OFFICE OF THE DIRECTOR OF MEDICAL SERVICES, MADRAS.

Dated 22nd November 1958.

From

DR. V. R. THAYUMANASWAMI, M.S., F.R.C.S., M.CH. (Ortho.),

DIRECTOR OF MEDICAL SERVICES,

Madras-6.

To

THE SECRETARY TO GOVERNMENT,

HEALTH, EDUCATION AND LOCAL ADMINISTRATION DEPARTMENT,

Madras.

SIR,

[Report—Annual Report on the working of Civil Hospitals and Dispensaries in Madras State for the year ending 1957.]

I submit herewith the Annual Report on the working of Civil Hospitals and Dispensaries in the Madras State for the year 1957.

2. Lieut-Col. Sangham Lal, M.B.B.S., F.R.C.S., D.O.M.S., (Lond.), held the post of Director of Medical Services, Madras, up to and inclusive of 16th September 1957. Dr. P. S. Natesan, Assistant Director of Medical Services (Integrated Medicine), Madras, held charge of the post for two days on the 17th and 18th September 1957. Dr. V. R. Thayumanaswami, M.S., F.R.C.S., M.CH. (Ortho.), took charge as Director of Medical Services, Madras, on 19th September 1957 forenoon and continued to hold the post till the end of the year.

3. *Madras Medical Service.*—A post of State Family Planning Officer was created in the office of the Director of Medical Services, Madras. The Madras Public Service Commission recruited 139 candidates by direct recruitment for appointment as Assistant Surgeons in the Madras Medical Service. In addition, 88 candidates were appointed by Government under emergency provisions as temporary Assistant Surgeons in the Madras Medical Service.

4. *Training of Medical Officers in foreign countries.*—During the year 1957, four Medical Officers were deputed abroad, one for undergoing post-graduate training in Anaesthesia, and the others for training in Leprosy Control, Orthopaedic Surgery and Cardiology. In addition to this, Medical Officers were selected to undergo training in Radiology and Tuberculosis.

5. *Madras General Service.*—Regular selection of candidates for appointment as Lay Secretary and Treasurers was made by the Madras Public Service Commission, Madras.

6. *Honorary Medical Officers.*—There was no change in the system of appointment of Honorary Medical Officers in Government medical institutions.

7. *Nursing Staff—(a) General.*—During the year under report, the following additional posts of Nursing Superintendents, Head Nurses and Nurses were sanctioned for various Government Hospitals in the State on account of the increase of bed-strength and to provide adequate Nursing Staff in accordance with the scales laid down by the Government :—

Nursing Superintendent, Grade I ..	1
Nursing Superintendent, Grade II ..	1
Nursing Superintendent, Grade III ..	1
Nursing Tutor, Grade I ..	1
Nursing Tutor, Grade II ..	4
Head Nurses ..	8
Nurses ..	183

The rates of dearness allowance payable to the members of the Nursing Staff were revised and they were given an increase of Rs. 7 per mensem with effect from 1st March 1957.

(b) *Nursing Education and Training.*—(1) The Integration of Public Health Nursing in the basic course for nurses commenced from July 1957 in the Government General Hospital and Government Stanley Hospital, Madras, with the assistance of the World Health Organization and the Central Government, respectively.

(2) The Auxiliary Nurse-Midwives Course was implemented in the Kasturba Gandhi Hospital for Women and Children, Madras, from July 1957 with Central Assistance and thirty candidates were admitted for the training.

(3) Two Nurses were deputed for undergoing Post-Certificate Course in Psychiatric Nursing at the All-India Institute of Mental Health, Bangalore.

(4) One Man Nurse was deputed for undergoing Diploma Course in Dietetics at the All-India Institute of Hygiene and Public Health, Calcutta.

(5) One Nurse was deputed for undergoing Public Health Nursing Course at the All-India Institute of Hygiene and Public Health, Calcutta.

(6) One Nursing Tutor, Grade II, was deputed for undergoing Post-Certificate Course for Midwifery Tutors at the College of Nursing, New Delhi.

(7) One Nursing Tutor, Grade II, and one Nurse were deputed for undergoing "Public Health Nursing Course" conducted by the Director of Public Health, Madras.

