During this month the wind blows uniformly and steadily from N. E. with occasionally an inclination towards the East about the middle of the day in the shape of sea breeze. In the mornings for the most part heavy dew is deposited, and occasionally fog is experienced, which reaches only to two or three feet above the surface of the ground. The weather is mostly very serene, presenting about twenty days of uninterrupted clearness and five of haze or mist, the remaining days being cloudy, with perhaps a single shower of rain. Lightning is almost unknown in this month.

The N. E. Monsoon continues with occasional exceptions till the middle of the month, after which calms and S. E. winds as frequently prevail. In the forenoon it is usually calm until about 11 A. M. when a gentle sea breeze sets in, which blows till sun-set. During the whole of this month the weather is without exception always beautifully clear and placid, and is generally considered to be the most healthy period of the year; there are no more than one day of haze and one of clouds. Rain or lightning does not occur once in seven years.

The hottest time of the day is at 0h. 40m. P. M. ;

Throughout this month the South or *alongshore* wind with very unequal force prevails: it is accompanied with a profuse dampness and sultriness, which renders its effects highly prejudicial to health and comfort. On this account the sea breeze which sets in at noon, and blows till sun-set, is less courted than at other seasons: the sky is however beautifully clear for about twenty seven days, the remaining four being cloudy. Dew less frequently occurs, and is less in quantity than last month. Rain and lightning are little known.

The hottest time of the day is at 0h. 20m. P. M.; the coldest at 5h. 0m. A. M.

The remarks of last month relative to the wind are equally applicable to this. The S. wind, varying from S. E. to S. W., still continues; at times blowing very fresh, but occasionally calms ensue, which are exceedingly oppressive. The weather is clear for about twenty-four days, with four days of flying clouds or haze, and two of clouds, on one of which rain falls. Lightning occurs for two days. Dew is very little in quantity and of unfrequent occurrence.

The hottest time of the day is about noon; the coldest at 4h. 50m. A. M.

The South wind which is mentioned as peculiar to the two last months, continues till the middle of this month, relieved sometimes by a land wind from the W. or S.W.: in this interval gales of wind of extreme violence have occasionally been experienced, commencing their career generally at the N.W. and veering to every point of the compass. About the 16th the regular land or hot winds set in, which are moderated in their effect towards the end of the month by occasional showers. The sea breeze sets in about noon and blows till 9 or 10 P.M. There are about nineteen days of clear weather, eight of flying clouds and haze, and four cloudy days, on two or three of which there is rain. The dew is almost imperceptible, and lightning with thunder occurs about four times.

The hottest time of the day is at 11h. 20m. A.M.; the coldest at 4h. 20m. P.M.

* In this statement the rain which fell during four gales of wind has been omitted. On the 2d May 1841, during the gale which then blew, there fell 5,5 inches; on the 8th, 9th, and 10th May 1820, 17,56 inches; on the 7th, 8th, and 9th May 1827, 23,30 inches, and on 16th May 1841, 3,0 inches.

The regular westerly winds which terminate about the middle of this month are succeeded by winds of a light and variable nature, mostly from the West and South. Calms, haze, and rain occur in about the same proportions as last month, leaving about eight days of clear weather. Lightning unattended by thunder is very frequent, but thus accompanied it occurs only once or twice. The sea breeze assumes much the same character as that experienced last month, commencing at 2 or 3 p. m., and continuing till 8 or 10 p. m. Dew is sometimes discovered, but more frequently fails.

The hottest time of the day is at 2h. p. m.; the coldest at 3h. a. m.

OCTOBER 1850.

ASTRONOMICAL PHENOMENA, &c.

MERCURY arrives at his inferior conjunction with the Sun on the 8th, becomes stationary on the 16th, and arrives at his greatest Western elongation from the Sun ($18^{\circ} 20'$) on the 23d.

VENUS arrives at her greatest Eastern elongation from the Sun ($46^{\circ} 40'$) on the 6th, and continues an evening star throughout the month:

H. M.
sets on the 1st at.. 8 25 Evening.
— 15th at.. 8 25 Evening.

EARTH enters the sign *Taurus*, or the Sun enters *Scorpio*, on the 23d.

MARS, in the constellations *Virgo* and *Libra*, is visible in the evening towards the West just after sunset.

JUPITER is visible, towards the middle of the month, just before sunrise.

SATURN, situated in the constellation *Pisces*, arrives at opposition to the Sun on the 10th, and remains visible during the month throughout the night.

GEORGIAN, situated in the constellation *Pisces*, arrives at opposition to the Sun on the 21st:

H. M.
rises on the 1st at.. 6 59 Evening.
— 15th at.. 6 2 Evening.

No Eclipses of Jupiter's Satellites are visible at Madras in this month.

Result of Meteorological Observations made at the Madras Observatory.

The clouds now begin to assume a more dense appearance than heretofore. Calms, lightning and rain are very frequent till the 19th, when the N. E. Monsoon, or rainy season, sets in. From this time till the end of the month the atmosphere assumes a very disturbed appearance; extremely heavy rain with storms of wind, thunder and lightning, invariably occur, and gales of wind of a similar nature to those which occur in the earlier part of the year* are sometimes experienced. On these occasions a depression of the barometer of 4 or 5 tenths of an inch is observed.† The sea breeze, or rather a slight modification of the N. E. wind, is perceived towards the middle of the day.

The hottest time of the day is at 1h. p.m.; the coldest at 4h. 50m. a.m.

* See remarks for month of May.

† On 30th October 1830, during the hurricane which then raged, the barometer fell to 29,235 inches.

The N. E. Monsoon continues with unabated force, and the state of the weather generally is much the same as that experienced towards the end of last month, save that an increased dampness of the air and the less frequent occurrence of lightning renders a distinction necessary. The number of clear and cloudy days in this, as well as in last month, is liable to great uncertainty.

The remarks relative to the sea breeze of last month apply equally to this.

The hottest time of the day is at 04. 20m. p. m.; the coldest at 6h. 40m.

Under the degree of Latitude of the given place and opposite to the day of the month, on the left hand side, will be found the time of the Sun's centre rising, and on the right hand side the time of setting. In consequence of refraction, which causes the heavenly bodies when in the horizon to appear elevated about 31m. above their true places, the observed time of the sun rising will happen about two minutes earlier, and the time of setting the same quantity later than that which is here given.

CIVIL SERVICE REGULATIONS.

Absentee Allowances,

TO CIVIL SERVANTS WHEN IN EUROPE.

*Extracts from a letter from the Honorable the Court of Directors,
dated 31st December 1824.*

19. "That after an actual residence in India in the Civil Service of ten years or upwards, a Covenanted Civil Servant of the Company, upon either of the Establishments of Bengal, Madras, or Bombay, shall be entitled, whether on account of ill health, or from any other cause, and without reference to his private fortune, to come once to Europe on leave for three years, and to receive for that period from the Company's Cash an allowance of £500 per annum, provided that in no case shall a greater number of Servants come home under this Regulation annually than seventeen from Bengal, nine from Madras, and six from Bombay; nor shall a larger number of Servants who may have come home under this Regulation, be absent in the whole, at one time, than fifty-one from Bengal, twenty-seven from Madras, and eighteen from Bombay; and that the preference shall be given first to Servants producing Medical Certificates upon oath, that a visit to Europe is indispensably necessary for the restoration of health, and then to Servants in their order of seniority according to the rank assigned to them by the Court of Directors in the Gradation list of the Service.

20. "That in cases of Civil Servants compelled by illness, certified upon oath, to come to Europe previous to their completion of an actual residence in the Civil Service of ten years, such Covenanted Servants shall each be presented with the sum of 2,000 Sicca Rupees as Passage Money, and shall be entitled for a period not exceeding three years to an Allowance from the Company's Cash of £250 per annum; but that Servants having received this indulgence shall not in the event of their again coming to Europe, after having completed a residence of ten years or upwards, be entitled to any Allowance under the first Regulation, except their return be again occasioned by illness, to be in like manner certified upon oath, and then only to the difference between what they have before drawn, in the shape of Absentee Allowance, exclusive of Passage money, and that of £500 per annum for three years.

21. "That Servants coming in the first instance to the Cape of Good Hope for the benefit of their health, and being compelled from the same cause to come from thence to Europe without previously returning to India, shall be considered as entitled to the benefit of the foregoing Regulations.

22. "That in all cases, as well in those of Servants coming in the first instance to the Cape, as of those coming direct from India, the said Allowances be considered as commencing from the date of leaving India, and terminating at the expiration of three years from that date, or at the time of arrival in India, whichever may first happen.

23. "That the same be paid quarterly in Europe.

24. "That on no account or plea whatsoever the allowances in question be extended beyond the period of three years; and

25. "That any Servant being in the receipt of Absentee Allowance from a Civil Fund, shall not be entitled to receive during the same period of absence, the Allowances prescribed by these Regulations, beyond such amount as may bring the total of his annual receipts from both sources to the sum hereby limited."

Orders of Government, dated 8th July 1825 and 26th August 1828.

In pursuance of the Honorable Court's instructions, the Governor in Council is prepared to grant the benefit of these Regulations to such Civil Servants as may produce the prescribed Medical Certificate as the cases may arise. Every Civil Servant so applying, must obtain a Certificate in duplicate from the Trus-

tees to the Civil Fund, notifying either that he will receive no allowance from the Fund during his absence in Europe, or, if he is to receive any, the nature and extent of such relief; one copy of which Certificate must be submitted with his application to Government; the other, upon his arrival in London, must be produced before the Auditor of East India Accounts.

Civil Servants desirous to avail themselves of these Regulations, and not producing the prescribed medical certificate, are hereby required to make known their desire to Government on or before the 1st December of each year, when the indulgence will be granted in order of rank to such extent as the foregoing Regulations and circumstances shall permit.

Every Civil Servant proceeding to Europe under these Regulations, whether on sick certificate or otherwise, before receiving his passage order must have applied for and received from the Secretary to Government in the Public Department a certificate specifying the grant of the permission, and whether granted upon sick certificate, or on account of private affairs, also specifying as nearly as possible the date of embarkation for Europe; which Certificate, upon his arrival in London, must be produced before the Auditor of India Accounts.

Order of Government, dated 4th November 1825.

The Governor in Council has been pleased to resolve, that in lieu of the medical certificate upon oath prescribed in Paragraphs 19 and 20 of the Regulations of the Honorable Court of Directors for the grant of Absentee Allowance, circulated to the Civil Service, under date the 8th July last, one of the following forms of medical certificate shall hereafter be adopted, according to the nature of the case; the same to be always signed by the medical officer who has last regularly attended the Invalid, and countersigned by the Superintending Surgeon of the District, or other superior medical authority.

No. 2.

No. 3.

I do hereby certify that A. B. is in an extremely bad state of health, and that I think an immediate return to Europe is absolutely necessary for his recovery.

Signed and Countersigned as above.

Extracts from a letter from the Honorable the Court of Directors in the Public Department, dated 26th April 1826.

3. In your Despatch in this Department dated 6th September 1825, Para. 6 and 7, you have brought to our notice two questions raised in respect of the Regulations framed by us for granting Absentee Allowance to Civil Servants when in Europe.

4. The first of these questions is,—

“Whether it is competent for a Civil Servant who may have completed a residence of ten years to proceed to England, and there await his turn to the indulgence of the Honorable Court, having previously notified to Government his desire to avail himself of the liberality of the Honorable Court upon the first occasion on which it should be open to him.

5. This question we answer in the negative. In framing the Regulations, it was our object, that whilst each Civil Servant might be enabled once in the course of his service to have the benefit of the Absentee Allowance, the number annually returning to England with that view should be limited, an object which would be defeated if Civil Servants were allowed to come home, and wait their turn in England.

6. The other question is, “Whether the ten years actual residence in India is to be considered to embrace the period passed at Hertford College,” to which we reply that such is not the intention. We mean the regulation to be construed in the sense which it expresses, “actual residence in India.”

Extracts from a General Letter from the Honorable the Court of Directors in the Public Department, dated the 25th July 1827.

Para. 3. “Previous to the enactment 53d Geo. 3, Cap. 155, it was our practice to forward to you Lists of the relative rank of Writers appointed from time to time to your Establishment. Under the authority of that enactment regulations were framed for the government of our College of Haileybury, one of which provided that the relative rank of Writers should be fixed by the College Council, and specified in the College certificate, subject however to loss of such rank in the event of the Writers failing to proceed to India within a specified time. Lists of the rank of Writers under this regulation are now periodically forwarded to you.

4. The offers of the Absentee Allowance are to be made in the order in which Civil Servants have been, or may be classed under the Rules to which we have adverted, to such of the Servants as shall have actually resided in India in the Civil Service of your Establishment during a period of not less than ten years, commencing from the date of arrival at Madras.

6. On reference to our letter dated 26th of April 1826, Para. 5, you will perceive that it is not competent for a Civil Servant, having completed a residence of ten years, to come to England, and there wait his turn for the Absentee Allowance. That Allowance is to be granted in each case by the local government under the Regulations which we have prescribed, and no Civil Servant will be permitted to draw Absentee Allowance in England who shall not, previously to his quitting India, have been admitted to that benefit by the Government of the Presidency to which he may belong.

7. So soon as the aggregate number of Civil Servants absent, and who shall have come home upon the Absentee Allowance of £500 per annum, shall amount to twenty-seven, the same indulgence is only to be granted as Servants included in that number may either return, or quit the Service; so that the total number of absentees having left Madras upon the allowance of £500 per annum is never to exceed the limit of twenty-seven, fixed by our orders dated the 30th December 1824.

Paras. 2 and 6, submit question, whether the regulation which precludes a Civil Servant from simultaneously receiving Absentee Allowance from the Company and from the Civil Fund is to be construed as barring the receipt of any sum from the Civil Fund in aid of the expense of Passage to Europe.

2. The receipt of Absentee Allowance from the Company must bar the receipt of any Allowance in any shape from the Civil Fund.

4. We shall not object to the advance to a Servant coming home under the Absentee Regulations, and not entitled to passage money, of six months' allowance in cases in which you may be satisfied that that indulgence is required to enable the party to provide a passage.

Letter from ——— dated 30th March 1827.

Paras. 71 & 72.—Court requested to re-consider their decision upon the question of permitting a Civil Servant to come to Europe in anticipation of being admitted to the Absentee Regulations.

5. We adhere to the determination communicated to you in our despatch dated the 26th April 1826, Para. 5. No servant will hereafter receive the Absentee Allowance who shall not have been admitted by the local Government to the benefit of the Regulations previously to leaving India, excepting only such servants as may have been compelled by ill health, to quit India on a voyage to some place within the limits of the Company's Charter, or to the Cape of Good Hope, and as may have been subsequently compelled by the same cause to come to Europe. In such cases, where the servant has resided more than ten years in India, the benefit will of course be withheld whenever the number of Absentees limited by the Regulations is complete.

Order of Government, dated 18th November 1828.

The Right Honorable the Governor in Council has been pleased to resolve, that all persons who may be permitted to proceed to Europe, with the benefit of the Absentee Allowance, shall vacate their situations, and avail themselves of the indulgence, within three months from the date on which it may be granted.

Extract from a letter from the Honorable the Court of Directors in the Public Department, dated 6th May 1829.

Civil Servants who decline to subscribe to the New Annuity Fund are not admissible to the benefit of the Absentee Regulations.

Civil Servants proceeding to England under the Absentee Regulations, or on Special Leave of Absence.

Extracts from a letter from the Honorable the Court of Directors.

Para. 1. We have to acquaint you that we have adopted the following Regulations, with respect to the grant of extension of leave to Members of the Indian Civil Establishments repairing to this Country under the Absentee Regulations, or on special leave of absence, viz.

That Civil Servants coming to England under the Absentee Regulations, or on special leave, shall immediately on their arrival report themselves with their address by letter to our Secretary, forwarding at the same time the certificates which they received in India.

That in all cases of leave, Civil Servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a Civil Servant shall have obtained an extension of leave to a given period, he must at the expiration thereof ap-

ply for and obtain our permission, either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the List of Civil Servants.

That the Act of the 33d Geo. 3d. Cap. 52, Sec. 70, as it respects Civil Servants applies only to cases of sickness, or infirmity, and that no Civil Servant be hereafter considered eligible to return to the service after 5 years' absence, under that enactment, who has failed to obtain agreeably to the foregoing Regulations an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing Regulations be published for general information, and that each Civil Servant returning to this Country under the Absentee Regulations, or on special leave, be furnished with a copy for his guidance.

Civil Servants quitting India.

Chief Secretary's Office, Fort St. George, January 3, 1832.

In order to prevent embarrassment at the time of sailing, Gentlemen of the Civil Service quitting India are requested to observe, that applications for permission to be received on board must be accompanied by a Certificate from the Office of the Accountant General, that there are no demands against the applicants on the Books of this Presidency. Commanders of Vessels removing persons from India without permission are liable to heavy penalty.

Furlough Regulations.

FORT ST. GEORGE, October 8, 1836.

First. A furlough granted to a Civil Servant, whether under a Sick Certificate or otherwise, in conformity with the Rules of the Honorable Court's despatch, dated 31st December 1824, and communicated to the Service on the 8th July 1825, shall be considered to have lapsed on the occurrence of any of the following events:—

1st. On the death of the party in the course of three years from the date of his leaving the Presidency.

2d. On his retirement from the service by the acceptance of an annuity granted under the rules for the Madras Annuity Fund.

Third. On the 1st December next ensuing, and on every subsequent 1st December, the number of furloughs to be tendered to Civil Servants of 10 years standing, and not claiming the indulgence on the ground of ill health, shall be calculated as follows:—

If the applications received by Government before the 1st December of any year should not equal in number the available furloughs, calculated as above, the same may lie over to be taken by Servants, either on sick certificate or otherwise, at any time of the year following, until the number shall be complete: when it may be so, further certificates on account of lapsing furloughs shall not be granted, except on the applications being accompanied by sick certificates, the lapses in the course of the year being reserved to meet the demands of the Service, according to the principle laid down by the Honorable Court of Directors, that is, with due preference to cases of sickness, and to seniority.

FORT ST. GEORGE, December 27, 1836.

Civil Servants admitted to the benefit of the Furlough Regulations are reminded that, in order to obtain the prescribed Furlough Certificate from the Secretary to Government in the Public Department, they must previously submit to that authority a Certificate from the Trustees of the Civil Fund, that they will receive no allowance from that Fund during their absence; and also a Certificate from the Accountant General, (who will require a Certificate from the Civil Auditor) of there being no public demands against them.

FORT ST. GEORGE, August 29, 1837.

The Governor in Council has resolved, with a view of assimilating the Rules of this Presidency with those of Bengal, and of enabling Civil Servants who may be desirous to return to England by way of Suez to make the passage of the Red Sea at the most favourable season of the year, to alter the period fixed for the grant of the Furlough allowance to Civil Servants of ten years standing, not claiming the indulgence on the ground of ill health, from the 1st December to the 1st November of every year.

Leave of absence—Rules for the Grant of, and for Regulating Deductions from Salaries, and Deputation Allowances.

FORT ST. GEORGE, February 21, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, are re-published for general information.

FORT WILLIAM; FINANCIAL DEPARTMENT, the 29th January 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, having been approved and passed by the Honorable Court of Directors, are published for general information, and will take effect in all the Presidencies, Settlements and Stations under the Government of India from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application to cases not specifically mentioned.

Rules for application for leave of absence, and for fixing the local limits within which it may be granted.

Sec. I. No leave of absence from any office or station can be granted, but by the Government of the Presidency under which the employment is held, and

Note.—This rule must be considered as superceding the rule under which Commissioners of the Land Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal. The application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.*

Sec. II. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave, to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect† except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company, or not, to any Civil or Military Servant holding a Civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons, subject to the like conditions, to proceed to the Island of St. Helena, the Colony of the Cape of Good Hope, or to any place situate between the 36th Degree of North Latitude, and the 50th Degree of South Latitude, such place being likewise between the 30th and 180th Degrees of Longitude, East of Green-

* Applications for leave of absence under these Regulations are to be sent to the Office of Audit previous to their final submission to Government, and to contain a specification of the particular Section of the Absentee Rules under which the indulgence of leave is solicited. The collective or individual authorities, thro' whom these applications must pass, are to adopt this course in all cases which they may be disposed to recommend; and it will be for the Office of Audit, in forwarding them to Government, to state in each instance whether the provisions of the Rules have been conformed to, and what, if any, objection exists to a compliance with the applications. See Resolution of the Madras Government of the 30th of November 1840.—COMPILER.

† This applies to all unauthorized absence, whether antecedent to the grant of leave, or subsequent to its termination. See Order of the Government of India, dated 11th January 1843, and published in the Fort St. George Gazette of the 14th April of the same year.—COMPILER.

wich, excepting however any islands in the Mediterranean or Levant, and excepting all places within the said geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leaves subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

CHAPTER II.

Rules for Sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a Certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation the nature of the disease, the symptoms by which it is manifested, the period during which it has existed, as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company, or beyond them, but within the limits laid down in Section IV.; as the case may be, and such Certificate must be submitted to the consideration of the Medical Board, and if satisfactory shall be countersigned by one of its Members.* An application for an extension of leave must, if the applicant be in India, be accompanied by a Certificate from the Medical Officer by whom the applicant is attended, showing sufficient reason for the extension solicited, and such Certificate, like the former, must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the Certificate to be countersigned by the principal Medical authority of the Colony or Country. When any of the required particulars are neglected leave will be refused.†

Sec. VI. (*Revised—See Amended Rules, page 178.*)

* In cases of extreme urgency, which, owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the Medical attendant required from applicants for leave of absence on account of ill health, is to be submitted by them for the consideration and counter signature of the Superintending Surgeon of the Division, which officer in these cases will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. See Resolution of the Government of India, of the 24th of June 1840, published in the Fort St. George Gazette for 1840, page 493.—COMPILED.

