section referred to is quoted below:—

Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in India, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by leave of the Governor-General in Council shall not return to India within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or Native Corps of Troops, or in the Civil line of the Company's Service, unless, in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of India that such absence was occasioned by sickness or infirmity, or some inevitable accident."

5. An Officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This furlough pay will be continued to an Officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

6. But an Officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below in Section 8. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or regimental rank whilst on furlough, subject to the maximum limit.

NOTE.—A Staff Officer, seconded in his regiment, may, on the expiry of the tenure of his staff appointment whilst on furlough, fall back upon the furlough pay of his regimental appointment.

7. Officers holding regimental medical charges will be allowed to retain such charges during the authorized periods of furlough, as if they were medical staff appointments. And the difference between the unemployed grade pay of the Officer holding the substantive charge, and the consolidated salary of the charge, will be considered the staff salary divisible between the absentee and the Officer officiating for him.

8. Officers not in staff employ will receive half the Indian pay of their rank, provided that an Officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

NOTE.—It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to forward the application of any officer whose absence would, in their opinion, be detrimental to the interest of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of the head of every department to decline to forward any application for furlough whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

VII. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years; any extension of such furlough will be without pay, unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule IX.) And no extension on private affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI, (and excepting also, in the case of an officer in civil employ, ordinary furlough not exceeding three months) must be completed before furlough can again be taken, unless obtained under medical certificate. (See Rules XIII and XIV, and Note (3) of Rule IX.)

NOTE (1).—An officer in civil employ cannot reckon in this interval of three years, any period of absence from actual duty excepting those spent on privilege leave.

NOTE (2).—Although furlough not exceeding 3 months taken by officers in civil employ is not considered as furlough requiring an interval of 3 years' duty, such furlough will be excluded from the period of 3 years' service required between two furloughs.

2. But an Officer who may be ordered to return to duty before the completion of his furlough for the purpose of proceeding on Field Service, may be allowed to take the balance of such furlough at any time.

NOTE (1).—Officers ordered out for special duty, or on account of the exigencies of the service are allowed a free passage out, but not a return passage home, and furlough pay for the period of the voyage to India and the voyage home, in the event of their returning to England to avail themselves of the residue of their furlough, as also the privilege of counting both periods as service for pension, and as exclusive of the residue of furlough due. No limit to time is imposed within which an officer might take the balance of his furlough after the termination of the duty for which he was recalled.

IX.—An Officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see paragraph 6 of this order); for a third year after a further period of six years' actual service and for a fourth and fifth year after similar intervals of six years, and so on up to the maximum prescriptions specified in Rules VI and VII. But see notes to this Rule.

1.—Leave granted under these rules, without furlough pay, will not reckon as furlough already taken in calculating the balance at an Officer's credit, or as part of the total of eight years allowed, as shown in under these Rules, will so reckon.

2.—Furlough and leave previously taken under the Rules of 1796 or 1854 will count, as respects officers who have elected these Rules, as follows:—

‘Furlough on private affairs, with pay, taken under the Rules of 1796 or 1854, counts in all respects as furlough.

‘Leave on sick certificate, under the Rules of 1796, does not count in any respect as furlough.

‘Leave on sick certificate, with pay, under the Rules of 1854, counts as part of the maximum of eight years allowed under these Rules; but until the maximum thus made up be reached, this leave will not count as furlough already taken in determining the amount of furlough to which an officer is entitled.

‘Leave without pay under the Rules either of 1796 or 1854 does not count in any respect as furlough.’

N.B.—Furlough on medical certificate with “Furlough pay” obtained by officers, under Rule IX, Note (1) of these Regulations, between the publication of G. O. Orders No. 171 of the 25th February 1874 and No. 197 of the 2nd March 1877, will not be reckoned as “Furlough already taken” in computing the amount of furlough at the credit of such officers; but it will form part of the aggregate of eight years allowed to officers.

NOTE (1).—An officer of less than eight years' service in India may obtain furlough, not exceeding two years, on medical certificate, with furlough pay and retention of appointment, provided he has been three years in the Staff Corps, or, in the case of a Royal Engineer Officer holding a permanent staff appointment, or an officer not in the Staff Corps,—has served for three years in India; but such furlough will in the first instance be restricted to one year.

NOTE (3).—If the Officer has not been three years in the Staff Corps, or served three years in India, as the case may be, he will receive “English furlough pay” only, and must vacate his appointment, unless entitled to retain it under Rule II.

NOTE (3).—This rule (in Note 2) and the proviso in Note 1, however, are not applicable to Officers of the Indian Army who entered the new Line Regiments or Royal Artillery, and subsequently the Staff Corps.

NOTE (4).—Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, respectively, prescribed in Rules VIII and IX; and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's service by Rule XVI (eight years on the whole) on the English furlough pay of their rank.

NOTE (5).—And a Major-General of the Staff Corps, if he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue after the expiration of the two years' furlough, to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

NOTE (6).—A general officer of the late Indian Artillery or Engineers who may have volunteered for general service not benefited by its rules, and who may have furlough at his credit under the regulations of 1865, at the time of becoming unemployed, is eligible for furlough as if he were a general officer of the Indian Army.

8.—If an officer appointed to any duty in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

X.—An Officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Illustrations.

1. An Officer who has served nine years in India is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' furlough as follows:—

Total Service in India...	...	...	...	14 years.
Furlough due on that service	...	...	...	8 "
Furlough already taken...	...	...	...	1 year.
Balance for which he is eligible	...	...	...	2 years.

2. An Officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

NOTE.—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absentees or other causes,—when the calculation of his service, as in Illustration 1 above, shows a “Balance for which he is eligible.”

XI.—Furlough on urgent private affairs for six months, on pay equivalent to the British Regimental pay of his rank, may be granted when the Officer has less than six months' furlough at his credit, or when from other causes, e. g., the number of absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX., and also,—except in the case of an Officer in civil employ, see Rule VIII, (Note 1)—of the three years which are required to intervene between two periods of furlough by Rule VIII.

2.—This leave cannot be given in extension of any furlough, neither can it be extended beyond the six months, except on medical certificate, in which case the whole of the leave will be considered as if taken under Rule XIV, Clause 1.

NOTE.—Ill-health is not considered as warranting furlough under this rule to any officer who, under the provisions of these rules, can obtain furlough on medical certificate without forfeiting his appointment.

XII.—Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during furlough. But, if he desires to spend in England the rest of a “Furlough in India,” or vice versa, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An Officer who, on his return to India, reports his debarkation, without forwarding at once a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on “English furlough pay;” and an Officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

NOTE.—The grant of furlough on medical certificate is restricted to a maximum period of one year in the first instance.

2.—In the event of an Officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list.

3.—Should the circumstance of the case warrant a further extension of furlough, it can only be granted without pay.

NOTE.—All officers, however employed and whatever the amount of leave granted them may be, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

XIV.—An Officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI, and excepting also in the case of an Officer on civil employ, ordinary furlough not exceeding three

may obtain, under the usual medical certificate such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II. (See note to Rule XIII.)

2.—If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to "receive furlough pay" as laid down in Rule V for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An Officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX, but without forfeiting any passage money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation,—when proceeding on medical certificate.

2.—Should the Officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension on private affairs of such furlough beyond the said period of two years must be without pay.

3.—Any extension on medical certificate of furlough taken under this rule beyond two years must be on "English furlough pay" under Rule XIII.

XVI.—The aggregate amount of furlough with pay and retention of appointment on private affairs and on medical certificate, that may be granted to an Officer during his service, will be limited to eight years.

NOTE 1.—This aggregate is calculated agreeably to Clauses 1 and 2 of Rule IX.

NOTE 2.—Furlough allowed by proper authority to reckon as service for pension under the provisions of G. G. Orders Nos. 1113 of 1867, and 95 of 1868, or in consequence of an Officer's employment on any duty during his furlough, will not reckon as part of the aggregate period of eight years.

XVII.—If taken in India, furlough begins on and includes the day on which an officer quits his station, and ends on and includes the day previous to his return thereto; if taken out of India, furlough begins on and includes the day on which the vessel in which an officer embarks quits her moorings or anchorage, whether she gets out to sea on that day or not, and ends on and includes the day previous to that on which the vessel in which he returns drops her anchor or is moored.

"An officer may embark from or return to any port in India, but his furlough begins on the date of the vessel's departure, as above explained, from the port where he first joins her, and ends on the day before her arrival at the port where he last quits her."

NOTE 1.—Furlough out of India taken before the 17th November 1863 reckoned from the date of the sailing of the vessel on which an officer embarked, or (if from Calcutta) the date on which she left the sandheads to the date of disembarkation, the latter being considered as a day of duty.

NOTE 2.—From the 17th April 1870 to the 14th September 1874, inclusive, the date of disembarkation was reckoned as a day of furlough and not of duty.

