During this month the wind blows uniformly and steadily from N. E. with occasionally an inclination towards the East about the middle of the day in the shape of sea breeze. In the mornings for the most part heavy dew is deposited, and occasionally fog is experienced, which reaches only to two or three feet above the surface of the ground. The weather is mostly very serene, presenting about twenty days of uninterrupted clearness and five of haze or mist, the remaining days being cloudy, with perhaps a single shower of rain. Lightning is almost unknown in this month. The hottest time of the day is at 1h. 0m. P.M.; the coldest at 4h. 20m. A. M.

Throughout this month the South or *changua* wind with very unequal force prevails: it is accompanied with a profuse dampness and sultriness, which renders its effects highly prejudicial to health and comfort. On this account the sea breeze which sets in at noon, and blows till sun-set, is less courted than at other seasons: the sky is however beautifully clear for about twenty-seven days, the remaining four being cloudy. Dew less frequently occurs, and is less in quantity than last month. Rain and lightning are little known.

The hottest time of the day is at 0A. 20m. P. M. the coldest at 0A. 0m. A. M.

The remarks of last month relative to the wind are equally applicable to this. The S. wind, varying from S. E. to S. W., still continues at times blowing very fresh, but occasionally calms ensue, which are exceedingly oppressive. The weather is about the same twenty-four days, with four days of flying clouds at noon, and two of clouds on one of which rain falls. Lightning occurs for two days. There is very little in quantity and of unfrequent occurrence.

The hottest time of the day is about noon : the coldest at 4h. 50m. a. m.

The South wind, which is mentioned as peculiar to the two last months, continues till the middle of this month, relieved sometimes by a land wind from the W. or S. W. : in this interval gales of wind of extreme violence have occasionally been experienced, commencing their career generally at the N. W. and veering to every part of the compass. About the 16th the regular land or hot winds set in, which are moderated in their effect towards the end of the month by occasional showers. The weather is still in about rain and blows 4th or 4th E. E. There are about numerous days of clear weather, eight of flying clouds and haze, and four cloudy days, on two or three of which there is rain. The dew is almost imperceptible, and lightning with thunder occurs about four times.

The hottest time of the day is at 11h. 30m. A.M. the coldest at 5h. 30m. P.M.

In this statement the rain which fell during the four gales of 4 or 5 has been omitted. On the 31st May 1851, during the gale which then blew, there fell 4.5 inches, on the 6th, 9th and 10th May 1850, 17.25 inches; on the 7th, 8th and 9th May 1850, 32.25 inches, and on 10th May 1851, 3.5 inches.

The regular westerly winds which terminate about the middle of this month are succeeded by winds of a light and variable nature, mostly from the West and South. Calms, haze, and rain occur in about the same proportions as last month, lasting about eight days of clear weather. Lightning unattended by thunder is very frequent, but this is discontinued it occurs only once or twice. The sea breeze becomes much the same character as that experienced last month, commencing at 3 or 3.5 a.m. and continuing till 6 or 10 p.m. Dew is sometimes discovered, but more frequently falls.

The hottest time of the day is at 3.5 p.m.; the coldest at 3.5 a.m.

Throughout the month light and variable winds with occasional calms continue, and with the exception that the weather is not quite so much clouded, the remarks of last month apply with equal propriety to this. Lightning occurs almost every evening, but accompanied by thunder three times only. The rain breeze sets in about 2 or 2 1/2 p. m. and blows till 7 or 8 p. m., but occasionally fails for several days together. Dew is common, but small in quantity.

The hottest time of the day is at 4 p. m., the coldest at 12 noon. 4 p. m.

The clouds now begin to assume a more dense appearance than heretofore. Calms, lightning and rain are very frequent till the 16th, when the N. E. monsoon, or rainy season, sets in. From this time till the end of the month the atmosphere assumes a very disturbed appearance; extremely heavy rain with storms of wind, thunder and lightning, invariably occur, and gales of wind of a similar nature to those which prevail in the earlier part of the year are sometimes experienced. On these occasions a depression of the barometer of 1 or 2 tenths of an inch is observed. The sea swells, or rather a slight modification of the N. E. wind, is perceived towards the middle of the day.

The hottest time of the day is at 1h. p. m.; the coldest at 4h. 30m. a. m.

* See remarks for the month of May.

On 30th October 1855, during the hurricane which then raged, the barometer fell to 28.25 inches.

The N.E. Monsoon continues with uniform force, and the state of the weather generally is much the same as that experienced towards the end of last month, save an increased dampness of the air and a less frequent occurrence of lightning. The number of clear and cloudy days in this, as well as in last month, is liable to great uncertainty.

The remarks relative to the monsoons of last month apply equally to this.

The hottest time of the day is at 04. 30m. P. M. & the coldest at 05. 30m. A. M.

