During this month the wind blows uniformly and steadily from N. E. with occasionally an inclination towards the East about the middle of the day in the shape of sea breeze. In the mornings for the most part heavy dew is deposited, and occasionally fog is experienced, which reaches only to two or three feet above the surface of the ground. The weather is mostly very serene, presenting about twenty days of uninterrupted clearness and five of haze or mist, the remaining days being cloudy, with perhaps a single shower of rain. Lightning is almost unknown in this month.

The hottest time of the day is at 1*h*. 0*m*. P. M.; the coldest at 4*h*. 20*m*. A. M.

The N. E. Monsoon continues with occasional exceptions till the middle of the month, after which calms and S. E. winds as frequently prevail. In the forenoon it is usually calm until about 11 A. M. when a gentle sea breeze sets in, which blows till sun set. During the whole of this month the weather is without exception always beautifully clear and placid, and is generally considered to be the most healthy period of the year; there are no more than one day of haze and one of clouds. Rain or lightning does not occur once in seven years.

The hottest time of the day is at 0*h*. 40*m*. P. M.; the coldest at 5*h*. 0*m*. A. M.

Throughout this month *the South or alongshore* wind with very unequal force prevails: it is accompanied with a *profuse dampness and sultriness*, which renders its effects highly prejudicial to health and *comfort*. On this account the sea breeze which sets in at noon, and blows till sun-set, is less courted than at other seasons: the sky is however beautifully clear for about twenty-seven days, the remaining four being cloudy. Dew less frequently occurs, and is less in quantity than last month. Rain and lightning are little known.

The hottest time of the day is at 0*h*.20*m*. P. M.; the coldest at 5*h*.0*m*. A. M.

The remarks of last month relative to the wind are equally applicable to this. The S. wind, varying from S. E. to S. W., still continues; at times blowing very fresh, but occasionally calms ensue, which are exceedingly oppressive. The weather is clear for about twenty-four days, with four days of flying clouds or haze, and two of clouds, on one of which rain falls. Lightning occurs for two days. Dew is very little in quantity and of unfrequent occurrence.

The hottest time of the day is about noon; the coldest at 4*h*. 30*m*. A. M.

The South wind which is mentioned as peculiar to the two last months, continues till the middle of this month, relieved sometimes by a land wind from the W. or S. W.: in this interval gales of wind of extreme violence have occasionally been experienced, commencing their career generally at the N. W. and veering to every point of the compass. About the 16th the regular land or hot winds set in, which are moderated in their effect towards the end of the month by occasional showers. The sea breeze sets in about noon and blows till 9 or 10 P. M. There are about nineteen days of clear weather, eight of flying clouds and haze, and four cloudy days, on two or three of which there is rain. The dew is almost imperceptible, and lightning with thunder occurs about four times.

The hottest time of the day is at 11*h*. 20*m*. A. M.; the coldest at 4*h*. 20*m*. A. M.

* In this statement the rain which fell during four gales of wind has been omitted. On the 2d May 1811, during the gale which then blew, there fell 3,5 inches; on the 8th, 9th, and 10th May 1820, 17,56 inches; on the 7th, 8th, and 9th May 1827, 23,30 inches, and on 16th May 1841, 3,0 inches.

The regular westerly winds which terminate about the middle of this month are succeeded by winds of a light and variable nature, mostly from the West and South. Calms, haze, and rain occur in about the same proportions as last month, leaving about eight days of clear weather. Lightning unattended by thunder is very frequent, but thus accompanied it occurs only once or twice. The sea breeze assumes much the same character as that experienced last month, commencing at 2 or 3 P. M. and continues till 8 or 10 P. M. Dew is sometimes discovered, but more frequently fails.

The hottest time of the day is at 2*h*. P. M.; the coldest at 3*h*. A. M.

Throughout the month light and variable winds with occasional calms continue, and, with the exception that the weather is not quite so much clouded, the remarks of last month apply with equal propriety to this. Lightning occurs almost every evening, but accompanied by thunder three times only. The sea breeze sets in about 2 or 3 P. M. and blows till 7 or 8 P. M., but occasionally fails for several days together. Dew is common, but small in quantity.

The hottest time of the day is at 2*h*. P. M.; the coldest at 4*h*. 20*m*. A. M.

The clouds now begin to assume a more dense appearance than heretofore. Calms, lightning and rain are very frequent till the 10th, when the N. E. Monsoon, or rainy season, sets in. From this time till the end of the month the atmosphere assumes a very disturbed appearance; extremely heavy rain with storms of wind, thunder and lightning, invariably occur, and gales of wind of a similar nature to those which occur in the earlier part of the year* are sometimes experienced. On these occasions a depression of the barometer of 4 or 5 tenths of an inch is observed.† The sea breeze, or rather a slight modification of the N. E. wind, is perceived towards the middle of the day.

The hottest time of the day is at 1*h.* P. M.; the coldest at 4*h.* 30*m.* A. M.

* See remarks for month of May.

† On 30th October 1836, during the hurricane which then raged, the barometer fell to 28,285 inches.

The N. E. Monsoon continues with unabated force, and the state of the weather generally is much the same as that experienced towards the end of last month, save an increased dampness of the air and a less frequent occurrence of lightning. The number of clear and cloudy days in this, as well as in last month, is liable to great uncertainty.

The remarks relative to the sea breeze of last month apply equally to this.

The hottest time of the day is at 0h. 20m. P. M.; the coldest at 6h. 40m. A. M.

The heavy rains and violent gusts of wind are much moderated at the beginning of the month, and arrive at their close about the 15th. From this time the sky assumes an appearance of tranquillity and clearness which forms a strong contrast with the disturbed state of the preceding month; the N. E. wind, however, continues throughout the month without interruption. There are about thirteen clear days, eleven cloudy, and seven of flying clouds and haze: of these there are six days on which rain falls. The morning exhibits a copious deposition of dew, and sometimes a ground fog which does not reach more than two or three feet above the surface. The sea breeze sets in at 10 A. M., and blows till 4 P. M.

The hottest time of the day is at 0*h*. 50*m*. P. M.; the coldest at 2*h*. 20*m*. A. M.

Under the degree of Latitude of the given place and *opposite* to the day of the month, on the *left hand side*, will be found *the time of the Sun's centre rising*, and on the *right hand side* the time of setting. In consequence of Refraction, which causes the heavenly bodies when in the horizon to appear elevated about 27' above their true places, the *observed* time of the sun *rising* will happen about two minutes *earlier*, and the time of *setting* the same quantity *later* than that which is here given.

CIVIL SERVICE REGULATIONS.

Absentee Allowances,

TO CIVIL SERVANTS WHEN IN EUROPE.

Extracts from a letter from the Honorable the Court of Directors, dated 31st December 1824.

19. "That after an actual residence in India in the Civil Service of ten years or upwards, a Covenanted Civil Servant of the Company, upon either of the Establishments of Bengal, Madras, or Bombay, shall be entitled, whether on account of ill health, or from any other cause, and without reference to his private fortune, to come once to Europe on leave for three years, and to receive for that period from the Company's Cash an allowance of £500 per annum, provided that in no case shall a greater number of Servants come home under this Regulation annually than seventeen from Bengal, nine from Madras, and six from Bombay; nor shall a larger number of Servants who may have come home under this Regulation, be absent in the whole, at one time, than fifty-one from Bengal, twenty-seven from Madras, and eighteen from Bombay; and that the preference shall be given first to Servants producing Medical Certificates upon oath, that a visit to Europe is indispensably necessary for the restoration of health, and then to Servants in their order of seniority according to the rank assigned to them by the Court of Directors in the Gradation list of the Service.

20. "That in cases of Civil Servants compelled by illness, certified upon oath, to come to Europe previous to their completion of an actual residence in the Civil Service of ten years, such Covenanted Servants shall each be presented with the sum of 2,000 Sicca Rupees as Passage Money, and shall be entitled for a period not exceeding three years to an Allowance from the Company's Cash of £250 per annum; but that Servants having received this indulgence shall not in the event of their again coming to Europe, after having completed a residence of ten years or upwards, be entitled to any Allowance under the first Regulation, except their return be again occasioned by illness, to be in like manner certified upon oath, and then only to the difference between what they have before drawn, in the shape of Absentee Allowance, exclusive of Passage money, and that of £500 per annum for three years.

21. "That Servants coming in the first instance to the Cape of Good Hope for the benefit of their health, and being compelled from the same cause to come from thence to Europe without previously returning to India, shall be considered as entitled to the benefit of the foregoing Regulations.

22. "That in all cases, as well in those of Servants coming in the first instance to the Cape, as of those coming direct from India, the said Allowances be considered as commencing from the date of leaving India, and terminating at the expiration of three years from that date, or at the time of arrival in India, whichever may first happen.

23. "That the same be paid quarterly in Europe.

24. "That on no account or plea whatsoever the allowances in question be extended beyond the period of three years; and

25. "That any Servant being in the receipt of Absentee Allowance from a Civil Fund, shall not be entitled to receive during the same period of absence, the Allowances prescribed by these Regulations, beyond such amount as may bring the total of his annual receipts from both sources to the sum hereby limited."

Orders of Government, dated 8th July 1825 and 26th August 1828.

In pursuance of the Honorable Court's instructions, the Governor in Council is prepared to grant the benefit of these Regulations to such Civil Servants as may produce the prescribed Medical Certificate as the cases may arise. Every Civil Servant so applying, must obtain a Certificate in duplicate from the Trus-

tees to the Civil Fund, notifying either that he will receive no allowance from the Fund during his absence in Europe, or, if he is to receive any, the nature and extent of such relief; one copy of which Certificate must be submitted with his application to Government; the other, upon his arrival in London, must be produced before the Auditor of East India Accounts.

Civil Servants desirous to avail themselves of these Regulations, and not producing the prescribed medical certificate, are hereby required to make known their desire to Government on or before the 1st December of each year, when the indulgence will be granted in order of rank to such extent as the foregoing Regulations and circumstances shall permit.

Every Civil Servant proceeding to Europe under these Regulations, whether on sick certificate or otherwise, before receiving his passage order must have applied for and received from the Secretary to Government in the Public Department a certificate specifying the grant of the permission, and whether granted upon sick certificate, or on account of private affairs, also specifying as nearly as possible the date of embarkation for Europe; which Certificate, upon his arrival in London, must be produced before the Auditor of India Accounts.

Order of Government, dated 4th November 1825.

The Governor in Council has been pleased to resolve, that in lieu of the medical certificate upon oath prescribed in Paragraphs 19 and 20 of the Regulations of the Honorable Court of Directors for the grant of Absentee Allowance, circulated to the Civil Service, under date the 8th July last, one of the following forms of medical certificate shall hereafter be adopted, according to the nature of the case; the same to be always signed by the medical officer who has last regularly attended the Invalid, and countersigned by the Superintending Surgeon of the District, or other superior medical authority.

Forms—No. 1.

I do hereby certify that A. B. is in a bad state of health, and that I think it highly advisable for him to return to Europe.

(Signed) C. D.
Surgeon or Assistant Surgeon.

Station and Date.

(Signed) E. F.
Superintending Surgeon.

No. 2.

I do hereby certify that A. B. is in a very bad state of health, and that I think an immediate return to Europe is necessary for his recovery.

Signed and Countersigned as above.

No. 3.

I do hereby certify that A. B. is in an extremely bad state of health, and that I think an immediate return to Europe is absolutely necessary for his recovery.

Signed and Countersigned as above.

Extracts from a letter from the Honorable the Court of Directors in the Public Department, dated 26th April 1826.

3. In your Despatch in this Department dated 6th September 1825, Para. 6 and 7, you have brought to our notice two questions raised in respect of the Regulations framed by us for granting Absentee Allowance to Civil Servants when in Europe.

4. The first of these questions is,—

"Whether it is competent for a Civil Servant who may have completed a "residence of ten years to proceed to England, and there await his turn to the "indulgence of the Honorable Court, having previously notified to Government "his desire to avail himself of the liberality of the Honorable Court upon the "first occasion on which it should be open to him.

5. This question we answer in the negative. In framing the Regulations, it was our object, that whilst each Civil Servant might be enabled once in the course of his service to have the benefit of the Absentee Allowance, the number annually returning to England with that view should be limited, an object which would be defeated if Civil Servants were allowed to come home, and wait their turn in England.

6. The other question is, "Whether the ten years actual residence in India is to be considered to embrace the period passed at Hertford College," to which we reply that such is not the intention. We mean the regulation to be construed in the sense which it expresses, "actual residence in India."

Extracts from a General Letter from the Honorable the Court of Directors in the Public Department, dated the 25th July 1827.

Para. 3. "Previous to the enactment 53d Geo. 3, Cap. 155, it was our practice to forward to you Lists of the relative rank of Writers appointed from time to time to your Establishment. Under the authority of that enactment regulations were framed for the government of our College of Haileybury, one of which provided that the relative rank of Writers should be fixed by the College Council, and specified in the College certificate, subject however to loss of such rank in the event of the Writers' failing to proceed to India within a specified time.. Lists of the rank of Writers under this regulation are now periodically forwarded to you.

4. The offers of the Absentee Allowance are to be made in the order in which Civil Servants have been, or may be classed under the Rules to which we have adverted, to such of the servants as shall have actually resided in India in the Civil Service of your Establishment during a period of not less than ten years, commencing from the date of arrival at Madras.

6. On reference to our letter dated 26th of April 1826, Para. 5, you will perceive that it is not competent for a Civil Servant, having completed a residence of ten years, to come to England, and there wait his turn for the Absentee Allowance. That Allowance is to be granted in each case by the local government under the Regulations which we have prescribed, and no Civil Servant will be permitted to draw Absentee Allowance in England who shall not, previously to his quitting India, have been admitted to that benefit by the Government of the Presidency to which he may belong.

7. So soon as the aggregate number of Civil Servants absent, and who shall have come home upon the Absentee Allowance of £500 per annum, shall amount to twenty-seven, the same indulgence is only to be granted as Servants included in that number may either return, or quit the Service; so that the total number of absentees having left Madras upon the allowance of £500 per annum is never to exceed the limit of twenty-seven, fixed by our orders dated the 30th December 1824.

Extracts from a letter from the Honorable the Court of Directors in the Public Department, dated 5th December 1827.

Letter from——dated 16th October 1826.

Paras. 2 and 6, submit question, whether the regulation which precludes a Civil Servant from simultaneously receiving Absentee Allowance from the Company and from the Civil Fund is to be construed as barring the receipt of any sum from the Civil Fund in aid of the expense of Passage to Europe.

2. The receipt of Absentee Allowance from the Company must bar the receipt of any Allowance in any shape from the Civil Fund.

4. We shall not object to the advance to a Servant coming home under the Absentee Regulations, and not entitled to passage money, of six months' allowance in cases in which you may be satisfied that that indulgence is required to enable the party to provide a passage.

Letter from ——— dated 30th March 1827.

Paras. 71&72.—Court requested to re-consider their decision upon the question of permitting a Civil Servant to come to Europe in anticipation of being admitted to the Absentee Regulations.

5. We adhere to the determination communicated to you in our despatch dated the 26th April 1826, Para. 5. No servant will hereafter receive the Absentee Allowance who shall not have been admitted by the local Government to the benefit of the Regulations previously to leaving India, excepting only such servants as may have been compelled by ill health, to quit India on a voyage to some place within the limits of the Company's Charter, or to the Cape of Good Hope, and as may have been subsequently compelled by the same cause to come to Europe. In such cases, where the servant has resided more than ten years in India, the benefit will of course be withheld whenever the number of Absentees limited by the Regulations is complete.

Order of Government, dated 18th November 1828.

The Right Honorable the Governor in Council has been pleased to resolve, that all persons who may be permitted to proceed to Europe, with the benefit of the Absentee Allowance, shall vacate their situations, and avail themselves of the indulgence, within three months from the date on which it may be granted.

Extract from a letter from the Honorable the Court of Directors in the Public Department, dated 6th May 1829.

Civil Servants who decline to subscribe to the New Annuity Fund are not admissible to the benefit of the Absentee Regulations.

Civil Servants proceeding to England under the Absentee Regulations, or on Special Leave of Absence.

Extracts from a letter from the Honorable the Court of Directors.

Para. 1. We have to acquaint you that we have adopted the following Regulations, with respect to the grant of extension of leave to Members of the Indian Civil Establishments repairing to this Country under the Absentee Regulations, or on special leave of absence, viz.

That Civil Servants coming to England under the Absentee Regulations, or on special leave, shall immediately on their arrival report themselves with their address by letter to our Secretary, forwarding at the same time the certificates which they received in India.

That in all cases of leave, Civil Servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a Civil Servant shall have obtained an extension of leave to a given period, he must at the expiration thereof apply for and obtain our permission, either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the List of Civil Servants.

That the Act of the 33d Geo. 3d Cap. 52, Sec. 70, as it respects Civil Servants applies only to cases of sickness, or infirmity, and that no Civil Servant be hereafter considered eligible to return to the service after 5 years' absence, under that enactment, who has failed to obtain agreeably to the foregoing Regulations an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing Regulations be published for general information, and that each Civil Servant returning to this Country under the Absentee Regulations, or on special leave, be furnished with a copy for his guidance.

(A true copy.)

JAMES C. MELVILL, *Secretary.*

East India House, London, the 4th Septr. 1840.

Civil Servants quitting India.

Chief Secretary's Office, Fort St. George, January 3, 1832.

In order to prevent embarrassment at the time of sailing, Gentlemen of the Civil Service quitting India are requested to observe, that applications for permission to be received on board must be accompanied by a Certificate from the Office of the Accountant General, that there are no demands against the applicants on the Books of this Presidency. Commanders of Vessels removing persons from India without permission are liable to heavy penalty.

Furlough Regulations.

FORT ST. GEORGE, *October* 6, 1836.

First. A furlough granted to a Civil Servant, whether under a Sick Certificate or otherwise, in conformity with the Rules of the Honorable Court's despatch, dated 31st December 1824, and communicated to the Service on the 8th July 1825, shall be considered to have lapsed on the occurrence of any of the following events:—

1st. On the death of the party in the course of three years from the date of his leaving the Presidency.

2d. On his retirement from the service by the acceptance of an annuity granted under the rules for the Madras Annuity Fund.

3d. On returning to India before the expiration of three years.

4th. On the expiration of three years from the date when the ship sailed in which the party proceeded to Europe.

Second. Civil Servants will be entitled to proceed to Europe on furlough on sick certificate, at any time of the year, provided there shall not be at the period of their applying for the certificate 27 individuals in the enjoyment of the furlough.

Third. On the 1st December next ensuing, and on every subsequent 1st December, the number of furloughs to be tendered to Civil Servants of 10 years

standing, and not claiming the indulgence on the ground of ill health, shall be calculated as follows :—

Complement of 27 furloughs as on the 1st December 1835.

Add lapses since last 1st December :

Fourth. If the applications received by Government before the 1st December of any year should not equal in number the available furloughs, calculated as above, the same may lie over to be taken by Servants, either on sick certificate or otherwise, at any time of the year following, until the number shall be complete: when it may be so, further certificates on account of lapsing furloughs shall not be granted, except on the applications being accompanied by sick certificates, the lapses in the course of the year being reserved to meet the demands of the Service, according to the principle laid down by the Honorable Court of Directors, that is, with due preference to cases of sickness, and to seniority.

FORT ST. GEORGE, *December* 27, 1836.

Civil Servants admitted to the benefit of the Furlough Regulations are reminded that, in order to obtain the *prescribed* Furlough Certificate from the Secretary to Government in the Public Department, they must previously submit to that authority a Certificate from the Trustees of the Civil Fund, that they will receive no allowance from that Fund during their absence; and also a Certificate from the Accountant General, (who will require a Certificate from the Civil Auditor) of there being no public demands against them.

FORT ST. GEORGE, *August* 29, 1837.

The Governor in Council has resolved, with a view of assimilating the Rules of this Presidency with those of Bengal, and of enabling Civil Servants who may be desirous to return to England by way of Suez to make the passage of the Red Sea at the most favourable season of the year, to alter the period fixed for the grant of the Furlough allowance to Civil Servants of ten years standing, not claiming the indulgence on the ground of ill health, from the 1st December to the 1st November of every year.

FORT ST. GEORGE, *September* 2, 1839.

With reference to the Order of Government dated 27th December 1836, published at page 989 of the Official Gazette, it is hereby notified that applications from Gentlemen of the Civil Service for permission to proceed to Europe, whether under the Furlough Regulations or otherwise, should invariably be accompanied by a Certificate from the Accountant General, that there are no public demands against the applicant.

Leave of absence—Rules for the Grant of, and for Regulating Deductions from Salaries, and Deputation Allowances.

FORT ST. GEORGE, *February* 21, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, are re-published for general information.

FORT WILLIAM; FINANCIAL DEPARTMENT, *the 29th January*, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, having been approved and passed by the Honorable Court of Directors, are published for general information, and will take effect in all the Presidencies, Settlements and Stations under the Government of India from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application to cases not specifically mentioned.

Rules for application for leave of absence, and for fixing the local limits within which it may be granted.

SEC. I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.*

Note.—This rule must be considered as superceding the rule under which Commissioners of the Land Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal.

SEC. II. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave, to the date of such leave being granted to him.

SEC. III. No leave of absence shall have any retrospective effect † except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

SEC. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company, or not, to any Civil or Military Servant holding a Civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons, subject to the like conditions, to proceed to the Island of St. Helena, the Colony of the Cape of Good Hope, or to any place situate between the 30th Degree of North Latitude, and the 30th Degree of South Latitude, such place being likewise between the 30th and 180th Degrees of Longitude, East of Green-

* Applications for leave of absence under these Regulations are to be sent to the Office of Audit previous to their final submission to Government, and to contain a specification of the particular Section of the Absentee Rules under which the indulgence of leave is solicited.

The collective or individual authorities, thro' whom these applications must pass, are to adopt this course, in all cases which they may be disposed to recommend; and it will be for the Office of Audit, in forwarding them to Government, to state in each instance whether the provisions of the Rules have been conformed to, and what, if any, objection exists to a compliance with the applications. See Resolution of the Madras Government of the 9th of November 1838.—COMPILER.

† This applies to all unauthorized absence, whether antecedent to the grant of leave, or subsequent to its termination. See Order of the Government of India, dated 11th January 1841, and published in the Fort St. George Gazette of the 14th April of the same year.—COMPILER.

wich, excepting however any islands in the Mediterranean or Levant, and excepting all places within the said geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leaves subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

Chapter II.

Rules for Sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a Certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation the nature of the disease, the symptoms by which it is manifested, the period during which it has existed, as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company, or beyond them, but within the limits laid down in Section IV., as the case may be, and such Certificate must be submitted to the consideration of the Medical Board, and if satisfactory shall be countersigned by one of its Members.* An application for an extension of leave must, if the applicant be in India, be accompanied by a Certificate from the Medical Officer by whom the applicant is attended, showing sufficient reason for the extension solicited, and such Certificate, like the former, must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the Certificate to be countersigned by the principal Medical authority of the Colony or country. When any of the required particulars are neglected leave will be refused.†

Sec. VI. *(Revised—See amended Rules, page 178.)*

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may, as heretofore, apply to be admitted to Furlough by the Hon'ble the Court of Directors, and the Furlough will in such cases take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves, or by their Agents after their departure, must in that case be readjusted, and the difference refunded.

Note.—This rule applies to all descriptions of leave on account of health excepting those granted under Sec. XII.

Thus a second leave within the Presidency, no less than a second leave to sea, will be computed as forming part of the period of two years, if taken before three years have elapsed since returned from the first leave, and the deductions will be made upon computation of the accumulated period of absence under all such leaves taken, without the intervention of three years of consecutive service.

Sec. VIII. No second leave will be granted to any Civil or Military Servant holding a Civil Appointment who has been absent under the above rules for two years, until three years at the least shall have passed after the date of such Servant's return, but if such a Servant is compelled by sickness again to absent himself from his station within three years, after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of Salary allowed for the remaining time as if the leave had been continuous.

Sec. IX. Military Officers employed in the Civil Department, and drawing a Civil allowance, may obtain leave under Medical Certificate on precisely the same conditions as Civil Servants except as to allowances. Such Officers, in common with those holding Staff Situations in the Military Department, will draw the Military Pay and Allowances of their rank while absent on leave under Medical Certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one half of the difference between such Allowances and the Civil Pay of the Offices to which they stand appointed.

Sec. X. Civil or Military Servants holding Civil appointments who may desire to avail themselves of the benefit of the Act 1. Vic., Cap. 47, and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents at the Presidency, or by themselves, in case of their proceeding to Europe on Furlough, or otherwise coming under retrenchment.

---

* In cases of extreme urgency, which, owing to the distance of the residence of the Medical board, preclude the previous reference to that authority, the certificate of the Medical attendant required from applicants for leave of absence on account of ill health, is to be submitted by them for the consideration and counter-signature of the Superintending Surgeon of the Division, which officer in these cases will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. See Regulation of the Government of India, of the 24th of June 1840, published in the Fort St. George Gazette for 1840, page 403.—Compiler.

† The following Resolution of the Governor of Madras in Council, calling the attention of Medical Officers in the Provinces to this Section, is extracted from the Fort St. George Gazette for 1841, page 202.—Compiler.

"Para. 1. The Right Honorable the Governor in Council having noticed with dissatisfaction the very lax and imperfect manner in which Certificates, in support of applications for sick leave, have on several occasions been prepared by Medical Officers in the Provinces, which has in consequence led in some instances to the refusal of the leave applied for; his Lordship in Council resolves to call the attention of those Officers to Section V. of the Absentee Rules, published on the 21st February 1838, at page 112 of the Official Gazette, and to require them to conform strictly to the orders therein conveyed; and it is directed that Certificates of the accompanying Form, in duplicate, be in future furnished in every instance where leave is *recommended*, whether it be to Europe, or within the limits laid down in Section IV. of the aforesaid regulations.

