

B.C.G. Vaccination.—The two B.C.G. teams attached to the Government Tuberculosis Institute, Madras, were abolished from June 1955.

17. Blood Bank.—Sixteen Medical Officers and eighteen Nurses were trained in Blood Transfusion and resuscitation work during the year 1956. The Mobile Blood Bank Unit was sent to accept Blood donations from the inmates of the Jails at Vellore, Tiruchirappalli and Madras.

The Blood Bank team of the King Institute, Guindy, took part in exhibitions with a view to popularize Blood donation and to impress on the general public the importance of Blood donation.

Due to the reorganisation of States, the Blood Banks attached to the State Hospitals at the following places were included in the other States from (1) Kozhikode, (2) Mangalore, (3) Fort Cochin, but group sera and other essential requisites are being supplied to Blood Banks of Andhra and other states by the Director, King Institute, Guindy. A Blood Bank was opened at the Government Headquarters Hospital, Chingleput, during the year and this completed the programme of establishing Blood Banks in all District Headquarters Hospitals in the State.

18. Medical Education.—The number of admissions to the Madurai Medical College, Madurai, was increased during the year 1956 from 65 to 70. The total number of seats available in the three Government Medical Colleges of this State is indicated below:—

(1) Madras Medical College, Madras ..	135
(2) Stanley Medical College, Madras ..	110
(3) Madurai Medical College, Madurai ..	100
Total ..	345

(a) Change of names of upgraded departments.—The names of upgraded Departments of Venereology, Government General Hospital, Madras, "Upgraded Department of Obstetrics and Gynaecology, Government Hospital for Women and Children, Madras", "Upgraded Department of Anatomy, Stanley Medical College, Madras, were all changed during the year 1956 into those of Institutes of Venereology, Government General Hospital, Madras, Obstetrics and Gynaecology, Government Hospital for Women and Children, Madras, and Anatomy, Stanley Medical College, Madras, respectively. The Government have also approved of the same.

(b) Introduction of D.G.O. and M.D. Courses in the Stanley Medical College, Madras, and Raja Sir Ramaswamy Mudaliar's Lying-in Hospital, Madras.—During the year 1956, the D.G.O. and M.D. (Midwifery) Courses were introduced in the Government Raja Sir Ramaswamy Mudaliar's Lying-in Hospital and Stanley Medical College, Madras, commencing from April 1956 session in addition to the existing D.G.O. and M.D. courses in the Government Hospital for Women and Children, Madras and the Madras Medical College, Madras. There will be two sessions in a year, i.e., one in April and the other in October as in the

Madras Medical College and Government Hospital for Women and Children, Madras for the D.G.O. Course. The M.D. (Midwifery) Degree Course in the Stanley Medical College, Madras, commence from July every year as in the case of M.D. (Midwifery) in the Madras Medical College, Madras.

(c) Permanent recognition of King Institute, Guindy in M.D. Branch III, i.e., M.D. (Bacteriology) and M.Sc. (Bacteriology) and Ph. D. (Bacteriology).—The King Institute, Guindy, has been permanently recognized from 1956 for M.D. Branch III, i.e., M.D. (Bacteriology) and M.Sc. (Bacteriology) and Ph.D. (Bacteriology).

(d) Training of women doctors in Obstetrics and Gynaecology.—A training course for Women Assistant Surgeons in the Madras Medical College in Obstetrics and Gynaecology for a period of four months has been instituted in the Kasturba Gandhi Hospital for Women and Children, Madras, and Raja Sir Ramaswamy Mudaliar's Lying-in Hospital, Madras from the year 1956 in addition to the existing short term training courses in the special subjects of Surgery, Anaesthesia, Radiology and Pathology.

(e) Madurai Medical College, Madurai—Constitution of College Council.—A College Council for the Madurai Medical College has been constituted with the approval of Government during the year 1956.

(f) B.D.S. Course—Increase in seats.—In the year 1956 the number of admission to the B.D.S. Course was increased from 18 to 20.

(g) War educational concessions.—The War educational concessions to children and dependants of defence service personnel given by Post-War Service Reconstruction Fund were discontinued from the academic year 1956-57 and the same was continued in a modified form from State Funds.

