NOV 24 1964

Abstract of an Act passed in the Thirtieth Year of His present Majesty, Chap. 51, Sec. 70, precluding the Return in their date of the Civil and Military Servants, after an absence of Five Years.

And be it further enacted, that no person who shall have held any Civil or Military Station whatever, in India, in the Service of the said United Company, being under the rank or degree of a Member of Council, or Commander-in-Chief of the Forces, and who, having departed from India by leave of the Governor General in Council, or Governor in Council, shall not return to India, within the space of five years next after such departure, shall be entitled to any rank, or pension of Office, or be capable of again serving in India, either in the European or Native Corps of Troops, or in the Civil Line of the Company's Service; and in the case of any Civil Servant of the Company, it shall be proved, to the satisfaction of the Court of Directors, that such absence was occasioned by sickness or infirmity, or some such person be permitted to return with his rank to India, by a vote or resolution passed by way of motion, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose, whereof eight days previous notice of the time and purpose of such Meeting shall be given in the London Gazette, or unless, in the case of any Military Officer, it shall be proved, to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident.

Regulations respecting Military Officers retiring from the Company's Service.

Every Officer after twenty-five years service in India, three years for one furlough being included, is allowed to retire with the pay of the rank to which he has attained; but such pay is to be the same only as that allowed to Officers of Infantry.

A Member of the Medical Board, who has been in that station not less than two years, and not less than twenty years in India, including three years for one furlough, is permitted to retire from the service, and allowed £800 per annum.

A Surgeon of a General Hospital, or Superintending Surgeon, who has been in that station not less than two years, and whose period of service has been not less than twenty years, including three years for one furlough, as above, is permitted to retire from the service, and allowed £1000 per annum for life.

All other Surgeons and Assistant Surgeons attached to the

rank, after having served in India not less than twenty years, including three for one furlough.

A Chaplain after eighteen years service, (ten of which at a Military station,) including three years for one furlough, is allowed to retire with the pay of Major.

A Chaplain having served ten years in India, whose commission will not admit of his continuing in the service, may retire on the half-pay of Major; after seven years on the half-pay of Captain.

A Commissary, or Deputy Commissary of Ordnance, not being a Commissioned Officer, is allowed to retire on full pay, if he has served twenty-seven years in India, of which twelve must have been in the ordnance department; twenty-five years, fourteen of which in that department; or twenty-two years, seventeen years of which in the ordnance department.

A Commissioner of Stamps is allowed to retire on £500 per annum after twenty-five years actual service in India.

Every Lieutenant Colonel, Major, Captain, or Captain Lieutenant is allowed to retire with the half-pay of the rank to which he has attained, in case his health shall not permit him to serve in India.

A Lieutenant having served thirteen, or an Ensign nine years in India, including three years for one furlough, may retire on the half-pay of his rank, in case his health shall not permit him to serve in India.

A Subaltern Officer, or Military Assistant Surgeon, having served six years in India, is permitted to retire on the half-pay of his rank, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

Every Officer returning on furlough, and wishing to retire from the service, must make a declaration to that effect, within twelve months after his arrival in England; and if, even of his beginning so to do, he must at the expiration of his furlough, either return to India, or be held to have relinquished the service, and not be entitled to retire on pay, unless he has continued to serve in India, from his first arrival, for the space of twelve-five years, without having a furlough; in that case he is allowed two years before he shall be called upon to signify his intention of retiring, but he can only be allowed the pay of the rank he held at the expiration of twelve months from his arrival in Europe.

Officers returning from the service after two years furlough, will be considered to have retired at the expiration of two years from the date of their landing in England, unless they shall have previously obtained an extension of their furlough, and Officers who shall thereafter having obtained an extension of furlough, will be considered to have retired from the date of the expiration of such

additional furlough, or from the time when the requests of such Officers to retire or resign, are laid before the Court, whichever shall happen first.

FURLOUGH.