(8) Two Nursing Superintendents, two Nursing Tutors and one Head Nurse were deputed for short-term Refresher Courses conducted with the assistance of the World Health Organization/UNICEF.

8. *Registration.*—The number of Registered Medical Practitioners in the Madras Medical Register was 11,120. The number of Registered Pharmacists was 2,027.

9. *Provincialization of medical institutions under the control of local bodies.*—During the year under report four Local Fund Taluk Headquarters institutions and two rural dispensaries were provincialized.

10. *Increase of bed-strength.*—The bed-strength of the following Government medical institutions were increased during the year 1957 :—

	From	To
(1) Government Mental Hospital, Madras.	888	1,800
(2) Government Hospital, Perambalur.	16	20
(3) Government Headquarters Hospital, Tiruchirappalli.	275	360
(4) Government Hospital, Attur ..	32	40
(5) Government Hospital, Tindivanam.	24	44

11. *Leprosy*.—Under the Leprosy Control Scheme sponsored by the Government of India, three Leprosy Subsidiary Centres were sanctioned by the Government during the year under report in the following places :—

- (1) Leprosy Subsidiary Centre at Tiruvettipuram, North Arcot district.
- (2) Leprosy Subsidiary Centre at Tiruchuli, Ramanathapuram district.
- (3) Leprosy Subsidiary Centre at Ariyalur, Tiruchirappalli district.

The Leprosy Subsidiary Centre at Tiruvettipuram started functioning. The centres at Tiruchuli and Ariyalur could not be opened before the end of the year.

12. *District Laboratories*.—Under the scheme for the Development of Public Health Laboratory Services, sponsored by the Government of India, the State Government have sanctioned the establishment of two District Laboratories at Salem and Tanjore during the year under report and necessary arrangements for securing accommodation, etc., were made; but both of them could not be opened before the end of the year under report.

13. *Community Projects—Primary Health Centres*.—For the year under report, the Government have sanctioned the establishment of 28 Primary Health Centres in this State. Out of this number, 20 centres have been opened and the remaining 8 will be opened shortly.

14. *Diet Kitchens*.—Two special Diet Kitchens were opened, one in the Government General Hospital and the other in the Government Stanley Hospital, Madras.

15. *Child Guidance Clinics and Psychiatric Departments*.—At the Government General Hospital and Government Stanley Hospital, Madras, the Child Guidance Clinics and Psychiatric Departments were upgraded.

16. *Tuberculosis*.—(1) The following schemes are contemplated under the Second Five-Year Plan :—

- (1) Intensification of B.C.G. Vaccination Programme.
- (2) Establishment of well equipped and adequately staffed Tuberculosis Clinics in District Headquarters Hospitals.
- (3) Isolation of advanced cases of Tuberculosis.
- (4) Provision of an After-care and Rehabilitation Centre for ex-Tuberculosis patients.

The Public Health Department is in charge of item (1) referred to above.

(2) Government have sanctioned the upgrading of Tuberculosis Clinics in the Erskine Hospital, Madurai, Government Headquarters Hospital, Coimbatore and Tanjore, and sanctioned additional buildings at a cost of Rs. 1,38,000, 1,41,000 and Rs. 50,000 respectively during 1957-58. The upgraded clinics have started to function in temporary accommodation pending construction of buildings. Government have also approved the proposal for the construction of a Tuberculosis Ward of 30 beds in the Government Headquarters Hospital at Tiruchirappalli at a total cost of Rs. 78,500.

(3) Under the Plan it is proposed to provide about 140 isolation beds in Madras City and 60 isolation beds near Madurai. The Corporation Tuberculosis Hospital at Otteri is proposed to be taken over under State Government control and the hospital will be expanded by providing 140 isolation beds.

A new Tuberculosis Sanatorium is under construction at Austinpatti, near Madurai. The Government have sanctioned the construction of additional wards for providing 60 isolation beds in this Sanatorium. The construction work is expected to commence in 1958 after drawing up detailed plans and estimates.

(4) An After-care and Rehabilitation centre already exists in the Tuberculosis Sanatorium, Tambaram, to take care of 45 cured cases that have to continue to be under

medical supervision. The accommodation available is not adequate and it is proposed to expand the facilities and also introduce suitable cottage industries, like watch repairing, basket making, paper bag making, etc. An estimate for Rs. 2.25 lakhs for construction of an additional hostel for 55 ex-patients and other subsidiary buildings (such as watch repairing shed, etc.), has been prepared and work on construction will commence in 1958.

