TABLE XVII.

OCCUPATIONS BY AGE. PART (A)—NATIVE STATES.

NOTE.—In Cochin, age details were not abstracted for persons *dependent* upon occupations: hence this Table cannot be compared with Table VII.

2. Part B of the Occupation Table showing details for States, without age, has not been printed as the information for Travancore and Cochin is given in the Reports issued by those States, while statistics for Pudukóta are given in the corresponding Table for British Territory. The other two States are so small that it is not necessary to give detailed information for them.

Note.—Table XVI for the Feudatories is given in the Presidency Divisional Table XVI-A, and Tables XII-A to XV-A are embodied in the corresponding Tables for British Territory.
