PART II. Gradation List of

HER MAJESTY'S COVENANTED CIVIL SERVANTS.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant of their year; and, being thus determined, all Civil Servants belong, while under twelve years standing to Class V,—from the thirteenth to the end of the eighteenth year, to Class IV;—from the nineteenth to the end of the twenty-third year, to Class III;—from the twenty-fourth to the end of the thirty-first year, to Class II; and from and after the thirty-first year, to Class I.

Column 3.—Maj. Rew.—Major Reward; Min. Rew.—Minor Reward; High Profcy.—High Proficiency.

Column 4.—The names printed in Italics denote that the Officers are on Furlough or Special leave.

Column 5.—The commencement of Service is reckoned from the date of the Covenant or the Secretary of State's Despatch announcing the Officer's appointment, whichever is the earlier.

Column 7.—Jun. Furl.—Junior furlough; Furl.—Ordinary furlough; Med. Cert.—Leave on Medical Certificate under present rules; Lv. without All.—Leave without allowances; Extr. Column 8.—The Active Service is the period of Residence qualifying for Pension under Section 27 of the Civil Pension Code. The Total Service in Column 9 is reckoned from the date of arrival, and not from the date of the commencement of Service.

Minimum guaranteed allowances have been sanctioned for the Members of the Madras Civil Service for 5 years, from 1st April 1882, by the Secretary of State's despatch No. 31, dated 9th March 1882, at the following rates:—

Discipline—Native Army.—The Commander-in-Chief having had under consideration the method of carrying out sentences of simple imprisonment in regimental custody in the Native Army, directs that punishment drill, in accordance with the general instructions contained in Section VI, paragraphs 43 to 43C, Queen’s Regulations, 1885, will be enforced in the case of all prisoners, except those undergoing solitary confinement, whether sentenced by a Court Martial or under a summary award by the Commanding Officer.

2. In addition to punishment drill, prisoners will be employed for not less than two hours daily to clean accoutrements, or on such labour as clearing and levelling the parade ground, or any spade work, under such supervision as the Commanding Officer may consider necessary.

In the cavalry, this labour may take the form of cleaning the horses of absentees, at the direction of the Commanding Officer.

3. Prisoners, whether sentenced to solitary confinement or otherwise, will as far as possible be subjected to separate confinement during the hours they are not at punishment drill or fatigue duties: but they will as a rule be associated together while so employed.

Three or more may be imprisoned together in case of necessity: but two prisoners should never be locked up together.

4. A copy of the following rules in the vernacular will be hang up in the guard room and in each cell. They will be read over to prisoners on admission, and once a week afterwards during their term of imprisonment.

I. Prisoners undergoing solitary confinement are not to leave their cells except for purposes of nature or for such air and exercise as the Medical Officer may consider necessary for their health. In the case of simple imprisonment they are to be employed morning and evening at punishment drill together with such fatigue duties during the day as the Commanding Officer may direct.

II. Prisoners will be inspected by the officer of the day, as well as by the British Officer of the week, who will ascertain, and report to the Commanding Officer, any reasonable complaints they may have.

[NOVEMBER 19, 1886.]

- III. The Medical Officer, or a medical subordinate, will visit all prisoners daily. If a prisoner reports himself sick, he will be taken to hospital under escort; and if admitted, a sentry will be posted over him.

- XI. The use of tobacco and opium (except when the latter may be prescribed by the Medical Officer) as well as of spirituous or other liquors by a prisoner is strictly forbidden.

railway contracts) will be paid for at full ordinary tariff rates."

Add as para. 196 A. :—

Add as para. 196 A. :—
 " 196 A. Each railway will be required to provide its own passenger carriages, and brake-vans at the junction stations, or at the nearest rest camp to the junction. But hospital carriages, baggage wagons, horse boxes, ammunition wagons, and vehicles other than carriages and brake-vans, will run through to destination, the Military Department to pay the excess mileage, demurrage, or penalty for wrong sending for carriages of one line taken on to another line in accordance with this rule.

"Independently of this, the different railways will be at liberty to arrange among themselves for passenger carriages and brake-vans to run through if convenient, making no extra charge to Government on account of mileage. Demurrage on the owning line will be paid by the Military Department for detentions of stock, to suit the Military authorities, in excess of the ordinary allowance, as also charges on account of engines and vehicles supplied and subsequently countermanded, see paras. 203 and 213."

Add as para. 199 A. :—

"199 A. The object of despatching troops by extra trains instead of by ordinary trains is twofold :—

1st, to prevent inconvenience to the public and loss to the railway from the stations and ordinary trains being crowded with large bodies of troops, who have the priority over all other traffic; and 2nd, to suit the convenience of the Military service when large bodies of troops have to be moved. In such cases, it is convenient for the trains to start from, and arrive at, the different rest-camps so as to avoid, as far as possible, exposure to the sun, and to admit of men getting their meals comfortably cooked."

