## P R E F A C E.

THIS volume has been corrected, as far as possible, up to the 1st January, 1927. It may be explained that the lists of Officers serving in India (pages 7 to 115) are compiled from the Civil Lists of the Government of India and the Provincial Governments published in October last, while the records of these officers given in Record of Services Section (pages 481 to 844) are based on the corresponding Histories of Services published in July last. Later information received as to changes occurring up to the 1st January last has, however, been used in the compilation of these sections.

In the lists of Officers serving in India (pages 7 to 115) only substantive appointments are, as a rule, shown; the lists contain the names of all members of the Indian Civil Service, members of other All-India Services and Central Services in receipt of not less than Rs. 500 a month, and of other officers drawing pay of not less than Rs. 1000 a month. The names shown in italics are those of Officers who are in foreign service, supernumerary, seconded, or employed outside their own departments.

To meet the difficulty that arises from the lack of uniformity in India in the use of surnames, Indian names are in doubtful cases twice indexed, and cross references are made in the Record of Services. Rulers of States are shown under the names of their States.

The principle of selection followed in the Record of Services (pages 481 to 844) is explained on page 481.

The "Index of Subjects and Appointments" is on pages iv to xvi, and the "Index of Names" on page 858 *et seq.* Names in the Honours Lists and Record of Services are shown in the Index of Names by "H" and "R," with a note prefixed referring to the Alphabetical Lists on pages 174 to 234 and pages 481 to 844.

It is requested that intimations of errors in the lists, or of omissions, may be addressed to the Editor of the India Office List, India Office, Whitehall, London, S.W.

## THE AGRICULTURAL, EDUCATIONAL, VETERINARY SERVICES, GEOLOGICAL SURVEY, AND THE INDIAN CUSTOMS, AUDIT AND MILITARY ACCOUNTS DEPARTMENTS.

Consequent on the acceptance by H.M. Government of the recommendations of the Royal Commission on the Superior Civil Services for the transfer of the recruitment for certain Services to the Government of India or Local Governments, appointments to the above-mentioned Service posts in India are no longer ordinarily made by the Secretary of State for India. Almost all such appointments

are now under the control of the Government of India and the Local Governments. If any recruitment for them is undertaken in this country it will be conducted by the High Commissioner for India, to whose Office at 42, Grosvenor Gardens, S.W.1, requests for information regarding vacancies for which candidates are being sought should be addressed.

## ECCLESIASTICAL ESTABLISHMENT (CHURCH OF ENGLAND).

1. Appointments of Chaplains on Probation are made from time to time as vacancies occur.

2. Candidates for these appointments must be Priests who are between the ages of twenty-seven and thirty-four years, and have been for three years altogether in Holy Orders. The Secretary of State in Council may, however, waive the rule that candidates must be under 34 years of age if he thinks fit to do so.

3. Applications for nominations should be submitted to the Indian Chaplaincies Board of the Church of England. The candidate should fill in the form of application, which may be obtained from—

- The Secretary to the Board (General Sir Robert I. Scallon, G.C.B., K.C.I.E., D.S.O., The Church House, Worcester).
- The Chairman of the Board (the Rev. Canon B. K. Cunningham, M.A., O.B.E., Chaplain to His Majesty The King, Westcott House, Cambridge).
- Any one of the Commissioners of the Bishops of the Indian Province.
- The Secretary, Public and Judicial Department, India Office, Whitehall, S.W. 1.

4. The form should be returned as soon as possible to the Secretary to the Board (see (a) above), together with the following, viz. :—

- Certificate of birth.
- A medical certificate from the candidate's medical adviser to the effect that he believes him to be fit for work in India.\*
- A statement of war service (if any) with the Royal Navy, the Army, or the Royal Air Force.

\* This certificate will not exempt the candidate from the necessity of examination by the Medical Board of the India Office nor guarantee him against rejection by that Board. It merely furnishes a *prima facie* ground for proceeding with his application.

† Third-class return railway fares will be refunded by the Secretary to the Board to candidates residing outside the London area.

‡ A priest resident in India at the time of his nomination as a probationer will be allowed to count in his probationary period any service rendered by him under an Additional Clergy Society or other service approved by the Government in India, with the exception that service rendered before the probationer had attained the age of twenty-seven years, and before he had been in Holy Orders for three years, will not be counted. Probationary service which is not passed under the Government counts towards pension but not for leave or gratuity. No extension of the limit of age for nomination as a probationer is allowed on account of such service. Probationary service which is passed under the Government counts in all cases towards leave, gratuity and pension.

§ A newly-appointed Chaplain is entitled to travelling allowance in respect of his journey to his station from the port of disembarkation in India, but the cost of that journey must, in the first instance, be met by the Chaplain himself. On arrival at his destination, the Chaplain should submit a claim to the Local Government for travelling allowance at the rate sanctioned by the travelling allowance rules applicable to his case.

## ECCLESIASTICAL ESTABLISHMENT (CHURCH OF ENGLAND)—continued.

lain who, having completed the period of probation, is not confirmed in his appointment, is not liable to refund the cost of his passage to India.

10. As soon as arrangements have been made for his passage the Chaplain will receive a certificate of appointment.

11. Chaplains must, except as stated below, proceed to their destination at some date within four months from the date of their first nomination for appointment by the Secretary of State, and if they fail to do so, without leave obtained from the Secretary of State, their appointments will lapse. Chaplains will not, as a general rule, be allowed to time their departure so as to arrive in India, for the first time, during the hot weather, i.e., between the 1st April and the 1st October.

12. The payment of salary, and service counting for leave and pension, will not commence until the date on which the Chaplain reports his arrival either at the headquarters of the diocese to which he is attached or at any other station to which he may be appointed and to which he may proceed direct.

13. A Chaplain will be required from the date of his appointment on probation to provide a pension for his family under the regulations of the Indian Military Widows' and Orphans' Fund, a copy of which can be obtained on application to the Government in India, or to the Controller of Pension Funds, India Office. This pension is in addition to any pensions or compassionate allowance granted under the Royal Pay Warrant for the time being in force.

Payment of sterling Overseas Pay will be made by the High Commissioner for India in London, to the name and address of the banker or agent authorised by the Chaplain to receive payment on his behalf.

(ii) No pay higher than Rs. 600 will be granted to any Chaplain appointed at an earlier age, until he has attained the age of 28 years. On attaining that age he will be entitled to draw pay at the rate of Rs. 625 per

month, if he has already put in 12 months' service, and from that point will advance by the ordinary annual increments.

(iii) A Chaplain, who on appointment is over 30 years of age will start in the time-scale one year in advance of the minimum for each completed year, up to a maximum of five years, by which his age on appointment exceeds 30 years. A Chaplain entitled to the benefit of this concession, and also to count war service for increase of pay under paragraph 2 of the Appendix below, shall be entitled to whichever concession is the greater, but not to both.

(iv) Time spent in India on service under an Additional Clergy Society or on other approved service, will count for increments of pay up to a maximum of two years.

(v) The concessions announced in sub-paras. (iii) and (iv) above will not be cumulative.

15. *Leave.*—Chaplains appointed to the Indian Ecclesiastical Establishment on or after the 7th June, 1923, are granted leave and leave-salary according to the Special Leave Rules in sections I to V of Part IV of the Fundamental Rules made by the Secretary of State for India in Council under section 96B of the Government of India Act. These rules are subject to alteration, and any question on which doubt arises must be decided with reference to the authorised text of the Fundamental Rules for the time being. The following is a summary of the leave admissible to Chaplains under those rules :—

(a) Leave is calculated in terms of "leave on average pay," and the amount of "leave on average pay" with which an officer's leave account is credited is  $\frac{1}{2}$ nds of the period spent on duty.

(b) Subject to certain maxima and minima, an officer may draw, at his option, leave salary equal to the average pay of the last 12 months of completed duty or to half such average pay. All leave on average and half the period on half average pay is counted against the leave earned. An officer may take his leave on average pay, on half average pay, or on a combination of the two, provided that his continuous absence from duty does not exceed 28 months, and that the amount of leave taken on average pay does not exceed eight months at any one time. The maximum amount of leave admissible during an officer's career is the equivalent of leave on average pay for three years +  $\frac{1}{3}$ th of the period spent on duty, of which not more than one year +  $\frac{1}{3}$ th of the period spent on duty may actually consist of leave on average pay.

16.—After he has been confirmed as a Junior Chaplain, a Chaplain is eligible during his service for passage benefits not exceeding the cost of four return passages between Bombay and London for himself and his wife, or not exceeding three such passages if he was 31 years of age or over at the date of his appointment, and one single passage for each child. If a Chaplain dies while in the service, his wife and children,

An Extra Numerum subject may be offered carrying 100 marks and chosen from the following:—

General Anthropology: Special Anthropology: An Auxiliary Language.

10. The auxiliary language in Section A or Section C. will be tested by means of translation from the language. The following languages may be offered: French, German, Italian, Spanish, Portuguese, Dutch, Norwegian, Swedish, Danish, Russian, Latin, Ancient Greek.

No Candidate may offer any language or General Anthropology or Special Anthropology twice in the examination.

No Candidate may offer in Sections A and C together two languages of the group Italian, Spanish, Portuguese or two of the group Norwegian, Swedish, Danish.

Only a Candidate who takes two modern languages in Section B may offer Latin or Ancient Greek as an auxiliary language. Instead of an auxiliary language a Candidate whose mother tongue is an Indian language may offer as Subject 5 either General Anthropology or Special Anthropology.

12. A Candidate desiring to offer Subject 24 or any of the Subjects 31 to 43 must produce evidence satisfactory to the Commissioners of laboratory training in an institution of University rank. For Astronomy (29), Geography (44), the Physical Anthropology branch of Special Anthropology (46), and Agriculture (47), other equivalent training will be required. There will be no laboratory test as part of the examination.

13. From the marks assigned to Candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

14. Moreover, if a Candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.\*

15. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be Selected Candidates for the Indian Civil Service provided that they appear to be duly qualified in other respects.

Should any Selected Candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case, the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate.

16. Application for permission to attend an Examination must be made in the handwriting of the Candidate at such time and in such manner as may be fixed by the Civil Service Commissioners.

CIVIL SERVICE COMMISSION.

\* It is notified for general information that the number of marks deducted for bad handwriting may be considerable. † e.g., a candidate desiring to offer subject No. 51 (Roman Civilization) must also offer subject No. 50 (Latin Language).

| Central Provinces ... | Hindi           |
| Assam ...             | Bengali         |

8. A Candidate assigned to a Province the principal vernacular language of which is a language with which he is familiar, will not be examined in that language, but in the substitute or substitutes named below. A Candidate assigned to Madras who is familiar with either Tamil or Telugu, but not with both, will offer the other for examination; if he is familiar with both Tamil and Telugu, he will be examined in the appropriate substitute or substitutes.

In the circumstances stated the substitute for the vernacular language of a one-year probationer is British History, for a two year probationer it is British History at the Intermediate Examination and European History at the Final Examination. The Civil Service Commissioners will in each case decide whether a candidate is to study the principal vernacular or the substituted subject or subjects.

## INDIAN CIVIL SERVICE—continued.

9. The ordinary session of the Final Examination for the testing of riding will take place in advance of the rest of the Final Examination, and a special session will, when necessary, be held at a later date for the benefit of any Candidate who may have failed at the ordinary session.

Candidates who at the ordinary session satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of any duties required of members of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who at the ordinary session fall short of this adequate proficiency, but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100; they will be allowed to proceed to India, and will, on their arrival there, be subjected to such further tests in riding as may be prescribed by their Local Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

Any Candidate who at the ordinary session fails to show a minimum proficiency will be examined again at a special session. If he then attains adequate proficiency he will not be subjected to further test in India. If he attains minimum proficiency he will be allowed to proceed to India under the same condition as if he had attained minimum proficiency at the ordinary session. No credit in marks will be given for any performance at a special session.

Probationers may also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

A Candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of Selected Candidates.

10. Such deductions as the Civil Service Commissioners may consider necessary will be made from the marks assigned to Candidates at the Intermediate and Final Examinations in order to secure that no credit is allowed for merely superficial knowledge.

11. The Civil Service Commissioners will prepare lists of the Candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the Candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the Candidates at the Intermediate and Final Examinations.

12. The Selected Candidates whose performance in the compulsory subjects of the Final Examination is such as to satisfy the Civil Service Commissioners, and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character, and conduct during the period of probation, shall be certified by the Commissioners to be entitled

to be appointed to the Indian Civil Service, provided they shall comply with the regulations in force, at the time, for that Service.

13. If any Candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination. A selected Candidate absent for such adequate cause from the Intermediate Examination may, under similar conditions, be allowed to appear at the Intermediate Examination a year later or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

Any Candidate who at the Intermediate Examination shall appear to have wilfully neglected his studies, or to be physically incapacitated from pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

Announcements made by the Civil Service Commissioners with the authority of the Secretary of State for India in Council:—

(1) Selected Candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.

(2) An allowance of £300 a year, or, in the case of Selected Candidates possessing an Indian domicile, an allowance of £350\* a year will be given to any Candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.

In the case of Selected Candidates on probation for one year the allowance will be payable in four equal instalments on the following dates respectively:—December 24th, after his selection, March 25th, June 25th, and after signature of covenant on appointment to the Service.

In the case of Selected Candidates on probation for two years the allowance will be payable in eight equal instalments, the first on December 24th, after selection, the second to the seventh on the six following quarter days, and the eighth after signature of Covenant on appointment to the Service.

The payment of the various instalments of the allowance except the final instalment, and, in the case of the two-year probationers, the instalment payable at the end of the first year of probation, will be conditional on the receipt, by the Secretary of State, through the Civil Service Commissioners, of a Certificate that the Candidate has fulfilled up to date the requirements of the Authorities, and shown satisfactory conduct at the approved Institution.

\* The attention of candidates selected at examinations held in London is, however, directed to paragraph (8).

## INDIAN CIVIL SERVICE—continued.

If an Indian Government Scholar becomes a selected candidate for the Indian Civil Service, his scholarship stipend shall cease to be paid with effect from the 1st October of the year in which he becomes a selected candidate. He may, however, provided he has executed the agreement referred to in (4) below, be granted on, or at any time after, the 1st October, an advance on account of the instalment of the allowance payable on the 24th December.

The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

N.B.—The Secretary of State for India gives notice that the amount of the allowances will be re-considered in 1927, with a view to a possible reduction with effect from the instalment payable in December, 1927.

(3) A 1st Class passage to India will be engaged for Selected Candidates with a view to their proceeding to India during the November following their Final Examination.

(4) Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety, jointly and severally, to refund all monies he may have received from the Secretary of State for India in the event of—

(i) his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or

(ii) his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

(5) All Candidates obtaining Certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as, under the Rules and Regulations for the time being in force, they may be required to make for the pensions of their families. The stamps payable on these covenants amount to £1.

(6) Candidates appointed to the Indian Civil Service after undergoing one year's probation will be senior to those appointed in the same year after undergoing two years' probation. The seniority of candidates of each class inter se will be determined by the order in which their names appear on the lists referred to in clause (11) of the regulations.

(7) Candidates who fail to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the Candidate.

(8) Overseas pay will not be admissible to Indian members of the Indian Civil Service selected at open Competition Examinations held in London in 1925 and subsequent years.

CIVIL SERVICE COMMISSION,  
November, 1926.

incides with or is included in that region, shall appoint a Committee to be called the Quota Committee, the majority of the members of which shall be non-officials. The Quota Committee shall select the provincial quota for its region from among such of the persons applying for admission to the examination from that region as possess the qualifications hereinafter prescribed. The selection or rejection of an applicant by the Quota Committee shall be final. Provided, nevertheless, that the local Government may remove from the quota a candidate who is reported by a Medical Board to be physically unfit for appointment in the Indian Civil Service.

5. In a case where the region for which the local Government of a Governor's Province is required to set up a Quota Committee includes territory other than the Governor's Province, the local Government shall be responsible for the due representation of that other territory on the Quota Committee.

6. A person desiring to be admitted to the examination shall apply, before such date as the Governor-General in Council may prescribe, in the region of Rule 3 in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided otherwise than as a student at a University only, for a like period. His application must be made to the Chief Secretary of the Governor's Province which coincides with or is included in that region; provided that no candidate shall make more than one application in any year; provided further that persons resident in a State in India shall apply through their Durbars to the Chief Secretary of the province in which they wish to serve or of the province included in the region in which they wish to serve, and that for the purposes of Rule 3, if limitation of the number of candidates is decided upon, such persons shall be considered by the appropriate Quota Committee, and if chosen by that Committee shall constitute a part of the provincial quota for that region.

7. Application shall be made at such time and in such manner as the Governor-General in Council may prescribe.

8. A candidate must be either a British subject of Indian domicile or a ruler or subject of a State in India in respect of whom the Governor-General in Council has made a declaration under Section 96 (a) of the Government of India Act. 9. A Candidate must have attained the age of 21 and must not have attained the age of 23 on the first day of January in the year in which the examination is held.

10. A candidate must be free from disease, constitutional affection, or bodily infirmity, unfitting him, or likely to unfit him for the Indian Civil Service.

14. Any attempt on the part of a candidate to enlist support for his application through persons of influence will disqualify him for appointment. Spontaneous recommendations from persons who are not themselves acquainted with the candidate's work at school or at the University, or otherwise, will be disregarded.

15. A candidate will pay a fee of Rs. 5 with his application form, and a candidate chosen for admission to the examination will pay a further fee of Rs. 100.

In the case of an Institution not situated in the British Isles, the certificate must state that the Institution in which the work has been done is authorised to prepare candidates in that subject for a degree. When a candidate has been refused a permission to take one of these subjects, he will be allowed to substitute another subject within the Regulations, provided that the substitution is made within the time allowed for sending in application forms.

A candidate may not offer more than two subjects in Part II. Except as provided below in the case of languages, no candidate may offer similar subjects in Parts I and II; that is to say, a candidate taking Physics, or Chemistry, or Biology, may not offer Everyday Science; a candidate taking Lower or Higher Mathematics may not offer Elementary Mathematics; and a candidate taking Modern History may not offer General History. A candidate may not offer the same language in Part I and Part II, nor may he offer more than two foreign languages in all. The modern languages that may be offered as subject (4) are French, German, Italian, Spanish and Russian.

In addition to the above-named subjects a candidate may take up freehand drawing, which carries 50 marks.

A candidate must obtain 140 marks in Interview and Record, and such an aggregate of marks in the whole examination as to satisfy the Civil Service Commissioners.

3. *Place of Examination.*—The examination will be conducted by the Civil Service Commissioners. Candidates may undergo the written part of their examination in London, Edinburgh, or at any of the provincial centres at which the simultaneous examination of candidates for admission to the Royal Military College, Sandhurst, is to be held. A provisional list of such centres may be obtained from the Civil Service Commissioners. The interviewing board (subject 3) and the oral and practical parts of the examination will be held in London only.

4. *Examination Fee.*—A fee of £4 is required from candidates examined in London, but when the written examination is conducted elsewhere

\* A syllabus may be obtained on application to the Secretary, Services and General Department, India Office.

than in London the fee is £5. Candidates examined at a college or school will probably be required to pay a local fee (in order to defray the expenses of superintendence), as to which they should obtain early information from the college or school authorities. The fee payable to the Civil Service Commissioners must be paid by means of stamps of the specified amount. Instructions on this point will be issued to candidates by the Civil Service Commissioners about a fortnight before the examination.

5. *Number of Appointments.*—The number of candidates to be selected

6. *Conditions of Eligibility.*—Candidates must, without exception on any ground, be above 19 and under 21 years of age on the 1st August, 1927. They must be unmarried, and if they marry before reaching India they will forfeit their appointments. No person shall be deemed eligible for admission to the examination who shall not satisfy the Secretary of State for India in Council—

- That his character is such as to qualify him for employment in the Indian Police Service.
- That save as hereinafter provided he is a European British subject.
- That if he (being a European British subject) or his father or his mother was not born within His Majesty's Dominions and allegiance, then at the time of his birth his father was a British subject and that such father still is or continued to be until his death a British subject.

Provided that a ruler or subject of any State in India in respect of whom the Governor-General in Council has made a declaration under Section 96A of the Government of India Act may be admitted to the examination if eligible under (d) below.

- Exception.*—Indian and Burmese candidates will be deemed eligible for admission to the examination provided that they satisfy the Secretary of State for India in Council that by the 1st August of the year of the examination they will have been resident in the United Kingdom for not less than five years.

7. *Form of Application.*—Application to compete at the examination must be made on a printed form to be obtained from the Secretary, Services and General Department, India Office, Whitehall, London, S.W. 1, and to be returned to him, with the necessary documents, not later than Saturday, 10th April, 1927.

No applications received after that date can be considered.

Candidates must be prepared to attend at the India Office if required, at their own expense, to reply to any enquiries which may be considered necessary in connection with their application.

## INDIAN POLICE SERVICE—continued.

8. *Medical Examination.*—Those Candidates who are successful in the literary examination will be required, shortly after the result of that examination is declared, to undergo a strict examination by a Medical Board,\* at the India Office, as to their physique and capacity for active out-door work in the plains of India. Instructions as to the date and time of this examination will be issued to successful candidates by the India Office.

9. *Appointment of Probationers.*—The Secretary of State will nominate as probationers such competitors as attain the highest aggregate of marks (provided that they obtain the minimum aggregate of marks (see para. 2) and that they pass the medical examination and satisfy the requisite conditions in other respects).

10. *Riding Test.*—Selected candidates will be examined by the Civil Service Commissioners as to their ability to ride, and will be required to obtain—

- a certificate from the Civil Service Commissioners that they are able to ride well and to perform journeys on horseback; or
- a certificate from the Civil Service Commissioners of minimum proficiency in riding.

In the latter case they will be subjected, on their arrival in India, to such further tests in riding as may be prescribed by their Government, and will not be appointed Assistant Superintendents of Police until they shall have passed such tests to the satisfaction of their Government.

11. *Allotment to Provinces.*—Selected candidates who have successfully passed the above-mentioned tests will be allotted, as probationers,

to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the public service will rank before every other consideration. The allotment will also be subject to the right of the Government of India to make transfers if necessary.

12. (a) *Uniform.*—It is an ordinary condition of appointment that a successful candidate shall provide himself, or be provided by his parents or guardians, with his uniform or the cost thereof. The India Office makes a contributory grant of £30 towards the cost of uniform, but in the event of any probationer failing to join his appointment in India he will be required to refund the amount so contributed.

