Government Advertisement.

PUBLIC DEPARTMENT.

THE Right Honourable the Governor in Council having been informed that an erroneous opinion has been entertained of the nature of the orders which have been furnished to the Superintendent of the H. C.'s Observatory, in regard to Sea Time-keepers delivered to his charge for the purpose of having their daily rate ascertained; notice is hereby given, under the authority of His Lordship in Council, that all Chronometers which may be sent to the Observatory by any Captains and Officers of Her Majesty's Navy, or of the H. C.'s Sea Service, or by the Masters and Officers of British Merchant Vessels frequenting this port, will be received every day (Sunday excepted) between the hours of Eleven and Two. That they will be regularly compared for as many days as may suit the occasion of the owners, and that they will be returned, on written applications between the same hours, accompanied by detailed accounts of their rates of going while deposited, free from all fees or charges of every description.

Published by order of the Right Honourable the Governor in Council.

G. G. KERLE,

Secy. to Govt.

Fort St. George, 20th April 1807.

Pursuant to the above Advertisement, notice is hereby given that no Time-keeper sent to the H. C.'s Observatory, for the purpose of having its rate ascertained, will be returned without a written application from the owner; and unless it be transmitted within the hours specified by the said Advertisement.

In order to meet the public convenience and to insure the safe transmission of Watches, whose rate has been ascertained, the Superintendent of the H. C.'s Observatory will on re-

ceiving a written application for the same, cause such Time-keepers to be taken, (if it be the pleasure of the owner,) to Mr. Robert Gordon's House near the North Gate in Fort St. George, free from all charges, at the appointed time, and by a safe conveyance.

H. C.'s Observatory, }

JOHN WARREN,

April 20, 1811.

ACTING ASTRONOMER.

N. B.—It is also recommended to the owners never to send their Time-keepers in a Palankeen, for long experience has shown that its motion disturbs the rate and frequently stops the watch altogether.

The Master General of the Ordnance, exclusive of his Rank in the Army, is to have the same honor as a General.

The Artillery has precedence of all Infantry and Cavalry, when dismounted; Officers of Land and Marine Forces, upon Courts Martial or other Military Duty, take Rank according to the seniority of their Commissions. Colonels of Militia in England have generally Army Rank by Brevet when their Regiments are embodied during the War, and Officers of Militia rank as youngest to those of the Line; and Officers of Fencibles, Militia, Yeomanry, Cavalry, and Volunteer Corps rank together according to the dates of their respective Commissions.

LIGHT HOUSE.

THE Light House on the Exchange in Port St. George was erected by the Exchange Committee, with the sanction of Government, in December 1799, and is of essential service to Ships coming into the road in the night.

The Light is 90 feet above the level of the Sea at high water; it can be seen from the decks of the Honorable Company's Ships about 17 miles, and from their mast heads near 26 miles.

The South part of Folkestone bears from the Light House, N. by E. half E. distance 12 miles; and to keep clear of the shoal, the light should always bear to the Westward S. S. W. 4 W.

COLLEGE SCHOOL.

Besides the College at Hertford, the Company patronize a School subordinate to it, and under the superintendence of the Principal, into which boys may be admitted at an early age, and in which they will be taught the elements of general learning, and such other accomplishments as are the usual objects of instruction in the larger seminaries of this country. Especial attention will be paid also to such parts of education as may serve to qualify them for public business, and for the higher departments of commercial life.

Though this School be designed as introductory to the College, it is not to be understood that the Company is pledged to make it the sole channel of an appointment to the College itself; but it is nevertheless proper to observe, that those who shall have passed through both institutions will enjoy the advantage of an uniform system of education, begun in early youth, and continued to their departure for the duties of their public stations.

Notwithstanding that an intimate connection is intended to subsist between the College and the School, it is nevertheless to be understood, that whilst the College is exclusively appropriated to persons designed for the civil service of the Company abroad, the School will be open to the public at large.

The Rev. M. H. Zarncombe, A. M. of the University of Cambridge, is appointed Head Master of the School; to whom the annual sum of seventy guineas is to be paid for each pupil, which, without any additional charge, will include besides the usual course of classical instruction, the French language, writing, arithmetic, mathematics, drawing, and dancing.

JUDICIAL DEPARTMENT.

THE Honorable the Governor in Council is pleased to publish the following Extract from a Regulation under date the 6th November last, prohibiting individuals from dressing their servants in the Regiments of the Company's troops, for general information.

EXTRACT FROM REGULATION III, A. D. 1808.

Sec. IX. Part. All persons whether European or Native within the Company's provinces (excepting such privileged persons as the Government may specially exempt from the operation of the rule contained in this Section) are positively forbidden to dress any of their servants, either for the purpose of

parade or of business, in the uniform of the Company's sepoy and lascars, or in a dress, so nearly approaching to that uniform, as to enable the persons wearing it to impose themselves on the country people for sepoys and lascars.

