CRAFT MASONRY

A NOTE ON FREEMASONRY IN THE MADRAS DISTRICT

The earliest Lodge in Southern India was established at Madras in 1752, and this was followed by three others in 1765.

About 1767, Captain Edmond Pascal was appointed Provincial Grand Master for Madras and its Dependencies, and in the following year a fifth Lodge was erected at Fort St. George.

About 1775, Umdat-ul-Umra, eldest son of the Nawab of Arcot, was initiated at Trichinopoly and in his reply to the congratulations of the Grand Lodge of England, on the occasion, he stated that he considered the title of an English Mason as one of the most honourable he possessed.

The Coromandel Coast, as this District was then styled, continued under the Grand Lodge of England until 1777 when Freemasonry under the 'Regular' Grand Lodge went into abeyance on this coast until 1784. During this period—one of depression owing to the disturbed state of the country—Atholl masonry kept the Craft alive in Southern India. In 1768, an 'Antient' Lodge of Atholl Masons, No. 152, was started at Fort St. George; it exercised the functions of a Provincial Grand Lodge in granting warrants for subordinate Lodges; it built a masonic hall and established a charity fund; and in 1779 its Master and Past Masters were constituted into a Provincial Grand Committee with power to hear petitions and grant dispensations.

A Provincial Grand Lodge under the Atholl sanction was regularly established at Fort St. George under warrant, dated the 5th September, 1781, but the dissensions in the settlements had so rent asunder every link of social life, that even the fraternal bond of Masonry had been annihilated in the general wreck.

In 1786, the Carnatic Military Lodge, No. 488, was established at Arcot under the Grand Lodge of England. The rivalry between the two Grand Lodges of England was reflected in India and to Madras is due the credit of anticipating in a very happy manner the Union of 1813 by the amalgamation in 1786 of the 'Atholls' or 'Antients'

and the 'Regulars' or 'Moderns' under Brigadier-General Horne who had been appointed on the 20th February, 1786, by the Duke of Cumberland, as 'Provincial Grand Master for the Coast of Coromandel, the Presidency of Madras and parts adjacent.' In the following year Lodge No. 152 tendered its allegiance to General Horne, surrendered its warrant, and joined one of the Lodges under that Officer, and six other Lodges were added to the roll, viz. Perfect Harmony, St. Thomas' Mount; Social Friendship, Madras; Trichinopoly; Social Friendship, St. Thomas' Mount; the Stewards; and Perfect Unanimity.

During the period 1790—1812 four Lodges were added to the roll—Solid Friendship, Trichinopoly, 1790; Unity, Peace and Concord, 1798; St. Andrew's Union (19th Foot), 1802; and Philanthropists, in the Scotch Brigade (94th Foot), 1802, at Madras.

All these Lodges, with the exception of that of Perfect Unanimity, disappeared in course of time and their places have been taken by others.

The Provincial title 'Coast of Coromandel' was exchanged for 'Madras' in 1842.

The designation of the Provincial Grand Lodge was altered into that of District Grand Lodge in 1866.

In June, 1879, the Board of General Purposes was formed.

Of interesting public events in which the District Grand Lodge has taken part, may be mentioned the laying on the 15th September, 1823, of the foundation-stone of the building erected for use as an Orphan Asylum in Popham's Broadway, Madras, and subsequently occupied by the Industrial School. This memorial foundation-stone was subsequently removed to the premises occupied by the Civil Orphan Asylum first at Egmore and now on the Poona-mallee Road.

On the 6th February, 1867, the District Grand Lodge held a special communication at Chopauk in order to assist His Excellency the Governor in laying the chief corner-stone of the Presidency College.

In 1839 the District Grand Lodge assisted at the laying of the foundation-stone by Lord Elphinstone, the Governor of Madras, of the new Masonic Temple erected on the beach by the Lodge of Perfect Unanimity, and in this temple Lord Elphinstone was installed as Provincial Grand Master on the 18th March, 1841. This property

which was leased by the Lodge of Perfect Unanimity to the Government in 1867 and subsequently sold to them, in 1879, is now occupied by the Inspector-General of Police.

The District Grand Lodge possesses an interesting relic in a Bible which was presented to the Provincial Grand Lodge in 1862 by Bro. Parber of the 18th Regiment. This had been presented by the 'John O'Gaunt' M. I. This had been presented by the 'John O'Gaunt in the East' Lodge, Leicester, to the 'John O'Gaunt in the East' Lodge, 15th Regiment, but the latter Lodge was never constituted.

Prior to 1905 the District Grand Lodge did not possess any building of its own but held its meetings in the premises occupied by private Lodges, in the earlier days in those of the Lodge of Perfect Unanimity, from 1867 to 1885 at the Masonic Hall in Vepery where the majority of the Lodges of Madras City held their meetings and from 1886 to 1905 in the premises belonging to the Lodge of Perfect Unanimity on the Mount Road.

Various attempts had been made in the past with the object of erecting a central temple at the headquarters of the District. A scheme for a central masonic hall was brought forward in 1869 but did not fructify. Ten years later it was resolved to form a Madras Freemasons' Hall Association in order to acquire and furnish a hall for the accommodation of the District Grand Lodge and of the Lodges meeting at the Presidency Town.

In 1905, the District Grand Lodge purchased the Mount Road property belonging to the Lodge of Perfect Unanimity, and the Lodges in the city became its tenants. Several schemes for the improvement of this building and its adaptation for masonic purposes were considered but had eventually to be abandoned owing to the fact that the building itself did not lend itself to the purpose. The property was sold on the 1st July, 1915, District Grand Lodge continuing as a tenant for some time, and in April, 1917, a plot of land in a central position in Egmore was acquired with the object of erecting thereon a suitable Freemasons' Hall with Offices for the District Grand Lodge. While the scheme for the latter was under elaboration a temporary building was erected on the property acquired. The foundation-stone of the new Building was laid on the 26th February, 1923, by Bro. H. E. Lord Willingdon at which function the elite of Madras was present. The Building was completed and it was opened by H. E.

Viscount Goschen, Governor of Madras, on 27th February, 1925, and dedicated by R. W. Bro. A. Y. G. Campbell, District Grand Master, on 27th February, 1925.

At the request of the District Grand Masters in India the M. W. Grand Master was pleased to send a Deputation consisting of—

1. R. W. Lord Cornwallis, Deputy Grand Master.
2. R. W. Lt.-Col. The Hon'ble G. Monckton Arundell, P. G. Warden.
3. V. W. Sir John Ferguson, P. G. Treasurer.
4. W. Bro. Sir Kynaston Studd, P. G. Deacon, and
5. W. Bro. Lt.-Col. The Hon'ble S. Pleydell-Bouverie, Deputy Grand Director of Ceremonies,

with a view—to use the words of the Grand Master himself—to strengthen that bond of friendship and goodwill which unites the various Districts overseas with the 'Grand Lodge'.

The Deputation visited Waltair (28th January, 1928), Secunderabad (30th January to 2nd February, 1928), Bangalore (3rd February, 1928), Mysore (4th February, 1928), Ootacamund (5th February, 1928), Coimbatore (7th February, 1928), where it consecrated the new Lodge Building, Trichinopoly (8th February, 1928) and Madura (9th February, 1928).

R. W. Lt.-Col. The Hon'ble G. Monckton Arundell having had to leave India, the rest of the Deputation visited Madras on 10th February, 1928, where it consecrated and constituted on 15th February, 1928, the 'Archibald Campbell Lodge,' No. 4998 named after the R. W. District Grand Master and left Madras on 17th February, 1928, for Rangoon.

MASONIC NOTES (Craft)

ATTENTION IS INVITED TO THE FOLLOWING POINTS OF INFORMATION

'Points of Procedure'

A study of the important Rulings, given under 'Points of Procedure' printed in the *Masonic Year Book* issued by the United Grand Lodge of England, is recommended.

