During this month the wind blows uniformly and steadily from N. E. with occasionally an inclination towards the East about the middle of the day in the shape of sea breeze. In the mornings for the most part heavy dew is deposited, and occasionally fog is experienced, which reaches only to two or three feet above the surface of the ground. The weather is mostly very serene, presenting about twenty days of uninterrupted clearness and five of haze or mist, the remaining days being cloudy, with perhaps a single shower of rain. Lightning is almost unknown in this month.

The hottest time of the day is at 1h. 0m. P. M.; the coldest at 4h. 20m. A. M.

The N. E. Monsoon continues with occasional exceptions till the middle of the month, after which calms and S. E. winds as frequently prevail. In the forenoon it is usually calm until about 11 A. M. when a gentle sea breeze sets in, which blows till sunset. During the whole of this month the weather is without exception always beautifully clear and placid, and is generally considered to be the most healthy period of the year; there are no more than one day of haze and one of clouds. Rain or lightning does not occur once in seven years.

The hottest time of the day is at 04. 40m. P. M.; the coldest at 5h. 0m. A. M.

Throughout this month the South or *alongshore* wind with very unequal force prevails: it is accompanied with a profuse dampness and sultriness, which renders its effects highly prejudicial to health and comfort. On this account the sea breeze which sets in at noon, and blows till sun-set, is less courted than at other seasons: the sky is however beautifully clear for about twenty-seven days, the remaining four being cloudy. Dew less frequently occurs, and is less in quantity than last month. Rain and lightning are little known. The time of the day is at 4h. 20m. P. M.: the coldest at 5h. Om. A. M.

The hottest time of the day is at 0h. 20m. p. m. ; the coldest at 5h. 0m. a. m.

The South wind which is mentioned as peculiar to the two last months, continues till the middle of this month, relieved sometimes by a land wind from the W. or S.W.: in this interval gales of wind of extreme violence have occasionally been experienced, commencing their career generally at the N.W. and veering to every point of the compass. About the 16th the regular land or hot winds set in, which are moderated in their effect towards the end of the month by occasional showers. The sea breeze sets in about noon and blows till 9 or 10 p.m. There are about nineteen days of clear weather, eight of flying clouds and haze, and four cloudy days, on two or three of which there is rain. The dew is almost imperceptible, and lightning with thunder occurs about four times.

The hottest time of the day is at 11h. 20m. A.M.; the coldest at 4h. 20m. A.M.

In this statement the rain which fell during four gales of wind has been omitted. On the 2d May 1851, during the gale which then blew, there fell 5.5 inches; on the 8th, 9th, and 10th May 1850, 17.56 inches; on the 7th, 6th, and 9th May 1852, 23.30 inches, and on 16th May 1851, 3.0 inches.

The regular westerly winds which terminate about the middle of this month are succeeded by winds of a light and variable nature, mostly from the West and South. Calms, haze, and rain occur in about the same proportions as last month, leaving about eight days of clear weather. Lightning unattended by thunder is very frequent, but thus accompanied it occurs only once or twice. The sea breeze assumes much the same character as that experienced last month, commencing at 2 or 3 p. m., and continuing till 8 or 10 p. m. Dew is sometimes discovered, but more frequently fails.

The hottest time of the day is at 2h. p. m.; the coldest at 3h. a. m.

OCTOBER 1851.

ASTRONOMICAL PHENOMENA, &c.

MERCURY arrives at his greatest western elongation from the Sun ($17^{\circ} 56'$) on the 7th.
 VENUS is invisible to the naked eye throughout the month.

EARTH enters the sign *Taurus*, or the Sun enters *Scorpio*, on the 23d.

MAES, situated in the constellation *Gemini*, is in quadrature on the 23d:

rises on the 1st at 12h. 21m.
 ——— 15th at 11 56

JUPITER, in the constellation *Virgo*, arrives at conjunction with the Sun on the 27th.

SATURN, in the constellation *Aries*, arrives at opposition to the Sun on the 24th, and is visible during the month throughout the night:

rises on the 1st at 7h. 17m.
 ——— 15th at 6 18

URANUS, situated in the constellation *Aries*, arrives at opposition to the Sun on the 26th.

Eclipses of Jupiter's Satellites are not visible this month, Jupiter being too near the Sun.

The Moon will Occult or Eclipse the following Stars.

The clouds now begin to assume a more dense appearance than heretofore. Calms, lightning and rain are very frequent till the 19th, when the N. E. Monsoon, or rainy season, sets in. From this time till the end of the month the atmosphere assumes a very disturbed appearance; extremely heavy rain with storms of wind, thunder and lightning, invariably occur, and gales of wind of a similar nature to those which occur in the earlier part of the year* are sometimes experienced. On these occasions a depression of the barometer of 4 or 5 tenths of an inch is observed.† The sea breeze, or rather a slight modification of the N. E. wind, is perceived towards the middle of the day.

The hottest time of the day is at 1h. P. M.; the coldest at 4h. 50m. A. M.

* See remarks for month of May.

† On 30th October 1836, during the hurricane which then raged, the barometer fell to 28,255 inches.

ASTRONOMICAL PHENOMENA, &c.

MERCURY arrives at his superior conjunction with the Sun on the 7th.

VENUS, in the constellations *Libra* and *Scorpio*, continues an evening star throughout the month :

sets on the 1st at 6h. 1m.
— 15th at 6 13

EARTH enters the sign *Gemini*, or the Sun enters *Sagittarius*, on the 22d.

MARS, in the constellation *Cancer*,

rises on the 1st at 11h. 24m.
— 15th at 10 51

JUPITER, in the constellation *Libra*, is visible towards the middle of the month, just before sunrise.

SATURN, situated in the constellation *Pisces*,

passes the meridian on the 1st at 11h. 15m.
— 15th at 10 16

URANUS, in the constellation *Aries*,

The N. E. Monsoon continues with unabated force, and the state of the weather generally is much the same as that experienced towards the end of last month, save that an increased dampness of the air and the less frequent occurrence of lightning renders a distinction necessary. The number of clear and cloudy days in this, as well as in last month, is liable to great uncertainty.

The remarks relative to the sea breeze of last month apply equally to this.

The hottest time of the day is at 04. 20m. P. M.; the coldest at 6 $\frac{1}{2}$. 40m. A. M.

The heavy rains and violent gusts of wind are much moderated at the beginning of the month, and arrive at their close about the 15th. From this time the sky assumes an appearance of tranquillity and clearness which forms a strong contrast with the disturbed state of the preceding month; the N. E. wind, however, continues throughout the month without interruption. There are about thirteen clear days, eleven cloudy, and seven of flying clouds and haze: of these there are six days on which rain falls. The morning exhibits a copious deposition of dew, and sometimes a ground fog which does not reach more than two or three feet above the surface. The sea breeze sets in at 10 A. M., and blows till 4 P. M.

The hottest time of the day is at 0h. 50m. P. M.; the coldest at 2h. 20m. A. M.

Under the degree of Latitude of the given place and opposite to the day of the month, on the left hand side, will be found the time of the Sun's setting, and on the right hand side the time of setting. In consequence of refraction, which causes the heavenly bodies when in the horizon to appear elevated about 2' above their true places, the observed time of the sun rising will happen about two minutes earlier, and the time of setting the same quantity later than that which is here given.

CIVIL SERVICE REGULATIONS.

Absentee Allowances,

TO CIVIL SERVANTS WHEN IN EUROPE.

*Extracts from a letter from the Honorable the Court of Directors,
dated 31st December 1824.*

19. "That after an actual residence in India in the Civil Service of ten years or upwards, a Covenanted Civil Servant of the Company, upon either of the Establishments of Bengal, Madras, or Bombay, shall be entitled, whether on account of ill health, or from any other cause, and without reference to his private fortune, to come once to Europe on leave for three years, and to receive for that period from the Company's Cash an allowance of £500 per annum, provided that in no case shall a greater number of Servants come home under this Regulation annually than seventeen from Bengal, nine from Madras, and six from Bombay; nor shall a larger number of Servants who may have come home under this Regulation, be absent in the whole, at one time, than fifty-one from Bengal, twenty-seven from Madras, and eighteen from Bombay; and that the preference shall be given first to Servants producing Medical Certificates upon oath, that a visit to Europe is indispensably necessary for the restoration of health, and then to Servants in their order of seniority according to the rank assigned to them by the Court of Directors in the Gradation list of the Service.

20. "That in cases of Civil Servants compelled by illness, certified upon oath, to come to Europe previous to their completion of an actual residence in the Civil Service of ten years, such Covenanted Servants shall each be presented with the sum of 2,000 Sicca Rupees as Passage Money, and shall be entitled for a period not exceeding three years to an Allowance from the Company's Cash of £250 per annum; but that Servants having received this indulgence shall not in the event of their again coming to Europe, after having completed a residence of ten years or upwards, be entitled to any Allowance under the first Regulation, except their return be again occasioned by illness, to be in like manner certified upon oath, and then only to the difference between what they have before drawn, in the shape of Absentee Allowance, exclusive of Passage money, and that of £500 per annum for three years.

21. "That Servants coming in the first instance to the Cape of Good Hope for the benefit of their health, and being compelled from the same cause to come from thence to Europe without previously returning to India, shall be considered as entitled to the benefit of the foregoing Regulations.

22. "That in all cases, as well in those of Servants coming in the first instance to the Cape, as of those coming direct from India, the said Allowances be considered as commencing from the date of leaving India, and terminating at the expiration of three years from that date, or at the time of arrival in India, whichever may first happen.

23. "That the same be paid quarterly in Europe.

24. "That on no account or plea whatsoever the allowances in question be extended beyond the period of three years; and

25. "That any Servant being in the receipt of Absentee Allowance from a Civil Fund, shall not be entitled to receive during the same period of absence, the Allowances prescribed by these Regulations, beyond such amount as may bring the total of his annual receipts from both sources to the sum hereby limited."

Orders of Government, dated 8th July 1825 and 26th August 1828.

In pursuance of the Honorable Court's instructions, the Governor in Council is prepared to grant the benefit of these Regulations to such Civil Servants as may produce the prescribed Medical Certificate as the cases may arise. Every Civil Servant so applying, must obtain a Certificate in duplicate from the Treas-

tees to the Civil Fund, notifying either that he will receive no allowance from the Fund during his absence in Europe, or, if he is to receive any, the nature and extent of such relief; one copy of which Certificate must be submitted with his application to Government; the other, upon his arrival in London, must be produced before the Auditor of East India Accounts.

Civil Servants desirous to avail themselves of these Regulations, and not producing the prescribed medical certificate, are hereby required to make known their desire to Government on or before the 1st December of each year, when the indulgence will be granted in order of rank to such extent as the foregoing Regulations and circumstances shall permit.

Every Civil Servant proceeding to Europe under these Regulations, whether on sick certificate or otherwise, before receiving his passage order must have applied for and received from the Secretary to Government in the Public Department a certificate specifying the grant of the permission, and whether granted upon sick certificate, or on account of private affairs, also specifying as nearly as possible the date of embarkation for Europe; which Certificate, upon his arrival in London, must be produced before the Auditor of India Accounts.

Order of Government, dated 4th November 1825.

The Governor in Council has been pleased to resolve, that in lieu of the medical certificate upon oath prescribed in Paragraphs 19 and 20 of the Regulations of the Honorable Court of Directors for the grant of Absentee Allowance, circulated to the Civil Service, under date the 8th July last, one of the following forms of medical certificate shall hereafter be adopted, according to the nature of the case; the same to be always signed by the medical officer who has last regularly attended the Invalid, and countersigned by the Superintending Surgeon of the District, or other superior medical authority.

I do hereby certify that A. B. is in a bad state of health, and that I think it highly advisable for him to return to Europe.

No. 3.

Extracts from a letter from the Honorable the Court of Directors in the Public Department, dated 26th April 1826.

3. In your Despatch in this Department dated 6th September 1825, Para. 6 and 7, you have brought to our notice two questions raised in respect of the Regulations framed by us for granting Absentee Allowance to Civil Servants when in Europe.

4. The first of these questions is,—

“Whether it is competent for a Civil Servant who may have completed a residence of ten years to proceed to England, and there await his turn to the indulgence of the Honorable Court, having previously notified to Government his desire to avail himself of the liberality of the Honorable Court upon the first occasion on which it should be open to him.

5. This question we answer in the negative. In framing the Regulations, it was our object, that whilst each Civil Servant might be enabled once in the course of his service to have the benefit of the Absentee Allowance, the number annually returning to England with that view should be limited, an object which would be defeated if Civil Servants were allowed to come home, and wait their turn in England.

6. The other question is, “Whether the ten years actual residence in India is to be considered to embrace the period passed at Hertford College,” to which we reply that such is not the intention. We mean the regulation to be construed in the sense which it expresses, “actual residence in India.”

Extracts from a General Letter from the Honorable the Court of Directors in the Public Department, dated the 25th July 1827.

Para. 3. “Previous to the enactment 53d Geo. 3, Cap. 155, it was our practice to forward to you Lists of the relative rank of Writers appointed from time to time to your Establishment. Under the authority of that enactment regulations were framed for the government of our College of Haileybury, one of which provided that the relative rank of Writers should be fixed by the College Council, and specified in the College certificate, subject however to loss of such rank in the event of the Writers’ failing to proceed to India within a specified time. Lists of the rank of Writers under this regulation are now periodically forwarded to you.

4. The offers of the Absentee Allowance are to be made in the order in which Civil Servants have been, or may be classed under the Rules to which we have adverted, to such of the Servants as shall have actually resided in India in the Civil Service of your Establishment during a period of not less than ten years, commencing from the date of arrival at Madras.

6. On reference to our letter dated 26th of April 1826, Para. 5, you will perceive that it is not competent for a Civil Servant, having completed a residence of ten years, to come to England, and there wait his turn for the Absentee Allowance. That Allowance is to be granted in each case by the local government under the Regulations which we have prescribed, and no Civil Servant will be permitted to draw Absentee Allowance in England who shall not, previously to his quitting India, have been admitted to that benefit by the Government of the Presidency to which he may belong.

7. So soon as the aggregate number of Civil Servants absent, and who shall have come home upon the Absentee Allowance of £500 per annum, shall amount to twenty-seven, the same indulgence is only to be granted as Servants included in that number may either return, or quit the Service; so that the total number of absentees having left Madras upon the allowance of £500 per annum is never to exceed the limit of twenty-seven, fixed by our orders dated the 30th December 1824.

Extracts from a letter from the Honorable the Court of Directors in the Public Department, dated 5th December 1827.

Letter from ——— dated
16th October 1826.

Paras. 2 and 6, submit question, whether the regulation which precludes a Civil Servant from simultaneously receiving Absentee Allowance from the Company and from the Civil Fund is to be construed as barring the receipt of any sum from the Civil Fund in aid of the expense of Passage to Europe.

2. The receipt of Absentee Allowance from the Company must bar the receipt of any Allowance in any shape from the Civil Fund.

4. We shall not object to the advance to a Servant coming home under the Absentee Regulations, and not entitled to passage money, of six months’ allowance in cases in which you may be satisfied that that indulgence is required to enable the party to provide a passage.

Letter from — dated 30th March 1827.

Paras. 71 & 72. — Court requested to re-consider their decision upon the question of permitting a Civil Servant to come to Europe in anticipation of being admitted to the Absentee Regulations.

5. We adhere to the determination communicated to you in our despatch dated the 26th April 1826, Para. 5. No servant will hereafter receive the Absentee Allowance who shall not have been admitted by the local Government to the benefit of the Regulations previously to leaving India, excepting only such servants as may have been compelled by ill health, to quit India on a voyage to some place within the limits of the Company's Charter, or to the Cape of Good Hope, and as may have been subsequently compelled by the same cause to come to Europe. In such cases, where the servant has resided more than ten years in India, the benefit will of course be withheld whenever the number of Absentees limited by the Regulations is complete.

Order of Government, dated 18th November 1828.

The Right Honorable the Governor in Council has been pleased to resolve, that all persons who may be permitted to proceed to Europe, with the benefit of the Absentee Allowance, shall vacate their situations, and avail themselves of the indulgence, within three months from the date on which it may be granted.

Extract from a letter from the Honorable the Court of Directors in the Public Department, dated 6th May 1829.

Civil Servants who decline to subscribe to the New Annuity Fund are not admissible to the benefit of the Absentee Regulations.

Civil Servants proceeding to England under the Absentee Regulations, or on Special Leave of Absence.

Extracts from a letter from the Honorable the Court of Directors.

Para. 1. We have to acquaint you that we have adopted the following Regulations, with respect to the grant of extension of leave to Members of the Indian Civil Establishments repairing to this Country under the Absentee Regulations, or on special leave of absence, viz.

That Civil Servants coming to England under the Absentee Regulations, or on special leave, shall immediately on their arrival report themselves with their address by letter to our Secretary, forwarding at the same time the certificates which they received in India.

That in all cases of leave, Civil Servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a Civil Servant shall have obtained an extension of leave to a given period, he must at the expiration thereof ap-

ply for and obtain our permission, either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the List of Civil Servants.

That the Act of the 33d Geo. 3d. Cap. 52, Sec. 70, as it respects Civil Servants applies only to cases of sickness, or infirmity, and that no Civil Servant be hereafter considered eligible to return to the service after 5 years' absence, under that enactment, who has failed to obtain agreeably to the foregoing Regulations an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing Regulations be published for general information, and that each Civil Servant returning to this Country under the Absentee Regulations, or on special leave, be furnished with a copy for his guidance.

(A true copy.)

JAMES C. MELVILL, *Secretary.*

East India House, London, the 4th Sept. 1840.

Civil Servants quitting India.

Chief Secretary's Office, Fort St. George, January 3, 1832.

In order to prevent embarrassment at the time of sailing, Gentlemen of the Civil Service quitting India are requested to observe, that applications for permission to be received on board must be accompanied by a Certificate from the Office of the Accountant General, that there are no demands against the applicants on the Books of this Presidency. Commanders of Vessels removing persons from India without permission are liable to heavy penalty.

Furlough Regulations.

Fort St. George, October 8, 1836.

First. A furlough granted to a Civil Servant, whether under a Sick Certificate or otherwise, in conformity with the Rules of the Honorable Court's despatch, dated 31st December 1824, and communicated to the Service on the 8th July 1825, shall be considered to have lapsed on the occurrence of any of the following events:—

1st. On the death of the party in the course of three years from the date of his leaving the Presidency.

2d. On his retirement from the service by the acceptance of an annuity granted under the rules for the Madras Annuity Fund.

3d. On returning to India before the expiration of three years.

Third. On the 1st December next ensuing, and on every subsequent 1st December, the number of furloughs to be tendered to Civil Servants of 10 years

standing, and not claiming the indulgence on the ground of ill health, shall be calculated as follows:—

If the applications received by Government before the 1st December of any year should not equal in number the available furloughs, calculated as above, the same may lie over to be taken by Servants, either on sick certificate or otherwise, at any time of the year following, until the number shall be complete: when it may be so, further certificates on account of lapsing furloughs shall not be granted, except on the applications being accompanied by sick certificates, the lapses in the course of the year being reserved to meet the demands of the Service, according to the principle laid down by the Honorable Court of Directors, that is, with due preference to cases of sickness, and to seniority.

Fort St. George, December 27, 1836.

Civil Servants admitted to the benefit of the Furlough Regulations are reminded that, in order to obtain the prescribed Furlough Certificate from the Secretary to Government in the Public Department, they must previously submit to that authority a Certificate from the Trustees of the Civil Fund, that they will receive no allowance from that Fund during their absence; and also a Certificate from the Accountant General, (who will require a Certificate from the Civil Auditor) of there being no public demands against them.

Fort St. George, August 22, 1837.

The Governor in Council has resolved, with a view of assimilating the Rules of this Presidency with those of Bengal, and of enabling Civil Servants who may be desirous to return to England by way of Suez to make the passage of the Red Sea at the most favourable season of the year, to alter the period fixed for the grant of the Furlough allowance to Civil Servants of ten years standing, not claiming the indulgence on the ground of ill health, from the 1st December to the 1st November of every year.

Fort St. George, September 3, 1850.

With reference to the Order of Government dated 27th December 1836, published at page 889 of the Official Gazette, it is hereby notified that applications from Gentlemen of the Civil Service for permission to proceed to Europe, whether under the Furlough Regulations or otherwise, should invariably be accompanied by a Certificate from the Accountant General, that there are no public demands against the applicant.

Fort St. George, February 21, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, are re-published for general information.

Fort William; FINANCIAL DEPARTMENT, the 29th January, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, having been approved and passed by the Honorable Court of Directors, are published for general information, and will take effect in all the Presidencies, Settlements and Stations under the Government of India from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application to cases not specifically mentioned.

Rules for application for leave of absence, and for fixing the local limits within which it may be granted.

Sec. I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and the application of the party requiring such leave, saving in such cases as superceding the rule under which as may hereafter be specially excepted, must be made publicly through other Officers have heretofore been allowed to grant leave of absence in Bengal. ment to which the applicant may belong.*

Sec. II. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave, to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company, or not, to any Civil or Military Servant holding a Civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons, subject to the like conditions, to proceed to the Island of St. Helena, the Colony of the Cape of Good Hope, or to any place situate between the 36th Degree of North Latitude, and the 50th Degree of South Latitude, such place being likewise between the 30th and 180th Degrees of Longitude, East of Green-

* Applications for leave of absence under these Regulations are to be sent to the Office of Audit previous to their final submission to Government, and to contain a specification of the particular Section of the Absentee Rules under which the indulgence of leave is solicited. The collective or individual authorities, thro' whom these applications must pass, are to adopt this course, in all cases which they may be disposed to recommend; and it will be for the Office of Audit, in forwarding them to Government, to state in each instance whether the provisions of the Rules have been conformed to, and what, if any, objection exists to a compliance with the applications. See Resolution of the Madras Government of the 30th of November 1840.—COMPTROLLER.

† This applies to all unauthorized absence, whether antecedent to the grant of leave, or subsequent to its termination. See Order of the Government of India, dated 11th January 1843, and published in the Fort St. George Gazette of the 14th April of the same year.—COMPTROLLER.

which, excepting however any islands in the Mediterranean or Levant, and excepting all places within the said geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leaves subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

CHAPTER II.

Rules for Sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a Certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation the nature of the disease, the symptoms by which it is manifested, the period during which it has existed, as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company, or beyond them, but within the limits laid down in Section IV., as the case may be, and such Certificate must be submitted to the consideration of the Medical Board, and if satisfactory shall be countersigned by one of its Members. * An application for an extension of leave must, if the applicant be in India, be accompanied by a Certificate from the Medical Officer by whom the applicant is attended, showing sufficient reason for the extension solicited, and such Certificate, like the former, must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the Certificate to be countersigned by the principal Medical authority of the Colony or country. When any of the required particulars are neglected leave will be refused.†

Sec. VI. (Revised—See Amended Rules, page 178.)

* In cases of extreme urgency, which, owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the Medical attendant required from applicants for leave of absence on account of ill health, is to be submitted by them for the consideration and counter signature of the Superintending Surgeon of the Division, which officer in these cases will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. See Resolution of the Government of India, of the 24th of June 1840, published in the Port St. George Gazette for 1840, page 493.—COMPILED.

† The following Resolution of the Governor of Madras in Council, calling the attention of Medical Officers in the Provinces to this Section, is extracted from the Port St. George Gazette for 1841, page 299.—COMPILED.

"Para. 1. The Right Honorable the Governor in Council having noticed with dissatisfaction the very lax and imperfect manner in which Certificates, in support of applications for sick leave, have on several occasions been prepared by Medical Officers in the Provinces, which has in consequence led in some instances to the refusal of the leave applied for; His Lordship in Council resolves to call the attention of those Officers to Section V. of the Absentee Rules, published on the 21st February 1840, at page 142 of the Official Gazette, and to require them to conform strictly to the orders therein conveyed; and it is directed that Certificates of the accompanying Form, in duplicate, be in future furnished in every instance where leave is recommended, whether it be to Europe, or within the limits laid down in Section IV. of the aforesaid regulations.

2. In order to obviate the delay and inconvenience, which in particular cases may attend the return to the Provinces of a Medical Certificate forwarded to the Presidency for the counter-signature of a Member of the Medical Board, the Right Honorable the Governor in Council is pleased to notify, that persons soliciting leave of absence, under Section V. of the Regulations already quoted in Para. 1. (or in emergent cases, the Medical Officer in attendance,) may forward the Certificates to the Medical Board direct, for the purpose of being transmitted with the counter-signature of one of its Members, or their opinion, to the Sudr Adalat when the applicant may be in the Judicial Department; to the Board of Revenue, when in the Revenue Department; to the Civil Auditor in all other cases; for submission to Government, with the application, to be made in conformity with the Notice published in the Port St. George Gazette of the 4th December last, page 839. In ordinary cases however, Certificates are to be sent through Superintending Surgeons to the Medical Board, by whom they will be returned for the purpose of being transmitted through the regular channel, in the Department to which the applicant for leave may belong.

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may, as heretofore, apply to be admitted to Furlough by the Hon'ble the Court of Directors, and the Furlough will in such cases take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves, or by their Agents after their departure, must in that case be readjusted, and the difference refunded.

Note.—This rule applies to all descriptions of leave on account of health excepting those granted under Sec. XII.

Thus a second leave within the Presidency, no less than a second leave to sea, will be computed as forming part of the period of two years, if taken before three years have elapsed since returned from the first leave, and the deductions will be made upon computation of the accumulated period of absence under all such leaves taken, without the intervention of three years of consecutive service.

Salary allowed for the remaining time as if the leave had been continuous.

Sec. IX. Military Officers employed in the Civil Department, and drawing a Civil allowance, may obtain leave under Medical Certificate on precisely the same conditions as Civil Servants except as to allowances. Such Officers, in common with those holding Staff Situations in the Military Department, will draw the Military Pay and Allowances of their rank while absent on leave under Medical Certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one half of the difference between such Allowances and the Civil Pay of the Offices to which they stand appointed.

Sec. X. Civil or Military Servants holding Civil appointments who may desire to avail themselves of the benefit of the Act I. Vic., Cap. 47, and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents

3. Judicial and Revenue Officers, forwarding applications for leave of absence on sick certificate to the Sudr Adalat, or Board of Revenue, will notify to those authorities the transmission of their Medical Certificates to the Medical Board, for the purpose of being forwarded as above directed. Officers in other branches of the Civil Service will in like manner make the same notification to the Civil Auditor.

4. The Civil Auditor will not hereafter submit to Government applications for sick leave unless they are accompanied by Certificates of the form now prescribed.

Sec. XIV. There shall be allowed

Note.—This rule is only applicable to Officers appointed to any new Office to Civil Servants, Military Officers appointed to Civil Office will draw Salary only from the date of joining as heretofore, the rule in force in respect to Staff Situations being applicable to them.

Officers not joining their station within the said periods respectively, shall forfeit their Salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the Office shall be vacated, unless otherwise specially ordered by Government.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the Public Service by the Examiners appointed by the Government, to any Civil situation, there shall be allowed for travelling expenses to the Station an allowance at the rate of 8 Annas per mile by the direct Post road according to the Polymetrical Tables of the Post Office, the Bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the Station: if required in advance an order of the Government shall be necessary.

Sec. XVI. The Salary of Office will be payable from the date only of the Officer joining, but in the case of Junior Civil Servants, the Salary of Assistant will be payable from the date of their being reported qualified for the Public Service, unless forfeited under the preceding rule through delay in joining the Station to which they may be appointed.*

* The following Extracts from a Resolution passed by the Governor General of India in Council on the 16th of June 1841 (published in the Fort St. George Gazette for 1841, page 635,) claim the particular attention of Officers appointed to new situations, but who by the express order of Government may be prevented from entering immediately on the duties thereof.—*COMPILED.*

"1. The Governor General in Council remarks that the Rule referred to, (No XVI. of the Regulations of the 29th January 1840,) requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

2. His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

3. His Lordship in Council is further of opinion, that as a general rule Officers ought not to be appointed to situations for the duties of which they are not immediately available.

4. When an Officer, for the convenience of the public service, has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI. corresponds with the exception provided for in Rule XX. under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reasons to act in an office of inferior emolument to his own.

5. In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV. XVI. and XVII. It is hereby explained that Rule XIV. refers to the appointment of Civil Servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

6. These Servants are entitled under Rule XIV. to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their Station.

7. And Rules XVI. and XVII. are to be construed as applying to cases where there is a change of office with increase of salary; a special course being prescribed with regard to Junior Civil Servants: they under Rule XVI. are authorized to draw the salary of Assistant from the date of their being reported qualified for the public service, unless forfeited through delay in joining the Station to which they have been appointed."

Note. This Rule also is only applicable to Civil Servants, Military Servants drawing, as in the case of Staff Situations, no Civil Salary from the time of leaving one office till the date of joining the other.

Sec. XVII. In case of a change of Office, when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining Stations shall be applicable, and the Officer will, for the periods allowed in that rule, respectively draw out of the salary of the office he is about to join a sum equal to that of his previous situation.

CHAPTER V.

Rules for Deputation Allowances.

Sec. XVIII. (Revised—See Amended Rules, page 179.)

Sec. XIX. (Revised—See Amended Rules, page 179.)

Sec. XX. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is Officiating, and if the amount of the Deputation Allowance according to the prescribed scale, added to the permanent emoluments of the Officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn.* But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments, on being deputed to officiate for another shall be relieved only from one, he shall receive no Deputation Allowance, unless the emoluments of the office in which he is deputed to act exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

Rules for Chaplains and Assistant Chaplains.

Sec. XXIII. Chaplains and Assistant Chaplains may under medical certificate obtain leave of absence, subject to all the deductions, conditions and limitations prescribed in the case of Civil Servants; but no Chaplain or Assistant Chaplain can be permitted to draw any allowance when his period of absence shall have exceeded two years.

Sec. XXIV. (Revised—See Amended Rules, page 180.)

Sec. XXV. (Revised—See Amended Rules, page 180.)

Sec. XXVI. (Rescinded—See Amended Rules, page 180.)

Sec. XXVII. On joining a Station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his Station, as a Civil Servant. On any subsequent transfer from one Station to another, the same allowance will be made if the transfer take place, not at the desire of the Chaplain removed, but by order of Government.

* When an Officer has been temporarily holding a Civil or Military Staff appointment in consequence of the absence of the fixed incumbent on sick leave within the limits prescribed in these rules, and the latter proceeds to Europe, or otherwise vacates the appointment during absence, the *locum tenens* is not entitled to any higher allowances by reason of such vacancy; and in the event of his being permanently appointed to the office in which he has been officiating, he will receive the full salary of that Office only from the date of his permanent appointment. Leave of Absence, &c.—AMENDED RULES.

PORT ST. GEORGE, May 31, 1843.

In re-publishing the following Rules, the Most Noble the Governor in Council directs that effect may be given to them in respect to all Deputation Allowances, and leave of absence granted within the limits of this Presidency, subsequent to the 30th May 1843.

FORT WILLIAM: Financial Department, 17th May, 1843.

The Honorable the President in Council, with the concurrence of the Right Honorable the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ d for the whole term of such absence, save and except that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ d would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended)* The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year† without deduction from the Salaries and Emoluments drawn

* All Public Officers and Chaplains obtaining leave under this Section and Section XXV. should avail themselves of it within two months from its insertion in the Gazette. On failure to do so a fresh application must be made, and permission obtained under it, before quitting their stations. See Notification of the Madras Government, dated November 9, 1849. —COMPILER.

† As a general rule leave is to be granted in one period only, whether for a whole month or less, and not in detached portions to complete one month within the year, and the term year is to be held to mean the Calendar year, commencing with the 1st of January and ending with the 31st of December, but the local Governments may, where good cause is shown for the indulgence, and it is attended with no public inconvenience, sanction leave of absence under this Section to such parties as may not have occasion to apply for the whole at once, in instalments not to exceed in the aggregate one month within the Calendar year, on the understanding that no leave can be granted for any fresh Calendar year until the completion of three months from the expiration of the entire leave, or of the last instalment of leave taken in the past Calendar year.—See Resolution of the Government of India, dated 12th November 1847.—COMPILER.

by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the officer seeking it.* No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.†

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and Allowances, and, if a Military Officer, only so much of the Salary and Allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw, shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum having been fixed, under the orders of the Court of Directors, as the Maximum Salary of Civil Office for the Officers of Government under the situation of Member of Council, Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the allowance thus limited, and the excess above the monthly salary yielded by that annual sum shall remain as a local addition to the usual Deputation Allowance, to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Note.—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant they will draw at the same rates and under the same rules as Civil Servants.

