Report on the Settlement of the
Land Revenue of the District in the
Machra Parg. 1927-28

CONTENTS

[Maximum size prescribed (excluding extracts from district reports), 80 pages.]

	PARAS.
Prefatory	1
Character of the season	2
Cropped area	3
Condition of cattle	4
Number of ryotwari villages	5
Heads of land revenue	6
Peshkash or revenue from permanently-settled estates	7
Quit-rent	8
Holdings	9
Assessment	10
Cultivation	11
Water-rate and second-crop charge	11 (i)
Remissions	11 (ii)
Season remissions	11 (iii)
Fixed remissions	12
Beriz deductions	13
Miscellaneous revenue	14
Net ryotwari demand	15
Total land revenue demand (current)	16
Total demand under cesses (current)	17
Demand and collection of land revenue and cesses (current)	18
Demand and collection of arrears	19
Total balance of land revenue and cesses	20
Reconciliation of differences between the collection of land revenue and cesses as shown in the jamabandi and the Accountant-General's statements and over-payments	21
Distribution of collections between land revenue and cesses	22
Charges debitable to land revenue	23
Processes under Act II of 1864	24 & 25
Demand notices	26
Distrain or attachment	27
Sale notices	28
Sales	29
Process-service establishments	30
Costs in civil suits	31
Interest on arrears of land revenue	32
Sale of lands under Board's Standing Orders Nos. 15, 16, 20, 21, 22, 45, 90 and 91	33
Subdivision of quit-rent	34
Transfer of registry of holdings	35 to 38 †
Ruined tanks	39
Settlement by Collectors	40
Loans and advances	41
Survey advances	42
Vernacular language of Junior Civilians	43
The relations between landlords and tenants in the larger zamindaris	44
Effect of recent legislation on the people	45
Co-operative societies	46
Enhanced water-cess for irregular irrigation	47
Tank-bed cultivation	48
Examination of village and taluk accounts	49
Writing-up and checking of the village statistical registers	50
Minor irrigation	51
Conferences with ryots	52

* Omitted with reference to G.O. No. 1181, Revenue, dated 28th June 1922.

† Two paragraphs appearing in the reports for the earlier years have been omitted with reference to G.O. No. 879, Revenue, dated 4th June 1923.

‡ Omitted with reference to G.O. No. 1535, Revenue, dated 29th May 1917.

5. *Peshkash or revenue from permanently-settled estates.*—The total amount of peshkash payable during the fasli was Rs. 49,91,267 against Rs. 50,09,080 in the previous fasli. The decrease of Rs. 17,763 is the result of—

	Rs.
Increase due to the enhanced peshkash on Bhadrachalam and Rickapalle estates collected in gradation under G.O. No. 1058, Revenue, dated 9th July 1925	+ 1,052
Increase due to assessment on unlocalizable inams, being added to peshkash	+ 3
Increase due to rectification of errors and rounding	+ 51
Decrease of peshkash owing to acquisition of lands for public purposes	— 505
Reduction of peshkash due to writing off enhanced peshkash in Tirupattur taluk of North Arcot district, in consequence of the orders in G.O. Mis. No. 2160 (Confld.), Revenue, dated 31st October 1927 [B.P. Mis. No. 3303 (Confld.), dated 8th November 1927]	— 15,558
Reduction of peshkash on the portion of the Nidadavole estate owned by the Zamindar of Bhadrachalam in accordance with the terms of the compromise in O.S. No. 599 of 1922 on the file of the Sub-Judge, Ellore	— 2,600
Reduction of peshkash in Vizagapatam district on account of resumption of service inams	— 206
Total	— 17,763

6. The quit-rent payable on villages held on shrotriyam or favourable tenure was Rs. 7,53,335 against Rs. 7,57,136 in the preceding fasli. The decrease of Rs. 3,801 is accounted for below :—

	Rs.
Increase of jodi due to transfer of heriz deduction in favour of religious institutions in Sriperambudur taluk of Chingleput district to ryotwari miscellaneous revenue	+ 705
Decrease of quit-rent due to acquisition of lands for public purposes.	— 167
Decrease of quit-rent due to rectification of errors	— 4,339
Total	— 3,801

7. *Holdings.*—The total extent of ryotwari holdings during the fasli was 27.20 million acres which exceeded that of the previous year (as now revised) by 125,583 acres. There was increase in all districts except in Mettur, East Godavari, Chingleput and Tanjore. It was marked in the districts of Anantapur (35,555 acres), North Arcot (16,980 acres), Bellary (10,873 acres), Malabar (8,763 acres), Chittoor (8,760 acres), Kurnool (8,658 acres), South Arcot (7,459 acres) and Guntur (6,082 acres). The increase in Anantapur is reported to be due mainly to assignments made during the year and also to some extent to the increase in area by resurvey. In Malabar the increase was chiefly due to the transfer of unoccupied dry lands to occupied dry. In Guntur it was due to assignment of disforested lands. In the other districts it was due to assignments of land to depressed classes and others. The decrease in the Mettur district, i.e., 9,493 acres out of a total decrease of 12,900 acres in the Presidency was the result of the acquisition of lands for the Cauvery-Mettur Project. The decrease in the other three districts is small and calls for no remarks.

8. *Assessment.*—The total assessment on holdings was Rs. 569.08 lakhs against Rs. 566.61 lakhs (as now revised) in the previous fasli, showing an increase to which all the districts contributed except East Godavari, Tanjore and Mettur. The decrease of Rs. 7,172 in Mettur district was the result of the acquisition of lands for the Cauvery-Mettur Project. The decrease of Rs. 3,878 in East Godavari district was due to the fact that an extent of nearly 1,200 acres in the village of Gudimula, Razole taluk, was left out of settlement as a result of the decision of the High Court in A.S. Nos. 187 and 411 of 1922 on its file. Though there was a decrease in the total extent of holdings in Chingleput there was a slight increase in assessment due to an increase in the wet extent by 173 acres. The net increase in the total assessment was mainly due to assignments.

9. *Cultivation.*—The total area cultivated in ryotwari holdings was 20.58 million acres as compared with 20.14 million acres in the previous fasli. There was a net

increase of 354,385 acres under dry and 82,469 acres under wet. The increase under dry was marked in the districts of Guntur (74,387 acres), North Arcot (46,907 acres), Kurnool (38,027 acres), Anantapur (31,357 acres), Bellary (29,531 acres) and South Arcot (20,788 acres). The increase under wet was marked in the districts of West Godavari (23,599 acres), Nellore (13,929 acres), Kistna (10,932 acres) and North Arcot (6,406 acres). These increases were due to the favourable character of the season. For the same reason the total area cultivated including that under miscellaneous cultivation was 21.71 million acres against 21.29 million acres in the previous fasli and there was a decrease of 274,097 acres under waste charged.

