TO

THE PRESIDENT AND MEMBERS

OF THE BOARD OF REVENUE,

AT FORT SAINT GEORGE.

Gentlemen,

Para 1st. I have the honor to report to Your Board that I have completed the Settlement for the Zemindary of Goomsur for Fusly 1225 at the amount of Rupees 1,17,962-6-0.

2nd. In the transaction of this business I have had much difficulty to encounter and some of that nature which has prevented my obtaining as much information as I had hoped and which under other circumstances I might have acquired.

3rd. I arrived in the Goomsur country on the 21st Ultimo at which time the late Zemindar was at large and the inhabitants not knowing how affairs might terminate were unwilling to shew themselves forward in coming to me as in the event of the Ex-Zemindar continuing in the Country it might have subjected them to his displeasure. The season for making a Settlement was nearly passed and although a kind of Settlement had in part been made with the Mootah Carjees, still as troops were moving about and the Country in much confusion it did not appear that either party considered their engagements binding; and lastly I had not been many days in Goomsur when I was seized with a fever peculiar to the Hills in the wet season. After a short time, finding I could not get rid of it, and being deprived of medical advice by the removal of the Troops consequent to the sending of the Ex-Zemindar to Ganjam, I was obliged to fall back upon Askah when the fever increasing I was under the painful necessity of removing to this place, as well for medical advice as for change of air. Previously to this I had settled about seven Mootahs; the rest of the people attended me here. Although I was enabled to conclude the Settlement, I was removed from the Country in which I could have gained information and my health could not admit of my entering into severe examinations even had I the means. I have not yet even recovered my health or strength.

4th. In the statement I now have the honor to forward, Your Board will observe that eleven Mootahs have been rented generally in the mode preferred by Your Board to the inhabitants, five of the Mootahs which are situated in the Maliah a considerable distance within the Country I rented in a Mootah rent to those who generally rented in the time of the Zemindar as a Village rent must have been nominal.

5th. I found considerable difficulty in obtaining any accounts from the Curnums; indeed what I did procure I could not rely upon, nor was I able to get from them any detail of the quantity of land & appropriation. At a healthy season and when I can spend some time in the Country I shall be able to acquire more information.

6th. I could not find any permanent Settlement Account and the only Account I could get to make a comparative Statement was the average of 16 years Account taken by Mr. Brown.

7th. In some villages in some of the Mootahs the amount is stated as Cuttoobady, although the village in Mr. Brown's Account appears entirely jerooytee. I admitted this because they were given to peons who were necessary to keep out the Hurrybolealoo or robbers, at least so I was given to understand but I took a Moochilka from the Peons that if they did not perform the service expected, their village could be assessed and they could be held answerable: this appeared the best that could be done at present.

8th. In the Statement I forward also a List of Agraharums, Aumanihs and Surva Moccassahs which pay nothing; the truth of this Statement will be known in the course of the next year but at present I can only forward the Statement without remark.

9th. I forward also a Separate Statement of the amount of Pagoda fees to be paid in that Zemindary amounting to Rupees 3851-13-6, which for the present I trust Your Board will authorize, any error which may exist therein I shall endeavour at a future period to discover and explain.

10th. The amount of taccavey required for this Estate was Rs. 4682 as per Statement enclosed; this sum I have disbursed trusting to the sanction of Your Board. I did not find any repairs were required.

11th. The Establishment which I have at present fixed is in a separate Statement and amounts to Rupees 153 per mensem equal to Rupees 1896 per annum which I request your Board will be pleased to sanction. I have made it as low as possible, and time will show what alteration may be necessary.

12th. As far as I am able to judge the Settlement now completed is favourable to the inhabitants, but this was peculiarly necessary whether we advert to the lateness of the season or the policy of conciliating them and reconciliating them to the management of the Company through the Collector but I must confess I do not at present from the unfortunate circumstance above stated pretend to give much information.

13th. I reported to your Board on the 22nd Ultimo that a quantity of grain had here been put under Zuff; this will be sold as soon as opportunity may offer: there is besides a number of cows, bullocks and buffaloes, the property of the late Zemindar, a return of which I have ordered to be made; and they also ought to be sold for the liquidation of the arrears.

14th. In my letter of 22nd Ultimo relative to Bavenpoor I held out a hope that I should be able to relieve that Estate from any expense of management as I expected it to be managed by the Establishment fixed for Goomsur but I have fixed this so low that I do not think it possible to withdraw the small establishment of Bavenpoor.

15th. I can have no hesitation in stating my conviction that the best mode of managing the Goomsur Zemindary is for some years by an Annual Village rent to the inhabitants. By this means the whole of the revenues of that (I may say) unexplored Country will be laid open to Government, the inhabitants will gain confidence in the Government and their Officers, the regulations will be made known, explained and enforced, regularity will be introduced and the property and happiness of the people will naturally follow which will ensure the future and permanent peace and tranquility of that part of the District.

I have the honor to be with great respect,

GANJAM

GENTLEMEN,

15th July 181:

Your most obedient servant

(Signed) HUGH SPOTTISWOODE,

Collector.