Quasi-Masonic Bodies

The Grand Lodge of England has always held that quasi-Masonic bodies which claim to be fraternal, and the membership of which is restricted to those who take certain vows, and thereby are admitted to participation in a Secret ceremony, are irregular within the meaning of the Antient Charges of the Craft.

GRAND LODGES RECOGNIZED BY THE UNITED GRAND LODGE OF ENGLAND

Application for Grand Lodge Certificates

Points to be observed :—

I. (1) It should be transmitted to the District Grand Secretary on the proper form, which will be supplied on application, *immediately after* a brother has been raised (unless a Grand Lodge Certificate for 1^o or 11^o is urgently required) or has joined from a Foreign Constitution and taken the obligation required by Rule 189 of the Book of Constitutions.

(2) The names to be entered should be either *typed* or *hand-printed* in order to obviate the possibility of misreading any letter, and should be spelt according as the Candidate signs the proposal form.

(2) It should be followed by the original proposal form obtained from the Candidate, if the original and its duplicate had not been previously sent with the extract from the Register of members.

(4) The Registration Fee of Rs. 6 for each certificate required must always accompany the application, or a clear reference must be noted as to its previous payment.

II. A duplicate of the form of application for the Grand Lodge Certificate should be simultaneously sent *direct* to the Grand Secretary.

Lost Certificate

In case a certificate be lost or destroyed, of which **satisfactory proof** must be adduced, a duplicate may be issued to any Brother applying for the same upon payment of the regular fee (Rs 5.)

Certificate of a Higher Degree

A Brother who shall have obtained a Grand Lodge Certificate of the first or second degree shall, after he has been regularly advanced to a superior degree, be entitled to exchange such Certificate for one of the superior degree **without additional expense.**

Presentation of G. L. Certificates

G. L. Certificates should be presented in open Lodge and signed at the Secretary's table. In exceptional circumstances and on application of the brother entitled to it, the certificate may be sent to him by registered post, with a request that he immediately acknowledges its receipt and appends his signature to the Certificate in the space provided.

Proposal Forms

1. *Vide* Rules 184, 185, 189 and 189 (a) of the Book of Constitutions. Proposal forms must be filled up by every candidate for initiation as well as by every joining

or rejoining member and *also* by a serving brother. They are not, however, necessary in case of Founders of a new Lodge. A serving brother must sign the declaration book as well. The forms must be *in the hands* of the Lodge Secretary *before* the proposal is made in open Lodge, and must be *read out* in open Lodge, not merely referred to, before the ballot for a candidate is taken.

2. They should be obtained in *duplicate* from every candidate for initiation or joining and *both* copies sent to the District Grand Secretary with the Duplicate Register of Members for such candidate. It is, however, preferable to obtain them in *triplicate*, when the 3rd copy can be kept on the file of the Lodge.

Amendments to By-laws

Amendments to By-laws when duly passed and confirmed must be transmitted to the District Grand Secretary in the form of a statement showing in parallel columns the existing and amended by-laws and giving the dates of the meeting at which the said amendments were respectively approved and confirmed.

The statement should be *in duplicate* and should be signed by the Master, the Wardens, and the Secretary.

By law when enforceable

Before an alteration of a By-law can be put into effect, the Grand Master's approval is necessary notwithstanding the approval of the District Grand Master.

Masonic Meetings on Sundays

No By-law providing for regular meetings being held on Sundays would be sanctioned by the Grand Master and for the same reason an Emergency Meeting on Sunday would be held to be irregular.

Special Meetings

No Special Meeting can be held on the same day as the Regular Meeting except for removal of Lodge (Rule 167, B. C.).

Each such Special Meeting must be properly opened and closed.

Meetings falling through

In all cases where any meeting of a Private Lodge duly convened, is not held for want of quorum or other cause, a report should forthwith be made to the District Grand Secretary intimating the fact to him and explaining the reasons why the meeting was not held (D. G. L. Circular No. 1 of 1935.)

Quorum

Five members, one of whom must be an Installed Master must be present in Lodge to form a quorum to transact masonic business.

Hymns

The opening and closing Hymns, being no part of the Ceremony, may only be sung respectively *before* opening and *after* closing.

Ballot

The ballot for a candidate for initiation or for a joining brother must take place at the *next* Regular Meeting after the proposition. If for any reason it cannot so take place even by reason of the said next Regular Meeting not being held, *the candidate or brother must be proposed again.*

Collective Ballot

A collective ballot is regular, provided that, if there be one black ball, each candidate should be balloted for individually.

Election of Master and Treasurer

Brethren to fill these offices cannot be nominated by proposition in open Lodge. In each case the election must be by free ballot of the members. Any open proposition of a particular brother is calculated unduly to influence those entitled to vote.

Duties of Masters and Secretaries

Masters of Lodges should ensure that Secretaries at each Regular Meeting after a Quarterly communication of Grand Lodge, present to the Brethren a summary of what Grand Lodge has decided in Masonic practice and procedure. The same procedure should be adopted after each meeting of District Grand Lodge.

Joining Members

Declaration by a joining member from a Foreign constitution must be taken after election but before the brother is admitted a member and it must be in the Lodge of which he is elected a member.

The minutes of the meeting at which the declaration is made, must contain a record that the above declaration was duly made.

No appeal should be made inviting joining members or Founders.

Associate Members

The term 'Associate' Members is not recognized by Grand Lodge.

Honorary Members

(a) A brother can be elected an honorary member of a Lodge only (1) if he is or has, within the previous year, been a subscribing member of a regular Lodge;

(2) if he satisfies any other condition prescribed in the by-laws of the Lodge, *e.g.*, special services, unanimous vote etc., and

(3) after notice placed on the summons to elect him as an honorary member.

- (b) (1) Honorary members can be elected by show of hands.
- (2) A declaration under paragraph 2 of Rule 189 B. C. is not necessary in the case of Brethren coming from a recognized jurisdiction.
- (c) (1) An honorary member has the right of attending the meetings of the Lodge.
- (2) He is not liable for any fees payable to the Lodge.
- (3) He cannot take part in any vote in the Lodge or hold any office therein under Rule 129 B. C. so long as he continues an honorary member thereof.
- (d) (1) No dues are payable to Grand Lodge or District Grand Lodge in respect of honorary members.
- (2) Names of such members shall not be included in the Returns of Subscribing Members made to Grand Lodge or District Grand Lodge.

Suspension

A brother who has been suspended is entirely incapacitated from performing any duties as a Mason during his suspension. He is nevertheless liable for his subscriptions to his Lodge.

Manner of Voting

In the Craft holding up (*perpendicularly*)—Rule 75 B. of C.

Differentiation in Subscriptions

Members enjoying the same privileges must pay the same fees.

Past District Grand Officer

A Past District Grand Officer who, having ceased to subscribe to a Lodge for twelve months, rejoins a Lodge within the District, regains all the privileges of a District Grand Officer.

Past Master

A Past Master rejoining the Lodge in which he formerly occupied the chair, takes rank immediately before the brother who is Master at the time of his rejoining.

Past Master 'Performing Ceremony

When a Master vacates the Chair for a Past Master to perform a ceremony, he *does not invest him with his collar* for the time being. The Past Master must be clothed according to his rank.

Past Master's Degree

There is no Past Master's degree or ceremony belonging to such degree recognized by Grand Lodge of England

Lodge Officers

In the event of an appointed officer of a private Lodge ceasing to fill his office by death, resignation, etc., the Master cannot promote other officers for the remainder of the year since each officer is invested for one year.

Morning Dress

Masonic Morning Dress is : Black Coat and Waistcoat Dark Trousers, Black Tie, Black Boots, and White Gloves. Craft and Royal Arch Jewels only may be worn, and those on the left breast.

Presentation of Jewels

The Board is strongly of opinion that it is undesirable that any presentation should be made to a Lodge Officer in recognition of the performance of an official duty, save such as the Lodge itself as a whole, and not any section of it, shall resolve upon as a testimony to special service.

[Q. Com : 4-9-1935.]