NOTE 3.—The furlough of an officer ordered to India before the expiration thereof, for special duty or on account of the exigencies of the service, terminates on the day previous to that of his embarkation for India, whether this takes place from England or from the Continent of Europe. When the officer avails himself of the balance of his furlough, it commences on the day of his first landing either in England or in the Continent of Europe.

NOTE 4.—To enable an officer who overstays his leave to obtain an extension, he should shew that he took all needful precautions to ensure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been bona fide advertised to sail from ——— on the ——— but that her departure had been delayed till the ———. See General Order No. 52, dated 21st February 1873.

XVIII.—Subsidiary leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding thirty days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant subsidiary leave can, on due cause being shown, grant any necessary extension of it; but this can be done only on very sufficient reasons.

NOTE (1).—The words "with the necessary subsidiary leave" will be added to the Government General Order granting an officer furlough, and will be understood to mean both the leave granted before embarkation for Europe, and on return.

NOTE (2).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on bona fide public grounds. If, however, the officer does not within a reasonable time avail himself of the furlough given him, his subsequently ease of such detention the officer must at once report it, and he is not to embark after the expiration of the period.

NOTE (3).—Officers who may be serving in other Presidencies than their own, if they desire to embark bona fide for Europe from the latter, may obtain subsidiary leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

NOTE (4).—The amount of subsidiary leave admissible, and the allowances of Military Officers in Civil employ during such leave, will be adjusted according to Civil Rules.

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

NOTE (6).—An Officer unavoidably detained at the Presidency for passage in a troop-ship, beyond the usual subsidiary leave, shall count the period of such detention as subsidiary leave.

NOTE (7).—An Officer proceeding on furlough while on general leave without rejoining is not entitled to subsidiary leave.

N. B.—For full information as to the submission of applications for furlough, see Madras Army Regulations, Section 12.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

XX.—Advances of furlough pay will continue to be made in India to those officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

NOTE (1).—Officers returning from furlough will similarly be granted advances of pay at the following rates, on obtaining permission to return:—

For a Subaltern	£ 85
For a Captain	£100
For a Field Officer	£150

Recovery of the advances made in England will be effected in India by five equal monthly instalments at the rate of exchange fixed for the year in which the advance was made. The first recovery will be effected from the issue of the second full month's pay after arrival in India.

NOTE (2).—Warrant Officers returning to duty from furlough will be granted advances of pay at the following rates on obtaining permission to return:—

To First class Combatant Warrant Officers	£50
.. Senior Apothecaries	..
.. other Warrant Officers with Honorary Commissions	£25
.. Second class Combatant Warrant Officers	..
.. Apothecaries	£15
.. Assistant Apothecaries	..

to be recovered in the same manner as the advances made to Commissioned Officers.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

N. B.—For rules regarding the obtaining of last pay certificates by officers quitting India, see Clause 46, India Army Circulars for May 1860.

XXII.—An officer acting in India for an absentee on furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The aggregate staff salary granted to the acting officer in such cases will not be less than Rs. 100 per mensem, unless the full staff salary of the post in which he is officiating is less than that sum.

2.—A Warrant Officer acting for one of a higher grade on furlough, receives half of the aggregate allowances of the absentee, added to half of the aggregate of his own allowances.

NOTE.—The indulgence granted by the above rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

XXIII.—Military and Medical Officers under the Regulations of 1854 and 1868 count the following proportion of leave taken under these Regulations as service for pension subject (in the case of officers under the Rules of 1796) to the condition laid down in Clause 4 of Rule XXXIV:—

Military.			Medical.		
Yrs.	in	Yrs.	Yrs.	in	Yrs.
2	..	10	2	..	17
3	..	24	3	..	20
4	..	28	4	..	25
5	..	32	5	..	30
6	..	38			

NOTE.—Officers of the old Indian cadres of Royal Artillery and Engineers and of the 12 new line regiments of Cavalry and Infantry who are serving under the Indian Pension Rules, are allowed to count all full pay service past or future, towards pension on retirement.

2.—Warrant Officers obtaining that rank after the 24th August 1872 can only reckon as service towards pension the following periods of leave, whether taken in or out of India:—

15 months in 12 years' departmental service.	} irrespective of whether taken in the non-commissioned or warrant grade.
20 " 14 " "	
24 " 16 " "	

3.—Those who were promoted to warrant rank before that date are allowed to continue, if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service for pension.

.. In Europe, say	Yrs. M.	6 7

XXIV.—In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled under these rules, it will be necessary to deduct the total amount of the furlough with furlough pay of which he may have availed himself during his service from the total periods to which under Rule IX he can lay claim. The balance (within the limit of 8 years' total furlough on private affairs and medical certificate laid down in Rule XVI) will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.—(See Sections 1 and 2 of Rule IX.)

Illustrations.

(1).—An officer, who had obtained under the existing rules two years' furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term he can take one year's furlough, thus:—

Total service in India	..	..	..	14 years.
Leave to which that service entitles him	..	..	..	2 "
Already enjoyed	..	..	..	2 "
Balance	..	..	..	1 year.

(2).—An officer of four years' service has proceeded on sick certificate to England for 20 months, extended afterwards to two years. He returns, serves six years in India, takes two years' furlough, and years before he can take an additional year's furlough, thus:—

Total service up to return from furlough	..	..	..	14 years.
Total service in India	..	..	..	10 "
Furlough enjoyed on that service	..	..	..	2 "

CHAPTER II.

General leave on private affairs and sick certificate in India.

NOTE.—See note 3 to Rule XXXIII.

XXV.—An officer will be eligible, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form one part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively, the officer will lose his staff appointment, unless entitled to retain it under Rule II.

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension under renewed medical certificate to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

XXVII.—Short leave not exceeding three months on private affairs or sick certificate, may also be taken to sea on the above condition; but absence from India for any longer period will be treated as furlough.

NOTE.—This leave is reckoned from the date of embarkation to that of debarkation.

XXVIII.—All general leave taken in India counts as part of the leave reckoning against service for pension.

CHAPTER III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in Military employ, without deduction from the salaries and emoluments drawn by them. General leave, in which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

NOTE (1).—Privilege leave for ninety days, after thirty-three months' duty, which may be spent anywhere, in or out of India, is admissible to Commissioned and Warrant Officers under these Rules; but to claim the privilege, it shall be necessary for an officer to show that he has had no privilege leave for thirty-three months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence at no additional cost to the State. If leave for a shorter period than 90 days is taken the balance is forfeited.

NOTE (2).—Officers are not required to report themselves to the India Office should they go to England, but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

NOTE (3).—No furlough or leave out of India, if exceeding six months, can be counted as part of the required thirty-three months' duty; but an officer who may have thirty-three months' service at credit before proceeding on such furlough or leave (in excess of six months) may be allowed to take accumulated privilege leave on his return, if he can be spared.

NOTE (4).—Warrant Officers proceeding out of India on privilege leave under Note 1 must deposit the amount of their return passage money or give security for the payment of the same.

NOTE (5).—General Officers Commanding Divisions, Districts and Brigades are not eligible for the ninety days' privilege leave referred to in the above Note 1.

XXX.—Privilege leave for 90 instead of 60 days in a year will be granted to officers serving at Stations in Assam and belonging to the 42nd, 43rd, and 44th Regiments, Bengal Native Infantry (clause 79 of A. C. 84.)

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

Military Officers in Civil Employ.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ, who may elect these rules when they take leave in India, come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

NOTE 1.—Furlough in India is allowed under Chapter I of these rules to a Military Officer in civil employ, under the same chapter, by the Government to which he is subordinate; as also subsidiary, privilege and examination leave under the rules in the Civil Leave Code; but under no circumstances will he be allowed any leave out of India under the Civil Leave Code, but under Military rules and by the Military Department.

NOTE 2.—When furlough in India is required by a Military Officer in civil employ, he must obtain from the Military Department, and submit to the Accountant General, a "Furlough certificate;" and when furlough is granted by the Government to which the officer is subordinate, a copy of the order granting the furlough should be sent to the Military Department.

NOTE 3.—No Officer in Civil employ, except those employed in the Police, and all such as have previously been refused permission to revert to Military duty, is eligible for leave under Chapter II.

NOTE 4.—For subsidiary leave, see Note (i) of Rule XVIII.

Subsidiary Rule.

XXXIV.—Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

2.—Officers going home under these rules will pay English rates of subscription only to the Military Fund.

3.—Officers who may determine to abide by existing rules, will be allowed to proceed on furlough on the conditions laid down in Rules VII, VIII and XIII, to the extent to which they may be entitled under the Furlough Regulations of 1854, or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

4.—If an officer, under the Furlough Rules of 1796, elects the present rules, his service for pension will be reckoned under the former rules up to 1st July 1868, and thenceforward under the rules of 1868; and the fact of the officer having been on furlough on 1st July 1868, and not then having elected the rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

5.—His election of these Furlough Rules in no way affects his right to retire under the Pension Rules of 1796.

