A sum of Rs. 10,979-15-6 fell due under principal and a sum of Rs. 1,085-14-7 under interest during the year. Thus the total demand for the year was Rs. 28,320-11-3 under principal and Rs. 20,423-11-9 under interest.

The collection during the year amounted to Rs. 4,649-0-10 under principal and Rs. 3,433-10-0 under interest out of the arrears. The collections against the current demand were Rs. 954-0-9 under principal and Rs. 114-12-4 under interest. Thus the total collections for the year amounted to Rs. 5,603-1-7 under principal and Rs. 3,548-6-4 under interest. This includes a sum of Rs. 20-0-6 collected by the Collector of Nellore in excess of the actual demand under principal.

SCHOOLS.

Steps have been taken to make the existing schools more efficient. New schools were started wherever necessary. Old schools which are found to be not working well have been closed in the interest of economy.

Particulars of the Harijan Welfare schools in the several districts are given in the Statement IV (Parts I and II). At the beginning of the year, there were 1,349 schools. Ten schools were newly started and 10 schools were closed down. There were thus 1,349 schools at the close of the year. Education was imparted to 101,345 children consisting of 67,000 boys and 34,255 girls as against 98,007 children consisting of 64,351 boys and 33,656 girls in the previous year. There has been an increase in over-all strength. The total number of teachers employed were 3,003 of whom 2,977 were trained and 26 untrained. A sum of Rs. 1,27,851-9-0 was spent on the construction and repairs to school buildings. There were five Harijan Welfare schools in Madras City. The total number of teachers employed were 41 out of whom one is untrained.

MIDDAY MEALS.

The supply of midday meals in the Harijan Welfare schools, where midday meals were supplied during 1950-51 was continued during the year. The Harijan Welfare Department arranged for the supply of midday meals in 1,279 schools in the districts. In all the five Harijan Welfare schools in Madras City, midday meals were supplied. The number of Harijan children fed in these schools at the end of the year was 1,272. The expenditure incurred on the supply of midday meals in these schools was Rs. 31,706-4-0.

Attempts are being made to extend the supply of midday meals to the remaining Harijan Welfare schools in the State. The scheme, however, is working satisfactorily. There is marked improvement in the health and in the average attendance of the pupils in the Welfare schools on account of the supply of midday meals. There is appreciable improvement in their education. The cost of each meal was increased from As. 1-9 to As. 2-6 in G.O. Ms. No. 90, Rural Welfare dated 8th August 1950. The number of Harijan pupils fed in the Harijan Welfare schools at the end of the year was 81,895 as against 87,003 in the previous year. The expenditure incurred on the supply of midday meals in the schools was Rs. 18,00,493-1-9 as against Rs. 15,72,395-1-4. The reasons for the decrease in the number of pupils fed during 1951-52 are the non-supply of midday meals in certain schools for want of contractors and the strict observance of the rules relating to the supply of midday meals only to pupils belonging to eligible communities and not others.

THE MADRAS REMOVAL OF CIVIL DISABILITIES (AMENDMENT) ACT, 1947, AND THE MADRAS TEMPLE ENTRY AUTHORIZATION ACT OF 1947.

The promulgation of these Acts has definitely resulted in an improvement of social atmosphere throughout the State. The water-tight orthodoxy on the part of the Hindus gradually give place to a more severe outlook and better restoration of the rights of their Harijan brethren while the painful inferiority complex prevailing on the part of the Harijans has waned giving place to the realization of their equality with others.

It may be true that in some of the villages in the districts the Harijans find it difficult to assert their rights on account of their economic dependance on their caste Hindu masters but this is only rarely the case. The various measures devised by this department will, it is expected, improve their conditions in all aspects, and enable them to take their proper place in society.

OFFENCES UNDER THE MADRAS REMOVAL OF CIVIL DISABILITIES (AMENDMENT) ACT XI OF 1947 AND THE MADRAS TEMPLE ENTRY AUTHORIZATION ACT OF 1947.

South Kanara district.—No cases of violation of the provisions of the Temple Entry Act were brought to the notice and tried during the year under report.

Out of the offence cases committed under the Removal of Civil Disabilities Act, four cases ended in conviction during the year and the remaining cases are under trial.

Tirunelveli district.—Three cases under the Removal of Civil Disabilities Act, 1947, were put up during the year. Of which one case was acquitted and the other two were convicted.

No case under the Temple Entry Authorization Act, 1947, was put up during the year.

No reports of offence under these Acts have been received from the remaining districts.

VILLAGE VIGILANCE COMMITTEE.

