PRIME MINISTER NEHRU AND CHIEF MINISTER KAMARAJ AT THE STATE BROADCASTING DEPARTMENT IN THE ALL-INDIA KHADI AND SWADESI EXHIBITION, MADRAS, JANUARY 1955.

ADMINISTRATION REPORT OF THE STATE BROADCASTING DEPARTMENT FOR THE YEAR 1954-55.

I. *Introduction.*—(1) (a) The office continues to be in the Chepauk P.W.D. buildings in a separate block. Additional accommodation was found by way of acquiring some space with buildings from the compound of the Principal's quarters of the Presidency College and improving one old stable and constructing one temporary store shed.

(b) The stores that are to be allocated between the Andhra and the Madras States have been frozen and the matter regarding their division on a proper ratio is still under correspondence.

(2) After the partition, 4 additional service stations were opened consequent on the installation of a number of sets in the field, thus raising the number of service stations from 54 to 58. Thirty of these service stations have been made permanent.

(3) The loudspeaker equipment in the Rajaji Hall, the radio receivers in the Government House, in the office and residence of the Director of Information and Publicity and in the Legislators' Hostel, etc., continued to be under the maintenance of this department.

The sound reinforcement equipment installed in the New Madras Legislative Assembly and also maintained by this department functioned properly. Experiments on improving their acoustics were conducted successfully and arrangements are under way to incorporate the improvements.

(4) The outstanding and noteworthy function is that of the All-India Congress Session at Avadi for which this department arranged the system of loudspeaker columns.

(5) This department took part in the Congress Exhibition at Madras.

(6) Under research, the manufacture of loudspeakers was suspended, but the work of development of high quality amplifiers was undertaken.

(7) The seven propaganda vans of Prohibition Department and two district board vans of Tanjore with all their equipments were continued to be maintained by this department.

(8) The Prime Minister of India addressed public meetings at Chidambaram, Madras and Avadi Congress for which this department arranged loudspeakers. The Chief Minister and other Ministers of the State, and the Governor addressed several public meetings in the State through the Public Address System supervised or arranged by this department. Other functions were those of Chinese Cultural Delegation and Soviet Cultural Delegation for which this department arranged Public Address System. As the work and responsibility of maintaining Public Address System increased, the Government sanctioned the employment of special staff and purchase of additional equipment.

II. *Staff and establishment.*—(1) Sri M. N. Parthasarathy continued to be the

(2) The regular staff of this department, both permanent and temporary as it stood on 31st March 1955 excluding temporary staff for special schemes, etc., is shown below :—

Name of the post.	Permanent.	Temporary.	Total.
1 Radio Engineer	1	..	1
2 Assistant Radio Engineers	2	2	4
3 Junior Van Supervisors	..	2	2
4 Personal Assistant to Radio Engineer.	1	..	1
5 Radio Supervisors	29	36	65
6 Foreman	1	..	1
7 Mechanic	1	..	1
8 Draughtsman, III Grade	1	..	1
9 Fitter Mechanic	..	1	1
10 Battery Mechanic	..	1	1
11 Workshop Assistant	..	1	1
12 Store-keeper, I Grade	1	..	1
13 Store-keeper, II Grade	..	1	1
14 Store-keeper, III Grade	..	1	1
15 Research Assistant	..	1	1
16 Superintendent	1	..	1
17 Accountant	..	1	1
18 Head clerk	1	..	1
19 Upper Division Clerks	2	3	5
20 Lower Division Clerks	7	9	16
21 Steno-typist	1	..	1
22 Typists	2	2	4
23 Attenders	4	5	9
24 Peons	10	7	17
25 Battery Transport Peons	15	61	76
	<u>80</u>	<u>133</u>	<u>213</u>

In addition to the permanent and temporary establishment mentioned above, the following additional staff was sanctioned during the period under report :—

(i) In G.O. No. 1324, P.W., dated 12th April 1954, sanction was accorded to the appointment of one typist for each of the Assistant Radio Engineer's offices to cope with the increased work in fair copying.

(ii) In G.O. No. 1140, P.W., dated 1st April 1954, Government sanctioned the employment of one Technical Assistant on Rs. 150—200 and one attender in connection with the installation of Public Address Systems at public meetings addressed by high personages.

