

MEDICAL DEPARTMENT

D. 152-G-2.

OFFICE OF THE DIRECTOR OF MEDICAL
SERVICES, MADRAS,
Dated 28th July 1952.

Dr. P. ARUNACHALAM, M.D., M.B.C.F., T.D.D. (Wales), D.M.R. (Lond.),
DIRECTOR OF MEDICAL SERVICES,
Madras.

THE SECRETARY TO GOVERNMENT,
HEALTH DEPARTMENT,
Madras.

[Reports—Civil Hospitals and Dispensaries—Annual Report for 1951.]

submit herewith the annual report on the working of Civil Hospitals and Dispensaries in the Madras State for the year 1951.

Dr. J. C. David, M.B.B.S., F.R.C.S., held the post of Surgeon-General with the Government of Madras from the commencement of the year till 27th April 1951. After his departure, the designation of "Surgeon-General with the Government of Madras" was changed to "Director of Medical Services" and that of the "Deputy Surgeon-General" to "Deputy Director of Medical Services". Dr. K. Vasudeva Iyer, M.B.B.S., F.R.C.S., T.D.D., took charge of the office of the Director of Medical Services on 28th April 1951 and continued to hold the appointment till his retirement on 10th November 1951. Dr. P. Arunachalam, M.D., M.B.C.F., D.M.R., assumed charge of the post of the Director of Medical Services, Madras, on 10th November 1951 and continued to hold the post till the end of the year 1951.

Office of the Deputy Director of Medical Services.—The post of Deputy Surgeon-General was held by Dr. K. Vasudeva Iyer till 27th April 1951 and Dr. P. Arunachalam held him as the Deputy Director of Medical Services. Dr. V. Ramanamurthi, M.B.B.S., F.R.C.S. (Edin.), took over as Deputy Director of Medical Services on 10th November 1951 afternoon.

Madras Medical Service.—For the first time in the history of this State four Women Assistant Surgeons were appointed and posted as District Medical Officers. The posts of Civil Assistant Surgeons (Class I and II) have been unified on a scale of Rs. 150—25/2—400, medical posts being started on Rs. 200. This completes the process consequent on the abolition of the L.M.P. course and the complete abolition of distinction between Sub-divisional Surgeons and Assistant Surgeons which has been a source of many a grievance among the licentiates of the State. The post of Civil Surgeon at Narapattinam was converted into that of an Assistant Surgeon and the post of Assistant Surgeon at the Government Wellesley Pulosis Sanatorium, Bellary, was raised to that of a Surgeon. The Government have appointed 70 temporary Assistant Surgeons under emergency provisions as there was no regular selection of candidates by the Madras Service Commission.

Deputations.—As in the previous years, candidates selected by the Government for undergoing postgraduate courses in India and abroad. One candidate was deputed to the United Kingdom on deputation terms and four others were granted study leave for undergoing postgraduate courses abroad. The Assistant Surgeons were deputed to the United States of America and United Kingdom under the Rockefeller Foundation Fellowship, while two candidates were deputed under the Commonwealth Technical Co-operative Scheme to Canada. The Government have sanctioned study leave to medical officers for undergoing postgraduate training in India. In view of the acute shortage of medical officers trained in Radiology, four Assistant Surgeons have been deputed to the Barnard Institute of Radiology, London, for one year to undergo the D.M.R. course. The Government have issued orders to extend the duration of the course by three months to enable the medical officers to get proper training in Cancer treatment.

6. **Honorary Medical Officers.**—The honorary system has been very popular during the year under report. Five posts of Honorary Medical Officers and thirty-five posts of Honorary Assistant Medical Officers were sanctioned during the year. There were 38 Honorary Surgeons and Physicians and 280 Honorary Assistant Medical Officers working in the various institutions of this State during the year. Besides, there were six Honorary Consultants whose valuable services were utilized as and when necessary.

7. **House Surgeons and House Physicians.**—During the year, three posts of paid House Surgeons and 21 posts of unpaid House Surgeons were sanctioned. The rules regulating the selection and appointment of House Surgeons in Government institutions were revised.

8. **Lay Secretaries and Treasurers.**—As amendments to the rules governing the recruitment to the post of Lay Secretaries and Treasurers were not issued, regular selection of candidates could not be made during the year under report.

9. **Nursing staff.**—(i) The discrimination on the grounds of sex for purposes of designation, etc., in the nursing services was removed. The designation of the various grades of nursing staff was changed as follows:—

Old designation.	Revised designation.
Matrons	Nursing Superintendents.
Sister tutors	Nursing tutors.
Ward sisters	Head nurses.
Midwives	Maternity assistants.

During the year, 4 additional posts of Nursing Superintendents, 10 Head nurses and 71 nurses were sanctioned to the various institutions consequent on the increase of bed-strength and also due to the normal increase of work in the hospitals. In modification of previous orders, the Government issued orders that the nurses, on their successful completion of training, need be posted for contract duty for six months only to the extent necessary, subject to the availability of vacancies.

