### Physical Education :

The Department began its activities early in July and had the usual elections of captains and office-bearers of the various teams.

The Cricket team did very well in the Inter-collegiate League series and also in the University Knockout tournament. In the Jain College tournament we won in several rounds. This year the Volley-

Ball Team did exceptionally well in all the tournaments, including the Jain College Tournament. The Foot ball, Hockey and Basket-ball teams were not as strong as they used to be. The Tennis team made a mark in the League and Knockout series and in Jain College tournament we won.

As usual we began the two external tournaments--Tarapore Loganathan Cricket and Principal Krishnamurthy Hockey. But we were able to complete only the Hockey tournament, due to unforeseen causes. Of the two festival matches in Cricket, we could conduct only N. V. P. Memorial tournament between the Science and Arts students.

A large number of entries were received from both men and women students for the annual Inter-class tournaments. Only a few matches could be gone through.

This year a commendable feature of our activities is a large programme of Internal competitions. The P.U.C. students were divided into eight groups and the First year Degree students into four and tournaments were conducted in various games for the P.U.C. and Degree students separately. The programme afforded the much sought after need for competitive game to the bulk of the students.

On 28-11-64 a batch of active members of the Forum visited Malembi and Keezhambi villages near Kancheepuram and conducted a Socio-Economic Survey. A family questionnaire was prepared by the Forum and on this information concerning the economic aspects of life in these two villages was collected. The survey conducted revealed among other things, that (i) the villagers were generally ignorant about our plans (ii) borrowings from indigenous private source were heavy (iii) most of the inhabitants were landless tillers of the soil and (iv) the per. capito income was also very low.

On 4-12-'64 a Plan Quiz Programme was held in the College. Quiz Master was Mr. M. Kumarasamy, M.A., Professor of Economics. Four batches of students consisting of 6 each representing P.U.C., I B.A., II B.A. and III B.A., took part in the programme.

**ADMINISTRATION REPORT**

Next to the Pachaiyappa's Estate, the most important Estate that is managed by the Trust Board is that of P. T. Lee Chengalvaroya Naicker. This gentleman who was born in 1829 and died in 1874 at the early age of 45, left the whole of his estate amounting to several lakhs of rupees, to be managed by the Trust Board for the establishment of an Orphanage, an Ayurvedic Dispensary and the promotion of Technical and Industrial Education.

The working of the various departments for the years are furnished separately.

The oldest Technical Institute in South India, the C. N. Technical Institute was established as early as 1906, long before our Government had bestowed any thought for attention on the promotion of Education of this type. To day it is a full fledged Polytechnic offering 3 years Diploma courses in Civil, Electrical and Mechanical Engineering leading to L.C.E., L.E.E., and L.M.E., Diploma of the State Board of Technical Education and Training to students who have been declared eligible for College courses. The Industrial School attached to the Polytechnic offers training in Foreman Mechanics (3 years), Electrical Engineering, Fitting, Carpentry, Moulding and Electrical Wiring (2 years each) and Hand-Loom Weaving Instructor's Course (1 year) for students with lower educational qualifications.

**Admissions :**

As usual there was a heavy rush for admission for this Institute for 180 seats available for the Diploma courses. 853 applications were received as against 773 applications received in the previous year. This huge rush resulted in many a deserving candidate not getting a seat in this institute. For the certificate courses also the number of applications received was far in excess of the number of seats available except for Electric Wiring and Weaving Instructor's courses.

Particularly for the Foreman Mechanic Course and Electric Engineering Courses there was heavy rush for admission.

We have to draw the attention of the Board of Trustees to the following points :—

**Educational Institutions :—** We have submitted individual Reports along with the respective Financial Statements.

#### Other Accounts :

**Bank Accounts and Balance Sheet :—** We repeat our suggestion that separate Bank Account for each account will facilitate easy and quick checking of bank accounts and reconciliation. Steps should be taken to present a Balance Sheet in the future.

**Securities Register :—** We suggest that all the Fixed Deposits be classified according to Banks which hold the same in a separate register, with columns for due dates of Principal and Interest.

**Adjustment of Old Balances Recoverable.**  
The following items require adjustment :

(1) **Estate General Account :**  
An advance due from D.R.S. School, Kancheepuram, of Rs. 15,500-00 and loan of Rs. 541-75 to Seshacharlu's Estate.

(2) **Endowment Account :—** Rs. 18-50 recoverable from Security Deposit Account is yet to be adjusted.