Second. All natives, excepting those actually in the Military Service of the Company, or belonging to persons specially exempted by Government from the operation of this rule, are forbidden to wear a dress similar to that mentioned in the foregoing clause.

Third. Officers of every description, employed in the service of the Company, who are allowed establishments of peons, in their official capacity or who may have occasion to employ persons of that description, in such capacity, are prohibited from clothing them with a military dress.

Fourth. With a view of giving full effect to the orders contained in the preceding clauses, the Military Commanding Officers of stations, and of detachments, in the interior parts of the country, and the several zillah Magistrates, are hereby authorized and required, to deprive of a military dress any person who shall wear it contrary to these orders. The local Officers of police are also empowered and directed to apprehend all persons of the above description, and to send them to the Magistrate, who will deal with them in the manner above prescribed.

Fifth. Military Officers, or other persons, to whom escorts may be allowed, when travelling through the country, are forbidden to send sepoys or lascars into the villages, for the purpose of procuring any sort of provisions or of pressing bearers, coolies, or boatmen. Every local Officer of police, upon proper application, will, under Section VIII. of this regulation, grant such assistance as he may be able to afford; and all violent measures, therefore, will be considered equally illegal and unnecessary.

Sixth. No person shall be allowed to distinguish his peons, or other servants, with badges, except the public Officers (civil or military), employed in the service of the Company, who are allowed establishments of peons in their official capacity, or who may have occasion to employ persons of that description, in the public service. The several zillah Magistrates are empowered and directed to apprehend any person (not being in the service of a public Officer of the Government, authorized to entertain such servants) who shall wear a badge, in opposition to the prohibition contained in this clause, and to deprive him of the badge. The local Officers of police are also authorized and directed to apprehend persons of the above description, and to send them to the Magistrate, by whom the offender will be dealt with as above directed. Any European, not being a public Officer of the Government, to whom such description of public servants is al-

lowed, employing badged peons, or other description of servants wearing badges, contrary to this prohibition, will be liable to the severe displeasure of Government, on representation of the circumstances of the case by the Magistrate, who is directed to report all such instances for the information and orders of the Government in Council.

EXTRACTS from an Advertisement dated 13th December 1803.

"With a view of affording additional security to the Proprietors of Lands and Houses in Madras and as a means of preventing clandestine transfers and mortgages of property, His Lordship in Council has been pleased to direct a register to be opened at the Outcherry of the Collector of Madras, when all persons who purchase property or lend money on mortgages of property may register their purchase or mortgage deeds.

F. W. ELLIS,
COLLECTOR OF MADRAS.

*EXTRACT of a general letter from England in the
Commercial department, dated 7th Sept. 1808,*

Para. 229. [IN our letter of the 31st October 1799, we informed you that we had appointed Messrs. Hyde and Marter, Clerks in our Accountant's Office to act as Agents in the clearance of Baggage, Wines and Presents from the Company's Warehouses, and that we had been induced to appoint our own Servants to conduct this business in order that they might be accountable to us for the propriety of their conduct.—The increase which has taken place in the Civil and Military establishments of our several Presidencies, and the consequently augmented number of persons returning to Europe, have determined us to make a separate department for the purpose of clearing Baggage, Wines and Presents, and we have appointed Mr. William Marter and Mr. William Evans to be Warehouse-keepers of Baggage subject to our immediate inspection and controul, and we have made such arrangements with His Majesty's Board of Customs for ascertaining and paying the duties on Baggage, &c. as will ensure the greatest possible despatch in the delivery of the articles to the respective proprietors.

230. We have also sanctioned a table of fees and allowances to be received for the discharge of this duty and for reimbursing the expenses attending it, and we have prohibited the Baggage Warehouse-keepers from receiving any other than the authorized allowances, upon pain of our severest displeasure.

231. As we have erected this establishment for the sole purpose of the convenience of our Servants and others who may return to Europe, we direct that our intention in this respect be made public, and be constantly affixed up in the Export Office of our several Presidencies, and that it be signified to all our Servants returning to Europe, that it is our desire that they apply to our said Warehouse-keepers Messrs. Marter and Evans to clear and deliver them their Baggage, Wines, and Presents, as we have directed Messrs. Marter and Evans to transact every branch of business connected with this department, which will render the Agency of all other persons unnecessary.

232. Passengers arriving from India are liable to inconveni-

ance from being ignorant of the law which prohibits Calicoes being printed, painted or stained or dyed, and also Silk Goods from being worn or used in this Country, and such Goods although made into apparel are of necessity taken out of their Baggage and detained by the Officers of the Revenue; We direct therefore, that notice hereof be made generally public, and further that Napkins, &c. which contain a coloured stripe however small, are considered to be prohibited and cannot be passed in England as part of their baggage.