Section XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per cent. on the monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

* In cases where the Government may find it necessary to provide a substitute to officiate during the absence of any officer the expense incurred must be defrayed by the absentee. See Resolution of the Government of India, dated 31st February 1848.—COMPILER.

† In cases unattended with inconvenience to the Public Service, leave will be granted for two or three months to such Servants as at the date of the promulgation of these Rules were entitled to the indulgence under the Provisions of Section XI. of the Rules of January 1849. See Notification of the Madras Government, dated September 27, 1844.—COMPILER.

At the rate of 10 per cent. upon the monthly Salary of the appointment officiated in, in all cases in which the Salary of such appointment shall not exceed Company's Rupees 2,000 per mensem, and in respect to all appointments of which the Salary shall be more than Company's Rupees 2,000 per mensem, at the rate of 10 per cent. upon Company's Rupees 2,000, and of 5 per cent. on the amount in which the monthly Salary may exceed Company's Rupees 2,000: provided however that no lower rate of Deputation Allowance shall be given than 100 Rupees per mensem.

The Deputation Allowance shall in all cases be in addition to the Salary of the substantive appointment held by the Officer on deputation.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions.

Sec. XXI. (Amended.) No Subordinate Officer acting for his Principal, or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Sec. XXII. (Amended.) Civil Servants, if deputed to act at a distance from the stations where they are employed, or Military Officers holding Civil Office who may be so deputed, or who may be ordered by Government on special duty, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment.

Sec. XXIV. (Amended.) The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentees may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of four months all Allowances shall be discontinued.

Sec. XXV. (Amended.) * Leave of absence for one month in each year, under the principle sanctioned in Sec. XI., may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary; and such leave being consistent with the rule, will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop, or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government, for the purpose of notification in the *Gazette*.

Sec. XXVI. is rescinded.

Sec. XXVIII. (Amended.) The Mint Master, the Assay Master, and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under sick certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I to V. The Absentee, if in the enjoyment of any Military pay or allowance, shall, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee shall be subject to the same deductions as a Civil Servant

The Judges of the Courts, or Justices of the Peace, before whom such Oaths or Declarations may, under this authority, be subscribed and recorded, will notify the same by letter to the Secretary to Government on the same day.

Public Officers, in reporting to the Civil Auditor their assumption of Office, are to certify that they have conformed to all the requisitions of the Law and orders of Government in respect of Oaths or Declarations of Office, and the Civil Auditor is hereby required to bring to the notice of Government any omission in this respect.

Officers Retiring from the Service.

Regulations respecting Military and other Officers retiring from the Company's Service.

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from Lord Clive's Fund, if the Court of Directors shall adjudge them to be proper objects of that bounty, to the extent of:

If a 2d Lieutenant, Cornet, or Ensign, two shillings a day, or £36 10s. a year: if a Lieutenant two shillings and six pence a day, or £45 12s. 6d. a year; provided they are not possessed of, or entitled to, real or personal property to the extent of, if an Ensign £750, if a Lieutenant £1,000.

Officers who are compelled to quit the service by wounds received in action, or by ill-health contracted on duty after three years service in India, are permitted to retire on the half pay of their rank, viz.

If a second Lieutenant, Cornet, or Ensign, three shillings a day, or £54 15s. per annum; if a Lieutenant four shillings a day, or £73 per annum.

A Subaltern Officer or Assistant Surgeon, having served six years in India, is permitted to retire on the half pay of Ensign, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

A Lieutenant having served thirteen, or a 2d Lieutenant, Cornet, or Ensign, nine years in India (including three years for a furlough,) may retire on the half pay of his rank, in case his health shall not permit him to serve in India.

Regimental Captains, Majors, and Lieutenant Colonels, who have not served sufficiently long in India to entitle them to retire on full pay, and whose ill state of health renders it impossible for them to continue to serve in India, are allowed to retire from the service on the half pay of their respective ranks, viz.

Captains, seven shillings a day, or £127 15s. per annum, Majors, nine shillings and six pence a day, or £173 7s. 6d. per annum, Lieutenant Colonels, eleven shillings a day, or £200 15s. per annum.

All Officers who have actually served twenty-two years in India, or twenty-five years, including three years for a furlough, are allowed to retire on the full pay of their respective ranks.

Officers are also allowed to retire on the following pensions without reference to the rank they may have attained, if they have served for the undermentioned periods, viz.

After twenty-three years' service in India, including three years for a furlough, on the full pay of Captain, viz. £191 12s. 6d. per annum; after twenty-seven years' service in India, including three years for a furlough, on the full pay of Major, £292 per annum; after thirty-one years' service in India, including three years for a furlough, on the full pay of Lieut. Colonel, £365 per annum; after thirty-five years' service in India, including three years for a furlough, on the full pay of Colonel, £456 5s. per annum.*

When Officers on furlough retire upon the pay or half pay of their rank, they are only entitled to claim the benefit of the rank held by them at the expiration of one year from the date of their landing in the United Kingdom.

A Veterinary Surgeon is allowed to retire on seven shillings a day after twenty years' service, including three years for one furlough; five shillings and six pence a day after thirteen years' service, including three years for one furlough; and three shillings a day after six years' service: in the two last cases provided his health shall not permit him to continue to serve in India.

A Chaplain (appointed previously to the 1st September 1836) after eighteen

years' service in India, including three years for one furlough, is allowed to retire on the pay of Lieutenant Colonel, £365 per annum; after ten years (if compelled by ill health to quit the service,) on the half pay of Lieutenant Colonel, £200 15s. per annum; after seven years, on the half pay of Major, £173 7s. 6d. per annum.

If appointed subsequently to that date, according to the following scale, viz. after eighteen years' service, including three years for one furlough, the pay of Major, viz. £292 per annum; after ten years' service, (if compelled by ill health to quit the service) on the half pay of Major, viz. £173 7s. 6d. per annum; after 7 years the half pay of Captain, viz. £127 15s. per annum.

A Commissary or Deputy Commissary of Ordnance, not being a Commissioned Officer, is allowed to retire on full pay if he has served twenty-seven years in India, of which twelve must have been in the Ordnance Department; twenty-five years, fourteen of which in that Department; or twenty-two years, seventeen years of which in the Ordnance Department.

A Conductor of Stores is allowed to retire on £60 per annum after twenty-five years' actual service in India.

Officers retiring from the service will be considered to have retired from the date of their application for leave to retire; or from the expiration of two years and a half from their quitting India, whichever shall happen first.

An Officer proposing to retire is required to forward, with his application for permission to do so, a certificate from the Department of the Accountant General that there are no demands against him on the books of that department.*

No. 20 of 1847.—The following General Orders by the Hon'ble the President of the Council of India in Council, are republished for the information of the Army of this Presidency.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 8th January 1847.

No. 11 of 1847.—With a view to uniformity of practice, and to obviate the inconvenience arising from the existing system under which dates are assigned to vacancies caused by the retirement, &c. of European Officers in India, the Hon'ble the President of the Council of India in Council, with the concurrence of the Right Hon'ble the Governor General, is pleased to establish the following rule, which is to be considered applicable to all the Presidencies.

Rule.—Whenever an officer may be desirous of resigning or retiring from the service, or of being transferred to the Invalid Establishment, he is required to state in his application the date, which must be a prospective one, from which he wishes such resignation, retirement, or transfer to have effect; and from the date so specified, the applicant, in the event of the decision of Government on his case not having been previously received, will, pending such decision, be exempted from the performance of all military duty.

* Officers proposing to retire from the Service are authorized to apply through the prescribed Channel of the Pay Department for anticipated audits of their accounts, and the Departments concerned are required to comply therewith, and to grant Certificates of "No demands" as soon as the applicants have settled all balances standing against them, or given proper security for the same. Officers retiring &c., from the Service while serving without the limits of the Madras Presidency and beyond Sea.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

Fort St. George, 9th May 1845.

No. 35 of 1845.—1. In order to obviate as far as possible risk of loss to the State, as well as to facilitate and expedite the adjustment of the Accounts of Officers of the Madras Army, who may resign, retire, or be removed, from the Service, while serving in the Tenasserim Provinces, Straits Settlements, China, Aden, or elsewhere without the limits of this Presidency and beyond Sea, the Most Noble the Governor in Council is pleased to direct that whenever an Officer so situated applies for permission to resign or retire from the Service, or is placed in arrest preparatory to trial by Court Martial, his Pay and Allowances of every description shall be thenceforth drawn on separate Abstract, and his Pay Accounts kept entirely separate from those of the Regiment or Detachment to which he may belong.

2. Consequently an Officer, situated as above described, proposing to retire from, or resign, the Service, will not be permitted to sign the Pay Abstracts, &c. of his Troop or Company; but he is not, on that account, to be deprived of Troop or Company Command Allowance to which he may under Regulation have claim, to which he will continue entitled in the same way as if detached in the manner adverted to in Para. 4, head "Troops and Companies," page 179, Section 9th, of the Code of Pay and Audit Regulations.

3. The Officers Commanding at the Stations in question are directed to send to Madras for immediate Audit, at the same time that the application for permission to resign or retire is forwarded, all Abstracts containing previous charges of the Officer about to retire or resign; thus leaving, to take the usual course of Audit, only common charges for his own Pay and Allowances, in which there ought to be no mistake.

C. A. BROWNE, Lt. Col., Secy. to Govt.

Furlough Regulations.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness, and as hereafter specified,) to their rotation to be absent on furlough, and the same rule is applicable to Assistant Surgeons, and Veterinary Surgeons. The furlough to be granted by the Commander in Chief at each Presidency, with the approbation of the respective Governments.*

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

A Chaplain (appointed previously to the 1st September 1836,) after seven years' residence in India, is allowed to go home on furlough and receive the pay of Major, £292 per annum. Should he go home from sickness prior to this period of service, he is allowed the pay of Captain only, viz. £191 12s. 6d. per annum.

If appointed subsequently to that date, after seven years' residence in India, the pay of Captain, viz. £191 12s. per annum; and if compelled by ill health to go home prior to this period of service, the half pay of Captain, or £127 15s. per annum.

A Conductor of Stores is allowed furlough pay only in case of going home from sickness.

* A second furlough on private affairs may be granted to Officers when the public service will permit the indulgence, but the rule which precludes an Officer receiving pay when absent in Europe on such affairs for a longer period than three years is to be fully maintained. The following is a copy of the regulation as published in the Bengal code, and is applicable to all the presidencies: "No Officer who has drawn three years' furlough pay is allowed pay during any future furlough, except in cases of certified sickness; but if he has not received pay for the full term, he may during a second furlough on private affairs, be allowed the same for such space of time as will complete the three years." See Court's letter to the Madras Government of the 1st January 1841.—COMPLER.

Officers going to England on furlough, are required immediately to report their arrival by letter to the Secretary, stating the name of the ship in which they came, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the Officer to his presidency.

Officers are required to join the Establishment to which they belong at the expiration of the three years' furlough; unless they shall have obtained an extension of leave from the Court six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned, or in cases in which it shall be proved to the Court that a further residence in Europe is indispensably necessary.

All Officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's Examining Physician, Dr. John Scott, 13, Straton Street, who will report to the Court of Directors his opinion on the state of such Officers' health, and if resident in the country, in any part of the United Kingdom, they must transmit, with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen eminent in the medical profession, viz.

I hereby certify, that I have carefully examined, (state the nature of the case as well as the name of the party,) and I declare upon my honour, that according to the best of my judgment and belief, ——— is at present unfit for military duty, and that it is absolutely necessary for the recovery of his health, that he should remain at least ——— longer in this country.

Also previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or other evidence, as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period must at its expiration apply for permission, either to return to their duty, or to reside a further time in England.

In every case in which an Officer has had his furlough extended beyond the prescribed period, on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the Examining Physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No Officer who has failed to obtain an extension of furlough, will be considered eligible to return to the service after five years absence, under the Act of 33 Geo. III. Cap. 52, Sec. 70.

Every Officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the Court's instructions, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them. Officers, therefore, who shall go home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the Court to remain a further time in Europe.

No Officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting Colonels of Regiments, and those of the rank of Lieutenant Colonel regimentally; when promoted to that of Major General: the latter are then allowed to draw the pay of their Brevet rank beyond the above period.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

FORT WILLIAM, 29th September 1841.

No. 226 of 1841.—The Right Hon'ble the Governor General of India in Council is pleased to publish for general information, the following paragraph of a letter from the Hon'ble the Court of Directors to the Governor in Council at Bombay, No. 42, dated 4th August 1841, on the subject of the extension of Furloughs to New South Wales, or any other of Her Majesty's Colonies, the Rule therein laid down being applicable to all the Presidencies.

"Para. 2. In future cases when Officers may be granted a Furlough on sick certificate, or on private affairs, to New South Wales, or any other Colony, we desire that they may be separately informed, that any applications which they may have occasion to prefer for extended leave, are to be addressed to us in sufficient time to allow of their receiving our reply by the period when they should embark on their return, so as to ensure their arrival within the original term of Furlough; that if the application is preferred on account of health, it should be supported by Certificates from the Medical Staff Officers, or other undoubted medical testimony on the spot, shewing that the applicant is then incapable from ill health to return to the performance of military duty in India, and specifying the term for which they consider additional leave absolutely necessary for the recovery of the applicant's health; and that if the application is preferred on the ground of urgent private affairs, it will be required, that the nature of those affairs should be specified, and that the necessity for his continued absence should be certified by his professional adviser on the spot."

Officers Absent at the Cape—Allowances to.

Extracts from a letter from the Honorable the Court of Directors, dated the 16th August 1837.

"5. With reference to the second subject, viz. the issue of the absentee allowances of Officers who are absent at the Cape of Good Hope, we now empower you to frame a Regulation, by which our Officers who are entitled under existing Rules to draw Indian allowances upon their actual return to India from leave of absence to any place within the limits of the Company's Charter, or the Cape of Good Hope, or the Mauritius, or the Island of St. Helena, shall be entitled through their Agents at their respective Presidencies, to draw their allowances from month to month, upon their giving sufficient security to refund the whole amount in the event of their proceeding to England without previously returning to India, or such part of the amount as may have been over issued on any other account.

6. You will take measures for introducing similar Regulations at the Presidencies of Madras and Bombay, to the Governments of which we shall send copies of the present Despatch."

Sick Leave Regulations.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 10th August 1847.

No. 178 of 1847.—The Most Noble the Governor in Council directs the publication of the following Regulations regarding the grant of leave on medical certificate to European Officers.

1. All Sick Officers for whose recovery change of climate, whether to places beyond or within the limits of the Presidency, may be recommended will be required to appear for examination before a Board of Medical Officers.

2. At the Presidency, and at all Stations where practicable, a Board of three Medical Officers shall be appointed for the purpose of granting, confirming, extending and when necessary cancelling, medical certificates to Officers,—and none will be permitted to quit their Stations until they have been examined by such Board, before which the Officers' Medical Attendants are always to appear for the purpose of affording information on each case.

3. At the Presidency, a Member of the Medical Board, the Superintending Surgeon, and another Medical Officer to be appointed by the Commander in Chief, will form a Board; and at other Stations the three senior Medical Officers will be nominated for the duty. When it does not interfere with their other duties, Civil Surgeons are to be considered available as Members of Boards, if there is not a sufficient number of Medical Officers without them.

4. At Stations where there may be only two Medical Officers besides the one who has charge of a Patient, the Commanding Officer shall constitute them a Board for the above purpose, and should there be a difference of opinion upon the case, the recommendation of the Officer's Medical Attendant will be sufficient to decide that a sick certificate shall be granted.

5. At Stations where there is but one Medical Officer he may grant sick certificates, but in every such case, as also when a certificate is granted under the provisions of para. 4, the Patient is to be informed that he will be required to appear for examination before a Board of Medical Officers at the first Station on his route at which a Board of three Members can be convened: and with a view to obviate unnecessary delay or inconvenience to the Patient, the Officer Commanding the Station from which the Sick Officer is proceeding will communicate with the Officer Commanding such Station on route, where the necessary steps will be taken to assemble the Board upon the Sick Officer's arrival.

6. Previous to departure from a Station, each Sick Officer is to be furnished with a sealed medical statement of his case, to be produced to the Board in cases contemplated by paras. 4 and 5, and which after examination will be returned to him sealed by the Board, for the purpose of being delivered to the Medical Officer by whom he may next be attended.

7. In cases in which an Officer's sick certificate may not be confirmed by a Board at a Station on his route, he is to be allowed to remain there pending the orders of Government or the Commander in Chief upon the Board's Proceedings.

8. As a general rule Officers are not to be sent to the Presidency on sick certificate, except for embarkation or for the treatment of mental or ophthalmic disease. When however a residence with near relations at the Presidency is deemed advisable, or any special reason with regard to the Patient's health may exist, Medical Boards or Officers are to grant the certificates accordingly, and enter their reasons for doing so in the Proceedings of Boards, or in the certificates granted where Boards cannot be convened.

9. A Board will be assembled annually under the orders of His Excellency the Commander in Chief for the examination of Patients on the Neilgherry Hills, of which the Superintending Surgeon Southern Division will be President, and should there not be Medical Officers of experience residing on the Hills, the Commander in Chief will detach one or more from the adjoining Divisions as may be found convenient.

10. All Officers on the Hills who have been absent from their duty for one year will be required to appear for examination before the Annual Board, and, according to its report, will either be allowed to remain on the Hills for a further period, or be required to join their Corps or Departments if the Board reports that by the re-establishment of their health they are fit for duty.

11. Intermediate extension of leave on sick certificate to an Officer on the Hills will be granted only on the recommendation of a Board of Medical Officers, to be convened by the Officer Commanding at Ootacamund. The Medical Officer doing duty on the Hills who is not in attendance on the Patient is to be nominated a Member of this Board, but if for want of Medical Officers a Board cannot be convened, the countersignature of a sick certificate by the Superintending Surgeon of the Southern Division will be held sufficient to enable the Patient to remain until a Board can be assembled.

12. The Proceedings on Medical Officers, which are to be prepared separately, are to be forwarded through the Medical Board—and those for other Officers through the prescribed channels to Government or to the Adjutant General of the Army.

13. With the exception of the addition required in para. 8 to the certificate of an Officer who may be sent to the Presidency without having appeared before a Board of Medical Officers, the forms of medical certificates given in Section VIII. of the Medical Regulations are to continue in use as heretofore.

14. The following form of Proceedings is to be adopted by Boards of Medical Officers, and will include one or more cases, according to the number of Officers to be examined. When medical certificates are confirmed, it will be sufficient to state the circumstance as briefly as possible—but in cases in which there may be a difference of opinion between the Officer who grants a certificate and a Board, whether at the same or at another Station, the reasons for not confirming the certificate are to be fully recorded.

"GENERAL ORDERS BY THE HONORABLE THE PRESIDENT IN COUNCIL.

Fort William, July 1st 1842.

No. 169 of 1842.—In obedience to the Orders of the Honorable the Court of Directors, in their Military Letter to the Government of India, No. 6, under date the 4th May 1842, the following Regulations are to have effect in the Medical Department of the three Presidencies from the 16th instant.

The situation of Superintending Surgeon to be considered a Staff Appointment, to which only those fitted for it by a zealous and able discharge of their professional duties shall be deemed eligible, and the appointment to future vacancies will be made without reference to the order of succession, whenever it may be the opinion of Government, that such departure from Seniority is required for the maintenance of the public interests.

The present system by which all Pensions in the Medical Service superior to those of Surgeon (Captain's full pay after 17 years service in India) are dependent on promotion to the Staff Appointment of Superintending Surgeon, is abolished, and in its stead the principle of granting those Pensions according to length of service established, upon the following scale, viz.

After 20 years' Service, 3 years Furlough included, as at present....	£191 a year.
" 28 " 3 " "	£300 "
" 32 " 3 " "	£365 "
" 35 " 3 " "	£500 "
" 38 " 3 " "	£700 "

The present Regulations by which Superintending Surgeons are entitled as such to Retiring Pensions of £300 and £365 a year, and Members of the Medical Board to Pensions of £500 and £700 a year, according to period of Service in those ranks respectively, will cease to be the rule of the Service for Medical Officers after the date of the introduction of the new arrangement; but individuals then in the Service, and who may be appointed to the Offices of Superintending Surgeon and Member of the Board within ten years from that date, will be allowed the option of retiring upon Pensions upon the old scale of length of service in those Ranks, instead of the new scale of length of service in India.

The designation of 1st, 2d and 3d Members of the Medical Board is abolished, and the following Titles are substituted:

Physician General.....	1st Member.
Surgeon General.....	2d Member.
Inspector General of Hospitals.....	3d Member.

The Members of the Board will accordingly be commissioned with these Titles, when appointed to the respective positions abovementioned, and when retiring from the Service will be placed on the Retired List with the Title then held by them.

The Regulation which fixes the rank of Brigadier General as the relative

* Medical Officers who have served 21 years in India (three years furlough included) are now entitled to retire on a pension of £250 a year. See G. O. of the Government of India, No. 122 of 1844, published in the *Fort St. George Gazette* for that year, page 305.—

Army Rank of Members of the Medical Board, will equally apply to those Members under the new Titles now established.

All Surgeons of 30 years' Service to be designated "Senior Surgeons," and their relative Rank with Officers of the Army to be that of Major. This arrangement, like all others having reference only to the rank and designation of Medical Officers, confers no claim whatever to superior allowances, and will make no change whatever in the nature of their employment.

FORT ST. GEORGE, 25th July 1843.

No. 118 of 1843.—Under instructions from the Honorable the Court of Directors, received through the Government of India, the Most Noble the Governor in Council is pleased to publish the following regulations on certain points connected with the Medical rules published in G. O. G. 126, dated 15th July 1842.

1st. The Physician General, Surgeon General and Inspector General of Hospitals will, collectively, continue to perform the duties of the Medical Board as heretofore: their period of service, reckoning from the date of promotion to Inspector General of Hospitals, will be five years, after which they will be required, as was the case with a Member of the Medical Board, to retire; and, as vacancies occur, the Inspector General will be promoted to the rank of Surgeon General, and the Surgeon General to that of Physician General.

2d. No alteration has been made in the regulation which prescribes that "vacancies in the Medical Board shall be filled up by selection from the Superintending Surgeons, of such as shall be most distinguished for professional science and the zealous discharge of their duties, due regard being had to seniority in the Service when the qualifications of the individuals appear to be adequate to the correct performance of the duties of the office."

3d. A Superintending Surgeon, in virtue of his Staff Appointment, is to take rank over all Garrison and Regimental Surgeons within his Division who may be senior to him in the list of Surgeons; but in such cases, if Medical Officers desire it, they will be transferred to a Division the Superintending Surgeon of which is their senior in the Service.

4th. The situation of Superintending Surgeon being considered a Staff appointment, the Government will be at liberty, should the interests of the public service require it, to remand him to the rank of Regimental Surgeon, or rather to remove him from his Staff appointment.

5th. The regulation published in G. O. G. No. 226, dated 9th June 1835, which provides that no Medical Officer shall be considered eligible to the situation of Superintending Surgeon, who shall not have served for two years in the military branch of his profession at some period subsequently to his promotion to the rank of Surgeon, continues still in force.

6th. A Medical Officer holding the appointment of Superintending Surgeon before his embarkation to Europe, will, on his return to India, be entitled to resume his appointment as a Superintending Surgeon.

ment of India, approved and sanctioned by the Honorable the Court of Directors, The Right Honorable the Governor in Council, is pleased to publish the following Rules, respecting Members of the Medical Board and Superintending Surgeons on the Madras Establishment, which (except as regards the amount of salaries) correspond with those in Bengal, and are to apply to all Officers, who may be appointed to either of the above situations subsequent to the date of this General Order, in supersession of all different provisions contained in the Code of Pay and Audit Regulations or in former General Orders.

2. The Rules contained in the revised Code of Pay and Audit Regulations, will continue to apply to Members of the Medical Board and Superintending Surgeons appointed prior to the date of this General Order, and to the Officers now officiating, or who may be appointed to officiate, for any of them.

MEDICAL BOARD.

1. Members of the Medical Board rank as Brigadiers General; but that rank is considered as purely official, or of courtesy, and does not give claim either to Military command or to increased allowances of any kind, except in cases of distribution of Prize Money, in which Members of the Medical Board are allowed to share according to the above scale of rank.

2. The Members of the Medical Board are Commissioned with the following titles, and on retirement from the Service are placed on the Retired List with the title then held by them.

- 1st. Physician General.
- 2d. Surgeon General.
- 3d. Inspector General of Hospitals.

3. The consolidated salary of a Member of the Medical Board is 2,450 Rupees per mensem, which is held to include the Pay and full Regimental allowances of a Surgeon.

4. The allowances of Members of the Medical Board, are passed from date of vacancy in the Board, in the same manner as those of General Officers on the Staff, on the principle that they hold their appointments for a limited period only.

5. A Member of the Medical Board when absent on leave, on private affairs, or on medical certificate, within or beyond the limits of the Presidency, is only entitled to Rs. 1,678 As. 4 P. 0 per mensem for the prescribed periods; subsequent to which he will be restricted to the pay proper of his Army rank of Surgeon.

6. The amount forfeited by a Member of the Medical Board, during absence as above stated, viz. Rs. 771 As. 12 per mensem, is payable to the Superintending Surgeon appointed to officiate for him, or, when no such appointment has been made, becomes a saving to the State.

7. Members of the Medical Board, when on furlough to Europe, are entitled to the furlough pay of Colonels of Infantry.

8. Pensions from Lord Clive's Fund to Members of the Medical Board and their Widows, are allowed at the same rates and under the same rules as to Colonels and their Widows.

9. A Member of the Medical Board who has proceeded to Europe, and been permitted by the Honorable the Court of Directors to return to India, for the purpose of completing the residue of his tour of service in the Board, becomes entitled to consolidated salary, from the date of his arrival at Madras, and the Junior Member of the Board, consequently, reverts, from the same date, to his former position of Superintending Surgeon, his period of service as Junior Member being counted as so much passed to the term of five years to which service in the Medical Board is limited.

10. The Members of the Medical Board actually in the Service on the 16th July 1842, and appointed to the Board at any time within ten years from that date, have, provided they have completed twenty years service in India (including three years furlough) the option of retiring upon Pensions, either ac-

ording to the general scale for length of service in India established on the above date, or upon the following scale :

After Service in the Medical Board of not less than..... } *Per Annum.*

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire, in India or Europe, at any period after becoming Members of the Board on the first of those Pensions, or at any time after the completion of three years service in the Board on the second.

SUPERINTENDING SURGEONS.

1. The situation of Superintending Surgeon is considered a Staff appointment, and nominations thereto are made without reference to the order of succession whenever it may be the opinion of Government, that such departure from seniority is required for the maintenance of the public interests. Medical Officers are not entitled, under any circumstances, to the allowances of Superintending Surgeon, until they shall have entered upon the duties appertaining to the appointment.

2. The consolidated salary of a Superintending Surgeon is 1,575 Rupees per mensem, which includes the Pay and full Regimental allowances of Surgeon. — *The Superintending Surgeons of the Nagpore and Hyderabad Subsidiary Forces, and Superintending Surgeons employed with Troops on actual Field Service, are entitled to salaries of Rs. 1,803-4 A. & P. each; but these higher salaries are only claimable by them when actually present and in the performance of the duties of their appointments, their receipts being regulated by the provisions applicable to other Superintending Surgeons during absence involving any forfeiture of allowances, when the additional allowance, viz. the difference* Rupees 228-4-6 between the amount above mentioned and Rupees 1,575, becomes payable to the Officiating Superintending Surgeon.*

3. An allowance of 60 Rupees per mensem, for Writers and Stationery, is attached to the appointment of Superintending Surgeon, and payable under the same rules as other Office allowances in general.

4. Superintending Surgeons rank as Lieutenant Colonels; but that rank is considered purely Official, or by courtesy, and does not give any claim either to Military command or to increased allowances of any kind, except in cases of distribution of Prize Money, in which Superintending Surgeons share according to the above scale of rank.

5. The office of Superintending Surgeon being incompatible with an executive charge, a Surgeon appointed to officiate as Superintending Surgeon of a Division or Force is invariably on assuming superior office to make over his subordinate charge. If a Regimental Surgeon, and officiating for an absent incumbent who had previously been in charge, he will be entitled to the forfeited portion of the salary of Superintending Surgeon, viz. Rs. 496-2 A. per mensem if the absence of the incumbent be occasioned by his temporary employment in the Medical Board (*Vide Para. 11*), and Rs. 579-13 A. per mensem if the incumbent be absent on medical certificate or private affairs, *vide para. 6*, and will draw the Office allowance (60 Rupees per mensem) with the Pay and Regimental allowances of his rank and station, and if a Garrison or other Staff Surgeon (not Regimental) he will further be entitled to a moiety of the salary of his permanent situation, provided that salary is higher in amount than the forfeited portion of the salary of Superintending Surgeon. If lower in amount, he is not entitled to any part of it while officiating as Superintending Surgeon, and is restricted to the Pay and Regimental allowances of his rank for the entire period occupied by him in reaching his new station, and subsequently joining his original one.

6. A Superintending Surgeon when absent in India, or within the limits of the Honorable Company's Charter, on medical certificate, or private affairs, within the prescribed periods, is entitled to Rupees 995-3-0 per mensem, being the Pay and full Regimental allowances of a Surgeon, and a moiety of the

remainder of his consolidated salary; but when absent beyond the "prescribed periods" he is restricted to the subsistence or pay proper of his Army rank of Surgeon.

7. A Superintending Surgeon when absent on furlough to Europe, is entitled to the furlough pay of a Lieutenant Colonel of Infantry.

8. A Superintending Surgeon, who has proceeded to Europe, and been permitted by the Honorable the Court of Directors to return to India to resume his appointment becomes entitled to salary from the date of his actual resumption of his duties as Superintending Surgeon, and from which date the Junior Superintending Surgeon on the Establishment will revert to the grade of Surgeon.

9. Superintending Surgeons actually in the Service on the 16th July 1842, and appointed to the Office of Superintending Surgeon at any time within ten years, from that date, have, provided they have completed twenty years service in India (including three years furlough) the option of retiring upon Pensions either according to the general scale for length of service in India established on the above date, or upon the following scale.

 and in cases of certified sickness rendering immediate return to Europe necessary, are permitted to retire, in India or Europe, at any period after becoming Superintending Surgeons on the first of those Pensions, or at any time after the completion of three years as Superintending Surgeon on the second.

10. No Medical Officer is to be considered eligible to the situation of Superintending Surgeon who shall not have served for two years in the Military branch of his Profession, at some period subsequently to his promotion to the rank of Surgeon, unless he shall have held for a similar period the appointment of Marine or Presidency Surgeon, or Surgeon to the General Hospital, or shall have served in the Rank of Surgeon for two years with the Troops commanded by British Officers in the Nizam's Service, or the Army of any other Native State.

11. Superintending Surgeons appointed to officiate as Members of the Medical Board are permitted to draw their full salaries up to the date of their entering upon the duties of the Board, or otherwise coming into the receipt of allowances as Officiating Members. Full salaries are allowed when they return

No forfeiture is incurred by a Superintending Surgeon on being transferred from one circle of Superintendence to another, and the Officer who may be appointed to take charge of the Office records on such occasions will draw the Office allowance (*vide para. 3*) from date of the permanent incumbent quitting the circle to that of his successor entering it.

13. An Order directing a Medical Officer to receive charge of the records of a Superintending Surgeon's Office does not confer the rank, impose the duties, nor entitle him to the allowances of an Officiating Superintending Surgeon.

14. Pensions from Lord Clive's Fund to Superintending Surgeons and their Widows, are allowed at the same rates, and under the same rules, as to Lieutenant Colonels and their Widows.

Rules.

(Corrected to 17th October 1850.)

ADMISSION.

Art. 1. No person is admissible as a Subscriber to the Military Fund, unless he entered or shall enter the service of the Honorable East India Company on the Madras Establishment as a Cadet or Assistant Chaplain: Cadets and Assistant Chaplains become Members of the Military Fund, as a condition of their appointment, and are eligible to its benefits from the date of their admission on the establishment. Assistant Chaplains subscribe as Captains until they have served 15 years; subsequently as Majors.—G. O. G., 12th June, 1838.

Art. 2. Medical Officers (formerly received as Members,) may continue in the Society on the old rules; according to which a Surgeon pays, and is entitled to benefits, as a Captain; a Superintending Surgeon as Major; and a Member of the Medical Board as Lieutenant Colonel; but Medical Officers are no longer admissible.