(b) *Horse and Saddlery.*—A successful candidate must, when required to do so by Government, provide himself with a suitable horse and saddlery at his own expense. Local Governments in India are authorised to make to a newly appointed officer a grant of a sum not exceeding Rs. 600 towards the cost of such horse and saddlery.

In the event of an officer resigning or being dismissed or removed from the service within three years of his first appointment, he will be required to refund such portion of any grant made to him on this account as the Local Government may think fit.

13. *Departure for India.*—The probationers will be required to start for India not later than October, 1927, so as to arrive in the course of November. Failure to embark in time will, in the absence of satisfactory explanation, lead to forfeiture of appointment. Free passages to India will be provided by the India Office, but

\* With a view to prevent parents and guardians from incurring the inconvenience and expense of preparing candidates who may be physically unfit for the Police Service, it is suggested that, before any such preparation is begun, candidates be submitted to examination by the medical adviser of the family, or any other qualified medical practitioner, with regard to the points which are indicated in Appendix III.

It is to be understood that this private examination is merely suggested to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the official examination.

Candidates may, if they wish it, not more than two years before they are qualified to compete, undergo a preliminary examination as to their physical fitness by the Medical Board, which meets at the India Office every week, under the following conditions:—

(a) Applications must be addressed to the Under Secretary of State, India Office, Whitehall, London, accompanied by a fee of two guineas and by a statement of the candidate's age.

(b) Candidates must pay their travelling expenses.

(c) It must be understood that the opinion of the Medical Board which will be communicated by the Board to the candidate at the end of the examination is solely for the candidate's own information and is not an official finding. The Board, if they consider a candidate unfit, will exercise their discretion as to informing him of the particular grounds on which their opinion is based. No further information can in any case be given as to the Medical Board's opinion which will be confined solely to the physical fitness of the candidate; and any question as to the eligibility of the candidate, if found physically fit, to be admitted to the Indian Police, should be addressed in writing to the Under Secretary of State.

(d) Candidates considered to be unfit by the Medical Board at this preliminary examination are not bound to accept its opinion, but may, at their own risk, continue their studies, with the knowledge that they will have to submit themselves for a final medical examination by the Medical Board prior to the examination or to their appointment.

(e) As the preliminary examination by the Medical Board is held solely for the candidate's information, a candidate who is informed after such an examination that he is physically fit will have on that account no claim to be accepted as physically fit when he presents himself for the final medical examination, upon which alone his acceptance or rejection will depend. Candidates may be considered fit for the Service at the preliminary examination, but may be found at the final examination to be unfit, either on account of some physical defect which did not exist or passed undetected at the preliminary examination, or for other reasons.

† The riding examination may be expected to take place not sooner than a month after the result of the literary examination is known. Candidates are warned that the certificate of minimum proficiency in riding, without which they will not be allowed to proceed to India, is only granted to those who can qualify in a series of tests which includes jumping. It is, therefore, most important that riding lessons should not be postponed until after the result of the literary examination is declared.

The chief tests will be (a) Saddling and Bridling; (b) Mounting and Dismounting; (c) Trotting; (d) Cantering; (e) Trotting without reins; (f) Trotting without stirrups; (g) Cantering without stirrups; (h) individual exercise; (i) Jumping a hedge hurdle three feet six inches in height. Although the examination will, in the main, be confined to these points, the examiner will not be debarred from applying any other tests which may appear desirable.

## INDIAN POLICE SERVICE—continued.

any probationer resigning his appointment within three years on any ground but that of health supported by a medical certificate will be required to refund the cost of his passage.

14. *Period of Probation.*—Probationers will be required to qualify by passing the necessary departmental examinations (as well as the riding test, if necessary, see Rule 10) within two years of their arrival in India.

On arrival in India, a probationer will ordinarily be attached to the Central Police Training School of the Province to which he has been allotted. Here he will be given facilities for the study of criminal law and procedure and of the vernaculars, in order that he may prepare himself for the departmental examinations above referred to. He will be required to attend parades and the riding school until he shall have passed the prescribed tests in drill and equitation. He will also receive practical instruction to prepare him for the duties that he will be required to perform when his period of probation is ended.

A probationer ordinarily remains at the Central Police Training School until he has passed his departmental examinations and has been declared to be proficient in drill and equitation.

15. *Liability of Probationers to Removal.*—Any probationer who may fail to pass the prescribed examinations within two years or be found unfit for police duties will be liable to removal from the Service. Any probationer so removed from the Service will be furnished with a free passage to England provided he utilises such passage within three months from date of such removal.

16. *Promotion after Probation.*—No probationer will be eligible for promotion, either acting or substantive, until he has passed the prescribed departmental examinations, including the riding test.

17. *Pay, Leave, Pension, and Provident Fund.*—Officers joining the Indian Police under these conditions will find a summary of information regarding leave, pension, and Provident Fund on page 336 *et seq.*

18. *Articles of Agreement.*—Probationers will be required to sign Articles of Agreement describing the terms and conditions of their appointment prior to embarkation for India.

INDIA OFFICE,  
September, 1926.

## APPENDIX II.

## PAY.

The monthly rates of pay for appointments on the time scales are given on p. 366.

*Note.*—All officers enter on the "junior scale," but when they attain certain posts of higher responsibility they are classed as coming under the "senior scale," and draw basic pay thereunder for so long as they hold such posts (whether officiating in them or appointed substantively to them).

*Note.*—The Secretary of State is unable to give any undertaking that the Regulations will remain unaltered in the future.

1. Until further notice the Secretary of State for India in Council will, during each year, make a number of appointments of Assistant Executive Engineers in the Public Works Department in India.

In making these appointments he will act with the advice of a Selection Committee, including at least one eminent representative of the engineering profession.

In 1927 it is intended that ten\* appointments shall be made.

The Selection Committee will probably sit in May.

2. Applications must be made on a printed form, which may be obtained from the Secretary, Services and General Department, India Office, Whitehall, S.W. 1, and should reach the India Office not later than 1st April, 1927.

3. Candidates must have attained the age of 21 and not attained the age of 24 years on the 1st August, 1927.

4. Except as stated in the note on para. 1 hereof every candidate must be a European British subject of non-Asiatic domicile, and if he or his father or his mother was not born within His Majesty's Dominions and allegiance, the father must at the time of the candidate's birth have been a British subject and still be (or have continued to be until his death) a British subject. The decision of the Secretary of State in Council whether a candidate satisfies these conditions shall be final. A candidate must also be of good moral character and sound bodily health and, in the opinion of the Secretary of State for India in Council, in all respects suitable to hold an appointment in the Indian Public Works Department.

5. Candidates must produce evidence that they have either (1) obtained one of the University degrees mentioned in Appendix I; or (2) passed Sections A and B of the A.M.I.C.E. examination; or (3) passed the Associateship in Civil Engineering of the City and Guilds Institute (Imperial College of Science and

Technology, South Kensington); or (4) obtained such other diploma or distinction in Engineering as the Secretary of State may decide to accept in any particular case. It is preferred that candidates should have taken a college course and obtained one of the degrees mentioned in Appendix I. They must in addition have had at least one full year's practical experience of Civil Engineering under a qualified civil engineer at the time when they appear before the Selection Committee. Those whose qualifying diploma has been obtained without a college course should have had a full three years of such practical experience.

6. Selected candidates will be required to undergo further training on works in India for a period of at least one year. During this period they will be on probation and their final appointment will be made dependent upon the result of such probation.

7. Candidates must be prepared, if called upon, to attend at the India Office, at their own expense, for a personal interview with the Selection Committee.

8. Selected candidates will further be required, before final appointment by the Secretary of State in Council, to appear, at their own expense, before the Medical Board at the India Office for examination as to their physical fitness for service in India.

9. They will also be required to satisfy the Secretary of State of their ability to ride.

10. They will on appointment be provided with a free first-class passage to India and will be expected to proceed thither about the middle of September in the year in which they are appointed.

They will also be entitled to passage pay and the benefits accruing therefrom in respect of passages for themselves and their wives and families on the scale and subject to the conditions prescribed in the rules. (See Appendix V.)

\* Of these ten appointments, one will be allotted to a Burman candidate if one presents himself and is found qualified. Such a candidate, if selected, will be appointed to the India-recruited Branch of the Department in Burma on the usual terms and conditions applicable to that Branch. Separate Regulations showing the terms applicable to this appointment will be issued to Burman candidates on application.

† Selected candidates will be examined by the Civil Service Commissioners as to their ability to ride, and will be required to obtain either—

- a certificate from the Civil Service Commissioners that they are sufficiently at home in the saddle for the efficient performance of all the duties of the Indian Service of Engineers; or
- a certificate from the Civil Service Commissioners of minimum proficiency in riding.

In the latter case they will be subjected, on their arrival in India, to such further tests in riding as may be prescribed by their Government.

Candidates are warned that the certificate of minimum proficiency in riding, without which they will not be allowed to proceed to India, is only granted to those who can qualify in a series of tests, which includes jumping.

The chief tests will be: (a) saddling and bridling; (b) mounting and dismounting; (c) trotting; (d) cantering; (e) trotting without reins; (f) trotting without stirrups; (g) cantering without stirrups; (h) individual exercise; (i) jumping a hedge hurdle 3 feet 6 inches high.

It is

preferred that candidates should have taken a college course and obtained one of the degrees mentioned in Appendix I. \*9. They will also be required to satisfy the Secretary of State of their ability to ride.

10. All selected candidates will in the first instance be appointed on probation on an initial pay (including overseas pay) of Rs. 525 a month, and will be required to execute agreements for three years, at the end of which period, if they have given satisfaction, they will be retained on the same agreement subject to their service being terminable on six months' notice on either side. 13. Service will be in any part of British India or its dependencies as directed by Government.

14. Officers of the Indian Railway Service of Engineers will not be entitled to pension on quitting the Service, but will be eligible throughout their service for the benefits of the State Railway Provident Institution, to which they will be required to contribute. They will also be eligible for gratuities for good, efficient, faithful and continuous service. Particulars relating to Provident Institution and the grant of gratuities will be found in Appendix IV.

15. Officers will be liable to discharge for incompetence or misbehaviour, and their agreements may be terminated at any time on account of ill-health. Subject to these liabilities, and to the general power of the Crown to terminate appointments at pleasure, their

## INDIAN SERVICE OF ENGINEERS—continued

## APPENDIX IV.

(See para. 14 of the Regulations.)

*Note.*—This Appendix is merely intended to show the principal leave rules in the Fundamental Rules and the Pension Rules at present applicable to officers appointed to the Indian Service of Engineers from the United Kingdom without going into minute details, and does not profess to deal with every case that may arise. The rules are subject to alteration, and any disputed question must be decided with reference to the authorised text of the Fundamental Rules or Civil Service Regulations for the time being.

## LEAVE.

(The following rules apply only to officers of non-Asiatic domicile.)

1. Leave is calculated in terms of "leave on average pay," and the amount of "leave on average pay" which an officer earns is five-twenty-seconds of the period spent on duty.

2. Subject to certain maxima and minima, an officer may draw, at his option, leave salary equal to the average pay of the last 12 months of completed duty or to half such average pay. All leave on average pay and half the period on half average pay is counted against the leave earned. An officer may take his leave on average pay, on half average pay, or on a combination of the two, provided that his continuous absence from duty does not exceed 28 months, and that the amount of leave taken on average pay does not exceed eight months at any one time. The maximum amount of leave admissible during an officer's career is the equivalent of leave on average pay for three years plus one-eleventh of the period spent on duty, of which not more than one year plus one-eleventh of the period spent on duty may actually consist of leave on average pay. Leave not due and carrying half average pay may be granted on medical certificate, and, within certain limits, for other reasons, but an officer will not again commence to earn leave until the expiration of a fresh period of duty sufficient to earn a credit of leave equal to the leave he has taken before it was due. After 28 months' absence from duty an officer draws quarter average salary, subject to certain maxima and minima.

3. Leave salary is ordinarily payable in rupees if the officer spends his leave in India or Ceylon, and in sterling if he spends it elsewhere. The rate of exchange for the conversion of leave salary is prescribed from time to time by the Secretary of State.

4. It should be noted that leave can never be claimed as of right, but is given or refused at the discretion of Government.

## PENSIONS.

5. The following is a summary of the pension rules applicable to officers appointed to the Indian Service of Engineers by the Secretary of State from the United Kingdom.

## Ordinary Pensions.

6. An officer is entitled, on his resignation being accepted, to a retiring pension after

completing qualifying service of not less than 20 years.

7. An officer is entitled to superannuation pension on attaining the age of 55 years, when retirement is ordinarily required, or on retirement thereafter. (An officer is sometimes, for special reasons, retained after attaining the age of 55 years.)

8. The rates of retiring and superannuation pension are  $\frac{1}{25}$ ths of average emoluments, subject to the following maxima:—

| Completed years of qualifying Service. | Maximum Limit of Pension. |
|----------------------------------------|---------------------------|
|                                        | Rs. per annum.            |
| 20—24                                  | 4,000                     |
| 25                                     | 5,000                     |
| 26                                     | 6,200                     |
| 27                                     | 6,400                     |
| 28                                     | 6,600                     |
| 29                                     | 6,800                     |
| 30                                     | 7,000                     |

9. Government may retire any officer after he has completed 25 years' service without giving reasons, and without any claim for compensation in addition to pension, and in that event the pension admissible to him will ordinarily be regulated on a scale not exceeding that laid down above. Government also reserves the general power to reduce the pension ordinarily admissible in all cases where an officer's service has been unsatisfactory.

10. An officer who is compelled to retire through ill-health not occasioned by irregular or intemperate habits will be eligible for invalid gratuity or pension as follows:—

(a) After qualifying service of less than 7 years a gratuity not exceeding one month's emoluments for each completed year of service (except in special cases and under the orders of the Government of India, who may sanction a maximum of 12 months' emoluments). If the emoluments of the officer have been reduced during the last three years of his service, otherwise than as a penalty, average emoluments may, at the discretion of the authority which has power to sanction the gratuity, be substituted for emoluments.

(b) After a service of not less than 7 years, a pension not exceeding the following amounts:—

Any necessary fees on courses of study undertaken with the approval of the Secretary of State in connection with the prescribed practical training will be paid in addition.

The grant of the allowances is subject to the following conditions:—

- (a) That the progress of the candidate in his studies is satisfactory;
- (b) That the candidate gives security to refund the payments in the event of his failing to qualify for an appointment in the Indian Telegraph Service, or failing to join the Indian Telegraph Service at the end of the period of training;
- (c) That the candidate undertakes to refund the payments, together with the cost of his first-class passage to India, in the event of his leaving the Service during the first five years from the date of his appointment on grounds other

than ill-health (not brought on by his own neglect or carelessness or misconduct) certified by the competent medical authority. Provided that the amount payable by him under this provision shall be subject to a reduction by one-fifth for every year of service completed from the date of his joining his first appointment in India.

The candidate will be required to conduct himself during the period of training in a manner satisfactory to the Secretary of State, and to give evidence of satisfactory progress in his studies in such a manner as may be required, failing which, or in the event of serious misconduct, he is liable to have his selection cancelled.

10. The selected candidate will be on probation for at least one year after his arrival in India, and his confirmation in the Service will be made dependent upon the result of such probation.

11. Service will be in any part of British India or its dependencies as directed by Government.

12. The selected candidate will, on appointment, be provided with a free first-class passage to India and will be required to proceed thither as soon as can be arranged after the termination of the period of special training in this country. If retained in the Service after the period of probation, he will become entitled to the benefits of the Passage Rules, which are summarised in Appendix III.

13. The selected candidate will on appointment as a probationary Assistant Divisional Engineer be given a commencing salary (including Overseas pay) of Rs. 525 per mensem.

He will draw pay at Indian rates and count service for leave, pension and increment from the date of landing in India, subject to his proceeding immediately to join his appointment. If he so desires he will, on appointment, be able to obtain an advance of two months' pay, recoverable by monthly instalments of one-third of salary. Of this advance, a proportion not exceeding one-half may be received in England, and the balance can be drawn in India.

14. Particulars as to pay, pension and leave are contained in Appendices I and II.

INDIA OFFICE,  
27th October, 1926.

\* The selected candidate will be examined by the Civil Service Commissioners as to his ability to ride, and will be required to obtain either—

- (a) A certificate from the Civil Service Commissioners that he is sufficiently at home in the saddle for the efficient performance of all the duties of the Indian Posts and Telegraphs Department; or
- (b) A certificate from the Civil Service Commissioners of minimum proficiency in riding.

In the latter case he will be subjected, on his arrival in India, to such further tests in riding as may be prescribed by Government.

The candidate is warned that the certificate of minimum proficiency in riding, without which he will not be allowed to proceed to India, is only granted to those who can qualify in a series of tests, which includes jumping. The chief tests will be: (a) saddling and bridling; (b) mounting and dismounting; (c) trotting; (d) cantering; (e) trotting without reins; (f) trotting without stirrups; (g) cantering without stirrups; (h) individual exercise; (i) jumping a hedge hurdle about 3 feet 6 inches high.

Although the examination will, in the main, be confined to these points, the examiner will not be debarred from applying any other tests which may appear desirable.

NOTE.—Overseas pay is admissible only to officers of non-Asiatic domicile. It will be drawn in sterling (except during the first four years) at the rates prescribed in the time-scale.

*Directors, Telegraph Engineering.*—Rs. 1,750, rising by annual increments of Rs. 100 a month to Rs. 2,150 a month, with Overseas pay (for officers of non-Asiatic domicile) of £13 6s. 8d. a month.

*Chief Engineer.*—Rs. 2,750, rising by annual increments of Rs. 125 a month to Rs. 3,000 a month, with Overseas pay (for officers of non-Asiatic domicile) of £13 6s. 8d. a month.

The increments will be given for approved service only, and in accordance with the rules of the Department.

Pay on the junior scale will be drawn by officers holding charges of less importance than a Divisional charge, but no such officer will be allowed to draw more than the pay of the ninth year of service on the junior scale unless he is reported to be fully qualified for the charge of a Division. Pay on the senior scale will be drawn by the officers holding charges of not less importance than the charge of a Division.

Promotions above the grade of Divisional Engineer are dependent on the occurrence of vacancies in the sanctioned establishment, and are made wholly by selection; mere seniority is considered to confer no claim to promotion.

## APPENDIX II.

(See para. 14 of the Regulations.)

Note.—This Appendix is merely intended to show the principal leave rules in the Fundamental Rules and the Pension Rules at present applicable to Telegraph Engineers appointed to the Indian Service from the United Kingdom without going into minute details, and does not profess to deal with every case that may arise. The rules are subject to alteration, and any disputed question must be decided with reference to the authorised text of the Fundamental Rules or Civil Service Regulations for the time being.

## LEAVE.

(The following rules apply only to officers of non-Asiatic domicile.)

1. Leave is calculated in terms of "leave on average pay," and the amount of "leave on average pay" which an officer earns is five-twenty-seconds of the period spent on duty.

2. Subject to certain maxima and minima, an officer may draw, at his option, leave salary equal to the average pay of the last 12 months of completed duty or to half such average pay. All leave on average pay and half the period on half average pay is counted against the leave earned. An officer may take his leave on average pay, on half average pay, or on a com-

bination of the two, provided that his continuous absence from duty does not exceed 28 months, and that the amount of leave taken on average pay does not exceed eight months at any one time. The maximum amount of leave admissible during an officer's career is the equivalent of leave on average pay for three years plus one-eleventh of the period spent on duty, of which not more than one year plus one-eleventh of the period spent on duty may actually consist of leave on average pay. Leave not due and carrying half average pay may be granted on medical certificate, and, within certain limits, for other reasons, but an officer will not again commence to earn leave until the expiration of a fresh period of duty sufficient to earn a credit of leave equal to the

## POSTS AND TELEGRAPHS—continued.

leave he has taken before it was due. After 28 months' absence from duty an officer draws quarter average salary, subject to certain maxima and minima.

3. Leave salary is ordinarily payable in rupees if the officer spends his leave in India or Ceylon, and in sterling if he spends it elsewhere. The rate of exchange for the conversion of leave salary is prescribed from time to time by the Secretary of State.

4. It should be noted that leave can never be claimed as of right, but is given or refused at the discretion of Government.

## PENSIONS.

5. The following is a summary of the pension rules applicable to Telegraph Engineers appointed to the Indian Service by the Secretary of State from the United Kingdom.

## Ordinary Pensions.

6. An officer is entitled, on his resignation being accepted, to a retiring pension after completing qualifying service of not less than 20 years.

7. An officer is entitled to superannuation pension on attaining the age of 55 years, when retirement is ordinarily required, or on retirement thereafter. (An officer is sometimes, for special reasons, retained after attaining the age of 55 years.)

8. The rates of retiring and superannuation pension are  $\frac{1}{10}$ ths of average emoluments, subject to the following maxima:—

| Completed years of qualifying Service. | Maximum Limit of Pension. |
|----------------------------------------|---------------------------|
|                                        | Rs.                       |
| 20—24                                  | 4,000 per annum.          |
| 25                                     | 6,000 "                   |
| 26                                     | 6,200 "                   |
| 27                                     | 6,400 "                   |
| 28                                     | 6,600 "                   |
| 29                                     | 6,800 "                   |
| 30                                     | 7,000 "                   |

9. Government may retire any officer after he has completed 25 years' service without giving reasons, and without any claim for compensation in addition to pension, and in that event the pension admissible to him will ordinarily be regulated on a scale not exceeding that laid down above. Government also reserves the general power to reduce the pension ordinarily admissible in all cases where an officer's service has been unsatisfactory.

10. An officer who is compelled to retire through ill-health not occasioned by irregular or intemperate habits will be eligible for invalid gratuity or pension as follows:—

(a) After qualifying service of less than 7 years a gratuity not exceeding one month's emoluments for each completed year of service (except in special cases and under the orders of the Government of India, who may sanction a maximum of 12 months' emoluments). If the emoluments of the officer have been reduced during

the last three years of his service, otherwise than as a penalty, average emoluments may, at the discretion of the authority which has power to sanction the gratuity, be substituted for emoluments.

(b) After a service of not less than 7 years, a pension not exceeding the following amounts:—

| Completed years of qualifying Service. | Scale of Pension.                 | Maximum. Rs. per annum. |
|----------------------------------------|-----------------------------------|-------------------------|
| 7                                      | 7 sixtieths of average emoluments | 2,000                   |

## Additional Pensions.

11. The Government of India have classified certain high appointments into two grades, the lower comprising those posts which involve high but intermediate responsibility, the higher consisting of those which require a marked degree of independent administrative and professional capacity. ## VACANCIES IN THE MINES INSPECTION STAFF IN INDIA.