The heavy rains and violent gusts of wind are much moderated at the beginning of the month, and arrive at their close about the 19th. From this time the sky assumes an appearance of tranquillity and clearness which forms a strong contrast with the disturbed state of the preceding month; the N. E. wind, however, continues throughout the month without interruption. There are about thirteen clear days, eleven cloudy, and seven of flying clouds and haze; of these there are six days in which rain falls. The morning exhibits a copious deposition of dew, and sometimes a ground fog which does not reach more than twenty three feet above the surface. The sea breeze sets in at 10 A.M. and blows till 4 P.M.

The hottest time of the day is at 36. 50m. P.M.; the coldest at 25. 26m. A.M.

CIVIL SERVICE REGULATIONS.

Absentee Allowances.

*Extracts from a letter from the Honorable the Court of Directors,
dated 31st December 1824.*

19. "That after an actual residence in India in the Civil Service of ten years or upwards, a Covenanted Civil Servant of the Company, upon either of the Establishments of Bengal, Madras, or Bombay, shall be entitled, whether on account of ill health, or from any other cause, and without reference to his private fortune, to come once to Europe on leave for three years, and to receive for that period from the Company's Cash an allowance of £500 per annum, provided that in no case shall a greater number of Servants come home under this Regulation annually than seventeen from Bengal, nine from Madras, and six from Bombay; nor shall a larger number of Servants who may have come home under this Regulation, be absent in the whole, at one time, than fifty-one from Bengal, twenty-seven from Madras, and eighteen from Bombay; and that the preference shall be given first to Servants producing Medical Certificates upon oath, that a visit to Europe is indispensably necessary for the restoration of health, and then to Servants in their order of seniority according to the rank assigned to them by the Court of Directors in the Gradation list of the Service.

20. "That in cases of Civil Servants compelled by illness, certified upon oath, to come to Europe previous to their completion of an actual residence in the Civil Service of ten years, such Covenantant Servants shall each be presented with the sum of 2,000 Sicca Rupees as Passage Money, and shall be entitled for a period not exceeding three years to an Allowance from the Company's Cash of £250 per annum; but that Servants having received this indulgence shall not in the event of their again coming to Europe, after having completed a residence of ten years or upwards, be entitled to any Allowance under the first Regulation, except their return be again occasioned by illness, to be in like manner certified upon oath, and then only to the difference between what they have before drawn, in the shape of Absentee Allowance, exclusive of Passage Money, and that of £500 per annum for three years.

22. " That in all cases, as well in those of Servants coming in the first instance to the Cape, as well as of those coming direct from India, the said Allowances be considered as commencing from the date of leaving India, and terminating at the expiration of three years from that date, or at the time of arrival in India, whichever may first happen.

23. "That the same be paid half yearly in Europe.

25. "That any Servant being in the receipt of Absentee Allowance from a Civil Fund, shall not be entitled to receive during the same period of absence, the Allowances prescribed by these Regulations, beyond such amount as may bring the total of his annual receipts from both sources to the sum hereby limited."

In pursuance of the Honorable Court's instructions, the Governor in Council is prepared to grant the benefit of these Regulations to such Civil Servants as may produce the prescribed Medical Certificate as the cases may arise. Every Civil Servant so applying, must obtain a Certificate in duplicate from the Trust-

tees to the Civil Fund, notifying either that he will receive no allowance from that Fund during his absence from Europe, or, if he is to receive any, the nature and extent of such relief; one copy of which Certificate must be submitted with his application to Government; the other, upon his arrival in London, must be produced before the Auditor of East India Accounts.

Civil Servants desirous to avail themselves of these Regulations, and not producing the prescribed medical certificate, are hereby required to make known their desire to Government on or before the 1st November of each year, when the indulgence will be granted in order of rank to such extent as the foregoing Regulations and circumstances shall permit.

Every Civil Servant proceeding to Europe under these Regulations, whether on sick certificate or otherwise, before receiving his passage order must have applied for and received from the Secretary to Government in the Public Department a certificate specifying the grant of the permission, and whether granted upon sick certificate, or on account of private affairs, also specifying as nearly as possible the date of embarkation for Europe; which Certificate, upon his arrival in London, must be produced before the Auditor of India Accounts.

Order of Government, dated 4th November 1825.

The Governor in Council has been pleased to resolve, that in lieu of the medical certificate upon oath prescribed in Paragraphs 19 and 20 of the Regulations of the Honorable Court of Directors for the grant of Absentee Allowance, circulated to the Civil Service, under date the 8th July last, one of the following forms of medical certificate shall hereafter be adopted, according to the nature of the case; the same to be always signed by the medical officer who has last regularly attended the invalid, and countersigned by the Superintending Surgeon of the District, or other superior medical authority.

FORMS—No. 1.

I do hereby certify that A. B. is in a bad state of health, and that I think it highly advisable for him to return to Europe.

No. 2.

No. 3.

I do hereby certify that A. B. is in an extremely bad state of health, and that I think an immediate return to Europe is absolutely necessary for his recovery.

Signed and Countersigned as above.

Extracts from a letter from the Honorable the Court of Directors in the Public Department, dated 26th April 1826.