(ii) **Nursing education.**—The period of training in the Central Preliminary Training School for nurse pupils was reduced from 6 months to 3 months. With a view to afford facilities to all students recruited for training in General Sick Nursing to get the benefit of the preliminary training in the school, it was decided to train them in two batches.

The training given to men nurse pupils in the Venereal Diseases and Genito-Urinary Departments of the General Hospitals will henceforth be included in the three years' basic training in General Nursing. Instead of the present three months' training in Mental Hospitals, the men nurse pupils will be given training in Psychiatry for six months after the successful completion of three years and an examination will be held in that subject at the end.

10. **Medical education.**—The total number of admissions to the medical colleges in this State was 330 and twenty students were admitted to the Condensed M.B.B.S. Course. To regulate admissions to the M.B.B.S. Course in the medical colleges on the basis of merit with provision for reservation for Backward communities, the Government issued a new set of rules. The Sanitary Inspector's Course

was instituted in the Andhra Medical College, Visakhapatnam during the year with provision for the admission of 100 students. The reorganization of the libraries of the Medical Colleges with qualified Librarians and staff and provision for the purchase of fresh books was approved by Government during the year under report. The research on Indigenous Drugs of India with the grant from the Indian Council of Agricultural Research in the Madras Medical College was closed down on 31st March 1951 and the articles of research were transferred to the Veterinary Research Institute, Mukteshwar.

The Government sanctioned an increased admission of 15 students for the B. Pharmacy Course.

The construction of new buildings for the Guntur and Madurai Medical Colleges were sanctioned by Government in G.O. Nos. 3188 and 3189, Health, dated 15th September 1951.

11. *Compounders.*—The work in connection with the compounder's examination so far done by the Deputy Chairman, Board of Examiners, Madras Medical College, was transferred to the Drugs Controller and Chairman, Board of Examiners for compounders, during the year. At the beginning of the year there were only 25 training centres for compounders. The Headquarters Hospitals at Palayamkottai, Ramanathapuram, Chittoor and Cuddalore were also recognized as training centres for compounders during the year under report. Five stipends for the training of compounders are provided in each of the training centres. The total number of centres for the training of compounders at the end of the year was 29.

12. *Provincialization of hospitals and dispensaries.*—The undermentioned local fund medical institutions were provincialized during 1951—

- (1) Local Fund Hospital, Karkal, South Kanara district.
- (2) Local Fund Hospital, Chengam, North Arcot district.
- (3) Local Fund Hospital Badagara, Malabar district.
- (4) Local Fund Hospital, Gooty, Anantapur district.
- (5) Local Fund Dispensary, Mudukulathur, Ramanathapuram district.
- (6) The Maharaja's Hospital, Vizianagaram.
- (7) The Maharaja's Hospital, Vizianagaram.

Though the Local Fund Hospital at Kovur was ordered to be provincialized along with the above-mentioned institutions, it has not been taken over by Government yet. The question of provincialising the Local Fund Hospital at Allur is being considered by Government in place of the Local Fund Hospital, Kovur.

13. *Increase of bed-strength of hospitals.*—On account of demand for admission in Government Medical Institutions over and above the sanctioned bed-strength, the bed-strength of the following Government medical institutions have been raised during the year:—

	From	To
1. Government Hospital for Women and Children, Madras.	338	386
2. Government Hospital, Madanapalle.	28	40
3. Government Headquarters Hospital, Ramanathapuram.	70	100
4. Government Headquarters Hospital, Nellore.	88	120
5. Lady Gocharan Hospital, Mangalore.	80	120
6. Erskine Hospital, Madurai.	580	668
7. Government Hospital, Nagapattinam.	86	120
8. Headquarters Hospital, Machilipatnam.	172	206
9. Government Hospital, Attur.	12	24
10. Do. Krishnagiri.	11	30
11. Do. Cochin.	108	125
12. Do. Dindigul.	38	50
13. Do. Rajampet.	12	24
14. Government Hospital, Tiruvallur, fixed at 13.		

Proposals for the increase of the bed-strength of certain other hospitals and employment of additional staff are under consideration of Government as Part II Scheme for 1952-53.

14. *Buildings.*—Government General Hospital, Madras.—The construction of new nurses' home was completed and the same was occupied during the year under report. In order to provide additional beds in the Government

General Hospital, Madras, the Government sanctioned structural alterations to the second floor of the Government General Hospital hitherto occupied by nurses at an estimated cost of Rs. 3,10,000.

Government Hospital for Women and Children, Madras.—The two storeyed ward of 48 beds constructed from the donation of Rs. 62,000 offered by the Mother and Baby Week Committee has been completed and the electrification of the ward is in progress.

