IN THE

MADRAS PRESIDENCY

FOR THE YEAR 1915

MADRAS:

PRINTED BY THE SUPERINTENDENT, GOVERNMENT PRESS.

OFFICE OF THE SURGEON-GENERAL WITH THE  
GOVERNMENT OF MADRAS,  
*Madras, the 10th April 1916.*

No. 97/41

From

THE HON'BLE SURGEON-GENERAL W. B. BANNERMAN,  
C.S.I., K.H.P., M.D., D.Sc., I.M.S.,  
*Surgeon-General with the Government of Madras,*

To

THE SECRETARY TO GOVERNMENT,  
PUBLIC DEPARTMENT.

SIR,

I have the honour to forward the Annual Returns of the Lunatic Asylums in the Presidency for the year 1915.

2. *Accommodation.*—In the Madras Asylum the accommodation was decreased by six because twelve small back-to-back single rooms were converted into six rooms by the removal of the partition walls. At Calicut a block of four cells for males under observation was completed during the year, so accommodation was increased by this amount.

3. *Population.*—The daily average population was 799·47. Admissions and readmissions numbered 268, of which 47 were females. Four males and one female were admitted as voluntary boarders. One male after observation was pronounced sane. Of those under treatment 8·87 per cent were discharged cured, 3·68 left with some improvement in their condition, 1·89 were discharged unrelieved, and 7·83 died in the asylums.

4. *Sickness and mortality.*—The daily average sick in hospital was 103·15. Dysentery was a prominent cause of admission in the Madras Asylum, while at Calicut the most common disease was acute catarrhal inflammation of the intestines. As dysentery is frequently associated with intestinal catarrh, it is probable that many of these cases were in reality due to this disease. The statistics ordered by Government in the review of the last report are furnished in an appendix to Statement VI.

5. *Statements III to VII* embodying particulars of caste, age and previous occupation, offer no points for comment.

6. *Criminal insanes.*—The new admissions included eight who had been tried and acquitted; eighteen who were incapable of making defence, and sixteen who became insane during imprisonment. Two criminals were transferred to the Penitentiary and ten to the civil section; eleven recovered, of whom ten were discharged to stand trial; one had improved, and was handed over to his relatives on bond.

7. *Escapes.*—Two civil Indian males escaped at Madras, and five others at Calicut. One of each group is still at large.

8. *Finance.*—Statements VIII to X exhibit details of income and expenditure. An appreciable increase in expenditure at the Madras Asylum was incurred by the increase of salary paid to the Superintendent and Deputy Superintendent owing to promotion in rank, and the increment of pay granted to all inferior servants under G.O. No. 1364, Public, dated 23rd October 1914.

9. *Inspections.*—The regular inspections were made by the official and non-official visitors. All three asylums were inspected by me. The service and stock registers have been properly maintained.

I have the honour to be,

Sir,

Your most obedient servant,

W. B. BANNERMAN, C.S.I., K.H.P., M.D., D.Sc.,
