\* Omitted with reference to G.O. : No. 1181, Revenue, dated 28th June 1922.

† Omitted with reference to G.O. No. 269, Revenue, dated 27th January 1914.

## PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE AND SETTLEMENT).

## Resolution—No. 13, dated 2nd March 1923

The Board submits its report on the settlement of land revenue in the Presidency for fasli 1331 (1921-22) together with the prescribed statements. The delay in the preparation of the report is due to the very late receipt of the report from the Agency Commissioner.

2. *Character of the season.*—The rainfall in the south-west monsoon was generally above the average except in Kurnool, Bellary and Anantapur; but the north-east monsoon was unsatisfactory except in the Deccan. The rains in the first half of January 1922 in the Carnatic, Central, and the South helped the standing crops. The year on the whole was not unfavourable to agricultural operations except in parts of Ganjam, Vizagapatam, Kurnool, Bellary, Anantapur, Nellore, South Arcot, North Arcot, Tanjore and Tinnevely. Relief operations under the Famine Code were in progress in parts of Kurnool, Bellary and Anantapur. In the latter two districts, the operations were closed early in 1922. In the Kurnool district regular relief works were necessary only in the Kurnool taluk for a period of about two months (November and December 1921), but after the harvest season the tract had again to be placed under observation and test; the distress did not pass the "test" stage in the other affected parts of the district.

3. *Number of ryotwari villages.*—There was a net increase of nine villages as compared with the previous year. The districts of Ganjam and Godavari showed a decrease of 80 and 140 villages respectively as a result of the formation of the Agency division; the number of villages in the Agency division has however been reported to be 222 and the explanation for the increase of two villages is still due from the Agency Commissioner. There was an increase of one village in Vizagapatam, one in Anantapur and two in Ramnad owing to the inclusion of resumed inam villages. Kistna also showed an increase of five villages owing to the subdivision of villages in the Divi and Yernagudem taluks. The decrease of one village in South Arcot was the net result of two amalgamations and the creation of one new village in the Vriddhachalam taluk, while the decrease of one in North Arcot was due to the rectification of an error in the Walajah taluk.

4. The land revenue of the Presidency is derived from the undermentioned sources:—

- (a) Peshkash or revenue from permanently-settled estates.
- (b) Shrotriyam jodi or quit-rent levied on inam villages.
- (c) Assessment including water-rate on lands held under the ryotwari system.
- (d) Miscellaneous revenue.
- (e) Proprietary estates village service.

5. *Peshkash or revenue from permanently-settled estates.*—The total amount of peshkash payable during the fasli was Rs. 49,86,020 as against Rs. 49,86,476 in the preceding year. The decrease of Rs. 456 is the net result of—

|                                                                                       |        |
|---------------------------------------------------------------------------------------|--------|
| Reduction of peshkash owing to acquisition of lands for public purposes.              | Rs. 60 |
| Reduction of peshkash on Darimila inams in the Pithapuram zamindari.                  | 1,442  |
| Increase due to addition of quit-rent to peshkash in Ramnad district.                 | + 282  |
| Increase due to rectification of defects in B. register, etc.                         | + 5    |
| Variations not accounted for in Kistna and North Arcot districts and Agency division. | + 559  |

Total ... — 456

6. The quitrent payable on villages held on shrotriyam or favourable tenure was Rs. 7,53,172 as against Rs. 7,56,107 in the preceding year. The difference of Rs. 2,935 is accounted for as below :—

|                                                                                         | RS.     |
|-----------------------------------------------------------------------------------------|---------|
| Deduction of quit-rent due to acquisition of land for public purposes.                  | — 52    |
| Deduction due to resumption of shrotriyam Naganayanacheri of Hindupur taluk.            | — 76    |
| Deduction due to beriz deduction in the demand of Kumbakonam and Tiruturaiyandi taluks. | — 77    |
| Deduction on account of removal of encroachments charges in inam villages.              | — 10    |
| Increase due to rectification of defects in B. register, etc.                           | + 74    |
| Variations unaccounted for in Agency division and Tinnevely district.                   | — 2,710 |
| Total ...                                                                               | — 2,851 |

7. *Holdings*.—The total extent of ryotwari holdings during the year was 26.23 million acres which exceeded the extent of the previous year (as now revised) by 94,542 acres. The increase was contributed by all the districts except Bellary, Kurnool and Tanjore which showed a slight decrease. The increase was marked in Anantapur (19,707 acres) and it is ascribed to the growing demand for land. The increase in South Kanara (12,566 acres) was due to the assignment of waste lands on darkhast.

8. *Assessment*.—The total assessment on holdings was Rs. 541.29 lakhs against Rs. 537.66 lakhs in the previous year, showing an increase of Rs. 3,62,993 which was shared by all the districts except Gōdāvari. South Arcot was the only district in which the increase (Rs. 2,51,281) was marked. This was due to the introduction of resettlement rates in the Chidambaram taluk during the year.

9. *Cultivation*.—The total area cultivated in ryotwari holdings during the year was 19.84 million acres as compared with 19.91 million acres in the previous fasli. The area under dry, 14,965,613 acres, showed a decrease of 132,178 acres and that under wet, 4,875,400 acres, an increase of 60,427 acres. The decrease under dry occurred in South Arcot, Madura, Trichinopoly, Salem and Tinnevely and was due to untimely rains in Madura and to want of timely and adequate rainfall in the other four districts. The increase under wet was marked in Anantapur owing mainly to the season having been less unfavourable than in the previous year. Including the area under “Miscellaneous cultivation” the total area cultivated was 20.86 million acres against 20.91 million acres in the previous year.

Dry waste charged showed an increase of 174,372 acres, the increases in Madura, Trichinopoly, South Arcot, Salem and Tinnevely being particularly large. There was a decrease of 1,837 acres under wet waste charged and of 38,658 acres under wet waste remitted. Under the last head there was decrease in all the districts except Nellore, Chingleput, North Arcot, South Arcot, Trichinopoly and the southern districts and it was noticeable in Anantapur (19,509 acres).