During the year 1957, five Medical Officers were deputed to attend the XIV International Conference held in New Delhi.

17. *Blood Bank*.—Nine Medical Officers were trained in Blood transfusion and Resuscitation work during the year 1957.

The Blood Bank Team of the King Institute, Guindy took part in the exhibitions held in the City and mufassal with a view to popularise blood donation and to impress on the general public the importance and harmlessness of blood donation. In order to attract more donors, the rate of remuneration per donor was also raised from Rs. 5 to Rs. 7 per donation.

During the year under report, the Government have sanctioned the opening of three blood banks, one in each of the Government Hospitals at Kumbakonam, Nagapattinam and Coonoor. These blood banks have not yet been opened.

18. *Medical Education*.—The number of admissions to the M.B.B.S., Courses in the Madurai Medical College, Madurai, was increased from 70 to 100.

Upgrading of departments.—The Department of Radiology in the Government General Hospital, Madras, and the Pediatrics Department of the Madras Medical College, Madras, were upgraded during the year 1957.

The conversion of the Department of Hygiene, Madras Medical College, Madras, into the Department of Social and Preventive Medicine with the assistance of the Government of India was approved by the Government during the year 1957 and the same was implemented.

M.B.B.S. Course—Introduction of a Preliminary Course.—The University of Madras has, as part of the scheme of re-organization of the University Courses of studies, introduced from the academic year 1957-58 a pre-professional course of one year's duration as a preliminary to undergoing the degree courses of studies in the professional Colleges concerned. Accordingly this pre-professional course has been introduced for the degree courses of M.B.B.S., B. Pharmacy and B.D.S.

Student Internship—Introduction of.—A post-examination training for a period of one year called "Student Internship" has been introduced from the year 1957. In accordance with this every student who qualifies himself for the M.B.B.S. degree has to undergo further training as detailed below.—

	Months.
Medicine	3
Surgery	3
Public Health	3
Midwifery	3
Total	12

There is, however, no examination held at the end of this training. The degree of M.B.B.S. is awarded after the training is completed.

Refresher course for Medical Officers.—In view of the benefit derived by the Medical Officers by attending the Refresher course, the scheme was continued during the year under report.

Medical Bulletin.—The printing and publication of the *Medical Bulletin* for distribution to the Medical Officers of this State, etc., was continued during the year.

Dental Council of India.—An election to the Dental Council of India was conducted to fill in the vacancy caused by the expiry of the term of Office of Dr. C. A. Pillai, under clause (a) of section 3 of the Dentists Act, 1948, but as no nomination was filed, a re-election was ordered by the Government.

War educational concessions.—The modified scheme of educational concessions to the children and dependants of Defence Services Personnel was continued during the academic year 1957-58.

Short-term training course in special subjects.—The scheme of short-term training course in special subjects of Surgery, Radiology, Anaesthesia and Pathology for the benefit of the Medical Officers of the Madras Medical Service and Private Medical Practitioners of this State and other States was continued during 1957.

19. *Eye Bank*.—There is already an Eye Bank functioning at the Government Ophthalmic Hospital, Madras, during the past few years. Another Eye Bank at the Erskine Hospital, Madurai, was opened during the year under report.

20. *Influenza epidemic*.—There was an outbreak of Influenza in an epidemic form during the months of May and June 1957, the infection having been imported from Singapore. Suitable and appropriate arrangements including the opening of a quarantine camp at Poonamallee were made to treat cases of influenza isolated from the incoming ships. In addition some cases were also treated in the Infectious Diseases Hospital, Tondiarpet, Medical and para-Medical personnel were deputed and medicines required were also arranged to be supplied to them.

21. *Drugs Act, 1940 and Drugs Rules, 1945—Drugs Rules*.—During the year 1957 the following licences were issued.

	Number of licences issued.			
	For sale premises.		For manufacturing drugs.	
	Biological	Non-Biological	Biological	Non-Biological
For new	792	791	3	29
For renewals	306	296	22	(both Biological and non-Biological).

During the year under report 58 prosecutions were launched under the Drugs Act, 1940. Forty-two prosecutions were decided during the year, of which 38 cases ended in conviction of the accused while 4 cases ended in acquittal.