1951-52		6,99,315	6,48,245	1,90,000

Education.—At the beginning of the year there were 250 schools in the district. During the year 4 schools were closed. One new school was opened at Pasukaranpatti during the year as per G.O. Ms. No. 452, Rural Welfare, dated 9th May 1951. There were thus 247 schools at the close of the year. At the beginning of the year, there were 11 schools under the control of the Mission authorities. Ten schools were brought under direct control of the Government from 1st June 1951 as per G.O. Ms. No. 217, Rural Welfare, dated 8th March 1951 and the eleventh school, R.C. Girls School at Madurai was abolished.

STRENGTH AND ATTENDANCE.

Strength of Kallar and non-Kallar children.

Year.		Number of schools.	Boys.	Girls.	Total.
1949-50		251	12,109	6,154	18,263
1950-51		250	12,600	5,173	17,773
1951-52		247	12,092	4,828	16,920

Strength of Kallar children alone.

Year.		Boys.	Girls.	Total.
1949-50		8,512	5,095	13,607
1950-51		8,300	3,958	12,258
1951-52		7,791	3,546	11,337

The above statement shows that there has been a fall by 4.8 per cent in the strength as compared with the previous year. The percentage of attendance, viz., 79 per cent during the year shows a further improvement over that (76.8) of last year. This is mainly due to the co-operation of the Revenue Subordinates and the village committees that were formed in every Kallar village and also due to the admission of non-Kallars. The fall in the number of pupils on the rolls is due to the removal of chronic absentees. The scheme for the admission of non-Kallar pupils

started with reference to G.O. Ms. No. 4200, Home, dated 15th November 1948 continue to work satisfactorily. Five Thousand five hundred and eighty-three non-Kallar pupils received instructions in the Kallar schools during the year as against 5,515 last year.

Staff.—The total strength of teachers was 567 as against 561 of last year. Of 567 teachers 162 were women teachers. The teachers employed were all qualified and trained teachers.

The grade-war distribution of teachers is shown in the statement below :—

		1950-51.	1951-52.	Total, 1950-51.	Total, 1951-52.
		M. F.	M. F.		
Secondary Grade		11 4	11 4	15	15
Elementary Higher Grade		374 156	372 158	530	537
Lower Grade		16 0	15 ..	16	15
Total		401 160	405 162	561	567

During the year four Kallar schools, viz., Thengilipatti, Pappapatti, Vellayammalpuram and Nellore were converted into Higher Elementary Schools by opening VI standard in each of them. Mat weaving is being taught as a prevocational subject to the pupils of VI standard in these schools.

Method of teaching.—The syllabus for Elementary Schools introduced in G.O. Ms. No. 1055 Education, dated 10th May 1929, was followed in all the Kallar schools in this district. Necessary steps were taken to minimise stagnation and improve efficiency. The record sheets introduced in G.O. No. 2103, Law (Education), dated 22nd October 1935, were maintained in all the schools.

Equipment.—Furniture to the value of Rs. 2,450 were purchased and supplied to the Kallar schools besides a sum of Rs. 896 spent on repairs to equipment.

Boarding Homes.—The two boarding homes managed by the Government for the benefit of the Kallar boys studying in the District Board High Schools at Uthamapalayam and Usilampatti are working satisfactorily. The Headmasters of these schools are ex-officio wardens of these respective boarding homes and they are paid Rs. 22-8-0 each per mensem. as honorarium. In addition there are two full-time assistant wardens in the grade of a secondary grade teacher one each of the Boarding homes. The number of boarders studying at the end of the year at these places is given below :—

	Sanctioned strength.	Number on roll on 31st March 1952.
Usilampatti	300	270
Uthamapalayam	100	79

The enhanced rate of boarding charges of Rs. 12 sanctioned in G.O. Ms. No. 4160, Home, dated 18th October 1949, continued during the year. The special Deputy Collector inspected the two Boarding houses regularly and gave instructions to the wardens. The health and morale of the boarders were satisfactory. Whenever there have been breaches of discipline, suitable action has been taken to enforce it. One out of nine boarders at Usilampatti passed the S.S.L.C. examination held in March 1951 while no one came out successful at Uthamapalayam Boarding home. Proposals for segregating the Senior students of Usilampatti home and housing them in the Kallar Warehouse and admitting 20 per cent of non-Kallar boarders

and abolishing the boarding house at Uthamapalayam and attaching the Kallar boarders to the District Board or private hostel are under consideration. There was no instance of breach of discipline among the boarders during the year.

Boarding grants.—Apart from the provision of free village schools and boarding houses, boarding grants at fixed monthly rates varying from Rs. 10 to Rs. 12 a month for each pupil were offered to 485 Kallar boys and 528 girls admitted in the several institutions under the mission management and other private agencies. The Kallar Common Fund committee has been maintaining a hostel for the Kallar boys reading in Board High School at Batlagundu. These boys were sanctioned boarding grants just as other boarders in the other institutions. The number of pupils receiving boarding grants in all such institutions is given below :—
