This Institution was established in the year 1808, for the purpose of affording to old, infirm and diseased Natives, assistance in food, clothing, lodging, and Medical attendance. Since that period it has entertained nearly 300 persons daily; and during the famines which devastated the country in 1824 and 1833, it was the means of saving vast numbers from starvation and death. Throughout the famine of the latter year no less than 30,000 individuals were on an average maintained every day. Wretchedness under every variety of form is here admitted; and the bare existence of wretchedness alone is sufficient to obtain immediate relief.

The object of this Fund is to afford relief to the Widows and Orphans of persons not in the covenanted service of Government, and others, who have no similar institution to look to for making a provision for their families. It consists of two branches, namely, a Widows' branch and a Children's branch. The benefits of the former are secured by the payment of a donation (equal to two years' subscription,) as entrance money, and a monthly subscription, for which the widow will enjoy a pension equal to six times the rate of subscription, under certain restrictions. In the Children's branch, a monthly subscription on account of each child, will secure a pension equal to four times the amount of that subscription, until a specified age. The capital of the fund exceeds three lacs of Rupees, invested in Government Securities: it has about 400 subscribers in its connexion, and its present liabilities do not exceed 12,000 Rupees per annum, whilst its income is equal to nearly 60,000 Rupees per annum.

The Governor General, and Members of the Supreme Council of India, the Governors and Members of Council of the Presidencies of Fort William in Bengal, Fort St. George and Bombay respectively, and the Chief Justices and Judges of the several Supreme Courts established therein by Royal Charter, shall not be liable to arrest, or imprisonment by process issuing out of any Court holden under this Act, and no writ or process shall be sued out of the said Court against any of the persons privileged by Act I. 1844, or Act XVIII. 1846, without the consent of the Governor in Council.

XXXVI. Where any plaintiff shall have any demand recoverable under this Act, whether founded on contract or wrong, against two or more persons jointly answerable, it shall be sufficient if any of such persons be served with process, and judgment may be obtained and execution issued against the person or persons so served, notwithstanding that others, jointly liable, may not have been served or sued, or may not be within the jurisdiction of the Court; and every such person against whom judgment shall have been obtained under this Act, and who shall have satisfied such judgment, shall be entitled to demand and recover in the Court, holden under this Act, contribution from any other person jointly liable with him; and in all cases of misjoinder of defendants, the Judges may order the suit to proceed against such of the defendants only against whom cause of action appears, and may give judgment against them only; giving also judgment for costs for the defendants improperly joined.

XXXVII. The Judges of the Court shall be empowered to determine all questions as well of fact as of law or equity, as administered in the Supreme Court, in all cases which they have authority to try.

XXXVIII. On the day in that behalf named in the summons, the plaintiff shall appear, and thereupon the defendant shall be required to appear to answer; and on answer being made in Court, the Judges shall proceed in a summary way to try the cause, and give judgment, without further pleading or formal joinder of issue.

XXXIX. A defendant, having any cause of action against the plaintiff, whether or not the same exceeds five hundred rupees, shall be entitled to set the same against the plaintiff's demand, and if judgment is given in such case for the plaintiff, shall be entitled to sue the plaintiff for the balance only of his original demand, after deducting the amount of debt or damages and costs recovered against him under this Act.

XL. The Judges may, in any case, with the consent of both parties to the suit, order the same, with or without other matters within the jurisdiction of the Court in dispute between such parties, to be referred to arbitration, to such person or persons, and in such manner, and on such terms as they shall think reasonable and just; and such reference shall not be revocable by either party, except by consent of the Judges; and the award of the arbitrator or arbitrators or umpire shall be entered as the judgment in the cause, and shall be as binding and effectual to all intents, as if given by the Judges; provided, that the Judges may, if they think fit, on application to them at the first Court held after the expiration of one week, after the entry of such award, set aside any such award, or may, with the consent of both parties, revoke the reference, or order another reference to be made in the manner aforesaid.

XLI. The Judges of each Court, holden under this Act, subject to the approval of the Judges of the Supreme Court, shall have power to make and issue all the general rules for regulating the practice and proceedings of the Court, and also to frame forms for every proceeding in the Court for which they shall think it necessary that a form be provided, and also for keeping all books, entries, and accounts to be kept by the Clerk of the Court, and, from time to time, to alter any such rule or form; and the rules so made and the forms so framed, shall be observed and used in the Court of that Presidency, and shall be sent to the Supreme Court for approval, but shall be of force until disapproved; and in any case, not expressly provided for herein, or by the said rules, the general principles of practice in the Supreme Court may be adopted and applied at the discretion of the Judges, to actions and proceedings in their Court.

XLII. If upon the day of the return of any summons, or at any continuation or adjournment of the said Court, or of the cause for which the said summons shall have been issued, the plaintiff shall not appear, the cause shall be struck out; and if he shall appear, but shall not make proof of his demand to the satisfaction of the Court, the Judges may nonsuit the plaintiff or give judgment for the defendant; and, in either case, where the defendant shall appear and shall not admit the demand, may award to the defendant, by way of costs and satisfaction for his trouble and attendance, such sum as they, in their discretion, shall think fit; and such sum shall be recoverable from the plaintiff by such ways and means as any debt or damage ordered to be paid by the same Court can be recovered: provided always, that if the plaintiff shall not appear when called upon, and the defendant, or some one duly authorized on his behalf, shall appear, and admit the cause of action to the full amount claimed, and pay the fees payable in the first instance by the plaintiff, the Court, if it shall think fit, may proceed to give judgment, as if the plaintiff had appeared.

XLIII. If on the day so named in the summons, or at any continuation or adjournment of the Court, or cause in which the summons was issued, the defendant shall not appear or sufficiently excuse his absence, or shall neglect to answer when called in Court, the Judges, upon due proof of service of the summons, may issue a writ of attachment to compel the appearance of the defendant; or, in their discretion, may proceed to the hearing or trial of the cause on the part of the plaintiff only; and the judgment thereupon shall be as valid as if both parties had attended; provided always, that the Judges in any such case, at the same or any subsequent Court, may set aside any judgment so given in the

absence of the defendant, and the execution thereupon; and may grant new trial of the cause, upon such terms, as to payment of costs, giving security for debt or costs, or otherwise, as they think fit, on sufficient cause shown to them for that purpose.

XLIV. The Judges may, in any case, make orders for granting time to the plaintiff or defendant to proceed in the prosecution or defence of the suit, and also may, from time to time, adjourn any Court, or the hearing or further hearing of any cause, in such manner as to them may seem fit.

XLV. The defendant in any action brought under this Act, for the recovery of money, whether for debt or damages, within such time as shall be directed by the rules for regulating the practice of the Court, may pay into Court such sum of money as he shall think a full satisfaction for the demand of the plaintiff, with the costs incurred by the plaintiff up to the time of such payment; and the said sum of money shall be paid to the plaintiff; but, if he shall elect to proceed, and, if the plaintiff shall recover no further sum in the action than shall have been so paid into Court, the plaintiff shall pay to the defendant the costs incurred by him in the said action after such payment; and such costs shall be settled by the Court, and an order shall thereupon be made by the Court for the payment of such costs by the plaintiff.

XLVI. On the hearing or trial of any action or any other proceeding under this Act the parties thereto, their wives, and all other persons may be examined, on behalf of either the plaintiff or defendant, subject nevertheless to the Acts and Regulations in force, with respect to the examination of women of a rank and situation in life, which, according to the customs of the country, would render it improper to compel them to appear in a Court of Justice.

XLVII. Every person shall be examined on oath, or when exempt by law from taking an oath in any Court of Justice, on solemn affirmation, and every person, who, in any examination upon oath or solemn affirmation under this Act, shall wilfully and corruptly give false evidence, shall be deemed guilty of perjury.

XLVIII. Either of the parties to the suit or any other proceeding under this Act may obtain, at the office of the Clerk of the Court, summonses to witnesses, with or without a clause requiring the production of books, deeds, papers and writings in their possession or control, and in any such summons any number of names may be inserted.

XLIX. Every person, on whom any such summons shall have been served, either personally or in such other manner as shall be directed by the general rules or practice of the Court, and who shall refuse or neglect, without sufficient cause, to appear, or to produce any books, papers, or writings required by such summons to be produced, and also every person present in Court, who shall be required to give evidence, and who shall refuse to be sworn and give evidence, shall forfeit and pay such fine, not exceeding One Hundred Rupees, as the Judges shall set on him; and the whole or any part of such fine, in the discretion of the Judges, after deducting the costs, may be applied towards indemnifying the party injured by such refusal or neglect.

L. The Judges of any Court established under this Act, in all suits where the debt or demand exceeds the sum of Thirty Rupees, upon proof before them, that any defendant against whom a summons has been taken out, conceals himself from, or otherwise evades process of the Court, or is disposing of his property and effects with intent to defraud the plaintiff, or his creditors generally, or is about to withdraw his person or effects from the jurisdiction of the Court, may issue a warrant for the apprehension of such person, and may commit him to gaol until he shall find security for his appearance in the said Court from time to time, until judgment shall be pronounced in the suit commenced by such summons, and for payment of the amount and the costs which may be decreed against him therein.

LI. Payment of any fine imposed by any Court under the authority of this Act may be enforced upon the order of the Judges, in like manner as payment of any debt adjudged in the said Court, and shall be accounted for as herein provided.

LII. All the costs of any action or proceeding in the Court, not herein otherwise provided for, shall be paid by or apportioned between the parties, in such manner as the Judges shall think fit; and, in default of any special direction, shall abide the event of the action; and execution may issue for the recovery of any such costs, in like manner as for any debt adjudged in the said Court.

LIII. Every order and judgment of any Court holden under this Act, except as herein provided, shall be final and conclusive between the parties; but the Judges shall have power to nonsuit the plaintiff, in every case in which satisfactory proof shall not be given to them, entitling either the plaintiff or defendant to the judgment of the Court; and shall also in every case whatever have the power, if they shall think fit, to order a new trial to be had, upon such terms as they shall think reasonable, and in the meantime to stay the proceedings.

LIV. No cause commenced in any Court, holden under this Act, shall be removed from the said Court into the Supreme Court by any writ or process, unless the debt or damage or value of the property claimed exceeds One Hundred Rupees, and then only by leave of a Judge of the said Supreme Court on proof to his satisfaction that some question of law or equity is likely to arise therein, which, by reason either of its difficulty, novelty or general importance, or of some erroneous course of decision on the same point in the Court of Small Causes may appear to him fit to be tried in the Supreme Court, and upon such terms as to payment of costs, giving security for debt or costs, or otherwise, as he shall think fit.

LV. The Judges of the Court of Small Causes may, in their discretion, reserve any question of law or equity on which they entertain doubts, or which they shall be requested by either party to the suit to reserve, for the opinion of the Judges of the Supreme Court, and shall give judgment contingent upon the opinion of the said Supreme Court on a case which they shall thereupon be entitled to state to the said Court. If only two Judges sit together, and shall differ in opinion, the question, on which they differ shall be so referred.

LVI. The Judges may make orders concerning the time or times, and by what instalments, any debt or damages or costs, for which judgment shall be obtained in the said Court, shall be paid; and all such monies shall be paid into Court, unless the Judges shall otherwise order.

LVII. If there be cross judgments between the parties, execution shall be taken out by that party only, who shall have obtained judgment for the larger sum, and for so much only as shall remain after deducting the smaller sum; and satisfaction for the remainder shall be entered, as well as satisfaction on the judgment for the smaller sum; and, if both sums shall be equal, satisfaction shall be entered upon both judgments.

LVIII. Whenever the Court shall have made an order for the payment of money, the amount shall be recoverable, in case of default or failure of payment thereof forthwith, or at the time or times and in the manner directed, by execution against the body or the goods and chattels of the person against whom such order is made without further notice or order; and the Clerk of the said Court, at the request of the person prosecuting such order, shall issue under the seal of the Court a writ of execution to one of the Bailiffs of the Court, which shall be his warrant to take the body of such person in execution, or to levy, or cause to be levied, by distress and sale of the goods and chattels of such person such sum of money as shall be so ordered, wheresoever they may be found within the district of the Court, and also the costs of the execution; and all Constables and other Peace Officers within their several jurisdictions shall aid in the execution of every such writ.

LIX. If the Court shall have made any order for payment of any sum of money by instalments, execution upon such order shall not issue until after default in payment of some instalment according to such order; and execution or

successive executions may then issue without further notice or order for the whole of the said sum of money and costs then remaining unpaid, or for such portion thereof as the Court shall order, either at the time of making the original order, or at any subsequent time, under the seal of the Court.

LX. Whenever any warrant shall issue for taking in execution the body of any person under this Act, the Bailiffs of the Court shall be empowered, by virtue thereof, to take and convey him to any prison, appointed by the Governor in Council to be the prison of the Court, there to remain for such term as shall be directed by the warrant, not longer than six calendar months, or until he shall sooner perform the order of the Court.

LXI. No person shall be imprisoned twice under the same judgment, nor shall execution against the body and goods issue at the same time under the same judgment.

LXII. Every person suing out a warrant of execution against the body of any other person under this Act shall deposit with the Clerk of the Court, at the time of the issue of the warrant, diet money for one week, after the rate of one anna and a half for each day, which shall be paid by the Clerk to the Keeper of the Prison at the time of the execution of the warrant.

LXIII. Notice of the execution of every such warrant shall be forthwith given to the person at whose suit it issued, who shall thereupon deposit with the Keeper of the Prison, diet money for the remainder of the month in which the warrant is executed, after the same daily rate, and shall continue thereafter to deposit monthly with the said keeper, in advance, diet money at the same daily rate, for each month which the debtor is liable to be kept in prison at his suit.

LXIV. The diet money shall be employed for the subsistence of the prisoner; and if, by default of the detaining creditor, such diet money is not paid, the prisoner shall be entitled to his discharge by order of the Court.

LXV. All diet money, which shall be spent in providing subsistence for any prisoner, shall be costs in the cause, and all diet money, which shall not be so spent, shall be repaid to the creditor advancing the same.

LXVI. Whenever any prisoner shall offer good and reasonable security for payment of any debt or damage and costs, either in full or by instalments as the Court shall think reasonable, the Court may order him to be discharged on giving such security.

LXVII. Upon payment of the debt or damage and costs in full, the prisoner shall be entitled to be forthwith discharged.

LXVIII. If the debt or damage and costs are not paid, the imprisonment shall not extinguish the liability to pay the same; but all property then belonging to or afterwards acquired by the prisoner shall be liable to be taken in execution after his discharge from prison for satisfaction thereof, or of so much thereof as is not paid, including the diet money actually expended for subsistence of the prisoner.

LXIX. Every Bailiff executing any process of execution issuing out of the said Court against the goods of any person, may, by virtue thereof, seize and take any of the goods of such person, (excepting the necessary wearing apparel and bedding of such person or his family, and the tools and implements of his trade,) and may also seize and take any money or Bank-notes, and any cheques, bills of exchange, promissory notes, bonds, specialties or securities for money belonging to any such person against whom any execution shall have issued as aforesaid.

LXX. The Bailiff shall forthwith deliver any cheques, bills of exchange, promissory notes, bonds, specialties, or other securities for money, which shall have been so seized or taken as aforesaid, to the Clerk or other person appointed by the Judges to receive the same, who shall hold them as a security or securities for the amount directed to be levied by such execution, or so much thereof as shall not have been otherwise levied or raised for the benefit of the plaintiff; and the plaintiff may sue in the name of the defendant, or in the

name of any person in whose name the defendant might have sued, for the recovery of the sum or sums secured, or made payable thereby, when the time of payment thereof shall have arrived.

LXXI. If it shall, at any time, appear to the satisfaction of the Court that any defendant is unable, from sickness or other sufficient cause, to pay and discharge the debt or damages recovered against him, or any instalment thereof ordered to be paid as aforesaid, the Judges, in their discretion, may suspend or stay any judgment, order or execution given, made or issued in such action, for such time and on such terms as they shall think fit, and so, from time to time, until it shall appear by the like proof as aforesaid that such temporary cause of disability has ceased.

LXXII. No sale of any goods, which shall be taken in execution as aforesaid shall be made, until after the end of five days at least next following the day on which such goods have been so taken, unless such goods be of a perishable nature, or upon the request, in writing, of the party whose goods have been taken.

LXXIII. Until such sale the goods shall be deposited by the Bailiff by whom they were taken in some fit place, or they may remain in the custody of a fit person approved by the Judges to be put in possession by the Bailiff.

LXXIV. The Judges, from time to time, as they shall think proper, may appoint such and so many persons for keeping possession, and so many of their Bailiffs or other fit persons to be sworn brokers and appraisers for the purpose of selling or valuing any goods, chattels or effects taken in execution under this Act, as shall appear to them to be necessary, and may direct security to be taken from each of them, for such sum and in such manner as they shall think fit, for the faithful performance of their duties, without injury or oppression; and the Judges may dismiss any person, broker or appraiser so appointed.

LXXV. No goods taken in execution under this Act shall be sold for the purpose of satisfying the warrant of execution, except by one of the brokers or appraisers so appointed.

LXXVI. The costs to be demanded or taken for such appraisement and sale shall be One Anna in the Rupee on the produce of the goods sold; and the Judges may apply the sum so raised as costs towards payment of the contingent charges and remuneration of the said brokers and appraisers, in such manner as shall be approved by the Governor in Council.

LXXVII. The Clerk of the Court shall keep an account of all sums received upon such sales, distinguishing the amount paid to the party entitled to the benefit of the execution, and the amount levied and retained as costs, and also of all sums allowed to the brokers and appraisers upon such sales.