3. In your Despatch in this Department dated 6th September 1825, Para. 6 and 7, you have brought to our notice two questions raised in respect of the Regulations framed by us for granting Absentee Allowance to Civil Servants when in Europe.

4. The first of these questions is,—

“Whether it is competent for a Civil Servant who may have completed a residence of ten years to proceed to England, and there await his turn to the indulgence of the Honorable Court, having previously notified to Government his desire to avail himself of the liberality of the Honorable Court upon the first occasion on which it should be open to him.

5. This question we answer in the negative. In framing the Regulations, it was our object, that whilst each Civil Servant might be enabled once in the course of his service to have the benefit of this Absentee Allowance, the number annually returning to England with that view should be limited, an object which would be defeated if Civil Servants were allowed to come home, and wait their turn in England.

6. The other question is, “Whether the ten years’ actual residence in India is to be considered to embrace the period passed at Hertford College,” to which we reply that such is not the intention. We mean the regulation to be construed in the sense which it expresses, “actual residence in India.”

Extracts from a General Letter from the Honorable the Court of Directors in the Public Department, dated the 25th July 1827.

Para. 3. “Previously to the enactment 53d Geo. 3, Cap. 155, it was our practice to forward to you Lists of the relative rank of Writers appointed from time to time to your Establishment. Under the authority of that enactment regulations were framed for the government of our College of Haileybury, one of which provided that the relative rank of Writers should be fixed by the College Council, and specified in the College certificate, subject however to loss of such rank in the event of the Writers’ failing to proceed to India within a specified time. Lists of the rank of Writers under this regulation are now periodically forwarded to you.

4. The offers of the Absentee Allowance are to be made in the order in which Civil Servants have been, or may be classed under the Rules to which we have adverted, to such of the servants as shall have actually resided in India in the Civil Service of your Establishment during a period of not less than ten years, commencing from the date of arrival at Madras.

6. On reference to our letter dated the 26th of April 1826, Para. 5, you will perceive that it is not competent for a Civil Servant, having completed a residence of ten years, to come to England, and there wait his turn for the Absentee Allowance. That Allowance is to be granted in each case by the local government under the Regulations which we have prescribed, and no Civil Servant will be permitted to draw Absentee Allowance in England who shall not, previously to his quitting India, have been admitted to that benefit by the Government of the Presidency to which he may belong.

7. So soon as the aggregate number of Civil Servants absent, and who shall have come home upon the Absentee Allowance of £500 per annum, shall amount to twenty-seven, the same indulgence is only to be granted, as Servants included in that number may either return, or quit the Service; so that the total number of absentees having left Madras upon the allowance of £500 per annum is never to exceed the limit of twenty-seven, fixed by our orders dated the 30th December 1824.

Paras. 3 and 6, submit question, whether the regulation which precludes a Civil Servant from simultaneously receiving Absentee Allowance from the Company and from the Civil Fund is to be construed as barring the receipt of any sum from the Civil Fund in aid of the expense of Passage to Europe.

2. The receipt of Absentee Allowance from the Company must bar the receipt of any Allowance in any shape from the Civil Fund.

4. We shall not object to the advance to a Servant coming home under the Absentee Regulations, and not entitled to passage money, of six months’ allowance in cases in which you may be satisfied that that indulgence is required to enable the party to provide a passage.

Letter from ——— dated 30th March 1837.

Para. 71 & 72. — Court requested to re-consider their decision upon the question of permitting a Civil Servant to come to Europe in anticipation of being admitted to the Absentee Regulations.

5. We adhere to the determination communicated to you in our despatch dated the 26th April 1826, Para. 5. No servant will hereafter receive the Absentee Allowance who shall not have been admitted by the local Government to the benefit of the Regulations previously to leaving India, excepting only such servants as may have been compelled by ill health, to quit India on a voyage to some place within the limits of the Company's Charter, or to the Cape of Good Hope, and as may have been subsequently compelled by the same cause to come to Europe. In such cases, where the servant has resided more than ten years in India, the benefit will of course be withheld whenever the number of Absentees limited by the Regulations is complete.

Order of Government, dated 18th November 1828.

The Right Honorable the Governor in Council has been pleased to resolve, that all persons who may be permitted to proceed to Europe, with the benefit of the Absentee Allowance, shall vacate their situations, and avail themselves of the indulgence, within three months from the date on which it may be granted.

Extract from a letter from the Honorable the Court of Directors in the Public Department, dated 6th May 1829.

Civil Servants who decline to subscribe to the New Annuity Fund are not admissible to the benefit of the Absentee Regulations.

Civil Servants proceeding to England under the Absentee Regulations, or on Special Leave of Absence.

Extracts from a letter from the Honorable the Court of Directors.

Para. 1. We have to acquaint you that we have adopted the following Regulations, with respect to the grant of extension of leave to Members of the Indian Civil Establishments repatriating to this Country under the Absentee Regulations, or on special leave of absence, viz.

That Civil Servants coming to England under the Absentee Regulations, or on special leave, shall immediately on their arrival report themselves with their address, by letter to our Secretary, forwarding at the same time the certificates which they receive in India.