Work sanctioned under Post-War Scheme 100.—The new Headquarters Hospitals at Kozhikode and Tiruchirappalli have been occupied and the construction of the Headquarters Hospital at Eluru is in progress and is expected to be completed and occupied in the middle of 1953.

The construction of a maternity block in the new Headquarters Hospital, Tiruchirappalli, at an estimated cost of Rs. 4.5 lakhs is in progress.

King Institute, Guindy.—The Government sanctioned a sum of Rs. 73,200 for improving water-supply to the Government House and King Institute, Guindy.

During the year under report the Government have accepted the following donations:—

- (1) A maternity ward of 2 beds in the Government Headquarters Hospital, Anantapur, offered by Srimati Venkamma.
- (2) A maternity ward of 8 beds in the Government Hospital, Tiruchengode, at a cost not exceeding Rs. 20,000 offered by Sri V. V. C. R. Vaiyapuri Mudaliar.
- (3) Offer of a new building by Srimati Lakshmi Ammal for locating the Primary Centre at Vadakkancheri.
- (4) A maternity ward of 4 beds in the Government Hospital, Kavali, offered by Srimati Adeppala Pitchamma.
- (5) A maternity ward of 4 beds in the Government Hospital, Mayuram, at a cost of Rs. 12,000 offered by Sri T. Lakshmana Rao.
- (6) A maternity ward of 20 beds in the Government Pentland Hospital, Vellore, at a cost of Rs. 36,000 offered by the Madras Provincial Welfare Fund, North Arcot District Branch.
- (7) A maternity ward in the Headquarters Hospital, Tanjore, at a cost of Rs. 50,000 offered by the Rotary Club of Tanjore.
- (8) A Tuberculosis ward of 20 beds for families of Defence personnel in the Government Tuberculosis Sanatorium, Tambaram, offered by the Indian Air Force.
- (9) A Leprosy Clinic in the Headquarters Hospital, Coimbatore, at a cost of Rs. 7,350 and equipment at a cost of Rs. 2,408 offered by the Independence Day Fund.
- (10) A maternity ward of 8 beds in the Government Hospital, Vijayavada, at a cost of Rs. 30,000 and equipment at a cost of Rs. 2,000 offered by the Guild of Service, Vijayavada.
- (11) A maternity ward of 3 beds in the Government Hospital, Sivaganga, offered by Sri V. S. Arunachalam Chettiar.
- (12) Construction of a Tuberculosis ward of 14 beds in the Government Headquarters Hospital, Masulipatnam, at a cost of Rs. 18,000 offered by the Tuberculosis Association, Krishna District Branch.

Improvements to Taluk Headquarters Hospitals.—During the year under report, the Government have sanctioned the following improvements to Taluk Headquarters Hospitals:—

- (1) A maternity ward of 4 beds, an operation theatre and a kitchen in Government Hospital, Penukonda, at an approximate cost of Rs. 63,100.
- (2) A ward of 4 beds for septic labour cases and laying water pipes to the ward including electrification in Government Hospital, Tiruvannamalai, at an approximate cost of Rs. 87,000.
- (3) A maternity block in Government Hospital, Villupuram, at an approximate cost of Rs. 90,700.
- (4) Construction of an X-ray block in Government Hospital, Adoni, at an approximate cost of Rs. 21,000.
- (5) A small maternity ward, a general ward of 4 beds, a kitchen and an operation room in Government Hospital, Tirupati, at an approximate cost of Rs. 75,000.

(6) Construction of a maternity ward of 16 beds, improvements and special repairs to in-patient and out-patient block in Government Hospital, Tirupati, at an approximate cost of Rs. 1,57,650.

(7) Improvements to existing buildings, improvements to water-supply arrangements, construction of a ward of 12 beds and septic tanks and underground drainage and flush-out in Government Hospital, Udumalpet, at an approximate cost of Rs. 38,000.

(8) An eight bedded surgical ward in Government Hospital for Women and Children, Adoni, at an approximate cost of Rs. 39,000.

(9) Improvements and additions to Government Hospital, Rajampet, at an approximate cost of Rs. 20,000.

(10) Improvements to the Government Hospital, Amalapuram, at an approximate cost of Rs. 25,000.

(11) Acquisition and alienation of lands in Government Hospital, Narasapur, at an approximate cost of Rs. 35,000.

(12) Construction of additional ward in Government Hospital, Gurezala, at an approximate cost of Rs. 1,14,000.

(13) Leprosy clinic, improvements to operation theatre and in-patient wards, extensions to kitchen, improvements to bath rooms, construction of new latrines and a new well in Government Hospital, Puttur, at an approximate cost of Rs. 8,000.

(14) Construction of maternity ward in Government Hospital, Kasargod, at an approximate cost of Rs. 9,150.

(15) Acquisition of site and construction of room for Woman Medical Officer in Government Hospital, Guduvada, at an approximate cost of Rs. 15,000.