LXXVIII. Whenever any defendant against whom judgment shall have been given in the Court of Small Causes, shall go before execution thereof out of the jurisdiction of the Court, the Judge of any Zillah or Town where he shall be found, upon receiving from the plaintiff, either in person or by vakeel, an application in writing setting forth these facts, with a duly authenticated copy of the judgment of the Court, shall execute the said judgment in the manner prescribed by law for execution of his own decrees; unless the defendant shall allege any reasonable cause, why the judgment should not be executed, and shall give security to such amount as the Judge of such Zillah or Town shall deem reasonable, that he will, within such time as shall be allowed him for that purpose, either satisfy the judgment, or produce a duly authenticated copy of an order of the Judges of the Court of Small Causes, discharging their former judgment.

LXXIX. No judgment or execution shall be stayed, delayed or reversed upon or by any writ of error or *supersedeas* thereon, to be sued for the reversing of any judgment given in any Court holden under the provisions of this Act, unless the amount recovered exceeds One Hundred Rupees, and then only after the person suing out such writ shall become bound with two sufficient sureties to

be approved by the Clerk of the Court, in treble the sum adjudged to be recovered in the former judgment, to prosecute the said writ with effect, and also to satisfy and pay, (if the writ be not prosecuted, or if the judgment be affirmed), the debt or damages and costs adjudged, and all costs and damages to be awarded for the delay of execution.

LXXX. Upon every warrant of execution issued against the goods and chattels of any person, the Clerk of the Court shall cause to be stated the sum of money and costs adjudged with the sum paid for such warrant; and if the party against whom such execution shall be issued shall, before an actual sale of the goods and chattels, pay or cause to be paid or tendered unto the Clerk of the Court, or to the Bailiff holding the warrant of execution such sum of money and costs, as aforesaid, or such part thereof as the person entitled thereto shall agree to accept in full of his debt or damages and costs, together with the fees herein directed to be paid, the execution shall be superseded, and the goods and chattels of the said party shall be discharged and set at liberty.

LXXXI. The Clerk of every Court holden under this Act shall cause a record of all summonses, and of all orders, and of all judgments and executions, and returns thereto, and of all fines, and of all other proceedings of the Court, to be fairly entered, from time to time, in a book or books belonging to the Court, which shall be kept at the Office of the Court; and shall be duly authenticated by one or more of the Judges; and such entries in the said book or books or a copy thereof bearing the seal of the Court, and purporting to be signed and certified as a true copy by the Clerk of the Court, shall be admitted in all Courts and places as evidence of such entries, and of the proceeding referred to by such entry or entries, and of the regularity of such proceeding, without any further proof.

LXXXII. The Clerk of every such Court shall, in the month of *March*, in each year, make out a correct list of all sums of money, belonging to suitors in the Court, which shall have been paid into Court, and which shall have remained unclaimed for five years before the first day of the month of *January* then last past, specifying the names of the parties for whom or on whose account the same were so paid into Court; and a copy of such list shall be put up and remain during Court hours in some conspicuous part of the Court house, and at all times in the Clerk's Office; and all sums of money which shall have been paid into any such Court, to the use of any suitor or suitors thereof, and which shall have remained unclaimed for the period of six years before the passing of this Act, and which are now in the hands of any Commissioner or Officer of such Court, or otherwise held in trust for such suitors, and all further sums of money, which shall hereafter be paid into such Court to the use of any suitor or suitors thereof, shall, if unclaimed for the period of six years after the same shall have been so paid into Court, be applicable as part of the fees receivable on account of the Court, and shall be carried to the same account; and no person shall be entitled to claim any sum which shall have remained unclaimed for six years; but no time during which the person entitled to claim such sum shall have been an infant, or married woman, or of unsound mind, or out of the Territories under the Government of the East India Company, shall be taken into account in estimating the said period of six years.

LXXXIII. If any person shall wilfully insult any Judge, Clerk or Officer of the said Court, for the time being, during his sitting or attendance in Court, or shall wilfully interrupt the proceedings of the Court, or otherwise misbehave in Court, it shall be lawful for any Bailiff or Officer of the Court, with or without the assistance of any other person, by the order of the Judges to take such offender into custody, and detain him until the rising of the Court; and the Judges shall be empowered, if they shall think fit, by a warrant under their hands, and sealed with the seal of the Court, to commit any such offender to any prison to which they have power to commit offenders under this Act, for any time, not exceeding seven days, or to impose upon any such offender a fine, not exceeding Fifty Rupees for every such offence, and in default of payment thereof to commit the offender to any such prison as aforesaid, for any time, not exceeding seven days, unless the said fine be sooner paid, or instead of inflicting

172

summary punishment under this Act may cause the offender to be indicted in the Supreme Court, if the offence be an indictable misdemeanour.

LXXXIV. If any Officer or Bailiff of any Court holden under this Act shall be assaulted while in the execution of his duty, or if any rescue shall be made or attempted to be made of any person arrested, or goods levied under process of the Court, the person so offending shall be liable to a fine, not exceeding One Hundred Rupees, to be recovered by order of the Court, or before a Magistrate as hereinafter provided; and the Bailiff of the Court, or any Peace Officer in any such case, may take the offender into custody, (with or without warrant,) and bring him before such Court, or Magistrate accordingly.

LXXXV. If any Bailiff of the said Court, who shall be employed to execute any warrant of the Court, shall, by neglect, or connivance or omission, lose an opportunity of executing such warrant, then, upon complaint of the party aggrieved by reason of such neglect, connivance or omission, (and the fact alleged being proved to the satisfaction of the Court,) the Judges shall order the Bailiff to pay such damages as it shall appear that the plaintiff has sustained thereby, not exceeding in any case the sum of money for which the said execution is issued, and the Bailiff shall be liable thereto; and upon demand made thereof, and on his refusal so to pay and satisfy the same, payment thereof shall be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court, without prejudice nevertheless to the execution of the original warrant.

LXXXVI. If any Clerk, Bailiff or Officer of the Court, acting under colour or pretence of the process of the said Court, shall be charged with extortion or misconduct, or with not duly paying or accounting for any money levied by him under the authority of this Act, the Judges may inquire into such matter in a summary way, and for that purpose may summon and enforce the attendance of all necessary parties in like manner as the attendance of witnesses in any case may be enforced, and may make such order thereupon for the repayment of any money extorted, or for the due payment of any money so levied as aforesaid, and for the payment of such damages and costs, as they shall think just; and also, if they shall think fit, may impose such fine upon the Clerk, Bailiff or Officer, not exceeding One Hundred Rupees for each offence, as they shall deem adequate; and in default of payment of any money so ordered to be paid, payment of the same may be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court.

LXXXVII. Every Clerk, Bailiff or other Officer employed in putting this Act or any of the powers thereof in execution, who shall wilfully and corruptly exact, take or accept any fee or reward whatsoever, other than his lawful salary, for any thing done or to be done by virtue of this Act, or on any account whatsoever, relative to putting this Act into execution, shall, upon proof thereof before the said Court, and in the case of a Clerk, on confirmation of the finding of the Court by the Governor in Council, be for ever incapable of serving, or being employed under this Act in any office of profit or emolument, and shall also be liable for damages as herein provided.

LXXXVIII. If any claim shall be made to, or in respect of, any goods or chattels taken in execution under the process of any Court holden under this Act, or in respect of the proceeds or value thereof, by any person not being the party against whom such process has issued, the Clerk of the Court, upon application of the Officer charged with the execution of such process, as well before as after any action brought against such Officer, may issue a summons calling before the said Court, as well the party issuing such process as the party making such claim, and thereupon any action, which shall have been brought in the Supreme Court in respect of such claim, shall be stayed, and any Judge of the Supreme Court on proof of the issue of such summons, and that the goods and chattels were so taken in execution, may order the party bringing such action to pay the costs of all proceedings had upon such action after the issue of such summons out of the Court of Small Causes, and the Judges of the Court of Small Causes shall adjudicate upon such claim and make such order between the parties

in respect thereof, and of the costs of the proceedings as to them shall seem fit, and such order shall be enforced in like manner as any order made in any suit brought in such Court.

LXXXIX. The powers of Act VII. of 1847 to regulate distresses for small rents in Calcutta, shall be extended to the recovery of all arrears of rent not exceeding Five Hundred Rupees, and the Judges of every Court of Small Causes under this Act shall be empowered to exercise within their several jurisdictions the extended powers of the said Act; and the said Act shall be construed as if instead of Calcutta and the Settlement of Fort William in Bengal, the limits of the jurisdiction of the Court had been therein mentioned, and the Judges of the Court of Small Causes under this Act instead of the Commissioners of the Court therein mentioned, and the amount of Five Hundred Rupees instead of One Hundred Rupees, and the forms contained in the Schedule annexed to the said Act shall be altered accordingly, and shall refer to this Act instead of Act VII. 1847.

XC. The affidavit of arrear required by the said Act No. VII, 1847, may, in every case, be made either by the person entitled to such arrear or by his or her lawfully constituted attorney, and a warrant of distress may issue on such affidavit.

XCI. Where any person shall hold or occupy any house, land, or tenement, of which the value or the rent payable in respect thereof, does not exceed the rate of Five Hundred Rupees by the year, without leave of the owner, or under a lease or agreement which is ended, or duly determined by a legal notice to quit, and such tenant, or, if such tenant do not actually occupy the premises or occupy only a part thereof, any person by whom the same or any part thereof shall be then actually occupied, shall neglect or refuse to quit and deliver up possession of the premises, or of such part thereof respectively, the owner or his agent may take out a summons from the Court directed to such tenant or occupier, to show by what title he claims to hold or occupy the premises or part thereof.

XCII. If the tenant or occupier shall not thereupon appear at the time and place appointed, and show cause to the contrary, and shall still neglect or refuse to deliver up possession of the premises, or of such part thereof, of which he is then in possession, to the said owner or his agent, such owner or agent may give to the Court proof of the holding, and of the end or other determination of the tenancy, if any had existed, with the time or manner thereof, and of the right by which he claims the possession.

XCIII. Upon proof of due service of the summons, and of the neglect or refusal of the tenant or occupier, as the case may be, the Judges may issue a warrant under the seal of the Court, to any Bailiff of the Court requiring and authorizing him within a period to be therein named not less than seven, or more than ten clear days from the date of such warrant, to give possession of the premises to such owner or agent, and such warrant shall be a sufficient warrant to the said Bailiff to enter upon the premises with such assistants as he shall deem necessary, and to give possession accordingly: Provided always, that entry upon any such warrant shall not be made on a *Sunday*, *Good-Friday*, or *Christmas-day*, or any other day observed by the Court as a Holiday, or at any time except between the hours of six in the morning and six in the afternoon: Provided also, that nothing herein contained shall be deemed to protect any person by whom any such warrant shall be sued out of the Court of Small Causes from any action which may be brought against him by any such tenant or occupier for such entry and taking possession, where such person had not, at the time of suing out the same as aforesaid, lawful right to the possession of the same premises.

XCIV. Such summons as last aforesaid may be served either personally, or by leave of the Court, upon proof that the tenant or occupier is not to be found within the jurisdiction of the Court, by leaving the same with some person, being in and apparently residing at the place of abode of the person or persons so holding over as aforesaid; or if the place of abode of such person

or persons shall either not be known or admission thereto cannot be obtained for serving such summons, by posting the said summons on some conspicuous part of the premises so held over.

XCV. No action or prosecution shall be maintainable against the Judges or against the Clerk of the Court, by whom such warrant as aforesaid shall have been issued, or against any Bailiff or other person by whom such warrant may be executed, or summons affixed, for issuing such warrant, or executing the same respectively, or affixing such summons, by reason that the person by whom the same shall be sued out had not lawful right to the possession of the premises.

XCVI. Where the owner, at the time of applying for such warrant as aforesaid, had lawful right to the possession of the premises, or of the part thereof so held over as aforesaid, neither the said owner nor his agent, nor any other person acting in his behalf, shall be deemed to be a trespasser, by reason merely of any irregularity or informality in the mode of proceeding for obtaining possession under the authority of this Act; but the party aggrieved may, if he think fit, bring an action on the case for such irregularity or informality, in which the damage, alleged to be sustained thereby, shall be specially laid, and may recover full satisfaction for such special damage with costs of suit: Provided that, if the special damage so laid be not proved, the defendant shall be entitled to a verdict, and that, if proved, but assessed at any sum, not exceeding Ten Rupees, the plaintiff shall recover no more costs than damages, unless the Judge, before whom the trial shall have been holden, shall certify that in his opinion full costs ought to be allowed.

XCVII. In every case in which the person, by whom any such warrant shall be sued out of the Court of Small Causes, had not, at the time of suing out the same, lawful right to the possession of the premises, the suing out of any such warrant, as last aforesaid, shall be deemed a trespass by him against the tenant or occupier of the premises, although no entry shall be made by virtue of the warrant; and in case any such tenant or occupier will become bound with two sufficient Sureties, to be approved by the Clerk of the Court, in such sum as to the Judges shall seem reasonable, regard being had to the value of the premises and to the probable cost of such action, to sue the person by whom such warrant was sued out with effect and without delay, and to pay all the costs of the proceeding in such action, in case a verdict shall pass for the defendant, or the plaintiff shall discontinue or not prosecute his action, or become nonsuit therein, execution upon the warrant shall be stayed until judgment shall have been given in such action of trespass; and, if upon the trial of such action of trespass, judgment be given for the plaintiff, such judgment shall supersede the said warrant.

XCVIII. Recovery of the possession of any such house, land or tenement shall be no bar to the institution of a regular suit, for trying the title thereunto, which may be brought in the Supreme Court, as if this Act had not been passed.

XCIX. Every bond given on the removal of any action out of the Court of Small Causes, or upon staying, delaying or reversing any judgment or execution awarded therein, or the execution of any such warrant of possession as aforesaid, or on moving for a new trial, or to set aside a verdict, judgment or nonsuit, shall be made to the other party to the action, and shall be approved by the Judges and attested under the seal of the Court; and if the bond so taken be forfeited, or if upon the proceeding for securing which such bond was given, the Judge, before whom such proceeding shall be had, shall not certify upon the record in Court, that the condition of the bond hath been fulfilled, the party to whom the bond shall have been so made may bring an action of debt and recover thereon: Provided always, that the Court in which such action as last aforesaid shall be brought may, by a rule of Court, give such relief to the parties liable upon such bond as may appear to him reasonable; and such rule shall have the nature and effect of a defeasance to such bond.

C. All actions and proceedings, which before the passing of this Act, might have been brought in the Supreme Court, where any Officer of the Court of Small Causes shall be a party, except in respect of any claim to any goods

and chattels taken in execution of the process of the Court, or the proceeds or value thereof, may be brought and determined in the Supreme Court, at the election of the party suing or proceeding, as if this Act had not been passed.

CI. If any action shall be commenced after the passing of this Act in the Supreme Court, for any cause other than those lastly herein before specified, for which a summons might have been taken out from a Court holden under this Act, and a verdict shall be found for the plaintiff for a sum less than Five Hundred Rupees, if the said action is founded on contract, or less than One Hundred Rupees, if it is founded on wrong, the plaintiff shall have judgment to recover such sum only, and no costs; and if a verdict shall not be found for the plaintiff the defendant shall be entitled to his costs as between attorney and client, unless in either case the Judge, who shall try the cause, shall certify on the back of the record that, by reason of the difficulty, novelty or general importance of the case, or of some erroneous course of decision on like cases in the Court of Small Causes, the action was fit to be brought in the Supreme Court.

CII. If any person shall bring any suit in the Supreme Court in respect of any grievance committed by the Clerk, Bailiff, or Officer of any Court holden under this Act, under colour or pretence of the process of the said Court, and upon the trial of the action, no greater damages shall be found for the plaintiff than the sum of Five Hundred Rupees, no costs shall be awarded to the plaintiff in such action, unless the Judge shall certify in Court, upon the back of the record, that the action was fit to be brought in the Supreme Court.

CIII. All penalties, fines and forfeitures by this Act, inflicted or authorized to be imposed, (the manner of recovering and applying whereof is not hereby otherwise particularly directed), upon proof before any Justice of the Peace or Magistrate having jurisdiction where the offender shall reside or be, or the offence shall be committed, either by the confession of the party offending, or by the oath or affirmation of any credible witness, shall be levied, with the costs attending the summons and conviction, by distress and sale of the goods and chattels of the party offending, by warrant under the hand of any such Justice or Magistrate, and the overplus (if any) after such penalties, fines and forfeitures, and the charges of such distress and sale are deducted, shall be returned, upon demand, unto the owner of such goods and chattels.

CIV. If any such penalties, fines and forfeitures respectively, shall not be paid forthwith upon conviction, it shall be lawful for such Justice or Magistrate to order the offender so convicted to be detained in safe custody until return can conveniently be made to such warrant of distress; unless such offender shall give sufficient security to the satisfaction of such Justice or Magistrate for his appearance before him on such day as shall be appointed for the return of such warrant of distress, such day not being more than eight days from the time of taking any such security, which security the Justice or Magistrate shall be empowered to take by way of recognizance or otherwise, as to him shall seem fit.

CV. If upon return of such warrant it shall appear that no sufficient distress can be had thereupon, or in case it shall appear to the satisfaction of the Justice or Magistrate, either by confession of the offender or otherwise, that he hath not within the jurisdiction of such Justice or Magistrate, sufficient goods and chattels, whereon to levy all such penalties, forfeitures, costs and charges, the Justice or Magistrate may, at his discretion, without issuing any warrant of distress, commit the offender to the Common Gaol or House of Correction, for any time not exceeding three calendar months, unless such penalties, forfeitures and fines, and all reasonable charges attending the recovery thereof, shall be sooner paid and satisfied.