That in all cases of leave, Civil Servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a Civil Servant shall have obtained an extension of leave to a given period, he must at the expiration thereof ap-

ply for and obtain our permission, either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the List of Civil Servants.

That the Act of the 33d Geo. 3d Cap. 52, Sec. 70, as it respects Civil Servants applies only to cases of sickness, or inevitable accident or infirmity, and that no Civil Servant be hereafter considered eligible to return to the service after 5 years' absence, under that enactment, who has failed to obtain from us agreeably to the foregoing Regulations an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing Regulations be published for general information, and that each Civil Servant returning to this Country under the Absentee Regulations, or on special leave, be furnished with a copy for his guidance.

(A true copy.)

JAMES C. MELVILL, Secretary.

East India House, London, the 4th Sept. 1840.

Civil Servants quitting India.

Chief Secretary's Office, Fort St. George, January 3, 1832.

In order to prevent embarrassment at the time of sailing, Gentlemen of the Civil Service quitting India are requested to observe, that applications for permission to be received on board must be accompanied by a Certificate from the Office of the Accountant General, that there are no demands against the applicants on the Books of this Presidency. Commanders of Vessels removing persons from India without permission are liable to heavy penalty.

Furlough Regulations.

Fort St. George, October 8, 1836.

First. A furlough granted to a Civil Servant, whether under a Sick Certificate or otherwise, in conformity with the Rules of the Honorable Court's despatch, dated 31st December 1824, and communicated to the Service on the 8th July 1825, shall be considered to have lapsed on the occurrence of any of the following events:—

1st. On the death of the party in the course of three years from the date of his leaving the Presidency.

2d. On his retirement from the service by the acceptance of an annuity granted under the rules for the Madras Annuity Fund.

3d. On returning to India before the expiration of three years.

4th. On the expiration of three years from the date when the ship sailed in which the party proceeded to Europe.

Second. Civil Servants will be entitled to proceed to Europe on furlough on sick certificate, at any time of the year, provided there shall not be at the period of their applying for the certificate 27 individuals in the enjoyment of the furlough.

Third. On the 1st December next ensuing, and on every subsequent 1st December, the number of furloughs to be tendered to Civil Servants of 10 years

standing, and not claiming the indulgence on the ground of ill health, shall be calculated as follows:—

| | |
|---|----|
| Complement of 27 furloughs as on the 1st December 1835. | |

Fourth. If the applications received by Government before the 1st December of any year should not equal in number the available furloughs, calculated as above, the same may in over to be taken by Servants, either on sick certificate or otherwise, at any time of the year following, until the number shall be complete; when it may be so, further certificates on account of lapsing furloughs shall not be granted, except on the applications being accompanied by sick certificates, the lapses in the course of the year being reserved to meet the demands of the Service, according to the principle laid down by the Honorable Court of Directors, that is, with due preference to cases of sickness, and to seniority.

Fort St. George, December 27, 1836.

Civil Servants admitted to the benefit of the Furlough Regulations are reminded that, in order to obtain the prescribed Furlough Certificate from the Secretary to Government in the Public Department, they must previously submit to that authority a Certificate from the Trustees of the Civil Fund, that they will receive no allowance from that Fund during their absence; and also a Certificate from the Accountant General, (who will require a Certificate from the Civil Auditor) of there being no public demands against them.

Fort St. George, August 29, 1837.

The Governor in Council has resolved, with a view of assimilating the Rules of this Presidency with those of Bengal, and of enabling Civil Servants who may be desirous to return to England by way of Suez to make the passage of the Red Sea at the most favourable season of the year, to enter the period fixed for the grant of the Furlough allowance to Civil Servants of ten years standing, not claiming the indulgence on the ground of ill health, from the 1st December to the 1st November of every year.

Fort St. George, September 3, 1850.

With reference to the Order of Government dated 27th December 1836, published at page 829 of the Official Gazette, it is hereby notified that applications from Gentlemen of the Civil Service for permission to proceed to Europe, whether under the Furlough Regulations or otherwise, should invariably be accompanied by a Certificate from the Accountant General, that there are no public demands against the applicant.

Leave of absence—Rules for the Grant of, and for Regulating Deductions from Salaries, and Deputation Allowances.

Fort St. George, February 21, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, are re-published for general information.

Fort William; Financial Department, the 29th January 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances, having been approved and passed by the Honorable Court of Directors, are published for general information, and will take effect in all the Presidencies, Settlements and Stations under the Government of India from the date of the arrival of the Gazette containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application to cases not specifically mentioned.

Rules for application for leave of absence, and for fixing the local limits within which it may be granted.

Sec. I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and in the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.*

Note.—This rule must be considered as superceding the rule under which Commissioners of the Land Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal.