Art. 3. Assistant Chaplains or Cadets, being married, or having legitimate offspring, are required to pay marriage donation and also subscription, at the Indian rates, of their grade as married, with arrears to be calculated from the date of their admission on the establishment, or from the date of birth of the eldest surviving child, if the latter date be anterior; with compound interest at 8 per cent. per annum, on the whole amount of donation and subscription, either at once, or by 25 equal monthly instalments, within 25 months of the date of admission.

DONATIONS AND SUBSCRIPTIONS.

Art. 4. All subscriptions to the Fund are payable in India, monthly, in advance. All donations, although for the convenience of Subscribers payable by prescribed instalments, become debts to the Fund from the date on which they fall due, and must, under any circumstances, be paid by the Subscriber.

Art. 5. Subscribers shall pay donations and subscriptions in the time and manner hereafter defined agreeably to Tables A. and B. Widowers with legitimate offspring to be considered and pay the same as married. Subscriptions are to commence from the date of admission on the Establishment of Fort St. George; entrance donations become due from the same date; and donations and subscriptions on promotion from the date of promotion as signified in G. O. G. Arrears of Instalments of donation and subscriptions to be recovered from first pay drawn.

Art. 6. The donations of Cadets, Cornets, 2d Lieutenants and Ensigns, and Assistant Chaplains may be paid, in anticipation, in England; those married or having legitimate offspring will be further required on arrival in India to pay the subscriptions and interest laid down in Article 3.

Art. 7. Donations on Entrance or Promotion must be paid immediately on becoming due, or by equal and regular monthly instalments, agreeably to Table A., as married or single, commencing with the first pay drawn by the Subscriber after the event. If the Subscriber however be promoted during the payment of such instalments, he must pay the new donation, as well as the balance of the old, at the higher rate of the class into which he has been promoted.

MARRIAGES.

Art. 8. All marriages must be reported.—When a Subscriber, Widower or Bachelor, marries, his family will become eligible to the benefits of the Institution if he duly report his marriage, and make, commence, or arrange to commence,* as below prescribed, the payments consequent thereon; viz., increased subscription according to his class, and the regulated donation, subject to increase agreeably to Table G. for disparity, if his age exceed that of his wife more than 8 years. If the Subscriber pay the whole donation within 30 days after the date of marriage, he will be allowed a discount or deduction of 10 per cent.; if not, he must pay it by 25 equal monthly instalments, commencing with the first month after marriage. This rule applies to Subscribers marrying Annuitants on the Fund.

Art. 9. If the report of marriage be not made, and the prescribed payment begun, within one month after the event, the donation will be increased by (1) one per cent. per month up to the date of announcement, and the pensions of the widow and children will be contingent upon the husband's surviving 25 months from the date of his report, and completing the payment together with all arrears of subscription (calculated from the date of marriage) and penalties. If however the report be made within the month, and all the regular payments begun, or measures taken to begin them, and the husband should die before any or all of the instalments are paid, the widow and family will be entitled to their pensions subject to the regulated deductions on account of Minimum.

Art. 10. The report of marriage must contain the dates of birth of the Wife and of the Subscriber, also the Christian name of the Wife. This information is necessary for the calculation of the amount of donation, and Subscribers should be careful in affording it, lest the omission, by leading to a reference, should involve a penalty as to time. In every case the best course to be followed is, on making the report of marriage, immediately to commence the regulated subscriptions and instalments of donation, as laid down in Tables A. and B.

CHILDREN.

Art. 11. To secure for his daughters the continuance until marriage or death, of the annuities to which they may become entitled from the Fund, in consequence of his decease, before they respectively attain the age of 21 years; or should they have attained that age at their Father's death to obtain for them similar annuities, a Subscriber is required within 10 days from date of birth of each daughter, to notify the same to the Secretary, and state that it is his intention to pay an additional donation of Rupees 282, which amount will become due to the Fund from date of birth, whether the child subsequently live or die. If the Subscriber pay the whole donation within 30 days after the child's birth, he will be allowed a discount or deduction of 10 per cent., if not, he must pay it within 12 months from date of birth of the daughter by 12 equal monthly payments, commencing with the first month after the birth of the child. Vide Table A. Should he however fail in completing the payment within 12 months from date of the child's birth, the amount will be forfeited to the Institution, and the child will be entitled to annuity only until 21 years of age.

* Means giving the necessary instructions to the Pay Department to make the required deduction.

To obviate the inconvenience which might be occasioned by the neglect of the above Article, Subscribers may, if they prefer it, notify to the Secretary their wish to avail themselves of the rule for all daughters who may be born to them; the donation for each becoming due and payable as above explained, whether the child live or die.

In addition to the above a monthly subscription of one Rupee, or 2s. 3d. is to be paid for each son under 21 years of age; and for each daughter until marriage or death, during the life of the father. The subscription for daughters for whom the donation of Rupees 282 may not have been duly paid to cease after the age of 21 years.

Subscribers are consequently required to report to the Secretary, dates of births and decease of all children.

Art. 12. A posthumous daughter, or a daughter whose father may die before payment of the donation as above, will be entitled to the advantage of Regulation 11; but the prescribed donation for her will be deducted from her annuity at the rates specified in Table D. Art. 79. The accounts of the Fund are to be kept in sterling money, and in Company's Rupees ; the latter at the rate of two shillings and three pence per Rupee. No other currency is to appear in the accounts.

Art. 80. Immediately after the audit of accounts is completed annually, every member indebted to the Fund is to be informed of the amount due by him up to the date of the audit.

Art. 81. All the manuscript books in use are to be kept available and ready for the inspection of the Directors at every monthly meeting ; and it is the duty of the Secretary, whenever a book, from any cause, is not properly written up, to report and explain the circumstance to the Directors.

Art. 82. Letters received on the business of the Fund, of an ordinary nature, may be replied to by the Secretary without being first laid before the Directors in meeting. In like manner all ordinary communications, to Subscribers and others, may be made by the Secretary whenever necessary ; but no letter of any kind is to be despatched from his office unless the draft of it has been previously passed by three Directors, whose initials in ink must appear thereon.

Art. 83. Files of printed copies of the Records of Proceedings of the Directors in Meetings, of Circular Letters to the Subscribers, and of Reports and Letters from Actuaries and others, are to be regularly kept and laid on the table at all Meetings of the Directors.

cords and furniture, of which complete and correct lists are always to be kept in the office.

Art. 86. The Secretary is vested with the entire control and management of his office establishment ; and has the power of discharging and entertaining writers and other office servants ; but is required to report, for the information of the Directors, every alteration in the establishment, either by casualty, or by reduction of, or addition to monthly pay, at the next meeting after its occurrence.

Art. 87. Should the Secretary be prevented by illness or other reason from attending his office for more than three days consecutively, he is required to report the circumstance to the Directors at their next meeting.

Art. 88. Should the Secretary be prevented, by any cause, from attending a Meeting of the Directors, he is, if possible, to give timely previous notice of the circumstance, mentioning at the same time some Subscriber who has consented to act in his stead.

Art. 89. Prior to applying for leave of absence from the Presidency, the Secretary must notify his intention to do so for the information of the Directors. During absence, he is not entitled to any part of the salary of his appointment, which is payable in full to the Officer nominated to officiate for him. He is however allowed to make arrangements to provide a substitute, and to nominate the latter, who will be appointed to officiate, accordingly, if approved by the Directors.

Art. 90. Each Cadet and Assistant Chaplain on his arrival in India is to be informed by the Secretary of his enrolment as a member of the Fund, and required to state his condition as bachelor, married or widower ; his date of birth ; and, if married, the date of his marriage, the date of his wife's birth, her Christian name, or names, and the date of birth and name or names of each of his living children ; and if widower, the date of birth and name or names of each of his living children, and also whether he has been furnished with a copy of the Regulations in Europe. On the receipt of this statement the Secretary is to apprise the Subscriber of the contributions required of him, and the manner in which they must be paid ; and, if necessary, supply him with a copy of the Regulations.

Art. 91. The Secretary is to take care that no incorrect or incomplete copy of the Regulations is kept in use in, or sent out of, the office. All corrections or alterations directed from time to time are to be made in every copy in use in the office, or about to be supplied to a Subscriber or Annuitant, either by printed fly-leaves or in manuscript.

Art. 92. Subscribers and Annuitants proceeding to Europe are to be furnished by the Secretary with Certificates for delivery to the Agents in London ; which documents are to contain complete statements, for the guidance of the Agents, of payments to be made on account of the Fund to and by the parties in question.

HOME AGENTS.

Art. 93. According to the original rules of the Fund, the Agent in England, as well as the Secretary in India, was required to be an Officer of the Army and a Subscriber to the Fund ; but under a regulation established on the 5th of June 1835, the present Agents are the members of a mercantile firm in London, who have been required to furnish personal security to the amount of 3,000£ for the due fulfilment of their engagement.

Art. 94. The Agents to the Fund in England are appointed by the Board of Direction in India, and are removable by the same authority ; but in the event of the sudden resignation, or bankruptcy of the Agents, or in any other case of emergency, the Home Committee are empowered to nominate temporary Agents.

Art. 95. The total salary of the Agents is 400£ per annum, which is to cover all expenses on account of Office establishment and contingencies of every

kind, including the necessary expenses of printing, postage, messengers, &c. &c., attendant on the preparation of the records of the proceedings of the Home Committee and Sub-Committee.

Art. 96. The office of the Agents in London is to be open to all Subscribers from 11 o'clock A. M. to 3 o'clock P. M. every day, except Sunday, to enable them to refer to the books and records whenever necessary; and the Agents are to furnish information on all matters connected with the Fund on application from Subscribers and Annuityants.

Art. 97. The Agents in England are to keep themselves supplied with a sufficient number of correct copies of the Regulations, by reprint of the last of those forwarded from India, of which it is their duty to furnish a copy to each newly appointed Assistant Chaplain and Cadet gratis, and to each other Subscriber or Annuityant at the fixed price, on application for the same. They are to report to the Secretary at Madras, for the information of the Directors, the dates of all marriages, and births of children, of Subscribers resident in Europe.

Art. 98. All payments to the Fund by Subscribers resident in India, Cape, New South Wales, China, &c., are to be made in India, in Indian currency; and all payments by Subscribers resident in Europe, or elsewhere beyond the limits of the East India Company's Charter, are to be made in London, in English currency, agreeably to Tables A, B, C, G, and H.

Art. 99. All payments from the Fund to parties resident in India, at the Cape, in Australia, China, &c., or to their Agents, are to be made in India, in Indian currency; and to parties resident in Europe, or elsewhere beyond the limits of the East India Company's Charter, or to their Agents in London, in English currency, agreeably to Tables E and F.

Art. 100. Payments from the Fund to parties resident in Europe are made by the Agents, on account of the Institution, by certificates on the Treasury at the India House. Every certificate to be made out in favor of the party actually entitled to receive the same.

Art. 101. The Agents in England and the Secretary at Madras, are held personally responsible for the accuracy of the records and accounts and the various documents furnished by them to subscribers. Should any over-payment to a party occur, which shall be proved to have arisen from ignorance or neglect on their part, they shall be liable to have the whole or part of the sum so over-paid recovered from them, according as, in the opinion of the Directors, the case may seem to require.

INVESTMENT OF ASSETS.

Art. 102. According to the original rules of the Fund, all donations to it are reserved for the purpose of forming a capital; all other income being available to meet current and duly authorized demands.

Art. 103. According to the original rules of the Fund, all money belonging to it in India is to be vested in the Honorable Company's Securities. It is, accordingly, the particular duty of the Sub-Committee of Finance and Audit, in communication with the Secretary, to make arrangements for so vesting the money of the Fund; a floating balance sufficient to meet all current demands being always left in the Government Treasury at Madras.

Art. 104. Should the available means of the Society at any period fall short of the liabilities for the time being, the Directors are empowered to order proportionate and equal deductions, according to Table D, to be made from all Annuities, to cover the temporary deficiency. Subsequently should a surplus income exist, the deductions are to be made good, (without interest), out of such surplus.

VOTES.

Art. 105. The votes, on all subjects, of the Subscribers in India are called for by Circular Letters under the signature of the Secretary, forwarded, with the permission of His Excellency the Commander-in-Chief obtained through the

Adjutant General of the Army, to Corps, Departments, and Individual Subscribers. The votes of the Subscribers in Europe are collected by the Agents in London under the instructions of the Home Committee, and transmitted to the Secretary at Madras.

Art. 106. The period allowed for voting on any reference, or question which can be decided by a simple majority of votes, is three months, and accordingly, at the termination of the third month from the date of the Circular Letter by which the question or reference was submitted for the votes of Subscribers, it is considered disposed of according to the votes then received.

The period allowed for voting on a proposition which cannot be carried unless two-thirds of the votes received are in favor of it, is five months.

Art. 107. No proposed salary or donation, unprovided for by the rules, can be granted; no proposed new rule can be established; and no proposed alteration or revision of any existing rule can be made, unless two-thirds of the votes received are in favor of the proposition. All other questions referred for the votes of the Subscribers are decided by a simple majority of the votes received.

SIR,

I request you will submit to the Directors of the Fund this my application to subscribe to the Fund according to length of service—on the terms published in Minutes of Proceedings of the Military Fund, under date the 7th July 1848.

I hereby agree to comply with all the provisions of the new Rule as set forth in the aforesaid Circular: and failing performance on my part of any one of which provisions, I hereby consent that my wife shall at my demise, forfeit all and every advantage the new Rule is intended to confer, and which she would otherwise derive from my compliance with the conditions of the said new Rule of Subscription according to length of Service.

APPENDIX II.

1st May 1848.

RULES FOR THE ADMISSION OF OFFICERS OF THE NON-EFFECTIVE ESTABLISHMENT WHO DID NOT ENTER THE ARMY AS CADETS.

Officers on the Non-effective Establishment who did not enter the Army as Cadets are allowed to participate in the benefits of the Military Fund, to the extent and in the manner hereinafter described.

I. Pensions to Widows.

1. Officers of the above description will be allowed, on proof of health, to insure survivorship pensions for their wives, to the full extent of the regulated pensions to widows of Subscribers of corresponding rank on the regular establishment, or for one-quarter, a half, or three-quarters of such regulated pension, on payment of an equivalent *single* or *monthly* premium according to age, to be determined on the principle laid down in Article 162, Davies' 1st Report (Formula A—A B taken from Tables 10 and 32) the amount of which premium can be ascertained on application to the Secretary.

2. In the event of the party preferring to insure by monthly instead of a single premium such monthly payment will cease on the death of either the husband or wife, and whichever mode of payment be adopted, the pension will be continued to the widow for life without being subject to suspension in case of her re-marriage.

II. Pensions to Children.

1. Officers of the above description at present in the service will also be allowed to secure for each of their children the full amount, or such proportion of the pensionary benefits held out to the children of members of the regular service as their means will allow, the proportions being restricted, as in the case of widows, to a quarter, a half, or three-quarters.

2. Thus to secure the same pensionary advantage as is allowed the children of regular Subscribers, payment of the equivalent, as regulated by the last two columns of Table 21* if for sons, and by the corresponding columns of Table 26* if for daughters, must be made by *single premium*, and for half the above benefits half the amount will be charged.

* See in Colonel DeLavilland's Book of Reference, Mr. Davies' 1st Report—Pages 122 and 123.

Application to insure for any of the above benefits, supported by certificate of health and of dates of birth of parents and children, must be preferred within six months from the date on which the Rule is passed by the Army; or the application will not be admitted.

Those who insure to the full extent of the pension allowed to widows of Members of the regular establishment, will be allowed to effect a further Assurance on promotion to a higher grade, or for any additional children that may be born to them, and those who insure for less than the fixed rates will be allowed to augment their original amount insured, on production of a fresh certificate of health and at the rates prescribed for their then ages: but to obviate complexity of accounts, such additional insurance by either party can only be allowed to be effected by a single payment; and if for an additional child the application must be made within six months of the date of birth.

The pensions assured to widows and children of the said Officers will be issuable without deduction on account of minimum; and it must be distinctly understood that Officers insuring as above are not eligible for personal benefits, either to themselves or families.

The case of Officers who may hereafter receive commissions on the regular establishment will be provided for on receipt of the revised Tables and preparation by the Actuary.

If an Officer of the Non-effective Establishment who shall have effected an assurance for his family shall be dismissed from the service, or leave his contributions unpaid for three months, such assurance will be null and void, and all advantages to his family will be forfeited.

All payments must be made in India in Rupees, and through Paymasters or other official channels, or into the General Treasury at Madras. Instalments must be paid monthly as above from the Assurer's abstracts.

On demise of wife or children the policy becomes void so far as the deceased may have been interested in it, but no part of the payments made on account of the deceased can be returned, and in the event of re-marriage a new assurance, on the foregoing terms and conditions, if desired, can be entered into.

XII. Pensioners married who do not join this Fund within a period of 12 months from date of transfer to the Pension Establishment, and Pensioners unmarried who do not join within 6 months from date of marriage, will not be admitted subscribers on this Fund.

XIII. The Secretary shall keep a Register of Subscribers, their Wives and Children; it is therefore incumbent on Subscribers to report their marriages, births and deaths of Children, in default of which their families will be liable to a forfeiture of benefits, for this Register must be the Committee's guide in regulating claims to Pension.

XIV. Should the Subscriptions and interest of Capital fall short of the demand for payment of Pensions, it will be in the power of the Committee to direct a proportionate deduction from Pensions; in like manner should the prosperous state of the Funds justify an increase in Pensions, it shall be competent to the Committee to direct the same to the extent of Rupees 5 in lieu of 3½, with the same limit for Children.

XV. The affairs of this Fund shall be conducted by a Committee to meet Quarterly, 3 of whom shall be sufficient to act in the name and behalf of the whole, save that no Rule shall be altered until submitted individually for consideration, and be confirmed at the next Quarterly Meeting.

Whereas a certain Table of Fees to our Registrars was lately intended to be adopted and certified by our late well beloved John Mathias Lord Bishop of Calcutta, in and for our several Archdeacons; and whereas in consequence of the death of the said John Mathias, and of the Archdeacons of Madras and Bombay having been since made separate Dioceses, and in con-

sequence also of our disapproval of many of the Items in such Table from the curtailments in the stipends of the Clergy;—We Daniel Lord Bishop of Calcutta have thought fit to revoke, and accordingly do revoke and cancel a certain instrument under seal bearing date the Twentieth day of July 1831, under which it was intended to certify such Fees: And whereas we still consider that a reasonable certain and consistent Table for all the business hitherto usually charged for and to be done, should be certified and established to prevent exaction, and contention, and in order that nothing may be unreasonably demanded or exacted or unlawfully taken by those employed, but such as seem to us suitable, customary and unobjectionable in their nature, and at the same time afford a moderate professional remuneration to those Registrars whose services are thus rendered: We therefore as far as we lawfully may and can, having considered and given our best consideration to the subject, do certify the foregoing graduated scale to be in our opinion reasonable and such as may not be (with reference to the usages in the Dioceses elsewhere) improperly taken by our Registrars and Secretaries for business considered to be of a voluntary and private kind, and where the acts done are not exclusively for Government objects or of the state, and of a nature for which public provision is made.

And we order that a Table of these Fees be placed up in some conspicuous part of the Registry.

In testimony whereof we have affixed our hand and S^t dated this Thirty-first day of May, in the Year of Our Lord One thousand Eight hundred and Forty-two, and in the Eleventh Year of Our Consecration.

Rules for Chaplains and Assistant Chaplains.

FORT ST. GEORGE; June 2, 1840.

The following Rules for the guidance of Chaplains and Assistant Chaplains, revised under instructions from the Honorable Court of Directors, are published for general information, in modification of the Order of Government dated 30th July 1839.

1. Every Chaplain and Assistant Chaplain, on his arrival at the Presidency from England or elsewhere, shall report the same to the Secretary to Government in the General Department, as well as to the Chief Ecclesiastical authority in the Diocese.

2. Every Chaplain and Assistant Chaplain must report his arrival at his Station to the Chief Ecclesiastical authority in the Diocese, to the Civil Auditor, and to the Chief Civil or Military authority of the Station.*

3. Funerals are to be appointed at sun-rise and sun-set, and the Clergyman is to attend at the latter time if he receives notice of a funeral before 3 o'clock p. m., but if the notice arrives after that hour, the interment is to take place on the morning following: cases however may occur which may require a deviation from the general rule.

4. Commanding Officers, in concurrence with the Chaplain, will fix the time for officiating at divine service on Sunday with the Soldiery.

5. Attested copies of the Registers of Baptisms, Marriages and Funerals, must be transmitted regularly every 3 months to the Registrar of the Archdeaconry, viz. on the [31st March, 30th June, 30th September, and 31st December.]†

6. All Marriage Certificates of Europeans, being Soldiers, or persons employed in the Military Department, under the rank of Commissioned Officer, shall specify distinctly the birth of the female, whether European, Indo Briton, Native, &c.

7. The Chaplain is to enter carefully all the Marriages, Baptisms, and Burials of Soldiers and their Children in the Regimental Register Book of the respective European Corps, as well as in the usual Register kept by the Station Chaplain.

8. The Chaplain of every Station, where any of Her Majesty's Regiments are stationed, must forward to the Registrar of the Archdeaconry, for transmission to the Chaplain General's Office, half yearly, and for any broken period that may occur previous to his leaving the Station in which he is employed, a copy, duly signed by himself and by the Officer in Command of the Station, of the Regimental Registers of Marriages and Baptisms now kept in conformity with the general Regulations on this subject.

9. The Chaplain at a Military Station is to visit regularly, at least twice in each week, the European Hospital or Hospitals. He is carefully to superintend

* This rule is made applicable to a Chaplain's departure to, or return from, out-stations of his district.

† Dates altered, (under authority) subsequently to the promulgation of these Rules.—COMPILER.

and inspect the European Regimental and other Schools, visiting them for this purpose not less than once a week, and to represent any matter concerning their management to the Commanding Officer, which may require his notice. Provided, however, that in the performance of the above duties he shall not interfere with the religious persuasion of those who do not profess the tenets of the Church of England. He is to report to the Commanding Officer on the 1st of January and the 1st of July in each year, and oftener if necessary, the state of the European Regimental Schools, the qualifications and conduct of the Master, and the proficiency of the Scholars.

10. All communications from the Clergy are to be addressed to Government through the Lord Bishop, in order that he may make such remarks thereon as his Lordship may think proper; when the Diocese shall be vacant, communications are to be addressed through the Archdeacon, or other Chief Ecclesiastical authority. All applications for change of station must be made direct to the Right Honorable the Governor, or his Private Secretary, and to the Lord Bishop or Chief Ecclesiastical authority in the Diocese.

11. A Chaplain directed to visit the Out-Stations of his District periodically, is permitted to draw a travelling allowance at the rate of 200 Rupees per mensem, calculated at the rate of one day's allowance for every 10 miles, allowing for a halt on the 7th day: provided however that the allowance drawn on this account shall in no case exceed 200 Rupees per mensem. The documents required in support of the travelling expenses of Chaplains will be—1st, the order or authority of the Lord Bishop for proceeding on such journey; and 2dly, their own declaration on honor that the journey so authorized has been performed.*

12. Any Chaplain leaving his Station, whether with or without the orders of Government, shall be bound to report the circumstance to the Civil Auditor.

13. Any Chaplain who may be removed from one station to another, shall in like manner report to the Civil Auditor the dates of his departure from the one and of his arrival at the other, and the Civil Auditor is restricted from passing the bill of any Chaplain appointed to a new station, for the allowance belonging to such Station (without the special orders of Government), until he shall have received a report of his arrival at the place of his appointment.

14. Any Chaplain returning to the Presidency after a sea voyage for the recovery of his health, or otherwise, shall (unless the contrary is specially sanctioned by Government) be required to rejoin his station within the time that may be prescribed for travelling to the Station to which he stands appointed.

15. When a Chaplain proposes to quit his principal Station, for the occasion of visiting† any of his appointed smaller Stations, or when he intends to apply for temporary leave of absence, he must give timely notice to the Chief Civil and Military resident authorities, (and state in his application for leave that such has been done), in order that if there be any cogent reasons against the absence of the Chaplain, they may be submitted to the Governor in Council.

In reference to the foregoing revised Rules for the guidance of Chaplains and Assistant Chaplains, the Right Honorable the Governor in Council directs, the republication of the following Rules for regulating the absence and travelling allowances of Chaplains and Assistant Chaplains, which forms Chapter VI. of the General Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation allowances, promulgated on the 21st Feb. 1840.

"RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS."

ROBERT CLERK, Secy. to Govt.

* Rule modified: see Extracts from Govt's Despatch of the 12th April 1842, page 248, and Plan for visiting out-stations, page 249. The allowance is now 8 annas for each mile of distance travelled over, and the Bishop's order is not necessary.—COMPILER.

† Subsequent orders require that the Chaplain shall also report his return from these visits to the Chief resident authority at his station.—COMPILER.

FORT ST. GEORGE ; 20th September 1842.

No. 172 of 1842.—The Right Honorable the Governor in Council has been pleased, in the Ecclesiastical Department, under date the 13th instant, to direct that the following Rule for the guidance of Chaplains be re-established under this Presidency.

"The practice of baptizing in private houses is to be avoided by the Chaplain as much as possible, and the Clergyman is to attend at the place appointed for divine service on some fixed day and hour in each week, for the purpose of baptizing Soldiers' children; however, this is not to be considered as authorizing the Clergyman to decline attending at any time or place to administer private baptism to such infants as may be in a weak, or precarious state of health."

Chaplains' Visits to Out-Stations.

Extracts from Court's Despatch, 12th April 1842.

"In Section 27 of the Regulations respecting leave of absence and deputation and travelling allowances which we have recently approved, you will find a rule on the subject of travelling allowances on joining a Station, and when any change takes place except at the desire of the Chaplain or Assistant Chaplain.

3. But to avoid inconvenience and guard against the possibility of misunderstanding, we think it desirable that for every circle of stations the Lord Bishop should be requested to frame a plan determining the periods at which each place shall be visited by the Chaplain or Assistant Chaplain officiating in such circle, which plan being approved by Government shall continue in force till varied by the same authority. As minute local information will be necessary to the successful formation of such plan, we can only offer a few suggestions on the subject. The frequency of ecclesiastical visits should be governed in a great degree by the extent of the Christian population of the place to be visited. A place may contain not more than 3 or 4 members of the English Church, and though it might not be right to exclude those few persons from the benefit of Christian ordinances, it is obvious that in the present state of our Ecclesiastical Establishment such a place could not be visited frequently without injury to others of greater importance. An annual visit might in some cases be all that could reasonably be afforded; while to others, visits twice, three or four times a year might be expedient; and to others again, which might be more populous, it might be desirable that visits should be made once in six weeks, or once a month.

4. When a circle of Stations may from the deficiency of our Establishment, or any other cause, be left without a resident Clergyman, we are of opinion that the Chaplain or Assistant Chaplain of a neighbouring district should, as desired by the Lord Bishop, be appointed to visit the station thus deprived of clerical services. In such cases the most convenient course will be for the Lord Bishop to bring the subject to the notice of Government, and submit a plan of visitation. Such plan being approved, the Chaplain or Assistant Chaplain who can most conveniently discharge the required duty should be specially appointed thereto, and there forward be entitled to draw travelling allowances in conformity with the provisions of the plan, and in accordance with our Financial Despatch of the 30th October 1839.

6. We should lament that the practice of visiting stations at which no Clergyman is permanently resident should be discontinued, and it would be unjust to subject the Clergy to the expense attendant on such visits. Under these impressions we deem it proper to sanction the payment of such reasonable charges, not exceeding those authorized in our Despatch of the 30th October 1839, before referred to: and we are encouraged in this view by the fact that although Chaplains and Assistant Chaplains when absent from their duty are subjected to the same deductions as Civil Servants, no charge is incurred in providing for the duty of the absentee. The deductions may thus be regarded as a fund, meeting to a certain extent the extra charges incurred by occasional or provisional visits of the Clergy to Stations at which they do not reside."

Rank, Furlough, and Retiring Allowances of Chaplains,

APPOINTED PRIOR TO AUGUST 31, 1836.

Extracts from an Ecclesiastical General Letter to the Supreme Government, dated the 22d November, 1826.

Para. 2d. We have lately directed our attention to the Regulations under which Chaplains are permitted to retire from the service, and from an anxious desire to promote the respectability and comfort of that class of our Servants, we have resolved that the retiring pay of Chaplains after a service of eighteen years, including three years Furlough, be augmented from £292 per annum, the pay of Major, to £365 per annum, the pay of Lieutenant Colonel, and that in cases of bad health certified in conformity with existing regulations, Chaplains shall be allowed to retire after ten years' actual service upon £200, 15, 0, the half pay of Lieutenant Colonel, instead of £173, 7, 6, the half pay of Major; and upon the production of similar certificates after seven years' actual service upon £173, 7, 6, the half pay of Major, instead of £127, 15, 0, the half pay of Captain.

3d. We have further to acquaint you that we have determined to abolish the designation of Junior Chaplains; and we desire that the Chaplains be hereafter distinguished only by the title applicable to the Stations at which they are placed—such as Chaplains at the Presidency and District Chaplains.

Rank, Furlough, and Retiring Allowances of Chaplains,

APPOINTED SUBSEQUENTLY TO AUGUST 31, 1836.

Extracts from a Letter from the Honorable the Court of Directors.

ECCLESIASTICAL DEPARTMENT; August 31, 1836.

Para. 1. Our attention has been drawn by the Government of India, on the suggestion of the Lord Bishop of Calcutta, to the necessity of increasing the number of Chaplains, for the purpose of extending the benefit of religious offices more widely than the present Establishment will admit.

2. While we were fully sensible of the importance of the desired object, and very anxious to promote its success, we felt that we should not be justified in making such an addition to the amount of Ecclesiastical charges, as would result from the appointment of an increased number of Chaplains upon the existing scale of remuneration. We determine therefore to make such new arrangements with regard to the Chaplains on the Bengal Establishment, as should enable us to add to their number, and thus provide more adequately for the spiritual benefit of the European residents, without any serious increase of expense. We have resolved to extend the principle of those arrangements to your Presidency, with the view of accomplishing the same beneficial purpose.

3. We intend that the number of Chaplains under your Government shall be increased from 23 to 29. The salaries are to be apportioned as follows;—the two Chaplains at the Presidency will receive the same amount as at present; nine will receive Company's Rupees 700 per mensem, and the remaining 18 Company's Rupees 500 per mensem. These salaries will constitute their entire emoluments from the Company. The payments heretofore made under the name of palanquin money will cease, and we shall on no account sanction any extra allowances, whatever may be the grounds upon which they may be claimed.

4. The Chaplains receiving the lower amount of 500 Rupees per mensem will be termed Assistant Chaplains, and in future all appointments will be made

to this Class. The Assistant Chaplains will succeed to the higher rank, and the higher rate of salary, according to seniority, as vacancies occur in the superior class, after it shall have been reduced by casualties to the prescribed number of nine.

5. As vacancies arise they will be supplied in the following manner; on the occurrence of the first vacancy two Assistant Chaplains will be appointed, on the second only one, and on all succeeding vacancies, the same principle will be acted upon, viz. that of an alternate appointment of two and one until the establishment attains the full extent of 29, to which we have restricted it, after which each vacancy will give rise only to a single appointment.

6. The principle which we have adopted throughout these arrangements requires that the furlough and retiring allowances should be modified so as to meet the intended changes. These allowances will in future be on the following scale:

Furlough Allowances.

After 7 years' residence.....£191 12 6 per annum...(full pay of Captain.)

If compelled by sickness to retire to Europe before completing

7 years' residence....£127 15 0 per annum...(half pay of Captain.)

Retiring Allowances.

After 18 years' service (including 3 years' furlough).....£292 0 0 per annum...(full pay of Major.)

After 10 years' actual service (if compelled by ill health to quite the service).....£173 7 6 per annum...(half pay of Major.)

After 7 years' actual service (do. do.).....£127 15 0 per annum...(half pay of Captain.)

The present Chaplains* will be entitled to the existing scale of allowances, as well for services as on furlough and retirement; these regulations being wholly prospective, and only affecting an appointment made after the date of this despatch.

7. The location of the Chaplains under the new arrangements, will be best regulated by reference to the opinion of the Lord Bishop.

Pensions from Lord Clive's Fund.*Extracts from a Letter from the Honorable the Court of Directors, dated 9th October, 1833.**Letter dated 22d January 1833; (No. 13.)*

1 to 9.—State that, from the nature of the Orders received from time to time, some doubt exists as to the scale of Pensions which the Court are disposed to recognize as claimable from Lord Clive's Fund, by Chaplains retiring from ill health before the full period of the Service, and by the Widows of Chaplains, and request to be furnished with fresh and explicit instructions on the subject.