The following particulars relate to appointment of Junior Inspectors of Mines in the Mines Inspection Staff in India. Vacancies are ordinarily advertised as they occur. Candidates should not ordinarily be under 25 and not over 30 years of age, and should have had a good general education. They should hold a first-class certificate of competency under the English Coal Mines Regulation Act, and preferably should either possess a degree in mining at a recognised college in England, or should have served a regular pupilage under a recognised Consulting Mining Engineer or Colliery Owner.

The Staff consists of a Chief Inspector, three Inspectors and five Junior Inspectors. The monthly rates of pay for officers of non-Asiatic domicile are given on p. 378. A Junior Inspector is required to officiate for Inspectors who are on leave, and when not so employed to work in one of the circles, under the Inspector of that circle.

In addition to the rate of pay therein set forth, a Junior Inspector of Mines is entitled to travelling allowances under the conditions laid down in the Supplementary Rules made under the Fundamental Rules, in respect of journeys performed on duty, but he is not entitled to house allowance, and in accordance with recent prac-

tice he is not granted exchange compensation allowance. He is required to pass such examinations in a vernacular language as the Local Government may prescribe.

Officers appointed are on probation for two years. If at the end of the period the appointment is confirmed, service in India will count for leave and pension, with effect from the beginning of the probationary period.

Free first-class passage to India is provided, and a return passage in the event of the appointment being terminated at the end of the probationary period, or in the event of the officer being compelled to quit the service in India at an earlier date owing to ill-health certified to the satisfaction of the Government. If confirmed in the appointment, Passage Concessions will be admissible to officers of non-Asiatic domicile subject to the conditions laid down in the Superior Civil Service (Revision of Pay Passage and Pension) Rules, 1924.

If any recruitment is undertaken in the country it will be conducted by the High Commissioner for India, to whose office at Grosvenor Gardens, S.W. 1, any requests for information regarding vacancies for which candidates are being sought should be addressed.

## APPOINTMENTS TO THE INDIAN ARMY.

## REGULATIONS FOR ADMISSION.

Candidates competing for commissions in the Indian Army are required to pass the Army Entrance Examination held by the Civil Service Commissioners. Forms of application for permission to attend the Examination may be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. 1. These examinations are to be held twice a year (in June and November) at various centres in the United Kingdom. Candidates must be between 18 and 19 years of age at a date specified in the notice of the examination, and must be of good health and character. The obligatory subjects are: Part I, English, General Knowledge, Interview, and Record and one of the following:—Modern Language, General History, Elementary Mathematics or Everyday Science. Candidates may also take not more than two of the following optional subjects: Part II,\* Latin, Greek, French, German, Modern History, Lower Mathematics, Higher Mathematics, Physics, Chemistry or Biology. In addition to these subjects candidates may be examined in Freehand Drawing. Additional marks are given to candidates who have obtained certificate "A," or its equivalent in the Officers' Training Corps. Further particulars regarding the examination are contained in the Regulations for admission to the Royal Military College, Sandhurst (price 3d.), which may be obtained from His Majesty's Stationery Office, Adastral House, Kingsway, London, W.C. Specimens of papers set at past examinations, with tables of marks (price 1s.), may also be obtained from the Stationery Office.

## INDIAN ARMY CADETSHIPS AT SANDHURST.

The notice of the examination issued by the War Office specifies the number of cadetships offered at the examination which are tenable at the Royal Military College, Sandhurst. Of these the greater number are for the British Army; but a limited number are also usually offered for the Indian Army. 70 cadetships carrying appointment to the Indian Army are offered at Sandhurst in the course of a year, and as the examinations are held twice a year, the number of these cadetships offered in connection with any examination is limited to 35, but this depends on the requirements of the Indian Army at the time. Not more than 10 of these will be allotted at each examination to King's India Cadets nominated by the Secretary of State for India (see below) and one or two to King's Cadets nominated by the Army Council, the balance to be allotted by open competition. After the King's Cadets and King's India Cadets have been provided for, the other available appointments to the Indian Army are offered to the Sandhurst cadets in the order of merit on passing out of the College.

A certain number of "Prize Cadetships" are

offered at the Army Entrance Examination, and are open both to candidates for the British Service, and to those who desire to obtain appointments in the Indian Army.

Under present conditions the course at Sandhurst lasts for 18 months. At the end of the period of training the Indian Army cadets who are recommended for commissions will be gazetted to the Unattached List for the Indian Army, and will be sent out to India for attachment to a British unit in that country for one year. On the conclusion of a year's service with a British unit, they will, if recommended, be posted to a unit of the Indian Army.

## KING'S INDIA CADETSHIPS.

Twenty King's India Cadetships at the Royal Military College, Sandhurst, are offered every year. These King's India Cadetships are confined by statute to the sons of persons who have served the Crown in India. To be eligible for these cadetships, candidates must attain a qualifying standard at the Army Entrance Examination. The nominations are made by the Secretary of State for India in Council according to definite rules, the length and distinction of the father's service being the primary consideration. Special consideration is, however, given to the sons of deceased officers. The services of relatives other than the father cannot be taken into consideration in allotting these cadetships.

A King's India Cadetship carries the right of appointment to the Indian Army. Remission of fees and contribution towards incidental expenses (see below under Fees) may be granted in cases where, after due enquiry, the cadet's pecuniary circumstances are ascertained to be such as to justify the payment.

Three Honorary King's India Cadetships at the Royal Military College are offered annually to the sons of officers of the Indian Army or Indian Medical Service, who have reached the rank of Major, and who have died in the Service or have had distinguished war service.

Only those candidates who intend to apply for appointment to the Indian Army on being commissioned are eligible for nomination as King's India Cadets or Honorary King's India Cadets, and any pecuniary concessions granted to a King's India Cadet have to be refunded if the Cadet does not join the Indian Army.

Forms of application for King's India Cadetships can be obtained from the Secretary, Military Department, India Office.

## UNIVERSITY CANDIDATES.

A few direct appointments to the Unattached List for the Indian Army are made by the War Office from candidates nominated by the principal Universities in the United Kingdom. The Regulations for University Candidates can be obtained from the Stationery Office.

\* No Candidate may offer similar subjects in Part I. and II.

## INDIAN ARMY—continued.

## TERRITORIAL FORCE AND SUPPLEMENTARY RESERVE.

A few direct appointments are also offered to officers of the Territorial Army and Supplementary Reserve, between the ages of 21 and 25, who undertake the Final Examination at the Royal Military College, Sandhurst, under arrangements made by The War Office.

## FEES.

The fees ordinarily payable by cadets range from 20*l.* to 200*l.* a year according to the rank and circumstances of the cadet's father. In addition to this fee a contribution of 55*l.* will be required from the parent or guardian of each cadet in aid of uniform, books, and other incidentals for the first two terms, and 15*l.* for the third term. The sums due should be paid to the College Accountant immediately the cadet enters the Royal Military College, but in the case of a King's India Cadet they should be paid on instructions from the India Office. Any expenditure on uniform, books, and incidentals in excess of this 70*l.* must be paid by the parent or guardian of the cadet at the end of the course.

While under instruction cadets are expected to be supplied with pocket money by their parents or guardians at the rate of 4*l.* a month.

In no case will the parent of a King's India Cadet be called upon to pay fees in excess of £105 per annum plus the usual contribution of £70.

Free issues of binoculars and prismatic compasses will be made to the cadets on joining the Royal Military College, and on being commissioned they will receive an outfit allowance of 50*l.*

In the case of all cadets a contribution is made by Government which is intended to cover the cost of messing, laundry, and servants at the Colleges, but any expense incurred beyond the amount of this Government contribution must be paid by the cadet or his parent.

## PAY ON BEING COMMISSIONED.

Cadets from Sandhurst who are gazetted to the Unattached List for the Indian Army receive pay at the rate of 10*s.* 4*d.* a day\* (pay of a

Second Lieutenant of British Infantry), from the date of their commission to the date of their arrival in India. Ration allowance at current rates is also payable up to date of embarkation. On attachment to a British unit in India, Second Lieutenants of the Unattached List will receive pay at Rs. 385 per mensem, plus Rs. 20 per mensem, if free quarters are not provided. On appointment to an Indian regiment they will receive the Indian Army pay and allowances of their rank.

## PAY OF OFFICERS OF THE INDIAN ARMY.

Information regarding the pay, leave, promotion and pensions of Indian Army Officers appears on p. 349.

## FAMILY PENSIONS.

All candidates appointed to permanent commissions in the Indian Army are required, as a condition of their appointment, to subscribe to the "Indian Military Widows' and Orphans' Fund." The rules\* of this Fund can be obtained on application to the Controller of Pension Funds, India Office. In addition to these pensions, the families of officers of the Indian Army are eligible for the pensions laid down in the Royal Warrant for the pay of the British Army.

## SCHOLARSHIPS.

Officers appointed to the Indian Army will be eligible equally with officers appointed to the British Service for the scholarships of the annual value of £50, tenable for five years, which will, from August, 1925, be awarded to young officers on first appointment to commissions for promise of special ability for regimental work, or for staff or other special work. Six such scholarships will be awarded each half-year to officers commissioned from the Royal Military College, and two to University candidates of high intellectual training.

These conditions are subject to such alterations at any time as may be determined by the Secretary of State for India in Council.

## INDIAN MEDICAL SERVICE—continued.

## CERTIFICATES OF AGE AND NATIONALITY REQUIRED BY NATIVES OF INDIA.

NOTIFICATION No. 727 (MEDICAL), DATED 4TH APRIL, 1919.

In supersession of the Notification of the Government of India, Military (Medical) Department, No. 477, dated 22nd May, 1903, the Governor-General in Council is pleased to publish the following rules under which certificates of age and nationality will be issued to natives of India who are candidates for the examinations for the Indian Medical Service held in England:—

## GENERAL RULES APPLICABLE TO ALL CANDIDATES.

I. A candidate for admission to compete in England for the Indian Medical Service is required before leaving India to obtain a certificate of age and nationality, signed, should he be a resident in British India, by the Secretary to Government of the Province, or the Commissioner of the Division within which his family resides; or, should he reside in a Native State, by the highest Political Officer accredited to the State in which his family resides.

NOTE.—In the case of a candidate who has proceeded to England without obtaining a certificate, the certificate may be granted to his father or guardian, provided that the latter produces the requisite evidence, and, when making the application, states when the candidate went to England and where he has been residing during his stay in that country.

II. In order to obtain a certificate, a candidate is required, if resident in British India, to prove the date and place of his birth before the Magistrate of the district in which his family resides, or, if resident in a Native State, before the Political Officer of the State in which his family resides.

III. A candidate must, if resident in British India, signify to the Secretary to Government of the Province or the Commissioner of the Division in which his family resides, his desire to compete not less than three months before the date on which he proposes to go to England. If resident within a Native State, he must signify his desire in like manner to the highest Political Officer accredited to the State within which his family resides.

The officer to whom the application is made shall forward it for the purpose of enquiry to the Magistrate of the district or Political Officer of the State in which the applicant's family resides.

IV. The Magistrate or Political Officer to whom such application has been forwarded shall call upon the candidate to appear and give evidence of the date and place of his birth, and of his nationality, within one month. He will carefully examine into the value of the evidence given, and forward a summary of it with certified

copies of all documents tendered, and his comments and opinion, to the officer who forwarded the application to him for enquiry.

V. The documentary evidence which a candidate may be expected to produce comprises—

- a. The horoscope.
- b. Family books.
- c. Tradesmen's account books showing entries relating to the birth.
- d. The record of admission in the registers of the school in which the candidate was educated, and the record of the candidate's age at various periodical school examinations.
- e. If the candidate is matriculated, a certified copy of his application to the Registrar.

Oral testimony of persons acquainted with the candidate's family or otherwise able to give relevant evidence, will also be taken; and the candidate is required to comply to the best of his power, with any requisition the Magistrate or Political Officer, as the case may be, may make in order to clear up any doubt as to the purport of the documentary proof.

VI. Any declaration of age made after the application of these rules on the occasion of seeking admission to any university examination, educational institution, or Government office, or otherwise recorded in a formal and deliberate manner, will be taken as conclusive evidence in disproof of the subsequent assertion by the same person that he is of different age to that so declared or recorded.

## RULES TO APPLY TO CANDIDATES BORN IN HIS MAJESTY'S DOMINIONS.

VII. Where the date and place of the birth have been formally registered in a register kept by any public officer in British India, an extract from the register, duly certified by the proper official, shall be accepted as sufficient proof of the date and place of the birth.

VIII. In the case of a candidate who and whose father were born in His Majesty's Dominions.—If the Secretary to Government, Commissioner of a Division, or the highest Political Officer accredited to the State, as the case may be, is satisfied by the papers submitted, he will issue a certificate in the following form, setting out the nature of the evidence produced by the candidate:—

I hereby certify that

**ROYAL INDIAN MARINE—Officers**

(Pending the constitution of a Royal Indian Navy it is not anticipated that any further appointments will be made to the Royal Indian Marine. The rules hitherto in force for appointment to the Royal Indian Marine are as follows:—

All first appointments of executive officers in the Royal Indian Marine are made by the Secretary of State for India, and no candidate can be appointed who is not, in the opinion of the Secretary of State, in all respects suitable.

Candidates must be the sons either of natural born or naturalized British subjects. In doubtful cases the burden of proof will rest upon the parents or guardians of candidates.

No candidate can be considered for appointment as Midshipman or Sub-Lieutenant who on the date of application is under 17 or over 22 years of age. Preference will ordinarily be given to candidates trained on the "Conway" or the "Worcester," or at the Pangbourne Nautical College. Candidates must have had sea service outside the Indian Ocean.

Candidates who possess a Board of Trade Certificate (Second Mate) will if selected for appointment, be appointed in the rank of Sub-Lieutenant. Candidates who do not possess a Board of Trade Certificate may be appointed as Midshipmen, but to be eligible for consideration must at the date of appearance before the Selection Board have not less than two and a half years' sea service \*. Candidates appointed as Midshipmen will be required to qualify for promotion to Sub-Lieutenant, on the completion of the qualifying period of sea service, by passing the necessary qualifying service examination.

An application for appointment must be made on the prescribed form, which can be obtained from the India Office, and must be accompanied by certificates of birth and character, in original, which will be returned after being noted. Candidates are required to appear at the India Office before a Selection Board appointed by the Secretary of State. Applications will be recorded and considered by the Board at its next meeting, but no appointment will be made until a vacancy occurs. The names of candidates are ordinarily removed from the list on their attaining the age of 22 years.

The appointment of candidates is not affected by absence from England, but a candidate who has been appointed will be required to report himself to the Secretary, Military Department, India Office, London, S.W. 1, or to the Director, Royal Indian Marine, Bombay, before the expiry of six calendar months from the date of the letter notifying his appointment.

A selected candidate will not be appointed to the service unless a Medical Board† certifies his fitness for service in India.

On appointment a first-class passage to Bombay will be provided, and, if required, an advance of pay not exceeding £25, recoverable in India, will be made. If appointed in the first instance as a midshipman, an outfit allowance of £15 will be issued, with a subsequent grant of £10 on promotion to the rank of Sub-Lieutenant. If appointed in the first instance as Sub-Lieutenant outfit allowance will be issued of £25, unless the candidate has already received an outfit allowance from the Admiralty within a year of the date of his appointment, in which case it will be of £10.

Pay commences from the letter notifying the candidate of his appointment, and service for pension reckons from the date on which an officer joins his ship or appointment, if he is 19 years of age or over; otherwise from the date of attaining that age.

As a condition of appointment to the rank of sub-lieutenant officers are required to subscribe for the benefits of family pensions.

The King has approved of the grant of commissions to officers of the Royal Indian Marine.

Applications for appointment or for further information should be addressed to the Secretary, Military Department, India Office, London, S.W. 1.

For conditions of appointment of Engineer Sub-Lieutenants, see below.

\* Under the Board of Trade Regulations, time served on board a training ship will be allowed to count as equivalent to one-half the same time spent in service at sea, up to a limit of two years (i.e., no length of service will be allowed to count as more than one year at sea), subject to the production of satisfactory certificates from the Committee or Captain Superintendent of the Ship.

† In general the selected candidate will be examined by the Medical Board at the India Office, but arrangements can be made, if desired, for the medical examination to be held in India if the candidate at the time of selection is in Indian waters, or if his homeward route would be via India.

such orders as may be passed by the Government of India, and is liable to degradation, suspension, and dismissal by the Government of India for any breach of such rules or orders, or for misconduct.

14. The principal leave and pension rules are contained in the Fundamental Rules and Civil Service Regulations, and are summarised below; but it is to be understood that the rules are subject to alteration at the discretion of Government. Pilots are required to contribute towards the cost of pensions for their widows and orphans under rules which will be found printed at the end of this Memorandum.

## Principal Rules relating to the Pay, Leave, and Pensions of the Bengal Covenanted Pilot Service.

*Note.*—The following paragraphs are merely intended to show the principal leave rules in the Fundamental Rules at present applicable to the Bengal Pilot Service without going into minute details, and do not profess to deal with every case that may arise. The rules are subject to alteration, and any disputed question must be decided with reference to the authorised text of the Fundamental Rules for the time being.

## LEAVE.

1. Leave is calculated in terms of "leave on average pay," and the amount of "leave on average pay" for which an officer is eligible is  $5/22$ nds of the period spent on duty.

2. Subject to certain maxima and minima, an officer may draw, at his option, leave salary equal to the average pay of the last 12 months of completed duty or to half such average pay. All leave on average and half the period on half average pay is counted against the leave earned. An officer may take his leave on average pay, on half average pay, or on a combination of the two, provided that his continuous absence from duty does not exceed 28 months, and that the amount of leave taken on average pay does not exceed eight months at any one time. The maximum amount of leave admissible during an officer's career is the equivalent of leave on average pay for three years +  $1/11$ th of the period spent on duty, of which not more than one year +  $1/11$ th of the period spent on duty may actually consist of leave on average pay. Leave not due and carrying half average pay may be granted on medical certificate and, within certain limits, for other reasons, but an officer will not again commence to earn leave until the expiration of a fresh period of duty sufficient to earn a credit of leave equal to the leave he has taken before it was due. After 28 months' absence from duty an officer will draw quarter average salary, subject to certain maxima and minima.

3. With certain exceptions, leave salary shall be drawn in rupees if due in respect of leave which is spent in Asia, and in sterling if

due in respect of leave spent out of Asia. The rate of exchange for the conversion of leave salary is prescribed from time to time by the Secretary of State. At present it is the current rate of exchange subject to a minimum of rs. 4d. during the first four months of a period of leave on average pay and of rs. 6d. during the remainder.

4. It should be noted that leave can never be claimed as of right, but is given or refused at the discretion of Government.

## Pay of Grades.

5. For the purposes of the leave rules the average pay of the several grades of the Service shall be taken to be as follows (these figures are, however, liable to alteration):—

|                                               | Rs. a month. |

Certain allowances are given to Pilots while on special duty and for certain journeys to joi vessels.

Notices of death are in like manner to be forwarded to the Port Officer.

## Effect of Resignation or Dismissal.

Subscriptions by a Pilot for the purpose of securing pensions for his wife and children are refunded in the event of his resignation or dismissal.

## Declarations.

Widows and female orphans above the age of 15 years are required to forward to the office of the Accountant-General, Bengal, declarations half-yearly, in May and November, that they are not married, and that they have not been

## ROYAL INDIAN MARINE—continued.

## PROMOTION.

1. On completing the sea service necessary in each case, Engineer Officers of the Royal Indian Marine must apply through their Commanding Officer to the Director, Royal Indian Marine, for examination as to their qualifications for promotion to a higher grade.

2. Should an officer fail to present himself for examination for Engineer Lieutenant within three years of the date of his joining the Service, or for Engineer Commander within three years of the date of his promotion to Engineer Lieutenant, or attain the age of 26 years without having obtained a certificate as Engineer Lieutenant, his case will be submitted to the Government of India in order that it may be considered whether his further retention in the service is desirable. Failure on the second time to obtain any one of the certificates required will involve a loss of three months' seniority, and the case of an officer who fails a third time will be submitted for the orders of the Government of India as to his dismissal. Failure under any circumstances will involve supersession in the event of promotion taking place, and an officer failing will be required to present himself for re-examination as soon after three months from the date of failure as a Board of Examiners can be assembled.

3. To qualify an Engineer Sub-Lieutenant for promotion to the grade of Engineer Lieutenant, he must have completed at least 18 months' sea

service as an Engineer Sub-Lieutenant in the Royal Indian Marine, and have passed satisfactorily the examination for promotion to Engineer Lieutenant. On qualifying for promotion to the grade of Engineer Lieutenant he will be required to serve in the Royal Indian Marine for 18 months before he is actually promoted to Engineer Lieutenant.

4. To qualify an Engineer Lieutenant for promotion to Engineer Commander, or for any increase of pay as Engineer Lieutenant, he must have obtained, by passing the necessary qualifying Service examination, an Engineer Commander's certificate. Before appearing for this examination, he must have completed at least two years' service in the Royal Indian Marine as an Engineer Lieutenant.

5. Promotion to the grade of Engineer Commander will be made wholly by selection by the Government of India, on the recommendation of the Director of the Royal Indian Marine.

6. The Government of India reserve the right, which they have always exercised, of admitting officers from other services or departments to any class of the establishment, or of making promotions on public grounds irrespective of seniority.

6. After five years' service as a Leadsman Apprentice, of which one year must be as a Mate Leadsman, he will be allowed to appear at an examination to qualify for appointment as Mate Pilot, but if he shows exceptional ability, and has passed each previous examination on his first attempt, bears a very good character, and is otherwise well reported on, this period

may, with the special sanction of Government, be reduced to 4½ years, when, if successful in the examination, he will be promoted to the grade of Mate Pilot on the occurrence of a vacancy.

7. After three years' service as Mate Pilot he will be permitted to go up for an examination to qualify for appointment as Master Pilot, and, if successful, he will be promoted to that grade on the occurrence of a vacancy.

8. Vacancies which occur in the grade of Branch Pilot will be filled up by promotion, from the Master Pilots' grade, of men who have passed the Branch Pilots' examination.

