IT IS A MATTER FOR CONSIDERATION whether it is not worth while to put aside some small sum monthly out of Indian Pay towards the above—as towards a Savings Fund—while the subscription is small.

It is an advantage to commence such provisions early in life.

The subjoined form, if sent to Secretary, STANDARD LIFE OFFICE, BOMBAY, to Messrs. Binny & Co., Chief Agents, Madras, to Messrs. Alston Scott & Co., Chief Agents, Colombo, or to any of the Standard Company's Agents, will receive prompt attention.

A FORM OF LIFE ASSURANCE.

SPECIALLY SUITABLE FOR INDIAN RESIDENTS.

THE attention of Indian Residents who can afford to pay a moderate premium while in receipt of a good income in this country, and who do not wish to be burdened with payment of premiums when they retire to England is directed to the "*Limited Payment Scheme*" of the *Standard Life Office*. Under this Scheme, the Sum Assured is payable at death, but premiums cease after 5, 10, 15, or 20 years, instead of being payable during the whole of life as under the ordinary Form of Assurance. Each payment after three have been made, secure a proportionate part of the Sum originally assured, in the event of the Holder of the Policy desiring to pay no further premiums. For instance, if a person assures for **Rs. 10,000**, with premiums ceasing in 10 years, and desires to discontinue payments at the end of 5 years, he would be entitled to a Policy for **Rs. 5,000**, on which no further premiums would require to be paid.

Full particulars as to rates, &c., may be obtained on application.

Gradation List of

HER MAJESTY'S COVENANTED CIVIL SERVANTS.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant of their year; and, being thus determined, all Civil Servants belong, while under twelve years standing to Class V;—from the thirteenth to the end of the eighteenth year, to Class IV;—from the nineteenth to the end of the twenty-third year, to Class III;—from the twenty-fourth to the end of the thirty-first year, to Class II; and from and after the thirty-first year, to Class I.

Column 3.—Maj. Rew.=Major Reward; Min. Rew.=Minor Reward; High Profy.=High Proficiency.

Column 4.—The names printed in *Italics* denote that the Officers are on Furlough or Special leave.

Column 5.—The commencement of Service is reckoned from the date of the Covenant or the Secretary of State's Despatch announcing the Officer's appointment, whichever is the earlier.

particulars required in the first six columns of the register. These columns will then be filled up with the data given in the reports, care being taken that every field in which any damage, however slight, has occurred, should be reported and registered.

5th. An extract from each register shall, weekly, be furnished to the Commanding Officer.

6th. The owner or cultivator of any field which has been injured may require the Putwari to report the field for entry in the register, and on refusal of the Putwari to do so, or on his making a false report, complaint may be made to the Canungo or to the Tahsildar, who will be responsible for full enquiry into the case and for bringing the Putwari to punishment, if the truth of the complaint be established.

7th. Towards the end of February or at the period when the crops are beginning to ripen, the Collector will personally, or through his subordinates, enter upon the task of estimating the produce of each field, the value of the crops and the proportion injured. As far as possible these estimates should be framed under the immediate supervision of the Collector, and in all cases they must be carefully checked by him at the time of awarding compensation.

8th. The work of framing these estimates will ordinarily be done by the regular establishment of the district, but, where the operations of the troops have been extended, and the area damaged is very large, Collectors are authorized to apply to Government for an additional Deputy Collector, or for leave to entertain a special staff. The cost of any additional establishment thus employed shall be debited to the Military Department in the manner described hereafter.

9th. In making out the estimates, the first step will be to strike out the names of those fields which have manifestly suffered no injury. Then with the assistance of a punchayat composed of zemindars of the neighbourhood, a *kunkoot* or appraisal of the estimated produce, estimated value and proportion injured, will be made and duly entered in columns 7, 8 and 9 of the registers.

10th. The Collector will himself visit each village as soon as the estimates for the village are completed, and will award compensation according to the entries in columns 7, 8 and 9 of the register. If the estimate is objected to by any person concerned, the Collector will have power to enquire into it, and alter it if he thinks necessary, otherwise the award of the punchayat may be accepted. He will at the same time receive and pass orders on any petition that may be presented by persons claiming compensation. Where such petitions relate to crops for which an estimate has been made, the substance of each petition and the orders passed on it shall be briefly recorded in column headed *Remarks* of the Tabular Statement to be furnished to Government, as described below.