*EXTRACT of a general letter from England in the
Public Department, dated 26th August 1801.*

HAVING adverted to the immense quantity of baggage brought home by the Passengers arrived in the Company's Ships and being desirous of promoting every regulation that appears to us likely to increase the importation of surplus Tonnage, we have investigated this as one cause, which has occasioned the reduction of that important benefit, both to the Company and Owners, the space occupied by the Passengers baggage in one of the Ships lately arrived having amounted to the immense quantity of 63 Tons, conceiving therefore some regulation necessary to be adopted to correct as much as possible this growing evil and to prevent such immense quantities of baggage being imported, to the ultimate exclusion of the Company's cargo; we have come to the following resolutions, with copies of which you must furnish the Commanders of all Ships in the Company's Service for their information and guidance; and we direct that you adopt every other means which may appear necessary towards carrying the same into effect, viz.

That Gentlemen proceeding to England in the undermentioned manner be restricted from taking with them, a larger Tonnage of baggage and stores, than the following, exclusive of their bedding, a table and a sofa or two chairs, for their respective cabins, viz.

Gentlemen of Council	5	Tons,
General Officers	5	do.
Colonels in His Majesty's or Company's Service	4	do.
Senior Merchants	4	do.
Lieutenant Colonels	3	do.
Junior Merchants	3	do.
Major	2½	do.
Factor	2½	do.
Captains	2	do.

That Gentlemen proceeding to England in either of the above-mentioned stations who may be permitted to bring home their families with them, be restricted from taking more Tonnage than one half of the preceding allowance in addition, as the Ladies baggage.

That married Ladies proceeding to their Husbands in England, be restricted from taking more than 2-3ds of the Tonnage prescribed for a Gentleman of the same rank as their Husbands.

That Writers, Lieutenants, Ensigns and other cabin Passengers be restricted from taking a larger quantity of baggage and stores than 1 Ton each, exclusive of their bedding, a table and sofa or two chairs.

That married Ladies proceeding to their Husbands in England of either of these last mentioned descriptions, be restricted from taking more than a similar quantity of baggage.

That such Gentlemen of either of these last mentioned descriptions who may be permitted to bring home their Wives with them, be restricted from taking more than 1 Ton in addition as the Ladies baggage.

That single Ladies be restricted from taking more than the same quantity of baggage and cabin furniture.

That all excess of baggage beyond the above-mentioned quantities, on whatever Ship it may be brought home, be invariably charged freight at the charter party rate per Ton, and that the said baggage be not delivered from the Company's Warehouse, till such freight shall have been paid into the Company's Treasury.

tended for Europe which the writers of them may wish to be forwarded, with the utmost expedition, to London after their arrival at some port in Great Britain or Ireland, on which letters double postage, at the above rates, is in future to be levied; but no letters will be so forwarded unless the words "Double Postage letters" shall be written on the envelope, or that the wish of the writer that they may be put into the double postage packets shall be made known, in writing, to the Post Master of the station where they may be delivered in.

allow of its being opened at the Post Office, in order that postage may be charged, at the usual rates, on all letters which may be found in it.

As it has been determined that no parcels received by sea shall, in future, be transmitted to any inland station, unless the person to whom it is addressed shall send a request to that effect to the Post Master General, notice will be given, as early as may be possible after the arrival of any ship, of the parcels received by her, and on application in writing the parcels shall be forwarded to the persons to apply to, when they will be held responsible for the postage of them, whatever may be its amount.

15.—That the Master Attendant shall immediately report to the General Post Office, the arrival of all vessels from Europe, and particularly attend to the early landing of the letter Packets, which shall be sent to the General Post Office, and be there opened, the Chief Secretary to the Government, or some one deputed by him, attending to receive the public despatches, and when the letters for the Governor, Military and Naval Commanders in Chief, Judges of the Supreme Court, and Members of Council, shall have been selected, the remainder shall be registered, previously to their being delivered to the public.

20.—That no letters or parcels containing money, jewels or any articles of value shall be transmitted by Tappal.

21.—That no detention whatever of the mails shall be allowed at any of the inland stations, and that when the Public Service shall require, or it appears shall be despatched, but at the risk of the post, causing it to be despatched for any improper abuse of this privilege.

Post Office Regulations.

In order to ascertain correctly that the preceding regulation has been acted upon to its full extent, a table will be prepared at the General Post Office, showing the distance between, and probable time of arrival at each station, with which the returns, to be made by the person in charge at each station, will be compared, and the Collector in whose district any delay may appear to have occurred, will be held responsible for the same.

22.—That all Public Officers, Civil and Military, entitled to frank, shall send to the Office of the Paymaster, or other public Officer from whom they receive their pay, lists of the public letters despatched by them during the month preceding, with one of the following attestations upon honor, at the foot of the same.

FOR CIVIL OFFICERS.

I do hereby certify upon my honor, that to the best of my knowledge and belief, the above is a correct list of all the public letters despatched under my signature during the month of _____ and that they were solely and entirely on the public service.

FOR MILITARY OFFICERS.

I do hereby certify upon my honor, that to the best of my knowledge and belief, the above is a correct list of all the public letters exclusive of _____ letters despatched under my signature during the month of _____ and that they were solely and entirely on the public service.

