## II.—SIR THOMAS MUNRO'S MINUTES WHEN HE WAS THE GOVERNOR.

|                     |                                                                                                                                                                                                                                                                                                                                    |     |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 1820.<br>11th July. | On the conduct to be pursued by Magistrates in cases of affray consequent on the performance of native ceremonies having reference to the late disturbance at Masulipatam between the right and left hand castes . . . . .                                                                                                         | 6   |
| 15th Sept.          | Proposing a form of a statement to be sent to Sudder Adawlut to obtain an account of the business done by the Court at different periods . . . . .                                                                                                                                                                                 | ½   |
| 13th Oct.           | Regarding the removal of Mr. Ellis from the post of the Judge of Canara and the allowances to be granted to him while unemployed. . . . .                                                                                                                                                                                          | 7½  |
| 1st Dec.            | Proposing that a letter be sent to the Honorable the Court of Directors regarding the grant of some allowance to the Civil servants during the period of suspension . . . . .                                                                                                                                                      | 4   |
| 1821.<br>12th Jan.  | Recording his opinion regarding the appointment of a Third Judge of the Sudder Adawlut . . . . .                                                                                                                                                                                                                                   | 2   |
| 9th Feb.            | Proposing that Vizagapatam and Ganjam be formed into one Zillah with its Court at Chicacole . . . . .                                                                                                                                                                                                                              | 10½ |
| 16th Mar.           | Making observations on the amendment of the Regulations proposed by Mr. Stratton in his Minute . . . . .                                                                                                                                                                                                                           | 6   |
| 6th Apr.            | Recording his opinion on Draft Regulation I of 1821, regarding better preservation of health and discipline of troops . . . . .                                                                                                                                                                                                    | 13  |
| 27th Apr.           | Concurring in the opinion of the Foujdarry Adawlut that Ameens of Police can exercise authority within the limits of great towns, but differing from them in thinking that the Regulations prevent the employment of Ameens as Revenue Officers and adducing reasons for the employment of Tahsildars as Police Officers . . . . . | 11  |
| 8th June.           | Proposing certain appointments consequent upon the removal of Messrs. Scott and Greenway from the Sudder Adawlut by the order of the Court of Directors . . . . .                                                                                                                                                                  | 1½  |
| 3rd July.           | Recommending provisional appointments consequent upon Mr. Grimes' return to Malabar . . . . .                                                                                                                                                                                                                                      | ½   |
| 11th Sept.          | Recommending the abolition of the Zillah Court at Rajahmundry and proposing certain appointments in the Judicial and Revenue Departments . . . . .                                                                                                                                                                                 | 1½  |

| Date.                          | Subject.                                                                                                                                                                                                                                                              | No. of pages. |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 1821.<br>23rd Nov.             | Recommending that the Zillah Court of Vriddhachalam be abolished and that the Zillah be incorporated with that of Chingleput . . . . .                                                                                                                                | 1             |
| 30th Nov.                      | Recommending that the Zillah of Coimbatore be abolished and its jurisdiction annexed to Salem . . . . .                                                                                                                                                               | 1             |
| 1822.<br>16th Apr.             | Proposing that the drafts of regulations for checking the frauds of Revenue servants and respecting dstraint and pattaahs be taken into consideration . . . . .                                                                                                       | 1             |
| 16th Apr.                      | Stating the objects of the proposed Entail Regulation and recommending that it be passed without further delay . . . . .                                                                                                                                              | 2½            |
| 16th Apr.                      | Proposing that the Zillah of Trichinopoly be abolished and annexed to that of Cumbaconam . . . . .                                                                                                                                                                    | ½             |
| 24th May.                      | Proposing that a Regulation should be passed for extending the powers of the Criminal Judges . . . . .                                                                                                                                                                | 2½            |