Issue of Jewels to officers as they vacate their offices or for long service is irregular. Though the presentation of a Past Master's jewel has been accepted because of long usage, the custom should not be extended to officers generally, unless the Grand Master's permission has been obtained. Jewels have been similarly approved for Founders of Lodges, when the designs have been similarly approved by the Grand Master; but these are restricted to Founders themselves, and are not to be presented to the First Initiates or Joining Members, while a bar descriptive of the difference between the various recipients is not permitted. Badges issued by the three great Masonic Institutions at the Annual Festivals cannot be worn after the year immediately succeeding the Festival, unless the Grand Master has given special authorization for permanent use.

Emblems on the ribbons of jewels.

A small emblem on the ribbon may be worn showing any of the following : (1) office held by a Founder, (2) office held by a Consecrating officer, (3) the Lodge Badge in a Past Master's Jewel if kept small and not duplicated. There would appear to be no objection for a Lodge to vote a bar to a Past Master's Jewel in respect of a Past Master's second year in the office of Master.

Masonic Calendar

To find the Ancient Craft Date—add 4000 to the vulgar era. Thus A.D. 1936 becomes A.L. (Year of Light) 5936.
To find the date of Royal Arch Masonry—add 530 to the vulgar era. Thus A.D. 1936 becomes A.L. (Year of Discovery) 2466.

Appeals for help

No appeal shall be made by letter, circular or advertisement from private Lodges or individual brethren to the Craft in general to support particular objects, causes or movements without the sanction of the M. W. Grand Master or in the case of local appeals intended only for the circulation in a specific Province or District, of the respective Provincial or District Grand Master. (G. L., March 6 1918.)

Rule 183

'Great discredit and injury having been brought upon our ancient and honourable Fraternity from admitting members and receiving candidates without due notice being given or enquiry made into their character and qualifications, and from passing and raising Masons without due instruction in the respective degrees, it is declared to be specially incumbent on all members of Lodges to see that particular attention be paid to these several points.'

Rules 184 and 189

The expression 'the meeting of the Lodge at which the proposition is to be made' which occurs in Rules 184 and 189 of the Book of Constitutions, means the meeting at which the name of the candidate or joining brother is first brought forward, i.e., *the meeting immediately preceding that at which the ballot takes place.*

(D.G.L. Cir. No. 3 of 1921.)

Rules 184 and 189 of the Book of Constitutions
'Next Regular Meeting' Interpretation of—

The following rulings have been received from the Grand Secretary:—

(a) The expression 'the next regular meeting' in Rules 184 and 189 of the Constitutions means the next meeting specified in the By-laws; *if the regular meeting following the one at which a candidate is proposed is not held, then the candidate must be proposed again;*

(b) Every meeting of a Lodge specified in the By-laws must be regularly summoned and duly held; the only exception to this rule being carried out is in the most unlikely event of sufficient brethren not being present to open the Lodge.

(D.G.L. Circular No. 2 of 1926.)

Rule 195

(1) 'With respect to the above rule "some brother duly authorized in that behalf" means the Grand Secretary of the Constitution. It is a recognized practice that where degrees are conferred upon candidates of other jurisdictions, the request of the candidate's Lodge must be counter-signed by the Grand Secretary of his jurisdiction, and transmitted to the Lodge undertaking the work through the Grand Secretary of that Lodge's jurisdiction. When the degrees are conferred the certificate must be transmitted through the respective Secretaries to the candidate's original Lodge. This applies to all Lodges under Constitutions with which the Grand Lodge of England is in friendly relationship.'

(2) A brother from a foreign jurisdiction having been passed or raised in our jurisdiction in accordance with Rule, 195-a must produce his Grand Lodge Certificate (subject to (3) below) before being admitted a joining member.

(3) The Grand Lodge of Scotland does not issue certificates for brethren below the rank of Master Mason, but a letter can be always obtained from the Grand Secretary stating the brother's Masonic standing.

(Grand Secretary's letter, dated December 23, 1926.)

Minute Book

The minutes of the proceedings of a Lodge should always be written by hand in the Minute Book itself. Minutes typed on separate sheets should not be pasted in the Minute Book. (Rule 172.)

Appendices to the proceedings such as—

- (a) the Summons (in print) convening the meeting;
 - (b) a Dispensation;
 - (c) a manuscript or printed report by a Committee or audit report;
 - (d) the statement by the Treasurer;
- may, however, be pasted.

Such an important record as the Minutes of a Lodge which will be of very great interest to posterity should be preserved carefully from destruction and effacement and the paper used for the Minute Book should, therefore, be of a durable material whilst the ink used for recording the minutes should be of a good quality. Hand-made, Goatskin, and Lancashire Ledger paper and Stephen's Blue Black Ink are recommended as suitable for these purposes.

(D. G. L. Cir. No. 1 of 1923.)

The proceedings of a Lodge cannot be recorded in a loose leaf Minute Book. On the other hand the Lodge Minute Book must be a properly bound one.

6. Any brethren senior to him in Masonic rank who may be outside the Lodge and awaiting admission should then be admitted.

7. At an Installation meeting he should deliver the Installation addresses if he is requested to do so.

8. At the 'second time of asking' or in reply to any speech of greeting made by the Master he is authorized to convey the fraternal greetings and good wishes of the R. V. District Grand Master to the Lodge and the hearty good wishes of District Grand Lodge; it would be appropriate for him to make also a few observations on the working and condition of the Lodge. At an Installation meeting he is authorized to convey the District Grand Master's cordial congratulations and best wishes to the new Master and also his congratulations in suitable terms to the outgoing Master if he considers that his work and the condition of the Lodge are such that the outgoing Master merits this compliment.

9. If there is a Masonic dinner after the meeting he should reply to the toast of the District Grand Lodge Officers.

10. In addition to the formal report to be made under District Grand Lodge By-law 67, where it applies, he should also send to the District Grand Secretary separately a short account of the meeting for the information of the District Grand Master and to include in this account any matter affecting the Lodge which he thinks should be brought to the notice of the District Grand Master, who will then direct if the whole or extracts from it should be communicated to the Lodge with his remarks, if any.

No remarks of the officer concerned should be noted in the Minutes or any other book of the Lodge.

DISTRICT GRAND LODGE MEETING

Meeting under Banner of Private Lodge

1. When District Grand Lodge meets under the banner of a private lodge the following Order of Procedure is to be adopted :—

(1) This honour is conferred on a lodge on the understanding that it and its Officers and Members will comply with the regulations for meetings of District Grand Lodge and will co-operate with the District Board of General Purposes in making arrangements for the meeting.

Time for the Meeting of Private Lodge

(2) The Lodge, under whose banner the District Grand Lodge meets, should be summoned for opening three quarters of an hour before the time appointed for the opening of the District Grand Lodge. The only item on the Agenda should be 'to receive the Rt. Wor. District Grand Master and the Officers and Members of the District Grand Lodge of Madras'.

Visitors

(3) Masters, Past Masters or Members of a Provincial or District Grand Lodge of English or Sister Constitution who are not members of the District Grand Lodge of Madras will be admitted on a card of admission on application to the District Grand Secretary who will only issue a card on such proof as may be necessary.

(4) Master Masons, not members of the District Grand Lodge of Madras can only be admitted by permission of the Rt. Wor. the District Grand Master (D. G. By-law 55), and the District Grand Secretary will issue the necessary cards of admission. If the Brother is a member of a Lodge in the District the application should be ordinarily made through the Master of his Lodge and this rule applies to all Master Masons visiting the District Grand Lodge including those who are members of the Private Lodge under whose banner the District Grand Lodge is to meet.

Master takes his place in the procession, the District Grand Director of Ceremonies will direct the procession to move forward; as soon as the Director of Ceremonies of the Lodge sees the head of the District Grand Master's procession reach the door of the Lodge, he will turn round, call on the brethren to be 'upstanding' and lead the procession to the front of the Senior Warden's pedestal and thence eastwards till the Deacons are about six feet from the Worshipful Master's pedestal; the District Grand Director of Ceremonies will call the brethren to order for the R. W. District Grand Master just as the latter is about to enter the Lodge.