(h) Conference on Medical Education.—A Conference of the Senior Officers of the three Government Medical Colleges in the State, viz., the Madras Medical College, Madras, Stanley Medical College, Madras and the Madurai Medical College, Madurai was held at the Madras Medical College, Madras in January 1956 to discuss the resolutions of the All-India Conference on the Medical Education at New Delhi in November 1955.

(i) Short-term Training Course in the special subjects.—The scheme of short-term Training Course in the special subjects of Surgery, Radiology, Anaesthesia and Pathology for the Medical Officers of the Madras Medical Service and Private Medical Practitioners of this State and other states is being continued in view of the fact that much benefit has been derived by the Medical Officers, etc., who had training in the above specialities by way of improving their medical and surgical knowledge.

(j) Refresher Course for Medical Officers, etc.—In view of the benefit derived by the Medical Officers who attended the refresher course for Medical Officers held in the various centres of this State, the scheme is being continued during the year 1956 also. The duration of the course was increased for 12 to 15 days.

(k) *Refresher Course in Tuberculosis*.—An intensive Refresher course in Tuberculosis for a period of 15 days was conducted by the Tuberculosis Association of Madras under the auspices of Tuberculosis Association of India, New Delhi for the benefit of Medical Practitioners in November 1956. The services of Professors and Lecturers of the Madras Medical College and Stanley Medical College, were utilised for giving lectures and demonstrations for the Refresher Course. Certain selected Government Medical Officers in the City and mufassal were permitted to attend the Refresher Course.

(l) *Medical Bulletin*.—The printing and publication of the Medical Bulletin and distribution to the Medical Officers of the State, etc., were being continued. So far eight issues of the quarterly Medical Bulletin were printed and distributed. The ninth issue is under print.

19. *The Drugs Act, 1940, and the Drugs Rules*.—The following licences were issued in 1956:—

I. Sales Licences—

Form 20 Retail	485
Wholesale	295
Form 21 Retail	393
Wholesale	280
Form 20-A Retail	1,976
Wholesale	438
Form 21-A Retail	262
Wholesale	173

II. Manufacturing Licences—

Form 25—For manufacture of drugs other than biological and special products	39
Form 28—For manufacture of biological and special products	10
Form 26—Renewal of old licences	23

The number of cases tried in the courts during the year 1956 was 76 out of which 2 cases were withdrawn and in 6 cases the accused were acquitted. The remaining cases ended in conviction of the accused.

During the year 1956, 1,175 establishments licenced for sale of drugs in the City of Madras and 5,415 sales concerns in the mufassal were inspected by the Drugs Inspectors. The Inspector of manufacturing concerns inspected 86 manufacturing concerns while the Drugs Inspectors inspected 193 manufacturing concerns.

The total number of samples analysed under the provisions of the Drugs Act during the year 1956 was 149. In respect of the samples reported to be not of standard quality by the Government Analysts, the manufactures had been asked to stop further manufacture of product pending production of proof that SUFFICIENT PRECAUTIONS were being taken to see that the mistakes pointed out in the analytical reports did not recur. The non-standard products had also been ordered to be withdrawn from the market from further sale.

The chemists in North Arcot district brought to the notice of the Drugs Inspector, Vellore that Medical Practitioners were not giving full details in their prescription for schedule H drugs required under rule 65 (10) of the Drugs Rules and they are finding it diffi-

cult to dispense such prescriptions. In order to enlighten the medical practitioners, on these aspects the Drugs Inspector, Vellore addressed the Medical Practitioners in one of the monthly clinical meetings held in the Pentland Hospital, Vellore which was attended by most of the medical practitioners in the North Arcot District, on the subject of "Doctors and Drugs Act". This was well appreciated.

The Drugs Inspector, Coimbatore, opened a Drug Stall at the Government Headquarters Hospital, Hospital Day Celebrations and explained the working of the Drugs Act, 1940, and the duty of the public in eradicating the evil of self-medication and spurious drugs. Pamphlets both in English and Tamil were distributed by him on the occasion explaining the above object.