9. Branch Pilots and Pilots who have passed the Branch Pilots' examination, on attaining the age of 40, will, while under 55 years of age, be examined at intervals of three years by the Marine Surgeon with respect to their eyesight and general physical fitness for the performance of their duties. All pilots who continue in the Service after attaining the age of 55 years will be similarly examined every year.

10. If the Government has reason to believe that a Pilot is, owing to physical unfitness of any kind, incapable of discharging his duties properly, it shall arrange for his medical examination, and shall take such action as may seem desirable when the results of that examination are communicated. In particular, Pilots shall be medically examined after the occurrence of any accident to the vessel in their pilotage charge, if the circumstances tend to show that the accident was in any way attributable to physical unfitness on the part of the Pilot.

11. Pilots are not entitled to any salary while on pilotage duty, but receive as their remuneration a share, at present 50 per cent., but liable to alteration at the discretion of the Government of India, of the pilotage dues paid by ships piloted by them. At present a minimum rate of remuneration is guaranteed, as follows:—

12. The Government of India reserves to itself the right to require all Pilots to obtain a Home Trade Master Mariner's Certificate before they are promoted to be Senior Master Pilots.

13. Every member of the Pilot Service is subject to such rules as the Government of India may from time to time make in regard to discipline, leave, leave allowances, number of officers in the Service, distribution into grades, tonnage of ships to be allotted to the several grades, &c., and in all respects he is amenable to

3. The candidate's height will be measured as follows :—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. In the Indian Police Force a minimum height of 5 ft. 4 ins. is required, but in other departments no fixed limit of height is enforced.

4. The candidate's chest will be measured as follows :—He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted. The minimum and maximum will then be recorded in inches, 33—35, 34—36½, &c. In recording the measurements, fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

# APPOINTMENTS TO THE INDIAN SERVICES.

## Preliminary Examination of Candidates by the India Office Medical Board.

Candidates for appointments may, if they wish it, undergo a preliminary examination by the Medical Board, which meets at the India Office, under the following conditions :—

(a) Applications must be addressed to the Under Secretary of State, India Office, Whitehall, London, accompanied by a fee of two guineas, and a statement as to the particular appointment which the candidate desires to obtain.

(b) Candidates must pay their travelling expenses.

(c) It must be understood that the opinion of the Medical Board, which will be communicated by the Board to the candidate at the end of the examination, is solely for the candidate's own information and is not an official finding. The Board, if they consider a candidate unfit, will exercise their discretion as to informing him of the particular grounds on which their opinion is based. No further information can in any case be given as to the Medical Board's opinion, which will be confined solely to the physical fitness of the candidate; and any question as to the eligibility of the candidate, if found physically fit, to be admitted to the particular Indian service which he desires to enter, should be addressed in writing to the Under Secretary of State.

(d) Candidates considered to be unfit by the Medical Board at this preliminary examination are not bound to accept its opinion, but may, at their own risk, continue their studies, with the knowledge that they will have to submit themselves for a final medical examination by the Medical Board prior to the examination or to their appointment.

(e) As the preliminary examination by the Medical Board is held solely for the candidate's information, a candidate who is informed after such an examination that he is physically fit will have on that account no claim to be accepted as physically fit when he presents himself for the final medical examination, upon which alone his acceptance or rejection will depend. Candidates may be considered fit for the Service at the preliminary examination, but may be found at the final examination to be unfit, either on account of some physical defect which did not exist or passed undetected at the preliminary examination, or for other reasons.

INDIA OFFICE.

## Inoculation against Enteric Fever and Vaccination against Smallpox.

All persons proceeding to India for the first time are in their own interests strongly recommended before leaving this country to arrange for :—

- (a) inoculation with vaccine against enteric fever and the other fevers of the typhoid group;
- (b) vaccination against smallpox.

In the cases of officers appointed to the Indian Military Services, or to the Royal Indian Marine, inoculation against enteric will be carried out free of charge on his applying to a military hospital.

An officer appointed to the Indian Military Services or to the Royal Indian Marine, who desires to be inoculated by his private medical attendant (which will be at his own expense) may apply by letter to the Commandant, Royal Army Medical College, Grosvenor Road, London, S.W. 1, to have the necessary vaccine sent to his private medical attendant, whose name and address should be given. The charge for this service is 11s. 6d. per dose, which includes postage, and a remittance for this amount should accompany the application.

In the case of an officer appointed to one of the Civil Services of the Government of India, the individual should make his own arrangements for inoculation and vaccination. No refund of expenses in this connection will be admissible.

As inoculation against enteric fever and vaccination against smallpox (which have to be done separately) necessarily take up considerable time, early arrangements should be made. It is advisable to have all complete about a fortnight before leaving England.

The wives and families of officers of the Indian Military Services, and of the Royal Indian Marine, are not, in this country, entitled to inoculation at Government expense. Private arrangements should therefore be made. Vaccine for the purpose will be supplied, on payment as above, by the Royal Army Medical College.

All persons who have not been recently successfully vaccinated against smallpox should be vaccinated before sailing. Private arrangements should be made.

N.B.—Vaccination is neither performed at, nor vaccine lymph supplied by, the Royal Army Medical College.

If it is not practicable to have inoculation and vaccination done before departure from this country, application should, immediately on arrival at destination in India, be made to the Government Medical Officer, who will be the official medical attendant of the officer.

  - in exceptional circumstances, on other personal considerations.
- (24) *Presumptive pay of a post*, when used with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant performs or discharges the work or responsibility, or is exposed to the unhealthy conditions, in consideration of which the special pay was sanctioned.
- (25) *Special pay* means an addition, of the nature of pay, to the emoluments of a post, or of a Government servant, granted in consideration of—
- the specially arduous nature of the duties; or
  - a specific addition to the work or responsibility; or
  - the unhealthiness of the locality in which the work is performed.
- (26) *Statutory Civil Servant* means a native of India who was appointed, under notification of the Government of India in the Home Department No. 1534, dated the 22nd August, 1879, to an office, place or employment mentioned in Section 6 of Statute 33 Vict. chap. 3.
- (27) *Subsistence grant* means a monthly grant made to a Government servant who is not in receipt of pay or leave salary.

- (28) *Substantive pay* means the pay other than special pay or pay granted in view of personal qualifications, which a Government servant draws on account of a post which he holds substantively or by reason of his substantive position in a cadre.
- (29) *Technical pay* means pay granted to a Government servant in consideration of the fact that he has received technical training in Europe.
- (30) *Temporary post* means a post carrying a definite rate of pay sanctioned for a limited time.

- (32) *Travelling allowance* means an allowance granted to a Government servant to cover the expenses which he incurs in travelling in the interests of the public service. It includes allowances granted for the maintenance of conveyances, horses and tents.

## PART II.

## CHAPTER III.—GENERAL CONDITIONS OF SERVICE.

10. Except as provided by this rule, no person may be substantively appointed in India to a permanent post in Government service without a medical certificate of health, which must be affixed to his first pay bill. A local Government may make rules prescribing the form in which medical certificates should be prepared, and the particular medical or other officers by whom they should be signed. It may, in important cases, dispense with the production of a certificate, and may by general order exempt any specified class of Government servants from the operation of this rule.

11. Unless in any case it be otherwise distinctly provided, the whole time of a Government servant is at the disposal of the Government which pays him, and he may be employed in any manner required by proper authority, without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from general revenues, from a local fund, or from the revenues of an Indian State.

12.—(a) Two or more Government servants cannot be appointed substantively to the same permanent post at the same time.

(b) A Government servant cannot be appointed substantively, except as a temporary measure, to two or more permanent posts at the same time.

(c) A Government servant cannot be appointed substantively to a post on which another Government servant holds a lien.

35. a Government servant officiating in a post will draw the presumptive pay of that post. If, however, the presumptive pay of the post, whether permanent or temporary, which he holds substantively is greater than the presumptive pay of the new post, he will draw pay equal to the presumptive pay of his substantive post.

NOTE.—If the post in which a Government servant officiates is tenable by a Government servant of any one of several grades or classes in a cadre, and the fixation of the pay of all such grades or classes is within the competence of the local Government, the local Government may permit the officiating Government servant to draw the pay of any one of such grades or classes.

32. A Government servant officiating in a post on a time-scale draws as initial pay the stage of the time-scale next above his substantive pay, if any; provided that if he has previously officiated in the post or in a post in the same cadre on the same time-scale, his initial pay shall not be less than the pay which he drew when last officiating. All officiating service in any stage of the time-scale, whether continuous or not, counts for increment in that stage. If the presumptive pay of the Government servant's substantive post at any time exceeds the pay calculated under this rule, he will draw pay equal to that presumptive pay.

NOTE.—In cases where the fixation of the time-scale of pay is within the competence of the local Government, the local Government may permit the officiating Government servant to draw as initial pay any stage of the time-scale.

33. When a Government servant officiates in a post the pay of which has been fixed at a rate personal to another Government servant, a local Government may permit him to draw pay at any rate not exceeding the rate so fixed, or, if the rate so fixed be a time-scale, may grant him initial pay not exceeding the lowest stage of that time-scale and future increments not exceeding those of the sanctioned scale.

34. If a military officer holding substantively a post in a civil department officiates in a military post, he will draw in the military department the emoluments to which he would have been entitled under military rules had his substantive post been a post under the military department.

35. A local Government may fix the pay of an officiating Government servant at an amount less than that admissible under these rules.

36. A local Government may issue general or special orders allowing acting promotions to be made in the place of Government servants who are treated as on duty under Rule 9 (6) (b).

37. *Personal Pay.*—Except when the authority sanctioning it orders otherwise, personal pay shall be reduced by any amount by which the recipient's pay may be increased, and shall cease as soon as his pay is increased by an amount equal to his personal pay.

38. *Pay of Official Members of the Indian Legislature.*—A Government servant nominated as a member of the Legislative Assembly or the Council of State shall receive, while serving on the Assembly or the Council, the pay which he would from time to time have drawn had he

not been so serving. He shall receive, in addition, such travelling allowance as the Governor-General in Council may fix.

39. *Pay of Temporary Posts.*—When a temporary post is created which may have to be filled by a person not already in Government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

40. When a temporary post is created which will probably be filled by a person who is already a Government servant, its pay should be fixed by the local Government with due regard to—

- (a) the character and responsibility of the work to be performed, and
- (b) the existing pay of Government servants of a status sufficient to warrant their selection for the post.

41. (Cancelled.)

42. *Subsistence Grants.*—A local Government may make a subsistence grant to a Government servant in the following circumstances:—

- (a) To any Government servant other than a military officer, while under suspension.
- (b) To any Government servant appointed in the United Kingdom, up to a maximum of two months, if, on first arrival in India, he is prevented by illness from proceeding to the seat of the Government to which he is attached, or to any other station to which he is ordered to proceed direct.

43. The amount of subsistence grant shall be regulated as follows:—

- (a) In the case of—
  - (i) a member of the Indian Civil Service, a statutory civil servant or a military commissioned officer subject to the civil leave rules; or
  - (ii) any other Government servant receiving subsistence grant under Rule 42 (b), it shall be such as the Secretary of State in Council may by general order prescribe.
- (b) In the case of any Government servant under suspension, other than a member of the Indian Civil Service or a military commissioned officer subject to the civil leave rules, it shall be such as the suspending authority may direct, but shall in no case exceed one-fourth of the pay of the suspended Government servant.

#### CHAPTER V.—ADDITIONS TO PAY.

44. *Compensatory Allowances.*—Subject to any restrictions which the Secretary of State in Council may by order impose upon the powers of the Governor-General in Council or the Governor in Council, as the case may be, and to the general rule that the amount of a compensatory allowance should be so regulated that the allowance is not on the whole a source of profit to the recipient, a local Government may grant such allowances to any Government servant under its control, and may make rules prescribing their amounts and the conditions under which they may be drawn.

45. *Provision of Residences.*—When a Government supplies a Government servant with a residence, leased, acquired or constructed at Government expense, the following conditions shall be observed:—

- (a) The scale of accommodation supplied shall not exceed that which is appropriate to the status of the occupant.
- (b) Save in the circumstances mentioned in clause (c) below, the occupant shall pay rent for the residence, and such rent shall not exceed the standard rent which the local Government may fix for the residence, or 10 per cent. of the occupant's emoluments, whichever is less. Emoluments, for the purpose of this rule, include compensatory allowance other than travelling allowance, whether drawn from general revenues or from a local fund, and pension, if the occupant is in receipt of pension.

NOTE.—The standard rent shall be calculated as follows:—

- (i) In the case of leased residences, it shall be the sum paid to the lessor, plus such allowance for maintenance and repairs, if these are a charge on the local Government, as the latter may fix.
- (ii) In the case of residences acquired or constructed by Government, it shall be calculated on the cost of acquiring or constructing the residence, including any capital expenditure incurred after acquisition or construction, together with the cost or assessed value of the site, and shall be a percentage of its cost equal to such rate of interest as may from time to time be fixed by the Secretary of State in Council, plus such allowance for maintenance and repairs as the local Government may fix.

(c) Nothing contained in clause (b) above shall operate to prevent a local Government from—

- (i) taking in any particular area a uniform percentage of emoluments, not exceeding 10 per cent., as rent from each Government servant supplied with a residence; provided that, if the uniform percentage taken is less than 10 per cent., the total amount of the standard rent fixed for all residences supplied in that area is thereby recovered; or
- (ii) taking from any Government servant who is in receipt of a compensatory allowance granted on account of dearth of living, a rent in excess of 10 per cent. of his emoluments.

(d) A local Government may make rules prescribing the principles on which rent shall be assessed in the case of Government servants who are supplied with residences in more than one station, or who, owing to the nature of their duties, occupy Government residences for a part only of the year; provided that—

- (i) a Government servant to whom more residences than one are allotted, shall not pay less rent for the total

period of occupation in any one year than 10 per cent. of his emoluments for that period, or the total of the standard rents for the period of occupation of each house, whichever is less, and

(ii) a Government servant to whom a Government residence is allotted for a part only of the year shall not pay less rent than the amount calculated on that residence under clause (b) above for the period of occupation.

(e) A local Government may, in very special circumstances, for reasons which should be recorded, waive or reduce the amount of rent to be recovered, or grant rent-free accommodation to Government servants who are required to occupy particular houses in order to ensure the proper performance of their duties.

(f) The limit of 10 per cent. prescribed under clause (b) and the uniform percentage of emoluments mentioned in clause (c) above have reference to the rent of the building only. Adequate additional rent should be charged for furniture, water supply and sanitary, heating and electric installations, if these are supplied. Such charges should not be forgone, except in very special circumstances, for reasons which should be recorded.

46. *Honoraria.*—A Government servant may be granted a honorarium from general revenues, or permitted to receive a honorarium or a recurring or non-recurring fee from a private person or body, or from a public body, including a body administering a local fund, or from an Indian State, in return for work performed either within or outside the course of his ordinary duties, when the work is of such exceptional merit or of such an arduous or peculiar nature as to justify a special reward. The reasons for the grant of the honorarium or fee shall be recorded in writing by the sanctioning authority.

46A. The Governor-General in Council may make rules prescribing the conditions under which an honorarium or a fee may be received by a medical officer in civil employ, for services other than professional attendance, from a private person or body or from a public body.

47. A local Government may make rules fixing the amounts which may be sanctioned for acceptance by any Government servant other than a medical officer in civil employ, as honoraria or fees by the authorities subordinate to it and specifying the conditions under which they may be granted or accepted.

48. Any Government servant is eligible to receive without special permission (a) the premium awarded for an essay or plan in public competition, or (b) any reward offered for the arrest of a criminal or for information or special services in connection with the administration of justice; and also any remuneration or reward payable under any special or local law or in accordance with the provisions of any Act or regulation or rules framed thereunder.

## CHAPTER VI.—COMBINATION OF APPOINTMENTS.

49. A local Government may appoint one Government servant to hold substantively as a temporary measure, or to officiate in, two or more independent posts at one time. In such cases his pay is regulated as follows:—

- (a) The highest pay, to which he would be entitled if his appointments to one of the posts stood alone, may be drawn on account of his tenure of that post;
- (b) For each other post he draws such reasonable pay, in no case exceeding half the presumptive rupee pay of the post, as the local Government may fix; and
- (c) If a compensatory allowance is attached to one or more of the posts, he draws such compensatory allowance as the local Government may fix, provided that such allowance shall not exceed the total of the compensatory allowances attached to all the posts.

## CHAPTER VII.—DEPUTATION OUT OF INDIA.

50. Unless the Secretary of State in Council by general or special order otherwise direct, no deputation of a Government servant out of India shall be sanctioned without previous reference to the Secretary of State in Council.

51. When a Government servant is with proper sanction so deputed, his pay and allowances shall, unless the Secretary of State in Council in any particular case otherwise direct, be regulated by the Governor-General in Council as follows:—

- (a) If the deputation is declared by the Governor-General in Council to be under quasi-European conditions, the Government servant deputed shall be granted not more than two-thirds of the pay which he would draw if he were on duty in India. The Governor-General in Council may relax the limit of two-thirds in the case of a Government servant of Indian domicile. A compensatory allowance also may be granted by the Secretary of State in Council if the deputation is to Europe or America, or in other cases by the Governor-General in Council.
- (b) If the deputation is declared not to be under quasi-European conditions, the emoluments of the Government servant deputed shall be determined by the Governor-General in Council with due regard to the provisions of Rule 40 above as though a temporary post had been created.

With effect from 13th July, 1922, the sterling equivalent of the pay granted under clauses (a) and (b) of this rule to a Government servant during deputation shall be calculated at such rate of exchange as the Secretary of State in Council may by order prescribe, subject to a minimum rate of 1s. 6d. per rupee.

## CHAPTER VIII.—DISMISSAL AND SUSPENSION.

52. The pay and allowances of a Government servant who is dismissed from service cease from the date of such dismissal.

53. A Government servant under suspension is entitled to the following payments:—

- (a) If a military officer in civil employ, to the pay and allowances of his military rank.
- (b) In any other case, to subsistence grant.

54.—(a) When the suspension of a Government servant as a penalty for misconduct is, upon reconsideration or appeal, held to have been unjustifiable or not wholly justifiable; or  
(b) When a Government servant dismissed or suspended pending inquiry into alleged misconduct is, upon reconsideration or appeal, reinstated:

the revising or appellate authority may grant to him for the period of his absence from duty—

- (i) if he is honourably acquitted, the full pay to which he would have been entitled if he had not been dismissed or suspended and, by an order to be separately recorded, any allowance of which he was in receipt prior to his dismissal or suspension; or
- (ii) if otherwise, such proportion of such pay and allowances as the revising or appellate authority may prescribe.

In a case falling under sub-clause (i), the period of suspension or dismissal will be treated as a period spent on duty. In a case falling under sub-clause (ii), it will not be treated as a period spent on duty unless the revising or appellate authority so direct.

55. Leave may not be granted to a Government servant under suspension.

## CHAPTER IX.—COMPULSORY RETIREMENT AND RESIGNATION OF OFFICE.

56.—(a) Except as otherwise provided in this rule a Government servant, other than a ministerial servant, is required to retire on attaining the age of 55 years. He may be retained in service after that age with the sanction of the local Government on public grounds, which must be recorded in writing; but he must not be retained after the age of 60 years except in very special circumstances.

(b) A ministerial servant may be required to retire at the age of 55 years, but should ordinarily be retained in service, if he continues efficient, up to the age of 60 years. He must not be retained after that age except in very special circumstances, which must be recorded in writing, and with the sanction of the local Government.

(c) The following are special rules applicable to particular services:—

- (i) A member of the Indian Civil Service, who is not a judge of a Chief Court, must retire after 35 years' service counted from the date of his arrival in India; provided that, if he has held his post for less than five years, he may, with the sanction of the Governor-General in Council, be permitted to retain it until he has held it for that period.
- (ii) A member of the Indian Civil Service, who is a judge of a Chief Court, must retire on attaining the age of 60 years.

(iii) In the case of the officers specified in Rule 98 below and of the Legal Remembrancer and Secretary to the Legislative Council of the Punjab, if he fulfils the conditions prescribed in that rule, the age limit is 60 years.

(iv) A civil engineer in the Public Works or Railway Department must retire on reaching the age of 55 years, and may be required by the Governor-General in Council to retire on reaching the age of 50 years if he has not attained to the rank of Superintending Engineer; provided that, in the case of Chief Engineers, the local Government may in special circumstances, which should be recorded in writing, grant an extension of service not exceeding three months.

(v) A civilian in the Superior Railway Revenue Establishment or the Superior Establishment of the Telegraph Department must retire on reaching the age of 55 years.

This sub-clause does not apply to members of the first and second divisions of the Superior Telegraph Traffic Branch (other than officers of the old Superior Telegraph Establishment), nor to those of the second division of the Superior Telegraph Engineering and Technical Branches whose retirement is governed by clause (a) of this rule.

(vi) The Bishops of Lahore, Rangoon, Lucknow and Nagpur, though borne on the cadre of the Indian Ecclesiastical Establishment, are not subject to any rule requiring their retirement at a particular date.

(vii) The following provisions are applicable to military officers in civil employ:—

(1) Officers of the Indian Medical Service must retire from civil employ at the age of 55 years, provided that—

1. A Director-General of the Indian Medical Service may remain in service up to the age of 60 years;
2. Surgeons-General and Inspectors-General of Civil Hospitals may remain in civil employ up to the age of 57 years; and
3. A Lieutenant-Colonel who entered the Service before the 1st April, 1911, and was specially selected for increased pay on or before the 16th February, 1921, may remain in civil employ till he completes 30 years' service; but if he is specially selected for increased pay after the 16th February, 1921, he shall be retired on attaining the age of 55 years unless he has not completed 27 years' service for pension, in which case he may be retained until he completes such period of service.

(2) Military officers in the Survey of India Department cease to be in civil employ on reaching the age of 55 years unless granted an extension by the Secretary of State in Council.

(3) Military commissioned officers serving in the Public Works or Railway Department cease to be in civil employ under the same conditions as govern the retirement of civil engineers of those departments. In addition, an officer of the Royal Engineers must retire on attaining the rank of General Officer, provided that, if he is holding a post of Chief Engineer, he may, with the sanction of the Governor-General in Council, be permitted to complete a five years' tenure of the post, unless in the meantime he is required to vacate office under some other regulation.

(4) Military officers serving in any department, other than those mentioned in (1) to (3) of this sub-clause, cease to be in civil employ on reaching the age of 55 years; but any such officer, being a military commissioned officer and having held his post for less than five years, may for special reasons, with the sanction of the Governor-General in Council, be permitted to retain it until he has held it for that period.

