ADMINISTRATION REPORT OF THE STATE BROADCASTING DEPARTMENT FOR THE YEAR 1956-57.

I. INTRODUCTION.

The Office Workshop and Laboratory of the Radio Engineer continue to be housed in a separate block in the Public Works Department buildings in Chepauk.

Due to Reorganization of States on 1st November 1956, the Kozhikode Circle was attached to Kerala State along with the sets installed in Malabar district and Kasaragode taluk of South Kanara district along with 5 service stations located in that area. The South Kanara district and the Kollegal taluk of Coimbatore district, along with the 2 service stations were attached to the Mysore State. The Coimbatore district with 5 service stations, and the Nilgiris district with one service station which were under the jurisdiction of the Assistant Radio Engineer, Kozhikode Circle, was attached to the Tiruchirappalli Circle from 1st November 1956 thereby increasing the number of service stations in that circle to 23.

The Sound Reinforcement System in the Rajaji Hall, the Radio receivers in the Government House Estate the Sound Reinforcement systems in the two houses of Legislature were continued to be maintained by this department. Five propaganda vans and 30 cinema trailer units belonging to National Extension Service and Community Development Blocks were also under maintenance. Equipments required for the above were being received from the Government of India and they were tested and then distributed to the several units as per Government Orders.

During May 1956, the Radio Engineer attended the meeting of the State Directors of Information and Publicity held at Namital.

The special events during the year are the following:-

(1) His Excellency the Prime Minister of China visited the City in November 1956 and the Public Address system was installed by this department (a) at the Civic Reception accorded to him at the Corporation Stadium, (b) for his address to the College Students at the Corporation Stadium and (c) for the Reception given to him by the Indo-China Friendship Association.

(2) Public Address system was also installed at Corporation Stadium for the public meeting presided over by the President of India.

(3) For the public meeting addressing by the Prime Minister of India on 31st January 1957 at Island grounds, Public Address system installation was arranged by this department.

(4) During the year, the policy in regard to the manufacture of community receivers departmentally was revised. Manufacture was given up in favour of purchase of sets through the Director-General, Supplies and Disposals.

The Assistant Radio Engineers continued to countersign travelling allowance and contingent bills of the non-gazetted staff working under them and also drew the salary of all the establishment working under them.

In G.O. No. Ms. 2255, P.W., dated 11th June 1957, Radio Engineer was invested with powers for renting of buildings up to Rs. 30.

Field staff.—No service station was opened during the year. After reorganization on 1st November 1956, the number of service stations attached to Madras State is 51, the number of circles being reduced from 4 to 3. A list of 51 service stations and the circles to which they are attached as on 31st March 1957 is furnished in Appendix V. Twenty-six posts of Radio Supervisors are permanent and the allocation between permanent and temporary is also shown in Appendix VI.

Accommodation.—During the year under review, the Tiruvarur Service Station located at Kumbakonam was shifted to Nannilam. Tindivanam Service Station located at Cuddalore was shifted to Tindivanam and the Kulithalai Service Station located at Tiruchirappalli was shifted to Kulithalai.

Laboratory and workshop—Routine works.—In the laboratories of the Circle offices, major servicing of radio set amplifiers and 16 mm. Projectors which are under departmental maintenance, repairs to petrol generators and battery charges which are in use at the various service stations, rewinding of transformers and chokes, repairs to loudspeakers and triller unit chokes, etc., were being done.

Maintenance charges.—There has been no change in the rate of maintenance charges recoverable from panchayat boards, private bodies, etc. Revision of maintenance charges is still under consideration. For sets installed under the latest 800 receivers scheme, Government approved in Memo. No. 2166 X-4/55-2, dated 30th December 1955, the proposal to recover Rs. 90 per set per year irrespective of the centre being a Panchayat board grama seva sangam, school or a private body, pending final decision on the apportionment of the Government of India subsidy.

Installation of radio sets.—During the period under report, 279 sets were installed in the rural centres.

Audio-visual education.—Ten sets were installed in schools under the scheme and no set was taken up for maintenance.

Adult education.—Thirteen sets were installed under the above scheme.

Programme transmission and planning.—Planning of the rural programmes continues to be entirely in the hands of the All-India Radio. But the reaction of the rural listeners is being communicated to them in the shape of programme and technical reports by this department from reports collected from Radio Supervisors.

Tuning, arresting and working hours of sets.—There has been no change in the working hours of rural sets as also in the policy of tuning and arresting the sets.

This department continued to make arrangements for Public Address system at meetings addressed by high personages. Special equipments for this purpose were sanctioned by the Government.