Sec. II. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave, to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect † except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the territories subject to the Government of the East India Company, or not, to any Civil or Military Servant holding a Civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons, subject to the like conditions, to proceed to the Island of St. Helena, the Colony of the Cape of Good Hope, or to any place situate between the 36th Degree of North Latitude, and the 56th Degree of South Latitude, such place being likewise between the 30th and 180th Degrees of Longitude, East of Green-

* Applications for leave of absence under these Regulations are to be sent to the Office of Audit previous to their final submission to Government, and to contain a specification of the particular Section of the Absence Rules under which the indulgence of leave is solicited.

The collective or individual authorities, from whom these applications must pass, are to adopt this course, in all cases which they may be disposed to recommend; and it will be for the Office of Audit, in forwarding them to Government, to state in each instance whether the provisions of the Rules have been conforming to, and what, if any, objection exists to a compliance with the applications. See Resolution of the Madras Government of the 2nd of November 1840.—Continued.

† This applies to all unauthorized absence, whether antecedent to the grant of leave, or subsequent to its termination. See Order of the Government of India, dated 11th January 1841, and published in the Fort St. George Gazette of the 11th April of the same year.—Continued.

which, excepting however any islands in the Mediterranean or Levant, and excepting all places within the said geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leaves subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

CHAPTER II.

Rules for Sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a Certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation the nature of the disease, the symptoms by which it is manifested, the period during which it has existed, as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company, or beyond them, but within the limits laid down in Section IV., as the case may be, and such Certificate must be submitted to the consideration of the Medical Board, and if satisfactory shall be countersigned by one of its members. An application for an extension of leave must, if the applicant be in India, be accompanied by a Certificate from the Medical Officer by whom the applicant is attended, showing sufficient reason for the extension solicited, and such Certificate, like the former, must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the Certificate to be countersigned by the principal Medical authority of the Colony or country. When any of the required particulars are neglected leave will be refused.

Sec. VI. (Revised—See Amended Rules, page 184.)

* In cases of extreme urgency, which, owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the Medical attendant required from applicants for leave of absence on account of ill health, is to be submitted by them for the consideration and counter signature of the Superintending Surgeon of the Division, which officer in these cases will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. See Regulation of the Government of India, of the 24th of June 1846, published in the Fort St. George Gazette for 1846, page 363.—COMPILER.

The following Resolution of the Government of Madras in Council, calling the attention of Medical Officers in the Provinces to this Section, is extracted from the Fort St. George Gazette for 1841, page 290.—COMPILER.

"Para. 1. The Right Honourable the Governor in Council having noticed with dissatisfaction the very lax and imperfect manner in which Certificates, in support of applications for sick leave, have on several occasions been prepared by Medical Officers in the Provinces, which has in consequence led in some instances to the refusal of the leave applied for; His Lordship in Council resolves to call the attention of these Officers to Section V. of the Absentee Rules, published on the 1st February 1846, at page 113 of the Official Gazette, and to require them to conform strictly to the orders therein conveyed; and it is directed that Certificates of the accompanying Form, in duplicate, be in future furnished in every instance where leave is recommended, whether it be to Europe, or within the limits laid down in Section IV. of the aforesaid regulations.

2. In order to obviate the delay and inconvenience, which in particular cases may attend the return to the Provinces of a Medical Certificate forwarded to the Presidency for the counter-signature of a Member of the Medical Board, the Right Honourable the Governor in Council is pleased to notify, that persons soliciting leave of absence, under Section V. of the Regulations already quoted in Para. 1. for in emergent cases, the Medical Officer in attendance, may forward the Certificates to the Medical Board direct, for the purpose of being transmitted with the counter-signatures of one of its Members or their opinions, to the Sadr Udulat when the applicant may be in the Judicial Department; to the Board of Revenue, when in the Revenue Department; to the Civil Auditor in all other cases; or submission to the Government, with the application, to be made in conformity with the Notification published in the Fort St. George Gazette of the 4th December last, page 179.

Superintending Surgeons to the Medical Board, by whom they will be returned for the purpose of being transmitted through the regular channel, in the Department to which the applicant for leave may belong.

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may, as heretofore, apply to be admitted to Furlough by the Honble the Court of Directors; and the Furlough will in such cases take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves, or by their Agents after their departure, must in that case be readjusted, and the difference refunded.

Note.—This rule applies to all descriptions of leave on account of health excepting those granted under Sec. XII.

Thus a second leave within the Presidency, no less than a second leave to sea, will be computed as forming part of the period of two years, if taken before three years have elapsed since returned from the first leave, and the deductions will be made upon computation of the accumulated period of absence under all such leaves taken, without the intervention of three years of consecutive service.

Salary allowed for the remaining time as if the leave had been continuous.

Sec. IX. Military Officers employed in the Civil Department, and drawing a Civil allowance, may obtain leave under Medical Certificate on precisely the same conditions as Civil Servants except as to allowances. Such Officers, in common with those holding Staff Situations in the Military Department, will draw the Military Pay and Allowances of their rank while absent on leave under Medical Certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one half of the difference between such Allowances and the Civil Pay of the Offices to which they stand appointed.