Add as para. 199 B. :—

"199 B. The maximum and minimum number of vehicles constituting a troop extra train on each railway is laid down in para. 211. When entering in the warrant the number of seats, &c., required, it will be necessary for the despatching officer to estimate the number of vehicles required, in order to see that the maximum is not exceeded. He should ascertain from the railway authorities whether 2nd or 3rd class carriages will be supplied for soldiers. When the number of vehicles, exclusive of two brake-vans, is short of the minimum, the deficiency will be paid for at a vehicle mileage rate to be specially fixed for each railway.

Cases may arise in which, owing to difference in the minimum, through booking over two or more railways may be undesirable, the troops will then be booked to the junction only, or nearest rest-camp."

Para. 200.—*Dele* "when troop extra trains are made use of," and for "vehicles" *substitute* "seats."

Para. 200A.—Add—

"or by sending the extra details by ordinary train."

Military Department No. 1607-C., dated 4th September 1886.

Para. 201 is reconstructed as follows :—

"201. In submitting requisitions on the railway authorities for the conveyance of horses, mules, or other Government cattle, the number of each will be entered in the warrant, and despatching officers are to state whether horse boxes or goods wagons are required, and also the description of train required, i.e., passenger, goods, or extra, otherwise the animals will be despatched by passenger trains, and fares charged accordingly."

Payment will be made on the actual number of animals despatched at the rates specified in the contracts, i.e., full ordinary tariff rates."

Paragraph 203.

For "under whose supervision the vehicles will be filled" substitute—"who is responsible that the carriages are properly filled," and *dele* "when, however, the authorised number is exceeded, the despatching officer will furnish the railway official with a certificate showing the number of troops and followers travelling in excess."

Paragraph 220.

Military Department No. 1607-C., dated 4th September 1886.

Paragraph 227, to be expunged *vide* paragraph 228.

Para. 228 is reconstructed as follows :—

"228. In calculating the number of vehicles required for the conveyance of troops, the following scale is to be used."

Military Department No. 1607-C., dated 4th September 1886.

[NOVEMBER 19, 1886.]

V.—Followers are to be allowed the same accommodation as that provided by the Railway Company for ordinary 3rd class passengers.

VI.—It is to be understood that extra space, as above detailed will, if possible, be given on all ordinary occasions to officers and soldiers, but that they have no claim on Government for more than the accommodation allowed by the Railway Companies to Civilian passengers.

Military Department No.
1607-C., dated 4th September
1886.

Paragraph 229.—To be expunged.

Paragraph 230 is reconstructed as follows:—

Military Department No.
1607-C., dated 4th September
1886.

"230.—The capacities of 3rd class carriages, wagons and brake-vans, on all railways, will be marked on them."

Paragraph 231 is reconstructed as follows:—

Military Department No.
1607-C., dated 4th September
1886.

"231. The *minimum* allowance of military baggage to be loaded in any brake-van or wagon, will be fixed at one-half its marked carrying capacity. The Railway will supply brake-vans and wagons to carry the total quantity of baggage (including free allowance, *vide* paragraph 330) in this proportion. The Officer Commanding the troops is responsible not only that the brake-vans and wagons are properly packed with not less than half the marked carrying capacity of the vehicles, by weight, but also that as much baggage as possible is loaded into each vehicle, provided its marked maximum carrying capacity is not exceeded. If owing to the vehicles not being loaded up to at least half their marked carrying capacity, an extra brake-van or wagon has to be run, the minimum payment on account of such extra brake-van or wagon, for which the Officer Commanding the troops will be responsible, will be as for half its marked carrying capacity.

Nothing in this rule relieves the despatching officer from superintending the packing, and aiding the Commanding Officer with his advice as to the best method of packing (*vide* Appendix 27).

Military Department No.
1607-C., dated 4th September
1886.

Paragraph 233. In the second clause expunge "equal to four men's accommodation" and "(viz., three full seats)."

Military Department No.
1607-C., dated 4th September
1886.

Paragraph 234. For "one or two men" in first clause, substitute "one man," and dele "or half a compartment."

[NOVEMBER 19, 1886.]

And for "certificate on the back" in second clause, substitute "certificate at the foot."

Military Department No.
1607-C., dated 4th September
1886.

Paragraph 235. After "Invalid" in second line, insert a comma and "hospital, or ambulance."

Paragraph 240 is reconstructed as follows:—

"240. When troops proceed by ordinary passenger train Railway Warrant Form C (Appendix XIV) will be used, and when by special mixed, special passenger or troop-extra train, Railway Warrant Form D (Appendix XV).

