A FORM OF LIFE ASSURANCE.

SPECIALY SUITABLE FOR INDIAN RESIDENTS.

ATTENTION is directed to the following forms of Policies granted by the **STANDARD LIFE OFFICE.**

SECURED PAYMENT POLICIES.

These are Policies by a fixed number of premiums, each premium securing a proportionate part of the sum assured in the event of the Policy being discontinued. For example, a person who is assured for Rs. 10,000 with premiums ceasing in 10 years, and who desired to discontinue his payments at the end of 5 years, would receive a Policy for Rs. 5,000, on which no further ordinary premiums would require to be paid.

ENDOW- MENT POLICIES.

These Policies are payable to the Life assured on his attaining the age of 45, 50, 55, 60, or 65 or to his representatives should he die before attaining the age agreed upon.

These two forms of Policies are specially suitable for Indian residents who are in a position to pay a moderate premium while in receipt of a good income in this country, and who do not wish to be burdened with the payment of premiums when they retire to England.

REDUC- TION OF RATES.

The Company's Rates for India have been substantially reduced, and copies of the new Prospectus may be obtained on application.

HEALTH WITHOUT PHYSIC.

PEOPLE frequently wonder how it is that by wearing Harness' Electropathic Belt disease may be speedily and effectually exterminated from the system. The fact is that the majority of suffering men and women have, from their very childhood, been so accustomed to fly to nauseous drugs and quack medicines, in the hope of obtaining relief whenever they have felt unwell, that they are now naturally inclined to doubt the efficacy of so simple and convenient an appliance as this genuine Electric Belt.

Let such people once take the trouble to inquire into the matter for themselves, and have its action fully explained to them, and they will no longer be sceptical.

The Medical Battery Company (Ltd.), are the sole proprietors and manufacturers of Harness' Electropathic Appliances, and all in search of health who are unable to call at their Electropathic and Zander Institute, 52, Oxford Street, London, W., and personally inspect the originals should write at once for copies of the thousands of unsolicited testimonials they have received. We do not think that those who act on this advice will have any doubt afterwards regarding the positive healing influence of mild continuous currents of electricity, such as are imperceptibly generated by wearing one of Harness' Electropathic Belts.

These world-famed restorative appliances are light and comfortable in wear, and the practical as well as scientific evidence we have of their remarkable curative efficacy is absolutely indisputable. The Company's consulting officers are only too anxious at all times to answer any questions on the subject, either personally or by correspondence, and we sincerely trust that their efforts to provide suffering humanity with perfect appliances as aids to health, and the most approved methods of electrical treatment, may be amply rewarded in the future as in the past, and that the thousands of pounds they have spent and are spending annually in, advertising may be the

means of preventing the intrusion and fraudulent dealings of pirates and vendors of the most useless bogus toy appliances, and bring Harness' genuine Electropathic Belts under the notice of every suffering man and woman in India and the Colonies as well as in England.

We may add that those ailments which have been cured already by Mr. Harness' Electropathic treatment can be cured again in the same way, and the more obstinate the disease the more anxious the Company's officers are to prove the marked supremacy of electricity over medicine or any other form of treatment.

Those of our readers who reside in India or who are otherwise unable to call and avail themselves of a free personal consultation, should preserve this notice and write without delay for descriptive illustrated pamphlet and book of testimonials. The latter contains copies of hundreds of letters received from all parts of the world, and from all classes of society, whom they have either relieved or completely cured of various nervous, muscular, and organic affections, including the following:—

Ague, Dysentery, Cholera and Diarrhoea, Nervous Exhaustion, Physical Debility, Neuralgia, Sleeplessness, Brain Fag, Hysteria, Epilepsy, Melancholia, Paralysis, St. Vitus' Dance, Rheumatism, Gout, Sciatica, Lumbago, Defective Circulation, Poorness of Blood, Indigestion, Diarrhoea, Liver Complaints, Flatulence, Constipation, Kidney Disorders, Ladies' Ailments, Internal Weakness, Tropical Diseases, Impaired Vitality, Pains in the Back, Weak and Languid Feelings, Chest Complaints, Corpulence, Rupture, &c.

We wish to impress upon our readers that the Company's only address is the Electropathic and Zander Institute, 52, Oxford St., London, W., and that during the many years they have been established in London they have succeeded in making their palatial premises the largest and only complete Electro-therapeutic Institute in the world.

CHURCH OF ENGLAND ASSURANCE INSTITUTION,

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

Subscribed Capital £1,000,000.

“Short Term” and “Whole Life” Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also “FREE” Policies are granted which can never altogether lapse in consequence of the non-payment of Premium.

Special allowances made from the Proprietors' fund in aid of Premium on assurances effected by Clergymen and Schoolmasters.

Premium may be paid annually, half-yearly, quarterly ^{or} even monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premium, and fifteen days for monthly premium. The validity of the Policy will, in every case, be maintained by payment of the Premium within the stipulated period, notwithstanding the death of the Assured may have occurred before such premium shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

Policies issued in Sterling or Rupees.

The Medical Officer, Dr. E. F. Drake-Brockman, sees applicants for Assurance at his residence Pycroft's Gardens, Nungumbaukum on Wednesdays at 11 A.M.

Detailed Prospectuses, with the names of the Directors, Full Tables of Life Premium, and the necessary Forms of Proposal, may be obtained on application to

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates, without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy-holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities, or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1886-90 is at the rate of 70 per cent. of original Annual premiums paid during 1881-85.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this Office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road, Egmore, on Wednesdays and Saturdays between 11 and 12 A.M.

For further particulars, Reports, Prospectuses, Forms of proposal, &c., apply to