† The following Resolution of the Governor of Madras in Council, calling the attention of Medical Officers in the Provinces to this Section, is extracted from the Fort St. George Gazette for 1841, page 299.—COMPILED.

"Para. 1. The Right Honorable the Governor in Council having noticed with dissatisfaction the very lax and imperfect manner in which Certificates, in support of applications for sick leave, have on several occasions been prepared by Medical Officers in the Provinces, which has in consequence led in some instances to the refusal of the leave applied for; His Lordship in Council resolves to call the attention of those Officers to Section V. of the Absentee Rules, published on the 21st February 1840, at page 142 of the Official Gazette, and to require them to conform strictly to the orders therein conveyed; and it is directed that Certificates of the accompanying Form, in duplicate, be in future furnished in every instance where leave is recommended, whether it be to Europe, or within the limits laid down in Section IV. of the aforesaid regulations.

2. In order to obviate the delay and inconvenience, which in particular cases may attend the return to the Provinces of a Medical Certificate forwarded to the Presidency for the counter-signature of a Member of the Medical Board, the Right Honorable the Governor in Council is pleased to notify, that persons soliciting leave of absence, under Section V. of the Regulations already quoted in Para. 1. (or in emergent cases, the Medical Officer in attendance,) may forward the Certificates to the Medical Board direct, for the purpose of being transmitted with the counter-signature of one of its Members, or their opinion, to the Sudr Adalat when the applicant may be in the Judicial Department; to the Board of Revenue, when in the Revenue Department; to the Civil Auditor in all other cases; for submission to

* See first note published in the Fort St. George Gazette of the 4th December last, page 839. In ordinary cases however, Certificates are to be sent through Superintending Surgeons to the Medical Board, by whom they will be returned for the purpose of being transmitted through the regular channel, in the Department to which the applicant for leave may belong.

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may, as heretofore, apply to be admitted to Furlough by the Hon'ble the Court of Directors, and the Furlough will in such cases take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves, or by their Agents after their departure, must in that case be readjusted, and the difference refunded.

Note.—This rule applies to all descriptions of leave on account of health excepting those granted under Sec. XII. Thus a second leave within the Presidency, no less than a second leave to sea, will be computed as forming part of the period of two years, if taken before three years have elapsed since returned from the first leave, and the deductions will be made upon computation of the accumulated period of absence under all such leaves taken, without the intervention of three years of consecutive service.

Sec. VIII. No second leave will be granted to any Civil or Military Servant holding a Civil Appointment who has been absent under the above rules for two years, until three years at the least shall have passed after the date of such Servant's return, but if such a Servant is compelled by sickness again to absent himself from his station within three years, after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of

Salary allowed for the remaining time as if the leave had been continuous.

Sec. IX. Military Officers employed in the Civil Department; and drawing a Civil allowance, may obtain leave under Medical Certificate on precisely the same conditions as Civil Servants except as to allowances. Such Officers, in common with those holding Staff Situations in the Military Department, will draw the Military Pay and Allowances of their rank while absent on leave under Medical Certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one half of the difference between such Allowances and the Civil Pay of the Offices to which they stand appointed.

Sec. X. Civil or Military Servants holding Civil appointments who may desire to avail themselves of the benefit of the Act I. Vic., Cap. 47, and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents

3. Judicial and Revenue Officers, forwarding applications for leave of absence on sick certificate to the Sudr Adalat, or Board of Revenue, will notify to those authorities the transmission of their Medical Certificates to the Medical Board, for the purpose of being forwarded as above directed. Officers in other branches of the Civil Service will in like manner make the same notification to the Civil Auditor.

4. The Civil Auditor will not hereafter submit to Government applications for sick leave unless they are accompanied by Certificates of the form now prescribed.

Sec. XII. (Revised—See Amended Rules, page 179.)

CHAPTER IV.

Rules for leave preparatory to embarkation and for joining Stations.

Sec. XIII. (Rescinded—See Amended Rules, page 179.)

Note.—This rule is only applicable to Officers appointed to any new Office the periods of one month, two months, or three months, for joining, according as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their station within the said periods respectively, shall forfeit their Salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the Office shall be vacated, unless otherwise specially ordered by Government.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the Public Service by the Examiners appointed by the Government, to any Civil situation, there shall be allowed for travelling expenses to the Station an allowance at the rate of 8 Annas per mile by the direct Post road according to the Polymetrical Tables of the Post Office, the Bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the Station: if required in advance an order of the Government shall be necessary.

Sec. XVI. The Salary of Office will be payable from the date only of the Officer joining, but in the case of Junior Civil Servants, the Salary of Assistant will be payable from the date of their being reported qualified for the Public Service, unless forfeited under the preceding rule through delay in joining the Station to which they may be appointed.*

* The following Extracts from a Resolution passed by the Governor General of India in Council on the 16th of June 1841 (published in the Fort St. George Gazette for 1841, page 635.) claim the particular attention of Officers appointed to new situations, but who by the express order of Government may be prevented from entering immediately on the duties thereof.—COMPILER.

"1. The Governor General in Council remarks that the Rule referred to, (No. XVI. of the Regulations of the 29th January 1840.) requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

2. His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

3. His Lordship in Council is further of opinion, that as a general rule Officers ought not to be appointed to situations for the duties of which they are not immediately available.

4. When an Officer, for the convenience of the public service, has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI. corresponds with the exception provided for in Rule XX. under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reasons to act in an office of inferior emolument to his own.

5. In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV. XVI. and XVII., It is hereby explained that Rule XIV. refers to the appointment of Civil Servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

6. These Servants are entitled under Rule XIV. to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their Station.

7. And Rules XVI. and XVII. are to be construed as applying to cases where there is a change of office with increase of salary; a special course being prescribed with regard to Junior Civil Servants: they under Rule XVI. are authorized to draw the salary of Assistant from the date of their being reported qualified for the public service, unless forfeited through delay in joining the Station to which they have been appointed."

Note. This Rule also is only applicable to Civil Servants, Military Servants drawing, as in the case of Staff Situations, no Civil Salary from the time of leaving one office till the date of joining the other.

Sec. XVII. In case of a change of Office, when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining Stations shall be applicable, and the Officer will, for the periods allowed in that rule, respectively draw out of the salary of the office he is about to join a sum equal to that of his previous situation.

CHAPTER V.

Rules for Deputation Allowances.

Sec. XVIII. (Revised—See Amended Rules, page 179.)

Sec. XIX. (Revised—See Amended Rules, page 179.)

Sec. XX. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is Officiating, and if the amount of the Deputation Allowance according to the prescribed scale, added to the permanent emoluments of the Officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn.* But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments, on being deputed to officiate for another shall be relieved only from one, he shall receive no Deputation Allowance, unless the emoluments of the office in which he is deputed to act exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

Rules for Chaplains and Assistant Chaplains.

Sec. XXIII. Chaplains and Assistant Chaplains may under medical certificate obtain leave of absence, subject to all the deductions, conditions and limitations prescribed in the case of Civil Servants; but no Chaplain or Assistant Chaplain can be permitted to draw any allowance when his period of absence shall have exceeded two years.

Sec. XXIV. (Revised—See Amended Rules, page 180.)

Sec. XXV. (Revised—See Amended Rules, page 180.)

Sec. XXVI. (Rescinded—See Amended Rules, page 180.)

Sec. XXVII. On joining a Station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his Station, as a Civil Servant. On any subsequent transfer from one Station to another, the same allowance will be made if the transfer take place, not at the desire of the Chaplain removed, but by order of Government.

* When an Officer has been temporarily holding a Civil or Military Staff appointment in consequence of the absence of the fixed incumbent on sick leave within the limits prescribed in these rules, and the latter proceeds to Europe, or otherwise vacates the appointment during absence, the *locum tenens* is not entitled to any higher allowances by reason of such vacancy; and in the event of his being permanently appointed to the office in which he has been officiating, he will receive the full salary of that Office only from the date of his permanent appointment. ROBERT CLERK, *Secy. to Government.***Leave of Absence, &c.—AMENDED RULES.**

FORT ST. GEORGE, May 31, 1843.

In re-publishing the following Rules, the Most Noble the Governor in Council directs that effect may be given to them in respect to all Deputation Allowances, and leave of absence granted within the limits of this Presidency, subsequent to the 30th May 1843.

FORT WILLIAM: *Financial Department, 17th May, 1843.*

The Honorable the President in Council, with the concurrence of the Right Honorable the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ d for the whole term of such absence, save and except that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ d would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.)* The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year† without deduction from the Salaries and Emoluments drawn

* All Public Officers and Chaplains obtaining leave under this Section and Section XXV. should avail themselves of it within two months from its insertion in the Gazette. On failure to do so a fresh application must be made, and permission obtained under it, before quitting their stations. See Notification of the Madras Government, dated November 8, 1848.—COMPILER.

† As a general rule leave is to be granted in one period only, whether for a whole month or less, and not in detached portions to complete one month within the year, and the term year is to be held to mean the Calendar year, commencing with the 1st of January and ending with the 31st of December, but the local Governments may, where good cause is shewn for the indulgence, and it is attended with no public inconvenience, sanction leave of absence under this Section to such parties as may not have occasion to apply for the whole at once, in instalments not to exceed in the aggregate one month within the Calendar year, on the understanding that no leave can be granted for any fresh Calendar year until the completion of three months from the expiration of the entire leave, or of the last instalment of leave taken in the past Calendar year.—See Resolution of the Government of India, dated 12th November 1847.—COMPILER.

by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the Officer seeking it.* No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.†

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and Allowances, and, if a Military Officer, only so much of the Salary and Allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw, shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum having been fixed, under the orders of the Court of Directors, as the Maximum Salary of Civil Office for the Officers of Government under the situation of Member of Council, Civil and Military Servants holding Office in the

Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the allowance thus limited, and the excess above the monthly salary yielded by that annual sum shall remain as a local addition to the usual Deputation Allowance, to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Note.—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant they will draw at the rates and under the same rules as Civil Servants.

Section XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per cent. on the monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

* In cases where the Government may find it necessary to provide a substitute to officiate during the absence of any officer the expense incurred must be defrayed by the absentee. See Resolution of the Government of India, dated 3th February 1848.—COMPILER.

† In cases unattended with inconvenience to the Public Service, leave will be granted for two or three months to such Servants as at the date of the promulgation of these Rules were entitled to the indulgence under the Provisions of Section XI. of the Rules of January 1840. See Notification of the Madras Government, dated September 27, 1844.—COMPILER.

To Civil Servants holding an Office of inferior emolument when Officialing for a Superior.

At the rate of 10 per cent. upon the monthly Salary of the appointment officiated in, in all cases in which the Salary of such appointment shall not exceed Company's Rupees 2,000 per mensem, and in respect to all appointments of which the Salary shall be more than Company's Rupees 2,000 per mensem, at the rate of 10 per cent. upon Company's Rupees 2,000, and of 5 per cent. on the amount in which the monthly Salary may exceed Company's Rupees 2,000: provided however that no lower rate of Deputation Allowance shall be given than 100 Rupees per mensem.

The Deputation Allowance shall in all cases be in addition to the Salary of the substantive appointment held by the Officer on deputation.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions.

Sec. XXI. (Amended.) No Subordinate Officer acting for his Principal, or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Sec. XXII. (Amended.) Civil Servants, if deputed to act at a distance from the stations where they are employed, or Military Officers holding Civil Office who may be so deputed, or who may be ordered by Government on special duty, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment.

Sec. XXIV. (Amended.) The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentees may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of four months all Allowances shall be discontinued.

Sec. XXV. (Amended.) *Leave of absence for one month in each year, under the principle sanctioned in Sec. XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary; and such leave being consistent with the rule, will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop, or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government, for the purpose of notification in the *Gazette*.

Sec. XXVI. is rescinded.

Sec. XXVIII. (Amended.) The Mint Master, the Assay Master, and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under sick certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I to V. The Absentee, if in the enjoyment of any Military pay or allowance, shall, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee shall be subject to the same deductions as a Civil Servant

* See First Note Section XI.—COMPILER.

under similar circumstances, but no Officer of the Mint or Assay Department, can be permitted to draw any portion of Salary for a longer period than two years, if absent under sick certificate, nor for a longer period than four months if absent on private affairs.

The Rules published on the 29th January 1840, not affected by the above alterations, remain in force.

The Right Honorable the Governor in Council resolves that in future, when Official Notifications of appointments by Government in the Civil Department are inserted in the Fort St. George Gazette, no separate communication of the same shall be made in writing to the parties concerned, except when special instructions are required. All Officers are to act on such notifications in the same manner as if they had been communicated by letter from the Secretary's office, and to join their Stations within the period prescribed by the Rules published at page 142 of the Gazette for 1840, unless otherwise directed; taking, when necessary, the Oaths of Office in the manner prescribed in the Notification of the 19th May 1835, or making the prescribed Declaration before any Court of Record, or any Justice of the Peace, previously to entering upon the duties of the Office to which they may be appointed. The Judges of the Courts, or Justices of the Peace, before whom such Oaths or Declarations may, under this authority, be subscribed and recorded, will notify the same by letter to the Secretary to Government on the same day.

Public Officers, in reporting to the Civil Auditor their assumption of Office, are to certify that they have conformed to all the requisitions of the Law and orders of Government in respect of Oaths or Declarations of Office, and the Civil Auditor is hereby required to bring to the notice of Government any omission in this respect.

Officers Retiring from the Service.**Regulations respecting Military and other Officers retiring from the Company's Service.**

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from Lord Clive's Fund, if the Court of Directors shall adjudge them to be proper objects of that bounty, to the extent of:

If a 2d Lieutenant, Cornet, or Ensign, two shillings a day, or £36 10s. a year; if a Lieutenant two shillings and six pence a day, or £45 12s. 6d. a year; provided they are not possessed of, or entitled to, real or personal property to the extent of, if an Ensign £750, if a Lieutenant £1,000.

Officers who are compelled to quit the service by wounds received in action, or by ill-health contracted on duty after three years service in India, are permitted to retire on the half pay of their rank, viz.

If a second Lieutenant, Cornet, or Ensign, three shillings a day, or £54 15s. per annum; if a Lieutenant four shillings a day, or £73 per annum.

A Subaltern Officer or Assistant Surgeon, having served six years in India, is permitted to retire on the half pay of Ensign, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

A Lieutenant having served thirteen, or a 2d Lieutenant, Cornet, or Ensign, nine years in India (including three years for a furlough,) may retire on the half pay of his rank, in case his health shall not permit him to serve in India.

Regimental Captains, Majors, and Lieutenant Colonels, who have not served sufficiently long in India to entitle them to retire on full pay, and whose ill state of health renders it impossible for them to continue to serve in India, are allowed to retire from the service on the half pay of their respective ranks, viz.

Captains, seven shillings a day, or £127 15s. per annum, Majors, nine shillings and six pence a day, or £173 7s. 6d. per annum, Lieutenant Colonels, eleven shillings a day, or £200 15s. per annum.

All Officers who have actually served twenty-two years in India, or twenty-five years, including three years for a furlough, are allowed to retire on the full pay of their respective ranks.

Officers are also allowed to retire on the following pensions without reference to the rank they may have attained, if they have served for the undermentioned periods, viz.

After twenty-three years' service in India, including three years for a furlough, on the full pay of Captain, viz. £191 12s. 6d. per annum; after twenty-seven years' service in India, including three years for a furlough, on the full pay of Major, £292 per annum; after thirty-one years' service in India, including three years for a furlough, on the full pay of Lieut. Colonel, £365 per annum; after thirty-five years' service in India, including three years for a furlough, on the full pay of Colonel, £456 5s. per annum.*

When Officers on furlough retire upon the pay or half pay of their rank, they are only entitled to claim the benefit of the rank held by them at the expiration of one year from the date of their landing in the United Kingdom.

A Veterinary Surgeon is allowed to retire on seven shillings a day after twenty years' service, including three years for one furlough; five shillings and six pence a day after thirteen years' service, including three years for one furlough; and three shillings a day after six years' service: in the two last cases provided his health shall not permit him to continue to serve in India.

A Chaplain (appointed previously to the 1st September 1836) after eighteen

years' service in India, including three years for one furlough, is allowed to retire on the pay of Lieutenant Colonel, £365 per annum; after ten years (if compelled by ill health to quit the service,) on the half pay of Lieutenant Colonel, £200 15s. per annum; after seven years, on the half pay of Major, £173 7s. 6d. per annum.

If appointed subsequently to that date, according to the following scale, viz. after eighteen years' service, including three years for one furlough, the pay of Major, viz. £292 per annum; after ten years' service, (if compelled by ill health to quit the service) on the half pay of Major, viz. £173 7s. 6d. per annum; after 7 years the half pay of Captain, viz. £127 15s. per annum.

A Commissary or Deputy Commissary of Ordnance, not being a Commissioned Officer, is allowed to retire on full pay if he has served twenty-seven years in India, of which twelve must have been in the Ordnance Department; twenty-five years, fourteen of which in that Department; or twenty-two years, seventeen years of which in the Ordnance Department.

A Conductor of Stores is allowed to retire on £60 per annum after twenty-five years' actual service in India.

Officers retiring from the service will be considered to have retired from the date of their application for leave to retire; or from the expiration of two years and a half from their quitting India, whichever shall happen first.

An Officer proposing to retire is required to forward, with his application for permission to do so, a certificate from the Department of the Accountant General that there are no demands against him on the books of that department.*

No. 20 of 1847.—The following General Orders by the Hon'ble the President of the Council of India in Council, are republished for the information of the Army of this Presidency.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

FORT WILLIAM, 8th January 1847.

No. 11 of 1847.—With a view to uniformity of practice, and to obviate the inconvenience arising from the existing system under which dates are assigned to vacancies caused by the retirement, &c. of European Officers in India, the Hon'ble the President of the Council of India in Council, with the concurrence of the Right Hon'ble the Governor General, is pleased to establish the following rule, which is to be considered applicable to all the Presidencies.

Rule.—Whenever an officer may be desirous of resigning or retiring from the service, or of being transferred to the Invalid Establishment, he is required to state in his application the date, which must be a prospective one, from which he wishes such resignation, retirement, or transfer to have effect; and from the date so specified, the applicant, in the event of the decision of Government on his case not having been previously received, will, pending such decision, be exempted from the performance of all military duty.

* Officers proposing to retire from the Service are authorised to apply through the prescribed Channel of the Pay Department for anticipated audits of their accounts, and the Departments concerned are required to comply therewith, and to grant Certificates of "No demands" as soon as the applicants have settled all balances standing against them, or given proper security for the same. See G. O. G. 161 of 1844.—COMPILED.

Officers retiring &c., from the Service while serving without the limits of the Madras Presidency and beyond Sea.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 9th May 1845.

No. 85 of 1845.—1. In order to obviate as far as possible risk of loss to the State, as well as to facilitate and expedite the adjustment of the Accounts of Officers of the Madras Army, who may resign, retire, or be removed, from the Service, while serving in the Tenasserim Provinces, Straits Settlements, China, Aden, or elsewhere *without the limits of this Presidency and beyond Sea*, the Most Noble the Governor in Council is pleased to direct that whenever an Officer so situated applies for permission to resign or retire from the Service, or is placed in arrest preparatory to trial by Court Martial, his Pay and Allowances of every description shall be thenceforth drawn on separate Abstract, and his Pay Accounts kept entirely separate from those of the Regiment or Detachment to which he may belong.

2. Consequently an Officer, situated as above described, proposing to retire from, or resign, the Service, will not be permitted to sign the Pay Abstracts, &c. of his Troop or Company; but he is not, on that account, to be deprived of Troop or Company Command Allowance to which he may under Regulation have claim, to which he will continue entitled in the same way as if detached in the manner adverted to in Para. 4, head "Troops and Companies," page 179, Section 9th, of the Code of Pay and Audit Regulations.

3. The Officers Commanding at the Stations in question are directed to send to Madras for immediate Audit, at the same time that the application for permission to resign or retire is forwarded, all Abstracts containing previous charges of the Officer about to retire or resign; thus leaving, to take the usual course of Audit, only common charges for his own Pay and Allowances, in which there ought to be no mistake.

C. A. BROWNE, Lt. Col., Secy. to Govt.

Furlough Regulations.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness, and as hereafter specified,) to their rotation to be absent on furlough, and the same rule is applicable to Assistant Surgeons, and Veterinary Surgeons. The furlough to be granted by the Commander in Chief at each Presidency, with the approbation of the respective Governments.*

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

A Chaplain (appointed previously to the 1st September 1836,) after seven years' residence in India, is allowed to go home on furlough and receive the pay of Major, £292 per annum. Should he go home from sickness prior to this period of service, he is allowed the pay of Captain only, viz. £191 12s. 6d. per annum.

If appointed subsequently to that date, after seven years' residence in India, the pay of Captain, viz. £191 12s. per annum; and if compelled by ill health to go home prior to this period of service, the half pay of Captain, or £127 15s. per annum.

A Conductor of Stores is allowed furlough pay only in case of going home from sickness.

* A second furlough on private affairs may be granted to Officers when the public service will permit the indulgence, but the rule which precludes an Officer receiving pay when absent in Europe on such affairs for a longer period than three years is to be fully maintained. The following is a copy of the regulation as published in the Bengal code, and is applicable to all the presidencies: "No Officer who has drawn three years' furlough pay is allowed pay during any future furlough, except in cases of certified sickness; but if he has not received pay for the full term, he may during a second furlough on private affairs, be allowed the same for such space of time as will complete the three years." See Court's letter to the Madras Government of the 1st January 1811.—COMPILED.