NOTE 1.—This rule does not apply to a Government servant who is appointed to any post by His Majesty the King Emperor of India, or by the Governor-General in Council with His Majesty's approval.

NOTE 2.—For the purpose of sub-clauses (i), (vii) (3) and (vii) (4) of clause (c) of this rule, officiating tenure of a post shall be included in calculating the period of five years.

NOTE 3.—The grant under Rule 86 of leave extending beyond the date on which a Government servant must compulsorily retire, or beyond the date up to which a Government servant has been permitted to remain in service, shall be treated as sanctioning an extension of service up to the date on which the leave expires.

57. The resignation of his office by a member of the Executive Council of the Governor-General, of a Governor or a Lieutenant-Governor shall take effect from the date following that of his embarkation at any port in India other than Aden, or from the date of expiry of five years' tenure of office, or from the date of his successor's entry upon office, whichever of these dates be earliest. His five years' tenure shall begin from the date on which he first entered upon office, whether as a temporary member appointed in India or after the issue of His Majesty's warrant of appointment, but shall not include any period, other than a period spent on leave, during which he draws less than full pay.

## PART IV.

## CHAPTER X.—LEAVE.

## Section I.—Extent of Application.

58. Unless in any case it be otherwise distinctly provided in Section VI of this chapter, the rules in Sections I to V of this chapter apply to all Government servants to whom the fundamental rules as a whole apply; provided that it

shall be open to any person who is in Government service at the time when the fundamental rules come into force to exercise the option of remaining under the leave rules to which he has hitherto been subject. The intention of exercising this option must be specifically declared to the local Government or the Governor-General in Council, as the case may be, within six months of the date on which the fundamental rules come into force, or, if the Government servant be on leave on that date, within six months of his return from leave. Every Government servant who does not make such a declaration will become subject to the rules in Sections I to V of this chapter. The option once exercised is final.

**NOTE.**—A similar option may be exercised by the Government servants mentioned in Rules 97 and 98.

59. Leave is earned under Sections I to V of this chapter by a Government servant holding substantively a permanent post in civil employ, or holding a lien on such a post.

60. Leave is earned by duty only. For the purpose of this rule a period spent in foreign service counts as duty if contribution towards leave salary is paid on account of such period.

61. A military commissioned officer appointed to a post in civil employ becomes subject to these rules under the following conditions:—

- (a)—(i) An officer subject, before such appointment, to the Indian Army Leave Rules becomes subject to these rules from the date of first substantive appointment to a post in civil employ or from the date of completion of three years' continuous officiating duty in such service, whichever is earlier. In reckoning continuous duty—
- (1) Any period of foreign service, to which transfer was made direct from a civil post, may be included, and
- (2) Leave does not operate to break continuity unless the officer has to revert to military employ in order to obtain such leave.

**NOTE.**—This rule also applies to commissioned officers transferred from the Army Veterinary Department to the Civil Veterinary Department.

- (ii) A continuous service officer of the Royal Engineers becomes subject to these rules from the date of his entry into permanent civil employ or from the date of his election for continuous Indian service, whichever is later.
- (iii) A non-continuous service officer of the Royal Engineers, if he elects for these rules, becomes subject to them from the date of his entry into permanent civil employ or from the date of completion of five years' Indian service, whichever is later.
- (b) Transfer from military service to a post in civil employ, the tenure of which is

limited to a definite period, does not entitle an officer to leave under these rules, unless it is a condition of such transfer that he will not return to military employment at the expiry of his tenure of the said or any subsequent post in civil employ.

62. Except as provided in Rule 61, a military officer in civil employ remains subject to military leave rules.

63. When a military commissioned officer subject to these rules is temporarily transferred to military duty, but retains a lien on his post in civil employ, the period of his absence counts as duty for leave under these rules.

64. Unless in any case it be otherwise expressly provided by or under these rules, a Government servant transferred to a service or post to which these rules apply from a service or post to which they do not apply is not ordinarily entitled to leave under these rules in respect of duty performed before such transfer; but a Government servant reverting from duty as Judge of a High Court, or as one of the officers specified in Rule 98 below, may count such duty for leave as though it were duty performed in a vacation department; all leave taken during the service concerned being treated as taken under these rules.

65.—(a) A Government servant who resigns the public service or is discharged from it on reduction of establishment cannot, if re-employed after an interval, count his former service towards leave without the permission of the authority sanctioning the re-employment.

(b) A Government servant who is dismissed or removed from the public service, but is reinstated on appeal or revision, is entitled to count his former service for leave, unless the appellate or reviewing authority declares that he shall not so count it in whole or in part.

#### Section II.—General Conditions.

66. A local Government may make rules specifying the authorities by whom leave, other than special disability leave under Rule 83, may be granted.

67. Leave cannot be claimed as of right. When the exigencies of the public service so require, discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

68. Leave ordinarily begins on the day on which transfer of charge is effected and ends on the day preceding that on which charge is resumed. When joining time is allowed to a Government servant returning from leave out of India, the last day of his leave is the day before the arrival of the vessel in which he returns at her moorings or anchorage in the port of debarkation. A local Government may, however, make rules defining the circumstances in, and the conditions on, which Sundays or other recognised holidays may be prefixed to leave or affixed to leave or joining time.

69. A Government servant on leave may not take any service or accept any employment without obtaining the previous sanction of—

- (a) The Secretary of State, if the Government servant is residing in Europe, North Africa, America or the West Indies; and
- (b) The Governor-General in Council, or any lower authority empowered to appoint him, if he is residing elsewhere.

**NOTE.**—This rule does not apply to casual literary work, or to service as an examiner or similar employment; nor does it apply to acceptance of foreign service, which is governed by Rule 110.

70. All orders recalling a Government servant to duty before the expiry of his leave should state whether the return to duty is optional or compulsory. If the return is optional, the Government servant is entitled to no concession. If it is compulsory, he is entitled—

- (a) If the leave from which he is recalled is out of India—
- (i) To receive a free passage to India; and, provided that he has not completed half the period of his leave by the date of leaving for India on recall, or three months, whichever period is shorter, to receive a refund of the cost of his passage from India.
- (ii) To count the time spent on the voyage to India as duty for purposes of calculating leave; and
- (iii) To receive leave-salary during the voyage to India and for the period from the date of landing in India to the date of joining his post to be paid leave-salary at the same rate at which he would have drawn it had he not been recalled but returned in the ordinary course on the termination of his leave.
- (b) If the leave from which he is recalled is in India, to be treated as on duty from the date on which he starts for the station to which he is ordered, and to draw travelling allowance for the journey, but to draw until he joins his post leave-salary only.

71. No Government servant who has been granted leave on medical certificate may return to duty without first producing a medical certificate of fitness in such form as the Governor-General in Council, in the case of a Government servant on leave in Asia, or the Secretary of State in Council, in the case of a Government servant on leave elsewhere, may by order prescribe. A local Government may require a similar certificate in the case of any Government servant who has been granted leave for reasons of health, even though such leave was not actually granted on a medical certificate.

72. Unless he is permitted to do so by the authority which granted his leave, a Government servant on leave may not return to duty more than fourteen days before the expiry of the period of leave granted to him.

73. A Government servant who remains absent after the end of his leave is entitled to no leave-salary for the period of such absence, and that period will be debited against his leave-account as though it were leave on half average pay, unless his leave is extended by the local Government. Wilful absence from duty after the expiry of leave may be treated as misbehaviour for the purpose of Rule 15.

74.—(a) Subject to any instructions which may be given by the Governor-General in Council in connection with the control of the issue of money from treasuries or by the Auditor-General in India in order to secure efficiency and uniformity of audit, a local Government may make rules prescribing the procedure to be followed in India—

- (i) in making application for leave and for permission to return from leave,
- (ii) in granting leave,
- (iii) in the payment of leave-salary; and
- (iv) in the maintenance of records of service.
- (b) The procedure to be followed elsewhere than in India will be prescribed by the Governor-General in Council.

#### Section III.—Special and Ordinary Leave Rules.

75.—(1) All Government servants who are not hereinafter declared to be subject to the special leave rules shall be subject to the ordinary leave rules.

2. The following Government servants shall be subject to the special leave rules, namely:—

- (a) Any Government servant having at the time of his appointment his domicile elsewhere than in Asia:
 

Provided that no such Government servant shall be entitled to the benefits of the special leave rules who, prior to such appointment, has, for the purpose of his appointment to any office under the Government or of the conferment upon him by the Government of any scholarship, emoluments, or other privileges claimed or been deemed to be a native of India;
- (b) Any Government servant having at the time of his appointment his domicile in Asia who, prior to the 24th July, 1923, had been admitted to the benefits of the European Services Leave Rules under the Civil Service Regulations, or who between the 1st January, 1922, and the 24th July, 1923, held a post which would have entitled him to such admission had he been subject to the Civil Service Regulations; and
- (c) Any Government servant having at the time of his appointment his domicile in Asia who, prior to the 24th July, 1923, held substantively an appointment in a department in which the attainment of a certain rank or a certain rate of pay entitled the officer to admission to the benefits of the European Services Leave Rules under the Civil Service Regulations;

Provided that such a Government servant shall only be entitled to the benefits of the special leave rules when he attains that rank or rate of pay:

Provided further that the concession allowed by clause (c) of this rule is not admissible to a Government servant who attains such rank or rate of pay by reason of being promoted by selection from a subordinate service or post after the 24th July, 1923.

75A. For the purpose of Rule 2 of Rule 73 the domicile of a person shall be determined in accordance with the provisions set out in the Schedule to these rules:

Provided that a person who was born and has been educated exclusively in Asia and has not resided out of Asia for a total period exceeding six months shall be deemed to have his domicile in Asia.

75B. No Government servant who, after his appointment to a service or post acquires a new domicile, shall thereby lose his right to, or become entitled to admission to, the benefits of the special leave rules.

75C. If any question arises as to the domicile of any Government servant at the time of his appointment, the decision thereon of the Secretary of State in Council in the case of persons appointed by him, of the Governor-General in Council in the case of persons appointed by him, or of the local Government in the case of persons appointed by them, shall be final.

#### Section IV.—Grant of Leave.

76. A leave account shall be maintained for each Government servant in terms of leave on average pay.

77.—(a) In the leave account of a Government servant who on his entry into Government service becomes subject to these rules, shall be credited:—

- (i) If he be under the special leave rules, five-twenty-seconds of the period spent on duty;
- (ii) If he be under ordinary leave rules, two-elevenths of the period spent on duty.

(b) In the leave account of a Government servant other than a military commissioned officer who is already in Government service when he becomes subject to these rules shall be credited:—

- (i) If he be under the special leave rules—
  - (1) the privilege leave which it would, on the date on which he becomes subject to these rules, be permissible to grant to him under the rules in force prior to that date; *plus*
  - (2) one-twelfth of the period prior to that date spent on duty or on privilege leave while subject to the Indian Service Leave Rules of the Civil Service Regulations; *plus*
  - (3) one-eighth of the period prior to that date spent on duty or on privilege leave

while subject to the European Service Leave Rules; *plus*

- (4) five-twenty-seconds of the period spent on duty subsequent to that date.

(ii) If he be under the ordinary leave rules—

- (1) the privilege leave which it would, on the date on which he becomes subject to these rules, be permissible to grant to him under the rules in force prior to that date; *plus*
  - (2) one-twelfth of the period spent on duty or on privilege leave prior to that date; *plus*
  - (3) two-elevenths of the period spent on duty subsequent to that date.
- (c) In the leave account of a military commissioned officer who becomes subject to these rules shall be credited:—

- (1) —(i) The privilege leave which, on the date on which he becomes subject to these rules, it would be permissible to grant to him under the rules applicable to him prior to that date, or
- (ii) the leave on average pay which, on the date on which he becomes subject to these rules, it would be permissible to grant him under Rule 100, *plus*
- (2) one-eighth of the period prior to that date spent on duty or on privilege leave during the following periods of service:—
  - (i) Service under the European Service Leave Rules of the Civil Service Regulations;
  - (ii) Service in and out of India under the Indian Army Leave Rules; and
  - (iii) Service in India under the British Army Leave Rules, *plus*
- (3) five-twenty-seconds of the period spent on duty subsequent to that date.

NOTE.—A commissioned officer transferred from the Army Veterinary Department to the Civil Veterinary Department shall be considered, for the purposes of this rule, to have been subject to the Indian Army leave rules from the date of his arrival in India on his last tour of service.

(d) Any other Government servant transferred permanently from military to civil employ is entitled to a credit to his leave account based on such portion of his military duty as, under the rules for the time being in force, is permitted to count for pension.

(e) A statutory civil servant or a Government servant who is subject, at the time when these rules come into force, to the Indian Service Leave Rules which were in force in January 1920, is entitled to credit to his leave account, in addition to the periods admissible under clause (b) above, one-third of any period of leave on medical certificate taken under former rules.

78. The amount of leave debited against a Government servant's leave account is—

- (a) the actual period of leave on average pay, including any furlough on average salary taken under rules previously in force, but

excluding special disability leave on average pay under Rule 83 (7); and

- b) half the period of leave on half average pay (other than special disability leave) or on quarter average pay or on leave salary equal to subsistence grant under the note to Rule 88, or of special disability leave on average pay under Rule 83 (7) (b).

NOTE 1.—No privilege leave taken under the former Civil Leave Rules, or by a military officer under the British or Indian Army Leave Rules before coming under civil rules, is to be debited under (a) above.

NOTE 2.—(i) Under (b) above are to be debited—

- (a) Furlough, leave on medical certificate and special leave with allowances taken under either the European Service Leave Rules or the Indian Service Leave Rules as they stood before these rules came into force.
- (b) In the case of a military commissioned officer who becomes subject to these rules, leave in and out of India on less than full pay actually taken during the following periods of service:—
  - (1) Service in and out of India under the Indian Army Leave Rules; and
  - (2) Service in India under the British Army Leave Rules;

Provided that the debit on this account shall not exceed the credit given in respect of such service under Rule 77 (c).

(ii) In the case of a member of the Indian Civil Service or a military commissioned officer subject to these rules, or a chaplain on the Indian Ecclesiastical Establishment, special leave with allowances taken under rules previously in force, and leave not due taken under these rules, up to a combined maximum of three months, reckoned in terms of leave on average pay, shall not be so debited.

NOTE 3.—In cases covered by Rule 77 (d), the leave taken during the period of duty on which the credit to the leave account is based is to be debited as prescribed in notes (i) and (ii) above.

79. When a Government servant, who has previously been subject to the ordinary leave rules, is admitted to the benefits of the special leave rules, no change shall be made in the amount of leave previously credited and debited to his account, but he shall be entitled to the maximum amount of leave prescribed in Rule 81 (a) (i).

80. The amount of leave due to a Government servant is the balance of leave at his credit in the leave account.

81. Leave may be granted to a Government servant at the discretion of the authority entitled to grant the leave, subject to the following restrictions:—

- (a) The maximum amount of leave which may be granted, expressed in terms of leave on average pay, is the privilege leave which it would be permissible to grant to the Government servant in question on the

date on which he becomes subject to these rules, under the rules applicable to him prior to that date; *plus*

one-eleventh of the period spent on duty subsequent to that date; *plus*

- (i) In the case of Government servants under the special leave rules—three years or

- (ii) In the case of Government servants under the ordinary leave rules—two and a-half years

Provided that special disability leave on half average pay or on average pay under Rule 83 (7) (a) shall not be taken into account in calculating the maximum prescribed by this clause, and, in the case of such leave taken on average pay under Rule 83 (7) (b), account shall be taken of only half the period thereof.

- (b) The maximum amount of leave on average pay, including any furlough on average salary taken under rules previously in force, but excluding special disability leave on average pay under Rule 83 (7) (a), which may be granted is—

- (i) To a Government servant under the special leave rules—eight months at any one time,

and, in all:—

the privilege leave which it would, on the date on which he comes under these rules, be permissible to grant to him under the rules applicable to him prior to that date; *plus*

one-eleventh of the period spent on duty subsequent to that date; *plus* one year.

- (ii) To a Government servant under the ordinary leave rules—four months at any one time,

and, in all:—

the privilege leave which it would, on the date on which he comes under these rules, be permissible to grant to him under the rules in force prior to that date; *plus*

one-eleventh of the period spent on duty subsequent to that date:

Provided that, in the case of a Government servant subject to the ordinary leave rules, who either takes leave on medical certificate or spends his leave elsewhere than in India or Ceylon, the maxima prescribed in sub-clause (i) of this clause shall apply.

NOTE.—In the case of a Government servant who is entitled under orders previously in force, to privilege leave for more than four months, the number of months to be taken at one time as prescribed in sub-clauses (i) and (ii) above may be increased, on the first occasion when leave is taken under these rules, by the number of months by which the amount of privilege leave due exceeds four months.

(c) Leave not due may be granted subject to the following conditions:—

- (i) On medical certificate, without limit of amount; and
- (ii) Otherwise than on medical certificate, for not more than three months at any one time and six months in all reckoned in terms of leave on average pay.

(d) The maximum period of continuous absence from duty on leave granted otherwise than on medical certificate is twenty-eight months.

(e) When a Government servant returns from leave which was not due and which was debited against his leave account, no leave will become due to him until the expiration of a fresh period spent on duty sufficient to earn a credit of leave equal to the period of leave which he took before it was due.

82. The following provisions apply to vacation departments only:—

(a) A local Government may make rules specifying the departments or parts of departments which should be treated as vacation departments, and the conditions in which a Government servant should be considered to have availed himself of a vacation.

(b) Vacation counts as duty, but the periods of total leave in Rules 77, 81 (a) and 81 (b) should ordinarily be reduced by one month for each year of duty in which the Government servant has availed himself of the vacation. If a part only of the vacation has been taken in any year, the period to be deducted will be a fraction of a month equal to the proportion which the part of the vacation taken bears to the full period of the vacation.

(c) In cases of urgent necessity, when a Government servant requires leave and no leave is due to him, the periods in Rules 77 and 81 (a), as reduced by clause (b) of this rule, may be increased by one month for every two years of duty in a vacation department.

(d) When a Government servant combines vacation with leave, the period of vacation shall be reckoned as leave in calculating the maximum amount of leave on average pay which may be included in the particular period of leave.

83.—(1) Subject to the conditions hereinafter specified, a local Government may grant special disability leave to a Government servant who is disabled by injury intentionally inflicted or caused in, or in consequence of, the due performance of his official duties or in consequence of his official position.

(2) Such leave shall not be granted unless the disability manifested itself within three months of the occurrence to which it is attributed, and the person disabled acted with due promptitude in bringing it to notice. But the Governor-General in Council, if he is satisfied as to the

cause of the disability, may permit leave to be granted in cases where the disability manifested itself more than three months after the occurrence of its cause.

(3) The period of leave granted shall be such as is certified by a medical board to be necessary. It shall not be extended except on the certificate of a medical board, and shall in no case exceed 24 months.

(4) Such leave may be combined with leave of any other kind.

(5) Such leave may be granted more than once if the disability is aggravated or reproduced in similar circumstances at a later date, but not more than 24 months of such leave shall be granted in consequence of any one disability.

(6) Such leave shall be counted as duty in calculating service for pension, and shall not, except as provided in Rule 78 (b), be debited against the leave account.

(7) Leave salary during such leave shall, subject to the maxima and minima prescribed in Rules 89 and 90, be equal—

(a) For the first four months of any period of such leave, including a period of such leave granted under clause (5) of this rule, to average pay; and

(b) for the remaining period of any such leave to half average pay, or at the Government servant's option, for a period not exceeding the period of average pay which would otherwise be admissible to him, to average pay.

(8) In the case of a person to whom the Workmen's Compensation Act, 1923, applies, the amount of leave salary payable under this rule shall, with effect from the 1st July, 1924, be reduced by the amount of compensation payable under Section 4 (1) (d) of the said Act.

(9) The provisions of this rule apply to a civil servant disabled in consequence of service with a military force, if he is discharged as unfit for further military service, but is not completely and permanently incapacitated for further civil service; but any period of leave granted to such a person under military rules in respect of his disability shall be reckoned as leave granted under this rule for the purpose of calculating the period admissible.

83A. The Governor-General in Council may extend the application of the provisions of Rule 83 to a Government servant who is disabled by injury accidentally incurred in or in consequence of the due performance of his official duties or in consequence of his official position, or by illness incurred in the performance of any particular duty which has the effect of increasing his liability to illness or injury beyond the ordinary risk attaching to the civil post which he holds. The grant of this concession is subject to the further conditions—

(i) That the disability, if due to disease, must be certified by a medical board to be directly due to the performance of the particular duty; and

(ii) that, if the Government servant has contracted such disability during service

otherwise than with a military force, it must be, in the opinion of the Governor-General in Council, so exceptional in character or in the circumstances of its occurrence as to justify such unusual treatment as the grant of this form of leave; and

(iii) that the period of absence recommended by the medical board may be covered in part by leave under this rule and in part by other leave, and that the amount of special disability leave granted on average pay may be less than four months.

83B.—(1) A Government servant who has been granted special disability leave under Rule 83, and whose domicile is elsewhere than in Asia, may be granted by the authority which sanctioned the special disability leave, free passage for himself, his wife and children, to the United Kingdom, or to any port in Europe or in a British colony, dominion or possession, and on the conclusion of such leave return passage to India, unless he takes leave other than leave on medical certificate in continuation of special disability leave, in which case return passage shall not be granted save with the special sanction of the Secretary of State in Council: Provided that the cost of any passages granted under this rule shall not exceed the cost of passages between India and the United Kingdom.

(2) Passages granted under this rule may include travel by land between port of embarkation and port of debarkation, and shall be of such class as the sanctioning authority in each case may determine.

(3) The Governor-General in Council may extend the application of the provisions of clauses (1) and (2) to a Government servant who has been granted special disability leave under Rule 83A, and whose domicile is elsewhere than in Asia, provided that he may, at his discretion, grant free passages to the Government servant only, or to the Government servant and his wife only.

(4) For the purpose of this rule—

(i) The domicile of a Government servant shall be determined in accordance with the provisions set out in the Schedule to these rules;

(ii) "Child" means a legitimate child (including a step-child) residing with and wholly dependent on the Government servant, who, if a female, is unmarried, or, if a male, is under the age of 16.