(iii) In G.O. No. 1224, P.W., dated 6th April 1954, sanction was accorded to the employment of the following staff for the purpose of assembling and the installation of the second batch of 600 sets during 1954-55 :—

Assistant Radio Engineer	1
Technical Assistants	2
Radio Supervisors	2
Lower Division Clerks	2
Typists	2
Peons	3
Store-keeper, III Grade	1

(iv) The special staff of one Assistant Radio Engineer, one Radio Supervisor, one lower division clerk and two peons to attend to Wire Broadcasting and special installations was continued under temporary sanctions.

(v) (a) The receipts and expenditure of the department from 1949-50 to the current year 1954-55, i.e., for six years are given below :—

Year.	Expenditure.		Actuals.	Receipts.
	Budget estimate.	Revised estimate.		
	RS.	RS.	RS.	RS.
1949-50 ..	5,35,300	5,72,800	6,06,217	3,91,771
1950-51 ..	6,16,000	7,11,600	7,50,280	6,27,015
1951-52 ..	7,28,200	9,94,400	10,01,953	7,13,981
1952-53 ..	8,99,000	11,74,650	11,21,840	4,05,275
1953-54 I half.	5,36,900	5,60,750	5,22,300	8,87,700
1953-54 II half.	2,21,500	2,92,800	2,49,500	2,37,000
1954-55 ..	6,66,100	8,08,700	7,65,608	2,09,194

(b) The Regional Assistant Radio Engineers continue (1) to countersign the travelling allowance bills of the non-gazetted staff working under them, (2) to countersign and pass contingent bills of their own offices and also of the subordinates working under them, (3) to draw the salary of all the establishments and to appoint peons and battery transport peons and grant them leave and transfer them from one place to another within their jurisdiction and impose penalties as per the powers vested in them.

(vi) (a) *Field work staff.*—The work load of the Tiruchirappalli Circle had become heavy and the question of formation of another circle with headquarters at Vellore now is under the consideration of the Government. The service stations of both the North Arcot and Chingleput districts continue to be under the direct control of the Radio Engineer. With the formation of a new circle, these service stations, together with those of South Arcot district will come under the jurisdiction of the new circle. Consequent on the installation of about 300 sets of the 600 sets under assembly, the jurisdiction of all the Radio Supervisors was overloaded in general necessitating the revision of jurisdiction on the basis of G.O. No. 3081, P.W., dated 18th July 1952, and creation of four additional service stations. This had to be done by closing up some of the old service stations and opening up of new ones. The following thirteen service stations were opened and nine service stations closed resulting in an increase of four service stations. The total number of service stations increased from 54 to 58.

New service stations opened.

- 1 Kancheepuram at Madras.
- 2 Polur at Vellore.
- 3 Kallakurichi at Tirukkoyilur.
- 4 Tiruvarur at Kumbakonam.
- 5 Kulittalai at Tiruchirappalli.
- 6 Melur at Madurai.
- 7 Sathur at Srivilliputhur.
- 8 Kolpatti at Srivilliputhur.
- 9 Sankarankoil at Tenkasi.
- 10 Gobichettipalayam I at Erodes.
- 11 Do. II Do.
- 12 Udumalpet at Coimbatore.
- 13 Tirur at Kozhikode.

Old service stations closed.

- 1 Vellore II at Vellore.
- 2 Villupuram at Cuddalore.
- 3 Dindigul II at Dindigul.
- 4 Madurai II at Madurai.
- 5 Srivilliputhur II at Srivilliputhur.
- 6 Tenkasi at Tenkasi.
- 7 Kozhikode II at Kozhikode.
- 8 Kozhikode III at Kozhikode.
- 9 Coimbatore South at Coimbatore.

A list of the 58 service stations and the circles to which they are attached as on 31st March 1955, is furnished in Appendix V. Thirty service stations have been made permanent and the allocation between the permanent and temporary is

(b) *Accommodation.*—(1) Some of the service stations which were located along with other service stations for want of accommodation were shifted to their respective places after securing suitable accommodation, as detailed below :—

Serial number.	Name of service station.	Shifted to	Date of shifting.
1	Attur at Salem	Attur	31st May 1954.
2	Rasipuram at Salem	Rasipuram	24th June 1954.
3	Tirukkoyilur at Cuddalore	Tirukkoyilur	7th July 1954.
4	Chidambaram at Cuddalore	Chidambaram	24th June 1954.
5	Tirunelveli II	Srivaikuntam	25th October 1954.
6	Perambalur at Tiruchirappalli	Ariyalur	8th December 1954.
7	Tirupattur at Vellore	Tirupattur (North Arcot district).	24th February 1955.

(2) The Assistant Radio Engineer's office, Madurai, has been shifted to a new building at Tallakulam on 21st April 1954.