7. The whole procession will move up the centre of the room towards the East, halting when the Deacons of the private lodge are about six feet from the pedestal; the whole procession will then open out by the right rank taking two steps to the right and the left rank taking two steps to the left; both ranks will then face inwards; the District Grand Master will pass between the two lines and each officer in the procession will successively turn to the east immediately after the District Grand Master has passed him; the Deputy District Grand Master (or Senior District Grand Officer present) will, after the District Grand Master has passed him, take up a position facing east in front of the Senior Warden's pedestal; the Stewards attending the District Grand Master will halt on each side of the Deputy District Grand Master; the Deacons of the Lodge should cross wands immediately the District Grand Master takes his place between them (care should be taken that this is not done too soon nor too late); the District Grand Master and the District Grand Officers will then salute the Worshipful Master.

8. The brethren forming the deputation and procession will stand fast while the District Grand Master proceeds to his place. The Master should not leave his place but should offer the gavel to the District Grand Master, when the latter arrives on the right of the Master.

9. When the District Grand Master has taken his seat, the District Grand Officers forming the procession should proceed to their places, as follows: the District Grand Director of Ceremonies will conduct the Deputy District Grand Master (or Senior District Grand Officer present) to his place on the right of the District Grand Master.

800 000 00000
224478

and the remaining District Grand Officers should follow in procession, seniors first (in pairs or in single file according to the space available) immediately behind the Deputy District Grand Master and proceed to their seats without waiting to be conducted to them; the Stewards in attendance on the District Grand Master will follow the District Grand Lodge Officers and should proceed to their seats which will be immediately in rear of the District Grand Master, if space permits. After all the District Grand Officers have taken their seats, the Director of Ceremonies of the Lodge will direct the brethren to resume their seats and the deputation will break off; when all are seated the District Grand Director of Ceremonies should call on the brethren to salute the District Grand Master.

10. When the District Grand Master leaves the Lodge, the Director of Ceremonies of the Lodge will, under the instructions of the Worshipful Master, form a deputation in the south east as before, but in the reverse order, i.e., Deacons to the West. When this deputation is ready, the District Grand Master will leave his place and salute the Worshipful Master when in front of the Worshipful Master's pedestal. The deputation will then move off followed by the District Grand Master. The Grand Officers and the District Grand Officers, present and past, will follow the District Grand Master in order of seniority in single file saluting the Worshipful Master in passing. The deputation will proceed *via* the south and west of the Lodge to the door and there halt, open out and face inwards to let the District Grand Master and the other Grand Officers and District Grand Officers following him pass out between them; the Deacons should cross wands as the District Grand Master passes between them.

11. When the Deputy District Grand Master pays a formal visit to a Lodge and represents the District Grand Master under Rule 146 of the Book of Constitutions, the procedure laid down in the preceding paragraphs should be adopted.

12. When a brother is sent by the District Grand Master under Rule 148 of the Book of Constitutions to visit a Lodge, he should be received in a similar manner subject to the following modifications:—

(a) No present or past officer of District Grand Lodge in Lodge when he is announced need leave the Lodge to come in with him.

(b) No Grand Officer or Present or Past District Grand Officer senior to him in rank should enter with him.

(c) He should lead the procession of District Grand Officers and the others should follow in pairs in order, seniors first.

(d) *The gavel should not be offered to him.*

13. When the District Grand Master or the Deputy District Grand Master pays an *informal* visit to a private Lodge of which he is not a member, there will be no procession of District Grand Officers, but he may be appropriately received by a deputation of Officers and Past Masters of the Lodge on the lines of that suggested in Paragraph 5.

14. A similar deputation of Officers and Past Masters should be directed by the Master to receive any brother having Grand or Past Grand Rank who is visiting the Lodge, even though he has not been deputed under Rule 148; after he has taken his seat and the brethren forming the procession have returned to their places, he should be accorded the salute to which he is entitled; if more than one such brother is visiting the Lodge, it is desirable that they should enter together, the senior leading.

15. The size of the deputation of officers should vary according to the rank of the brother to be received. It is suggested that ordinarily a suitable size (excluding the Director of Ceremonies) would be 10 for the District Grand Master or the Deputy District Grand Master representing him, 8 for any other Grand Officer, present or past, and 6 for any District Grand Officer, present or past, deputed to visit the Lodge by the District Grand Master under Rule 148. When several brethren enter together the deputation, except the Stewards, should remain standing until all the visitors and other brethren taking part in the procession have proceeded to their places; the Stewards should assist the Director of Ceremonies in conducting the visitors to their places.

Memorandum for the Guidance of a District Grand Officer present or past, deputed by the District Grand Master under Rule 148 of the Book of Constitutions

1. His attention is invited to District Grand Lodge By-laws Nos. 65 to 67.
2. When he visits the Lodge at its meeting, a Steward or other Officer of the Lodge should be detailed by the Master to attend upon him from his arrival until his departure and to assist him in robing and un-robing. The brother detailed to attend on him should follow him when he enters and leaves the Lodge and should be provided with a seat near him in Lodge, though not necessarily on the dais if he is not a Past Master.
3. If he has both the 'full dress' and 'undress' Masonic clothing of his rank, he should wear the 'undress' clothing.
4. He should enter the Lodge after it has been opened and should be followed in procession by any officers, present and past, of District Grand Lodge (Seniors first) who are outside the Lodge room at the time and are not senior to him in Masonic rank. He will be received at the door of the Lodge by a deputation of officers and Past Masters of the Lodge who will lead him up the centre of the Lodge and will then open out and face inwards to allow him to pass between them.
5. The District Grand Officers, present and past, who follow him into Lodge, will salute the Chair at the same time as he does; he should, therefore, not salute until all the brethren following him have entered and the officers of the private Lodge receiving him have opened out. He should then pass under the Deacons' crossed wands and should be escorted by the Director of Ceremonies to his seat at or near the right of the Master. The brethren forming the procession should at the same time go to their seats. He will then be saluted with three.

The minutes relating to conferring of degrees or Installation ceremonies should not contain details which is not desirable for brethren in the inferior degrees to know.

A reference to a separate Signature Book or Attendance Register does not comply with Rule 172. B. of C. : The names of all visiting brethren with their Ranks and their Lodges must be entered in the Minute Book.

Visit of the R. W. District Grand Master, of the W. Deputy District Grand Master, of Grand Officers and of District Grand Officers (under Rule 148 Book of Constitutions) to private Lodges.

In Circular No. 1 of 1919 Masters of Lodges in the District were instructed that whenever the R. W. District Grand Master visits a Lodge officially, a Steward or other officer of the Lodge should be detailed to attend him on arrival and departure and assist him in robing and un-robing and that a separate room should, if practicable, be set apart for his use.

2. This instruction applies to all visits of the District Grand Master to a Lodge unless on any particular occasion he specially desires that it should not be observed.
3. It is the duty of the Master or officer in charge of the Lodge visited to meet the R. W. District Grand Master on his arrival at, and to attend him on his departure from, the Lodge premises. If the master or officer in charge is unable to be present at the arrival or departure of the R. W. District Grand Master, he should depute a senior officer of the Lodge to represent him.
4. The same courtesies should be extended to the Deputy District Grand Master when representing the District Grand Master under Rule 146 of the Book of Constitutions and to any District Grand Officer (*vide* Memorandum appended when officially visiting a Lodge under an authority issued by the District Grand Master under the provisions of Rule 148. In this connection attention is invited to District Grand Lodge By-laws 65 to 67.