CVI. The monies arising from any such penalties, forfeitures and fines as aforesaid when paid and levied, shall (if not by this Act directed to be otherwise applied,) be, from time to time, paid to the Clerk of the Court, and shall be applied in like manner as the fees thereof.

CVII. In all cases in which by this Act any penalty or forfeiture is made recoverable before a Justice or Magistrate, he may summon before him the party complained against, and on such summons may hear and determine the matter of such complaint; and, on proof of the offence, may convict the offender, and adjudge him to pay the penalty or forfeiture incurred, and proceed to recover the same, although no information in writing shall have been exhibited before him; and all such proceedings by summons without information in writing shall be as valid and effectual to all intents and purposes, as if an information in writing had been exhibited.

CVIII. In all cases where any conviction shall be had for any offence committed against this Act, the form of conviction may be in the words or to the effect following: (that is to say,) "Be it remembered that on this "day of in the year A. B. is convicted before a Magistrate for the " (or before a Judge appointed under Act IX. 1850) "of having *(state the offence;)* and I *(or we)* the said do "adjudge the said to forfeit and pay for the same the sum of " [or to be committed to for the space of] given "under hand ( ) and seal ( ) the day and year "aforesaid."

CIX. No order, verdict, or judgment or other proceeding, made concerning any of the matters aforesaid, shall be quashed or vacated for want of form.

CX. Where any distress shall be made for any sum of money to be levied by virtue of this Act, the distress itself shall not be deemed unlawful, nor the party making the same be deemed a trespasser, on account of any defect or want of form in the information, summons, conviction, warrant of distress, or other proceeding relating thereto, nor shall the party distraining be deemed a trespasser from the beginning, on account of any irregularity which shall afterwards be committed by the party so distraining, but the person aggrieved by such irregularity may recover full satisfaction for the special damage in an action upon the case.

CXI. All actions and prosecutions to be commenced against any person for any thing done in pursuance of this Act, shall be commenced within three calendar months after the fact committed, and not afterwards, and notice in writing of such action, and of the cause thereof, shall be given to the defendant one calendar month at least before the commencement of the action; and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action is brought, or if after action brought, a sufficient sum of money shall have been paid into Court, with costs by or on behalf of the defendant.

XII. If the offence relates to money or to any Bank Note, Bank Post Bill, Banker's Cheque, Bill of Exchange, Promissory Note, Government Paper, or other like security for the payment of money, it shall be enough in the indictment or charge to allege the embezzlement or fraudulent application, use or disposition of money, without specifying any particular coin or valuable security; and such allegation shall, so far as regards the kind of property, be sustained, if the offender is proved to have embezzled or fraudulently applied, used or disposed of any amount of money or any valuable security, though the particular kind of coin or valuable security, of which such amount was composed shall not be proved.

XIV. The Court before which any offender is tried under this Act shall have power upon the trial to make any amendments that may be necessary, by reason of any variance between the statements of the charge and the evidence, either in the description of the property, or of any person, or of any office, appointment or employment, or of the purpose of the trust or otherwise, when in the opinion of the Court the person charged cannot have been misled as to his defence by such imperfect or erroneous statement.

XV. Every offender under this Act may be tried and punished by any Court of competent jurisdiction either in the place where he is in custody, or where he committed the offence.

XVI. The punishment of any offender under this Act shall not be deemed to take away or lessen his liability or the liability of his sureties to make good any loss sustained by Her Majesty or the East India Company, or any other person or persons by his misbehaviour or breach of trust.

XVII. Every person charged with a felonious breach of trust under this Act, who shall be proved to have knowingly made up or furnished false statements or accounts of the sums of money received or paid by him, or entrusted to his care, or of the goods or balance of money in his custody or control, shall be liable to fine in the discretion of the Court, although no actual embezzlement or fraudulent application, use or disposition of trust, moneys, chattels, or valuable securities is proved against him, and in addition to such fine may be imprisoned, with or without labour, as the Court shall adjudge, for any term not exceeding one year; but no person convicted of felonious breach of trust as aforesaid shall be punished also for making up false accounts in connection with the same breach of trust.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn trades, crafts and employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit trade, craft or employment, for such term as is set forth in the contract of apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the contract shall be evidence of the age of the child, in all questions which arise as to the right of the master to the continuance of the service.

III. Any Magistrate or Justice of the Peace may act with all the powers of a guardian under this Act, on behalf of any orphan, or poor child abandoned

by its parents, or of any child convicted before him, or any other Magistrate, of vagrancy, or the commission of any petty offence.

IV. An orphan or poor child, brought up by any public charity, may be bound apprentice by the Governors, Directors or Managers thereof, as his or her guardians for this purpose.

V. Any such boy may be bound as an apprentice in the sea service to any of Her Majesty's subjects, being the owner of any registered ship belonging to and trading from any port in the territories under the government of the East India Company, which has been declared to be a registering port under Act X. 1841, to be employed in any such ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a seaman.

VI. Any such boy may be bound in like manner for sea service in any ship of the East India Company belonging to any such port, commanded by a British subject, in which case the contract shall be made with the Master Attendant at such port, or any officer appointed to represent the East India Company in this behalf, who shall appoint the ship in which such apprentice is to serve from time to time.

VII. The Master or Commander of any ship in which an apprentice bound to the sea service shall be appointed to serve by the party to whom he is bound, shall be deemed the agent of such party for the purpose of this Act.

VIII. Every contract of apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the apprentice, the term for which he is bound, and what he is to be taught.

IX. Every such contract shall be signed by the person to whom the apprentice is bound, and by the person by whom he is bound, and by the apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the apprentice.

X. No such contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the office of the Chief Magistrate of the place or district where it has been executed, or if the apprentice is bound to the sea service, in the office of the person appointed under Act X. 1841, to make the registry of ships at the port where the apprentice is to begin his service; and the person in whose office any such contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or Registering Officer.

XI. The terms of service may be changed at any time during the apprenticeship, or the contract may be determined, with the consent of both parties to the contract or their personal representatives, and with the consent of the apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the contract shall be expressed in writing on the original contract, with the signature of the proper parties according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XII. The master of any apprentice bound under this Act may, with the consent of the person by whom he was bound, and with the consent of the apprentice, if he is above the age of fourteen years, assign such apprentice to any other person, who is willing to take him for the residue of his apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the contract, declare his acceptance of such apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and

signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XIII. Upon complaint made to any Magistrate in the said territories by or on behalf of any apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the contract of apprenticeship, or of cruelty, or other ill-treatment by his master, or by the agent under whom he shall have been placed by his master, the Magistrate may summon the master or his agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the master or his agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the contract of apprenticeship, and assess upon the offender, whether he shall be the master or his agent, a reasonable sum for behoof of the apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his goods and chattels, and if the offender shall not be the master but his agent, by distress and sale of the goods and chattels of the master also.

XIV. No contract of apprenticeship shall be cancelled, nor shall any master or his agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any apprentice by his master or the agent of his master, as may lawfully be given by a father to his child; and the provision for enabling the contract of apprenticeship to be cancelled shall not bar any criminal proceeding against any master or his agent for an assault or other offence committed against his apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the contract of apprenticeship.

XV. Upon complaint made to any Magistrate, by or on behalf of the master of any apprentice bound to him under this Act, of any ill behaviour of such apprentice, or if such apprentice shall have absconded, the Magistrate may issue his warrant for apprehending such apprentice, and may hear and determine the complaint, and punish the offender by an order for keeping the offender if a boy in confinement in any debtor's prison or other suitable place, not being a criminal gaol, for any time not exceeding one month, of which one week may be in solitary confinement, during which time such allowance shall be made for his subsistence by the master or his agent as the Magistrate shall order; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, if the offender be a girl, or in the case of any boy, the Magistrate deem any such punishment unfit, he may pass an order empowering the master of the apprentice or his agent to keep the offender in close confinement in his own house, or on board the vessel to which he belongs, upon bread and water, or such other plain food as may be given without injury to the health of the apprentice, for a period not exceeding one month.

XVI. II. Every such agreement shall be in the form set forth in Schedule (A) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, and shall be properly dated, and shall be signed by the Master and the greater number of Seamen shipped at any port in the said territories, of each kind of rating belonging to

Every Seaman shipped on board such Vessel, and not being an Apprentice, shall be entitled to have the benefit of such agreement, according to his rating, as if it were executed by him.

III. Every copy of such an agreement, certified by the Registrar to be a true copy, shall, in all cases, be taken as evidence of the contents thereof on behalf of the Seamen; and no Seaman shall, in any case, be required to produce such agreement, or such copy as aforesaid, or to give notice for the production thereof: but, if the agreement shall not be produced and proved, he shall be at liberty to prove the contents or purport thereof, or to establish his claim by other evidence, according to the nature of the case.

IV. No Seaman, shipped under this Act, shall, by reason of any agreement, forfeit his lien upon the Ship, or be deprived of any remedy for the recovery of his wages to which he would otherwise be entitled, against any person or persons whatever; and no agreement, contrary to, or inconsistent with this Act, nor any clause, contract or engagement, whereby any Seaman shall consent or promise to forego, or give up any right or claim to wages in the case of freight earned by a Ship afterwards lost, or any right or claim to salvage or reward for salvage services, or such share of salvage or reward for salvage services as may be due to him by decree or award, or otherwise, shall be binding on such Seaman.

Every Master of any such Vessel, who shall leave a Port of Registry, without delivering such list or certificate as aforesaid, shall be liable to a penalty, not exceeding Two Hundred Rupees.

XI. For the purpose of preventing any Seaman from being shipped on board of any Vessel in any Port of Registry, contrary to the provisions of this Act, the Registrar of the Port, by himself, or his Agents, in a peaceable manner, may enter at any time on board of any such Vessel, and muster and examine the several Seamen employed therein; and any person, who shall obstruct the said Registrar or his Agents in such duty, shall be liable to a penalty not exceeding One Hundred Rupees.

XII. In cases when the Registrar shall have reason to believe that any of the provisions of this Act have been evaded or neglected by the Master, Owner or Agent of any Ship about to go to sea, the Registrar, by a writing under his hand, may stay the grant of a port clearance by the Master Attendant; and every Master Attendant shall comply with the written requisition of the Registrar in this respect.

XIII. The Master of every such Vessel, on which any Seaman engaged under this Act may be serving, shall, within seven days after the arrival of such Vessel at the Port where the voyage ends, or after the end of the service, according to the agreement entered into, in accordance with this Act, pay or cause to be paid to such Seamen the wages remaining due to them for their services, taking a receipt from each man for the amount paid to him, either separately or on a general list, which receipt shall be certified by the Chief or Second Officer, or other credible witness, and otherwise shall be of no force or validity.

XIV. Every Master or Owner, who shall neglect or refuse to pay any Seaman's wages, within the time mentioned in the last Section, shall forfeit and pay to such Seaman the amount of two days' pay, to be recovered as wages, for each day, not exceeding ten days in the whole, during which such payment has been delayed without sufficient cause.

XV. If any Seaman, to whom any wages are due, die before the wages due have been paid, then the wages shall be paid to the Registrar of the Port of Registry at which the ship shall first touch after his death, and the Registrar shall pay the same to his legal representative, and failing such legal representative, after the expiration of twelve months from the First of January next following the day on which he shall have received the said balance, into the Treasury of the East India Company, after having given due notice of such unclaimed balance being in his possession, by advertisement in the *Gazette*, at least twice during such period.

XVI. Every Master of a Vessel, who shall be convicted before a Magistrate of having neglected to pay to the Registrar, within ten days of the Ship's arrival in the port as aforesaid, the wages due to deceased Seamen, shall forfeit three times the amount of wages so neglected to be paid; and further shall be subject to such fine, not exceeding One Hundred Rupees, for each case of neglect, as to such Magistrate shall seem fit.

XVII. Whenever any Merchant Vessel, navigated and registered as is mentioned in Section I, and not having been wrecked or condemned, shall be sold or disposed of at any Port out of the territories under the Government of the East India Company, or whenever the service of any Seaman shall end at any such port, the Master shall give to each Seaman a Certificate of discharge,

and his Register Ticket, and also either provide for him fit employment on board some other such Vessel bound to some port within the said territories, or provide for him a passage to the port at which he was shipped, or such other port as may be agreed on, either free of cost, or by depositing with the British Consul or Vice Consul, or if there be none such, with some resident Merchant, at the port, not interested in the Vessel, such a sum of money as shall be, by him, deemed reasonably enough to pay the expenses of his subsistence and passage, which money shall be paid over and above any wages which may be due to him.

XVIII. If the Master shall neglect or refuse to provide employment or the means of passage, for any of his Crew as mentioned in the last Section, the expense of doing so, when defrayed, shall be a charge on the Owner of the Vessel, unless in cases of barratry, wreck or condemnation, and may be recovered with full costs of suit from such Owner as so much money paid on his account, at the suit of the Consul or any other person defraying such expenses, or at the suit of the East India Company, in case the same has been paid or allowed out of any monies belonging to the East India Company; and, if defrayed by the Seaman himself, may be recovered as wages due to him.

XIX. The obligations of the last two Sections shall not apply to such of the Crew as shall consent, in writing, before the British Consul or Vice Consul, or if there be no British Consul or Vice Consul at the port, before one or more resident Merchants not interested in the Vessel, to be then and there discharged.

XX. In all cases of wreck or loss of the Ship, every Seaman then on board shall be entitled to his wages up to the time of the wreck or loss, whether or not the Ship has earned freight; provided he shall produce, from the Master or Chief Surviving Officer of the Ship, a Certificate that he did his best to save the Ship, Cargo and Stores.

XXI. Every Seaman shall be entitled to receive an increase of his wages for every day on which the allowance of provisions, which it was agreed he should receive, shall be reduced, at the rate of One Anna daily, while the reduction is not more than one-third of the quantity, and Two Annas daily, while the reduction is more than one-third: and these pecuniary allowances shall be recoverable as his other wages are.

XXII. No assignment or sale of Seamen's wages, salvage or prize money, made before the accruing thereof, nor any Power of Attorney expressed to be irrevocable, for the receipt of any Seaman's wages, salvage or prize money, shall be valid or binding on the party making the same; and any attachment, to be issued out of any Court, shall not prevent the payment of any Seaman's wages, salvage or prize money to him.

XXIII. Every such Vessel shall have always on board a sufficient supply of medicines and appliances, suitable for diseases and accidents likely to happen on sea voyages, according to such scale as shall be, from time to time, issued by the Superintendent of the Indian Navy, with the approval of the Governor General of India in Council, and published in the *Government Gazettes* at Calcutta, Madras and Bombay; and, in default thereof, the Owner of the Vessel shall be liable to a penalty, not exceeding Two Hundred Rupees, and Five Rupees for every day during which such default shall wilfully continue.

XXIV. Whenever the Master, or any Officer or Seaman of any such Vessel shall receive any hurt or injury in the service of the Vessel, the expense of providing the necessary surgical and medical advice and attendance, with medicines, and for his subsistence, until he shall be cured or shall be brought back to the port from which he was shipped, or other port agreed upon, shall be defrayed, with the cost of his conveyance to such port, by the Owner of the Vessel, without any deduction on that account from the wages of such Master, Officer or Seaman; and, if paid by himself, may be recovered as part of his wages; and, if paid or allowed out of any monies belonging to the East India Company, may be recovered with full costs of suit, as a debt due to the East India Company.

XXV. If any Vessel, on board of which there shall be any Seaman, who has received an advance under this Act, shall, before going on the voyage for

which such advance shall have been paid, be destroyed or injured by fire, or other cause, so as to prevent her going on her then intended voyage, or if such voyage shall be discomfited at the beginning, or before the advance has been worked out, the Master, Owner, or Agent of such Vessel may demand from such Seaman, unless he shall pay back the amount so advanced to him, service to the full amount of the advance received by him, on board of any other Vessel; and such Seaman, until he has worked out such advance, shall not be entitled, without the consent of such Master, Owner, or Agent, to take service in any Vessel other than that on which he is so required to serve; and any such Seaman, who shall refuse to work out such advance on board such other Vessel, on summary conviction of his refusal before any Magistrate or Justice of the Peace, shall be liable to be imprisoned, with hard labour, for any term not exceeding six months.

XXVI. The Registrar of Seamen may grant, from time to time, to such persons as he may deem fit, a license to act as broker for procuring Seamen for Vessels shipping men under this Act, and also a license to the keeper of any lodging-house for Seamen, enabling him to allow Seamen to be engaged at his house, and also may revoke and annul such license on the misconduct of any such person; and every such license shall be granted for such term, upon such conditions, and upon such security given, as the said Registrar shall, from time to time, appoint.

XXVII. Every person, not licensed as aforesaid, and not being the Owner, part Owner, Master, or person in charge of the Vessel, on board of which the men are to serve, who shall hire or engage a Seaman, to be entered on board any Merchant Ship, at any Port of Registry, and every person, whether licensed or not, other than the Owner, part Owner, Master, or person in charge of the Merchant Ship, on board of which the men are to serve, who shall demand or obtain the Register Ticket of any Seaman, for the purpose, or under the pretence of engaging him on board of any Merchant Ship, and every person, whether or not licensed as aforesaid, who shall ask or take, directly or indirectly, from any Seaman, any fee, reward or other valuable consideration for hiring or engaging or endeavouring to hire or engage him on board of any Merchant Ship, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXVIII. Every licensed broker, who shall engage any Seaman at any punch house or tavern, not being a licensed lodging-house for Seamen as aforesaid, or who shall be directly or indirectly interested in any punch house or tavern, not being a licensed lodging-house for Seamen as aforesaid, shall forfeit his license.

