### NOTE.

THE Editors particularly desire it to be observed that the Names of Officers in the Bengal Artillery and Engineers, from the year 1760 to 1794, are placed by themselves at the commencement of the Work: from and after that period, they are brought on in the same order with the other Branches of the Service.

The Editors beg to intimate that they have prepared the Bengal Army List up to the year 1794, on the plan of an entire Alphabetical List; from that time they have adopted the Alphabetical plan only as far as the first letter, deeming it in every respect preferable, after that period, to adhere to the *Seasons of Appointment*, by which means increased facility will be given for tracing and comparing the relative ranks and periods of service of those who have entered the army in the same season.

They beg also to advise their Subscribers that, in the following List, they have invariably adhered, as far as has been practicable, and except where it is otherwise stated, to the date of *Regimental* Rank up to the Rank of Lieut.-Colonel inclusive.

\* \* Where the Corps is not specially stated against each Officer's name, after the year 1794, it is to be concluded that such Officer belongs to the Infantry.

## INDIAN ARMY LIST.

MADRAS.

### NOTE.

The Editors beg to intimate that, in the following List, they have adopted the Alphabetical plan only as far as the first letter, deeming it in every respect preferable to adhere as nearly possible to the *Seasons of Appointment*, by which means increased facility will be given for tracing and comparing the relative ranks and periods of service of those who have entered the army in the same season.

They beg also to advise their Subscribers that, in their Alphabetical List, they have invariably adhered, as far as has been practicable, and except where it is otherwise stated, to the date of *Regimental Rank* up to the Rank of Lieut.-Colonel inclusive.

\* \* \* Where the Corps is not specially stated against an Officer's name, it is to be concluded that such Officer belongs to the Infantry.

# INDIAN ARMY LIST.

BOMBAY.

---

## NOTE.

---

The Editors beg to intimate that, in the following List, they have adopted the Alphabetical plan only as far as the first letter, deeming it in every respect preferable to adhere as nearly as possible to *the Seasons of Appointment*, by which means increased facility will be given for tracing and comparing the relative rank and periods of service of those who have entered the army in the same season.

They beg also to advise their Subscribers that, in their Army List, they have invariably adhered, as far as has been practicable, and except where it is otherwise stated, to the date of *Regimental* Rank up to the Rank of Lieut.-Colonel inclusive.

\* \* \* Where the Corps is not specially stated against each Officer's name, it is to be concluded that such Officer belongs to the Infantry.