"2. In order to obviate the delay and inconvenience, which in particular cases may attend the return to the Provinces of a Medical Certificate forwarded to the Presidency for the counter-signature of a Member of the Medical board, the Right Honorable the Governor in Council is pleased to notify, that persons soliciting leave of absence, under Section V. of the Regulations already quoted in Para. 1, may in emergent cases, the Medical Officer in attendance,) may forward the Certificates to the Medical Board direct, for the purpose of being transmitted with the counter-signature of one of its Members or their opinion, to the Sudr Adalut when the applicant may be in the Judicial Department; to the Board of Revenue, when in the Revenue Department; to the Civil Auditor in all other cases; for submission to Government, with the application, to be made in conformity with the Notification published in the Fort St. George Gazette of the 4th December last, page 870.* In ordinary cases however, Certificates are to be sent through the Superintending Surgeons to the Medical Board, by whom they will be returned for the purpose of being transmitted through the regular channel, to the Department to which the applicant for leave may belong.

* See first note at the foot of page 173.

3. Judicial and Revenue Officers, forwarding applications for leave of absence on sick certificate to the Sudr Adalut, or Board of Revenue, will notify to those authorities the transmission of their Medical Certificates to the Medical Board, for the purpose of being forwarded as above directed. Officers in other branches of the Civil Service will in like manner make the same notification to the Civil Auditor.

4. The Civil Auditor will not hereafter submit to Government applications for sick leave unless they are accompanied by Certificates of the form now prescribed.

Sec. XII. (*Revised—See Amended Rules, page* 179.)

Chapter IV.

Rules for leave preparatory to embarkation and for joining Stations.

Sec. XIII. (*Rescinded—See Amended Rules, page* 179.)

Sec. XIV. There shall be allowed to Officers appointed to any new Office the periods of one month, two months, or three months, for joining, according as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their station within the said periods respectively, shall forfeit their Salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the Office shall be vacated, unless otherwise specially ordered by Government.

Note.—This rule is only applicable to Civil Servants, Military Officers appointed to Civil Office will draw Salary only from the date of joining as heretofore, the rule in force in respect to Staff Situations being applicable to them.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the Public Service by the Examiners appointed by the Government, to any Civil situation, there shall be allowed for travelling expenses to the Station an allowance at the rate of 8 Annas per mile by the direct Post road according to the Polymetrical Tables of the Post Office, the Bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the Station: if required in advance an order of the Government shall be necessary.

Sec. XVI. The Salary of Office will be payable from the date only of the Officer joining, but in the case of Junior Civil Servants, the Salary of Assistant will be payable from the date of their being reported qualified for the Public Service, unless forfeited under the preceding rule through delay in joining the Station to which they may be appointed.*

* The following Extracts from a Resolution passed by the Governor General of India in Council on the 16th of June 1841 (published in the Fort St. George Gazette for 1841, page 635,) claim the particular attention of Officers appointed to new situations, but who by the express order of Government may be prevented from entering immediately on the duties thereof.—Compiler.

"1. The Governor General in Council remarks that the Rule referred to, (No. XVI. of the Regulations of the 29th January 1840,) requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

2. His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

3. His Lordship in Council is further of opinion, that as a general rule Officers ought not to be appointed to situations for the duties of which they are not immediately available.

4. When an Officer, for the convenience of the public service, has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI. corresponds with the exception provided for in Rule XX. under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reasons to act in an office of inferior emolument to his own.

5. In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV. XVI. and XVII., it is hereby explained that Rule XIV. refers to the appointment of Civil Servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

6. These Servants are entitled under Rule XIV. to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their Station.

7. And Rules XVI. and XVII. are to be construed as applying to cases where there is a change of office with increase of salary; a special course being prescribed with regard to Junior Civil Servants; they under Rule XVI. are authorized to draw the salary of Assistant from the date of their being reported qualified for the public service, unless forfeited through delay in joining the Station to which they have been appointed."

Note. This Rule also is only applicable to Civil Servants, Military Servants drawing, as in the case of Staff Situations, no Civil Salary from the time of leaving one office till the date of joining the other.

Sec. XVII. In case of a change of Office, when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining Stations shall be applicable, and the Officer will, for the periods allowed in that rule, respectively draw out of the salary of the office he is about to join a sum equal to that of his previous situation.

Chapter V.

Rules for Deputation Allowances.

Sec. XVIII. (*Revised—See Amended Rules, page* 179.)

Sec. XIX. (*Revised—See Amended Rules, page* 179.)

Sec. XX. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is Officiating, and if the amount of the Deputation Allowance according to the prescribed scale, added to the permanent emoluments of the Officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn.* But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments, or being deputed to officiate for another shall be relieved only from one, he shall receive no Deputation Allowance, unless the emoluments of the office in which he is deputed to act exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

Sec. XXV. (*Revised—See Amended Rules, page* 180.)

Sec. XXVI. (*Rescinded—See Amended Rules, page* 180.)

Sec. XXVII. On joining a Station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his Station, as a Civil Servant. On any subsequent transfer from one Station to another, the same allowance will be made if the transfer take place, not at the desire of the Chaplain removed, but by order of Government.

Leave of Absence, &c.— AMENDED RULES.

FORT ST. GEORGE, *May* 31, 1843.

In re-publishing the following Rules, the Most Noble the Governor in Council directs that effect may be given to them in respect to all Deputation Allowances, and leave of absence granted within the limits of this Presidency, subsequent to the 30th May 1843.

FORT WILLIAM: *Financial Department, 17th. May*, 1843.

The Honorable the President in Council, with the concurrence of the Right Honorable the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions, from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of ½d for the whole term of such absence, save and except that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of ½d would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.)* The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year† without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the officer seeking it.‡ No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.§

* All Public Officers and Chaplains of trials leave under this Section and Section XXV. should avail themselves of it within two months from its insertion in the Gazette. On failure to do so a fresh application must be made, and permission obtained under it, before quitting their stations. See Notification of the Madras Government, dated November 8, 1819. —COMPILER.

† As a general rule leave is to be granted in one period only, whether for a whole month or less, and not in detached parts as to complete one month within the year, and the term *year* is to be held to mean the Calendar year, commencing with the first of January and ending with the 31st of December, but the Local Governments may, where good cause is shewn for the indulgence, and it is attended with no public inconvenience, sanction leave of absence under this Section to such parties as may not have occasion to apply for the whole at once, in instalments not to exceed, in the aggregate, one month within the Calendar year, on the understanding that no leave can be granted for any fresh Calendar year until the completion of three months from the expiration of the entire leave, or of the last instalment of leave taken in the past Calendar year.—See Resolution of the Government of India, dated 12th November 1841.—COMPILER.

‡ In cases where the Government may find it necessary to grant to a substitute to officiate during the absence of any officer the expense incurred must be discharged by the absentee. See Resolution of the Government of India, dated 5th February 1818.—COMPILER.

§ In cases unattended with inconvenience to the Public Service, Leave will be granted for *two or three months* to such Servants as at the date of the promulgation of these Rules were entitled to the indulgence under the Provisions of Section XI. of the Rules of January 1819. See Notification of the Madras Government, dated 8 September 27, 1841.—COMPILER.

* Civil Servants or Military Servants holding Civil Appointments, absent from their Stations under Medical Certificate, cannot be admitted to leave under this Rule, in continuation of their Sick leave, and if, while absent under this Rule, they be granted extended leave under Medical Certificate, they shall be considered liable to the Rules applicable to leave of absence on Medical Certificate for the whole period of their absence.

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and Allowances, and; if a Military Officer, only so much of the Salary and allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw, shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum having been fixed, under the orders of the Court of Directors, as the Maximum Salary of Civil Office for the Officers of Government under the situation of Member of Council, Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the allowance thus limited, and the excess above the monthly salary yielded by that annual sum shall remain as a local addition to the usual Deputation Allowance, to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Note.—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant they will draw at the rates and under the same rules as Civil Servants.

Section XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per cent. on the monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

* Added under instructions from the Hon'ble the Court of Directors conveyed in a Despatch in the Financial Department, No. 31 of 1851, dated 18th June. See Notification of the Government of India, dated 8th August 1851, published in the Fort St. George Gazette for 1851, page 773.—COMPILER.

To Civil Servants holding an Office of inferior emolument when Officiating for a Superior.

Officers Retiring from the Service.

Regulations respecting Military and other Officers retiring from the Company's Service.

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from Lord Clive's fund, if the Court of Directors shall adjudge them to be proper objects of that bounty, to the extent of:

If a 2d Lieutenant, Cornet, or Ensign, two shillings a day, or £36 10*s.* a year: if a Lieutenant two shillings and six pence a day, or £45 12*s.* 6*d.* a year; provided they are not possessed of, or entitled to, real or personal property to the extent of, if an Ensign £750, if a Lieutenant £1,000.

Officers who are compelled to quit the service by wounds received in action, or by ill-health contracted on duty after three years service in India, are permitted to retire on the half pay of their rank, viz.

If a second Lieutenant, Cornet, or Ensign, three shillings a day, or £54 15*s.* per annum; if a Lieutenant four shillings a day, or £73 per annum.

A Subaltern Officer or Assistant Surgeon, having served six years in India, is permitted to retire on the half pay of Ensign, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

A Lieutenant having served thirteen, or a 2d Lieutenant, Cornet, or Ensign, nine years in India (including three years for a furlough,) may retire on the *half pay* of his rank, in case his health shall not permit him to serve in India.

Regimental Captains, Majors, and Lieutenant Colonels, who have not served sufficiently long in India to entitle them to retire on full pay, and whose ill state of health renders it impossible for them to continue to serve in India, are allowed to retire from the service on the half pay of their respective ranks, viz.

Captains, seven shillings a day, or £127 15*s.* per annum, Majors, nine shillings and six pence a day, or £173 7*s.* 6*d.* per annum, Lieutenant Colonels, eleven shillings a day, or £200 15*s.* per annum.

All Officers who have actually served twenty-two years in India, or twenty-five years, including three years for a furlough, are allowed to retire on the full pay of their respective ranks.

Officers are also allowed to retire on the following pensions without reference to the rank they may have attained, if they have served for the undermentioned periods, viz.

After twenty-three years' service in India, including three years for a furlough, on the full pay of Captain, viz. £191 12*s.* 6*d.* per annum; after twenty-seven years' service in India, including three years for a furlough, on the full pay of Major, £292 per annum; after thirty-one years' service in India, including three years for a furlough, on the full pay of Lieut. Colonel, £365 per annum; after thirty-five years' service in India, including three years for a furlough, on the full pay of Colonel, £456 5*s.* per annum.*

* For Pensions to Medical Officers (except Veterinary Surgeons) *see Medical Service Regulations.*—COMPILER.

When Officers on furlough retire upon the pay or half pay of their rank, they are only entitled to claim the benefit of the rank held by them at the expiration of one year from the date of their landing in the United Kingdom.

A Veterinary Surgeon is allowed to retire on seven shillings a day after twenty years' service, including three years for one furlough; five shillings and six pence a day after thirteen years' service, including three years for one furlough; and three shillings a day after six years' service: in the two last cases provided his health shall not permit him to continue to serve in India.

A Chaplain (appointed previously to the 1st September 1836) after eighteen years' service in India, including three years for one furlough, is allowed to retire on the pay of Lieutenant Colonel, £365 per annum; after ten years (if compelled by ill health to quit the service,) on the half pay of Lieutenant Colonel, £200 15s. per annum; after seven years, on the half pay of Major, £173 7s. 6d. per annum.

If appointed subsequently to that date, according to the following scale, viz. after eighteen years' service, including three years for one furlough, the pay of Major, viz. £292 per annum; after ten years' service, (if compelled by ill health to quit the service) on the half pay of Major, viz. £173 7s. 6d. per annum; after 7 years the half pay of Captain, viz. £127 15s. per annum.

A Commissary or Deputy Commissary of Ordnance, not being a Commissioned Officer, is allowed to retire on full pay if he has served twenty-seven years in India, of which twelve must have been in the Ordnance Department; twenty-five years, fourteen of which in that Department; or twenty-two years, seventeen years of which in the Ordnance Department.

A Conductor of Stores is allowed to retire on £60 per annum after twenty-five years' actual service in India.

Officers retiring from the service will be considered to have retired from the date of their application for leave to retire; or from the expiration of two years and a half from their quitting India, whichever shall happen first.

An Officer proposing to retire is required to forward, with his application for permission to do so, a certificate from the Department of the Accountant General that there are no demands against him on the books of that department.*

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 8*th January*, 1847.

No. 11 of 1847.—With a view to uniformity of practice, and to obviate the inconvenience arising from the existing system under which dates are assigned to vacancies caused by the retirement, &c. of European Officers in India, the Hon'ble the President of the Council of India in Council, with the concurrence of the Right Hon'ble the Governor General, is pleased to establish the following rule, which is to be considered applicable to all the Presidencies.

Rule.—Whenever an officer may be desirous of resigning or retiring from the service, or of being transferred to the Invalid Establishment, he is required to state in his application the date, which must be a prospective one, from which he wishes such resignation, retirement, or transfer to have effect; and from the

Officers retiring &c., from the Service while serving without the limits of the Madras Presidency and beyond Sea.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

Fort St. George, 9*th May* 1845.

No. 85 of 1845.—1. In order to obviate as far as possible risk of loss to the State, as well as to facilitate and expedite the adjustment of the Accounts of Officers of the Madras Army, who may resign, retire, or be removed, from the Service, while serving in the Tenasserim Provinces, Straits Settlements, China, Aden, or elsewhere *without the limits of this Presidency and beyond Sea*, the Most Noble the Governor in Council is pleased to direct that whenever an Officer so situated applies for permission to resign or retire from the Service, or is placed in arrest preparatory to trial by Court Martial, his Pay and Allowances of every description shall be thenceforth drawn on separate Abstract, and his Pay Accounts kept entirely separate from those of the Regiment or Detachment to which he may belong.

2. Consequently an Officer, situated as above described, proposing to retire from, or resign, the Service, will not be permited to sign the Pay Abstracts, &c. of his Troop or Company; but he is not, on that account, to be deprived of Troop or Company Command Allowance to which he may under Regulation have claim, to which he will continue entitled in the same way as if detached in the manner adverted to in Para. 4, head "Troops and Companies," page 179, Section 9th, of the Code of Pay and Audit Regulations.

3. The Officers Commanding at the Stations in question are directed to send to Madras for immediate Audit, at the same time that the application for permission to resign or retire is forwarded, all Abstracts containing previous charges of the Officer about to retire or resign; thus leaving, to take the usual course of Audit, only common charges for his own Pay and Allowances, in which there ought to be no mistake.

Furlough Regulations.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness, and as hereafter specified,) to their rotation to be absent on furlough, and the same rule is applicable to Assistant Surgeons, and Veterinary Surgeons. The furlough to be granted by the Commander in Chief at each Presidency, with the approbation of the respective Governments.*

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

* A second furlough on private affairs may be granted to Officers when the public service will permit the indulgence, but the rule which precludes an Officer receiving pay when absent in Europe on such affairs for a longer period than three years is to be fully maintained. The following is a copy of the regulation as published in the Bengal code, and is applicable to all the presidencies; "No Officer who has drawn three years' furlough pay is allowed pay during any future furlough, except in cases of certified sickness; but if he has not received pay for the full term, he may during a second furlough on private affairs, be allowed the same for such space of time as will complete the three years." *See Court's letter to the Madras Government of the 1st January* 1811.—Compiler.

A Chaplain (appointed previously to the 1st September 1836,) after seven years' residence in India, is allowed to go home on furlough and receive the pay of Major, £292 per annum. Should he go home from sickness prior to this period of service, he is allowed the pay of Captain only, viz. £191 12s. 0d. per annum.

If appointed subsequently to that date, after seven years' residence in India, the pay of Captain, viz. £191 12s. per annum; and if compelled by ill health to go home prior to this period of service, the half pay of Captain, or £127 15s. per annum.

A Conductor of Stores is allowed furlough pay only in case of going home from sickness.

Officers going to England on furlough, *are required immediately* to report their arrival by letter to the Secretary, stating the name of the ship in which they came, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the Officer to his presidency.

Officers are required to join the Establishment to which they belong at the expiration of the three years furlough, unless they shall have obtained an extension of leave from the Court six months before the expiration of that period. No furlough will be extended except in cases of sickness, certified in the manner hereafter mentioned, or in cases in which it shall be proved to the Court that a further residence in Europe is indispensably necessary.

All Officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's Examining Physician, Dr. John Scott, 13, Straton Street, who will report to the Court of Directors his opinion on the state of such Officers' health, and if resident in the country, in any part of the United Kingdom, they must transmit, with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen eminent in the medical profession, viz.

I hereby certify, that I have carefully examined, (state the nature of the case as well as the name of the party,) and I declare upon my honour, that according to the best of my judgment and belief, ——— is at present unfit for military duty, and that it is absolutely necessary for the recovery of his health, that he should remain at least ——— longer in this country.

Also previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or other evidence, as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians in *the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period must at its expiration apply for permission, either to return to their duty, or to reside a further time in England.

In every case in which an Officer has had his furlough extended beyond the prescribed period, on the ground of his health not being sufficiently restored and shall apply for permission to return to his duty, he shall produce a certificate from the Examining Physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No Officer who has failed to obtain an extension of furlough, will be considered eligible to return to the service after five years absence, under the Act of 33 Geo. III, Cap. 52, Sec. 70.

Every Officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the Court's instructions, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them. Officers, therefore, who shall go home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the Court to remain a further time in Europe.

No Officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting Colonels of Regiments, and those of the rank of Lieutenant Colonel regimentally, when promoted to that of Major General: the latter are then allowed to draw the pay of their Brevet rank beyond the above period.

Furloughs to New South Wales, &c.

Fort St. George, *15th October* 1841.

No. 182 of 1841.—The following General Order by the Right Honorable the Governor General of India in Council, is published for the information of the Army.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, *29th September* 1841.

No. 226 of 1841.—The Right Hon'ble the Governor General of India in Council is pleased to publish for general information, the following paragraph of a letter from the Hon'ble the Court of Directors to the Governor in Council at Bombay, No. 42, dated 4th August 1841, on the subject of the extension of Furloughs to New South Wales, or any other of Her Majesty's Colonies, the Rule therein laid down being applicable to all the Presidencies.

"Para 2. In future cases when Officers may be granted a Furlough on sick certificate, or on private affairs, to New South Wales, or any other Colony, we desire that they may be separately informed, that any applications which they may have occasion to prefer for extended leave, are to be addressed to us in sufficient time to allow of their receiving our reply by the period when they should embark on their return, so as to ensure their arrival within the original term of Furlough; that if the application is preferred on account of health, it should be supported by Certificates from the Medical Staff Officers, or other undoubted medical testimony on the spot, shewing that the applicant is then incapable from ill health to return to the performance of military duty in India, and specifying the term for which they consider additional leave absolutely necessary for the recovery of the applicant's health; and that if the application is preferred on the ground of urgent private affairs, it will be required, that the nature of those affairs should be specified, and that the necessity for his continued absence should be certified by his professional adviser on the spot."

Extract from a letter from the Honorable the Court of Directors, dated the 16th August 1837.

"5. With reference to the second subject, viz. the issue of the absentee allowances of Officers who are absent at the Cape of Good Hope, we now empower you to frame a Regulation, by which our Officers who are entitled under existing Rules to draw Indian allowances upon their actual return to India from leave of absence to any place within the limits of the Company's Charter, or the

Cape of Good Hope, or the Mauritius, or the Island of St. Helena, shall be entitled through their Agents at their respective Presidencies, to draw their allowances from month to month, upon their giving sufficient security to refund the whole amount in the event of their proceeding to England without previously returning to India, or such part of the amount as may have been over issued on any other account.

6. You will take measures for introducing similar Regulations at the Presidencies of Madras and Bombay, to the Governments of which we shall send copies of the present Despatch."

Sick Leave Regulations.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 10*th August* 1847.

No. 178 of 1847.—The Most Noble the Governor in Council directs the publication of the following Regulations regarding the grant of leave on medical certificate to European Officers.

1. All Sick Officers for whose recovery change of climate, whether to places beyond or within the limits of the Presidency, may be recommended, will be required to appear for examination before a Board of Medical Officers.

2. At the Presidency, and at all Stations where practicable, a Board of three Medical Officers shall be appointed for the purpose of *granting, confirming, extending* and when necessary *cancelling*, medical certificates to Officers,—and none will be permitted to quit their Stations until they have been examined by such Board, before which the Officers' Medical Attendants are always to appear for the purpose of affording information on each case.

3. At the Presidency, a Member of the Medical Board, the Superintending Surgeon, and another Medical Officer to be appointed by the Commander in Chief, will form a Board; and at other Stations the three senior Medical Officers will be nominated for the duty. When it does not interfere with their other duties, Civil Surgeons are to be considered available as Members of Boards, if there is not a sufficient number of Medical Officers without them.

4. At Stations where there may be only two Medical Officers besides the one who has charge of a Patient, the Commanding Officer shall constitute them a Board for the above purpose, and should there be a difference of opinion upon the case, the recommendation of the Officer's Medical Attendant will be sufficient to decide that a sick certificate shall be granted.

5. At Stations where there is but one Medical Officer he may grant sick certificates, but in every such case, as also when a certificate is granted under the provisions of para. 4, the Patient is to be informed that he will be required to appear for examination before a Board of Medical Officers at the first Station on his route at which a Board of three Members can be convened: and with a view to obviate unnecessary delay or inconvenience to the Patient, the Officer Commanding the Station from which the Sick Officer is proceeding will communicate with the Officer Commanding such Station on route, where the necessary steps will be taken to assemble the Board upon the Sick Officer's arrival.

6. Previous to departure from a Station, each Sick Officer is to be furnished with a sealed medical statement of his case, to be produced to the Board

in cases contemplated by paras. 4 and 5, and which after the examination will be returned to him sealed by the Board, for the purpose of being delivered to the Medical Officer by whom he may next be attended.

7. In cases in which an Officer's sick certificate may not be confirmed by a Board at a Station on his route, he is to be allowed to remain there pending the orders of Government or the Commander in Chief upon the Board's Proceedings.

8. As a general rule Officers are not to be sent to the Presidency on sick certificate, except for embarkation or for the treatment of mental or opthalmic disease. When however a residence with near relations at the Presidency is deemed advisable, or any special reason with regard to the Patient's health may exist, Medical Boards or Officers are to grant the certificates accordingly, and enter their reasons for doing so in the Proceedings of Boards, or in the certificates granted where Boards cannot be convened.

9. A Board will be assembled annually under the orders of His Excellency the Commander in Chief for the examination of Patients on the Neilgherry Hills, of which the Superintending Surgeon Southern Division will be President, and should there not be Medical Officers of experience residing on the Hills, the Commander in Chief will detach one or more from the adjoining Divisions as may be found convenient.

10. All Officers on the Hills who have been absent from their duty for one year will be required to appear for examination before the Annual Board, and, according to its report, will either be allowed to remain on the Hills for a further period, or be required to join their Corps or Departments if the Board reports that by the re-establishment of their health they are fit for duty.

11. Intermediate extension of leave on sick certificate to an Officer on the Hills will be granted only on the recommendation of a Board of Medical Officers, to be convened by the Officer Commanding at Ootacamund. The Medical Officer doing duty on the Hills who is not in attendance on the Patient is to be nominated a Member of this Board, but if for want of Medical Officers a Board cannot be convened, the countersignature of a sick certificate by the Superintending Surgeon of the Southern Division will be held sufficient to enable the Patient to remain until a Board can be assembled.

12. The Proceedings on Medical Officers, which are to be prepared separately, are to be forwarded through the Medical Board—and those for other Officers through the prescribed channels to Government or to the Adjutant General of the Army.

13. With the exception of the addition required in para. 8 to the certificate of an Officer who may be sent to the Presidency without having appeared before a Board of Medical Officers, the forms of medical certificates given in Section VIII. of the Medical Regulations are to continue in use as heretofore.

14. The following form of Proceedings is to be adopted by Boards of Medical Officers, and will include one or more cases, according to the number of Officers to be examined. MEDICAL SERVICE REGULATIONS.

Superintending Surgeons, the Medical Board, &c.

FORT ST. GEORGE, *15th July* 1842.

No. 126 of 1842.—The following General Order by the Honorable the President in Council, is published for the information of the Army.

"GENERAL ORDERS BY THE HONORABLE THE PRESIDENT IN COUNCIL."

FORT WILLIAM, *July 1st* 1842.

No. 169 of 1842.—In obedience to the Orders of the Honorable the Court of Directors, in their Military Letter to the Government of India, No. 6, under date the 4th May 1842, the following Regulations are to have effect in the Medical Department of the three Presidencies from the 16th instant.

The situation of Superintending Surgeon to be considered a Staff Appointment, to which only those fitted for it by a zealous and able discharge of their professional duties shall be deemed eligible, and the appointment to future vacancies will be made without reference to the order of succession, whenever it may be the opinion of Government, that such departure from Seniority is required for the maintenance of the public interests.

The present system by which all Pensions in the Medical Service superior to those of Surgeon (Captain's full pay after 17 years service in India) are dependent on promotion to the Staff Appointment of Superintending Surgeon, is abolished, and in its stead the principle of granting those Pensions according to length of service established, upon the following scale, viz.

After 20 years' Service,	3 years Furlough included, as at present			....£191 a year.
" 28	"	3	"	....£300 "
" 32	"	3	"	....£365 "
" 35	"	3	"	....£500 "
" 38	"	3	"	....£700 "*

The present Regulations by which Superintending Surgeons are entitled as such to Retiring Pensions of £300 and £365 a year, and Members of the Medical Board to Pensions of £500 and £700 a year, according to period of Service in those ranks respectively, will cease to be the rule of the Service for Medical Officers after the date of the introduction of the new arrangement; but individuals then in the Service, and who may be appointed to the Offices of Superintending Surgeon and Member of the Board within ten years from that date, will be allowed the option of retiring upon Pensions upon the old scale of length of service in those Ranks, instead of the new scale of length of service in India.

The designation of 1st, 2d and 3d Members of the Medical Board is abolished, and the following Titles are substituted:

Physician General.. .....1st Member.
Surgeon General.....2d Member.
Inspector General of Hospitals.....3d Member.