5. When the District Grand Master pays a *formal* visit to a Lodge he will enter after the Lodge has been opened in the 30; the officers, present and past, of District Grand Lodge should form a procession, juniors first, on the lines of the District Grand Master's procession into District Grand Lodge and escort the District Grand Master into the Lodge. As soon as the Lodge is opened in the 30 the District Grand Director of Ceremonies will enter the Lodge, and standing in front of the Senior Warden's Pedestal will announce that the R. W. District Grand Master, attended by his officers, demands admittance: the Worshipful Master will make a suitable reply and direct the Director of Ceremonies of the Lodge to form a deputation to receive the R. W. District Grand Master; the Director of Ceremonies will form, in the south-east facing west, a deputation consisting of the following:—

Steward.

Steward.

Any Past Masters or officers deputed
for the purpose (in pairs)

I. P. M.

Chaplain.

Deacon.

Deacon.

The Stewards and Deacons should carry their wands. The deputation will proceed (Stewards leading) under the orders of the Director of Ceremonies to the door of the Lodge, viz., the south and west but will *halt within the Lodge*, open out and face inwards: the Director of Ceremonies will direct the Inner Guard to open wide the door of the Lodge, and the District Grand Director of Ceremonies will then leave the Lodge passing through the deputation. Any Past or Present Officers of District Grand Lodge who are in Lodge and are not officiating as Master, Warden, Director of Ceremonies, Deacon or Inner Guard, and have not been deputed to receive the District Grand Master should leave the Lodge immediately after the District Grand Director of Ceremonies and take their places at once in the District Grand Master's procession; the Director of Ceremonies of the Lodge will then stand between the Deacons facing the door.

6. The District Grand Director of Ceremonies will inform the R. W. District Grand Master that the Lodge awaits his pleasure and as soon as the District Grand

The District Grand Secretary may, however, issue cards of admission direct in cases of emergency, but in all cases cards of admission will only be issued so far as the space, which is expected to be available, permits. Cards of admission must be shown to the District Grand Tyler and delivered to the District Grand Pursuivant.

Arrangements for Meeting

(5) When the District Grand Lodge meets in Madras, the Board of General Purposes will make necessary arrangements for the place of meeting, furniture, etc. When the District Grand Lodge meets outside Madras these arrangements will be made on behalf of the Board of General Purposes by the Lodge under whose banner the District Grand Lodge is to meet. If the meeting is not to be held at the regular place of meeting of the Private Lodge, the Master must apply for a Dispensation for so holding his Lodge. (Rule 168).

Robing Rooms

(6) If practicable separate accommodation shall be reserved for the robing of (1) the Rt. Wor. District Grand Master, (2) the Wor. Deputy District Grand Master, Officers (present and past) of Grand Lodge and Distinguished visitors, (3) Officers (present and past) of District Grand Lodge, (4) other members of the District Grand Lodge and (5) Visitors.

Notice of Inability to Attend

(7) Notice of date and place only of meeting will be sent, if possible at least one month before the meeting, to all present and past Officers of the District Grand Lodge—who are requested to intimate their ability to attend or otherwise to the District Grand Secretary at least fourteen days before the meeting. This information will be forwarded to the District Grand Director of Ceremonies who will then frame a list of Officers and Stewards to fill vacant posts. Vacancies will be filled by past Officers in order of seniority as far as possible and at the same time the District Grand Director of Ceremonies will nominate the Stewards to attend on the Rt. Wor. the District Grand Master. This list will be submitted through the District Grand Secretary for the approval of the Rt. Wor. District

Grand Master and notification of this approval will be communicated as early as possible to the District Grand Director of Ceremonies who will notify and issue instructions to the selected acting Officers.

Arrangements of Banners, etc.

(8) All arrangements for the District Grand Lodge including the placing of banners of private lodges in position and the reservation of seats by cards for Grand Officers, District Grand Officers, Visitors of Distinction, etc., should be completed before the Private Lodge is opened. The President of the Board will have had the necessary cards prepared for this purpose. The District Assistant Grand Director of Ceremonies will be responsible to the District Grand Director of Ceremonies for seeing that the banners are properly arranged, and that sufficient and suitable seating accommodation, reserved by means of cards [according to the plan (Annexure 1)], is available for Grand Officers and District Grand Officers (present and past), for the Visitors of Distinction, for Members of the District Grand Lodge and for other Visitors.

(9) The District Grand Director of Ceremonies will also direct the District Grand Tyler to see that all Brethren who are not members of the District Grand Lodge produce cards of admission.

(10) For this purpose the District Assistant Grand Director of Ceremonies, the District Grand Pursuivant, the District Assistant Grand Pursuivant, the District Grand Tyler and any District Grand Stewards deputed to assist the former should arrive at the meeting place at least half an hour before the time of the opening of the Private Lodge.

(11) As soon as the Master of the Private Lodge has begun to open the Lodge in the first degree the District Assistant Grand Director of Ceremonies with the assistance of the District Grand Pursuivant and of the Stewards deputed to help him will begin to collect the Brethren of other Private lodges (who are not taking part in the processions) by Lodges in order that they can be passed quickly into the Lodge as soon as the Master has announced that he is ready to receive them.

(12) The District Grand Director of Ceremonies should arrive at the Hall at least three quarters of an hour before the time appointed for the opening of District Grand Lodge. The District Deputy Grand Director of Ceremonies, the District Assistant Grand Director of Ceremonies, the District Grand Pursuivant, the District Assistant Grand Pursuivant, the District Grand Tyler, Assistant Grand Pursuivant, or the Brethren selected and the District Grand Stewards, or the Brethren selected to officiate in those posts or for the meeting, should report themselves to the District Grand Director of Ceremonies as soon as he arrives.

(13) The District Grand Director of Ceremonies will appoint one of the Stewards to ensure that the attendance register is signed by all who attend the Meeting whether they are Members of the District Grand Lodge or the Visitors. This Steward will hand a printed list of the procession to each Brother who is to take part therein. He will also note in lists prepared for him when any Brother, who is, or is to officiate as, a District Grand Officer or is to be invested as a District Grand Officer or with past District Grand Rank, signs the attendance register.

Election of Members of Board, etc.

(14) Election of members of (a) the Board of General Purposes, (b) Premises Committee. At the Regular Meeting of District Grand Lodge in the first quarter of every year an election is held for six members of the District Board of General Purposes and for as many members of the Premises Committee as there are vacancies.

The District Deputy Grand Director of Ceremonies will be responsible for the arrangements for distributing and collecting voting cards.

A voting card will be handed by the Steward in charge of the attendance register to each member of District Grand Lodge immediately after he has signed the Register.

Members who are not present or past District Grand Officers shall, after duly completing the cards and before entering the Lodge room, hand them over to the District Grand Pursuivant who will at once place them in the locked box, in which the District Deputy Grand Director of Ceremonies shall also collect the completed cards from

those taking part in the processions and as soon as the procession is formed.

The Scrutineers appointed by the District Grand Master shall after taking their obligation (see rule 19-A) retire and count the votes given to each Brother after receiving the box from the District Grand Pursuivant and the key for same from the District Grand Secretary in whose possession it shall have been after locking the box.

After counting votes the Scrutineers shall complete a return containing the names of the elected candidates (not including an ex officio or nominated member of the Board or Committee) and the number of votes obtained by each of them and after signing this return shall seek re-admission into District Grand Lodge and hand the return to the District Grand Master who will forthwith declare the report.

Hours of Arrival and Procession

(15) The hour named in the summons to District Grand Lodge will be three quarters of an hour before the time at which the District Grand Lodge should be opened; the time of opening will be specified in the business to be transacted at the meeting. Brethren, who are not Officers (present or past) of District Grand Lodge, will begin to be passed into Lodge about half an hour before the opening of the District Grand Lodge; the procession of the past District Grand Officers and the District Grand Master's procession, respectively, will be formed twenty and fifteen minutes before the time fixed for the opening and will move off ten and three minutes before that time. It is desirable that the District Grand Officers (present and past) should arrive half an hour and other Brethren at least three-quarters of an hour before the time at which the District Grand Lodge is to be opened.

Dress

(16) Present and Past Grand Officers are requested by the District Grand Master to wear embroidered collars (Rules 292, 294).

