REPORT OF THE AUDITORS

*Copy of Audit Report of Messrs. K. V. Chinnaraju, B.Com., F.C.A.,
Chartered Accountant, F. No. 1616 dated 26th Feb. 1975.*

Sir,

Sub : Audit of accounts of other Charities for 1973—1974

We have audited the accounts of the Charities mentioned in the Schedule-I for the year ended 31-3-1974 and wish to report as follows :

1. Defects common to all Charities :

a. Counterfoil receipts are issued for receipt of rents from tenants, loan from other charities, interest on Fixed deposits and interest on securities. While issuing receipts for rentals is necessary, it is not so necessary in the case of fixed deposit interest and Interest on Securities. The concerned advices from the Banks will form the basic record for the entry in the cash book. A credit slip can be prepared which may be signed by the Accountant and Secretary and on the strength of which the concerned clerk can write the accounts.

Noted for future guidance.

b. Monthly adjustment entries are passed debiting tenants and crediting rent demand. These entries are in the nature of journal entries and may be recorded in a separate book instead of recording in the latter part of the ledger. There is no authority for passing these entries nor are they signed by any officer of the Trust Board. So, journal vouchers may be got printed and used which will when signed by the Officers form the record for accounting.

It will be introduced.

c. All the cash book vouchers both for debit and credit are reported to be in the custody of the cashier. We would not have access to the vouchers easily since the cashier was for the most/part busy or on leave. Vouchers can remain with the concerned clerks who will be able to give them to us for the checking and also explain the transactions. Important papers like F. D. receipts, share certificates can of course be entrusted to the cashier for safe custody.

Noted.

2

d. In the ledger loans due from or to various estates are brought forward. There is no indication since how long they are outstanding. In such cases the date of original transaction may be noted in the new ledgers whenever they are brought forward. This applies to all balance brought forward.

Noted.

e. Interest on Fixed Deposit are received from various Banks. There is no indication available that the interest calculations with ref-

Noted.

erence to the rate of interest period etc have been checked by the office. In one case a difference was noticed and when pointed out the Bank rectified. The checking should be done regularly in all cases and entry should be made only after some assistant certificate that the calculations have been checked and found correct.

Noted

f. No index is prepared for ledger accounts.

g. Vouchers are not properly fastened and bundled.

They are meant for preservation for a few years and so they should be stitched and bundled yearwise.

h. The books of accounts are not signed by the Officers.

Noted for future guidance.

3

II The following are the defects applicable to various estates :

1. Govindu Naicker Estate :

The rent collected from Kanchipuram is sent every month by Demand Draft which involves bank charges and time. It is therefore suggested that a Bank account may be opened at Indian Overseas Bank, Kanchipuram in which the collections can be deposited and the bank advised to transfer the funds to Madras at par every month.

Steps are being taken.

The following balances are stated to be outstanding for a long time. Steps may be taken to recover them or write off :

	Rs.	P.
(1) Advance with Honorary Supervisor, Kanchipuram	19	84
(2) Advance with Office Engineer (T.K. Subramani Iyer)	260	00
(3) Outstanding Kanchipuram Land Rent	226	24
Total	506	08

Action will be taken.

2. Oleti Ranganayaki Ammal Estate :

A sum of Rs. 842.25 is shown as Income-Tax recoverable in the statements. There is no information as to what it represents and to which year it pertains. If it is an old item beyond limitation period for obtaining refund, it has to be written off.

The claim is pending with Income-Tax authorities.

4

3. Sesha Charlu's Estate :

There is no trust deed available for our examination of the objectives and the properties left. The only item of income during the year is the interest on savings Bank account and there has been no spending on any account during the year.

It will be produced.

4. Oompathy Pattar's Estate, Gantasala Yesodammal Estate and Srinivasa Rao Estate :

There has been no spending on any head of account.

5. Maragathammal Estate, Venkatachala Mudaliar's Estate, Venkata-varada Pillai's Estate and Saravanavelu Mudaliar's Estate :

There is no trust deed available for our examination and there is no spending on Charities during the year.

6. C. Kandaswami Naidu Estate :