10. *Water-rate and second-crop charge*.—The revenue derived from these sources amounted to Rs. 32.60 lakhs against Rs. 34.70 lakhs in the previous year. There was thus a decrease of Rs. 2,09,942. The decrease was large in North Arcot, South Arcot and Chingleput and was due to defective rainfall.

11. *Remissions*.—As compared with the previous year, there was a decrease under “Season remissions” and an increase under “Fixed remissions” and “Beriz deductions.” The net decrease under all the three heads amounted to Rs. 2,15,482 :

(i) *Season remissions*.—The remissions under this head showed a net decrease of Rs. 2.36 lakhs. The decrease occurred mainly under “Waste remitted” and “Tirvakammi.”

(a) *Waste remitted*.—The remissions under this head amounted to Rs. 2.73 lakhs or Rs. 1,47,316 less than in the previous fasli. All the districts showed a decrease under this head except Nellore, Chingleput, North Arcot, South Arcot,

Trichinopoly and the southern districts. The decrease was specially marked in Anantapur. Dry remissions of Rs. 7,043 on 33,035 acres in Bellary and Rs. 6,877 on 20,068 acres in Kurnool were granted under G.Os. Mis. Nos. 488, Revenue, dated 11th March 1922, and 368, Revenue, dated 27th February 1922, in the former district and G.O. Mis. No. 688, Revenue, dated 10th April 1922, in the latter.

(b) *Shavi and short crop*.—The total amount remitted under this head was Rs. 3,01,292 against Rs. 2,36,203 in the previous year, showing a net increase of Rs. 65,089. Of the total remissions Rs. 79,556 related to dry lands and Rs. 2,21,736 to wet lands. A remission of Rs. 65,174 was granted under “short crop” during the year.

(c) *Tirvakammi remissions* (i.e., the remission of the difference between wet and dry assessment on wet land cultivated with dry crops owing to insufficiency or failure of water-supply) amounted to Rs. 2,85,498 against Rs. 4,34,420 in the previous year, a net decrease of Rs. 1,48,922. The decrease was most noticeable in the districts of Gōdāvari (Rs. 54,448), Vizagapatam (Rs. 42,832), Anantapur (Rs. 38,158) and Cuddapah (Rs. 37,902).

(d) *Injury by floods*.—The amount remitted under this head was Rs. 16,204 against Rs. 14,783 in the preceding year, a net increase of Rs. 1,421. The increase was large in Kistna (Rs. 6,727).

(e) *Fasalkammi or second crop not cultivated*.—The amount remitted under this head was Rs. 19,340 against Rs. 30,735 in the previous year. The decrease was marked in Vizagapatam and is attributed to the more favourable season as compared with the previous fasli.

(ii) *Fixed remissions* (i.e., abatement of the demand granted for reasons unconnected with season) amounted to Rs. 1.50 lakhs against Rs. 1.29 lakhs in the previous year, a net increase of Rs. 20,163. The increase occurred mainly under increment remissions (i.e., remissions allowed on the introduction of settlements or resettlements in cases where the increase over the old assessment was in excess of 25 per cent) and it was large in South Arcot owing to the recent introduction of resettlement rates in the Chidambaram taluk.

(iii) *Beriz deductions* (Deductions made from village collections in favour of inamdars and religious institutions) amounted to Rs. 8,94,787 against Rs. 8,94,582 in the previous year, a net increase of Rs. 205.

12. *Miscellaneous revenue*.—The revenue under this head amounted to Rs. 100.31 lakhs against Rs. 100.41 lakhs in the previous year, a net decrease of Rs. 9,484.

Among the several sub-heads under this head, there were large decreases of Rs. 2,85,849 and Rs. 34,333 respectively under items 13 (“Other items”) and 5 (“Charges levied for occupation of assessed and unassessed lands for which no pattas have been granted”), while under items 11 (“Rent of lankas”), 6 (“Charges levied for occupation of poramboke land or land reserved for State or communal purposes”) and 10 (“Sale-proceeds of lands sold”) there were increases of Rs. 1,94,220, Rs. 1,02,113 and Rs. 47,018 respectively. All these items are dealt with below. The variations under the remaining items do not call for any special remarks.

*Item 5*—“Charges levied for occupation (with or without application) of assessed and unassessed lands for which no pattas have been granted”.—The revenue under this head was Rs. 5.74 lakhs against Rs. 6.08 lakhs or Rs. 0.34 lakh less than in the previous year. The decrease (Rs. 22,386) was large in Kistna.

*Item 6*—“Occupation of poramboke”.—The revenue under this head was Rs. 7.14 lakhs against Rs. 6.12 lakhs or Rs. 1.02 lakhs more than in the previous year. The increase occurred mainly in Kistna (Rs. 42,842), Gōdāvari (Rs. 30,239) and Kurnool (Rs. 20,002). Encroachments on lanka land accounted for the increase in Gōdāvari. The increase in Kurnool was mostly due to the deterrent penalties imposed on unauthorized cultivation of the bed of the Cumbum tank.

Enhanced charges amounting to Rs. 3,87,692 were levied on 30,817 acres against Rs. 3,59,909 on 27,608 acres in the previous year, showing an incidence of Rs. 13 per acre as in the last year. The highest average rates (Rs. 113, Rs. 79, Rs. 65 and Rs. 55 per acre) were found in Kistna, Ganjam, Madura and Tanjore and these were due to the imposition of heavy penalties to compel the occupants to give up their encroachments.