11th. Payment of compensation shall be made immediately upon the Collector's award. The money will be drawn from the District Treasury, and will be debited to the Military Department. At the time of payment, a receipt and agreement (*qubzool*, *wusool* and *razeenamah*) will be taken from each person to whom compensation is paid.

12th. When the payment of compensation has been completed, the Collector shall submit to Government, through the Commissioner, a tabulated statement with the following headings:—

1. Name of Pergunnah.
2. Name of village.
3. Number of field.
4. Area of field.
5. Crops.
6. Name of person to whom compensation has been paid.
7. Amount of compensation paid.
8. Remarks.

13th. This statement, after sanction by Government, shall be sent to the Military Department, with a request that the sums thus expended be placed to the credit of the District Treasury by that department. If it has been found necessary to entertain any special staff as described in paragraph 8, an account of the sum paid to each member of such staff shall accompany this statement, with a similar request.

*Rules for determining compensation for damage to crops by
Camps of Exercise and Manœuvres of Troops in the Punjab.*

I. On the arrival of troops within the limits of a district, and thenceforward during the period they remain in the district, the Deputy Commissioner shall cause a daily record to be kept in the annexed form (Appendix A) of all fields occupied by the camp, or traversed by troops, in which there may be at the time a standing crop or on which seed has been sown or would be sown were the fields not occupied by troops. This record shall show the name of the village; the number of the fields in the settlement records; the name of the cultivator; the area of the field in acres; the description of soil irrigated or unirrigated; and the name of the standing crop, and these details shall be filled in from day to day. The remaining columns of the form, showing the estimated produce, the proportion injured, and the amount of money compensation will be filled up subsequently as provided in rule V.

II. The Patwari and Canungo will be held responsible that no omissions occur in the daily preparation of the detail of fields in which crops have been injured, and also that no fields are entered to which damage has not occurred.

III. The entries in the record (Appendix A, Cols. 1 to 6) shall be made immediately after the troops have occupied or traversed the fields, and shall on the same or the following day be read out to the cultivators of the fields in the presence of a Lambardar and attested by the Patwari, Lambardar and cultivator in each case. If any objection is made to the entry it shall be considered and orders passed thereon by the Tahsildar or other officer supervising the preparation of the record, the objection being placed with the file.

IV. Claims for compensation made subsequent to the attestation of the entries in columns 1 to 6, Appendix A, prescribed in rule III, shall be decided on their merits, but unless good cause is shown for the claim not having been preferred previous to such attestation it shall not be entertained.

V. After the attestation mentioned in the preceding rule, an abstract of the statement (Appendix A) in the form given in Appendix B, shall be signed by the Tahsildar and forwarded by the Deputy Commissioner every week to the Military Authorities. This abstract shall show for each village, the total average of fields occupied or traversed and the description of crops injured. The Deputy Commissioner shall consider any objections made by the Military Authorities to the entries in the abstract.

VI. At such time as the crops shall have sufficiently ripened to enable a just estimate to be formed as to the damage caused, the Deputy Commissioner shall cause the remaining columns of Appendix A to be filled in on the spot by the Tahsildar or other officer appointed by him to estimate the compensation in the presence of the cultivators, of the Lambardars and of the Patwari. In column 7, the estimated produce will be the gross out-turn which might have been expected to be produced in the field if it had not been occupied or traversed. In column 8 will be given the estimated value of such produce. In column 9 will be given the proportion of the crops injured as a fraction, and this proportion will be calculated not upon the area injured, but with reference to the difference in the value of the ripened crop, and of the crop which would have ripened, but for the manœuvres. Column 10 will contain the cash compensation proposed—where this amount differs from that obtained by an application of the figures of column 9 to those of column 8, a cause should be assigned for such difference.

VII. Objections to the entries made in these columns will be recorded with the proceedings and orders passed thereon by the officer determining the compensation.

VIII. The Deputy Commissioner or one of his assistants should personally inspect the locality and satisfy himself of the reasonableness of the entries regarding the estimated damage.