Officers going to England on furlough, are required immediately to report their arrival by letter to the Secretary, stating the name of the ship in which they came, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the Officer to his presidency.

Officers are required to join the Establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave from the Court six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned, or in cases in which it shall be proved to the Court that a further residence in Europe is indispensably necessary.

All Officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's Examining Physician, Dr. John Scott, 13, Straton Street, who will report to the Court of Directors his opinion on the state of such Officers' health, and if resident in the country, in any part of the United Kingdom, they must transmit, with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen eminent in the medical profession, viz.

I hereby certify, that I have carefully examined, (state the nature of the case as well as the name of the party,) and I declare upon my honour, that according to the best of my judgment and belief, ——— is at present unfit for military duty, and that it is absolutely necessary for the recovery of his health, that he should remain at least ——— longer in this country.

Also previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or other evidence, as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period must at its expiration apply for permission, either to return to their duty, or to reside a further time in England.

In every case in which an Officer has had his furlough extended beyond the prescribed period, on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the Examining Physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No Officer who has failed to obtain an extension of furlough, will be considered eligible to return to the service after five years absence, under the Act of 33 Geo. III. Cap. 52, Sec. 70.

Every Officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the Court's instructions, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them. Officers, therefore, who shall go home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the Court to remain a further time in Europe.

No Officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting Colonels of Regiments, and those of the rank of Lieutenant Colonel regimentally, when promoted to that of Major General: the latter are then allowed to draw the pay of their Brevet rank beyond the above period.

Furloughs to New South Wales, &c.

No. 182 of 1841.—The following General Order by the Right Honorable the Governor General of India in Council, is published for the information of the Army.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 29th September 1841.

No. 226 of 1841.—The Right Hon'ble the Governor General of India in Council is pleased to publish for general information, the following paragraph of a letter from the Hon'ble the Court of Directors to the Governor in Council at Bombay, No. 42, dated 4th August 1841, on the subject of the extension of Furloughs to New South Wales, or any other of Her Majesty's Colonies, the Rule therein laid down being applicable to all the Presidencies.

"Para. 2. In future cases when Officers may be granted a Furlough on sick certificate, or on private affairs, to New South Wales, or any other Colony, we desire that they may be separately informed, that any applications which they may have occasion to prefer for extended leave, are to be addressed to us in sufficient time to allow of their receiving our reply by the period when they should embark on their return, so as to ensure their arrival within the original term of Furlough; that if the application is preferred on account of health, it should be supported by Certificates from the Medical Staff Officers, or other undoubted medical testimony on the spot, shewing that the applicant is then incapable from ill health to return to the performance of military duty in India, and specifying the term for which they consider additional leave absolutely necessary for the recovery of the applicant's health; and that if the application is preferred on the ground of urgent private affairs, it will be required, that the nature of those affairs should be specified, and that the necessity for his continued absence should be certified by his professional adviser on the spot."

Officers Absent at the Cape--Allowances to.

Extracts from a letter from the Honorable the Court of Directors,
dated the 16th August 1837.

"5. With reference to the second subject, viz. the issue of the absentee allowances of Officers who are absent at the Cape of Good Hope, we now empower you to frame a Regulation, by which our Officers who are entitled under existing Rules to draw Indian allowances upon their actual return to India from leave of absence to any place within the limits of the Company's Charter, or the Cape of Good Hope; or the Mauritius, or the Island of St. Helena, shall be entitled through their Agents at their respective Presidencies, to draw their allowances from month to month, upon their giving sufficient security to refund the whole amount in the event of their proceeding to England without previously returning to India, or such part of the amount as may have been over issued on any other account.

6. You will take measures for introducing similar Regulations at the Presidencies of Madras and Bombay, to the Governments of which we shall send copies of the present Despatch."

Sick Leave Regulations.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

Fort St. George, 10th August 1847.

No. 178 of 1847.—The Most Noble the Governor in Council directs the publication of the following Regulations regarding the grant of leave on medical certificate to European Officers.

1. All Sick Officers for whose recovery change of climate, whether to places beyond or within the limits of the Presidency, may be recommended will be required to appear for examination before a Board of Medical Officers.

2. At the Presidency, and at all Stations where practicable, a Board of three Medical Officers shall be appointed for the purpose of granting, confirming, extending and when necessary cancelling, medical certificates to Officers, and none will be permitted to quit their Stations until they have been examined by such Board, before which the Officers' Medical Attendants are always to appear for the purpose of affording information on each case.

3. At the Presidency, a Member of the Medical Board, the Superintending Surgeon, and another Medical Officer to be appointed by the Commander in Chief, will form a Board; and at other Stations the three senior Medical Officers will be nominated for the duty. When it does not interfere with their other duties, Civil Surgeons are to be considered available as Members of Boards, if there is not a sufficient number of Medical Officers without them.

4. At Stations where there may be only two Medical Officers besides the one who has charge of a Patient, the Commanding Officer shall constitute them a Board for the above purpose, and should there be a difference of opinion upon the case, the recommendation of the Officer's Medical Attendant will be sufficient to decide that a sick certificate shall be granted.

5. At Stations where there is but one Medical Officer he may grant sick certificates, but in every such case, as also when a certificate is granted under the provisions of para. 4, the Patient is to be informed that he will be required to appear for examination before a Board of Medical Officers at the first Station on his route at which a Board of three Members can be convened; and with a view to obviate unnecessary delay or inconvenience to the Patient, the Officer Commanding the Station from which the Sick Officer is proceeding will communicate with the Officer Commanding such Station on route, where the necessary steps will be taken to assemble the Board upon the Sick Officer's arrival.

6. Previous to departure from a Station, each Sick Officer is to be furnished with a sealed medical statement of his case, to be produced to the Board in cases contemplated by paras. 4 and 5, and which after examination will be returned to him sealed by the Board, for the purpose of being delivered to the Medical Officer by whom he may next be attended.

7. In cases in which an Officer's sick certificate may not be confirmed by a Board at a Station on his route, he is to be allowed to remain there pending the orders of Government or the Commander in Chief upon the Board's Proceedings.

8. As a general rule Officers are not to be sent to the Presidency on sick certificate, except for embarkation or for the treatment of mental or ophthalmic disease—when however a residence with near relations at the Presidency is deemed advisable, or any special reason with regard to the Patient's health may exist, Medical Boards or Officers are to grant the certificates accordingly; and enter their reasons for doing so in the Proceedings of Boards, or in the certificates granted where Boards cannot be convened.

9. A Board will be assembled annually under the orders of His Excellency the Commander in Chief for the examination of Patients on the Neilgherry Hills, of which the Superintending Surgeon Southern Division will be President; and should there not be Medical Officers of experience residing on the Hills, the Commander in Chief will detach one or more from the adjoining Divisions as may be found convenient.

10. All Officers on the Hills who have been absent from their duty for one year will be required to appear for examination before the Annual Board, and, according to its report, will either be allowed to remain on the Hills for a further period, or be required to join their Corps or Departments if the Board reports that by the re-establishment of their health they are fit for duty.

11. Intermediate extension of leave on sick certificate to an Officer on the Hills will be granted only on the recommendation of a Board of Medical Officers, to be convened by the Officer Commanding at Ootacamund. The Medical Officer doing duty on the Hills who is not in attendance on the Patient is to be nominated a Member of this Board, but if for want of Medical Officers a Board cannot be convened, the countersignature of a sick certificate by the Superintending Surgeon of the Southern Division will be held sufficient to enable the Patient to remain until a Board can be assembled.

12. The Proceedings on Medical Officers, which are to be prepared separately, are to be forwarded through the Medical Board—and those for other Officers through the prescribed channels to Government or to the Adjutant General of the Army.

13. With the exception of the addition required in para. 8 to the certificate of an Officer who may be sent to the Presidency without having appeared before a Board of Medical Officers, the forms of medical certificates given in Section VIII. of the Medical Regulations are to continue in use as heretofore.

14. The following form of Proceedings is to be adopted by Boards of Medical Officers, and will include one or more cases, according to the number of Officers to be examined. When medical certificates are confirmed, it will be sufficient to state the circumstance as briefly as possible—but in cases in which there may be a difference of opinion between the Officer who grants a certificate and a Board, whether at the same or at another Station, the reasons for not confirming the certificate are to be fully recorded.

(Corrected to 10th October 1849.)

Art. 1. No person is admissible as a Subscriber to the Military Fund, unless he entered or shall enter the service of the Honorable East India Company on the Madras Establishment as a Cadet or Assistant Chaplain. Cadets and Assistant Chaplains become Members of the Military Fund, as a condition of their appointment, and are eligible to its benefits from the date of their admission on the establishment. Assistant Chaplains subscribe as Captains until they have served 15 years; subsequently as Majors.—G. O. G., 12th June, 1838.

Art. 2. Medical Officers (formerly received as Members,) may continue in the Society on the old rules; according to which a Surgeon pays, and is entitled to benefits, as a Captain; a Superintending Surgeon as Major; and a Member of the Medical Board as Lieutenant Colonel; but Medical Officers are no longer admissible.

Art. 3. Assistant Chaplains or Cadets, being married, or having legitimate offspring, are required to pay marriage donation and also subscription, at the Indian rates, of their grade as married, with arrears to be calculated from the date of their admission on the establishment, or from the date of birth of the eldest surviving child, if the latter date be anterior; with compound interest at 8 per cent. per annum, on the whole amount of donation and subscription, either at once, or by 25 equal monthly instalments, within 25 months of the date of admission.

Art. 4. All subscriptions to the Fund are payable in India, monthly, in advance.

Art. 5. Subscribers shall pay donations and subscriptions in the time and manner hereafter defined agreeably to Tables A. and B. Widowers with legitimate offspring to be considered and pay the same as married. Subscriptions are to commence from the date of admission on the Establishment of Fort St. George; entrance donations become due from the same date; and donations and subscriptions on promotion from the date of promotion as signified in G. O. G. Instalments of donation and subscription in arrears to be recovered from first pay drawn.

Art. 6. The donations of Cadets, Cornets, 2d Lieutenants and Ensigns, and Assistant Chaplains may be paid, in anticipation, in England; those married or having legitimate offspring will be further required on arrival in India to pay the subscriptions and interest laid down in Article 3.

Art. 7. Donations on Entrance or Promotion must be paid immediately on becoming due, or by equal and regular monthly instalments, agreeably to Table A., as married or single, commencing with the first pay drawn by the Subscriber after the event. If the Subscriber however be promoted during the payment of such instalments, he must pay the new donation, as well as the balance of the old, at the higher rate of the class into which he has been promoted.

Art. 8. All marriages must be reported.—When a Subscriber, Widower or Bachelor marries, his family will become eligible to the benefits of the Institution if he duly report his marriage, and make, commence, or arrange to commence,* as below prescribed, the payments consequent thereon; viz., increased subscription according to his class, and the regulated donation, subject to increase agreeably to Table G. for disparity, if his age exceed that of his wife more than 8 years. If the Subscriber pay the whole donation within 30 days after the date of marriage, he will be allowed a discount or deduction of 10 per cent.; if not he must pay it by 25 equal monthly instalments, commencing with the first month after marriage.

Art. 9. If the report of marriage be not made, and the prescribed payment begun, within one month after the event, the donation will be increased by (1) one per cent. per month up to the date of announcement, and the pensions of the widow and children will be contingent upon the husband's surviving 25 months from the date of his report, and completing the payment together with all arrears of subscription (calculated from the date of marriage) and penalties. If however the report be made within the month, and all the regular payments begun, or measures taken to begin them, and the husband should die before any or all of the instalments are paid, the widow and family will be entitled to their pensions subject to the regulated deductions on account of Minimum.

Art. 10. The report of marriage must contain the dates of birth of the Wife and of the Subscriber, also the Christian name of the Wife. This information is necessary for the calculation of the amount of donation, and Subscribers should be careful in affording it, lest the omission, by leading to a reference, should involve a penalty as to time. In every case the best course to be followed is, on making the report of marriage, immediately to commence the regulated subscriptions and instalments of donation, as laid down in Tables A. and B.

Art. 11. To secure for his daughters the continuance until marriage or death of the annuities to which they may become entitled from the Fund, in consequence of his decease, before they respectively attain the age of 21 years; or to obtain for them similar Annuities at his death, if they have attained the above age when the event occurs, a Subscriber is required within 10 days from date of birth of each daughter, to notify the same to the Secretary, and state that it is his intention to pay an additional donation of Rupees 282, which amount will become due to the Fund from date of birth, whether the child subsequently live or die. If the Subscriber pay the whole donation within 30 days after the child's birth, he will be allowed a discount or deduction of 10 per cent., if not, he must pay it within 12 months from date of birth of the daughter by 12 equal monthly payments, commencing with the first month after the birth of the child. Vide Table A. Should he however fail in completing the payment within 12 months from date of the child's birth, the amount will be forfeited to the Institution, and the child will be entitled to annuity only until 21 years of age.

In addition to the above a monthly subscription of one Rupee or 2s. 3d. must be paid for each unmarried daughter and for each son under 21 years of age, without distinction of the rank of the Subscriber, who is consequently required to report to the Secretary the date of birth, decease, and the attainment of 21 years of age of all children.

Art. 12. A posthumous daughter, or a daughter whose father may die before payment of the donation as above, will be entitled to the advantage of regulation 29; but the prescribed donation for her will be deducted from her annuity.

* Means giving the necessary instructions to the Pay Department to make the required deduction.

nuity at the rates specified in Table D: and in the case of a daughter born during the temporary absence of the father, the report must be made as soon as the event comes to his knowledge, the cause of the delay being explained at the time.

Art. 13. Subscribers having failed to make the requisite report within the period of 10 days, and wishing, at any future time, to secure to their daughters the annuity in question, are required to notify their intention to the Secretary, and to pay for the same agreeably to Table H. These donations must be paid at once or by 12 equal monthly instalments, from date of notification, and can only be received during the life-time of the father. The money becomes due from the date of report, whether the child subsequently live or die. Monthly subscription of 2s. 3d. or 1 Rupee calculated from date of birth must be paid at once and in addition to the donation.

Art. 14. Any arrear not sanctioned by Articles 8 and 9, or any arrear equal in amount to six months' subscription, as specified in the margin, shall subject the Subscriber owing it to a penalty of one-fourth of the arrear, unless it shall be shown to the satisfaction of the Directors that such arrear arose from unavoidable accident. If such penalty, together with the arrear, be not liquidated within one month from date of receipt of the demand, the Subscriber shall pay double the amount of arrear, besides the penalty in question; and in failure of payment thereof within 12 months of the date of the original demand, he and his family will be excluded from the benefits of the Fund, if he were admitted prior to 30th April 1823; if subsequently, the Military Paymaster will be called upon to deduct the amount both of the arrear and penalties from the Subscribers' abstract agreeably to G. O. G. 17th March 1846. All exclusions are to be notified in the proceedings published to the Army.

Art. 15. Pleas of ignorance of the rules of the Society are not to be received in excuse for disregard of, or deviation from the Regulations; nor does the employment of an Agent disinvest a Member or Annuitant of responsibility.

Art. 16. All payments in India to the Fund must be made to Military Paymasters, or other functionaries from whose offices Subscribers receive their monthly pay and allowances, or into the Government Treasury at Madras.

Art. 17. Payments of subscription to the Fund are made in England by deductions at the India House from the Pay bills or abstracts of Subscribers.

Art. 18. All other payments to the Fund by Subscribers resident in Europe are to be made to the Agents in London, whose particular duty it is to intimate to Subscribers the existence and amount of all demands against them, and to obtain payment accordingly.

Art. 19. The Secretary's Office in India is solely one of check and audit of accounts, and he is prohibited from receiving cash or bills in liquidation of sums due to the Fund.

Art. 20. Subscribers are exempted from the regular payments on account of donation on promotion while absent in Europe on Furlough, or Sick Certificate, whether such promotion occur prior to leaving India or during their absence, but a discount of 10 per cent. will be allowed if the donation be paid within 30 days from the date of first receipt of pay in the advanced rank. On return to India and coming into the receipt of Indian Allowances the re-

regulated instalments must be commenced or resumed, with the addition of 8 per cent. on all payments suspended during such absence.

A discount of 10 per cent. is allowed on all donations if paid within 30 days from the date they become due, viz., on entrance from date of admission on the Establishment in India, on marriage, or the birth of a daughter from the date of either event. On promotion from the date of drawing pay in the advanced rank. Donations are payable by regular and equal monthly instalments at the rate and within the periods laid down in Table A. of the Regulations.

Art. 21. Subscribers who may be prevented drawing pay by a temporary cause, such as captivity, suspension from pay, or the like, shall, during such period, be exempted from penalties for non-payment of subscriptions or donations on entrance or promotion; but on the removal of the cause, and upon the receipt of pay, they shall be required to pay up all arrears within a period equal to that of their temporary incapacity, and immediately succeeding it, by regular and equal monthly instalments.

Subscribers omitting to draw pay, or whose Agents neglect or cease to draw pay on their account when due, are not under the above clause exempted from penalty on arrears. Officers proceeding to Europe on private affairs, or remaining on extended furlough and ceasing to draw pay from Government during such absence, are required to make arrangements at Home, for the regular payments of subscription as it becomes due at the Europe rate.

Art. 22. Expulsion or withdrawal from the Fund, dismissal from or resignation of the service, involve the forfeiture of all claims to the benefits of the Fund, as also of the amount of the Subscribers' donations and subscriptions, and all other sums paid up to the period of separation; but the restoration of a dismissed Officer to the service entitles him to re-admission, on payment of arrears with compound interest at 8 per cent. per annum, within a period equal to and immediately succeeding that of his disqualification.

Art. 23. Subscribers while in the receipt of income allowance from the Fund, are not exempted from the payment of monthly subscription, or of the instalments of marriage donation.

Art. 24. The payment of the Minimum by no means exempts the Subscriber from the continuance of subscriptions and donations, so long as he shall remain a member of the Fund.

Art. 25. Subscribers who retire from the service on the prescribed Pension of their ranks, or on Half Pay, or on Lord Clive's Fund, shall not forfeit their rights as Subscribers to the benefits of the Fund, provided they continue the payments prescribed in Table B. The two last classes may, if they prefer it, pay donations and only half subscriptions, in which case their families at their death will be entitled only to half the benefits derivable from the institution.

Art. 26. Subscribers who leave the service before they are entitled to any pension, cease to be members of the Fund, and shall not receive back any part of the sums they may have paid to it.

Art. 27. Current Payments due by deceased Subscribers to the Military Fund, are recoverable from their Estates under the head of regimental debts.

Art. 28. The benefits derivable from the Fund are, *First*, such as are granted to Subscribers while living—*Second*, such as are granted to the widows and legitimate children of deceased Subscribers.

Art. 29. All applications for benefits will be decided agreeably to the Regulations, by the Directors, whose duty it will be in case of doubt to call for further information from the claimants; and if this information should not be satisfactory, they are authorized to disallow the claim till the decision of the Subscribers at large be known, to whom the case will be immediately referred.

Art. 30. A Subscriber of whatever rank proceeding to Europe on sick certificate, is entitled for his equipment to Company's Rupees 200, and if married, in addition thereto, to Rupees 200 for his wife, and Rupees 100 for each

legitimate child who may accompany him. No allowance for equipment will, in any case, be made to a Subscriber or his family returning to India.

Art. 31. A Subscriber, of the rank of Captain, about to proceed to Europe on sick certificate, in conformity with the regulations of the Army, and who does not receive passage money from, nor has a passage found him by Government, shall receive 1,400 Rupees from the Military Fund, on application. Passage money is not allowed to Field Officers except on loan. When passage money as a Subaltern is claimable from the Fund the amount is 1,200 Rupees.

Art. 32. Subscribers proceeding to England on sick certificate, being allowed passage money by the Government, are not entitled to receive the same from the Fund. A Captain or Subaltern, who may have proceeded to Europe on sick certificate, is entitled, on return to India, if not provided with a passage at the expense of Government, to receive from the Agents in England, the former £110, the latter £95.

Art. 33. Subscribers, being Subalterns, proceeding to England on sick certificate, shall be allowed the sum of £21 7 6 per annum for a Lieutenant, and £44 3 9 for a Cornet, 2d Lieutenant or Ensign; commencing from the date of arrival in England, and continuing so long as they shall be in receipt of pay there, viz. 2½ years.

Art. 34. Captains of Artillery, Engineers or Infantry, and all Subalterns, who have proceeded to England on sick certificate, are entitled to income allowance for their families, if they are married or widowers with offspring, as follows: £20 for the wife, and £10 per annum for each legitimate child with them; the latter allowance, however, is to be reduced in the case of a plurality of children with them in the manner prescribed by Article 39. Provided, however, that such additional allowance for the whole family shall never exceed the sum of £48 15 6 per annum. Captains of Cavalry are not entitled to any income allowance for themselves or families.

Art. 35. Privates of ditto, 6d. ditto. and 9d. to ditto ditto.

All other Non-commissioned officers and privates receive 4 pence and 3 farthings.

The pensions to commissioned, warrant, and non-commissioned officers and soldiers are payable half-yearly, at the India House, in London, without deduction, at Midsummer and Christmas; but if non-commissioned officers and soldiers receive their pensions in the country, (which if they reside more than 25 miles from London they are permitted to do by the special leave of the Court of Directors, who will appoint a proper person for paying them,) a shilling will be charged on each payment for the person who pays them.