| 1817.                                 |                                                                                                                                                                                                                                                                                                     |               |
| 27th Oct.<br>(In Cons.,<br>12th Nov.) | * Reporting that the Zemindar of Sundoor has delivered to him the keys of the fort and has thrown himself entirely on the protection of British Government ..                                                                                                                                       | 1             |
| 1st Nov.<br>(In Cons.,<br>12th Nov.)  | * Informing that Sheo Rao has surrendered the zemindary of Sundoor, and stating that he has written a letter to the Collector of Bellary to provide a residence for him ..                                                                                                                          | 2             |
| 5th Nov.<br>(In Cons.,<br>18th Nov.)  | * Forwarding copies of letters sent to the Resident at Poona regarding the surrender of Sundoor and the grant of a more liberal allowance to Sheo Rao for the loss of his principality, than that which has been promised to him ..                                                                 | 11½           |
| 7th Nov.<br>(In Cons.,<br>18th Nov.)  | * Requesting sanction to proceed to Poona ..                                                                                                                                                                                                                                                        | •             |
| 18th Nov.                             | Referring him to the reply sent to his letter of 18th September and stating that as he, in his military capacity, is exclusively placed at the disposal of the Commander-in-Chief, it is left to his discretion to go or not to go to Poona ..                                                      | 3             |
| 15th Nov.<br>(In Cons.,<br>25th Nov.) | * Reporting that he has delivered over the Command of the Field Force to the next senior officer, and stating that reports have been received of an attack on the Residency at Poona by the Peshwa's troops ..                                                                                      | 2             |
| 18th Nov.<br>(In Cons.,<br>25th Nov.) | * Submitting that Sundoor be immediately transferred to the Collector of Bellary and that the garrison of Sundoor be relieved and that peons be raised ..                                                                                                                                           | 3½            |
| 16th Nov.<br>(In Cons.,<br>25th Nov.) | * Respecting an attack on the British troops by those of the Peshwa ..                                                                                                                                                                                                                              | 2             |
| 25th Nov.                             | Acknowledging receipt of letters of the 15th and 16th November and giving him direction to resume his duties of First Commissioner for revising the Judicial system ..                                                                                                                              | 7             |
| 25th Nov.                             | Acknowledging receipt of letter of the 18th and giving instructions regarding the transfer of Sundoor to the charge of the Collector of Bellary ..                                                                                                                                                  | 8             |
| 19th Nov.<br>(In Cons.,<br>2nd Dec.)  | * Regarding fight between the Peshwa's and the Company's troops on the 5th and 7th instant ..                                                                                                                                                                                                       | 2½            |
| 21st Nov.<br>(In Cons.,<br>2nd Dec.)  | * Requesting assistance for his field force and suggesting measures for reducing the whole of the Samenoor Province ..                                                                                                                                                                              | 2½            |
| 22nd Nov.<br>(In Cons.,<br>2nd Dec.)  | * Forwarding copy of letter from the Resident at Poona and suggesting that a small battering train be sent to Darwar to guard against the Southern Jaghirdars ..                                                                                                                                    | 5½            |
| 2nd Dec.                              | Acknowledging receipt of letters of the 19th, 21st and 22nd and stating that no troops can at present be spared to be assembled at Dharwar for acting against the Southern Maharatta Jaghirdars ..                                                                                                  | 1½            |
| 27th Nov.<br>(In Cons.,<br>16th Dec.) | * Stating that reports have been received of actions between the Company's and the Peshwa's troops on the 16th and 17th November and that the Maharattas were driven with great loss ..                                                                                                             | 3½            |
| 2nd Dec.<br>(In Cons.,<br>16th Dec.)  | * Reporting that he has delivered over the District of Sundoor to the Collector of Bellary and that he will soon cause the district south of the Wardah to be transferred to his authority, and proposing the employment of peons in the Ceded Districts for defence against Southern Maharattas .. | 5½            |
| 7th Dec.<br>(In Cons.,<br>16th Dec.)  | * Forwarding copy of letter from the Resident at Poona regarding the movement of his force and stating that the Peshwa has turned eastward ..                                                                                                                                                       | 1             |
| 1818.                                 |                                                                                                                                                                                                                                                                                                     |               |
| 10th Jan.<br>(In Cons.,<br>21st Jan.) | * Forwarding copies of letters to the Adjutant-General regarding possession of all the Districts of the Peshwa and Gokla between the Toombudra and Mulpardha ..                                                                                                                                     | 1½            |
| 22nd Jan.<br>(In Cons.,<br>4th Feb.)  | * Reporting the movement of a party of Pindaries and stating that they were captured by a detachment of the 5th Cavalry ..                                                                                                                                                                          | 1½            |