IX. In any case the Deputy Commissioner shall give the final order fixing the amount of compensation to be awarded. This order shall then be communicated to the persons concerned who shall be called upon to state whether they agree to the amount of the award and their statement shall be briefly recorded. If the parties agree to the award the Deputy Commissioner shall forward a demand statement in the form given in Appendix C to the Military Authorities. If the parties do not agree to the award, it shall be competent to them to institute a suit in the Court competent to decide such claims under section 15 of the Land Acquisition Act, and the proceeding shall thenceforth be in accordance with the rules for such suits which may be in force for the time being.

X. The Military Authorities will be bound by the award of the Deputy Commissioner, and will remit the amount immediately on receipt of the demand statement forwarded to them under rule VIII. The amount will then be distributed without further delay by the Deputy Commissioner.

XI. As the compensation determined under rule VIII will cover the whole of the damage done to the crops, no remission or suspension of land revenue or cesses will be necessary, and applications for such remission or suspension will not be entertained by the Deputy Commissioner.

Memorandum of instructions for the guidance of Officers in the settlement of compensation for crops damaged during a Camp of exercise in the province of Mysore.

Before the assembly of the camp, the civil authorities will warn the Shanbhogs to be as much as possible present in their villages during the operations, and to note what fields are injured by the troops.

2. The Amildar of the Talook will be on the spot. He will keep a daily record—(1) of the fields which may be occupied by the camps, (2) of those over which troops might pass. Each of these statements will be in the following form :—

Column	1.—Name of village.
"	2.—Number of the field.
"	3.—Class (whether 1st, 2nd, or 3rd).
"	4.—Extent of the field (area).
"	5.—Name of cultivator.
"	6.—Name of crops injured.
"	7.—Date of inquiry.
"	8.—Estimated produce,
"	9.—Estimated value.
"	10.—Proportion injured.
"	11.—Compensation awarded.
"	12.—Date and signature of the cultivator in token of acknowledgment.

3. The Shanbhogs of the village will report to the Amildar the damage done to each field not later than three days after the troops have passed over it. The Amildar will from time to time test the accuracy of these reports, and fill up the first seven columns of the statements referred to in para. 2 above. He will further forward a copy thereof once a week to the Officer Commanding.

4. The Shanbhog and the Amildar will be responsible for any errors of omission or incorrect entry in the above statements, the object being to relieve the cultivators as far as possible from any trouble in bringing their loss to notice.

5. When the season is so far advanced that the quality of the harvest can be fairly estimated, the Deputy Commissioner of the District accompanied by a military officer detailed for the duty, will go over the fields with the Amildar and the Shanbhog, and will strike out from the list all fields in which it is evident that no damage has been done to the crops. Then with the assistance of a *punchayat*, composed of the leading inhabitants of villages in the neighbourhood, an appraisement of the "estimated produce," "estimated value," and "proportion injured" will be made for the remaining fields.

6. The Deputy Commissioner will check the estimates and ask the cultivators concerned whether they are satisfied with the appraisement, or whether they have any objections or complaints to make; such objections or complaints, if any, will be weighed by the Deputy Commissioner, who shall adjudge the compensation to be awarded.

7. The amount so adjudged shall forthwith be paid and a *razeenama* obtained of all claims for compensation.

8. In no case shall the award be delayed beyond the time at which the crops are harvested.

9. When all claims for compensation have been disposed of, a copy of the statements alluded to in the foregoing paragraph shall be furnished to the General Commanding, in view to the amount being recovered from the Military Department.

10. If the number of troops engaged be large, and the operations extend over a large tract of country, the Deputy Commissioner may apply for the services of an assistant, one or more Amildars, and a special staff. Any extra charges incurred on account of, or in connection with, the persons so employed will form an item in the compensation bill.

HEAD QUARTERS, OOTACAMUND,
10th June 1887.

No. 24.—Courts Martial.—In certain recent cases, Courts Martial have disregarded the Memorandum drawn up for their guidance by the Deputy Judge Advocate, and have as a consequence committed illegalities and irregularities.

Presidents and Members of Courts Martial are reminded that it is the duty of the Deputy Judge Advocate to advise them on points of law and procedure, and that though they are not absolutely bound to take his advice (since they are themselves answerable for the legality of the Proceedings) they should always do so unless for very special reasons to the contrary.