In order to educate the dealers, manufacturers, doctors and the public on the various provisions of the Drugs Act, 1940 and the Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954 and to explain to them the working of the Drugs Control Administration of this State a stall was opened in the All-India Khadi Swadeshi and Industrial Exhibition held at Madras from December 1957. Some of the spurious and adulterated drugs detected were exhibited along with the genuine ones. Charts and diagrams on spurious drugs were also exhibited so as to give instructions to the public as to how they should guard themselves from the menace of spurious drugs. A documentary film on 'spurious drugs' was also shown. This stall in particular was very much appreciated by the public.

22. *Employees' State Insurance Scheme*.—During the year 1957, the Employees' Medical Benefit Scheme continued to function satisfactorily at Madras, Coimbatore, Madurai, Ambasamudram and Tuticorin and the medical benefit provisions of the scheme covered a total number of 121,500 workers serving in these areas. Twenty-seven State Insurance Dispensaries (14 at Madras, 6 at Madurai, 5 at Coimbatore, one at Tuticorin and one at Vickramasingapuram) and two mobile van dispensaries (one at Madras

and one at Coimbatore) were established to provide medical treatment for these insured workers. The mobile van dispensary service was introduced to cater to the needs of insured persons who resided in sparse areas where there were no Employees' State Insurance Dispensaries. Besides, certain employees' medical facilities available at Madras, Madurai, Ambasamudram and Tuticorin were taken under utilization scheme to the extent necessary. There were also part-time doctors to cater to the needs of the workers who resided in remote areas and they are now working at Red Hills and Lower Dam Camp Dispensary, Papanasam, and in the Government Hospital, Ambasamudram.

In order to provide additional facilities for the treatment of Employees' State Insurance workers suffering from Tuberculosis in Madras, the Chemotherapy Centre at the Tuberculosis Institute, Egmore, was recognized as a specialist institution under the scheme. A tuberculosis ward of 25 beds has been constructed at the Government Headquarters Hospital, Coimbatore, for the exclusive use of the Employees' State Insurance patients of that area. A separate annexe for the exclusive use of the Employees' State Insurance patients is to be constructed at the Erskine Hospital, Madurai, and the construction of a ward at Madras is under correspondence with the Government.

A mobile X-ray plant for use in the Employees' State Insurance Hospital, Madras has been purchased. The Government have approved the proposal for providing specialist treatment for the insured persons suffering from Cancer at Government General Hospital, Madras, Government Women and Children Hospital, Madras, and at the Erskine Hospital, Madurai.

23. *Advisory Committees in the medical institutions*.—The Advisory Committees of the Government Hospitals which were constituted to keep the Director of Medical Services and the Government informed as to the needs of the Hospitals as viewed by the public, continued to do useful work. The members took keen interest in providing additional amenities for the patients and made useful suggestions. Some of the members paid surprise visits periodically to the institutions. The suggestions made by the members both during the meetings and during their surprise visits were considered and given effect to as far as practicable.

24. *Five-Year Plan Buildings*.—(1) Government have sanctioned the construction of new Headquarters Hospital buildings for 100 and 126 beds at a cost of Rs. 17,50,000 and Rs. 15,00,000 at Palayamkottai and Chingleput respectively. The Government have also sanctioned the construction of an addition block of 100 beds at a cost of Rs. 13,90,000 in the compound of the Government Headquarters Hospital, Cuddalore, during 1957-58. Construction work will begin after drawing up detailed plans and estimates.

(2) Government have sanctioned the construction of additional wards in the Government Taluk Headquarters Hospitals at Walajah (North Arcot district), Kodaikanal, Dindigul and Periyakulam (Madurai district), Gudalur (The Nilgiris district), Mudukulathur (Ramanathapuram district), Nanguneri, Ambasamudram and Tenkasi (Tirunelveli district) during 1957-58. Construction will begin after drawing up detailed plans and estimates.

(3) The Government have also sanctioned the following major works in City Institutions, viz. :—

(i) Construction of an operation theatre and surgical ward at a cost of Rs. 2.20 lakhs in the Hospital and College of Integrated Medicine, Madras, during 1957-58.

(ii) Construction of a separate building for Paediatric Department in the Government General Hospital, Madras, at a cost of Rs. 3.90 lakhs during 1957-58.