The Members of the Board will accordingly be commissioned with these Titles, when appointed to the respective positions abovementioned, and when retiring from the Service will be placed on the Retired List with the Title then held by them.

The Regulation which fixes the rank of Brigadier General as the relative

* Medical Officers who have served 24 years in India (three years furlough included) are now entitled to retire on a pension of £250 a year. See G. O. of the Government of India, No. 122 of 1841, published in the *Fort St. George Gazette* for that year, page 365.—COMPILER.

Army Rank of Members of the Medical Board, will equally apply to those Members under the new Titles now established.

All Surgeons of 30 years' Service to be designated "Senior Surgeons," and their relative Rank with Officers of the Army to be that of Major. This arrangement, like all others having reference only to the rank and designation of Medical Officers, confers no claim whatever to superior allowances and will make no change whatever in the nature of their employment.

FORT ST. GEORGE, *25th July* 1843.

No. 118 of 1843.—Under instructions from the Honorable the Court of Directors, received through the Government of India, the Most Noble the Governor in Council is pleased to publish the following regulations on certain points connected with the Medical rules published in G. O. G. 126, dated 15th July 1842.

1st. The Physician General, Surgeon General and Inspector General of Hospitals will, collectively, continue to perform the duties of the Medical Board as heretofore: their period of service, reckoning from the date of promotion to Inspector General of Hospitals, will be five years, after which they will be required, as was the case with a Member of the Medical Board, to retire; and, as vacancies occur, the Inspector General will be promoted to the rank of Surgeon General, and the Surgeon General to that of Physician General.

2d. No alteration has been made in the regulation which prescribes that "vacancies in the Medical Board shall be filled up by selection from the Superintending Surgeons, of such as shall be most distinguished for professional science and the zealous discharge of their duties, due regard being had to seniority in the Service when the qualifications of the individuals appear to be adequate to the correct performance of the duties of the office."

3d. A Superintending Surgeon, in virtue of his Staff Appointment, is to take rank over all Garrison and Regimental Surgeons within his Division who may be senior to him in the list of Surgeons; but in such cases, if Medical Officers desire it, they will be transferred to a Division the Superintending Surgeon of which is their senior in the Service.

4th. The situation of Superintending Surgeon being considered a Staff appointment, the Government will be at liberty, should the interests of the public service require it, to remand him to the rank of Regimental Surgeon, or rather to remove him from his Staff appointment.

5th. The regulation published in G. O. G. No. 226, dated 9th June 1835, which provides that no Medical Officer shall be considered eligible to the situation of Superintending Surgeon, who shall not have served for two years in the military branch of his profession at some period subsequently to his promotion to the rank of Surgeon, continues still in force.

6th. A Medical Officer holding the appointment of Superintending Surgeon before his embarkation to Europe, will, on his return to India, be entitled to resume his appointment as a Superintending Surgeon.

2. The Rules contained in the revised Code of Pay and Audit Regulations, will continue to apply to Members of the Medical Board and Superintending Surgeons appointed prior to the date of this General Order, and to the Officers now officiating, or who may be appointed to officiate, for any of them.

MEDICAL BOARD.

1. Members of the Medical Board rank as Brigadiers General; but that rank is considered as purely official, or of courtesy, and does not give claim either to Military command or to increased allowances of any kind, except in cases of distribution of Prize Money, in which Members of the Medical Board are allowed to share according to the above scale of rank.

2. The Members of the Medical Board are Commissioned with the following titles, and on retirement from the Service are placed on the Retired List with the title then held by them.

1st. Physician General.
2d. Surgeon General.

3. The consolidated salary of a Member of the Medical Board is 2,450 Rupees per mensem, which is held to include the Pay and full Regimental allowances of a Surgeon.

5. A Member of the Medical Board when absent on leave, on private affairs, or on medical certificate, within or beyond the limits of the Presidency, is only entitled to Rs. 1,678 As. 4 P. 0 per mensem for the prescribed periods; subsequent to which he will be restricted to the pay proper of his Army rank of Surgeon.

6. The amount forfeited by a Member of the Medical Board, during absence as above stated, viz. Rs. 771 As. 12 per mensem, is payable to the Superintending Surgeon appointed to officiate for him, or, when no such appointment has been made, becomes a saving to the State.*

7. Members of the Medical Board, when on furlough to Europe, are entitled to the furlough pay of Colonels of Infantry.

8. Pensions from Lord Clive's Fund to Members of the Medical Board and their Widows, are allowed at the same rates and under the same rules as to Colonels and their Widows.

9. A Member of the Medical Board who has proceeded to Europe, and been permitted by the Honorable the Court of Directors to return to India, for the purpose of completing the residue of his tour of service in the Board, becomes entitled to consolidated salary, from the date of his arrival at Madras, and the Junior Member of the Board, consequently, reverts, from the same date, to his former position of Superintending Surgeon, his period of service as Junior Member being counted as so much passed to the term of five years to which service in the Medical Board is limited.

10. The Members of the Medical Board actually in the Service on the 16th July 1842, and appointed to the Board at any time within ten years from that date, have, provided they have completed twenty years service in India (including three years furlough) the option of retiring upon Pensions, either ac-

SUPERINTENDING SURGEONS.

1. The situation of Superintending Surgeon is considered a Staff appointment, and nominations thereto are made without reference to the order of succession whenever it may be the opinion of Government, that such departure from seniority is required for the maintenance of the public interests. Medical Officers are not entitled, under any circumstances, to the allowances of Superintending Surgeon, until they shall have entered upon the duties appertaining to the appointment.

2. The consolidated salary of a Superintending Surgeon is 1,575 Rupees per mensem, which includes the Pay and full Regimental allowances of Surgeon. —*The Superintending Surgeons of the Nagpore and Hyderabad Subsidiary Forces, and Superintending Surgeons employed with Troops on actual Field Service, are entitled to salaries of Rs. 1,803, 4 As. 6 P. each; but these higher salaries are only claimable by them when actually present and in the performance of the duties of their appointments, their receipts being regulated by the provisions applicable to other Superintending Surgeons during absence involving any forfeiture of allowances, when the additional allowance, viz. the difference** *between the amount above mentioned and Rupees 1,575, becomes payable to the Officiating Superintending Surgeon.*

* Rupees 228-4-6

3. An allowance of 60 Rupees per mensem, for Writers and Stationery, is attached to the appointment of Superintending Surgeon, and payable under the same rules as other Office allowances in general.

4. Superintending Surgeons rank as Lieutenant Colonels; but that rank is considered purely Official, or by courtesy, and does not give any claim either to Military command or to increased allowances of any kind, except in cases of distribution of Prize Money, in which Superintending Surgeons share according to the above scale of rank.

5. The office of Superintending Surgeon being incompatible with an executive charge, a Surgeon appointed to officiate as Superintending Surgeon of a Division or Force is invariably on assuming superior office to make over his subordinate charge. If a Regimental Surgeon, and officiating for an absent incumbent who had previously been in charge, he will be entitled to the forfeited *portion of the salary of Superintending Surgeon, viz. Rs. 496 2 A. per mensem if the absence of the incumbent be occasioned by his temporary employment in the Medical Board (Vide Para 11), and Rs. 579 13 A. per mensem if the incumbent be absent on medical certificate or private affairs, vide para 6,* and will draw the Office allowance (60 Rupees per mensem) with the Pay and Regimental allowances of his rank and station, and if a Garrison or other Staff Surgeon (not Regimental) he will further be entitled to a moiety of the salary of his permanent situation, provided that *salary is higher in amount than the forfeited portion* of the salary of Superintending Surgeon. If lower in amount, he is not entitled to any part of it while officiating as Superintending Surgeon, and is restricted to the Pay and Regimental allowances of his rank for the entire period occupied by him in reaching his new station, and subsequently joining his original one.†

6. A *Superintending* Surgeon when absent in India, or within the limits of the Honorable Company's Charter, on medical certificate, or private affairs, within the prescribed periods, is entitled to Rupees 995-3-0 per mensem, being

7. A Superintending Surgeon when absent on furlough to Europe, is entitled to the furlough pay of a Lieutenant Colonel of Infantry.

8. A Superintending Surgeon, who has proceeded to Europe, and been permitted by the Honorable the Court of Directors to return to India to resume his appointment becomes entitled to salary from the date of his actual resumption of his duties as Superintending Surgeon, and from which date the Junior Superintending Surgeon on the Establishment will revert to the grade of Surgeon.

9. Superintending Surgeons actually in the Service on the 16th July 1842, and appointed to the Office of Superintending Surgeon at any time within ten years, from that date, have, provided they have completed twenty years service in India (including three years furlough) the option of retiring upon Pensions either according to the general scale for length of service in India established on the above date, or upon the following scale.

and in cases of certified sickness rendering immediate return to Europe necessary, are permitted to retire, in India or Europe, at any period after becoming Superintending Surgeons on the first of those Pensions, or at any time after the completion of three years as Superintending Surgeon on the second.

10. No Medical Officer is to be considered eligible to the situation of Superintending Surgeon who shall not have served for two years in the Military branch of his Profession, at some period subsequently to his promotion to the rank of Surgeon, unless he shall have held for a similar period the appointment of Marine or Presidency Surgeon, or Surgeon to the General Hospital, or shall have served in the Rank of Surgeon for two years with the Troops commanded by British Officers in the Nizam's Service, or the Army of any other Native State.

11. Superintending Surgeons appointed to officiate as Members of the Medical Board are permitted to draw their full salaries up to the date of their entering upon the duties of the Board, or otherwise coming into the receipt of allowances as Officiating Members. Full salaries are allowed when they return to reassume charge of their permanent duties. While Officiating as Member of the Medical Board a Superintending Surgeon is entitled to the sum of Company's Rupees 1,850 10 Annas per month as shewn in the margin.*

13. An Order directing a Medical Officer to receive charge of the records of a Superintending Surgeon's Office does not confer the rank, impose the duties, nor entitle him to the allowances of an Officiating Superintending Surgeon.

Rules.

(Corrected to 9th November 1852.)

ADMISSION.

Art 1. No person is admissible as a Subscriber to the Military Fund, unless he entered or shall enter the service of the Honorable East India Company on the Madras Establishment as a Cadet or Assistant Chaplain. Cadets and Assistant Chaplains become Members of the Military Fund, as a condition of their appointment, and are eligible to its benefits from the date of their admission on the establishment. Assistant Chaplains subscribe as Captains until they have served 15 years; subsequently as Majors.—G. O. G. 12th June, 1838.

Art. 2. Medical Officers (formerly received as Members,) may continue in the Society on the old rules; according to which a Surgeon pays, and is entitled to benefits, as a Captain; a Superintending Surgeon as Major; and a Member of the Medical Board as Lieutenant Colonel; but Medical Officers are no longer admissible.

Art. 3. Assistant Chaplains or Cadets, being married, or having legitimate offspring, are required to pay marriage donation and also subscription, at the Indian rates, of their grade as married, with arrears to be calculated from the date of their admission on the establishment, or from the date of birth of the eldest surviving child, if the latter date be anterior; with compound interest at 8 per cent. per annum, on the whole amount of donation and subscription, either at once, or by 25 equal monthly instalments, within 25 months of the date of admission.

DONATIONS AND SUBSCRIPTIONS.

Art. 4. All subscriptions to the Fund are payable in India, monthly, in advance. All donations, although for the convenience of Subscribers payable by prescribed instalments, become debts to the Fund from the date on which they fall due, and must, under any circumstances, be paid by the Subscriber, if he lives until the expiration of the prescribed period for the payment. Should a Subscriber die while his donation is in course of regular payment by instalments, no demand is to be made against his estate.

Art. 5. Subscribers shall pay donations and subscriptions in the time and manner hereafter defined agreeably to Tables *A.* and *B.* Widowers with legitimate offspring to be considered and pay the same as married. Subscriptions are to commence from the date of admission on the Establishment of Fort St. George; entrance donations become due from the same date; and donations and subscriptions on promotion from the date of promotion as signified in

G. O. G. Arrears of Instalments of donation and subscriptions to be recovered from first pay drawn.

Art. 6. The donations of Cadets, Cornets, 2d Lieutenants and Ensigns, and Assistant Chaplains may be paid, in anticipation, in England; those married or having legitimate offspring will be further required on arrival in India to pay the subscriptions and interest laid down in Article 3.

Art. 7. Donations on Entrance or Promotion must be paid immediately on becoming due, or by equal and regular monthly instalments, agreeably to Table *A*., as married or single, commencing with the first pay drawn by the Subscriber after the event. If the Subscriber however be promoted during the payment of such instalments, he must pay the new donation, as well as the balance of the old, at the higher rate of the class into which he has been promoted.

MARRIAGES.

Art. 8. All marriages must be reported.—When a Subscriber, Widower or Bachelor, marries, his family will become eligible to the benefits of the Institution if he duly report his marriage, and make, commence, or arrange to commence,* as below prescribed, the payments consequent thereon; viz., increased subscription according to his class, and the regulated donation, subject to increase agreeably to Table *G*. for disparity, if his age exceed that of his wife more than 8 years. If the Subscriber pay the whole donation within 30 days after the date of marriage, he will be allowed a discount or deduction of 10 per cent.; if not, he must pay it by 25 equal monthly instalments, commencing with the first month after marriage. This rule applies to Subscribers marrying Annuitants on the Fund.

Art. 9. If the report of marriage be not made, and the prescribed payment begun, within one month after the event, the donation will be increased by (1) one per cent. per month up to the date of announcement, and the pensions of the widow and children will be contingent upon the husband's surviving 25 months from the date of his report, and completing the payment together with all arrears of subscription (calculated from the date of marriage) and penalties. If however the report be made within the month, and all the regular payments begun, or measures taken to begin them, and the husband should die before any or all of the instalments are paid, the widow and family will be entitled to their pensions subject to the regulated deductions on account of Minimum. Provided always that that part of the provisions of this Article which requires that the husband should survive 25 months to entitle his widow and children to their pensions, shall not be held applicable to cases where the Subscriber shall produce a Health Certificate as per Form given in Appendix 1.

Art. 10. The report of marriage, must contain the dates of birth of the Wife and of the Subscriber, also the Christian name of the Wife. This information is necessary for the calculation of the amount of donation, and Subscribers should be careful in affording it, lest the omission, by leading to a reference, should involve a penalty as to time. In every case the best course to be followed is, on making the report of marriage, immediately to commence the regulated subscriptions and instalments of donations, as laid down in Tables *A*. and *B*,

CHILDREN.

Art. 11. To secure for his daughters the continuance until marriage or death, of the annuities to which they may become entitled from the Fund, in consequence of his decease, before they respectively attain the age of 21 years; or should they have attained that age at their Father's death *to obtain* for them similar annuities, a Subscriber is required within 10 days from date of birth of each daughter, to notify the same to the Secretary, and state that it is his intention to pay an additional donation of Rupees 282, which amount will become due to the Fund from the lapse of the tenth day after birth, whether the child subsequently live or die. If the child die within ten days from date of birth,

* Means giving the necessary instructions to the Pay Department to make the required deduction.

the report of intention to pay donation on her behalf will be considered cancelled. If the Subscriber pay the whole donation within 30 days after the child's birth, he will be allowed a discount or deduction of 10 per cent., if not, he must pay it within 12 months from date of birth of the daughter by 12 equal monthly payments, commencing with the first month after the birth of the child. Vide Table *A*.

To obviate the inconvenience which might be occasioned by the neglect of the above Article, Subscribers may, if they prefer it, notify to the Secretary their wish to avail themselves of the rule for all daughters who may be born to them: the donation for each becoming due and payable as above explained, whether the child live or die.

In addition to the above a monthly subscription of one Rupee, or 2*s*. 3*d*. is to be paid for each son under 21 years of age; and for each daughter until marriage or death, during the life of the father. The subscription for daughters for whom the donation of Rupees 282 may not have been duly paid to cease after the age of 21 years.

Subscribers are consequently required to report to the Secretary, dates of births and decease of all children.

Art. 12. A posthumous daughter, or a daughter whose father may die before the expiration of 10 days from her birth, without having made the prescribed report, will be entitled to the advantage of Regulation 11; but the prescribed donation for her will be deducted from her annuity at the rates specified in Table *D*. In the case of a daughter born during the temporary absence of the father, the report must be made as soon as the event comes to his knowledge, the cause of the delay being explained at the time.

Art. 13. Subscribers having failed to make the requisite report within the period of 10 days, and wishing, at any future time, to secure to their daughters the annuity in question, are required to notify their intention to the Secretary, and to pay for the same agreeably to Table *H*. These donations must be paid at once or by 12 equal monthly instalments, from date of notification, and can only be received during the life-time of the father. The money becomes due from the date of report, whether the child subsequently live or die. Monthly subscription of 2*s*. 3*d*. or 1 Rupee calculated from date of birth must be paid at once and in addition to the donation.

Art. 13½. When daughter's donation (whether under Article 11 or under Table *H*.) shall have gone unpaid beyond the period allowed, and it shall happen that circumstances prevent the possibility of its being recovered, together with the penalty or penalties due upon it, from the pay or pension of the Subscriber, and the Subscriber shall, in the mean time, die without having paid such donation, with penalty or penalties (as the case may be); in such cases, notwithstanding that the Subscriber shall have duly reported, within the prescribed period from his daughter's birth, his intention to pay such donation, such report of intention shall be held to have been cancelled, and the daughter shall not be entitled to the prolonged annuity, unless the whole circumstances of the case shall be considered, by at least three Directors, to warrant a reference being made to the Subscribers at large, for their decision regarding her continuance or otherwise on the list of permanent annuitants.

O. G. 17th March 1846. All exclusions are to be notified in the proceedings published to the Army.

Art. 15. Pleas of ignorance of the rules of the Society are not to be received in excuse for disregard of, or deviation from the Regulations; nor does the employment of an Agent disinvest a Member or Annuitant of responsibility.

PAYMENTS.

Art. 16. All payments in India to the Fund must be made to Military Paymasters, or other functionaries from whose offices Subscribers receive their monthly pay and allowances, or into the Government Treasury at Madras.

Art. 17. Payments of subscriptions to the Fund are made in England by deductions at the India House from the Pay bills or abstracts of Subscribers.

Art. 18. All other payments to the Fund by Subscribers resident in Europe are to be made to the Agents in London, whose particular duty it is to intimate to Subscribers the existence and amount of all demands against them, and to obtain payment accordingly.

Art. 19. The Secretary's Office in India is solely one of check and audit of accounts, and he is prohibited from receiving cash or bills in liquidation of sums due to the Fund.

Art. 20. Subscribers are exempted from the regular payments on account of donation on promotion while absent in Europe on Furlough, or Sick Certificate, whether such promotion occur prior to leaving India or during their absence, but a discount of 10 per cent. will be allowed if the donation be paid within 30 days from the date of first receipt of pay in the advanced rank. On return to India and coming into the receipt of Indian Allowances the regulated instalments must be commenced or resumed, with the addition of 8 per cent. on all payments suspended during such absence. This is not applicable to Retired Officers.

A discount of 10 per cent. is allowed on all donations if paid within 30 days from the date they become due, viz., on entrance from date of admission on the Establishment in India, on marriage, or the birth of a daughter from the date of either event. On promotion from the date of drawing pay in the advanced rank. Donations are payable by regular and equal monthly instalments at the rate and within the periods laid down in Table *A*. of the Regulations.

Art. 21. Subscribers who may be prevented drawing pay by a temporary cause, such as captivity, suspension from pay, or the like, shall, during such period, be exempted from penalties for non-payment of subscriptions or donations on entrance or promotion; but on the removal of the cause, and upon the receipt of pay, they shall be required to pay up all arrears within a period equal to that of their temporary incapacity, and immediately succeeding it, by regular and equal monthly instalments.

Subscribers omitting to draw pay, or whose Agents neglect or cease to draw pay on their account when due, are not under the above clause exempted from penalty on arrears. Officers proceeding to Europe on private affairs, or remaining on extended furlough and ceasing to draw pay from Government during such absence, are required to make arrangements at Home, for the regular payments

of subscription as it becomes due at the Europe rate. Subscribers retiring from the Service while on sick certificate or furlough in Europe, and owing donations or balance of donation to the Fund, are required to pay the same by the regulated instalments, commencing from the date of retirement.

Art. 22. Subscribers while in the receipt of income allowance from the Fund, are *not* exempted from the payment of monthly subscription, or of the instalments of marriage donation.

Art. 23. The payment of the Minimum by no means exempts the Subscriber from the continuance of subscriptions and donations, so long as he shall remain a member of the Fund.

Art. 24. Expulsion or withdrawal from the Fund, dismissal from or resignation of the service, involve the forfeiture of all claims to the benefits of the Fund, as also of the amount of the Subscribers' donations and subscriptions, and all other sums paid up to the period of separation; but the restoration of a dismissed Officer to the service entitles him to re-admission, on payment of arrears with compound interest at 8 per cent. per annum, within a period equal to and immediately succeeding that of his disqualification.

Art. 25. Subscribers who retire from the service on the prescribed Pension of their ranks, or on Half Pay, or on Lord Clive's Fund, shall not forfeit their rights as Subscribers to the benefits of the Fund, provided they continue the payments prescribed in Table *B*. The two last classes may, if they prefer it, pay donations and only half subscriptions, in which case their families at their death will be entitled only to half the benefits derivable from the Institution.

Art. 26. Subscribers who leave the service before they are entitled to any pension, cease to be members of the Fund, and shall not receive back any part of the sums they may have paid to it.

Art. 27. Current Payments due by deceased Subscribers to the Military Fund, are recoverable from their Estates under the head of regimental debts.

Art. 28. The benefits derivable from the Fund are, *First*, such as are granted to Subscribers while living—*Second*, such as are granted to the widows and legitimate children of deceased Subscribers.

Art. 29. All applications for benefits will be decided agreeably to the Regulations, by the Directors, whose duty it will be in case of doubt to call for further information from the claimants; and if this information should not be satisfactory, they are authorized to disallow the claim till the decision of the Subscribers at large be known, to whom the case will be immediately referred.

Art. 30. A Subscriber of whatever rank proceeding to Europe on sick certificate, is entitled for his equipment to Company's Rupees 200, and if married, in addition thereto, to Rupees 200 for his wife, and Rupees 100 for each legitimate child who may accompany him. Retired Subscribers while unmarried are not entitled to any benefits from the Fund. Retired married Subscribers are entitled only to Annuities to their Families. The personal benefits shall be available to Subscribers agreeably to the present Regulations, but if a Member having received such personal benefits, shall within 3 months after his return to India, notify to the Secretary his intention to consider them as a loan, and shall repay the whole sum so received with interest at 9 per cent. per annum either at once or by monthly instalments not exceeding 36, he shall then be entitled to claim them, on any future occasion of proceeding to Europe on sick certificate, provided always that in no case shall his claim be admissible until full re-payment has been made of benefits received with interest thereon as above.

Sons may anticipate their annuities after fifteen years of age, at the rates in Table *F*, accordingly as the mother may, or may not, be living at the time; and if she should die after this anticipation, and before his attaining 21 years of age, the difference shall then be paid to the son according to the same Table, at the mother's death. In both cases a sufficient acquittance shall be required of the guardians for the security of the Fund against any future demand for annuity.

APPENDIX II.

1st May 1848.

RULES FOR THE ADMISSION OF OFFICERS OF THE NON-EFFECTIVE ESTABLISHMENT WHO DID NOT ENTER THE ARMY AS CADETS.

Officers on the Non-effective Establishment who did not enter the Army as Cadets are allowed to participate in the benefits of the Military Fund, to the extent and in the manner hereinafter described.

1. *Pensions to Widows.*

1. Officers of the above description will be allowed, on proof of health, to insure survivorship pensions for their wives, to the full extent of the regulated pensions to widows of Subscribers of corresponding rank on the regular establishment, or for one-quarter, a half or three-quarters of such regulated pension, on payment of an equivalent *single* or *monthly* premium according to age, to be determined on the principle laid down in Article 162, Davies' 1st Report (Formula *A*—*A B* taken from Tables 10 and 32) the amount of which premium can be ascertained on application to the Secretary.

2. In the event of the party preferring to insure by monthly instead of a single premium such monthly payment *will cease on the death of either the husband* or *wife*, and whichever mode of payment be adopted, the pension will be continued to the widow for life without being subject to suspension in case of her re-marriage.

II. *Pensions to Children.*

1. Officers of the above description at present in the service will also be allowed to secure for each of their children the full amount, or such proportion of the pensionary benefits held out to the children of members of the regular service as their means will allow, the proportions being restricted, as in the case of widows, to a quarter, a half or three-quarters.

2. Thus to secure the same pensionary advantage as is allowed the children of regular Subscribers, payment of the equivalent, as regulated by the last two columns of Table 21* if for *sons*, and by the corresponding columns of Table 26* if for *daughters*, must be made by *single premium*, and for half the benefits half the amount will be charged.

Application to insure for any of the above benefits, supported by certificate of health and of dates of birth of parents and children, must be preferred within six months from the date on which the Rule is passed by the Army; or the application will not be admitted.

Those who insure to the full extent of the pension allowed to widows of Members of the regular establishment, will be allowed to effect a further Assurance on promotion to a higher grade, or for any additional children that may be born to them, and those who insure for *less* than the fixed rates will be allowed to augment their original amount insured, on production of a fresh certificate of health and at the rates prescribed for their then ages: but to obviate complexity of accounts, such additional insurance by either party can only be allowed to be effected by a *single payment;* and if for an additional child the application must be made within six months of the date of birth.

The pensions assured to widows and children of the said Officers will be issuable without deduction on account of minimum; and it must be distinctly understood that Officers insuring as above are not eligible for personal benefits, either to themselves or families.

The case of Officers who may hereafter receive commissions on the regular establishment will be provided for on receipt of the revised Tables under preparation by the Actuary.

If an Officer of the Non-effective Establishment who shall have effected an assurance for his family shall be dismissed from the service, or leave his contributions unpaid for three months, such assurance will be null and void, and all advantages to his family will be forfeited.