As regards the progress made in the reclassification of porambokes, there were no lands of this class to be reclassified in the districts of Madras, Malabar and Anjengo. The work is reported to be complete or nearly complete in all the other districts except Ganjām, Anantapur, Kurnool, Chittoor, South Arcot, Tanjore, Trichinopoly, Ramnad and The Nilgiris where it is still in progress. In dealing with encroachments on real poramboke, the provisions of section 6 of Madras Act III of 1905 were employed in the districts of Ganjām, Vizagapatam, Nellore, Cuddapah, Chingleput, North Arcot, Tanjore, Ramnad, Coimbatore, Salem and South Kanara. The Collectors of the remaining districts have furnished no specific information on the point.

*Item 10.—“Sale-proceeds of lands sold.”*—The revenue under this head was Rs. 5.18 lakhs against Rs. 4.71 lakhs in the previous year, an increase of Rs. 47,018. The largest increase was in Madura (Rs. 75,233) due to the sale of Periyar waste lands in the Melur taluk.

*Item 11.—“Rent of lankas.”*—The revenue under this head amounted to Rs. 6.23 lakhs against Rs. 4.29 lakhs in the previous year showing an increase of Rs. 1.94 lakhs. The largest increase (Rs. 1,70,232) occurred in Gōdāvari and is ascribed to the greater extent of lanka land sold in auction.

*Item 13.—Revenue derived from “Other items.”*—The amount under this head was Rs. 5.97 lakhs against Rs. 8.83 lakhs in the previous year, showing a decrease of Rs. 2.86 lakhs. The decrease was marked in Kistna, Madras and South Kanara. The decrease in Kistna was due to the fact that the unsettled portion of the second-crop demand of fasli 1329 was taken into account only in fasli 1330. The decrease in Madras was due to the inclusion in the figure for the previous year of the recovery made from the Madras and Southern Mahratta Railway Company of the capitalized value of abatement of land revenue on Government lands alienated to them.

13. The net ryotwari demand including water-rate, second-crop charge and miscellaneous revenue and deducting remissions amounted to Rs. 654.67 lakhs against Rs. 651.08 lakhs in the previous year. The details for the increase of Rs. 3.59 lakhs are given below:—

|                                                             | Lakhs of<br>rupees. |
|-------------------------------------------------------------|---------------------|
| (1) Increase in the assessment of holdings ... ..           | + 3.63              |
| (2) Decrease under water-rate and second-crop charge ... .. | — 2.10              |
| (3) Decrease under remissions ... ..                        | + 2.15              |
| (4) Decrease under miscellaneous revenue ... ..             | — 0.09              |
| Total ... ..                                                | 3.59                |

14. *Total land revenue demand (current).*—The demands under the several heads are compared below with the figures for the previous year:—

|                                                | Fasli 1330.<br>Rs. | Fasli 1331.<br>Rs. |
|------------------------------------------------|--------------------|--------------------|
| Peshkash on permanently-settled estates ... .. | 49,86,673          | 49,86,690          |
| Shrotriyam jodi ... ..                         | 7,56,020           | 7,53,188           |
| Ryotwar and miscellaneous ... ..               | 6,51,07,835        | 6,54,67,280        |
| Total ... ..                                   | 7,08,50,528        | 7,12,07,158        |

The variations under the above heads have been explained.

15. *Total demand under cesses (current).*—The current demand under cesses is as follows:—

|                                                  | Fasli 1330.<br>Rs. | Fasli 1331.<br>Rs. |
|--------------------------------------------------|--------------------|--------------------|
| (1) Cesses on permanently-settled estates ... .. | 17,61,234          | 18,23,326          |
| (2) Cesses on whole inam villages ... ..         | 4,38,314           | 4,76,678           |
| (3) Cesses on ryotwar and miscellaneous ... ..   | 54,06,489          | 58,64,814          |
| Total ... ..                                     | 76,06,037          | 81,64,813          |

16. *Demand and collection of land revenue and cesses (current).*—The current demand under land revenue and cesses was Rs. 800,16,689. Rs. 7,74,93,661 or 96.84 per cent was collected within the fasli and Rs. 3,706 was written off the accounts.

17. *Demand and collection of arrears.*—The total arrear demand under all the heads was Rs. 35,55,119. Rupees 13,51,938 or 88.66 per cent was collected within the fasli and Rs. 1,58,988 or 4.47 per cent was written off the accounts.

18. The balance outstanding at the end of the fasli including both arrears and current was Rs. 27,63,515. As finally reported in the monthly demand, collection and balance statements for December 1922, the balance at the beginning of fasli 1331 was Rs. 27,55,530. Up to the end of December 1922, Rs. 21,16,141 had been collected and Rs. 86,385 written off the accounts and recommendation had been made to write off Rs. 197. The net recoverable balance on 1st January 1923 was Rs. 5,52,807. Steps have been taken to collect this amount.

19. *Reconciliation of differences between the collection of land revenue and cesses as shown in the jamabandi and Accountant-General's statements and overpayments.*—This will be dealt with in a separate report.

20. *Distribution of collections between land revenue and cesses.*—Land revenue and cesses are collected together, and no attempt is made to exhibit the collections separately under these heads in the village accounts. The distribution of the total collections between land revenue and the several cesses is effected in each Collector's office. In this process there are two stages: first a provisional distribution is effected by crediting to each head month by month so much of the total collections as will bear the same proportion to the demand under the head as the total collections bear to the total demand under all the heads; the second stage is the final adjustment which consists in correcting the provisional credit by transfer from one head to another, where necessary, after the demand for the year under all the heads has been collected or written off.

The statements of distribution for fasli 1331 received from Collectors show that, except in Gōdāvari, Nellore, South Arcot, Ramnad and the Nilgiris, the variations between the amounts due to the cesses in fasli 1331 and the amounts actually credited were inconsiderable. The accounts of fasli 1330 were not finally adjusted in seven districts.

