REPORT ON THE WORKING OF THE PAYMENT OF WAGES ACT IN THE STATE OF MADRAS FOR THE YEAR 1955.

1. *Extent and application.*—The provisions of the Payment of Wages Act, 1936 are applicable to all factories covered by section 2 (m) (i) & 2 (m) (ii) of the Factories Act, 1948. The Act applies to plantations and motor omnibus services also in this State.

2. *Annual returns.*—Blank forms for the submission of the returns were sent to 4,921 factories covered by the Act to enable them to submit the returns, but only 4,507 factories submitted the returns. Therefore, particulars are available only in respect of 91.6 per cent of factories covered by the Act. Suitable action is being taken against the managers of factories who failed to submit the returns without any reasonable cause.

3. *Wages.*—The average number of persons employed during the year in the factories from which returns were received in time were 297,420 and in the other industrial establishments, 53,581 comprising 50,042 in plantations and 3,539 in motor omnibus services. The gross wages paid in those establishments in the year including deductions was Rs. 26,64,12,664-3-11 in factories, Rs. 3,20,68,168-1-1 in plantations and Rs. 33,57,505-7-2 in motor omnibus services. Full details classified according to industries are given in the return (Form A) appended to this report.

4. *Inspections.*—As usual, inspections under this Act were made along with the inspections under the Factories Act, 1948. Special visits were also made by the Inspectors to enquire into the complaints of non-payment of wages, delayed payment of wages and illegal deductions from the wages of the workers.

5. *Payment of wages.*—The provisions of the Act regarding the disbursement of wages within the prescribed time-limit was generally complied with. In cases of non-payment and delayed payment of wages, the paymasters were warned and directed to observe the provisions of the Act. In other cases, the parties concerned were advised to apply to the authority for a direction under section 15 (3) of the Act.

6. *Wages period.*—The provisions of section 4 of the Act were complied with in almost all cases. In cases where the wages were not paid on the dates prescribed, the attention of the paymasters was drawn to the provisions of the Act for compliance.

7. *Deduction from wages.*—Deductions from wages of workers made under clauses (d) to (j) of sub-section (2) of section 7 of the Act were authorized and were in accordance with the provisions of the Act. A sum of Rs. 18,464-7-6 was deducted from the wages of workers as detailed below :—