No Widow is entitled to a benefit from the Fund until a sum equal to 10 months' pension has been received on her account.

The full amount of pension is payable only, after the subscriptions, &c. on her account amount to a sum equal to 15 months' pension. Payments exceeding 10 and less than 15 months' pension, entitle the widow to 5-6ths of the pension of her class. Pensions are not payable to widows on remarriage, or during coverture, but they become entitled to such on again becoming widows.

Pension is forfeited by incontinence. Pensions are not payable to the families of subscribers who die with six months' subscription in arrears, and subscribers 12 months in arrears are struck off the book. The Regulations at length may be had on application to the Secretary, and on payment of 4 annas per copy.

Major W. P. Macdonald, *Secretary and Treasurer.*

Rules.

I. This Fund is designated 'Taylor's Fund' to perpetuate the name of its

Reverend Founder, and its object is to afford relief to the Widows and legitimate Offspring of European Pensioners.

II. The Capital by which this Fund is to be supported, has been derived from the liberal contributions of the Public, and is invested in Government Securities in the names of three of the Committee.

III. The interest of this capital together with Subscriptions, to be applied to the proposed object, and after discharging such claims, all surplus in the hands of the Treasurer, will be half-yearly added to the Capital in even hundreds, together with the entrance donations of Subscribers, and all contributions received from private Individuals or other sources.

IV. To entitle a Widow to the benefits of this Fund, her Husband must have paid his entrance Donation, which has been in the first instance fixed at the small amount of Eight Rupees, but will be 12 from the 1st of January 1850.

V. The monthly Subscription is Eight Annas, to be paid quarterly in advance.

VI. Subscribers who are 12 months in arrears, will be struck off the Books if their Subscriptions are not *immediately* paid up on demand, and any subscriber dying with a half-year's subscription due to the Fund, will deprive his Widow of all claim on the Fund; if the amount due is less than this period, the same will be deducted from the Widow's Pension.

VII. The monthly Pension to a Widow will be 3½ Rupees, and 1 Rupee for each child under or above the age at which they can be admitted into the Government Asylums, but if no vacancies exist when so eligible, the Pension to continue until opportunity presents, when, if refused, the Pension to cease; the Maximum payment for Children is however never to be in excess of the Widow's Pension, and all such Pensions to cease at the age of 14.

VIII. The Committee will at once remove from the Pension List, any Widow known to be living a life of incontinence, or guilty of other notorious misconduct.

IX. The Children's allowance will be continued in the event of the mother again marrying, but on her death their cases to be specially considered.

X. Marriages considered by the Committee as death-bed marriages, will altogether exclude the Widow from Pension.

XI. To prevent abuse of this Charity, no claims to Pension will be admitted where the Husband may have been more than thirty years older than the claimant, and any attempt to deceive the Committee in regard to children, will involve the immediate expulsion of a Subscriber or of a Widow on the Fund.

XII. Pensioners married who do not join this Fund within a period of 12 months from date of transfer to the Pension Establishment, and Pensioners unmarried who do not join within 6 months from date of marriage, will not be admitted subscribers on this Fund.

XIII. The Secretary shall keep a Register of Subscribers, their Wives and Children; it is therefore incumbent on Subscribers to report their marriages, and the births and deaths of Children, in default of which their families will be liable to a forfeiture of benefits, for this Register must be the Committee's guide in regulating claims to Pension.

XIV. Should the Subscriptions and interest of Capital fall short of the demand for payment of Pensions, it will be in the power of the Committee to direct a proportionate deduction from Pensions; in like manner should the prosperous state of the Funds justify an increase in Pensions, it shall be competent to the Committee to direct the same to the extent of Rupees 5 in lieu of 3½, with the same limit for Children.

XV. The affairs of this Fund shall be conducted by a Committee to meet Quarterly, 3 of whom shall be sufficient to act in the name and behalf of the whole, save that no Rule shall be altered until submitted individually for consideration, and be confirmed at the next Quarterly Meeting.

This Institution was established by the Right Honorable Sir Frederick

Adam, K. C. B., by a General Order of Government, dated 13th February 1835, for the instruction in "Medicine and Surgery," of East Indians, and Natives, entering the Medical branch of the Service. The benefits of instruction have been since thrown open, gratis, to the community at large.

The course of education consists of Materia Medica, Botany, Chemistry and Pharmacy, Anatomy and Physiology, Surgery and Practice of Medicine, Midwifery and Diseases of Women and Children, Diseases of the Eye, and Medical Jurisprudence, with Clinical Instruction on Medicine and Surgery.

A building has been appropriated solely to the objects of the Institution, the foundation of which was laid in December 1836.

A separate building for conducting Practical Anatomy has been added, and a Laboratory has been recently constructed.

A Museum has been formed, which in addition to *morbid* specimens, possesses numerous *anatomical* preparations for illustrating that branch of the course of instruction.

The Institution is supplied from time to time with a selection of works on the several branches of study, for the purpose of forming a Library of reference, and of providing the pupils with such works as may be required as text books for instruction.

The course of instruction extends from 1st August to 15th April inclusive: and the Annual examination of the College is held in April.

The pupils in attendance at the College, consist of *Medical Apprentices, Native Medical Pupils, Stipendiary* and *Private Students.* The two former are promoted, respectively, to the ranks of Assistant Apothecary and Native Second Dresser, for the duties of the Army, and the Stipendiary Students are nominated for appointment as *Native Surgeons* for employment in the Civil Department. The number of pupils in attendance at the College on the 1st August 1852 was 124.

The period of instruction for each class of Students is as follows, viz.:

For Military Students.....Apprentices.....4 years.
Medical Pupils..3 do.*
For Private and Stipendiary Students .....5 do.

* 2 years' additional study as preparatory Students at the High School is now required when Native lads are unable at once to pass the preliminary examination.

Parties desirous of being married should apply direct to some Surrogate residing near them; but from places where there is no Surrogate, application should be made to the Registrar, who will procure a commission, under the episcopal seal, authorizing some person to administer the usual oaths and grant the necessary license. None but a Clergyman of the Church of England can marry by virtue of an episcopal license. Parties who cannot on account of distance obtain the services of a Clergyman to marry them, must state the fact, and apply to the Town Major, Fort St. George, who will obtain the permission of the Right Honorable the Governor for their marriage, under which the Senior Judicial Officer of any station is authorized by Government to marry them.

In the case of a minor in H. M. or the Honorable Company's Service, the written consent of the Governor must be obtained previous to the publication of banns, or the grant of a license.

Further information respecting marriages can be obtained on application to the Registrar of the Diocese (F. Orme, Esq.)

Whereas a certain Table of Fees to our Registrars was lately intended to be adopted and certified by our late well beloved John Mathias Lord Bishop of Calcutta, in and for our several Archdeaconries; and whereas in consequence of the death of the said John Mathias, and of the Archdeaconries of Madras and Bombay having been since made separate Dioceses, and in consequence also of our disapproval of many of the Items in such Table from the curtailments in the stipends of the Clergy;—We Daniel Lord Bishop of Calcutta have thought fit to revoke, and accordingly do revoke and cancel a cer-

tain instrument under seal bearing date the Twentieth day of July 1831, under which it was intended to certify such Fees: And whereas we still consider that a reasonable certain and consistent Table for all the business hitherto usually charged for and to be done, should be certified and established to prevent exaction, and contention, and in order that nothing may be unreasonably demanded or exacted or unlawfully taken by those employed, but such as seem to us suitable, customary and unobjectionable in their nature, and at the same time afford a moderate professional remuneration to those Registrars whose services are thus rendered: We therefore as far as we lawfully may and can, having considered and given our best consideration to the subject, do certify the foregoing graduated scale to be in our opinion reasonable and such as may not be (with reference to the usages in the Dioceses elsewhere) improperly taken by our Registrars and Secretaries for business considered to be of a voluntary and private kind, and where the acts done are not exclusively for Government objects or of the state, and of a nature for which public provision is made.

And we order that a Table of these Fees be placed up in some conspicuous part of the Registry.

In testimony whereof we have affixed our hand and Seal dated this Thirty-first day of May, in the Year of Our Lord One thousand Eight hundred and Forty-two, and in the Eleventh Year of Our Consecration.

Rules for Chaplains and Assistant Chaplains.

FORT ST. GEORGE; *June* 2, 1840.

The following Rules for the guidance of Chaplains and Assistant Chaplains, revised under instructions from the Honorable Court of Directors, are published for general information, in modification of the Order of Government dated 30th July 1839.

1. Every Chaplain and Assistant Chaplain, on his arrival at the Presidency from England or elsewhere, shall report the same to the Secretary to Government in the General Department, as well as to the Chief Ecclesiastical authority in the Diocese.

2. Every Chaplain and Assistant Chaplain must report his arrival at his Station to the Chief Ecclesiastical authority in the Diocese, to the Civil Auditor, and to the Chief Civil or Military authority of the Station.*

3. Funerals are to be appointed at sun-rise and sun-set, and the Clergyman is to attend at the latter time if he receives notice of a funeral before 3 o'clock P. M., but if the notice arrives after that hour, the interment is to take place on the morning following: cases however may occur which may require a deviation from the general rule.†

4. Commanding Officers, in concurrence with the Chaplain, will fix the time for officiating at divine service on Sunday with the Soldiery.

5. Attested copies of the Registers of Baptisms, Marriages and Funerals, must be transmitted regularly every 3 months to the Registrar of the Archdeaconry, viz. on the [31st March, 30th June, 30th September, and 31st December.] ‡

6. All Marriage Certificates of Europeans, being Soldiers, or persons employed in the Military Department, under the rank of Commissioned Officer, shall specify distinctly the birth of the female, whether European, Indo Briton, Native, &c.

7. The Chaplain is to enter carefully all the Marriages, Baptisms, and Burials of Soldiers and their Children in the Regimental Register Book of the respective European Corps, as well as in the usual Register kept by the Station Chaplain.

8. The Chaplain of every Station, where any of Her Majesty's Regiments are stationed, must forward to the Registrar of the Archdeaconry, for transmission to the Chaplain General's Office, half-yearly, and for any broken period that may occur previous to his leaving the Station in which he is employed, a copy, duly signed by himself and by the Officer in Command of the Station, of the Regimental Registers of Marriages and Baptisms now kept in conformity with the general Regulations on this subject.

9. The Chaplain at a Military Station is to visit regularly, at least twice in each week, the European Hospital or Hospitals. He is carefully to superintend and inspect the European Regimental and other Schools, visiting them for this purpose not less than once a week, and to represent any matter concerning their management to the Commanding Officer, which may require his notice. Provided, however, that in the performance of the above duties he shall not interfere with the religious persuasion of those who do not profess the tenets of the Church of England. He is to report to the Commanding Officer on the 1st of January and the 1st of July in each year, and oftener if necessary, the state of the European Regimental Schools, the qualifications and conduct of the Master, and the proficiency of the Scholars.

* This rule is made applicable to a Chaplain's departure to, or return from, out-stations of his district.

† NOTIFICATION. *Fort St. George, August* 31, 1832.

In consequence of frequent errors in the Notices of funerals, served upon the Clergy, which may seriously affect the Registration, all notices not signed by a Military Officer, should hereafter be signed by a Member of the family from whose house the funeral may proceed, as well as by the Undertaker. In all cases where the funeral notice does not bear such required counter-signatures, the Officiating Chaplain will be responsible for obtaining them and all necessary information, if possible, before quitting the Burial Ground.

Notices of funerals proceeding from the General Hospital at Madras should invariably be signed by the Surgeon in charge; and at up-country stations notices for the interment of persons, not belonging to any Corps or Detachment at the place by the Fort Adjutant or other Staff Officer.

By order of the Right Hon'ble the Governor in Council.

H. C. MONTGOMERY, *Chief Secretary.*

‡ Dates altered, (under authority) subsequently to the promulgation of these Rules.—COMPILER.

10. All communications from the Clergy are to be addressed to Government through the Lord Bishop, in order that he may make such remarks thereon as his Lordship may think proper; when the Diocese shall be vacant, communications are to be addressed through the Archdeacon, or other Chief Ecclesiastical authority. All applications for change of station must be made direct to the Right Honorable the Governor, or his Private Secretary, and to the Lord Bishop or Chief Ecclesiastical authority in the Diocese.

11. A Chaplain directed to visit the Out-Stations of his District periodically, is permitted to draw a travelling allowance at the rate of 200 Rupees per mensem, calculated at the rate of one day's allowance for every 10 miles, allowing for a halt on the 7th day: provided however that the allowance drawn on this account shall in no case exceed 200 Rupees per mensem. The documents required in support of the travelling expenses of Chaplains will be—1st, the order or authority of the Lord Bishop for proceeding on such journey; and 2dly, their own declaration on honor that the journey so authorized has been performed.*

12. Any Chaplain leaving his Station, whether with or without the orders of Government, shall be bound to report the circumstance to the Civil Auditor.

13. Any Chaplain who may be removed from one station to another, shall in like manner report to the Civil Auditor the dates of his departure from the one and of his arrival at the other, and the Civil Auditor is restricted from passing the bill of any Chaplain appointed to a new station, for the allowance belonging to such Station (without the special orders of Government), until he shall have received a report of his arrival at the place of his appointment.

14. Any Chaplain returning to the Presidency after a sea voyage for the recovery of his health, or otherwise, shall (unless the contrary is specially sanctioned by Government) be required to rejoin his station within the time that may be prescribed for travelling to the Station to which he stands appointed.

15. When a Chaplain proposes to quit his principal Station, for the occasion of visiting † any of his appointed smaller Stations, or when he intends to apply for temporary leave of absence, he must give timely notice to the Chief Civil and Military resident authorities, (and state in his application for leave that such has been done), in order that if there be any cogent reasons against the absence of the Chaplain, they may be submitted to the Governor in Council.

In reference to the foregoing revised Rules for the guidance of Chaplains and Assistant Chaplains, the Right Honorable the Governor in Council directs, the republication of the following Rules for regulating the absence and travelling allowances of Chaplains and Assistant Chaplains, which forms Chapter VI. of the General Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation allowances, promulgated on the 21st Feb. 1840.

No. 172 of 1842.—The Right Honorable the Governor in Council has been pleased, in the Ecclesiastical Department, under date the 13th instant, to direct that the following Rule for the guidance of Chaplains be re-established under this Presidency.

"The practice of baptizing in private houses is to be avoided by the Chaplain as much as possible, and the Clergyman is to attend at the place appointed for divine service on some fixed day and hour in each week, for the purpose of baptizing Soldiers' children; however, this is not to be considered as authoriz-

No. 63 of 1851.—The Right Honorable the Governor in Council directs the publication in General Orders of the following rule, established in the Ecclesiastical Department in 1845, for the performance of Divine Service at Military Stations during the absence of the Chaplain.

"The Reverend Chaplain at a Military Station is to nominate an Officer to read Prayers and a sermon (selected by the Chaplain) for the approval of the Commanding Officer, when the services of a Clergyman of the Church of England cannot be obtained."

Chaplains' Visits to Out-Stations.

Extracts from Court's Despatch, 12th April 1842.

"In Section 27 of the Regulations respecting leave of absence and deputation and travelling allowances which we have recently approved, you will find a rule on the subject of travelling allowances on joining a Station, and when any change takes place except at the desire of the Chaplain or Assistant Chaplain.

3. But to avoid inconvenience and guard against the possibility of misunderstanding, we think it desirable that for every circle of stations the Lord Bishop should be requested to frame a plan determining the periods at which each place shall be visited by the Chaplain or Assistant Chaplain officiating in such circle, which plan being approved by Government shall continue in force till varied by the same authority. As minute local information will be necessary to the successful formation of such plan, we can only offer a few suggestions on the subject. The frequency of ecclesiastical visits should be governed in a great degree by the extent of the Christian population of the place to be visited. A place may contain not more than 3 or 4 members of the English Church, and though it might not be right to exclude those few persons from the benefit of Christian ordinances, it is obvious that in the present state of our Ecclesiastical Establishment such a place could not be visited frequently without injury to others of greater importance. An annual visit might in some cases be all that could reasonably be afforded; while to others, visits twice, three or four times a year might be expedient; and to others again, which might be more populous, it might be desirable that visits should be made once in six weeks, or once a month.

4. When a circle of Stations may from the deficiency of our Establishment, or any other cause, be left without a resident Clergyman, we are of opinion that the Chaplain or Assistant Chaplain of a neighbouring district should, as desired by the Lord Bishop, be appointed to visit the station thus deprived of clerical services. In such cases the most convenient course will be for the Lord Bishop to bring the subject to the notice of Government, and submit a plan of visitation. Such plan being approved, the Chaplain or Assistant Chaplain who can most conveniently discharge the required duty should be specially appointed thereto, and there forward be entitled to draw travelling allowances in conformity with the provisions of the plan, and in accordance with our Financial Despatch of the 30th October 1839.

6. We should lament that the practice of visiting stations at which no Clergyman is permanently resident should be discontinued, and it would be unjust to subject the Clergy to the expense attendant on such visits. Under these impressions we deem it proper to sanction the payment of such reasonable charges, not exceeding those authorized in our Despatch of the 30th October 1839, before referred to: and we are encouraged in this view by the fact that although Chaplains and Assistant Chaplains when absent from their duty are subjected to the same deductions as Civil Servants, no charge is incurred in providing for the duty of the absentee. The deductions may thus be regarded as a fund, meeting to a certain extent the extra charges incurred by occasional or provisional visits of the Clergy to Stations at which they do not reside."

Rank, Furlough, and Retiring Allowances of Chaplains,

APPOINTED PRIOR TO AUGUST 31, 1836.

Extracts from an Ecclesiastical General Letter to the Supreme Government, dated the 22d November, 1826.

Para. 2d. We have lately directed our attention to the Regulations under which Chaplains are permitted to retire from the service, and from an anxious desire to promote the respectability and comfort of that class of our Servants, we have resolved that the retiring pay of Chaplains after a service of eighteen years, including three years Furlough, be augmented from £292 per annum, the pay of Major, to £365 per annum, the pay of Lieutenant Colonel, and that in cases of bad health certified in conformity with existing Regulations, Chaplains shall be allowed to retire after ten years' actual service upon £200, 15, 0, the half pay of Lieutenant Colonel, instead of £173, 7, 6, the half pay of Major; and upon the production of similar certificates after seven years' actual service upon £173, 7, 6, the half pay of Major, instead of £127, 15, 0, the half pay of Captain.

3d. We have further to acquaint you that we have determined to abolish the designation of Junior Chaplains; and we desire that the Chaplains be hereafter distinguished only by the title applicable to the Stations at which they are placed—such as Chaplains at the Presidency and District Chaplains.

Rank, Furlough, and Retiring Allowances of Chaplains,

APPOINTED SUBSEQUENTLY TO AUGUST 31, 1836.

Extracts from a Letter from the Honorable the Court of Directors.

ECCLESIASTICAL DEPARTMENT, *August* 31, 1836.

Para. 1. Our attention has been drawn by the Government of India, on the suggestion of the Lord Bishop of Calcutta, to the necessity of increasing the number of Chaplains, for the purpose of extending the benefit of religious offices more widely than the present Establishment will admit.

2. While we were fully sensible of the importance of the desired object, and very anxious to promote its success, we felt that we should not be justified in making such an addition to the amount of Ecclesiastical charges, as would result from the appointment of an increased number of Chaplains upon the existing scale of remuneration. We determine therefore to make such new arrangements with regard to the Chaplains on the Bengal Establishment, as should enable us to add to their number, and thus provide more adequately for the spiritual benefit of the European residents, without any serious increase of expense. We have resolved to extend the principle of those arrangements to your Presidency, with the view of accomplishing the same beneficial purpose.

3. We intend that the number of Chaplains under your Government shall be increased from 23 to 29. The salaries are to be apportioned as follows;—the two Chaplains at the Presidency will receive the same amount as at present; nine will receive Company's Rupees 700 per mensem, and the remaining 18 Company's Rupees 500 per mensem. These salaries will constitute their entire emoluments from the Company. The payments heretofore made under the name of palanquin money will cease, and we shall on no account sanction any extra allowances, whatever may be the grounds upon which they may be claimed.

4. The Chaplains receiving the lower amount of 500 Rupees per mensem will be termed Assistant Chaplains, and in future all appointments will be made

to this Class. The Assistant Chaplains will succeed to the higher rank, and the higher rate of salary, according to seniority, as vacancies occur in the superior class, after it shall have been reduced by casualties to the prescribed number of nine.

5. As vacancies arise they will be supplied in the following manner; on the occurrence of the first vacancy two Assistant Chaplains will be appointed, on the second only one, and on all succeeding vacancies, the same principle will be acted upon, viz. that of an alternate appointment of two and one until the establishment attains the full extent of 29, to which we have restricted it, after which each vacancy will give rise only to a single appointment.

6. The principle which we have adopted throughout these arrangements requires that the furlough and retiring allowances should be modified so as to meet the intended changes. These allowances will in future be on the following scale:

Furlough Allowances.

After 7 years' residence.....£191 12 6 per annum..(full pay of Captain.)

If compelled by sickness to retire to Europe before completing 7 years' residence .....£127 15 0 per annum..(half pay of Captain.)

Retiring Allowances.

After 18 years' service (including 3 years' furlough).... ....£292 0 0 per annum..(full pay of Major.)

After 10 years' actual service (if compelled by ill health to quit the service)..... ....£173 7 6 per annum..(half pay of Major.)

After 7 years' actual service (do. do. do.) £127 15 0 per annum..(half pay of Captain.)

The present Chaplains* will be entitled to the existing scale of allowances, as well for services as on furlough and retirement; these regulations being wholly prospective, and only affecting an appointment made after the date of this despatch.

7. The location of the Chaplains under the new arrangements, will be best regulated by reference to the opinion of the Lord Bishop.

Pensions from Lord Clive's Fund.

Extracts from a Letter from the Honorable the Court of Directors, dated 9th October 1833.

Letter dated 22d January 1833; (No. 13.)

1 to 9—State that, from the nature of the Orders received from time to time, some doubt exists as to the scale of Pensions which the Court are disposed to recognize as claimable from Lord Clive's Fund, by Chaplains retiring from ill health before the full period of the Service, and by the Widows of Chaplains, and request to be furnished with fresh and explicit instructions on the subject.

Para. 11. Chaplains who have not served 7 years in India are admissible to the benefit of Lord Clive's Fund in the rank of Captain. After completing a service of 7 years, their retiring allowances are provided for independently of Lord Clive's Fund, by the Regulations conveyed to you in our Ecclesiastical Letter of the 22d November, 1826.

* By a recent order of the Honorable Court the nine full Chaplains are each of them to receive not less than Rs. 700 per mensem.

12. As by the Regulations announced in that letter, Chaplains may retire on the full pay of Lieutenant Colonel after 18 years' Service, (including 3 years for a furlough) we have considered the Widows of those who die in the service after completing that period to be eligible to the benefits of Lord Clive's Fund in the rank of Lieutenant Colonel.

13. The Widows of Chaplains who have completed 7 years' actual service in India are admissible in the rank of Major; and those of Chaplains of less service in the rank of Captain, being the ranks the pay of which is receivable by those classes of Chaplains respectively when on furlough.

14. You will communicate a copy of these paragraphs to the Governments of Madras and Bombay.

Extracts from a Letter from the Honorable the Court of Directors, dated 14th March 1838.

Para. 25. "We have to acquaint you that the claims of the Chaplains appointed under the new arrangement, and of their Widows, to the benefits of Lord Clive's Fund, will be adjusted upon the principles laid down in our letter to the Government of Bengal, dated 9th October 1833 (No. 93) paras. 12 and 13.

26. Chaplains who have not served seven years in India will therefore be entitled, if admitted to the benefits of Lord Clive's Fund, to a pension of £63 17 6 per annum, and their Widows to one moiety of that sum.

27. The Widows of Chaplains who have completed seven years' actual service in India, if admitted to the benefits of Lord Clive's Fund, are entitled to pensions as the widows of Captains.

28. The Widows of Chaplains who have completed fifteen years' actual service in India, if admitted to the benefits of Lord Clive's Fund, are entitled to pensions as the widows of Majors.

29. We are of opinion that Chaplains appointed under the new arrangement should rank as Subscribers to the Military Fund—as Captains until they have served fifteen years in India, and subsequently as Majors."

Fort St. George, 6*th June* 1848.

No. 118 of 1848.—The Right Honorable the Governor in Council is pleased, with reference to the extract entered in the margin, from a letter from the Honorable the Court of Directors, dated 23d February 1848, No. 9, to notify that in future, the application for admission to the benefits of Lord Clive's Fund, of the Widow of a Chaplain whose service was under 7 years, is to be accompanied by an affidavit in the prescribed form, that her Husband did not die possessed of property to the amount of 1,000£.

"It is our practice, to require from the Widows of Chaplains whose service is under 7 years, the same oath, as is received from the Widows of Lieutenants, viz. that their late husbands did not die possessed of, or entitled to, the sum of £1,000."

Rules for the appointment of Lay Trustees.

Fort St. George, *August* 24, 1844.

The Most Noble the Governor in Council resolves to establish the following Rules for the appointment of Lay Trustees to the several Chaplaincies, in substitution of those of the 1st of March 1833.

First.—Two Lay Trustees shall be appointed to each Chaplaincy.

Second.—*At Civil Stations, or Joint Civil and Military Stations*, the Senior Civil Servant of the Station shall be a Trustee, provided he is a communicant of the Church of England, and has no objection to hold the office.

At Military Stations—The Officer Commanding the Cantonment, or Garrison, under the same provisos.

Should either of these Officers not be desirous of holding the office, it will be his duty to report the same to Government, and to name for the appointment the Officer next in seniority, Civil or Military, qualified for the Office, who may be willing to undertake the duty.

Third.—The Chaplain, in communication with, and with the concurrence of the Lord Bishop, will nominate, for the approval of Government, a Gentleman in the Service of Her Majesty or the Honorable Company to act as a Co-Trustee.