XXIX. Every person, who shall persuade or endeavour to persuade, or hinder any Seaman from complying with any of the provisions of this Act, or who shall counsel such Seaman to desert, or who shall conceal, or aid in concealing or maintaining any Seaman, who has deserted, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXX. If a Seaman, engaged under this Act shall at any time, whether before or during any voyage, neglect or refuse to join the Vessel, on board of which he shall have engaged to serve, or shall refuse to go to sea in such Vessel, or shall absent himself therefrom, without leave, or shall desert, any Justice of the Peace or Magistrate in the territories under the Government of the East India Company, at or near to the place, where such Vessel shall happen to be, or where such Seaman shall be found, upon complaint made upon oath, by the Master, Mate, or Owner, or his Agent, may issue his warrant, and cause such Seaman to be taken into custody, and brought before him; and, upon due proof of such neglect, refusal, or absence, without reasonable excuse, or of desertion, may commit such Seaman to prison, or to the house of correction, there to be imprisoned, with or without hard labour, for a term, not exceeding thirty days; or, if he shall think fit, at the request of the Master, Mate, or Owner, or his Agent, instead of committing such Seaman, may cause him to be taken on board the said Vessel, or to be delivered to the Master, Mate or Owner, or his Agent, for the purpose of being so taken and going on the voyage; and also

183

may award to the Master, or Owner, or his Agent, such costs incurred in the apprehension of the Seaman, as to such Justice or Magistrate shall seem reasonable, not exceeding, in any case, the sum of Twenty Rupees, which shall be chargeable against, and may be deducted from the wages of such Seaman.

XXXI. Every Seaman, engaged under this Act, who, during the term of his service, shall wilfully, and, without leave, absent himself from the Vessel, or otherwise from his duty, shall, (in all cases, not of desertion, or not treated as such by the Master), forfeit, out of his wages, the amount of two days' pay, and for every twenty-four hours of such absence the amount of six days' pay, or, at the option of the Master, the amount of such expences as shall have been necessarily incurred in hiring a substitute; and every Seaman, who, while he shall belong to the Vessel, shall, without sufficient cause, neglect or refuse to perform his duty reasonably required of him by the Master, or other person in command of the Vessel, shall be subject to a like forfeiture, in respect of every such offence, and of every twenty-four hours' continuance thereof; and every such Seaman, who, after the Vessel's arrival at her port of delivery, and during the term of his service, shall leave the Vessel without a discharge, or leave from the Master, shall forfeit one month's pay out of his wages: Provided always, that no such forfeiture shall be incurred, unless the fact of the Seaman's absence, neglect, or refusal shall be duly entered in the Log Book, the truth of which entry the Owner, Master or Agent, in all cases of dispute, shall be bound to substantiate, by the evidence of the Mate, or some other credible witness.

XXXII. Every Seaman engaged under this Act, who shall desert his Vessel, shall forfeit to the Owner all his clothes and effects which he may leave on board, and also all wages and emoluments to which he might otherwise be entitled; provided always, that every desertion be entered in the Log Book at the time, and certified by the signatures of the Master and the Mate, or the Master and one credible witness.

XXXIII. If any Seaman shall desert, during the term for which he has engaged to serve, in any place beyond the Port where he was engaged, and the Master of the Vessel shall engage a substitute at a higher rate of wages than that stipulated in the agreement to be paid to the Seaman so deserting, the Owner, Agent, or Master of the Vessel shall be entitled to recover from the Deserter, by summary proceeding in the same manner as penalties are by this Act made recoverable, (so far as the same can be applied), any excess of wages or portion thereof, which such Owner, Agent, or Master shall pay to such substitute, beyond the amount which would have been payable to the Deserter, if he had duly performed his service: Provided always, that no Seaman shall be imprisoned longer than three calendar months for non-payment of any such excess of wages.

XXXIV. The absence of a Seaman from his Vessel, for any time within twenty-four hours immediately before the sailing of a Vessel from any port, whether before or during any voyage, wilfully or knowingly, without leave, or the wilful absence of a Seaman from his Vessel, at, or for any time, without leave, and in such manner as to shew an intention to abandon his Vessel and not return thereto, shall be deemed desertion.

XXXV. Every person, who shall wilfully harbour or conceal any Seaman or Apprentice, who shall have deserted, knowing or having reason to believe such Seaman or Apprentice to be a Deserter, shall, for every such Seaman or Apprentice so harboured or concealed, be liable to a penalty, not exceeding One Hundred Rupees.

XXXVI. No debt, exceeding in amount Three Rupees, incurred by any Seaman after he shall have engaged to serve under this Act, shall be recoverable until the service agreed for shall be ended; nor shall any keeper of a public house, or of a lodging house for Seamen be entitled to detain any chest, tools, or other property of any Seaman, for any debt alleged to have been contracted by him; and in case of such detention of the chest, tools or other property of a Seaman, any Justice of the Peace or Magistrate at or near the place,

upon complaint upon oath to be made by such Seaman, or by any person on his behalf, may enquire into the matter upon oath in a summary way; and, by warrant under his hand and seal, may cause such property to be seized and delivered over to such Seaman; and the person so detaining the same shall be liable to a penalty, not exceeding One Hundred Rupees.

XXXVII. Any Justice of the Peace or Magistrate, within the territories subject to the East India Company, upon complaint made by any three or more of the Crew of any such Vessel, shall survey and examine, or cause to be surveyed and examined, the provisions, water, and medicines, put or supplied on board of the Vessel for the use and consumption of the Crew; and, if on such survey and examination, it shall be found that such provisions, water, or medicines, are of a bad quality or unfit for use, or not such as should be provided, or there shall not appear to be a sufficient quantity thereof, the Surveying Officer shall signify the same, in writing, to the Master of the Vessel; and, if such Master shall not thereupon provide other fit provisions, water or medicines, instead of any which may be signified by the said Surveying Officer to be of a bad quality or unfit, or if any such Master shall not thereupon procure the needful quantity of provisions, water and medicines, or shall issue to the Crew any provisions, water, or medicines, which shall have been signified by the Surveying Officer to be of a bad quality, or unfit, he shall, in each of such cases, be liable to a penalty, not exceeding Five Hundred Rupees.

XXXVIII. A place of shelter shall be provided below a well caulked and substantial deck, for the men engaged under this Act, large enough to allow four superficial feet for every man; and if the place allotted be under the Topgallant Forecastle, such Forecastle deck shall be not less than four feet six inches above the one below it; and in default thereof every man who is unprovided with such adequate shelter shall be entitled to have an increase of his wages, at the rate of Four Annas daily, while he is so unprovided, which shall be recoverable as his other wages are.

XXXIX. All penalties, directed by this Act, may be imposed on summary conviction before a Magistrate or Justice of the Peace, and may be recovered, with costs, as if they were imposed by a Magistrate under Act II. 1839.

XL. All claims for wages or forfeitures due and incurred under the agreements entered into under this Act, may be heard and determined by any Justice of the Peace or Magistrate; and the amount, with costs, awarded by such Justice or Magistrate, shall be recovered from the party against whom the award is made, in the same manner as fines levied under the provisions of Act II. of 1839.

XLI. Every person having the charge or command of any Vessel sailing under this Act shall be deemed to be the Master of such Vessel, within the meaning of this Act, and every other person (Apprentices excepted) who shall be employed or engaged to serve in any capacity on board, except as Surgeon, shall be deemed to be a Seaman, within the meaning of this Act; and the term "Owner" shall be deemed to comprehend all the several persons, if more than one, to whom the Vessel belongs, and the term "Agent" shall be deemed to comprehend all the several persons, if more than one, who are Agents of the "Owner."

Loan Regulations.

1. Loans repayable within 12 months are granted to Officers, Civil or Military, who can arrange for the regular payment of their stipulated monthly instalments at Madras, on the security of two approved sureties.

2. Loans requiring two years for repayment are granted to the same classes, and under the same condition, with three sureties, and loans requiring three years with four sureties.

3. In the two last cases, where it may not be convenient to give more than two sureties, the loan must be further protected by a life insurance; but on application to that effect through the sureties, they consenting to the same, the Committee will be prepared to allow the discontinuance of the policy on a loan of the two year class, after the expiration of the first year, and on a loan of the three year class after two years have expired. But where the borrower is on Foreign or Field Service, the loan must always be covered by a life insurance.

4. The Mortgage of real property in the Hill Stations and larger Military Cantonments will, if insured against fire when the Committee see fit, be taken in place of life assurance, provided that the property be officially registered in the Station books as belonging to the Bank, and that the amount advanced thereon be regulated by previous official report as to its true value, and never exceed two-thirds of such valuation.

5. In all cases of insurance, unless the debtor himself desire that the policy should be maintained at its original amount, it is reduced half-yearly according to the gradual liquidation of the debt.

6. Regimental loans, repayable in five years, are granted to Corps to facilitate the establishment and maintenance of Messes, Bands, Libraries, and for *other* Regimental purposes.

7. Loans are granted on the Security of Government Paper, and of Calcutta, Madras and Bombay Bank Stock, where the parties borrowing will give the Agency a power to sell the notes or shares forming such security, if, on one month's notice of intention to close the account, the Loan shall not then be repaid in full.

8. Interest on loans is charged from the date on which the amount is placed as a floating balance at the disposal of the borrowers, according to notice given, and is allowed, at the same rate, upon all remittances from the date of their realization.

9. Constituents of the Service when writing to the Agency are requested to add their rank, or official designation, to obviate the delay of reference.

10. All accounts with the Agency are brought up periodically to the 30th of June and 31st December, and interest thereon is credited or debited to those dates half-yearly.

11. Parties already indebted to the Bank cannot have a second loan, so as to have two accounts with different sureties and different terms of payment open at the same time, but the balance due on the former account must be deducted from the new loan.

12. When a debtor dies, the balance, after discharging his own debt in full of any Policy of assurance upon his life, will, at the discretion of the Directors, be detained as security for the payment of the balance of any account for which he may be responsible as a surety.

13. Where parties may find difficulty in effecting their remittances to Madras, Drafts on Agra, Calcutta or Bombay will be received in repayment of loans at the exchange of the day.

14. It is a condition of every loan that the party borrowing shall be subject to the general rules of the Bank, in respect of such transactions.

15. The Committee give a preference to applications for loans repayable within a short date.

16. Shareholders have no advantage over other parties, but must give similar securities in every respect.

17. The Bank renders accounts once in the half-year when called for.

18. No letters *bearing postage* will be received by the Agency, except from Paymasters, Deputy Paymasters, or other public authorities, or from places where no postage can be levied. At the close of each half-year, and in closing each loan account, a charge of 8 Annas for incidental expenses is made.

N. B.—In cases of Regimental Loans the Bank strongly recommends Insurances on the lives of the three Senior Officers for the amount of their respective shares, but it is optional with *them* to adopt the arrangement.

Rules.

Financial Department, Fort St. George, April 4, 1834.

The Right Honorable the Governor in Council directs that the following Rules of a Savings' Bank, established in Madras under the guarantee and responsibility of Government, be published for general information.

1st. The Bank to be denominated "the Government Savings' Bank."

2d. All classes, British and Native, may invest their savings in the Government Savings' Bank.

3d. The return of the exact sum deposited, together with the interest due thereon at the undermentioned rate, is secured to the Depositor under guarantee of the Government.

4th. The general direction and control of the Bank shall be vested in a Committee of Management, to be nominated by the Governor in Council. The Committee shall meet at such stated periods as may be necessary for the due and efficient control of the proceedings of the Bank.

5th. The Government Agents are charged with the immediate superintendence and execution of all details connected with the Bank. They will be also ex-officio Members of the Committee of Management. The Sub-Treasurer, as one of the Government Agents, will be ex-officio Secretary to the Bank.

6th. A Register of Deposits will be kept, and generally such other accounts as may be determined on and approved of by the Managing Committee.

7th. Any sum not less than one Rupee will be received in deposit.

8th. Whenever any sum deposited by one individual shall amount to 500 *Company's* Rupees, the same will be transferred from the Bank deposit in the General Treasury, and subscribed on account of the Depositor to the *five* per cent. Bengal Government Loan *of the 31st March* 1841, until further notice, unless an intimation of its withdrawal, or the withdrawal of a portion of it, be given by the Depositor within one month after it has reached that amount; and all Government Securities shall be handed over to the Government Agency at the expiration of 3 months (subject to all the Rules which obtain in that Department) unless counter instructions be immediately received from the Proprietors.

9th. Interest at 4 per cent. per annum will be allowed on deposits until further notice.

10th. The interest will be calculated on a deposit from the 1st day of the month succeeding that in which it shall be received, and up to the last day of the month preceding that in which it shall be withdrawn. No interest will be

allowed for broken periods of a month, nor calculated on fractional parts of a Rupee.

11th. The Government reserves to itself the power of lowering or raising the rate of interest, such alteration not to affect deposits above 500 *Company's* Rupees previously invested in Public Securities, and due notice to be given in the Fort St. George Gazette of the intention of Government six months before the alteration shall take effect.

12th. All deposits will be regularly entered in a book at the time they are made, and the Depositor of the deposit made at the Presidency will be furnished with a small book having a duplicate of the entry. This book is to be brought to the Bank whenever any sum is deposited or withdrawn. The account thus kept will be closed on the 30th April of every year, and the balance of interest due at that period will be paid to the Depositor, or carried to account, thenceforward to accumulate at compound yearly interest, until it shall amount to 500 *Company's* Rupees, when the same will be transferred from the account of the Bank, and subscribed on account of the Depositor to the Bengal Government *five* per cent. Loan, as per Rule VIII., unless notice of withdrawal be given within one month as above, or unless the rate of interest be altered as provided for in Rule XI.

13th. *No person or persons to deposit money for the benefit of any other person or persons, except Parents on behalf of, and on account of their Children being minors. If such deposits are made in the Children's names, they cannot be withdrawn without an authority from the Children,—no trust will be allowed to appear on any deposit. Provided however, that this Rule shall not be construed to prohibit Individuals resident out of Madras, or females, who according to the manners and customs of the country do not usually make their appearance in public, from making their deposits in their own names, by the hands of other persons as Agents on their behalf.*

14th. No sum deposited to be transferable, excepting on the personal application of the depositor, supported by written sanction. When peculiar circumstances render a deviation from this Rule necessary, the case shall be submitted to the Committee of Management for their sanction.

15th. No person will be allowed to deposit any money without making known his or her name, together with his or her profession, business, occupation, calling, and residence. A duplicate of this description will be entered in each Depositor's book, to be produced whenever any sum is afterwards deposited or withdrawn.

16th. Depositors will be at liberty at any time to withdraw any sums or portions of sums deposited by them, receiving interest calculated up to the end of the month preceding that in which the withdrawal is made.

17th. As a general rule, deposits, with the interest due thereon, will be repaid to the Depositors personally in all practicable cases. In the cases of individuals unable to attend in person, the Secretary will exercise his discretion in regard to repayments of deposits to responsible persons duly authorized by such absentees to receive the same.

18th. Military Officers and Soldiers, European and Native, will be allowed to invest their savings in the Government Savings' Bank, through the Paymasters of Corps or Divisions; and Officers and Servants of the Civil Establishments, European and Native, through the Residents, Collectors, and other Officers in charge of Public Treasuries, or who are competent to sign Pay Abstracts of Civil Establishments; and Residents, Collectors, Paymasters, and other Officers in charge of Public Treasuries, are hereby authorized to receive Subscription to the Bank, or to deduct monthly from their Abstracts such sums as the parties within their circle of payment may be desirous of depositing, not being less than one rupee, nor more than 500 *Company's* rupees.

19th. The deposits referred to in the preceding rule are to be brought to the credit of Subscribers on the last day of the month in which the payment or deduction is made; the Rules XVI. and XVII, respecting the withdrawal

of deposits by parties subscribing through Residents, Collectors, Paymasters, and other Officers in charge of Public Treasuries, will be carried into effect under instructions which will be furnished to them by the Accountant General.*

20th. In case of the death of a Depositor, the sum at his credit will be paid to his or her Executors or Assigns; or in case of no will, according to the law on this head, or the Regulations of the Service if the deceased be Military.

21st. In case of any difference between the Secretary of the Bank and any Depositor, it shall be referred for the decision of the Committee of Management.

22d. A general statement of the Funds of the Bank shall be annually made out to the 30th April after the 1st May. The same to be submitted for the information of Government, and published in the *Fort St. George Gazette.*

Madras and Furruckabad Rupees.

FORT ST. GEORGE, *March* 24, 1843.

1st. It is hereby notified that Madras Rupees, i.e. Rupees of the Madras Mint previous to the Coinage of 1835, and the different sorts of the Furruckabad Rupee will be received at the Madras Mint at their par value for Company's Rupees without deduction for seignorage, provided they have not lost by fair wear more than the regulated limit of lightness, viz. one and half per cent; and light Madras or Furruckabad Rupees which may have fallen in weight below that limit, will also be received at the Madras Mint without charge for seignorage according to their Bullion weight.

2. The above principle will also be observed in receiving the Madras and Furruckabad Rupees in payment of public demands at the Treasuries of the Collectors, &c. in the Districts under this Presidency, and in receiving the Madras Rupees at the General Treasury.

By order of the Most Honorable the Governor in Council.

J. F. THOMAS, *Acting Chief Secretary.*

NEW 5 PER CENT. TRANSFER REMITTABLE LOAN.