A Commissioned Officer who has seven years residence in India, is allowed to come home on furlough and receive the pay of Major. Should he come home from sickness prior to this period of service, he is allowed the pay of Captain only.

A Commissioned Officer is allowed furlough pay, only in case of coming home from sickness.

The period of furlough is three years, reckoning from the date of the day of the return of the Officer to his Presidency.

All Officers desiring to be absent a further leave of absence, on account of sickness, must transmit with their Letter of application for such leave, a certificate signed by at least two Gentlemen, efficient in the Medical Profession, describing the nature of the applicant's complaint, and stating it is their opinion that the continuance of the case renders a continuance of furlough absolutely necessary. Also previously to such extension of furlough being granted, such further proof shall be adduced by persons, examination, or by such other evidence as shall be deemed satisfactory.

Officers absent in any part of Europe, applying to remain for the time from their duty on account of sickness, are to furnish a certificate of two medical Practitioners, with the attestation of a Magistrate, that the Persons who signed the certificate are Physicians.

No Officer on furlough receives pay for more than two years and a half from the period of his quitting India, excepting Colonels of Regiments, and those of the rank of Lieutenant Colonel Regularly, when permitted to draw Major's pay beyond the above period. The latter are then allowed to draw their Regiments' pay beyond the above period.

1. The Public are hereby informed, that the Sub-Treasurers at Fort William, Fort St. George and Bombay, the several Residents at Native Courts and several Collectors of Land Revenue under these Presidencies, have been authorized to receive and further or on Subscriptions in Loan to the Honorable Company on the conditions hereinafter specified.

2. Subscriptions not being less than Calcutta Sica Rupees 500, will be received into this Loan at a discount of Three per Cent, with Interest at the rate of 10 per Cent. per Annum, to the 30th June 1819, the amount to be then brought on the General Register of this Presidency, and to bear Interest at Six per Cent. per Annum, that is to say, Acknowledgments in even Hundreds for 57 Rupees subscribed; such Acknowledgments to bear Interest at the rate of Two per Cent. per Annum, from their date to the 30th June 1819, to be then exchanged for Six per Cent. Loan Obligations.

3. The Subscriptions will be received in this Loan in Cash, in accepted Bills of Exchange, drawn upon the Governments of Fort William, Fort St. George and Bombay, after deducting Interest at the rate of Six per Cent. per Annum, for the period such Bills may have run, in Bills for arrears or Salary, whether the same shall have been advertised for payment or not, and generally in all authorized public demands.

4. The several Paymasters of the Army, under the Presidencies of Fort William, Fort St. George and Bombay, are also authorized to transfer any demands, which may be payable by them respectively to this Loan, and to grant Drafts to the Presidencies of Fort William and Fort St. George, for the amount in the usual manner on the Accountant General, and the Presidency of Bombay on the Military Pay Master General, which Drafts shall be received by the several Officers above mentioned, in payment of Subscriptions, on being produced to them for that purpose.

Madras Rupees at the rate of 350 for 355.172 Calcutta Sica Rupees, Bombay Rupees at the rate of 198 for 100 Calcutta Sica Rupees.

6. The Acknowledgments granted by the Public Officers at Fort St. George and Bombay shall be expressed in Calcutta Sica Rupees at the rates of exchange above mentioned.