FOR OFFICERS COMMANDING CORPS, &c. IN HIS MAJESTY'S OR THE HONORABLE COMPANY'S SERVICE.

I do hereby declare upon my honor, that to the best of my knowledge and belief, the following is a correct list of _____ letters franked by me during the last month, under the restrictions specified in the fifth article of the Post Office Regulations.

23.—That no abstract of pay shall be discharged except it be accompanied by a list to the above effect, and it is to be paid without attention to this point, that circumstance alone shall be considered as a sufficient cause of retrenchment.

24.—That the lists given in by the Officers in the Civil department shall be forwarded to the Office of the Civil Auditor, with the monthly accounts of the person paying the abstracts, and those in the Military department, to the office of the Military Auditor General.

25.—That the lists so forwarded shall remain in deposit in

Post Office Regulations.

the office to which they are sent, for the purpose of being compared, if required, with the lists which will be ordered to be forwarded direct to the Post Master General from the persons in charge of the subordinate Post Offices.

26.—That with a view of obviating the possibility of misconception with regard to the letters intended to be exempted from postage, it is to be unequivocally understood that, with the exception specified in the 1st, 5th and 10th articles of these regulations, all letters and papers that are not exclusively on the business of the Public Service, and that have not been previously entered as an official record, shall be subject to postage, and should it come to the knowledge of the Governor in Council, that any of the Officers, Civil or Military, now authorized to address letters on the service, have made an improper use of the trust so reposed in them, by forwarding letters on their own private concerns under a cover superscribed "On the Service," the Governor in Council will consider it a disqualification for office.

27.—That should the name of any Public Officer, obliged from his situation to carry on a public correspondence, be omitted in the list now published, such Officer must address a letter to Government, stating the nature of his public correspondence, when it is deemed of sufficient importance, his name will be added to the list, or some public Officer, already included in the list, will be directed to supercede his letters on the service.

28.—That any Officer on duty, or leave of absence, at the Presidency, who may have occasion to correspond on the public service, shall carry his letter to the Adjutant General who upon being satisfied that the letter is exclusively upon the public service, will frank the same.

29.—That all Officers similarly situated at the subordinate, shall apply to the Commanding Officers of the stations where they may then be residing.

30.—That no Post Office packet shall in future be opened between one station and another for the accommodation of Travellers, as it is understood to have been hitherto the practice, but in a competent authority, or circumstances of an urgent public nature at any time render it necessary for an Officer, in the execution of his duty to open the Mail, it must be carefully opened and closed by the Officer himself, and an official letter must be addressed to the Post Master General explaining under what orders or peculiar circumstances the measure was adopted.

31.—That no letter which has once been delivered into any

Post Office Regulations.

Post Office under this Government shall, in future, be restored, except upon an official application in writing, in which the reason for making the application must be stated, a copy of which letter will be forwarded, if necessary, to the station to which the re-delivered letter was addressed, in order to afford the means of detecting any frauds that may be attempted. It is however to be understood that the postage will in no case be returned.

32.—That with a view to prevent the suppression of private letters, and the misappropriation of the postage collected on them, all receipts granted in future at the Post Offices under this Presidency for letters delivered in, shall be on stamped paper, each receipt having the word single, double, treble, quadruple or packet engraved on it in the English, Tamoul, Telinga and Persian characters, and specifying at the same time in writing, or by a second stamp, the station from which the letter is despatched—the place to which it is addressed, the date of its delivery into the first Post Office, and the postage paid on it.

With this facility of discovery every individual, European or Native, whose letter does not reach its destination, will be enabled to obtain redress upon application to the Post Master General; but it is at the same time recommended to the public, as an additional check, that every person do insert in a book, to be kept for the purpose, the directions of all letters sent by Tappal, with the name of the station from which they are sent and the date of their delivery at the first Post Office, and likewise that the stamped receipts also mentioned may not be mislaid or thrown away, without which precautions the present regulation cannot, it is feared, have the desired effect.

The Governor in Council deems it proper to repeat that any deviation from the preceding regulations, will not fail to subject the offending party to the severest displeasure of Government.

Bangy Regulations.

GOVERNMENT ADVERTISEMENT.

NOTICE is hereby given, that, for the purpose of reducing the weight of the mails despatched by tappel, and of affording convenience to the public at large, a Bangy despatch, will, from the beginning of January next, be established on the routes that lead from Fort St. George to Fort William, to Seringapatam, and to Trichinopoly.

The bangy will be despatched three times a week, and the days of despatch from the Presidency, will be Tuesdays, Thursdays and Saturdays. The first bangy will consequently start on Tuesday the 2d of January 1810.

All newspapers and all public despatches exceeding the weight of one ounce, will be reserved for the bangy; except in cases where the early receipt of any public despatch may be deemed important, when it must be endorsed with the words "by tappel,"—and in the case of extra newspapers, not exceeding the weight of a single letter, which will still be forwarded by tappel.