Furlough Regulations of 1875 (with subsequent alterations.)

Under instructions from Her Majesty's Government, the Right Hon'ble the Governor General in Council is pleased to publish the following revised Furlough and Leave Rules applicable to the Staff Corps and Indian Local and Medical Services:—

NOTE.—These rules are not applicable to officers of the Royal Artillery or Engineers, whether of the late Indian Army or not.

Furlough and Leave Rules.

1. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

NOTE.—Service for furlough under these rules, in the case of an officer electing them, is reckoned from the date of his election. See also Notes 2 and 3 to Schedule A.

2. An Officer may receive at any time any portion of the furlough to which he is entitled, but except under Rule VIII, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule VI, any further portion of the furlough to which he is entitled until after the interval of two years. (See note 1 to rule 6.)

3. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

4. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension. (See Rule VIII.)

NOTE.—Furlough taken before it is earned by length of service reckons against service until it has been paid off, but such furlough necessitated by wounds or illness contracted by active service on the field does not require to be paid back.

5. A Commissioned Officer on furlough receives (up to, but not beyond, the sum of 1,000*l.* a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State; but in any case he does not receive less than 250*l.* a year. The emoluments of his office include all pay, staff corps pay, staff salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment, his office is the office he fills on the day when that payment becomes due. (See Note 2 to Rule 6 and Rule 7, and note also Rule 8.)

2.—A Warrant Officer receives half the emoluments of his office, calculated in the same manner as those of Commissioned Officers; no Warrant Officer, however, receiving as furlough pay less than the English furlough pay of his rank.

NOTE 1.—Officers proceeding on furlough to Europe may, if they desire it, receive an advance equivalent to three months' furlough pay.

Officers returning from furlough will, similarly, be granted advances of pay at the following rates, on obtaining permission to return:—

For a Subaltern	£
For a Captain	60
For a Field Officer	100
	150

Recovery of the advances made in England to be effected in India by five equal monthly instalments at the rate of exchange fixed for the year in which the advance was made. The first recovery will be effected from the issue of the second full month's pay after arrival in India.

NOTE 2.—Warrant Officers returning to duty from furlough can, if they desire it, receive an advance of pay at the following rates on obtaining permission to return:—

First Class Combatant Warrant Officers	50
Senior Apothecaries	25
Other Warrant Officers with Honorary Commissions	15
Second Class Combatant Warrant Officers	
Apothecaries	
Assistant Apothecaries	

Recoveries of advances made in England to be effected as in the case of Commissioned Officers.

NOTE 3.—If an Officer is promoted while on furlough, he will be entitled to any increased pay from date of promotion.

NOTE 4.—Furlough pay can be drawn by an Officer for three years consecutively, if he is entitled, and is allowed so much furlough.

6. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted from his next accruing furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an aggregate amount of more than two years.—(See note to Rule IV.)

NOTE 1.—The grant of furlough on medical certificate is restricted to a maximum period of one year in the first instance.

NOTE 2.—An Officer of less than two years' service from date of coming under the new rules, falling sick, will be sent to England on medical certificate without the period of his furlough being fixed, "on English furlough pay," subject to the decision of Her Majesty's Government as to his ultimate disposal; a special report on each case being submitted to Her Majesty's Government by the Government of India, or in the case of Officers of the Madras or Bombay Army, by the Government of those Presidencies.—See Notes 2 and 3 to Schedule A.

NOTE 3.—Furlough to the extent of two years in all may be anticipated a second time under Rule 6 when the first anticipation was rendered necessary by wounds or illness contracted by active service in the field. (See note to Rule 4.)

7. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

NOTE.—An Officer anticipating furlough a second time will be placed on half-pay at once and allowed to proceed to England in the same manner as under note to Rule VI. [But see note 3 to Rule VI.]

8. Under very urgent circumstances, special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

NOTE.—The amount of leave which may be granted under this rule will be restricted to such periods as the Government granting it is satisfied to be actually necessary, with reference to the urgency of the case.

9. Advances for passage money, on need shown, will be granted to Officers on furlough, to be recovered in manner specified at the time of the grant: in India, at the discretion of the local Government; and in England, at the discretion of the Secretary of State.

10. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who, in granting it, shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to furlough, or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India. (See Subsidiary Rules II and III.)

NOTE 1.—If an Officer under these rules has had no leave on full Indian pay and allowances for thirty-three months, he can get six months' leave under rule X, and for the first three months can draw full Staff salary.

NOTE 2.—If an Officer exceeds the six months' leave admissible at one time under the above rule, the entire period will be converted to furlough, and his allowances adjusted accordingly.

NOTE 3.—If an Officer takes, say, three months' leave, and is again obliged to go on leave before completing six months' service from date of return, such leave will be treated as furlough; but if he is obliged to take an extension of the three months (to a maximum of six months in all), it may be granted as leave.

11. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

NOTE.—An Officer's furlough begins on the vessel's departure from any Indian port at which he first joins her, and ends on the day before her arrival at the port at which he last quits her.

12. The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

15. Officers now in the service placing themselves, from a given date, under these rules, shall count service for pension up to that date under the rules to which they were then subject.

NOTE 1.—An officer who elects these rules takes with him so much service for pension as he had become entitled to under former rules. Under the rules of 1854 and 1868 two years' leave in twenty years' service counts for pension; but in periods of less than twenty years, no leave counts. Therefore, if an officer, now under the rules of 1854 or 1868, of twenty years' service with two years' leave, elects the present rules, his service for pension will be twenty years; if an officer of nineteen years' service, with the same amount of leave, elects these rules, his service for pension will be seventeen years only.

NOTE 2.—When, however, officers joining the Staff Corps have joined with less than 20 years' service, under the rules of 1854 or 1868, before coming under these rules, they shall, after completing 20 years' service in

all be permitted to count as service for pension a proportion of any leave they may have taken under earlier rules, at the rate of two years' leave for 20 years' service, or one-tenth. Thus an officer who, before coming under the rules of 1875, had a service of 14 years and 89 days, of which two years 142 days were on leave under the rules of 1868, would count one year and 186 days' leave, and would have 13 years and 113 days' total service for pension.

SCHEDULE A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December 1875; and

2. Any other Officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st December 1875, shall before asking for leave or furlough, apply in writing to their local Governments to be placed definitively upon this Schedule: but their service for furlough under Rule I shall commence from the date of such entry or such application respectively.

NOTE 1.—The date of entry into the Staff Corps is that of entry for choice of Furlough Rules, viz., the date on which the Officer was originally appointed on probation. An Officer, therefore, whose date of admission to the Staff Corps is not after the 31st December 1875, will have the choice of rules; but an officer whose date of admission is after that date, will have no option.

NOTE 2.—Officers compulsorily placed under these regulations on entering the Staff Corps, will be allowed to count their previous military service in India towards furlough, provided they shall have served five years in India, of which not less than half shall have been in the Staff Corps; but any leave out of India on private affairs taken by them during service so counted will be reckoned as furlough taken under Rule I and any leave taken on medical certificate will be reckoned as taken under Rule VI.

11.—Should, therefore, an Officer, who took sick leave out of India whilst in the British service, again require leave on medical certificate on his admission to the Staff Corps, and proceed under Rule VI, he will be granted, in the first instance, only so much furlough as will complete the period admissible under that rule. This furlough may be extended to two years on "English furlough pay," but it will rest with Her Majesty's Government to determine whether any, and if so, what, extension shall be granted.

NOTE 3.—Warrant Officers promoted to that grade after the 31st December 1875, and thus compulsorily brought under these rules, will be allowed to count their previous service for furlough under Rule VI; but furlough is not to be granted under this rule until a Warrant Officer has completed two years' service since his last return to duty from furlough as a Non-Commissioned Officer, otherwise he can only be granted leave under the note to Rule VI.

NOTE 4.—An officer electing these regulations, and having furlough to his credit under previous rules, forfeits such furlough absolutely, he being required to serve five years from date of such election to entitle him to one year's furlough, unless it be sick furlough. An officer similarly circumstanced, but having furlough to his debit, is, equally with the others, entitled to take one year's furlough five years after electing the new rules.

3. Any Officer in civil employment declared by the Government of India to be under Civil Leave Rules, shall not be under these rules.

NOTE.—These regulations are not applicable to Commissioned Officers employed in the Public Works Department, but they are applicable to Warrant Officers so employed.

4. The last pay certificate issued to an Officer to whom furlough or leave has been granted, shall state the pay to which, under Rule V, he is at that date entitled in respect to the office he is holding, noticing the date, if any, fixed at which he will vacate it.