One of the Drugs Inspectors in Madras State found out the re-packing of cane sugar and passing the same as Glucose labelling it as "Trade Mark Glucose-suitable Glucose powder—the most easily assimilable food for the supply of energy—not suitable for medicinal purposes." The stock was seized by him and on analysis it was found out to be ordinary cane-sugar. The Drug Inspector lodged a complaint with the Additional First Class Magistrate, Coimbatore, who heard the case and convicted the accused to pay a total fine of Rs. 350 and confiscated the goods under sections 274, 275 and 276 of Indian Penal Code.

This is a special case in which a spurious manufacturer of Glucose had been brought to book and sentenced even though no action could be taken under the Drugs Act, 1940, as a no technical offence was made out under the Drugs Act, 1940.

20. *Employees, State Insurance Scheme*.—During the year 1956 the Employees State Insurance Scheme was extended to Madurai, Vickramasingapuram (Ambasamudram) and Tuticorin and this brought under the Medical Benefit provisions of the Scheme, an additional number of 37,000 workers serving in the new areas. To provide medical treatment for these insured workers in accordance with the provisions of the Employees State Insurance Medical benefit scheme, 8 State Insurance dispensaries (6 at Madurai, 1 at Vickramasingapuram and 1 at Tuticorin) were established. Besides certain employers medical facilities available at Madurai, Ambasamudram and Tuticorin were taken under the utilisation scheme to the extent necessary. Two part-time doctors one at Ambasamudram and another at Papanasam were appointed to cater to the needs of the workers who resided in remote areas. For insured workers who required hospitalisation, arrangements were made for their admission and treatment in the Christian Mission Hospital at Madurai and in the Government Hospitals at Tuticorin and Ambasamudram and also at the Government Headquarters Hospital Palayamcottah.

At Madras, Mobile Van Dispensary Service was introduced with effect from November 1956 to cater to the needs of insured workers who resided in sparse areas where there were no Employees State Insurance Dispensaries.

21. *Advisory Committees in the Medical Institutions*.—The Advisory Committees of the Government Hospitals which were constituted to keep the Director of Medical Services and the Government informed as to the needs of the Hospitals as viewed by the public, continued to do useful work. The members took keen interest in providing additional amenities for the patients and made useful suggestions. Some of the members paid surprise visits periodically to the institutions. The suggestions made by the members both during the meetings and during their surprise visits were considered and given effect to, as far as practicable.

22. *Five-Year Plan*.—The major schemes sanctioned during 1956 under the Second Five-Year Plan were—

I. *Building Schemes*.—(1) A hostel for men students of the Madras Medical College, Madras, at a cost of Rs. 24 lakhs.

(2) A new physiology-cum-Pharmacology block and a new Chemistry Block for Madras Medical College, Madras, at a cost of Rs. 19 lakhs.

(3) A block for treatment of premature born babies in the Government Hospital for Women and Children, Madras, at a cost of Rs. 3.92 lakhs.

(4) Additional wards of 20 beds each in seven Taluk Headquarters Hospitals.

(5) Additional block of 100 beds in Government Headquarters Hospital, Ramanathapuram.

Other Schemes.—(i) Deputation of five professors of Medical Colleges on shorty study tour abroad to study the latest advances in foreign countries.

(ii) Training of additional two hundred Maternity Assistants in three batches.

(iii) Opening of twenty-eight Primary Health Centres during 1956-57 (of which four are in areas transferred to Kerala and Mysore States).

(iv) Grant of Rs. 50,000 to the Cancer Institute, Adyar.

(v) Opening of two Leprosy Subsidiary centres one in South Arcot and one in Tirunelveli district.

Community Projects.—Primary Health Centres were opened under the Community Project scheme in each of the community development blocks of (Sulia) Sulia (Palayagudi), Payanur in Malabar district.