When newspapers and public despatches, exceeding the weight of one ounce, may be addressed to, or from stations beyond those to which the bangy is sent, they will be transmitted, as far as possible, by bangy, and forwarded by tappel only to, or from the final bangy stations.

Parcels for the bangy must be delivered at the General Post Office, before the hour of 12 in the forenoon of the day on which the bangies are despatched, and the bangies will be despatched at 4 o'clock in the afternoon.

The bangies will be opened for the receipt of all parcels (with the exceptions hereafter mentioned), and the bangy-postage of a parcel, not exceeding fifty rupees weight, will be three times the tappel-postage of a single letter,—that of a parcel, not exceeding one hundred rupees weight, will be six times the postage of a single letter,—and so on in arithmetical progression;—but, no parcel, exceeding one thousand rupees weight, will be received for transmission by bangy.

Newspapers will be charged only with the present rate of postage, and the Government Gazette, will, as at present, pass post-free.

All parcels, whose bulk exceeds the cube of six inches, will be charged with double postage, and none, whose bulk exceeds the cube of one foot, will be received for transmission by bangy.

Every precaution will be adopted for the security of parcels transmitted by bangy, and it is not apprehended that they will be exposed to any considerable degree of risk, but it is proper to

notify, that the Post Office will not be held responsible for their safety.

REGULATIONS.

1. The capital of this Office is computed at Sa. Rs. 12,00,000 and is divided into 120 shares of Sa. Rs. 10,000 each, of which Sa. In case of the intermediate death of the party, however, no further premium is to be demanded. And the insured has the option of putting a stop, to the insurance at the end of every year, by discontinuing the payment of premiums.

6. If a person makes an insurance for one year only, he must furnish a fresh certificate and affidavit of health, before he can be permitted to renew his insurance. But that is not required,

where the insurance has been made, in the first instance, for a longer period.

7. In case of the death of the person, whose life is insured, the sum insured will be paid, at the expiration of 6 months after proof thereof, to the person for whose benefit the insurance may have been made.

Government Securities.

GOVERNMENT ADVERTISEMENT.

FORT WILLIAM.

PUBLIC DEPARTMENT, DECEMBER 31, 1810.

THE Public are hereby informed, that the Sub-Treasurers at Fort William, Port St. George, and Bombay, are severally authorized to grant Certificates or Acknowledgments, entitling the Proprietors of them, or their representatives, to receive the Promissory Notes of this Government, on the terms hereinafter to be specified.

1. The Acknowledgments in question will be issued in exchange at par, for the principal and interest, or for the principal only of the eight per cent loan Obligations of the Bengal Government, at present outstanding.

2. Acknowledgments will be granted in the same manner in exchange for the eight per cent loan Obligations of the Government of Fort St. George, at present outstanding, at the rate of 380 Arcot Rupees (equivalent to Calcutta Sicca Rupees 335.172) per 100 Star Pagodas.

3. Acknowledgments will also be granted in exchange for the eight per cent loan Obligations of the Bombay Government at present outstanding, at the rate of 108 Bombay Rupees per 100 Calcutta Sicca Rupees.

4. The Proprietors of any of the Obligations above described, will be at liberty to receive payment of the broken interest which may be due at the period of subscription, either in cash at the different Presidencies, or by bills to be drawn on the Honorable Court of Directors: provided that, in the latter case, the interest amount to the sum of fifty Pounds sterling.

5. The Certificates or Acknowledgments of the Government of Fort William, Port St. George and Bombay, which shall have been issued under the terms of the Advertisement of this Government, published in the Calcutta Gazette of the 31st of August 1810, together with the interest which may be due thereon, will be received in subscription to the present Loan, at either of the Presidencies, at par.

6. The Public Securities of the Governments of Fort St. George and Bombay will be received in exchange for the

Acknowledgments in question, on application at those Presidencies respectively.

8. Acknowledgments will not be granted under the present Advertisement for any smaller sum than 1000 Calcutta Sicca Rupees, nor will any such Acknowledgments be granted otherwise than in sums of even hundreds.

9. The holders of the Government Securities, who may be desirous of exchanging their Notes for such Acknowledgments, will have the option of paying or receiving the fractional part of 100 Calcutta Sicca Rupees in cash.

10. None of the Government Securities above described will be received in subscription to the present Loan after the 30th of April next, nor will any of these Securities which have already been notified for payment, or which may hereafter be advertised for payment, be received in subscription to the Loan after they shall have been so advertised.

11. Subscriptions to this Loan will be received at the General Treasuries at Fort William and Fort St. George, either in Cash, or in the Treasury Notes of the Bengal Government, at a discount of two per cent, that is, for every sum of 100 Sicca Rupees, an Acknowledgment will be granted, entitling the Proprietor to a Promissory Note to be issued on the terms of the present Loan.

12. Subscriptions to this Loan will be received at Bombay, in cash at par, that is, for every sum of 100 Bombay Rupees, an Acknowledgment will be granted for 100 Calcutta Sicca Rupees.