The pensions of commissioned and warrant officers are payable as they fall due. Non-commissioned officers and privates paid in advance, on their landing, for the broken period to the end of the first half-year, and afterwards half-yearly in advance.

Pensions to Widows.

The Widows of Commissioned and Warrant Officers are entitled to the following pensions, upon providing satisfactory evidence, that their husbands did not die possessed of property to the amount stated opposite to their respective ranks. Their pensions continue during widowhood, but terminate *finally* on re-marriage, which cancels all claim to reversion to the Pension previously drawn in right of their *former* deceased husbands. Should the second husband have been an European Officer, or Soldier in the Company's service, the Widow will be entitled to pension on his account.

No Widow is entitled to a benefit from the Fund until a sum equal to 10 months' pension has been received on her account.

The full amount of pension is payable only, after the subscriptions, &c. on her account amount to a sum equal to 15 months pension. Payments exceeding 10 and less than 15 months' pension, entitle the widow to 5-6ths of the pension of her class. Pensions are not payable to widows on remarriage, or during coverture, but they become entitled to such on again becoming widows.

Pension is forfeited by incontinence. Pensions are not payable to the families of subscribers who die with six months' subscription in arrears, and subscribers 12 months in arrears are struck off the book. The Regulations at length may be had on application to the Secretary, and on payment of 4 annas per copy.

TAYLOR'S FUND.

Established 1st July 1849 for the benefit of Widows and Orphans of European Pensioners of Her Majesty's and the Honorable Company's Service in Southern India.

Major W. P. Macdonald, — Secretary and Treasurer.

Rules.

I. This Fund is designated 'Taylor's Fund' to perpetuate the name of its Reverend Founder, and its object is to afford relief to the Widows and legitimate Offspring of European Pensioners.

II. The Capital by which this Fund is to be supported, has been derived from the liberal contributions of the Public, and is invested in Government Securities in the names of three of the Committee.

III. The interest of this capital together with Subscriptions, to be applied to the proposed object, and after discharging such claims, all surplus in the hands of the Treasurer, will be half-yearly added to the Capital in even hundreds, together with the entrance donations of Subscribers, and all contributions received from private Individuals or other sources.

IV. To entitle a Widow to the benefits of this Fund, her Husband must have paid his entrance Donation, which has been in the first instance fixed at the small amount of Eight Rupees, but will be 12 from the 1st of January 1850.

V. The monthly subscription is Eight Annas, to be paid quarterly in advance.

VI. Subscribers who are 12 months in arrears, will be struck off the Books if their Subscriptions are not immediately paid up on demand, and any subscriber dying with a half-year's subscription due to the Fund, will deprive his Widow of all claim on the Fund; if the amount due is less than this period, the same will be deducted from the Widow's Pension.

VII. The monthly Pension to a Widow will be 3½ Rupees, and 1 Rupee for each child under or above the age at which they can be admitted into the

Government Asylums, but if no vacancies exist when so eligible, the Pension to continue until opportunity presents, when, if refused, the Pension to cease: the Maximum payment for Children is however never to be in excess of the Widow's Pension, and all such Pensions to cease at the age of 14.

VIII. The Committee will at once remove from the Pension List, any Widow known to be living a life of incontinence, or guilty of other notorious misconduct.

IX. The Children's allowance will be continued in the event of the mother again marrying, but on her death their cases to be specially considered.

X. Marriages considered by the Committee as death bed marriages, will altogether exclude the Widow from Pension.

XI. To prevent abuse of this Charity, no claims to Pension will be admitted where the Husband may have been more than thirty years older than the claimant, and any attempt to deceive the Committee in regard to children, will involve the immediate expulsion of a Subscriber or of a Widow on the Fund.

XII. Pensioners married who do not join this Fund within a period of 12 months from date of transfer to the Pension Establishment, and Pensioners unmarried who do not join within 6 months from date of marriage, will not be admitted subscribers on this Fund.

XIII. The Secretary shall keep a Register of Subscribers, their Wives and Children; it is therefore incumbent on Subscribers to report their marriages, births and deaths of Children, in default of which their families will be liable to a forfeiture of benefits, for this Register must be the Committee's guide in regulating claims to Pension.

XIV. Should the Subscriptions and interest of Capital fall short of the demand for payment of Pensions, it will be in the power of the Committee to direct a proportionate deduction from Pensions; in like manner should the prosperous state of the Funds justify an increase in Pensions, it shall be competent to the Committee to direct the same to the extent of Rupees 5 in lieu of 3½, with the same limit for Children.

XV. The affairs of this Fund shall be conducted by a Committee to meet Quarterly, 3 of whom shall be sufficient to act in the name and behalf of the whole, save that no Rule shall be altered until submitted individually for consideration, and be confirmed at the next Quarterly Meeting.

Parties desirous of being married should apply direct to some Surrogate residing near them; but from places where there is no Surrogate, application should be made to the Registrar, who will procure a commission, under the episcopal seal, authorizing some person to administer the usual oaths and grant the

necessary license. None but a Clergyman of the Church of England can marry by virtue of an episcopal license. Parties who cannot on account of distance obtain the services of a Clergyman to marry them, must state the fact, and apply to the Town Major, Fort St. George, who will obtain the permission of the Right Honorable the Governor for their marriage, under which the Senior Judicial Officer of any station is authorized by Government to marry them.

In the case of a minor in H. M. or the Honorable Company's Service, the written consent of the Governor must be obtained previous to the publication of banns, or the grant of a license.

Further information respecting marriages can be obtained on application to the Registrar of the Diocese (F. Orme, Esq.)

Whereas a certain Table of Fees to our Registrars was lately intended to be adopted and certified by our late well beloved John Mathias Lord Bishop of Calcutta, in and for our several Archdeacons; and whereas in consequence of the death of the said John Mathias, and of the Archdeacons of Madras and Bombay having been since made separate Dioceses, and in con-

sequence also of our disapproval of many of the Items in such Table from the curtailments in the stipends of the Clergy;—We Daniel Lord Bishop of Calcutta have thought fit to revoke, and accordingly do revoke and cancel a certain instrument under seal bearing date the Twentieth day of July 1831, under which it was intended to certify such Fees: And whereas we still consider that a reasonable certain and consistent Table for all the business hitherto usually charged for and to be done, should be certified and established to prevent exaction, and contention, and in order that nothing may be unreasonably demanded or exacted or unlawfully taken by those employed, but such as seem to us suitable, customary and unobjectionable in their nature, and at the same time afford a moderate professional remuneration to those Registrars whose services are thus rendered: We therefore as far as we lawfully may and can, having considered and given our best consideration to the subject, do certify the foregoing graduated scale to be in our opinion reasonable and such as may not be (with reference to the usages in the Dioceses elsewhere) improperly taken by our Registrars and Secretaries for business considered to be of a voluntary and private kind, and where the acts done are not exclusively for Government objects or of the state, and of a nature for which public provision is made.

And we order that a Table of these Fees be placed up in some conspicuous part of the Registry.

In testimony whereof we have affixed our hand and Seal dated this Thirty-first day of May, in the Year of Our Lord One thousand Eight hundred and Forty-two, and in the Eleventh Year of Our Consecration.

Rules for Chaplains and Assistant Chaplains.

Fort St. George; June 2, 1840.

The following Rules for the guidance of Chaplains and Assistant Chaplains, revised under instructions from the Honorable Court of Directors, are published for general information, in modification of the Order of Government dated 30th July 1839.

1. Every Chaplain and Assistant Chaplain, on his arrival at the Presidency from England or elsewhere, shall report the same to the Secretary to Government in the General Department, as well as to the Chief Ecclesiastical authority in the Diocese.

2. Every Chaplain and Assistant Chaplain must report his arrival at his Station to the Chief Ecclesiastical authority in the Diocese, to the Civil Auditor, and to the Chief Civil or Military authority of the Station.*

3. Funerals are to be appointed at sun-rise and sun-set, and the Clergyman is to attend at the latter time if he receives notice of a funeral before 3 o'clock P. M., but if the notice arrives after that hour, the interment is to take place on the morning following: cases however may occur which may require a deviation from the general rule.

4. Commanding Officers, in concurrence with the Chaplain, will fix the time for officiating at divine service on Sunday with the Soldier.

5. Attested copies of the Registers of Baptisms, Marriages and Funerals, must be transmitted regularly every 3 months to the Registrar of the Archdeaconry, viz. on the [31st March, 30th June, 30th September, and 31st December.] †

6. All Marriage Certificates of Europeans, being Soldiers, or persons employed in the Military Department, under the rank of Commissioned Officer, shall specify distinctly the birth of the female, whether European, Indo Briton, Native, &c.

7. The Chaplain is to enter carefully all the Marriages, Baptisms, and Burials of Soldiers and their Children in the Regimental Register Book of the respective European Corps, as well as in the usual Register kept by the Station Chaplain.

8. The Chaplain of every Station, where any of Her Majesty's Regiments are stationed, must forward to the Registrar of the Archdeaconry, for transmission to the Chaplain General's Office, half yearly, and for any broken period that may occur previous to his leaving the Station in which he is employed, a copy, duly signed by himself and by the Officer in Command of the Station, of the Regimental Registers of Marriages and Baptisms now kept in conformity with the general Regulations on this subject.

9. The Chaplain at a Military Station is to visit regularly, at least twice in each week, the European Hospital or Hospitals. He is carefully to superintend

* This rule is made applicable to a Chaplain's departure to, or return from, out-stations of his district.

† Dates altered (under authority) subsequently to the promulgation of these Rules.—COMPILER.

and inspect the European Regimental and other Schools, visiting them for this purpose not less than once a week, and to represent any matter concerning their management to the Commanding Officer, which may require his notice. Provided, however, that in the performance of the above duties he shall not interfere with the religious persuasion of those who do not profess the tenets of the Church of England. He is to report to the Commanding Officer on the 1st of January and the 1st of July in each year, and oftener if necessary, the state of the European Regimental Schools, the qualifications and conduct of the Master, and the proficiency of the Scholars.

10. All communications from the Clergy are to be addressed to Government through the Lord Bishop, in order that he may make such remarks thereon as his Lordship may think proper; when the Diocese shall be vacant, communications are to be addressed through the Archdeacon, or other Chief Ecclesiastical authority. All applications for change of station must be made direct to the Right Honorable the Governor, or his Private Secretary, and to the Lord Bishop or Chief Ecclesiastical authority in the Diocese.

11. A Chaplain directed to visit the Out-Stations of his District periodically, is permitted to draw a travelling allowance at the rate of 200 Rupees per mensem, calculated at the rate of one day's allowance for every 10 miles, allowing for a halt on the 7th day: provided however that the allowance drawn on this account shall in no case exceed 200 Rupees per mensem. The documents required in support of the travelling expenses of Chaplains will be—1st, the order or authority of the Lord Bishop for proceeding on such journey; and 2dly, their own declaration on honor that the journey so authorized has been performed.*

12. Any Chaplain leaving his Station, whether with or without the orders of Government, shall be bound to report the circumstance to the Civil Auditor.

13. Any Chaplain who may be removed from one station to another, shall in like manner report to the Civil Auditor the dates of his departure from the one and of his arrival at the other, and the Civil Auditor is restricted from passing the bill of any Chaplain appointed to a new station, for the allowance belonging to such Station (without the special orders of Government), until he shall have received a report of his arrival at the place of his appointment.

14. Any Chaplain returning to the Presidency after a sea voyage for the recovery of his health, or otherwise, shall (unless the contrary is specially sanctioned by Government) be required to rejoin his station within the time that may be prescribed for travelling to the Station to which he stands appointed.

15. When a Chaplain proposes to quit his principal Station, for the occasion of visiting† any of his appointed smaller Stations, or when he intends to apply for temporary leave of absence, he must give timely notice to the Chief Civil and Military resident authorities, (and state in his application for leave that such has been done), in order that if there be any cogent reasons against the absence of the Chaplain, they may be submitted to the Governor in Council.

In reference to the foregoing revised Rules for the guidance of Chaplains and Assistant Chaplains, the Right Honorable the Governor in Council directs, the republication of the following Rules for regulating the absence and travelling allowances of Chaplains and Assistant Chaplains, which forms Chapter VI. of the General Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation allowances, promulgated on the 21st Feb. 1840.

"RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS."

(See pages 177 and 180—COMPILER.)

Published by order of the Right Honorable the Governor in Council.

ROBERT CLERK, Secretary to Govt.

* Rule modified: see Extracts from Court's Despatch of the 12th April 1842, page 244, and Plan for visiting out-stations, page 245. The allowance is now 8 annas for each mile of distance travelled over, and the Lord Bishop's order is not necessary.—COMPILER.

† Recent orders require that the Chaplain shall also report his return from these visits to the Chief resident authority at his station.—COMPILER.

FORT ST. GEORGE; 20th September 1842.

No. 172 of 1842.—The Right Honorable the Governor in Council has been pleased, in the Ecclesiastical Department, under date the 13th instant, to direct that the following Rule for the guidance of Chaplains be re-established under this Presidency.

"The practice of baptizing in private houses is to be avoided by the Chaplain as much as possible, and the Clergyman is to attend at the place appointed for divine service on some fixed day and hour in each week, for the purpose of baptizing Soldiers' children; however, this is not to be considered as authorizing the Clergyman to decline attending at any time or place to administer private baptism to such infants as may be in a weak, or precarious state of health."

S. W. STEEL, Lt. Col., Secy. to Govt.

Chaplains' Visits to Out-Stations.*Extracts from Court's Despatch, 12th April 1842.*

"In Section 27 of the Regulations respecting leave of absence and deputation and travelling allowances which we have recently approved, you will find a rule on the subject of travelling allowances on joining a Station, and when any change takes place except at the desire of the Chaplain or Assistant Chaplain."

3. But to avoid inconvenience and guard against the possibility of misunderstanding, we think it desirable, that for every circle of stations the Lord Bishop should be requested to frame a plan determining the periods at which each place shall be visited by the Chaplain or Assistant Chaplain officiating in such circle, which plan being approved by Government shall continue in force till varied by the same authority. As minute local information will be necessary to the successful formation of such plan, we can only offer a few suggestions on the subject. The frequency of ecclesiastical visits should be governed in a great degree by the extent of the Christian population of the place to be visited. A place may contain not more than 3 or 4 members of the English Church, and though it might not be right to exclude those few persons from the benefit of Christian ordinances, it is obvious that in the present state of our Ecclesiastical Establishment such a place could not be visited frequently without injury to others of greater importance. An annual visit might in some cases be all that could reasonably be afforded; while to others, visits twice, three or four times a year might be expedient; and to others again, which might be more populous, it might be desirable that visits should be made once in six weeks, or once a month.

4. When a circle of Stations may from the deficiency of our Establishment, or any other cause, be left without a resident Clergyman, we are of opinion that the Chaplain or Assistant Chaplain of a neighbouring district should, as desired by the Lord Bishop, be appointed to visit the station thus deprived of clerical services. In such cases the most convenient course will be for the Lord Bishop to bring the subject to the notice of Government, and submit a plan of visitation. Such plan being approved, the Chaplain or Assistant Chaplain who can most conveniently discharge the required duty should be specially appointed thereto, and there forward be entitled to draw travelling allowances in conformity with the provisions of the plan, and in accordance with our Financial Despatch of the 30th October 1839.

6. We should lament that the practice of visiting stations at which no Clergyman is permanently resident should be discontinued, and it would be unjust to subject the Clergy to the expense attendant on such visits. Under these impressions we deem it proper to sanction the payment of such reasonable charges, not exceeding those authorized in our Despatch of the 30th October 1839, before referred to: and we are encouraged in this view by the fact that although Chaplains and Assistant Chaplains when absent from their duty are subjected to the same deductions as Civil Servants, no charge is incurred in providing for the duty of the absentee. The deductions may thus be regarded as a fund, meeting to a certain extent the extra charges incurred by occasional or provisional visits of the Clergy to Stations at which they do not reside."

Rank, Furlough, and Retiring Allowances of Chaplains,

APPOINTED PRIOR TO AUGUST 31, 1836.

Extracts from an Ecclesiastical General Letter to the Supreme Government, dated the 22d November, 1826.

Para. 2d. We have lately directed our attention to the Regulations under which Chaplains are permitted to retire from the service, and from an anxious desire to promote the respectability and comfort of that class of our Servants, we have resolved that the retiring pay of Chaplains after a service of eighteen years, including three years Furlough, be augmented from £292 per annum, the pay of Major, to £365 per annum, the pay of Lieutenant Colonel, and that in cases of bad health certified in conformity with existing regulations, Chaplains shall be allowed to retire after ten years' actual service upon £200, 15, 0, the half pay of Lieutenant Colonel, instead of £173, 7, 6, the half pay of Major; and upon the production of similar certificates after seven years' actual service upon £173, 7, 6, the half pay of Major, instead of £127, 15, 0, the half pay of Captain.

3d. We have further to acquaint you that we have determined to abolish the designation of Junior Chaplains; and we desire that the Chaplains be hereafter distinguished only by the title applicable to the Stations at which they are placed—such as Chaplains at the Presidency and District Chaplains.

Rank, Furlough, and Retiring Allowances of Chaplains,

APPOINTED SUBSEQUENTLY TO AUGUST 31, 1836.

Extracts from a Letter from the Honorable the Court of Directors.

ECCLESIASTICAL DEPARTMENT; August 31, 1836.

Para. 1. Our attention has been drawn by the Government of India, on the suggestion of the Lord Bishop of Calcutta, to the necessity of increasing the number of Chaplains, for the purpose of extending the benefit of religious offices more widely than the present Establishment will admit.

2. While we were fully sensible of the importance of the desired object, and very anxious to promote its success, we felt that we should not be justified in making such an addition to the amount of Ecclesiastical charges, as would result from the appointment of an increased number of Chaplains upon the existing scale of remuneration. We determine therefore to make such new arrangements with regard to the Chaplains on the Bengal Establishment, as should enable us to add to their number, and thus provide more adequately for the spiritual benefit of the European residents, without any serious increase of expense. We have resolved to extend the principle of those arrangements to your Presidency, with the view of accomplishing the same beneficial purpose.

3. We intend that the number of Chaplains under your Government shall be increased from 23 to 29. The salaries are to be apportioned as follows;—the two Chaplains at the Presidency will receive the same amount as at present; nine will receive Company's Rupees 700 per mensem, and the remaining 18 Company's Rupees 500 per mensem. These salaries will constitute their entire emoluments from the Company. The payments heretofore made under the name of palanquin money will cease, and we shall on no account sanction any extra allowances, whatever may be the grounds upon which they may be claimed.

4. The Chaplains receiving the lower amount of 500 Rupees per mensem will be termed Assistant Chaplains, and in future all appointments will be made

to this Class. The Assistant Chaplains will succeed to the higher rank, and the higher rate of salary, according to seniority, as vacancies occur in the superior class, after it shall have been reduced by casualties to the prescribed number of nine.

5. As vacancies arise they will be supplied in the following manner; on the occurrence of the first vacancy two Assistant Chaplains will be appointed, on the second only one, and on all succeeding vacancies, the same principle will be acted upon, viz. that of an alternate appointment of two and one until the establishment attains the full extent of 29, to which we have restricted it, after which each vacancy will give rise only to a single appointment.

6. The principle which we have adopted throughout these arrangements requires that the furlough and retiring allowances should be modified so as to meet the intended changes. These allowances will in future be on the following scale:

Furlough Allowances.

After 7 years' residence.....£191 12 6 per annum..(full pay of Captain.)

If compelled by sickness to retire to Europe before completing

7 years' residence.....£127 15 0 per annum..(half pay of Captain.)

Retiring Allowances.

After 18 years' service (including 3 years' furlough).....£292 0 0 per annum..(full pay of Major.)

After 10 years' actual service (if compelled by ill health to quit the service).....£173 7 6 per annum..(half pay of Major.)

After 7 years' actual service (do. do.) £127 15 0 per annum..(half pay of Captain.)

The present Chaplains* will be entitled to the existing scale of allowances, as well for services as on furlough and retirement; these regulations being wholly prospective, and only affecting an appointment made after the date of this despatch.

7. The location of the Chaplains under the new arrangements, will be best regulated by reference to the opinion of the Lord Bishop.

Pensions from Lord Clive's Fund.

Extracts from a Letter from the Honorable the Court of Directors, dated 9th October, 1833.

Letter dated 22d January 1833; (No. 13.)

1 to 9.—State that, from the nature of the Orders received from time to time, some doubt exists as to the scale of Pensions which the Court are disposed to recognize as claimable from Lord Clive's Fund, by Chaplains retiring from ill health before the full period of the Service, and by the Widows of Chaplains, and request to be furnished with fresh and explicit instructions on the subject.

Para. 11. Chaplains who have not served 7 years in India are admissible to the benefit of Lord Clive's Fund in the rank of Captain. After completing a service of 7 years, their retiring allowances are provided for independently of Lord Clive's Fund, by the Regulations conveyed to you in our Ecclesiastical Letter of the 22d November, 1826.

* By a recent order of the Honorable Court the nine full Chaplains are each of them to receive not less than Rs. 700 per mensem.

12. As by the Regulations announced in that Letter, Chaplains may retire on the full pay of Lieutenant Colonel after 18 years' Service, (including 3 years for a furlough) we have considered the Widows of those who die in the service after completing that period to be eligible to the benefits of Lord Clive's Fund in the rank of Lieutenant Colonel.

13. The Widows of Chaplains who have completed 7 years' actual service in India are admissible in the rank of Major; and those of Chaplains of less service in the rank of Captain, being the ranks the pay of which is receivable by those classes of Chaplains respectively when on furlough.