## SIR THOMAS MUNRO'S MINUTES WHEN HE WAS THE GOVERNOR BETWEEN THE YEARS 1820-1827.

### PUBLIC DEPARTMENT.

| Date.                                  | Subject.                                                                                                                                                                                                                                                                                                                         | No. of Pages. |
|----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 1820.<br>29th July.                    | Suggesting measures and rules in accordance with the views of the Court of Directors, that every Civil Servant should have a knowledge of Revenue affairs and of the Provinces by practical experience of two years before he attains higher offices                                                                             | 9½            |
| 8th Aug.                               | Submitting copy of a letter addressed to certain gentlemen giving them the option of receiving Revenue instruction to qualify them for future promotion, or of continuing in their present offices foregoing those advantages, and stating that, with one exception, all have agreed to go into the Provinces                    | 3             |
| 15th Aug.                              | Proposing the appointment of Mr. Henry Chamier to be Assistant to the Chief Secretary without prejudice to his appointment as Deputy Secretary to the Board of Revenue, and abolishing the situation of Temporary Assistant to the Chief Secretary                                                                               | 2½            |
| 18th Aug.                              | Stating his views of the Honorable Court's orders calling for a report upon the present condition of the household furniture of the Governor, and what will be required to place it upon a proper footing                                                                                                                        | 3½            |
| 15th Sept.                             | Recording his high sense of Mr. Fullarton's merits as a public servant on the occasion of that gentleman's resignation of his seat as a Member of the Board of Trade                                                                                                                                                             | 1             |
| 10th Oct.                              | Stating that it was his intention to have separated the office of First Commissioner of the Court of Requests from that of Master in Equity, but that it is set aside for the present, and recommending that Mr. H. Byrne be appointed First Commissioner of the Court of Requests                                               | 2             |
| 1821.<br>8th May.                      | Intimating his intention to proceed to Bangalore, and proposing to publish a notification announcing the manner in which the affairs of the Government are to be administered during his absence from the Presidency                                                                                                             | 2             |
| 5th June.                              | Recommending that Mr. Grceme be summoned to occupy the seat in Council vacated by the Commander-in-Chief, and that permission be given to Lieutenant-General Bowser to continue his head-quarters in Mysore, as also that he be joined there by the Deputy Adjutant-General and Deputy Quartermaster-General of the Army         | 1½            |
| 22nd June.                             | Recommending that Mr. Grceme may be permitted either to return to Malabar or to repair to the Presidency as in his own opinion may be best calculated to forward the public service                                                                                                                                              | 1             |
| 12th June<br>(In Cons.,<br>26th June.) | Recommending that certain documents be sent to the Government of Bombay with a request that the proposed amended draft of a regulation for the forests in Malabar and Canara be prepared, and observing that the preservation of the rights of private property does not seem compatible with the present system of Conservators | 1½            |
| 18th July<br>(In Cons.,<br>20th July.) | Representing the necessity, in consequence of the great increase of public business, of the Public Department being placed under a separate Secretary                                                                                                                                                                            | 4             |

| Date.                                          | Subject.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | No. of Pages. |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 1821.<br>14th Sept.                            | Stating his intention to proceed to Baramahl in order to make some enquiries respecting the present condition of its inhabitants, and proposing that the affairs of the Government be carried on in the same manner, as during his former absence, by His Excellency the Commander-in-Chief as Acting President .. .. .                                                                                                                                                                                       | 1             |
| 27th Nov.                                      | Proposing that the value of Guindy Lodge and a piece of land belonging to Mr. Joseph Nazer Shamier, which have been transferred to the Government from the Bank, be included in the Public accounts as part of the stock of this Presidency and that the Lodge be appropriated to the country residence of the Governor, and recommending that the Board of Revenue be instructed to purchase another piece of land separating the Guindy Lodge from the land, late the property of Mr. J. N. Shamier .. .. . | 3             |
| 1822.<br>4th Jan.<br>(In Cons.,<br>22nd Jan.)  | Recommending a different arrangement from that proposed by the Military Board for the allotment of quarters in the Fort to certain public officers .. .. .                                                                                                                                                                                                                                                                                                                                                    | 2             |