84. Leave may be granted to Government servants, on such terms as the Secretary of State in Council may by general order prescribe, to enable them to study scientific, technical or similar problems or to undergo special courses of instruction. Such leave is not debited against the leave account.

85.—(a) In special circumstances and when no other leave is by rule admissible, extraordinary leave may be granted. Such leave is

not debited against the leave account. No leave salary is admissible during such leave.

(b) The authority which has the power to sanction leave may grant extraordinary leave as in clause (a), in combination with, or in continuation of, any leave that is admissible, and may commute retrospectively periods of absence without leave into extraordinary leave.

(c) When extraordinary leave is granted to a military officer subject to these rules, he will continue to be treated as in civil employ for all purposes until he is placed on military temporary non-effective pay by the order of a medical board. If, after being placed on military temporary non-effective pay, he returns to duty in India, he will have no claim to reinstatement in civil employ.

86. Leave granted to a Government servant should in no case extend more than six months beyond the date on which the Government servant must compulsorily retire, or, if a Government servant is retained in service after that date, more than six months beyond the date on which he ceases to discharge his duties.

#### Section V.—Leave-Salary.

87. Subject to the conditions in Rules 81, 88, 89 and 90, a Government servant on leave shall, during leave, draw leave-salary as follows:—

(a) If the leave is due, leave-salary equal to average pay, or to half average pay, or to average pay during a portion of the leave and half average pay during the remainder, as he may elect; and

(b) if the leave is not due, leave-salary equal to half average pay:

Provided that when a non-gazetted Government servant takes leave, and

(i) his pay is less than Rs. 300; or

(ii) the leave taken does not exceed one month,

his average pay for the purpose of this rule shall be taken to be the pay which he would draw in the permanent post held substantively by him at the time of taking leave.

88. After continuous absence from duty on leave for a period of 28 months, a Government servant will draw leave-salary equal to quarter average pay, subject to the maxima and minima prescribed in Rules 89 and 90.

NOTE.—A member of the Indian Civil Service or a military commissioned officer subject to these rules is entitled to leave-salary equal to subsistence grant after this period.

89. Except during the first four months of any period of leave on average pay, leave-salary is subject to the monthly maxima shown in the following table:—

|                                                                                             | Average.      |           | Half Average. |           | Quarter Average. |          |
|---------------------------------------------------------------------------------------------|---------------|-----------|---------------|-----------|------------------|----------|
|                                                                                             | Outside Asia. | In Asia.  | Outside Asia. | In Asia.  | Outside Asia.    | In Asia. |
| Indian Civil Service and military commissioned officers subject to the special leave rules. | £ 222         | Rs. 2,222 | £ 111         | Rs. 1,111 | £ ...            | Rs. ...  |
| Other Government servants subject to the special leave rules.                               | 200           | 2,000     | 100           | 1,000     | 60               | 600      |
| Government servants subject to the ordinary leave rules.                                    | 150           | 1,500     | 75            | 750       | 60               | 600      |

NOTE 1.—The maximum of average pay does not apply in the case of a Government servant who is entitled, under orders previously in force, to privilege leave for more than four months, during a period equal to that for which he is entitled to privilege leave.

NOTE 2.—The maximum for average pay does not apply to a Government servant serving in a vacation department during a period of leave on average pay equivalent to one month for each year since his last leave during which he has not availed himself of the vacation, and to a proportionate fraction of a month during which he has taken a part only of the vacation; provided that, in the case of a Government servant who is transferred with leave to his credit from a non-vacation to a vacation department, the local Government shall decide, on the first occasion on which he takes leave after such transfer, the period not exceeding four months for which the maximum limit of leave-salary shall not be applied to him.

90. Subject to the condition that the leave-salary of a Government servant shall in no case exceed his average pay, leave-salary is subject to the monthly minima shown in the following table:—

|                                                                                             | Half Average. |          | Quarter Average. |          |
|---------------------------------------------------------------------------------------------|---------------|----------|------------------|----------|
|                                                                                             | Outside Asia. | In Asia. | Outside Asia.    | In Asia. |
| Indian Civil Service and military commissioned officers subject to the special leave rules. | £ 55½         | Rs. 555  | £ ...            | Rs. ...  |
| Other Government servants subject to the special leave rules.                               | 33            | 333      | 16½              | 166      |
| Government servants subject to the ordinary leave rules.                                    | 25            | 250      | 12½              | 125      |

NOTE 1.—The minima specified above for Government servants other than members of the Indian Civil Service and military commis-

sioned officers apply only when leave is taken or extended out of India, and in the case of Government servants of the Indo-European Telegraph Dept., when leave is taken or extended outside India or Persia.

NOTE 2.—In the case of a military commissioned officer, the minimum leave-salary during such leave as may be added under Rule 77 (b) to the leave earned by duty under these rules shall be that prescribed by the military rules to which the officer was subject immediately before he came under these rules; and for an officer of the Royal Engineers who was serving under the Indian Army Leave Rules immediately before he became subject to these rules, the minimum shall be the rate prescribed by the leave rules for the Indian Army according to the length of his service for Indian pension. In the case, however, of an officer of the Royal Engineers who was serving under British Army Leave Rules immediately before he became subject to these rules, the minimum for so much of the leave credited as has been earned by service in civil employment shall be at the rate of—

(i) £55½ out of Asia and 555 rupees in Asia if he elected for continuous service in India before the 1st February, 1898; or

(ii) the amount shown in sub-clause (i) or the pay last drawn by him on duty, whichever is less, if he elects to come under civil leave rules after completing five years' service.

NOTE 3.—A military commissioned officer subject to these rules, who is granted leave on medical certificate in excess of the amount earned by him under both the civil and military rules, may be allowed the civil minimum rate of leave-salary for the period of leave taken in excess of the amount so earned.

91.—(1) That portion of leave-salary which represents overseas pay drawn in sterling shall be paid in all cases in sterling.

(2) Subject to the provisions of sub-rule (1), leave-salary shall be drawn in rupees if due in respect of leave spent in Asia, and in sterling if due in respect of leave spent out of Asia:—

Provided that—

(a) in the case of leave on average pay not exceeding four months, or of the first four months of such leave if it exceeds four months, leave-salary due in respect of any portion of such leave which is spent

in Asia may, if the officer proceeds out of Asia during the currency of such leave, or within one month of its termination, be drawn in sterling and leave-salary due in respect of any portion of such leave spent out of Asia may be drawn in rupees;

(b) in the case of leave of any other description, or of periods of leave on average pay after the first four months of such leave, if the amount of such leave spent in Asia prior to embarkation does not in all exceed one month, leave-salary in respect of the whole of such leave may be drawn in sterling.

(3) Leave-salary drawn in rupees shall be drawn in India, or, in the case of a Government servant who spends his leave in Ceylon, in Ceylon.

(4) Leave-salary drawn in sterling shall be drawn in London or, at the Government servant's option, in any British Dominion or Colony which the Secretary of State in Council may by order prescribe for the purpose, provided that the officer spends his leave in the Dominion or Colony in which he has elected to draw his leave-salary, but if leave salary due in respect of any portion of leave out of Asia and payable to the Govt. servant in sterling remains undrawn for no fault on his part, the Governor-General in Council may authorise the undrawn amount to be paid in India at such rate of exchange as the Secretary of State in Council may by order prescribe.

(5) Leave-salary shall be converted into sterling at such rate of exchange as the Secretary of State in Council may by order prescribe.

92. The rupee and sterling maxima and minima prescribed in Rules 89 and 90 shall be applied to leave-salaries paid respectively in rupees and in sterling.

93. A compensatory allowance should ordinarily be drawn only by a Government servant actually on duty, but a local Government may make rules specifying the conditions under which a Government servant on leave on average pay may continue to draw a compensatory allowance, or a portion thereof, in addition to leave-salary during the first four months of his leave; one of these conditions should be that the whole or a considerable part of the expense to meet which the allowance was given continues during leave.

#### Section VI.—Exceptions and Special Concessions.

94. The rules in Sections I to V are not applicable to the following Government servants, whose leave is governed by the Act or by rules made under other sections of the Act:—

tions which the Secretary of State in Council may by rule prescribe, the Special Leave Rules in Sections I to V of this chapter apply to Chaplains of the Church of England and Church of Scotland on the Bengal, Madras and Bombay Ecclesiastical Establishments, including the Bishops of Lahore, Rangoon, Lucknow and Nagpur.

96. The only form of leave which may be granted to a Lieutenant-Governor, whether substantive or officiating, is leave on medical certificate for not more than six months. On resuming his duties after such leave, he may receive leave-salary equal to half his pay for the period of absence. If he does not resume his duties he may draw the leave-salary to which he would have been entitled under Rule 97 had he vacated his post before taking leave.

97. When a member of the Indian Civil Service takes leave on vacating the post of Governor, Lieutenant-Governor or Chief Commissioner or of member of the executive council of the Governor-General, or of a Governor or Lieutenant-Governor, his average pay shall be held to be subject to a maximum of 4,000 rupees. Such an officer will not retain, while on leave, a lien on the post which he has vacated.

98. The following provisions apply to such holders of the posts enumerated below as are not members of the Indian Civil Service, subject to the special leave rules under Rule 75:—

- (a) Their leave-salary shall not exceed, while on ordinary furlough or on subsidiary leave, half average pay, and while on furlough on full allowance, average pay; and
- (b) the holders of posts which have not been declared by the local Government under Rule 82 (a) to belong to a vacation department are entitled in lieu of the leave credited to the furlough account of a High Court Judge under the Rules made under Section 104 because of his having been detained on duty as a Vacation Judge, to a credit in their leave account of a period equal to one-eleventh of the period of actual service performed.

99. The following law officers are entitled to leave under the rules applicable to members of the Indian Civil Service, provided that their

pay as Government servants is fixed at a definite rate and that their whole time is retained for the service of Government :—

- A Standing Counsel.
- An Official Trustee or Assignee.
- A Receiver of a High Court.
- An officer of a High Court holding a post which by law can be held by a barrister only.

100. The following provisions apply to military officers in civil employ who remain subject to military leave rules :—

- (a) A local Government may grant to such an officer leave of the following kinds :—
  - (i) Leave on average pay, for four months at a time, up to one-eleventh of the period of duty performed, including uninterrupted duty in military service; provided that, if privilege leave under military rules has been taken in any calendar year, duty counting for leave on average pay will not commence until the beginning of the following year or from the expiry of six months after the conclusion of such leave, whichever is earlier;
  - (ii) Any leave, other than privilege leave, admissible under military rules, either alone or in combination with leave on average pay.

NOTE.—In the case of a Government servant who is entitled, under orders previously in force, to privilege leave for more than four months, the number of months to be taken at one time as prescribed in sub-clause (i) above may be increased, on the first occasion when leave is taken under these rules, by the number of months by which the amount of privilege leave due exceeds four months.

- (b) The total period of leave should be regulated by the limits in force under the military rules to which the officer is subject.
- (c) Leave may be retrospectively commuted by the authority which granted it into any other kind of leave which was admissible to the officer concerned at the time when it was granted.

Provided that, except in the case of an officer holding substantively a permanent post for a fixed time, no leave under sub-clause (ii) of clause (a) of this rule may be granted to an officer unless the local Government is prepared to re-employ him immediately upon the termination of his leave.

100A. Unless the Secretary of State in Council in any case otherwise directs, the following provisions apply to Government servants placed on deputation out of India under con-

ditions declared by the Governor-General in Council to be quasi-European, if the period of the deputation exceeds one year :—

- (a) The period of deputation shall not count as duty for the purposes of this chapter.
- (b) The amount of leave which can be earned by the deputation shall be determined by the Secretary of State in Council, and such leave shall not be debited in the leave account.
- (c) Leave-salary during such leave shall be equal to the rate of deputation pay.

Provided that where a deputation originally sanctioned for one year or less is subsequently extended so that the total period exceeds one year, these provisions shall apply only in respect of the period in excess of one year.

101. A local Government may make rules regulating the grant to Government servants under its control of :—

- (a) Maternity leave to female Government servants; and
- (b) Leave on account of ill-health to members of subordinate services specified in such rules whose duties expose them to special risk of accident or illness.

Such leave is not debited against the leave account.

102. A local Government may make rules regulating the grant of leave on account of ill-health to officers and seamen of Government vessels. Such leave is not debited against the leave account.

103. A local Government may make rules regulating the leave which may be earned by :—

- (a) Temporary and officiating service;
  - (b) Service which is not continuous; and
  - (c) Part-time service, or service which is remunerated wholly or partially by the payment of fees or daily wages;
- provided that such rules shall not grant more favourable terms than would be admissible if the service were substantive, permanent and continuous.

104. During their period of probation or apprenticeship, probationers and apprentices are entitled to leave as follows :—

- (a) If appointed under contract in the United Kingdom with a view to permanent service in India, or if appointed in the United Kingdom to posts created temporarily with the prospect, more or less definite, of becoming permanent;
  - (i) To such leave as is prescribed in their contracts, or, when no such prescription is made;
  - (ii) (1) When the period of probation is not less than three years, to the same leave which would be admissible if they held permanent posts; or
  - (2) When the period of probation is less than three years, to leave on average pay up to one-eleventh of the period spent on duty, to which may be added, on medical certificate, leave on half average pay; provided that the total

leave granted under this clause shall not exceed three months reckoned in terms of leave on average pay;

- (b) If appointed otherwise, to such leave as is admissible under rules framed on this behalf by the local Government, subject to the proviso in Rule 103.

#### CHAPTER XI.—JOINING TIME.

105. Joining time may be granted to a Government servant to enable him :—

- (a) To join a new post to which he is appointed while on duty in his old post; or
- (b) To join a new post,
  - (i) on return from leave on average pay of not more than four months' duration; or
  - (ii) when he has not had sufficient notice of his appointment to the new post, on return from leave other than that specified in sub-clause (i); or
- (c) To travel from the port of debarkation and organise his domestic establishment when he returns from leave out of India of more than four months' duration; or
- (d) On departure on or return from leave, to proceed from or to the place at which he is posted to or from specified stations, when the place concerned is in a remote locality which is not easy of access.

Provided that joining time shall not be allowed for the purposes specified in paragraph (c) or paragraph (d) to any person to whom Rule 98 applies.

106. A local Government may make rules regulating the joining time admissible in each of the cases mentioned in Rule 105 and specifying the places and stations to which clause (d) of that rule shall apply. Such rules should be framed with due regard to the time required for actual transit and for the organisation of domestic establishment.

107. A Government servant on joining time shall be regarded as on duty and shall be entitled to pay as follows :—

- (a) If on joining time under clause (a) of Rule 105, he is entitled to the pay which he drew prior to relinquishing charge of his old post, or the pay which he will draw on taking charge of his new post, whichever is less.
- (b) If on joining time under clause (b) or (c) of Rule 105 he is entitled :—
  - (i) when returning from extraordinary leave other than extraordinary leave not exceeding fourteen days granted in continuation of other leave; if a member of the Indian Civil Service or a military commissioned officer subject to the civil leave rules, to subsistence grant; otherwise to no payments at all;
  - (ii) when returning from leave of any other kind, to the leave-salary which he last drew on leave at the rate prescribed for the payment of leave-salary in India;

Provided that the amount of half average pay to be drawn during joining time by a member of

the Indian Civil Service or a military commissioned officer subject to the civil leave rules returning from leave on half average pay shall be calculated without regard to the limits prescribed in Rule 89.

NOTE 1.—A military officer subject to the military leave rules who retains a lien on his civil post is entitled, on joining time under sub-clause (ii) above, to draw the same amount of leave-salary which he would have drawn had he taken leave under civil leave rules; provided that such leave-salary shall not be less than that which he actually drew during the last portion of his leave.

(c) If on joining time under clause (d) of Rule 105, he is entitled to pay as though he were on duty in his post.

NOTE 2.—A ministerial servant on transfer is not entitled to be paid while on joining time unless his transfer is made in the public interests. A transfer made in consequence of his own misbehaviour does not fulfil this condition.

108. A Government servant who does not join his post within his joining time is entitled to no pay or leave-salary after the end of the joining time. Wilful absence from duty after the expiry of joining time may be treated as misbehaviour for the purpose of Rule 15.

#### PART VII.

##### CHAPTER XII.—FOREIGN SERVICE.

109. The rules in this chapter apply to those Government servants only who are transferred to foreign service after these rules come into force. Government servants transferred previously will remain subject to the rules in force at the time of transfer.

110.—(a) No Government servant may be transferred to foreign service against his will.

(b) A transfer to foreign service outside India may be sanctioned by the Governor-General in Council.

NOTE.—The Government of Madras is authorised to transfer to service in Ceylon any Government servant other than a member of an all-India service.

(c) Subject to any restrictions which the Governor-General in Council may by general order impose in the case of transfer to the service of an Indian State, a transfer to foreign service in India may be sanctioned by the local Government under which the Government servant transferred is serving.

111. A transfer to foreign service is not admissible unless :—

- (a) The duties to be performed after the transfer are such as should, for public reasons, be rendered by a Government servant, and
- (b) The Government servant transferred holds, at the time of transfer, a post paid from general revenues or holds a lien on such a post.

112. If a Government servant is transferred to foreign service while on leave he ceases, from the date of such transfer, to be on leave and to draw leave-salary.

113. A Government servant transferred to foreign service will remain in the cadre in which he held a post prior to his transfer, and may be given such substantive or officiating promotion in that cadre as the authority competent to order promotion may decide. In giving promotion, such authority will take into account—

- (a) The nature of the work performed in foreign service, and
- (b) The promotion given to juniors in the cadre.

114. A Government servant in foreign service will draw pay from the foreign employer from the date on which he relinquishes charge of his post in Government service. Subject to any restrictions which the Governor-General in Council may by general order impose, the amount of his pay, the amount of joining time admissible to him and his pay during such joining time will be fixed by the authority sanctioning the transfer in consultation with the foreign employer.

115. While a Government servant is in foreign service, contributions towards the cost of his pension must be paid to general revenues on his behalf. If the foreign service is in India, contributions must be paid on account of the cost of leave-salary also. Such contributions shall be paid by the Government servant himself, unless the foreign employer consents to pay them. They shall not be payable during leave taken while in foreign service.

NOTE 1.—Pensions throughout this chapter include bonus, if any, payable to a Government servant's credit in a provident fund.

NOTE 2.—In the case of Government servants lent to His Majesty's Government, or to British colonies or protectorates, the contribution is payable by the employer, except in the case of Government servants lent to the War Office, whose contributions are paid in accordance with special arrangements with the War Office.

116. Contributions will be calculated on the pay drawn in foreign service. In return for the contributions the Governor-General in Council or the local Government, as the case may be, accepts the charge for the pension, and if the foreign service is in India the leave-salary, of the Government servant. In calculating leave-salary and pension, the pay drawn in foreign service, less such part of it as may be paid as contribution, will count as pay for the purpose of Rule 9 (2).

117. The rate of contributions payable on account of pension and leave-salary shall be such as the Governor-General in Council may by general order prescribe.

118. In addition to the contributions prescribed under Rule 117, subscribers to any of the following pension funds must pay to Government a contribution equal to one-fourth or one-sixth of the premium paid to the fund:—

- (i) Bengal Uncovenanted Service Family Pension Fund... One-fourth.

(ii) Bombay Uncovenanted Service Family Pension Fund—

- (1) Subscribers who joined the fund on or before the 12th November, 1900 ... One-fourth.
- (2) Those who joined after that date ... One-sixth.

(iii) Bengal and Madras Service Family Pension Fund ... One-sixth.

119. Subject to any general orders of the Governor-General in Council, a local Government sanctioning a transfer to foreign service may—

- (a) Remit the contributions due in any specified case or class of cases, and
- (b) Make rules prescribing the rate of interest, if any, to be levied on overdue contributions.

120. A Government servant in foreign service may not elect to withhold contributions and to forfeit the right to count as duty in Government service the time spent in foreign employ. The contribution paid on his behalf maintains his claim to pension, or to pension and leave-salary, as the case may be, in accordance with the rules of the service of which he is a member. Neither he nor the foreign employer has any right of property in a contribution paid, and no claim for refund can be entertained.

121. A Government servant transferred to foreign service may not, without the sanction of the local Government, accept a pension or gratuity from his foreign employer in respect of such service.

122. A Government servant in foreign service in India may not be granted leave otherwise than in accordance with the rules applicable to the service of which he is a member, and may not take leave or receive leave-salary from Government unless he actually quits duty and goes on leave.

123. A Government servant in foreign service out of India may, unless special arrangements as to leave have been made on his behalf by the authority sanctioning his transfer, be granted leave by his employer on such conditions as the employer may determine. The leave-salary on leave will not be paid by the employer, and the Government servant's leave account.

124. A Government servant in foreign service, if appointed to officiate in a post in Government service, will draw pay calculated on the pay of the post in Government service on which he holds a lien and that of the post in which he officiates. His pay in foreign service will not be taken into account in fixing his pay.

125. A Government servant reverts from foreign service to Government service on the date on which he takes charge of his post in Government service; provided that, if he before rejoining his post, his reversion shall take effect from such date as the local Government on whose establishment he is borne

126. When a Government servant reverts from foreign service to Government service, his pay will cease to be paid by the foreign employer, and his contributions will be discontinued, with effect from the date of reversion.

127. When an addition is made to a regular establishment on the condition that its cost, or a definite portion of its cost, shall be recovered from the persons for whose benefit the additional establishment is created, recoveries shall be made under the following rules:—

- (a) The amount to be recovered shall be the gross sanctioned cost of the service, or of the portion of the service, as the case may be, and shall not vary with the actual expenditure of any month.
- (b) The cost of the service shall include contributions at such rates as may be laid down under Rule 117, and the contributions shall be calculated on the sanctioned rates of pay of the members of the establishment.
- (c) A local Government may reduce the amount of recoveries, or may entirely forgo them.

#### CHAPTER XIII.—SERVICE UNDER LOCAL FUNDS.

128. Government servants paid from local funds which are administered by Government are subject to the provisions of Chapters I to XI of these rules.

129. The transfer of Government servants to service under local funds which are not administered by Government will be regulated by the rules in Chapter XII.

130. Persons transferred to Government service from a local fund which is not administered by Government will be treated as joining a first post under Government, and their previous service will not count as duty performed. A local Government may, however, allow previous service in such cases to count as duty performed on such terms as it thinks fit.

Any other officer eligible for an additional pension under Article 475A.

(2) The Government of India may include in the list in clause (1) any gazetted services or appointments the duties of which are so important that they cannot be regarded as subordinate.