Para. 11. Chaplains who have not served 7 years in India are admissible to the benefit of Lord Clive's Fund in the rank of Captain. After completing a service of 7 years, their retiring allowances are provided for independently of Lord Clive's Fund, by the Regulations conveyed to you in our Ecclesiastical Letter of the 22d November, 1826.

* By a recent order of the Honorable Court the nine full Chaplains are each of them to receive not less than Rs. 700 per mensem.

12. As by the Regulations announced in that letter, Chaplains may retire on the full pay of Lieutenant Colonel after 18 years' Service, (including 3 years for a furlough) we have considered the Widows of those who die in the service after completing that period to be eligible to the benefits of Lord Clive's Fund in the rank of Lieutenant Colonel.

13. The Widows of Chaplains who have completed 7 years' actual service in India are admissible in the rank of Major; and those of Chaplains of less service in the rank of Captain, being the ranks the pay of which is receivable by those classes of Chaplains respectively when on furlough.

14. You will communicate a copy of these paragraphs to the Governments of Madras and Bombay.

*Extracts from a Letter from the Honorable the Court of Directors,
dated 14th March 1833.*

Para. 25. "We have to acquaint you that the claims of the Chaplains appointed under the new arrangement, and of their Widows, to the benefits of Lord Clive's Fund, will be adjusted upon the principles laid down in our letter to the Government of Bengal, dated 9th October 1833 (No. 93) paras. 12 and 13.

26. Chaplains who have not served seven years in India will therefore be entitled, if admitted to the benefits of Lord Clive's Fund, to a pension of £63 17 6 per annum, and their Widows to one moiety of that sum.

27. The Widows of Chaplains who have completed seven years' actual service in India, if admitted to the benefits of Lord Clive's Fund, are entitled to pensions as the widows of Captains.

28. The Widows of Chaplains who have completed fifteen years' actual service in India, if admitted to the benefits of Lord Clive's Fund, are entitled to pensions as the widows of Majors.

29. We are of opinion that Chaplains appointed under the new arrangement should rank as Subscribers to the Military Fund—as Captains until they have served fifteen years in India, and subsequently as Majors."

Fort St. George, 6th June 1848.

No. 118 of 1848.—The Right Honorable the Governor in Council is pleased,

"It is our practice, to require from the Widows of Chaplains whose service is under 7 years, the same oath, as is received from the Widows of Lieutenants, viz. that their late husbands did not die possessed of, or entitled to, the sum of £1,000." in the margin, from a letter from the Honorable the Court of Directors, dated 23d February 1848, No. 9, to notify that in future, the application for admission to the benefits of Lord Clive's Fund, of the Widow of a Chaplain whose service was under 7 years, is to be accompanied by an affidavit in the prescribed form, that her Husband did not die possessed of property to the amount of 1,000£.

Rules for the appointment of Lay Trustees.

Fort St. George, August 24, 1844.

The Most Noble the Governor in Council resolves to establish the following Rules for the appointment of Lay Trustees to the several Chaplaincies, in substitution of these of the 1st of March 1833.

First.—Two Lay Trustees shall be appointed to each Chaplaincy.

Second.—At Civil Stations, or Joint Civil and Military Stations, the Senior Civil Servant of the Station shall be a Trustee, provided he is a communicant of the Church of England, and has no objection to hold the office.

At Military Stations.—The Officer Commanding the Cantonment, or Garrison, under the same provisos.

Should either of these Officers not be desirous of holding the office, it will be his duty to report the same to Government, and to name for the appointment the Officer next in seniority, Civil or Military, qualified for the Office, who may be willing to undertake the duty.

Third.—The Chaplain, in communication with, and with the concurrence of the Lord Bishop, will nominate, for the approval of Government, a Gentleman in the Service of Her Majesty or the Honorable Company to act as a Co-Trustee.

Fourth.—The Lay Trustees shall, in conjunction with the Chaplain, form a Committee of Management on all Church matters, and shall meet for business once in each month, or oftener if necessary. All papers, or references on subjects before the Committee, must be signed by both the Lay Trustees, unless for special reasons to be assigned.

Fifth.—The Chaplain or Officiating Chaplain present shall, as a mark of respect due to religion in the person of her Ministers, preside at all meetings of the Committee of Management, and sign all proceedings and letters as President, and the two Lay Members, in the order of their relative official rank.

Duties of the Lay Trustees.

1. It shall be the duty of the Lay Trustees to present to the Bishop, or his Archdeacon, at their Visitation, or immediately by letter, and at any time on the requisition of the Lord Bishop or his Commissary, any irregularity or scandal on the part of the Chaplain, or in connection with the Chaplaincy, which may have occurred within the District.

2. To aid and assist the Chaplain in the performance of his duties.

Duties of the Standing Committee of Management.

The Committee of Management shall take charge of the School and Charity Funds connected with the Chaplaincy; see that the Church Yard and Burial Ground are kept in becoming order; take charge of the Plate, and the care of the goods, repairs and ornaments of the Church, or other building appropriated to the performance of Divine Service, and represent to Government, through the Ecclesiastical Head, any deficiency in these particulars which they may think it necessary or desirable to supply.

The Chaplain, as President, will report to Government any vacancy in the office of Lay Trustee.

Published by order of the Most Noble the Governor in Council.

J. F. Thomas, Secy. to Govt.

Official Returns of the Clergy.

Ecclesiastical Department.

With a view to ensure regularity and completeness in the Official Returns of the Reverend the Clergy, it is directed by the Archdeacon, under instructions from the Honorable the Court of Directors, and with the approbation of Government, that in future the following regulations be observed, viz.

1. That when any Chaplain or Minister applies for permission to return to Europe, or for any permanent leave of absence from his Station, he shall forward

with his application a declaration that he has duly made his Official Returns to the Registrar, or is prepared to do so, up to the day on which his departure from his Station is to take place.

2. That the same rule is to apply to Clergymen removing from one Station to another; and that every Chaplain so removing shall before quitting his Station, not only forward his Returns up to the day of his departure, but transmit also a declaration to the Authorities that he has done so.

3. That, in case of the death of a Chaplain at his Station, a copy of the entries in the Registers from the date of his last Quarterly Returns to the period of his demise, shall be made by the local public authority in whose official possession the original public Registers may happen for the time to be lodged or come, and be immediately forwarded by such local Officer to the Registrar; the same being, however, first duly examined and authenticated by the Chief lay public authority of the Station; this being considered the best mode at present of providing for the completeness of the General Quarterly Returns which are transmitted to England by the orders of the Honorable the Court of Directors.

By direction of the Venerable the Archdeacon of Madras, Commissary to the Lord Bishop, dated the second day of October, 1843.

FREDK. ORME, Registrar of the
Archdeaconry of Madras.

Rules for the Registry of Baptisms, Marriages and Funerals.

1st. Entries in a Church Register can be made by a clergyman only, and of such duties only as have been performed by himself. The entry must be made on the same day on which the service recorded is performed.

2d. Should there be no Register book at the place where the duty is performed, or no chaplain resident to make the prescribed quarterly returns, the clergyman officiating must transmit to the Registrar of the Diocese by post, a certificate of the baptism, marriage, or funeral as soon as the service is over.

3d. Where the services of a clergyman cannot be obtained, baptisms, marriages and funerals are to be performed by the Senior Judicial Officer or Commanding Officer at any station, in conformity with the orders that have been issued by Government; and in case of great emergency, a child may be baptized by the parent or guardian, or by some friend acting for the parent or guardian; but it is to be clearly understood that, when any other than a clergyman administers the ordinance, the office for private baptism is alone to be used; and that a certificate by the person officiating at the baptism is to be despatched the same day to the Registrar of the Diocese, to be filed among his records.

FUNDAMENTAL RULES.

1.—That the name of the Society be THE MADRAS DIOCESAN ADDITIONAL CLERGY SOCIETY.

2.—That the Right Reverend the Lord Bishop be President, and that the affairs of the Society be conducted by a Committee consisting of the President, the Venerable the Archdeacon, and eleven other Members of the Society, being Members of the Church of England, of whom not less than six shall be Laymen, to be chosen annually by the Subscribers, but with power to fill up vacancies until the ensuing Annual Meeting; and that one of the Clergy be requested to undertake the duties of Secretary; and that accounts be kept with Messrs. Arbuthnot and Co. for floating balances, and with the Government Agents for investment.

3.—That the Clergy in the Mofussil be requested to become Corresponding Members of the Committee; and that the Committee be empowered to add also to the number of Corresponding Members Lay Gentlemen, at their discretion.

4.—That the Subscription be not limited, but the smallest be thankfully received, and that Subscribers of one Rupee a month, and upwards, or Donors of 100 Rupees, be Members of the Society; and be entitled to vote at all General Meetings.

5.—That all Subscriptions raised for the Society be transmitted by the Corresponding Members direct to the Secretary in Madras.

6.—That, before an application for a Clergyman be complied with, the Station applying be required to satisfy the Committee of a suitable provision being made for his residence rent free.

7.—That in addition to a residence thus provided, the monthly stipend of the Clergyman be fixed by the Committee, 100 Rs. being the minimum and 300 Rs. the maximum; and that it be payable from the date of his appointment if engaged within the Presidency; or from the day of his landing if engaged in Europe.

8.—That a travelling allowance be granted to the Clergyman upon his first joining his Station, or upon his Station being changed, at the rate of 8 Annas a mile.

9.—That the Fees for the Clergyman's license be paid by the Society, but that the Society be responsible for no further payments.

10.—That a Clergyman leaving his Station with the permission of the Committee be allowed to draw three-fourths of his salary for one year, and one half for the second year: but after the expiration of two years, he be entitled to no allowance during his absence.

11.—That the Bishop of the Diocese be entitled to grant one month's leave of absence in each year to the Clergymen in connexion with this Society without any loss of their allowances.

12.—That, with a view to give stability to the Society, all surplus funds, after defraying the current expenses, be invested in Government Securities, and form the Capital of the Society.

13.—That no engagement be at any time entered into by the Society, unless

(1.) The CAPITAL be not less in amount than the aggregate of three years' salary of all the Clergymen on the Society's list after the engagement is made, and unless also

(2.) The INCOME of the Society be sufficient to meet the current expenses thus increased, without the prospect of encroaching upon the Capital.

14.—That a guarantee be given in writing to each Clergyman, when taken upon the Society's List, that in case of such a defalcation of funds as to render it necessary, three years' notice shall be given him before any diminution be made in his salary, unless for other causes his connexion with the Society be dissolved; that this notice shall be given only in case the capital becomes less in amount than the aggregate of three years' salary of all the Clergymen on the Society's List, and not sooner; that this notice shall be given first to the last Clergyman brought upon the Society's List, and then to the last but one—and so on in the inverse order of their appointments; and shall be cancelled by a counter notice from the Society when the funds so improve as to repair the defalcation.

15.—That when it is necessary to send to Europe for a Clergyman to meet an application from a station, the Committee be at liberty to make arrangements regarding the expenses of his coming to this country.

16.—That it be necessary for Clergymen, or Candidates for Holy Orders, upon applying to be engaged in the service of the Society, to transmit to the Secretary the usual testimonials, together with a Medical Certificate of general health and strength, equal to the performance of ministerial labour in India. And that a copy of the Rules of the Society be forwarded to each by post, whether in Europe or India, upon the first opening of negotiations.

17.—That the selection and engagement of Clergymen in connexion with

this Society be vested in the Committee, who shall present their nominee to the Bishop for his Lordship's License; and that no Clergyman or Candidate for Holy Orders shall be placed on the list of the Committee, and presented to the Bishop, but with the consent of two-thirds of the number of the Committee.

18.—That a Meeting of the Committee shall be held quarterly in the months of March, June, September and December; and that all papers be circulated in the intervals,—the ordinary business of the Society being conducted by the Secretary; but that no grant be made, no Clergyman engaged, nor any extraordinary outlay incurred without the sanction of the Committee; and that a Special Meeting be summoned when requested by the President or any two Members of the Committee.

19.—That a General Annual Meeting of the Society be held in the month of January; when the Annual Report shall be presented to the Subscribers with a Statement of the Accounts; and that the Committee shall have power to call a Special General Meeting at their discretion; and no Fundamental Rule shall be altered or rescinded but on the recommendation of the Committee at a General Meeting of the Society, after fourteen days' notice of the proposed alteration shall have been given in the *Fort St. George Gazette*.

20.—That this and all the foregoing Rules be considered Fundamental Rules of this Society.

21.—That the Committee have power to make such Subordinate Regulations and Bye-laws as they shall deem necessary; provided they be not at variance with the Fundamental Rules of this Society.

III.—All ordained persons that may be supported by this Committee shall be under the ecclesiastical jurisdiction of the Diocesan.

VIII.—An Annual Meeting of the Subscribers shall be held, when the Proceedings of the foregoing year shall be reported, and the Accounts presented; and the Report and Statements of Accounts shall be published and furnished to every Subscriber.

IX.—In conformity with Rule IV. of "Rules for the formation and guidance of Corresponding Committees in connection with the Committee of the Colonial Church Society," this Committee shall be considered subject to reappointment annually by the Parent Committee.

BYE-LAWS AND TERMS OF AGREEMENT WITH AGENTS,

to be signed by every Individual prior to his engagement, one copy to be deposited with the Secretary, and one copy with the Agent.

1. Before a permanent engagement is made with any Agent, either Clergyman or Layman, in this Country, he shall be required to satisfy the Committee in regard to his doctrines and general character by testimonials from, and if practicable by reference to, one Clerical and one Lay friend at least; the testimonials to extend over not less than 18 months last past. He shall also furnish the Committee with replies to the paper of questions adopted by the home Committee, and to such other inquiries as seem necessary, together with a medical certificate of health.

The engagement shall be in the first instance for a fixed term, renewable with consent of both parties.

2. If the Agent has been brought from England he shall be entitled to Passage money home at any time after the expiration of his engagement, if still in connection with the Society; or, in case of sickness, at an earlier date, on a certificate from two medical gentlemen, according to the following rates.

The Passage money and outfit from England shall be for a married man £180, for a Bachelor £120; Clergymen shall be entitled to a further outfit on arrival in Madras amounting to Rs. 250 for a married man, and Rs. 150 for a Bachelor. Passage money home to be for a married man Rs. 1,500, for a Bachelor 1000; but in case of his return home within the first year he shall receive if married Rs. 900, if single Rs. 600.

3. If an Agent relinquishes his engagement before the time, without consent of the Committee, he shall refund all his passage money and outfit, if it be in the first half of his stipulated period, and the moiety of it if it occur in the latter half of his period, and forfeit all claims upon the Society.

4. The Committee shall be at liberty to dissolve their connection with any Agent who shall preach or avow important doctrinal views at variance with what he professed to hold on joining the Society, or who shall be found guilty of any immoral or unworthy conduct. In such case two months notice or two months salary shall be given, with passage money according to Rule 2, if the Agent have come out from England.

5. If no engagement for any specified time should exist, 6 months notice of retirement shall be given by an Agent, provided it commence between the 31st January and the 31st July; but 12 months notice may be required at any other part of the year.

6. Travelling allowance at the rate of 8 annas a mile shall be given to Agents sent to any Station up the Country, or travelling in the service of the Society.

7. The Salary of an Agent brought from England shall commence from the date of landing in this Country; and from the date of appointment if the engagement be made in India.

8. All ecclesiastical fees due from Agents shall be paid by the Committee.

11. At the expiration of 7 years of continued service an Agent shall be entitled to take a furlough of two years, giving 6 months notice of his intention. When a furlough is taken the Committee shall pay his passage home and back, either according to the established rate, or overland, as may appear most advisable, together with a gratuity of 3 months salary, and the Agent shall be entitled to no further pay during his absence.

12. Should absence on urgent private affairs be necessary, a Superintendent may grant leave to any Lay Agent, not exceeding 8 days, subject to the sanction of the Committee, and Clergymen shall communicate on the subject with the Secretary.

The Madras City Mission.

Established at a Meeting held 5th November 1847.

The special object of this association is to ameliorate the moral and spiritual condition of those numerous *Europeans* and *Indo-Britons* in Madras and its suburbs, who through poverty ignorance and neglect are, to a lamentable extent, living without God in the world.

The broad principle on which it stands is that of an operative Evangelical alliance—to embrace all who look to *Christ as all and above all*; and who are constrained by his love to work together, though now they see not eye to eye in minor things, to promote his glory. All such persons are invited to join it; and by becoming contributors to its support are constituted members of it.

The power by which this association proposes to act for the accomplishment of its object, is simply that of the written word of God, in direct dependence on the Holy Spirit's almighty co-operation.

The agency by which it will apply this power is that of simple men of God of humble grade; qualified by personal experience of the preciousness of "the truth as it is in Jesus," to make the same known in the houses of the poor.

The affairs of the Mission are managed by the annexed Committee, of whom 16 form the Executive Committee.

Out of the Executive Committee three Sub-Committees have been established for special purposes: viz.

1. A Sub-Committee of *Agency*—to prosecute inquiries in different parts, far and near, for suitable agents; to conduct preliminary investigations for ascertaining their fitness for presentation as *Candidates* for employment; and to give effect to the arrangements by which their employment will be regulated.
2. A Sub-Committee of *Statistics*—to acquire and digest information concerning the particular circumstances of the various localities; and to transact the business of defining and assigning districts, &c.

3. A Sub-Committee of *Finance*—to adopt and carry forward measures for realizing pecuniary resources, and for controlling the disposal of them, under the direction and responsibility of the whole Executive Committee.

This Institution was established in the year 1808, for the purpose of affording to old, infirm and diseased Natives, assistance in food, clothing, lodging, and Medical attendance. Since that period it has entertained nearly 300 persons daily; and during the famines which devastated the country in 1824 and 1833, it was the means of saving vast numbers from starvation and death. Throughout the famine of the latter year no less than 30,000 individuals were on an average maintained every day. Wretchedness under every variety of form is here admitted; and the bare existence of wretchedness alone is sufficient to obtain immediate relief.

The object of this Fund is to afford relief to the Widows and Orphans of persons not in the covenanted service of Government, and others, who have no similar institution to look to for making a provision for their families. It consists of two branches, namely, a Widows' branch and a Children's branch. The benefits of the former are secured by the payment of a donation (equal to two years' subscription,) as entrance money, and a monthly subscription, for which the widow will enjoy a pension equal to six times the rate of subscription, under certain restrictions. In the Children's branch, a monthly subscription on account of each child, will secure a pension equal to four times the amount of that subscription, until a specified age. The capital of the fund exceeds three lacs of Rupees, invested in Government Securities: it has about 400 subscribers in its connexion, and its present liabilities do not exceed 12,000 Rupees per annum, whilst its income is equal to nearly 60,000 Rupees per annum.

The Courts shall sit daily, except on Sundays, Christmas-day, and Good Friday, and on Native or other Holidays, which the Governor in Council shall direct the Court to observe; and each of the Judges may sit apart from the others or with either of them, at the same time or at different times; and any one or two of the said Judges so sitting apart shall have all the judicial authority, which is herein given to all the Judges.

XXIV. A Seal shall be made for every Court holden under this Act, under the direction of the Governor in Council, and all summonses and other process issuing out of the Court shall be sealed or stamped with the seal of the Court: and every person, who shall forge the seal or any process of the Court, or who shall serve or enforce any such forged process, knowing the same to be forged, or deliver or cause to be delivered to any person any paper falsely purporting to be a copy of any summons, or other process of the said Court, knowing the same to be false, or who shall act or profess to act under any false colour or pretence of the process of the said Court, shall be guilty of felony.

XXV. All suits, where the debt or damage claimed or value of the property in dispute is not more than Five Hundred Rupees, whether on balance of account or otherwise, may be brought in the Court of Small Causes; and all such suits brought in the said Court shall be heard and determined in a summary way, and every defence which would be deemed good in the Supreme Court sitting as a Court of Equity shall be a good bar to any legal demand in the Court of Small Causes. Provided always, that the Court shall not have jurisdiction in any matter concerning the revenue, or concerning any Act ordered or done by the Governor, or Governor General, or any Member of the Council of India, or of any Presidency in his public capacity, or done by any person by order of the Governor General or Governor in Council, or concerning any Act ordered or done by any Judge or Judicial Officer in the execution of his office, or by any person in pursuance of any judgment or order of any Court, or any such Judge or Judicial Officer, or in any suit for libel or slander.

XXVI. On the application of any person desirous to bring a suit under this Act, the Clerk of the Court shall issue under the seal of the Court a summons which shall be numbered, and shall set forth the names of the plaintiff and defendant, the cause of action, with such particulars as shall be, from time to time, directed by the Rules of the Court, and the amount sued for, and shall be served on the defendant, so many days before the day on which the Court shall be holden at which the cause is to be tried as shall be directed by the rules for regulating the practice of the Court; and delivery of such summons to the defendant, or in such other manner as shall be specified in the rules of practice, shall be deemed good service; and no misnomer or inaccurate description of any person or place in any such summons shall vitiate the same, if the person or place be therein described so as to be commonly known.

XXVII. No misstatement of the cause of action in the summons issued under this Act shall vitiate the same, and the Judges of the Court may, in their discretion, rectify such misstatement as soon as discovered, and alter the record accordingly, and if the defendant, or one of the defendants be present in Court at the time of such discovery, the hearing of the cause after the record shall have been so altered, shall be proceeded with as if no such misstatement had happened, but in the absence of the defendant or of all the defendants a new summons of the same number and date as the original summons shall be issued with the altered statement of the cause of action.

XXVIII. All persons shall be deemed within the jurisdiction of the Court, who dwell or carry on their business or work for gain within the district of the Court at the time of bringing the action, or who did so dwell or carry on their business or work therein at the time when the cause of action arose, or within six months before the time of bringing the action for causes of action which arose within the same time.

XXIX. Any summons or other process of any of the said Courts, service of which is needed out of the district of the Court, may be exhibited in any Court of Law, or before any Magistrate, and shall be thereupon endorsed by the Magistrate or Judge of such Court; and, when so endorsed, may be served

in like manner as any order or process from such Court or Magistrate; and such service shall be as valid as if the same had been made by the Bailiff of the Court out of which such summons or other process shall have issued within the jurisdiction of the Court for which he acts.

XXX. Service of any summons or other process of the Court, which shall require to be served out of the district of the Court, may be proved by affidavit, or solemn affirmation, purporting to be sworn or made before any Judge or Magistrate; and, in every case of the unavoidable absence of the Bailiff by whom any summons or other process of the Court has been served, the service of such summons or other process may be proved, if the Judges think fit, in the same manner as a summons served out of the district of the Court.

XXXI. Any minor may prosecute a suit in any Court holden under this Act for any sum of money not greater than Five Hundred Rupees, which may be due to him for wages or piecework, or for work as a servant, in the same manner as if he were of full age.

XXXII. The jurisdiction of the Court shall extend to the recovery of any demand, not exceeding the sum of Five Hundred Rupees, which is the whole or part of the unliquidated balance of a partnership account, or the amount or part of the amount of a distributive share under an intestacy, or of any legacy under a will.

XXXIII. Any executor or administrator may sue and be sued in any Court holden under this Act, in like manner as if he were a party in his own right; and judgment and execution shall be such as in the like case would be given or issued in the Supreme Court in the like case: but no Executor or Administrator shall be summoned in that capacity within six months after the death of the person, whose Executor or Administrator he is.

XXXIV. A plaintiff shall not be allowed to divide any cause of action, for the sake of bringing two or more suits in any of the said Courts; but any plaintiff, having cause of action for more than Five Hundred Rupees, may abandon the excess, which shall be entered in the record, and stated in the summons, and thereupon the plaintiff shall, on proving his case, recover to an amount not exceeding Five Hundred Rupees; and the judgment of the Court shall be in full discharge of all demands in respect of such cause of action; and entry of the judgment shall be made accordingly.

XXXV. The Governor General, and Members of the Supreme Council of India, the Governors and Members of Council of the Presidencies of Fort William in Bengal, Fort St. George and Bombay respectively, and the Chief Justices and Judges of the several Supreme Courts established therein by Royal Charter, shall not be liable to arrest, or imprisonment by process issuing out of any Court holden under this Act, and no writ or process shall be sued out of the said Court against any of the persons privileged by Act I. 1844, or Act XVIII. 1848, without the consent of the Governor in Council.

XXXVI. Where any plaintiff shall have any demand recoverable under this Act, whether founded on contract or wrong, against two or more persons jointly answerable, it shall be sufficient if any of such persons be served with process, and judgment may be obtained and execution issued against the person or persons so served, notwithstanding that others, jointly liable, may not have been served or sued, or may not be within the jurisdiction of the Court; and every such person against whom judgment shall have been obtained under this Act, and who shall have satisfied such judgment, shall be entitled to demand and recover in the Court, holden under this Act, contribution from any other person jointly liable with him; and in all cases of misjoinder of defendants, the Judges may order the suit to proceed against such of the defendants only against whom cause of action appears, and may give judgment against them only; giving also judgment for costs for the defendants improperly joined.

XXXVII. The Judges of the Court shall be empowered to determine all questions as well of fact as of law or equity, as administered in the Supreme Court, in all cases which they have authority to try.

XXXVIII. On the day in that behalf named in the summons, the plaintiff shall appear, and thereupon the defendant shall be required to appear to answer; and on answer being made in Court, the Judges shall proceed in a summary way to try the cause, and give judgment, without further pleading or formal joinder of issue.

XXXIX. A defendant, having any cause of action against the plaintiff, whether or not the same exceeds five hundred rupees, shall be entitled to set the same against the plaintiff's demand, and if judgment is given in such case for the plaintiff, shall be entitled to sue the plaintiff for the balance only of his original demand, after deducting the amount of debt or damages and costs recovered against him under this Act.

XL. The Judges may, in any case, with the consent of both parties to the suit, order the same, with or without other matters within the jurisdiction of the Court in dispute between such parties, to be referred to arbitration, to such person or persons, and in such manner, and on such terms as they shall think reasonable and just; and such reference shall not be revocable by either party, except by consent of the Judges; and the award of the arbitrator or arbitrators or umpire shall be entered as the judgment in the cause, and shall be as binding and effectual to all intents, as if given by the Judges; provided, that the Judges may, if they think fit, on application to them at the first Court held after the expiration of one week, after the entry of such award, set aside any such award, or may, with the consent of both parties, revoke the reference, or order another reference to be made in the manner aforesaid.

XLI. The Judges of each Court, holden under this Act, subject to the approval of the Judges of the Supreme Court, shall have power to make and issue all the general rules for regulating the practice and proceedings of the Court, and also to frame forms for every proceeding in the Court for which they shall think it necessary that a form be provided, and also for keeping all books, entries, and accounts to be kept by the Clerk of the Court, and, from time to time, to alter any such rule or form; and the rules so made and the forms so framed, shall be observed and used in the Court of that Presidency, and shall be sent to the Supreme Court for approval, but shall be of force until disapproved; and in any case, not expressly provided for herein, or by the said rules, the general principles of practice in the Supreme Court may be adopted and applied at the discretion of the Judges, to actions and proceedings in their Court.

XLII. If upon the day of the return of any summons, or at any continuation or adjournment of the said Court, or of the cause for which the said summons shall have been issued, the plaintiff shall not appear, the cause shall be struck out; and if he shall appear, but shall not make proof of his demand to the satisfaction of the Court, the Judges may nonsuit the plaintiff or give judgment for the defendant; and, in either case, where the defendant shall appear and shall not admit the demand, may award to the defendant, by way of costs and satisfaction for his trouble and attendance, such sum as they, in their discretion, shall think fit; and such sum shall be recoverable from the plaintiff by such ways and means as any debt or damage ordered to be paid by the same Court can be recovered: provided always, that if the plaintiff shall not appear when called upon, and the defendant, or some one duly authorized on his behalf, shall appear, and admit the cause of action to the full amount claimed, and pay the fees payable in the first instance by the plaintiff, the Court, if it shall think fit, may proceed to give judgment, as if the plaintiff had appeared.

XLIII. If on the day so named in the summons, or at any continuation or adjournment of the Court, or cause in which the summons was issued, the defendant shall not appear or sufficiently excuse his absence, or shall neglect to answer when called in Court, the Judges, upon due proof of service of the summons, may issue a writ of attachment to compel the appearance of the defendant; or, in their discretion, may proceed to the hearing or trial of the cause on the part of the plaintiff only; and the judgment thereupon shall be as valid as if both parties had attended; provided always, that the Judges in any such case, at the same or any subsequent Court, may set aside any judgment so given in the

absence of the defendant, and the execution thereupon; and may grant new trial of the cause, upon such terms, as to payment of costs, giving security for debt or costs, or otherwise, as they think fit, on sufficient cause shown to them for that purpose.

XLIV. The Judges may, in any case, make orders for granting time to the plaintiff or defendant to proceed in the prosecution or defence of the suit, and also may, from time to time, adjourn any Court, or the hearing or further hearing of any cause, in such manner as to them may seem fit.

XLV. The defendant in any action brought under this Act, for the recovery of money, whether for debt or damages, within such time as shall be directed by the rules for regulating the practice of the Court, may pay into Court such sum of money as he shall think a full satisfaction for the demand of the plaintiff, with the costs incurred by the plaintiff up to the time of such payment; and the said sum of money shall be paid to the plaintiff; but, if he shall elect to proceed, and, if the plaintiff shall recover no further sum in the action than shall have been so paid into Court, the plaintiff shall pay to the defendant the costs incurred by him in the said action after such payment; and such costs shall be settled by the Court, and an order shall thereupon be made by the Court for the payment of such costs by the plaintiff.

XLVI. On the hearing or trial of any action or any other proceeding under this Act the parties thereto, their wives, and all other persons may be examined, on behalf of either the plaintiff or defendant, subject nevertheless to the Acts and Regulations in force, with respect to the examination of women of a rank and situation in life, which, according to the customs of the country, would render it improper to compel them to appear in a Court of Justice.

XLVII. Every person shall be examined on oath, or when exempt by law from taking an oath in any Court of Justice, on solemn affirmation, and every person, who, in any examination upon oath or solemn affirmation under this Act, shall wilfully and corruptly give false evidence, shall be deemed guilty of perjury.

XLVIII. Either of the parties to the suit or any other proceeding under this Act may obtain, at the office of the Clerk of the Court, summonses to witnesses, with or without a clause requiring the production of books, deeds, papers and writings in their possession or control, and in any such summons any number of names may be inserted.

XLIX. Every person, on whom any such summons shall have been served, either personally or in such other manner as shall be directed by the general rules or practice of the Court, and who shall refuse or neglect, without sufficient cause, to appear, or to produce any books, papers, or writings required by such summons to be produced, and also every person present in Court, who shall be required to give evidence, and who shall refuse to be sworn and give evidence, shall forfeit and pay such fine, not exceeding One Hundred Rupees, as the Judges shall set on him; and the whole or any part of such fine, in the discretion of the Judges, after deducting the costs, may be applied towards indemnifying the party injured by such refusal or neglect.

L. The Judges of any Court established under this Act, in all suits where the debt or demand exceeds the sum of Thirty Rupees, upon proof before them, that any defendant against whom a summons has been taken out, conceals himself from, or otherwise evades process of the Court, or is disposing of his property and effects with intent to defraud the plaintiff, or his creditors generally, or is about to withdraw his person or effects from the jurisdiction of the Court, may issue a warrant for the apprehension of such person, and may commit him to gaol until he shall find security for his appearance in the said Court from time to time, until judgment shall be pronounced in the suit commenced by such summons, and for payment of the amount and the costs which may be decreed against him therein.

LI. Payment of any fine imposed by any Court under the authority of this Act may be enforced upon the order of the Judges, in like manner as pay-

ment of any debt adjudged in the said Court, and shall be accounted for as herein provided.

LII. All the costs of any action or proceeding in the Court, not herein otherwise provided for, shall be paid by or apportioned between the parties, in such manner as the Judges shall think fit; and, in default of any special direction, shall abide the event of the action; and execution may issue for the recovery of any such costs, in like manner as for any debt adjudged in the said Court.

LIII. Every order and judgment of any Court holden under this Act, except as herein provided, shall be final and conclusive between the parties; but the Judges shall have power to nonsuit the plaintiff, in every case in which satisfactory proof shall not be given to them, entitling either the plaintiff or defendant to the judgment of the Court; and shall also in every case whatever have the power, if they shall think fit, to order a new trial to be had, upon such terms as they shall think reasonable, and in the meantime to stay the proceedings.

