APPENDIX No. 30.

Resolution of the Government of India in the Home Department, No. 1222, dated 27th July 1887.

The following rules have been made by the Governor-General in Council, under section 549 of the Code of Criminal Procedure, respecting the delivery to the Military authorities of persons charged with offences under section 41 of the Army Act, 1881, for which they are liable to be tried by court-martial held under that Act:—

I. (1) When a person subject to Military law is accused of an offence for which he is liable under the Army Act, 1881, section 41, to be tried by a court-martial, a Magistrate shall not proceed to try him, or to issue an order for his trial by jury, or to hold an inquiry into the case as a case triable by the Court of Session or the High Court, unless he is moved to do so by the Military authorities, or is of opinion, for reasons to be recorded in writing, that he ought so to proceed without being moved thereto by those authorities,

(2) When the Magistrate is of opinion that he ought so to proceed without being moved thereto by the Military authorities, he shall give notice of his intention to do so to an officer to whose command the accused person is subject, and shall not, till the expiration of fifteen days from the date of the service of the notice on the officer,—

(a) in a summons case, acquit or convict the accused under section 243, section 245, section 247, or section 248 of the Code of Criminal Procedure, or hear him in his defence under section 244 of the Code; or,

(b) in a warrant case, frame a charge against the accused under section 254 of the Code; or,

(c) issue an order for the trial of the accused by a jury under section 451 A., sub-section (2), of the Code; or,

(d) make an order committing the accused for trial by the Court of Session or the High Court under section 213 or section 214 of the Code.

(3) If within the fifteen days, or at any time thereafter before the Magistrate has done or made an act or order specified in clause (2), sub-clause (a), sub-clause (b), sub-clause (c), or sub-clause (d) of this rule, an officer to whose command the accused is subject notifies to the Magistrate that, in the opinion of the Military authorities, the accused should be tried by a court-martial, the Magistrate shall stay the proceedings before himself, and if the accused is in his power, deliver him, together with the statement mentioned in section 549 of the Code, to the authority prescribed in that section.

II. If, after a Magistrate has been moved by the Military authorities to proceed against a person subject to Military law for an offence for which that person is liable, under the Army Act, 1881, section 41, to be tried by court-martial, an officer to whose command the person is subject notifies to the Magistrate that, in the opinion of the Military authorities, the accused should be tried by a court-martial, the Magistrate, if he has not, before receiving the notice, done or made an act or order specified in clause (2), sub-clause (a), sub-clause (b), sub-clause (c), or sub-clause (d) of rule I, shall stay the proceedings before himself, and if the accused is in his power, deliver him, together with the statement mentioned in section 549 of the Code, to the authority prescribed in that section.

III. If a person who has been delivered by a Magistrate to a commanding officer, under rule I, clause (3), or under rule II, for the purpose of being tried by court-martial, is not brought to trial before a court-martial for the offence of which he is accused or effectual proceedings have not been taken, or have not been ordered to be taken against him, the Magistrate shall report the circumstance—

(a) in cases occurring within the territories administered by the Governor of Fort St. George in Council or by the Governor of Bombay in Council, for the information and orders of the Governor in Council of Fort St. George or of Bombay, as the case may be; and

(b) in other cases, through the Local Government, for the information and orders of the Governor-General in Council.

In Section IX, chap. VIII, add following new paras. :—

"Duties of a Station Staff Officer, in charge of a Military Telegraph Office."

1362 R. A "military telegraph office" is a telegraph office established under the supervision of a station staff officer, and worked entirely by soldier signallers.

The Governor-General in Council has ruled that duties connected with the supervision of military telegraph offices are not only, as a rule, nominal, but that they are essentially such as properly fall within the functions of the station staff officer; that special allowances for supervising such offices are therefore inadmissible; that in places where it may be found desirable to open military telegraph offices, the necessary accommodation will be provided by the Military Department; that in cases where no suitable accommodation may be found in a public building, the rent of a private building will be paid by the Military Department; and that if accommodation be provided by the station staff officer in his own house, an office allowance not exceeding Rs. 20 per mensem is admissible.

1362 S. The station staff officer is responsible for the custody of the cash and stamps, and all correspondence and accounts are signed by him. He must inspect the office at least once a week and in the course of each such inspection he will carefully examine the cash book, cash accounts, and vouchers.

1362 T. The cash book should be verified by arithmetical check by seeing that the totals or balances are correctly carried on from page to page; that entries have not been altered; that no known receipts are omitted; and that all sums written off as paid are vouched for: also that all receipts and payments are entered at the time and in the order of their occurrence.

1362 U. The cash accounts and the list of message payments are copies of cash book entries submitted for audit to the Examiner of Telegraph Accounts. The staff officer will see that the latter are written up day by day, and correspond with the cash book.

1362 V. Vouchers for payments should be kept together in order of number, and the staff officer will see that they are complete and regular.

1362 W. The staff officer will have the cash book balanced and will see, after checking it, that the amount of the balance is produced in full; as well as (in cash or telegraph stamps) the full amount of the fixed stamp imprest. Both of these amounts must be produced together; not only one at a time.

1362 X. The message drafts and registers (which should be written up daily) have to be sent to the check office weekly. The staff officer is responsible that this is done with the utmost punctuality.

1362 Y. The station staff officer is responsible that any irregularities discovered by himself, or pointed out by the auditing or superintending officers of the Telegraph Department, are strictly investigated immediately.

1362 Z. When a station staff officer makes over charge of a military telegraph office, the relieving officer will sign receipts in triplicate Form (T-5), to be prepared by the relieved officer, who will also countersign them. Of these receipts, one will be retained by the relieved officer and two sent to the Chief Superintendent of the Division, who should retain one and forward the other on the same day in which received, to the Examiner. The relieving officer shall examine the instruments, records, stores, count the cash in hand and compare it with the balance of the cash book, and count the standing impress of stamps. Should there be any deficiency in the cash, stamps, or quantity of stores, &c., he will note the particulars on the receipts given to the relieved officer, as well as report the circumstances of the case to the Chief Superintendent.

Para. 1448, clause (d), is reconstructed as follows:—

Officers requiring chargers must apply through the proper channel to the General Officer Commanding India Army Form 83.

Para. 1490.—Add the following as para. 1490 A:—

Officers appointed Aides-de-Camp to General Officers, and officers whose tenure of appointment to the staff of the Army will not exceed three years, will not be required to provide themselves with the following articles of full dress staff uniform and horse furniture, viz.:—

Tunic.

Dress trousers.

Dress pantaloons.

Shell jacket.

Mess waistcoat.

Saddle cloth.

On occasions when these officers have, in accordance with the regulations, to wear full dress uniform, they may wear the full dress of the regiment or corps to which they belong, or to which they last belonged. The staff shoulder and sword belts will not be worn.

Clause (e), para. 1553.—In the eighth line, after the words "Commander-in-Chief," add the following:—

In cases of officers of the medical staff applying for general leave in India, on private affairs, Deputy Surgeons General will first ascertain from the Surgeon General, Her Majesty's Forces, whether there is any objection to the leave being granted before transmitting the applications to General Officers Commanding for disposal.