(iii) Provision of two lifts and construction of linen room in the Government Kasturba Gandhi Hospital for Woman and Children, Madras at a cost of Rs. 88,400.

(iv) Remodelling of out-patient department in the Government Royapettah Hospital, Madras, at a total cost of Rs. 2.00 lakhs.

(v) Provision of additional floor for operation theatre in the Tuberculosis Sanatorium, Tambaram, at a cost of Rs. 67,000.

(vi) Construction of a separate dental wing in the Madras Medical College, Madras, at a cost of Rs. 9.20 lakhs.

For all the building schemes mentioned above, detailed plans and estimates will have to be prepared before commencement of work and construction will actually begin in 1958.

Veneral Diseases Clinics.—Under the Second Five-Year Plan, it is proposed to establish in each District Headquarters Hospital an up-to-date Venereal Diseases Clinic. The opening of Venereal Diseases Clinic in the Headquarters Hospitals, Ramanathapuram, Cuddalore and Vellore and the upgrading of the Venereal Diseases Clinics in the Headquarters Hospital, Coimbatore and the Erskine Hospital, Madurai, was sanctioned. The upgrading of the Venereal Diseases Clinics at Coimbatore and Madurai was given effect to. Due to shortage of medical personnel, Medical Officers could not be posted to the other three hospitals, but the other staff sanctioned for the clinics, viz., social worker, nurse, etc., were filled up and the Venereal Diseases Clinics were actually opened.

Dental Clinics.—The Government have sanctioned the opening of the dental clinics in the Headquarters Hospitals at Tanjore, Palayamkottai, Cuddalore, Tiruchirappalli and the Erskine Hospital, Madurai. Out of the above only one dental clinic, viz., at the Erskine Hospital, Madurai was opened during the year.

25. Family Planning.—During the year 1957 the Government ordered for the opening of 14 urban and 84 rural family planning centres in this State. All the 14 urban family planning centres have started functioning. Out of the 84 rural centres, 59 centres have started functioning and places for locating 15 centres have been selected and necessary staff to these 15 centres will be posted shortly. To achieve the target of 84 Rural centres, necessary arrangements are being made to select places for the remaining 10 rural centres.

A family planning training institute was opened at the Government Hospital for Women and Children, Madras and so far about 60 women nurses and 20 men instructors were trained.

The Government have ordered the starting of the Pudukkottam Pilot Project by the Corporation and it has already started functioning. This project is to intensify the scheme by domiciliary visits by the Family Planning Staff and to concentrate the propagation work in a particular area.

The Government sanctioned a vasectomy subsidy scheme and have also appointed a retired Civil Surgeon of the Madras Medical Service to perform Vasectomy operations on persons directed by the Family Planning Staff of the Government and Corporation Clinics. A subsidy at the rate of Rs. 25 per operation is sanctioned.

The Corporation organised a family planning stall in the All-India Congress Exhibition, Madras-6.

The Government of Madras published a Family Planning Manual (English and Tamil) and it has been released for sale to the public at Rs. 0.25 nP. per copy at the Government Press, Madras, Office of the Director of Medical Services, Madras and also throughout all the Family Planning Clinics. During the All-India Khadi, Swadeshi and Industrial Exhibition held at Madras during December, 1957, a Family Planning Stall was organised and about 15,000 copies were sold at the exhibition. At the Office of the Director of Medical Services

about 1,000 English and 500 Tamil version of Family Planning Manuals were sold during the year under report. Copies of Family Planning Manuals were distributed free of cost to married Non-Gazetted Officers, Registered Medical Practitioners and other deserving persons.

26. Contracts and diets.—Diet articles, etc., required for use in the various Government Medical Institutions in the State were as usual obtained generally under the tender system. As in the past, re-tenders were invited in cases where the original tender rates were found to be high or where no tenders were received. The Heads of Medical Institutions kept a watch over the supplies by contractors. Samples of diet articles were sent periodically to the Government Analyst for test. The supplies were on the whole satisfactory.

The Government sanctioned the continuance of the single tender system for all the Government Hospitals in the City in respect of the major diet articles. Accordingly the requirements of all these hospitals were pooled together and a single tender for the supply of these articles was invited by this office.