(c) *Laboratory and workshops.*—In the laboratories of the Circle offices, major servicing of radio sets and amplifiers which are under departmental maintenance, repairs to petrol generators and battery charges which are in use at the various service stations, rewinding of transformers of various types, loudspeaker cones, triller units, chokes, etc., are being done.

(d) *Maintenance charges.*—During the year under report, there has been no change in the rate of maintenance charges recoverable from panchayat boards, private bodies, etc. As there are complaints from centres that the maintenance charges are heavy, the question of revising them on a more rational basis is under consideration.

(e) *Installation of radio sets.*—(i) During the period under review, the following sets were installed :—

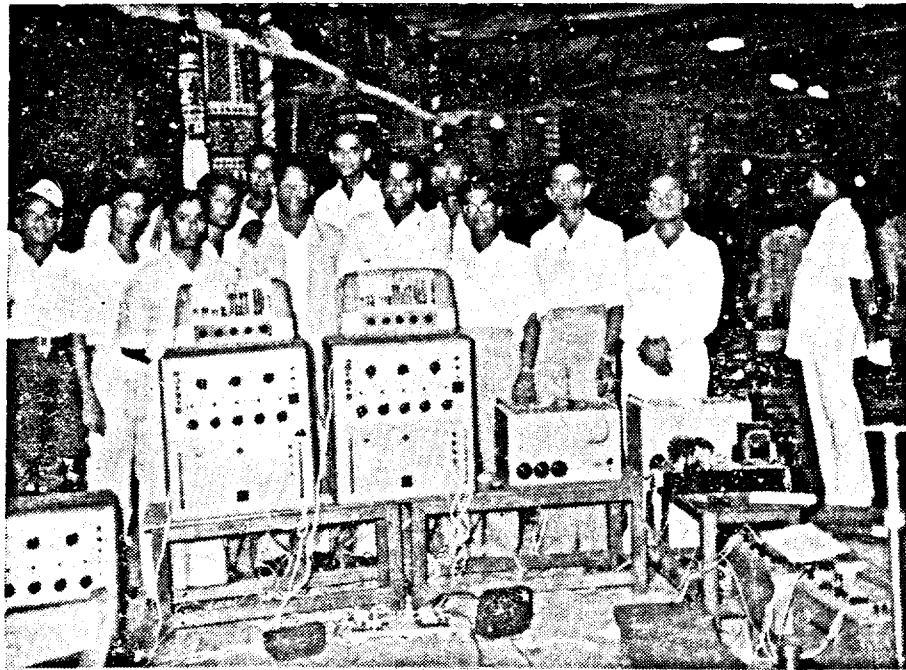

1	Rural sets (panchayat boards)	184
2	Municipalities	2
3	Private and Government institutions	9
4	Schools	32
5	Wire Broadcasting Systems	2
Total ..		229

(ii) *Audio-visual Education.*—Under the III scheme of installation of sets under Audio-Visual Education Scheme, as many as 36 sets were installed.

(iii) *Adult Education.*—The Government in their Memorandum No. 31963-RDP/54-3, dated 17th November 1954, have approved the list of Adult Education Centres where sets are proposed to be installed. The sets will be installed in the course of the current year.

(f) *Programme.*—(i) *Transmission and planning.*—The planning of the rural programmes continues to be entirely in the hands of All-India Radio Station Directors.

(ii) *Tuning, arresting and working hours of sets.*—There has been no change in the working hours of rural, battery-operated and mains sets. As in the previous years the rural sets in the Nilgiris, Kodaikanal Hills, Malabar and South Kanara districts were continued to be tuned to any of All-India Radio Stations that is well received during the rural programme hours, owing to poor reception conditions in these areas. The intention of arresting and tuning of sets to

THE EQUIPMENT USED AND STAFF ENGAGED AT AVADI DURING THE SESSION OF THE INDIAN NATIONAL CONGRESS, JANUARY 1955.

THE CHIEF ENGINEERS, P.W.D., EXAMINING AN EXHIBITION AT TEYNAMPET.

particular station is that the rural folk should take advantage of the special programmes in the evenings broadcast for them on matters of particular interest to them.

(g) This department continued to maintain the Governor's Public Address equipment for providing loudspeaker arrangements on public functions presided over by high personages. In addition to the existing equipment, the Government in G.O. No. 1140, P.W., dated 1st April 1954, sanctioned the purchase of 11 additional amplifiers and other equipment required in connection with the installation of Public Address Systems at public meetings addressed by high personages of the State Government, the Union Government, and other Governments at a cost not exceeding Rs. 36,500. They also sanctioned in the same Government Order the employment of one technical assistant and one attender. The staff was employed in April 1954. There were 83 public functions presided over by High Personages during which public address systems were installed or inspected by this department during the period under report.