(3) **Sinking Fund Account.**  
No steps have been taken to adjust the advance of Rs. 10,000-00 to D.R.S. School, Kancheepuram and due amount of Rs. 111-52 being the Electric charges due by Sri N. P. Venkatachala Mudaliar.

(4) *Tennanigudi Estate Account* :—The loan from this Estate to :

(a) Seshacharu's Estate ... Rs. 3,000-00  
 (b) Pachaiyappa's Religious Charities Rs. 422-00  
 (c) Endowment Account Rs. 29-00

again appear in the closing balance on 31st March 1965. Adjustment of the above should be done without any more delay.

(5) *Security Deposit Account.*

Amount of Rs. 219-55 due to Sri T. Seshiah, Ex-Headmaster, Pachaiyappa's High School, Madras, should be settled by paying the amount to his legal claimant.

*General Points :*

(a) Income-tax recoverable :

Pachaiyappa's Estate  
 General Account Rs. 153-50  
 Endowment Account Rs. 1,052-29

Steps are being taken to recover the amount.

Necessary steps should be taken to recover these amounts.

(b) Advances from one Estate to the other Estate should be avoided, as it defeats the object of maintaining separate accounts.

Noted.

Main Estate to C.N.T. Institute have been made in anticipation of the sanction of the Financial Trustees. Subsequent ratifications by the Financial Trustees have not been shown to us.

We invite your kind reference to our remarks in our report on the Allied Charities for the year ended 31-3-63 regarding the deviation of funds from one Charity to another through consolidated State Bank Account. An abstract of the Bank balances as on 31-3-65 of Other Charities is given hereunder. This shows that even if all the Allied Charities are put together, as separate unit, the excess drawings of some of the Charities exceeds the credit balance in the Bank in respect of all the Other Charities falling under this group as shown in the statement. This implies that there is a borrowing from the Main Pachaiyappa's Charities by some of these Charities. We think this requires appropriate modification of the Scheme duly approved by the High Court. We have not been shown any such sanction.

We may add here that it would be advisable to have separate Bank accounts for each of the Estates. Further, separate Balance sheets of the several Charities may also be prepared at the end of each year, after proper valuation of Assets and Liabilities, so that the Financial position of each Estate may be ascertained.

### Chengalvaroya Naicker's Orphanage, Kancheepuram :

This Orphanage which was previously being run at Vepery, Madras has been shifted to Kancheepuram.

According to Receipt No. 1595 an amount of Rs. 5/- was received by way of sale of Medicine of Ayurvedic Dispensary. This has not been accounted in the Day Book maintained by the Warden of the Orphanage. As the receipts and payments of Ayurvedic Dispensary passed through the Warden a proper reconciliation between the books maintained by the Warden of the Orphanage and by the Dispensary should have been made, but has not been made.

### Chengalvaroya Naicker's Ayurvedic Dispensary :

This Dispensary which was being run for the last several years was run only upto 28-2-65 and then discontinued. A correct Receipts and Payments Account covering the period 1-4-64 to 28-2-65 has not been furnished to us.

### Chellammal's Estate :

There is an expenditure of Rs. 4,914-36 for Law Charges *vide* Cash Book folio 12. This sanction of the Trust Board for this expenditure has not been shown to us.

The cost value of the investments held in Government Securities have not been separately noted in the Ledger.

### Govindu Naicker's Estate :

Consolidated figure relating to cost price for all the investments have been worked and produced to the Auditors.

3% Conversion Loan 1946 Face value ... Rs. 13,000  
4% A.S.D. Loan 1967 .. .. Rs. 14,000

### Oomapathi Pattar's Estate :

Separate details of the cost price of the following Securities held as investments have not been furnished.

4% 1970-80 Bonds Face value ... Rs. 200  
3% Conversion Loan 1946 .. .. Rs. 400

### Chengalvaroya Naicker's Technical Institute Hostel :

The contingent bills of the Hostel are not being recouped quickly. As a result of this, collection cash has been retained in the office without being remitted to Bank promptly. The balance retained on 31-5-65 is Rs. 8,560-49.

The arrears of Mess dues outstanding as 31-5-65 amount to Rs. 21,348-37 as against Rs. 8644-87 on 31-5-64. When Caution deposits are taken from Inmates, the reason for such large arrears is not clear.

The arrears of Rs. 300/- due to a posting mistake in 1961-62 has neither been recovered from the concerned parties nor written off.

The outstandings regarding Caution deposits made by the inmates were not correctly extracted from the books. They have now been reconciled with the General Ledger.

As regards other Charities there are no particular remarks called for.

Our thanks are due to the Secretary and staff at various places for the co-operation extended to us in completing our work.
