2. *Distribution of Medical Officers.*—A detailed statement is furnished in Statement 'B'.

8. In spite of repeated reminders issued, many of the Medical Officers in-charge of the dispensaries of Indigenous Medicine have not cared to send the statistical returns, and particulars due from the Executive Officers of the Local Bodies have not been received. The response this year has slightly improved rather than last year. The non-co-operative attitude of the Medical Officers and Executive authorities causes not only undue delay in the preparation and submission of statistics and report to Government in time, but also the return does not serve the purpose for which it is intended, as full particulars could not be incorporated therein.

SPECIAL REPORT ON THE HOSPITAL OF INTEGRATED MEDICINE FOR THE YEAR 1955.