Sec. X. Civil or Military Servants holding Civil appointments who may desire to avail themselves of the benefit of the Art 1. Vic., Cap. 47, and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents at the Presidency, or by themselves, in case of their proceeding to Europe on Furlough, or otherwise coming under retrenchment.

3. Judicial and Revenue Officers, forwarding applications for leave of absence on sick certificate to the Sadr Udulat, or Board of Revenue, will notify to those authorities the transmission of their Medical Certificates to the Medical Board, for the purpose of being forwarded as above directed. Officers in other branches of the Civil Service will in like manner make the same notification to the Civil Auditor.

4. The Civil Auditor will not hereafter submit to Government applications for sick leave unless they are accompanied by Certificates of the form now prescribed.

Leave of Absence, &c.—AMENDED RULES.

Fort St. George, May 31, 1843.

In re-publishing the following Rules, the Most Noble the Governor in Council directs that effect may be given to them in respect to all Deputation Allowances, and leave of absence granted within the limits of this Presidency, subsequent to the 30th May 1843.

FORT WILLIAM: Financial Department, 17th May 1843.

The Honorable the President in Council, with the concurrence of the Right Honorable the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ d for the whole term of such absence, save and excepted that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ d would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shown, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return therein.

Sec. XI. (Amended.)* The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.

* All Public Officers and Chaplains obtaining leave under this Section and Section XXV, should avail themselves of it within two months from its insertion in the Gazette. On failure to do so a fresh application must be made, and permission obtained under it, before quitting their stations. See Notification of the Madras Government, dated November 8, 1842.—COMPILED.

As a general rule leave is to be granted in one period only, whether for a whole month or less, and not in detached portions to complete one month within the year, and the term year is to be held to mean the calendar year, commencing with the first of January and ending with the 31st of December, but the local Governments may, where good cause is shown for the indulgence, and it is attended with no public inconvenience, sanction leave of absence under this Section to such parties as may not have occasion to apply for the whole at once, in instalments not to exceed in the aggregate one month within the calendar year, on the understanding that no leave can be granted for any fresh calendar year until the completion of three months from the expiration of the entire leave, or of the last instalment of leave taken in the past calendar year.—See Regulation of the Government of India, dated 12th November 1847.—COMPILED.

In cases where the Government may find it necessary to provide a substitute to officiate during the absence of any officer, the expense incurred must be defrayed by the absentee. See Resolution of the Government of India, dated 5th February 1848.—COMPILED.

In cases unattended with inconvenience to the Public Service, leave will be granted for two or three months to such Servants as at the date of the promulgation of these Rules were entitled to the indulgence under the Provisions of Section XI. of the Rules of January 1840. See Notification of the Madras Government, dated September 27, 1844.—COMPILED.

* Civil Servants or Military Servants holding Civil Appointments, absent from their Stations under Medical Certificate, cannot be admitted to leave under this Rule, in continuation of their Sick leave, and if, while absent under this Rule, they be granted extended leave under Medical Certificate, they shall be considered liable to the Rules applicable to leave of absence on Medical Certificate for the whole period of their absence.

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shown, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and Allowances, and, if a Military Officer, only so much of the Salary and allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw, shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,300 per annum having been fixed, under the orders of the Court of Directors, as the Maximum Salary of Civil Offices for the Officers of Government under the situation of Member of Council, Civil and Military Servants holding Office in the

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Note.—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant they will draw at the rates and under the same rules as Civil Servants.

Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the allowances thus limited, and the excess above the monthly salary yielded by that annual sum shall remain as a local addition to the usual Deputation Allowance, to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

Section XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per cent. on the monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

* Added under instructions from the Hon'ble the Court of Directors conveyed in a Despatch in the Financial Department, No. 34 of 1831, dated 18th June. See Notification of the Government of India, dated 8th August 1851, published in the Fort St. George Gazette for 1851, page 772.—COMPILED.

he intends it to be for twelve, eighteen or twenty-four months, in order that the Government may make its arrangements accordingly. In case of such division the first Furlough to be taken after a residence of not less than ten years and the second Furlough after a further residence in India of ten years from the date of return from the first Furlough. But Civil Servants returning on Furlough to this Country will continue as at present to vacate their Offices.

15. Having thus regulated the periods of Furlough, we shall continue to grant for those periods the Furlough Allowance at present given, namely, £500 per annum.

16. We shall not encourage the grant of extensions of Furlough beyond the prescribed period, nor shall we, upon any ground whatever, permit the receipt of Furlough Allowance for any longer period than three years under the Rules above stated.

17. Civil Servants who may have been compelled by Sickness to quit their duty under Medical Certificate before completing ten years residence, will be entitled to receive during their Furlough on Private Affairs taken subsequently to their completion of that period of residence the ordinary Furlough Allowance of £500 per annum for three years.

18. In applying the foregoing Rules in substitution of those now existing, periods of absence to the limit of three years, either on Medical Certificate or on Furlough Private Affairs, will count as Service in India in the twenty-five years entitling to the Annuity, the present qualification of twenty-two years residence being retained. Periods of short Leave of Absence on Private Affairs taken in India will count as Service and residence as at present.