National Extension Service.—During the year 1956, 12 Primary Health Centres were opened in the National Extension Service blocks, according to the scheme to open a Primary Health Centre in each National Extension Service block with 6 beds to supplement the Medical relief arrangements in the Blocks. There are Medical and Primary Health Staff to do preventive and curative work within each block. A jeep station wagon has also been supplied to each of the Primary Health Centres to enable the Medical Officers to visit the Maternity Centres attached to the Primary Health Centres within the block. The Medical Relief contemplated under the scheme is of higher order than that provided in Rural Dispensaries.

23. *Family Planning*.—During the year 1956 full time and part-time family planning clinics were attached to the following Medical Institutions:—

Full-time family Planning Clinics—

(1) Government Hospital for Women and Children, Madras.

(2) Government Kasturba Gandhi Hospital for Women and Children, Madras.

(3) Raja Sir Ramaswamy Mudaliar's Lying-in Hospital, Madras.

(4) Erskine Hospital, Madurai.

(5) Government Headquarters Hospital, Coimbatore.

(6) Poonamallee Health Unit.

Part-time Family Planning Clinics—

(1) Government Headquarters Hospital, Tanjore.

(2) Government Headquarters Hospital, Salem.

(3) Government Headquarters Hospital, Tiruchirappalli.

(4) Government Headquarters Hospital, Tirunelveli.

(5) Government Hospital, Kancheepuram.

(6) Government Hospital, Nagapattinam.

(7) Government Hospital, Tuticorin.

(8) Government Headquarters Hospital, Vellore.

(9) Government Headquarters Hospital, Cuddalore.

(10) Government Headquarters Hospital, Chingleput.

(11) Government Headquarters Hospital, Ootacamund.

(12) Government Headquarters Hospital, Ramanathapuram.

In the Second Five-Year Plan the Government of India have proposed to opening of urban centres and rural centres for family planning with adequate staff and initial non-recurring expenditure.

Proposals have also been submitted to Government for upgrading some of the full time clinics and some of the part-time family planning clinics as Urban Family Planning Centres. The intention is to open 59 Urban Centres during the Second Five-Year Plan, viz., one Urban Centre in each District Headquarters Hospital and in other Medical Institutions situated in thickly populated areas and 152 Rural centres based on Taluk Headquarters and important non-Taluk Headquarters Hospitals.

The Government of Madras have decided to co-operate with the Government of India in the execution of the All India Policy and to secure the propaganda of the practice of Family Planning in Madras State to the maximum extent practicable. They have constituted a Family Planning Board consisting of the Minister of Health (Chairman) four Non-official members and seven official members. The term of office of the non-official members will be for the duration of

REPORT ON THE WORKING OF THE

ANNEXURE I.

Names of hospitals and dispensaries opened during the period from 1st January to 31st October 1956.

- Government Women and Children Dispensary, Pernampet (North Arcot district).
- Primary Health Centre, Vadalur (South Arcot district).
- Local Fund Dispensary, Pennatam (South Arcot district).
- Primary Health Centre, Uthukottai (Chingleput district).
- Local Fund Dispensary, Valancheri (Malabar district).
- Local Dispensary, Kootayi (Malabar district).
- Rural Dispensary, Meppayur (Malabar district).
- Leprosy Subsidiary Centre, Ponnani (Malabar district).
- Local Fund Dispensary, Srikrishnapuram (Malabar district).
- Local Fund Dispensary, Kallapuram (Malabar district).
- Local Fund Dispensary, Chekkapuram (Madurai district).
- Primary Health Centre, Vagai Project (Madurai district).
- Vaigai Project Dispensary, Vagai Project (Madurai district).
- Subsidised Rural Dispensary, Kamagundarpalli (Madurai district).
- Government Electricity Dispensary, Kundah (Nilgiris district).
- Primary Health Centre, Oranally (Nilgiris district).
- Primary Health Centre, Kilrajakulam (Ramanathapuram district).
- Government Medical Dispensary, Kallamankenpalli (Ramanathapuram district).
- Primary Health Centre, Peraiyur (Ramanathapuram district).
- Primary Health Centre, Piranmalai (Ramanathapuram district).
- Primary Health Centre, Tiruveganpet (Ramanathapuram district).
- Primary Health Centre, Mallakuraj (Salem district).
- Government Leprosy Subsidiary Centre, Mallakuraj (Salem district).
- Local Fund Dispensary, Karimangalam (Salem district).
- Local Fund Dispensary, Poonthottam (Tanjore district).
- Rural Dispensary, Thathakudi South (Tanjore district).
- Local Fund Dispensary, Thathanagar (Tanjore district).
- Local Fund Dispensary, Alathombad (Tanjore district).
- Rural Dispensary, Kurun-ulam (Tanjore district).
- Rural Dispensary, Papanad (Tanjore district).
- Rural Dispensary, Santhulasi (Tanjore district).
- Primary Health Centre, Koonirai (Tirunelveli district).
- Primary Health Centre, Vadalakankulam (Tirunelveli district).
- Rural Dispensary, Gangaikondan (Tirunelveli district).
- Rural Dispensary, Periatthala (Tirunelveli district).
- Rural Dispensary, Aluvikulam (Tirunelveli district).
- Rural Dispensary, Turkitmanagar (Tirunelveli district).
- Local Fund Dispensary, Serdamanam (Tirunelveli district).
- Primary Health Centre, T. Puthur (Tiruchirappalli district).
- Primary Health Centre, Tiruvanakulam (Tiruchirappalli district).
- Kasturba Gandhi, National Memorial Maternity Home, Omendoor (Tiruchirappalli district).