(16) An operation theatre, general ward, maternity ward, female ward, extension to existing dispensary and acquisition of land in Government dispensary at Kojikuntla at an approximate cost of Rs. 80,450.

(17) Extension of maternity section, etc., in Government Hospital, Kodaikanal, at an approximate cost of Rs. 25,000.

(18) Extension of out-patient dispensary and construction of nurses' quarters in Government Hospital, Dindigul, at an approximate cost of Rs. 29,100.

(19) Drainage and compound wall, improvements to post-mortem room and acquisition of land in Government Hospital, Cannanore, at an approximate cost of Rs. 3,915.

(20) Maternity ward, an operation theatre, a ward of five beds, corridors and leprosy shed in Government Hospital, Kanigiri, at an approximate estimate of Rs. 71,420.

(21) Minor improvements in Government Hospital, Coonoor, at an approximate cost of Rs. 7,000.

(22) Demolition of latrine and improvements to the infectious diseases shed in Government Hospital, Krishnagiri, at an approximate cost of Rs. 3,150.

(23) Construction of an operation theatre, maternity ward and general ward in Government Hospital, Aruppukottai, at a cost of Rs. 3,25,000.

(24) Improvements to the operation theatre and construction of a maternity ward in Government Hospital, Mayuram, at an approximate cost of Rs. 51,300.

(25) Maternity ward of 6 beds in Government Hospital, Tenkasi, at an approximate cost of Rs. 23,000.

(26) Acquisition of land, water-supply and drainage at Government Hospital, Perambalur,

(27) Acquisition of land, water-supply and drainage at Government Hospital, Lalgudi, at an approximate cost of Rs. 36,700.

(28) Acquisition of land, water-supply and drainage at Government Hospital, Karur,

(29) A maternity ward of eight beds and electrification of proposed new building in Government dispensary at Parvatipuram at an approximate cost of Rs. 33,000.

15. *Tuberculosis.*—The total number of patients treated for tuberculosis in the medical institutions in the Madras State was 170,922 as against 171,342 in the previous year. The Government have approved the proposals of the Director of Medical Services that the Tuberculosis Clinic at

the Headquarters Hospital, Bellary, be shifted to the Government Wellesley Tuberculosis Sanatorium, Bellary, and that the clinic at the headquarters hospital be utilized for accommodating emergency cases before they are transferred to the Sanatorium. The International Students' Ward in the Government Tuberculosis Sanatorium at Tambaram was opened on 7th December 1951 by the Hon'ble Raj Kumari Amrit Kaur, Minister for Health, Government of India. The Mahatma Gandhi memorial Tuberculosis Sanatorium, Sengipatti, Tanjore district, was also opened on 9th December 1951. The opening of a Tuberculosis Clinic by the Kozhikode Municipality in the building of the Municipal Dispensary, Koyipattodi, was approved by Government during the year under report. The offer of the Group Captain Commanding No. 2, Ground Training School, Indian Air Force Station, Tambaram, for the construction of two 20-bedded wards in the Tuberculosis Sanatorium, Tambaram, for families of Defence Services personnel was accepted by Government with thanks.

B.C.G. vaccination was continued in the Madras City by three teams (two financed by Government and one financed by the Corporation of Madras). The total number of cases tested during the year under report was 44,401 as against 22,335 in the previous year. Of the cases tested during 1951 21,530 were classified as positive. The total number of cases vaccinated up to 31st December 1951 was 25,543, of which 14,631 cases were vaccinated in 1951, as against 4,389 in 1950.

16. *Leprosy.*—The Government were running a Leprosy Survey and Nigh Segregation Unit at Polambakkam and this unit was closed as it was considered not necessary to maintain this unit on account of its heavy cost. The request of the Chingleput branch of the Hind Kush Nivaran Sangh to utilize the buildings and premises at Polambakkam to maintain a small leprosy sanatorium was permitted by the Government. The Government also permitted the payment of contribution not exceeding certain maximum limits laid down by the District Board and municipal councils in Chingleput district to the Hind Kush Nivaran Sangh, Chingleput district branch, towards the cost of maintenance of leprosy clinics run by the Sangh in the district. The proposal of the Director of medical Services for organizing the work of leprosy control in Tirukkoyilur area was approved and Sri T. N. Jagadisan was appointed as Honorary Organizer for Leprosy Control for Tirukkoyilur area for a period of three years. The headquarters of the District Survey Unit at Cuddalore was transferred to Tirukkoyilur and housed in the premises of the Local Fund Hospital Tirukkoyilur. The details of work of Leprosy Survey Unit at Tirukkoyilur will be decided by a committee of which the Collector of South Arcot is the Chairman under whose advice the Honorary Organizer of Leprosy Control in Tirukkoyilur area will develop and direct the activities of the Unit. The organization of Leprosy Prevention and Relief Work in Tirumangalam firkha in Madurai district and Gara firkha in Visakhapatnam district were sanctioned during the year under report. The Government sanctioned the payment during 1951-52 of a half grant of Rs. 35,800 to the authorities of the St. Joseph's Leprosy Home, Tuticorin, towards the construction of buildings of the Home. In a recent issue of the "Leprosy Review, London", credit was given to the Madras State as being more progressive in its outlook in leprosy than any other part of the world.