II. Similarly, Prosecutors at Courts Martial, under the Army Act, and Superintending Officers at Courts Martial, under the Indian Articles of War, have sometimes neglected to elicit all the evidence specified by the Deputy Judge Advocate in his Memorandum of instructions, with the natural result that proof has been unsatisfactory and insufficient.

These officers are entirely without excuse, for they cannot possibly incur any responsibility by carrying out the Deputy Judge Advocate's instructions.

No. 26.—The following general orders, by His Excellency the Commander-in-Chief in India, are republished :—

1st April 1887.

Section IX.—Add new Chapter VIII.

INSTRUCTION AND EMPLOYMENT OF SOLDIERS IN TELEGRAPHY.

1362A. To encourage the instruction of telegraphy in the army and secure a body of efficient army signallers, General officers commanding divisions and districts will arrange for the instruction of selected men from British regiments. The individuals selected should be private soldiers of good character, and in possession of one good-conduct badge at least; they must be able to read, write, and spell correctly, and have a sufficient knowledge of arithmetic to be able to render simple accounts.

1362B. The instruction of soldiers in telegraphy is carried out by the Telegraph Department, either in classes established at a telegraph station under the supervision of the Telegraph Master in charge, or in classes under an instructor specially appointed by the Director General of Telegraphs.

1362C. Should there be candidates for instruction at a station where no class is established, such soldiers may, with the consent of their commanding officer, be attached to another corps in the same presidency where a telegraph class exists. Similarly, men already under training may, on the transfer of their corps to another station in the same presidency, be allowed to remain behind and complete their course.

1362D. Before admission into a telegraph training class soldiers are to be examined in dictation, and the result submitted for the orders of the divisional Telegraph Superintendent. Indifferent handwriting, or more than two words per hundred incorrectly spelt, should be held to disqualify.

1362E. The number of men in a class depends upon local circumstances, and is limited to the extent prescribed by the divisional Telegraph Superintendent. Two men must always be present at the same time, and must attend daily for instruction (Sundays excepted) for a period of not less than two hours, nor more than 4.

1362F. In admitting soldiers to a training class, the preference is given to men whose regiments are expected to remain some time in India, or who, on their corps leaving the country, intend to volunteer for some other regiment remaining in India.

1362G. The instruction of soldiers who fail to qualify within six months is to be discontinued.

JUNE 17, 1887.]

1362H. The final examination of a soldier signaller is conducted by a Superintendent or Assistant Superintendent. The standard is ability to signal correctly 16 words per minute, and to receive in both open and closed circuit correctly 12 words per minute during trials of at least 5 minutes' duration.

1362I. To secure the efficiency of trained military signallers, it is indispensable that they should be kept in constant practice, and Employment. with this object the Telegraph Department will, as far as practicable, provide employment for certificated men, either in regular telegraph offices, or in military telegraph offices supervised by a military staff officer.

1362J. While so employed, soldier signallers draw the following allowances from the Telegraph Department in addition to their military pay, viz., 10 or 12 annas per diem, according as they may be qualified (as shown by their certificates) to receive correctly 12 or 20 words per minute: if in charge of an office, or performing the duties of a Civil Telegraph Master, an additional allowance of 8 annas per diem.

When employed in field service camp telegraph offices, soldier signallers draw, in addition to regimental pay, 12 annas a day as telegraph pay, and if also acting as Telegraph Master, an extra sum of 8 annas a day. These allowances may be increased up to as much as 18 annas and 12 annas respectively on the special sanction of the Director General of Telegraphs.

For offences connected with telegraph duties, soldier signallers may be punished, under the orders of the Director General of Telegraphs, by deductions from their telegraph allowances or by the cessation of employment.

Other offences are dealt with by their own commanding officer, or by the commanding officer of the corps to which they may be temporarily attached.

1362K. Application for the services of certificated soldier signallers are made by divisional Telegraph Superintendents to the General officers commanding divisions and districts.

Should the regiments to which such signallers belong not be in the same station as the telegraph office for which they are required, they may be attached to another regiment at the station; or should they belong to a regiment which is in the same station as the telegraph office in which they are employed, they may, when that regiment marches, be attached to another.