13. The Sub-Treasurer at the Presidency where the transfer or Subscription is made, will grant the Proprietor an Acknowledgment for the amount in Calcutta Sicca Rupees, at the rates of exchange above specified, bearing interest at the rate of eight per cent per annum, from the date of such Acknowledgment to the 30th June 1811.

14. The interest which may be due on the Acknowledgments on the 30th of June next, will be paid at either of the Presidencies in Cash, at the rates of exchange abovementioned, or the amount will be added to the principal, the holder of the Acknowledgments electing or paying, at his option, the fractional part of 100 Rupees in Cash, so that in all cases, the Notes ultimately to be granted by the Public Officers, may be for sums in even hundreds of Calcutta Sicca Rupees.

15. The Acknowledgments, after the Proprietor shall have received the interest due to the 30th June next, are to be transmitted to the Deputy Accountant General at Fort William, to be exchanged for a Promissory Note or Notes, not being less than 1000 Calcutta Sicca Rupees each, in even hundreds of Calcutta Sicca Rupees, and to bear date the 30th day of June

1811, which Notes will be numbered and registered in the order in which the Acknowledgments are presented at his Office.

16. The Accountant General at Fort St. George and Bombay will, on application from the holders of Acknowledgments, transmit them to the Accountant General in Bengal, to be exchanged for Promissory Notes, free of every expense whatever. The Proprietor however must in every such case either receive the interest due on the Acknowledgment in Cash, or subscribe it in the manner abovementioned, before the Acknowledgment be transmitted to Bengal, and must also express thereon the number and amount of the Promissory Notes which he would wish to receive in exchange for it, and which will be issued accordingly to the amount of the Acknowledgment, for any sums in even hundreds of not less than 1,000 Calcutta Sicca Rupees.

17. The Notes of this Loan shall not be paid off without a previous notice of sixty days being given to the public, by an Advertisement to be published in the Calcutta Gazette. Such notice shall be considered as equivalent to a tender of payment at the period appointed for the discharge of the Notes so advertised for payment, and all interest thereon shall cease from the expiration of that period.

18. The Promissory Notes to be so granted, shall be numbered and placed upon the General Register of the Registered Debt of the Bengal Presidency, and the principal shall be payable in Cash in Bengal only.

19. The Notes shall be advertised for payment according to the order of priority in date and number in which they shall have been placed upon the General Register. But all Notes advertised at the same time for payment, shall become payable on demand without regard to priority, at the expiration of the notice. Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices; and to discharge the Notes so subsequently advertised, at the expiration of the notice relating to them, notwithstanding the holders of Notes, comprised in prior Advertisements, may have omitted, by themselves, or their Attornies duly authorized, to apply for payment.

20. It is clearly to be understood, that purchases by the Commissioners of the Sinking Fund, and transfers of the Notes of the present Loan into any future Loan in the manner hitherto used, shall not be considered as infringements of the stipulation in the preceding clause, with respect to priority of payment.

21. It is moreover declared that, should this Government, or the Honorable Court of Directors, see reason at any time to

grant to the holders of this Loan a remittance to England for the Principal of the Notes of this Loan, by bills to be drawn on the Honorable Court of Directors, either generally, or to a limited amount; or, if under any future arrangement for the transfer of debt contracted by the present Loan, either in whole or in part, to any Fund or Securities to be created by the Honorable Court of Directors in England; any part of the said debt shall, at the desire, or with the consent of any Creditor, be so transferred; the partial payment of the debt, in either of these modes, shall not be considered as an infringement of the stipulations in the preceding clause to discharge the Notes of the Loan in the order of their number and date.

22. For the accommodation of the Proprietors of Notes, residing at Fort St. George or Bombay, it is hereby provided that, on application to the Accountant General at either of those Presidencies, they shall be entitled to have the Original Note issued by the Bengal Government exchanged for another Note for the same sum in Calcutta Sica Rupees, and of the same tenor in every respect, or to have different Notes consolidated into one or more larger Notes, or to have their Notes subdivided into smaller Notes, (not being for less than 1,000 Calcutta Sica Rupees each,) on payment of the established fees of office.

23. The interest on the Promissory Notes shall be payable half yearly, on the 31st of December and the 30th of June, from year to year, until the principal shall be discharged, or until the interest shall cease on the expiration of the notice of payment, as expressed in the 19th clause; and it shall be optional with the Proprietor of the Notes, to receive payment of such interest in cash, either at Fort William, Madras, or Bombay, or by bills to be drawn on the Honorable Court of Directors, at the exchange of two Shillings and six Pence per Calcutta Sica Rupee, payable twelve months after date; provided always in the latter case that the interest for which bills may be so required, amount to the sum of forty-five Pounds sterling at the least; and no bills will be granted for any smaller amount.