21. *Charges debitable to land revenue.*—The charges of district administration including the salaries and allowances of revenue inspectors but excluding those of village establishments were Rs. 1,02,37,870 or 13 per cent of land revenue and cesses realized. The ratio was 10.87 per cent in the preceding fasli. The village service charges (including proprietary estates) during the fasli were Rs. 1,08,49,301. Including this sum the total charges were Rs. 2,10,87,171 or 27.2 per cent of the collections of land revenue and cesses.

22. *Processes under Act II of 1864.*—Statement No. 12 gives the particulars of the coercive processes issued for the realization of Government dues under Act II of 1864. The following abstract shows the number of processes of each kind issued during the year as compared with the figures for the three preceding faslis:—

| Coercive processes.                   | Fasli.  |         |         |         |
|---------------------------------------|---------|---------|---------|---------|
|                                       | 1328.   | 1329.   | 1330.   | 1331.   |
| Demand notices .. ..                  | 835,047 | 706,707 | 789,827 | 690,285 |
| Distrain and attachment notices .. .. | 89,868  | 88,900  | 76,280  | 54,285  |
| Sale notices .. ..                    | 34,848  | 35,235  | 34,028  | 35,288  |
| Sales (number of defaulters) .. ..    | 4,370   | 5,265   | 4,181   | 4,894   |
| Total .. ..                           | 964,133 | 816,407 | 904,314 | 787,752 |

There has been a marked decrease in the total number of processes issued in this fasli over that in fasli 1330 and in the previous faslis.

23. *Demand notices.*—The rule that these notices should only be issued when absolutely necessary has been kept in view. There was a decrease in seven districts and an increase in 18 districts. The increase was marked in Ganjām, Vizagapatam, Gunfūr, Chingleput and Madura.

24. *Distraint or attachment.*—The number of processes under this head was 54,285 against 76,280 in fasli 1330 and 68,200 in fasli 1329. There was an increase in eleven districts, the increase being most marked in Guntūr, Chingleput and Madura.

25. Compared with the previous fasli there was a decrease in the percentage borne by the number of distraints and attachments to that of demand notices.

*Percentage of attachments to the total number of demand notices.*

|              | Fasli. | Personal. | Real. | Total. |
|--------------|--------|-----------|-------|--------|
| 1329 .. .. . |        | 7.60      | 2.05  | 9.65   |
| 1330 .. .. . |        | 7.64      | 2.02  | 9.66   |
| 1331 .. .. . |        | 4.53      | 3.33  | 7.86   |

The number of defaulters whose immovable property was attached during the year was 23,003 against 15,960 in fasli 1330. In the Madura district as in previous years a large disproportion is noticeable between the number of defaulters whose personal property was distrained (958) and the number of those whose real property was attached (6,473); it is due as in former years to the fact that many of the owners of the land irrigated by the Periyar are absentee pattadars. In the Guntūr district also there was a similar disproportion, due to the necessity for strict measures to combat the non-co-operation movement.

26. *Sale notices.*—Out of 54,285 defaulters whose property was attached, 15,997 or 29.47 per cent paid the arrears before the sale notices were issued. The percentage was 55.39 in fasli 1330, 46.87 in fasli 1329 and 61.22 in fasli 1328.

27. *Sales.*—The number of defaulters whose property was sold is greater than in fasli 1330. It is noticeably large in South Arcot, Nellore and Madura as in the previous faslis. The Collector of South Arcot attributes the large number of sales as due to tightness in the money market and to the slackness of the groundnut trade. The Collectors of Madura and Nellore have given no explanation for the increase in the number of sales in their districts. It is noted with interest that although on account of the 'no-tax campaign' in the Guntūr district (especially in the Bapatla taluk), the demand attachment and sale notices were very much higher than in the previous years, the actual sales bore not only a small proportion to these notices but also were considerably less than in the previous years. This result bears testimony to the effectiveness of the special measures adopted. The percentage of actual sales to sale notices was 12.78 against 12.29 in fasli 1330 and the percentage of defaulters to the total number of pattas was 0.10 as against 0.08 in the preceding fasli. The subjoined statement shows the particulars of sales in fasli 1331 as compared with those for the three preceding faslis:—

|                                                                                      | Personal property.                                                                        |             |             |             | Real property. |             |             |             | Total.      |             |             |             |
|--------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|-------------|-------------|-------------|----------------|-------------|-------------|-------------|-------------|-------------|-------------|-------------|
|                                                                                      | Fasli 1328.                                                                               | Fasli 1329. | Fasli 1330. | Fasli 1331. | Fasli 1328.    | Fasli 1329. | Fasli 1330. | Fasli 1331. | Fasli 1328. | Fasli 1329. | Fasli 1330. | Fasli 1331. |
| Percentage of sales of property to—                                                  |                                                                                           |             |             |             |                |             |             |             |             |             |             |             |
| (1) the number of pattas ..                                                          | .02                                                                                       | .02         | .01         | .01         | .08            | .10         | .07         | .09         | .10         | .12         | .08         | .10         |
| (2) the number of attachments.                                                       | 1.03                                                                                      | 1.43        | .72         | 1.19        | 3.83           | 6.29        | 4.76        | 7.81        | 4.86        | 7.72        | 5.48        | 9.00        |
| (3) the number of sale notices.                                                      | Figures relating to sale notices do not distinguish between personal and real properties. |             |             |             |                |             |             |             | 12.54       | 14.58       | 12.29       | 12.78       |
| Arrears at the beginning of the fasli under report under ryotwari and miscellaneous. | In lakhs of rupees.                                                                       |             |             |             |                |             |             |             | 11.15       | 20.25       | 16.85       | 29.23       |
| Arrear balance at the end of the fasli.                                              |                                                                                           |             |             |             |                |             |             |             | 0.94        | 0.50        | 0.85        | 1.92        |
| Percentage of current collections to the current demand.                             |                                                                                           |             |             |             |                |             |             |             | 97.14       | 97.51       | 95.97       | 96.84       |

*Value of land sold.*—Immovable property of the estimated value of Rs. 2,80,951 was sold for the recovery of arrears amounting to Rs. 69,013: the amount realized was Rs. 86,028. The price fetched by land sold to private individuals amounted on

the average to four times the assessment in the case of dry lands and eight times in the case of wet lands. In fasli 1330 immovable property of the value of Rs. 2,33,799 was sold for the recovery of arrears amounting to Rs. 43,066 and Rs. 94,196 was realized, the average price fetched by lands sold to private individuals being six times the assessment both in the case of dry and wet lands.