10. *Water-rate and second crop charge.*—The revenue derived from these sources amounted to Rs. 29.96 lakhs against 29.87 lakhs in the previous fasli. There was an increase of Rs. 1,79,879 in certain districts and a decrease of Rs. 1,70,284 in others resulting in a net increase of Rs. 9,595. The increase was marked in the districts of Tinnevely (Rs. 53,681), Nellore (Rs. 52,519), North Arcot (Rs. 21,561) and Guntur (Rs. 10,857). The increase in Tinnevely was due to the fact that the pisanam cultivation of fasli 1336 was a failure and the monsoons began well in fasli 1337 in both the seasons. In North Arcot and Nellore it was due to the favourable character of the south-west monsoon while in Guntur it was due to the levy of increased penalties on unauthorized and irregular irrigation during the fasli. The decrease was marked in the districts of West Godavari (Rs. 73,432), East Godavari (Rs. 50,251) and Kistna (Rs. 31,516). The decrease in West Godavari was due to the recent classification of bapat wet and included dry lands as wet. The decrease in East Godavari and Kistna was due to the fact that the extent under irrigation in the delta taluks fell short of the extent in the previous fasli owing to the non-irrigation of 'light paddy' crops like Budama, etc., in the months of July to October owing to timely and favourable rains.

11. *Remission.*—There was a total net remission of Rs. 26,39,520 during the fasli. As compared with the previous year there was a decrease of Rs. 7,92,766. The decrease occurred mostly under 'Seasonal remissions.' This was due to the more favourable character of the season and to the fact that there was a more adequate supply of water in the irrigation sources.

(i) *Seasonal remissions.*—There was a decrease of Rs. 8,62,692 in some districts and an increase of Rs. 75,534 in others resulting in a net decrease of Rs. 7,87,158. Decrease was reported in all districts except Tanjore, Anantapur and Malabar and was found under all the sub-heads except "land submerged or inundated" and "remission of water-rate." There was marked increase in remissions in Tanjore (Rs. 40,642) and Anantapur (Rs. 11,751). In the former district this was due to the failure of crops in parts of the Tanjore, Pattukkottai and Arantangi taluks and to the grant of remission for sanded areas in the latter chiefly to the remissions granted in the Penukonda division where there was insufficient supply in the tanks.

(a) *Waste remitted.*—Remissions under this head amounted to Rs. 4.67 lakhs or Rs. 2,20,051 less than in the previous year. There was a decrease of Rs. 2,40,945 in some districts and an increase of Rs. 20,894 in others. The decrease occurred in all districts except Tanjore, Vizagapatam and Ganjam. The increase was marked in Tanjore (Rs. 13,762) and was due to the reasons mentioned above. The following dry remissions were granted in the fasli:—

(1) Rupees 22 on an extent of 19 acres in Ganjam under Board's Standing Order No. 15 (29), (2) Rs. 51 on an extent of 52 acres of dry land in East Godavari partly under Board's Standing Order No. 15 (29) partly on account of lands taken up for public purposes in 1900 and ordered to be deducted in fasli 1337 and partly on account of lands assigned within the last two years and not yet brought under cultivation by ex-military men, (3) Rs. 377 on an extent of 176 acres of dry land in Trichinopoly under G.O. Mis. No. 532, dated 6th April 1925.

(b) *Shavi and short crops.*—The total amount remitted under this head was Rs. 3,30,983 as against Rs. 7,92,966 in the previous fasli. The net decrease being Rs. 4,62,013. The decrease occurred in all the districts except Tanjore, Malabar and Anantapur. The increase was marked in Tanjore (Rs. 44,539) for the reasons already explained.

(c) *Tirvakammi remissions* (i.e., the remission of the difference between wet and dry assessment on wet lands cultivated with dry crops owing to insufficiency

or failure of water-supply), amounted to Rs. 7,09,463 against Rs. 7,89,854 in the previous fasli showing a net decrease of Rs. 80,391. The decrease occurred in all the districts except Vizagapatam, Anantapur, Cuddapah, North Arcot, Chingleput and South Arcot. The increase was marked in Vizagapatam (Rs. 13,862) and Anantapur (Rs. 11,177). The increase in these districts is attributed to insufficient supply of water due to the partial failure of the north-east monsoon.

(d) *Injury by floods*.—The amount remitted under this head was Rs. 14,786 against Rs. 11,500 in the previous fasli the net increase being Rs. 3,286.

(e) *Remission of second crop charge*.—The amount remitted under this head was Rs. 34,481 against Rs. 59,230 the net decrease being Rs. 24,749.

(ii) *Fixed remissions* (i.e., abatement of demand granted for reasons unconnected with the season) amounted to Rs. 1.39 lakhs against Rs. 1.48 lakhs in the previous fasli showing a net decrease of Rs. 9,893. The decrease occurred under all the heads except under 'Dasabandham remissions' in which there was a net increase of Rs. 626 mainly in Cuddapah and Anantapur districts.

(iii) *Beriz deductions*.—Deductions made from the village collections in favour of inamdars and religious institutions amounted to Rs. 9.34 lakhs against Rs. 9.30 lakhs in the previous fasli resulting in a net increase of Rs. .04 lakh. The increase occurred mainly under 'other items' and it was large in Bellary where it was due to the transfer of the assessment on resumed inams to taluk boards and to the payment of allowances in lieu of artizan inams resumed.

12. *Miscellaneous revenue*.—The revenue under this head amounted to Rs. 107.64 lakhs against Rs. 109.71 lakhs in the previous fasli, the net decrease being Rs. 2,07,194. The decrease occurred mainly under the heads 'Enhanced water-rate on lands irregularly irrigated', 'Revenue derived from tree tax', 'Charges levied for occupation of poramboke land' and 'sale-proceeds of lands sold'. There was a marked increase under item 8 'Commissions on estates under Court of Wards management' (Rs. 30,283). The several items are dealt with below :—

Item 1 (Jodi and quit-rent on minor inams).—The revenue under this head was Rs. 23.49 lakhs against Rs. 23.29 lakhs in the previous fasli or a net increase of .20 lakh. The increase was marked in the district of Kistna (Rs. 23,151) and is mainly due to the wrong inclusion of quit-rent on enfranchised village service inams in estates.

Item 2.—*Water-rate on minor inams in ryotwari villages*.—The revenue under this head was Rs. 15.13 lakhs against Rs. 15.18 lakhs in the previous fasli or a net decrease of Rs. 4,552. The decrease was mainly in the district of Godavari East (Rs. 24,580) and was due to the reasons mentioned in paragraph 10 above. There was increase mainly in the districts of Nellore (Rs. 12,458) and Madura (Rs. 4,702) due to the irrigation of larger extents than in the previous years.