District Grand Officers (present and past) should wear full dress regalia with the proper collar and jewel of their rank, or of the rank in which they are officiating, unless they are Grand Officers, when they would wear Grand Lodge clothing. A Brother having Grand Rank, who is,

or officiates as a District Grand Officer should wear the collar and jewel of the District Grand Office in place of his Grand Lodge collar and take his place in the procession as such District Grand Officer: he should however wear his Grand Lodge apron.

(17) Masters, Past Masters and Wardens of Lodges who are not present or past officers or Stewards of Grand Lodge or of District Grand Lodge shall wear the collars of Office in virtue of which they are members of the District Grand Lodge (Rules 301, 303).

No brother should wear more than one collar at a time.

Members of the District Grand Lodge and Master Masons attending under District Grand Lodge By-law No. 55 shall attend its meetings in uniform or other suitable dress and in the Masonic clothing appropriate to their rank (District Grand Lodge By-law No. 53).

Admission of Members (not being District Grand Officers and Visitors)

(18) Twenty minutes before the time of opening of District Grand Lodge, the District Grand Organist, the District Grand Pursuivant, the District Assistant Grand Pursuivant, and the District Grand Tyler will take post. The Inner Guard and Tyler of the private lodge will retire if they are entitled to sit in the District Grand Lodge and otherwise, will take the seats to which they are entitled in the District Grand Lodge. The District Grand Pursuivant will first collect the cards of admission from the visitors to the District Grand Lodge who are members of the Private lodge. Members of other lodges who are not present or past officers of District Grand Lodge shall then be passed in by lodges, the senior officer first, under the guidance and voucher of the senior officer of each Lodge; those who are members of District Grand Lodge shall be ranged as nearly as practicable under their respective banners by the District Assistant Grand Director of Ceremonies and the Stewards assisting him on behalf of the District Grand Pursuivant and Visitors shall be shown to the places reserved for them.

Procession of Past Grand Officers

(19) Twenty minutes before the time for opening the District Grand Lodge, the District Grand Director of Ceremonies will form the procession of Past District Officers who are not officiating as District Grand Officers for the Meeting. The procession will be formed in pairs in order of seniority, the seniors in front (see Annexure II). The procession should move off about ten minutes before the hour named for the opening of District Grand Lodge but will not do so till the District Grand Director of Ceremonies has given his permission. The procession will advance up the centre of the Lodge towards the East till the leaders are within about four paces from the District Grand Master's pedestal; the procession will then halt and the Senior Past Officer present will take one step forward and salute the Master; all the past District Grand Officers will salute at the same time. The procession will be led by the District Deputy Grand Director of Ceremonies and two Stewards and will be closed by two Stewards and the District Assistant Grand Director of Ceremonies; these officers will assist the past District Grand Officers to find the seats reserved for them. Members of the Board of General Purposes should proceed to the place reserved for the Board and the other Past District Grand Officers should take the places reserved for them, the seniors being nearest to the east. Under the direction of the Master, the Brethren in Lodge will rise as the procession enters and remain standing until the Past District Grand Officers are seated. Suitable music should be played.

Note:—If the number of the Past District Grand Officers who would form this procession is less than ten, the District Grand Director of Ceremonies may, at his discretion, dispense with this procession, and allow the Past Officers to take suitable places in the District Grand Master's procession if he is satisfied that there is sufficient space in the room to allow of such a course without detracting from the dignity of the procession.

District Grand Master's Procession

(20) Fifteen minutes before the time for opening the District Grand Lodge, the District Grand Director of Ceremonies will form the District Grand Master's procession in the order shown in Annexure III. He will select from those in the procession of Past District Grand Officers any Brethren necessary to complete the District Grand Master's procession. When the procession is formed the District Grand Director of Ceremonies will instruct the Brethren in method of forming up in Lodge and of saluting (paragraphs 17, 18 and 21). The Deputy District Grand Master and the Brother carrying the gavel will wait with the District Grand Master in his robing room till the District Grand Director of Ceremonies announces that the procession is ready to move off.

(21) The procession should move off about three minutes before the time for the opening of District Grand Lodge. Suitable music should be played while the procession enters. Under the direction of the Master or other Wor. Brother deputed for the purpose, the Brethren should rise and stand to order when the procession is announced.

(22) When the District Grand Master's procession enters, the leaders after turning eastwards will halt three or four paces to the East of the Senior Warden's pedestal, separate to right and left (to allow the rest of the procession to pass between them) and face inwards one on each side of the pavement; the Brethren following will pass them, halt just East of them, separate left and right as shown in Annexure III, turn inwards and stand in line with them, the juniors being nearest to the West, and so on, until the District Grand Warden's have taken up their positions opposite to each other about the centre of the Lodge; each officer who is walking alone should proceed up the centre of the Lodge until opposite the place at which he is to stand; the District Senior Grand (if the District Grand Master has a standard) will, however, be carried to the East of the District Senior Grand Warden before its bearer and the Stewards escorting him move to one side. The remainder of the procession led by the Junior Deacons will lead straight on to the East and then open out to left and right as indicated in Annexure IV, the Junior Deacons being near the foot of the District Grand Master's platform.

As the Rt. Wor. the District Grand Master enters the Lodge, the District Grand Director of Ceremonies calls

the Brethren to order as follows: to order Brethren for the Right Worshipful the District Grand Master. The Right Worshipful the District Grand Master will then be received with acclamation by clapping hands in steady time until he halts to salute the Master of the Private Lodge. The time will be taken from a Brother to whom this duty has been assigned and who will be particularly careful to give a definite signal for the acclamation to cease as the Right Worshipful the District Grand Master halts.

The District Grand Master will then salute the Master of the Private Lodge, and all the District Grand Officers will turn eastwards and salute the Master at the same time. The Brethren will remain standing still while the District Grand Master proceeds to his place. When the District Grand Lodge meets under the banner of a Private Lodge the Wor. Master of the Private Lodge will surrender his gavel to the District Grand Master as soon as he is seated; the other District Grand Officers will remain standing still while the District Grand Director of Ceremonies conducts the Deputy District Grand Master and the Brother carrying the gavel to their seats and while the District Deputy Grand Director of Ceremonies and District Assistant Grand Director of Ceremonies, respectively, conduct the District Senior Grand Warden and the District Junior Grand Warden to their places; the gavel on its cushion will be placed on the District Grand Master's pedestal as the Brother carrying it passes. Officers, Past Deputy District Grand Masters will then be conducted to their seats by the Director of Ceremonies; the Visitors of Distinction and the remaining District Grand Officers and Stewards will then proceed to their places, the Secretary will offer the Book of Constitutions on the cushion to the District Grand Master who will place it without the cushion on his pedestal; the Seal will be placed on the Secretary's table on its cushion in front of the District Grand Registrar; the sword will be placed behind the V. S. L. and the District Grand Lodge banner behind the District Grand Master's throne, with the District Grand Master's standard (if carried) on its right. The District Grand Director of Ceremonies will inform the District Grand Master when all is ready for the opening of District Grand Lodge.

Roll of Lodges

(23) When the District Grand Secretary calls the Roll of Lodges, members of the District Grand Lodge alone shall rise visitors remaining seated. A member shall rise only for a Lodge from which he derives of which he is still a subscribing member. A present or past Master who is a member of a Lodge of the District may rise for every Lodge of which he is a member but a Warden who is not a Past Master may only rise for the Lodge of which he is the Warden. A member who is no longer a subscribing member of any Lodge from which he has derived qualification as a member of District Grand Lodge shall rise for the Lodge of which he has been a subscribing member of the longest period.

Admission during Meeting

(24) The District Grand Tyler and District Grand Pursuivant may, without reference to the District Junior Grand Warden, pass in, during the evening, in such a manner as not to disturb the proceedings, all Brethren whom the District Grand Pursuivant is satisfied are entitled to admission; in any case of doubt admission should be refused, unless it is possible to have the Brother vouched for without disturbing the meeting. The District Grand Pursuivant will see that visitors so admitted proceed to places reserved for them and do not take seats among the members of the District Grand Lodge.