17. *Rural Medical Scheme.*—The response from qualified medical men to take up appointments under the rural medical scheme continued to be poor during the year 1951 also. Consequently, 58 dispensaries of modern medicine remained closed during 1951 and eight subsidized rural dispensaries of modern medicine were converted into those of indigenous medicine. Government had, however, sanctioned the opening of 24 (12 of modern medicine and 12 of indigenous medicine), subsidized rural dispensaries and 2 non-subsidized dispensaries during the year under report. To obviate the difficulty in securing qualified medical men for appointment under the rural medical scheme, the question of introducing a time scale

pay of Rs. 80-4-100 per mensem in lieu of the present subsidy is under the consideration of Government. This will, it is hoped, offer sufficient inducement to medical practitioners of modern medicine to settle down in villages. As all distinctions regarding sex for purposes of appointment have been removed, women medical practitioners are also eligible to be appointed as practitioners under the Rural Medical Scheme.

18. *Primary Centres.*—The Government sanctioned the opening of 30 Primary Health Centres in 1948-49 and 23 of the Primary Centres were working during the year under report. The opening of Primary Health Centres sanctioned in subsequent years were ordered to be held in abeyance for financial reasons. The working of the Primary Centres was reviewed by Government in 1951 and orders were issued with a view to improve the working of the Centres. In order to improve the working of the Centres further it was proposed to Government that ambulance vans should be attached to these Centres so that the medical officer-in-charge of the Primary Centres might go round in the afternoons, visit people in their homes and thus conduct health surveys within a radius of five miles, render medical relief where needed and bring cases to the centre if necessary. The question of attaching an ambulance van to certain Primary Centres is under the consideration of Government.

19. *Blood Bank.*—During this year, the Government sanctioned the opening of an additional blood bank in the Government Headquarters Hospital, Ootacamund, thus bringing the total number of blood banks sanctioned for the Government Hospitals in this State to eighteen, excluding the Blood Bank at the King Institute, Guindy. The intention was to send the surplus blood collected in that blood bank after meeting the requirements of the hospital to the nearest plasma centre at Pasteur Institute, Coonoor, for being processed into plasma and thereby to augment the existing stock of plasma for which there is always a heavy demand.

Blood bank stalls were opened in the following exhibitions and conferences and extensive propaganda made on the immense value of blood transfusion as a life-saving measure and the comparative harmlessness of blood donations.

- (1) All-India Swadeshi Art and Industrial Exhibition, Kumbakonam.
- (2) The XVII Andhra Provincial Medical Conference.
- (3) The Second National Annual Exhibition, Tirunelveli.
- (4) The Park Fair Exhibition, Madras.

Twenty-one Government Medical officers were trained during the year in the technique of blood transfusion and resuscitation. There were 10,375 blood donations and the total number of transfusions for the year was 7,075 (including 803 plasma transfusion).

20. *Eye Bank.*—The scheme for the supply of eyes of destitute patients dying in City Hospitals to the eye bank maintained in the Government Ophthalmic Hospital, Madras, has been sanctioned on a permanent basis. The Stanley Hospital has been excluded from the scheme as the eyes of the destitute patients of that hospital were utilized in the Ophthalmic department of that hospital.

21. *X-ray and Radium.*—The Government sanctioned the reconditioning of the three deep X-ray therapy apparatus in the Barnard Institute of Radiology at a cost of Rs. 1,50,000. The remaining of 21 radium needles of King George Hospital, Visakhapatnam at the Chemical Service Company, London at a cost of £ 278 was also sanctioned during the year.

22. *Administration of Drugs Act in the State.*—One thousand and eighty-two new licences in Form No. 20 and 617 new licences in Form No. 21 were issued during the year under report while 1,498 licences in Form No. 20 and 683 licences in Form No. 21 were renewed. Sixty-nine licences in Form No. 25 (for the manufacture of drugs other than biological and special products) and 7 licences in Form No. 28 (for the manufacture of biological and special products) were issued to the manufacturing concerns. Forty-five renewal certificates for manufacture of drugs in Form No. 26 were granted.

One hundred and eleven shops licenced.

