REPORT ON THE WORKING OF THE PAYMENT OF WAGES ACT IN THE STATE OF MADRAS FOR THE YEAR 1951.

Extent and application.—The provisions of the Payment of Wages Act, 1936, are applicable to all factories covered by the Factories Act, 1948, under sections 2 (m) (i) and (ii) and also to non-power factories employing between ten and nineteen persons notified under section 85 (1) of the Factories Act, 1948. The Act also applies to tramways, omnibus services and plantations in this State.

Annual returns.—Annual return forms were sent to 11,883 factories covered by the Act to enable them to submit the returns but only 7,028 factories submitted the returns in time. Four thousand eight hundred and forty-five factories failed to submit the return and 177 factories did not work during the year under review. Therefore, particulars are available only in respect of 59 per cent of the factories covered by the Act. Most of the factories which failed to send the return were brought within the purview of the Act only late in the year. Action is being taken against the managers of factories who failed to submit the returns without a reasonable cause.

Wages.—The average number of persons employed during the year in all factories from which returns were received in time was 381,482 and in the other industrial establishments 29,560 comprising of 1,711 in tramways, 22,949 in plantations and 4,900 in omnibus concerns. The total amount of wages paid in those establishments in the year, including deductions under clauses (d) to (j) of sub-section (2) of section 7 of the Act was Rs. 20,21,77,455-4-7 in factories, Rs. 20,02,712-8-9 in tramways, Rs. 81,24,993-9-5 in plantations and Rs. 30,46,246-14-11 in Motor Omnibus concerns, amounting to an average earnings of Rs. 44-2-9, Rs. 97-8-9, Rs. 27-12-6 and Rs. 51-12-1 per month per worker, respectively. In some cases, wages paid to the workers include the money value of concessions given in kind and benefits given in cash. Full details classified according to industries are given in Return I appended to this report.

Inspections.—As usual inspections under this Act were made along with the inspections under the Factories Act. Special visits were also made by Inspectors of Factories in some cases to enquire into complaints of non-payment of wages or illegal deductions from the wages of workers.

Payment of wages.—Provisions of section 5 of the Act were generally complied with. In case of delayed payment of wages, paymasters were warned and directed to observe the provisions of the Act strictly. In other cases, the parties concerned were advised to apply to the authority for a direction under section 15 (3) of the Act. Details are given in Return II.

Wage period.—The provisions of section 4 of the Act were complied with in almost all cases. In cases where the wages were not paid on the dates prescribed, the attention of the paymasters was drawn to the provisions of the Act for compliance.

Deduction from wages.—Deductions from wages of workers made under clauses (e), (i) and (j) of sub-section (2) of section 7 of the Act were all authorized and were in accordance with the provisions of the Act. A sum of Rs. 58,313-3-10 was deducted from the wages of workers as detailed below.