(vii) *Avadi Congress.*—The outstanding event in the history of this department during the year under report is its participation in the Sixtieth Session of the Indian National Congress held at Avadi from 17th to 24th January 1955. This department was entrusted with the task of making loud-speaker and Public Address System arrangements for the open session as well as for the Working Committee and other Conferences held at different places at Avadi. Inter-communication systems were also installed connecting the kitchens and the various dining halls which drew the appreciation of everybody as having been of much help in catering food to the thousands of delegates and volunteers in the camps without difficulty and delay.

(viii) *Congress Exhibition.*—After a lapse of three years this department again participated in the Congress Exhibition held in the Teynampet Congress Grounds.

(ix) *New Assembly Hall and Council Hall sound equipment.*—The sound reinforcement equipments installed in the New Legislative Hall during 1951-52 and maintained by this department functioned well. During the year under report the power amplifiers were serviced off season. The shorted cables through ducts in the Legislative Assembly were replaced. As there was nuisance of rats in the ducts, sufficient protection has since been made by providing wire nets, etc. The question of improving the acoustics in the Assembly Hall is under consideration. In the Legislative Council Hall microphone connections were fitted to four seaters in place of three seaters.

(x) *Assembling of sets in the departmental laboratory and workshops.*—With reference to the general sanction accorded to a programme of assembling of six hundred sets year after year in G.O. Ms. No. 3081, P.W., dated 18th July 1952, the position was reviewed with reference to the actual demand, etc., and proposals submitted to Government for assembling of another batch of Radio Receivers. The Government sanctioned in G.O. No. 1224, P.W., dated 6th April 1954, the assembling and the installation of the second batch of six hundred sets during 1954-55 and approved and estimate amounting to Rs. 2 lakhs for the purchase of materials required for such assembling. For the above purpose the Government sanctioned also the employment of the necessary staff. The scheme was started in right earnest and pushed through during the year 1954-55. Excepting a few number of 50 receivers, the rest of the target programme was completed. The balance of 50 receivers was also completed before May 1955. Out of the 550 receivers assembled, about 400 receivers were sent out for installation during the year under report.

Miscellaneous.—The 20 sets assembled by Resa & Co., Madras (mentioned in the last year's report) and purchased by this department have been found to be working well in the field.

(xi) *Mobile publicity equipment.*—The seven vans of Prohibition department and the two R.R. Vans of the Tanjore District Board were continued to be maintained by this department. The special staff comprising two Junior Van Supervisors were constantly touring and inspecting the van equipments. They are assisted by a fitter/mechanic for doing major servicing and overhauling of engines, etc., the more important items of work done by them during the year are given below :—

(a) Installation of new equipment in Coimbatore Van and servicing the amplifier.

(b) Overhauling generator, servicing amplifiers, installation of Projector in the Tanjore District Board Vans and in the Tiruvallur Van.

(c) Overhauling of engine and servicing of amplifier in the Malabar Van.

(d) Installed the 16 mm. Projector in Mangalore Van. Besides their normal work, this special staff attended to the work of testing the Vienlex 35 mm. film strip Projector of Community Project and also the Kodascope 16 mm. Projectors of the Education department.

(xii) *Services rendered to other departments.*—(a) The services and technical advice of this department were rendered to sister departments of this State such as Prohibition (Amelioration), Education (Audio Visual Aids), Jails, Public Health, Women's Welfare, Co-operation, Secret Police, Nutrition, Health Department and Community Project, etc.

(b) This department continued to conduct standard tests on radio equipments and accessories on receipt of prescribed fees.

(xiii) *Battery Section.*—There is a separate battery section in charge of a battery mechanic assisted by a helper to attend to the charging and repairing the batteries received in headquarters. During the year under report about 1,500 new batteries were examined, 850 batteries recharged and 150 examined for capacity tests.

(xiv) *Research*—(i) *Loudspeaker Research Scheme.*—No further work was carried out on the scheme for giving priority to other schemes of research.

Detailed tests of column loudspeakers were conducted for erection in the open Avadi Congress Session.