ANNEXURE II.

Names of hospitals and dispensaries closed during the period from 1st January to 31st October 1956.

- Rural Dispensary, Pennadam (South Arcot district).
- Government Dispensary, Kandamangalam (South Arcot district).
- Rural Dispensary, Pattambi (Malabar district).
- Rural Dispensary, Amasode (Malabar district).
- Rural Dispensary, Govindapuram (Malabar district).
- Government Electricity Dispensary, Pykara Dam (Nilgiris district).
- Rural Dispensary, Pudumadam (Ramanathapuram district).
- Rural Dispensary, Karimangalam (Salem district).

CIVIL HOSPITALS AND DISPENSARIES IN MADRAS STATE FOR THE TRIENNium ENDING 1956

STATEMENT A-1—Showing specialist services institutions in Madras State during the period from 1st January to 31st October 1956 including Hospitals, Dispensaries, Clinics, etc.

REPORT ON THE WORKING OF THE

New cases by disease--cont.

9. *Monthly return of patients of at State Insurance dispensaries and clinics at Coimbatore for the year 1906—contd.*

Now cases by disease—cont.

New cases by diseases--cont.

HEALTH, EDUCATION AND LOCAL ADMINISTRATION DEPARTMENT.

(Health)

G.O. No. 286, 29th January 1958

Report—Civil Hospitals and Dispensaries of Modern Medicine—Triennial Report for the period ended 1956—Reviewed.

READ—the following paper :—

From the Director of Medical Services, dated 17th and 29th October 1957,
Ref. No. 369-E3/57.

Order—No. 286, Health, dated 29th January 1958.

Recorded.

2. *Medical relief.*—At the beginning of 1953 there were 746 medical institutions of all classes. There were 736 medical institutions of all classes in the reorganized Madras State in December 1956. The number of beds available for both sexes was 18,437 in 1954, 19,111 in 1955 and 18,821 in 1956 (till the end of October 1956). The ratio of beds available in 1956 to the population of State was 1 : 1,891 till the end of October 1956 and 1 : 2,842 from 1st November to 31st December 1956. The number of in-patients treated during 1956 was 748,545 as against 766,846 during 1955 and 703,010 during 1954. The out-patients attendance during 1956 was 21,001,726 as against 21,966,788 during 1955 and 19,861,296 during 1954. The percentage of death rate among in-door patients treated was 5 in 1956. The number of surgical operations performed in 1956 was 490,477 as compared to 492,194 in 1955 and 533,075 in 1954. The percentage of death to the total number of operations performed was 0.23 in 1956 as compared to 0.25 in 1955 and 0.15 in 1954.

During the year 1956, ten Local Fund Institutions were provincialized.