7. The Accounts of this Loan will be closed on the 30th June 1819.

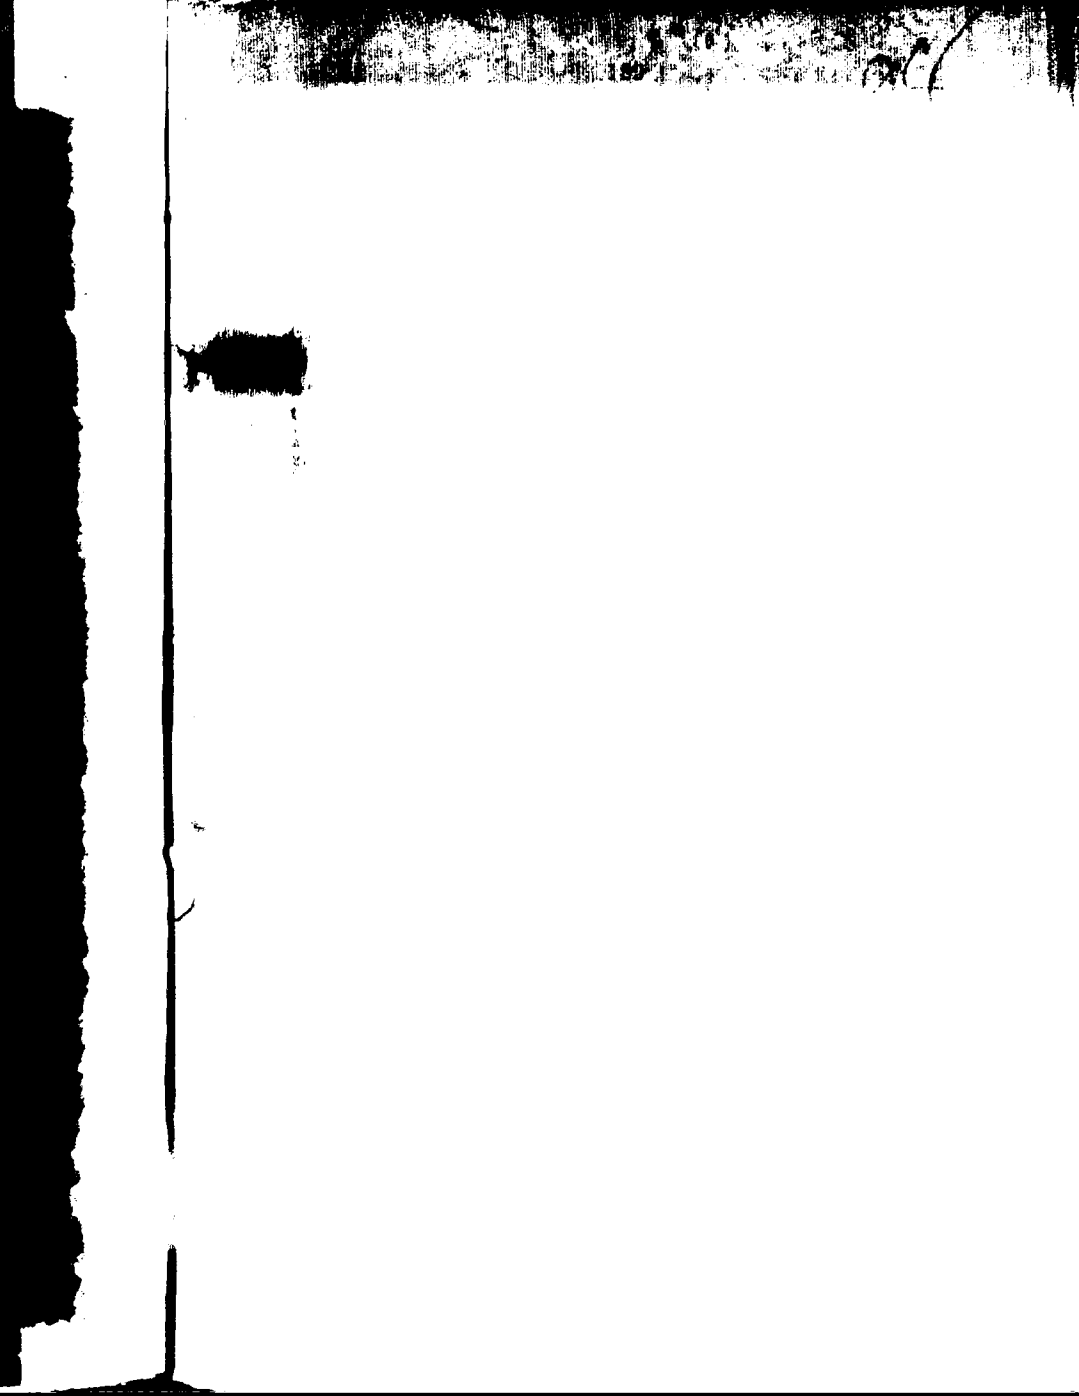

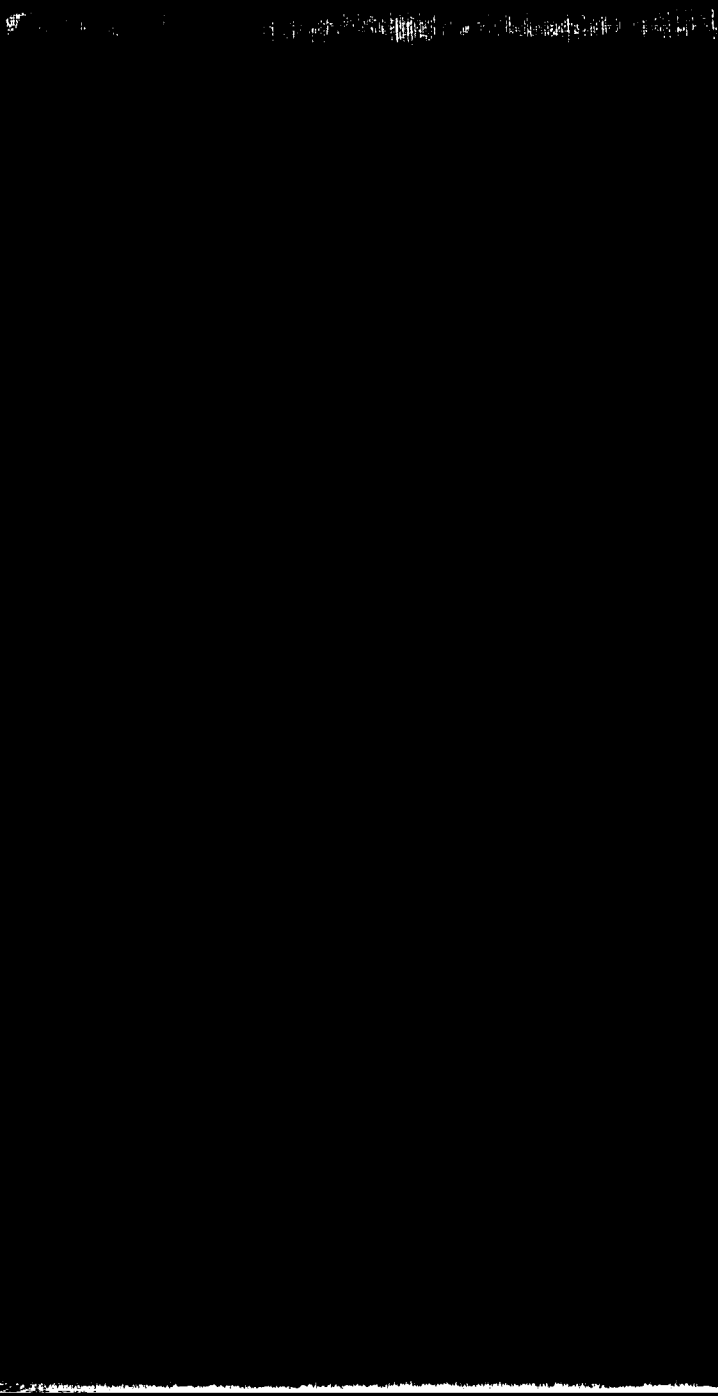

8. The Interest which may be due on the Acknowledgments on the 30th June 1819, will be paid at either of the Presidencies in Cash, at the rates of Exchange above mentioned, or the amounts will be added to the Principal, the Holder of the Acknowledgments receiving or paying, at his option, the fractional part of 100 Rupees in Cash, so that in all cases, the Notes ultimately to be granted by the Public Officers, may be for sums in even Hundreds of Calcutta Sica Rupees.