*Note.*—An officer who does not hold substantively one of the appointments mentioned above, but who by rendering officiating service counting as effective service in one of the

appointments included in the Schedule appended to Article 475A, becomes eligible for an additional pension, is entitled to the benefits of this Article provided, in the case of officers who were in service on 29th August, 1919, they have definitely elected the rules referred to in the preamble of the article.

350. The Pensions of all other Officers are regulated by the rules in this Part: Provided that it is open to a local Government to rule that the service of any class of officers serving under it does not qualify for pension.

351. Future good conduct is an implied condition of every grant of a pension. The local Government, the Government of India, and the Secretary of State in Council, reserve to themselves the right of withholding or withdrawing a pension, or any part of it, if the pensioner be convicted of serious crime or be guilty of grave misconduct.

The decision of the Secretary of State in Council on any question of withholding or withdrawing the whole or any part of a pension under this Regulation shall be final and conclusive.

*Note.*—[This rule is applicable to all the officers enumerated in Article 349 except Judges of the High Courts, Bishops, Army Veterinary Officers of the Civil Veterinary Department and members of the Indian Civil Service appointed before 16th January, 1904.]

CASES IN WHICH CLAIMS ARE INADMISSIBLE.

352. In the following cases, no claim to pension is admitted:—

- When an Officer is appointed for a limited time only, or for a specified duty, on the completion of which he is to be discharged.
  - When a person is employed temporarily on monthly wages without specified limit of time or duty; but a month's notice of discharge should be given to such a person, and his wages must be paid for any period by which such notice falls short of a month.
  - When a person's whole time is not retained for the public service, but he is merely paid for work done for the State.
1. This clause applies, among others, to the following officers:—Advocate General, Solicitor to Government, Government Pleaders and Law Officers not debarred from private practice, Sheriffs in Presidency Towns, Coroners, Roman Catholic Priests.
- When a public servant holds some other pensionable office, he earns no pension in respect of an office of the kind mentioned in Clause (c) or in respect of duties paid for by a Local Allowance.
  - When an Officer serves under a covenant which contains no stipulation regarding pension, unless the Government of India specially authorises an Officer to count such service towards pension.

353. No pension may be granted to an officer removed for misconduct, insolvency or inefficiency; but to officers so removed compassionate allowances may be granted by the Government of India in cases where the pay of the officer does not exceed Rs. 800 a month, or by a Provincial Government in the case of officers

## PART IV.—ORDINARY PENSIONS—continued.

serving under it whose pay does not exceed Rs. 500 a month, when they are deserving of special consideration; provided that, without the sanction of the Secretary of State:—

- (1) No allowance shall be granted to an officer appointed in England, and
- (2) The allowance granted to any officer shall not exceed two-thirds of the pension which would have been admissible to him if he had retired on medical certificate.

*Note.*—[The Government of India may delegate the powers of a Provincial Government under this Article to Minor Local Governments and Heads of Departments in respect of officers whom such subordinate authorities are competent to dismiss and who are under the orders of such subordinate authorities.]

353A. When an officer, belonging to one of the following services, who is proved to be unfit for further advancement, is removed from service by the Secretary of State on the recommendation of the Local Government and the Government of India, he may, with the sanction of the Secretary of State, be granted a pension not usually exceeding, and not necessarily so great as, that which would have been admissible to the officer if he had been invalided on medical certificate. In making their recommendations in such cases, the Government of India and the local Government will be guided by the circumstances of each case and are not debarred from proposing, if the circumstances justify it, a pension lower or (in exceptional cases) higher in amount than that which would be admissible to the officer if he was invalided on medical certificate:—

- (a) The Indian Civil Service.
- (b) The Indian Political Department.
- (c) The Indian Finance Department (General List, including the Public Works List).
- (d) The Imperial Police Service.
- (e) The Imperial Customs Service.
- (f) The Post Office of India and the Indian Telegraph Department.
- (g) The Geological Survey of India.
- (h) The Engineer establishment of the Indian Public Works and State Railway Departments.

*Note 1.*—[In the case of military officers belonging to the Indian Political Department the pension recommended will be based on the amount of retiring pension which an officer might have earned at the time under the Army Regulations.]

*Note 2.*—[In the case of officers belonging to a class which is neither wholly nor partly recruited by the Secretary of State, the removing authority will be the Government of India.]

*Note 3.*—[In the case of Royal Engineer officers of the Public Works and State Railway Departments the enforcement of the rule will take the form of requiring the officers to vacate their civil appointments and revert to military duty.]

354. *Claims of Widow.*—(a) It being the duty of every Government Officer himself to provide

for his family, the Government recognises no claim by a widow on account of the services of her husband, and is almost invariably under the painful necessity of rejecting recommendations made in contravention of this rule.

(b) The submission of such recommendations, save under very extraordinary circumstances, is disapproved, as calculated only to give rise to hopes which cannot be fulfilled.

355. *Limitations.*—(a) An Officer cannot earn two pensions in the same office at the same time, or by the same continuous service.

(b) Two Officers may not simultaneously count service in respect of the same office.

356. Service rendered by an employee belonging to one of the classes mentioned in Note 2 below after attaining the age of 20 years, which is pensionable under military rules but which terminates before a pension has been earned in respect of it, may, at the discretion of the provincial and minor local Governments specified in Parts I and II of Appendix I to these Regulations, be allowed to count, when followed by service qualifying for civil pension, as part of such service, provided that any bonus or gratuity received in lieu of pension on, or since, discharge from military service shall be refunded in not more than 36 monthly instalments, commencing from the date of joining a civil appointment. Service pensionable under military rules, which does not so terminate, shall not be allowed to count without the sanction of the Secretary of State in Council.

*Note 1.*—An officer or ex-soldier will not be brought under the operation of this Article as a matter of course. Each case will be decided on its merits, e.g., there may be cases in which it may be open to a claimant for pension to add military service during the Great War to former non-pensionable service in the Army in order to claim the benefit of a military pension. In such cases it may be to the advantage of the claimant that he should not be brought under the operation of this Article. The bearing of Article 1031, Army Regulations, India, Volume I, on the position of soldiers of the Indian Army who re-entered during the Great War, deserves consideration in this connection.

*Note 2.*—This Article applies to Indian commissioned officers, non-commissioned officers and men of the Indian Army, and to non-combatant departmental and regimental employees and followers of the supplemental services. It also applies to non-commissioned officers and men of the British Service, Warrant officers and departmental officers of the commissary and assistant-surgeon classes, in respect of service with their units or departments in India.

*Note 3.*—To be eligible for the concession in this Article a soldier-clerk employed in the civil department should take his discharge from the Army within 12 months after joining his appointment in the department. This limit may, in special cases, be relaxed by the Government of India.

*Note 4.*—Employees in the Military Police have the option of counting service under any other rules in these Regulations which would give them a similar or more liberal concession.

## CIVIL SERVICE REGULATIONS.

## CHAPTER XV.—GENERAL RULES—continued.

*Note 5.*—Employees who were in service in the civil department on the 22nd February, 1921, are eligible to count service under the rules which were in force before that date, where those rules are more advantageous to them.

For the purpose of the foregoing Article, service as private or in any higher combatant rank shall be treated as superior if followed by

superior service in the civil department. In other cases, military service shall be treated as superior or inferior according to the character of the appointment in which it was rendered, and with reference to the criteria observed in the civil department. Doubtful cases should be referred to the Government of India, who enjoy full powers in the matter.

## CHAPTER XVI.—CONDITIONS OF QUALIFYING SERVICE.

## BEGINNING OF SERVICE.

358. (a) Except for compensation gratuity, an Officer's service does not in the case of superior service qualify till he has completed twenty years of age.

(b) In other cases, unless it be otherwise provided by special Rule or Contract, the service of every Officer begins when he takes charge of the office to which he is first appointed.

*Note.*—[In every covenant with an Officer appointed in England by the Secretary of State, not being a Member of the Indian Civil Service or a Civil Engineer or Telegraph Officer educated at the Royal Engineering College, Cooper's Hill, or a Forest Officer, a clause is inserted to the effect that service for leave and pension begins only from the date on which the Officer joins his first appointment in India.]

359. The following exceptions are admitted to the Twenty Years' Rule:—

- (i) All Officers appointed in England by the Secretary of State; 'Indian College Engineers' (see Article 627 (e)); and Police probationers appointed in India under the orders contained in the despatch of the Secretary of State No. 14 (Judicial), dated 15th March, 1894.

## CONDITIONS OF QUALIFICATION.

361. The service of an Officer does not qualify for pension unless it conforms to the following three conditions:—

*First.* The service must be under Government.

*Second.* The employment must be substantive and permanent.

*Third.* The service must be paid by Government.

These three conditions are fully explained in the following sections:—

361A. The Government of India may, however, in the case of service paid from General Revenues, even though either or both of conditions (1) and (2) are not fulfilled—

- (1) Declare that any specified kind of service rendered in a non-gazetted capacity shall qualify for pension.
- (2) In individual cases, and subject to such conditions as it may think fit to impose in each case, allow service rendered by an Officer to count for pension.

Subject to such conditions as it may think fit to impose, the Government of India may delegate its powers under this Article to Provincial Governments, Minor Local Governments and Heads of Departments.

*Note.*—[(a) Provincial Governments exercise the powers of the Government of India under clauses (1) and (2) of this Article in respect to Officers serving under them if the pension does not exceed Rs. 50 a month. In individual cases where the pension exceeds Rs. 50 a month they may allow half the actual non-qualifying service paid from General Revenues to count for pension, subject to a maximum of twelve months in all.]

[(b) Minor Local Governments exercise the powers of the Government of India under clause (2) of this Article in respect of Officers serving under them, if the pension does not exceed Rs. 10 a month.]

362. *First Condition.*—The service of an Officer does not qualify unless he is appointed and his duties and pay are regulated by the Government, or under conditions determined by the Government.

368. *Second Condition.*—Service does not qualify unless the Officer holds a substantive office on a permanent establishment.

369. An establishment, the duties of which are not continuous, but are limited to certain fixed periods in each year, is not a temporary establishment. Service in such an establishment, including the period during which the establishment is not employed, qualifies; but the concession of counting as service the period during which the establishment is not employed does not apply to an Officer who was not on actual duty when the establishment was discharged, after completion of its work, or to an Officer who was not on actual duty on the first day on which the establishment was again re-employed.

370. An Officer transferred from a temporary to a permanent appointment can count his service in the temporary office, if, though at first created experimentally, or temporarily, it eventually becomes permanent.

371. An Officer without a substantive appointment officiating in an office which is vacant, or the permanent incumbent of which does not draw any part of the pay or count service, may, if he is confirmed without interruption in his service, count his officiating service.

## PART IV.—ORDINARY PENSIONS—continued.

373. The service of a probationer who holds a substantive office, and draws substantive pay, qualifies. So does that of an Officer who is on probation for a substantive office, if he is employed in a vacancy reserved for him, pending probation, and in which no other Officer simultaneously counts service.

374. Police probationers and temporary and officiating Assistant Superintendents of Police in all provinces count their service as follows:—

(1) If recruited in England—from the date on which they report their arrival in India.

(2) If recruited in India under the orders in Secretary of State's Despatch No. 14, dated the 15th March, 1894—from the date of assuming charge of their appointments.

(3) If recruited in India before the date of the orders of 1894 mentioned in (2) above—from the date either of attaining the age of 20 years or of assuming charge of their appointments, whichever is later provided that the service has been continuous.

385. *Third Condition.*—Service which satisfies the conditions prescribed in Sections II and III qualifies, or does not qualify, according to the source from which it is paid; with reference to this Article service is classified as follows:—

(a) Paid from the General Revenues.

- (b) Paid from Local Funds.
- (c) Paid from funds in respect to which the Government holds the position of trustee.
- (d) Paid by fees levied by law, or under the authority of the Government, or by Commission.
- (e) Paid by the grant, in accordance with law or custom, of a tenure in land, or of any source of income, or right to collect money.

386. Service paid from the General Revenues qualifies. The fact that arrangements are made for the recovery on the part of the Government of the whole or part of the cost of an establishment or Officer, does not affect the operation of this principle: Provided that the establishment or Officer is appointed, controlled, and paid by the Government.

390. Service paid from a Local Fund qualifies, or does not qualify, according to the rules laid down in Chapter XLII.

391. *Trust Funds.*—Service paid from funds which Government holds only as a trustee, such as under a Court of Wards or in an Attached Estate, does not qualify.

392. *Fees and Commission.*—Except when fees or commission are drawn in addition to pay from the General Revenues, service in an office paid only by fees, whether levied by law or under the authority of Government, or by a commission, does not qualify.

CHAPTER XVII.—RULES FOR RECKONING SERVICE.  
SPECIAL ADDITIONS.

403. Subject to the restriction specified against the first three offices, an incumbent of one of the offices enumerated below, appointed on account of professional or other special qualifications, whose whole pensionable service has been passed in one or other of such offices, shall, if appointed at an age exceeding 25, be entitled to reckon as service qualifying for superannuation pension (but not for any other class of pension) the actual period by which his age may, at the time of appointment, have exceeded 25 years, subject to the proviso that five years shall be the maximum period which can be so added.

No Officer can claim the benefit of this Article unless his actual qualifying service at the time he quits Government service is not less than ten years.

- (i) Deputy Legal Remembrancers, Bengal, and Eastern Bengal and Assam
- (ii) Assistant Secretary to the Bengal Legislative Council
- (iii) Presidency Magistrates.
- (iv) Judges of the Small Cause Court at a Presidency Town (other than the Chief Judges) and at Rangoon.

- (ix) Registrars of Joint Stock Companies for Bengal and Bombay.
- (x) Port Officers in Madras Presidency.
- (xi) 2nd and 3rd officers and Engineers of the Indo-European Telegraph Department attached to the cableship *Patrick Stewart*.

*Note.*—[The extra years conceded under this Article count towards the limit of 28 years' qualifying service prescribed in Article 475 in the case of the Officers mentioned in the latter rule, or to whom its provisions may be specially extended.]

*Exception.*—Subsequent promotion to an appointment which is not one of the offices enumerated in this Article, but is of similar nature and carries not less pay, does not deprive an officer of the concession prescribed above, provided that he has, when so promoted, completed not less than five years' qualifying service in one of the offices enumerated in this Article.

404. In the case of Officers who were in the

## CHAPTER XVII.—RULES FOR RECKONING SERVICE—continued.

Education Department on 23rd July, 1896, the following rule applies:—

For the purpose of calculating the amount of pension ordinarily admissible to an Officer, not being a Native of Asia, whose qualifying service began after 25 years of age, and whose service for which pension is claimed amounts to not less than ten years, and has been passed wholly in one or other of the following offices, three years shall be added to the qualifying service:—

- (i) Directors of Public Instruction.
- (ii) Inspectors of Schools.
- (iii) Principals and Professors of Colleges.
- (iv) Headmasters of Colleges and High Schools.

404A. For Officers mentioned in Article 349A, the concession of adding to qualifying service is as follows:—

In the case of the Agriculture (Imperial), Educational (Imperial and Provincial Services), Civil Veterinary (Imperial), Factory and Boiler and Smoke Nuisances Inspection, Indian Mines, Mint and Assay, Geological Survey, and Meteorological Departments, the Provincial Judicial Services, Distillery Experts in the Salt and Excise Departments, the Legal Assistant in the Legislative Department of the Government of India Secretariat, Officer of the Zoological and the Archaeological Departments, Superintendents of Provincial Government's Presses, the Assistant Solicitor to the Government of India, Commander, Chief Engineer and 1st Officer of the Indo-European Telegraph Department attached to the Cableship *Patrick Stewart* and Medical Superintendent of the Indo-European Telegraph Department in the Persian Section, Presidency Magistrates, Judges of the Small Cause Court at a Presidency town and at Rangoon, City Civil Judge, Madras, Superintendent of Government Museum and Principal Librarian of the Connemara Public Library, Madras, Registrars of Joint Stock Companies for Bengal and Bombay, First and Second Assistant Secretaries to the Government of Bengal Legislative Department and Assistant Secretaries to the Bengal Legislative Council, Port Officers in Madras Presidency not belonging to the Royal Indian Marine, Deputy Superintendent and Remembrancer of Regal Affairs, Bengal, Superintendent, Government Printing, India, and Managers of Government of India Presses, the Resident Engineer, Government Dockyard, Dawbong, Rangoon, the Press and Forms Manager, Bengal, Mathematical Adviser to the Survey of India, the Sub-Divisional Magistrate and additional Magistrates, Rangoon, when recruited from the Bar, Manager and Chemist, Cordite Factory, Aruankadu, and of such other appointments as may be definitely specified in this behalf in other Departments, except those included in clause (i) of Article 474A, in which recruitment is likely to take place normally after 25 years of age, officers recruited over that age may add to their service qualifying for superannuation pension (but not for any other class of pension) the actual period not exceeding five years by which their

age at recruitment exceeded 25 years. This concession will not be granted to individual Officers appointed at an age exceeding 25 years to Departments or appointments other than those included above. No officer can claim the benefit of this Article unless his actual qualifying service at the time he quits Government service is not less than 10 years.

The provisions of this Article apply to members of the Bar directly appointed to judicial posts ordinarily reserved for members, of the Indian Civil Service, but, in their case, the maximum period to be added will be ten years.

*Note.*—[The extra years conceded in this Article count towards the limit of 28 years' qualifying service prescribed in Article 475A.]

## PERIODS OF LEAVE.

407. *Superior Service.*—Except as provided in Article 408, time passed on leave other than privilege leave or subsidiary leave does not count as superior service.

408. Time passed on leave with allowances counts as service as follows:—

| If the total service of the Officer is not less than— | He counts as service a period of leave out of India— | He counts as service a period of leave in India— |
|-------------------------------------------------------|------------------------------------------------------|--------------------------------------------------|
| 15 years                                              | 1 year                                               | 1 year.                                          |
| 20 "                                                  | 2 years                                              | "                                                |
| 25 "                                                  | 3 "                                                  | "                                                |
| 30 "                                                  | 4 "                                                  | 2 years.                                         |
| 35 "                                                  | 5 "                                                  | "                                                |

*Note 1.*—[The periods in columns 2 and 3 are not cumulative, that is, an Officer may not count two years' leave in 15 years' service, or more than four years' leave in 30 years' service. The maximum amount of leave both in and out of India which may be counted is that shown in column 2.]

*Note 2.*—[Total service in this Article means total service reckoning from the date of commencement of service qualifying for pension, and includes periods of leave.]

*Note 3.*—[For the purposes of this Article, Ceylon and the Straits Settlements are not held to be "out of India."]

412. *Deputation out of India.*—When an Officer is deputed out of India on duty, the whole period of his absence from India counts. When an Officer on leave out of India is employed, or is detained after the termination of his leave, on duty, the period of such employment or detention counts.

413. *Recall to duty.*—Time spent on the voyage to India by an Officer who is recalled to duty before the expiry of any recognised leave, and (if, within a year from the date on which he can be spared, the Officer takes the unexpired portion of the leave from which he was recalled) the time spent on the return voyage to Europe counts.

## SUSPENSIONS, RESIGNATIONS, BREAKS AND DEFICIENCIES IN SERVICE.

416. Time passed under Suspension pending inquiry into conduct counts, if the suspen-

sion is immediately followed by reinstatement, but time passed under suspension adjudged as a specific penalty does not count.

418. *Resignations and Dismissals.*—(a) Resignation of the public service, or removal from it for misconduct, insolvency, inefficiency not due to age, or failure to pass a prescribed examination, entails forfeiture of past service (*see also* Appendix No. 7).

(b) Resignation of an appointment to take up another appointment, service in which counts, is not a resignation of the public service.

419. Any authority who, on revision or appeal, reverses an order dismissing an Officer, may declare that the Officer's past service counts.

420. An *interruption* in the service of an Officer entails forfeiture of his past service, except in the following cases:—

- (a) Authorised leave of absence.
- (b) Unauthorised absence in continuation of authorised leave of absence, so long as the office of the absentee is not substantively filled; if his office is substantively filled, the past service of the absentee is forfeited.
- (c) Suspension immediately followed by reinstatement, which need not be to the same office.
- (d) Abolition of office or loss of appointment owing to reduction of establishment.
- (e) Transfer to non-qualifying service in an establishment under Government control. The transfer must be made by competent authority; an Officer who voluntarily resigns qualifying service, cannot claim the benefit of this exception. Transfer to a grant-in-aid school entails forfeiture.

(f) Transfer to service on the household establishment of the Viceroy.

(g) Time occupied in transit from one appointment to another, provided that the Officer is transferred under the orders of competent authority, or, if he is a non-gazetted Officer, with the consent of the head of his old office.

421. The authority who sanctions the pension may commute retrospectively periods of absence without leave into leave without allowances.

422. *Condonation of Interruptions and Deficiencies.*—Upon such conditions as it may think fit, in each case, to impose, the authority competent to fill the appointment held by an Officer at the time condonation is applied for, were he to vacate that appointment.

*Note.*—[The powers under this Article shall be exercised subject to any rules which the Government of India may deem fit to prescribe.]

423. (1) Upon any conditions which it may think fit to impose, the authority competent to sanction the pension of an Officer may condone a deficiency of three months in his qualifying service.

(2) The Government of India and Provincial Governments may similarly condone a deficiency not exceeding twelve months.

(3) If an Officer claiming Superior service has also rendered Inferior service, the Government of India, or the Provincial Government under whom he is serving, may condone a deficiency in his qualifying service for pension on the superior scale not exceeding one-half his Inferior in all.

## CHAPTER XVIII.—CONDITIONS OF GRANT OF PENSION.

## CLASSIFICATION OF PENSIONS.

424. Pensions for 'Superior Service' are divided into four classes, the rules for which are prescribed in the following sections of this chapter:—

- (a) Compensation Pensions—*see* Section II.
- (b) Invalid Pensions—*see* Section III.
- (c) Superannuation Pensions—*see* Section IV.
- (d) Retiring Pensions—*see* Section V.

## COMPENSATION PENSION.

426. A Compensation Pension is awarded to an Officer discharged from the public service because, on a reduction of establishment, his appointment is abolished, and other suitable employment cannot be found for him. An appointment, the pay of which is reduced as part of a general scheme of revision, is abolished within the meaning of this Article.

427. To pension an Officer still capable of useful service is a waste of public money; before a pension is granted to such an Officer discharged on abolition of appointment, it must be carefully

considered whether he cannot be otherwise provided for.