(ii) *Development of high quality 100-watt amplifier.*—High quality rack built amplifiers capable of giving audio outputs of the order of 100-watts are used by this department in Wire Broadcasting Systems and large Public Address Systems. Hence it was proposed to design and construct an amplifier locally at economical cost. To this end, Government have sanctioned a scheme of assembling an amplifier in G.O. No. 1222, P.W., dated 6th April 1954. As a prelude to the construction of a large power (100-watts) audio amplifier in the department, one 25-watts was constructed and tested. The quality of the performance of the amplifier compared favourably with that of any foreign make.

The department had purchased during the year under review 11 numbers of Astronic amplifiers under equipments to be used for meetings connected with High Personages of the State. Research work was carried out in connection with improving a section of the circuit in the amplifier for better performance.

(xv) *Unpaid Apprentice Scheme.*—The unpaid apprentice Scheme sanctioned in G.O. No. 3939, P.W., dated 25th October 1950, has been dropped for the present.

The Tele-communication students of M.I.T., Chromepet, and Engineering College, Guindy, are sent to this departmental laboratory for practical training for a period of two months in the year.

(xvi) *Wire Broadcasting.*—(a) During the period under report, the following Municipalities maintained Wire Broadcasting Systems :—

1 Coimbatore.	5 Pudukottai.
2 Pollachi.	6 Tiruchirappalli.
3 Dharapuram.	7 Dindigul.
4 Periakulam.	8 Mannargudi.

(b) The following five Municipalities proposed to install Wire Broadcasting Systems and remitted money :—

1 Chidambaram.	4 Virudhunagar.
2 Tellicherry.	5 Kollegal.
3 Coonoor.	

(c) The following Municipalities have submitted proposals which are under correspondence :—

1 Mayuram.	7 Mettupalayam.
2 Kumbakonam.	8 Devakottai.
3 Ambur.	9 Sathur.
4 Vellore.	10 Sholavandan.
5 Tirupathur.	11 Palayamkottai.
6 Tiruchendur.	

(d) In G.O. No. 480, P.W., dated 11th February 1955, the Government have approved the Scheme to permit Municipalities to own Wire Broadcasting Systems and to appoint qualified staff to look after the maintenance of their Wire Broadcasting Systems and have issued instructions regarding the working of the Scheme for the guidance of the Municipalities.

MADRAS,
27th August 1955.

M. N. PARTHASARTHY,
Radio Engineer.

MISCELLANEOUS

PUBLIC WORKS DEPARTMENT

(General)

G.O. No. 4659, 10th November 1956

Broadcasting—State—Administration Report of State Broadcasting
department for 1954-55—Recorded.

READ—the following papers :—

From the Chief Engineer, P.W.D. (General), dated 9th August 1955,
Endorsement No. 30219-R 2/55-5.

Letter from the Chief Engineer, P.W.D. (General), dated
16th December 1955, No. 30219-R 2/55-9.

Order—No. 4659, P.W. (General), dated 10th November 1956.

Recorded.

2. The Administration Report of the State Broadcasting department
annexed to these proceedings records the activities of the State Broadcasting
department during 1954-55.

3. The State Broadcasting department comprised four circles with 58
service stations. The total number of community radio receiver sets and
wire broadcasting and public address systems, etc., maintained by the
department during the period were as detailed below :—

Community radio receiver sets 2,081

Wire broadcasting and public address systems, etc. 99

4. The assembling and installation of the second batch of 600 sets showed
satisfactory progress. The radio sets, public address systems, etc., installed
in the Rajaji Hall, the new Assembly Hall and in other places in Madras,
and the wire broadcasting systems installed by various local bodies continued
to be maintained satisfactorily.

5. There was no change in the rates of maintenance charges and the
question of revising these charges on a more rational basis was under
consideration.

6. The State Broadcasting department continued to render assistance to various other departments of the State Government and also continued to assist radio and other allied industries by conducting standard tests. As usual, training facilities in servicing and maintenance of radio receivers were continued to be given to students passing out of Government and private institutions.

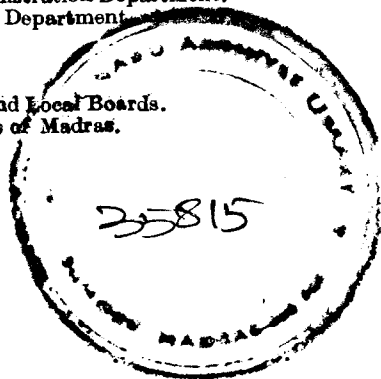

(By order of the Governor)

T. V. NATESA MUDALIAR,
Deputy Secretary to Government.