SUBSIDIARY RULES.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify—

I.—That no "extra or special allowances" drawn by an officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule V).

II.—That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief, in regard to Officers serving directly under them, shall be held to be the "Local authorities" named in Rule X.

III.—That, pending further orders, a Staff Officer granted leave under Rule X shall receive, as heretofore, the pay or Staff Corps pay of his rank and half the Staff salary of his appointment during such leave; but full Staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the G. O. granting the leave must state that the first two months are to be on full Staff pay.

Leave under rule 10 may also be granted to an officer on return from furlough to enable him to rejoin his appointment. During such leave he will receive the pay of his rank and the half staff pay of the appointment held by him, or to which he may have been transferred or promoted while on furlough, the Officer acting in the appointment being restricted to the half staff pay thereof.

(2). The leave up to sixty days in each year on full Staff pay under the foregoing rule may be, taken either for the full time or by instalments, in the same way as privilege leave under other furlough rules is taken, the condition that six months must elapse between the return of an officer to duty and the grant of a fresh period of leave, not being enforced in respect of such leave of absence.

NOTE 1.—Privilege leave for 90 days, after 33 months' duty, which may be spent anywhere in or out of India, is admissible to Commissioned or Warrant Officers under these rules; but to claim the privilege it shall be necessary for an officer to show that he has had no leave on full Indian pay and allowances for 33 months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence, at no additional cost to the State. If leave for a shorter period than 90 days is taken, the balance is forfeited.

NOTE 2.—Officers are not required to report themselves to the India Office should they go to England; but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

NOTE 3.—No furlough or leave out of India, if exceeding six months, can be counted as part of the required 33 months' duty; but an officer who may have 33 months' service at credit before proceeding on such furlough or leave (in excess of six months) may be allowed to take accumulated privilege leave on his return, if he can be spared.

NOTE 4.—Warrant Officers proceeding out of India on privilege leave under Note I must deposit the amount of their return passage money, or give security for the payment of the same.

NOTE 5.—General Officers Commanding Divisions, Districts and Brigades are not eligible for 90 days' privilege leave referred to in the above Note I.

NOTE 6.—The "Staff Officers" referred to in the above Rule III apply to Regimental as well as Departmental Staff.

N.B.—It is distinctly to be understood that the rule regarding the pay to be drawn on leave under Rule X is liable to be modified at any time in any way that the Government of India may deem expedient.

Supplementary Regulations for Military Commissioned Officers in civil employ.

I.—Any officer now in civil employ, who is subject to the Military Furlough Regulations of 1854 or 1868, shall remain so subject.

II.—Any military officer who may hereafter enter civil employ, who is not already subject to the Military Furlough and Leave Rules of 1875, shall remain subject to the rules applicable to him when he enters civil employ.

NOTE.—An Officer referred to in Rules I and II cannot elect the Military Furlough and Leave Rules of 1875 so long as he continues in civil employ.

III.—Any officer who may enter Civil employ, who is already subject to the Military Furlough and Leave Rules of 1875, shall be subject to the rules in the Civil Leave Code applicable to covenanted civil servants, both as regards furlough and leave taken out of India and in India.

NOTE (1).—An officer counts his service for furlough in the Civil Department from the date of his substantive employment in that Department.

NOTE (2).—An officer takes with him to the Civil Department furlough to the extent of one-sixth of his service in the Military Department, less any already taken, to be added to the furlough that may be earned in the Civil Department.

IV.—If any officer, who is employed in the civil administration, has taken furlough in the Military Department under the said rules of 1875, his furlough shall be treated, in calculating the furlough or special leave admissible to him under the preceding rule, as if it had been furlough taken under the Civil Leave Code. Leave so taken under the 10th Military Rule shall be treated as if it had been privilege leave taken under the Civil Leave Code, and the claims of the officer under the Civil Leave Code adjusted accordingly.

V.—If an officer who has been subject to the rules in the Civil Leave Code under the third of these rules is again employed in the Military Department, and so again becomes subject to the Military Furlough and Leave Rules of 1875, any furlough or special leave taken by him under the Civil Leave Code will be treated, in calculating the furlough admissible to him under the said Military Rules, as if it had been furlough taken under the said Military Rules. Privilege leave taken under the Civil Leave Code Rules leave taken under the Civil Leave Code will not affect the claims of such an officer under the Military Furlough and Leave Rules.

Applications for Furlough.

All applications for furlough are to be on Madras Form 466, which is supplied gratis, on application to the Adjutant-General, Fort Saint George. No application in manuscript will be received. Applications for leave, including privilege leave, to be on Form 471. This Form is supplied on payment by the Law-rence Asylum Press, Madras.

All Officers applying for furlough, whether in civil or military employ, and whether proceeding on Medical Certificate or private affairs, are to attach to their applications the following certificate:—
"I am aware that it is my duty to report (personally if possible) my arrival at, and departure from, he port to the Deputy Assistant Adj. Genl. there, both on proceeding on furlough and on my return.

Further that I must take with me to England a copy of the order granting me furlough, and a last pay certificate from the Presidency Paymaster."

The usual subsidiary leave will be added to the General Order granting an Officer furlough.

The subsidiary leave to the port of embarkation, whether the Officer is proceeding on furlough on private affairs or on medical certificate, is, in all ordinary cases, limited to thirty days.

Subsidiary leave of absence is intended only for the purpose of enabling an Officer to make the necessary arrangements for breaking up or reorganising his household, and for the journey to or from the seaport, as the case may be; and its duration should be limited to what is necessary for these purposes.

When an Officer in charge of cash or stores applies for furlough on private affairs out of India, he will be required to furnish a certificate from the Examiner of Accounts concerned, that there are no known irregularities in his accounts pending adjustment, or heavy accounts for payment remaining unsettled. He will also at the time of relief obtain from his successor, in addition to the usual receipts for cash and stores, a certificate that, as far as can be ascertained after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office. This certificate will be sent on date of relief direct to the Controller of Military Accounts.

Applications for furlough in or out of India, on private affairs, from all Officers holding permanent appointments not under the Commander-in-Chief, should be submitted (through the Accountant-General) to Government; and on sanction being accorded, an intimation to that effect, or an extract General Order, will be sent by the Military Department to the head of his Department. Applications for furlough from Medical Officers will be forwarded for submission to Government through the office of the Adjutant-General. Officers serving out of their own Presidencies will submit their applications for furlough on private affairs to the Government of their own Presidency, through the Government or Administration under which they may be serving.

Officers are recommended not to defer submitting their applications to the last moment, as they are on no account to be permitted to leave their stations until they have been officially informed that the furlough has been sanctioned.

An Officer desirous of proceeding to Europe on emergent private affairs, who may have already enjoyed the authorised furlough, or who is not entitled to such indulgence, will transmit with his application, confidentially if necessary, a succinct detail, on honour, of the circumstances which induce him to apply.

The following papers must be submitted with the application, viz. :—

1. Certificate of the Medical Board.
2. Certificate required of Officers in charge of cash or stores in accordance with the form below :
"Certified that, as far as can be ascertained, after careful examination, nothing irregular nor any known demands against remain unadjusted in his office."

Place.

Date.

Signature of the Relieving Officer.

Officers in Civil employ will obtain this certificate from the Accountant General of the Province in which they may be serving, and not from the relieving officer.

N.B.—Officers employed in the Public Works Department will have to submit certificates from the Public Works Controller of the Province in which they may be serving that, "so far as is known," there is nothing objectionable in their "accounts."

A Military Officer in civil employ proceeding on furlough cannot obtain a last-pay certificate until he submits to the Accountant General a certificate from the Military Department of the Presidency to which he belongs, showing the leave to which he is entitled.

Medical Boards.

(G. O. C. C., p. 607 of 1880, and G. O. C. C., p. 230 of 1881.)

Officers of the Indian services proceeding on furlough out of India on medical certificate who have appeared before local medical committees, are not required to appear before the standing Medical Board at the port of embarkation.

I. A standing medical committee, composed of a Deputy Surgeon General as president, or, in his absence, of the senior medical officer at the station, and two other medical officers as members is formed at the head-quarters of divisions and districts, and is to assemble as occasion may require. The medical officer who attends a sick officer should not, if it is avoidable, be a member, and can never be president of the medical committee before which he appears. He should, however, be required to attend the board whenever his presence is considered necessary, to furnish any information.

II. When a change of climate is deemed necessary by a medical officer for the restoration of the health of any officer under his charge, he is, with the cognizance of the commanding officer or head of the department, to report the circumstance to the president of the standing medical committee, who will direct the assembly of the committee either at his own or the sick officer's quarters, when they will determine the nature of the change of climate essential to recovery and the period of absence necessary to effect it. This period must always be stated in years and days, not in months.