19. In the above Regulations we have endeavoured to provide for the efficiency of the Public Service while we have been anxious to extend every fair and reasonable allowance to our Servants, and considering the present Rules for the grant of leave to the Cape, &c., to admit of much abuse which cannot fail to be disadvantageous to the Public Service, it is our desire that the new Rules with regard to Sick Leave shall apply to all our Servants from the date of their promulgation.

20. We entirely concur in the opinion expressed in paras. 5 and 6 of your Despatch in this Department, dated the 3d May 1850, No. 21, that it is advisable to prescribe by Rule, some period of service after which Civil Servants shall not be appointed to any new Office, nor be permitted to retain Office which they may have held for a period of five years and upwards, and we have resolved to establish thirty-five years as the period of service for the purpose in question. This Rule must, as you suggest, be subject to exceptions in special cases which are to be referred for our decision. In such cases your recommendation will not fail to receive our prompt consideration. The above Rule may be applied to every Civil Servant appointed to Office after its promulgation, and to the case of every other Civil Servant to whom it relates, at the close of five years from the date of its promulgation.

21. We desire that the Rules for the grant of Leave of Absence on Sick Certificate and on Furlough, be at once modified in accordance with the views contained in this Despatch, and that Copies thereof be transmitted to us.

22. Military Officers employed in the Civil Department will be subject to the Rules laid down in our Military Despatch, dated the 30th December 1853, No. 18, for the grant of Leave of Absence and Furlough to Officers holding Military Staff Appointments.

23. You will communicate this Despatch to the Governments of Madras and Bombay and to the Lieutenant-Governor N. W. Provinces together with Copies of the Rules so soon as they shall have been revised.

We are, &c.

PUBLIC DEPARTMENT.

No. 23 of 1854.

Our Governor General of India in Council.

Para. 1. Since our Despatch in this Department dated the 5th April 1854, No. 23, on the subject of the Civil Furlough and Absentee Rules was prepared, we have received your Financial Letter of the 16th December 1853, No. 78, enclosing a Memorial from several Members of the Bengal Civil Service praying for such modification of Section XI. of the existing Code, as will allow of the privilege leave of one month in each year being accumulated at the option of the Civil Servant for two or three years, after which leave may be taken, at the pleasure of Government, for either two or three months, (as the case may be) without deduction from allowances.

2. Section XI. formerly provided for the grant of privilege leave on the terms now solicited, and the old Regulation was altered in the year 1843, on the last occasion of the general revision of the Absentee Rules by your Government.

3. We have no objection to modify the Rule in accordance with the request of the Service, and with your recommendation, and to authorize you, should you consider that the Fund formed by deductions from the salaries of Absentees will admit of this additional charge upon it, to grant privilege leaves free of all deduction, even in cases in which some expense may be occasioned by the temporary absence.

4. The Government of Bengal having, in their letter to you on the above subject, alluded to the question of Disputation Allowances, we refer to para. 13 of our Public Despatch, dated 5th April 1854, No. 23, wherein we have authorized you to lay down such Rules as will "ensure that the aggregate amount of Official Salaries and Emoluments shall, on the one hand, be appropriated to the liberal remuneration of the Acting Officers, and, on the other hand cover the expense of the sums paid to the Absentees." We can of course, have no wish that the state should derive financial gain in consequence of the absence of our Servants, although we think it proper to insist that no extra charge shall thereby be incurred. Within that necessary limit, you may deal as liberally as you may be able, with the temporary occupants of the Offices of Absentees.

5. Our attention has also been given to the question of including the Law Officers of the Company in the New Code of Absentee Regulations. On several occasions we have received memorials upon this subject, which we have treated in the Judicial Department, and so lately as the year 1852, a memorial was addressed to us by the Law Officers at the three Presidencies, praying to be granted the privilege of a Furlough to Europe.

6. We cannot extend to the Law Officers any boon which is not conceded to our Civil Servants, and as the retention of Office during Furlough on Private Affairs is prohibited, any rule for granting Furlough to Law Officers would be inoperative.

7. As respects Sick Leave, the following is the only Rule which has yet been applied to them. "Whenever our Advocate General or Attorney

* *Vide* Court's Despatch in the Law Department, dated the 23d February 1831, No. 1.

"may quit the Presidency and proceed to Sea, the Local Government is to appoint a competent person to Act during his absence, the Absentee receiving one-half of the salary for the period of his Absence, not exceeding 18 months, and the locum tenens receiving the other half for that period, and after its expiration the whole. In cases of absence a second time, the Absentee is to receive no part of the salary, the whole of which is to be paid to the Officiating Advocate or Attorney."

8. We have resolved to substitute for the foregoing rule, the rules which we have laid down for the grant of Sick Leave and short leave on Private Affairs, to our Civil Servants, both as respects the periods of absence and the limitation of allowances during such absence. Leave will of course only be granted at the

convenience of the Government, and no additional expense will, on any consideration, be incurred by the Government on account thereof. If any Law Officer shall quit his duty, save on leave under Medical Certificate, or on short leave on Private Affairs, he will be considered to have vacated his appointment.