Not payable before 22d April 1854. *Opened 13th October* 1834. *Notes to be dated 31st December* 1834.

GOVERNMENT ARRANGEMENTS REGARDING 5 PER CENT. REMITTABLE PAPER.

Fort William, Financial Department, 13th October 1834.

1. Notice is hereby given, that the Sub-Treasurers of Fort William, Fort St. George, and Bombay, are severally authorized to receive from and after the 15th of this month, any of the Six per Cent. Promissory Notes of this Government bearing date the 30th June 1822, that may be tendered for transfer into a new Loan to be opened under the conditions hereinafter stated, and to grant in exchange thereof Certificates or Acknowledgments, entitling the Proprietors, or their Representatives, to receive Promissory Notes of the Supreme Government in the form and manner specified below.

2. A Bonus or Premium of 5 per Cent. will be granted on all transfers made under this Advertisement: that is to say, for every Note surrendered for transfer, a new Note will be issued for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Note so issued in exchange will bear interest at the rate of 5 per cent. per annum from the 31st December next ensuing, which will be its date. The interest will be paid half-yearly, on the 30th of June and 31st of December of each year, in the manner hereinunder provided.

3. Transfers into this Loan will be received until the 15th of February next, and not after that date; and the Proprietors of Notes that may be surrendered for transfer shall receive interest thereon up to 31st December next, at the rate of 6 per Cent. in the same manner as if the Notes had not been surrendered, and with a like privilege to Proprietors resident in Europe to receive the said interest in cash, or by bills at one year's date, and at the exchange of 2*s.* 1*d.* for the Sicca Rupee. From and after the said 31st December next, interest will be paid as may be stipulated in the new Notes to be given in exchange, and all demand on account of the Note surrendered shall cease.

4. The Notes of the 6 per Cent. Loan of the 30th June 1822 that were advertised for payment on the 9th May last, viz. No. 1 to 887, will be received for transfer in like manner with those now or hereafter advertised, and whether tendered before or after the 31st December next, the calculation and adjustment of interest shall be the same; that is to say, at the rate of 6 per Cent. on the principal sum of the Note to the 31st December next, and from that date at Five per Cent. on the principal sum of the new Note given in exchange, as will be stipulated therein.

5. Promissory Notes of the new Five per Cent. Transfer Loan opened by this Advertisement, will be registered and numbered in the order of the applications made for Promissory Notes in exchange for the Sub-Treasurer's Certificates: that is to say, in the order in which the Notice thereof may be received in the Office of the Accountant General at Calcutta. The accounts of this Loan will be closed on the 15th February next; and whenever it shall be paid off as provided below, if the whole Loan be not at once advertised for payment, but only part thereof, the numbers selected for first payment shall be those last on the register.

6. For the convenience of Proprietors of Notes of the 5 per Cent. Transfer Loan who may be resident in Europe, the Honorable the Court of Directors have made arrangements, whereof they have given public notice in England, to provide that Notes of this Loan shall, at the option of such Proprietors, be registered in the Auditor's Office at the East India House in London, so as to allow of their being sold in England without previous reference, and the employment of Agents to effect the transfer in India. When Notes may be so registered at

the India House the interest payable thereon will be issued in England only at the periods when the Bills for the same would become due, supposing the interest payable in India by the terms of the Notes to have been taken in Bills.

7. It is hereby declared and stipulated, that no part of the Transfer 5 per Cent. Loan opened by this Advertisement, shall be paid off before the 22d April 1854; and whenever it shall be redeemed, a previous notice of fifteen months shall be given by public Advertisement, the period of which shall expire on some date subsequent to that above stated, and not prior thereto. When payment shall be made of the whole or of any part of the Notes of this Loan, it shall be at the option of Proprietors to receive the principal sums due on their Notes respectively, either in cash at the General Treasury at Calcutta, or in Bills to be drawn in India on the Honorable the Court of Directors of the East India Company, payable at 12 months date, and at an exchange of 2*s.* 1*d.* for the Sicca Rupee, the Court of Directors having the option when the Bills shall fall due, of postponing payment thereof for one, two or three years, paying interest at the rate of 5 per cent. per annum for the period of such postponement. The notice of payment duly advertised as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that date.

8. The interest of the Promissory Notes of the 5 per cent. Transfer Loan will be paid in cash to Proprietors resident in India; but Proprietors resident in Europe may take the interest at their option in Cash, or in Bills of one year's date to be drawn on the Honorable Court of Directors, at the exchange of 2*s.* 1*d.* (Two Shillings one Penny), for the Sicca Rupee.

9. Proprietors residing within the Presidencies of Fort St. George and Bombay, shall be entitled to receive interest at the exchange of one hundred and six and a half Madras and Bombay Rupees for one hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively; but before the interest of any Note shall become payable at either of those Presidencies, notice shall be given to the Accountant General of the Bengal Presidency, and the Notes shall be brought or transmitted to that Officer, that the order for such payment may be inscribed on the face of the Note, after which the interest shall be payable only at the Treasury mentioned in the order; but if it be desired to change the Treasury of payment, application may be made to the Accountant General of the Presidency where it may be payable, and the order may by him be cancelled.

10. The Accountant General of Bengal may, on the application of Proprietors, and for their convenience, make the Interest on Notes of this Loan payable at any other Treasuries of issue under this Presidency by a similar order: but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

11. Notes of this Loan may be consolidated and divided in the usual manner; but if consolidated, they shall be so on the highest number.

12. The Certificates to be granted by the Sub-Treasurers of Bengal, Madras and Bombay, upon surrender of Notes of the 6 per cent. Loan of the 30th June 1822 for transfer into the 5 per cent. Transfer Loan, shall be in the following form:

Remittable Paper, resident in Europe, who had made known, or might make known, before the 1st of December following, at the Auditor's office, in the India House, their wish to transfer their Notes of that Loan into the New five per Cent. Transfer Loan, under the conditions specified in the Court's Advertisement of the 14th May 1834, that the pro-

perty in the new Loan would be held in the form of Stock, instead of Promissory Notes; that Stock Receipts would be granted in Bengal to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred; and that the new stock would be transferable at the place of registry, in books to be kept for that purpose in London and in India;—in pursuance of that notification and the orders of the Honorable Court, the Sub-Treasurer at Fort William is authorized to receive any of the six per cent. Promissory Notes of this Government, bearing date the 30th June 1822, that may be tendered for transfer into the New five per cent. Loan, in fulfilment of the intention of the Proprietors signified at the India House, under the advertisement of the 17th September last, and to grant Stock Receipts to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred.

2. A Bonus or premium of 5 per cent. will be granted on all transfers made under this Advertisement; that is to say, for every Note surrendered for transfer, a Stock Receipt will be granted for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Stock Receipt will bear interest at the rate of five per cent. per annum, payable, if the Proprietors are resident in India, in cash at the place of registry, and if resident in Europe, at their option, either in Cash in India, or by Bills on the Court at 12 months' date, at 2*s.* 1*d.* the Sicca Rupee.

3. The transfers under this Advertisement will take effect only at the period when the Notes to be transferred shall fall to be discharged, according to the Notices published from the Financial Department under the dates respectively of the 9th May and 13th October 1834.

4. The property of the New Loan here advertised is to be transferable only in books to be kept in Bengal, at Madras, at Bombay, and in London, and not by endorsement of Stock Receipts, on the face of which it is to be declared that they are not transferable. Proprietors of Stock Receipts will be entitled to the option of transferring from the books of Bengal to those of either Madras, Bombay, or London. Having availed themselves of that option, the property cannot again be registered in Bengal, or at either of the other places, unless upon transfer effected at the place at which they may have chosen to register it.

5. After transfer has been made to London, the interest payable on the Stock so transferred will be issued in England, at the same periods as when the bills would have become due, had the remittance of interest been previously received by bills under the option allowed in the second article of the present Notice.

6. It is hereby declared and stipulated, that no part of the Transfer Five per Cent. Loan opened by this Advertisement shall be paid off before the 22d of April 1854, and whenever it shall be redeemed, a previous Notice of fifteen months shall be given by public Advertisement, which notice may be issued at any time after the 21st January 1853. Payment shall then be made, at the option of the Creditors, either in Cash in India, or by Bills upon the Court at twelve months' date, and at 2*s.* 1*d.* the Sicca Rupee; with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing Interest at Five per Cent. per annum for the period of postponement. The Notice of payment duly advertised, as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that day.

7. Proprietors who shall transfer to the Books of Madras and Bombay, will be entitled to receive interest at the exchange of One Hundred and Six and a half Madras or Bombay Rupees, for One Hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively.

8. The Accountant General of the Supreme Government may, on the application of Proprietors of Stock registered in the Books of Bengal, and for their convenience, make the Interest of such Stock payable at any other Treasuries of Issue under the Bengal or Agra Presidencies; but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

9. Stock of the Five per Cent. Transfer Loan opened by this Advertisement may be consolidated and divided, at the pleasure of the Proprietors, in the Books in which it is registered.

10. Proprietors of Six per Cent. Remittable Paper who may transfer into the Five per Cent. Loan now advertised, shall not be subjected on this operation to the fees prescribed in the Regulations for the Government Agency.

11. Proprietors of the Five per Cent. Transfer Notes issued under the Advertisement of this Department, bearing date 13th of October last, or their authorized Agents, will be permitted to transfer their property into the Book Debt Loan. Proprietors of Notes who may require the Interest to be paid at the General Treasury of Fort St. George, shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present their Notes to him to have an order for the payment of Interest at the said Treasury written on the face of them, under the signature of the said Officer, or that of the Deputy Accountant General. And after such order shall, on the application of the Proprietor, be inscribed on any Note, the Interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note with an application, for the purpose of transferring the payment to Bengal, to the Accountant General of Fort St. George, who, on such application being so made, will cancel the said order by a writing inscribed as aforesaid, under the signature of himself or his Deputy. A similar course will be followed, mutatis mutandis, in the case of Proprietors of Notes who may desire to have the Interest thereof paid at the General Treasury of Bombay.

9. The Proprietors of Acknowledgments, who may desire to have the interest of the Promissory Notes to be issued in exchange thereof, to be made immediately payable at Madras or Bombay, must express their desire to that effect on the face of the Acknowledgments before transmitting them to the Accountant General at Fort William, who will make the interest payable accordingly in the manner and subject to the conditions above stated.

But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established fees, transmit them to the Accountant General in Bengal, for the purpose of being renewed, or subdivided, free of all further expense. In other respects the practice and rules heretofore in use in regard to the renewal and subdivision of Promissory Notes will be adhered to.

7th. The several Officers authorised to receive Subscriptions will, on application from the Holders of Acknowledgments, transmit them (free of every expense whatever) to the Accountant General in Bengal, to be exchanged for Promissory Notes bearing interest from the 30th of June, or 31st December next ensuing after the date of subscription. The interest accruing on the broken period of the half year that may intervene between the date of subscription and the 30th of June, or 31st December next ensuing, as the case may be, will be paid up at the time of granting the Acknowledgment.

8th. Proprietors of Notes who may require the Interest to be paid at the General Treasury of Fort St. George shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present the Notes to him to have an order for the payment of interest at the said Treasury written on the face of them, under the signature of the said Officer or that of the Deputy Accountant General. And after such order shall, on the application of the Proprietor, be inscribed on any Note the interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note with an application for the purpose of transferring the payment to Bengal, to the Accountant General at Fort St. George, who, on such application being so made, will cancel the said order by writing inscribed as aforesaid, under the signature of himself or his Deputy; a similar course will be followed, mutatis mutandis, in the case of Proprietors of Notes who may desire to have the interest thereof paid at the General Treasury of Bombay.

9th. The Proprietors of Acknowledgments who may desire to have the interest of the Promissory Notes to be issued in exchange thereof, to be made immediately payable at Madras or Bombay, must express their desire to that effect on the face of the Acknowledgment, before transmitting them to the Accountant General at Fort William, who will make the interest payable accordingly, in the manner and subject to the conditions above stated.

10th. The Promissory Notes of this Loan shall not be renewed or subdivided, except by the Accountant General at Fort William. But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established fees, transmit them to the Accountant General in Bengal for the purpose of being renewed or subdivided, free of all further expense. In other respects the practice and rules heretofore in use in regard to the renewal and subdivision of Promissory Notes will be adhered to.

11th. The Notes of this Loan shall be advertised for discharge relatively to the 5 per Cent. Loans of 1825 and 15th January 1830, in the order of their date, and the several Notes of this Loan shall be advertised for payment in the inverse order in which they shall have been placed on the General Register, that is to say, the Notes last brought on the Register shall be first liable to be discharged. But all Notes advertised at the same time for payment shall become payable on demand, without regard to priority, at the expiration of the notice. Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices, and to discharge the Notes so subsequently advertised at the expiration of the notice relating to them, notwithstanding the Holders of Notes comprised in prior Advertisements may have omitted by themselves, or their Attorneys duly authorised, to apply for payment.

2. The Governor General in Council has been pleased to authorize the Government Agent at Fort William, and the Accountants General and the Sub-Treasurers at Fort St. George and at Bombay for the time being, to act under the responsibility of the Hon'ble East India Company, as Agents for the purposes hereinafter mentioned of the public Creditors of Government, whether residing in Europe or elsewhere. The Government Agent at Fort William is also authorized to act as Agent, for the purposes hereinafter mentioned, to absent Proprietors of Shares in the Capital Stock of the Bank of Bengal, and the Accountants General and the Sub-Treasurers at Fort St. George and at Bombay are also authorized to act as Agents, for similar purposes, to absent Proprietors of Shares in the Capital Stock respectively of the Bank of Madras and of the Bank of Bombay.

The Officers abovementioned are authorized to receive charge of, and to grant receipts in duplicate for, any obligations or Loan Acknowledgments of the Government of India, or for Certificates of Shares in the abovementioned Banks at their respective Presidencies which the Proprietor may wish to deposit with them, and the Accountant General and the Sub-Treasurer at Fort St. George are also authorized, on the application of the Proprietor, to receive charge of and to grant receipts in duplicate for Promissory Notes of the Government of Fort St. George issued on account of the Tanjore Debt. No Note or Certificate is to be received in deposit which shall not appear to be made out in the name of or be regularly endorsed to the person depositing it, or on whose account the deposit may be made. Persons desiring to deposit their Government Securities or Bank Share Certificates shall make their applications to the Government Agent at Fort William, or to the Accountant General and Sub-Treasurer at Fort St. George or at Bombay, in the Form hereunto subjoined No. 1, and the receipts of those Officers will be given in the Form No. 2.

4. The Officers abovementioned will receive the interest on any Government Paper, or the dividend on any Bank Share Certificates, which may be deposited with them, and will, according to the instructions of the Proprietor, either remit the amount of such interest to England in Bills to be drawn on the Hon'ble Court of Directors, if the interest shall be payable in such Bills by the terms of the Loan, or they will pay the amount of such interest or dividend at the Presidency, to any person nominated by the Proprietor to receive such payment. The Government Agent at Fort William will also, according to the instructions of the Proprietor, remit the amount of interest on such Government Paper as may be deposited with him to the Presidencies of Fort St. George or Bombay, by Drafts on the Public Treasuries of those Presidencies, or to any of the Stations subordinate to the Presidency of Fort William, by Drafts on the Collectors or on the Residents at Delhi or Lucknow according to the rates of exchange at which Government may draw at the time. The Accountant General and the Sub-Treasurer at Fort St. George will also, according to the instructions of the Proprietor, remit the amount of interest or dividend on such Government Paper or Bank Share Certificates as may be deposited with them to any of the Stations subordinate to the Presidency of

Fort St. George by Drafts on the Collectors, Commissioners or Residents, according to the rates of exchange at which Government may draw at the time. The Accountant General and the Sub-Treasurer at Bombay will also, according to the instructions of the Proprietor, remit the amount of interest on such Government Paper as may be deposited with them by Drafts drawn upon any of the Civil Treasuries subordinate to the Presidency of Bombay, according to the rates of exchange at which Government may draw at the time. The instructions as to the manner in which the interest or dividend is to be paid must be made out according to the Forms hereunto subjoined, Nos. 3, 4 and 5, which are adapted to the several cases above specified, and the Power of Attorney for drawing the dividends on Bank Share Certificates must be made out according to Form No. 6. The Proprietor will be at liberty to substitute one of these modes of receiving the interest or dividend for the other as often as he shall think fit, provided that the fresh instructions be furnished one month before the day on which the interest may fall due. Persons having more Promissory Notes or Bank Share Certificates than one in deposit may give separate instructions regarding the interest on each Note, or the dividend on each Certificate, but the whole of the interest or dividend on each Note or Certificate must be received in the same manner and at the same time.

5. When the Principal of any Government Paper so deposited shall become payable, the abovementioned Officers will, according to the instructions of the Proprietor, either pay the amount with interest due upon it to such person as may be appointed to receive the payment, or they will reinvest it in any other Loan to which it may be subscribable at the time, or in the purchase of other Obligations or Loan Acknowledgments of the Government of India, or of Shares in the Capital Stock of the Banks abovementioned at their respective Presidencies in the market at the current price of the day. The Accountant General and the Sub-Treasurer at Fort St. George will also, according to the instructions of the Proprietor, re-invest the amount in the purchase of Promissory Notes granted by the Government of Fort St. George on account of the Tanjore Debt. The instructions for these purposes must be made out according to the Forms hereunto subjoined Nos. 7, 8, and 9, which are adapted to the several cases above specified. The Proprietor may at any time substitute one of these modes of disposing of the Principal for the other, provided that the fresh instructions be furnished one month before the day on which the principal falls due. Persons having more Notes than one in deposit may give separate instructions regarding each Note, but the whole amount of each Note must be disposed of in the same manner and at the same time.