14. You will communicate a copy of these Paragraphs to the Governments of Madras and Bombay.

*Extracts from a Letter from the Honorable the Court of Directors,
dated 14th March 1838.*

Para. 25. "We have to acquaint you that the claims of the Chaplains appointed under the new arrangement, and of their Widows, to the benefits of Lord Clive's Fund, will be adjusted upon the principles laid down in our letter to the Government of Bengal, dated 9th October 1833 (No. 93) paras. 12 and 13.

26. Chaplains who have not served seven years in India will therefore be entitled, if admitted to the benefits of Lord Clive's Fund, to a pension of £63 17 6 per annum, and their Widows to one moiety of that sum.

27. The Widows of Chaplains who have completed seven years' actual service in India, if admitted to the benefits of Lord Clive's Fund, are entitled to pensions as the widows of Captains.

28. The Widows of Chaplains who have completed fifteen years' actual service in India, if admitted to the benefits of Lord Clive's Fund, are entitled to pensions as the widows of Majors.

29. We are of opinion that Chaplains appointed under the new arrangement should rank as Subscribers to the Military Fund—as Captains until they have served fifteen years in India, and subsequently as Majors."

Fort St. George, 6th June 1848.

No. 118 of 1848.—The Right Honorable the Governor in Council is pleased,

"It is our practice, to require from the Widows of Chaplains whose service is under 7 years, the same oath, as is received from the Widows of Lieutenants, viz. that their late husbands did not die possessed of, or entitled to, the sum of £1,000." *with reference to the extract entered in the margin, from a letter from the Honorable the Court of Directors, dated 23d February 1848, No. 9, to notify that in future, the application for admission to the benefits of Lord Clive's Fund, of the Widow of a Chaplain whose service was under 7 years, is to be accompanied by an affidavit in the prescribed form, that her Husband did not die possessed of property to the amount of 1,000£.*

Rules for the appointment of Lay Trustees:

Fort St. George, August 24, 1844.

The Most Noble the Governor in Council resolves to establish the following Rules for the appointment of Lay Trustees to the several Chaplaincies, in substitution of those of the 1st of March 1833.

First.—Two Lay Trustees shall be appointed to each Chaplaincy.

Second.—*At Civil Stations, or Joint Civil and Military Stations,* the Senior Civil Servant of the Station shall be a Trustee, provided he is a communicant of the Church of England, and has no objection to hold the office.

At Military Stations—The Officer Commanding the Cantonment, or Garrison, under the same provisos.

Should either of these Officers not be desirous of holding the office, it will be his duty to report the same to Government, and to name for the appointment the Officer next in seniority, Civil or Military, qualified for the Office, who may be willing to undertake the duty.

Third.—The Chaplain, in communication with, and with the concurrence of the Lord Bishop, will nominate, for the approval of Government, a Gentleman in the Service of Her Majesty or the Honorable Company to act as a Co-Trustee.

Fourth.—The Lay Trustees shall, in conjunction with the Chaplain, form a Committee of Management on all Church matters, and shall meet for business once in each month, or oftener if necessary. All papers, or references on subjects before the Committee, must be signed by both the Lay Trustees, unless for special reasons to be assigned.

Fifth.—The Chaplain or Officiating Chaplain present shall, as a mark of respect due to religion in the person of her Ministers, preside at all meetings of the Committee of Management, and sign all proceedings and letters as President, and the two Lay Members, in the order of their relative official rank.

Duties of the Lay Trustees.

1. It shall be the duty of the Lay Trustees to present to the Bishop, or his Archdeacon, at their Visitation, or immediately by letter, and at any time on the requisition of the Lord Bishop or his Commissary, any irregularity or scandal on the part of the Chaplain, or in connection with the Chaplaincy, which may have occurred within the District.

2. To aid and assist the Chaplain in the performance of his duties.

Duties of the Standing Committee of Management.

The Committee of Management shall take charge of the School and Charity Funds connected with the Chaplaincy; see that the Church Yard and Burial Ground are kept in becoming order; take charge of the Plate, and the care of the goods, repairs and ornaments of the Church, or other building appropriated to the performance of Divine Service, and represent to Government, through the Ecclesiastical Head, any deficiency in these particulars which they may think it necessary or desirable to supply.

The Chaplain, as President, will report to Government any vacancy in the office of Lay Trustee.

Published by order of the Most Noble the Governor in Council.

J. F. THOMAS, Secy. to Govt.

Official Returns of the Clergy.

Ecclesiastical Department.

With a view to ensure regularity and completeness in the Official Returns of the Reverend the Clergy, it is directed by the Archdeacon, under instructions from the Honorable the Court of Directors, and with the approbation of Government, that in future the following regulations be observed, viz.

1. That when any Chaplain or Minister applies for permission to return to Europe, or for any permanent leave of absence from his Station, he shall forward

with his application a declaration that he has duly made his Official Returns to the Registrar, or is prepared to do so, up to the day on which his departure from his Station is to take place.

2. That the same rule is to apply to Clergymen removing from one Station to another; and that every Chaplain so removing shall before quitting his Station, not only forward his Returns up to the day of his departure, but transmit also a declaration to the Authorities that he has done so.

3. That, in case of the death of a Chaplain at his Station, a copy of the entries in the Registers from the date of his last Quarterly Returns to the period of his demise, shall be made by the local public authority in whose official possession the original public Registers may happen for the time to be lodged or come, and be immediately forwarded by such local Officer to the Registrar; the same being, however, first duly examined and authenticated by the Chief lay public authority of the Station; this being considered the best mode at present of providing for the completeness of the General Quarterly Returns which are transmitted to England by the orders of the Honorable the Court of Directors.

By direction of the Venerable the Archdeacon of Madras, Commissary to the Lord Bishop, dated the second day of October, 1843.

FREDK. ORME, *Registrar of the
Archdeaconry of Madras.*

Rules for the Registry of Baptisms, Marriages and Funerals.

1st. Entries in a Church Register can be made by a clergyman only, and of such duties only as have been performed by himself. The entry must be made on the same day on which the service recorded is performed.

2d. Should there be no Register book at the place where the duty is performed, or no chaplain resident to make the prescribed quarterly returns, the clergyman officiating must transmit to the Registrar of the Diocese by post, a certificate of the baptism, marriage, or funeral as soon as the service is over.

3d. Where the services of a clergyman cannot be obtained, baptisms, marriages and funerals are to be performed by the Senior Judicial Officer or Commanding Officer at any station, in conformity with the orders that have been issued by Government; and in case of great emergency, a child may be baptized by the parent or guardian, or by some friend acting for the parent or guardian; but it is to be clearly understood that, when any other than a clergyman administers the ordinance, the office for private baptism is alone to be used; and that a certificate by the person officiating at the baptism is to be despatched the same day to the Registrar of the Diocese, to be filed among his records.

FUNDAMENTAL RULES.

1.—That the name of the Society be THE MADRAS DIOCESAN ADDITIONAL CLERGY SOCIETY.

2.—That the Right Reverend the Lord Bishop be President, and that the affairs of the Society be conducted by a Committee consisting of the President, the Venerable the Archdeacon, and eleven other Members of the Society, being Members of the Church of England, of whom not less than six shall be Laymen, to be chosen annually by the Subscribers, but with power to fill up vacancies until the ensuing Annual Meeting; and that one of the Clergy be requested to undertake the duties of Secretary; and that accounts be kept with Messrs. Arbuthnot and Co. for floating balances, and with the Government Agents for investment.

3.—That the Clergy in the Mofussil be requested to become Corresponding Members of the Committee; and that the Committee be empowered to add also to the number of Corresponding Members Lay Gentlemen, at their discretion.

4.—That the Subscription be not limited, but the smallest be thankfully received, and that Subscribers of one Rupee a month, and upwards, or Donors of 100 Rupees, be Members of the Society; and be entitled to vote at all General Meetings.

5.—That all Subscriptions raised for the Society be transmitted by the Corresponding Members direct to the Secretary in Madras.

6.—That, before an application for a Clergyman be complied with, the Station applying be required to satisfy the Committee of a suitable provision being made for his residence rent free.

7.—That in addition to a residence thus provided, the monthly stipend of the Clergyman be fixed by the Committee, 100 Rupees being the minimum and 300 Rupees the maximum; and that it be payable from the date of his appointment if engaged within the Presidency; or from the day of his landing if engaged in Europe.

8.—That a travelling allowance be granted to the Clergyman upon his first joining his Station, or upon his Station being changed, at the rate of 8 Annas a mile.

9.—That the Fees for the Clergyman's license be paid by the Society, but that the Society be responsible for no further payments.

10.—That a Clergyman leaving his Station with the permission of the Committee be allowed to draw three-fourths of his salary for one year, and one half for the second year: but after the expiration of two years, he be entitled to no allowance during his absence.

11.—That the Bishop of the Diocese be entitled to grant one month's leave of absence in each year to the Clergymen in connexion with this Society without any loss of their allowances.

12.—That, with a view to give stability to the Society, all surplus funds, after defraying the current expenses, be invested in Government Securities, and form the Capital of the Society.

13.—That no engagement be at any time entered into by the Society, unless

(1.) The CAPITAL be not less in amount than the aggregate of three years' salary of all the Clergymen on the Society's list after the engagement is made, and unless also

(2.) The INCOME of the Society be sufficient to meet the current expenses thus increased, without the prospect of encroaching upon the Capital.

14.—That a guarantee be given in writing to each Clergyman, when taken upon the Society's List, that in case of such a defalcation of funds as to render it necessary, three years' notice shall be given him before any diminution be made in his salary, unless for other causes his connexion with the Society be dissolved; that this notice shall be given only in case the capital becomes less in amount than the aggregate of three years' salary of all the Clergymen on the Society's List, and not sooner; that this notice shall be given first to the last Clergyman brought upon the Society's List, and then to the last but one—and so on in the inverse order of their appointments; and shall be cancelled by a counter notice from the Society when the funds so improve as to repair the defalcation.

15.—That when it is necessary to send to Europe for a Clergyman to meet an application from a station, the Committee be at liberty to make arrangements regarding the expenses of his coming to this country.

16.—That it be necessary for Clergymen, or Candidates for Holy Orders, upon applying to be engaged in the service of the Society, to transmit to the Secretary the usual testimonials, together with a Medical Certificate of general health and strength, equal to the performance of ministerial labour in India. And that a copy of the Rules of the Society be forwarded to each by post, whether in Europe or India, upon the first opening of negotiations.

17.—That the selection and engagement of Clergymen in connexion with this Society be vested in the Committee, who shall present their nominee to the Bishop for his Lordship's License; and that no Clergyman or Candidate for Holy Orders shall be placed on the list of the Committee, and presented to the Bishop, but with the consent of two-thirds of the number of the Committee.

18.—That a Meeting of the Committee shall be held quarterly in the months of March, June, September and December; and that all papers be circulated in the intervals,—the ordinary business of the Society being conducted by the Secretary: but that no grant be made, no Clergyman engaged, nor any extraordinary outlay incurred without the sanction of the Committee; and that a Special Meeting be summoned when requested by the President or any two Members of the Committee.

19.—That a General Annual Meeting of the Society be held in the month of January; when the Annual Report shall be presented to the Subscribers with a Statement of the Accounts; and that the Committee shall have power to call a Special General Meeting at their discretion; and no Fundamental Rule shall be altered or rescinded but on the recommendation of the Committee at a General Meeting of the Society, after fourteen days' notice of the proposed alteration shall have been given in the *Fort St. George Gazette*.

20.—That this and all the foregoing Rules be considered Fundamental Rules of this Society.

21.—That the Committee have power to make such Subordinate Regulations and Bye-laws as they shall deem necessary; provided they be not at variance with the Fundamental Rules of this Society.

REGULATIONS.

I.—The Committee shall be designated the Madras Corresponding Committee of the Colonial Church Society.

II.—The objects of the Committee shall be two-fold—First, to provide Clergymen for important stations at present without them. Second, to render such

aid to Chaplains or other Clergymen in the discharge of their pastoral duties as they may be desirous to accept, and the Committee may have it in its power to afford.

III.—All ordained persons that may be supported by this Committee shall be under the ecclesiastical jurisdiction of the Diocesan.

IV.—It shall be considered as a fundamental principle of the Committee that no persons shall be maintained by its Funds, but such as are believed after the fullest inquiry, to be men of true piety and sound evangelical principles, as well as attached to the doctrines and discipline of the Church of England.

V.—This Committee shall have a President, 4 Vice-Presidents, and be composed of 12 Members of the Church of England, including a Treasurer and Secretary. Five Members to form a quorum for ordinary business. The President and Vice-Presidents to have a vote as other Members of the Committee.

VI.—In case of any vacancy, the remaining Members of the Committee shall elect one to fill it, regard being had to the two preceding Rules,—this nomination being subject to the approval of the Parent Committee.

VII.—No grant can be made for the support of any Clerical or Lay Agent except at a Meeting of the Committee at which 7 of its Members at least are present, or if 3 of the Members object to the grant as opposed to its fundamental principles.

VIII.—An Annual Meeting of the Subscribers shall be held, when the Proceedings of the foregoing year shall be reported, and the Accounts presented; and the Report and Statements of Accounts shall be published and furnished to every Subscriber.

IX.—In conformity with Rule IV. of "Rules for the formation and guidance of Corresponding Committees in connection with the Committee of the Colonial Church Society," this Committee shall be considered subject to re-appointment annually by the Parent Committee.

The Madras City Mission.

Established at a Meeting held 5th November 1847.

The special object of this association is to ameliorate the moral and spiritual condition of those numerous *Europeans* and *Indo-Britons* in Madras and its suburbs, who through poverty ignorance and neglect are, to a lamentable extent, living without God in the world.

The broad principle on which it stands is that of an operative Evangelical alliance—to embrace all who look to *Christ as all and above all*; and who are constrained by his love to work together, though now they see not eye to eye in minor things, to promote his glory. All such persons are invited to join it; and by becoming contributors to its support are constituted members of it.

The power by which this association proposes to act for the accomplishment of its object, is simply that of the written word of God, in direct dependence on the Holy Spirit's almighty co-operation.

The agency by which it will apply this power is that of simple men of God of humble grade; qualified by personal experience of the preciousness of "the truth as it is in Jesus", to make the same known in the houses of the poor.

The affairs of the Mission are managed by the annexed Committee, of whom 16 form the Executive Committee.

Out of the Executive Committee three Sub-Committees have been established for special purposes: viz.

1. A Sub-Committee of *Agency*—to prosecute inquiries in different parts, far and near, for suitable agents; to conduct preliminary investigations for ascertaining their fitness for presentation as *Candidates* for employment; and to give effect to the arrangements by which their employment will be regulated.

2. A Sub-Committee of *Statistics*—to acquire and digest information concerning the particular circumstances of the various localities; and to transact the business of defining and assigning districts, &c.

3. A Sub-Committee of *Finance*—to adopt and carry forward measures for realizing pecuniary resources, and for controlling the disposal of them, under the direction and responsibility of the whole Executive Committee.

This Institution was established in the year 1808, for the purpose of affording to old, infirm and diseased Natives, assistance in food, clothing, lodging, and Medical attendance. Since that period it has entertained nearly 300 persons daily; and during the famines which devastated the country in 1824 and 1833, it was the means of saving vast numbers from starvation and death. Throughout the famine of the latter year no less than 30,000 individuals were on an average maintained every day. Wretchedness under every variety of form is here admitted; and the bare existence of wretchedness alone is sufficient to obtain immediate relief.

The object of this Fund is to afford relief to the Widows and Orphans of persons not in the covenanted service of Government, and others, who have no similar institution to look to for making a provision for their families. It consists of two branches, namely, a Widows' branch and a Children's branch. The benefits of the former are secured by the payment of a donation (equal to two years' subscription,) as entrance money, and a monthly subscription, for which the

widow will enjoy a pension equal to six times the rate of subscription. In the Children's branch, a monthly subscription on account of each child, will secure a pension equal to four times the amount of that subscription, until a specified age. The capital of the fund exceeds two lacs and sixty thousand Rupees, invested in Government Securities: it has about 360 Subscribers in its connexion, and its present liabilities do not exceed 10,500 Rupees per annum, whilst its income is equal to 45,000 Rupees per annum.

II. In the several cases in which a Court Martial is by the said Act authorized to award the punishment of death, and also in grave cases of embezzlement against the 8th and 24th Articles of the said Act, and also in the case of grave offences against the 20th and 21st of the said Articles, a Court Martial may, if it shall adjudge the same to be proper, award sentence of transportation for life or for a term of years.

III. In all cases where a capital punishment shall have been awarded by a Court Martial, it shall be lawful for the Governor General in Council, (if he shall think the circumstances of the case make it proper so to do), to order the offender to be transported for life, or for a certain term of years.

IV. In cases where any sentence of transportation shall be passed under the provisions of the said Act, or of this Act, or any sentence of death be commuted to transportation, the offender shall be conveyed to or left at some one of the Presidencies of India, and shall be liable to be dealt with, as in the case of other offenders sentenced to transportation, and shall be subject to all such orders for carrying the sentence into execution as shall in that behalf be given by the Governor General in Council, or if the offender shall be at the Presidency of Fort St. George, or the Presidency of Bombay, then by the Governor in Council of such Presidency ; subject, however, in the last mentioned case, to any orders made by the Governor General in Council, in case any such orders shall have been so made.

V. The Governor General of India in Council, and the Governors in Council of Madras and Bombay respectively, shall have full power and authority from time to time, as there shall be occasion, to direct any superior Officer, Captain, or Commander of the Indian Navy, who shall be in any Port of the East Indies, to hold Courts Martial in any such Port as shall be found most expedient and for the good of the East India Company's Service ; and such superior Officer, Captain, or Commander shall preside at such Court Martial.

VI. And for removing the doubts which have been entertained as to the effect and intention of the 9th Section of the said Act No. XII. of 1844, in relation to the Officers of whom Courts Martial, to be held or appointed under that Act, shall be composed, it is declared and enacted, that any Officers of the Indian Navy, ordered by Government or the Superintendent of the Indian Navy to be present at any Court Martial, for the purpose of serving thereat if required, shall be eligible to act on any Court Martial, although such Officers may not be commissioned to any Ship or Vessel.

VII. If on any occasion there shall not be present a sufficient number of Superior Officers, Captains, Commanders, and Lieutenants of the Indian Navy to form a Court Martial, for the purposes of the said Act or of this Act, the required number of Officers may, with the sanction of the Government, or Officer by whose authority the Court Martial shall have been convened, be made up or completed by any Officer or Officers in the Military Service of the East India Company then being Commissioned and in Pay, and of the Rank either of Major or Captain, who may be present, and may be ordered, or be ready, to afford his or their services on such Court Martial ; and, for default of such or of a sufficient number of such, then the deficiency may be supplied by any Officer or Officers of Her Majesty's Naval Service of sufficient Rank, according to the said Act, who may be present, and may be ready to afford his or their services on such Court Martial ; and the proceedings of a Court Martial so constituted shall be valid and effectual.

VIII. The Clauses and Provisions of the said Act No. XII. of 1844, for regulating the places to which and persons to whom the same is to extend, and also the other Clauses and Provisions thereof shall apply to this Act, and the two Acts shall be construed together as one Act, and the same effect shall be given thereto, and to the several Articles and Provisions thereof respectively as if the Articles and Provisions contained in this Act had been originally contained in the said Act No. XII. of 1844, and had formed part of the Articles and Provisions of that Act.

ACT No. I. of 1849.—*Passed on the 27th January 1849.*

An Act to provide more effectually for the punishment of offences committed in Foreign States.

Whereas divers Regulations of the Bengal, Madras and Bombay Codes have been made from time to time for the trial of Native Subjects of the British Government, committing criminal offences beyond the limits of the British Pro-

vinces, and it is expedient to make the same more effectual and uniform, and to extend the application thereof, It is enacted as follows :

I. The undermentioned Regulations and parts of Regulations are rescinded, that is to say :

Regulation V. of 1809, Regulation VIII. of 1813, Section VI. of Regulation I. and the whole of Regulation IX. of 1822, and Regulation VIII. of 1829, of the Bengal Code ; Regulation II. of 1829, and Regulation XII. of 1832, of the Madras Code ; Section IV. of Regulation XI. of 1827, of the Bombay Code ; except so far as any of them rescinds any former Regulation.

II. All Subjects of the British Government, and also all persons in the Civil or Military Service of the said Government, while actually in such service, and for six months afterwards, and also all persons who shall have dwelt for six months within the British Territories under the Government of the East India Company, subject to the laws of the said Territories, who shall be apprehended within the said Territories, or delivered into the custody of a Magistrate within the said Territories, wherever apprehended, shall be amenable to the law for all offences committed by them within the Territory of any Foreign Prince or State ; and may be bailed or committed for trial as hereafter provided, on the like evidence as would warrant their being held to bail or committed for the same offence, if it had been committed within the British Territories.

III. The Committing Magistrate, immediately, and before the trial, shall report every such case to the Government, and shall obey the orders which he shall receive thereon.

IV. The Government may order the trial to be had before one of the established Courts of Criminal Judicature, which would be competent to try the person charged for the offence, if it had been committed within the British Territories.

V. When the offence is charged to have been committed in the Territory of any Foreign Prince or State, administered by Officers acting under the authority of the East India Company, in which Territory a Court, competent to try the person charged for the offence, is established by authority of the Governor General of India in Council, the Government may order such person to be conveyed in custody, out of the British Territories, for the purpose of delivering him up for trial before such Court.