24. The Proprietors of Notes who may require the interest to be paid at Fort St. George, shall be entitled to receive payment at that Presidency in Cash, at the exchange of 335 1/2 Calcutta Sica Rupees per 100 Star Pagodas; or, if the holder of a Note at that Presidency, be desirous at any time of receiving the interest in Bengal, the Sub-Treasurer at Fort St. George will grant him a draft on the Sub-Treasurer at Fort William payable at sight, for the sum in Calcutta Sica Rupees, which may be due upon the Note, on account of interest to the period of the last half yearly instalment.

25. The Proprietors of Notes who may require the interest to be paid at Bombay, shall be entitled to receive payment at that Presidency in Cash at the exchange of 100 Calcutta Sica Rupees per 108 Bombay Rupees; or, if the holder of a Note at that Presidency, be desirous of receiving the interest in Bengal, the Sub-Treasurer at Bombay will grant him a draft on the Sub-Treasurer at Fort William payable at sight, for the sum in Calcutta Sica Rupees, which may be due upon the Note, on account of interest, to the period of the last half yearly instalment.

26. For the accommodation of the Proprietors of the Government Securities, whether such Proprietor be absent in Europe, or be resident in India, certain Regulations have been established, and are now published in the official Gazette, under which the Accountant General and Sub-Treasurer at each of the three Presidencies are empowered, by the authority and direction of the Honorable Court of Directors, to act in the management of all property invested in the Government Securities; and those Officers will accordingly, under the regulations in question, receive into their custody, under the responsibility of the Honorable East India Company, the Promissory Notes of the present Loan, on application being made for that purpose by the Proprietor, his Agent or Assign, and remit the interest (and the principal also, if remittable) when it shall become due, according to the instructions which they may receive from the Proprietor for that purpose.

27. A Certificate or Acknowledgment will be granted in the following Form, for Subscriptions or Transfers which may be made at the Treasuries of the different Presidencies.

FORT WILLIAM,

PUBLIC DEPARTMENT, DECEMBER 31, 1810.

THE following Regulations having been adopted by the Governor General in Council, under the authority and direction of the Honorable Court of Directors, they are now published for general information.

2d. The Governor General in Council has been pleased to authorize the Accountant General and the Sub-Treasurer, for the time being, to act under the responsibility of the Honorable Company, as Agents (for the purposes hereinafter mentioned) of the public creditors of this Government, whether residing in Europe or elsewhere.

3d. The Officers abovementioned are authorized to receive charge of, and to grant, receipts in duplicate, for any Obligation or Loan Acknowledgments of this Government, which the Proprietor may wish to deposit with them. — No Note is to be received in deposit, which shall not appear to be made out in the name of, or be regularly indorsed to, the person depositing it. — Persons desiring to deposit their Government Securities shall make their application to the Accountant General and Sub-Treasurer in the form hereunto subjoined, No. 1; and the receipt of those Officers will be given in the form No. 2.

4th. The Officers abovementioned will receive the interest on any Government Paper which may be deposited with them. — And will, according to the instructions of the Proprietor, remit the amount, either to England in Bills to be drawn on the Honorable Court of Directors, if the same shall be payable in such bills by the terms of the Loan; or to the Presidencies of Fort St. George, or Bombay, by Drafts on the public Treasuries of those Presidencies, or to any of the numerous subordinate to this Presidency, by Drafts on the Collectors, or on the Residents at Delhi or Lucknow, according to the rates of exchange at which Government may draw at the time — or they will pay the amount at the Residency to any person nominated by the Proprietor to receive such payment. — The instructions as to the manner in which the interest is to be paid, must be made out according to the forms hereunto subjoined, Nos. 3, 4, and 5, which are adapted to the several cases above specified. — The Proprietor will be at liberty to substitute one of these modes of receiving the interest for the other, as often as he shall think fit, provided that the fresh instructions be delivered at the Treasury one month before the day on which the interest falls due. — Persons having more Notes than one in deposit may give separate instructions regarding the interest on each Note, but the whole of the interest on each Note must be received in the same manner and at the same time.

5th. When the Principal of any Government Paper so deposited shall become payable, the above mentioned Officers will, according to the instructions of the Proprietor, either pay the amount, with the interest due upon it, to such person as shall be appointed to receive the payment; or they will reinvest it in any other Loan, to which it may be subscribable at the time, or in the purchase of other Obligations or Loan Acknowledgments of this Government in the market, at the current price of the day.

The Interest due for these purposes must be made out according to the form necessary, subjoined Nos. 6, 7, and 8, which are adapted to the three several cases above specified. The Proprietor may at any time substitute one of these modes of disposing of the principal for the other, provided that the fresh instructions be delivered at the Treasury one month before the day on which the principal falls due.—Persons having more Notes than one to deposit may give separate instructions regarding each Note, but the whole amount of each Note must be disposed of in the same manner and at the same time.

6th. If any Loan be opened by the Government of Fort William, into which the Paper deposited may be receivable, the Officers abovementioned are authorized to subscribe the Paper so deposited to such Loans, upon receiving the instructions of the Proprietor for that purpose, although the Notes may not be in course of payment. Instructions for this purpose must be made out according to the form No. 9.