Item 3.—*Charge for water in samindari and inam villages including tirwajasti and fasljasti items*.—The revenue under this item was Rs. 23.98 lakhs against Rs. 23.78 lakhs in the previous fasli or Rs. .20 lakh more than that of the previous year. The increase was mainly due to a better supply of water in the irrigation sources and the consequent increase of cultivation both in the delta and in the uplands.

Item 4.—*Enhanced water-rate on lands irregularly irrigated*.—The revenue under this head was Rs. 6.53 lakhs against Rs. 7.63 lakhs in the previous fasli or a net decrease of Rs. 1,10,120 over that of the previous fasli. The decrease was marked in Kistna (Rs. 39,989) and Kurnool (Rs. 25,553). In the former district, it was due to the imposition of lenient penalties for unauthorized irrigation in view of the general and heavy rains in fasli 1337 and also to the fact that the irrigation of lands without permission was given up in order to escape penalties on the progressive scale. In the latter it was due to the raising of restrictions on the irrigation of dry lands under the Kurnool-Cuddapah canal.

Item 5.—*Charges levied for occupation with or without application of assessed and unassessed lands not assigned*.—The revenue under this head was Rs. 7.19 lakhs against Rs. 7.45 lakhs in the previous fasli, the net decrease being Rs. 26,218. The decrease was large in Kistna and was due to the imposition of nominal penalties as eviction proceedings were taken in cases of unauthorized occupations.

Item 6—Charges levied for occupation of poramboke lands.—The revenue derived under this head was Rs. 6.37 lakhs against Rs. 7 lakhs in the previous fasli, the net decrease being Rs. 63,121. The decrease is noticeable in the district of East Godavari (Rs. 1,01,909) and is due to the fact that the figures of last year included a large amount collected towards current and back assessment levied on the encroachments made by the Maharaja of Pithapuram on certain vertical accretions in the river-bed. There was increase in some districts. In Guntur alone it was Rs. 14,047 due to increase in the area occupied.

Enhanced charges were levied amounting to Rs. 4,02,533 on an extent of 33,067 acres against Rs. 3,50,214 on an extent of 29,623 acres in the previous year showing an incidence of Rs. 12 per acre as in the previous fasli. The highest average rates were Rs. 59, Rs. 34, Rs. 32 and Rs. 31 in the districts of Tanjore, West Godavari, Tinnevely and Madura, respectively.

There were no lands registered as porambokes to be reclassified in the districts of Madras and Malabar. The work of reclassification is reported to have been almost completed in all the other districts. From the report it is, however, observed that taram assessment was levied on the occupation of Rs. 90,463 acres of poramboke lands as against 104,458 acres in the previous fasli. Such occupation was extensive in the districts of Anantapur (10,409 acres), Guntur (9,696 acres), Kurnool (9,479 acres), Salem (8,444 acres), Neilore (7,803 acres), Tanjore (6,773 acres), Bellary (5,852 acres), Trichinopoly (4,844 acres), Ganjam (4,166 acres), South Arcot (3,786 acres) and North Arcot (3,732 acres).

As already reported the charge of taram assessment is not confined to any particular kind of poramboke. The charge depends on the nature and circumstances of each occupation. In Anantapur it is reported that steps have been taken to transfer to ayan cases of unobjectionable occupation of water-courses and river margins which do not interfere with the water-course or river proper, whenever the parties apply for subdivision and pay the subdivision fees. In Guntur conversions to ayan have since been sanctioned in the case of unobjectionable occupations. The Collector of Kurnool states that large extents of land likely to be required in connexion with the canal and classed in the accounts as poramboke are held temporarily under certain conditions. Railway lands within half a mile from the railway station and portions of Public Works Department channel porambokes which are not in use are under unobjectionable occupation but cannot be assigned permanently as they are likely to be required by the Public Works Department or the railway in the future. The Collector of Salem reports that the assignment of unobjectionable encroachments in the taluks of Salem, Attur and Rasipur is being attended to by the settlement party.

In Nellore the extent under taram assessment includes 2,056 acres of forest land in Gudur taluk and 930 acres in Kovur taluk sold in auction and pending transfer to ayan. The Collector reports that proper steps were not taken by tahsildars to transfer to ayan unobjectionable cases of poramboke occupation. In Tanjore the bulk of the extent on which only ordinary charge was levied represents the occupation of village-site (backyard cultivation) and cases vacated either before or in compliance with the notice issued under section 7 of the Land Encroachment Act. The Collector of Bellary reports that large areas of drainage, tank-bed and river poramboke have been occupied and the occupation was considered unobjectionable. He also states that the tahsildars are very slow in submitting proposals for the transfer of lands to ayan. The Collectors of the other districts report that steps have been taken to transfer porambokes of which the occupation is unobjectionable to ayan.

Item 7—Revenue derived from tree-tax.—The revenue under this head was Rs. 3.93 lakhs against Rs. 4.61 lakhs in the previous fasli, the net decrease being Rs. 68,330. The decrease was noticeable in Tanjore (Rs. 91,657) and is reported to be due to the adoption of the revised rates of tree-tax—vide G.O. No. 1184, Revenue, dated 22nd June 1927.

Item 8—Commission from estates under Court of Wards management.—The amount of revenue derived under this head was Rs. 75,611 against Rs. 45,328 in

the previous fasli, the net increase being Rs. 30,283. The increase was marked in Raminad (Rs. 32,349) and it is reported to be due to the adjustment of the commission due from the Sivaganga estate for the past fasli.

Item 10—Sale-proceeds of lands sold.—The revenue derived under this head was Rs. 3,95,181 against Rs. 4,44,692 in the previous fasli, the net decrease being Rs. 49,511. It was large in the district of West Godavari (Rs. 1,21,304) and was due to the fact that in fasli 1336 an amount of Rs. 94,300 was realized on account of stray bits of poramboke lands assigned by the Settlement department. There was an increase of Rs. 41,660 in Madura as larger extents of land were sold during the fasli.

Item 11—Rent of tankas.—The revenue derived under this head was Rs. 5.6 lakhs against Rs. 5.8 (as now revised) lakhs in the previous year, the net decrease being Rs. 20,475, the major portion of which occurred in the East Godavari district. This was due to the fact that the extent leased this year was smaller.

13. The net ryotwari demand, including water-rate, second-crop charge and miscellaneous revenue amounted to Rs. 680.29 lakhs against Rs. 671.87 lakhs in the previous fasli. The details for the increase of Rs. 8.42 lakhs are given below:—

	LAKHS OF RUPEES.
(1) Increase in the assessment of holdings	+ 2.47
(2) Increase under water-rate and second-crop charge	+ 1.10
(3) Decrease under remission	+ 7.92
(4) Decrease under miscellaneous revenue	— 2.07

These have been explained in the respective paragraphs.