Fourth.—The Lay Trustees shall, in conjunction with the Chaplain, form a Committee of Management on all Church matters, and shall meet for business once in each month, or oftener if necessary. All papers, or references on subjects before the Committee, must be signed by both the Lay Trustees, unless for special reasons to be assigned.

Fifth.—The Chaplain or Officiating Chaplain present shall, as a mark of respect due to religion in the person of her Ministers, preside at all meetings of the Committee of Management, and sign all proceedings and letters as President, and the two Lay Members, in the order of their relative official rank.

Duties of the Lay Trustees.

1. It shall be the duty of the Lay Trustees to present to the Bishop, or his Archdeacon, at their Visitation, or immediately by letter, and at any time on the requisition of the Lord Bishop or his Commissary, any irregularity or scandal on the part of the Chaplain, or in connection with the Chaplaincy, which may have occurred within the District.

2. To aid and assist the Chaplain in the performance of his duties.

Duties of the Standing Committee of Management.

The Committee of Management shall take charge of the School and Charity Funds connected with the Chaplaincy; see that the Church Yard and Burial ground are kept in becoming order; take charge of the Plate, and the care of the goods, repairs and ornaments of the Church, or other building appropriated to the performance of Divine Service, and represent to Government, through the Ecclesiastical Head, any deficiency in these particulars which they may think it necessary or desirable to supply.

The Chaplain, as President, will report to Government any vacancy in the office of Lay Trustee.

Published by order of the Most Noble the Governor in Council.

Official Returns of the Clergy.

Ecclesiastical Department.

With a view to ensure regularity and completeness in the Official Returns of the Reverend the Clergy, it is directed by the Archdeacon, under instructions from the Honorable the Court of Directors, and with the approbation of Government, that in future the following regulations be observed, viz.

1. That when any Chaplain or Minister applies for permission to return to Europe, or for any permanent leave of absence from his Station, he shall forward with his application a declaration that he has duly made his Official Returns to the Registrar, or is prepared to do so, up to the day on which his departure from his Station is to take place.

2. That the same rule is to apply to Clergymen removing from one Station to another; and that every Chaplain so removing shall before quitting his Station, not only forward his Returns up to the day of his departure, but transmit also a declaration to the Authorities that he has done so.

3. That, in case of the death of a Chaplain at his Station, a copy of the entries in the Registers from the date of his last Quarterly Returns to the period of his demise, shall be made by the local public authority in whose official possession the original public Registers may happen for the time to be lodged or come, and be immediately forwarded by such local Officer to the Registrar; the same being, however, first duly examined and countersigned by the Chief lay public authority of the Station; this being considered the most effectual mode of providing for the completeness of the General Quarterly Returns at present transmitted to England by the orders of the Honorable the Court of Directors.

By direction of the Venerable the Archdeacon of Madras, Commissary to the Lord Bishop, dated the second day of October, 1843.

Fredk. Orme, *Registrar of the Archdeaconry of Madras.*

Rules for the Registry of Baptisms, Marriages, and Funerals.

1st. Entries in a Church Register can be made by a clergyman only, and of such duties only as have been performed by himself. The entry must be made on the same day on which the service recorded is performed.

2d. Should there be no Register book at the place where the duty is performed, or no chaplain resident to make the prescribed quarterly returns, the clergyman officiating must transmit to the Registrar of the Diocese by post, a certificate of the baptism, marriage, or funeral as soon as the service is over.

3d. Where the services of a clergyman cannot be obtained, baptisms, marriages and funerals are to be performed by the Senior Judicial Officer or Commanding Officer at any Station, in conformity with the orders that have been issued by Government; and in case of great emergency, a child may be baptized by the parent or guardian, or by some friend acting for the parent or guardian; but it is to be clearly understood that, when any other than a clergyman administers the ordinance, the office for *private* baptism is alone to be used; and that a certificate by the person officiating at the baptism is to be despatched the same day to the Registrar of the Diocese, to be filed among his records.

Forms of Ecclesiastical and Lay Returns.

NOTIFICATION.

Fort St. George, December 3, 1851.

The Right Honorable the Governor in Council directs that the following Forms of Ecclesiastical and Lay Returns be strictly observed throughout the Diocese of Madras.

The Clergy, including the Presbyterian Chaplains, and others entrusted with the Registry of Sacred Offices will be careful to forward transcripts of the same, written in a clear and legible hand, to the Registrar of the Diocese, who will enter them, as received, in his general Register to be alphabetically arranged *according to the Stations*—such as Arcot, Arnee, Bellary, Bangalore, Black Town, Cuddalore, Cuddapah, &c. &c.

The Lay Returns will be kept distinct from the Ecclesiastical.

FUNDAMENTAL RULES.

1.—That the name of the Society be THE MADRAS DIOCESAN ADDITIONAL CLERGY SOCIETY.

2.—That the Right Reverend the Lord Bishop be President, and that the affairs of the Society be conducted by a Committee consisting of the President, the Venerable the Archdeacon, and eleven other Members of the Society, being Members of the Church of England, of whom not less than six shall be Laymen, to be chosen annually by the Subscribers, but with power to fill up vacancies until the ensuing Annual Meeting; and that one of the Clergy be requested to undertake the duties of Secretary; and that accounts be kept with Messrs. Arbuthnot and Co. for floating balances, and with the Government Agents for investment.

3.—That the Clergy in the Mofussil be requested to become Corresponding Members of the Committee; and that the Committee be empowered to add also to the number of Corresponding Members Lay Gentlemen, at their discretion.

4.—That the Subscription be not limited, but the smallest be thankfully received, and that Subscribers of one Rupee a month, and upwards, or Donors of 100 Rupees, be Members of the Society; and be entitled to vote at all General Meetings.

5.—That all Subscriptions raised for the Society be transmitted by the Corresponding Members direct to the Secretary in Madras.

6.—That, before an application for a Clergyman be complied with, the Station applying be required to satisfy the Committee of a suitable provision being made for his residence rent free.

7.—That in addition to a residence thus provided, the monthly stipend of the Clergyman be fixed by the Committee, 100 Rs. being the minimum and 300 Rs. the maximum; and that it be payable from the date of his appointment if engaged within the Presidency; or from the day of his landing if engaged in Europe.

8.—That a travelling allowance be granted to the Clergyman upon his first joining his Station, or upon his Station being changed, at the rate of 8 Annas a mile.

9.—That the Fees for the Clergyman's license be paid by the Society, but that the Society be responsible for no further payments.

10.—That a Clergyman leaving his Station with the permission of the Committee be allowed to draw three-fourths of his salary for one year, and one half for the second year: but after the expiration of two years, he be entitled to no allowance during his absence.

11.—That the Bishop of the Diocese be entitled to grant one month's leave of absence in each year to the Clergymen in connexion with this Society without any loss of their allowances.

12.—That, with a view to give stability to the Society, all surplus funds, after defraying the current expenses, be invested in Government Securities, and form the Capital of the Society.

13.—That no engagement be at any time entered into by the Society, unless

(1.) The CAPITAL be not less in amount than the aggregate of three years' salary of all the Clergymen on the Society's list after the engagement is made, and unless also

(2.) The INCOME of the Society be sufficient to meet the current expenses thus increased, without the prospect of entrenching upon the Capital.

14.—That a guarantee be given in writing to each Clergyman, when taken upon the Society's List, that in case of such a defalcation of funds as to render it necessary, three years' notice shall be given him before any diminution be made in his salary, unless for other causes his connexion with the Society be dissolved; that this notice shall be given only in case the capital becomes less in amount than the aggregate of three years' salary of all the Clergymen on the Society's List, and not sooner; that this notice shall be given first to the last Clergyman brought upon the Society's List, and then to the last but one—and so on in the inverse order of their appointments; and shall be cancelled by a counter notice from the Society when the funds so improve as to repair the defalcation.

15.—That when it is necessary to send to Europe for a Clergyman to meet an application from a station, the Committee be at liberty to make arrangements regarding the expenses of his coming to this country.

16.—That it be necessary for Clergymen, or Candidates for Holy Orders, upon applying to be engaged in the service of the Society, to transmit to the Secretary the usual testimonials, together with a Medical Certificate of general health and strength, equal to the performance of ministerial labour in India. And that

a copy of the Rules of the Society be forwarded to each by post, whether in Europe or India, upon the first opening of negotiations.

17.—That the selection and engagement of Clergymen in connexion with this Society be vested in the Committee, who shall present their nominee to the Bishop for his Lordship's License; and that no Clergyman or Candidate for Holy Orders shall be placed on the list of the Committee, and presented to the Bishop, but with the consent of two-thirds of the number of the Committee.

18.—That a Meeting of the Committee shall be held quarterly in the months of March, June, September and December; and that all papers be circulated in the intervals—the ordinary business of the Society being conducted by the Secretary: but that no grant be made, no Clergyman engaged, nor any extraordinary outlay incurred without the sanction of the Committee: and that a Special Meeting be summoned when requested by the President or any two Members of the Committee.

19.—That a General Annual Meeting of the Society be held in the month of January; when the Annual Report shall be presented to the Subscribers with a Statement of the Accounts; and that the Committee shall have power to call a Special General Meeting at their discretion; and no Fundamental Rule shall be altered or rescinded but on the recommendation of the Committee at a General Meeting of the Society, after fourteen days' notice of the proposed alteration shall have been given in the *Fort St. George Gazette*.

20.—That this and all the foregoing Rules be considered Fundamental Rules of this Society.

21.—That the Committee have power to make such Subordinate Regulations and Bye-laws as they shall deem necessary; provided they be not at variance with the Fundamental Rules of this Society.

Additional Rules adopted at the Annual Meeting on Tuesday, the 27th January 1852.

1.—That in the event of a Clergyman being compelled to return to Europe on Sick Certificate to the satisfaction of the Committee, Passage money not exceeding Rupees 1,500 for a married man, and Rupees 1,000 if single, be granted; and that an allowance at the rate of £100 per annum be given for the period to which his leave of absence extends: it being clearly understood that any person coming under the operation of this Rule shall not, at the same time, be entitled to the benefit of Rule X.

2.—That in special cases, to be approved by the Bishop, the Committee be authorized to employ Scripture Readers.

BYE-LAWS AND TERMS OF AGREEMENT WITH AGENTS,

to be signed by every Individual prior to his engagement, one copy to be deposited with the Secretary, and one copy with the Agent.

1. Before a permanent engagement is made with any Agent, either Clergyman or Layman, in this Country, he shall be required to satisfy the Committee in regard to his doctrines and general character by testimonials from, and if practicable by reference to, one Clerical and one Lay friend at least; the testimonials to extend over not less than 18 months last past. He shall also furnish the Committee with replies to the paper of questions adopted by the home Committee, and to such other inquiries as seem necessary, together with a medical certificate of health.

The engagement shall be in the first instance for a fixed term, renewable with consent of both parties,

2. If the Agent has been brought from England he shall be entitled to Passage money home at any time after the expiration of his engagement, if still in connection with the Society ; or, in case of sickness, at an earlier date, on a certificate, from two medical gentlemen, according to the following rates.

The Passage money and outfit from England shall be for a married man £180, for a Bachelor £120; Clergymen shall be entitled to a further outfit on arrival in Madras amounting to Rs. 250 for a married man, and Rs. 150 for a Bachelor. Passage money home to be for a married man Rs. 1,500, for a Bachelor 1000 ; but in case of his return home within the first year he shall receive if married Rs. 900, if single Rs. 600.

3. If an Agent relinquishes his engagement before the time, without consent of the Committee, he shall refund all his passage money and outfit, if it be in the first half of his stipulated period, and the moiety of it if it occur in the latter half of his period, and forfeit all claims upon the Society.

4. The Committee shall be at liberty to dissolve their connection with any Agent who shall preach or avow important doctrinal views at variance with what he professed to hold on joining the Society, or who shall be found guilty of any immoral or unworthy conduct. In such case two months notice or two months salary shall be given, with passage money according to Rule 2, if the Agent have come out from England.

5. If no engagement for any specified time should exist, 6 months notice of retirement shall be given by an Agent, provided it commence between the 31st January and the 31st July ; but 12 months notice may be required at any other part of the year.

6. Travelling allowance at the rate of 8 annas a mile shall be given to Agents sent to any Station up the Country, or travelling in the service of the Society.

7. The Salary of an Agent brought from England shall commence from the date of landing in this country, and from the date of appointment if the engagement be made in India.

8. All ecclesiastical fees due from Agents shall be paid by the Committee.

9. In case of certified illness, leave of absence (if for more than a fortnight,) shall be granted by the Committee at their discretion to an extent not exceeding 18 months, and an Agent shall be allowed to draw ¾ of his salary for 6 months, and ½ afterwards.

10. An Agent may be allowed, at the discretion of the Committee, to enjoy one month's leave of absence during the year without any loss of pay ; it being understood that if he has omitted to take this month in one year it may be granted to him in the next at the discretion of the Committee.

11. At the expiration of 7 years of continued service an Agent shall be entitled to take a furlough of two years, giving 6 months notice of his intention. When a furlough is taken the Committee shall pay his passage home and back, either according to the established rate, or overland, as may appear most advisable, together with a gratuity of 3 months salary, and the Agent shall be entitled to no further pay during his absence.

12. Should absence on urgent private affairs be necessary, a Superintendent may grant leave to any Lay Agent, not exceeding 8 days, subject to the sanction of the Committee, and Clergymen shall communicate on the subject with the Secretary.

Madras City Mission.

Established at a Meeting held 5th November 1847.

The special object of this association is to ameliorate the moral and spiritual condition of those numerous *Europeans* and *Indo-Britons* in Madras and its suburbs, who through poverty ignorance and neglect are, to a lamentable extent, living without God in the world.

The broad principle on which it stands is that of an operative Evangelical alliance—to embrace all who look to *Christ as all and above all*; and who are constrained by his love to work together, though now they see not eye to eye in minor things, to promote his glory. All such persons are invited to join it; and by becoming contributors to its support are constituted members of it.

The power by which this association proposes to act for the accomplishment of its object, is simply that of the written word of God, in direct dependence on the Holy Spirit's almighty co-operation.

The agency by which it will apply this power is that of simple men of God of humble grade; qualified by personal experience of the preciousness of "the truth as it is in Jesus," to make the same known in the houses of the poor.

The affairs of the Mission are managed by the annexed Committee, of whom 16 form the Executive Committee.

Out of the Executive Committee three Sub-Committees have been established for special purposes: viz.

1. A Sub-Committee of *Agency*—to prosecute inquiries in different parts, far and near, for suitable agents; to conduct preliminary investigations for ascertaining their fitness for presentation as *Candidates* for employment; and to give effect to the arrangements by which their employment will be regulated.
2. A Sub-Committee of *Statistics*—to acquire and digest information concerning the particular circumstances of the various localities; and to transact the business of defining and assigning districts, &c.
3. A Sub-Committee of *Finance*—to adopt and carry forward measures for realizing pecuniary resources, and for controlling the disposal of them, under the direction and responsibility of the whole Executive Committee.

This Institution was established in the year 1808, for the purpose of affording to old, infirm and diseased Natives, assistance in food, clothing, lodging, and medical attendance. Since that period it has entertained nearly 300 persons daily; and during the famines which devastated the country in 1824 and 1833, it was the means of saving vast numbers from starvation and death. Throughout the famine of the latter year no less than 30,000 individuals were on an average maintained every day. Wretchedness under every variety of form is here admitted; and the bare existence of wretchedness alone is sufficient to obtain immediate relief.

Experience having fully shown the desirableness of establishing in Madras a Hall on *strictly* Temperance principles, to which Soldiers, Sailors, and others may repair for refreshment and social intercourse, without being exposed to the temptation of using intoxicating drinks, after some anxious deliberation on the subject, it was determined to supply this need.

For this purpose, the above house was taken and the services of a Christian man secured in the capacity of Superintendent,

In connexion with the Hall is a News and Reading Room, supplied with a good variety of entertaining and instructive periodicals, to which additions will from time to time, be made, if sufficient encouragement be given to the undertaking.

The Refreshment and Reading Room is under the direction of a Committee deeply interested in the scheme, and most anxious for its success.

They have commenced this undertaking upon a small scale, as an experiment; hoping, however, by the kind assistance of the public, that they may shortly be able to engage more commodious premises, where lodgings might be let to Soldiers and their families, Sailors, and others at reasonable charges, which the premises now occupied will not admit of.

The object of this Fund is to afford relief to the Widows and Orphans of persons not in the covenanted service of Government, and others, who have no similar institution to look to for making a provision for their families. It consists of two branches, namely, a Widows' branch and a Children's branch. The benefits of the former are secured by the payment of a donation (equal to two years' subscription,) as entrance money, and a monthly subscription, for which the widow will enjoy a pension equal to six times the rate of subscription, under certain restrictions. In the Children's branch, a monthly subscription on account of each child, will secure a pension equal to four times the amount of that subscription, until a specified age. The capital of the fund exceeds 4 lacs of Rupees, invested in Government Securities; it has 420 subscribers in its connexion, and its present liabilities do not exceed 17,500 Rupees per annum, whilst its income is nearly 60,000 Rupees per annum.

1. All applications for the usual process of the Court, shall be made to the Clerk, and shall set out the names, and additions in full, of the Plaintiff, and Defendant, as far as practicable, with their last place of abode, and business, the cause or causes of action, and the amount claimed, and when there is more than one Defendant, a separate copy under the seal of the Court, shall be issued for each Defendant. *If the application is not made by the Plaintiff in person, the Agent shall file in writing the particulars of the demand, signed by the Plaintiff.*

* For this Act see MADRAS ALMANAC for 1851, pages 316—320-12.—COMPILER.

2. Where an Infant applies to take out a Summons for any cause of action (other than for wages or piece work, or for work as a servant) he must procure the attendance of a next friend at the Office of the Clerk, at the time of taking out the Summons, and no Summons shall be issued, until the next friend has undertaken, in the form in the Schedule, to be responsible for costs, and on entering into such undertaking, he shall be liable in the same manner, and to the same extent, as if he were a party in an ordinary suit, and the cause shall proceed in the name of the infant by such next friend, and such undertaking shall be filed by the Clerk, and no order of the Court shall be necessary for the appointment of such next friend. If the Plaintiff fail in, or discontinue his suit, and shall not pay the amount of costs awarded by the Court to be paid by him to the Defendant, such proceedings may be taken for the recovery of such amount from the next friend, as for the recovery of any debt, or damage, ordered to be paid by the same Court.

3. When an Infant Defendant appears at the hearing, and names a person willing to act as guardian, and who then assents so to act, such person shall be appointed guardian accordingly, but if the Defendant do not name a guardian, the Judge may appoint any person in Court willing to become guardian, or in default of such person the Judge shall appoint the Clerk of the Court to be guardian, and the cause shall proceed thereupon, as if another person had been appointed guardian, but no responsibility shall attach to any person so appointed guardian.

4. Claims by husbands in their own right, may be joined with claims in respect of which the wife must be joined as a party.

5. The Summons to appear to suits or actions shall be issued according to the form in the Schedule, and shall be dated as of the day when issued, and every Summons shall be made returnable on the tenth day exclusive of the day of issue, unless otherwise ordered.

6. Every Summons to appear to a suit or action, shall be served by one of the Bailiffs of the Court, four clear days before the holding of the Court at which the Defendant shall be summoned to attend, and in case the Bailiff shall not be able to serve the same within the time limited for that purpose, the Plaintiff on satisfying the Court that he has used due diligence in pointing out the Defendant, or his place of abode or business to the Bailiff, may by order of the Court, take out without commission fee, successive Summons, returnable at such time as the Court may order, in continuation of, and founded upon the first Summons, and the first Summons shall be deemed the commencement of the suit.

7. On applications to recover possession of tenements in pursuance of the Section 91 of Act 9 of 1850, the commission fee shall be calculated and taken on the yearly rent or value of the premises sought to be recovered, but in cases in which no contract to pay rent is proved, or in which the action is brought to recover possession against trespassers, the commission fee shall be calculated, and taken, on the actual value of the premises, which value in case of dispute the Court shall determine.

8. The service of a Summons to appear to a suit or action, shall be, by delivering a sealed copy thereof to the Defendant, or to such person, at the place of abode or place of business of the Defendant, as shall afford reasonable ground for presuming that the service thereof will come to his knowledge, and in all cases the Plaintiff or his Agent shall apply to the Bailiff, and shall accompany him, to point out the Defendant or his place of abode or place of business.

9. When a Defendant shall be living or residing in any Military lines, Barracks, or Quarters, and serving Her Majesty, or the East India Company, as a Soldier, it shall be sufficient service to deliver a sealed copy of the Summons, to the Adjutant of the Corps, or to any European Officer, Jemadar, Subadar, Serjeant, or Havildar, of the particular Company to which such Defendant shall belong, or be temporarily attached.

11. The Bailiff who serves a Summons, shall endorse thereon the time, and manner of the service thereof, and shall forthwith deliver the same so endorsed, to the Clerk of the Court, who shall file it.

An Act to amend the law relating to emigrant vessels and the emigration of labourers.

Whereas by Section VIII, Act XXI of 1844, it was among other things enacted, that no ship or vessel carrying emigrant labourers to Jamaica, British Guiana, or Trinidad, should sail from Calcutta, Madras, or Bombay, at any other time than between the 30th day of any September and the 1st of March next thereafter ensuing; and whereas the said provision was repealed by Act XXV of 1849, so far as regarded vessels carrying emigrant labourers from Madras, and has been found inconvenient for vessels carrying emigrant labourers from Calcutta; and whereas it is expedient to amend the law relating to the height between

decks in emigrant vessels; and whereas by Section I, Act XXI of 1843, it was enacted, that emigration to Mauritius should only lawfully take place under the provisions of Act XV of 1842, from the Port of Calcutta; and whereas by Act VIII of 1847, the emigration of labourers from the Port of Madras to Mauritius was declared lawful, and it is now expedient to repeal Section I, Act XXI of 1843, and to render lawful the emigration of labourers from the Port of Bombay to Mauritius, It is enacted as follows:

I. So much of Act XXI of 1844, as is herein before recited, is repealed, so far as regards ships or vessels carrying emigrant labourers from Calcutta.

II. No ships or vessels carrying emigrant labourers to Jamaica, British Guiana, or Trinidad, shall sail from Calcutta at any other time than between the thirty-first day of any August and the 1st day of March next thereafter ensuing.

III. No ship or vessel carrying emigrants and having more than one deck, shall have less than the height of five feet and six inches at the least between decks, and in case such ship or vessel shall have only one deck a platform shall be laid beneath such deck in such manner as to afford a space of the height of five feet and six inches at the least, and such platform shall not be so laid as that the lower beams shall project above the same, and whatever may be the tonnage of the ship or vessel, no greater number of emigrant labourers shall be taken on board such ship or vessel than shall be after the rate of one emigrant labourer for every seventy-two cubic feet of space between decks, or between the deck and platform, unoccupied by goods or stores not being the personal luggage of such emigrant labourers, any thing in Act XV of 1842, or in the Schedule therein mentioned, to the contrary notwithstanding.

IV. Section I, Act XXI of 1843 is hereby repealed, and from and after the passing of this Act, emigration to Mauritius may lawfully take place under the provisions of Act XV of 1842 from the Port of Bombay, as well as from the Ports of Madras and Calcutta.

V. The Governor in Council of Bombay may nominate a proper person to act as Protector of Emigrants at Bombay, and no emigrant shall be permitted to embark without a certificate from the Agent appointed by the Government of Mauritius, countersigned by the Protector, to the effect that such person has been engaged by such Agent, on the part of the said Government, as an emigrant to Mauritius.

ACT No. XVI OF 1852—*Passed on the 12th March* 1852.

An Act for further improving the Administration of Criminal Justice in Her Majesty's Courts of Justice in the Territories of the East India Company.

Whereas offenders frequently escape conviction on their trials, by reason of the technical strictness of criminal proceedings in matters not material to the merits of the case; and whereas such technical strictness may safely be relaxed in many instances, so as to insure the punishment of the guilty, without depriving the accused of any just means of defence; and whereas a failure of justice often takes place on the trial of persons charged with felony and misdemeanor by reason of variances between the statement in the indictment on which the trial is had, and the proof of names, dates, matters, and circumstances therein mentioned, not material to the merits of the case, and by the mis-statement whereof the person on trial cannot have been prejudiced in his defence, It is hereby enacted as follows:

I. From and after the coming of this Act into operation, whenever, on the

The Court may amend certain variances not material to the merits of the case, and by which the defendant cannot be prejudiced in his defence, and may either proceed with or postpone the trial to be had before the same or another jury.

trial of any indictment for any felony or misdemeanor, there shall appear to be any variance between the statement in such indictment and the evidence offered in proof thereof, it shall and may be lawful for the Court before which the trial shall be had, if it shall consider such variance not material to the merits of the case, and that the defendant cannot be prejudiced thereby in his defence on such merits, to order such indictment to be amended, according to the proof, by some officer of the Court or other person, both in that part of the indictment where such variance occurs, and in every other part of the indictment which it may become necessary to amend, on such terms as to postponing the trial to be had before the same or another jury, as such Court shall think reasonable; and after any such amendment the trial shall proceed, whenever the same shall be proceeded with, in the same manner in all respects, and with the same consequences, both with respect to the liability of witnesses to be indicted for perjury and otherwise, as if no such variance had occurred: provided that, in all such cases where the trial shall be so postponed as aforesaid, it shall be lawful for such Court to respite the recognizances of the prosecutor and witnesses, and of the defendant, and his surety or sureties, if any, accordingly, in which case the prosecutor and witnesses shall be bound to attend to prosecute and give evidence respectively, and the defendant shall be bound to attend to be tried, at the time and place to which such trial shall be postponed, without entering into any fresh recognizances for that purpose, in such and the same manner as if they were originally bound by their recognizance to appear and prosecute, or give evidence, at the time and place to which such trial shall have been so postponed: provided also, that where any such trial shall be to be had before another jury, the crown and the defendant shall respectively be entitled to the same challenges as they were respectively entitled to before the first jury was sworn.

Verdicts and judgments valid after amendments.