The grant of leave on Medical Certificate, out of India, is limited in the first instance to one year. Any question of an extension of this period must be left to be decided on the report of the standing medical board at the India Office. The particular attention of presidents of medical boards is requested to this order.

III. In all cases where the change of climate contemplated necessitates furlough, the committee must be presided over by an administrative medical officer.

IV. Officers who have claims to count leave or furlough as service for pension, under section 12, Madras Army Regulations, para. 1494, owing to wounds or illness contracted by service in the field, will be careful to submit them to the local board before which they appear, and the board will record their opinion on such claims, in the manner prescribed in section 12, Madras Army Regulations, para. 1496.

V. A statement of the case and certificate, in duplicate, is to be prepared by the medical attendant, on pages 2 and 3 of the form appended, and laid before the board for completion by them on the first page with their recommendation.

VI. When an officer is recommended for furlough, or leave of absence, in or out of India on account of illness caused by intemperance, the medical board is not to fix the term of leave to be allowed; this must in all cases be left to the decision of Government or of the Commander-in-Chief; and the officer will be directed, if leave or furlough is taken in India, to appear before continuous boards, or his case may be treated as one of discipline, if this is deemed necessary.

VII. Two copies of the board's proceedings with statements of the case are to be delivered to the officer, one for his personal use, and the other for attachment to his application for leave or furlough. The third copy is to be forwarded by the administrative medical officer of the circle to the Surgeon General, Her Majesty's Forces, Madras.

VIII. The officer will at once apply for the leave or furlough recommended by the board, using Madras Form 471 for leave, and 466 for furlough. The period of furlough or leave must always be stated in years and days, not in months.

IX. The officer will submit his application through his commanding officer or the local head of his department to the general officer commanding the division or district in which he is serving, who, whether the application is for leave or furlough in or out of India, is empowered to permit him to proceed in anticipation of sanction by superior authority.

X. The following form of order is to be used by the general officer:—

On the recommendation of a medical board, presided over by an administrative medical officer—

Rank _____
Name _____
Corps or Cadre _____
Appointment _____
Regiment or Department _____

is permitted to proceed to

on { leave or }
{ furlough }

in anticipation of the {leave or furlough} which will hereafter be granted to him by the {Government of Commander-in-Chief.

No period of absence is to be specified.

XI. One copy of this order is to be attached to the application which will then be at once transmitted by the general officer to the Adjutant-General.

XII. All furlough (out of India) is granted by the Government in the Military Department. When general officers permit officers under the Commander-in-Chief to proceed out of India in anticipation of the sanction of Government, they will forward a special report of the circumstance to the Adjutant General, stating that the formal application has been duly transmitted.

In the case of medical officers attached to Regiments, a copy of the report to the Adjutant General will be sent direct to the Surgeon General, Her Majesty's Forces, for his information.

XIII. A copy of the local order will also be delivered to the officer applying for leave as soon as it is issued, who will then be at liberty to proceed to his destination. If quitting India, he is to report the date and place of his embarkation with the name of the vessel in which he takes his departure, direct to the Adjutant General, in addition to making the ordinary report of departure to the staff officer at the port; and if he proceeds to Europe, he must notify his arrival there to the Under Secretary of State at the India Office, attaching to his letter a copy of the order permitting him to leave India, and giving his address while on furlough.

XIV. An officer quartered at a station where a medical board, presided over by an administrative medical officer, cannot conveniently be formed, may, on the certificate of a station committee, or, if no committee can be formed there, on the certificate of the senior medical officer on the spot, be permitted by the officer commanding the station to proceed to the most convenient place where a properly constituted committee can be convened. But medical boards are not to be assembled at stations other than those at which they can be properly constituted without involving the State in unnecessary expense, and causing inconvenience by the withdrawal of medical officers from their duties to form boards at out-stations.

XV. In these cases the officer will take with him triplicate copies of the medical papers, and, on arrival at the station to which he is ordered, will report himself to the staff officer in view to the necessary board being assembled. The decision of the committee is to be forwarded to the general officer commanding the division or district in which the last mentioned board is convened, who will call upon the officer to submit to him direct his application for leave or furlough as laid down in para. VIII, and dispose of it as directed in paras. IX, X, XI and XIII, reporting the grant of leave to the officer commanding the station the officer originally left, who will inform the regiment or department concerned. In the case of officers dealt with under this clause subsidiary leave will be reckoned from date of leaving the station referred to in Clause XIV, if furlough is allowed.

XVI. The general officer referred to in the preceding paragraph, may require the officer to alter his route should the committee consider the destination originally assigned objectionable, or he may remand the officer to his corps or station if it appears that leave has been recommended on insufficient grounds. In either of the last mentioned circumstances, a report is to be made to the Adjutant General, accompanied by the proceedings of the committee.

XVII. Officers of the British service holding staff appointments tenable for five years as also officers of the Royal Artillery or Royal Engineers holding permanent staff appointments not of a regimental nature, and Royal Engineer officers on the fixed establishments of the Sappers and Miners, come under the above rules when proceeding to Europe on medical certificate. Staff Corps probationers are not under these rules, and when invalided are to be sent home under the procedure laid down for British Officers.

XVIII. These rules and instructions apply to all warrant officers in military employ when recommended for furlough, on medical certificate, out of India. The applications for conductors and sub-conductors will, however, be made on Madras Form 466A, and for warrant officers of the Subordinate Medical Department, on Madras Form 466B.

The rules contained in section 12, Madras Army Regulations, will guide the grant of leave in India to warrant officers of all grades.

XIX. The above rules apply also to military officers and warrant officers in civil employ, and the same form will be used in their case, but the following modifications in the procedure will be observed:—

a. (In modification of Clause II). The medical officer, with the cognizance of the district officer or head of the department, will apply for the assembly of the medical committee to the military authorities or at the station where it will be most convenient for the sick officer to appear before it.

b. (In modification of Clause VII). The third copy of the case will be forwarded to the Surgeon-General or Deputy Surgeon-General of the province to which the officer belongs. Should the officer be serving directly under the Government of Madras, it will be forwarded to the Surgeon-General with the Government of Madras.

c. (As an addition to Clause VIII)—forwarding his application through the Head of his Department to the Adjutant-General, who will transmit it to the Accountant-General with the necessary certificate. The Accountant-General will submit the application to Government in the Civil Department concerned.

d. (In modification of Clause X). The order permitting the officer to proceed in anticipation will be issued by the Local Government, who will also fix the amount of subsidiary leave to be allowed in each case agreeably to Civil Leave Rules—and then transfer the application, if for furlough out of India, to the Military Department for disposal.

INSTRUCTIONS.

Medical boards on commissioned and warrant officers and hospital apprentices in military employ, will be composed of medical officers of either or both (British and Indian) departments.

In the case of officers of the Indian services, the board will invariably be presided over by an administrative medical officer.

Proceedings of a Board of Medical Officers assembled at _____ on the _____ day of _____ 188 ,

If it can be avoided, the medical attendant on a case should not be a member of the board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the board to furnish any information whenever his presence is considered necessary.

The board after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record their opinion and recommendations in the proceedings:—

(a) As to whether the disability has been or has not been, or how far it has been, the result of climate, and caused in and by the service.

(b) As to change of climate in or out of India.

(c) As to period of absence in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations, is not recommended.

(d) In case of leave to Europe being recommended as to the particular route by which, in their opinion, the sick officer should travel, due regard being given to the seasons of the year, the interests of the service, and the health of an officer; also whether the officer is fit, or otherwise, to do duty with troops during the homeward journey and voyage.

(e) In recommending leave to Kashmir, some alternative place to which the officer should proceed if he fail to obtain a pass to visit Kashmir, should invariably be named.

(f) In the case of an officer requiring leave of absence owing to illness caused directly by intemperance, the board, whilst recording their opinion, will confine their recommendation either to the appearance of the officer periodically before fresh boards, or to the treatment of the case as one of discipline, as may be deemed necessary.

In urgent cases in which the grant of leave rests with the Commander-in-Chief, when a medical board considers it absolutely necessary that an officer recommended for change of air either in or out of India, should proceed in anticipation of sanction, the concurrence of the Deputy Surgeon General of the division should be obtained, and permission to proceed in anticipation may then be granted by the divisional or district authorities.

Whenever a medical officer considers an officer under his charge to be in such a state of health as to render a change of climate necessary, he will, with the cognizance of the commanding officer or the head of the department, report the fact to the Deputy Surgeon General of the division, who will take the necessary steps to convene the standing or special medical board at such time and place as the circumstances of the case may warrant.

A medical officer, who may be called upon to grant a certificate to an officer when absent from his corps or appointment, will—except in cases of emergency—require the officer to obtain a statement of his previous medical history from the officer in medical charge of his corps. Medical officers on leave at hill stations are prohibited from granting certificates to officers residing there to enable them to appear before a medical board. Such certificates will only be granted by the regularly appointed local medical officer.