14. *Total Land Revenue Demand (Current).*—The demands under the several heads are compared below with those for the previous year:—

	Fasli 1336	Fasli 1337.
	RS.	RS.
Peshkash on permanently settled estates	50,09,030	49,91,267
Shrotriyam jodi	7,57,136	7,53,335
Ryotwar and miscellaneous	6,71,87,228	6,80,10,535
Total	7,29,53,394	7,37,55,137

The variations under these heads have been explained in the foregoing paragraphs.

15. *Total Demand under Cesses (Current).*—The total demand under cesses is given below:—

	Fasli 1336.	Fasli 1337.
	RS.	RS.
Cesses on permanently settled estates	21,72,563	21,57,906
Cesses on whole inam villages	5,82,563	5,83,899
Cesses on ryotwar and miscellaneous	70,28,658	71,18,751
Total	97,83,784	98,60,556

16. *Demand and Collection of Land Revenue and Cesses (Current).*—The current demand under Land Revenue and Cesses during the fasli was Rs. 8,42,15,596. A sum of Rs. 8,36,80,406 or 99.36 per cent was collected within the fasli and Rs. 16,758 was written off the accounts. The percentage of collection during the previous fasli was 97.35.

17. *Demand and Collection of Arrears.*—The total arrear demand under all the heads amounted to Rs. 22,38,902. A sum of Rs. 16,81,680 or 75.11 per cent was collected (against 90.72 per cent in the previous fasli) and a sum of Rs. 43,782 or 1.96 per cent written off the accounts. The decrease in the percentage of collections is due to the postponement of the collection of large amounts especially in the Bellary, Guntur and Anantapur districts.

18. The balance outstanding at the end of the fasli including both arrears and current was Rs. 10,31,872 against Rs. 22,49,826 at the end of the previous fasli. As reported by Collectors in their demand collection and balance statements for

October 1928, the balance at the beginning of fasli 1338 was Rs. 10,31,966. Up to the end of October 1928 a sum of Rs. 3,98,624 has been collected and Rs. 13,602 written off the accounts. Proposals have been made to write off Rs. 1,300 and sanction accorded for writing off Rs. 437. The net recoverable balance on 1st November 1928 was Rs. 6,18,003. Of this amount, the collection of a sum of Rs. 4,99,696 is covered by suspensions or postponements chiefly in the Bellary, Gunjur and Anantapur districts. Deducting this amount, the collectable balance on 1st November 1928 was Rs. 1,18,307. Necessary steps are being taken for the realization of this amount.

19. *Reconciliation of differences between the collection of Land Revenue and Cesses as shown in the Jamabandi and the Accountant-General's Statements and Overpayments.*—This is carried out month by month along with the reconciliation of the figures of expenditure.

20. *Distribution of collections between Land Revenue and Cesses.*—Land revenue and cesses are collected together and no attempt is made to exhibit the collections separately under these heads in the village accounts. The distribution of the total collections between land revenue and cesses is effected in each Collector's office. Each local board is credited on the 15th of each month with one-twelfth of the estimated receipts from cesses in accordance with the instructions issued in G.O. No. 5197, L. & M., dated 7th December 1926, the final adjustment of the difference between the collections actually made on behalf of the local boards and the monthly credits given to them being carried out at the end of the fasli year.

The final adjustment of cesses collected on behalf of local boards during fasli 1337 will be watched by the Board in accordance with the instructions contained in paragraph 3 of G.O. No. 5197, L. & M., dated 7th December 1926.

21. *Charges debitable to Land Revenue.*—The charges of the Land Revenue Department are shown in the accounts under the heads "22 R.E. General Administration—District Administration" and "26. e. Police—Village Police—Ryotwari and Proprietary Estates Talaiyaris". Those relating to Inspecting Tahsildars and clerks working as Revenue Inspectors, formerly shown under "5. Land Revenue," are also shown under "22 R.E. General Administration—District Administration" with effect from 1st April 1928. The District Administration charges excluding village establishments amounted to Rs. 107.34 lakhs during fasli 1337. The village service charges (including those of proprietary estates) during the fasli were Rs. 119.18 lakhs. The total charges thus amounted to Rs. 226.52 lakhs or 26.54 per cent of the collection of land revenue and cesses. It must however be borne in mind that this amount does not merely represent the actual cost of the collection of land revenue. The Land Revenue Department performs multifarious duties of which the administration of the land is only one. The village establishment in particular is the servant of all departments of Government. Again a good portion of the time of the Collector and his subordinate officials is occupied by magisterial work. The actual cost of the collection of land revenue cannot, therefore, be estimated with any degree of accuracy; but it is certainly far less than the figure worked out above.

The question of a more correct distribution of the charges at present debited to "22. General Administration" among the three heads "22. General Administration," "24. Administration of Justice" and "5. Land Revenue" is under the consideration of Government.

22. *Processes under Act II of 1864.*—Statement No. 12 gives the particulars of coercive processes issued for the realization of Government dues under Act II of 1864. The following extract shows the number of processes of each kind issued during the year as compared with the figures for the three preceding faslis:—

Coercive processes.	Fasli.			
	Fasli 1334.	Fasli 1335.	Fasli 1336.	Fasli 1337.
Demand notices	740,725	782,621	962,788	848,981
Distrain of attachment notices	95,118	21,211	78,072	77,395
Writ notices	84,456	70,194	59,181	65,447
Sales (number of defaulters)	7,912	6,330	6,850	5,351
Total ..	928,211	900,356	1,106,891	997,174

23. *Demand notices.*—The number of demand notices issued during the fasli was less by 113,808 than in the previous fasli. The rule that these notices should be issued only when absolutely necessary has been duly observed.

24. *Distrain or attachment notices.*—As compared with the previous fasli there was a slight increase (4,323) in the number of notices issued but they were fewer than in faslis 1334 and 1335. There was a large increase in the districts of South Arcot, North Arcot and Nellore. The Collector of South Arcot reports that this was due to the fact that certain taluks in the district were affected by unfavourable seasons for two faslis consecutively. The Collector of North Arcot states that the increase was due to the adoption of vigilant measures from the beginning of the collection season with a view to prompt realization. The Collector of Nellore reports that the increase was due to closer attention being paid to collection work.

25. The percentage of distraints and attachments to demand notices was higher than in the last fasli but lower than in faslis 1334 and 1335.

Percentage of attachment to the total number of demand notices.

Faslis.						Personal.	Real.	Total.
1334	..	..	..	..	..	11.80	2.99	14.79
1335	..	..	..	..	..	9.52	2.86	12.38
1336	..	..	..	..	..	6.86	1.8	7.44
1337	..	..	..	..	..	8.29	2.99	11.28

The number of defaulters whose immovable property was attached during the fasli was 25,411 as against 15,188 in the previous fasli.