Drugs Rules, 1945 and 108 manufacturers under Madras inspected in the City of Madras by the concerns were Director of Medical Services (Drugs). One assistant to the hundred and sixty-six concerned were inspected and two mufassal by the District Medical Officers. In the Assistant Surgeons, Classes I and II in their capacity as Civil office inspectors of Sales concerns. Out of 84 samples taken and sent to Government Analyst (Drugs), King Institute, Guindy, for analysis, 45 samples were found of standard quality and 39 were found to be of non-standard quality. Out of 512 candidates called for interview, 231 have been approved as qualified persons under Rule 65 (15) (c) of the Madras Drugs Rules, 1945.

23. *Pharmacy Act.*—The work of first registration was almost complete by the end of the year 1951. The publication of the first register of Pharmacists and the constitution of appellate authority to hear appeals in respect of first registration were impending at the close of the year 1951.

24. *Dentist Act.*—The Government dissolved the Dentists Registration Tribunal and constituted the Madras Dental Council with Lt.-Col. S. Sangam Lal as the first Chairman. The chairman was charged with the duty of conducting the first elections to the first State Dental Council. The Government also sanctioned grants for the expenditure towards election. The first election was in progress and is expected to be completed shortly.

STATISTICS.

25. *Statement A.*—The statement gives the classification of medical institutions into six different classes, viz., State-Public, State-Special, Local Fund and Municipal Private-aided, Private-Non-aided and subsidised Rural Dispensaries. At the commencement of the year, there were 1,221 medical institutions of all classes and at the end of the year there were 1,232 institutions. Eighteen medical institutions were opened during the year of which two were State-Public, 9 Local Fund and Municipal, two Private-aided and 5 Subsidised Rural Dispensaries.

Statement B.—This statement shows the distribution of medical personnel at the headquarters of the State and at the District Headquarters and other urban areas. The number of graduates in service (Civil Surgeons and Civil Assistant Surgeons, Classes I and Licentiates in Service, Class I) during the year under report was 1,023 and 434 respectively. The Civil Assistant Surgeons, Classes I and II have now been unified. The number of Honorary Medical Officers (Graduates and Licentiates) were 317 and 33 respectively while the number of medical officers under 'other categories' comes to 423.

The number of non-medical staff was as follows:—

Nurses	1,870
Midwives	993
Nursing orderlies	2,951
Dhais	68
Technicians	111
Dispensars	1,492
Ministerial staff	550

Statement C.—This statement gives the total number of in-door and out-door patients treated in the various medical institutions in the State. The total number of beds available in the medical institutions for both sexes in the year 1951 was 21,392 as compared with 21,339 beds in 1950. The total number of beds for women alone was 9,898 in 1951 as against 9,876 in 1950. The total number of in-door patients treated during the year was 813,252 as compared to 679,434 in 1950. The total number of out-door patients during the year was 21,07,013 (males 8,983,349, females 6,321,666 and children 5,774,038) as compared to 20,884,523 (3,990,814 males, 5,990,197 females and 5,903,512 children) treated in 1950. The number of deaths in the institutions during 1951 was 29,683 as compared to 29,412 in 1950.

Statement D.—This statement gives the geographical distribution of diseases treated in all classes of medical institutions. Among the various diseases treated in the institutions during the year those which accounted for the largest number of patients are shown below:—

Disease.	Number of patients.
1. Disease of the digestive system excluding Dysentery, Diarrhoea and tumours.	2,858,282
2. Tuberculosis	170,922
3. Syphilis	274,617
4. Gonococcal infection	181,006
5. Diseases of the respiratory system excluding pneumonia and tuberculosis	2,058,706
6. Diseases of the eye	1,358,788
7. Malaria	1,191,406
8. Influenza	705,249
9. Dysentery	706,925
10. Other parasitic and infectious diseases	691,225

Labour cases.—During the year 1951 the number of labour cases conducted was 196,257 (135,243 normal and 61,014 abnormal) as compared with 193,510 (134,522 normal and 58,988 abnormal) in 1950.

Statement E.—This statement gives the surgical operations performed in the State Public, Local Fund and Private-aided hospitals in the State. The number of operations performed in the medical institutions of all classes during the year was 705,932 of which 681,303 were principal and 24,629 were secondary as compared with 700,702 (676,000 principal and 24,702 secondary) in 1950. The total number of deaths among the patients operated during the year 1951 was 1,567 as compared with 2,087 in 1950. The percentage of deaths to total operations performed was 0.22 in 1951 and 0.29 in 1950.

Statement F—Financial.—The cash balance at the commencement of the year was Rs. 4,49,532. The total receipts under the various heads such as contributions from Government, Local Bodies, fees recovered from patients, Charitable Collections and other miscellaneous recoveries amounted to Rs. 3,37,23,684 as compared to Rs. 2,95,55,814 in 1950. The total expenditure under the various heads such as salaries to staff, medicines, diet charges, buildings, apparatus and other miscellaneous items of expenditure amounted to Rs. 3,34,90,721 during 1951 as compared to Rs. 2,93,50,633 during 1950.