District Grand Master's Procession out of Lodge

(25) After the District Grand Lodge is closed and the first verse of the National Anthem has been sung the same District Grand Director of Ceremonies who has been in charge throughout the meeting, will call on the present District Grand Officers to form the procession. The District Grand Master will return the gavel to the Wor. Master of the Private Lodge (under whose banner the District Grand Lodge has met). The District Grand Master salutes the Master of the Private Lodge from the East, after leaving his seat, and all District Grand Officers

will salute at the same time. The position of each officer will be indicated to him (Annexure V) The Warden of the Private Lodge will relieve the District Grand Wardens who will be conducted by the District Deputy and Assistant Grand Directors of Ceremonies to their places about the centre of the Lodge on each side of the pavement so that the District Grand Master may pass between them. The procession will then be formed as follows :—

Two District Grand Lodge Deacons--Sword
Bearer--Director of Ceremonies

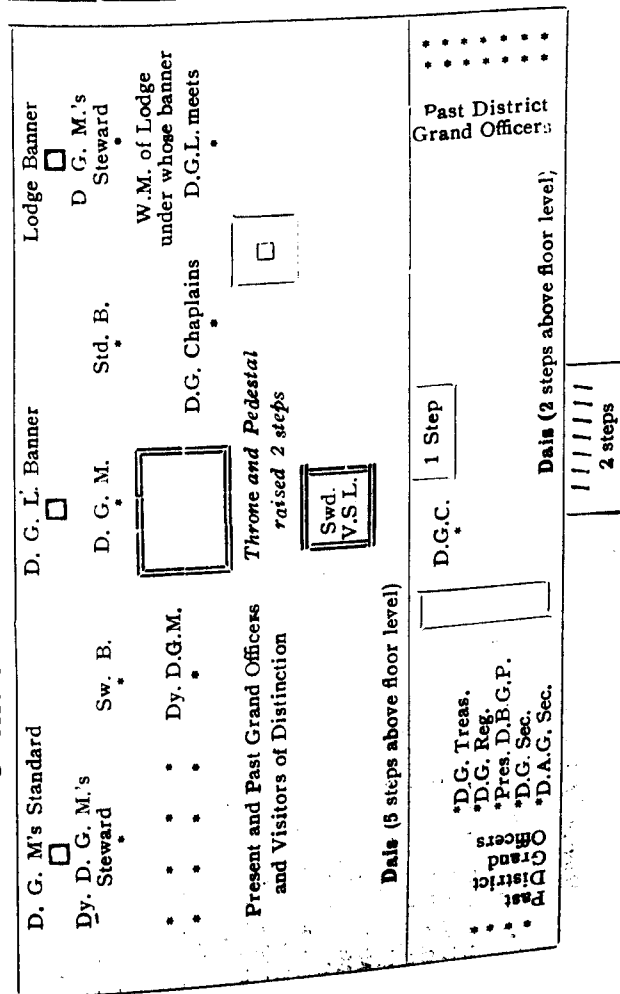

The District Grand Master immediately followed by the Standard Bearer, with Standard, the Deputy District Grand Master and the Chaplain with the three Great Lights unless the District Grand Lodge has met under the banner of a Private Lodge) and escorted by the Deputy and Assistant Directors of Ceremonies and two Deacons. The Grand Lodge Officers and District Grand Lodge Officers will follow.

The District Grand Director of Ceremonies will halt to the left of the S. W. pedestal and will bow the District Grand Master out of the Lodge.

FURTHER PROCEEDINGS IN PRIVATE LODGE

(26) After the procession has left, the District Grand Director of Ceremonies will return and from near the door will call out 'Past District Grand Officers'. Any such officers who wish to leave the Lodge may do so. If a formal procession is not formed, the juniors should allow their seniors to precede them out of the Lodge. Brethren who did not enter in the procession of Past District Grand Officers, should not move from their places till the Past District Grand Officers have left the Lodge. The District Grand Organist (who should continue to play till the Past District Grand Officers have left the Lodge), District Grand Pursuivant and District Asst. Grand Pursuivant and District Grand Tyler will then relinquish their duties as such, the corresponding officers of the Private Lodge taking their places. The Private Lodge will then resume its meeting.

MASONIC MEMORANDA (ORDER OF THE SECRET MONITOR)

Attention is invited to the revised Constitutions of the Order published in 1934, wherein many and very important changes have been made.

Rule 48 gives the list of officers of a private Conclave. Rules 65 & 66 deal with the clothing of officers of private Conclaves.

Rule 60, paragraph 2—

'Should a member be three years in arrear, he shall cease thereupon to be a member of the Conclave and can rejoin only by regular proposition and ballot.—(This corresponds to Rule 175 of the Constitutions of the United Grand Lodge of England).'

The above rule does not preclude a Conclave from proceeding against any of its members for non-payment of contributions according to its by laws for a shorter period than three years. Rule 61 of the Constitutions of the Order corresponds to Rule 210 of the Craft Book of Constitutions and lays down the procedure to be adopted by a Conclave for exclusion of its members.

Names and particulars of those coming under Rule 60, paragraph 2 or Rule 61 of the Constitutions of the Order should be forthwith reported to the Grand Recorder and to the District Grand Recorder.

Quorum

To transact any business, three members of the Conclave and to perform any ceremony, one of the three or more brethren present should be Supreme Ruler, present or past.

Declaration

A Declaration given in Rule 55 of the Constitutions of the Order should be obtained from every candidate prior to his being received as a member of the Order.

Presiding

A brother installed, but *not commissioned*, cannot preside except in his own Conclave.

(i) Returns mentioned in Rule 62 should be sent in the month of November in every year.

(ii) Form 46, *i.e.*, return of the members recommended for appointment of Grand Steward and of the member elected as a Benevolent Fund Steward *before December 31st* in each year—*Vide* Rule 25 particularly clause (b) of the Constitutions of the Order.

B. To the District Grand Recorder.

Returns mentioned in D. G. Conclave By-laws on the dates fixed in that behalf.

Mourning

All jewels must be covered with crepe.

SECRETARY:—Percy G. Mallory, P.G.D., Puerorur House, 26, Great Queen Street, London, W.C. 2.

THE ROYAL MASONIC BENEVOLENT INSTITUTION

FOUNDED 1842

20, Great Queen St., London, W.C. 2.

Grand Patron: HIS MAJESTY THE KING.

President: H. R. H. THE DUKE OF CONNAUGHT AND STRATHEARN, K.G., M.W. Grand Master.

Secretary: Major Cecil Adams, M.C., Patron. P.G.D.,

WORK OF THE INSTITUTION

The Institution is giving annuities to over 2300 Brethren and widows: these are paid quarterly, the full rates, including extra allowances, being £68 per annum for a married Brother, £64 per annum for a widower or bachelor, and £56 per annum for a widow or a spinster daughter of a deceased annuitant. The majority of the annuitants live in their own homes, but a small number (32) are accommodated at Croydon, where they live rent-free and are allowed coals and light in addition to their annuities. Medical attendance and nursing are also provided free.

The total sum distributed annually in annuities is about £122,000 and to this must be added the cost of office administration and the Homes at Croydon the total of which amounts to about £10,000. The annual expenditure is, therefore, over £132,000. The assured income is about £28,000 and for the whole of the balance (£104,000) the Institution is dependent upon the liberality of the members of the Craft.

QUALIFICATIONS OF PETITIONERS

A Brother is not eligible to be accepted as a Candidate (except under special circumstances) until he has attained the age of 60 years. He must have been a subscribing member of a Lodge under the English Constitution for not less than 15 years and his income must not exceed £55 per annum from all sources.