3. *Tuberculosis.*—A Tuberculosis Chemotherapy Centre was started in Madras under the direct sponsorship of the State, World Health Organization, the Indian Council of Medical Research and the British Medical Research Council. The Centre has undertaken domiciliary treatment-cum-research in Tuberculosis. The Government Tuberculosis Sanatorium, Mudeshede, South Kanara, was transferred to the control of the Mysore Government consequent on the reorganization of the States from 1st November 1956. The two B.C.G. Vaccination teams attached to the Government Tuberculosis Institute were abolished in June 1955.

4. *Leprosy.*—During the year 1956, the Government sanctioned the opening of three more Leprosy Subsidiary Centres at Vriddachalam in South Arcot district, Paramakurichi in Tirunelveli district and Ponnani in Malabar district. After the reorganization of States, the Leprosy Subsidiary Centre opened at Ponnani was transferred to the new Kerala State from 1st November 1956.

5. *Blood Bank.*—In the beginning of the year 1953, there were 16 Blood Banks functioning in various hospitals. Due to the reorganization of States, the Blood Banks attached to the Hospitals at Kozhikode and Fort Cochin were transferred to the Kerala State and the Blood Bank at Mangalore to the Mysore State. During the year 1956 a Blood Bank was opened at the Government Headquarters Hospital at Chingleput and this completed the programme of establishing Blood Banks in all District Headquarters Hospitals in the State. Intensive propaganda for blood donation continued effectively. The Blood Bank Organization took part in the various exhibitions with a view to popularize blood donation and to impress on the general public the importance of it. The system of giving remuneration to donors of blood other than voluntary donors continued during the period.

6. *Eye Bank.*—Eye Bank in the Government Ophthalmic Hospital, Madras, for purposes of Corneal transplantation, has been functioning satisfactorily.

7. *Veneral diseases.*—The number of patients treated during 1950 for Syphilis and Gonococcal infection was 130,214 and 186,888 respectively.

8. *Primary Health Centres.*—During the year 1956, twelve Primary Health Centres were opened in the National Extension Service Blocks with six beds to supplement medical relief arrangements in the blocks. A jeep station wagon has also been supplied to each Health Centre to enable the Medical Officers to visit the Maternity Centres attached to the Primary Health Centres within the Block.

9. *Administration of drugs.*—Various manufacturing concerns were inspected in the year 1956. One thousand one hundred and seventy-five establishments licenced for sale of drugs in the City of Madras and 5,415 sales concerns in the mufassal were inspected by the Drugs Inspectors. The total number of samples analysed under the provisions of the Drugs Act during the year 1956 was 149. Wherever the samples taken were sub-standard the manufacturers were asked to stop further manufacture of the product and the non-standard products were ordered to be withdrawn from the market to prevent further sale. The number of prosecutions launched during 1956 was 76, out of which 68 ended in conviction of the accused.

10. *Madras Medical Service.*—The Madras Public Service Commission recruited 301 candidates by direct recruitment for appointment as Assistant Surgeons in the Madras Medical Service. In addition 60 candidates were appointed by the Government under the emergency provisions as temporary Assistant Surgeons in the Madras Medical Service.

During the year 1956, two Medical Officers of the Madras Medical Service were deputed for Post-graduate training in United Kingdom in Forensic Medicine and Pathology. In addition to this, medical officers were selected to undergo training in Radiology and Tuberculosis with a view to enable them to obtain the diploma in Medical Radiology and degree in T.D.D. awarded by the Madras University.

11. *Honorary Medical Officers.*—There was no change in the system of appointment of Honorary Medical Officers in the Government institutions. There was a slight increase in the number of Honorary Medical Officers employed in the hospitals and dispensaries, the figures for the three years 1954, 1955 and 1956 being 382, 358 and 401 respectively. The Honorary system continued to be popular and the Honorary Officers have been doing useful work.

12. *Nursing staff.*—The strength of the Nursing staff was increased to cope with the increase of work on account of additional beds sanctioned to the various hospitals.

Four members of the Nursing staff were sent to Hyderabad for undergoing short-term refresher course for Ward Sisters and one to New Delhi for undergoing the refresher course in Midwifery. One Nursing Tutor was permitted to attend the Regional Nursing Seminar at New Delhi conducted by the World Health Organization.

