The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates, without participation in Surpluses.

Premiums payable half-yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted and premiums may be paid in London, if desired by the Policy-holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium, which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities, or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1891-95 is at the rate of 75 per cent. of original Annual premiums paid during 1886-90.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this Office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road Egmore, on Wednesdays and Saturdays between 11 and 12 A.M.