II. Every verdict and judgment which shall be given after the making of any amendment under the provisions of this Act, shall be of the same force and effect in all respects as if the indictment had originally been in the same form in which it was after such amendment was made.

Records to be drawn up in amended form, without noticing the amendments.

III. If it shall become necessary at any time, for any purpose whatsoever, to draw up a formal record in any case where any amendment shall have been made under the provisions of this Act, such record shall be drawn up in the form in which the indictment was after such amendment was made, without taking any notice of the fact of such amendment having been made.

The means by which the injury was inflicted need not be specified in indictments for murder and manslaughter.

IV. In any indictment for murder or manslaughter preferred after the coming of this Act into operation, it shall not be necessary to set forth the manner in which, or the means by which, the death of the deceased was caused, but it shall be sufficient, in every indictment for murder, to charge that the defendant did feloniously, wilfully, and of his malice aforethought kill and murder the deceased, and it shall be sufficient in every indictment for manslaughter to charge that the defendant did feloniously kill and slay the deceased.

Forms of indictment in cases of forgery and uttering, stealing, and embezzling, or obtaining by false pretences.

V. In any indictment for forging, uttering, stealing, embezzling, destroying or concealing, or for obtaining by false pretences, any instrument, it shall be sufficient to describe such instrument by any name or designation by which the same may be usually known, or by the purport thereof, without setting out any copy or fac-simile thereof, or otherwise describing the same, or the value thereof.

In engraving plates, &c.

VI. In any indictment for engraving, or making the whole or any part of any instrument, matter or thing whatsoever, or for using or having the unlawful possession of any plate or other material upon which the whole or any part of any instrument, matter, or thing whatsoever shall have been engraved or made, or for having the unlawful possession of any paper upon which the whole or any part of any instrument, matter, or thing whatsoever shall have been made or printed, it shall be sufficient to describe such instrument, matter, or thing by any name or designation by which the same may be usually known, without setting out any copy or fac-simile of the whole or any part of such instrument, matter, or thing.

In other cases.

VII. In all other cases, wherever it shall be necessary to make any averment in any indictment as to any instrument, whether the same consists wholly or in part of writing, print, or figures, it shall be sufficient to describe such instrument by any name or designation by which the same may be usually known, or by the purport thereof, without setting out any copy or fac-simile of the whole or any part thereof.

Intent to defraud particular persons need not be alleged or proved in cases of forgery, uttering, or false pretences.

VIII. From and after the coming of this Act into operation, it shall be sufficient in any indictment for forging, uttering, offering, disposing of, or putting off any instrument whatsoever, or for obtaining or attempting to obtain any property by false pretences, to allege that the defendant did the act with intent to defraud, without alleging the intent of the defendant to be to defraud any particular person; and on the trial of any of the offences in this section mentioned, it shall not be necessary to prove an intent on the part of the defendant to defraud any particular person, but it shall be sufficient to prove that the defendant did the act charged with an intent to defraud.

A party indicted for felony or misdemeanor may be found guilty of an attempt to commit the same, and shall be liable to the same consequences as if charged with and convicted of the attempt only. No person so tried to be afterwards prosecuted for the same.

IX. And whereas offenders often escape conviction by reason that such persons ought to have been charged with attempting to commit offences, and not with the actual commission thereof; it is enacted, that if on the trial of any person charged with any felony or misdemeanor, it shall appear to the jury upon the evidence that the defendant did not complete the offence charged, but that he was guilty only of an attempt to commit the same, such person shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that the defendant is not guilty of the felony or misdemeanor charged, but is guilty of an attempt to commit the same, and thereupon such person shall be liable to be punished in the same manner as if he had been convicted upon an indictment for attempting to commit the particular felony or misdemeanor charged in the said indictment; and no person so tried as herein lastly mentioned shall be liable to be afterwards prosecuted for an attempt to commit the felony or misdemeanor for which he was so tried.

Repeal of the 8th Section of Act XXXI of 1838.

X. And whereas it is enacted by the 8th Section of Act XXXI of 1838 that "on the trial of any person for any of the offences therein before mentioned, or for any felony whatever where the crime charged shall include an assault against the person, it shall be lawful for the jury to acquit of the felony, and to find a verdict of guilty of assault against the person indicted, if the evidence shall warrant such finding:" and whereas great difficulties have arisen in the construction of such enactment: for remedy thereof it is enacted that the said enactment shall be and the same is hereby repealed.

On the trial of an indictment for rob-

XI. If upon the trial of any person upon any indictment for robbery, it shall appear to the jury upon the evidence that the defendant did not commit the crime of robbery, but that he did commit an assault with intent to rob, the defendant shall

bery, the jury may convict of an assault with intent to rob: no person so tried to be afterwards prosecuted for the same.

not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that the defendant is guilty of an assault with intent to rob, and thereupon such defendant shall be liable to be punished in the same manner as if he had been convicted upon an indictment for feloniously assaulting with intent to rob; and no person so tried as is herein lastly mentioned shall be liable to be afterwards prosecuted for an assault with intent to commit the robbery for which he was so tried.

XII. If upon the trial of any person for any misdemeanor, it shall appear that the facts given in evidence amount in law to a felony, such person shall not by reason thereof be entitled to be acquitted of such misdemeanor; and no person tried for such misdemeanor shall be liable to be afterwards prosecuted for felony on the same facts, unless the Court before which such trial may be had shall think fit, in its discretion, to discharge the jury from giving any verdict upon such trial, and to direct such person to be indicted for Felony, in which case such person may be dealt with in all respects as if he had not been put upon his trial for such misdemeanor.

Person tried for misdemeanor not to be acquitted if the offence turn out to be felony, unless the Court so direct.

XIII. If upon the trial any person indicted for embezzlement as a clerk, servant, or person employed for the purpose, or in the capacity of a clerk or servant, it shall be proved that he took the property in question in any such manner as to amount in law to larceny, he shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that such person is not guilty of embezzlement, but is guilty of simple larceny, or of larceny as a clerk, servant, or person employed for the purpose, or in the capacity of a clerk or servant, as the case may be, and thereupon such person shall be liable to be punished in the same manner as if he had been convicted upon an indictment for such larceny; and if upon the trial of any person indicted for larceny it shall be proved that he took the property in question in any such manner as to amount in law to embezzlement, he shall not by reason thereof be entitled to be acquitted, but the jury shall be at liberty to return as their verdict that such person is not guilty of larceny, but is guilty of embezzlement, and thereupon such person shall be liable to be punished in the same manner as if he had been convicted upon an indictment for such embezzlement; and no person so tried for embezzlement or larceny as aforesaid shall be liable to be afterwards prosecuted for larceny or embezzlement upon the same facts.

Persons indicted for embezzlement, as a clerk, &c., not to be acquitted if the offence turn out to be larceny, and *vice versa*.

XIV. If upon the trial of two or more persons indicted for jointly receiving any property, it shall be proved that one or more of such persons separately received any part of such property, it shall be lawful for the jury to convict upon such indictment such of the said persons as shall be proved to have received any part of such property.

Upon an indictment for jointly receiving, persons guilty of separately receiving may be convicted.

XV. And whereas it frequently happens that the principal in a felony is not in custody or amenable to justice, although several accessories to such felony or receivers at different times of stolen property the subject of such felony may be in custody or amenable to justice: for the prevention of several trials, it is enacted that any number of such accessories or receivers may be charged with substantive felonies in the same indictment, notwithstanding the principal felon shall not be included in the same indictment, or shall not be in custody or amenable to justice.

Separate accessories and receivers may be included in the same indictment in the absence of the principal felon.

XVI. It shall be lawful to insert several counts in the same indictment

against the same person for any number of distinct acts of stealing, not exceeding three, which may have been committed by him against the same person within the space of six calendar months from the first to the last of such acts, and to proceed thereon for all or any of them.

Three larcenies from the same person within six months may be included in the same indictment.

XVII. If upon the trial of any indictment for larceny, it shall appear that the property alleged in such indictment to have been stolen at one time was taken at different times, the prosecutor shall not by reason thereof be required to elect upon which taking he will proceed, unless it shall appear that there were more than three takings, or that more than the space of six calendar months elapsed between the first and the last of such takings; and in either of such last mentioned cases the prosecutor shall be required to elect to proceed for such number of takings, not exceeding three, as appear to have taken place within the period of six calendar months from the first to the last of such takings.

Where a single taking is charged, the prosecutor need not elect, unless where more than three takings, or more than six months between the first and last taking.

XVIII. In every indictment in which it shall be necessary to make any averment as to any money or any note of any bank, it shall be sufficient to describe such money or bank-note simply as money, without specifying any particular coin or bank-note; and such allegation, so far as regards the description of the property, shall be sustained by proof of any amount of coin or of any bank-note, although the particular species of coin of which such amount was composed, or the particular nature of the bank-note, shall not be proved, and in cases of embezzlement and obtaining money or bank-notes by false pretences, by proof that the offender embezzled or obtained any piece of coin or any bank-note, or any portion of the value thereof, although such piece of coin or bank-note may have been delivered to him in order that some part of the value thereof should be returned to the party delivering the same, or to any other person, and such part shall have been returned accordingly.

Coin and bank-notes may be described simply as money.

XIX. In every indictment for perjury, or for unlawfully, wilfully, falsely, fraudulently, deceitfully, maliciously, or corruptly taking, making, signing, or subscribing any oath, affirmation, declaration, affidavit, deposition, bill, answer, notice, certificate, or other writing, it shall be sufficient to set forth the substance of the offence charged upon the defendant, and by what Court or before whom the oath, affirmation, declaration, affidavit, deposition, bill, answer, notice, certificate, or other writing was taken, made, signed, or subscribed, without setting forth the bill, answer, information, indictment, declaration, or any part of any proceeding either in law or in equity, and without setting forth the commission or authority of the Court or person before whom such offence was committed.

Simplifying indictments for perjury and other like offences.

XX. In every indictment for subornation of perjury, or for corrupt bargaining or contracting with any person to commit wilful and corrupt perjury, or for inciting, causing, or procuring any person unlawfully, wilfully, falsely, fraudulently, deceitfully, maliciously or corruptly to take, make, sign or subscribe any oath, affirmation, declaration, affidavit, deposition, bill, answer, notice, certificate, or other writing, it shall be sufficient, wherever such perjury or other offence aforesaid shall have been actually committed, to allege the offence of the person who actually committed such perjury or other offence in the manner herein before mentioned, and then to allege that the defendants unlawfully, wilfully, and corruptly did cause and procure the said person the said offence, in manner and form aforesaid, to do and commit; and wherever such perjury or other offence aforesaid shall not have been actually committed, it shall be sufficient to set forth the substance of the offence charged upon the defend-

ant, without setting forth or averring any of the matters or things hereinbefore rendered unnecessary to be set forth or averred in the case of wilful and corrupt perjury.

What defects shall not vitiate an indictment.

XXI. No indictment for any offence shall be held insufficient for want of the averment of any matter unnecessary to be proved, nor for the omission of the words "as appears by the record," or of the words "with force and arms," or of the words "against the peace," nor for the insertion of the words "against the form of the statute," instead of "against the form of the statutes," or *vice versâ*, nor for that any person mentioned in the indictment is designated by a name of office, or other descriptive appellation, instead of his proper name, nor for omitting to state the time at which the offence was committed in any case where time is not of the essence of the offence, nor for stating the time imperfectly, nor for stating the offence to have been committed on a day subsequent to the finding of the indictment, or on an impossible day, or on a day that never happened, nor for want of a proper or perfect venue, nor for a want of a proper or formal conclusion, nor for want of or imperfection in the addition of any defendant, nor for want of the statement of the value or price of any matter or thing, or the amount of damage, injury, or spoil, in any case where the value or price, or the amount of damage, injury, or spoil, is not of the essence of the offence.

Formal objections to indictments shall be taken before jury are sworn. Court may amend any formal defect.

XXII. Every objection to any indictment for any formal defect apparent on the face thereof shall be taken, by demurrer or motion to quash such indictment, before the jury shall be sworn, and not afterwards; and every Court before which any such objection shall be taken for any formal defect may, *if it be thought necessary*, cause the indictment to be forthwith amended in such particular by some officer of the Court, or other person, and thereupon the trial shall proceed *as if no such defect had appeared*.

Provision as to traversing indictments.

XXIII. No person prosecuted shall be entitled to traverse or postpone the trial of any indictment found against him at any Session of the Peace, Session of Oyer and Terminer, or Session of Gaol Delivery; provided always that if the Court, upon the application of the person so indicted or otherwise, shall be of opinion that he ought to be allowed a further time, either to prepare for his defence or otherwise, *such Court* may adjourn the trial of such person to the next subsequent session, upon such terms as to bail or otherwise as to such Court shall seem meet, and may respite the recognizances of the prosecutor and witnesses accordingly, in which case the prosecutor and witnesses shall be bound to attend to prosecute and give evidence at such subsequent Session without entering into any fresh recognizance for that purpose.

Provision as to plea of *autrefois convict* or *autrefois acquit*.

XXIV. In any plea of *autrefois convict* or *autrefois acquit* it shall be sufficient for any defendant to state that he has been lawfully convicted or acquitted (as the case may be) of the said offence charged in the indictment.

Persons interested in questions cognizable in Her Majesty's Courts may state special cases for the opinion of such Courts.

I. It shall be lawful for persons interested or claiming to be interested in any question cognizable in Her Majesty's Courts within the Territories of the East India Company, on the Equity, Plea, Ecclesiastical, or Admiralty sides thereof respectively, and including among such persons all lunatics, married women, and infants in the manner and under the restrictions hereinafter contained, to concur in stating such questions in the form of a special case for the opinion of the said Courts, and it shall also be lawful for all Executors, Administrators, Representatives and Trustees to concur in such case.

How lunatic may concur.

II. The Committee of the estate of any lunatic interested or claiming to be interested in any such question as aforesaid may, after having been authorized in that behalf by the Court or any Judge thereof in which such special case is filed, concur in such case in his own name, and in the name and on the behalf of the lunatic.

How married women may concur.

III. A husband interested or claiming to be interested in right of his wife in any such question as aforesaid may concur in such case in his own name, and in the name of his wife where the wife has no claim to any interest distinct from her husband, and a married woman having or claiming any interest in any such question as aforesaid distinct from her husband may in her own right concur in such case, provided that her husband also concurs therein; but nothing herein contained shall be construed so as to require the husband of a Mahomedan or Hindoo female to concur in such case.

How infant may concur.

IV. The guardian of any infant interested or claiming to be interested in any such question as aforesaid may concur in such case in the name and on the behalf of the infant, unless such guardian has an interest in such question adverse to the interest of the infant therein.

How special guardian to be appointed for a lunatic not found such by inquisition and for infant.

V. It shall be lawful for the said Courts, by order to be made in the matter of any lunatic not found such by inquisition, or in the matter of any infant, upon the application of any person on the behalf of such lunatic, or upon the application of such infant, by motion or petition, to appoint any person shown by affidavit to be a fit person, and to have no interest adverse to the interest of the lunatic or infant, to be the special guardian of such lunatic or infant for the purpose of concurring in such case in the name and on behalf of the lunatic or infant, and any such person so appointed may lawfully so concur. Provided always, that it shall be lawful for the said Courts to require notice of such application to be given to such person, if any, as the Court shall think fit.

VI. In any case in which any such order as aforesaid shall have been made by the said Courts in the matter of any infant without notice to the guardian of the infant, it shall be lawful for the said Courts, if they shall respectively think fit so to do, to discharge such order upon the application of such guardian, by motion or petition; and the said Courts, if they shall respectively think fit, may thereupon appoint some other fit person to be the special guardian of such infant for the purpose of such special case, and may also give such directions as may be necessary for substituting in such special case either the name of the guardian so applying, or of the special guardian so appointed, in lieu of the name of the special guardian so displaced. Provided always, that the discharge of any Order appointing a special guardian shall not invalidate any thing which shall in the meantime have been done by such special guardian, unless the Court shall, upon notice to all parties, specially so direct.

How special cases to be entitled.

VII. Every such special case shall be entitled as a cause between some or one of the parties interested or claiming to be interested as plaintiffs or plaintiff, and the others or other of them as defendants or defendant; and in the title to such cases, lunatics and infants shall be described as such, and their Committees, guardians, or special guardians named; and where in any such case a married woman is named as a plaintiff, and her husband as a defendant thereto, a next friend of such married woman shall be named in the title to such case; but nothing herein contained shall be construed so as to require a next friend of any Hindoo or Mahomedan married woman to be named in such title.

Form of Special case.

VIII. Every such special case shall concisely state such facts and documents as may be necessary to enable the Court to decide the question raised thereby; and upon the hearing of such case, the Court and the parties shall be at liberty to refer to the whole contents of such documents; and the Court shall be at liberty to draw from the facts and documents stated in any such special case any inference which the Court might have drawn therefrom if proved in a cause.

Special case to state how guardian constituted, and the concurrence of married women.

IX. Every such special case to which an infant or lunatic is a party by his guardian or special guardian shall also state how such guardian or special guardian was constituted; and where any married woman having or claiming any interest distinct from her husband is a party to such case, it shall be stated therein that she concurs in such case in her own right.

Special case to be signed by Counsel

ACT No. XX OF 1852.—*Passed on the 27th March 1852.*

An Act to facilitate the Acquisition of Land needed for public purposes in the Presidency of Fort St. George.

I. Whenever it shall appear to the Governor of Fort St. George in Council that any land is needed for a public purpose, he shall make a declaration to that effect in a Minute of Council, and such declaration shall be conclusive evidence that the purpose for which the land is needed is a public purpose.

II. When a declaration has been made by the Governor in Council that any land is needed for a public purpose, if there shall be any hindrance to the immediate acquisition of such land by purchase from the parties interested therein, it shall be competent to the Governor in Council to order the land to be taken possession of on the part of Government, and applied to the purpose for which it is needed, leaving claims for compensation for the land to be determined as hereinafter provided.

III. When such order is passed by the Governor in Council it shall be sent to the Collector of the District in which the land lies, or to such other Officer as the Governor in Council shall think fit to appoint to carry it into execution; and the Collector, or other Officer so appointed, shall cause the land ordered to be taken to be marked out and measured, and possession to be taken thereof on behalf of Government, and the land shall thenceforward be vested absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts and interests, and also of all mortgages, liens, or incumbrances whatsoever, of and in the land so taken as aforesaid; and any suit which may be instituted to recover the land so taken by Government, in any Court of Judicature, shall be dismissed with costs. Provided always, that nothing herein contained shall affect the liability of the party who may receive the value of any land so taken by Government, without having a good title to the same.

IV. As soon as the land has been marked out, the Collector, or other Officer appointed as aforesaid, shall cause the order in Council to be affixed in some conspicuous place upon the land, and published by proclamation in the neighbouring bazars and villages, with a citation, calling on all parties interested in the land to appear before him in person, or by authorized agents, on a certain day, not less than fifteen days after the date of citation, and to state the nature of their interests in the land required, and the amount and particulars of their claims to compensation for the same.

V. It shall be competent to the said Collector, or other Officer appointed as aforesaid, to admit any such claims that appear to him to be valid, and if he and all the parties interested in the land agree as to the compensation to be allowed to them respectively, to pass an award for the same.

VI. If the said Collector or Officer shall judge any of the claims preferred to be inadmissible, and the parties interested in the land or any of them shall nevertheless persist in such claims, or if the said Collector or Officer, admitting the interests claimed, shall object to the compensation demanded for the same as excessive, the points in dispute shall be referred to the determination of arbitrators, to be appointed in the manner hereinafter provided.

VII. Two persons shall be chosen to act as arbitrators on the part of Government, by the Collector or other Officer duly appointed as aforesaid, and the party or parties claiming to be interested in the land taken shall be called upon by the said Collector or Officer to elect, within fifteen days, two persons to act as arbitrators on his or their part. If there be several parties interested as aforesaid, and they cannot agree within the required period in the election of persons to act as arbitrators on their behalf, then and in that case, each of them shall nominate one person whom he may desire to act on his behalf, and the said Collector or Officer shall choose by lot, out of the persons so nominated by the parties aforesaid, or by any of them, two persons to act as arbitrators on behalf of the parties interested in the land. If only two persons shall be so nominated by the parties interested in the land, they shall be the arbitrators on behalf of such parties, whether the whole of the parties interested as aforesaid may or may not have been concerned in their nomination. If only one person shall be so nominated, then only one of the persons selected to act as arbitrators on the part of Government, shall be employed on the duty. If the parties interested in the land shall refuse or neglect, or if, by reason of minority, lunacy or absence from the Presidency, they shall be unable to make any nomination within the required period, then the said Collector or Officer shall and may select two impartial persons to arbitrate the matter between Government and the parties interested in the land.

VIII. Before the arbitrators proceed to arbitrate, they shall be required by the said Collector or Officer, to appoint an umpire for the decision of any points whereon they may differ in opinion, when the voices on each side shall be equal. If the arbitrators cannot agree in the selection of an umpire, the said Collector or Officer shall be authorized to choose some person to act as such.

IX. In cases wherein the arbitrators may differ in opinion, if the voices on each side shall be equal, the decision of the umpire on the point of difference shall be conclusive: in all other cases, the opinion of the majority of arbitrators shall determine the award.

X. The arbitrators shall hold their inquiry under the general superintendence of the Collector or other Officer appointed as aforesaid, who shall be competent to exercise towards them such powers and authority, for the purpose of securing their attendance, and the due completion of their award, as the Courts of Judicature may legally exercise towards persons summoned as witnesses before them, for the purpose of compelling such witnesses to attend and give evidence. It shall further be competent to the Officer presiding, in the event of any unnecessary delay on the part of arbitrators in determining any question referred to them, to call upon them to make their award within a specified time, and in default thereof, to refer such question to the umpire for his decision.

XI. The said Collector, or other Officer appointed as aforesaid, shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process. He shall also cause the proper forms of affirmation to be executed by any witnesses whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to administer or cause the execution of such affirmation, if the witnesses cannot with convenience attend before him. Any witness who shall refuse or omit to appear when duly summoned by such Collector or Officer, or who shall appear but shall refuse to execute the affirmation to be administered as aforesaid, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the Law by a witness refusing to appear or give evidence before a Court of Justice. Any person giving intentionally and deliberately a false deposition, under a solemn affirmation in any case referred to arbitration as above, and upon a point material to the issue thereof, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by Law; and any person causing or procuring another person to commit the offence of perjury, as above described, shall be guilty of subornation of perjury, and punishable according to Law.

XII. It shall also be competent to the Collector, or other Officer appointed as aforesaid, to demand from the parties interested in the land so taken as aforesaid, the production of any accounts, title-deeds, or other documents which may be required by the arbitrators for the purposes of their inquiry, and in the event of such accounts, title-deeds, or documents being withheld, and the fact of their existence being proved by information given upon solemn affirmation, to order the seizure of such accounts, title-deeds, and documents wherever they may have been deposited, in the manner prescribed by Section IX Regulation IX of 1822 of the Madras Code, and to exercise for that purpose the powers thereby vested in Collectors.

XIII. The arbitrators shall take into consideration the statements of the parties interested in the said land, and the objections of the Collector or other Officer aforesaid on behalf of Government, and after examining the evidence offered on both sides, and making any further inquiry that may appear to them necessary, shall pass their award allowing or disallowing the interests claimed, and determining the total amount of compensation to be given for the interests allowed, the mode in which it is to be given, and, if to be given to more than one party, the shares of the total compensation which each party shall be entitled to receive.

XIV. The award of the arbitrators, or of the umpire, if he shall be called

upon to make an award, shall be binding and conclusive both upon the Government and the parties interested in the land, as respects the gross amount of the compensation to be paid by Government, unless the award shall be set aside by the Civil Court of the zillah upon a charge of corruption against the arbitrators or the umpire, as the case may be, brought by either party, and proved after due investigation, to the satisfaction of such Court; in which case the matter shall be referred for the determination of a second set of arbitrators, to be chosen in the same manner as the first, and their decision, whatever it may be, shall be final. No petition to set aside an award made under this Act shall be received by the Civil Court of the zillah, unless it be presented within thirty days from the date of the award complained of; and the said petition shall be presented on stampt paper of the value used for miscellaneous petitions, and shall be accompanied with a copy of the award objected to. The award of the arbitrators or umpire shall also be binding as respects the shares to be paid to the several parties interested in the land, unless upon a suit instituted within thirty days from the date of the award, in a competent Court, by any of the parties concerned, to alter the apportionment made by such award, an injunction shall be issued to suspend the payment until a decree is passed in the case.

XV. If any question arises as to the previous possession of or title to any land taken by Government under this Act, or if the parties or any of them interested in the land are minors, lunatics, or absent as aforesaid, and are not represented by their guardian, committee, attorney, or other person authorized in that behalf, or if there exist other grounds which, in the judgment of the arbitrators, render it improper to make immediate payment of the compensation awarded by them, or of any part thereof, to any of the parties interested in such land, the said arbitrators shall certify the same to the said Collector or Officer, under whose directions they may act, and in such case, or if for any such reason, or any such ground as aforesaid, the said Collector or other Officer shall deem immediate payment improper, then the amount of compensation payable shall be held in deposit by Government, until the parties interested in the said land or some of them shall obtain an order of a competent Court for the payment of the same and interest (if any) to them. All sums held in deposit as aforesaid, exceeding in amount the sum of Five Hundred Rupees, shall be invested in Government Securities.

XVI. On the close of the inquiry, the arbitrarors or umpire shall deliver to the Collector, or other Officer appointed as aforesaid, a full and complete report and award upon the questions submitted to their arbitration, under their respective signatures, specifying the amount of compensation to be granted, and, (except where under Section XV. it may appear proper to suspend payment,) the parties to whom it is to be made, and the proportions to be paid to each respectively, with a solemn declaration subscribed thereto, that the award so given, is, to the best of their judgment true and impartial, and according to the evidence adduced before them, and they shall at the same time deposit with the said Collector or Officer the whole of their proceedings.

XVII. All suits and proceedings instituted against Government to obtain compensation for land taken as aforesaid, other than such petitions to set aside awards as aforesaid, shall be dismissed with costs, but nothing herein contained shall affect the rights of any party to recover the value of any land taken by Government from any person who may have received the same without having any title thereto.