Handpounded rice required in the Government Hospitals was obtained from the Cottage Industrial Co-operative Societies and Government units engaged in the production of handpounded rice.

In order to encourage Agmark products of the diet articles, the Government have ordered that preference should be given to the Agmark products while accepting tenders for the supply of diet articles.

The permissible cost of extra diet and substitute diet was continued at Re. 1 in the case of general ward patients irrespective of the class of diet for which it was substituted.

STATISTICS.

Statement A.

27. This statement gives the classification of Medical Institutions in the State in six different classes, viz., Class I State Public, Class II State Special, viz., Police, Forest, Canals, Railways and others, Class III Local Fund and Municipal, Class IV Private Aided, Class V Private non-aided, Class VI Subsidized Rural Dispensaries. At the commencement of the year 1957, there were 736 institutions of all classes and at the end of the year there were 773 Institutions.

Out of the 45 Medical Institutions opened during the year 1957, 17 were State Public, one State Special, 13 Local Fund and Municipal, one Private Aided, 3 Private non-aided and 10 Subsidized Rural Dispensaries. The number of State Public and Local Fund and Municipal Institutions working at the end of the year was 187 and 336 respectively, as against 172 and 323 at the beginning of the year 1957. Of the remaining Medical Institutions working at the end of the year, 64 were State Special, 33 Private Aided, 47 Private non-aided and 106 Subsidized Rural Dispensaries. Of the total number of 773 Medical Institutions working at the end of the year 1957, 712 were General Hospitals and Dispensaries, 3 Institutions were for women and 23 were specialist Institutions, such as Ophthalmic, Dental, Tuberculosis, Leprosy and Infectious Diseases Hospitals, Sanatoria, etc.

Statement B.

28. Distribution of medical personnel.—This statement shows the distribution of medical personnel at the headquarters of the State and at the district headquarters and other urban areas.

The total number of Medical Officers of all classes was 1,554 at the end of the year 1957, as compared with 1,513 in 1956. The total number of salaried Medical Officers of all classes was 1,128 during 1957 as compared with 1,112 in 1956. The number of Honorary Medical Officers

at the end of the year 1957 was 426 as compared with 401 in 1956. The total number of Nurses for 1951 and 1957 was 1,434 and 1,621 respectively.

Statement C.

29. The number of in-door and out-door patients treated in the State Public, Local Fund, Municipal, Private Hospitals and Dispensaries and the Subsidized Rural Dispensaries.—The total number of beds available in the medical institutions for both sexes at the end of 1957 was 21,282 as against 16,692 at the end of 1956. The number of beds available for women alone in 1957 was 10,383 as compared with 8,363 at the end of 1956.

The total number of in-patients treated in all classes of hospitals during the year 1957 was 775,929 as against 748,545 during 1956.

The total number of out-patients treated during 1957 was 20,560,364 as compared with 21,001,726 in 1956.

Deaths.—The number of deaths in hospitals was 24,876 during 1957 as compared with 37,481 during 1956.

Statement D.

30. Various kinds of diseases, etc., of the In and out-patients treated in the State Public, Local Fund, Municipal, Private-Aided Hospitals and Dispensaries and Subsidized Rural Dispensaries.—Among the various diseases treated in the medical institutions during the year 1957, those which accounted for the largest number of patients are as shown below:—

Tuberculosis	208,361
Syphilis	119,211
Gonococcal infection	114,278
Dysentery	851,642
Malaria	446,905
Diseases of the eye	1,486,039
Leprosy	151,855
Influenza	1,119,403
Other parasitic and infectious diseases.	494,226
Anaemia	574,220
Asthma	308,317
Teeth and Gum diseases	714,045
Acute Bronchitis	844,845

Statement E.

31. Surgical operations performed.—The total number of operations performed in the medical institutions of all classes during the year 1957 was 529,509 of which 523,506 were principal and 6,003 were secondary as compared with 490,477 (principal 487,525 and 2,952 secondary) during 1956.

The total number of deaths among the patients who underwent operations during 1957 was 1,011 compared with 1,183 during 1956. The percentage of deaths to total operations performed was 0.17 in 1957 as against 0.23 in 1956.

Statement F.

32. The total receipts under the various heads such as contribution from Government, local bodies, fees recovered from patients, amounted to Rs. 3,22,10,212 during 1957 as compared to Rs. 2,80,18,456 during 1956.