*Extent of land sold.*—The extent of land sold during the year was 10,509 acres under 'dry' and 1,737 acres under 'wet' against 12,932 acres under 'dry' and 3,086 acres under 'wet' in fasli 1330. The extent of land sold was considerable in Vizagapatam, Kistna and Madura.

*Land bought in by Government.*—The total area of land bought in by Government for want of bidders was 5,180 acres of 'dry' and 523 acres of 'wet' against 5,043 acres of 'dry' and 913 acres of 'wet' in fasli 1330.

28. *Process-service establishments.*—Statement No. 13 gives the particulars of processes served by the ordinary village agency or by special establishments and the fees realized during the year. The total number of processes served was 7,16,183 or 30,081 more than in fasli 1330. The number of processes served by special agency (71,155) was higher than in the previous fasli (42,311). Special establishments were employed in the same districts as in fasli 1330 and also in Guntūr. Their cost was covered by the fees realized except in Gōdāvari and Kistna where there was a deficit.

29. *Costs in Civil Suits.*—Rupees 17,529 were awarded to Government as costs during the year. Including Rs. 20,611, the revised opening balance, the total demand was Rs. 38,140 of which Rs. 9,448 were collected, Rs. 2,252 were written off and Rs. 1,415 were recommended to be written off the accounts. The net recoverable balance at the end of the year was Rs. 25,025 made up of as follows:—

|                                                                                         | Rs.    |
|-----------------------------------------------------------------------------------------|--------|
| (1) Amount collected after the close of the fasli .. .. .                               | 1,371  |
| (2) Amount remaining uncollected pending decision of appeals by civil courts .. .. .    | 2,172  |
| (3) Amount involved in execution proceedings .. .. .                                    | 11,301 |
| (4) Amount under collection and balance for which no reasons have been assigned .. .. . | 10,181 |

30. *Interest on arrears of land revenue.* (Statement No. 14).—The total demand on account of interest on arrears of land revenue including balance at the beginning of the fasli was Rs. 47,022 of which Rs. 22,496 were collected and Rs. 534 remitted, leaving a balance of Rs. 23,992 against Rs. 16,429 at the end of the previous fasli. The largest arrears are in Salem (4,832), Tanjore (3,282), Nellore (3,210), Rāmnād (2,015) and Ganjām (1,730).

31. *Sale of land under Board's Standing Orders Nos. 15, 16, 20, 21, 22, 45, 90 and 91.*—Under the rules for the sale of occupancy right in land at the disposal of Government (Standing Order No. 15), 4,097 acres assessed at Rs. 5,859 were sold for Rs. 3,99,600, 8 acres of tank-bed land assessed at Rs. 13 were sold for Rs. 477 under Standing Order No. 16. A small piece of land in the special tracts in Madura district was sold for Rs. 58 under Standing Order No. 20; 40 acres of house-sites in towns were sold for Rs. 7,560 under Standing Order No. 21; 51 acres of land occupied by Government departments were sold under Standing Order No. 22 for Rs. 4,060. One thousand three hundred and thirty-six acres of land which had been bought in by Government at sales for arrears of revenue were resold under Standing Order No. 45 for Rs. 1,830. Twenty-seven acres assessed at Rs. 15 which had been acquired for public purposes and were subsequently relinquished were sold under Standing Order No. 90 for Rs. 4,078. Twenty-eight cents of land in Madras assessed at Rs. 168 were sold for Rs. 4,384 under the rules published with G.O. No. 61, Revenue, dated 11th January 1902. Two-hundred and thirty-five acres of land for which the Railway is not likely to have any further use were sold for Rs. 690 under Standing Order No. 91.

32. *Subdivision of quit-rent.*—No applications were received during the year under Standing Order No. 58 for the subdivision of the joint liability of shareholders in whole inam villages or inams.

33. *Transfers of Registry of holdings.*—Transfers of revenue registration fall under the following two main heads :—

(i) Applications and notices received from Sub-Registrars.

(ii) Applications and intimations received from parties, village officers and others.

(i) Under the first head 332,319 applications were received during the fasli as against 315,752 in the previous fasli, the increase being 16,567 or about 5·25 per cent. The bulk of the increase occurred in the districts of Gōdāvari, Kistna, Guntūr, South Arcot, Tanjore, Madura and Coimbatore.

(ii) Under the second head the number received was 75,328 as against 64,698 in the previous fasli, the increase being 10,630 or 16·43 per cent.

The total number of applications of all kinds to be dealt with in the fasli under report including the number pending disposal at its beginning was 604,169 ; of these 453,266 were disposed during the fasli leaving a balance of 150,513 (excluding 390 cases destroyed during the rebellion in Malabar) as against 195,991 in the previous year. Of the total number of applications disposed of during the fasli 26,143 or 5·77 per cent were rejected and 42,576 were transferred to Deputy Tahsildars and Special Staff officers for disposal.

The percentage of pendency was high in Ganjām, Nellore, Cuddapah and South Arcot as in the previous year and also in Gōdāvari, Kistna, Guntūr and Bellary.

Out of a total of 6,04,169 cases for disposal under both the heads during the year 35,732 cases were referred to Revenue Inspectors as against 80,705 in the previous year. The largest number of such cases occurred in Kistna. The Collector is once again requested to see that very few cases are referred to Revenue Inspectors in future.