26. *Sale notices.*—Out of 95,848 defaulters whose property was attached 42.14 per cent paid up the arrears before sale notices were issued, a considerable improvement over the figure (17.38) of the previous fasli. The number of attachments was largest in Tanjore (25,821) but actual sales were held in only 911 cases.

27. *Sales.*—The number of defaulters whose property was sold was less than in fasli 1336 by 496 (5,850 — 5,354). There was a decrease in the number of sales of both real and personal properties. The percentage borne by actual sales to sale notices in the Presidency was 9.65 against 9.88 in fasli 1336, and the percentage of the number of defaulters whose properties were sold to the total number of holdings was 0.10 against 0.11 in the preceding fasli. The statement below shows the particulars of sales in fasli 1337 compared with those for the preceding three faslis.

	Personal property.				Real property.				Total.			
	Fasli 1334.	Fasli 1335.	Fasli 1336.	Fasli 1337.	Fasli 1334.	Fasli 1335.	Fasli 1336.	Fasli 1337.	Fasli 1334.	Fasli 1335.	Fasli 1336.	Fasli 1337.

Value of lands sold.—Immovable property of the estimated value of Rs. 4,78,415 was sold for the recovery of arrears amounting to Rs. 1,21,550. The amount realized

was Rs. 1,50,097. The value of land sold was noticeably disproportionate to the arrears in Kistna, Nellore, Chingleput, North Arcot, South Arcot, Trichinopoly and Madura. The reasons given by the Collectors are similar to those reported to Government in B.P. Rout. No. 2337, dated 21st April 1927. In Nellore, three shrotriyam villages of the estimated value of Rs. 66,340 were put up for sale for arrears amounting to Rs. 3,919. The sale was subsequently cancelled as the amount was paid before the date of confirmation of the sale. The price fetched for lands sold to private individuals amounted on the average to 5 times the assessment in the case of dry lands and a little more than 3 times in the case of wet lands. The low average for wet lands was due to the low price fetched in Vizagapatam, Nellore, Chingleput and Trichinopoly. As pointed out in the Board's Proceedings quoted above ryots do not bid up to the full value of the land because they know that in most cases the defaulters will pay up the arrears before the sales are confirmed. In Madura on account of the lack of bidders properties estimated to be worth Rs. 1,72,293 were sold for Rs. 12,160. In fasli 1336 immovable property of the value of Rs. 4,11,593 was sold for the recovery of arrears amounting to Rs. 1,13,219 and the amount realized was Rs. 1,12,350. The average price fetched for lands sold to private individuals was 8 times the assessment in the case of dry lands and $8\frac{1}{2}$ times in the case of wet lands.

Extent of land sold.—The extent of land sold to private individuals in the fasli was 11,752.51 acres under dry and 5,973.72 acres under wet against 7,446.11 acres and 1,274.52 acres respectively in fasli 1336. The total area bought in by Government for want of bidders was 7,467.84 acres of dry land and 2,238.56 acres of wet land against 4,924.01 acres and 856.52 acres respectively in fasli 1336.

28. *Process-serving establishment.*—Statement No. 13 gives particulars of processes served by the ordinary village agency and by special establishments and the fees realized during the year. The total number of processes served by the village agency was 904,704 or 110,305 less than in fasli 1336. The number of processes served by special agency (42,457) was higher than in the previous fasli (40,804).

29. *Costs in civil suits.*—Rupees 22,795 were awarded to Government as costs during the fasli. Including Rs. 27,526 the revised opening balance, the total demand was Rs. 50,321 of which Rs. 13,514 were collected. Rupees 988 were written off and Rs. 125 were recommended to be written off the accounts. The net recoverable balance at the end of the fasli was Rs. 35,694 made up of the following items:—

	Rs.
(1) Amount collected after the close of the fasli	3,164
(2) Amount remaining uncollected pending decision of appeals by civil courts	15,239
(3) Amount involved in execution proceedings	13,191
(4) Amount pending collection for other reasons	4,100

30. *Interest on arrears of land revenue (Statement No. 14).*—The total demand on account of arrears of land revenue including the balance at the beginning of the fasli was Rs. 33,234 of which Rs. 15,633 were collected and Rs. 804 remitted leaving a balance of Rs. 16,797 against Rs. 19,962 in the previous fasli. The balance exceeds Rs. 2,000 in the districts of South Arcot, Madura and Ramnad.

31. *Sale of lands held under Board's Standing Orders Nos. 15, 16, 20, 21, 22, 45, 90 and 91.*—Under the rules for the sale of occupancy right in lands at the disposal of Government (Standing Order No. 15), 5,192 acres assessed at Rs. 8,286 were sold for Rs. 3,90,162, 5.77 acres of tank bed lands assessed at Rs. 18 were sold for Rs. 1,297 under Standing Order No. 16, 1.55 acres assessed at Rs. 8 were sold for Rs. 754 under Standing Order No. 20, 56.32 acres of house sites in towns were sold for Rs. 41,144 under Standing Order No. 21, 1.88 acres of land occupied by Government departments were sold for Rs. 131 under Standing Order No. 22, 1,117.91 acres of land bought in by Government at sales for arrears of revenue were sold.

under Standing Order No. 45 for Rs. 60,223, 10.51 acres which had been acquired for public purposes and were subsequently relinquished were sold under Standing Order No. 90 for Rs. 1,540, 102.02 acres of land for which the Railway is not likely to have any further use were sold for Rs. 5,624 under Standing Order No. 91, 12 grounds 376 square feet of land were sold in Madras for Rs. 2,108 under the Special rules governing the disposal of vacant lands on the city.

32. *Subdivision of quit-rent*.—No applications were received during the year under Standing Order No. 58 for the subdivision of the joint liability of share-holders in whole inam villages or inams except in the Tinnevely district where there was one case of subdivision in Karakurichimitta of Srivaikuntam taluk, due to alienation.

33. *Transfer of registry of holdings*.—Transfers of revenue registration fall under the following two main heads:—

(a) Applications and notices received from Sub-Registrars.

(b) Applications and intimations received from parties, village officers and others.

(i) Under the first head 403,940 applications were received during the fasli as against 371,423 in the previous fasli the increase being 32,517 or about 8.8 per cent. The bulk of the increase occurred in the districts of South Arcot, West Godavari, North Arcot and Trichinopoly.

(ii) Under the second head the number received was 141,230 as against 106,601 in the previous fasli the increase being 34,629 or about 32.5 per cent. The bulk of the increase was in the districts of Tinnevely, Malabar, Chittoor, Bellary and Salem.