6. If any Loan be opened by the Government into which the Paper deposited may be receivable, the Officers abovementioned are authorized to subscribe the Paper so deposited to such Loan, upon receiving the instructions of the Proprietor for that purpose, although the Notes may not be in course of payment: instructions for this purpose must be made out according to the Form No. 10.

7. The Officers abovementioned are authorized to receive remittances in Government Bills only from individuals desiring to purchase the Public Securities or Bank Shares for deposit with them, provided such Bills shall be payable at the General Treasury, or Presidency Pay Office at Fort William if remitted to the Government Agent at Fort William, and at the General Treasuries or Government Agent's Offices at Fort St. George and Bombay if remitted to the Accountants General and the Sub-Treasurers at those Presidencies. The Officers abovementioned are authorized to invest the amount of such remittances according to the instructions of the Proprietor, either by subscribing the amount to any Loan which may be open for the receipt of cash, or by purchase in the market at the current price of the day. Instructions for the purpose shall be made out according to the Forms hereunto subjoined Nos. 11 and 12.

8. The Officers abovementioned are further authorized to invest the amount of interest or dividends due on Paper deposited with them in either of the modes mentioned in the last Clause upon receiving the Proprietor's instructions for that purpose: such instructions must be made out in the Form hereunto subjoined No. 13.

9. The same Officers are further authorized at any time, on receiving proper authority and instructions from the Proprietor for that purpose, to endorse any one or more Promissory Notes or Bank Share Certificates deposited with them as Attorneys of the Owner to such person as he shall direct, or to sell the same on the Owner's account at the current price of the day, and to pay over the proceeds in cash at the General Treasury to such person as the Proprietor may appoint to receive the same, provided that the whole amount of each Note or Bank Share sold shall be payable in one sum and to the same person. They are also authorized, on receiving proper instructions from the Proprietor, to reinvest the proceeds of Paper so sold in the purchase of other Paper. Any fees which may have become due according to the rates hereinafter prescribed upon the Paper required to be endorsed are to be paid before the endorsement is made, or in case of the sale of the Paper the fees shall be deducted from the amount proceeds before it is paid over. The Power of Attorney to endorse or to sell Government Securities must be made out according to the Form No. 14, the direction to endorse according to the Form No. 15, and the direction to sell and dispose of the proceeds according to the Forms Nos. 16 and 17. The Power of Attorney to sell, assign or transfer Bank Shares, must be made out according to the Form No. 18.

10. If Government should at any future period grant a remittance of the principal of any Paper deposited under the terms of this advertisement, the Officers abovementioned will remit the principal upon receiving instructions from the Proprietor to that effect: such instructions must be made out according to the Form No. 19. The Proprietor may at any time withdraw the Government Securities or Bank Share Certificates deposited, or any part of them, from the charge of the abovementioned Officers, and such Securities or Certificates will be delivered up to the Proprietor himself, or to any other person whom he may authorize to receive them, upon payment of such fees as may have become due to the Government Agent or to the Accountant General and Sub-Treasurer according to the rates hereafter specified upon the Paper so required to be delivered up. The authority to receive deposited Paper must be made out according to the Form No. 20.

11. In each of these cases on which the Officers abovementioned are authorized to invest money in the Public Securities or in the purchase of Bank Shares, it is to be understood that they will invest as nearly as possible the whole amount, but that they are in no case and upon no account to exceed it. Such fractional sums as may remain in their hands above the amount invested will be payable on demand at the General Treasury to the order of the Proprietor. Such order is to be made out according to the Form No. 21.

12. The full postage must be paid on all letters directed to the Officers abovementioned, and the full postage on all letters from them will be charged to the persons to whom they are addressed. All letters addressed to them are to be superscribed in the following manner:—

"To the Government Agent for the time being, Fort William," or

"To the Accountant General and Sub-Treasurer, Fort St. George," or

"To the Accountant General and Sub-Treasurer, Bombay," as the case may be.

13. The responsibility of the Hon'ble Company is strictly confined to the cases above specified, and to such transactions as shall be conducted according to the prescribed Forms. These Forms will be printed and furnished in blank at the different Presidencies and at the India House to persons desirous of availing themselves of the Agency of the Public Servants, and no other than the Forms so furnished will be received or acted upon by those Officers.

15. Such Fees or Commission as may have become due on any of the abovementioned transactions from any person depositing Paper will be deducted by the Government Agent at Fort William, or the Accountants General and Sub-Treasurers at Fort St. George and Bombay, from the first interest or dividend received by him or them from any Paper in deposit belonging to such person, but if these Officers shall in any instance omit to deduct their Fees or Commission from the interest or dividend coming first to their hands, they shall not be at liberty to make the deduction at any future period.

16. Government reserves to itself the liberty of withdrawing the authority hereby granted to the Government Agent at Fort William and to the Accountants General and the Sub-Treasurers at Fort St. George and Bombay, upon giving two years' notice of their intention so to do in the *Calcutta Gazette*, and at the expiration of such notice those Officers will cease to act in the concerns of individuals, but any Paper which may have been deposited with them will remain for safe custody at the General Treasuries until claimed by the Proprietor.

COMMERCIAL TABLES.

TABLES OF MONEY, WEIGHTS AND MEASURES.

MONEY.

12 pice, or pies, *make* 1 anna,
16 annas ,, 1 rupee,
3½ rupees exchange in account for 1 pagoda.

A lac of Rupees is 100,000 : a crore of Rupees 100 lacs, or 10 millions.

Accounts were formerly kept in Madras in Star Pagodas, Fanams, and Cash, viz.

80 Cash to 1 Fanam ;

42, 44 or 45 Fanams, 1 Star Pagoda.

Government, the Banks, and all the Houses of Agency kept their accounts at 42 Fanams the Star Pagoda : the Shops and Bazars at 44 or 45.

The Star Pagoda exchanged in the Bazar for about 45 Fanams, but it fluctuated according to circumstances.

The coins in circulation were the Star Pagoda, the Arcot Rupee—3½=1 Star Pagoda ;—(it exchanged in the Bazar for 12 Fanams 60 Cash ;) the double and single Fanam, and the Doodie, 8 of which =1 Fanam.

There was also a copper coin sent out from Europe of 20, 10, 5, and 1 Cash value, the latter being worth 6,75ths, or about the 9th part, of a farthing.

The Currency was altered in January 1818, by a Proclamation which constituted the Silver Rupee the standard coin. To this the public accounts were all converted at an exchange of 350 Rupees per 100 Pagodas ; and the new Silver coinage was made to consist of Rupees, Half and Quarter Rupees, Double and Single Annas, the Rupee containing 165 grains of pure silver and 15 grains of alloy, and weighing 180 grains, and the other Coins bearing the due proportion to the same.

The Act of the Legislative Council of India (passed in 1835) assimilating the currency over the Country, changed the design, but left the new coinage of a precisely similar value to that of Madras according to the above Regulation.

WEIGHTS AND MEASURES.

The Weights and Measures given in the two following Tables were directed by Proclamation, dated Fort St. George, October 16, 1846, to be used exclusively in the Public Departments throughout the Madras Presidency, and all the Public Accounts are now kept therein.

LAND MEASURE.

Land is usually measured with Gunter's chain of 100 Links, or with a rod of 10 feet, and reduced to Cawnies, Grounds and Square feet, agreeably to the following table :

60 feet long and 40 feet broad, make 1 ground or maunie, containing 2,400 square feet.

24 Grounds, or Maunies, make one Cawnie, equal to 57,600 square feet.

The Indian Cawnie is in proportion to the English Acre as 1 to 1,3223, or as 121 is to 160.

To reduce Indian Cawnies to English Acres, multiply the given number of Cawnies by 160, and divide the product by 121, the quotient will give the number of Acres, and the remainder be the fractional part of an acre. Or multiply the Cawnies by 1,3223, and the product, (cutting off 4 places to the right hand) will be the same, and the figures so cut off are the decimal part of an Acre.

CLOTH MEASURE.

The Covid in Cloth Measure is 18 Inches, but the English yard of 36 Inches is generally used.

BOAT AND CATTAMARAN REGULATIONS, &c.

Rules and Regulations subsidiary to Act No. IV. of 1842, "for the better management of Boats and Cattamarans in the Madras Roads, and for the amendment of certain Harbour Regulations," and to the Rule, Ordinance and Regulation commonly called the Marine Police.

[*The above mentioned* Act *is given in the* Madras Almanac *for* 1843, *page* 390.—Compiler.]

1. It is hereby notified that beneath the Master Attendant's Office on the Beach, is an Office where Boats and Cattamarans can be procured, and where Registers of all Licensed Boats, Cattamarans, and their respective Owners, and Crews, are kept, and are open to public inspection, and in which copies of the Act No. IV. of 1842, for the better management of the Boats and Cattamarans, and for the amendment of certain Harbour Regulations, are suspended.

2. If a Boat or Cattamaran is required for any extraordinary service to a

Ship or Vessel, either at anchor or under way beyond the limits of the Port, then the amount of hire which may be demanded may be referred to the Master Attendant or his Deputy for adjustment.—N.B.—For the purposes of the foregoing Rule, a Ship at anchor in, or beyond 10 fathoms, and a Ship at any distance under sail beyond that depth of soundings in any line of bearing from the Master Attendant's Flag Staff, shall be considered as without the limits of this Port.

3. In cases of great emergency, by night or by day, the Owners of Boats and Cattamarans kept for the purpose of being let out on hire, shall aid and assist the Master Attendant and his Deputy by every means in their power, and shall induce the Boat men and Cattamaran men to perform the service required, and when great personal risk shall have been incurred, or arduous services performed, and those on whose account such duties are undertaken refuse to remunerate the Crew for the same, the Master Attendant will bring the merits of the case to the notice of Government.

4. The Boat and Cattamaran men are not to be employed on board any Ship or Vessel in these Roads: any wilful breach of this Regulation will be considered desertion and neglect of duty, and will render the persons offending liable to the punishments provided for such desertion and neglect by Section 15 of Act No. IV. of 1842.

5. All Owners of Boats and Cattamarans, and all other persons, either belonging to any Ship or Vessel in the Madras Roads, or to the Boats and Cattamarans to be let on hire, are cautioned against the transhipment of any goods or passengers or ballast without first obtaining a permit from the Collector of Sea Customs or his Deputy, any person or persons found guilty of any such transhipment being liable to the penalties provided in Section 23 of the Marine Police Regulations.

6. All Owners of Boats and Cattamarans must make known to their respective Crews the full intent and purport of the several port signals, which, as occasion may require, will be displayed at the Master Attendant's Flag staff, especially the recall signal for all Boats and Cattamarans, which is a white pendant with a red ball; and when this signal is hoisted, all Boats and Cattamarans must immediately repair to the Shore.

7. The Crews of Boats and Cattamarans kept for the purpose of being let on hire shall not be changed or transferred from one Boat or Cattamaran to another, without the sanction of the Master Attendant.

8. The Accommodation Boats shall be kept in the same good order as heretofore, and are always to be provided each with an awning, and with seats and cushions, and in case they shall not, in the judgment of the Master Attendant, be kept in proper order, the Owners shall be deprived of their Licenses until the same shall be put in proper order for the reception of Passengers.

9. All Owners of Boats and Cattamarans are to make known to their respective Crews, that the Officer or Peon in charge of the Police or Revenue Boat, is authorized and empowered by Section XIX. of Act No. IV. of 1842, to stop, search, and detain any Boat and Cattamaran plying to and from the Ships and Vessels in the Roads, and that all Boat men and Cattamaran men who may impede or obstruct any Police Officers in the execution of his or their duty, will render themselves amenable to the penalties provided for in Section XIX. of the above recited Act.

10. Should any difference or dispute arise between the Owner or Owners of Boats and Cattamarans let on hire, and any person or persons hiring the same, as to the amount of hire for services performed, the party or parties may refer the case for adjustment to the Master Attendant or his Deputy, in which case each party shall sign a paper agreeing to abide by the decision of the said Master Attendant or his Deputy, and such paper shall be retained in the Office of the said Master Attendant.

THE HUGH LINDSAY.

MADRAS, MARINE BOARD OFFICE, *18th February* 1850.

The following are the Regulations under which private passage and freight are assigned in the Honorable Company's Steamer "Hugh Lindsay," in supersession of all those previously promulgated.

1. All applications for passage or freight are to be made to the Master Attendant, to whom the charges are to be paid in advance, and who on such payment will grant an order for the reception of the passengers or goods, as the case may be, four clear days before the intimated departure of the Steamer. At out-ports application is to be made to the Commander, who is instructed to receive as many passengers and as much freight as there may be space for, on payment in advance of the stipulated charges.

2. All applicants will be registered on payment of one half the charges in advance, and will be thereby entitled to cabins according to priority of registry; and should it occur that there are a greater number of registered applicants than accommodation available, the earnest will of course be returned to all those who cannot be received from this cause.

3. No second class cabins being available, Warrant Officers, Clerks or others, and their families proceeding as deck passengers and messing with the Engineers or Warrant Officers, will be required to pay

Warrant Officer or Clerk, per diem	Rs. 3	Child above 7 and under 16	Rs. 2
Wife or female connexion of ... do		Do. under 7	„ 1
Staff Non-Commissioned Officer, do	„ 2	In arms	Free.
Wife or female connexion of .. do			

All payments on this account are to be made in advance to the Commander in cash.

4. The charges will be according to the appended scale payable in advance; and in the event of a passenger embarking for a port to which the Steamer is not bound direct, such period as may be occupied in the prosecution of the voyage from and back to the point of embarkation will be charged at the rate laid down for lay-days.

5. Cabin and quarter deck passengers will be each entitled to take 5 cwt. of baggage, and one servant free of charge, except for diet, which will be at the rate of

12 Annas per diem for an European.
6 Annas „ Native.

All servants in excess of one to each passenger, will be charged as deck passengers according to the scale of private passage.

6. Deck passengers will be permitted to take one box measuring five cubic feet, and one bed not exceeding two feet six inches in breadth, which must be rolled up during the day.

Each servant will be allowed to take the same quantity of baggage as a deck passenger.

7. All baggage in excess of the amount mentioned in the two preceding articles, must be paid for at the regulated freight.

8. Cabin and quarter deck passengers will be messed at the table of the Commander, or if preferred at that of the Officers. Deck passengers will make their own arrangement for messing, the Ship providing wood and water, with the exception of servants, who will be charged according to the scale.

9. The space available for stowage being limited, no bulky articles will be received on board; and it is particularly requested that the address may be written so as not to be easily effaced. Parties shipping freight are requested to make arrangements for its being landed immediately on the vessel's reaching her destination. If not applied for during the first twelve hours at out-ports or twenty-four hours at Madras, it will be landed at the Custom House at the risk and expense of the shipper.

10. Horses and dogs are most positively prohibited to be received on board.

By order.

The Company's Steamers start from Calcutta on the 8th, and Sandheads on the 10th of every month, and arrive at Madras about the 13th, except in May, June and July, when they start on the 3d from Calcutta and on the 5th from the Sandheads and arrive at Madras about the 9th. From Calcutta they call at Madras, Ceylon and Aden, at which last place, they receive the passengers and Mails (brought

so far by the H. E. I. Company's Steamers) from Bombay. From Aden they proceed to Suez. On landing at Suez, generally about the 7th of the month, passengers are conveyed through Egypt by the Transit Administration of His Highness the Pacha of Egypt, and on arriving at Alexandria, embark on board the Company's Steamer for England, which conveys them to Southampton, calling at Malta and Gibraltar. There is now no quarantine upon this line of Steamers, and Passengers are allowed to land at once at Southampton. The Steamers from Bombay meet this line of Steamers at Ceylon, and convey Passengers for Penang, Singapore and Hong Kong.

The rates to Malta and Southampton include the expense of Transit through Egypt, and in all cases they include fees, a handsome table, wines and beer, and use of cabin furniture, bedding and linen, with the exception of hotel expences. Additional charge will be made for extra accommodation.

General Rules and Conditions relative to the Conveyance of Passengers.

BAGGAGE.—1st Class passengers are allowed, on the Company's Steamers only on either side of the Isthmus, 3 cwt. of *personal* baggage, free of freight, and Children and Servants 1½ cwt. each. A passenger paying for a whole cabin, will be entitled to take in the Steamers free of freight, one half more baggage than the regulated allowance.

EXTRA BAGGAGE.—The charge for conveyance of extra baggage, should there be room in the vessel, is at the rate of £2 per cwt. between India and Suez, and 1£ per cwt. between England, and Malta, or Alexandria.

Passengers to England will have to pay the Egyptian Transit Administration in Egypt 16*s.* per cwt. for conveyance of baggage through, should it exceed for 1st Class passengers 2 cwt. each, and Children and Servants 1 cwt. each. For the convenience of stowage, and facility of carriage through Egypt, passengers are strongly recommended to adopt trunks or portmanteaus of the following dimensions, viz.—length 2 feet 3 inches; breadth 1 foot 2 inches; depth 1 foot 2 inches; and to have their names, and the port of debarkation, distinctly painted on each package. No package or baggage should exceed 80lbs. weight, otherwise it may be delayed in Egypt. Passengers taking articles of merchandize in their baggage will incur the risk of seizure by the Customs' authorities in Egypt.

The Company do not hold themselves responsible for detention, damage, or loss of baggage.