34. *Settlement by Collectors.*—The rule laid down in paragraph 2 of Board's Standing Order No. 12 that the settlement of each taluk should be conducted by the Collector himself once in five years, was complied with, except as regards (1) the taluks of Nugur, Bhadrachalam, Gunupur and Udayagiri of the Agency division ; (2) the taluks of Cocanada and Razole in the Gōdāvari district ; (3) the Tiruvur division and the taluks of Gannavaram, Nandigama, Bezwada, Gudivada, Kaikalur and Divi in the Kistna district ; (4) the Repalle taluk of Guntūr ; (5) the Kovilpatti taluk of Tinnevely ; (6) the Attur taluk of Salem and (7) the taluks of Cochin, Calicut and Walluvanad of Malabar. As regards item (1) the Agency Commissioner stated that, the Agency division having been formed in fasli 1330 just at the time for jamabandi, he could not settle any taluk in that fasli and that during the fasli under report he had no time to attend to jamabandi as he was occupied with other matters of greater importance. In regard to item (2), the Collector of Gōdāvari states that the jamabandi of the taluks of Razole and Cocanada could not be conducted by him in faslis 1327 and 1328 as his presence was necessary in the Agency taluks at the time of jamabandi and that he himself conducted the jamabandi of Ramachandrapuram taluk during the fasli under report. In Kistna (item 3 above), the Headquarters Sub-Collector was entrusted with the settlement of some of the taluks as the district is a heavy one. The jamabandi of the Repalle taluk in the Guntūr district (item 4) was entrusted to the Divisional Officer with the approval of the Board as the Collector had no time for this work on account of the disturbed condition of the district. The Collectors of Tinnevely and Salem propose to take up during the current fasli the jamabandi of the taluks mentioned under items 5 and 6. As regards (item 7), the Collector explains that owing to the deviation in the original programme made in fasli 1330, he had to take up the jamabandi of Ponnani taluk first and then that of Ernad taluk in preference to other taluks as he thought it expedient to stay there during Ramzan.

35. *Loans and advances.*—The advance made under the Land Improvement's Loans Act during the year amounted to 8·22 lakhs and those under the Agriculturists' Loans Act to 13·16 lakhs, a total of 21·38 lakhs against 16·28 lakhs in fasli 1330. The difference was the net result of an increase in the amounts advanced in twelve districts and a decrease in thirteen. There were no transactions

in Madras during the year. The advances granted in Bellary and Kurnool were considerably in excess of those given in fasli 1330, while the amounts advanced in Salem and Madura showed a considerable decrease over those of fasli 1330. The increase in Kurnool and Bellary was due to the fact that loans were granted on a large scale by special staffs owing to prevalence of famine, while the decrease in Salem and Madura was caused by the withdrawal of similar staffs working in those districts.

36. Of the sum of 4·91 lakhs and 9·95 lakhs repayable during the year under the Land Improvement Loans and the Agriculturists' Loans Acts on account of principal, 3·49 lakhs or 71·2 per cent under the former Act and 6·07 lakhs or 61·0 per cent under the latter were collected. Advances amounting to Rs. 26,650 under the Land Improvements Loans Act and Rs. 14,126 under the Agriculturists' Loans Act were repaid by borrowers on account of loans, the repayment of which had not fallen due, while a sum of Rs. 596 had to be written off as irrecoverable under the former Act and Rs. 100 under the latter Act.

37. *Coercive processes.*—The aggregate amount of principal and interest repayable during the year under both the Acts was Rs. 20,02,918, of which a sum of Rs. 3,74,634 or 18·7 per cent was collected without resort to coercion and a sum of Rs. 7,65,783 or 38·2 per cent after the issue of demand notices. A sum of Rs. 69,789 was collected after attachment of property but before sale, while the amounts realized by the sale of movable and immovable property amounted to Rs. 33,668 and Rs. 77,465 respectively. A sum of Rs. 886 was written off as irrecoverable under both principal and interest. The balance outstanding at the end of the year was Rs. 6,80,693, the arrears being very heavy in Ganjām (Rs. 1,43,430), Tanjore (Rs. 1,07,554), Madura (Rs. 71,411), North Arcot (Rs. 49,270), Salem (Rs. 45,520), Bellary (Rs. 43,267), Anantapur (Rs. 40,676), South Arcot (Rs. 34,727), Chingleput (Rs. 34,535) and Trichinopoly (Rs. 27,999).

38. and 39. The orders of Government have not yet been received on the Board's Reference I—3553/22-1 dated 27th November 1922, relating to the modification in the nature of the information included in these paragraphs.

40. The number of wells newly constructed and the number repaired during the year with the aid of loans under the Land Improvement Loans Act with the corresponding figures for the previous fasli are shown below :—

| Fasli.       | Wells newly constructed. |                           |              | Wells repaired. |                           |              |
|--------------|--------------------------|---------------------------|--------------|-----------------|---------------------------|--------------|
|              | Number.                  | Extent of land benefited. | Cost.        | Number.         | Extent of land benefited. | Cost.        |
| 1330 .. .. . | 708                      | ACS. 3,084                | RS. 2,21,952 | 520             | ACS. 2,389                | RS. 1,15,664 |
| 1331 .. .. . | 609                      | 3,038                     | 2,18,978     | 375             | 1,426                     | 89,675       |