LIV. No cause commenced in any Court, holden under this Act, shall be removed from the said Court into the Supreme Court by any writ or process, unless the debt or damage or value of the property claimed exceeds One Hundred Rupees, and then only by leave of a Judge of the said Supreme Court on proof to his satisfaction that some question of law or equity is likely to arise therein, which, by reason either of its difficulty, novelty or general importance, or of some erroneous course of decision on the same point in the Court of Small Causes may appear to him fit to be tried in the Supreme Court, and upon such terms as to payment of costs, giving security for debt or costs, or otherwise, as he shall think fit.

LV. The Judges of the Court of Small Causes may, in their discretion, reserve any question of law or equity on which they entertain doubts, or which they shall be requested by either party to the suit to reserve, for the opinion of the Judges of the Supreme Court, and shall give judgment contingent upon the opinion of the said Supreme Court on a case which they shall thereupon be entitled to state to the said Court. If only two Judges sit together, and shall differ in opinion, the question, on which they differ shall be so referred.

LVI. The Judges may make orders concerning the time or times, and by what instalments, any debt or damages or costs, for which judgment shall be obtained in the said Court, shall be paid; and all such monies shall be paid into Court, unless the Judges shall otherwise order.

LVII. If there be cross judgments between the parties, execution shall be taken out by that party only, who shall have obtained judgment for the larger sum, and for so much only as shall remain after deducting the smaller sum; and satisfaction for the remainder shall be entered, as well as satisfaction on the judgment for the smaller sum; and, if both sums shall be equal, satisfaction shall be entered upon both judgments.

LVIII. Whenever the Court shall have made an order for the payment of money, the amount shall be recoverable, in case of default or failure of payment thereof forthwith, or at the time or times and in the manner directed, by execution against the body or the goods and chattels of the person against whom such order is made without further notice or order; and the Clerk of the said Court, at the request of the person prosecuting such order, shall issue under the seal of the Court a writ of execution to one of the Bailiffs of the Court, which shall be his warrant to take the body of such person in execution, or to levy, or cause to be levied, by distress and sale of the goods and chattels of such person such sum of money as shall be so ordered, wheresoever they may be found within the district of the Court, and also the costs of the execution; and all Constables and other Peace Officers within their several jurisdictions shall aid in the execution of every such writ.

LIX. If the Court shall have made any order for payment of any sum of money by instalments, execution upon such order shall not issue until after default in payment of some instalment according to such order; and execution or

successive executions may then issue without further notice or order for the whole of the said sum of money and costs then remaining unpaid, or for such portion thereof as the Court shall order, either at the time of making the original order, or at any subsequent time, under the seal of the Court.

LX. Whenever any warrant shall issue for taking in execution the body of any person under this Act, the Bailiffs of the Court shall be empowered, by virtue thereof, to take and convey him to any prison, appointed by the Governor in Council to be the prison of the Court, there to remain for such term as shall be directed by the warrant, not longer than six calendar months, or until he shall sooner perform the order of the Court.

LXI. No person shall be imprisoned twice under the same judgment, nor shall execution against the body and goods issue at the same time under the same judgment.

LXII. Every person suing out a warrant of execution against the body of any other person under this Act shall deposit with the Clerk of the Court, at the time of the issue of the warrant, diet money for one week, after the rate of one anna and a half for each day, which shall be paid by the Clerk to the Keeper of the Prison at the time of the execution of the warrant.

LXIII. Notice of the execution of every such warrant shall be forthwith given to the person at whose suit it issued, who shall thereupon deposit with the Keeper of the Prison, diet money for the remainder of the month in which the warrant is executed, after the same daily rate, and shall continue thereafter to deposit monthly with the said keeper, in advance, diet money at the same daily rate, for each month which the debtor is liable to be kept in prison at his suit.

LXIV. The diet money shall be employed for the subsistence of the prisoner; and if, by default of the detaining creditor, such diet money is not paid, the prisoner shall be entitled to his discharge by order of the Court.

LXV. All diet money, which shall be spent in providing subsistence for any prisoner, shall be costs in the cause, and all diet money, which shall not be so spent, shall be repaid to the creditor advancing the same.

LXVI. Whenever any prisoner shall offer good and reasonable security for payment of any debt or damage and costs, either in full or by instalments as the Court shall think reasonable, the Court may order him to be discharged on giving such security.

LXVII. Upon payment of the debt or damage and costs in full, the prisoner shall be entitled to be forthwith discharged.

LXVIII. If the debt or damage and costs are not paid, the imprisonment shall not extinguish the liability to pay the same; but all property then belonging to or afterwards acquired by the prisoner shall be liable to be taken in execution after his discharge from prison for satisfaction thereof, or of so much thereof as is not paid, including the diet money actually expended for subsistence of the prisoner.

LXIX. Every Bailiff executing any process of execution issuing out of the said Court against the goods of any person, may, by virtue thereof, seize and take any of the goods of such person, (excepting the necessary wearing apparel and bedding of such person or his family, and the tools and implements of his trade,) and may also seize and take any money or Bank-notes, and any cheques, bills of exchange, promissory notes, bonds, specialties or securities for money belonging to any such person against whom any execution shall have issued as aforesaid.

LXX. The Bailiff shall forthwith deliver any cheques, bills of exchange, promissory notes, bonds, specialties, or other securities for money, which shall have been so seized or taken as aforesaid, to the Clerk or other person appointed by the Judges to receive the same, who shall hold them as a security or securities for the amount directed to be levied by such execution, or so much thereof as shall not have been otherwise levied or raised for the benefit of the plaintiff; and the plaintiff may sue in the name of the defendant, or in the

name of any person in whose name the defendant might have sued, for recovery of the sum or sums secured, or made payable thereby, when the time of payment thereof shall have arrived.

LXXI. If it shall, at any time, appear to the satisfaction of the Court that any defendant is unable, from sickness or other sufficient cause, to pay and discharge the debt or damages recovered against him, or any instalment thereof ordered to be paid as aforesaid, the Judges, in their discretion, may suspend or stay any judgment, order or execution given, made or issued in such action, for such time and on such terms as they shall think fit, and so, from time to time, until it shall appear by the like proof as aforesaid that such temporary cause of disability has ceased.

LXXII. No sale of any goods, which shall be taken in execution as aforesaid shall be made, until after the end of five days at least next following the day on which such goods have been so taken, unless such goods be of a perishable nature, or upon the request, in writing, of the party whose goods have been taken.

LXXIII. Until such sale the goods shall be deposited by the Bailiff by whom they were taken in some fit place, or they may remain in the custody of a fit person approved by the Judges to be put in possession by the Bailiff.

LXXIV. The Judges, from time to time, as they shall think proper, may appoint such and so many persons for keeping possession, and so many of their Bailiffs or other fit persons to be sworn brokers and appraisers for the purpose of selling or valuing any goods, chattels or effects taken in execution under this Act, as shall appear to them to be necessary, and may direct security to be taken from each of them, for such sum and in such manner as they shall think fit, for the faithful performance of their duties, without injury or oppression; and the Judges may dismiss any person, broker or appraiser so appointed.

LXXV. No goods taken in execution under this Act shall be sold for the purpose of satisfying the warrant of execution, except by one of the brokers or appraisers so appointed.

LXXVI. The costs to be demanded or taken for such appraisement and sale shall be One Anna in the Rupee on the produce of the goods sold; and the Judges may apply the sum so raised as costs towards payment of the contingent charges and remuneration of the said brokers and appraisers, in such manner as shall be approved by the Governor in Council.

LXXVII. The Clerk of the Court shall keep an account of all sums received upon such sales, distinguishing the amount paid to the party entitled to the benefit of the execution, and the amount levied and retained as costs, and also of all sums allowed to the brokers and appraisers upon such sales.

LXXVIII. Whenever any defendant against whom judgment shall have been given in the Court of Small Causes, shall go before execution thereof out of the jurisdiction of the Court, the Judge of any Zillah or Town where he shall be found, upon receiving from the plaintiff, either in person or by vakeel, an application in writing setting forth these facts, with a duly authenticated copy of the judgment of the Court, shall execute the said judgment in the manner prescribed by law for execution of his own decrees; unless the defendant shall allege any reasonable cause, why the judgment should not be executed, and shall give security to such amount as the Judge of such Zillah or Town shall deem reasonable, that he will, within such time as shall be allowed him for that purpose, either satisfy the judgment, or produce a duly authenticated copy of an order of the Judges of the Court of Small Causes, discharging their former judgment.

LXXIX. No judgment or execution shall be stayed, delayed or reversed upon or by any writ of error or *supersedeas* thereon, to be sued for the reversing of any judgment given in any Court holden under the provisions of this Act, unless the amount recovered exceeds One Hundred Rupees, and then only after the person suing out such writ shall become bound with two sufficient sureties to

be approved by the Clerk of the Court, in treble the sum adjudged to be recovered in the former judgment, to prosecute the said writ with effect, and also to satisfy and pay, (if the writ be not prosecuted, or if the judgment be affirmed), the debt or damages and costs adjudged, and all costs and damages to be awarded for the delay of execution.

LXXX. Upon every warrant of execution issued against the goods and chattels of any person, the Clerk of the Court shall cause to be stated the sum of money and costs adjudged with the sum paid for such warrant; and if the party against whom such execution shall be issued shall, before an actual sale of the goods and chattels, pay or cause to be paid or tendered unto the Clerk of the Court, or to the Bailiff holding the warrant of execution such sum of money and costs, as aforesaid, or such part thereof as the person entitled thereto shall agree to accept in full of his debt or damages and costs, together with the fees herein directed to be paid, the execution shall be superseded, and the goods and chattels of the said party shall be discharged and set at liberty.

LXXXI. The Clerk of every Court holden under this Act shall cause a record of all summonses, and of all orders, and of all judgments and executions, and returns thereto, and of all fines, and of all other proceedings of the Court, to be fairly entered, from time to time, in a book or books belonging to the Court, which shall be kept at the Office of the Court; and shall be duly authenticated by one or more of the Judges; and such entries in the said book or books or a copy thereof bearing the seal of the Court, and purporting to be signed and certified as a true copy by the Clerk of the Court, shall be admitted in all Courts and places as evidence of such entries, and of the proceeding referred to by such entry or entries, and of the regularity of such proceeding, without any further proof.

LXXXII. The Clerk of every such Court shall, in the month of March, in each year, make out a correct list of all sums of money, belonging to suitors in the Court, which shall have been paid into Court, and which shall have remained unclaimed for five years before the first day of the month of January then last past, specifying the names of the parties for whom or on whose account the same were so paid into Court; and a copy of such list shall be put up and remain during Court hours in some conspicuous part of the Court house, and at all times in the Clerk's Office; and all sums of money which shall have been paid into any such Court, to the use of any suitor or suitors thereof, and which shall have remained unclaimed for the period of six years before the passing of this Act, and which are now in the hands of any Commissioner or Officer of such Court, or otherwise held in trust for such suitors, and all further sums of money, which shall hereafter be paid into such Court to the use of any suitor or suitors thereof, shall, if unclaimed for the period of six years after the same shall have been so paid into Court, be applicable as part of the fees receivable on account of the Court, and shall be carried to the same account; and no person shall be entitled to claim any sum which shall have remained unclaimed for six years; but no time during which the person entitled to claim such sum shall have been an infant, or married woman, or of unsound mind, or out of the Territories under the Government of the East India Company, shall be taken into account in estimating the said period of six years.

LXXXIII. If any person shall wilfully insult any Judge, Clerk or Officer of the said Court, for the time being, during his sitting or attendance in Court, or shall wilfully interrupt the proceedings of the Court, or otherwise misbehave in Court, it shall be lawful for any Bailiff or Officer of the Court, with or without the assistance of any other person, by the order of the Judges to take such offender into custody, and detain him until the rising of the Court; and the Judges shall be empowered, if they shall think fit, by a warrant under their hands, and sealed with the seal of the Court, to commit any such offender to any prison to which they have power to commit offenders under this Act, for any time, not exceeding seven days, or to impose upon any such offender a fine, not exceeding Fifty Rupees for every such offence, and in default of payment thereof to commit the offender to any such prison as aforesaid, for any time, not exceeding seven days, unless the said fine be sooner paid, or instead of inflicting

summary punishment under this Act may cause the offender to be indicted in the Supreme Court, if the offence be an indictable misdemeanour.

LXXXIV. If any Officer or Bailiff of any Court holden under this Act shall be assaulted while in the execution of his duty, or if any rescue shall be made or attempted to be made of any person arrested, or goods levied under process of the Court, the person so offending shall be liable to a fine, not exceeding One Hundred Rupees, to be recovered by order of the Court, or before a Magistrate as hereinafter provided; and the Bailiff of the Court, or any Peace Officer in any such case, may take the offender into custody, (with or without warrant,) and bring him before such Court, or Magistrate accordingly.

LXXXV. If any Bailiff of the said Court, who shall be employed to execute any warrant of the Court, shall, by neglect, or connivance or omission, lose an opportunity of executing such warrant, then, upon complaint of the party aggrieved by reason of such neglect, connivance or omission, (and the fact alleged being proved to the satisfaction of the Court,) the Judges shall order the Bailiff to pay such damages as it shall appear that the plaintiff has sustained thereby, not exceeding in any case the sum of money for which the said execution is issued, and the Bailiff shall be liable thereto; and upon demand made thereof, and on his refusal so to pay and satisfy the same, payment thereof shall be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court, without prejudice nevertheless to the execution of the original warrant.

LXXXVI. If any Clerk, Bailiff or Officer of the Court, acting under colour or pretence of the process of the said Court, shall be charged with extortion or misconduct, or with not duly paying or accounting for any money levied by him under the authority of this Act, the Judges may inquire into such matter in a summary way, and for that purpose may summon and enforce the attendance of all necessary parties in like manner as the attendance of witnesses in any case may be enforced, and may make such order thereupon for the repayment of any money extorted, or for the due payment of any money so levied as aforesaid, and for the payment of such damages and costs, as they shall think just; and also, if they shall think fit, may impose such fine upon the Clerk, Bailiff or Officer, not exceeding One Hundred Rupees for each offence, as they shall deem adequate; and in default of payment of any money so ordered to be paid, payment of the same may be enforced by such ways and means as are herein provided for enforcing a judgment recovered in the said Court.

LXXXVII. Every Clerk, Bailiff or other Officer employed in putting this Act or any of the powers thereof in execution, who shall wilfully and corruptly exact, take or accept any fee or reward whatsoever, other than his lawful salary, for any thing done or to be done by virtue of this Act, or on any account whatsoever, relative to putting this Act into execution, shall, upon proof thereof before the said Court, and in the case of a Clerk, on confirmation of the finding of the Court by the Governor in Council, be for ever incapable of serving, or being employed under this Act in any office of profit or emolument, and shall also be liable for damages as herein provided.

LXXXVIII. If any claim shall be made to, or in respect of, any goods or chattels taken in execution under the process of any Court holden under this Act, or in respect of the proceeds or value thereof, by any person not being the party against whom such process has issued, the Clerk of the Court, upon application of the Officer charged with the execution of such process, as well before as after any action brought against such Officer, may issue a summons calling before the said Court, as well the party issuing such process as the party making such claim, and thereupon any action, which shall have been brought in the Supreme Court in respect of such claim, shall be stayed, and any Judge of the Supreme Court on proof of the issue of such summons, and that the goods and chattels were so taken in execution, may order the party bringing such action to pay the costs of all proceedings had upon such action after the issue of such summons out of the Court of Small Causes, and the Judges of the Court of Small Causes shall adjudicate upon such claim and make such order between the parties

in respect thereof, and of the costs of the proceedings as to them shall seem fit, and such order shall be enforced in like manner as any order made in any suit brought in such Court.

LXXXIX. The powers of Act VII. of 1847 to regulate distresses for small rents in Calcutta, shall be extended to the recovery of all arrears of rent not exceeding Five Hundred Rupees, and the Judges of every Court of Small Causes under this Act shall be empowered to exercise within their several jurisdictions the extended powers of the said Act; and the said Act shall be construed as if instead of Calcutta and the Settlement of Fort William in Bengal, the limits of the jurisdiction of the Court had been therein mentioned, and the Judges of the Court of Small Causes under this Act instead of the Commissioners of the Court therein mentioned, and the amount of Five Hundred Rupees instead of One Hundred Rupees, and the forms contained in the Schedule annexed to the said Act shall be altered accordingly, and shall refer to this Act instead of Act VII. 1847.

XC. The affidavit of arrear required by the said Act No. VII. 1847, may, in every case, be made either by the person entitled to such arrear or by his or her lawfully constituted attorney, and a warrant of distress may issue on such affidavit.

XCI. Where any person shall hold or occupy any house, land, or tenement, of which the value or the rent payable in respect thereof, does not exceed the rate of Five Hundred Rupees by the year, without leave of the owner, or under a lease or agreement which is ended, or duly determined by a legal notice to quit, and such tenant, or, if such tenant do not actually occupy the premises or occupy only a part thereof, any person by whom the same or any part thereof shall be then actually occupied, shall neglect or refuse to quit and deliver up possession of the premises, or of such part thereof respectively, the owner or his agent may take out a summons from the Court directed to such tenant or occupier, to show by what title he claims to hold or occupy the premises or part thereof.

XCII. If the tenant or occupier shall not thereupon appear at the time and place appointed, and show cause to the contrary, and shall still neglect or refuse to deliver up possession of the premises, or of such part thereof, of which he is then in possession, to the said owner or his agent, such owner or agent may give to the Court proof of the holding, and of the end or other determination of the tenancy, if any had existed, with the time or manner thereof, and of the right by which he claims the possession.

XCIII. Upon proof of due service of the summons, and of the neglect or refusal of the tenant or occupier, as the case may be, the Judges may issue a warrant under the seal of the Court, to any Bailiff of the Court requiring and authorizing him within a period to be therein named not less than seven, or more than ten clear days from the date of such warrant, to give possession of the premises to such owner or agent, and such warrant shall be a sufficient warrant to the said Bailiff to enter upon the premises with such assistants as he shall deem necessary, and to give possession accordingly: Provided always, that entry upon any such warrant shall not be made on a *Sunday*, *Good-Friday*, or *Christmas-day*, or any other day observed by the Court as a Holiday, or at any time except between the hours of six in the morning and six in the afternoon: Provided also, that nothing herein contained shall be deemed to protect any person by whom any such warrant shall be sued out of the Court of Small Causes from any action which may be brought against him by any such tenant or occupier for such entry and taking possession, where such person had not, at the time of suing out the same as aforesaid, lawful right to the possession of the same premises.

XCIV. Such summons as last aforesaid may be served either personally, or by leave of the Court, upon proof that the tenant or occupier is not to be found within the jurisdiction of the Court, by leaving the same with some person, being in and apparently residing at the place of abode of the person or persons so holding over as aforesaid; or if the place of abode of such person

or persons shall either not be known or admission thereto cannot be obtained for serving such summons, by posting the said summons on some conspicuous part of the premises so held over.

XCV. No action or prosecution shall be maintainable against the Judges or against the Clerk of the Court, by whom such warrant as aforesaid shall have been issued, or against any Bailiff or other person by whom such warrant may be executed, or summons affixed, for issuing such warrant, or executing the same respectively, or affixing such summons, by reason that the person by whom the same shall be sued out had not lawful right to the possession of the premises.

XCVI. Where the owner, at the time of applying for such warrant as aforesaid, had lawful right to the possession of the premises, or of the part thereof so held over as aforesaid, neither the said owner nor his agent, nor any other person acting in his behalf, shall be deemed to be a trespasser, by reason merely of any irregularity or informality in the mode of proceeding for obtaining possession under the authority of this Act; but the party aggrieved may, if he think fit, bring an action on the case for such irregularity or informality, in which the damage, alleged to be sustained thereby, shall be specially laid, and may recover full satisfaction for such special damage with costs of suit: Provided that, if the special damage so laid be not proved, the defendant shall be entitled to a verdict, and that, if proved, but assessed at any sum, not exceeding Ten Rupees, the plaintiff shall recover no more costs than damages, unless the Judge, before whom the trial shall have been holden, shall certify that in his opinion full costs ought to be allowed.

XCVII. In every case in which the person, by whom any such warrant shall be sued out of the Court of Small Causes, had not, at the time of suing out the same, lawful right to the possession of the premises, the suing out of any such warrant, as last aforesaid, shall be deemed a trespass by him against the tenant or occupier of the premises, although no entry shall be made by virtue of the warrant; and in case any such tenant or occupier will become bound with two sufficient Sureties, to be approved by the Clerk of the Court, in such sum as to the Judges shall seem reasonable, regard being had to the value of the premises and to the probable cost of such action, to sue the person by whom such warrant was sued out with effect and without delay, and to pay all the costs of the proceeding in such action, in case a verdict shall pass for the defendant, or the plaintiff shall discontinue or not prosecute his action, or become nonsuit therein, execution upon the warrant shall be stayed until judgment shall have been given in such action of trespass; and, if upon the trial of such action of trespass, judgment be given for the plaintiff, such judgment shall supersede the said warrant.

XCVIII. Recovery of the possession of any such house, land or tenement shall be no bar to the institution of a regular suit, for trying the title thereunto, which may be brought in the Supreme Court, as if this Act had not been passed.

XCIX. Every bond given on the removal of any action out of the Court of Small Causes, or upon staying, delaying or reversing any judgment or execution awarded therein, or the execution of any such warrant of possession as aforesaid, or on moving for a new trial, or to set aside a verdict, judgment or nonsuit, shall be made to the other party to the action, and shall be approved by the Judges and attested under the seal of the Court; and if the bond so taken be forfeited, or if upon the proceeding for securing which such bond was given, the Judge, before whom such proceeding shall be had, shall not certify upon the record in Court, that the condition of the bond hath been fulfilled, the party to whom the bond shall have been so made may bring an action of debt and recover thereon: Provided always, that the Court in which such action as last aforesaid shall be brought may, by a rule of Court, give such relief to the parties liable upon such bond as may appear to him reasonable, and such rule shall have the nature and effect of a defeasance to such bond.

C. All actions and proceedings, which before the passing of this Act, might have been brought in the Supreme Court, where any Officer of the Court of Small Causes shall be a party, except in respect of any claim to any goods

and chattels taken in execution of the process of the Court, or the proceeds or value thereof, may be brought and determined in the Supreme Court, at the election of the party suing or proceeding, as if this Act had not been passed.

CII. If any action shall be commenced after the passing of this Act in the Supreme Court, for any cause other than those lastly herein before specified, for which a summons might have been taken out from a Court holden under this Act, and a verdict shall be found for the plaintiff for a sum less than Five Hundred Rupees, if the said action is founded on contract, or less than One Hundred Rupees, if it is founded on wrong, the plaintiff shall have judgment to recover such sum only, and no costs; and if a verdict shall not be found for the plaintiff the defendant shall be entitled to his costs as between attorney and client, unless in either case the Judge, who shall try the cause, shall certify on the back of the record that, by reason of the difficulty, novelty or general importance of the case, or of some erroneous course of decision on like cases in the Court of Small Causes, the action was fit to be brought in the Supreme Court.

CIII. If any person shall bring any suit in the Supreme Court in respect of any grievance committed by the Clerk, Bailiff, or Officer of any Court holden under this Act, under colour or pretence of the process of the said Court, and upon the trial of the action, no greater damages shall be found for the plaintiff than the sum of Five Hundred Rupees, no costs shall be awarded to the plaintiff in such action, unless the Judge shall certify in Court, upon the back of the record, that the action was fit to be brought in the Supreme Court.

CIII. All penalties, fines and forfeitures by this Act, inflicted or authorized to be imposed, (the manner of recovering and applying whereof is not hereby otherwise particularly directed), upon proof before any Justice of the Peace or Magistrate having jurisdiction where the offender shall reside or be, or the offence shall be committed, either by the confession of the party offending, or by the oath or affirmation of any credible witness, shall be levied, with the costs attending the summons and conviction, by distress and sale of the goods and chattels of the party offending, by warrant under the hand of any such Justice or Magistrate, and the overplus (if any) after such penalties, fines and forfeitures, and the charges of such distress and sale are deducted, shall be returned, upon demand, unto the owner of such goods and chattels.

CIV. If any such penalties, fines and forfeitures respectively, shall not be paid forthwith upon conviction, it shall be lawful for such Justice or Magistrate to order the offender so convicted to be detained in safe custody until return can conveniently be made to such warrant of distress; unless such offender shall give sufficient security to the satisfaction of such Justice or Magistrate for his appearance before him on such day as shall be appointed for the return of such warrant of distress, such day not being more than eight days from the time of taking any such security, which security the Justice or Magistrate shall be empowered to take by way of recognizance or otherwise, as to him shall seem fit.

CV. If upon return of such warrant it shall appear that no sufficient distress can be had thereupon, or in case it shall appear to the satisfaction of the Justice or Magistrate, either by confession of the offender or otherwise, that he hath not within the jurisdiction of such Justice or Magistrate, sufficient goods and chattels, whereon to levy all such penalties, forfeitures, costs and charges, the Justice or Magistrate may, at his discretion, without issuing any warrant of distress, commit the offender to the Common Gaol or House of Correction, for any time not exceeding three calendar months, unless such penalties, forfeitures and fines, and all reasonable charges attending the recovery thereof, shall be sooner paid and satisfied.

CVI. The monies arising from any such penalties, forfeitures and fines as aforesaid when paid and levied, shall (if not by this Act directed to be otherwise applied,) be, from time to time, paid to the Clerk of the Court, and shall be applied in like manner as the fees thereof.

CVII. In all cases in which by this Act any penalty or forfeiture is made recoverable before a Justice or Magistrate, he may summon before him the party complained against, and on such summons may hear and determine the matter of such complaint; and, on proof of the offence, may convict the of-

fender, and adjudge him to pay the penalty or forfeiture incurred, and proceed to recover the same, although no information in writing shall have been exhibited before him; and all such proceedings by summons without information in writing shall be as valid and effectual to all intents and purposes, as if an information in writing had been exhibited.

CVIII. In all cases where any conviction shall be had for any offence committed against this Act, the form of conviction may be in the words or to the effect following: (that is to say,) "Be it remembered that on this

" day of _____ in the year _____ A. B. is con-
" victed before _____ a Magistrate for the
" (or before a Judge appointed under Act IX. 1850)
" of having (state the offence;) and I (or we) the said _____ do
" adjudge the said _____ to forfeit and pay for the same the sum of _____
" [or to be committed to _____ for the space of _____] given
" under _____ hand () and seal () the day and year
" aforesaid."

CIX. No order, verdict, or judgment or other proceeding, made concerning any of the matters aforesaid, shall be quashed or vacated for want of form.

CX. Where any distress shall be made for any sum of money to be levied by virtue of this Act, the distress itself shall not be deemed unlawful, nor the party making the same be deemed a trespasser, on account of any defect or want of form in the information, summons, conviction, warrant of distress, or other proceeding relating thereto, nor shall the party distraining be deemed a trespasser from the beginning, on account of any irregularity which shall afterwards be committed by the party so distraining, but the person aggrieved by such irregularity may recover full satisfaction for the special damage in an action upon the case.

CXI. All actions and prosecutions to be commenced against any person for any thing done in pursuance of this Act, shall be commenced within three calendar months after the fact committed, and not afterwards, and notice in writing of such action, and of the cause thereof, shall be given to the defendant one calendar month at least before the commencement of the action; and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action is brought, or if after action brought, a sufficient sum of money shall have been paid into Court, with costs by or on behalf of the defendant.

IV. Every Clerk or Servant, who shall steal any chattel, money or valuable security, belonging to or in the possession or power of his Master, shall be punishable in the same manner as persons convicted of felonious stealing under this Act.

received into the possession of his Master, otherwise than by the actual possession of his Clerk, Servant or other person so employed.

VI. Every Member and Officer of a Trading Corporation or Company, and also every Banker, Merchant, Factor, Broker, Attorney or other Agent, whether he be commonly so employed, or be employed as an Agent in that instance only, and whether he acts as such Agent gratuitously or otherwise, to whom any chattel, money or valuable security is entrusted for safe custody, or for any special purpose, and whether with or without any authority to sell, negotiate, pledge or employ the same, but with an authority limited to some defined purpose as to the application of such money, chattel or valuable security, or of any part thereof, or of the proceeds or of any part of the proceeds thereof, who shall fraudulently apply, use or dispose of the same or any part of the proceeds thereof, for any purpose other than a purpose for which the same was entrusted to him, shall be deemed to have feloniously stolen the same.

VII. VIII. Every person, possessed, or having the receipt, custody or control, of any chattel, money or valuable security, in trust for any other person or persons, who shall embezzle the same or any part thereof, or in any manner fraudulently apply, use or dispose of the same, for his own use or benefit, in breach of the trust reposed in him, shall be deemed to have feloniously stolen the same.

XI. Any offender under this Act may be proceeded against on the same charge for any number of distinct acts of embezzlement or fraudulent application, use or disposition as aforesaid, committed by him within six calendar months, from the first to the last of such acts: and proof of a gross deficiency in the accounts of any such Trustee or Public Servant, shall be evidence of the offence charged, until such deficiency is otherwise explained.

XII. If the offence relates to money or to any Bank Note, Bank Post Bill, Banker's Cheque, Bill of Exchange, Promissory Note, Government Paper, or other like security for the payment of money, it shall be enough in the indictment or charge to allege the embezzlement or fraudulent application, use or disposition of money, without specifying any particular coin or valuable security; and such allegation shall, so far as regards the kind of property, be sustained, if the offender is proved to have embezzled or fraudulently applied, used or disposed of any amount of money or any valuable security, though the particular kind of coin or valuable security, of which such amount was composed shall not be proved.

XIII. It shall not be necessary, in any proceeding against any offender under this Act, to declare the person to whom the property embezzled or fraudulently applied or disposed of belongs otherwise than hereinafter provided, or to

give any other description of it than by stating its general character according to the provisions of this Act; and if the offence be that of embezzlement or fraudulent application, use or disposition, by a person in the public service of the Crown, or of the East India Company, of property entrusted to him by reason of such employment, or part thereof, it shall be enough to state that the defendant was in such service, and that he received the property by reason of such employment and embezzled the same, or part thereof, or fraudulently applied, used or disposed of the same as the case may be; and, if the case be one of, fraudulent application, use or disposition by any person not being such public servant but entrusted as aforesaid, it shall be enough to state that such person was entrusted with the property (describing its general character as aforesaid,) and it shall be enough to state shortly the purpose of the trust, and that he fraudulently applied, used or disposed of the same contrary to his duty in that behalf.

XIV. The Court before which any offender is tried under this Act shall have power upon the trial to make any amendments that may be necessary, by reason of any variance between the statements of the charge and the evidence, either in the description of the property, or of any person, or of any office, appointment or employment, or of the purpose of the trust or otherwise, when in the opinion of the Court the person charged cannot have been misled as to his defence by such imperfect or erroneous statement.

XV. Every offender under this Act may be tried and punished by any Court of competent jurisdiction either in the place where he is in custody, or where he committed the offence.

XVI. The punishment of any offender under this Act shall not be deemed to take away or lessen his liability or the liability of his sureties to make good any loss sustained by Her Majesty or the East India Company, or any other person or persons by his misbehaviour or breach of trust.

XVII. Every person charged with a felonious breach of trust under this Act, who shall be proved to have knowingly made up or furnished false statements or accounts of the sums of money received or paid by him, or entrusted to his care, or of the goods or balance of money in his custody or control, shall be liable to fine in the discretion of the Court, although no actual embezzlement or fraudulent application, use or disposition of trust, moneys, chattels, or valuable securities is proved against him, and in addition to such fine may be imprisoned, with or without labour, as the Court shall adjudge, for any term not exceeding one year; but no person convicted of felonious breach of trust as aforesaid shall be punished also for making up false accounts in connection with the same breach of trust.

VI. Any such boy may be bound in like manner for sea service in any ship of the East India Company belonging to any such port, commanded by a British subject, in which case the contract shall be made with the Master Attendant at such port, or any officer appointed to represent the East India Company in this behalf, who shall appoint the ship in which such apprentice is to serve from time to time.

VII. The Master or Commander of any ship in which an apprentice bound to the sea service shall be appointed to serve by the party to whom he is bound, shall be deemed the agent of such party for the purpose of this Act.

VIII. Every contract of apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the apprentice, the term for which he is bound, and what he is to be taught.

IX. Every such contract shall be signed by the person to whom the apprentice is bound, and by the person by whom he is bound, and by the apprentice, when he is of the age of fourteen years or more at the time of binding ; but, when the apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the apprentice.

X. No such contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the office of the Chief Magistrate of the place or district where it has been executed, or if the apprentice is bound to the sea service, in the office of the person appointed under Act X. 1841, to make registry of ships at the port where the apprentice is to begin his service ; and the person in whose office any such contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or Registering Officer.