The rates of passage include bedding, linen, and the use of Cabin furniture and fittings, provisions, wines, and all other usual necessaries and refreshments, which are provided at the Company's expense, together with the attendance of experienced male and female servants.

The cost of the Transit through Egypt is also included in the rates of passage money, and will be defrayed by the Company, with the exception of wines, spirits or hotel expenses—*and conveyance* of extra baggage.

NOTICE TO PASSENGERS RESPECTING THE CONVEYANCE OF PARCELS.—As the allowance of baggage is on a liberal scale, and the freight on parcels moderate, it is hoped that passengers will not convey in their baggage parcels or packages belonging to other persons, to the prejudice of the Company's interests. Passengers taking parcels in their baggage will incur the risk of seizure by the Customs' authorities, and of detention for freight by the Company's Agents.

All parties concerned are requested to take notice, that the Company will not hold themselves liable for any damage, or loss of luggage, baggage, or passengers' goods or parcels, nor for detention or delay, in the delivery thereof, arising from accident or from extraordinary or unavoidable circumstances; or from circumstances arising out of or connected with the employment of the Vessels in Her Majesty's Mail service.

MARINE BOARD NOTICE RESPECTING THE LIGHT HOUSE.

Marine Board Office: Madras, 9th October 1843.

Notice is hereby given, that on and after the 1st day of January 1844, a Light will be exhibited on the new Light House erected at Madras immediately to the Northward of the Walls of Fort St. George; and that on and after the said 1st day of January 1844, the Light heretofore and now exhibited on the Old Light House within the Walls of Fort St. George, will be discontinued. The New Light (to be exhibited) will be elevated 128 feet above the mean level of the Sea, and may be seen from the Deck of a Ship at the distance of 20 miles. The Light is of the "Flashing Description" and the duration of the Flashes to that of the Eclipses or Dark periods is in the ratio of 2 to 3,—but as the nature of the Motion is Reciprocating instead of Rotatory, the above ratio merely expresses the average proportion of the Light and Dark intervals, which are themselves variable according to the position of the spectator. The rapidity of movement is so adjusted, that the duration of the Flashes will vary from 0″ to 48″, and that of the Eclipses from 0″ to 72″ the sums of the duration of Light and Darkness bearing however, in every position, the constant ratio of 2 to 3. From the South Eastern extremity of the Pulicat Shoal the New Light House bears S. 23° W., and is distant 13 miles; but no Ship or Vessel when hauling in from the Northward for the Madras Roadstead should bring the Light to bear to the Southward of S. 28° W., or S. S. W. ½ W.,—unless her position is well ascertained. Commanders of Vessels are hereby warned of the serious risk they incur by incautiously approaching the dangerous vicinity of the Pulicat Shoal, as hazy weather or other causes may obscure the Light,—true soundings therefore and a vigilant look out are imperatively called for. The limits of the Madras Roadstead (in 8 or 9 fathoms) are comprised within the following bearings, viz. from the Northward the Light House will bear S. 56° W., and from the Southward N. 81° W. or from S. W. b. W. to W. ¾ N.

The New Light House at Madras is in Latitude 13° 5′ 10″ North, and in Longitude 80° 20′ East of Greenwich.

Published by order of the Marine Board at Fort St. George.

Public Letters.

Fort St. George; General Post Office, 1*st June* 1840.

Notice is hereby given, that arrangements have been made to despatch the Mails positively at 8 o'clock P. M. daily, from this date, as enjoined in Section XXV of the Rules for the management of the Post Office Department, passed by the Governor General of India in Council on the 30th August 1837, but the receipt of several Letters from some of the Public Departments at the Presidency, at a very late hour in the evening, being calculated to impede or frustrate the design, the Post Master General requests, that all Public Letters may be delivered daily into the General Post Office before 6 P. M., and begs to intimate, that Letters put into the General Post Office after that hour, unless in case of great emergency, the same being communicated by an Official Memorandum from the Head of the Department to the Post Master General, will be detained at the Office for transmission by the following day's Mail.

Fort St. George; General Post Office, 4*th June* 1840.

Para. 1. Under instructions from the Honorable the Court of Directors, communicated through Government, it is hereby notified, for general information, that all Letters and Newspapers for the United Kingdom, except Soldiers' and Sailors' Letters, and except those specifically marked "viâ Falmouth,"* will be forwarded through France. Soldiers' and Sailors' Letters, certified by their Commanding Officers, will be forwarded by way of Falmouth, whether so directed or not, as if sent through France they become liable to a heavy rate of postage; and Letters and Newspapers specially marked "viâ Falmouth" will be forwarded as indicated by such mark.

* Read *Southampton*, that being now the port of arrival and departure of the direct Overland Mails.—Compiler.

2. Letters for the United Kingdom weighing less than a quarter of an ounce, and passing through France, are charged single postage, which amounts to 2*s.* 8*d.* or 1 r. 5 as. 4 p. By the Falmouth route, Letters of half an ounce in weight are subject to single postage only, which has been reduced to one shilling, or 8 annas. Newspapers if sent viâ Falmouth are free of postage, but if transmitted by the way of Marseilles, they are charged 3d.

3. Newspapers or Gazettes sent by the Public Officers to the Authorities in England should be left open at the ends, in order that they may not be charged as Letters.

4. All printed publications which may be sent to the Authorities in England should be transmitted as enclosures to the Letters from Government.

THE OVERLAND MAILS.

POST OFFICE NOTIFICATION.

Fort St. George; General Post Office, 20*th November* 1846.

1. The arrangements for the conveyance of the Mails direct between Madras, Suez, and other Ports being now in operation, the scale of British Steam Postage and British Packet Postage chargeable on letters is as follows, viz.

On every letter not exceeding ½ an ounce weight.....8 As. or one Shilling.
On do. above ½ and not exceeding 1 ounce.....1 Rupee or two do.
On do. above 1 oz. and not exceeding 2 ounces.....2 Rs. or four do.
On do. above 2 oz. and not exceeding 3 ounces.....3 Rs. or six do.
and so on increasing one Rupee or two Shillings for every additional ounce weight, or any fraction thereof.

2. British weights not being in general use in this country, the following Coins of the Hon'ble Company's currency are recommended as the best substitutes.

In lieu of ½ an ounce, one Rupee and one Copper Pie.

In lieu of 1 ounce, two Rupees and two Pice.

3. Letters weighing half an ounce are reckoned as single; and such as weigh one ounce are double.

4. Letters for places on the Continent of Europe; letters directed to any place to which Great Britain does not necessarily form a channel of communication; and letters forwarded viâ Marseilles, Malta or Alexandria, are subject to Red Sea (Steam) Postage. All such letters must, as heretofore, be prepaid in India, but if endorsed viâ "Southampton" they may be forwarded "bearing," and if directed to an Agent in England they may be prepaid.

5. No Steam Postage on letters for the United States, nor to British Colonies in America or the West Indies, can be prepaid in India, whether sent by way of Marseilles or viâ Southampton, unless they are addressed to Agents in Great Britain.

6. The same rule applies equally to letters despatched through Marseilles for places in England, Scotland, Ireland, Wales, and all the British Islands.

7. Letters for places in the United Kingdom, superscribed to the care of any person in Egypt, must be prepaid: at the rate of the regulated Red Sea postage.

8. No Steam Postage is chargeable in India on Newspapers received from and despatched to England, or from one British Indian Port to another. Inland Postage, however, to and from Bombay or Stations in the interior, must be paid.

9. *Pamphlets* are charged Steam Postage with reference to letter weight: thus a Parcel containing one or more Pamphlets is liable to be charged just as letters are, according to weight.

10. The optional prepayment of Steamer Postage applies to letters sent by the Southampton route to places within the United Kingdom and vice versa, and between British Indian Ports.*

11. All letters posted or received at the General Post Office for transmission to Europe by the Overland Mails, whether direct or viâ Bombay, will be sent by way of Marseilles unless they are superscribed viâ "Southampton."

12. The Inland (Indian) Postage is quite distinct from Steam Postage: Inland Postage must be paid in advance by the sender at the Posting Office, on letters forwarded from Out-Stations to Madras or Bombay, or from either one Presidency to the other for transmission by the Steamers.

The word "Paid" therefore should be written only on letters the Steam Postage for which senders intend to Pre-Pay.

13. British Packet Postage will be levied on all Price Currents and Newspapers conveyed between any port of the Madras Presidency and any port in the East Indies, China, &c. by the Contract Steamers from Madras.

14. British Packet Postage will be levied in addition to any Inland Postage at the following rates, viz.:

	S.	D.	Rs.	A.	P.
On every Newspaper addressed to a Foreign Port, such as Manilla, Canton, &c.			0	1	0
On every Price Current or Printed Commercial List, conveyed to a British Port			0	0	8
On the same addressed to a Foreign Port			0	1	0
			0	0	8
			0	2	0
			0	1	4

15. Letters and Pamphlets addressed to a Foreign country or possession, such as China, Manilla, &c., must be paid in advance.

16. The postage chargeable on Newspapers and Prices Current or Printed Commercial Lists must in all cases be paid in advance.

17. Each Newspaper, or Price Current, or Commercial List, must be put under a separate cover. The Post Office will not receive two or more enclosed in one cover.

18. No letter exceeding 12 tolas (a fraction under 5 ounces) in weight can be transmitted per Letter Mail, but if forwarded by Government Banghy Post or otherwise to Bombay or Madras it may thence be despatched by the Steamer.

19. Letters and Papers from Out-Stations intended for despatch by the Overland Mail from Madras should be superscribed "Per Steamer viâ Southampton," or else "Per Steamer viâ Marseilles." In order to avoid mistakes the name of the country, as well as the name of the town therein, should be marked on the superscription.

* Letters may be sent bearing only to places with which there is direct communication by packets: all others must be *pre-paid*. See P. M. G.'s Notification, dated 5th August 1847. —Compiler.

20. Letters posted in Madras for despatch by the Bombay route should be marked "viâ Bombay."

21. According to the rules of Steam postage the *single letter* is a letter of half an ounce weight; but the Inland postage is reckoned by the tola weight: the quarter tola continues to be weight of a single letter for Inland postage to Bombay.

22. An extra charge of 8 annas for every half tola weight is made on letters sent by the Overland Express from Madras to Bombay. No letter weighing more than one tola weight can be forwarded by the Express. Thus for instance a Prepaid Steamer letter of one tola weight posted in Madras for transmission viâ Bombay would be charged with postage amounting to Rs. 2 2 a. 0 p. viz.

			Rs.	A.	P.
Ordinary	Inland	postage	0	10	0
Express	do.	do.	1	0	0
Steam	do.	do.	0	8	0
		Total Rs.	2	2	0

23. In closing Overland letters *wafers* ought always to be used, instead of sealing wax.

24. On the day of closing the Mail for Suez for transmission by the P. and O. Company's Steamers letters will cease to be received at the Receiving Houses at Vepery, Royapettah, Mount Road and Black Town, two hours before the time indicated at the Fort Flag Staff for closing the Mails at the General Post Office; and the Public are recommended, if possible, to post their letters at the General Post Office on that day.

25. Much inconvenience having been experienced by applicants who crowd the Office within the latest hour fixed for receiving letters, it is particularly requested that the letters be put in early to prevent disappointment.

26. No Packet or Package will be received at the General and Subordinate Post Offices for transmission by the contract Steamers.

27. Letters from the interior should be despatched, so as to arrive at Madras a day previous to the date mentioned in the Advertisement as the expected time of arrival of the Steamers in these roads.

28. No letter or newspaper will be received at the General Post Office (excepting Government despatches) after the hour indicated at the Fort Flag Staff for closing the Mails.

MARS MORPHETT, *Deputy Post Master General.*

† affixed to any name denotes that there is no Post Office at that Station: letters to it must therefore be sent to the nearest Post Office, which is mentioned under parenthesis.

The average time occupied in the travelling of the Dawk, Banghy, and Express Mails from Madras to the several Post Office Stations throughout India might have been approximately shewn in the Schedule, but as great disparity in the rate of running occurs from causes beyond the control of Runners—such as the state of the weather, rivers, nullahs, the accidents incident to night travelling, and the detention of Mails at a Post Office at a point of junction, or where several Mails from different roads meet together to start at a given hour—it was considered preferable to omit it, rather than embody the same inaccurately in a Schedule that may be relied on as correct in all other particulars, for the information which it affords for the guidance of the Post Office Department and the Public.

PALANKEEN BEARERS' REGULATIONS.

Fort St. George, *March* 3, 1846.

The following revised Rules for the employment of Palankeen Bearers, to have effect from the 15th Instant, are published for general information.

Regulations for Palankeen Bearers employed at Madras and its vicinity.

Para. 1. Palankeen Bearers of all descriptions (9) nine in a set to be paid, exclusive of the Palankeen, at the rate of (3½) three Annas and half each per day, or Rupees (6) six for a month, allowing the Head Bearer seven (7.)

2. The daily hire of Palankeen Bearers is (3½) three Annas and half each. If employed for four hours or a shorter period, they are only entitled to half hire, but if above four hours, then they are entitled to full hire—their employment in any other manner must be by agreement between them and the party requiring their services.

3. Palankeens duly numbered are stationed at the places specified in Table A, and all persons, hiring a Palankeen and Bearers, will be enabled to ascertain the particular Palankeen and Bearers he may employ, and in the event of any loss of property or misconduct on the part of the Bearers, the number of the Palankeen should be immediately reported, with the matter of complaint, to the Post Master General or his Deputy, or to either of the Police Offices.

4. A set of Bearers, required to go beyond the precincts of Madras or Saint Thomas' Mount, Palaveram, Poonamallee, Red Hills, and Ennore, or any place not exceeding 12 miles, if supplied by the Public Authorities, shall consist of (10) ten, but if required for a greater distance of (12) twelve.

5. Bearers, hired to go beyond the precincts of Madras, to be paid according to the distance, calculating the rate of hire at (3½) three Annas and half each, for every 10 English miles.

6. If a person, going beyond the precincts of Madras, remains at a place, he must, for the first day, pay each Bearer (1) one Anna batta. If he remains more than one day, he must pay each Bearer (3½) three Annas and a half per day.

Regulations for Posted Bearers.

7. Travellers within the frontier will be furnished with Dawk Bearers, on application to the Post Master General, or his Deputy at the Presidency, between the hours of 10 A. M. and 5 P. M., or at all hours on emergency; and at out stations to the Collector or Assistant Collector, Post Master or other Authority, duly notified in the Fort Saint George Gazette, stating the places at which they will halt, and the number of hours they will remain at each place. The Officer addressed will receive the deposit mentioned in para. 8, order the Bearers to be posted through the different Authorities, and inform the Applicant in the event of any difficulty being experienced in laying his Dawk. In some places 10 days notice will be requisite. Officers laying the Dawk will furnish the Traveller with a list of places where the Bearers are posted in his district, and the same rule will be observed by each Authority on his entering his range.

8. To protect Government from loss on account of demurrage, and to provide Bearers for the convenience of the Travellers, the application for a Dawk, in the case of Travellers not belonging to the Madras Presidency, or the Civil and Military Services, should be accompanied by a sum, as a deposit, equal to 6 Annas per mile for the whole distance the Dawk is to be laid, or the security of an House of Agency for the payment of the requisite deposit, when called upon, will answer the purpose; but an assurance in writing, from those connected with this Presidency or United Service of being answerable on demand for

any extra charge that may be incurred, will, at the discretion of the Post Master General or any local Authority, be considered as equivalent to cash deposit,—otherwise it will not be attended to, and the Public Authorities are prohibited from issuing instructions to post Bearers until the deposit or a reference to payment has been made. Of this amount (1) one Anna per mile will be deducted on account of the Bearer Fund, and the remaining (5) five Annas paid to the order of the Traveller, should no charges of batta be incurred by him.*

9. When the Traveller proceeds by Dawk, beyond the Frontier, he will be required to pay as a deposit, to cover any additional expences, (1) one Rupee for every 2 miles.

10. Each Traveller is henceforth required to pay the Bearers the regulated hire, personally, on his arrival at the stage, according to the Memorandum which may be furnished to the set, by the Collector, Post Master, Superintendent of Police, or other Officer on whom the duty of posting Bearers may devolve; but all demands on account of demurrage shall first be submitted to the Post Master General for adjustment.

11. At the conclusion of the Dawk, the Traveller is requested to countersign each of the lists of stages furnished to him, and return the same, post not paid, to the Authorities respectively who issued them, from the nearest Post Office, for official record, noting upon them any cause of complaint, which will be attended to. If the document is to be returned to or at Madras, it should be sent to the Post Master General. The Post Masters in the interior will be authorized to remit the postage charged on these documents.

12. If Bearers are detained on the road, they are to receive (1) one Anna each for the first day, and (3½) three and half Annas for each succeeding day, from the party for whom they are posted, whether they are used or not, and after remaining 3 full days they will be discharged and without further instructions return to their homes, unless notice is given for their further retention, and the party ordering them will be charged with batta for the same, and in addition to half hire for going out and returning both inclusive. Bearers carrying an empty Palankeen shall be entitled to (1) one Anna and (6) six Pice per mile, for the distance they convey the same, in addition to travelling hire to which they may be entitled under these Rules.

13. All applications on the subject of posting Bearers (except when made on service by one Public Officer to another) shall be post paid, and superscribed "Bearer Service," in order that no delay may occur in their being opened by the proper Authority. If this rule is infringed, the Traveller will be held responsible for any charge that may be incurred consequent thereon.