The total expenditure under the various heads such as salaries to staff, medicines, diet charges, buildings, etc., amounted to Rs. 2,92,60,316 during the year 1957 as compared with Rs. 2,90,79,539 in 1956.

Statement G.

33. The amount of invested capital at the commencement of the year 1957 was Rs. 9,07,552.36. The amount invested during the year 1957 was Rs. 19,840.44 and the amount withdrawn during 1957 was Rs. 371.25. The closing balance of the invested capital was Rs. 9,26,661.55.

34. Medical lending libraries.—The number of members on roll at the beginning of the year 1957 was 476 and that at the end of the year was 571. The number of books at the beginning and at the end of the year was 4,593 and 4,610 respectively.

The total receipts during 1957 was Rs. 3,540.67 and the total expenditure was Rs. 1,627.48.

35. Inspection of hospitals and dispensaries.—The inspection of medical institutions in each district was carried out satisfactorily by the respective District Medical Officers.

The number of medical institutions inspected by the Director of Medical Services during the year 1957 was 37.

The number of medical institution inspected by the Assistant Director of Medical Services (Medical) and Assistant State Drugs Controller, Madras State, during the year is 37.

The number of medical institutions inspected by the Assistant Director of Medical Services (I. M.) during the calendar year 1957 is 106.

The account of 23 Government medical institutions, viz., 10 city hospitals, 6 district headquarters hospitals and 16 taluk headquarters hospitals were inspected by the Assistant to the Director of Medical Services (Accounts) including 10 surprise checks both in the city and mufassal institutions.

36. General.—I wish to place on record, my appreciation of the efficient manner in which the District Medical Officers and the Heads of the Medical Institutions carried out the administration of the Medical Institutions under their control during the year under report.

Yours faithfully,

V. R. THAYUMANASWAMI,
Director of Medical Services.

Abstract.

HEALTH, EDUCATION AND LOCAL ADMINISTRATION DEPARTMENT

(Health)

G.O. No. 1413, 25th April 1959

Report—Civil Hospitals and Dispensaries of Modern Medicine—Annual Report for 1957—Reviewed.

READ—the following paper:—

From the Director of Medical Services, dated the 22nd November 1958, No. P. 400-E3/58.

Order—No. 1413, Health, dated 25th April 1959.

Recorded.

2. **Medical Relief.**—The number of medical institutions of all classes working in the State increased from 736 in 1956 to 773 (251 Government institutions, 336 Local Fund institutions, 80 private institutions and 106 subsidized rural dispensaries) during the year under review. There was a corresponding increase in the number of beds available for both sexes in these institutions from 16,692 to 21,282. The number of in-patients treated in these institutions also increased from 718,545 to 775,929. The out-patients treated in the year were 205,60,364 as against 21,001,726 during 1956. There was a decrease in the number of deaths from 37,481 in 1956 to 24,876 in 1957.

The number of operations performed in the medical institutions of all classes increased from 490,477 in 1956 to 529,509 in 1957, while the percentage of deaths to the total number of operations decreased from 0.23 to 0.17.

3. **Tuberculosis and Leprosy.**—During the year under review, the upgrading of the Tuberculosis Clinics in the Government Erskine Hospital, Madurai, and Government Headquarters Hospitals at Coimbatore and Tanjore was sanctioned and the upgraded clinics commenced to work during the year itself. A Leprosy Subsidiary Centre was also opened under the Leprosy Control Scheme of the Government of India.

4. **Blood Bank.**—During the year, training in blood transfusion and resuscitation work was imparted to nine Medical Officers. The Blood Bank Team of the King Institute, Guindy, participated in the different exhibitions conducted in the City as well as metassal with a view to popularise blood donation and to impress upon the public the importance and harmlessness of the donation. The rate of remuneration was raised from Rs. 5 to Rs. 7 per donation during the year.