XI. The terms of service may be changed at any time during the apprenticeship, or the contract may be determined, with the consent of both parties to the contract or their personal representatives, and with the consent of the apprentice, if he is above the age of fourteen years ; provided, that the changes agreed to or the termination of the contract shall be expressed in writing on the original contract, with the signature of the proper parties according to Section VIII. of this Act ; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XII. The master of any apprentice bound under this Act may, with the consent of the person by whom he was bound, and with the consent of the apprentice, if he is above the age of fourteen years, assign such apprentice to any other person, who is willing to take him for the residue of his apprenticeship, and subject to the conditions thereof ; provided that such person shall, by endorsement under his own hand on the contract, declare his acceptance of such apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and

signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XIII. Upon complaint made to any Magistrate in the said territories by or on behalf of any apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the contract of apprenticeship, or of cruelty, or other ill-treatment by his master, or by the agent under whom he shall have been placed by his master, the Magistrate may summon the master or his agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the master or his agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the contract of apprenticeship, and assess upon the offender, whether he shall be the master or his agent, a reasonable sum for behoof of the apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his goods and chattels, and if the offender shall not be the master but his agent, by distress and sale of the goods and chattels of the master also.

XIV. No contract of apprenticeship shall be cancelled, nor shall any master or his agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any apprentice by his master or the agent of his master, as may lawfully be given by a father to his child; and the provision for enabling the contract of apprenticeship to be cancelled shall not bar any criminal proceeding against any master or his agent for an assault or other offence committed against his apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the contract of apprenticeship.

XV. Upon complaint made to any Magistrate, by or on behalf of the master of any apprentice bound to him under this Act, of any ill behaviour of such apprentice, or if such apprentice shall have absconded, the Magistrate may issue his warrant for apprehending such apprentice, and may hear and determine the complaint, and punish the offender by an order for keeping the offender if a boy in confinement in any debtor's prison or other suitable place, not being a criminal gaol, for any time not exceeding one month, of which one week may be in solitary confinement, during which time such allowance shall be made for his subsistence by the master or his agent as the Magistrate shall order; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, if the offender be a girl, or in the case of any boy, the Magistrate deem any such punishment unfit, he may pass an order empowering the master of the apprentice or his agent to keep the offender in close confinement in his own house, or on board the vessel to which he belongs, upon bread and water, or such other plain food as may be given without injury to the health of the apprentice, for a period not exceeding one month.

XVI. Upon complaint of wilful and repeated ill behaviour on the part of the apprentice, and on the demand of the master, the Magistrate may order the contract of apprenticeship to be cancelled, whether or not the charge is proved: but only with the consent of the apprentice and of his father or guardian, if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the master on binding such apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the apprentice.

XVII. The Magistrate may order any sum recovered for behoof of the apprentice on cancelling the contract to be either laid out in binding him to another master, or otherwise for his benefit, or to be paid to the person by whom any premium was paid when he was bound apprentice.

XVIII. No Magistrate shall entertain a complaint on the part of a master

against an apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board ship during a voyage, within one month after the arrival thereof at a port or place in the said territories: and no Magistrate shall entertain a complaint on the part of an apprentice against his master or the agent of his master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board ship during a voyage within three months after the arrival thereof at a port or place in the said territories.

XIX. If the master of any apprentice shall die before the end of the apprenticeship, the contract of apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such master on the binding of the apprentice to him, shall be returned by the executors or administrators out of the estate of the deceased to the person or persons who shall have paid the same; unless the executors or administrators of the deceased master shall continue the business in which such apprentice shall have been employed, and shall, within three months from the death of the late master, make offer in writing to keep the apprentice on the terms of the original contract; in which case the estate of the deceased shall be discharged from all liabilities on account of such premium.

XX. If such offer to keep the apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the executors and administrators on the original contract of apprenticeship; and also on the office copies thereof, by the Magistrate or Registering Officer; and the apprentice shall be bound to the executors or administrators so keeping him for the remaining term of his apprenticeship.

XXI. Any apprentice bound under this Act, whose master shall die during the apprenticeship, shall be entitled to maintenance for three months from and after the death of his master, out of the assets left by him; provided that during such three months such apprentice shall continue to live with, and serve as an apprentice, the executors or administrators of such master, or such person as they shall appoint.

XXII. The apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an act of insolvency, during the apprenticeship, shall be discharged from all obligation under the contract of apprenticeship; and, if any premium was paid on binding him as an apprentice, he or the person by whom he was bound shall be entitled to claim the amount thereof, as a debt against the estate of the Bankrupt or Insolvent.

XXIII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the territories under the government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIV. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate; provided the appeal is made within one month from the date of the order.

XXV. In this Act the words "master," "owner," "person" and the pronoun, "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

For the encouragement and protection of Merchant Seamen, It is enacted as follows:

I. The Master of any Vessel, navigated from any port within the territories under the Government of the East India Company, where a Registrar of Seamen is or shall be appointed under Act XXVII. 1850, registered as a British Vessel under any Statute of Parliament, or Act of the Governor General of India in Council, in force for the time being, for the Registry of British Vessels, except Country Craft not exceeding the burden of 300 tons employed only in Coasting voyages, shall not put to Sea on any day after the First day of August 1850, until an agreement, executed as hereinafter provided, shall have been made by him with such of his Crew as are shipped at any port within the said territories, specifying what wages each Seaman is to receive, and the quantity and quality of provisions he is to receive, the capacity in which each is to act, or serve, and the voyage in which the Vessel is to be employed, or the length of time that each is to serve.

II. Every such agreement shall be in the form set forth in Schedule (A) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, and shall be properly dated, and shall be signed by the Master and the greater number of Seamen shipped at any port in the said territories, of each kind of rating belonging to

the Vessel, on behalf of the Crew, respectively, in the presence of the Registrar of Seamen, or by some one appointed by him for that purpose, who, after hearing the agreement read over and explained to each Seaman by whom it is to be signed, in a language understood by him, shall, if the Seaman assent, cause him to put his signature or mark thereunto, and shall attest the same by his own signature, and shall keep recorded in his office a duplicate of such agreement executed and attested as aforesaid. Every Seaman shipped on board such Vessel, and not being an Apprentice, shall be entitled to have the benefit of such agreement, according to his rating, as if it were executed by him.

III. Every copy of such an agreement, certified by the Registrar to be a true copy, shall, in all cases, be taken as evidence of the contents thereof on behalf of the Seamen; and no Seaman shall, in any case, be required to produce such agreement, or such copy as aforesaid, or to give notice for the production thereof: but, if the agreement shall not be produced and proved, he shall be at liberty to prove the contents or purport thereof, or to establish his claim by other evidence, according to the nature of the case.

IV. No Seaman, shipped under this Act, shall, by reason of any agreement, forfeit his lien upon the Ship, or be deprived of any remedy for the recovery of his wages to which he would otherwise be entitled, against any person or persons whatever; and no agreement, contrary to, or inconsistent with this Act, nor any clause, contract or engagement, whereby any Seaman shall consent or promise to forego, or give up any right or claim to wages in the case of freight earned by a Ship afterwards lost, or any right or claim to salvage or reward for salvage services, or such share of salvage or reward for salvage services as may be due to him by decree or award, or otherwise, shall be binding on such Seaman.

V. The wages of any Seaman engaged to serve on any Vessel under this Act, shall be calculated by the calendar month.

VI. If any Seaman, serving under the provisions of this Act, shall, by a writing, according to a form set forth in Schedule (B), annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, attested by the signature of the Registrar or his Assistant, and by the signature of the Master of the Vessel on which he is engaged to serve, and in which writing the purpose shall be stated, authorise the said Registrar to receive monthly from the Owner of the said Vessel or his Agent, any part of his wages, not exceeding one-third thereof, for the time for which he shall not have received any advance, for the purpose of maintaining his family during his absence, the said Owner or his Agent shall, on demand of the said Registrar, pay such sum to him, to be applied as aforesaid, without requiring any proof from the said Registrar that the said Seaman is still on board the said Vessel.

VII. All such payments, whether by the Owner, his Agent, or by the Registrar, shall cease from and after the production of a certificate from the Master of the Vessel, of the death, desertion or discharge of the said Seaman, or on reasonable evidence that the Vessel has been lost; but no payment, actually made by the Registrar to the party appointed by the said Seaman, shall be reclaimable by reason of his death, desertion, or discharge, or of the loss of the Vessel.

VIII. All such receipts and payments shall be entered in a book, and all entries in the said book shall be authenticated by the Registrar under his signature, or the signature of his Assistant; and the said book shall be, at all times, open to the inspection of the parties concerned.

IX. At the time of witnessing the execution of the agreement for service, the Registrar shall explain to the Seamen, parties thereunto, the conditions on which they can allot a part of their pay to their families during their service; and it shall be the duty of the Registrar to see that all Seamen leaving the port have the option of allotting part of their pay as aforesaid.

X. The Master of every such Vessel, before leaving any Port of Re-

gistry, shall deliver to the Registrar a list, signed by himself, of the name of every Seaman engaged by him in the territories under the Government of the East India Company, (including Apprentices), with their rating and the number of their Register Tickets, according to such form as shall be, from time to time, approved by the Governor General of India in Council; and, if he shall not have engaged any Seaman within the said territories, the Master shall deliver to the Registrar a certificate of the fact signed by himself; and, on receiving the said list or certificate, and on being satisfied of its truth, the Registrar shall give to the Master a certificate under his hand, that the Master of such Vessel has complied with the regulations of the Registry Office. Every Master of any such Vessel, who shall leave a Port of Registry, without delivering such list or certificate as aforesaid, shall be liable to a penalty, not exceeding Two Hundred Rupees.

XI. For the purpose of preventing any Seaman from being shipped on board of any Vessel in any Port of Registry, contrary to the provisions of this Act, the Registrar of the Port, by himself, or his Agents, in a peaceable manner, may enter at any time on board of any such Vessel, and muster and examine the several Seamen employed therein; and any person, who shall obstruct the said Registrar or his Agents in such duty, shall be liable to a penalty not exceeding One Hundred Rupees.

XII. In cases when the Registrar shall have reason to believe that any of the provisions of this Act have been evaded or neglected by the Master, Owner or Agent of any Ship about to go to sea, the Registrar, by a writing under his hand, may stay the grant of a port clearance by the Master Attendant; and every Master Attendant shall comply with the written requisition of the Registrar in this respect.

XIII. The Master of every such Vessel, on which any Seaman engaged under this Act may be serving, shall, within seven days after the arrival of such Vessel at the Port where the voyage ends, or after the end of the service, according to the agreement entered into, in accordance with this Act, pay or cause to be paid to such Seamen the wages remaining due to them for their services, taking a receipt from each man for the amount paid to him, either separately or on a general list, which receipt shall be certified by the Chief or Second Officer, or other credible witness, and otherwise shall be of no force or validity.

XIV. Every Master or Owner, who shall neglect or refuse to pay any Seaman's wages, within the time mentioned in the last Section, shall forfeit and pay to such Seaman the amount of two days' pay, to be recovered as wages, for each day, not exceeding ten days in the whole, during which such payment has been delayed without sufficient cause.

XV. If any Seaman, to whom any wages are due, die before the wages due have been paid, then the wages shall be paid to the Registrar of the Port of Registry at which the ship shall first touch after his death, and the Registrar shall pay the same to his legal representative, and failing such legal representative, after the expiration of twelve months from the First of January next following the day on which he shall have received the said balance, into the Treasury of the East India Company, after having given due notice of such unclaimed balance being in his possession, by advertisement in the *Gazette*, at least twice during such period.

XVI. Every Master of a Vessel, who shall be convicted before a Magistrate of having neglected to pay to the Registrar, within ten days of the Ship's arrival in the port as aforesaid, the wages due to deceased Seamen, shall forfeit three times the amount of wages so neglected to be paid; and further shall be subject to such fine, not exceeding One Hundred Rupees, for each case of neglect, as to such Magistrate shall seem fit.

XVII. Whenever any Merchant Vessel, navigated and registered as is mentioned in Section I, and not having been wrecked or condemned, shall be sold or disposed of at any Port out of the territories under the Government of the East India Company, or whenever the service of any Seaman shall end at any such port, the Master shall give to each Seaman a Certificate of discharge,

and his Register Ticket, and also either provide for him fit employment on board some other such Vessel bound to some port within the said territories, or provide for him a passage to the port at which he was shipped, or such other port as may be agreed on, either free of cost, or by depositing with the British Consul or Vice Consul, or if there be none such, with some resident Merchant, at the port, not interested in the Vessel, such a sum of money as shall be, by him, deemed reasonably enough to pay the expenses of his subsistence and passage, which money shall be paid over and above any wages which may be due to him.

XVIII. If the Master shall neglect or refuse to provide employment or the means of passage, for any of his Crew as mentioned in the last Section, the expense of doing so, when defrayed, shall be a charge on the Owner of the Vessel, unless in cases of barratry, wreck or condemnation, and may be recovered with full costs of suit from such Owner as so much money paid on his account, at the suit of the Consul or any other person defraying such expenses, or at the suit of the East India Company, in case the same has been paid or allowed out of any monies belonging to the East India Company; and, if defrayed by the Seaman himself, may be recovered as wages due to him.

XIX. The obligations of the last two Sections shall not apply to such of the Crew as shall consent, in writing, before the British Consul or Vice Consul, or if there be no British Consul or Vice Consul at the port, before one or more resident Merchants not interested in the Vessel, to be then and there discharged.

XX. In all cases of wreck or loss of the Ship, every Seaman then on board shall be entitled to his wages up to the time of the wreck or loss, whether or not the Ship has earned freight; provided he shall produce, from the Master or Chief Surviving Officer of the Ship, a Certificate that he did his best to save the Ship, Cargo and Stores.

XXI. Every Seaman shall be entitled to receive an increase of his wages for every day on which the allowance of provisions, which it was agreed he should receive, shall be reduced, at the rate of One Anna daily, while the reduction is not more than one-third of the quantity, and Two Annas daily, while the reduction is more than one-third: and these pecuniary allowances shall be recoverable as his other wages are.

XXII. No assignment or sale of Seamen's wages, salvage or prize money, made before the accruing thereof, nor any Power of Attorney expressed to be irrevocable, for the receipt of any Seaman's wages, salvage or prize money, shall be valid or binding on the party making the same; and any attachment, to be issued out of any Court, shall not prevent the payment of any Seaman's wages, salvage or prize money to him.

XXIII. Every such Vessel shall have always on board a sufficient supply of medicines and appliances, suitable for diseases and accidents likely to happen on sea voyages, according to such scale as shall be, from time to time, issued by the Superintendent of the Indian Navy, with the approval of the Governor General of India in Council, and published in the *Government Gazettes* at Calcutta, Madras and Bombay; and, in default thereof, the Owner of the Vessel shall be liable to a penalty, not exceeding Two Hundred Rupees, and Five Rupees for every day during which such default shall wilfully continue.

XXIV. Whenever the Master, or any Officer or Seaman of any such Vessel shall receive any hurt or injury in the service of the Vessel, the expense of providing the necessary surgical and medical advice and attendance, with medicines, and for his subsistence, until he shall be cured or shall be brought back to the port from which he was shipped, or other port agreed upon, shall be defrayed, with the cost of his conveyance to such port, by the Owner of the Vessel, without any deduction on that account from the wages of such Master, Officer or Seaman; and, if paid by himself, may be recovered as part of his wages; and, if paid or allowed out of any monies belonging to the East India Company, may be recovered with full costs of suit, as a debt due to the East India Company.

XXV. If any Vessel, on board of which there shall be any Seaman, who has received an advance under this Act, shall, before going on the voyage for

which such advance shall have been paid, be destroyed or injured by fire, or other cause, so as to prevent her going on her then intended voyage, or if such voyage shall be discontinued at the beginning, or before the advance has been worked out, the Master, Owner, or Agent of such Vessel may demand from such Seaman, unless he shall pay back the amount so advanced to him, service to the full amount of the advance received by him, on board of any other Vessel; and such Seaman, until he has worked out such advance, shall not be entitled, without the consent of such Master, Owner, or Agent, to take service in any Vessel other than that on which he is so required to serve; and any such Seaman, who shall refuse to work out such advance on board such other Vessel, on summary conviction of his refusal before any Magistrate or Justice of the Peace, shall be liable to be imprisoned, with hard labour, for any term not exceeding six months.

XXVI. The Registrar of Seamen may grant, from time to time, to such persons as he may deem fit, a license to act as broker for procuring Seamen for Vessels shipping men under this Act, and also a license to the keeper of any lodging-house for Seamen, enabling him to allow Seamen to be engaged at his house, and also may revoke and annul such license on the misconduct of any such person: and every such license shall be granted for such term, upon such conditions, and upon such security given, as the said Registrar shall, from time to time, appoint.

XXVII. Every person, not licensed as aforesaid, and not being the Owner, part Owner, Master, or person in charge of the Vessel, on board of which the men are to serve, who shall hire or engage a Seaman, to be entered on board any Merchant Ship, at any Port of Registry, and every person, whether licensed or not, other than the Owner, part Owner, Master, or person in charge of the Merchant Ship, on board of which the men are to serve, who shall demand or obtain the Register Ticket of any Seaman, for the purpose, or under the pretence of engaging him on board of any Merchant Ship, and every person, whether or not licensed as aforesaid, who shall ask or take, directly or indirectly, from any Seaman, any fee, reward or other valuable consideration for hiring or engaging or endeavouring to hire or engage him on board of any Merchant Ship, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXVIII. Every licensed broker, who shall engage any Seaman at any punch house or tavern, not being a licensed lodging-house for Seamen as aforesaid, or who shall be directly or indirectly interested in any punch house or tavern, not being a licensed lodging-house for Seamen as aforesaid, shall forfeit his license.

XXIX. Every person, who shall persuade or endeavour to persuade, or hinder any Seaman from complying with any of the provisions of this Act, or who shall counsel such Seaman to desert, or who shall conceal, or aid in concealing or maintaining any Seaman, who has deserted, shall be liable to a penalty, not exceeding Five Hundred Rupees.

XXX. If a Seaman, engaged under this Act shall at any time, whether before or during any voyage, neglect or refuse to join the Vessel, on board of which he shall have engaged to serve, or shall refuse to go to sea in such Vessel, or shall absent himself therefrom, without leave, or shall desert, any Justice of the Peace or Magistrate in the territories under the Government of the East India Company, at or near to the place, where such Vessel shall happen to be, or where such Seaman shall be found, upon complaint made upon oath, by the Master, Mate, or Owner, or his Agent, may issue his warrant, and cause such Seaman to be taken into custody, and brought before him; and, upon due proof of such neglect, refusal, or absence, without reasonable excuse, or of desertion, may commit such Seaman to prison, or to the house of correction, there to be imprisoned, with or without hard labour, for a term, not exceeding thirty days; or, if he shall think fit, at the request of the Master, Mate, or Owner, or his Agent, instead of committing such Seaman, may cause him to be taken on board the said Vessel, or to be delivered to the Master, Mate or Owner, or his Agent, for the purpose of being so taken and going on the voyage; and also

may award to the Master, or Owner, or his Agent, such costs incurred in the apprehension of the Seaman, as to such Justice or Magistrate shall seem reasonable, not exceeding, in any case, the sum of Twenty Rupees, which shall be chargeable against, and may be deducted from the wages of such Seaman.

XXXI. Every Seaman, engaged under this Act, who, during the term of his service, shall wilfully, and, without leave, absent himself from the Vessel, or otherwise from his duty, shall, (in all cases, not of desertion, or not treated as such by the Master), forfeit, out of his wages, the amount of two days' pay, and for every twenty-four hours of such absence the amount of six days' pay, or, at the option of the Master, the amount of such expences as shall have been necessarily incurred in hiring a substitute; and every Seaman, who, while he shall belong to the Vessel, shall, without sufficient cause, neglect or refuse to perform his duty reasonably required of him by the Master, or other person in command of the Vessel, shall be subject to a like forfeiture, in respect of every such offence, and of every twenty-four hours' continuance thereof; and every such Seaman, who, after the Vessel's arrival at her port of delivery, and during the term of his service, shall leave the Vessel without a discharge, or leave from the Master, shall forfeit one month's pay out of his wages: Provided always, that no such forfeiture shall be incurred, unless the fact of the Seaman's absence, neglect, or refusal shall be duly entered in the Log Book, the truth of which entry the Owner, Master or Agent, in all cases of dispute, shall be bound to substantiate, by the evidence of the Mate, or some other credible witness.

XXXII. Every Seaman engaged under this Act, who shall desert his Vessel, shall forfeit to the Owner all his clothes and effects which he may leave on board, and also all wages and emoluments to which he might otherwise be entitled; provided always, that every desertion be entered in the Log Book at the time, and certified by the signatures of the Master and the Mate, or the Master and one credible witness.

XXXIII. If any Seaman shall desert, during the term for which he has engaged to serve, in any place beyond the Port where he was engaged, and the Master of the Vessel shall engage a substitute at a higher rate of wages than that stipulated in the agreement to be paid to the Seaman so deserting, the Owner, Agent, or Master of the Vessel shall be entitled to recover from the Deserter, by summary proceeding in the same manner as penalties are by this Act made recoverable, (so far as the same can be applied), any excess of wages or portion thereof, which such Owner, Agent, or Master shall pay to such substitute, beyond the amount which would have been payable to the Deserter, if he had duly performed his service: Provided always, that no Seaman shall be imprisoned longer than three calendar months for non-payment of any such excess of wages.

XXXIV. The absence of a Seaman from his Vessel, for any time within twenty-four hours immediately before the sailing of a Vessel from any port, whether before or during any voyage, wilfully or knowingly, without leave, or the wilful absence of a Seaman from his Vessel, at, or for any time, without leave, and in such manner as to shew an intention to abandon his Vessel and not return thereto, shall be deemed desertion.

XXXV. Every person, who shall wilfully harbour or conceal any Seaman or Apprentice, who shall have deserted, knowing or having reason to believe such Seaman or Apprentice to be a Deserter, shall, for every such Seaman or Apprentice so harboured or concealed, be liable to a penalty, not exceeding One Hundred Rupees.

XXXVI. No debt, exceeding in amount Three Rupees, incurred by any Seaman after he shall have engaged to serve under this Act, shall be recoverable until the service agreed for shall be ended; nor shall any keeper of a public house, or of a lodging house for Seamen be entitled to detain any chest, tools, or other property of any Seaman, for any debt alleged to have been contracted by him; and in case of such detention of the chest, tools, or other property of a Seaman, any Justice of the Peace or Magistrate at or near the place,

upon complaint upon oath to be made by such Seaman, or by any person on his behalf, may enquire into the matter upon oath in a summary way; and, by warrant under his hand and seal, may cause such property to be seized and delivered over to such Seaman; and the person so detaining the same shall be liable to a penalty, not exceeding One Hundred Rupees.

XXXVII. Any Justice of the Peace or Magistrate, within the territories subject to the East India Company, upon complaint made by any three or more of the Crew of any such Vessel, shall survey and examine, or cause to be surveyed and examined, the provisions, water, and medicines, put or supplied on board of the Vessel for the use and consumption of the Crew; and, if on such survey and examination, it shall be found that such provisions, water, or medicines, are of a bad quality or unfit for use, or not such as should be provided, or there shall not appear to be a sufficient quantity thereof, the Surveying Officer shall signify the same, in writing, to the Master of the Vessel; and, if such Master shall not thereupon provide other fit provisions, water or medicines, instead of any which may be signified by the said Surveying Officer to be of a bad quality or unfit, or if any such Master shall not thereupon procure the needful quantity of provisions, water and medicines, or shall issue to the Crew any provisions, water, or medicines, which shall have been signified by the Surveying Officer to be of a bad quality, or unfit, he shall, in each of such cases, be liable to a penalty, not exceeding Five Hundred Rupees.

XXXVIII. A place of shelter shall be provided below a well caulked and substantial deck, for the men engaged under this Act, large enough to allow four superficial feet for every man; and if the place allotted be under the Top-gallant Forecastle, such Forecastle deck shall be not less than four feet six inches above the one below it; and in default thereof every man who is unprovided with such adequate shelter shall be entitled to have an increase of his wages, at the rate of Four Annas daily, while he is so unprovided, which shall be recoverable as his other wages are.

XXXIX. All penalties, directed by this Act, may be imposed on summary conviction before a Magistrate or Justice of the Peace, and may be recovered, with costs, as if they were imposed by a Magistrate under Act II. 1839.

XL. All claims for wages or forfeitures due and incurred under the agreements entered into under this Act, may be heard and determined by any Justice of the Peace or Magistrate; and the amount, with costs, awarded by such Justice or Magistrate, shall be recovered from the party against whom the award is made, in the same manner as fines levied under the provisions of Act II. of 1839.

XLI. Every person having the charge or command of any Vessel sailing under this Act shall be deemed to be the Master of such Vessel, within the meaning of this Act, and every other person (Apprentices excepted) who shall be employed or engaged to serve in any capacity on board, except as Surgeon, shall be deemed to be a Seaman, within the meaning of this Act; and the term "Owner" shall be deemed to comprehend all the several persons, if more than one, to whom the Vessel belongs, and the term "Agent" shall be deemed to comprehend all the several persons, if more than one, who are Agents of the "Owner."

Loan Regulations.

1. Loans repayable within 12 months are granted to Officers, Civil or Military, who can arrange for the regular payment of their stipulated monthly instalments at Madras, on the security of two approved sureties.

2. Loans requiring two years for repayment are granted to the same classes, and under the same condition, with three sureties, and loans requiring three years with four sureties.

3. In the two last cases, where it may not be convenient to give more than two sureties, the loan must be further protected by a life insurance; but on application to that effect through the sureties, they consenting to the same, the Committee will be prepared to allow the discontinuance of the policy on a loan of the two year class, after the expiration of the first year, and on a loan of the three year class after two years have expired. But where the borrower is on Foreign or Field Service, the loan must always be covered by a life insurance.

4. The Mortgage of real property in the Hill Stations and larger Military Cantonments will, if insured against fire when the Committee see fit, be taken in place of life assurance, provided that the property be officially registered in the Station books as belonging to the Bank, and that the amount advanced thereon be regulated by previous official report as to its true value, and never exceed two-thirds of such valuation.

5. In all cases of insurance, unless the debtor himself desire that the policy should be maintained at its original amount, it is reduced half-yearly according to the gradual liquidation of the debt.

6. Regimental loans, repayable in five years, are granted to Corps to facilitate the establishment and maintenance of Messes, Bands, Libraries, and for other Regimental purposes.

7. Loans are granted on the Security of Government Paper, and of Calcutta, Madras and Bombay Bank Stock, where the parties borrowing will give the Agency a power to sell the notes or shares forming such security, if, on one month's notice of intention to close the account, the Loan shall not then be repaid in full.

8. Interest on loans is charged from the date on which the amount is placed as a floating balance at the disposal of the borrowers, according to notice given, and is allowed, at the same rate, upon all remittances from the date of their realization.

9. Constituents of the Service when writing to the Agency are requested to add their rank, or official designation, to obviate the delay of reference.

10. All accounts with the Agency are brought up periodically to the 30th of June and 31st December, and interest thereon is credited or debited to those dates half-yearly.

11. Parties already indebted to the Bank cannot have a second loan, so as to have two accounts with different sureties and different terms of payment open at the same time, but the balance due on the former account must be deducted from the new loan.

12. When a debtor dies, the balance, after discharging his own debt in full of any Policy of assurance upon his life, will, at the discretion of the Directors, be detained as security for the payment of the balance of any account for which he may be responsible as a surety.

13. Where parties may find difficulty in effecting their remittances to Madras, Drafts on Agra, Calcutta or Bombay will be received in repayment of loans at the exchange of the day.

14. It is a condition of every loan that the party borrowing shall be subject to the general rules of the Bank, in respect of such transactions.

15. The Committee give a preference to applications for loans repayable within a short date.

16. Shareholders have no advantage over other parties, but must give similar securities in every respect.

17. The Bank renders accounts once in the half-year when called for.

18. No letters bearing postage will be received by the Agency, except from Paymasters, Deputy Paymasters, or other public authorities, or from places where no postage can be levied. At the close of each half-year, and in closing each loan account, a charge of 8 Annas for incidental expenses is made.

N. B.—In cases of Regimental Loans the Bank strongly recommends Insurances on the lives of the three Senior Officers for the amount of their respective shares, but it is optional with them to adopt the arrangement.

Rules.

Financial Department, Fort St. George, April 4, 1834.

The Right Honorable the Governor in Council directs that the following Rules of a Savings' Bank, established in Madras under the guarantee and responsibility of Government, be published for general information.

1st. The Bank to be denominated "the Government Savings' Bank."

2d. All classes, British and Native, may invest their savings in the Government Savings' Bank:

3d. The return of the exact sum deposited, together with the interest due thereon at the undermentioned rate, is secured to the Depositor under guarantee of the Government.

4th. The general direction and control of the Bank shall be vested in a Committee of Management, to be nominated by the Governor in Council. The Committee shall meet at such stated periods as may be necessary for the due and efficient control of the proceedings of the Bank.

5th. The Government Agents are charged with the immediate superintendence and execution of all details connected with the Bank. They will be also ex-officio Members of the Committee of Management. The Sub-Treasurer, as one of the Government Agents, will be ex-officio Secretary to the Bank.

6th. A Register of Deposits will be kept, and generally such other accounts as may be determined on and approved of by the Managing Committee.

7th. Any sum not less than one Rupee will be received in deposit.

8th. Whenever any sum deposited by one individual shall amount to 500 Company's Rupees, the same will be transferred from the Bank deposit in the General Treasury, and subscribed on account of the Depositor to the five per cent. Bengal Government Loan of the 31st March 1841, until further notice, unless an intimation of its withdrawal, or the withdrawal of a portion of it, be given by the Depositor within one month after it has reached that amount; and all Government Securities shall be handed over to the Government Agency at the expiration of 3 months (subject to all the Rules which obtain in that Department) unless counter instructions be immediately received from the Proprietors.

9th. Interest at 4 per cent. per annum will be allowed on deposits until further notice.

10th. The interest will be calculated on a deposit from the 1st day of the month succeeding that in which it shall be received, and up to the last day of the month preceding that in which it shall be withdrawn. No interest will be

allowed for broken periods of a month, nor calculated on fractional parts of a Rupee.

11th. The Government reserves to itself the power of lowering or raising the rate of interest, such alteration not to affect deposits above 500 Company's Rupees previously invested in Public Securities, and due notice to be given in the Fort St. George Gazette of the intention of Government six months before the alteration shall take effect.

12th. All deposits will be regularly entered in a book at the time they are made, and the Depositor of the deposit made at the Presidency will be furnished with a small book having a duplicate of the entry. This book is to be brought to the Bank whenever any sum is deposited or withdrawn. The account thus kept will be closed on the 30th April of every year, and the balance of interest due at that period will be paid to the Depositor, or carried to account, thenceforward to accumulate at compound yearly interest, until it shall amount to 500 Company's Rupees, when the same will be transferred from the account of the Bank, and subscribed on account of the Depositor to the Bengal Government five per cent. Loan, as per Rule VIII., unless notice of withdrawal be given within one month as above, or unless the rate of interest be altered as provided for in Rule XI.

13th. *No person or persons to deposit money for the benefit of any other person or persons, except Parents on behalf of, and on account of their Children being minors. If such deposits are made in the Children's names, they cannot be withdrawn without an authority from the Children,—no trust will be allowed to appear on any deposit. Provided however, that this Rule shall not be construed to prohibit Individuals resident out of Madras, or females, who according to the manners and customs of the country do not usually make their appearance in public, from making their deposits in their own names, by the hands of other persons as Agents on their behalf.*

14th. No sum deposited to be transferable, excepting on the personal application of the depositor, supported by written sanction. When peculiar circumstances render a deviation from this Rule necessary, the case shall be submitted to the Committee of Management for their sanction.

15th. No person will be allowed to deposit any money without making known his or her name, together with his or her profession, business, occupation, calling, and residence. A duplicate of this description will be entered in each Depositor's book, to be produced whenever any sum is afterwards deposited or withdrawn.

16th. Depositors will be at liberty at any time to withdraw any sums or portions of sums deposited by them, receiving interest calculated up to the end of the month preceding that in which the withdrawal is made.

17th. As a general rule, deposits, with the interest due thereon, will be repaid to the Depositors personally in all practicable cases. In the cases of individuals unable to attend in person, the Secretary will exercise his discretion in regard to repayments of deposits to responsible persons duly authorized by such absentees to receive the same.