14. A set of Dawk Bearers will comprise fourteen men, viz. twelve Palankeen Bearers, one Masaljee, and a Cowry Cooly, for which the charge shall be at the rate of (5) five Annas per set, except in the Provinces, for every mile they carry a loaded Palankeen, exclusive of the charge for torch and oil, and this charge shall be the same, whether a Cowry Cooly be employed or not. As Cowry Coolies are not to be procured in some places 2 Coolies will be employed, and a charge made for the second at the rate of 4 P. 28½ cent. per mile. The charge for torch and oil, at the rate of (8) eight Annas for 20 miles, should be paid by the Traveller on his arrival at each stage. No gratuity is to be awarded to the Bearers by the Traveller.

* With reference to this para. the following Notification was published by the Post Master General on the 17th July 1840.—Compiler.

"With reference to para. 8 of the revised Regulations for Posted Bearers, it is hereby notified, that the existing practice of levying the Bearer Fund from Officers in Government employ after arrival at the relay or station, has been attended with inconvenience, trouble and unnecessary correspondence; to save which, the aggregate amount of Bearer Fund will henceforth be levied in advance for the whole distance the Dawk is laid, as far as lies within the Madras Territories, by the Authorities by whom the Dawk is laid.

C. P. Brown, *Post Master General.*"

15. The rate of hire to be paid to the Bearers in the Provinces will be fixed by the local Authorities. When Bearers are brought from a distance, the Traveller will only be required to pay the regular hire and travelling hire, and no Bearer Fund charged for that portion of the distance.

16. Sets of Bearers shall receive (3) three Pice each Bearer for every mile they travel to their post, which allowance is called travelling hire, except for such part of the road as they travel over again with the loaded Palankeen, for which part they shall not be entitled to travelling hire, unless the distance which they travel to their post exceeds 40 miles, in which case they shall be entitled to travelling hire for the whole distance, notwithstanding they return over a part or the whole of it with a loaded Palankeen.

17. When a Dawk has been ordered and circumstances may render it expedient for the Traveller to postpone his journey or to abandon it altogether, he will, in the event of the salaried Bearers having been refused on his account to another Applicant, be liable to the whole charge of (8) eight Annas per mile, in like manner as though he had employed them; but in the event of no other application having been preferred for these Bearers, he will not be liable to any forfeit.

18. In case a set of Bearers, which has been posted for any Traveller and has received hire to such post, may be subsequently required for any other Traveller, such person shall pay the set the established rate for every mile they carry him, and if the set be detained, he will be liable to the charge for detention, specified in para. 12.

19. When a set of Bearers is posted or a Dawk laid for a Traveller, either by the Post Master General or the Authorities in the interior, no other Traveller shall employ them, without the authority or knowledge of the Officer who posted the set or laid the Dawk; but should any individual so act in violation of the orders of Government, he will be liable, in addition to the regulated hire of the Bearers used, to all and every extra charge incurred by the Traveller for whom the set was originally posted or Dawk laid.

20. In order to facilitate the keeping of accounts, all fractional portions of a mile will be struck out. If the fractional part exceed the half, the Bearers will enjoy the benefit of a full mile—if less than the half they will not be entitled to any hire for the same.

21. All charges of hire shall be made agreeably to the Table of distances and routes in the Madras Road Book.

22. The load for a Cowry Cooly shall not exceed 50 lbs. weight, divided, as nearly as possible, into two equal portions of 25 lbs. each.

23. It is to be understood, that although Government have directed its Public Servants to lay Dawk Bearers for the convenience of the Public, and will cause due pains to be taken to ensure regularity and a punctual attendance to all requisitions, yet that neither Government nor any of its Officers are to be held responsible to the Traveller, for any unavoidable disappointment he may meet with on his journey, or for the expenses consequent thereon.

24. In cases of surcharge, or a charge being made which to the parties complaining appears irregular, it will be the duty of the Post Master General at Madras to investigate the matter with a view to afford redress. The decision by the Post Master General at the Presidency, in all references relative to Dawk Bearers, to be considered final, except in instances when the Bearers are posted by him or the Deputy Post Master General, in which case the party considering himself aggrieved will be permitted to appeal to Government.

25. It is to be understood, that nothing in the foregoing Rules is intended to interfere with Travellers applying to private individuals to post their Bearers, should they prefer making their own arrangements, without the intervention of the Public Authorities, but that no Public Officer will attend to a requisition, until the required deposit, indicated in para 8, is made, or a reference for payment is obtained.

ARTICLES RECEIVED TOO LATE FOR INSERTION IN THEIR PROPER PLACES.

ACT No. XXXVII. OF 1850.—*Passed on the 1st November* 1850.

For regulating Enquiries into the behaviour of public Servants.

Whereas it is expedient to amend the law for regulating inquiries into the behaviour of public servants not removable without the sanction of Government, and to make the same uniform throughout the territories under the Government of the East India Company, It is enacted as follows:

I. The following Acts VI. 1838, XXVI. 1839, and XIII. 1843, are repealed, but not so as to revive any Act or Regulation, or part of any Act or Regulation, thereby repealed.

II. Whenever the Government shall be of opinion that there are good grounds for making a formal and public inquiry into the truth of any imputation or misbehaviour by any person in the service of the East India Company not removable from his Office without the sanction of the same Government, it shall cause the substance of the imputations to be drawn into distinct Articles of Charge, and shall order a formal and public inquiry to be made into the truth thereof.

III. The inquiry may be committed either to the Court, Board or other authority to which the person accused is subordinate, or to any other person or persons, to be specially appointed by the Government, Commissioners for the purpose: notice of which commission shall be given to the person accused ten days at least before the beginning of the inquiry.

IV. When the Government shall think fit to conduct the prosecution, it shall nominate some person to conduct the same on its behalf.

V. When the charge shall be brought by an accuser, the Government shall require the accusation to be reduced to writing, and verified by the oath or solemn affirmation of the accuser, and every person who shall wilfully and maliciously make any false accusation under this Act, upon such oath or affirmation, shall be liable to the penalties of perjury: But this enactment shall not be construed to prevent the Government from instituting any inquiry which it shall think fit, without such accusation on oath or solemn affirmation as aforesaid.

VI. Where the imputations shall have been made by an accuser, and the Government shall think fit to leave to him the conduct of the prosecution, the Government before appointing the Commission shall require him to furnish reasonable security that he will attend and prosecute the charge thoroughly and effectually, and also will be forthcoming to answer any counter-charge or action which may be afterwards brought against him for malicious prosecution or perjury or subornation of perjury, as the case may be.

VII. At any subsequent stage of the proceedings, the Government may, if it think fit, abandon the prosecution, and in such case may, if it think fit, on the application of the accuser, allow him to continue the prosecution, if he is desirous of so doing, on his furnishing such security as is hereinbefore mentioned.

VIII. The Commissioners shall have the same power of punishing contempts and obstructions to their proceedings, as is given to Civil and Criminal Courts by Act XXX. 1841, and shall have the same powers for the summons of witnesses, and for compelling the production of documents, and for the discharge of their duty under the Commission, and shall be entitled to the same protection as the Zillah and City Judges, except that all process to cause the attendance of witnesses, or other compulsory process, shall be served through and executed by the Zillah or City Judge in whose jurisdiction the witness or other person resides, on whom the process is to be served, and if he resides within Calcutta, Madras or Bombay, then through the Supreme Court of Judicature there. When the Commission has been issued to a Court, or other person or persons having power to issue such process in the exercise of their ordinary authority, they may also use all such power for the purposes of the Commission.

IX. All persons disobeying any lawful process issued as aforesaid for the purposes of the commission shall be liable to the same penalties, as if the same had issued originally from the Court or other authority through whom it is executed.

X. A copy of the Articles of Charge, and list of the documents and witnesses by which each charge is to be sustained shall be delivered to the person accused, at least three days before the beginning of the inquiry, exclusive of the day of delivery, and the first day of the inquiry.

XI. At the beginning of the inquiry, the prosecutor shall exhibit the Articles of Charge to the Commissioners, which shall be openly read, and the person accused shall thereupon be required to plead 'guilty' or 'not guilty' to each of them, which pleas shall be forthwith recorded with the Articles of Charge. If the person accused refuses, or without reasonable cause neglects to appear to answer the charge either personally or by his Counsel or Agent, he shall be taken to admit the truth of the Articles of Charge.

XII. The prosecutor shall then be entitled to address the Commissioners in explanation of the Articles of Charge, and of the evidence by which they are to be proved: his address shall not be recorded.

XIII. The oral and documentary evidence for the prosecution shall then be exhibited: the witnesses shall be examined by or on behalf of the prosecutor, and may be cross-examined by or on behalf of the person accused. The prosecutor shall be entitled to re-examine the witnesses on any points on which they have been cross-examined, but not on any new matter, without leave of the Commissioners, who also may put such questions as they think fit.

XIV. If it shall appear necessary before the close of the case for the prosecution, the Commissioners may in their discretion allow the prosecutor to exhibit evidence not included in the list given to the person accused, or may themselves call for new evidence, and in such case the person accused shall be entitled to have, if he demand it, an adjournment of the proceedings for three clear days, before the exhibition of such new evidence, exclusive of the day of adjournment and of the day to which the proceedings are adjourned.

XV. When the case for the prosecution is closed, the person accused shall be required to make his defence, orally or in writing, as he shall prefer. If made orally, it shall not be recorded; if made in writing, it shall be recorded, after being openly read, and in that case a copy shall be given at the same time to the prosecutor.

XVI. The evidence for the defence shall then be exhibited, and the witnesses examined, who shall be liable to cross-examination and re-examination and to examination by the Commissioners according to the like rules as the witnesses for the prosecution.

XVII. All witnesses, either for the prosecution or defence, shall be examined on oath, or, if exempt from taking an oath in Courts of Justice, on solemn affirmation, to be administered in either case by one of the Commissioners, and every witness so examined and wilfully giving false evidence on any material point shall be deemed guilty of and liable to the penalties of perjury. When the prosecution is not conducted on behalf of Government, the prosecutor may himself give evidence for the prosecution and may be examined for the defence.

XVIII. The Commissioners or some person appointed by them shall take notes in English of all the oral evidence, which shall be read aloud to each witness by whom the same was given, and if necessary explained to him in the language in which it was given, and shall be recorded with the proceedings.

XIX. If the person accused makes only an oral defence, and exhibits no evidence, the enquiry shall end with his defence; if he records a written defence, or exhibits evidence, the prosecutor shall be entitled to a general oral reply on the whole case, and may also exhibit evidence to contradict any evidence exhibited for the defence, in which case the person accused shall not be entitled to any adjournment of the proceedings, although such new evidence were not included in the list furnished to him.

XX. When the Commissioners shall be of opinion that the Articles of Charge, or any of them, are not drawn with sufficient clearness and precision, the Commissioners may, in their discretion, require the same to be amended, and may thereupon, on the application of the person accused, adjourn the inquiry for a reasonable time. The Commissioners may also, if they think fit, adjourn the inquiry from time to time, on the application of either the prosecutor or the person accused, on the ground of the sickness or unavoidable absence of any witness or other reasonable cause. When such application is made and refused, the Commissioners shall record the application, and their reasons for refusing to comply with it.

XXI. After the close of the inquiry, the Commissioners shall forthwith report to Government their proceedings under the Commission, and shall send with the record thereof their opinion upon each of the Articles of Charge separately, with such observations as they think fit on the whole case.

XXII. The Government, on consideration of the report of the Commissioners, may order them to take further evidence, or give further explanation of their opinions. It may also order additional Articles of Charge to be framed, in which case the inquiry into the truth of such additional Articles shall be made in the same manner as is herein directed with respect to the original charges. When Special Commissioners have been appointed, the Government may also, if it thinks fit, refer the report of the Commissioners to the Court or other authority to which the person accused is subordinate, for their opinion on the case; and will finally pass such orders thereon as appear just and consistent with its powers in such cases.

XXIII. The word 'Government' as used in this Act means the Governor General in Council, the Governor or Deputy Governor of the Presidency of Fort William in Bengal, the Governor in Council of the Presidencies of Fort St. George and Bombay, respectively, and the Lieutenant Governor of the North-Western Provinces of Bengal, whose sanction is necessary for the removal of the person accused.

XXIV. Nothing in this Act shall be construed to repeal any Act or Regulation in force for the suspension or dismissal of Principal and other Sudder Ameens or of Deputy Magistrates or Deputy Collectors, but a Commission may be issued for the trial of any charge against any of the said Officers, under this Act, in any case in which the Government shall think it expedient.

XXV. Nothing in this Act shall be construed to affect the authority of Government, for suspending or removing any public servant for any cause without an inquiry under this Act.

ACT No. XXXVIII. OF 1850.—*Passed on the 1st November* 1850.

An Act to allow Counsel to all persons on the trial of Offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the Territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and reasonable that the like privilege be given to all persons on the trial of offences against the law, It is enacted as follows:

I. In all Courts and before all Magistrates, or persons exercising any of the powers of a Magistrate, under the authority of the East India Company, every person on trial for the commission of any offence shall be admitted to defend himself either personally or by his authorized agent, and, after the close of the case for the prosecution, to make full answer and defence thereto either personally or by his authorized agent.

II. The said Courts, Magistrates and persons, subject to such rules as shall be from time to time made for their guidance by the Nizamut or Fouzdaree Adawlut, may allow any prosecution to be conducted by an authorized agent.

III. In those Courts in which any person now has by law the right of employing whomsoever he can employ as Counsel or Pleader, nothing in this Act shall be deemed to restrict that right: in all other cases those persons only shall be deemed authorized agents within the meaning of this Act who are either Advocates of one of the Supreme Courts of Justice established by Royal Charter, or authorized Pleaders of the Civil Courts of the East India Company, or, by leave of the Court, Magistrate or other person before whom the prisoner is on trial, any other person who is employed by the prosecutor or prisoner as his agent.

IV. This Act shall not be deemed to dispense with the presence of any prosecutor or person on trial for the commission of any offence, when the presence of such prosecutor or accused person is now by law required.

Revised Loan Rules—Agra and United Service Bank.

[*To be substituted for those given in pages* 326 *and* 327.]

1. Loans re-payable within twelve months are granted to Officers, Civil or Military, who can arrange for the regular payment of their stipulated monthly instalments at Agra, on the security of two approved sureties.

2. Under the same condition, and to the same classes, Loans requiring two years for re-payment are granted with three sureties; and loans requiring three years with four sureties.

3. Where it may not be convenient to give more than two sureties, the loan must be further protected by a life insurance; but, on application to that effect through the sureties, they consenting to the same, the Directors will be prepared to allow the discontinuance of the policy on a loan of the two year class, after the expiration of the first year, and on a loan of the three year class after two years have expired. But where the borrower is on Foreign and Field Service, the loan must always be covered by a life insurance.

4. Applications for loans from Subalterns must only be for such sums as can be repaid by monthly instalments within the prescribed period, whether two or three years, and each application must be accompanied with a declaration that the applicant is not indebted elsewhere.

5. When a debtor dies, the balance (after discharging his own debt in full) of any policy of assurance upon his life will, at the discretion of the Directors, be detained as security for the re-payment of the balance of any account for which he may be responsible as a surety.

6. Where parties may find difficulty in effecting their remittances to Agra, drafts on Calcutta or elsewhere will be received in re-payment of loans, at the exchange of the day.

7. The Mortgage of real property in the Hill stations and larger Military cantonments, if insured against fire, is occasionally taken in place of life assurance, provided that the property be officially registered (with power to sell) in the Station Books as belonging to the Bank, and that the amount advanced thereon be regulated by previous official report as to its convertible value at the time.

8. In all cases of Insurance taken out by or through the Bank, it is reduced half-yearly according to the gradual liquidation of the claims against the debtor.

9. Regimental loans are granted to Corps to facilitate the establishment and maintenance of Messes, Bands, Libraries, and *other* Regimental purposes.

10. Loans are granted on the security of Government Paper, on the Stock of the Calcutta, Madras, Bombay, and Mofussil Banks, and on the shares of other approved Joint Stock concerns, where the parties borrowing give to the Bank a power to sell the notes or shares forming such security, if, on one month's notice to close the account, the loan—which will, in the first instance, be for three months and thereafter renewable for a similar term or terms—shall not then be re-paid in full.

11. Parties desirous of taking advances in Bombay, Madras, or Calcutta, should apply to the Branch Agents of the Bank at those Presidencies respectively.

12. Interest on loans is charged from the date on which the amount, wholly or in part, is placed as a floating balance at the disposal of the borrower, according to notice given, and is allowed, at the same rate, upon all remittances from the date of their realisation.

13. When loans are not liquidated as agreed upon, a penal interest of two per cent per annum additional will be chargeable.

14. It is a condition of every loan that the party borrowing shall be subject to the general rules of the Bank, in respect of such transactions.

15. Constituents of the Service, when writing to the Bank, are requested to add their rank or official designation, to obviate the delay of reference, and with the same view applicants for loans are also requested, in naming their sureties, to furnish a similar detail regarding them.

16. All loan accounts with the Bank are brought up periodically to the 30th of June and 31st of December, and interest thereon is debited or credited to those dates half-yearly.

17. When parties already indebted to the Bank require further accommodation, the balance due on the former account will be deducted from the new loan; as a general rule, two accounts with different sureties and different terms of payment cannot be kept open at the same time.

18. The Directors give a preference to applications for loans re-payable within a short date.

19. The Bank renders accounts, once in the half year, *when called for*.

20. No letters *bearing postage* will be received by the Bank, except from Pay Masters, Deputy Pay Masters, or other public authorities, or from places where no postage can be levied. At the close of each half-year, and in closing each loan account, a charge of 8 annas for incidental expenses, is made.