The Salem district showed the largest number of wells (181) constructed or repaired during the year and next to it came Madura (179). A sum of Rs. 96,562 was spent during the year on the reclamation of 1,006 acres of land against Rs. 78,017 on 1,562 acres in the previous fasli. Rupees 2,96,708 were spent on other improvements such as removal of nuth grass, construction of bunds and deepening of fields, etc., which benefited about 14,580 acres. The following statement shows the purposes for which cultivators utilized the advances made to them under the Agriculturists' Loans Act during the two faslis 1330 and 1331 :—

| Fasli.       | Purchase of seed-grain. | Purchase of cattle. |              | Rebuilding of houses. |            | Sugarcane mills. | Purchase of fodder. | Other purposes. |
|--------------|-------------------------|---------------------|--------------|-----------------------|------------|------------------|---------------------|-----------------|
|              |                         | Number.             | Amount.      | Number.               | Amount.    |                  |                     |                 |
| 1330 .. .. . | RS. 20,532              | 7,910               | RS. 6,62,301 | 96                    | RS. 18,075 | RS. (a) 950      | RS. 39,385          | RS. 11,696      |
| 1331 .. .. . | 62,412                  | 8,072               | 6,41,822     | 42                    | 7,140      | ..               | 3,32,625            | (b) 2,38,367    |

(a) Belates to Bellary and Trichinopoly.

(b) Includes Rs. 1,37,588 for purchase of food grains in the Kurnool district.

41. *Survey advances.*—The advances drawn by Collectors during the official year 1921-22 under the head 'Revenue Survey Advances—Collectors' amounted to Rs. 78,358 as against Rs. 90,089 in the previous year. The amounts spent in the districts were as follow :—

|                 | RS.   |
|-----------------|-------|
| Agency Division | 121   |
| Ganjām          | 5,097 |
| Vizagapatam     | 580   |
| Godāvari        | 3,336 |
| Kistna          | 4,119 |
| Guntūr          | 8,401 |
| Nellore         | 511   |
| Kurnool         | 5,056 |
| Cuddapah        | 7,425 |
| Bellary         | 6,092 |
| Anantapur       | 3,993 |
| Chittoor        | 1,582 |
| Chingleput      | 758   |
| North Arcot     | 2,345 |
| South Arcot     | 510   |
| Tanjore         | 4,186 |
| Trichinopoly    | 3,762 |
| Madura          | 4,147 |
| Rāmṇād          | 2,744 |
| Tinnevelly      | 2,792 |
| Salem           | 789   |
| Coimbatore      | 5,341 |
| Malabar         | 2,047 |
| The Nilgiris    | 496   |
| South Kanara    | 2,128 |

Of the total amount of advances outstanding against Collectors, a sum of Rs. 79,910 was adjusted during the year leaving a net debit of Rs. 2,32,329 under 'Revenue Survey Advances—Collectors.'

Under the head 'Cost of survey marks—Collectors' a sum of Rs. 51,444 was collected during the year leaving a balance of Rs. 26,175 to be realized. The arrears outstanding at the beginning of the year under the head 'Cost of survey marks—Survey officers' were Rs. 1,91,788. Fresh landholders' bills for Rs. 5,40,614 were received from Survey officers during the year. Of the total demand of Rs. 7,32,402 under this head, Rs. 1,65,874 were collected during the year, leaving an uncollected balance of Rs. 5,66,528.

42. *Junior Civilians.*—The reports from Collectors show generally that their Civilian Divisional Officers possess an adequate knowledge of the vernaculars and that the progress of Assistant Collectors is satisfactory.

43. *Growth of subletting in ryotwari tracts.*—Ryotwari lands were sublet mainly by absentee pattadars, by those engaged in professions other than agriculture or by capitalists and large landholders. Subletting is reported to be on the increase in the Madakasira taluk of the Anantapur district where most of the fertile lands are owned by Brahmans and Vaisyas who are not agriculturists by profession. There is a similar increase in the Ghumsur taluk of the Ganjām district and the Sarvasiddhi taluk of the Vizagapatam district. In the Gudur taluk of the Nellore district it is reported that the assignment of land to the members of the depressed classes has to some extent induced them to refuse to work as farm servants and tended to increase the growth of subletting. In Godāvari and parts of the Bellary district, however, it

is on the decrease, the general tendency of the ryots being to secure for themselves a full share of the produce which has now increased in value owing to the high price of foodgrains.

44. *Effect of recent legislation on the people.*—The Madras Decentralization Act VIII of 1914 which empowered Tahsildars and Deputy Tahsildars to charge penalties in cases of unauthorised occupation and to deal with cases of irregular irrigation is reported to have worked satisfactorily, but the Board is not satisfied that this is wholly true. It is giving its attention to the matter, with a view to reducing the number of B. memoranda. The Indian Income-tax Act XI of 1922 and the Madras Court Fees and Stamp Amendment Acts came into force in the fasli under report; but it is too soon to notice their effects on the people. The new District Municipalities Act, the Local Boards Act, the Village Panchayat Act and the Village Courts Act are all affording greater opportunities to the people to manage their local affairs and to participate to a greater extent in the administration of local self-government than formerly but their effectiveness cannot yet be gauged.

45. *Enhanced water-cess for irregular irrigation.*—In G.O. No. 684, Revenue, dated 7th March 1913, it was ordered that ryots who have rendered themselves liable to the imposition of enhanced water-cess for the irregular use of Government water should be given previous notice of their liability either by special intimation to each individual concerned or by a collective notice or notices posted up from time to time in the village chavadi or public place according as the circumstances of each district permitted. The system was under trial for some years in all the districts except Madras, Malabar, South Kanara, Anjengo and the Nilgiris, to which it was not applicable. It was amended in B.P. No. 58, dated 10th April 1919, which laid down that, in addition to the preliminary notice referred to above, a final notice should also be issued immediately after village account No. 6 is passed by the Tahsildar and that in both cases a general or collective notice should be published in each village instead of serving individual notices on pattadars. The ryots are now generally aware of these rules and make representations to the jamabandi officer at the proper time. Most Collectors have remarked that the system has not only made the ryots aware of the consequences of their errors, but also resulted in the prompt investigation of objections and consequent reduction in the number of water-rate appeals.