1362L. On the arrival of a new regiment at any station in his division, the divisional Telegraph Superintendent should ascertain from the commanding officer whether there are in it any certificated telegraph signallers or any men desirous of being instructed in telegraphy.

1362M. A soldier signaller in charge of an office should, if practicable, reside on the office premises; soldier signallers not in charge reside in barracks.

1362N. When soldier signallers are required to attend their annual musketry course, the Telegraph Superintendent of the division will, on receipt of sufficient notice from the military authorities, arrange to relieve them, and where more than one soldier signaller is employed in an office, not more than half the total number should be withdrawn at the same time.

1362O. In case of absence on account of sickness, supported by a medical certificate, soldier signallers may be allowed to draw daily pay at full rates up to a maximum of 15 days in one year.

1362P. A certain number of appointments, limited to 20, on the Unattached List, are reserved, for the Telegraph Department, and soldier signallers who have served in the Telegraph Department at least two years to the satisfaction of the Telegraph authorities, and who have passed such department tests as may be prescribed, may, provided there be vacancies on this list, enter the Telegraph Department permanently and be transferred to the Unattached List under the sanction of the Director-General of Telegraphs in India.

1362Q. Soldiers on the Unattached List employed in the Telegraph Department are not eligible for promotion to warrant rank.

Add the following new paragraphs :—

1790A. Officers of the Indian Medical Service, Medical Subordinates of both classes, permanent establishment of dooly bearers, and in each corps two men, at least, per troop or company, will be trained as the stretcher bearers of Corps, according to the instruction in ambulance and stretcher drill, and in rendering first aid to the wounded, as laid down in the "Manual for the Medical Staff Corps," under the rules contained in Queen's Regulations, 1885, section XIV, paras. 81 to 90 inclusive.

THE MADRAS EQUITABLE ASSURANCE SOCIETY

(SUCCESSOR TO THE MADRAS LAUDABLE SOCIETY)

Regulated by Act No. VI of 1869 of the Legislative Council

HEAD OFFICE IN MADRAS.

Agents in London, Messrs. Arbuthnot, Latham & Co.

BOARD OF DIRECTORS.

R. J. H. ARBUTHNOT, Esq., (ARBUTHNOT & Co.), CHAIRMAN

R. C. WALKER, Esq.

Capt. J. H. TAYLOR, R.N.R. (Master Attendant.)

G. KING, Esq., (AGENT, P. & O. STEAM NAVIGATION COMPANY.)
E. TRAILL, Esq., (CHAR. MER. BANK.)

Medical Examiner.

Surgeon Major A. M. BRANFOOT, M.D.

Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates, without participation in Surpluses

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy-holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities, or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1886-90 is at the rate of 70 per cent. of original Annual premiums paid during 1881-85.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this Office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road, Egmore, on Wednesdays and Saturdays between 11 and 12 A.M.

For further particulars, Reports, Prospectuses, Forms of proposal, &c., apply to

ARBUTHNOT AND CO., Secretaries and Treasurers.

FIVE THOUSAND RUPEES

at the AGE OF FIFTY,

or at death if previous,

with the ALTERNATIVE of

A PENSION of nearly Rs. 500

for Life after Age Fifty.

An increasing proportion of the Insuring Public now elect to receive payment of their Life Policies themselves upon Attaining the age of Fifty, and it would appear that this arrangement is well suited to the circumstances of a large section of the Community at the present day. Provident people are growing desirous of reaping the Benefit in their own Lifetime, at the period when the necessity for Insurance as a Provision for a Young Family has usually passed away. The Premiums payable are somewhat higher than those charged for a Policy payable only when death may occur—possibly at an Advanced Age.

On the other hand, to whatever age the Assured may live, the Premiums cease at age Fifty, or at previous death, when the Sum Assured falls due. In the case of a European or Native, aged Fifty, the sum of Rs. 5,000 will, if he so desires, purchase a **Pension for the rest of his life of nearly Rs. 500* a year.**

THE yearly cost to an individual, European or Native, to secure Rs. 5,000 (or a smaller or larger sum) may be ascertained if the annexed Form be filled up and forwarded to any of the Offices of

THE ORIENTAL GOVERNMENT SECURITY LIFE ASSURANCE COMPANY. ENQUIRY-FORM