The case of an insane officer recommended to be sent to Europe, or to an asylum in India, will be especially considered by the medical officer drawing up the medical history and by the medical board, with a view to distinct recommendations being inserted by both as to the necessity for a soldier servant, or other escort, or any special accommodation being provided for him *en route*.

To each copy of this document will be attached a statement of case, Medical Department Form No. 41A; one set of these documents will be submitted to the Surgeon General, Her Majesty's Forces, who, on approval of the proceedings of the medical board, will furnish, in accordance with the Military Lunatics' Act of 1877, the requisite admission order for the Colaba or Madras Asylum, as may seem advisable. The second set is intended for the military authorities for transmission to the Adjutant General. The third will be made over to the officer commanding the station.

A clear opinion should be included in this statement as to whether or not, or how far, the disability was contracted in and by the service, and from the effects of climate, with the reasons for so concluding.

Rules for obtaining Last Pay Certificate by Officers quitting India.

The following rules are prescribed for the guidance of officers quitting India on furlough, promotion, exchange, completion of tour of duty, &c.:-

1. No officer is permitted to embark for England or other place out of India without the previous sanction of superior authority; and no officer's accounts can be adjusted by the Pay Department at the port of embarkation without the production of a general order sanctioning his embarkation, either by Government or by the Comm under-in-Chief, as the case may be.

This order applies to officers who may have completed prescribed tours of command or staff employ in India in common with all other officers.

It is, however, not to be considered applicable to officers proceeding on accumulated privilege leave of three months to Europe.

2. An officer who may intend to proceed to England or elsewhere out of India on furlough or any other account, must, at the earliest possible date, intimate to the Controller of Military Accounts of the presidency in which he is serving, his intention to leave the country, to admit of arrangements being made for the prompt examination and adjustment of his personal and official accounts.

3. Every officer before leaving India must apply to the Paymaster at the port of embarkation for a final last pay certificate in exchange for the last pay certificate issued to him by his circle or regimental Paymaster, as the case may be. Neglect to comply with this rule will prevent an officer receiving any pay in England, as the last pay certificate granted by a circle or regimental Paymaster is not recognized there.

4. On proceeding to the port of embarkation, an officer must take with him the documents specified in the accompanying schedule for presentation to the Presidency Paymaster on applying for a final last pay certificate. Should he, for any cause, be unable to obtain the certificate, he will at once make a report on the subject to the Controller of Military Accounts of the presidency, and will give the address in England or elsewhere, to which the certificate, when issued, is to be forwarded.

5. An officer embarking at Kurrachee will obtain a final last pay certificate from the Paymaster, Bombay, to whom he should apply in time to receive it before sailing. The circle or regimental last pay certificate, with the other documents specified in the accompanying schedule, should be sent by post to the Presidency Pay Office, Bombay, if possible before the officer leaves his station.

6. The regimental last pay certificate of an officer of a native regiment, who intends to embark from a presidency other than his own, must bear the countersignature of the Pay Examiner of the presidency to which he belongs. This is not, however, necessary in the case of an officer who intends to embark from his own presidency.

7. In the case of a sick officer incapable of looking after his own affairs, the duty of making the intimation to the Controller should devolve on the commanding officer of the regiment, battery, department, or station wherein the officer is serving.

In such circumstances also care should be taken that the Paymaster at the port of embarkation is placed in possession of all information necessary for the settlement of the sick officer's claims.

Instructions to be observed by an Officer of the British Service leaving India

- I. Officers quitting India, whether on leave or on duty, except those accompanying their corps, are to provide themselves with three copies of the order authorizing their departure.
- II. The order of the general officer commanding the division or district is sufficient in cases of leave on medical certificate, or privilege leave; in all other cases a general order is necessary.
- III. These copies of orders are to be supplied by the Adjutant of the regiment concerned, or the local staff officer, and are to be certified as true extracts by them. To one copy at least a transcript of these instructions is to be appended.
- IV. An officer leaving India is required to report his arrival at and departure from the port of embarkation to the local military authorities, by signing his name in the book kept for that purpose in the office of the Deputy Assistant Adjutant General, and he is to deliver to that officer one copy of the order authorizing his departure.
- V. Immediately on arrival in England, he is to report in writing to the Adjutant General at the Horse Guards, the date of his disembarkation, and his postal address, attaching a copy of the order under which he has proceeded home.
- VI. He is at the same time to forward to his regimental or departmental agents, the third copy of the order in his possession, endorsing thereon his address.
- VII. Departmental officers will forward the report mentioned in V, to the head of their department at the War Office and not to the Adjutant General, and they are to take the earliest opportunity of reporting themselves in person.
- VIII. General Officers, Staff officers of the higher grades, and commanding officers of corps are also expected to report themselves personally to the Adjutant General, as early as convenient after they reach England, in addition to making the written report referred to in V, but no claim to travelling expenses can be allowed on this account.
- IX. Leave out of India, *except privilege leave*, reckons from the date of embarkation to the date of disembarkation on return. The grant carries with it so much preparatory leave up to thirty days as the officer may actually require for the purpose of making arrangements for departure and reaching the port of embarkation when proceeding on leave, and the necessary period for rejoining his regiment from the port when he returns to India. Extensions of the thirty days preparatory leave can only be given under the most exceptional circumstances, and require the special sanction of the Commander-in-Chief.
- X. An officer on leave on private affairs out of India must rejoin at or before the expiration of his leave. In the event of unforeseen circumstances rendering it necessary for him to apply for an extension, his application must be forwarded to his commanding officer for the sanction of the Commander-in-Chief in India. Only under the most pressing emergency can be allowed to submit his application to the Adjutant General at the Horse Guards.

Instructions to be observed by Officers proceeding home on leave on medical certificate.

- XI. In addition to observance of the foregoing instructions, officers proceeding to England on sick leave are to notify direct from the port to the Adjutant General at Madras, the date they embark for England.
- XII. They are not required to appear before a medical board on arrival in England, but they will be medically examined as to their fitness to resume duty before returning to India, and will report themselves for this purpose to the Adjutant General at the Horse Guards, or the head of their department, twenty days before the expiration of their leave.
- XIII. When officers proceeding on sick leave quit India on the anticipatory sanction of the general officer commanding the division or district, duplicate copies of the general order granting their leave are to be subsequently forwarded to them by the Adjutant of their regiment, or if they are staff or departmental officers, not borne on the rolls of a regiment, by the local staff officer. These copies will be transmitted by the officers concerned to the authorities noted in V and VI.

Fort William, the 10th March 1866, No. 255.

Good Service Pensions.

His Excellency the Governor-General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I.—Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II.—Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III.—The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV.—Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V.—On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to the effect will be published in the "Gazette of India," specifying the Military services of the Officer.

11. Although not specifically referred to in my previous despatch, it is to be understood that Medical Officers are also to be considered eligible for the good service pension. In these cases, in accordance with the principle observed with respect to officers succeeding to the Colonel's allowance, a Medical Officer in receipt of this pension will give it up on retirement from the service on the pension of 700*l.* a year, or on coming into the receipt of the special additional pensions of 350*l.* and 250*l.* allotted respectively for the grades of Inspector General and Deputy Inspector General of Hospitals on retirement.

12. The number of the officers of the three presidencies recommended by your Government as recipients of these pensions is as follows:—

Bengal	...	...	27
Madras	...	...	13
Bombay	...	...	10
			50

20. Although under the terms of my despatch, No. 388 of 1864, the good service pensions are to be open to retired officers, your Government express your opinion that they should only be granted to these officers in very rare and exceptional cases, and you consider, as the succession to Colonel's allowance disqualifies for the pension, that officers who have received an annuity on retirement, partly as a compensation for Colonel's allowance, are not entitled to the pension.

21. I agree with you in this opinion.

GENERAL ORDERS.

HEAD QUARTERS, OOTACAMUND,

3rd July 1884.

No. 51.—Horses—Sanitary.—Para. 5 of S. G. O. 115 of 1883 is cancelled and the following substituted :—

5. Carcasses of infected animals are to be burned in the cinerators provided for the purpose, or, if these be not available, as near to the place of death as possible, by means of cowdung, fuel cakes or wood : clothing, grooming apparatus, and all rope work will be burnt, and iron work heated in a fire ; leather work will be scrubbed with soft soap and warm water, under competent superintendence, unless it be certified by the officer in veterinary charge that it has been so saturated with the discharges as to render future use unadvisable, when it should be destroyed. Wooden buckets will be thickly coated inside and out with fresh lime wash, which, when thoroughly dry, will be scrubbed off and a fresh coat applied, to be again removed before the buckets are used. The clothing of attendants will be treated as ordered in Section 9 para. 11, Madras Army Regulations. The men themselves should be caused to bathe before being permitted to again tend on healthy animals.