Statement G.—The amount of invested capital at the commencement of the year was Rs. 13,25,499. The amount invested during the year was Rs. 13,851 and the amount withdrawn during the year was Rs. 420. The balance at the end of the year was Rs. 13,38,935.

26. *Medical Lending Libraries.*—The District Lending Libraries had 1,245 members at the beginning of the year

and 1,233 at the close of the year. The number of books available at the end of the year was 10,283 as compared with 10,367 in 1950. The receipts during the year amounted to Rs. 34,667. The cash balance at the close of the year was Rs. 2,867-15-6 as compared to Rs. 26,512-12-8 in 1950.

27. *Hospital Advisory Committees.*—The Advisory Committees of the State Medical Institutions in Madras City, District Headquarters and other mufassal stations continued to do useful work during the year. The vacancies caused by the expiry of the terms of office of the non-official members were filled by nominating either public spirited persons or elected legislators.

28. *Inspectors.*—The inspection of medical institutions in each district was carried out regularly and satisfactorily by the respective District Medical Officers and annual verification of the Service Registers and the verification of stock registers were also carried out as usual. The Assistant to the Director of Medical Services (Accounts) inspected the accounts of twelve District Headquarters Hospitals, eight City State Hospitals and 25 Taluk Headquarters Hospitals. The Director of Medical Services and the Deputy Director of Medical Services made inspection of the various Medical Institutions in the State during the year.

29. *Guild of Service.*—The volunteer workers of the Guild of Service (Central) Seva Samajam visited every week the Kasturba Gandhi Hospital for Women and Children; the Stanley Hospital; the Raja Sir Ramaswamy Mudaliar's Lying-in Hospital; the Government Hospital for Women and Children and the Government General Hospital and other hospitals in the City of Madras and also the Tuberculosis Sanatorium and the ex-patients' Colony at Tambaram. The Guild of Service donated books through CARE to Hospitals and presented a Foam and Electric Bath at a cost of Rs. 5,000 to the Stanley Hospital for children suffering from Infantile Paralysis. Our thanks are due to the various activities of the Guild of Service in the shape of donation of books, for arranging the film shows through the kind officers of the United States Information Service and the British Information Services in the Kasturba Gandhi Hospital for Women and Children; Government Hospital for Women and Children and Stanley Hospital, Madras, and for their diversional therapy activities in some of the hospitals.

30. *General.*—The administration of all Hospitals and Dispensaries in the State was carried out efficiently by the respective District Medical Officers and Civil Surgeons and I would like to place on record my appreciation of the manner in which the administration of the Hospitals was carried out during the year under report.

Yours faithfully,
P. ARUNACHALAM,
Director of Medical Services.

HEALTH DEPARTMENT

G.O. No. 1110, 26th March 1953

Report—Civil Hospitals and Dispensaries of Modern Medicine—Annual Report for 1951—Reviewed.

READ—the following papers:—

From the Director of Medical Services, dated 28th July 1952, P. No. 152-G2.

From the Director of Medical Services, dated 25th February 1953, P. No. 152-G2.

Order—No. 1110, Health, dated 26th March 1953.

Recorded.

2. *Medical Relief.*—The total number of medical institutions of all classes in the State increased from 1,221 to 1,232 during the year. The number of beds available for both sexes increased from 21,339 to 21,392 and the number of in-patients treated also rose from 679,434 to 813,252. There were 29,683 deaths in the medical institutions during the year as against 29,412 in the previous year. The total number of operations performed during the year increased from 700,702 to 705,932 and the percentage of deaths to the total number of operations performed was 0.22 during the year as against 0.29 in 1950. The number of labour cases conducted in all classes of hospitals and dispensaries increased from 193,510 to 196,257.

Seven medical institutions (five Local Fund and two Private) were provincialised during the year.

3. *Tuberculosis.*—The B.C.G. vaccination scheme initiated in the Madras City was vigorously continued during the year. The International Students Ward in the Government T.B. Sanatorium, Tambaram, was opened. The Mahatma Gandhi Memorial T.B. Sanatorium at Sengipatti, Tanjore district, was also opened. The Government accepted during the year, the offer of Group Captain Commanding No. 2, Ground Training School, I.A.F. Station, Tambaram, for the construction of two 20 bedded wards at the T.B. Sanatorium, Tambaram, for families of Defence Services personnel.

4. *Leprosy.*—The Leprosy Survey and Night Segregation Unit run by the Government at Polambakkam, was closed during the year and the Hind Kusht Nivaran Sangh was permitted to maintain in the premises, a small leprosy Sanatorium. A scheme for the control of leprosy in the Tirukoilur area (South Arcot district) was approved and the headquarters of the District Survey Unit at Cuddalore was also transferred to Tirukoilur. A half-grant was sanctioned for payment to the authorities of the St. Joseph's Leprosy Home, Tuticorin, Tirunelveli district, towards the construction of buildings for the Hon. There was much progress in leprosy work in the State during the year.