7th. The Officers abovementioned are authorized to receive remittances, in Government Bills only, from individuals desiring to purchase the Public Securities for deposit with them (provided such Bills shall be payable at the General Treasury, and shall amount to 1,000 *Sr. Rs.*) and to invest the amount according to the instructions of the Proprietor in the Government Securities, either by subscribing the amount to any Loan which may be open for the receipt of Cash, or by purchase in the market at the current price of the day; instructions for this purpose shall be made out according to the forms hereunto subjoined Nos. 10 and 11.

8th. The Officers abovementioned are further authorized to invest the amount of Interest due on Paper deposited with them in the Government Securities, in either of the modes mentioned in the 4th Clause, upon receiving the Proprietor's instructions for that purpose; such instructions must be made out in the form hereunto subjoined, No. 12.

9th. The same Officers are further authorized, at any time on receiving proper authority and instructions from the Proprietor for that purpose, to indorse any one or more Notes

deposited with them, as attornies of the Owner, to such person as he shall direct, or to sell the same on the Owner's account at the current price of the day, and to pay over the proceeds in Cash at the Treasury to such person as the Proprietor may appoint to receive the same, provided that the whole amount of each Note sold, shall be payable in one sum, and to the same person. But they are prohibited from reinvesting the proceeds of Paper so sold, or from disposing of it in any other manner than by such payment at the Treasury, as above mentioned, to the order of the Proprietor. Any fees, which may have become due according to the rates hereinafter prescribed upon the Paper required to be Indorsed, are to be paid before the indorsement is made, or in case of the sale of the Paper, the fees shall be deducted from the amount proceeds before it is paid over. The power of Attorney to indorse, or to Sell, must be made out according to the form No. 13; the direction to Indorse according to the form No. 14; and the direction to Sell, and the order to Pay, according to the form No. 15.

10th. If Government should at any future period grant a remittance of the principal of any Paper deposited under the terms of this Advertisement, the Officers abovementioned will remit the Principal upon receiving instructions from the Proprietor to that effect, such instructions must be made out according to the form No. 16. The Proprietor may at any time withdraw the Government Securities deposited, or any part of them, from the charge of the abovementioned Officers, and such Securities will be delivered up to the Proprietor himself, or to any other person whom he may authorize to receive them upon payment of such fees as may have become due to the Accountant General and Sub-Treasurer, according to the rates hereafter specified upon the Paper so required to be delivered up. The authority to receive deposited Paper, must be made out according to the form No. 17.

11th. In each of the cases on which the Officers abovementioned are authorized to invest money in the Public Securities, it is to be understood, that they will invest as nearly as possible, the whole amount, but that they are in no case and upon no account, to exceed it.—Such fractional sum as may remain in their hands above the amount invested, will be payable on demand at the Treasury to the order of the Proprietor, such order is to be made out according to the form No. 18.

13. The full postage must be paid on all Letters directed to the Officers abovementioned, and the full postage on all Letters from them will be charged to the persons to whom they are addressed. All letters addressed to them are to be superscribed in the following manner:

**"TO THE ACCOUNTANT GENERAL
AND SUB-TREASURER,
FORT WILLIAM"**

14th. The responsibility of the Honorable Company is strictly confined to the cases above specified, and to such Transactions as shall be conducted according to the prescribed forms. These forms will be printed and furnished in blank at the different Presidencies, and at the India House, to persons desirous of availing themselves of the agency of the Public Servants; and no other than the forms so furnished, will be received or acted upon by those Officers.

PUBLIC DEPARTMENT.

THE Honorable the Governor in Council, having had under consideration the Post-Office arrangements of this Presidency, has been pleased to adopt the following supplementary rules, which are now published for general information, and are required to be duly observed by all Public Officers whom they may concern.

1.—The employment of expresses, having at times considerably retarded the transmission of the mails, is hereby forbidden, except in cases of urgent importance; and, in such cases, the Officer employing the express is to state in the body of his despatch that he had deemed it incumbent upon him to do so,—whereby the circumstance will stand upon record and be open to investigation.

2.—It is provided by the existing regulations that public despatches exceeding a certain weight shall be reserved for the Bangy, unless endorsed with the words "*by Tappal*," and it is hereby further required that they shall not be so endorsed, unless the early receipt of them be of real importance.

3.—With the view of diminishing the bulk and weight of public despatches, it is hereby required that in future they be copied within the smallest space compatible with perfect legibility,—that they have $\frac{1}{4}$ th instead of $\frac{1}{2}$ th margin,—that all blank leaves be withdrawn,—that the enclosures whenever practicable, be written consecutively,—and that the packets be made up in the most compact form which the nature of their contents will allow.

4.—The payment of full postage having been sometimes evaded, by enclosing a number of letters under one cover and transmitting them by bangy instead of tappal, no packet will in future be received for the bangy unless it be open at the ends, like a Newspaper, and be found not to contain letters.

Published by order of the Honorable the Governor in Council.