VI. When the person charged is committed, the form of the warrant shall specify the commitment to be until the orders of Government can be received and acted on ; when he is bailed, the form of the bail-bond shall be, in the first instance, to appear before the Magistrate on a certain day assigned, allowing reasonable time for receipt of the orders of Government, and on such subsequent days as the Magistrate from time to time shall require, and if Government shall order the persons charged to be tried within the Presidency, the Magistrate may cause the bail-bond to be renewed in the usual form, to appear and take his trial at the Court appointed for the purpose.

VII. In either case, the special order of the Government shall be deemed full authority, either for the trial and punishment of the person charged within the British Territories, or for conveying him in custody, out of the British Territories as aforesaid.

VIII. The word 'Government' as used in the third and following Sections of this Act, means the Governor or Governor in Council or other person or person having Supreme executive authority in the Presidency or Place to which the committing Magistrate belongs.

IX. The authority herein-before given to the Government may be also exercised by any Commissioner or other person acting in the Civil Service of the East India Company, to whom the Governor General in Council shall have delegated authority to receive reports and give orders in cases within this Act.

ACT No. II. of 1849.—*Passed on the 27th January 1849.*

To abolish the practice of branding and exposing Convicts.

Whereas it is thought fit to abolish wholly the practice of branding and publicly exposing Convicts throughout the Territories under the Government of the East India Company, It is enacted as follows :

I. Section XI. Regulation IV. 1797, Section XXXV. Regulation VII. 1803, and Clauses Second, Third and Fourth, Section XII. Regulation XVII. 1817, of the Bengal Code, Section XXXV. Regulation VII. 1802, of the Madras Code, and so much of Clause First, Section III. Regulation II. of 1807, and of Sections IX. and X. Regulation XVII. of 1817, of the Bengal Code, so much of Section III. Regulation VI. of 1811, and Sections V. VI. Regulation II. of 1822, of the Madras Code, and all other Regulations or parts of Regulations, in force, directing that any convicted offenders shall have any indelible mark made upon their foreheads, or on any part of their persons, or authorizing any sentence of public exposure, commonly called Tusheer, and so much of Chapter II. Regulation XIV. of 1827, of the Bombay Code, as authorizes any sentence of public disgrace, are rescinded.

II. After the passing of this Act it shall not be lawful for any Court or Magistrate within the Territories under the Government of the East India Company, to order that any brand or indelible mark of any kind be made, or renewed on any part of the person of any convicted offender, or to sentence any offender to be publicly exposed by Tusheer, or to any other degrading exposure.

ACT No. III. of 1849.—*Passed on the 10th February 1849.*

An Act to confirm an Agreement between certain Shareholders and Creditors of the Union Bank of Calcutta.

(Inapplicable to Madras.)

ACT No. IV. of 1849.—*Passed on the 10th February 1849.*

An Act for the Safe Custody of Criminal Lunatics.

Whereas it is expedient to declare what unsoundness of mind excuses the commission of criminal acts, and to provide for the safe custody of persons found to have committed such acts, but acquitted by reason of unsoundness of mind, It is enacted as follows :

I. No person, who does an act which, if done by a person of sound mind, is an offence, shall be acquitted of such offence for unsoundness of mind, unless the Court or Jury, as the case may be, in which according to the constitution of the Court, the power of conviction or acquittal is vested, shall find that, by reason of unsoundness of mind, not wilfully caused by himself, he was unconscious and incapable of knowing, at the time of doing the said act, that he was doing an act forbidden by the Law of the land.

II. Whenever a person charged with any offence shall be acquitted, because he is within the exception made by the foregoing Section, the Court or Jury shall give a special judgment or verdict, that he did the act charged against him, being then of unsound mind, so as to excuse him according to law.

III. Whenever such special judgment or verdict, as aforesaid, shall have been given against any person, the Court, before which the trial was had, shall order him to be kept in safe custody, in such place and manner as to the Court shall seem fit, until the pleasure of the Government can be known thereon : and thereupon the Government may order such person to be kept in strict custody, for such time and in such manner as to the Government shall seem fit.

IV. In all cases in which, before the passing of this Act, any person has been acquitted of any offence, on the ground of insanity, lunacy, idiocy, or unsoundness of mind, such person may be kept in the same strict custody in which persons may be kept, who shall be hereafter acquitted, for unsoundness of mind.

V. No person, against whom any such special judgment or verdict shall have been given, shall be entitled to be discharged out of custody, on being restored to soundness of mind, unless by order and at the discretion of Government.

VI. Whenever it shall appear to the Government that any person, imprisoned by the sentence of any Court, is of unsound mind, the Government, by a warrant which shall set forth the grounds of belief that such prisoner is of unsound mind, may order the removal of such prisoner to a Lunatic Asylum, or other fit place of safe custody, there to be kept and treated as the Government shall order; and when it shall appear to the Government that such prisoner has become of sound mind, the Government, by a warrant directed to the person having charge of him, shall remand such prisoner to the prison from which he was removed, if then still liable to be kept in custody, or if not, shall order him to be discharged out of custody.

VII. The word 'Government' in this Act shall be taken to mean the Governor, or Governor in Council, or other person or persons administering the Government of the Presidency or place where the trial is had.

ACT No. V. OF 1849.—*Passed on the 3d March 1849.*

An Act for better defining the Duties of Customs and Excise.

Whereas under the Regulations in force for taking a duty of twenty Spanish Dollars for each and every Leaguer of Arrack or Asiatic Rum imported into and intended for consumption within Prince of Wales' Island, Singapore and Malacca, doubts have arisen whether any duty may be taken on importation of a quantity less than a Leaguer, and it is expedient that such doubts be removed, and that the meaning of all such or the like expressions in any Regulation or Act for the levy of Customs or Excise Duties within the territories under the Government of the East India Company be plainly declared, It is declared and enacted as follows:

I. Whenever by any Regulation or Act now or hereafter to be in force, not containing any direction to the contrary, a certain duty of Customs or Excise, or in the nature thereof, is leviable on any given quantity, by weight, measure or value, of any goods or merchandise, a like duty is leviable according to the same rate on any greater or less quantity.

ACT No. VI. OF 1849.—*Passed on the 17th March 1849.*

I. Regulation XII. 1814 of the Bengal Code, and Act XXXI. 1845, are repealed.

II. The reduced pay or pension, however called, of any Invalid Officer, Soldier, Sailor or Retainer of the Army or Navy, in the Military or Naval Service of the East India Company, and also any monthly or yearly pension, or pecuniary allowance to any person, in consideration of past services and present infirmities or old age, granted by authority of the Governor General in Council, or of the Governor or Governor in Council, or Lieutenant Governor, of any Presidency or Place within the territories under the Government of the East India

Company; and also the pension of any Out-Pensioner of Chelsea or Greenwich Hospital, granted by authority of the Commissioners of Chelsea or Greenwich Hospital respectively, and also all money due, or to become due on account of any such pension or allowance, shall be exempt from seizure, attachment or sequestration by process of any Court within the said territories, at the instance of a creditor, for any demand against the Pensioner, or in satisfaction of a decree or order of any such Court.

III. All assignments, agreements, orders, sales and securities of every kind made by any such Pensioner, in respect of any money not payable at or before the making thereof, on account of any such pension, or for giving or assigning any future interest therein, are null and void.

IV. This Act shall not apply to any process of any Court established by Royal Charter, issued out of such Court before the passing of this Act, or to any assignment, agreement, order, sale or security by any such Pensioner, made before the passing of this Act in respect of a Chelsea or Greenwich pension, or a pension or allowance granted in the Presidency of Madras, or before the 27th December 1845, in respect of a pension or allowance granted in the Presidency of Bombay, or before the 27th May 1814, in respect of a pension or allowance granted in the Presidency of Bengal.

Whereas it is expedient to apply the provisions of the Acts No. XXI. 1839, and No. III. 1842, to the Town of Madras, It is enacted as follows:

I. All powers given by Act No. XXI. 1839, or Act No. III. 1842, to any Justice of the Peace for the Town of Calcutta, for the trial and punishment of certain simple Larcenies and other Felonies within the Town of Calcutta, and of assaults on board of Merchant Ships in the River Hooghly, may be exercised by any Justice of the Peace, appointed to be a Police Magistrate for the Town of Madras, for the trial and punishment of the like Larcenies and Felonies within the Town of Madras, and the like assaults on board of any Merchant Ship in the Madras Roads.

II. In execution of the powers of the said Acts by any Police Magistrate for the Town of Madras, the said Acts shall be read as if the Town of Madras, and Supreme Court of Judicature at Madras, were severally mentioned therein instead of the Town of Calcutta, and Supreme Court of Justice at Calcutta; and as if the Madras Roads were mentioned therein instead of the River Hooghly or the mouths thereof.

Whereas it is expedient that the Governor of Fort St. George in Council should be empowered to depute a Member of the Board of Revenue to perform in any of the Districts of that Presidency all or any of the duties which, by the General Regulations and Laws of the Presidency, belong to the Board of Revenue collectively, It is enacted as follows:

2. Loans requiring two years for repayment are granted to the same classes, and under the same condition, with three sureties, and loans requiring three years with four sureties.
3. In the two last cases, where it may not be convenient to give more than two sureties, the loan must be further protected by a life insurance; but on application to that effect through the sureties, they consenting to the same, the Committee will be prepared to allow the discontinuance of the policy on a loan of the two year class, after the expiration of the first year, and on a loan of the three year class after two years have expired. But where the borrower is on Foreign or Field Service, the loan must always be covered by a life insurance.
4. The Mortgage of real property in the Hill Stations and larger Military Cantonments will, if insured against fire when the Committee see fit, be taken in place of life assurance, provided that the property be officially registered in the Station books as belonging to the Bank, and that the amount advanced thereon be regulated by previous official report as to its true value, and never exceed two-thirds of such valuation.

7. Loans are granted on the Security of Government Paper, and of Calcutta, Madras and Bombay Bank Stock, where the parties borrowing will give the Agency a power to sell the notes or shares forming such security, if, on one month's notice of intention to close the account, the Loan shall not then be repaid in full.
8. Interest on loans is charged from the date on which the amount is placed as a floating balance at the disposal of the borrowers, according to notice given, and is allowed, at the same rate, upon all remittances from the date of their realization.
9. Constituents of the Service when writing to the Agency are requested to add their rank, or official designation, to obviate the delay of reference.
10. All accounts with the Agency are brought up periodically to the 30th of June and 31st December, and interest thereon is credited or debited to those dates half-yearly.
11. Parties already indebted to the Bank cannot have a second loan, so as to have two accounts with different sureties and different terms of payment open at the same time, but the balance due on the former account must be deducted from the new loan.
12. When a debtor dies, the balance, after discharging his own debt in full of any Policy of assurance upon his life, will, at the discretion of the Directors, be detained as security for the payment of the balance of any account for which he may be responsible as a surety.
13. Where parties may find difficulty in effecting their remittances to Madras, Drafts on Agra, Calcutta or Bombay will be received in repayment of loans at the exchange of the day.
14. It is a condition of every loan that the party borrowing shall be subject to the general rules of the Bank, in respect of such transactions.
15. The Committee give a preference to applications for loans repayable within a short date.

The Right Honorable the Governor in Council directs that the following Rules of a Savings' Bank, established in Madras under the guarantee and responsibility of Government, be published for general information.

1st. The Bank to be denominated "the Government Savings' Bank."

2d. All classes, British and Native, may invest their savings in the Government Savings' Bank.

3d. The return of the exact sum deposited, together with the interest due thereon at the undermentioned rate, is secured to the Depositor under guarantee of the Government.

4th. The general direction and control of the Bank shall be vested in a Committee of Management, to be nominated by the Governor in Council. The Committee shall meet at such stated periods as may be necessary for the due and efficient control of the proceedings of the Bank.

5th. The Government Agents are charged with the immediate superintendence and execution of all details connected with the Bank. They will be also, ex-officio Members of the Committee of Management. The Sub-Treasurer, as one of the Government Agents, will be ex-officio Secretary to the Bank.

6th. A Register of Deposits will be kept, and generally such other accounts as may be determined on and approved of by the Managing Committee.

7th. Any sum not less than one Rupee will be received in deposit.

8th. Whenever any sum deposited by one individual shall amount to 500 Company's Rupees, the same will be transferred from the Bank deposit in the General Treasury, and subscribed on account of the Depositor to the *five per cent. Bengal Government Loan of the 31st March 1841*, until further notice, unless an intimation of its withdrawal, or the withdrawal of a portion of it, be given by the Depositor within one month after it has reached that amount; and all Government Securities shall be handed over to the Government Agency at the expiration of 3 months (subject to all the Rules which obtain in that Department) unless counter instructions be immediately received from the Proprietors.

9th. Interest at 4 per cent. per annum will be allowed on deposits until further notice.

10th. The interest will be calculated on a deposit from the 1st day of the month succeeding that in which it shall be received, and up to the last day of the month preceding that in which it shall be withdrawn. No interest will be

allowed for broken periods of a month, nor calculated on fractional parts of a Rupee.

11th. The Government reserves to itself the power of lowering or raising the rate of interest, such alteration not to affect deposits above 500 *Company's* Rupees previously invested in Public Securities, and due notice to be given in the Fort St. George Gazette of the intention of Government six months before the alteration shall take effect.

12th. All deposits will be regularly entered in a book at the time they are made, and the Depositor of the deposit made at the Presidency will be furnished with a small book having a duplicate of the entry. This book is to be brought to the Bank whenever any sum is deposited or withdrawn. The account thus kept will be closed on the 30th April of every year, and the balance of interest due at that period will be paid to the Depositor, or carried to account, thenceforward to accumulate at compound yearly interest, until it shall amount to 500 *Company's* Rupees, when the same will be transferred from the account of the Bank, and subscribed on account of the Depositor to the Bengal Government five per cent. Loan, as per Rule VIII., unless notice of withdrawal be given within one month as above, or unless the rate of interest be altered as provided for in Rule XI.

13th. *No person or persons to deposit money for the benefit of any other person or persons, except Parents on behalf of, and on account of their Children being minors. If such deposits are made in the Children's names, they cannot be withdrawn without an authority from the Children,—no trust will be allowed to appear on any deposit. Provided however, that this Rule shall not be construed to prohibit Individuals resident out of Madras, or females, who according to the manners and customs of the country do not usually make their appearance in public, from making their deposits in their own names, by the hands of other persons as Agents on their behalf.*

14th. No sum deposited to be transferable, excepting on the personal application of the depositor, supported by written sanction. When peculiar circumstances render a deviation from this Rule necessary, the case shall be submitted to the Committee of Management for their sanction.

15th. No person will be allowed to deposit any money without making known his or her name, together with his or her profession, business, occupation, calling, and residence. A duplicate of this description will be entered in each Depositor's book, to be produced whenever any sum is afterwards deposited or withdrawn.

16th. Depositors will be at liberty at any time to withdraw any sums or portions of sums deposited by them, receiving interest calculated up to the end of the month preceding that in which the withdrawal is made.

17th. As a general rule, deposits, with the interest due thereon, will be repaid to the Depositors personally in all practicable cases. In the cases of individuals unable to attend in person, the Secretary will exercise his discretion in regard to repayments of deposits to responsible persons duly authorized by such absentees to receive the same.

18th. Military Officers and Soldiers, European and Native, will be allowed to invest their savings in the Government Savings' Bank, through the Paymasters of Corps or Divisions; and Officers and Servants of the Civil Establishments, European and Native, through the Residents, Collectors, and other Officers in charge of Public Treasuries, or who are competent to sign Pay Abstracts of Civil Establishments; and Residents, Collectors, Paymasters, and other Officers in charge of Public Treasuries, are hereby authorized to receive Subscription to the Bank, or to deduct monthly from their Abstracts such sums as the parties within their circle of payment may be desirous of depositing, not being less than one rupee, nor more than 500 *Company's* rupees.

of deposits by parties subscribing through Residents, Collectors, Paymasters, and other Officers in charge of Public Treasuries, will be carried into effect under instructions which will be furnished to them by the Accountant General.*

20th. In case of the death of a Depositor, the sum at his credit will be paid to his or her Executors or Assigns; or in case of no will, according to the law on this head, or the Regulations of the Service if the deceased be Military.

Madras and Furruckabad Rupees.

Fort St. George, March 24, 1843.

1st. It is hereby notified that Madras Rupees, i. e. Rupees of the Madras Mint previous to the Coinage of 1835, and the different sorts of the Furruckabad Rupee will be received at the Madras Mint at their par value for Company's Rupees without deduction for seignorage, provided they have not lost by fair wear more than the regulated limit of lightness, viz. one and half per cent; and light Madras or Furruckabad Rupees which may have fallen in weight below that limit, will also be received at the Madras Mint without charge for seignorage according to their Bullion weight.

2. The above principle will also be observed in receiving the Madras and Furruckabad Rupees in payment of public demands at the Treasuries of the Collectors, &c. in the Districts under this Presidency, and in receiving the Madras Rupees at the General Treasury.

By order of the Most Honorable the Governor in Council.

J. F. THOMAS, Acting Chief Secretary.

GOVERNMENT LOANS.

NEW 5 PER CENT. TRANSFER REMITTABLE LOAN.

Not payable before 22d April 1854. Opened 13th October 1834. Notes to be dated 31st December 1834.

GOVERNMENT ARRANGEMENTS REGARDING 6 PER CENT. REMITTABLE PAPER.

Fort William, Financial Department, 13th October 1834.

1. Notice is hereby given, that the Sub-Treasurers of Fort William, Fort St. George, and Bombay, are severally authorized to receive from and after the 15th of this month, any of the Six per Cent. Promissory Notes of this Government bearing date the 30th June 1822, that may be tendered for transfer into a new Loan to be opened under the conditions hereinafter stated, and to grant in exchange thereof Certificates or Acknowledgments, entitling the Proprietors, or their Representatives, to receive Promissory Notes of the Supreme Government in the form and manner specified below.

2. A Bonus or Premium of 5 per Cent. will be granted on all transfers made under this Advertisement: that is to say, for every Note surrendered for transfer, a new Note will be issued for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Note so issued in exchange will bear interest at the rate of 5 per cent. per annum from the 31st December next ensuing, which will be its date. The interest will be paid half-yearly, on the 30th of June and 31st of December of each year, in the manner hereinunder provided.

3. Transfers into this Loan will be received until the 15th of February next, and not after that date; and the Proprietors of Notes that may be surrendered for transfer shall receive interest thereon up to 31st December next, at the rate of 6 per Cent. in the same manner as if the Notes had not been surrendered, and with a like privilege to Proprietors resident in Europe to receive the said interest in cash, or by bills at one year's date, and at the exchange of 2s. 1d. for the Sicca Rupee. From and after the said 31st December next, interest will be paid as may be stipulated in the new Notes to be given in exchange, and all demand on account of the Note surrendered shall cease.

4. The Notes of the 6 per Cent. Loan of the 30th June 1822 that were advertised for payment on the 9th May last, viz. No. 1 to 837, will be received for transfer in like manner with those now or hereafter advertised, and whether tendered before or after the 31st December next, the calculation and adjustment of interest shall be the same; that is to say, at the rate of 6 per Cent. on the principal sum of the Note to the 31st December next, and from that date at five per Cent. on the principal sum of the new Note given in exchange, as will be stipulated therein.

5. Promissory Notes of the new Five per Cent. Transfer Loan opened by this Advertisement, will be registered and numbered in the order of the applications made for Promissory Notes in exchange for the Sub-Treasurer's Certificates: that is to say, in the order in which the Notice thereof may be received in the Office of the Accountant General at Calcutta. The accounts of this Loan will be closed on the 15th February next; and whenever it shall be paid off as provided below, if the whole Loan be not at once advertised for payment, but only part thereof, the numbers selected for first payment shall be those last on the register.

6. For the convenience of Proprietors of Notes of the 5 per Cent. Transfer Loan who may be resident in Europe, the Honorable the Court of Directors have made arrangements, whereof they have given public notice in England, to provide that Notes of this Loan shall, at the option of such Proprietors, be registered in the Auditor's Office at the East India House in London, so as to allow of their being sold in England without previous reference, and the employment of Agents to effect the transfer in India. When Notes may be so registered at

the India House the interest payable thereon will be issued in England only at the periods when the Bills for the same would become due, supposing the interest payable in India by the terms of the Notes to have been taken in Bills.

7. It is hereby declared and stipulated, that no part of the Transfer 5 per Cent. Loan opened by this Advertisement, shall be paid off before the 22d April 1854; and whenever it shall be redeemed, a previous notice of fifteen months shall be given by public Advertisement, the period of which shall expire on some date subsequent to that above stated, and not prior thereto. When payment shall be made of the whole or of any part of the Notes of this Loan, it shall be at the option of Proprietors to receive the principal sums due on their Notes respectively, either in cash at the General Treasury at Calcutta, or in Bills to be drawn in India on the Honorable the Court of Directors of the East India Company, payable at 12 months date, and at an exchange of 2s. 1d. for the Sicca Rupee, the Court of Directors having the option when the Bills shall fall due, of postponing payment thereof for one, two or three years, paying interest at the rate of 5 per cent. per annum for the period of such postponement. The notice of payment duly advertised as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that date.

8. The interest of the Promissory Notes of the 5 per cent. Transfer Loan will be paid in cash to Proprietors resident in India; but Proprietors resident in Europe may take the interest at their option in Cash, or in Bills of one year's date to be drawn on the Honorable Court of Directors, at the exchange of 2s. 1d. (Two Shillings one Penny), for the Sicca Rupee.

9. Proprietors residing within the Presidencies of Fort St. George and Bombay, shall be entitled to receive interest at the exchange of one hundred and six and a half Madras and Bombay Rupees for one hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively; but before the interest of any Note shall become payable at either of those Presidencies, notice shall be given to the Accountant General of the Bengal Presidency, and the Notes shall be brought or transmitted to that Officer, that the order for such payment may be inscribed on the face of the Note, after which the interest shall be payable only at the Treasury mentioned in the order; but if it be desired to change the Treasury of payment, application may be made to the Accountant General of the Presidency where it may be payable, and the order may by him be cancelled.