A widow is not eligible (except under special circumstances) until she has attained the age of 60 years. Her (last) husband must have been either (1) a subscribing member of a Lodge under the English Constitution for not less than 10 years unless, having been himself an annuitant, his petition had been accepted by the Committee of Management before the expiration of that period, or (2) a subscribing member of an English Lodge for not less than 5 years and continued a subscribing member to the time of his decease. A widow must have been married to her (last) husband at least 5 years before his death, and if the widow of an annuitant, their marriage must have taken place at least 5 years previously to the presentation of her husband's petition. Her income must not exceed £55 per annum from all sources.

All cases should first be investigated by the Lodge concerned. The latter must then furnish particulars to the District Grand Secretary who can obtain the necessary form of application from the Secretary of the Institution.

ANNUITANTS

There are at present on the books of the Institution seven widows from this District receiving the annuity. The sum paid out each year to these annuitants is £381, and the total sum which has been paid by the Institution to annuitants of this District amounts to £3147.

A first *Stewardship* with the Institution entitles the donor to two extra votes; every subsequent *Stewardship* gives four extra Votes.

Stewards, whether Brethren or Ladies, may attend the Festival if they wish, but it is not necessary for them to do so. Lewises cannot attend the Festival.

A Steward is given two *List Votes* for every 25 guineas which he collects over and above his own qualifying donation.

The *Steward's fee* is usually £1 1s. for a non-dining Steward, and £2 2s. for a Steward who intends to dine at the Annual Festival (Ladies, £1 1s. non-dining; £1 5s. dining). The Stewards' Fees are paid into the Festival account of the Institution and expended in meeting the cost of the Festival, including the dinner, printing, stationery, Stewards' Badges and Ladies' Souvenirs. In this way the Festival is paid for by the Stewards and not from the charitable funds of the Institution. After audit, any balance in the Festival account is transferred to the General funds.

All Stewards (whether present at the Festival or not) are entitled to receive their Steward's Badge and Vote of Thanks.

COMMITTEE

The Committee of Management meets at Freemasons' Hall, London, on the second Wednesday of each month at 4 p.m. All Vice-Presidents, Vice-Patrons and Patrons are members of that Committee.

ELECTION

There is one election in each year, on the third Friday in May.

FESTIVAL

The 95th Annual Festival will be held in February, 1937, when the Chairman will be R. W. Bro. Arthur Foster, Patron, Past Grand Deacon, Provincial Grand Master for Lancashire (Western Division).

THE ROYAL MASONIC HOSPITAL

Ravenscourt Park, London, W. 6.

President.

H. R. H. THE DUKE OF CONNAUGHT AND STRATHEARN

K.G., M.W.G.M.

The new Hospital at Ravenscourt Park is generally regarded as one of the finest Hospital Institutions in the world, and a model of its kind. The Hospital is available for the use of our Brethren and their wives and children. The Hospital has provision for 200 beds, but as at present a number of nurses are housed in the building, the benefits of the Hospital could not be availed of to its fullest capacity. The immediate necessity is, therefore, to provide a *Nurses' Home* which will accommodate 200 sisters. The Home is estimated to cost £70,000 to build and equip. All Donations will be gratefully received. It is particularly suggested that for meeting this cost and the cost of the general upkeep of the Hospital, Lodges, wherever they could afford it, may give a small annual donation of ten Guineas or even five Guineas as "Friends of the Hospital."

The Hospital is primarily intended for patients who *bona fide* cannot afford ordinary nursing home charges, or the attendant heavy medical and surgical expenses.

The minimum Nursing Home charge is 3 guineas weekly, with a small payment, according to means, towards surgical expenses.

A SAMARITAN FUND is in existence to assist Brethren who cannot afford even the low fees of the Institution, and is commended to Lodges for an occasional Charity Box collection.

QUALIFICATION AND VOTING RIGHTS

Gifts to the Funds of the Institution by Individual Brethren, give a status and voting rights as follows:—

	£.	s.	d.	
PATRONS	...	52	10	0 ... 5 votes
VICE-PATRONS	...	26	5	0 ... 2 votes
LIFE GOVERNORS	...	10	10	0 ... 1 vote

Patron Lodges and Vice-Patron Lodges

Lodges giving £105 from Lodge funds become Patrons, or by giving £51 10s. they become Vice-Patrons, with ten and five votes respectively.

Commemorative Jewel

The M. W. the Grand Master has granted a special Commemorative Jewel to all donors of £10 10s. and upwards in connexion with the Appeal for Funds for the new Hospital. The qualification money must be paid before the end of the year 1938.

All further information will be afforded by W. Bro. Percy Still, P.G.D., or W. Bro. C. H. Thorpe, P.G.D., Joint Honorary Secretaries of the Hospital, Ravenscourt Park, W. 6.

MARK BENEVOLENT FUND OF THE GRAND LODGE OF MARK MASTER MASONS, ENGLAND.

The fund is administered by the General Board and is divided into three Branches, namely:—

"Benevolent", for the assistance of Brethren, their widows and children by means of immediate grants of money: Grants are also made to enable a Brother, or his wife, who has been ill, to pay his, or her, expenses through a period of convalescence.

"Educational," for the Education and Maintenance of the children of deceased Brethren, and

"Annuity," for the Granting of Annuities, not exceeding £80 and £70 respectively, to aged and disabled Brethren and their widows.

Forms of Petition (which will be promptly and carefully considered by the General Board), and any further information may be obtained from the Secretary of the Fund, **Mark Masons Hall, Great Queen Street, W. C. 2.** who will gratefully receive the names of Ladies and Brethren willing to act as Stewards at the forthcoming Festival.

FESTIVAL STEWARDSHIP

Every Brother accepting the office of Steward is called upon to pay a fee to "The Steward's Fund" which is *entirely distinct from the Mark Benevolent Fund*, and is applied for the purpose of defraying the expenses connected with the Annual Festival. *On payment of the Steward's Fee each Steward is furnished with a Steward's Badge, which is specially designed for each Festival.*

FEES

Stewards (Brethren) attending the Dinner, £2 2s. *plus* a minimum Donation, £5 5s.

Stewards (Ladies) attending the Dinner £1 5s. *plus* a minimum Donation, £5 5s.

Stewards of the year may invite Brethren or Ladies as Guests on the payment of the following fees:—

Ladies	... £ 1 5 0
Brethren	... £ 2 2 0

Donations to the Mark Benevolent Fund of the following sums confer the qualifications and votes set against the respective sums subscribed:—

£ 5 5 0	... Life Subscriber	5 votes.
£ 10 10 0	... Life Governor	11 votes.
£ 26 5 0	... Vice-President	30 votes.
£ 52 10 0	... Vice-Patron	150 votes.
£ 105 0 0	... Patron	150 votes.

Privileges with double votes may be acquired by Ladies on payment of similar amounts in not less than £5 5s. each.

"CHARITY JEWELS"

Apart from the Stewards's Badge a Charity Jewel is presented by Grand Lodge to every brother who may serve as Steward at the Festival, and *contribute a minimum donation of £5 5s. to the Benevolent Fund*. Every subsequent Stewardship with a similar donation entitles the Brother to a Bar.

"The Jewel shall be worn as a breast jewel and be suspended from a ribbon 1½ inches wide, of 1 inch crimson centre with ½ inch border of sky blue. A Vice-Patron may wear the jewel suspended around the neck from a ribbon of similar width and colour. A Patron may wear the jewel in a similar manner to Vice-Patron with gold embroidery of the prescribed pattern and depth on the ribbon."—*See Book of Constitutions (Art. 210).*

DISTRICT GRAND FUND OF BENEVOLENCE

This fund is maintained from quarterages levied from private Lodges, donations and voluntary subscriptions from Lodges and Brethren and interest on its investments. The Fund is intended chiefly for affording relief to indigent Freemasons and relatives of deceased Freemasons. Grants for charitable purposes may also be made from this Fund.

As the number of calls on this fund have been steadily increasing, the present income, from the quarterages and interest on investments, is hardly sufficient to meet the calls.

An earnest appeal is made to Lodges and side Degrees as well as to individual brethren for generous and recurring support to this Fund. Donations will be thankfully received and faithfully applied.
