ADMINISTRATION REPORT OF THE STATE BROADCASTING BRANCH OF PUBLIC WORKS DEPARTMENT FOR THE YEAR 1957-58.

Introduction.—The office workshop and laboratory of the Radio Engineer continue to be housed in a separate block in the P.W.D. Buildings in Chepauk.

The post of the Gazetted Personal Assistant to the Radio Engineer was converted to Assistant Radio Engineer, Madras circle-cum-Personal Assistant to the Radio Engineer enabling this office to have jurisdiction over community receiver and other installations under maintenance in Chingleput and North Arcot districts. As a result, the office of the Assistant Radio Engineer at Vellore was shifted to Coimbatore.

The sound reinforcement system in the Rajaji Hall, the radio receivers in the Government House Estate, the sound reinforcement system in the two houses of Legislatures continued to be maintained by this Department.

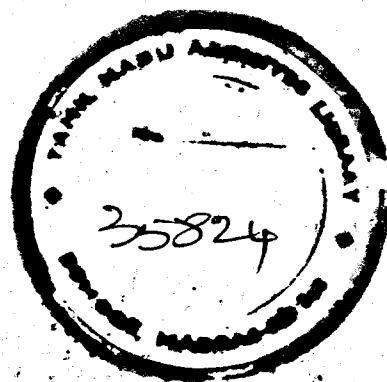

Fourteen numbers of cinema trailers, 15 numbers of 16 mm. motion picture projectors, 35 numbers of Film strip projectors, 14 numbers of generating engines, 50 numbers of record players, 46 microphones with stands and 43 numbers of Hand cameras with accessories, received through the Community Development Ministry of the Government of India were distributed to the field. The Cinema Trailer Units, with all equipments continue to be maintained by the department. New Blocks with Cinema Trailer Units are also taken up for departmental maintenance as and when intimation regarding their formation is received by the Department.

The special and noteworthy events during the year are the following:—

1. Installation of Public Address System at Neiveli Lignite Project on 20th May 1957 inaugurated by the Prime Minister of India.
2. Installation of the Fifth Meeting of the working Party of Small Scale Industries of United Nations Economic Commission to East and Far East from 17th to 24th June 1957.

The Assistant Radio Engineer continue to countersign travelling allowance and contingent bills of the Non-Gazetted staff, working under them and also draw the salary of all the establishment working under them.

Field staff.—No Service Station was opened during the year. On the Reorganization of States the service station in Coimbatore, Nilgiris districts, originally attached to the Kozhikode circle, came under the maintenance of the Assistant Radio Engineer, Tiruchirappalli. This resulted in a very heavy and unbalance distribution among the Assistant Radio Engineers. The Gazetted Personal Assistant to the Radio Engineer was therefore given jurisdiction over the service stations in Chingleput and North Arcot districts and the Circle Office already at Vellore was shifted to Coimbatore. A list of 51 service stations and the circles to which they are attached as on 31st March 1958, is furnished in Appendix I. Twenty-six posts of Radio Supervisors are permanent and the allocation between permanent and temporary is also shown in Appendix VI.

Accommodation.—During the year under review, the Vellore circle was closed and a new circle was opened at Coimbatore from 3rd February 1958.

Laboratory and Workshop.—In the laboratories of the circle office major servicing of Radio sets, amplifiers and 16 mm. Projectors, which are under departmental maintenance repairs to petrol generators, and battery charges, which are in use at the various service stations, rewinding of transformers and chokes, repairs to loudspeakers and triller units chokes, etc., are being done.

Maintenance charges.—There has been no change in the rate of maintenance charges recoverable from Panchayat Boards, Private Bodies, etc., revision of maintenance charges is still under consideration.

Installation of Radio sets.—During the period under report, 418 sets were installed in the rural centres.

Audio visual education.—Four Community radio sets were installed in schools under the audio visual education scheme during 1957-58.

Adult education.—Thirteen Community radio sets were installed in adult school during the period and taken for departmental maintenance.

Programme transmission and planning.—Planning of the Rural Programmes continues to be entirely in the hands of the All-India Radio.

Tuning, arresting and working hours of sets.—There has been no change in the working hours of the rural sets as also in the policy of tuning and arresting the sets.

This Department continued to make arrangements for Public Address System at meetings addressed by High Personages. Special equipments for this purpose were sanctioned by Government. A list of important meetings, addressed by the High Personages where public address system were installed and are supervised by this department is given below—

(1) Inter-State Seminar held at Kodaikanal on 1st and 2nd April 1957.

(2) Inauguration of Neiveli Lignite Project on 20th May 1957 by the Hon'ble Prime Minister of India.

(3) Fifth meeting of the Working Party of Small Scale Industries of the United Nations Economic Commission to East and Far East from 17th to 24th June 1957.

(4) Commonwealth Parliamentary Association meeting on 2nd July 1957.

(17) The inauguration of the Chinnar Anicut Scheme on 21st February 1958 by the Hon'ble Minister for Public Works.

Mobile publicity equipment.—The six publicity vans now under the control of the Director of Information and Publicity, consequent on the introduction of Integrated Publicity Scheme continues to be maintained by this Department. The Cinema Trailer Units and other allied equipments coming under National Extension Service and Community Development Blocks, are also maintained by this Department.

Services rendered to other departments.—The service and technical advice of this Department were sought by and rendered to other departments of this State, such as Education, Jails, Public Health, Women's Welfare, Co-operation, Community Project, National Extension Scheme, Prohibition department, etc.

Assistance to the radio industry, wireless and technical education.—This Department continues to conduct standard test on radio components and accessories on receipt by prescribed fees.

Battery section.—There is a separate battery section with one battery mechanic to attend to the charging and testing of new batteries and repairing old serviceable batteries. During the year, 576 batteries were examined, 596 batteries recharged and 93 batteries tested for capacity.

Wire Broadcasting Systems.—During the year under review, Wire Broadcasting System was installed in Ambur Municipality on 12th January 1958.

Revision of maintenance charges of Wire Broadcasting System is under consideration.

Exhibition.—This department took part in the exhibition held at the Teynampet Congress Grounds. Several novel devices were exhibited; which proved quite popular, one was a working model of the simultaneous interpretation system, used in International Conferences. Another was the inductophone which receives signals by induction. A third exhibit was a model train the operations which were automatically controlled by electronic devices.

Original works.—Income limit of Rs. 2,000 fixed for the supply of community radio receivers to centres, has since been removed by Government. Departmental maintenance in respect of centres whose annual income does not exceed Rs. 2,000 was left to the option of the centres themselves. During the year 75 dry battery sets and 25 main sets were supplied by the Government of India under the Subsidy Scheme.