18th. Military Officers and Soldiers, European and Native, will be allowed to invest their savings in the Government Savings' Bank, through the Paymasters of Corps or Divisions; and Officers and Servants of the Civil Establishments, European and Native, through the Residents, Collectors, and other Officers in charge of Public Treasuries, or who are competent to sign Pay Abstracts of Civil Establishments; and Residents, Collectors, Paymasters, and other Officers in charge of Public Treasuries, are hereby authorized to receive Subscription to the Bank, or to deduct monthly from their Abstracts such sums as the parties within their circle of payment may be desirous of depositing, not being less than one rupee, nor more than 500 Company's rupees.

of deposits by parties subscribing through Residents, Collectors, Paymasters, and other Officers in charge of Public Treasuries, will be carried into effect under instructions which will be furnished to them by the Accountant General.*

20th. In case of the death of a Depositor, the sum at his credit will be paid to his or her Executors or Assigns; or in case of no will, according to the law on this head, or the Regulations of the Service if the deceased be Military.

21st. In case of any difference between the Secretary of the Bank and any Depositor, it shall be referred for the decision of the Committee of Management.

22d. A general statement of the Funds of the Bank shall be annually made out to the 30th April after the 1st May. The same to be submitted for the information of Government, and published in the Fort St. George Gazette.

GOVERNMENT LOANS.

NEW 5 PER CENT. TRANSFER REMITTABLE LOAN.

Not payable before 22d April 1854. Opened 13th October 1834. Notes to be dated 31st December 1834.

GOVERNMENT ARRANGEMENTS REGARDING 6 PER CENT. REMITTABLE PAPER.

Fort William, Financial Department, 13th October 1834.

1. Notice is hereby given, that the Sub-Treasurers of Fort William, Fort St. George, and Bombay, are severally authorized to receive from and after the 15th of this month, any of the Six per Cent. Promissory Notes of this Government bearing date the 30th June 1822, that may be tendered for transfer into a new Loan to be opened under the conditions hereinafter stated, and to grant in exchange thereof Certificates or Acknowledgments, entitling the Proprietors, or their Representatives, to receive Promissory Notes of the Supreme Government in the form and manner specified below.

2. A Bonus or Premium of 5 per Cent. will be granted on all transfers made under this Advertisement: that is to say, for every Note surrendered for transfer, a new Note will be issued for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Note so issued in exchange will bear interest at the rate of 5 per cent. per annum from the 31st December next ensuing, which will be its date. The interest will be paid half-yearly, on the 30th of June and 31st of December of each year, in the manner hereinafter provided.

3. Transfers into this Loan will be received until the 15th of February next, and not after that date; and the Proprietors of Notes that may be surrendered for transfer shall receive interest thereon up to 31st December next, at the rate of 6 per Cent. in the same manner as if the Notes had not been surrendered, and with a like privilege to Proprietors resident in Europe to receive the said interest in cash, or by bills at one year's date, and at the exchange of 2s. 1d. for the Sicca Rupee. From and after the said 31st December next, interest will be paid as may be stipulated in the new Notes to be given in exchange, and all demand on account of the Note surrendered shall cease.

4. The Notes of the 6 per Cent. Loan of the 30th June 1822 that were advertised for payment on the 9th May last, viz. No. 1 to 887, will be received for transfer in like manner with those now or hereafter advertised, and whether tendered before or after the 31st December next, the calculation and adjustment of interest shall be the same; that is to say, at the rate of 6 per Cent. on the principal sum of the Note to the 31st December next, and from that date at Five per Cent. on the principal sum of the new Note given in exchange, as will be stipulated therein.

5. Promissory Notes of the new Five per Cent. Transfer Loan opened by this Advertisement, will be registered and numbered in the order of the applications made for Promissory Notes in exchange for the Sub-Treasurer's Certificates: that is to say, in the order in which the Notice thereof may be received in the Office of the Accountant General at Calcutta. The accounts of this Loan will be closed on the 15th February next; and whenever it shall be paid off as provided below, if the whole Loan be not at once advertised for payment, but only part thereof, the numbers selected for first payment shall be those last on the register.

6. For the convenience of Proprietors of Notes of the 5 per Cent. Transfer Loan who may be resident in Europe, the Honorable the Court of Directors have made arrangements, whereof they have given public notice in England, to provide that Notes of this Loan shall, at the option of such Proprietors, be registered in the Auditor's Office at the East India House in London, so as to all of their being sold in England without previous reference, and the employer of Agents to effect the transfer in India. When Notes may be so registered

the India House the interest payable thereon will be issued in England only at the periods when the Bills for the same would become due, supposing the interest payable in India by the terms of the Notes to have been taken in Bills.

7. It is hereby declared and stipulated, that no part of the Transfer 5 per Cent. Loan opened by this Advertisement, shall be paid off before the 22d April 1854; and whenever it shall be redeemed, a previous notice of fifteen months shall be given by public Advertisement, the period of which shall expire on some date subsequent to that above stated, and not prior thereto. When payment shall be made of the whole or of any part of the Notes of this Loan, it shall be at the option of Proprietors to receive the principal sums due on their Notes respectively, either in cash at the General Treasury at Calcutta, or in Bills to be drawn in India on the Honorable the Court of Directors of the East India Company, payable at 12 months date, and at an exchange of 2s. 1d. for the Sicca Rupee, the Court of Directors having the option when the Bills shall fall due, of postponing payment thereof for one, two or three years, paying interest at the rate of 5 per cent. per annum for the period of such postponement. The notice of payment duly advertised as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that date.

8. The interest of the Promissory Notes of the 5 per cent. Transfer Loan will be paid in cash to Proprietors resident in India; but Proprietors resident in Europe may take the interest at their option in Cash, or in Bills of one year's date to be drawn on the Honorable Court of Directors, at the exchange of 2s. 1d. (Two Shillings one Penny), for the Sicca Rupee.

9. Proprietors residing within the Presidencies of Fort St. George and Bombay, shall be entitled to receive interest at the exchange of one hundred and six and a half Madras and Bombay Rupees for one hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively; but before the interest of any Note shall become payable at either of those Presidencies, notice shall be given to the Accountant General of the Bengal Presidency, and the Notes shall be brought or transmitted to that Officer, that the order for such payment may be inscribed on the face of the Note, after which the interest shall be payable only at the Treasury mentioned in the order; but if it be desired to change the Treasury of payment, application may be made to the Accountant General of the Presidency where it may be payable, and the order may by him be cancelled.

10. The Accountant General of Bengal may, on the application of Proprietors, and for their convenience, make the Interest on Notes of this Loan payable at any other Treasuries of issue under this Presidency by a similar order: but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

11. Notes of this Loan may be consolidated and divided in the usual manner; but if consolidated, they shall be so on the highest number.

12. The Certificates to be granted by the Sub-Treasurers of Bengal, Madras and Bombay, upon surrender of Notes of the 6 per cent. Loan of the 30th June 1822 for transfer into the 5 per cent. Transfer Loan, shall be in the following form:

By an Order in the Financial Department of 17th June 1835, an option is given to holders of 6 per Cent. Paper, and of 5 per Cent. Transfer Notes, to transfer on the same conditions as the above into a Book Debt Loan: the following is the Order.

FORT WILLIAM; Financial Department, 17th June 1835.

Notice is hereby given, that the Honorable the Court of Directors having, in an Advertisement, dated East India House, the 17th of September 1834, notified to Proprietors of Bengal six per Cent. Remittable Paper, resident in Europe, who had made known, or might make known, before the 1st of December following, at the Auditor's office, in the India House, their wish to transfer their Notes of that Loan into the New five per Cent. Transfer Loan, under the conditions specified in the Court's Advertisement of the 14th May 1834, that the pro-

erty in the new Loan would be held in the form of Stock, instead of Promissory Notes; that Stock Receipts would be granted in Bengal to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred; and that the new stock would be transferable at the place of registry, in books to be kept for that purpose in London and in India;—in pursuance of that notification and the orders of the Honorable Court, the Sub-Treasurer at Fort William is authorized to receive any of the six per cent. Promissory Notes of this Government, bearing date the 30th June 1822, that may be tendered for transfer into the New five per cent. Loan, in fulfilment of the intention of the Proprietors signified at the India House, under the advertisement of the 17th September last, and to grant Stock Receipts to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred.

2. A Bonus or premium of 5 per cent. will be granted on all transfers made under this Advertisement; that is to say, for every Note surrendered for transfer, a Stock Receipt will be granted for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Stock Receipt will bear interest at the rate of five per cent. per annum, payable, if the Proprietors are resident in India, in cash at the place of registry, and if resident in Europe, at their option, either in Cash in India, or by Bills on the Court at 12 months' date, at 2s. 1d. the Sicca Rupee.

3. The transfers under this Advertisement will take effect only at the period when the Notes to be transferred shall fall to be discharged, according to the Notices published from the Financial Department under the dates respectively of the 9th May and 13th October 1834.

4. The property of the New Loan here advertised is to be transferable only in books to be kept in Bengal, at Madras, at Bombay, and in London, and not by endorsement of Stock Receipts, on the face of which it is to be declared that they are not transferable. Proprietors of Stock Receipts will be entitled to the option of transferring from the books of Bengal to those of either Madras, Bombay, or London. Having availed themselves of that option, the property cannot again be registered in Bengal, or at either of the other places, unless upon transfer effected at the place at which they may have chosen to register it.

5. After transfer has been made to London, the interest payable on the Stock so transferred will be issued in England, at the same periods as when the bills would have become due, had the remittance of interest been previously received by bills under the option allowed in the second article of the present Notice.

6. It is hereby declared and stipulated, that no part of the Transfer Five per Cent. Loan opened by this Advertisement shall be paid off before the 22d of April 1854, and whenever it shall be redeemed, a previous Notice of fifteen months shall be given by public Advertisement, which notice may be issued at any time after the 21st January 1853. Payment shall then be made, at the option of the Creditors, either in Cash in India, or by Bills upon the Court at twelve months' date, and at 2s. 1d. the Sicca Rupee; with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing interest at Five per Cent. per annum for the period of postponement. The Notice of payment duly advertised, as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that day.

7. Proprietors who shall transfer to the Books of Madras and Bombay, will be entitled to receive interest at the exchange of One Hundred and Six and a half Madras or Bombay Rupees, for One Hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively.

8. The Accountant General of the Supreme Government may, on the application of Proprietors of Stock registered in the Books of Bengal, and for their convenience, make the Interest of such Stock payable at any other Treasuries of Issue under the Bengal or Agra Presidencies; but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

9. Stock of the Five per Cent. Transfer Loan opened by this Advertisement may be consolidated and divided, at the pleasure of the Proprietors, in the Books in which it is registered.

10. Proprietors of Six per Cent. Remittable Paper who may transfer into the Five per Cent. Loan now advertised, shall not be subjected on this operation to the fees prescribed in the Regulations for the Government Agency.

11. Proprietors of the Five per Cent. Transfer Notes issued under the Advertisement of this Department, bearing date 13th of October last, or their authorized Agents, will be permitted to transfer their property into the Book Debt Loan. For this purpose a period of four months will be allowed to the holders of Five per Cent. Promissory Notes, or their Agents, and it is hereby notified, that during the same period fresh Transfers will be allowed to the Book Debt by holders of Six per Cent. Remittable Paper.

12. Forms of Stock Receipts will be published in a future notice.

Published by order of the Honorable the Governor General of India in Council.

In respect to Six per Cent. Notes, it will be optional with the Proprietors to confirm the transfer, or to receive payment according to the notices published from this Department, bearing date respectively the 9th of May and the 13th of October 1834, provided however, that no notice disallowing a transfer will be accepted as valid after fifteen months from this date. 8. Proprietors of Notes who may require the Interest to be paid at the General Treasury of Fort St. George, shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present their Notes to him to have an order for the payment of Interest at the said Treasury written on the face of them, under the signature of the said Officer, or that of the Deputy Accountant General. And after such order shall, on the application of the Proprietor, be inscribed on any Note, the Interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note with an application, for the purpose of transferring the payment to Bengal, to the Accountant General of Fort St. George, who, on such application being so made, will cancel the said order by a writing inscribed as aforesaid, under the signature of himself or his Deputy. A similar course will be followed, mutatis mutandis, in the case of Proprietors of Notes who may desire to have the Interest thereof paid at the General Treasury of Bombay.

9. The Proprietors of Acknowledgments, who may desire to have the interest of the Promissory Notes to be issued in exchange thereof, to be made immediately payable at Madras or Bombay, must express their desire to that effect on the face of the Acknowledgments before transmitting them to the Accountant General at Fort William, who will make the interest payable accordingly in the manner and subject to the conditions above stated.

10. The Promissory Notes of this Loan shall not be renewed or subdivided except by the Accountant General. But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established fees, transmit them to the Accountant General in Bengal, for the purpose of being renewed, or subdivided, free of all further ex-

penze. In other respects the practice and rules heretofore in use in regard to the renewal and subdivision of Promissory Notes will be adhered to.

11. The said Notes shall be advertised for payment in the inverse order in which they shall have been placed upon the General Register—that is to say, the Notes last brought on the Register shall be first liable to be discharged. But all Notes advertised at the same time for payment shall become payable on demand, without regard to priority, at the expiration of the notice. Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices, and to discharge the Notes so subsequently advertised at the expiration of the notice relating to them, notwithstanding the holders of Notes comprized in prior advertisements may have omitted by themselves, or their Attorneys duly authorized, to apply for payment.

8th. Proprietors of Notes who may require the Interest to be paid at the General Treasury of Fort St. George shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present the Notes to him to have an order for the payment of interest at the said Treasury written on the face of them, under the signature of the said Officer or that of the Deputy Accountant General. And after such order shall, on the application of the Proprietor, be inscribed on any Note the interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note with an application for the purpose of transferring the payment to Bengal, to the Accountant General at Fort St. George, who, on such application being so made, will cancel the said order by writing inscribed as aforesaid, under the signature of himself or his Deputy; a similar course will be followed, mutatis mutandis, in the case of Proprietors of Notes who may desire to have the interest thereof paid at the General Treasury of Bombay.

9th. The Proprietors of Acknowledgments who may desire to have the interest of the Promissory Notes to be issued in exchange thereof, to be made immediately payable at Madras or Bombay, must express their desire to that effect on the face of the Acknowledgment, before transmitting them to the Accountant General at Fort William, who will make the interest payable accordingly, in the manner and subject to the conditions above stated.

But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established fees, transmit them to the Accountant General in Bengal for the purpose of being renewed, or subdivided, free of all further expense. In other respects the practice and rules heretofore in use in regard to the renewal and subdivision of Promissory Notes will be adhered to.

Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices, and to discharge the Notes so subsequently advertised at the expiration of the notice relating to them; notwithstanding the Holders of Notes comprised in prior Advertisements may have omitted by themselves, or their Attorneys duly authorised, to apply for payment.

Persons having more Notes than one in deposit may give separate instructions regarding each Note, but the whole amount of each Note must be disposed of in the same manner and at the same time.

6. If any Loan be opened by the Government into which the Paper deposited may be receivable, the Officers abovementioned are authorized to subscribe the Paper so deposited to such Loan, upon receiving the instructions of the Proprietor for that purpose, although the Notes may not be in course of payment: instructions for this purpose must be made out according to the Form No. 10.

They are also authorized, on receiving proper instructions from the Proprietor, to reinvest the proceeds of Paper so sold in the purchase of other Paper. Any fees which may have become due according to the rates hereinafter prescribed upon the Paper required to be endorsed are to be paid before the endorsement is made, or in case of the sale of the Paper the fees shall be deducted from the amount proceeds before it is paid over. The Power of Attorney to endorse or to sell Government Securities must be made out according to the Form No. 14, the direction to endorse according to the Form No. 15, and the direction to sell and dispose of the proceeds according to the Forms Nos. 16 and 17. The Proprietor may at any time withdraw the Government Securities or Bank Share Certificates deposited, or any part of them, from the charge of the abovementioned Officers, and such Securities or Certificates will be delivered up to the Proprietor himself, or to any other person whom he may authorize to receive them, upon payment of such fees as may have become due to the Government Agent or to the Accountant General and Sub-Treasurer according to the rates hereafter specified upon the Paper so required to be delivered up. The authority to receive deposited Paper must be made out according to the Form No. 20.

11. In each of these cases on which the Officers abovementioned are authorized to invest money in the Public Securities or in the purchase of Bank Shares, it is to be understood that they will invest as nearly as possible the whole amount, but that they are in no case and upon no account to exceed it. Such fractional sums as may remain in their hands above the amount invested will be payable on demand at the General Treasury to the order of the Proprietor. Such order is to be made out according to the Form No. 21.

12. The full postage must be paid on all letters directed to the Officers abovementioned, and the full postage on all letters from them will be charged to the persons to whom they are addressed. All letters addressed to them are to be superscribed in the following manner:—

15. Such Fees or Commission as may have become due on any of the abovementioned transactions from any person depositing Paper will be deducted by the Government Agent at Fort William, or the Accountants General and Sub-Treasurers at Fort St. George and Bombay, from the first interest or dividend received by him or them from any Paper in deposit belonging to such person, but if these Officers shall in any instance omit to deduct their Fees or Commission from the interest or dividend coming first to their hands, they shall not be at liberty to make the deduction at any future period.

16. Government reserves to itself the liberty of withdrawing the authority hereby granted to the Government Agent at Fort William and to the Accountants General and the Sub-Treasurers at Fort St. George and Bombay, upon giving two years' notice of their intention so to do in the *Calcutta Gazette*, and at the expiration of such notice those Officers will cease to act in the concerns of individuals, but any Paper which may have been deposited with them will remain for safe custody at the General Treasuries until claimed by the Proprietor.

COMMERCIAL TABLES.

TABLES OF MONEY, WEIGHTS AND MEASURES.

MONEY.

12 pice, or pies, make 1 anna,
16 annas „ 1 rupee,
3½ rupees exchange in account for 1 pagoda.

A lac of Rupees is 100,000 : a crore of Rupees 100 lacs, or 10 millions.

Accounts were formerly kept in Madras in Star Pagodas, Fanams, and Cash, viz.

80 Cash to 1 Fanam ;

42, 44 or 45 Fanams, 1 Star Pagoda.

Government, the Banks, and all the Houses of Agency kept their accounts at 42 Fanams the Star Pagoda : the Shops and Bazars at 44 or 45.

The Star Pagoda exchanged in the Bazar for about 45 Fanams, but it fluctuated according to circumstances.

The coins in circulation were the Star Pagoda, the Arcot Rupee—3½=1 Star Pagoda ;—(it exchanged in the Bazar for 12 Fanams 60 Cash ;) the double and single Fanam, and the Doodie, 8 of which =1 Fanam.

There was also a copper coin sent out from Europe of 20, 10, 5, and 1 Cash value, the latter being worth 8,75ths, or about the 9th part, of a farthing.

The Currency was altered in January 1818, by a Proclamation which constituted the Silver Rupee the standard coin. To this the public accounts were all converted at an exchange of 350 Rupees per 100 Pagodas ; and the new Silver coinage was made to consist of Rupees, Half and Quarter Rupees, Double and Single Annas, the Rupee containing 165 grains of pure silver and 15 grains of alloy, and weighing 160 grains, and the other Coins bearing the due proportion to the same.

The Act of the Legislative Council of India (passed in 1835) assimilating the currency over the Country, changed the design, but left the new coinage of a precisely similar value to that of Madras according to the above Regulation.

WEIGHTS AND MEASURES.

The Weights and Measures given in the two following Tables were directed by Proclamation, dated Fort St. George, October 16, 1846, to be used exclusively in the Public Departments throughout the Madras Presidency, and all the Public Accounts are now kept therein.

LAND MEASURE.

Land is usually measured with Gunter's chain of 100 Links, or with a rod of 10 feet, and reduced to Cawnies, Grounds and Square feet, agreeably to the following table :

60 feet long and 40 feet broad, make 1 ground or maunie, containing 2,400 square feet.

24 Grounds, or Maunies, make one Cawnie, equal to 57,600 square feet.

The Indian Cawnie is in proportion to the English Acre as 1 to 1,3223, or as 121 is to 160.

To reduce Indian Cawnies to English Acres, multiply the given number of Cawnies by 160, and divide the product by 121, the quotient will give the number of Acres, and the remainder be the fractional part of an acre. Or multiply the Cawnies by 1,3223, and the product, (cutting off 4 places to the right hand) will be the same, and the figures so cut off are the decimal part of an Acre.

CLOTH MEASURE.

The Covid in Cloth Measure is 18 Inches, but the English yard of 36 Inches is generally used.

BOAT AND CATTAMARAN REGULATIONS, &c.

Rules and Regulations subsidiary to Act No. IV. of 1842, "for the better management of Boats and Cattamarans in the Madras Roads, and for the amendment of certain Harbour Regulations," and to the Rule, Ordinance and Regulation commonly called the Marine Police.

[The above mentioned Act is given in the MADRAS ALMANAC for 1843, page 390.—COMPILER.]

1. It is hereby notified that beneath the Master Attendant's Office on the Beach, is an Office where Boats and Cattamarans can be procured, and where Registers of all Licensed Boats, Cattamarans, and their respective Owners, and Crews, are kept, and are open to public inspection, and in which copies of the Act No. IV. of 1842, for the better management of the Boats and Cattamarans, and for the amendment of certain Harbour Regulations, are suspended.

2. If a Boat or Cattamaran is required for any extraordinary service to a

Ship or Vessel, either at anchor or under way beyond the limits of the Port, then the amount of hire which may be demanded may be referred to the Master, Attendant or his Deputy for adjustment.—N.B.—For the purposes of the foregoing Rule, a Ship at anchor in, or beyond 10 fathoms, and a Ship at any distance under sail beyond that depth of soundings in any line of bearing from the Master Attendant's Flag Staff, shall be considered as without the limits of this Port.

3. In cases of great emergency, by night or by day, the Owners of Boats and Cattamarans kept for the purpose of being let out on hire, shall aid and assist the Master Attendant and his Deputy by every means in their power, and shall induce the Boat men and Cattamaran men to perform the service required, and when great personal risk shall have been incurred, or arduous services performed, and those on whose account such duties are undertaken refuse to remunerate the Crew for the same, the Master Attendant will bring the merits of the case to the notice of Government.

4. The Boat and Cattamaran men are not to be employed on board any Ship or Vessel in these Roads: any wilful breach of this Regulation will be considered desertion and neglect of duty, and will render the persons offending liable to the punishments provided for such desertion and neglect by Section 15 of Act No. IV. of 1842.

5. All Owners of Boats and Cattamarans, and all other persons, either belonging to any Ship or Vessel in the Madras Roads, or to the Boats and Cattamarans to be let on hire, are cautioned against the transhipment of any goods or passengers or ballast without first obtaining a permit from the Collector of Sea Customs or his Deputy, any person or persons found guilty of any such transhipment being liable to the penalties provided in Section 23 of the Marine Police Regulations.

6. All Owners of Boats and Cattamarans must make known to their respective Crews the full intent and purport of the several port signals, which, as occasion may require, will be displayed at the Master Attendant's Flag staff, especially the recall signal for all Boats and Cattamarans, which is a white pendant with a red ball; and when this signal is hoisted, all Boats and Cattamarans must immediately repair to the Shore.

7. The Crews of Boats and Cattamarans kept for the purpose of being let on hire shall not be changed or transferred from one Boat or Cattamaran to another, without the sanction of the Master Attendant.

8. The Accommodation Boats shall be kept in the same good order as heretofore, and are always to be provided each with an awning, and with seats and cushions, and in case they shall not, in the judgment of the Master Attendant, be kept in proper order, the Owners shall be deprived of their Licenses until the same shall be put in proper order for the reception of Passengers.

9. All Owners of Boats and Cattamarans are to make known to their respective Crews, that the Officer or Peon in charge of the Police or Revenue Boat, is authorized and empowered by Section XIX. of Act No. IV. of 1842, to stop, search, and detain any Boat and Cattamaran plying to and from the Ships and Vessels in the Roads, and that all Boat men and Cattamaran men who may impede or obstruct any Police Officers in the execution of his or their duty, will render themselves amenable to the penalties provided for in Section XIX. of the above recited Act.

10. Should any difference or dispute arise between the Owner or Owners of Boats and Cattamarans let on hire, and any person or persons hiring the same, as to the amount of hire for services performed, the party or parties may refer the case for adjustment to the Master Attendant or his Deputy, in which case each party shall sign a paper agreeing to abide by the decision of the said Master Attendant or his Deputy, and such paper shall be retained in the Office of the said Master Attendant.

THE HUGH LINDSAY.

MADRAS, MARINE BOARD OFFICE, 18th February 1850.

The following are the Regulations under which private passage and freight are assigned in the Honorable Company's Steamer "Hugh Lindsay," in super-session of all those previously promulgated.

1. All applications for passage or freight are to be made to the Master Attendant, to whom the charges are to be paid in advance, and who on such payment will grant an order for the reception of the passengers or goods, as the case may be, four clear days before the intimated departure of the Steamer. At out-ports application is to be made to the Commander, who is instructed to receive as many passengers and as much freight as there may be space for, on payment in advance of the stipulated charges.

2. All applicants will be registered on payment of one half the charges in advance, and will be thereby entitled to cabins according to priority of registry; and should it occur that there are a greater number of registered applicants than accommodation available, the earnest will of course be returned to all those who cannot be received from this cause.

3. No second class cabins being available, Warrant Officers, Clerks or others, and their families proceeding as deck passengers and messing with the Engineers or Warrant Officers, will be required to pay

The charges will be according to the appended scale payable in advance; and in the event of a passenger embarking for a port to which the Steamer is not bound direct, such period as may be occupied in the prosecution of the voyage from and back to the point of embarkation will be charged at the rate laid down for lay-days.

5. Cabin and quarter deck passengers will be each entitled to take 5 cwt. of baggage, and one servant free of charge, except for diet, which will be at the rate of

12 Annas per diem for an European.
6 Annas " Native.

All servants in excess of one to each passenger, will be charged as deck passengers according to the scale of private passage.

6. Deck passengers will be permitted to take one box measuring five cubic feet, and one bed not exceeding two feet six inches in breadth, which must be rolled up during the day.

Each servant will be allowed to take the same quantity of baggage as a deck passenger.

7. All baggage in excess of the amount mentioned in the two preceding articles, must be paid for at the regulated freight.

9. The space available for stowage being limited, no bulky articles will be received on board; and it is particularly requested that the address may be written so as not to be easily effaced. Parties shipping freight are requested to make arrangements for its being landed immediately on the vessel's reaching her destination. If not applied for during the first twelve hours at out-ports or twen-

The Company's Steamers start from Calcutta on the 8th, and Sandheads on the 10th of every month, and arrive at Madras about the 13th, except in May, June and July, when they start on the 3d from Calcutta and on the 5th from the Sandheads and arrive at Madras about the 9th. From Calcutta they call at Madras, Ceylon and Aden, at which last place, they receive the passengers and Mails (brought

so far by the H. E. I. Company's Steamers) from Bombay. From Aden they proceed to Suez. On landing at Suez, generally about the 7th of the month, passengers are conveyed through Egypt by the Transit Administration of His Highness the Pasha of Egypt, and on arriving at Alexandria, embark on board the Company's Steamer for England, which conveys them to Southampton, calling at Malta and Gibraltar. There is now no quarantine upon this line of Steamers, and Passengers are allowed to land at once at Southampton. The Steamers from Bombay meet this line of Steamers at Ceylon, and convey Passengers for Penang, Singapore and Hong Kong.

The rates to Malta and Southampton include the expense of Transit through Egypt, and in all cases they include fees, a handsome table, wines and beer, and use of cabin furniture, bedding and linen, with the exception of hotel expenses. Additional charge will be made for extra accommodation.

General Rules and Conditions relative to the Conveyance of Passengers.

BAGGAGE.—1st Class passengers are allowed, on the Company's Steamers only on either side of the Isthmus, 3 cwt. of personal baggage, free of freight, and Children and Servants 1½ cwt. each. A passenger paying for a whole cabin, will be entitled to take in the Steamers free of freight, one half more baggage than the regulated allowance.

EXTRA BAGGAGE.—The charge for conveyance of extra baggage, should there be room in the vessel, is at the rate of £2 per cwt. between India and Suez, and 1£ per cwt. between England, and Malta, or Alexandria.

Passengers to England will have to pay the Egyptian Transit Administration in Egypt 16s. per cwt. for conveyance of baggage through, should it exceed for 1st Class passengers 2 cwt. each, and Children and Servants 1 cwt. each. For the convenience of stowage, and facility of carriage through Egypt, passengers are strongly recommended to adopt trunks or portmanteaus of the following dimensions, viz.—length 2 feet 3 inches; breadth 1 foot 2 inches; depth 1 foot 2 inches; and to have their names, and the port of debarkation, distinctly painted on each package. No package or baggage should exceed 80lbs. weight, otherwise it may be delayed in Egypt. Passengers taking articles of merchandise in their baggage will incur the risk of seizure by the Customs' authorities in Egypt.

The Company do not hold themselves responsible for detention, damage, or loss of baggage.

The rates of passage include bedding, linen, and the use of Cabin furniture and fittings, provisions, wines, and all other usual necessities and refreshments, which are provided at the Company's expense, together with the attendance of experienced male and female servants.

The cost of the Transit through Egypt is also included in the rates of passage money, and will be defrayed by the Company, with the exception of wines, spirits or hotel expenses—and conveyance of extra baggage.

NOTICE TO PASSENGERS RESPECTING THE CONVEYANCE OF PARCELS.—As the allowance of baggage is on a liberal scale, and the freight on parcels moderate, it is hoped that passengers will not convey in their baggage parcels or packages belonging to other persons, to the prejudice of the Company's interests. Passengers taking parcels in their baggage will incur the risk of seizure by the Customs' authorities, and of detention for freight by the Company's Agents.

All parties concerned are requested to take notice, that the Company will not hold themselves liable for any damage, or loss of luggage, baggage, or passengers' goods or parcels, nor for detention or delay, in the delivery thereof, arising from accident or from extraordinary or unavoidable circumstances; or from circumstances arising out of or connected with the employment of the Vessels in Her Majesty's Mail service.

Notice is hereby given, that on and after the 1st day of January 1844, a Light will be exhibited on the new Light House erected at Madras immediately to the Northward of the Walls of Fort St. George; and that on and after the said 1st day of January 1844, the Light heretofore and now exhibited on the Old Light House within the Walls of Fort St. George, will be discontinued. The New Light (to be exhibited) will be elevated 128 feet above the mean level of the Sea, and may be seen from the Deck of a Ship at the distance of 20 miles. The Light is of the "Flashing Description" and the duration of the Flashes to that of the Eclipses or Dark periods is in the ratio of 2 to 3,—but as the nature of the Motion is Reciprocating instead of Rotatory, the above ratio merely expresses the average proportion of the Light and Dark intervals, which are themselves variable according to the position of the spectator. The rapidity of movement is so adjusted, that the duration of the Flashes will vary from 0" to 48", and that of the Eclipses from 0" to 72" the sums of the duration of Light and Darkness bearing however, in every position, the constant ratio of 2 to 3. From the South Eastern extremity of the Pulicat Shoal the New Light House bears S. 23° W., and is distant 13 miles; but no Ship or Vessel when hauling in from the Northward for the Madras Roadstead should bring the Light to bear to the Southward of S. 28° W., or S. S. W. ½ W.,—unless her position is well ascertained. Commanders of Vessels are hereby warned of the serious risk they incur by incautiously approaching the dangerous vicinity of the Pulicat Shoal, as hazy weather or other causes may obscure the Light,—true soundings therefore and a vigilant look out are imperatively called for. The limits of the Madras Roadstead (in 3 or 9 fathoms) are comprised within the following bearings, viz. from the Northward the Light House will bear S. 56° W., and from the Southward N. 81° W. or from S. W. b. W. to W. ¾ N.

The New Light House at Madras is in Latitude 13° 5' 10" North, and in Longitude 80° 20' East of Greenwich.

Correspondence with Members of the Honorable Court.

*Extract from a Letter from the Honorable the Court of Directors;
Public Department, November 8, 1837.*

Para. 1. Instances having occurred of Letters, addressed by parties in India to the individual members of our Court, being transmitted to this country by the Mediterranean Mails, under the impression that such letters are exempt from the duty of postage, it is necessary that we should apprise you, that the privilege of receiving letters so addressed free of postage, does not attach to letters sent from the East Indies by packet, *via* Mediterranean; and we direct that you forthwith take the necessary measures for giving public notice thereof throughout your Presidency.

2. You will, however, clearly understand, that the privilege of franking enjoyed by individual Directors, and other public functionaries, so far as respects the Indian duties of postage, continues in full force.

GENERAL POST OFFICE; FORT ST. GEORGE, 9th March 1839.