XVIII. In the case of land declared by a Minute of the Governor in Council to be needed for a public purpose being acquired by the Government by bargain with and purchase from the parties apparently interested therein, the Collector, or Officer appointed by Government to receive possession of the same, shall cause proclamation to be made in the manner prescribed in the fourth Section of this Act, of the transfer of the land to Government, by the said parties, and requiring all other persons who may claim any right, title, or interest in such land, to prefer their claims within one calendar month after such proclamation made; and any claims that may be preferred shall be dealt with under Section V or under Section VI, and the following Sections of this Act. Provided always, that if no claim

shall be made within one calendar month after such proclamation as aforesaid, the said land shall vest absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts, interests, mortgages, liens or incumbrances whatsoever, of and in the said land so purchased; and any suit to recover the land so purchased by Government, or to obtain from Government compensation for the loss thereof, which may be preferred in any Court of Judicature, shall be dismissed with costs. But nothing herein contained shall affect the liability of the party who may receive the value of any land purchased by Government without having a good title to the same.

XIX. In cases referred to arbitration, under the provisions of this Act, any necessary expense which may attend the inquiry of the arbitration, whether for the diet of witnesses or otherwise, shall be paid by Government.

XX. The provisions of Act XLII of 1850, shall be applicable and in force within the Madras Presidency; and the said Act shall be construed as if instead of the words and figures "Regulation I of 1824 of the Bengal Code," or "the said Regulation" therein mentioned, the number and title of this Act had been therein inserted.

XXI. The following words and expressions in this Act shall have the several meanings hereby assigned to them, unless there be something either in the subject or context repugnant to such construction, (that is to say,)

Words importing the singular number only shall include the plural, and words importing the plural number only shall include the singular.

Words importing the masculine gender only shall include females.

The word "land" shall extend to tenements and hereditaments of any tenure, and all houses, buildings, walls, or appurtenances thereupon, as well as land.

ACT No. XXXII of 1852.—*Passed on the 20th August* 1852.

An Act to facilitate the prosecution of certain Ministerial and Police Officers for certain Criminal Acts.

Whereas it is expedient to enable the local Governments, and the head Officers of departments or offices under Government, to prosecute their subordinate ministerial or police officers for acts of corruption, extortion, embezzlement or other malversation, whether or not any charge be preferred by an aggrieved private party in respect of such acts, It is enacted as follows:

I. Whenever the local Government, or the head officer of a department or office under Government, shall be of opinion that there are good grounds for making a public enquiry into the truth of any imputation of corruption, extortion, embezzlement, or other malversation committed at any time during tenure of office, by any ministerial or police officer, subject to the jurisdiction of the Courts of the East India Company, and subordinate to such Government, or employed in such department or office, as the case may be, it shall be lawful for such Government, or any such head officer as aforesaid, to prosecute such officer on the part of Government in a Criminal Court, or to nominate some person to conduct such prosecution; and it shall also be lawful for such Government, or head officer as aforesaid, in their or his discretion, to undertake on the part of Government the prosecution in a Criminal Court of any such charge as aforesaid which may be brought by an aggrieved private party against any such ministerial or police officer, and such prosecution as aforesaid shall not be barred, or affected by reason of the party prosecuted having ceased to be in the service of Government at the time at which the charge may be brought against him.

II. Provided always that no Collector, Magistrate, nor head of an office in the Salt, Abkarree, or Customs Department under the grade of Commissioner, shall commence or undertake a prosecution under this Act, until he shall have obtained the permission of the Court, Board, or officer to whom he is immediately subordinate, to institute the same.

III. No Collector, Magistrate, Judge, or other officer, who may prosecute any officer under this Act, or cause such prosecution to be instituted, or who may conduct any preliminary investigation into the conduct of such officer connected with such prosecution, nor any of his deputies, assistants, or subordinate officers, shall act as judge in any such prosecution.

IV. Nothing herein contained shall be construed so as to repeal or otherwise affect Regulations IX. 1822 and VII. 1828, of the Madras Code, and Act XXXVI. 1837, and the said Regulations and Acts shall remain in full force with respect to the malversations and offences in the Revenue Department to which they are applicable.

ACT No. XXXIII of 1852.—*Passed on the 27th August* 1852.

An Act to facilitate the enforcement of judgments in places beyond the jurisdiction of the Courts pronouncing the same.

I. Every party, who shall have obtained a judgment in any Court of Her Majesty, or of the East India Company, in any part of the territories under the Government of the East India Company, or in any Court established by the authority of the Governor General of India in Council in the territory of any foreign Prince or State, and who shall be unable to enforce or obtain satisfaction of the same by execution within the jurisdiction of such court, may enforce or obtain execution of the same in any part of the said territories under the Government of the East India Company in manner following:

II. The party may apply to the court which shall have pronounced such judgment, for a copy thereof, and also for a certificate that satisfaction of such judgment has not been obtained by execution within the jurisdiction of the said court, also for a copy of any order for execution of such judgment that may have been passed, and, if necessary, for a translation of the said judgment and order for execution into the English language. The court, unless there be any sufficient reason to the contrary, shall cause such copy and certificate, and translation if necessary, to be furnished, and the same shall be signed by the judge, or one of the judges of the court, and sealed with the seal of the court.

III. If such court shall be the principal civil court of original jurisdiction in the district, the judge shall describe himself accordingly in the certificate, and shall also name the court and the district.

IV. If the court shall not be the principal civil court of original jurisdiction in the district, the copy of the judgment and of the order for execution, if any, the certificate of the judge, and the translation, if any, shall, without delay, be transmitted to the principal civil court of original jurisdiction in the district, and the judge, or one of the judges of such court shall issue a certificate under his name and the seal of the court, verifying the signature of the judge of the court in which the judgment shall have been given to the documents above-mentioned; and in such certificate the judge signing the same shall describe himself as the judge, or one of the judges of the principal civil court of the district, and shall also name the court and the district.

V. All copies, translations, and certificates, which may be furnished by, or transmitted to the principal civil court of original jurisdiction in the district in which such judgment shall have been given, shall be transmitted by such court without delay to the principal civil court of original jurisdiction in the district

in which the party may wish to have the judgment enforced or executed, and if such last-mentioned court be the Supreme Court of judicature of either of the Presidencies, to the Prothonotary of the Court; and such court shall cause the said documents to be filed therein, without any proof of the judgment or order for execution, or of the copies thereof, or of the translations, if any, or of the seal or jurisdiction of any court, or of the signature of any judge, unless the court to which such documents shall be transmitted, shall, under any peculiar circumstances, to be specified in an order, require the same.

VI. The copy of any judgment, or of any order for execution, when filed in the court to which it shall be transmitted for the purpose of being executed or enforced as aforesaid, shall for such purpose have the same effect as a judgment or order for execution made by such court, and may be enforced or executed by such court, or any court subordinate thereto, to which it may intrust the enforcement or execution thereof.

VII. When application shall be made to any of the said courts to enforce, or execute the judgment of any other court as aforesaid, the court to which the application shall be made, or referred, shall proceed to enforce, or execute the same, according to its own rules and mode of procedure in like cases; and the last-mentioned court shall take cognizance of, and punish, all wrongful acts or irregularities done or committed in enforcing and executing such judgment; and all persons disobeying or obstructing the enforcement or execution of any such judgment, shall be punishable by such last-mentioned court, in the same manner as if the said judgment had been pronounced by such court.

VIII. The decrees, of which execution is to be general, of any Military Courts of Requests holden within the said territories under the Government of the East India Company, or mentioned in Section XVII. Act No. XI. 1841, may be enforced in the manner provided by this Act. No such decree, however, shall be enforced under this Act against the person of the debtor, if a soldier. In the case of a decree of a Military Court of Requests the copy, decree, and certificate, and translation, if any, shall be signed by the officer commanding the station or cantonment, who shall describe himself accordingly; and no proof of the decree, or of the signature or appointment of such officer, or of the jurisdiction of the court, shall be necessary, unless the court to which the same may be presented shall think fit, under any peculiar circumstances, to be specified in an order, to require the same.

IX. A petition for execution under this Act of any judgment of a moonsiff's court, or of any decree of a Military Court of Requests, may be written on plain paper.

X. An appeal shall lie from any order for the enforcement or execution of a judgment under this Act, in the same manner, and subject to the same rules and regulations, as if the judgment had been originally given by the court making such order.

XI. In this Act the word "judgment" means a judgment in a civil suit or proceeding, and includes any final decree or order in a civil suit or proceeding. The word "party" shall include any person who would be entitled to maintain a suit upon the judgment. The masculine gender shall include the feminine, and the singular number shall include the plural.

7th. Any sum not less than one Rupee will be received in deposit.

8th. Whenever any sum deposited by one individual shall amount to 500 *Company's* Rupees, the same will be transferred from the Bank deposit in the General Treasury, and subscribed on account of the Depositor to the *four* per cent. of the Mint Master, or his Deputy, under the direction of the Assay Master or his Deputy, who upon giving an acknowledgment for the weight of the samples and duplicates, shall remove them for assay, and after that has been completed issue his certificate of the quality and value upon the weight of the parcel given in the Mint Master's receipt, which shall be filed in the Assay Office when exchanged with the owner of the Bullion for the Certificate, due advice of which Certificate is to be furnished to the Accountant General, in whose Office it will be registered and passed for payment at the expiration of thirty days from the receipt of the Bullion into the Mint.

A charge of one per cent. shall be levied on Gold, and two per cent. on all Silver, being private Bullion, as seignorage to meet the expenses of Coinage,* and a charge for refining shall be added on all Bullion below certain standards, agreeably to the following scale.

It is however to be understood that the refining Charge for under Standard Silver is not to be levied where the Mint sustains no loss by the remission, and in regard to Gold the Mint Committee will regulate the refinage charge so that it shall not exceed the cost actually incurred in reducing the Gold to Standard.

Parties bringing bullion to the Mint for Coinage shall be at liberty to withdraw the same within two days of the Assay report being made, if dissatisfied with the valuation, but on payment of fees for Assay, viz. four Rupees for each sample of Gold and Two Rupees for each of Silver, together with the actual charges of melting the same, or they may be allowed a re-trial, but if the second Assay give the same result, they shall become liable to double fees upon withdrawing their bullion, otherwise only to the authorized fees for the extra Assay.

* The Assay Master is at liberty to levy the usual fees on the Assay of all private bullion brought to him for that purpose, and appropriate the same to his own use, agreeably to the usage of the Mints of Calcutta and Bombay.

Madras and Furruckabad Rupees.

FORT ST. GEORGE, *March* 24, 1843.

1st. It is hereby notified that Madras Rupees, i. e. Rupees of the Madras Mint previous to the Coinage of 1835, and the different sorts of the Furruckabad Rupee will be received at the Madras Mint at their par value for Company's Rupees without deduction for seignorage, provided they have not lost by fair wear more than the regulated limit of lightness, viz. one and half per cent.; and light Madras or Furruckabad Rupees which may have fallen in weight below that limit, will also be received at the Madras Mint without charge for seignorage according to their Bullion weight.

2d. The above principle will also be observed in receiving the Madras and Furruckabad Rupees in payment of public demands at the Treasuries of the Collectors, &c. in the Districts under this Presidency, and in receiving the Madras Rupees at the General Treasury.

By order of the Most Honorable the Governor in Council.

J. F. THOMAS, *Acting Chief Secretary.*

NEW 5 PER CENT. TRANSFER REMITTABLE LOAN.

Not payable before 22d April 1854. *Opened 13th October* 1834. *Notes to be dated 31st December* 1834.

GOVERNMENT ARRANGEMENTS REGARDING 6 PER CENT. REMITTABLE PAPER.

Fort William, Financial Department, 13th October 1834.

1. Notice is hereby given, that the Sub-Treasurers of Fort William, Fort St. George, and Bombay, are severally authorized to receive from and after the 15th of this month, any of the Six per Cent. Promissory Notes of this Government bearing date the 30th June 1822, that may be tendered for transfer into a new Loan to be opened under the conditions hereinafter stated, and to grant in exchange thereof Certificates or Acknowledgments, entitling the Proprietors, or their Representatives, to receive Promissory Notes of the Supreme Government in the form and manner specified below.

2. A Bonus or Premium of 5 per Cent. will be granted on all transfers made under this Advertisement: that is to say, for every Note surrendered for transfer, a new Note will be issued for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Note so issued in exchange will bear interest at the rate of 5 per cent. per annum from the 31st December next ensuing, which will be its date. The interest will be paid half-yearly, on the 30th of June and 31st of December of each year, in the manner hereinunder provided.

3. Transfers into this Loan will be received until the 15th of February next, and not after that date; and the Proprietors of Notes that may be surrendered for transfer shall receive interest thereon up to 31st December next, at the rate of 6 per Cent. in the same manner as if the Notes had not been surrendered, and with a like privilege to Proprietors resident in Europe to receive the said interest in cash, or by bills at one year's date, and at the exchange of 2*s.* 1*d.* for the Sicca Rupee. From and after the said 31st December next, interest will be paid as may be stipulated in the new Notes to be given in exchange, and all demand on account of the Note surrendered shall cease.

4. The Notes of the 6 per Cent. Loan of the 30th June 1822 that were advertised for payment on the 9th May last, viz. No. 1 to 887, will be received for transfer in like manner with those now or hereafter advertised, and whether tendered before or after the 31st December next, the calculation and adjustment of interest shall be the same; that is to say, at the rate of 6 per Cent. on the principal sum of the Note to the 31st December next, and from that date at Five per Cent. on the principal sum of the new Note given in exchange, as will be stipulated therein.

5. Promissory Notes of the new Five per Cent. Transfer Loan opened by this Advertisement, will be registered and numbered in the order of the applications made for Promissory Notes in exchange for the Sub-Treasurer's Certificates: that is to say, in the order in which the Notice thereof may be received in the Office of the Accountant General at Calcutta. The accounts of this Loan will be closed on the 15th February next; and whenever it shall be paid off as provided below, if the whole Loan be not at once advertised for payment, but only part thereof, the numbers selected for first payment shall be those last on the register.

6. For the convenience of Proprietors of Notes of the 5 per Cent. Transfer Loan who may be resident in Europe, the Honorable the Court of Directors have made arrangements, whereof they have given public notice in England, to provide that Notes of this Loan shall, at the option of such Proprietors, be registered in the Auditor's Office at the East India House in London, so as to allow of their being sold in England without previous reference, and the employment of Agents to effect the transfer in India. When Notes may be so registered at

the India House the interest payable thereon will be issued in England only at the periods when the Bills for the same would become due, supposing the interest payable in India by the terms of the Notes to have been taken in Bills.

7. It is hereby declared and stipulated, that no part of the Transfer 5 per Cent. Loan opened by this Advertisement, shall be paid off before the 22d April 1854; and whenever it shall be redeemed, a previous notice of fifteen months shall be given by public Advertisement, the period of which shall expire on some date subsequent to that above stated, and not prior thereto. When payment shall be made of the whole or of any part of the Notes of this Loan, it shall be at the option of Proprietors to receive the principal sums due on their Notes respectively, either in cash at the General Treasury at Calcutta, or in Bills to be drawn in India on the Honorable the Court of Directors of the East India Company, payable at 12 months date, and at an exchange of 2*s.* 1*d.* for the Sicca Rupee, the Court of Directors having the option when the Bills shall fall due, of postponing payment thereof for one, two or three years, paying interest at the rate of 5 per cent. per annum for the period of such postponement. The notice of payment duly advertised as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that date.

8. The interest of the Promissory Notes of the 5 per cent. Transfer Loan will be paid in cash to Proprietors resident in India; but Proprietors resident in Europe may take the interest at their option in Cash, or in Bills of one year's date to be drawn on the Honorable Court of Directors, at the exchange of 2*s.* 1*d.* (Two Shillings one Penny), for the Sicca Rupee.

9. Proprietors residing within the Presidencies of Fort St. George and Bombay, shall be entitled to receive interest at the exchange of one hundred and six and a half Madras and Bombay Rupees for one hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively; but before the interest of any Note shall become payable at either of those Presidencies, notice shall be given to the Accountant General of the Bengal Presidency, and the Notes shall be brought or transmitted to that Officer, that the order for such payment may be inscribed on the face of the Note, after which the interest shall be payable only at the Treasury mentioned in the order; but if it be desired to change the Treasury of payment, application may be made to the Accountant General of the Presidency where it may be payable, and the order may by him be cancelled.

10. The Accountant General of Bengal may, on the application of Proprietors, and for their convenience, make the Interest on Notes of this Loan payable at any other Treasuries of issue under this Presidency by a similar order: but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

11. Notes of this Loan may be consolidated and divided in the usual manner; but if consolidated, they shall be so on the highest number.

12. The Certificates to be granted by the Sub-Treasurers of Bengal, Madras and Bombay, upon surrender of Notes of the 6 per cent. Loan of the 30th June 1822 for transfer into the 5 per cent. Transfer Loan, shall be in the following form:

By an Order in the Financial Department of 17th June 1835, an option is given to holders of 6 per Cent. Paper, and of 5 per Cent. Transfer Notes, to transfer on the same conditions as the above into a Book Debt Loan: the following is the Order.

FORT WILLIAM; *Financial Department, 17th June* 1835.

Notice is hereby given, that the Honorable the Court of Directors having, in an Advertisement, dated East India House, the 17th of September 1834, notified to Proprietors of Bengal six per Cent. Remittable Paper, resident in Europe, who had made known, or might make known, before the 1st of December following, at the Auditor's office, in the India House, their wish to transfer their Notes of that Loan into the New five per Cent. Transfer Loan, under the conditions specified in the Court's Advertisement of the 14th May 1834, that the pro-

perty in the new Loan would be held in the form of Stock, instead of Promissory Notes; that Stock Receipts would be granted in Bengal to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred; and that the new stock would be transferable at the place of registry, in books to be kept for that purpose in London and in India;—in pursuance of that notification and the orders of the Honorable Court, the Sub-Treasurer at Fort William is authorized to receive any of the six per cent. Promissory Notes of this Government, bearing date the 30th June 1822, that may be tendered for transfer into the New five per cent. Loan, in fulfilment of the intention of the Proprietors signified at the India House, under the advertisement of the 17th September last, and to grant Stock Receipts to the respective Proprietors, or their Agents, in exchange for the Promissory Notes transferred.

2. A Bonus or premium of 5 per cent. will be granted on all transfers made under this Advertisement; that is to say, for every Note surrendered for transfer, a Stock Receipt will be granted for a principal sum exceeding the principal sum of the Note surrendered, in the proportion of 105 for every 100 Sicca Rupees; and the Stock Receipt will bear interest at the rate of five per cent. per annum, payable, if the Proprietors are resident in India, in cash at the place of registry, and if resident in Europe, at their option, either in Cash in India, or by Bills on the Court at 12 months' date, at 2*s.* 1*d.*, the Sicca Rupee.

3. The transfers under this Advertisement will take effect only at the period when the Notes to be transferred shall fall to be discharged, according to the Notices published from the Financial Department under the dates respectively of the 9th May and 13th October 1834.

4. The property of the New Loan here advertised is to be transferable only in books to be kept in Bengal, at Madras, at Bombay, and in London, and not by endorsement of Stock Receipts, on the face of which it is to be declared that they are not transferable. Proprietors of Stock Receipts will be entitled to the option of transferring from the books of Bengal to those of either Madras, Bombay, or London. Having availed themselves of that option, the property cannot again be registered in Bengal, or at either of the other places, unless upon transfer effected at the place at which they may have chosen to register it.

5. After transfer has been made to London, the interest payable on the Stock so transferred will be issued in England, at the same periods as when the bills would have become due, had the remittance of interest been previously received by bills under the option allowed in the second article of the present Notice.

6. It is hereby declared and stipulated, that no part of the Transfer Five per Cent. Loan opened by this Advertisement shall be paid off before the 22d of April 1854, and whenever it shall be redeemed, a previous Notice of fifteen months shall be given by public Advertisement, which notice may be issued at any time after the 21st January 1853. Payment shall then be made, at the option of the Creditors, either in Cash in India, or by Bills upon the Court at twelve months' date, and at 2*s.* 1*d.* the Sicca Rupee; with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing Interest at Five per Cent. per annum for the period of postponement. The Notice of payment duly advertised, as above, and published in the *Government Gazette* of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge, and all interest will cease from that day.

7. Proprietors who shall transfer to the Books of Madras and Bombay, will be entitled to receive interest at the exchange of One Hundred and Six and a half Madras or Bombay Rupees, for One Hundred Calcutta Sicca Rupees, from the General Treasuries of those Presidencies respectively.

8. The Accountant General of the Supreme Government may, on the application of Proprietors of Stock registered in the Books of Bengal, and for their convenience, make the Interest of such Stock payable at any other Treasuries of Issue under the Bengal or Agra Presidencies; but Proprietors shall not be entitled to claim this accommodation if the Accountant General should think proper to refuse it.

9. Stock of the Five per Cent. Transfer Loan opened by this Advertisement may be consolidated and divided, at the pleasure of the Proprietors, in the Books in which it is registered.

10. Proprietors of Six per Cent. Remittable Paper who may transfer into the Five per Cent. Loan now advertised, shall not be subjected on this operation to the fees prescribed in the Regulations for the Government Agency.

11. Proprietors of the Five per Cent. Transfer Notes issued under the Advertisement of this Department, bearing date 13th of October last, or their authorized Agents, will be permitted to transfer their property into the Book Debt Loan. For this purpose a period of four months will be allowed to the holders of Five per Cent. Promissory Notes, or their Agents, and it is hereby notified, that during the same period fresh Transfers will be allowed to the Book Debt by holders of Six per Cent. Remittable Paper.

12. Forms of Stock Receipts will be published in a future notice.

The difference of Interest that may be claimable under this notice will, in case the Stock has been held consecutively by the same party or parties, be paid to the holder of the Certificate, on application and production thereof in the Office of the Accountant General of the Presidency in which the Stock may be registered for payment of Interest, but in case of transfer intermediate between the 31st December 1834 and that of application for adjustment of Interest under this notice, the circumstances of each case, and all particulars of the transfer, must be submitted to the Governor General of India in Council, in order that His Lordship in Council may decide to whom the difference of Interest thus granted is payable.

The holders of Notes and Certificates transferred to the London Registers, will, on application to the Honorable Court of Directors, learn the determination

of the Honorable Court as to the manner in which these adjustments and transfers will be made in respect to their Stock.

The Proprietors of Acknowledgments, who may desire to have the interest of the Promissory Notes to be issued in exchange thereof, to be made immediately payable at Madras or Bombay, must express their desire to that effect on the face of the Acknowledgments before transmitting them to the Accountant General at Fort William, who will make the interest payable accordingly in the manner and subject to the conditions above stated.

If any Loan be opened by the Government into which the Paper deposited may be receivable, the Officers abovementioned are authorized to subscribe the Paper so deposited to such Loan, upon receiving the instructions of the Proprietor for that purpose, although the Notes may not be in course of payment: instructions for this purpose must be made out according to the Form No. 10.

7. The Officers abovementioned are authorized to receive remittances in Government Bills only from individuals desiring to purchase the Public Securities or Bank Shares for deposit with them, provided such Bills shall be payable at the General Treasury, or Presidency Pay Office at Fort William if remitted to the Government Agent at Fort William, and at the General Treasuries or Government Agent's Offices at Fort St. George and Bombay if remitted to the Accountants General and the Sub-Treasurers at those Presidencies. The Officers abovementioned are authorized to invest the amount of such remittances according to the instructions of the Proprietor, either by subscribing the amount to any Loan which may be open for the receipt of cash, or by purchase in the market at the current price of the day. Instructions for the purpose shall be made out according to the Forms hereunto subjoined Nos. 11 and 12.

8. The Officers abovementioned are further authorized to invest the amount of interest or dividends due on Paper deposited with them in either of the modes mentioned in the last Clause upon receiving the Proprietor's instuctions for that purpose: such instructions must be made out in the Form hereunto subjoined No. 13.

9. The same Officers are further authorized at any time, on receiving proper authority and instructions from the Proprietor for that purpose, to endorse any one or more Promissory Notes or Bank Share Certificates deposited with them as Attorneys of the Owner to such person as he shall direct, or to sell the same on the Owner's account at the current price of the day, and to pay over the proceeds in cash at the General Treasury to such person as the Proprietor may appoint to receive the same, provided that the whole amount of each Note or Bank Share sold shall be payable in one sum and to the same person. They are also authorized, on receiving proper instructions from the Proprietor, to re-invest the proceeds of Paper so sold in the purchase of other Paper. Any fees which may have become due according to the rates hereinafter prescribed upon the Paper required to be endorsed are to be paid before the endorsement is made, or in case of the sale of the Paper the fees shall be deducted from the amount proceeds before it is paid over. The Power of Attorney to endorse or to sell Government Securities must be made out according to the Form No. 14, the direction to endorse according to the Form No. 15, and the direction to sell and dispose of the proceeds according to the Forms Nos. 16 and 17. The Power of Attorney to sell, assign or transfer Bank Shares, must be made out according to the Form No. 18.

10. If Government should at any future period grant a remittance of the principal of any Paper deposited under the terms of this advertisement, the Officers abovementioned will remit the principal upon receiving instructions from the Proprietor to that effect: such instructions must be made out according to the Form No. 19. The Proprietor may at any time withdraw the Government Securities or Bank Share Certificates deposited, or any part of them, from the charge of the abovementioned Officers, and such Securities or Certificates will be delivered up to the Proprietor himself, or to any other person whom he may authorize to receive them, upon payment of such fees as may have become due to the Government Agent or to the Accountant General and Sub-Treasurer according to the rates hereafter specified upon the Paper so required to be delivered up. The authority to receive deposited Paper must be made out according to the Form No. 20.