10. The Accountant General of Bengal may, on the application of Proprietors, and for their convenience, make the Interest on Notes of this Loan payable at any other Treasuries of issue under this Presidency by a similar order: but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

11. Notes of this Loan may be consolidated and divided in the usual manner; but if consolidated, they shall be so on the highest number.

12. The Certificates to be granted by the Sub-Treasurers of Bengal, Madras and Bombay, upon surrender of Notes of the 6 per cent. Loan of the 30th June 1822 for transfer into the 5 per cent. Transfer Loan, shall be in the following form:

Published by order of the Honorable the Vice President in Council.

H. T. PRINSEP,

Secretary to Government.

By an Order in the Financial Department of 17th June 1835, an option is given to holders of 6 per Cent. Paper, and of 5 per Cent. Transfer Notes, to transfer on the same conditions as the above into a Book Debt Loan: the following is the Order.

Fort William; Financial Department, 17th June 1835.

Notice is hereby given, that the Honorable the Court of Directors having, in an Advertisement, dated East India House, the 17th of September 1834, notified to Proprietors of Bengal six per Cent. Remittable Paper, resident in Europe, who had made known, or might make known, before the 1st of December following, at the Auditor's office, in the India House, their wish to transfer their Notes of that Loan into the New five per Cent. Transfer Loan, under the conditions specified in the Court's Advertisement of the 14th May 1834, that the pro-

erty in the new Loan would be held in the form of Stock, instead of Promissory Notes; that Stock Receipts would be granted in Bengal to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred; and that the new stock would be transferable at the place of registry, in books to be kept for that purpose in London and in India;—in pursuance of that notification and the orders of the Honorable Court, the Sub-Treasurer at Fort William is authorized to receive any of the six per cent. Promissory Notes of this Government, bearing date the 30th June 1822, that may be tendered for transfer into the New five per cent. Loan, in fulfilment of the intention of the Proprietors signified at the India House, under the advertisement of the 17th September last, and to grant Stock Receipts to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred.

2. A Bonus or premium of 5 per cent. will be granted on all transfers made under this Advertisement; that is to say, for every Note surrendered for transfer, a Stock Receipt will be granted for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Stock Receipt will bear interest at the rate of five per cent. per annum, payable, if the Proprietors are resident in India, in cash at the place of registry, and if resident in Europe, at their option, either in Cash in India, or by Bills on the Court at 12 months' date, at 2s. 1d. the Sicca Rupee.

3. The transfers under this Advertisement will take effect only at the period when the Notes to be transferred shall fall to be discharged, according to the Notices published from the Financial Department under the dates respectively of the 9th May and 13th October 1834.

4. The property of the New Loan here advertised is to be transferable only in books to be kept in Bengal, at Madras, at Bombay, and in London, and not by endorsement of Stock Receipts, on the face of which it is to be declared that they are not transferable. Proprietors of Stock Receipts will be entitled to the option of transferring from the books of Bengal to those of either Madras, Bombay, or London. Having availed themselves of that option, the property cannot again be registered in Bengal, or at either of the other places, unless upon transfer effected at the place at which they may have chosen to register it.

5. After transfer has been made to London, the interest payable on the Stock so transferred will be issued in England, at the same periods as when the bills would have become due, had the remittance of interest been previously received by bills under the option allowed in the second article of the present Notice.

6. It is hereby declared and stipulated, that no part of the Transfer Five per Cent. Loan opened by this Advertisement shall be paid off before the 22d of April 1854, and whenever it shall be redeemed, a previous Notice of fifteen months shall be given by public Advertisement, which notice may be issued at any time after the 21st January 1853. Payment shall then be made, at the option of the Creditors, either in Cash in India, or by Bills upon the Court at twelve months' date, and at 2s. 1d. the Sicca Rupee; with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing Interest at Five per Cent. per annum for the period of postponement. The Notice of payment duly advertised, as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that day.

7. Proprietors who shall transfer to the Books of Madras and Bombay, will be entitled to receive interest at the exchange of One Hundred and Six and a half Madras or Bombay Rupees, for One Hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively.

8. The Accountant General of the Supreme Government may, on the application of Proprietors of Stock registered in the Books of Bengal, and for their convenience, make the Interest of such Stock payable at any other Treasuries of Issue under the Bengal or Agra Presidencies; but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

9. Stock of the Five per Cent. Transfer Loan opened by this Advertisement may be consolidated and divided, at the pleasure of the Proprietors, in the Books in which it is registered.

10. Proprietors of Six per Cent. Remittable Paper who may transfer into the Five per Cent. Loan now advertised, shall not be subjected on this operation to the fees prescribed in the Regulations for the Government Agency.

11. Proprietors of the Five per Cent. Transfer Notes issued under the Advertisement of this Department, bearing date 13th of October last, or their authorized Agents, will be permitted to transfer their property into the Book Debt Loan. For this purpose a period of four months will be allowed to the holders of Five per Cent. Promissory Notes, or their Agents, and it is hereby notified, that during the same period fresh Transfers will be allowed to the Book Debt by holders of Six per Cent. Remittable Paper.

12. Forms of Stock Receipts will be published in a future notice.

Published by order of the Honorable the Governor General of India in Council.

G. A. BUSHBY, Secy. to Government.

NOTIFICATION.

FORT WILLIAM, *Financial Department, the 29th April 1848.*

1. In compliance with instructions received from the Hon'ble the Court of Directors, the Right Hon'ble the Governor General in Council is pleased to direct that the following Regulations for conducting the Government Agency business at the several Presidencies, be published for general information.

2. The Governor General in Council has been pleased to authorize the Government Agent at Fort William, and the Accountants General and the Sub-Treasurers at Fort St. George and at Bombay for the time being, to act under the responsibility of the Hon'ble East India Company, as Agents for the purposes hereinafter mentioned of the public Creditors of Government, whether residing in Europe or elsewhere. The Government Agent at Fort William is also authorized to act as Agent, for the purposes hereinafter mentioned, to absent Proprietors of Shares in the Capital Stock of the Bank of Bengal, and the Accountants General and the Sub-Treasurers at Fort St. George and at Bombay are also authorized to act as Agents, for similar purposes, to absent Proprietors of Shares in the Capital Stock respectively of the Bank of Madras and of the Bank of Bombay.

3. The Officers abovementioned are authorized to receive charge of, and to grant receipts in duplicate for, any obligations or Loan Acknowledgments of the Government of India, or for Certificates of Shares in the abovementioned Banks at their respective Presidencies which the Proprietor may wish to deposit with them, and the Accountant General and the Sub-Treasurer at Fort St. George are also authorized, on the application of the Proprietor, to receive charge of and to grant receipts in duplicate for Promissory Notes of the Government of Fort St. George issued on account of the Tanjore Debt. No Note or Certificate is to be received in deposit which shall not appear to be made out in the name of or be regularly endorsed to the person depositing it, or on whose account the deposit may be made. Persons desiring to deposit their Government Securities or Bank Share Certificates shall make their applications to the Government Agent at Fort William, or to the Accountant General and Sub-Treasurer at Fort St. George or at Bombay, in the Form hereunto subjoined No. 1, and the receipts of those Officers will be given in the Form No. 2.

4. The Officers abovementioned will receive the interest on any Government Paper, or the dividend on any Bank Share Certificates, which may be deposited with them, and will, according to the instructions of the Proprietor, either remit the amount of such interest to England in Bills to be drawn on the Hon'ble Court of Directors, if the interest shall be payable in such Bills by the terms of the Loan, or they will pay the amount of such interest or dividend at the Presidency, to any person nominated by the Proprietor to receive such payment. The Government Agent at Fort William will also, according to the instructions of the Proprietor, remit the amount of interest on such Government Paper as may be deposited with him to the Presidencies of Fort St. George or Bombay, by Drafts on the Public Treasuries of those Presidencies, or to any of the Stations subordinate to the Presidency of Fort William, by Drafts on the Collectors or on the Residents at Delhi or Lucknow according to the rates of exchange at which Government may draw at the time. The Accountant General and the Sub-Treasurer at Fort St. George will also, according to the instructions of the Proprietor, remit the amount of interest or dividend on such Government Paper or Bank Share Certificates as may be deposited with them to any of the Stations subordinate to the Presidency of

Fort St. George by Drafts on the Collectors, Commissioners or Residents, according to the rates of exchange at which Government may draw at the time. The Accountant General and the Sub-Treasurer at Bombay will also, according to the instructions of the Proprietor, remit the amount of interest on such Government Paper as may be deposited with them by Drafts drawn upon any of the Civil Treasuries subordinate to the Presidency of Bombay, according to the rates of exchange at which Government may draw at the time. The instructions as to the manner in which the interest or dividend is to be paid must be made out according to the Forms hereunto subjoined, Nos. 3, 4 and 5, which are adapted to the several cases above specified, and the Power of Attorney for drawing the dividends on Bank Share Certificates must be made out according to Form No. 6. The Proprietor will be at liberty to substitute one of these modes of receiving the interest or dividend for the other as often as he shall think fit, provided that the fresh instructions be furnished one month before the day on which the interest may fall due. Persons having more Promissory Notes or Bank Share Certificates than one in deposit may, give separate instructions regarding the interest on each Note, or the dividend on each Certificate, but the whole of the interest or dividend on each Note or Certificate must be received in the same manner and at the same time.

5. When the Principal of any Government Paper so deposited shall become payable, the abovementioned Officers will, according to the instructions of the Proprietor, either pay the amount with interest due upon it to such person as may be appointed to receive the payment, or they will reinvest it in any other Loan to which it may be subscribable at the time, or in the purchase of other Obligations or Loan Acknowledgments of the Government of India, or of Shares in the Capital Stock of the Banks abovementioned at their respective Presidencies in the market at the current price of the day. The Accountant General and the Sub-Treasurer at Fort St. George will also, according to the instructions of the Proprietor, re-invest the amount in the purchase of Promissory Notes granted by the Government of Fort St. George on account of the Tanjore Debt. The instructions for these purposes must be made out according to the Forms hereunto subjoined Nos. 7, 8, and 9, which are adapted to the several cases above specified. The Proprietor may at any time substitute one of these modes of disposing of the Principal for the other provided that the fresh instructions be furnished one month before the day on which the principal falls due. Persons having more Notes than one in deposit may give separate instructions regarding each Note, but the whole amount of each Note must be disposed of in the same manner and at the same time.

6. If any Loan be opened by the Government into which the Paper deposited may be receivable, the Officers abovementioned are authorized to subscribe the Paper so deposited to such Loan, upon receiving the instructions of the Proprietor for that purpose, although the Notes may not be in course of payment: instructions for this purpose must be made out according to the Form No. 10.

7. The Officers abovementioned are authorized to receive remittances in Government Bills only from individuals desiring to purchase the Public Securities or Bank Shares for deposit with them, provided such Bills shall be payable at the General Treasury, or Presidency Pay Office at Fort William if remitted to the Government Agent at Fort William, and at the General Treasuries or Government Agent's Offices at Fort St. George and Bombay if remitted to the Accountants General and the Sub-Treasurers at those Presidencies. The Officers abovementioned are authorized to invest the amount of such remittances, according to the instructions of the Proprietor, either by subscribing the amount to any Loan which may be open for the receipt of cash, or by purchase in the market at the current price of the day. Instructions for the purpose shall be made out according to the Forms hereunto subjoined Nos. 11 and 12.

8. The Officers abovementioned are further authorized to invest the amount of interest for dividends due on Paper deposited with them in either of the modes mentioned in the last Clause upon receiving the Proprietor's instructions for that purpose: such instructions must be made out in the Form hereunto subjoined No. 13.

9. The same Officers are further authorized at any time, on receiving proper authority and instructions from the Proprietor for that purpose, to endorse any one or more Promissory Notes or Bank Share Certificates deposited with them as Attorneys of the Owner to such person as he shall direct, or to sell the same on the Owner's account at the current price of the day, and to pay over the proceeds in cash at the General Treasury to such person as the Proprietor may appoint to receive the same, provided that the whole amount of each Note or Bank Share sold shall be payable in one sum and to the same person. They are also authorized, on receiving proper instructions from the Proprietor, to reinvest the proceeds of Paper so sold in the purchase of other Paper. Any fees which may have become due according to the rates hereinafter prescribed upon the Paper required to be endorsed are to be paid before the endorsement is made, or in case of the sale of the Paper the fees shall be deducted from the amount proceeds before it is paid over. The Power of Attorney to endorse or to sell Government Securities must be made out according to the Form No. 14, the direction to endorse according to the Form No. 15, and the direction to sell and dispose of the proceeds according to the Forms Nos. 16 and 17. The Power of Attorney to sell, assign or transfer Bank Shares, must be made out according to the Form No. 18.

10. If Government should at any future period grant a remittance of the principal of any Paper deposited under the terms of this advertisement, the Officers abovementioned will remit the principal upon receiving instructions from the Proprietor to that effect: such instructions must be made out according to the Form No. 19. The Proprietor may at any time withdraw the Government Securities or Bank Share Certificates deposited, or any part of them, from the charge of the abovementioned Officers, and such Securities or Certificates will be delivered up to the Proprietor himself, or to any other person whom he may authorize to receive them, upon payment of such fees as may have become due to the Government Agent or to the Accountant General and Sub-Treasurer according to the rates hereafter specified upon the Paper so required to be delivered up. The authority to receive deposited Paper must be made out according to the Form No. 20.

11. In each of these cases on which the Officers abovementioned are authorized to invest money in the Public Securities or in the purchase of Bank Shares, it is to be understood that they will invest as nearly as possible the whole amount, but that they are in no case and upon no account to exceed it. Such fractional sums as may remain in their hands above the amount invested will be payable on demand at the General Treasury to the order of the Proprietor. Such order is to be made out according to the Form No. 21.

12. The full postage must be paid on all letters directed to the Officers abovementioned, and the full postage on all letters from them will be charged to the persons to whom they are addressed. All letters addressed to them are to be superscribed in the following manner:—

13. The responsibility of the Hon'ble Company is strictly confined to the cases above specified, and to such transactions as shall be conducted according to the prescribed Forms. These Forms will be printed and furnished in blank at the different Presidencies and at the India House to persons desirous of availing themselves of the Agency of the Public Servants, and no other than the Forms so furnished will be received or acted upon by those Officers.

15. Such Fees or Commission as may have become due on any of the abovementioned transactions from any person depositing Paper will be deducted by the Government Agent at Fort William, or the Accountants General and Sub-Treasurers at Fort St. George and Bombay, from the first interest or dividend received by him or them from any Paper in deposit belonging to such person, but if these Officers shall in any instance omit to deduct their Fees or Commission from the interest or dividend coming first to their hands, they shall not be at liberty to make the deduction at any future period.

16. Government reserves to itself the liberty of withdrawing the authority hereby granted to the Government Agent at Fort William and to the Accountants General and the Sub-Treasurers at Fort St. George and Bombay, upon giving two years' notice of their intention so to do in the *Calcutta Gazette*, and at the expiration of such notice those Officers will cease to act in the concerns of individuals, but any Paper which may have been deposited with them will remain for safe custody at the General Treasuries until claimed by the Proprietor.

COMMERCIAL TABLES.

Tables of Money, Weights and Measures.

MONEY.

12 pice, or pies, make 1 anna,
16 annas " 1 rupee,
3½ rupees exchange in account for 1 pagoda.

A lac of Rupees is 100,000 : a crore of Rupees 100 lacs, or 10 millions.
Accounts were formerly kept in Madras in Star Pagodas, Fanams, and Cash, viz.
80 Cash to 1 Fanam ;

42, 44 or 45 Fanams, 1 Star Pagoda.

Government, the Banks, and all the Houses of Agency kept their accounts at 42 Fanams the Star Pagoda : the Shops and Bazars at 44 or 45.

The Star Pagoda exchanged in the Bazar for about 45 Fanams, but it fluctuated according to circumstances.

The coins in circulation were the Star Pagoda, the Arcot Rupee—3½=1 Star Pagoda ;—(it exchanged in the Bazar for 12 Fanams 60 Cash ;) the double and single Fanam, and the Doodie, 8 of which=1 Fanam.

There was also a copper coin sent out from Europe of 20, 10, 5, and 1 Cash value, the latter being worth 8,75ths, or about the 9th part, of a farthing.

The Currency was altered in January 1818, by a Proclamation which constituted the Silver Rupee the standard coin. To this the public accounts were all converted at an exchange of 350 Rupees per 100 Pagodas ; and the new Silver coinage was made to consist of Rupees, Half and Quarter Rupees, Double and Single Annas, the Rupee containing 165 grains of pure silver and 15 grains of alloy, and weighing 180 grains, and the other Coins bearing the due proportion to the same.

The Act of the Legislative Council of India (passed in 1835) assimilating the currency over the Country, changed the design, but left the new coinage of a precisely similar value to that of Madras according to the above Regulation.

WEIGHTS.

3 tolas make 1 pollam, = 1 oz. 3.748½ drs. avoird.
40 pollams, " 1 vis, = 3lbs. 1 oz. 5.942½ drs. avoird.
8 vis " 1 maund, = 24lbs. 10oz. 15.542½ " "
20 maunds " 1 candy, = 500lbs. avoird.

MEASURES.

Grain or Dry Measure.

8 ollucks make 1 measure, or puddy,
8 measures " 1 marcal,
400 marcals " 1 garce, wt. 9256½lbs.

Each parah is to be 2 feet square and 6½ inches deep.

A parah of chunam is 5 marcals.—Milk, Oil, Ghee, &c. are sold by the grain measure, containing 8 ollucks : 20 ollucks are equal to 1 English gallon.

Land Measure.

Land is usually measured with Gunter's chain of 100 Links, or with a rod of 10 feet, and reduced to Cawnies, Grounds and Square feet, agreeably to the following table:

60 feet long and 40 feet broad, make 1 ground or maunie, containing 2,400 square feet.

24 Grounds, or Maunies, make one Cawnie, equal to 57,600 square feet.

The Indian Cawnie is in proportion to the English Acre as 1 to 1,3223, or as 121 is to 160.

To reduce Indian Cawnies to English Acres, multiply the given number of Cawnies by 160, and divide the product by 121, the quotient will give the number of Acres, and the remainder be the fractional part of an acre. Or multiply the Cawnies by 1,3223, and the product, (cutting off 4 places to the right hand) will be the same, and the figures so cut off are the decimal part of an Acre.

Cloth Measure.

The Covid in Cloth Measure is 18 Inches, but the English yard of 36 Inches is generally used.

* Captain Lushington is of the seniority of 1829. He entered the Royal Navy October 1816, and served seven years as Volunteer First Class Midshipman, on the Mediterranean and South American stations in the Tagus, 33, Ganemede, 20, Owen Glendower, 36, and Hinde, 20. He was promoted to the rank of Lieutenant July 1824, and was appointed to the Zebra, 18, Feb. 15, 1825. Served in succession on the Mediterranean station in the Zebra, Cambrian, 40, Asia, 84, and Aetna, bomb vessel, October 1829. During this time he was three and a half years a Lieutenant, first cruising against pirates, and then, as Lieutenant of the Cambrian, was at the battle of Navarin. From the Asia he was promoted into the Aetna about May 1828, and in the course of the eighteen months he was in this vessel, he commanded her at the attack of Morea Castle, under Captain Sir Edmund Lyons, Bart., of the Blonde, who highly commended the zeal and professional talent exhibited by Captain Lushington and his ship's company, which, on this occasion, excited the admiration of all who were witnesses of it. The Aetna was worked up in the night under reefed courses and close-reefed topsails, when she anchored with springs with much precision within 800 yards of the Castle, so that Lieutenant Logan, Royal Marine Artillery, was enabled to throw aboard 100 shells into the Castle. Captain Lushington was recommended by Sir Pultney Malcolm, the Commander-in-Chief, for this Service, and was promoted at the anniversary; and he also received the Order of St. Louis and the Gold Cross Redeemer of Greece. Captain Lushington commanded the Cleopatra, 20, for three years, from June 1839, on the North American and West India station, and was chiefly employed in protecting the fisheries at Newfoundland. He was there during the great fire at St. John's and received a letter of thanks from the Chamber of Commerce and one from the Governor of Newfoundland, for

The following are the Regulations under which private passage and freight are assigned in the Honorable Company's Steamer "Hugh Lindsay," in supersession of those promulgated under date the 5th of September 1846.

2. All applicants for private passage will be registered on payment of one half the charges in advance, and will be thereby entitled to cabins according to priority of registry; and should it occur that there are a greater number of registered applicants than accommodation available, the earnest will of course be returned to all those who cannot be received from this cause.

All payments on this account are to be made in advance to the Commander in cash, by Officers belonging or proceeding to other Presidencies, and all Naval Officers. Civil and Military Officers on the Madras Establishment, who land at ports in the Madras Presidency, or garrisoned by Madras Troops, have the option of paying, in arrears on completion of the voyage, either in cash or by deductions from their next Abstracts, which will be made under the instructions of the Military Auditor General or Civil Auditor, as the case may be, to whom the requisite information is to be furnished by the Marine Board. A passenger who prefers paying in this manner is required to furnish a written intimation to that effect, and a certificate specifying the number of days messed on board and the advance paid to the Commander, who will attach those documents to his bill for table money, which will be payable by the Sub Treasurer or Military Paymaster at the Presidency according to the service to which the passengers may belong, on the countersignature of the Secretary to the Marine Board.