46. *Tank-bed cultivation.*—During the year under report with a view to increase the production of food-stuffs, ryots were granted the concession of cultivating tank-bed lands with food crops in the districts of Vizagapatam, Godavari, Guntur, Nellore, Chingleput, Madura, Rāmṇād, Tinnevelly, and the Deccan and Central districts. There were also a few cases of unauthorized cultivation of such lands in Cuddapah, Nellore, Chittoor, North Arcot, Trichinopoly, Coimbatore and Salem and they were penalized under the provisions of the Madras Act III of 1905, except in Coimbatore where the highest dry rate of the village was charged. It is reported that the cultivation did not generally do any appreciable harm to the tanks. But obviously the effect of such cultivation would not as a rule be apparent for a number of years.

47. *Examination of village and taluk accounts.*—The maintenance of the accounts in ryotwari villages was fairly satisfactory and disclosed generally no serious errors. The defects noticed were pointed out and promptly rectified in most cases. In Vizagapatam, however, the state of things was not satisfactory and the examination disclosed that some accounts were not properly maintained while others were not maintained at all. As regards non-Government villages, the system of accounts was introduced with effect from fasli 1329 and the report submitted to Government in 1922 showed that there was scope for much improvement. Government have sanctioned the introduction of these accounts in all non-Government villages except those in the Agency division.

48. *The taluk and village statistical registers.*—Taluk statistical registers prescribed in the revised manual of taluk accounts were maintained in the districts of the Nilgiris, Malabar, South Kanara and Anjengo. Village statistical registers

were maintained in all the other districts except Madras. The subjoined statement shows the progress made in the writing up and checking of the registers up to and during fasli 1331 (1921-22) :—

| District.                  | Number of villages. |              | Number of villages in which registers have been opened. |              | Number of villages in which the registers have been written up and checked for fash 1331. |              |
|----------------------------|---------------------|--------------|---------------------------------------------------------|--------------|-------------------------------------------------------------------------------------------|--------------|
|                            | Ryotwari.           | Proprietary. | Ryotwari.                                               | Proprietary. | Ryotwari.                                                                                 | Proprietary. |
| 1. Agency Division .. .. . |                     |              | Statement not furnished.                                |              |                                                                                           |              |
| 2. Ganjam .. .. .          | 976                 | (a) 862      | 972                                                     | 781          | 972                                                                                       | 781          |

(a) Revised figure.

(b) The introduction of village accounts in the zamindari of Kalahasti and Karvetnagar has been ordered to be held in abeyance.

(c) Represents the number of tarafs—the units for which the registers are written.

Excluding the Agency division for which statistics have not been furnished, the work of opening the registers in ryotwari villages was completed in 18 districts and nearly completed in Ganjam, Vizagapatam and North Arcot; they were not however brought up to date (i.e., up to the end of fasli 1331) in some districts, notably in Bellary, Anantapur and Chingleput. In many of the proprietary villages in the districts of Vizagapatam, Cuddapah, Chingleput, North Arcot, Trichinopoly, Madura and Ramnad, these registers still have to be opened and the work is considerably in arrears.

49. *Minor irrigation.*—Statement No. 19 shows the number of irrigation works for each district in charge of the Revenue Department, the number repaired and the amount spent on them during the official year ending 31st March 1922. It also shows the number proposed for repairs during the official year ending 31st March 1923.

50. *Conferences with ryots.*—In all districts except (1) in the Rajampet division of the Cuddapah district, (2) Chittoor division of the Chittoor district and (3) in the divisions of the Salem district (except Namakkal division) conferences with ryots were held by Collectors and Divisional Officers during their tours and at the time of jamabandi. The Revenue Divisional Officer, Rajampet, failed to hold a conference during the last fasli also and the Collector says that he will draw the divisional officer's attention to the orders on the subject. The Collector of Salem reports that no special conference with the ryots was held by the divisional officers as the jamabandi afforded the ryots sufficient opportunity for representing their grievances on all matters and that such representations were duly attended to. The Agency Commissioner states that no steps have been taken in this direction.

(True extract)

S. WADSWORTH,  
Secretary.

To the Secretary to Government, Revenue Department.

No. 2.—Statement showing the approximate area and revenue of the Zamindaris in the Presidency of Madras for fasli 1331 (1921-22).

| Districts.      | Names of zamindaris.              | As per census of 1881.          |                    |            | Estimated revenue realized by the zamindars in fasli 1331. | Peshkash payable to Government in fasli 1331. |

\* Revised figure.  
 † Paragraph 3 of the report.  
 (a) These figures do not tally with those in columns 27 to 32 of statement No. 3 in the previous year's report as they exclude particulars for the Agency portion comprised in the newly formed Agency Division.  
 (b) Includes Rs. 6,244, the assessment of rented villages for which particulars of 'dry' and 'wet' are not available.  
 (c) Includes particulars for two resumed inam villages not included in the previous year.  
 (d) The variations as compared with columns 27 to 32 of the previous year's report are due to the fact that the accounts of certain villages destroyed in the rebellion had to be newly prepared.

No. 3.—Statement of ryots' holdings and cultivation in the several districts of the Madras Presidency for fasli 1331 (1921-22)—cont.

(a) The difference between the closing balance of last fasli and the opening balance of this fasli is due to the remission of land cesses charged on certain estates and to the adoption of correct figures.

(b) The difference is due to the revision of cesses on certain estates.

No. 10.—Statement showing the demand, collection and balance of land revenue and cesses for fasli 1331 (1921-22)—*cont.*

(a) The difference between the closing balance of last fasli and the opening balance of this fasli is due to the adoption of correct figures in certain districts.

(b) The difference is due to the revision of cesses.

No. 10.—Statement showing the demand, collection and balance of land revenue and cesses for fasli 1331 (1921-22)—*cont.*
