A LAWRENCE ASYLUM, on the Neilgherry Hills to afford to Madras European Soldiers the advantages already enjoyed by those of Bengal and Bombay has long been a confessed desideratum.

The presence of about twelve thousand British Troops in this part of India with the increasing number of families of European Soldiers now being poured renders such an Institution indispensable; while the unprecedented amount of sympathy universally expressed towards the British Soldier, guarantees a certain amount of success.

The Founders of the Institution have adopted the published Rules of the Lawrence Asylum at Mount Abou in all their Integrity.

As the number of children to be entertained must be proportionate to the amount of Subscriptions promised, the Friends of this enterprise are requested to be liberal at the outset, with a view to extend the usefulness of the Institution, and with a hope of such support as will soon be commensurate with the wants of this Presidency.

The position of Ootacamund, not only in relation to the Madras Presidency, but as regards the whole of India, gives it advantages over any other Station. It will in a short time be within five days of Calcutta and three days of Bombay.

The Salubrity of the climate is so great as to allow of Europeans and their descendants labouring in the open air. With a healthful gymnasium, wholesome diet, and salutary discipline, there is little doubt that the children of our brave Soldiers, instead of pining and perishing in the Plains, may be fitted for honorable and useful employments in the Railway, Telegraph and other Departments.

It is to be hoped that an Institution of so excellent a kind will enlist a wide support, and that high and low will become, according to their ability, regular Subscribers.

With the money already collected and in the confidence of farther public sympathy and support, the Stonehouse estate at Ootacamund has been purchased for the Asylum, and 31 Children, sons of British Soldiers, have been admitted to its benefits. Applications from the relations and guardians of many others have been received. It is manifest the present amount of Subscriptions and Donations is inadequate to the due maintenance of the Institution on such a scale as will answer the end intended—that of affording in the trying climate of the Presidency of Madras a healthy happy Home to the Children of our poorer fellow countrymen, the British Soldiers.

RULES OF THE ABOO LAWRENCE ASYLUM

ADOPTED AS THOSE OF THE OOTACAMUND LAWRENCE ASYLUM.

1. The object of the Institution is to provide, for the Orphans and other Children of Soldiers (ATTACHED TO THE MADRAS PRESIDENCY) a refuge from the debilitating effects of a tropical climate, and the demoralising influence of barrack life; to furnish an Asylum, in a bracing climate, wherein a plain, practical education, adapted to the condition of its inmates, may be obtained, and where, by Divine blessing, Soldiers' Children may be trained to become useful and intelligent members of Society, and above all consistent Christians.

2. Children of pure European parentage, as being more likely to suffer from the climate of the plains than those of mixed parentage, to take precedence in the consideration of applications by the Committee.

3. The following are the payments required from parents:—

4. Applications for the admission of children to be addressed to the Secretary. The documents necessary to be produced are, a Certificate of the child's age and baptism, and a Nominal Roll, according to the Form specified,* stating the date of the last receipt of Government allowance.

5. Donors of Rs. 300, or Annual Subscribers of Rs. 40, to have the nomination of one child for admittance, and in like proportion for increased Donations or Subscriptions. Regiments or Detachments can club for nominations.

6. Children not in destitute circumstances are expected, on entering the School, to be provided with four changes of under clothing: should such children be removed within three (3) Calendar months, the clothing be returned, otherwise to become the property of the School.

7. In all cases where Soldiers hold appointments by which their income is increased, they are to pay the rate of that rank, the allowances of which most nearly approximate to their actual income from all sources.

8. From Pensioned Soldiers, whose allowances are not equal to those of a private Soldier, no payment to be demanded, other Pensioners to pay according to the foregoing rules.

9. No child to be admitted under five years nor above twelve years, except in special cases to be decided by the Committee.

10. Parents or Guardians wishing to remove children from the School, to give fourteen (14) days' notice of their intention in writing to the Secretary, accompanied by a remittance of the amount due on account of the child to the date of removal.

11. The Chaplain of Aboo who has the pastoral charge of the School, in the spirit of the Byculla Rules, has the direction of all that relates to the education and discipline, whether moral or religious subject to the approval of the Managing Committee.

12. The boys to be trained for the following employments. Civil Engineering; the Subordinate Medical Establishment; Electric Telegraph; Merchant's Clerks, Surveying, &c. &c. Arrangements have also been made for instructing the elder boys in the Vernacular.

13. The girls to be employed in such occupations as will tend to qualify them for becoming the wives of men in such stations as the boys may be expected hereafter to occupy. Plain needle work, housewifery, attention to the sick, management of children to be taught them.

14. A public examination to be held twice a year, at such periods as may admit of there being a full attendance of visitors, and due publicity to be given a week previously.

**Committee of Management of the Ootacamund
Lawrence Asylum, recorded on the 6th September 1858.**

The Committee having learnt that doubts are entertained by a portion of the Public interested in the Ootacamund Lawrence Asylum as to the Principles on which it is proposed that Instruction shall be given in this Institution, it is resolved that the following Explanations on this important subject arrived at by the Committee be recorded, and that they be forwarded to the Public Journals with a view to placing the matter in the clearest possible light, viz.

1. That the Rules of the Aboo Lawrence Asylum, which have been adopted as those of the Ootacamund Institution, render it absolutely necessary that the Instruction given in the Ootacamund Asylum shall be entirely on a Scriptural Basis.

2. That the Ootacamund Asylum, under the Aboo Rules, will be opened to Children of all classes and all Denominations of the Christian Religion; and that it is also a Fundamental Principle, and one strictly in accordance with the late Sir Henry Lawrence's mind on the subject, that the Authorized Protestant Version of the Bible shall be read by, and taught to, all the Children in the Asylum, daily.

3. That the business of each day shall be opened by Prayer, at which all the Children in the Asylum shall attend.

4. That Children of the Roman Catholic Religion shall be permitted on the Lord's day, to attend their own Religious services, in their own places of Worship, if the Pastors of that persuasion wish it, and will, for the purpose, ther take charge of them; and that such Pastors shall have free access to the Children of their own Creed in the Institution in case of Sickness or Affliction.
