READ—the following paper :—

Letter from Sri V. BALASUNDRAM, I.A.S., Commissioner of Labour and Registrar of Trade Unions, Madras, to the Secretary to Government, Department of Industries, Labour and Co-operation, dated Madras, the 25th July 1955, No. Pdl. 103/55.

[Acts—Indian Trade Unions Act, 1926—Report on its working during the year 1954-55—Submitted.]

I submit herewith the annual report on the working of the Indian Trade Unions Act, 1926, for the year ending 31st March 1955.

2. The Commissioner of Labour, Madras, continued to be the Registrar of Trade Unions for the State of Madras.

3. There were 569 unions on the registers at the beginning of the year. One hundred and forty-three unions were registered during the year. The registration of 57 unions was cancelled during the year. One union was transferred to the Mysore State and another to the Andhra State. The total number of unions registered since the commencement of the Act, i.e., from 1st June 1927 to 31st March 1955 was 1,899, of which 653 were on the registers at the end of the year under report.

4. Four hundred and thirty-one unions out of the 653 unions submitted the annual returns on the due date as against 354 out of 569 in the previous year. Notices in Form 'D' of the Madras Trade Unions Regulations, 1927, have been issued to 214 unions for having contravened section 28 of the Indian Trade Unions Act, 1926, wilfully and after notice. The registration of six unions was cancelled after 31st March 1955. The amalgamation of the two unions and the dissolution of one union were also registered after 31st March 1955.

5. As in previous years, many of the unions did not send their returns within the prescribed time, i.e., before 31st May 1955, despite sufficient notice to them in advance of the due date, for the submission of the returns.

6. The number of members in the 431 unions which submitted returns and the balance of amount in the General Fund at the end of the year were Rs. 1,66,595 and Rs. 4,95,371-6-7 respectively. The corresponding figures of the previous year were 147,695 members and Rs. 5,06,333-13-3 in 354 trade unions.

7. The number of agricultural unions at the end of the year was three. Only two of them submitted their returns for 1954-55. The total number of members of these unions at the end of the year was 742.

8. A sum of Rs. 25 was realized from the Tuticorin Salt Labourers' Association (Registered No. 1102) as costs awarded by the District Judge, Tirunelveli, in C.M.A. No. 5 of 1953.

9. Trade Union activities have been on the increase among the workers employed in the municipalities and panchayat boards. Eleven Municipal Workers' Unions have been registered during the year under report. The number of registered trade unions whose membership is open to municipal employees as on 1st April 1955 is 37, out of which 27 have submitted their returns. Many of these unions are affiliated to All-India Trade Union Congress.

10. The prescribed statements with industrial classifications compiled in accordance with the instructions contained in letter L.B.S. 5 (9)/54-55, dated 31st March 1955, of the Director of Labour Bureau, Simla, are enclosed. The information called for in (Government of India, Department of Labour) letter No. L.S. 22, dated 4th January 1945, communicated with Government Endorsement No. 377-A/45-1, Public Works, dated 15th January 1945, is being compiled and will be submitted to Government separately.