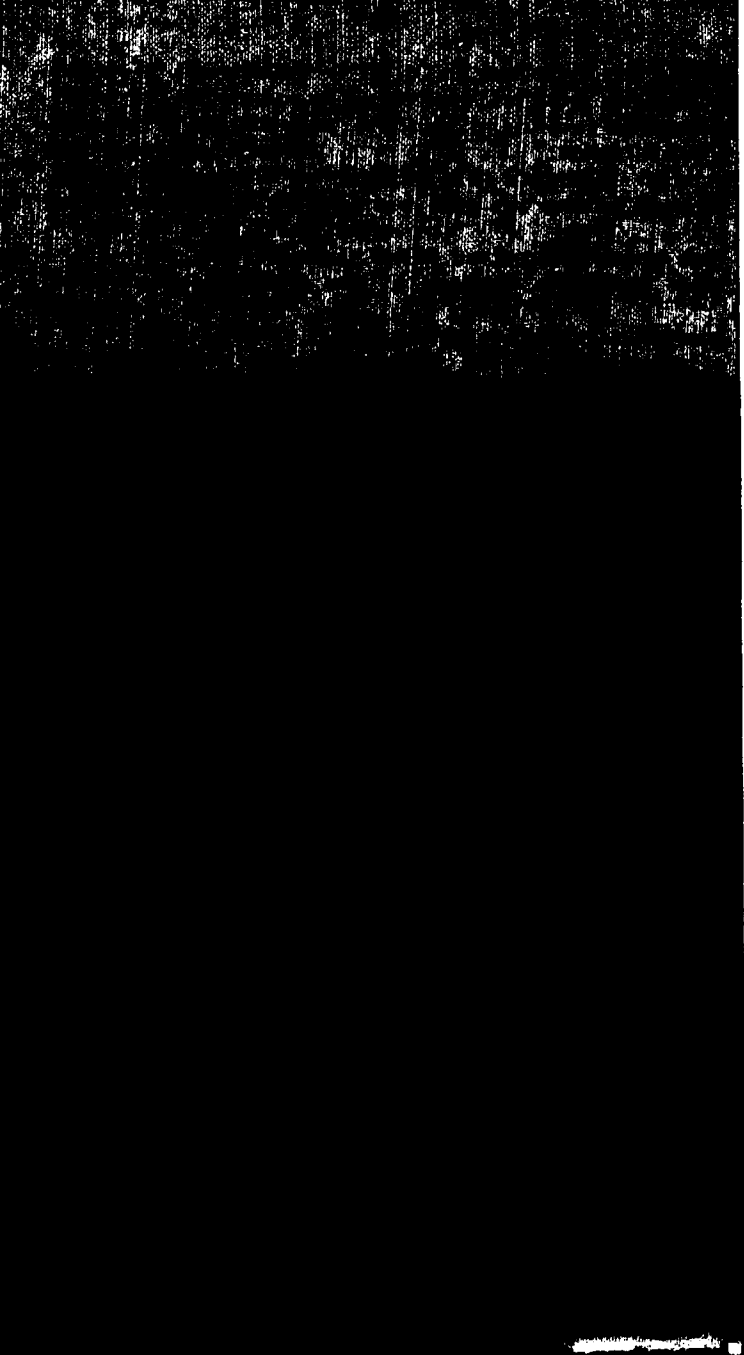

9. The Acknowledgments, after the Proprietor shall have received the Interest due to the 30th June 1819 are to be transmitted to the Deputy Accountant General at Fort William to be exchanged for a Promissory Note or Notes (not being less than 1000 Calcutta Sica Rupees each,) in sums of even Hundreds of Calcutta Sica Rupees, and to him, date the 30th day of June, 1819, which Notes will be registered under that date, and be numbered in the order, in which the Acknowledgments may be presented at his Office.