4. All persons unconnected with the Service will be charged according to the appended Scale for private freight and passage, payable in advance; and in the event of a passenger embarking for a port to which the Steamer is not bound direct, such period as may be occupied in the prosecution of the voyage from and back to the point of embarkation, will be charged at the rate laid down for lay-days.

the services rendered on that disastrous occasion. Captain Lushington was appointed to the Retribution, steam frigate, October 1845; and from her was appointed to his present command, the Vengeance, 84. Captain Lushington is an associate of the Society of Civil Engineers, and is now (Nov. 1848) in the 45th year of his age. He is much and deservedly respected for his gentlemanlike bearing towards all classes in the Service.—*Atlas for India.*

The Company's Steamers start from Calcutta (Sandheads) on the 10th of every month, and arrive at Madras about the 13th, except in May, June, and

July, when they start on the 5th and arrive at Madras about the 9th. From Calcutta they call at Madras, Ceylon and Aden, at which last place, they receive the passengers and Mails (brought so far by the H. E. I. Company's Steamers) from Bombay. From Aden they proceed to Suez. On landing at Suez, generally about the 7th of the month, passengers are conveyed through Egypt by the Transit Administration of His Highness the Pacha of Egypt, and on arriving at Alexandria, embark on board the Company's Steamer for England, which conveys them to Southampton, calling at Malta and Gibraltar. There is now no quarantine upon this line of Steamers, and Passengers are allowed to land at once at Southampton.

The rates to Malta and Southampton include the expense of Transit through Egypt, and in all cases they include fees, a handsome table, wines and beer, and use of cabin furniture, bedding and linen, with the exception of hotel expenses. Additional charge will be made for extra accommodation.

General Rules and Conditions relative to the Conveyance of Passengers.

BAGGAGE.—1st Class passengers are allowed, on the Company's Steamers only on either side of the Isthmus, 3 cwt. of personal baggage, free of freight, and Children and Servants 1½ cwt. each. A passenger paying for a whole cabin, will be entitled to take in the Steamers free of freight, one half more baggage than the regulated allowance.

EXTRA BAGGAGE.—The charge for conveyance of extra baggage, should there be room in the vessel, is at the rate of £2 per cwt. between India and Suez, and 1£ per cwt. between England, and Malta, or Alexandria.

Passengers to England will have to pay the Egyptian Transit Administration in Egypt 16s. per cwt. for conveyance of baggage through, should it exceed for 1st Class passengers 2 cwt. each, and Children and Servants 1 cwt. each. For the convenience of stowage, and facility of carriage through Egypt, passengers are strongly recommended to adopt trunks or portmanteaus of the following dimensions, viz.—length 2 feet 3 inches; breadth 1 foot 2 inches; depth 1 foot 2 inches; and to have their names, and the port of debarkation, distinctly painted on each package. No package or baggage should exceed 80lbs. weight, otherwise it may be delayed in Egypt. Passengers taking articles of merchandise in their baggage will incur the risk of seizure by the Customs' authorities in Egypt.

The Company do not hold themselves responsible for detention, damage, or loss of baggage.

The rates of passage include bedding, linen, and the use of Cabin furniture and fittings, provisions, wines, and all other usual necessities and refreshments, which are provided at the Company's expense, together with the attendance of experienced male and female servants.

The cost of the Transit through Egypt is also included in the rates of passage money, and will be defrayed by the Company, with the exception of wines, spirits or hotel expenses—and conveyance of extra baggage.

NOTICE TO PASSENGERS RESPECTING THE CONVEYANCE OF PARCELS.—As the allowance of baggage is on a liberal scale, and the freight on parcels moderate, it is hoped that passengers will not convey in their baggage parcels or packages belonging to other persons, to the prejudice of the Company's interests. Passengers taking parcels in their baggage will incur the risk of seizure by the Customs' authorities, and of detention for freight by the Company's Agents.

All parties concerned are requested to take notice, that the Company will not hold themselves liable for any damage, or loss of luggage, baggage, or passengers' goods or parcels, nor for detention or delay, in the delivery thereof, arising from accident or from extraordinary or unavoidable circumstances; or from circumstances arising out of or connected with the employment of the Vessels in Her Majesty's Mail service.

Notice is hereby given, that on and after the 1st day of January 1844, a Light will be exhibited on the new Light House erected at Madras immediately to the Northward of the Walls of Fort St. George; and that on and after the said 1st day of January 1844, the Light heretofore and now exhibited on the Old Light House within the Walls of Fort Saint George, will be discontinued. The New Light (to be exhibited) will be elevated 128 feet above the mean level of the Sea, and may be seen from the Deck of a Ship at the distance of 20 miles. The Light is of the "Flashing Description" and the duration of the Flashes to that of the Eclipses or Dark periods is in the ratio of 2 to 3,—but as the nature of the Motion is Reciprocating instead of Rotatory, the above ratio merely expresses the average proportion of the Light and Dark intervals, which are themselves variable according to the position of the spectator. The rapidity of movement is so adjusted, that the duration of the Flashes will vary from 0' to 48", and that of the Eclipses from 0' to 72" the sums of the duration of Light and Darkness bearing however, in every position, the constant ratio of 2 to 3. From the South Eastern extremity of the Pulicat Shoal the New Light House bears S. 23° W., and is distant 13 miles; but no Ship or Vessel when hauling in from the Northward for the Madras Roadstead should bring the Light to bear to the Southward of S. 23° W., or S. S. W. ½ W.,—unless her position is well ascertained. Commanders of Vessels are hereby warned of the serious risk they incur by incautiously approaching the dangerous vicinity of the Pulicat Shoal, as hazy weather or other causes may obscure the Light,—true soundings therefore and a vigilant look out are imperatively called for. The limits of the Madras Roadstead (in 8 or 9 fathoms) are comprised within the following bearings, viz. from the Northward the Light House will bear S. 56° W., and from the Southward N. 81° W. or from S. W. b. W. to W. ½ N.

The New Light House at Madras is in Latitude 13° 5' 10" North, and in Longitude 80° 20' East of Greenwich.

Published by order of the Marine Board at Fort St. George.

Public Department, November 8, 1837.

Para. 1. 4. Letters for places on the Continent of Europe; letters directed to any place to which Great Britain does not necessarily form a channel of communication; and letters forwarded via Marseilles, Malta or Alexandria, are subject to Red Sea (Steam) Postage. All such letters must, as heretofore, be prepaid in India, but if endorsed via "Southampton" they may be forwarded "bearing," and if directed to an Agent in England they may be prepaid.

5. No Steam Postage on letters for the United States, nor to British Colonies in America or the West Indies, can be prepaid in India, whether sent by way of Marseilles or via Southampton, unless they are addressed to Agents in Great Britain.

6. The same rule applies equally to letters despatched through Marseilles for places in England, Scotland, Ireland, Wales, and all the British Islands.

7. Letters for places in the United Kingdom, superscribed to the care of any person in Egypt, must be prepaid: at the rate of the regulated Red Sea postage.

8. No Steam Postage is chargeable in India on Newspapers received from and despatched to England, or from one British Indian Port to another. Inland Postage, however, to and from Bombay or Stations in the interior, must be paid.

9. Pamphlets are charged Steam Postage with reference to letter weight: thus a Parcel containing one or more Pamphlets is liable to be charged just as letters are, according to weight.

10. The optional prepayment of Steamer Postage applies to letters sent by the Southampton route to places within the United Kingdom and vice versa, and between British Indian Ports.*

11. All letters posted or received at the General Post Office for transmission to Europe by the Overland Mails, whether direct or via Bombay, will be sent by way of Marseilles unless they are superscribed via "Southampton."

12. The Inland (Indian) Postage is quite distinct from Steam Postage: Inland Postage must be paid in advance by the sender at the Posting Office, on letters forwarded from Out-Stations to Madras or Bombay, or from either one Presidency to the other for transmission by the Steamers.

The word "Paid" therefore should be written only on letters the Steam Postage for which senders intend to Pre-Pay.

13. British Packet Postage will be levied on all Price Currents and Newspapers conveyed between any port of the Madras Presidency and any port in the East Indies, China, &c. by the Contract Steamers from Madras.

14. British Packet Postage will be levied in addition to any Inland Postage at the following rates, viz.:

	S.	D.	Rs.	A.	P.
On every Newspaper addressed to a Foreign Port, such as Manilla, Canton, &c.	0	1	0	0	8
On every Price Current or Printed Commercial List, conveyed to a British Port.	0	1	0	0	8
On the same addressed to a Foreign Port.	0	2	0	1	4

15. Letters and Pamphlets addressed to a Foreign country or possession, such as China, Manilla, &c., must be paid in advance.

16. The postage chargeable on Newspapers and Prices Current or Printed Commercial Lists must in all cases be paid in advance.

17. Each Newspaper, or Price Current, or Commercial List, must be put under a separate cover. The Post Office will not receive two or more enclosed in one cover.

18. No letter exceeding 12 tolas (a fraction under 5 ounces) in weight can be transmitted per Letter Mail, but if forwarded by Government Banghy Post or otherwise to Bombay or Madras it may thence be despatched by the Steamer.

19. Letters and Papers from Out-Stations intended for despatch by the Overland Mail from Madras should be superscribed "Per Steamer via Southampton," or else "Per Steamer via Marseilles." In order to avoid mistakes the name of the country, as well as the name of the town therein, should be marked on the superscription.

* Letters may be sent bearing only to places with which there is direct communication by packets: all others must be pre-paid. See P. M. G.'s Notification, dated 5th August 1847. —COMPILER.

20. Letters posted in Madras for despatch by the Bombay route should be marked "via Bombay."

21. According to the rules of Steam postage the *single letter* is a letter of half an ounce weight; but the Inland postage is reckoned by the tola weight: the quarter tola continues to be weight of a single letter for Inland postage to Bombay.

22. An extra charge of 8 annas for every half tola weight is made on letters sent by the Overland Express from Madras to Bombay. No letter weighing more than one tola weight can be forwarded by the Express. Thus for instance a Prepaid Steamer letter of one tola weight posted in Madras for transmission via Bombay would be charged with postage amounting to Rs. 2 2 a. 0 p. viz.

Ordinary Inland postage.....	0	10	0
Express do. do.	1	0	0
Steam do. do.	0	8	0

Total Rs. 2 2 0

23. In closing Overland letters *wafers* ought always to be used, instead of sealing wax.

24. On the day of closing the Mail for Suez for transmission by the P. and O. Company's Steamers letters will cease to be received at the Receiving Houses at Vepery, Royapettah, Mount Road and Black Town, two hours before the time indicated at the Fort Flag Staff for closing the Mails at the General Post Office; and the public are recommended, if possible, to post their letters at the General Post Office on that day.

25. Much inconvenience having been experienced by applicants who crowd the Office within the latest hour fixed for receiving letters, it is particularly requested that the letters be put in early to prevent disappointment.

26. No Packet or Package will be received at the General and Subordinate Post Offices for transmission by the contract Steamers.

27. Letters from the interior should be despatched, so as to arrive at Madras a day previous to the date mentioned in the Advertisement as the expected time of arrival of the Steamers in these roads.

28. No letter or newspaper will be received at the General Post Office (excepting Government despatches) after the hour indicated at the Fort Flag Staff for closing the Mails.

Amount payable for the employment of a Private Express at the rate of 4 Annas per Mile.

MARS MORPHETT, Deputy Post Master General.

† affixed to any name denotes that there is no Post Office at that Station: letters to it must therefore be sent to the nearest Post Office, which is mentioned under parenthesis.

The average time occupied in the travelling of the Dawk, Banghy, and Express Mails from Madras to the several Post Office Stations throughout India might have been approximately shewn in the Schedule, but as great disparity in the rate of running occurs from causes beyond the control of Runners—such as the state of the weather, rivers, nullahs, the accidents incident to night travelling, and the detention of Mails at a Post Office at a point of junction, or where several Mails from different roads meet together to start at a given hour—it was considered preferable to omit it, rather than embody the same inaccurately in a Schedule that may be relied on as correct in all other particulars, for the information which it affords for the guidance of the Post Office Department and the Public.

PALANKEEN BEARERS' REGULATIONS.

FORT ST. GEORGE, March 3, 1846.

The following revised Rules for the employment of Palankeen Bearers, to have effect from the 15th Instant, are published for general information.

Regulations for Palankeen Bearers employed at Madras and its vicinity.

Para. 1. Palankeen Bearers of all descriptions (9) nine in a set to be paid, exclusive of the Palankeen, at the rate of (3 $\frac{1}{2}$) three Annas and half each per day, or Rupees (6) six for a month, allowing the Head Bearer seven (7.)

2. The daily hire of Palankeen Bearers is (3 $\frac{1}{2}$) three Annas and half each. If employed for four hours or a shorter period, they are only entitled to half hire, but if above four hours, then they are entitled to full hire—their employment in any other manner must be by agreement between them and the party requiring their services.

3. Palankeens duly numbered are stationed at the places specified in Table A, and all persons, hiring a Palankeen and Bearers, will be enabled to ascertain the particular Palankeen and Bearers he may employ, and in the event of any loss of property or misconduct on the part of the Bearers, the number of the Palankeen should be immediately reported, with the matter of complaint, to the Post Master General or his Deputy, or to either of the Police Offices.

4. A set of Bearers, required to go beyond the precincts of Madras or Saint Thomas' Mount, Palaveram, Poonamallee, Red Hills, and Ennore, or any place not exceeding 12 miles, if supplied by the Public Authorities, shall consist of (10) ten, but if required for a greater distance of (12) twelve.

5. Bearers, hired to go beyond the precincts of Madras, to be paid according to the distance, calculating the rate of hire at (3 $\frac{1}{2}$) three Annas and half each, for every 10 English miles.

6. If a person, going beyond the precincts of Madras, remains at a place, he must, for the first day, pay each Bearer (1) one Anna batta. If he remains more than one day, he must pay each Bearer (3 $\frac{1}{2}$) three Annas and a half per day.

Regulations for Posted Bearers.

7. Travellers within the frontier will be furnished with Dawk Bearers, on application to the Post Master General, or his Deputy at the Presidency, between the hours of 10 A. M. and 5 P. M., or at all hours on emergency; and at out stations to the Collector or Assistant Collector, Post Master or other Authority, duly notified in the Fort Saint George Gazette, stating the places at which they will halt, and the number of hours they will remain at each place. The Officer addressed will receive the deposit mentioned in para. 8, or order the Bearers to be posted through the different Authorities, and inform the Applicant in the event of any difficulty being experienced in laying his Dawk. In some places 10 days notice will be requisite. Officers laying the Dawk will furnish the Traveller with a list of places where the Bearers are posted in his district, and the same rule will be observed by each Authority on his entering his range.

8. To protect Government from loss on account of demurrage, and to provide Bearers for the convenience of the Travellers, the application for a Dawk, in the case of Travellers not belonging to the Madras Presidency, or the Civil and Military Services, should be accompanied by a sum, as a deposit, equal to 6 Annas per mile for the whole distance the Dawk is to be laid, or the security of an House of Agency for the payment of the requisite deposit, when called upon, will answer the purpose; but an assurance in writing, from those connected with this Presidency or United Service of being answerable on demand for

PALANKEEN BEARERS' REGULATIONS.

any extra charge that may be incurred, will, at the discretion of the Post Master General or any local Authority, be considered as equivalent to cash deposit, otherwise it will not be attended to, and the Public Authorities are prohibited from issuing instructions to post Bearers until the deposit or a reference to payment has been made. Of this amount (1) one Anna per mile will be deducted on account of the Bearer Fund, and the remaining (5) five Annas paid to the order of the Traveller, should no charges of batta be incurred by him.*

9. When the Traveller proceeds by Dawk, beyond the Frontier, he will be required to pay as a deposit, to cover any additional expences, (1) one Rupee for every 2 miles.

10. Each Traveller is henceforth required to pay the Bearers the regulated hire, personally, on his arrival at the stage, according to the Memorandum which may be furnished to the set, by the Collector, Post Master, Superintendent of Police, or other Officer on whom the duty of posting Bearers may devolve; but all demands on account of demurrage shall first be submitted to the Post Master General for adjustment.

11. At the conclusion of the Dawk, the Traveller is requested to countersign each of the lists of stages furnished to him, and return the same, post not paid, to the Authorities respectively who issued them, from the nearest Post Office, for official record, noting upon them any cause of complaint, which will be attended to. If the document is to be returned to or at Madras, it should be sent to the Post Master General. The Post Masters in the interior will be authorized to remit the postage charged on these documents.

12. If Bearers are detained on the road, they are to receive (1) one Anna each for the first day, and (3½) three and half Annas for each succeeding day, from the party for whom they are posted, whether they are used or not, and after remaining 3 full days they will be discharged and without further instructions return to their homes, unless notice is given for their further retention, and the party ordering them will be charged with batta for the same, and in addition to half hire for going out and returning both inclusive. Bearers carrying an empty Palankeen shall be entitled to (1) one Anna and (6) six Pice per mile, for the distance they convey the same, in addition to travelling hire to which they may be entitled under these Rules.

13. All applications on the subject of posting Bearers (except when made on service by one Public Officer to another) shall be post paid, and superscribed "Bearer Service," in order that no delay may occur in their being opened by the proper Authority. If this rule is infringed, the Traveller will be held responsible for any charge that may be incurred consequent thereon.

14. A set of Dawk Bearers will comprise fourteen men, viz. twelve Palankeen Bearers, one Masaljee, and a Cowry Cooly, for which the charge shall be at the rate of (5) five Annas per set, except in the Provinces, for every mile they carry a loaded Palankeen, exclusive of the charge for torch and oil, and this charge shall be the same, whether a Cowry Cooly be employed or not. As Cowry Coolies are not to be procured in some places 2 Coolies will be employed, and a charge made for the second at the rate of 4 P. 28½ cent per mile. The charge for torch and oil, at the rate of (8) eight Annas for 20 miles, should be paid by the Traveller on his arrival at each stage. No gratuity is to be awarded to the Bearers by the Traveller.

* With reference to this para. the following Notification was published by the Post Master General on the 17th July 1846.—*COMPILER.*

"With reference to para. 8 of the revised Regulations for Posted Bearers, it is hereby notified, that the existing practice of levying the Bearer Fund from Officers in Government employ after arrival at the relay or station, has been attended with inconvenience, trouble and unnecessary correspondence; to save which, the aggregate amount of Bearer Fund will henceforth be levied in advance for the whole distance the Dawk is laid, as far as lies within the Madras Territories, by the Authorities by whom the Dawk is laid.

C. P. BROWN, Post Master General."

15. The rate of hire to be paid to the Bearers in the Provinces will be fixed by the local Authorities. When Bearers are brought from a distance, the Traveller will only be required to pay the regular hire and travelling hire, and no Bearer Fund charged for that portion of the distance.

16. Sets of Bearers shall receive (3) three Pice each Bearer for every mile they travel to their post, which allowance is called travelling hire, except for such part of the road as they travel over again with the loaded Palankeen, for which part they shall not be entitled to travelling hire; unless the distance which they travel to their post exceeds 40 miles, in which case they shall be entitled to travelling hire for the whole distance, notwithstanding they return over a part or the whole of it with a loaded Palankeen.

17. When a Dawk has been ordered and circumstances may render it expedient for the Traveller to postpone his journey or to abandon it altogether, he will, in the event of the salaried Bearers having been refused on his account to another Applicant, be liable to the whole charge of (8) eight Annas per mile, in like manner as though he had employed them; but in the event of no other application having been preferred for these Bearers, he will not be liable to any forfeit.

18. In case a set of Bearers, which has been posted for any Traveller and has received hire to such post, may be subsequently required for any other Traveller, such person shall pay the set the established rate for every mile they carry him, and if the set be detained, he will be liable to the charge for detention, specified in para. 12.

19. When a set of Bearers is posted or a Dawk laid for a Traveller, either by the Post Master General or the Authorities in the interior, no other Traveller shall employ them, without the authority or knowledge of the Officer who posted the set or laid the Dawk; but should any individual so act in violation of the orders of Government, he will be liable, in addition to the regulated hire of the Bearers used, to all and every extra charge incurred by the Traveller for whom the set was originally posted or Dawk laid.

20. In order to facilitate the keeping of accounts, all fractional portions of a mile will be struck out. If the fractional part exceed the half, the Bearers will enjoy the benefit of a full mile—if less than the half they will not be entitled to any hire for the same.

21. All charges of hire shall be made agreeably to the Table of distances and routes in the Madras Road Book.

22. The load for a Cowry Cooly shall not exceed 50 lbs. weight, divided, as nearly as possible, into two equal portions of 25 lbs. each.

23. It is to be understood, that although Government have directed its Public Servants to lay Dawk Bearers for the convenience of the Public, and will cause due pains to be taken to ensure regularity and a punctual attendance to all requisitions, yet that neither Government nor any of its Officers are to be held responsible to the Traveller, for any unavoidable disappointment he may meet with on his journey, or for the expenses consequent thereon.

24. In cases of surcharge, or a charge being made which to the parties complaining appears irregular, it will be the duty of the Post Master General at Madras to investigate the matter with a view to afford redress. The decision by the Post Master General at the Presidency, in all references relative to Dawk Bearers, to be considered final, except in instances when the Bearers are posted by him or the Deputy Post Master General, in which case the party considering himself aggrieved will be permitted to appeal to Government.

25. It is to be understood, that nothing in the foregoing Rules is intended to interfere with Travellers applying to private individuals to post their Bearers, should they prefer making their own arrangements, without the intervention of the Public Authorities, but that no Public Officer will attend to a requisition, until the required deposit, indicated in para 8, is made, or a reference for payment is obtained.