11. In each of these cases on which the Officers abovementioned are authorized to invest money in the Public Securities or in the purchase of Bank Shares, it is to be understood that they will invest as nearly as possible the whole amount, but that they are in no case and upon no account to exceed it. Such fractional sums as may remain in their hands above the amount invested will be payable on demand at the General Treasury to the order of the Proprietor. Such order is to be made out according to the Form No. 21.

12. The full postage must be paid on all letters directed to the Officers abovementioned, and the full postage on all letters from them will be charged to the persons to whom they are addressed. All letters addressed to them are to be superscribed in the following manner:—

"To the Government Agent for the time being, Fort William," or

"To the Accountant General and Sub-Treasurer, Fort St. George," or

"To the Accountant General and Sub-Treasurer, Bombay," as the case may be.

13. The responsibility of the Hon'ble Company is strictly confined to the cases above specified, and to such transactions as shall be conducted according to the prescribed Forms. These Forms will be printed and furnished in blanks at the different Presidencies and at the India House to persons desirous of availing themselves of the Agency of the Public Servants, and no other than the Forms so furnished will be received or acted upon by those Officers.

On remitting the principal of Notes when such remittance is granted in Government Bills,.....4 annas per mille.

15. Such Fees or Commission as may have become due on any of the abovementioned transactions from any person depositing Paper will be deducted by the Government Agent at Fort William, or the Accountants General and Sub-Treasurers at Fort St. George and Bombay, from the first interest or dividend received by him or them from any Paper in deposit belonging to such person, but if these Officers shall in any instance omit to deduct their Fees or Commission from the interest or dividend coming first to their hands, they shall not be at liberty to make the deduction at any future period.

16. Government reserves to itself the liberty of withdrawing the authority hereby granted to the Government Agent at Fort William and to the Accountants General and the Sub-Treasurers of Fort St. George and Bombay, upon giving two years' notice of their intention so to do in the *Calcutta Gazette*, and at the expiration of such notice those Officers will cease to act in the concerns of individuals, but any Paper which may have been deposited with them will remain for safe custody at the General Treasuries until claimed by the Proprietor.

TABLES OF MONEY, WEIGHTS AND MEASURES.

3½ rupees exchange in account for 1 pagoda.

A lac of Rupees is 100,000 : a crore of Rupees 100 lacs, or 10 millions.

Accounts were formerly kept in Madras in Star Pagodas, Fanams, and Cash, viz.

80 Cash to 1 Fanam ;

42, 44 or 45 Fanams, 1 Star Pagoda.

Government, the Banks, and all the Houses of Agency kept their accounts at 42 Fanams the Star Pagoda : the Shops and Bazars at 44 or 45.

The Star Pagoda exchanged in the Bazar for about 45 Fanams, but it fluctuated according to circumstances.

The coins in circulation were the Star Pagoda, the Arcot Rupee—3½=1 Star Pagoda ;—(it exchanged in the Bazar for 12 Fanams 60 Cash ;) the double and single Fanam, and the Doodie, 3 of which =1 Fanam.

There was also a copper coin sent out from Europe of 20, 10, 5, and 1 Cash value, the latter being worth 8,75ths, or about the 9th part, of a farthing.

The Currency was altered in January 1818, by a Proclamation which constituted the Silver Rupee the standard coin. To this the public accounts were all converted at an exchange of 350 Rupees per 100 Pagodas ; and the new Silver coinage was made to consist of Rupees, Half and Quarter Rupees, Double and Single Annas, the Rupee containing 165 grains of pure silver and 15 grains of alloy; and weighing 180 grains, and the other Coins bearing the due proportion to the same.

The Act of the Legislative Council of India (passed in 1835) assimilating the currency over the Country, changed the design, but left the new coinage of a precisely similar value to that of Madras according to the above Regulation.

WEIGHTS AND MEASURES.

The Weights and Measures given in the two following Tables were directed by Proclamation, dated Fort St. George, October 16, 1846, to be used exclusively in the Public Departments throughout the Madras Presidency, and all the Public Accounts are now kept therein.

LAND MEASURE.

Land is usually measured with Gunter's chain of 100 Links, or with a rod of 10 feet, and reduced to Cawnies, Grounds and Square feet, agreeably to the following table :

60 feet long and 40 feet broad, make 1 ground or maunie, containing 2,400 square feet.

24 Grounds, or Maunies, make one Cawnie, equal to 57,600 square feet.

The Indian Cawnie is in proportion to the English Acre as 1 to 1,3223, or as 121 is to 160.

To reduce Indian Cawnies to English Acres, multiply the given number of Cawnies by 160, and divide the product by 121, the quotient will give the number of Acres, and the remainder be the fractional part of an acre. Or multiply the Cawnies by 1,3223, and the product, (cutting off 4 places to the right hand) will be the same, and the figures so cut off are the decimal part of an Acre.

CLOTH MEASURE.

The Covid in Cloth Measure is 18 Inches, but the English yard of 36 Inches is generally used.

SEA CUSTOM HOUSE RULES.

EXTRACTS FROM THE RULES AND FORMS FOR THE ENTRY AND PASSING OF GOODS THROUGH THE SEA CUSTOM HOUSE OF MADRAS.—Sanctioned by the Right Hon'ble the Governor in Council under date the 31st January 1851.

The Custom House is open for the transaction of business every day (Sundays excepted) from ten in the morning till four in the afternoon. Goods and Merchandize for which a Permit has been given, may be landed and shipped from Sunrise to Sunset, under the superintendence of Officers appointed for the purpose.

LANDING OF GOODS.

All Goods must be landed at the Custom House. Goods landed at any other place without special permission in writing, are liable to seizure and confiscation.

Grain shall be landed within the space between the North Angle of the Custom House and Clive's Battery, and all other goods excepting timber shall be landed within the space between the North Angle of the Custom House and the South Angle of Bentinck's Buildings. (Signature.)

Note.—The total value whether "Market" or "Tariff," weight and quantity, must be written in words as well as figures.

All Articles not enumerated in the Tariff and subject to duty ad valorem, will be passed upon the Market value declared and determined in the mode prescribed by Sections XXI, XXII and XXIII of the Act VI of 1844. It shall be competent to Importers to produce their Invoices in support of the Market value put upon their goods, and the same will be duly considered, but not implicitly accepted by the Collector; at the same time it is to be distinctly understood, that the Collector of Sea Customs will be at full liberty to reject any such values, and to take on behalf of Government, in the mode prescribed by Section XXIII Act VI of 1844, any articles which he may consider to be undervalued.

The Market and Tariff value upon goods to be thus assessed to be inserted by the Importer, and the total amount of the value to be written in words as well as figures.

With the view of exhibiting the precise nature of the Imports and Exports it is necessary that the articles be enumerated as distinctly as possible, according to their varieties, and further that goods, if Foreign, be described so, and their places of production invariably stated.

A Bill will be furnished for the amount of duty paid.

After 3½ o'clock in the afternoon, no cash can be received or Bills of duties settled. Parties therefore who are desirous of clearing goods or private packages, are recommended to apply early in the day for the same. This rule is necessary to enable the accounts of the day to be closed in the evening, which could not be done were duty received until a late hour.

CLEARANCE OF GOODS.

[*The above mentioned* ACT *is given in the* MADRAS ALMANAC *for* 1843, *page* 390.—COMPILER.]

1. It is hereby notified that beneath the Master Attendant's Office on the Beach, is an Office where Boats and Cattamarans can be procured, and where Registers of all Licensed Boats, Cattamarans, and their respective Owners, and Crews, are kept, and are open to public inspection, and in which copies of the Act No. IV of 1842, for the better management of the Boats and Cattamarans, and for the amendment of certain Harbour Regulations, are suspended.

2. If a Boat or Cattamaran is required for any extraordinary service to a Ship or Vessel, either at anchor or under way beyond the limits of the Port, then the amount of hire which may be demanded may be referred to the Master Attendant or his Deputy for adjustment.—N. B.—For the purposes of the foregoing Rule, a Ship at anchor in, or beyond 10 fathoms, and a Ship at any distance under sail beyond that depth of soundings in any line of bearing from the Master Attendant's Flag Staff, shall be considered as without the limits of this Port.

3. In cases of great emergency, by night or by day, the Owners of Boats and Cattamarans kept for the purpose of being let out on hire, shall aid and assist the Master Attendant and his Deputy by every means in their power, and shall induce the Boat men and Cattamaran men to perform the service required, and when great personal risk shall have been incurred, or arduous services performed, and those on whose account such duties are undertaken refuse to remunerate the Crew for the same, the Master Attendant will bring the merits of the case to the notice of Government.

4. The Boat and Cattamaran men are not to be employed on board any Ship or Vessel in these Roads: any wilful breach of this Regulation will be considered desertion and neglect of duty, and will render the persons offending liable to the punishments provided for such desertion and neglect by Section 15 of Act No. IV. of 1842.

5. All Owners of Boats and Cattamarans, and all other persons, either belonging to any Ship or Vessel in the Madras Roads, or to the Boats and Cattamarans to be let on hire, are cautioned against the transhipment of any goods

or passengers or ballast without first obtaining a permit from the Collector of Sea Customs or his Deputy, any person or persons found guilty of any such transhipment being liable to the penalties provided in Section 23 of the Marine Police Regulations.

6. All Owners of Boats and Cattamarans must make known to their respective Crews the full intent and purport of the several port signals, which, as occasion may require, will be displayed at the Master Attendant's Flag Staff, especially the recall signal for all Boats and Cattamarans, which is a white pendant with a red ball; and when this signal is hoisted, all Boats and Cattamarans must immediately repair to the Shore.

7. The Crews of Boats and Cattamarans kept for the purpose of being let on hire shall not be changed or transferred from one Boat or Cattamaran to another, without the sanction of the Master Attendant.

8. The Accommodation Boats shall be kept in the same good order as heretofore, and are always to be provided each with an awning, and with seats and cushions, and in case they shall not, in the judgment of the Master Attendant, be kept in proper order, the Owners shall be deprived of their Licenses until the same shall be put in proper order for the reception of Passengers.

9. All Owners of Boats and Cattamarans are to make known to their respective Crews, that the Officer or Peon in charge of the Police or Revenue Boat, is authorized and empowered by Section XIX. of Act No. IV. of 1842, to stop, search, and detain any Boat and Cattamaran plying to and from the Ships and Vessels in the Roads, and that all Boat men and Cattamaran men who may impede or obstruct any Police Officers in the execution of his or their duty, will render themselves amenable to the penalties provided for in Section XIX. of the above recited Act.

10. Should any difference or dispute arise between the Owner or Owners of Boats and Cattamarans let on hire, and any person or persons hiring the same, as to the amount of hire for services performed, the party or parties may refer the case for adjustment to the Master Attendant or his Deputy, in which case each party shall sign a paper agreeing to abide by the decision of the said Master Attendant or his Deputy, and such paper shall be retained in the Office of the said Master Attendant.

The Company's Steamers start from Calcutta on the 8th, and Sandheads on the 10th of every month, and arrive at Madras about the 13th, except in May, June and July, when they start on the 3d from Calcutta and on the 5th from the Sandheads and arrive at Madras about the 9th.* From Calcutta they call at Madras, Ceylon and Aden, at which last place, they receive the passengers and Mails (brought so far by the H. E. I. Company's Steamers) from Bombay. From Aden they proceed to Suez. On landing at Suez, generally about the 7th of the month, passengers are conveyed through Egypt by the Transit Administration of His Highness the Pacha of Egypt, and on arriving at Alexandria, embark on board the Company's Steamer for England, which conveys them to Southampton, calling at Malta and Gibraltar. There is now no quarantine upon this line of Steamers, and Passengers are allowed to land at once at Southampton. The Steamers from Bombay meet this line of Steamers at Ceylon, and convey Passengers for Penang, Singapore and Hong Kong.

Conditions, Regulations, and General Information.

PASSENGERS.

The rates of passage money will be proportionately increased according to the class of accommodation required.

A reduction of 10 per cent. on the full rates will be made in favor of Passengers making the voyage to and from Southampton, India, or China, within twelve months.

The rates of passage money include Stewards' Fees, Table, Wines, &c., for First class Passengers. Bedding, Linen, and all requisite Cabin Furniture are provided in the Steamers at the Company's expense, together with the attendance of experienced male and female servants.

The expense of Transit through Egypt is also included in the rates of passage money to India and China, with the exception of Hotel expenses, and also of extra baggage, wines, spirits, beer, and soda water, all of which the Egyptian Transit Administration charge for separately.

Servants soliciting gratuities will be dismissed from the Company's service.

Passengers not embarking after engaging passage, to forfeit the deposit of half the amount of passage money.

In case however, of a Passenger being unavoidably prevented from availing himself of a passage at the period for which it is taken, a transfer of the passage can be effected to a subsequent Steamer, on due notice being given, without forfeiture of any portion of the deposit paid, and accommodation will be allotted as similar as circumstances will permit.

No Berth or Cabin is to be occupied by a Passenger without application to the Agent on shore, or to the Purser on board. It is to be understood that a Passenger occupying a Cabin of two or more Berths, on the departure of the vessel (unless he shall have paid an additional sum for its exclusive occupation), is not to object to the vacant Berth or Berths being filled up at the intermediate Ports, if required.

BAGGAGE.

First-class Passengers are allowed, *in the Company's Steamers only*, on either side of the Isthmus, 3 *cwt. of personal* baggage free of freight, and children and servants 1½ cwt. each.

A Passenger taking a whole Cabin will be entitled to take in the Steamers, free of Freight, one-half more baggage than the regulated allowance.

The charge for conveyance of extra baggage, should there be room in the Vessel, will be at the rate of £1 per cwt. between England and Malta, or Alexandria; £2 per cwt. between Suez and India; and £3 between Suez and the Straits and China.

Passengers for India and China will have to pay the Egyptian Transit Administration in Egypt 14s. per cwt. for conveyance of Baggage through, should it exceed, for First-class Passengers, 2 cwt. each, and children and servants 1 cwt. each.

The Egyptian Transit Administration have given notice that they will not forward any Package of Baggage exceeding 80lbs. *weight, and measuring more than, length, 2 feet 3 inches—breadth, 1 foot 2 inches—depth, 1 foot 2 inches, with the Passengers to Suez. A departure from this regulation will cause a detention in Egypt, to such Packages, of one month.*

The Company cannot engage to take any excess of Baggage over the regulated allowance, unless shipped at Southampton three days before starting, and Freight paid thereon.

All Baggage must be shipped on the day previous to sailing, except Carpet Bags or Hat Boxes. All other Baggage received on board on the day of sailing will be considered as extra Baggage, and charged Freight as such.

As the room for Cargo is limited, no Baggage can be conveyed on Freight, unless accompanied by the Passenger to whom it belongs.

Passengers taking parcels or articles of merchandize in their Baggage will incur the risk of seizure by the Customs' Authorities, and of detention for Freight by the Company's Agents.

Every package of Baggage should have the owner's name and place of destination distinctly painted upon it.

* This, we are informed, will be altered shortly: the Steamers are to start from Calcutta twice a month, viz. on the 6th and 20th of every month.—Compiler.

Baggage can be had up from the baggage-room during the passage by application to the Captain.

No Trunks, Boxes, or Portmanteaux allowed in the Saloon or Cabins.

NOTICE.—*All parties are requested to take notice that the Company do not hold themselves liable for detention or delay of Passengers arising from accident or from extraordinary or unavoidable circumstances or from circumstances arising out of or connected with the employment of the Company's vessels in Her Majesty's Mail Service, and that the Company do not hold themselves liable for damage to or loss or detention of Passengers' Baggage.*

THE OVERLAND MAILS.

POST OFFICE NOTIFICATION.

FORT ST. GEORGE; GENERAL POST OFFICE, *20th November* 1846.

1. The arrangements for the conveyance of the Mails direct between Madras, Suez, and other Ports being now in operation, the scale of British Steam Postage and British Packet Postage chargeable on letters is as follows, viz.

On every letter not exceeding ½ an ounce weight.....8 As. or one Shilling.
On do. above ½ and not exceeding 1 ounce.....1 Rupee or two do.
On do. above 1 oz. and not exceeding 2 ounces....2 Rs. or four do.
On do. above 2 oz. and not exceeding 3 ounces....3 Rs. or six do.
and so on increasing one Rupee or two Shillings for every additional ounce weight, or any fraction thereof.

2. British weights not being in general use in this country, the following Coins of the Hon'ble Company's currency are recommended as the best substitutes.

In lieu of ½ an ounce, one Rupee and one Copper Pie.

In lieu of 1 ounce, two Rupees and two Pice.

3. Letters weighing half an ounce are reckoned as single; and such as weigh one ounce are double.

4. Letters for places on the Continent of Europe; letters directed to any place to which Great Britain does not necessarily form a channel of communication; and letters forwarded viâ Marseilles, Malta or Alexandria, are subject to Red Sea (Steam) Postage. All such letters must, as heretofore, be prepaid in India, but if endorsed via "Southampton" they may be forwarded "bearing," and if directed to an Agent in England they may be prepaid.

5. No Steam Postage on letters for the United States, nor to British Colonies in America or the West Indies, can be prepaid in India, whether sent by way of Marseilles or viâ Southampton, unless they are addressed to Agents in Great Britain.

6. The same rule applies equally to letters despatched through Marseilles for places in England, Scotland, Ireland, Wales, and all the British Islands.

7. Letters for places in the United Kingdom, superscribed to the care of any person in Egypt, must be prepaid: at the rate of the regulated Red Sea postage.

8. No Steam Postage is chargeable in India on Newspapers received from and despatched to England, or from one British Indian Port to another. Inland Postage, however, to and from Bombay or Stations in the interior, must be paid.

9. *Pamphlets* are charged Steam Postage with reference to letter weight: thus a Parcel containing one or more Pamphlets is liable to be charged just as letters are, according to weight.

10. The optional prepayment of Steamer Postage applies to letters sent by the Southampton route to places within the United Kingdom and vice versa, and between British Indian Ports.*

11. All letters posted or received at the General Post Office for transmission to Europe by the Overland Mails, whether direct or viâ Bombay, will be sent by way of Marseilles unless they are superscribed viâ "Southampton."

12. The Inland (Indian) Postage is quite distinct from Steam Postage: Inland Postage must be paid in advance by the sender at the Posting Office, on letters forwarded from Out-Stations to Madras or Bombay, or from either one Presidency to the other for transmission by the Steamers.

The word "Paid" therefore should be written only on letters the Steam Postage for which senders intend to Pre-Pay.

13. British Packet Postage will be levied on all Price Currents and Newspapers conveyed between any port of the Madras Presidency and any port in the East Indies, China, &c. by the Contract Steamers from Madras.

14. British Packet Postage will be levied in addition to any Inland Postage at the following rates, viz.:

	S. D. Rs.	A. P.
On every Newspaper addressed to a Foreign Port, such as Manilla, Canton, &c.	0 1. 0	0 8
On every Price Current or Printed Commercial List, conveyed to a British Port	0 1 0	0 8
On the same addressed to a Foreign Port	0 2 0	1 4

15. Letters and Pamphlets addressed to a Foreign country or possession, such as China, Manilla, &c., must be paid in advance.

16. The postage chargeable on Newspapers and Prices Current or Printed Commercial Lists must in all cases be paid in advance.

17. Each Newspaper, or Price Current, or Commercial List, must be put under a separate cover. The Post Office will not receive two or more enclosed in one cover.

18. No letter exceeding 12 tolas (a fraction under 5 ounces) in weight can be transmitted per Letter Mail, but if forwarded by Government Bangby Post or otherwise to Bombay or Madras it may thence be despatched by the Steamer.

19. Letters and Papers from Out-Stations intended for despatch by the Overland Mail from Madras should be superscribed "Per Steamer viâ Southampton," or else "Per Steamer viâ Marseilles." In order to avoid mistakes the name of the country, as well as the name of the town therein, should be marked on the superscription.

20. Letters posted in Madras for despatch by the Bombay route should be marked "viâ Bombay."

21. According to the rules of Steam postage the *single letter* is a letter of half an ounce weight; but the Inland postage is reckoned by the tola weight; the quarter tola continues to be weight of a single letter for Inland postage to Bombay.

22. An extra charge of 8 annas for every half tola weight is made on letters sent by the Overland Express from Madras to Bombay. No letter weighing more than one tola weight can be forwarded by the Express. Letters for the Straits, Ceylon, Aden and Hong Kong, will also be received under the above arrangement.

MARS MORPHETT, *Deputy Post Master General.*

affixed to any name denotes that there is no Post Office at that Station: letters to it must therefore be sent to the nearest Post Office, which is mentioned under parenthesis.

The average time occupied in the travelling of the Dawk, Banghy, and Express Mails from dras to the several Post Office Stations throughout India might have been approximately shewn the Schedule, but as great disparity in the rate of running occurs from causes beyond the troul of Runners—such as the state of the weather, rivers, nullahs, the accidents incident to ht travelling, and the detention of Mails at a Post Office at a point of junction, or where several ils from different roads meet together to start at a given hour—it was considered preferable omit it, rather than embody the same inaccurately in a Schedule that may be relied on as cor- t in all other particulars, for the information which it affords for the guidance of the Post ice Department and the Public.

* Applications to post Bearers to Cannanore for Travellers proceeding thither from Mangalore, Bangalore, Mysore, Calicut, Manantoddy, &c. should be made to the Joint Magistrate of Malabar at Tellicherry.

2. Travellers within the frontier will be furnished with Dâk Bearers on application to the authorities named in the margin, stating the places at which they will halt, and the number of hours they will remain at each. The Officer addressed will order the Bearers to be posted through the different authorities, and inform the Applicant in the event of any difficulty being experienced in laying his Dâk. In some places 10 days notice will be requisite. The Traveller will be furnished with a list of places where the Bearers are posted by each authority on entering his range.

N. B.—The demurrage to be paid to each Bearer for detention is 1 Anna for the first day and 3½ Annas for each succeeding day, reckoning from the time of the set being posted.

3. Each Traveller is henceforth required to pay the Bearers their hire and the charge for torch and oil, personally on his arrival at the end of the stage, according to the English Memorandum (in the annexed Form) furnished to the set by the Officer posting

them. The rate of charge for demurrage according to Rule 8 will be stated at the foot of the Memorandum, and whatever amount may be incurred by the Traveller must also be paid at the end of the stage. No relaxation of this rule will be permitted under any circumstances.

4. To protect Government from all loss, the application for a Dâk, in the case of parties belonging to Her Majesty's or the Honorable Company's Services, must be accompanied by an assurance in writing that all charges incurred for their Dâk will be paid on demand. From all other parties the security of a House of Agency for the payment of all charges on demand, is requisite; but the Officer laying the Dâk may, at his discretion and on his own responsibility, accept a written assurance to the same effect in lieu of the above security.

5. A set of Dâk Bearers will comprise fourteen men, viz. twelve Palankeen Bearers, one Masaljee and a Cawady Cooly. When Cawady Coolies cannot be procured, two Coolies will be employed instead, at the same cost.

6. The rate of hire to be paid to the Bearers will be fixed by the local authorities. When Bearers are brought from a distance, the Traveller will be required to pay them the regular hire and travelling hire.

7. Sets of Bearers shall receive (3) three Pice each Bearer for every mile they travel to their post, which allowance is called travelling hire, except for such part of the road as they travel over again with a loaded Palankeen, for which part they shall not be entitled to travelling hire, unless the distance which they travel to their post exceeds 40 miles, in which case they shall be entitled to travelling hire, for the whole distance, notwithstanding they return over a part or the whole of it with a loaded Palankeen.

8. If Bearers are detained on the road, they are to receive (1) one Anna each for the first day, and (3½) three and half Annas for each succeeding day, from the party for whom they are posted, whether they are used or not, and after remaining 3 full days they will be discharged and without further instructions return to their homes, unless notice is given for their further retention. Bearers carrying an empty Palankeen shall be entitled to (1) one Anna and (6) six Pice per mile, for the distance they convey the same, in addition to any travelling hire to which they may be entitled under these Rules.

9. When a Dâk has been ordered and circumstances may cause the Traveller to postpone his journey, or to abandon it altogether, he will be liable to all charges actually incurred in like manner as if he had employed it.

10. When Bearers are posted for a Traveller, no other Traveller shall employ them, without the authority of the Officer who posted them; but should any individual so act in violation of the orders of Government, he will be liable, in addition to the hire of the Bearers used, to all and every extra charge incurred by the Traveller for whom the Dâk was originally laid.

11. In order to facilitate the keeping of accounts, all fractional portions of a mile will be struck out. If the fractional part exceed the half, the Bearers will enjoy the benefit of a full mile—if less than the half, they will not be entitled to any hire for the same.

12. All charges of hire shall be made agreeably to the Table of distances and routes in the Madras Road Book.

13. The load for a Cawady Cooly shall not exceed 50 lbs. weight, divided, as nearly as possible, into two equal portions of 25 lbs. each.

14. All applications on the subject of posting Bearers (except when made on service by one Public Officer to another) shall be post paid, and superscribed "Bearer Service," in order that no delay may occur in their being opened by the proper authority. If this rule is infringed, the Traveller will be held responsible for any charge that may be incurred consequent thereon.

15. In all cases of charges being made which to the parties concerned may appear irregular, the decision of the Post Master General shall be final, unless the charge complained of was made by the Deputy Post Master General, when alone an appeal is permitted to Government. Travellers are not however on this

plea to withhold payment from the Bearers of any sum entered in the Memorandum presented by them—all such objections will be subsequently adjusted.

16. It is to be understood, that although Government has directed its Public Servants to lay Dâk Bearers for the convenience of the Public, and will cause due pains to be taken to ensure regularity and a punctual attendance to all requisitions, yet that neither Government nor any of its Officers are to be held responsible to the Traveller, for any unavoidable disappointment he may meet with on his journey, or for the expenses consequent thereon.

17. All parties availing themselves of the services of the Officers of Government for laying Dâks are to be held as ipso facto binding themselves to adhere to the above Regulations.

18. Nothing in the foregoing Rules is intended to interfere with Travellers applying to private individuals to post their Bearers, should they prefer making their own arrangements without the intervention of the Public Authorities.

Published by order of the Right Honorable the Governor in Council.

H. C. Montgomery, *Chief Secretary.*