No. 52.—The following General Order by His Excellency the Commander-in-Chief in India is republished :—

Adjutant General's Office, No. 57, Simla, 6th June, 1884.

Drill and Instruction.—In continuation of G. O. 80† and 100† of 1883, the following Horse Guard's General Order and Memorandum on the subject of company training in British Infantry battalions, and squadron instruction in British Cavalry Regiments, are published for information and guidance.

From the reports which have been submitted, the Commander-in-Chief is gratified to gather that the system of company train-

[JULY 3, 1884.]

ing has been successfully started, and that an intelligent interest has been taken in the subject by all ranks.

The military stations in this country vary so much in climate, that no general date in India can be fixed for the commencement of these trainings. This, as well as any other modifications in the course of instruction, that may be necessary, the Commander-in-Chief leaves to the discretion of general officers commanding.

Horse Guards' G. O. 30, dated 1st March 1884,—Military Training of Soldiers.

The Field Marshal Commanding-in-Chief desires to express his satisfaction with the manner in which general officers commanding, commanding officers, and officers of all grades have assisted in giving effect to the military training of soldiers prescribed by G. O. 50 of 1883.

Great interest has been generally evinced by all ranks in the company training, and considerable progress made; but much remains to be done.

The following instructions will regulate the training from the 1st March next:—

- I. The course will be limited to one month.
- II. It will be conducted between the 1st March and 31st October.
- III. A Syllabus of the course of instruction has been approved (Appendix A,) and will be furnished to all concerned.
- IV. This course will be generally adhered to, but where special circumstances, such as the absence of proper training ground, necessitate a deviation from it, general officers will make such alterations as may appear expedient, taking care that the whole period of instruction is fully utilized.
- V. Considerable scope is left to commanding officers in arranging details, to which their careful attention is directed. In making their arrangements, the principle will be followed that each elementary subject must be in turn completely mastered before another is proceeded with. When mastered, it will afterwards be only incidentally reverted to in combination with more advanced subjects.
- VI. During inclement weather, and where no special accommodation or drill shed is available, instruction will be given in the barrack room by means of lectures, explanations and questioning.
- VII. Every available officer, non-commissioned officer and man will be present with his company, and relieved of all other

duties while under instruction, with the exception only of bandsmen and such as are exempted from the Annual Course of Musketry (see Rifle Exercises and Musketry Instruction.)

VIII. Men in hospital, prison, &c., who are unable to attend with their companies will, as soon as available, join the next company struck off for training.

IX. When recruits join the head-quarters of a battalion from the dépôt the company first to receive recruits will be completed up to its full establishment, any surplus being posted to the company next in order, and so on.

X. To ensure every man being properly accounted for, returns on Army Form B 214* (see Appendix B,) will be forwarded to the general officer commanding, on the completion of the training of each company.

XI. Where battalions are broken up in consequence of companies being detached from head-quarters, or where the nature of the duties will not allow of one company per battalion being struck off for training without reducing the number of nights in bed for men of other companies below three, general officers commanding will make the best arrangements in their power for carrying out the spirit of these regulations.

XII. To enable officers to give instruction of real value, each day's work should be carefully prepared previously by company commanders, and an outline of it given to the other officers and non-commissioned officers of the company.

XIII. Each practice in field training will be based on a definite supposition and object, and will be carried on, as far as possible, under the conditions of actual warfare.

XIV. Explanation will in all cases precede practice on the ground, and should form an important part of the instruction.

XV. Instruction will extend over at least four to five hours daily, and for practical work on the ground short parades should be avoided, a period of from two to three consecutive hours being generally desirable.

XVI. Blank ammunition will be used in practising the more advanced exercises.

XVII. Whenever practicable, general officers will personally supervise the troops under training, and test the merits of the instruction imparted, by exercising the companies of different battalions against one another.

* This form will not be ready for distribution for about three weeks. It must therefore be kept up in manuscript in the meantime.

[JULY 3, 1884]

XVIII. It is anticipated that the tents and tools whose issue is already authorized (Equipment Regulations, para. 365, and Clause 89, Army Circulars, 1883), will, under ordinary circumstances, be sufficient for the instruction laid down in the Syllabus. Should any increased issue be required, a special application should be made through the general officer commanding the district.

XIX. Any provisions of G. O. 50 of 1883, inconsistent with this order, are hereby cancelled.

Horse Guards' Memorandum, dated 4th March 1884.

As a corollary to G. O. 30 of this year, each squadron of Cavalry will be annually put through a course of instruction by its own officers. The following instructions will regulate the training which will take place between the 1st of March and the 30th of June, and which will include only trained soldiers and first class recruits :—

I. The course will be limited to one month.

II. Only one squadron of each regiment will at a time be under instruction.

III. A syllabus of the course of instruction is annexed and will be furnished to all concerned.

IV. This course will be generally adhered to ; but where special circumstances, such as the absence of proper training ground, necessitate a deviation from it, general officers will make such alterations as may appear expedient, taking care that the whole period of instruction is fully utilized.

V. Considerable scope is left to commanding officers in arranging details, to which their careful attention is directed. In making their arrangements, the principle will be followed that each elementary subject must be in turn completely mastered before another is proceeded with. When mastered it will afterwards be only incidentally reverted to in combination with more advanced subjects.

VI. During inclement weather and where no special accommodation or drill shed is available, instruction will be given in the barrack room by means of lectures, explanations and questioning.

VII. Every available officer, non-commissioned officer and man will be present with his squadron and relieved of all other duties while under instruction, with the exception only of bandsmen, one servant for each officer, and such non-commissioned officers as are exempted from the Annual Course of Musketry

JULY 3, 1884.]

(see Rifle Exercises and Musketry Instruction.) No leave or furlough whatever is to be granted, except in peculiar cases of emergency, to any one belonging to the squadron when struck off for duty.

VIII. Men in hospital, prison, &c., who are unable to attend with their troops will, as soon as available, join, mounted on their own horses, the next squadron struck off for training.

IX. To ensure every man and horse being properly accounted for, the daily statement (Appendix B) will be kept, and forwarded to the General officer commanding on the completion of the training of each squadron.

X. Where regiments are broken up in consequence of squadrons being detached from head-quarters, or where the nature of the duties will not allow of one squadron per regiment being struck off for training without reducing the number of nights in bed for men of other squadrons below three, general officers commanding will make the best arrangements in their power for carrying out the spirit of these regulations.

XI. To enable officers to give instruction of real value, each day's work should be carefully prepared previously by the squadron commander, and an outline of it given to the other officers and non-commissioned officers of the squadron.

The squadron commander will allot to the officers under him the various branches of instruction in such manner as he may consider most conducive to the effective training of the squadron.

XII. Each practice in field training will be based on a definite supposition and object, and will be carried on, as far as possible, under the conditions of actual warfare.

XIII. Explanation will in all cases precede practice on the ground, and should form an important part of the instruction.

XIV. Instruction will extend over at least four to five hours daily, and for practical work on the ground short parades should be avoided, a period of from two to three consecutive hours being generally desirable.

XV. It is anticipated that the tents and tools whose issue is already authorized (Equipment Regulations, para. 365, and Clause 89, Army Circulars, 1883), will, under ordinary circumstances, be sufficient for the instruction laid down in the Syllabus. Should any increased issue be required, a special application should be made through the General officer commanding the district.

[JULY 3, 1884.]

XVI. Blank ammunition will be used in practising dismounted service.

XVII. Whenever practicable, General officers will personally supervise the troops under training, and test the merits of the instruction imparted, by exercising squadrons against one another.

XVIII. At the end of the month's course, the officer commanding the regiment will put the squadrons through a searching examination, testing the knowledge of all ranks with the drill and duties in which they have been instructed during the training.

XIX. In order that the greatest benefit may be derived from this course of instruction, officers, non-commissioned officers and men should remain permanently in the squadron to which their troop belongs; and the troops composing a squadron should be changed only on the promotion of a captain to the permanent command of another squadron.

GENERAL ORDERS.

HEAD QUARTERS, OOTACAMUND,
10th July 1884.

No. 53.—Madras Army Regulations.—The following additions are made to the Madras Army Regulations :—

Para. 197 A. Only one commission is issued to a Native Officer. His promotion is notified in the Government Gazette, and by virtue of his commission he is entitled to hold and exercise the rank to which he has been so appointed according to the notification thereof in the Gazette.

Para. 203 A. Promotion rolls are not to be forwarded to the Adjutant General's Office until the receipt at Regimental Head Quarters of the Controller of Military Account's Circular transferring individuals to the pension establishment.

