OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
MADRAS, 14th July 1900.

No. 416.

From

SURGEON-GENERAL D. SINCLAIR, M.B., C.S.I., I.M.S.,
Surgeon-General with the Government of Madras,

To

THE HON. THE CHIEF SECRETARY TO GOVERNMENT,
PUBLIC DEPARTMENT.

SIR,

I have the honour to submit to His Excellency the Governor in Council the statements of work done in the Civil Medical Institutions of the Presidency during the year 1899 and the following brief note on the tabulated results therefrom:—

1. *Inclusion of Police and Railway Institutions in the Statements.*—In accordance with the wishes of Government expressed in G.O., No. 421, Public, dated 11th April 1899, the statistics of Police Hospitals have been included in the several districts; the addition of the figures furnished by the State Railway Institutions, the Pudukkóttai State Institutions and the Residency Hospital, Trivandrum, under distinct headings completes the statements as exhibiting the amount of medical relief afforded during the year. The Police and Railway Statistics will, in future reports, be furnished in separate appendices as ordered in G.O., No. 512, Public, dated 31st May 1900.

2. *Changes of Class, &c., during the year.*—(a) Among *State Institutions* the Police hospitals at Balligúda and Ramagiri-Udayagiri were thrown open to the public under G.O., No. 844, Public, dated 4th July 1898; while those at Chicacole and Ongole were amalgamated with the local Municipal hospitals under G.O., Nos. 795 and 999, Public, dated 15th July and 6th September 1899, respectively. The Police hospital at St. Thomas' Mount is accounted a separate institution, because the Cantonment hospital in which it is located has no place on the list of Civil Medical Institutions. The D.P.W. dispensary at Duggirala was transferred to Bezwada under G.O., No. 1724 W., dated 6th July 1899. The dispensary at Jeypore has been converted into a hospital. To register the statistics of relief afforded by the medical subordinates attached to the Revenue establishments at Chatrapur, Russellkonda and Malkanagiri, three new dispensaries are included.

(b) *Local Fund Institutions.*—A dispensary was opened at Vayalpad under G.O., No. 615 L., dated 18th March 1899, and the one at Coringa was closed under G.O., No. 554 L., dated 11th March 1899. The Women and Children's Dispensary, Salem, which has been closed since 1st September 1897, was abolished under G.O., No. 551 L., dated 11th March 1899. The hospital at Ránipéttai and the dispensary at Aruppukóttai were transferred to class III-B as aided Mission institutions. The Nandyal hospital was taken over by the Municipal Council of that place. A dispensary was transferred from Velangulam to Ammanichuttram in Tanjore, and that at Razam was converted into a hospital.

(c) *Municipal Institutions.*—The number of these was increased by the transfer of the hospital at Nandyal (*ante*), and the opening of a Dispensary for women and children at Negapatam under G.O., No. 1648 M., Mis., dated 8th November 1899.

Selected List of Surgical Operations, 1899—cont.

[illegible]

11. *Work done by Midwives.*—In addition to the medical relief dealt with above 321 midwives attached to various institutions conducted 25,538 cases of labour. The outturn, averaging 79·56 cases for each midwife, is an increase over that of the previous year (appendix F).

12. *Special Medical Institutions.*—Appendix H gives the statistics of public medical relief afforded by certain dispensaries of the Madras and South Indian Railways. These are not included in the official statements accompanying this report.

13. *Income.*—The income of the Civil Medical Institutions was derived from the following sources :—

	RS.	A.	P.
From Government—			
For State Railway Institutions	25,744	15	9
For Residency Hospital, Trivandrum	2,796	0	0
For other institutions	1,07,158	13	11
From Pudukkóttai State	21,295	15	0
From Local and Municipal Funds	8,72,788	11	1
From funded capital, by interest, &c.	15,334	13	3
Subscriptions	25,360	2	7
Recoveries from patients for diet or medicine	13,031	9	7
Miscellaneous receipts	7,970	8	9
Cash balance on 1st January 1899	2,284	6	11
Total ...	10,93,766	0	10

14. *Expenditure.*—The expenditure incurred may be summarised as follows :—

	RS.	A.	P.
On Establishment—			
By Government	96,548	4	4
From local sources	5,64,469	15	1
On bazaar medicines	19,533	2	7
On European medicines	1,76,633	3	2
On diet	80,165	6	9
On miscellaneous charges	1,01,675	3	5
On buildings and repairs	51,248	8	8
Invested during the year	1,284	4	6
Cash balance on 31st December	2,208	0	4
Total ...	10,93,766	0	10

15. *Government Contribution.*—The Government contribution amounted to 12·43 per cent. on the whole, or 10·29 per cent. on the balance after exclusion of the Railway institutions and the Trivandrum hospital. In the districts it varied from 35·24 in the Nilgiris and 25·27 in Ganjam to 4·20 in Trichinopoly and 4·10 in Tinnevely. The apparent increase in the contribution, as compared with that of the previous year, is due to the inclusion of the Police hospital statistics.

16. *Cost per Patient.*—The cost per patient treated is hereinunder contrasted with the same for 1898 :—

	1898.			1899.		
	RS.	A.	P.	RS.	A.	P.
Establishment	0	2	5	0	2	6
Medicines	0	0	9	0	0	9
Diet (in-patients only)	1	10	4	1	11	7
Miscellaneous charges	0	0	4	0	0	4
Total ...	0	3	11	0	4	0

The increase under 'diet' is due to the longer stay in hospital of each in-patient which averaged 15·51 days in 1899 as contrasted with 14·89 in the previous year. The average cost of each diet was As. 1-9.

17. *Invested Capital.*—Invested capital on the 1st January 1899 amounted to Rs. 4,14,040-1-4. There was invested during the year Rs. 1,284-4-6, and additions of interest were made to the amount of Rs. 361-6-5. The Kulittalai hospital withdrew Rs. 64, and Rs. 1,000 were withdrawn for the branch dispensary at Kumbakonam. The year closed with a balance of Rs. 4,14,621-12-3.

18. *Inspections.*—Notwithstanding the frequent changes among District Medical and Sanitary Officers (appendix A), the work of inspection has been well carried out. Except the number noted in the margin, all the institutions were inspected once—and some on two occasions—in the course of the year. Some of the exceptions were informally visited by the District Medical and Sanitary Officers while touring on plague duty. The hospitals and dispensaries at the head-quarters of fifteen districts were inspected by Surgeon-General C. Sibthorpe and myself, as were also the hospitals at Chittoor, Méttupálaiyam, Ootacamund, Cannanore, Tellicherry and Tuticorin.

I have the honour to be,

Sir,

Your most obedient servant,

D. SINCLAIR, M.B.,

Surgeon-General, I.M.S.,

Surgeon-General with the Government of Madras.