The total number of applications of all kinds to be dealt with in the fasli under report including the number pending disposal at its beginning was 612,830; of these 587,484 were disposed of during the fasli leaving a balance of 75,346 (or about 12.3 per cent of the total number) as against 67,661 (or 12 per cent of the total number) in the previous fasli. Of the total number of applications disposed of during the fasli 35,189 or about 6.6 per cent were rejected and 8,325 were transferred to Deputy Tahsildars for disposal.

The percentage of pendency was high in the districts of Anantapur, South Arcot, Madras, Bellary, Kistna and Trichinopoly. The increase in South Arcot and Trichinopoly districts was due to the receipt of a large number of applications during the fasli. In Bellary it was due to the receipt of a large number of reports from village officers. The Collectors of all these districts are requested to see that the pendency is reduced.

In its Proceedings Mis. No. 2017, dated 7th September 1926, the Board issued instructions to Collectors for the speedy disposal of the transfer of registry applications and requested them to warn Tahsildars and Deputy Tahsildars not to send applications to Revenue Inspectors for disposal. The number of cases referred to Revenue Inspectors has fallen from 15,239 in fasli 1336 to 11,582 in fasli 1337. Three thousand three hundred and forty-six cases were however referred to Revenue Inspectors in Ganjam district during the fasli. The Collector explains that most of these cases relate to applications which were sent to the Revenue Inspectors for transmission to the village karnams, that 400 contested cases were sent by the Tahsildar, Berhampur, to the Revenue Inspectors and that the rest were referred to the Revenue Inspectors for check measurement. He has however promised to issue instructions to the taluk officers to follow strictly the orders in B.P. Mis. No. 2017, Land Revenue and Settlement, dated 7th September 1926.

34. The rule laid down in paragraph 2 of Board's Standing Order No. 12 that the settlement of each taluk should be conducted by the Collector himself once in five years was complied with except in (1) Surada taluk of the Ganjam district, (2) Gudem taluk of the Vizagapatam district, (3) Nugur taluk of East Godavari and (4) Gudur and Sulurpet taluks of Nellore. In Ganjam the Collector reported that it would be convenient to take Surada up together with Aska. As regards Gudem taluk

the Collector of Vizagapatam reports that it will be taken up along with the jama-bandi of Golugonda taluk as his time was occupied by the Agency Conference and by the sittings of the Opium Enquiry Committee of which he was the President—vide B.P. Rout. No. 573, dated 27th January 1928. In Nellore the accounts of Gudur and Sulurpet were checked by the Collector's office establishment but owing to the ill-health of the then Collector (Mr. Reilly) the jamabandi was conducted by the Revenue Divisional Officers of Gudur and Nellore respectively in fasli 1335.

35. *Loans and advances.*—The advances made under the Land Improvement Loans Act during the year amounted to Rs. 12.70 lakhs and those under the Agriculturists Loans Act to Rs. 11.54 lakhs, making a total of Rs. 24.24 lakhs against Rs. 29.74 lakhs in fasli 1336. The difference was the net result of an increase in the amounts advanced in ten districts and a decrease in 15 districts. The advances granted during the year in Guntur, Bellary and Coimbatore were considerably less than those granted in fasli 1336. The decrease was due to the fact that loans on a liberal scale were granted in these districts on account of the unfavourable character of the season last fasli. The increase in Nellore was due to the loan granted to the Maharaja of Venkatagiri for the repair of certain tanks in his zamindari.

36. Including the uncollected balance of the amount due during the previous year, a sum of Rs. 10.63 lakhs was repayable during the year under the Land Improvement Loans Act on account of principal while the amount repayable under the Agriculturists Loans Act was 14.80 lakhs. Of these amounts, Rs. 7.39 lakhs or 69.5 per cent under the former Act and Rs. 12.20 lakhs or 82.4 per cent under the latter Act were collected. Rupees 1.15 lakhs under the Land Improvement Loans Act and Rs. 0.54 lakh under the Agriculturists Loans Act were repaid by borrowers on account of loans, the repayment of which had not fallen due, while a sum of Rs. 3,885 was written off as irrecoverable under the former Act and Rs. 2,417 under the latter Act.

37. *Coercive processes.*—The aggregate amount of principal and interest repayable during the year under both the Acts, including the balance remaining unpaid out of sums which fell due in previous years, was Rs. 36,64,216, of which a sum of Rs. 7,15,200 or 19.5 per cent was collected without resort to coercion and a sum of Rs. 18,89,821 or 51.6 per cent after issue of demand notices. A sum of Rs. 2,01,170 was collected after the attachment of property but before sale, while the amounts realized by the sale of movable and immovable property were Rs. 12,678 and Rs. 67,575. A sum of Rs. 7,326 was written off as irrecoverable under both principal and interest. The balance outstanding at the end of the year was Rs. 7,70,442, the arrears being heavy in Bellary (Rs. 2,70,405), Coimbatore (Rs. 1,11,840) and Tanjore (Rs. 99,844).

38. The number of wells newly constructed and the number repaired during the year with the aid of loans under the Land Improvement Loans Act are shown below with the corresponding figures for the previous fasli :—

Fasli.	Wells newly constructed.			Wells repaired.		
	Number.	Extent of land benefited.	Cost.	Number.	Extent of land benefited.	Cost.
1336	829	Acres. 3,488	Rs. 2,89,862	1,762	Acres. 9,068	Rs. 8,06,657
1337	767	8,190	2,69,317	942	4,698	8,06,807

The largest number of wells (377) constructed or repaired during the year was in Coimbatore. The numbers in North Arcot (323), Salem (279) and Madura (156) were also large. A sum of Rs. 1,39,124 was spent during the year on the reclamation of 2,661 acres of land against Rs. 4,77,693 in the previous fasli. Rupees 8,13,483 were spent on other improvements such as the removal of noth grass, the construction of bunds and the lowering of the level of fields, altogether benefiting 9,192 acres.

The following statement shows the purposes for which the advances made to cultivators under the Agriculturists Loans Act during the two faslis 1336 and 1337 were utilized :—

Faslis.	Purchase of seed grain.	Purchase of cattle.		Rebuilding of houses.		Sugarcane mills.	Purchase of fodder.	Other purposes.
		Number.	Amount.	Number.	Amount.			
1336	Rs. 1,49,547	11,464	Rs. 9,29,172	244	Rs. 46,865	Rs. 520	Rs. 1,32,765	Rs. 18,765
1337	16,566	11,635	9,26,934	71	46,085	13,545	1,07,065	28,875

39. *Survey advances.*—The advances drawn by Collectors during the official year 1927-28 under the head 'Revenue survey advances—Collectors' amounted to Rs. 69,194 as detailed below against Rs. 66,399 in the previous year :—

District.	Rs.	District.	Rs.
Ganjam	2,280	North Arcot	3,541
Vizagapatam	667	South Arcot	1,444
Godavari, East	1,426	Tanjore	5,094
Do. West	1,723	Trichinopoly	2,125
Kistna	337	Madara	6,719
Guntur	8,983	Kannad	767
Nellore	398	Tinnevely	8,582
Kurnool	2,610	Salem	1,521
Cuddapah	6,512	Coimbatore	3,469
Bellary	1,337	The Nilgiris	195
Anantapur	846	Malabar	2,449
Chittoor	1,700	South Kanara	1,006
Chingleput	3,513		

Of the total amount of advances outstanding against Collectors including the amounts referred to above, a sum of Rs. 71,437 was adjusted during the year leaving a net debit of Rs. 2,44,941 under 'Revenue survey advances—Collectors'.