## INVALID PENSION.

441. An Invalid pension is awarded, on his retirement from the public service, to an Officer who by bodily or mental infirmity is permanently incapacitated for the public service, or for the particular branch of it to which he belongs.

442. *Rules regarding Medical Certificates.*—If an Officer applying for an Invalid pension is sixty years old or upwards, no certificate by a Medical Officer is necessary; it suffices for the head of the office to certify to the incapacity of the applicant. Otherwise incapacity for service must be established by a Medical Certificate.

444. A simple certificate that inefficiency is due to old age or natural decay from advancing years is not sufficient in the case of an Officer whose recorded age is less than fifty-five years, but a medical officer is at liberty, when certifying that the Officer is incapacitated for further service by general debility, to state his reasons for believing the age to be understated.

## CHAPTER XVIII.—CONDITIONS OF GRANT OF PENSION—continued.

445. *Form of Medical Certificate in England.*—The form of the medical certificate given by the Medical Board attached to the India Office, respecting an Officer applying for pension in England, is as follows:—

We have carefully examined Mr.   
 Taking into account all the facts of the case as well as his present condition, we consider that he is incapable of discharging the duties of his situation, and that such incapability is likely to be permanent. We therefore recommend that he be permitted to retire from the service of Government on the pension or gratuity for which he may be eligible.

452a. *Restrictions.*—An Officer discharged on other grounds has no claim under Article 441, even although he can produce medical evidence of incapacity for service.

454. If the incapacity is the result of irregular or intemperate habits, no pension can be granted.

455. *Applicant to be Discharged.*—An Officer who has submitted under Article 442 a Medical Certificate of incapacity for further service, must not (except for special reasons to be reported to the Local Government) be retained in active service pending a decision on his application for pension, nor can he obtain leave of absence, except subsidiary leave preparatory to retirement. Without the further special orders of the authority which has power to sanction the pension, service after the date of such Medical Certificate does not count for pension.

456. The object of Article 455 is to discourage tentative applications.

457. Article 455 refers only to the retention in active service of an Officer who has furnished a medical certificate in support of an application for invalid pension or gratuity while in India. The retirement of an Officer who is absent on leave other than Privilege Leave, when such certificate is submitted, may have effect from the termination of his leave, and the Officer may continue to draw leave allowance to the end of his leave.

## SUPERANNUATION PENSION.

458. A Superannuation Pension is granted to an Officer in Superior service entitled or compelled, by Rule, to retire at a particular age.

459. (a) Ministerial Officers who have attained the age of fifty-five may be required to retire, but should ordinarily be retained in service so long as they remain efficient, until they come under the provisions of clause (e).

(b) Officers, other than Ministerial, who have attained the age of fifty-five, should ordinarily be required to retire, and should not be retained in service except where unquestionable public grounds for retention exist, and there is no doubt as to the physical fitness of the officer.

(c) Each Officer's case should be taken up when he is approaching the age of fifty-five and before the expiry of each extension of service. Extensions may not be granted for any period exceeding one year at one time.

(d) The powers given by the preceding clauses may be exercised by the authority

competent to fill the appointment (if vacant) of the officer who is required to retire or retained in service.

(e) An Officer who has attained the age of sixty cannot be retained in the service of Government save in very exceptional circumstances, and with the sanction of the Local Government.

(f) No claim to compensation from an Officer who is required to retire under the provisions of this Article will be entertained.

*Note.*—[The provisions of this Article do not apply to Officers referred to in the note under Article 550.]

464. *Optional Retirement at Fifty-five.*—An Officer in Superior Service, who has attained the age of fifty-five years, may, at his option, retire on a Superannuation pension.

## RETIRING PENSION.

465. A Retiring Pension is granted to an Officer who is permitted to retire after completing qualifying superior service for thirty years, or such less time as may for any special class of officers be prescribed.

465A.—For Officers mentioned in Article 349A, the rule for the grant of retiring pension is as follows:—

- (1) An Officer is entitled, on his resignation being accepted, to a retiring pension after completing qualifying service of not less than 25 years or, in the case of Imperial Officers of the Forest, Geological Survey, Public Works, Railway, and Telegraph Departments and any others who would be covered by Article 635 of the Civil Service Regulations, not less than twenty years.
- (2) A retiring pension is also granted to an Officer who is required by Government to retire after completing twenty-five years' qualifying service or more.

*Note 1.*—Government retains an absolute right to retire any Officer after he has completed twenty-five years' qualifying service without giving any reasons and no claim to special compensation on this account will be entertained. This right will not be exercised except when it is in the public interest to dispense with the further services of an Officer.

*Note 2.*—In the case of an Officer who was in the service on or before the 15th November, 1919, and who fulfils the conditions of Clause (1) of this Article, acceptance of his resignation will in no circumstances be deferred beyond a period of six months from the date on which his application to resign was submitted.

467. An Officer holding two or more separate appointments may not, save with the express sanction of the Government of India, in the Finance Department or, if pensions are a provincial charge, of the Provincial Government, resign one or more of such appointments on a pension, without retiring from the Public Service altogether. There is no objection to his being

## PART IV.—ORDINARY PENSIONS—continued.

relieved from one or more of such appointments at any time, without being compelled to leave the service altogether, but in such case any pension admissible to him for service in the office or offices from which he is relieved will be deferred until he finally retires.

*Note.*—[The Government of India may delegate its power under this Article to Minor Local Governments and Heads of Departments. A Provincial Government also may delegate its power to Heads of Departments.]

## CHAPTER XIX.—AMOUNT OF PENSIONS.\*

## GENERAL RULES.

468. The amount of pension that may be granted is determined by length of service, as set forth in Articles 474 to 485. Fractions of a year are not taken into account in the calculation of any pension admissible to an Officer under this part of these regulations.

469. *Currency.*—A pension is fixed in rupees, and not in sterling money, even though it is to be paid in England.

470. (a) The full pension admissible under the Rules is not to be given as a matter of course, or unless the service rendered has been really approved.

(b) If the service has not been thoroughly satisfactory, the authority sanctioning the pension should make such reduction in the amount as it thinks proper.

471. *Limitations.*—An Officer entitled to pension may not take a gratuity instead of pension.

473. An Officer, not being a Military Officer, or a Member of the Indian Civil Service, transferred to service under a Colonial Government, on final retirement from the Colonial service on pension or compensation allowance receives, from Indian Revenues, for each completed year of qualifying and uninterrupted service in India, a pension of one-sixtieth of his average emoluments at the time of his transfer, such average emoluments to be calculated for the last three years, or, if the whole service in India is less than three years, for the whole period of service. The pension is subject to a maximum limit of Rs. 2,000 a year for an Indian service not exceeding ten years, and Rs. 4,000 a year in any other case.

*Note.*—[The sanction of the Government of India is required to the transfer of an Officer to any service of the description mentioned in this article.]

## AMOUNT OF SUPERIOR PENSION.

474. The amount of a pension is regulated as follows:—

(a) After a service of less than ten years, a gratuity not exceeding (except in special cases and under the orders of the Government of India, up to a maximum of 12

months' emoluments) one month's emoluments for each completed year of service. If the emoluments of the Officer have been reduced during the last three years of his service otherwise than as a penalty, average emoluments may, at the discretion of the authority which has power to sanction the gratuity, be substituted for emoluments.

(b) After a service of not less than ten years a pension not exceeding the following amounts:—

| Years of completed service. | Scale of Pension.                     | Maximum limit of Pension.            |
|-----------------------------|---------------------------------------|--------------------------------------|
| 10                          | 10-sixtieths of aver- age emoluments. | a year or a month Rs. 2,000 Rs. 166½ |

| 12                          | " " " "                               | 2,400 200                            |
| 13                          | " " " "                               | 2,600 216½                           |
| 14                          | " " " "                               | 2,800 233½                           |

| 17                          | " " " "                               | 3,400 283½                           |

*Note.*—[For the precise meaning of average emoluments, see Articles 486 and 487.]

474A.—For Officers mentioned in Article 349A the amount of pension is regulated as follows:—

(i) Imperial Officers of the Forest, Geological Survey, Public Works, Railway and Telegraph Departments and any others who would be covered by Article 635:—

(a) For invalid pensions.—Up to 24 years of completed service as in Article 474 thereafter:—

rule shall not exceed £1,000, or, if the additional pension be wholly at the lower rate, £900.

- (b) Personal allowance; continues to reckon as part of 'emoluments,' even when it is wholly or partly absorbed in acting allowance not so reckoning;
- (c) Fees or commission, if they are the authorised emoluments of an appointment, and are *in addition* to pay. In this case 'emoluments' means the average earnings for the last six months of service;
- (d) Charge Allowance to Telegraphists in the Indian Telegraph Department and to

Signallers, Inspectors and Charge Clerks in the Indo-European Telegraph Departments;

- (e) Commission in the case of a Thugyi in Lower Burma, 'emoluments' in this case being held to mean the average of his monthly receipts in commission during the three years' actual service previous to retirement; but see example (3) under Article 489;
- (f) Bullock Train allowance in the Post Office Department;
- (g) Allowance attached to a Professorship or Lecturership in a Government Institution;

1. If, during the last three years of his service, an Officer has been absent from duty on leave with allowances, or, having been suspended, has been reinstated without forfeiture of service, his emoluments, for the purpose of ascertaining the average, should be taken at what they would have been had he not been absent from duty or suspended: Provided always that his pension must not be increased on account of increase in pay not actually drawn. But if his absence on departmental or recess leave is reckoned as service under Article 409, only the allowances, if any, actually received during such leave should be taken into account.

489. Any part of an Officer's pay or emoluments, which is specially intended to provide for expenses incidental to his duty, must be excluded.

(b) The allowance of Rs. 500 shall be paid to an Archdeacon or Acting Archdeacon for holding charge of a diocese in addition to his allowances as Archdeacon or Acting Archdeacon.

(8) A Bishop of Calcutta, Madras or Bombay, if resident in Europe at the time of his appointment to the bishopric of Calcutta, Madras or Bombay, shall be paid the sum of £500 for the purpose of defraying the expenses of his equipment and voyage.

If resident in India or Ceylon at the time of his appointment, a Bishop of Calcutta, Madras or Bombay shall be paid £250 for equipment, but no allowance for voyage. ## Retiring Pension.

After 20 years' residence and 23 years' service ... .. 480

Note.—An invalid pension after the completion of 10, but before the completion of 18, years of residence is admissible only after a trial of a temperate climate and upon a certificate from the Medical Board attached to the India Office that the officer is permanently unfit to serve in India.

599A. Right and title to pension.—A non-statutory Bishop of Lahore, Rangoon, Lucknow or Nagpur, if not borne upon the ecclesiastical establishment previous to appointment, shall be entitled:—

(i) To the pension and gratuity provided for Chaplains in Article 599 subject to the

## CHAPTER XXVII.—ECCLESIASTICAL OFFICERS—continued.

condition that the gratuity of a Bishop invalided before completing ten years' service shall be calculated at the rate of £120 per year of completed residence (as defined in Article 573), and that the maximum and minimum of such gratuities shall be £1,080 and £200 respectively;

(ii) To reckon as residence and service qualifying for retiring pension (but not for invalid pension) the number of completed years by which his age may at the time of appointment have exceeded thirty years, subject to the proviso that five years shall be the maximum period which can be so added.

## CHAPTER XXVIII.—MILITARY OFFICERS.

## CHAPTER XXIX.—CIVIL VETERINARY DEPARTMENT.\*

623. The pension rules of the Civil Veterinary Department are as follow:—

(a) No officer becomes qualified for pension under the scale fixed for the Department until he has rendered ten years' service in it.

(b) Pensions are granted at the rates prescribed for the Army Veterinary Department by the Army Regulations in force for the time being, plus an addition made on the following scale:—

After ten years' service in the Civil Veterinary Department £72 a year; after fifteen years' service in the Civil Veterinary Department £96 a year; after twenty years' service in the Civil Veterinary Department £120 a year.

(c) Leave, apart from privilege leave, counts as service qualifying towards pension to the extent of two months for every year of actual service.

(d) Retirement is optional after twenty years' service and allowed on medical certificate after fifteen years' service. An officer, other than the Inspector-General, who resigns the Civil Veterinary Department before retirement, forfeits all claims to pension under the scale fixed for the Department.

The pension of the Insp.-Genl., if he has qualified under clause (a), is at the rate of £700 a year after three years' tenure of office. Should an

officer have completed five years' tenure of the post of Insp.-Genl. before having rendered ten years' service in the Department, he is eligible for a pension of £600 a year.

Officers retiring before having completed ten years' service in Civil employ are dealt with under military rules for pension or gratuity. In the case of an officer invalided before completing ten years' service in the Civil Veterinary Department, the gratuity or pension earned by him under Military rules is increased in the same proportion as the total Civil allowances bear to the total Military allowances earned by him during his period of service in India.

Note 1.—[Previous service in an appointment absorbed into the Civil Veterinary Department counts as service rendered in that Department for the purposes of this rule.]

Note 2.—[This article does not apply to Officers of and above the rank of Deputy Superintendent who come under Article 349A.]

624. The rules in Chapter XXVIII. relating to the retirement of Military Officers in Civil employ upon attaining the age of fifty-five years, apply to Army Veterinary Officers in the Civil Veterinary Department.

626. Family Pensions.—The family of a Civil Veterinary Officer recruited from the Veterinary Staff of the Army are eligible for pension under the provisions of the Royal Warrant, 'Pay and Non-effective Pay,' applicable to the families of Army Veterinary Officers.

## CHAPTER XXX.—CIVIL ENGINEERS AND TELEGRAPH OFFICERS.\*

## PENSION RULES.

635. The rules in this section apply to all Officers of the classes described in clauses (a) to (c) of Article 627, and also to those Engineers whose names are given in Appendix 12.

Note.—[The Rules in Article 643 apply to all classes of Officers of the Public Works and Telegraph Departments.]

636. The pensionary claims of Indian College Engineers, and of other Civil Engineers (whether of purely Asiatic descent or not) appointed in India, and of Telegraph Officers not included under Clauses (a) and (c) of Article

627, are governed by the ordinary rules in Part IV. But in the case of Officers of this class who may rise to the rank of Superintending Engineer, or in the Telegraph Department, of Superintendent 1st grade, or in the Indo-European Telegraph Department, of Director, the Government of India will be prepared to consider favourably their admission to the pension rules, including those contained in Article 642, applicable to the Officers specified in Article 635.

Provided that Civil Engineers and Telegraph Officers who are Members of the Provincial Services of the Public Works and Telegraph Departments are not eligible for the concession described in this Article.

\* See also p. 364.

## PART X.—PROCEDURE RELATING TO PENSIONS.

## CHAPTER XLVII.—APPLICATIONS FOR AND GRANTS OF PENSIONS.

905. The Rules in this Chapter apply to all Officers applying for pension under these Regulations, except—

- (a) Members of the Indian Civil Service—(Chapter XLIX.).
- (b) Chaplains—(Chapter L.).
- (c) Judges of the High Courts, for whom no special procedure is laid down.

906. There is no limitation on the period after retirement within which an application for pension or gratuity must be submitted; but, apart from special orders, a pension applied for after the Officer has retired begins from the date of application. (See also Article 930.) An Officer may be admitted to pension while absent on leave, whether in or out of India.

915. (a) The Government of India is ordinarily unwilling to pass orders on questions affecting the pension of an Officer until he actually retires, because their premature discussion

occupies valuable time almost always to no purpose and uselessly.

918. A pension which is certified by the responsible Audit Officer to be clearly and strictly admissible under rule may be sanctioned—

- (a) in any case, by the Local Government;
- (b) in the case of non-gazetted Officers, by the Officer who has the authority to fill the appointment vacated by the retiring Officer.

*Note.*—[A Local Government may delegate its powers under this Article to Heads of Departments and other subordinate Officers who are authorised to fill the appointment vacated by the retiring Officer.]

922. Should the amount granted to an Officer be afterwards found to be in excess of that to which he is entitled under the regulations, he will be called upon to refund such excess.

## CHAPTER XLVIII.—PAYMENT OF PENSIONS.

## GENERAL RULES.

933. When a pension is stated in rupees, it is payable at any treasury in India; or, at the pensioner's option, at the Home Treasury.

933A. When a pension is stated in sterling, it is payable at the Home Treasury, or, at the option of the pensioner, if he be residing in India, at any treasury in India converted into rupees at the rate of exchange declared to exist on the date on which payment falls due; provided that pensioners of the following classes may, at their option, convert their pensions into rupees at the rate of 1s. 4d., to the rupee so long as they continue to reside in India:—

- (i) Pensioners resident in India who were on the 1st February, 1921, in receipt of pensions converted at that rate.
- (ii) Pensioners of Indian domicile who were, on the 1st February, 1921, temporarily drawing their pensions in sterling.
- (iii) Pensioners of Indian domicile who were in Government service on the 1st February, 1921.

934. Pensions granted in rupees which are drawn at or through the Home Treasury or in a colony in which the Indian Government rupee is not legal tender are converted into sterling at the rate of exchange for remittances through Government on the date on which each payment becomes due, subject to a minimum rate of 1s. 9d. per rupee.

*Note 1.*—[This rule also applies to the issue of gratuities to persons residing in any country in which the rupee is not legal tender; but when the service of an officer to whom a gratuity is granted terminates in India, the gratuity should be paid in India.]

*Note 2.*—[When the minimum rate of exchange comes into operation the following concessions apply:—

- 1.—Ordinarily, a pensioner who has been residing in India or other country in which

the Indian Government rupee is legal tender, and who proceeds to a country in which the rupee is not legal tender is entitled to draw his pension from or through the Home Treasury at the minimum rate of 1s. 9d. the rupee from the date only when he quitted the former country. But a pensioner who leaves India within six months of his retirement and proceeds to a country in which the rupee is not legal tender is entitled to draw his pension from or through the Home Treasury at the minimum rate of 1s. 9d. the rupee from the date to which it has been paid in India, or if no payment has been made there, from the date of its commencement.

2.—A pensioner who has been drawing his pension at the minimum rate of 1s. 9d. the rupee, if he proceeds to a country in which the rupee is legal tender and continues to draw his pension from the Home Treasury, is allowed the benefit of that minimum rate for six months from the date of his arrival in such country.]

*Note 3.*—[In the event of a case arising which appears not to be covered by the foregoing rules, reference must be made to the Secretary of State.]

*Note 4.*—[On warrants issued to persons drawing pensions stated in rupees it should be noted whether payment is subject to the minimum rate of 1s. 9d. the rupee.]

935. The rule in Article 934 applies to an Officer under covenant who is entitled by his covenant to pension; the covenanted rate of exchange for his pay and allowances does not, unless it is expressly so stated, apply to his pension.

936. Transfer of a pension from an Indian Treasury to the Home Treasury and *vice versa* is permitted within reasonable limits whenever desired.

*Note.*—[Frequent transfers of a pension to and fro are not permissible.]

## CHAPTER XLVIII.—PAYMENT OF PENSIONS—continued.

*Procedure in Paying.*

940. A gratuity is paid in a single sum, and not by instalments.

943. A pension is payable in India monthly in arrear and after the first day of the following month.

*Payment in England.*

964. The annuities and pensions of all officers are issued at the Home Treasury monthly in arrear on the 16th day of each calendar month.

They are made up to the following quarterly dates, *viz.*, to the 15th March, 15th June, 15th September and 15th December; and they are paid in monthly instalments, the first two instalments in each quarter being the net amount accrued, omitting shillings and pence, and the third instalment being the balance due for the quarter.

*Payment in a Colony.*

966. The Rules in this Section apply to pensions granted under the Rules in any Chapter of these Regulations. The pension of a pensioner residing in any Colony named in Appendix 15 may be paid there.

972. *Transfer of Payment.*—(a) Transfer of a pension from an Indian Treasury to a Colony, the payments in which are adjusted in the accounts of the Home Treasury, is permitted only once; but a pensioner can at any time have payment transferred from a Colony to an Indian Treasury, or from a Colony the payments in which are adjusted in the accounts of the Home Treasury, to England, for direct payment from the Home Treasury.

(b) In case a Pensioner desires transfer of payment of his pension from one Colony to another, the Government of India will recognise the proceedings of the Colonial Authorities sanctioning such transfer, which should, however, be reported separately by the pensioner to the Government of India and to the High Commissioner.

973. Upon his return to India, an Officer should deliver up his copy of the Warrant, which will serve the purpose of a last-pay certificate.

## CHAPTER XLIX.—MEMBERS OF THE INDIAN CIVIL SERVICE.

977. *Retirement during leave to Europe.*—(a) An Officer who wishes to retire from the service while on leave in Europe, must submit his application to the Secretary of State.

## PAYMENT.

980. The annuity of a Member of Council who has not previously resigned his seat in Council, or whose successor has not entered upon his office, commences from the day following that on which the vessel in which he leaves India sails, or from the expiry of his five years' tenure of office, whichever date is earlier.

982. Annuities are payable in arrear, monthly, and to date of decease.

983. (a) When payment of annuities or gratuities is taken at the Home Treasury, it may be taken at the option of the recipient either in rupees converted into sterling at the rate of exchange declared to exist on the date on which payment falls due or at the fixed sterling minimum.

(b) When payment is taken in India, it may

be taken at the option of the recipient either in rupees or at the fixed sterling minimum converted into rupees at the rate of exchange declared to exist on the date on which payment falls due; provided that annuitants of the following classes may, at their option, receive the fixed sterling minimum converted into rupees at the rate of 1s. 4d. to the rupee; so long as they continue to reside in India:—

- (i) Annuitants resident in India who were in receipt of annuities converted at this rate on the 1st February, 1921.
- (ii) Annuitants of Indian domicile who were, on the 1st February, 1921, temporarily drawing their annuities in sterling.
- (iii) Annuitants of Indian domicile who were serving in the Indian Civil Service on the 1st February, 1921.

984. Transfer from the Home Treasury to an Indian treasury, and *vice versa*, is permitted twice only.

987. Payment of annuities may be made in any Colony named in Appendix 15, in accordance with the procedure laid down in Articles 966 to 973.

990. A Chaplain who is retiring, if he be in India, must, if he belongs to the Church of England, submit his application through the Archdeacon or Bishop of his diocese, or if he belongs to the Church of Scotland, through the Presidency Senior Chaplain, to the Local Government under which he is serving or has last served.

## CHAPTER L.—CHAPLAINS.

990A. (a) A Chaplain who wishes to retire from the service while on leave in Europe must submit his application to the Secretary of State.