These forms will be merely an indent for a specified number of seats of each class, and for a specified amount of baggage, &c., with a certificate at foot that these have been supplied.

As regards baggage the entry in Form C or D will consist of nothing more than the weight of baggage for which accommodation is required, the railway being at liberty to check this weight by actual weightment, if necessary.

Guns and wagons will be carried at vehicle mileage rates. Elephants and camels will be carried under special arrangements.

The entries in column 5 of Warrant Forms C and D are the basis on which payment is made. The payment to be made for officers and troops travelling in 1st and 2nd class carriages will be for the full number of seats authorised for ordinary traffic, subject to the provisions that as regards 1st and 2nd class carriages, the extra accommodation required under paragraph 228 will be indented for by the despatching officer in troop-extra trains, and entered in column 4 of Warrant Form D, the same number of fares being paid per extra compartment thus occupied as would be paid by the public for reserving such a compartment.

Example.—Thus, on the East Indian Railway, if it were necessary to provide in a troop-extra train laying down space for nine officers, for whom, at the rate of four to each compartment, three compartments, of an ordinary 1st class carriage would be required, the payment will be as for three reserved compartments, equivalent to 12 fares.

Or on the Great Indian Peninsula Railway if thirteen officers travelled, for whom at the rate of six to each compartment of a saloon carriage, three compartments would be required, the payment will be as for three reserved compartments, equivalent to eighteen fares.

[NOVEMBER 19, 1886.]

The same rule will apply when an extra compartment has to be provided for soldiers or families, i.e., the same number of fares will have to be paid as would be paid by the public for reserving such accommodation.

As regards accommodation in troop carriages, other than 1st or 2nd class in troop-extra trains, unoccupied seats will be paid for on the basis of a minimum charge for half a carriage on the scale laid down by the special committees for each half carriage partly occupied.

All Railway Warrants will be machine numbered and ruled before issue to the Transport Officers.

As a precaution against Railway Warrant Form C, being fraudulently obtained, despatching staff officers are enjoined to cause all such warrants issued by them to be stamped with their office seal.

Para. 241 is reconstructed as follows:—

"241. All troops despatched either by ordinary or troop-extra trains; over two or more systems of railway working in connection, will be booked through to destination.

Only one warrant or requisition will be given at the despatching station by the Military authorities from starting point to destination, each railway being responsible for advising the railway to which it will hand the troops over, and for thus arranging for the through journey.

The starting line will collect all charges for the through journey.

Para. 242. After destination insert "and also separate warrants for the return journey when required."

Paragraph 250. At the end of the second line add—

"The officer issuing the warrant.
"The duty of filling up column 5 devolves on"—

For "column 4, and officers entered in column 6" substitute "Column 5." In last line expunge—

"No entry should therefore be made opposite item 10" and substitute "and is not to be entered in the warrant."

Para. 251. In sixth line expunge "column 3 of Railway Warrant Form D or" and after "warrant" in seventh line, insert "Form D."

* S. G. O. No. 95 of 1879.

Para. 267. After the addition made by General Order 69* of 1885, add—

"If however they are voluntarily taken (by permission of the Railway authorities) in the carriage with owners, double the following rates may be charged."

Military Department No.
1607-C., dated 4th September
1886.

Paragraph 326 is reconstructed as follows:—

"For all baggage in excess of the free allowance carried by ordinary passenger train, the rates charged to the public will be paid. For all baggage in excess of the free allowance carried by troop-extra train, whether the freight be payable by Government or on the spot by the officer in charge, will be paid for at the rate of 0.8 pies per maund per mile."

Military Department No.
1607-C., dated 4th September
1886.

Para. 330 is reconstructed as follows:—

"330. Twenty seers of baggage, exclusive of arms and accoutrements and without reference to rank, for every person travelling by passenger or troop train and paid for at contract rates, will be carried by the railway free of charge to Government.

For persons paid for at tariff rates, the amount of baggage to be carried by the railway free of charge to Government will be in accordance with the tariffs of the different railways. The free allowance of baggage will be calculated on the number of seats paid for."

Military Department No.
1607-C., dated 4th September
1886.

Para. 338. For "column 3 of Form C, or in the certificate on Form D," substitute "columns 5 of Forms C and D."

Paragraphs 339 and 340 are cancelled.

Military Department No.
1607-C., dated 4th September
1886.

Para. 358. The preamble is reconstructed as follows:—

"358. The following is the maximum scale of servants and followers for which free conveyance by rail is authorised when officers and troops proceed on duty at the public expense (vide clause (a) and para. 504 (b))."

Clauses (a), (b), (c) and (d) to be relettered (b), (c), (d) and (e) respectively, and the following to be entered as clause (a).