It is further notified, that the practice of forwarding letters under cover to individual Members of the Honorable Court should be discontinued, as under the authority of the Lords Commissioners of Her Majesty's Treasury, the Chairman, Deputy Chairman, Secretary and Assistant Secretary only to the East India Company, have the personal privilege of receiving letters free of postage from the East Indies by packet *via* Mediterranean, but the privilege does not extend to any other Director or Officer of the Company.

FORT ST. GEORGE; GENERAL POST OFFICE, 1st June 1840.

Notice is hereby given, that arrangements have been made to despatch the Mails positively at 8 o'clock P. M. daily, from this date, as enjoined in Section XXV of the Rules for the management of the Post Office Department, passed by the Governor General of India in Council on the 20th August 1837, but the receipt of several Letters from some of the Public Departments at the Presidency, at a very late hour in the evening, being calculated to impede or frustrate the design, the Post Master General requests, that all Public Letters may be delivered daily into the General Post Office before 6 P. M., and begs to intimate, that Letters put into the General Post Office after that hour, unless in case of great emergency, the same being communicated by an Official Memorandum from the Head of the Department to the Post Master General, will be detained at the Office for transmission by the following day's Mail.

FORT ST. GEORGE; GENERAL POST OFFICE, 4th June 1840.

Para. 1. Under instructions from the Honorable the Court of Directors, communicated through Government, it is hereby notified, for general information, that all Letters and Newspapers for the United Kingdom, except Soldiers' and Sailors' Letters, and except those specifically marked "via Falmouth," will be forwarded through France. Soldiers' and Sailors' Letters, certified by their Commanding Officers, will be forwarded by way of Falmouth, whether so directed or not, as if sent through France they become liable to a heavy rate of postage; and Letters and Newspapers specially marked "via Falmouth" will be forwarded as indicated by such mark.

* Read Southampton, that being now the port of arrival and departure of the direct Overland Mails.—CORRECTOR.

patch, dated 7th November, No. 28 of 1838, both cited in the margin, the Honorable the President in Council, under the powers reserved to the Government of India by Section XXIX of Act XVII of 1837, directs that letters despatched from or addressed to any of Her Majesty's Officers serving in India, when transmitted to or franked by the General Commanding in Chief in England, or his Military Secretary, shall be conveyed throughout India free of Indian postage, also letters to the Assistant Military Secretary and Chief Clerk of the General Commanding in Chief's Office, from the same persons superscribed "On H. M.'s Service," and letters franked by those Officers similarly certified.

By the Falmouth route, Letters of half an ounce in weight are subject to single postage only, which has been reduced to one shilling, or 8 annas. Newspapers if sent via Falmouth are free of postage, but if transmitted by the way of Marseilles, they are charged 2J.

3. Newspapers or Gazettes sent by the Public Officers to the Authorities in England should be left open at the ends, in order that they may not be charged as Letters.

4. All printed publications which may be sent to the Authorities in England should be transmitted as enclosures to the Letters from Government.

THE OVERLAND MAILS.

POST OFFICE NOTIFICATION.

FORT ST. GEORGE; GENERAL POST OFFICE, 20th November 1846.

1. The arrangements for the conveyance of the Mails direct between Madras, Suez, and other Ports being now in operation, the scale of British Steam Postage and British Packet Postage chargeable on letters is as follows, viz.

On every letter not exceeding $\frac{1}{2}$ an ounce weight..... 2 As. or one Shilling.
On do. above $\frac{1}{2}$ and not exceeding 1 ounce..... 1 Rupee or two do.
On do. above 1 oz. and not exceeding 2 ounces..... 2 Rs. or four do.
On do. above 2 oz. and not exceeding 3 ounces..... 3 Rs. or six do.
and so on increasing one Rupee or two Shillings for every additional ounce weight, or any fraction thereof.

2. British weights not being in general use in this country, the following Coins of the Hon'ble Company's currency are recommended as the best substitutes.

In lieu of $\frac{1}{2}$ an ounce, one Rupee and one Copper Pie.

In lieu of 1 ounce, two Rupees and two Pice.

3. Letters weighing half an ounce are reckoned as single; and such as weigh one ounce are double.

4. Letters for places on the Continent of Europe; letters directed to any place to which Great Britain does not necessarily form a channel of communication; and letters forwarded via Marseilles, Malta or Alexandria, are subject to Red Sea (Steam) Postage. All such letters must, as heretofore, be prepaid in India, but if endorsed via "Southampton" they may be forwarded "bearing," and if directed to an Agent in England they may be prepaid.

5. No Steam Postage on letters for the United States, nor to British Colonies in America or the West Indies, can be prepaid in India, whether sent by way of Marseilles or via Southampton, unless they are addressed to Agents in Great Britain.

6. The same rule applies equally to letters despatched through Marseilles for places in England, Scotland, Ireland, Wales, and all the British Islands.

7. Letters for places in the United Kingdom, superscribed to the care of any person in Egypt, must be prepaid: at the rate of the regulated Red Sea postage.

8. No Steam Postage is chargeable in India on Newspapers received from and despatched to England, or from one British Indian Port to another. Inland Postage, however, to and from Bombay or Stations in the interior, must be paid.

9. Pamphlets are charged Steam Postage with reference to letter weight: thus a Parcel containing one or more Pamphlets is liable to be charged just as letters are, according to weight.

10. The optional prepayment of Steamer Postage applies to letters sent by the Southampton route to places within the United Kingdom and vice versa, and between British Indian Ports.*

11. All letters posted or received at the General Post Office for transmission to Europe by the Overland Mails, whether direct or via Bombay, will be sent by way of Marseilles unless they are superscribed via "Southampton."

12. The Inland (Indian) Postage is quite distinct from Steam Postage: Inland Postage must be paid in advance by the sender at the Posting Office, on letters forwarded from Out-Stations to Madras or Bombay, or from either one Presidency to the other for transmission by the Steamers.

The word "Paid" therefore should be written only on letters the Steam Postage for which senders intend to Pre-Pay.

13. British Packet Postage will be levied on all Price Currents and Newspapers conveyed between any port of the Madras Presidency and any port in the East Indies, China, &c. by the Contract Steamers from Madras.

14. British Packet Postage will be levied in addition to any Inland Postage at the following rates, viz.:

S. D. Rs. A. P.

On every Newspaper addressed to a Foreign Port, such as Manila, Canton, &c.....	0	1	0	0	3
On every Price Current or Printed Commercial List, conveyed to a British Port.....	0	1	0	0	3
On the same addressed to a Foreign Port.....	0	2	0	1	4

15. Letters and Pamphlets addressed to a Foreign country or possession, such as China, Manila, &c., must be paid in advance.

16. The postage chargeable on Newspapers and Prices Current or Printed Commercial Lists must in all cases be paid in advance.

17. Each Newspaper, or Price Current, or Commercial List, must be put under a separate cover. The Post Office will not receive two or more enclosed in one cover.

18. No letter exceeding 12 tolas (a fraction under 5 ounces) in weight can be transmitted per Letter Mail, but if forwarded by Government Banghy Post or otherwise to Bombay or Madras it may thence be despatched by the Steamer.

19. Letters and Papers from Out-Stations intended for despatch by the Overland Mail from Madras should be superscribed "Per Steamer via Southampton," or else "Per Steamer via Marseilles." In order to avoid mistakes the name of the country, as well as the name of the town therein, should be marked on the superscription.

* Letters may be sent bearing only to places with which there is direct communication by packets: all others must be pre-paid. See P. M. G.'s Notification, dated 5th August 1847.
—COMPILER.

20. Letters posted in Madras for despatch by the Bombay route should be marked "via Bombay."

21. According to the rules of Steam postage the single letter is a letter of half an ounce weight; but the Inland postage is reckoned by the tola weight: the quarter tola continues to be weight of a single letter for Inland postage to Bombay.

22. An extra charge of 8 annas for every half tola weight is made on letters sent by the Overland Express from Madras to Bombay. No letter weighing more than one tola weight can be forwarded by the Express. Thus for instance a Prepaid Steamer letter of one tola weight posted in Madras for transmission via Bombay would be charged with postage amounting to Rs. 2 2 a. 0 p. viz.

Ordinary Inland postage.....	0	10	0
Express do. do.	1	0	0
Steam do. do.	0	8	0

Total Rs. 2 2 0

23. In closing Overland letters *sealers* ought always to be used, instead of sealing wax.

24. On the day of closing the Mail for Suez for transmission by the P. and O. Company's Steamers letters will cease to be received at the Receiving Houses at Vepery, Royapettah, Mount Road and Black Town, two hours before the time indicated at the Fort Flag Staff for closing the Mails at the General Post Office; and the Public are recommended, if possible, to post their letters at the General Post Office on that day.

25. Much inconvenience having been experienced by applicants who crowd the Office within the latest hour fixed for receiving letters, it is particularly requested that the letters be put in early to prevent disappointment.

26. No Packet or Package will be received at the General and Subordinate Post Offices for transmission by the contract Steamers.

27. Letters from the interior should be despatched, so as to arrive at Madras a day previous to the date mentioned in the Advertisement as the expected time of arrival of the Steamers in these roads.

28. No letter or newspaper will be received at the General Post Office (excepting Government despatches) after the hour indicated at the Fort Flag Staff for closing the Mails.

MARS MORPHEIT, Deputy Post Master General.

† affixed to any name denotes that there is no Post Office at that Station: letters to it must therefore be sent to the nearest Post Office, which is mentioned under parenthesis.

The average time occupied in the travelling of the Dawk, Banghy, and Express Mails from Madras to the several Post Office Stations throughout India might have been approximately shewn in the Schedule, but as great disparity in the rate of running occurs from causes beyond the control of Runners—such as the state of the weather, rivers, nullahs, the accidents incident to night travelling, and the detention of Mails at a Post Office at a point of junction, or where several Mails from different roads meet together to start at a given hour—it was considered preferable to omit it, rather than embody the same inaccurately in a Schedule that may be relied on as correct in all other particulars, for the information which it affords for the guidance of the Post Office Department and the Public.

PALANKEEN BEARERS' REGULATIONS.

Fort St. George, March 3, 1846.

The following revised Rules for the employment of Palankeen Bearers, to have effect from the 15th Instant, are published for general information.

Regulations for Palankeen Bearers employed at Madras and its vicinity.

Para. 1. Palankeen Bearers of all descriptions (9) nine in a set to be paid, exclusive of the Palankeen, at the rate of (3½) three Annas and half each per day, or Rupees (6) six for a month, allowing the Head Bearer seven (7.)

2. The daily hire of Palankeen Bearers is (3½) three Annas and half each. If employed for four hours or a shorter period, they are only entitled to half hire, but if above four hours, then they are entitled to full hire—their employment in any other manner must be by agreement between them and the party requiring their services.

3. Palankeens duly numbered are stationed at the places specified in Table A, and all persons, hiring a Palankeen and Bearers, will be enabled to ascertain the particular Palankeen and Bearers he may employ, and in the event of any loss of property or misconduct on the part of the Bearers, the number of the Palankeen should be immediately reported, with the matter of complaint, to the Post Master General or his Deputy, or to either of the Police Offices.

4. A set of Bearers, required to go beyond the precincts of Madras or Saint Thomas' Mount, Palaveram, Poonamallee, Red Hills, and Ennore, or any place not exceeding 12 miles, if supplied by the Public Authorities, shall consist of (10) ten, but if required for a greater distance of (12) twelve.

5. Bearers, hired to go beyond the precincts of Madras, to be paid according to the distance, calculating the rate of hire at (3½) three Annas and half each, for every 10 English miles.

6. If a person, going beyond the precincts of Madras, remains at a place, he must, for the first day, pay each Bearer (1) one Anna batta. If he remains more than one day, he must pay each Bearer (3½) three Annas and a half per day.

Regulations for Posted Bearers.

7. Travellers within the frontier will be furnished with Dawk Bearers, on application to the Post Master General, or his Deputy at the Presidency, between the hours of 10 A. M. and 5 P. M., or at all hours on emergency; and at out stations to the Collector or Assistant Collector, Post Master or other Authority, duly notified in the Fort Saint George Gazette, stating the places at which they will halt, and the number of hours they will remain at each place. The Officer addressed will receive the deposit mentioned in para. 8, order the Bearers to be posted through the different Authorities, and inform the Applicant in the event of any difficulty being experienced in laying his Dawk. In some places 10 days notice will be requisite. Officers laying the Dawk will furnish the Traveller with a list of places where the Bearers are posted in his district, and the same rule will be observed by each Authority on his entering his range.

8. To protect Government from loss on account of demurrage, and to provide Bearers for the convenience of the Travellers, the application for a Dawk, in the case of Travellers not belonging to the ~~Military Services~~ Civil Military Services, shall be accompanied by ~~a deposit~~ a deposit, equal to 1 Anna per mile for the whole distance the Dawk is to be laid, or the security of a House of Agency for the payment of the requisite deposit, when called upon, will answer the purpose; but an assurance in writing, from those connected with the Presidency or United Service of being answerable on demand for

any extra charge that may be incurred, will, at the discretion of the Post Master General or any local Authority, be considered as equivalent to cash deposit,—otherwise it will not be attended to, and the Public Authorities are prohibited from issuing instructions to post Bearers until the deposit or a reference to payment has been made. *The deposit will be* ~~Of this amount (1) one Anna per mile will be deducted on account of the Bearer Fund, and the remaining (5) five Annas paid to the order of the Traveller, should no charges of batta be incurred by him.~~

9. When the Traveller proceeds by Dawk, beyond the Frontier, he will be required to pay as a deposit, to cover any additional expenses, (1) one Rupee for every 2 miles.

10. Each Traveller is henceforth required to pay the Bearers the regulated hire, personally, on his arrival at the stage, according to the Memorandum which may be furnished to the set, by the Collector, Post Master, Superintendent of Police, or other Officer on whom the duty of posting Bearers may devolve; but all demands on account of demurrage shall first be submitted to the Post Master General for adjustment.

11. At the conclusion of the Dawk, the Traveller is requested to counter-sign each of the lists of stages furnished to him, and return the same, post not paid, to the Authorities respectively who issued them, from the nearest Post Office, for official record, noting upon them any cause of complaint, which will be attended to. If the document is to be returned to or at Madras, it should be sent to the Post Master General. The Post Masters in the interior will be authorized to remit the postage charged on these documents.

12. If Bearers are detained on the road, they are to receive (1) one Anna each for the first day, and (3½) three and half Annas for each succeeding day, from the party for whom they are posted, whether they are used or not, and after remaining 3 full days they will be discharged and without further instructions return to their homes, unless notice is given for their further retention, and the party ordering them will be charged with batta for the same, and in addition to half hire for going out and returning both inclusive. Bearers carrying an empty Palankeen shall be entitled to (1) one Anna and (6) six Pice per mile, for the distance they convey the same, in addition to travelling hire to which they may be entitled under these Rules.

13. All applications on the subject of posting Bearers (except when made on service by one Public Officer to another) shall be post paid, and superscribed "Bearer Service," in order that no delay may occur in their being opened by the proper Authority. If this rule is infringed, the Traveller will be held responsible for any charge that may be incurred consequent thereon.

14. A set of Dawk Bearers will comprise fourteen men, viz. twelve Palankeen Bearers, one Masaljee, and a Cowry Cooly, for which the charge shall be at the rate of (5) five Annas per set, except in the Provinces, for every mile they carry a loaded Palankeen, exclusive of the charge for torch and oil, and this charge shall be the same, whether a Cowry Cooly be employed or not. As Cowry Coolies are not to be procured in some places 2 Coolies will be employed, and a charge made for the second at the rate of 4 P. 28½ cent. per mile. The charge for torch and oil, at the rate of (8) eight Annas for 20 miles, should be paid by the Traveller on his arrival at each stage. No gratuity is to be awarded to the Bearers by the Traveller.

* With reference to this para. the following Notification was published by the Post Master General on the 17th July 1846.—COMPILES.

"With reference to para. 8 of the revised Regulations for Posted Bearers, it is hereby notified, that the existing practice of paying the Bearer Fund from Officers in Government employ after arrival at the place of lay or station, has been attended with inconvenience, trouble and unnecessary correspondence; to save which, the aggregate amount of Bearer Fund will henceforth be levied in advance for the whole distance the Dawk is laid, as far as lies within the Madras Territories, by the Authorities by whom the Dawk is laid.

C. P. BROWN, Post Master General."

15. The rate of hire to be paid to the Bearers in the Provinces will be fixed by the local Authorities. When Bearers are brought from a distance, the Traveller will only be required to pay the regular hire and travelling hire, and no Bearer Fund charged for that portion of the distance.

16. Sets of Bearers shall receive (3) three Pice each Bearer for every mile they travel to their post, which allowance is called travelling hire, except for such part of the road as they travel over again with the loaded Palankeen, for which part they shall not be entitled to travelling hire, unless the distance which they travel to their post exceeds 40 miles, in which case they shall be entitled to travelling hire for the whole distance, notwithstanding they return over a part or the whole of it with a loaded Palankeen.

17. When a Dawk has been ordered and circumstances may render it expedient for the Traveller to postpone his journey or to abandon it altogether, he will, in the event of the salaried Bearers having been refused on his account to another Applicant, be liable to the whole charge of (8) eight Annas per mile, in like manner as though he had employed them; but in the event of no other application having been preferred for these Bearers, he will not be liable to any forfeit.

18. In case a set of Bearers, which has been posted for any Traveller and has received hire to such post, may be subsequently required for any other Traveller, such person shall pay the set the established rate for every mile they carry him, and if the set be detained, he will be liable to the charge for detention, specified in para. 12.

19. When a set of Bearers is posted or a Dawk laid for a Traveller, either by the Post Master General or the Authorities in the interior, no other Traveller shall employ them, without the authority or knowledge of the Officer who posted the set or laid the Dawk; but should any individual so act in violation of the orders of Government, he will be liable, in addition to the regulated hire of the Bearers used, to all and every extra charge incurred by the Traveller for whom the set was originally posted or Dawk laid.

20. In order to facilitate the keeping of accounts, all fractional portions of a mile will be struck out. If the fractional part exceed the half, the Bearers will enjoy the benefit of a full mile—if less than the half they will not be entitled to any hire for the same.

21. All charges of hire shall be made agreeably to the Table of distances and routes in the Madras Road Book.

22. The load for a Cowry Cooly shall not exceed 50 lbs. weight, divided, as nearly as possible, into two equal portions of 25 lbs. each.

23. It is to be understood, that although Government have directed its Public Servants to lay Dawk Bearers for the convenience of the Public, and will cause due pains to be taken to ensure regularity and a punctual attendance to all requisitions, yet that neither Government nor any of its Officers are to be held responsible to the Traveller, for any unavoidable disappointment he may meet with on his journey, or for the expenses consequent thereon.

24. In cases of surcharge, or a charge being made which to the parties complaining appears irregular, it will be the duty of the Post Master General at Madras to investigate the matter with a view to afford redress. The decision by the Post Master General at the Presidency, in all references relative to Dawk Bearers, to be considered final, except in instances when the Bearers are posted by him or the Deputy Post Master General, in which case the party considering himself aggrieved will be permitted to appeal to Government.

25. It is to be understood, that nothing in the foregoing Rules is intended to interfere with Travellers applying to private individuals to post their Bearers, should they prefer making their own arrangements, without the intervention of the Public Authorities, but that no Public Officer will attend to a requisition, until the required deposit, indicated in para 8, is made, or a reference for payment is obtained.

**ARTICLES RECEIVED TOO LATE FOR INSERTION
IN THEIR PROPER PLACES.**

ACT No. XXXVII. of 1850.—*Passed on the 1st November 1850.*

For regulating Enquiries into the behaviour of public Servants.

Whereas it is expedient to amend the law for regulating inquiries into the behaviour of public servants not removable without the sanction of Government, and to make the same uniform throughout the territories under the Government of the East India Company, It is enacted as follows:

I. The following Acts VI. 1833, XXVI. 1839, and XIII. 1843, are repealed, but not so as to revive any Act or Regulation, or part of any Act or Regulation, thereby repealed.

II. Whenever the Government shall be of opinion that there are good grounds for making a formal and public inquiry into the truth of any imputation or misbehaviour by any person in the service of the East India Company not removable from his Office without the sanction of the same Government, it shall cause the substance of the imputations to be drawn into distinct Articles of Charge, and shall order a formal and public inquiry to be made into the truth thereof.

III. The inquiry may be committed either to the Court, Board or other authority to which the person accused is subordinate, or to any other person or persons, to be specially appointed by the Government, Commissioners for the purpose: notice of which commission shall be given to the person accused ten days at least before the beginning of the inquiry.

IV. When the Government shall think fit to conduct the prosecution, it shall nominate some person to conduct the same on its behalf.

V. When the charge shall be brought by an accuser, the Government shall require the accusation to be reduced to writing, and verified by the oath or solemn affirmation of the accuser, and every person who shall wilfully and maliciously make any false accusation under this Act, upon such oath or affirmation, shall be liable to the penalties of perjury: but this enactment shall not be construed to prevent the Government from instituting any inquiry which it shall think fit, without such accusation on oath or solemn affirmation as aforesaid.

VI. Where the imputations shall have been made by an accuser, and the Government shall think fit to leave to him the conduct of the prosecution, the Government before appointing the Commission shall require him to furnish reasonable security that he will attend and prosecute the charge thoroughly and effectually, and also will be forthcoming to answer any counter-charge or action which may be afterwards brought against him for malicious prosecution or perjury or subornation of perjury, as the case may be.

VII. At any subsequent stage of the proceedings, the Government may, if it think fit, abandon the prosecution, and in such case may, if it think fit, on the application of the accuser, allow him to continue the prosecution, if he is desirous of so doing, on his furnishing such security as is hereinbefore mentioned.

VIII. The Commissioners shall have the same power of punishing contempts and obstructions to their proceedings, as is given to Civil and Criminal Courts by Act XXX. 1841, and shall have the same powers for the summons of witnesses, and for compelling the production of documents, and for the discharge of their duty under the Commission, and shall be entitled to the same protection as the Zillah and City Judges, except that all process to cause the attendance of witnesses, or other compulsory process, shall be served through and executed by the Zillah or City Judge in whose jurisdiction the witness or other person resides, on whom the process is to be served, and if he resides within Calcutta, Madras or Bombay, then through the Supreme Court of Judicature there. When the Commission has been issued to a Court, or other person or persons having power to issue such process in the exercise of their ordinary authority, they may also use all such power for the purposes of the Commission.

ARTICLES RECEIVED TOO LATE FOR INSERTION, &c. 499

IX. All persons disobeying any lawful process issued as aforesaid for the purposes of the commission shall be liable to the same penalties, as if the same had issued originally from the Court or other authority through whom it is executed.

X. A copy of the Articles of Charge, and list of the documents and witnesses by which each charge is to be sustained shall be delivered to the person accused, at least three days before the beginning of the inquiry, exclusive of the day of delivery, and the first day of the inquiry.

XI. At the beginning of the inquiry, the prosecutor shall exhibit the Articles of Charge to the Commissioners, which shall be openly read, and the person accused shall thereupon be required to plead 'guilty' or 'not guilty' to each of them, which pleas shall be forthwith recorded with the Articles of Charge. If the person accused refuses, or without reasonable cause neglects to appear to answer the charge either personally or by his Counsel or Agent, he shall be taken to admit the truth of the Articles of Charge.

XII. The prosecutor shall then be entitled to address the Commissioners in explanation of the Articles of Charge, and of the evidence by which they are to be proved: his address shall not be recorded.

XIII. The oral and documentary evidence for the prosecution shall then be exhibited: the witnesses shall be examined by or on behalf of the prosecutor, and may be cross-examined by or on behalf of the person accused. The prosecutor shall be entitled to re-examine the witnesses on any points on which they have been cross-examined, but not on any new matter, without leave of the Commissioners, who also may put such questions as they think fit.

XIV. If it shall appear necessary before the close of the case for the prosecution, the Commissioners may in their discretion allow the prosecutor to exhibit evidence not included in the list given to the person accused, or may themselves call for new evidence, and in such case the person accused shall be entitled to have, if he demand it, an adjournment of the proceedings for three clear days, before the exhibition of such new evidence, exclusive of the day of adjournment and of the day to which the proceedings are adjourned.

XV. When the case for the prosecution is closed, the person accused shall be required to make his defence, orally or in writing, as he shall prefer. If made orally, it shall not be recorded; if made in writing, it shall be recorded, after being openly read, and in that case a copy shall be given at the same time to the prosecutor.

XVI. The evidence for the defence shall then be exhibited, and the witnesses examined, who shall be liable to cross-examination and re-examination and to examination by the Commissioners according to the like rules as the witnesses for the prosecution.

XVII. All witnesses, either for the prosecution or defence, shall be examined on oath, or, if exempt from taking an oath in Courts of Justice, on solemn affirmation, to be administered in either case by one of the Commissioners, and every witness so examined and wilfully giving false evidence on any material point shall be deemed guilty of and liable to the penalties of perjury. When the prosecution is not conducted on behalf of Government, the prosecutor may himself give evidence for the prosecution and may be examined for the defence.

XVIII. The Commissioners or some person appointed by them shall take notes in English of all the oral evidence, which shall be read aloud to each witness by whom the same was given, and if necessary explained to him in the language in which it was given, and shall be recorded with the proceedings.

XIX. If the person accused makes only an oral defence, and exhibits no evidence, the enquiry shall end with his defence; if he records a written defence, or exhibits evidence, the prosecutor shall be entitled to a general oral reply on the whole case, and may also exhibit evidence to contradict any evidence exhibited for the defence, in which case the person accused shall not be entitled to any adjournment of the proceedings, although such new evidence were not included in the list furnished to him;

XX. When the Commissioners shall be of opinion that the Articles of Charge, or any of them, are not drawn with sufficient clearness and precision, the Commissioners may, in their discretion, require the same to be amended, and may thereupon, on the application of the person accused, adjourn the inquiry for a reasonable time. The Commissioners may also, if they think fit, adjourn the inquiry from time to time, on the application of either the prosecutor or the person accused, on the ground of the sickness or unavoidable absence of any witness or other reasonable cause. When such application is made and refused, the Commissioners shall record the application, and their reasons for refusing to comply with it.

XXI. After the close of the inquiry, the Commissioners shall forthwith report to Government their proceedings under the Commission, and shall send with the record thereof their opinion upon each of the Articles of Charge separately, with such observations as they think fit on the whole case.

XXII. The Government, on consideration of the report of the Commissioners, may order them to take further evidence, or give further explanation of their opinions. It may also order additional Articles of Charge to be framed, in which case the inquiry into the truth of such additional Articles shall be made in the same manner as is herein directed with respect to the original charges. When Special Commissioners have been appointed, the Government may also, if it thinks fit, refer the report of the Commissioners to the Court or other authority to which the person accused is subordinate, for their opinion on the case; and will finally pass such orders thereon as appear just and consistent with its powers in such cases.

XXIII. The word 'Government' as used in this Act means the Governor General in Council, the Governor or Deputy Governor of the Presidency of Fort William in Bengal, the Governor in Council of the Presidencies of Fort St. George and Bombay, respectively, and the Lieutenant Governor of the North-Western Provinces of Bengal, whose sanction is necessary for the removal of the person accused.

XXIV. Nothing in this Act shall be construed to repeal any Act or Regulation in force for the suspension or dismissal of Principal and other Sudder Ameens or of Deputy Magistrates or Deputy Collectors, but a Commission may be issued for the trial of any charge against any of the said Officers, under this Act, in any case in which the Government shall think it expedient.

XXV. Nothing in this Act shall be construed to affect the authority of Government, for suspending or removing any public servant for any cause without an inquiry under this Act.

ACT No. XXXVIII. of 1850.—Passed on the 1st November 1850.

An Act to allow Counsel to all persons on the trial of Offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the Territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and reasonable that the like privilege be given to all persons on the trial of offences against the law, It is enacted as follows:

I. In all Courts and before all Magistrates, or persons exercising any of the powers of a Magistrate, under the authority of the East India Company, every person on trial for the commission of any offence shall be admitted to defend himself either personally or by his authorized agent, and, after the close of the case for the prosecution, to make full answer and defence thereto either personally or by his authorized agent.

II. The said Courts, Magistrates and persons, subject to such rules as shall be from time to time made for their guidance by the Nizamut or Fouzdaree Adawlut, may allow any prosecution to be conducted by an authorized agent.

III. In those Courts in which any person now has by law the right of employing whomsoever he can employ as Counsel or Pleader, nothing in this Act shall be deemed to restrict that right: in all other cases those persons only shall be deemed authorized agents within the meaning of this Act who are either Advocates of one of the Supreme Courts of Justice established by Royal Charter, or authorized Pleaders of the Civil Courts of the East India Company, or, by leave of the Court, Magistrate or other person before whom the prisoner is on trial, any other person who is employed by the prosecutor or prisoner as his agent.

IV. This Act shall not be deemed to dispense with the presence of any prosecutor or person on trial for the commission of any offence, when the presence of such prosecutor or accused person is now by law required.

Revised Loan Rules—Agra and United Service Bank.

[To be substituted for those given in pages 326 and 327.]

1. Loans re-payable within twelve months are granted to Officers, Civil or Military, who can arrange for the regular payment of their stipulated monthly instalments at Agra, on the security of two approved sureties.

2. Under the same condition, and to the same classes, Loans requiring two years for re-payment are granted with three sureties; and loans requiring three years with four sureties.

3. Where it may not be convenient to give more than two sureties, the loan must be further protected by a life insurance; but, on application to that effect through the sureties, they consenting to the same, the Directors will be prepared to allow the discontinuance of the policy on a loan of the two year class, after the expiration of the first year, and on a loan of the three year class after two years have expired. But where the borrower is on Foreign and Field Service, the loan must always be covered by a life insurance.

4. Applications for loans from Subalterns must only be for such sums as can be repaid by monthly instalments within the prescribed period, whether two or three years, and each application must be accompanied with a declaration that the applicant is not indebted elsewhere.

5. When a debtor dies, the balance (after discharging his own debt in full) of any policy of assurance upon his life will, at the discretion of the Directors, be detained as security for the re-payment of the balance of any account for which he may be responsible as a surety.

6. Where parties may find difficulty in effecting their remittances to Agra, drafts on Calcutta or elsewhere will be received in re-payment of loans, at the exchange of the day.

7. The Mortgage of real property in the Hill stations and larger Military cantonments, if insured against fire, is occasionally taken in place of life assurance, provided that the property be officially registered (with power to sell) in the Station Books as belonging to the Bank, and that the amount advanced thereon be regulated by previous official report as to its convertible value at the time.

8. In all cases of Insurance taken out by or through the Bank, it is reduced half-yearly according to the gradual liquidation of the claims against the debtor.

9. Regimental loans are granted to Corps to facilitate the establishment and maintenance of Messes, Bands, Libraries, and other Regimental purposes.

10. Loans are granted on the security of Government Paper, on the Stock of the Calcutta, Madras, Bombay, and Mofussil Banks, and on the shares of other approved Joint Stock concerns, where the parties borrowing give to the Bank a power to sell the notes or shares forming such security, if, on one month's notice to close the account, the loan—which will, in the first instance, be for three months and thereafter renewable for a similar term or terms—shall not then be re-paid in full.

11. Parties desirous of taking advances in Bombay, Madras, or Calcutta, should apply to the Branch Agents of the Bank at those Presidencies respectively.

12. Interest on loans is charged from the date on which the amount, wholly or in part, is placed as a floating balance at the disposal of the borrower, according to notice given, and is allowed, at the same rate, upon all remittances from the date of their realisation.

13. When loans are not liquidated as agreed upon, a penal interest of two per cent per annum additional will be chargeable.

14. It is a condition of every loan that the party borrowing shall be subject to the general rules of the Bank, in respect of such transactions.

15. Constituents of the Service, when writing to the Bank, are requested to add their rank or official designation, to obviate the delay of reference, and with the same view applicants for loans are also requested, in naming their sureties, to furnish a similar detail regarding them.

16. All loan accounts with the Bank are brought up periodically to the 30th of June and 31st of December, and interest thereon is debited or credited to those dates half-yearly.

17. When parties already indebted to the Bank require further accommodation, the balance due on the former account will be deducted from the new loan; as a general rule, two accounts with different sureties and different terms of payment cannot be kept open at the same time.

18. The Directors give a preference to applications for loans re-payable within a short date.

19. The Bank renders accounts, once in the half year, when called for.

20. No letters bearing postage will be received by the Bank, except from Pay Masters, Deputy Pay Masters, or other public authorities, or from places where no postage can be levied. At the close of each half-year, and in closing each loan account, a charge of 8 annas for incidental expenses, is made.