5. **Family Planning.**—Fourteen Urban and 84 Rural Family Planning Clinics were sanctioned during 1957. All the 14 Urban and 59 out of 84 Rural Family Planning Clinics have started functioning. A Family Planning Training Institute was also established and 60 women and 20 men instructors were trained up to the end of the year. A Pilot Project for Intensive Family Planning Work in the Pudupakkam area of Madras City was sanctioned and it began to function. With a view to popularise Vasectomy operations a scheme for the payment of a subsidy of Rs. 25 per operation to approved private medical practitioners in Madras City was instituted. Propaganda for inducing the public to take to Family Planning was made by the opening of Family Planning stalls in the exhibitions and by the publication and supply of a Family Planning Manual both in Tamil and English at low cost. Free supply of copies of the Manual was also made to married non-Gazetted Officers, registered medical practitioners and other interested persons.

6. **Medical Bulletin.**—The publication of the Medical Bulletin every quarter for the use of the medical practitioners was continued during the year under review.

7. **Administration of Drugs Act.**—Two thousand, two hundred and thirty-nine licences both for sale premises and for the manufacture of drugs were issued during the year. Of these, 1,615 were new licences and 624 were renewals. Out of the 58 prosecutions launched for infringement of the provisions of the Act and the rules framed thereunder, 42 were decided in the year, 30 ending in conviction and 4 in acquittal. The Drugs Section Stall opened at the All-India Khadi and Swadeshi Exhibition during December 1957 and the exhibition of documentary film on "Spurious Drugs" were appreciated by the public.

8. *Medical Services.*—During the year under review four Medical Officers were deputed abroad, one for post-graduate training in Anaesthesia and the others for training in Leprosy Control, Orthopaedic Surgery and Cardiology.

9. *Honorary Medical Officers.*—The honorary system continued to be popular and the honorary medical officers did useful work.

10. *Nursing Staff.*—Additional posts were created to cope with the increase of work in hospitals due to the sanction of additional beds and to bring the complement of staff to the level of the prescribed scale.

11. *Medical Education.*—The total number of seats available in the medical colleges at Madras and Madurai during the review year was 345. In accordance with the revised regulations of the University a pre-professional course of one year duration as a preliminary to the M.B.B.S., B.(Pharmacy) and B.D.S. Degree Courses was introduced in the year. A scheme for the training for a period of one year called "Student Internship" was also instituted for the students passing the M.B.B.S. Degree examination. No examination is conducted at the end of the training and the degree is awarded to the students after the completion of the training. During the year, the Departments of Radiology in the Government General Hospital, Madras, and the Paediatrics Department in the Madras Medical College, Madras, were upgraded, while the Department of Hygiene in the College was converted into that of Social and Preventive Medicine. The refresher courses as well as short-term courses in the special subjects of Surgery, Radiology, Anaesthesia and Pathology for the benefit of the State Medical Officers, private medical practitioners, etc., were continued during the year under review.

12. *Buildings.*—The construction of new buildings for the District Headquarters Hospitals at Palayam-

kottai and Chingleput and of a ward of 100 beds in the Cuddalore Headquarters Hospital was sanctioned in the year under review. Schemes for the improvements to a number of other hospitals in the mufassal and City Medical Institutions were also sanctioned in the year.

13. *Hospital Advisory Committees.*—These Committees continued to do useful work during the year.

14. *Employees' State Insurance Scheme.*—During the year, the scheme continued to function satisfactorily at Madras, Coimbatore, Madurai, Ambasamudram and Tuticorin, covering a total number of 121,500 workers. Twenty seven State Insurance Dispensaries, 14 in the City and the rest in mufassal places and two Mobile Dispensaries at Madras and Coimbatore were established to provide medical treatment to insured workers. With a view to provide additional facilities to insured workers for treatment of tuberculosis, the Chemotherapy Centre at Egmore was recognized as a specialist institution under the Scheme. A Tuberculosis Ward of 25 beds was also put up at the District Headquarters Hospital, Coimbatore, for the benefit of these workers.

15. *Special Clinics.*—Sanction was accorded during the year 1957 for the establishment of Venereal Diseases Clinics in the District Headquarters Hospitals at Ramanathapuram, Cuddalore and Vellore and for the upgrading of the Clinics in the Government Erskine Hospital, Madurai and Headquarters Hospital, Coimbatore. All these five clinics started functioning during the year under review. A Dental Clinic in the Erskine Hospital and two Special Diet Kitchens in the Government Stanley and the Government General Hospitals at Madras were also opened during the year.

16. *General.*—The medical institutions continued to be very popular during the year. The administration of the Hospitals and Dispensaries was on the whole good.

(By order of the Governor)