Under the head 'Cost of survey marks—Collectors' a sum of Rs. 46,106 was collected during the year, leaving a balance of only Rs. 4,562 to be realized.

The arrear outstanding at the beginning of the year under 'Cost of survey marks—Survey officers' was Rs. 6,62,192-14-9. Fresh landholders' bills for Rs. 3,11,811-0-5 were received from Survey officers during the year. Of the total demand of Rs. 9,74,003-15-2 under the head a sum of Rs. 5,86,602-3-2 was collected during the year leaving a balance of Rs. 3,87,401-12-0.

The major portion of the balance of Rs. 3,87,401-12-0 relates to Malabar, Godavari East, Salem, Anantapur, Kistna, South Kanara, The Nilgiris and West Godavari.

Malabar (Rs. 1,77,932-11-1).—The arrears relate to the taluks of Wynad, Ernad and Walluvanad. As reported last year, the arrears in these taluks were ordered to be collected in instalments. The balance of fasli 1337 yet to be collected in the above taluks is now reported to be only Rs. 3,907-11-7 including the collections made since July 1928.

East Godavari (Rs. 63,390-5-1).—The arrear has since been reduced to Rs. 2,006-13-9.

Salem (Rs. 44,220-5-10).—The entire balance except a sum of Rs. 455-6-7 has since been realized.

Anantapur (Rs. 30,681-15-4).—A major portion of the balance has since been collected. The balance yet to be collected is only Rs. 4,413-5-6.

Kistna (Rs. 29,901-2-6).—A good portion of the arrears has since been realized. The balance still due is only Rs. 4,943-15-0.

South Kanara (Rs. 14,695-11-8).—There is now only a petty balance of Rs. 20-7-3 yet to be collected.

The Nilgiris (Rs. 14,283-10-9).—A major portion of the balance, i.e., Rs. 12,389-9-0 still remains uncollected. Here also the amount has to be collected

in instalments as in the Malabar-Wynads. Of the balance due in 1927-28 only a sum of Rs. 15-7-1 now remains uncollected.

West Godavari (Rs. 9,018-11-6).—There is now only a petty balance of Rs. 12-4-11, the remainder having since been collected.

Instructions have been issued to the Collectors of the above districts to clear off the arrears.

40. *Junior Civilian*.—The reports from Collectors show generally that their Civilian Divisional Officers possess an adequate knowledge of the vernaculars and that the progress of Assistant Collectors is satisfactory.

41. *Effect of recent legislation on the people*.—No new enactment affecting the agricultural population generally was passed during the fasli under report. The Madras Hindu Religious Endowments Act has not been in force for a sufficiently long time to call for any special remarks. The Collector of North Arcot reports that the beneficial results of the Village Officers' Restoration Act are mutual in that it has given considerable satisfaction to the village officers and has facilitated the speedy realization of revenue. The Agricultural Pests and Diseases Act of 1919 has been in force in the Tanjore district during this fasli also. The noxious weed 'water hyacinth' is reported to have been removed from all sources of water-supply. The advantages of the Act are not yet realized by a few of the ryots in the remoter parts of the Madura district where difficulty is still experienced in the removal of cotton plants; the penal provisions of the Act had to be resorted to in some cases. The Madras Decentralization Act which empowered tahsildars and deputy tahsildars to levy penal charges in cases of unauthorized occupation and to deal with cases of irregular irrigation, is reported to have worked satisfactorily and to have facilitated the conduct of jamabandi. The District Municipalities Act, the Local Boards Act, the Village Panchayat Act and the Village Courts Act afford greater opportunities to the people to administer local affairs and to participate to a greater extent in local self-government than formerly; however, in the district of Cuddapah the successful working of these Acts is retarded to some extent by the existence of factional disputes, and lack of co-operation and public spirit among the people. The panchayat courts are becoming more popular. The members of the depressed classes are slowly becoming conscious of the greater attention paid to them.

42. *Enhanced water-cess on irregular irrigation*.—The system of publishing a general or collective notice in each village in accordance with the Board's orders in B.P. No. 58, Settlement, dated 10th April 1919, is reported to have worked well. In general, the ryots are aware of the rules and make timely representations to the jamabandi officers. In Nellore the Collector reports that the system has resulted in the prompt investigation of objections and a reduction in the number of water-rate appeals. In East Godavari the prevention of irregular irrigation by breaching the sources of water-supply in the delta in times of water scarcity and during the transplantation season is a recurring problem, owing to the fact that water-cess charged in respect of such irrigation will be sustainable in courts of law only if there is positive proof of the offence. In consultation with the Public Works Department officers measures are taken to minimise such offences.

43. *Tank-bed cultivation*.—There are no tank-bed lands fit for cultivation in the districts of Madras, the Nilgiris, Malabar and South Kanara. Under the authority of G.O. Mis. No. 1613, Revenue, dated 2nd September 1922, the Collector of Cuddapah permitted 165 acres of tank-bed land to be cultivated. The revenue derived from tank-bed cultivation was Rs. 804 while an enhanced assessment to the extent of Rs. 556 was imposed for unauthorized cultivation. The bed of Vemula Nayanicheruvu, an abandoned source of irrigation in Pulivendla taluk, was permitted to be cultivated by members of the depressed classes and by the ayacutdars as the season in that tract was not satisfactory. The concession allowed was not, however, availed of by the depressed classes. In Chittoor the cultivation of tank-beds with melons, cucumber and the like was permitted in all the taluks of the district as some of the tanks became dry in the latter half of the fasli. There were 203 cases in which an extent of 109 acres was cultivated. Out of these, 139 cases were without previous permission and they were penalized to the extent of Rs. 61 under Act III of 1905. 379-73 and 138-08 acres in the North Arcot district were cultivated with melons and

food-grains respectively in tank-beds. Highest dry rate was levied for the cultivation of melons with permission. In other cases of occupation penalty was levied in addition to block rate and eviction proceedings were also taken. The cultivation of melons has done no harm to the tank-beds on account of the restrictions under which it is allowed. In Trichinopoly the Collector permitted the cultivation of cucumber in tank-beds and an amount of Rs. 463 was realized on an extent of 127 acres including a sum of Rs. 191 as penal charge for unauthorized cultivation under Act III of 1905. In Ramnad there was tank-bed cultivation in Srivilliputtur, Sattur and Tiruvadanai taluks on an extent of 211 acres and the condition of tanks was not adversely affected by it. In Tinnevely there was cucumber cultivation only on an extent of 31 acres of tank-bed in Sankarankoil taluk. There was tank-bed cultivation in eight villages of the Coimbatore taluk, on an extent of 226 acres, the charges amounting to Rs. 380; no damage is reported to have been caused to the tanks on account of the cultivation. There were cases of unauthorized cultivation in the districts of Nellore, Anantapur, Kurnool, Chingleput, Salem and Madura and these were penalized under the provisions of Act III of 1905. In the other districts there were no cases of tank-bed cultivation.