5. *Blood Bank.*—The Blood Bank organizations took part in the various exhibitions conducted in the State during the year. A blood bank unit in the Government Headquarters Hospital, Ootacamund, was sanctioned and the total number of Blood Banks in the Government Hospitals in the State was increased to eighteen excluding ten Blood Banks in the King Institute, Guindy.

6. *Eye Bank.*—The temporary scheme for the supply of eyes of destitute patients dying in City State Hospitals to the Eye Bank at the Government Ophthalmic Hospital, Madras, was made permanent.

7. *Veneral Diseases.*—The total number of patients treated in 1951 was 455,623 as against 444,174 in 1950. The scheme for the upgrading of the Venereal Diseases Department of the Government General Hospital, Madras, for purposes of post-graduate education and research was sanctioned during the year. The question of expanding the existing facilities for the treatment of Venereal Diseases in the District Headquarters Hospitals was under consideration.

8. *Cancer.*—The question of giving effect to the decision of the Government for the decentralization of the treatment of Cancer cases in the State, was under consideration. The proposal for the establishment of a separate and self-contained Cancer Hospital in the City had to be deferred in view of the prohibitive cost involved therein.

9. *Rural Medical Relief.*—The opening of 24 subsidized rural dispensaries (12 of modern medicine and 12 of indigenous medicine) and 2 non-subsidized dispensaries was sanctioned during the year. The difficulty of recruiting medical personnel for the rural dispensaries continued to exist during the year.

10. *X-Ray.*—Facilities for the treatment of X-Ray cases in the Barnard Institute of Radiology, Government General Hospital, Madras, and in the King George Hospital, Visakhapatnam, were improved during the year.

11. *Drugs Act and Drugs Rules.*—Drugs manufacturing concerns were inspected as usual and samples of drugs tested as to their standard specifications.

12. *Medical Services.*—On account of the constitutional changes Women Assistant Surgeons were for the first time promoted as Civil Surgeons and posted as District Medical Officers. The cadres of Civil Assistant Surgeons (Classes I and II) were unified into a single gazetted cadre of Assistant Surgeons on a time-scale of pay of Rs. 150—25/2—400, medical graduates being started on Rs. 200. There was no regular selection by the Madras Public Service Commission during the year of candidates for the Assistant Surgeons' posts and hence the required number of candidates to fill up the vacancies had to be recruited on a temporary basis.

13. *Honorary Medical Officers.*—Five posts of Honorary Medical Officers and 35 posts of Honorary Assistant

Medical Officers were sanctioned during the year. The honorary system continued to be popular.

14. *Nursing Staff*.—During the year, four additional posts of Nursing Superintendents, ten Head Nurses and 71 Nurses were sanctioned. The nurses on their successful completion of training were allowed to be posted on contract duty for six months only to the extent necessary subject to the availability of vacancies. The training programme for the male and female nurse-pupils was suitably changed to obtain all-round efficiency.

15. *Medical Education*.—On account of the Constitution of India and judicial decisions, rules to regulate admissions to the M.B.B.S. course in the Medical Colleges on the basis of merit with provision for reservation of seats for backward communities were issued. The Sanitary Inspector's course with provision for admission of 100 students was organized in the Andhra Medical College, Visakhapatnam. Increased admission of 15 students to the B. Pharmacy course was sanctioned during the year. Proposals for the reorganization of Medical College Libraries were also approved during the year.

16. *Post-War Schemes*.—The construction of the new buildings for the Guntur and Madurai Medical Colleges were sanctioned during the year. The construction of a new Headquarters Hospital at Eluru and a maternity

block in the new Headquarters Hospital, Tiruchirappalli was in progress. The new buildings for the Headquarters Hospitals at Kozhikode and Tiruchirappalli and the Nurses' Home, Government General Hospital, Madras were completed and occupied during the year.

17. *Buildings*.—A number of donations for the various mufassal hospitals were accepted during the year under report. Various improvements to the Taluk Headquarters Hospitals were also sanctioned. A scheme for the structural alterations to the second floor of the Government General Hospital, Madras, with a view to put up additional beds in the hospital was approved during the year. The Mother and Baby Ward of 48 beds in the Government Hospital for Women and Children, Madras, constructed with a donation of Rs. 62,000, was completed and the electrification of the ward was in progress. A scheme for the improvements to the water-supply system in the King Institute, Guindy, was sanctioned during the year.

18. *Advisory Committees*.—The Advisory Committees of the various hospitals continued to do useful work.

19. *General*.—Medical relief facilities in the State during the year were expanded with due regard to the financial position of the Government. The administration of hospitals and dispensaries during the year was, on the whole, satisfactory.

(By order of the Governor)

S. R. KAIWAR,