The Government Stanley Hospital has been upgraded as an ideal training centre for training of nurse pupils with a view to provide additional nurses required for employment in the various institutions during the Second Five-Year Plan Period.

The Auxiliary Nurses-Midwives course has been implemented in the Government General Hospital, Madras, in affiliation with the Government Hospital for Women and Children, Madras, from 1st August 1956 and 30 trainees have been admitted for the training.

13. *Compounders and Pharmacists.*—Compounders are designated as Pharmacists since October 1956. The compounder's diploma course has been abolished and instead a new diploma course in Pharmacy has been introduced with effect from 1956-57 in the Madras Medical College with 50 seats.

14. *Medical education.*—During the year 1956, the number of seats in Madurai Medical College was increased from 65 to 70 and the total number of seats available in the three Medical Colleges, viz., Madras Medical College, Madras, Stanley Medical College, Madras and Madurai Medical College, Madurai, was 345.

The names of the upgraded departments of Venereology in the Government General Hospital, Madras, upgraded department of Obstetrics and Gynaecology in the Government Hospital for Women and Children, Madras, and the Upgraded department of Anatomy in the Stanley Medical College, Madras, were changed during the year 1956 into Institutes of Venereology, Government General Hospital, Madras, Obstetrics and Gynaecology, Government Hospital for Women and Children, Madras and Anatomy, Stanley Medical College, Madras, respectively.

During the year 1956, the D.G.O. and M.D. courses were introduced in the Government Raja Sir Ramasamy Mudaliar's Lying-in Hospital and Stanley Medical College, respectively.

The King Institute, Guindy, has been permanently recognized as a Post-graduate training centre from 1956 for M.D. Branch III (i.e.), M.D. (Bacteriology) and M.Sc. (Bacteriology) and Ph.D. (Bacteriology).

A training course for Women Assistant Surgeons in the Madras Medical College, in Obstetrics and Gynaecology for a period of four months has been introduced in the Kasturba Gandhi Hospital for Women and Children and Raja Sir Ramaswamy Mudaliar's Lying-in Hospital, Madras, in addition to the existing short-term training courses in the special subjects of Surgery, Anaesthesia, Radiology and Pathology.

In view of the benefit derived by the Medical Officers who attended the refresher course for medical officers held in the various centres the Scheme was continued during the year 1956 also. During 1956, selected Government Medical Officers in the city and mufassal were permitted to undergo the intensive refresher course in Tuberculosis conducted by the Tuberculosis Association of Madras under the auspices of the Tuberculosis Association of India also.

15. *Employees' State Insurance Scheme.*—During the year 1956, the Employees' State Insurance Scheme was extended to Vikramasingapuram (Ambasamudram) and Tuticorin. Eight State Insurance dispensaries were opened to provide medical treatment to the insured workers in the above area (six at Madurai and one at Vikramasingapuram and one at Tuticorin).

At Madras, mobile van dispensary service was introduced from November 1956 to cater to the needs of insured workers who resided in spare areas where there were no Employees' State Insurance dispensaries.

16. *Advisory Committees.*—Advisory Committees of the various hospitals in the State continued to do useful work.

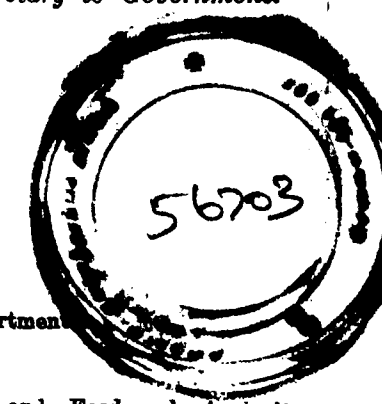

17. *Buildings.*—New building schemes sanctioned under the Five-Year Plan have been taken for execution.

18. *Family Planning.*—During the year 1956, six full-time Family Planning Clinics were opened in six Government Hospitals and twelve part-time clinics in twelve Government mufassal hospitals. A Family Planning Board was constituted consisting of the Minister for Health (Chairman), and four non-official members and seven official members. The Family Planning Board has also prepared and published a Family Planning Manual.