Para. 765 (a) A dummy railway wagon having been sanctioned for every station where mounted troops are quartered, for the purpose of training horses to readily enter, and quit such wagons, officers commanding batteries of horse and field artillery, and regiments of British and Native cavalry, will take measures to have all horses thoroughly trained in this practice. No horses should be left untrained on the ground that they are too unsteady. Experience has proved that the most refractory horses can, with patience, be taught to enter the trucks without difficulty.

Para. 765 (b) When the horses have been trained with the dummy truck, every opportunity should be taken by corps quartered near a railway, of entraining horses at the railway station. This must of course be arranged with the railway authorities, who have always shown themselves ready to give every facility for this instruction.

Para. 765 (c) Batteries of artillery should, in like manner, frequently practise the entrainment of their *matériel*, the preliminary instruction being carried out with the dummy truck, which has been sanctioned for every station where horse or field artillery is stationed.

JULY 10, 1884.]

Para. 765 (d) The following rules should be carried out, as far as possible, when entraining horses :—

I. Sand or horse litter should be spread over the platform and trucks.

II. Each section of 8 horses should be formed up, opposite the trucks, and moved simultaneously.

III. Horses to be invariably led by the chain or head rope; never by the bridle. Four feet of tether to be given, to enable the horse to smell or feel his way. The quietest horses to lead.

IV. Each horse on entering the truck, to be given some gram or grass, that he may associate the operation with something pleasant.

Para. 765 (e) These practices should be carried out whenever convenient, and an annual report submitted on 1st November by general officers commanding (sec. 29, para. 2964.)

No. 54—The following General Orders by His Excellency the Commander-in Chief in India are re-published :—

- (e) Payment of remittances or allowances to the men's families residing with the depôt.

[AUGUST 21, 1884.]

VI. An officer is not to be put in command of more than the depôt of his own regiment.

VII. The regiment will leave the following staff and establishments with the depôt:—

One native officer.

Drill havildar or naik.

Three rough riders.

A depôt pay havildar (para. 18).

The assistant armourer.

The schoolmaster or other civilian, educational establishment.

A shoeing-smith.

Three veterinary pupils.

Recruit and pension boys.

A lascar.

Infantry.

One native officer.

The drill havildar or the drill naik.

A depôt pay havildar (para. 18).

Four (or more) drill instructors.

The assistant armourer.

The schoolmaster and other civilian, educational establishment.

Two (or more) lascars.

VIII. The selection of the sick and weakly men to be left at the depôt, will be made by the commandant in consultation with the medical officer (see M. A. R., para. 2530).

A sufficient number of able-bodied men, including a proper proportion of non-commissioned officers, are to be left behind to perform the necessary guard duties.

IX. If the regiment is ordered to recruit, special recruiting parties will be detailed.

X. The commandant may take such of the recruits with the head-quarters as he may consider to be capable of performing useful service. They must all be fully armed and equipped and should be sworn in under the first Indian Articles of War before marching.

Baggage is not to be stored in the bells of arms, hospital, quarter-guard, or cells, which must be kept clear for the occupation of any regiment, which may be sent to garrison the vacant quarters. The surplus baggage will be in charge of the officer commanding the depôt, who is responsible for its custody and preservation. If the lines are ordered to be occupied by another corps, the officer commanding that corps must put part of his men under canvas if necessary. GENERAL ORDERS.

HEAD QUARTERS, OOTACAMUND,
25th September, 1884.

No. 77.—Madras Army Regulations.—The following additions are made to the Madras Army Regulations:—

Para. 941. After the word "regiment" in the 5th line, insert, "after the 1st January 1885, no more than two adults—or, one adult with his, or her, unmarried daughters and male children under 16 years of age—will be permitted to live with a soldier in the lines. Relatives who may already be residing in the lines are not however to be disturbed; the restriction will not apply in the case of native officers, and commanding officers have full discretion to make exceptions to the rule in *any cases* where the necessity for its relaxation is clearly established to their satisfaction."

Para. 2795 B. "No recruit enlisted after the 1st January 1885, will be permitted to marry, or, if already married when he enlists, to have his wife to reside in the regimental lines, for three years after his enlistment."

"This order is to be clearly explained to every candidate for enlistment."

Para. 2795 C. "The restriction as to marriage will not apply to recruits enlisted for a regiment *under orders* for Burmah, or to men of less than three years' service already serving in such regiment."

No. 78.—Discharges.—Under instructions from the Horse Guards, the attention of all commanding officers of British corps is drawn to the necessity for a more careful record of the personal description of a soldier on occasion of his discharge or transfer to the Reserve.

The following addition will be made to the "Regulations for the Discharge of Soldiers of the British Forces serving in India":—

SEPTEMBER 25, 1884.]

Affix an asterisk to the word "description" in the 2nd clause of para. 18 of the Instructions for the Preparation of Discharge Documents (p. 28), and add a foot note:—

"* This should not be merely copied from the attestation, but should be an accurate description of the soldier at the time of his discharge or transfer to the Reserve."

No. 79.—The following general orders by His Excellency the Commander-in-Chief in India are republished:—

Adjutant-General's Office, Simla, 25th August 1884.

No. 85.

G. O. 55,—Musketry Instruction.

I. Revised Regulations for Musketry Instruction (issued provisionally for the year 1884) will be supplied to all concerned.

II. The musketry instruction for the year 1884 will be carried out in accordance therewith.

III. The "Rifle Exercises and Musketry Instruction, 1879," referred to in G. O. 88 of 1879, are cancelled, except as regards:—

exception of soldiers who have completed 17 years' service, who may be excused from attending)."

No. 90.

Adjutant General's Office, Simla, 8th September 1884.

No. 95.

Returns.—The following Horse Guards' general order, dated 1st May 1884, is republished for information and guidance:—

G. O. 75,—*Registration of Births, Deaths, and Marriages out of the United Kingdom.*

I. A revise of Army Forms A 42, A 43 and A 44 has been issued.

II. The attention of general and other officers concerned is called to the incorrect manner in which, in many instances, these forms have hitherto been rendered. As they are required for the purpose of carrying out the provisions of the Registration of Births, Deaths and Marriages (Army) Act, 1879, great care should be exercised in their compilation, in order that all the information required in their columns may be inserted, so as to avoid the trouble and waste of time in returning them for revision.

III. The following additions will be made to para. 80 II, Sec. XXII, of the "Queen's Regulations and orders for the Army, 1883":—

"When all the information required in any particular extract cannot be given, such extract should be held back until it can be completed, or full explanation should be furnished, showing why the information cannot be afforded. Extracts so held back should be transmitted to the War Office, when complete, as soon as possible after the half-yearly period.

"The nationality of the subject of the entry is in future to be inserted, and all officers concerned will take care that this information is duly recorded in the proper column of the form."

2. G. O. 33* of 1883 is cancelled.

* S. G. O. No. 21 of 1883, page 50.

SEPTEMBER 25, 1884.]

Non-Commissioned Officers—Transfers.—Under instructions from His Royal Highness the Field Marshal Commanding-in-Chief, it is notified that non-commissioned officers transferred, either voluntarily or compulsorily, from battalions proceeding home from India in course of relief, should in all cases take rank and precedence in their new battalions in their respective ranks, according to the date of their promotion or appointment.

No. 97.

Schools.—The following para. will be added to the Regulations for British Army Schools in India, 1883:—

Para. 109a. "If there is no man holding a 2nd class certificate available for the appointment, one holding a 3rd class may be appointed provisionally, provided he is prepared to pass for the 2nd class at the next examination held in the corps, but no pay will be drawn for him until he has passed. It may then be drawn from the date of appointment. If at the examination he fails, he will be returned to duty, and the appointment will be considered cancelled."

CHURCH OF ENGLAND ASSURANCE INSTITUTION,

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

“Short Term” and “Whole Life” Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also “FREE” Policies are granted which can never altogether lapse in consequence of the non-payment of Premiums.

Premiums may be paid annually, half-yearly, quarterly or monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a *bond fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Acting Medical Officer Dr. W. S. Fox, sees applicants for Assurance at his residence, Pantheon Road, Egmore, on Wednesdays and Saturdays, between the hours of 10 A. M. and 12 noon.

Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are: —

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses. Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy-holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1881-85 is at the rate of 70 per cent. of original Annual premiums paid during 1876-80.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this Office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road Egnore, on Wednesdays and Saturdays between 11 and 12 A.M.

The anti-Stylographic (Hearson's Patent.)

A pen and Inkstand in one.

The anti-Stylograph is a self-feeding reservoir pen, and differs from all Stylographs in the fact of its not being a writing point, but a true pen, changeable at pleasure, and, being nibbed in the ordinary way, it maintains the characteristics of the hand-writing, which depend on thick and thin strokes. This is an important point for the signature of cheques or other documents. It can also be used by Shorthand Writers. It is ready for instant use WITHOUT ADJUSTMENT, and only requires to be refilled after several days' use. It may be carried in any position without risk of breakage. Any ink may be used.