44. *Examination of village and taluk accounts.*—The maintenance of the accounts was fairly satisfactory and no general errors of a serious nature were disclosed. The present system of accounts in non-Government villages has been in force since fasli 1329 in all non-Government villages excluding those in the Agency tracts.

45. *The taluk and village statistical registers.*—The taluk statistical registers prescribed in the Manual of Taluk Accounts (Special) were maintained in the districts of the Nilgiris, Malabar and South Kanara and village statistical registers were maintained in all the ryotwari villages of all the districts except Madras and Mettur. The following statement shows the progress made in the writing up and checking of the registers up to and during fasli 1337:—

District.	Number of ryotwari villages.	Number of villages in which registers have been opened.	Number of villages in which the registers have been written up and checked in fasli 1337.
1. Ganjam	1,904	1,094	1,094
2. Vizagapatam	(a) 377	377	377
3. Godavari, East	(b) 854	854	(c) 826
4. Do. West	(b-1) 848	848	(d) 209
5. Kistna	(b-1) 408	403	403
6. Guntur	755	758	758
7. Nellore	528	528	528
8. Cuddapah	753	753	753
9. Anantapur	751	751	751

22. Salem	(o) 1,455	1,451	1,451

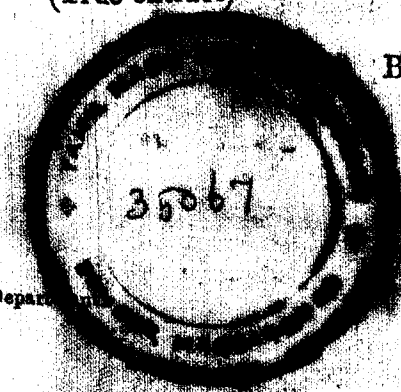

- (a) Includes 105 villages of Palnad taluk not shown in statement No. 3.
 (b) Includes 115 rented villages of the Ramnad taluk and the villages in the Bhadrachalam and Nagur taluks not shown in statement No. 3. The increase of 11 over the last year's figure is due to clubbing of nine villages during resurvey and two villages having been deserted.
 (b-1) The decrease is due to clubbing during the resurvey.
 (c) The Tahsildar of Ramnad taluk has been asked to submit progress reports till the work is completed.
 (d) Since completed.
 (e) Registers have been sent to the officer in charge of No. III, Settlement Party, Salem.
 (f) and (g) The Tahsildar concerned has been directed to complete the work.
 (h) These three are still in progress.
 (i) The register of one village has been taken away for reference by the Assistant Engineer of South Indian Railway Construction and has not yet been returned. The Assistant Engineer has been addressed for the early return of the register.
 (j) The Tahsildars concerned have been directed to complete the work without delay.
 (k) The registers of the remaining five villages are being got written up by the Tahsildar.
 (l) Increase due to two villages of Malabar included in Tinnevely district.
 (m) Registers of two villages have been filed in courts.
 (n) Decrease due to the formation of the Mettur district from some villages of these districts.

46. *Minor Irrigation*.—Statement No. 19 shows for each district the number of irrigation works in charge of the Revenue Department, the number repaired and the amount spent on them during the official year ending 31st March 1928. It also shows the number proposed for repairs during the official year ending 31st March 1929.

47. *Conference with ryots*.—The Collector of Ganjam arranged for lectures by the agricultural demonstrator on improved methods of agriculture. In East Godavari conferences were held by the jamabandi officers and by the officers of the Public Works Department. The representatives of rural bodies communicated freely with local officials on matters of public interest. In Nellore conferences were held at the time of jamabandi and special irrigation conferences were held in Kovvur and Nellore taluks. In the informal conferences with the ryots held by the Revenue Divisional Officers of Anantapur, Gooty and Dharmavaram in the Anantapur district subjects relating to sanitation, improved methods of agriculture, benefits of village panchayat courts, etc., were dealt with. The Revenue Divisional Officer, Bellary, held a conference with the ryots in which questions relating to the revision of kistbandi and the causes of the indebtedness of the ryots were discussed. The Collector (Bellary) considers that more propaganda work (by the Agricultural and Veterinary departments) is needed in villages to educate the villagers. In Kurnool conferences were held by the Collector at Koilkuntla and Nandikotkur during jamabandi. Lectures were given by representatives of the Agricultural and Co-operative departments who also took an active part in those conferences. Magic lantern lectures were also given. Similar lectures and demonstrations were also given during the conferences held at the time of jamabandi in Chingleput district. In Chittoor, the Revenue Divisional Officer held conferences at Chittoor and Palmaner. These were attended by members of the depressed classes and ex-military men. The Revenue Divisional Officer, Madanapalle, and the Collector held conferences at Thamballapalle and Vayalpad respectively in which subjects relating to formation of roads, digging of drinking water wells, construction of chavadies and formation of co-operative societies were discussed. Similar subjects were also discussed in the conferences held by the Collector of North Arcot during the jamabandi of the taluks of Wandiwash and Tiruppattur. In Tanjore it is reported that conferences were held in all the taluks during jamabandi. The ryots showed considerable interest in all the questions that came up for discussion, which mainly related to irrigation and drainage improvements. These conferences afford a good opportunity for exchange of ideas between the departmental officers and the ryots. In Trichinopoly the Executive Engineer held irrigation conferences with the ryots while in Madura officers of the Public Works Department and the Revenue Department and the ryots met together in the conference held at Madura and discussed the grievances of the ryots and also suggested steps for remedying them as far as possible. Similar conferences were also held in the districts of Salem and Malabar. The Collector of South Kanara reports that the conferences with ryots have become a matter of mere formality and are fruitless as no one except Revenue subordinates and the village officers attend.

(True extract)

B. G. Holdsworth,
Secretary.

To the Secretary to Government, Revenue Department

R
X: 322. 2117 N27
N29

No. 2.—Statement showing the approximate area and revenue of the zamindaris in the Presidency of Madras for fasli 1337 (1927-28).