19. *General.*—Facilities for the medical relief in the State were increased. Medical institutions in the State continued to be very popular. The administration of the hospitals and dispensaries was on the whole satisfactory.

OFFICE OF THE DIRECTOR OF MEDICAL SERVICES,
MADRAS,

Dated 17th October 1957.

DR. V. R. THAYUMANASWAMI, M.S., F.R.C.S., M.CH. (ORTHO.),
DIRECTOR OF MEDICAL SERVICES,
Madras-6.

To
THE SECRETARY TO GOVERNMENT,
HEALTH, EDUCATION AND LOCAL ADMINISTRATION DEPARTMENT,
Madras.

SIR,

[Report—Triennial Report on the working of Civil Hospitals and Dispensaries in Madras State for the triennium ending 1956.]

I submit herewith the triennial Report on the working of Civil Hospitals and Dispensaries in the Madras State for the year 1954 to 1956. As per instructions contained in Government Memo. No. 6744/56-2, dated 11th January 1957, the annual statistical returns for the year 1956 have been prepared in two parts i.e., one relating to all the medical institutions in the Composite State for the preparation period from 1st January to 31st October 1956 and the other relating only to those institutions in the residuary state for the post-partition period from 1st November to 31st December 1956.

2. During the triennium under report Lt.-Col. Sangham Lal, M.B.B.S., F.R.C.S., D.O.M.S. (Lond.), continued to hold the post of Director of Medical Services, Madras.

3. *Madras Medical Service.*—The Madras Public Service Commission recruited 301 candidates by direct recruitment for appointment as Assistant Surgeons in the Madras Medical Service to fill up the vacancies existing in the Department. In addition sixty candidates were appointed by Government under emergency provisions as Temporary Assistant Surgeons in the Madras Medical Services.

4. *Training of Medical Officers in foreign countries.*—During the year 1956 two Medical Officers of the Madras Medical Services were deputed for Post Graduate Training in the United Kingdom in Forensic Medicine and Pathology. In addition to this Medical Officers were selected to undergo training in Radiology and Tuberculosis with a view to enable them to obtain the degrees of D.M.R. and T.T.D. awarded by the Madras University.

5. *Madras General Service.*—A post of Gazetted Assistant to the Assistant Director of Services (Employees State Insurance) in the category of Lay Secretary and Treasurer, Grade II, was created in the Office of the Director of Medical Services, Madras. Regular selection of candidates for appointment as Secretary and Treasurers was made by the Madras Service Commission.

6. *House Surgeons and House Physicians.*—The Government have ordered that due weightage should be given for recognised extra curricular activities like N.C.C. Sports, Office bearers of the College Association and work in the Rural Medical Relief for purposes of selection of candidates for appointment as House Surgeons and House Physicians.

7. *Honorary Medical Officers.*—There are no change in the system of appointment of Honorary Medical Officers in Government Medical Institutions.

8. *Nursing staff.*—(a) *General.*—During the year 1956 additional posts of head nurses and nurses were sanctioned in some of the Government Hospitals in the State consequent on the increase of bed strength or bringing the existing number of nurses to the strength admissible as per the scales laid down by the Government. One leave reserve post of Head Nurse and leave reserve posts of Nurses were also sanctioned.

A post of warden in the grade of a Head Nurse was sanctioned for effective supervision over the Nurse pupil and pupil Maternity Assistants in the Nurses quarters attached to the Government Hospital for Women and Children, Madras; Government Stanley Hospital, Madras and Government Kasturba Gandhi Hospital for Women and Children, Madras. Additional recreation facilities were also sanctioned for the Nurses Quarters attached to the Kasturba Gandhi Hospital for Women and Children, Madras. The question of affording facilities to the other institutions is under the consideration of Government.

The question of employment of married nurses on a part-time basis is still under consideration of Government and the scheme is expected to be brought into force shortly.

The rates of Dearness Allowance admissible to members of the Nursing Staff were revised with effect from 1st November 1956 and they were given an increase of Rs. 5 per mensem.