9. We desire that Rules may at once be framed in accordance with the views expressed in this Despatch, and that the same be embodied in the new Code, and circulated for information and guidance.

ECCLESIASTICAL DEPARTMENT.

No. 2 of 1854.

Our Governor General of India in Council.

Para. 1.—Having considered the position of Members of our Ecclesiastical Establishments in connexion with the Rules which we have lately laid down for the grant of Furlough and Leave of Absence to our Civil and Military, we have determined that Chaplains and Assistant Chaplains shall be entitled to take Furlough on Private Affairs and on Medical Certificate on the same terms and conditions as Military Officers, with the following modifications:—

1st.—Chaplains being allowed to retire after twenty years' service, the period of furlough (Private Affairs) must in their case, be limited to the present term of three years. The Furlough may, however, either be taken in one period, or be divided into two periods whether of eighteen months each, or of two years and one year respectively, and, if divided, the first Furlough may be taken, as at present, after seven years' residence, and the second Furlough after a further residence of ten years in India. As respects Chaplains and Assistant Chaplains appointed before the 11th January 1854, when the period of service was only eighteen years, their second Furlough, if they should exercise the option of taking Furlough in two periods, will be available after a second residence in India for a term of eight years.

2nd.—No Furlough or Leave of Absence, whether on Private Affairs or on Sick Certificate, taken in Europe, or elsewhere out of India, in excess of three years, will be allowed to count as service in India, in the twenty years which qualifies Chaplains for their Retiring Pensions.

2. The Furlough Pay of Chaplains will remain as at present. With regard to their allowance during Sick Leave in any place out of India, we have resolved that, in accordance with the principle adopted for Military Officers, they shall receive salary (but at a rate not exceeding £600 per annum) for the first six months of absence, and for the remaining twelve months an allowance equal to the Furlough pay of their standing. If the leave be extended an allowance equal to Furlough pay may be drawn for a further period of eighteen months.

3. You will communicate this Despatch to the Governments of the Subordinate Presidencies.

PORT WILLIAM; FINANCIAL DEPARTMENT, the 25th August 1854.

The following Rules for the grant of Leave of Absence for regulating Deductions from Salaries and Deputation Allowances, and for limiting the period of Service of Civil Servants, will take effect in all the Presidencies and Settlements under the Government of India from the 1st October 1854, in supersession of the Rules of the 17th May 1843.

CHAPTER I.

RULES FOR APPLICATION FOR LEAVE OF ABSENCE.

Section I. No Leave of Absence from any Office or Station can be granted, but by the Government under which the employment is held, and on the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted. The application must be made publicly through the regular channel in the Department to which the applicant may belong.

NOTE.—This Rule must be considered as superseding the Rule under which Commissioners of the Land Revenue and other Officers have heretofore been allowed to grant Leave of Absence in Bengal.

Section II. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or, in the event of his subsequently obtaining leave, to the date of such leave being granted to him.

Section III. No Leave of Absence shall have any retrospective effect, except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

CHAPTER II.

RULES FOR SICK LEAVE.

Section IV. Upon application duly made, the Government may grant Leave of Absence on Medical Certificate to any Civil Servant, to any place in India, in Europe, or elsewhere, as he may consider most conducive to the restoration of his health, without any restrictions whatever as to the places to which he may resort.

Section V. When an application for Leave of Absence is made on the ground of ill-health, it must be accompanied by a Certificate and a Statement of the case from the Medical Officer by whom the applicant has been attended, distinctly stating, from personal observation, the nature of the disease, the symptoms by which it is manifested, the period during which it has existed, as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place in India, or in Europe, or elsewhere, as laid down in Section IV.; and in the case of the applicant visiting the Presidency preparatory to obtaining leave, the Certificate must be counter-signed by the Members of the Medical Board, on their being satisfied, on a perusal of the Medical Attendant's statement of the case, that the leave applied for is absolutely necessary towards his recovery. Should the applicant's Medical Attendant be of opinion that he ought to proceed to a Sanitarium or other place without visiting the Presidency, the Certificate must, in the first instance, be counter-signed by the Superintending Surgeon of the Division in which the applicant may be located, and afterwards submitted with the statement of the case for the consideration and counter-signature of the Members of the Medical Board.

The Certificate shall be given in the following form:—

I, A. B., Surgeon at or of ——— do hereby certify that E. F., of the

Civil Service, is in a bad state of health, and I solemnly and sincerely declare that, according to the best of my judgment, a change of air is essentially necessary to his recovery, and do therefore recommend that he may be permitted to proceed to Sea, (or to such place as the Surgeon may think proper, expressing so in the Certificate.)

The following form shall be observed by the Members of the Medical Board or the Superintending Surgeon, in counter-signing the Surgeon's Certificate:—

We (or I) do hereby certify, that, according to the best of our (or my) professional judgment, after careful personal examination of his case, we (or I) consider the state of health of E. F. to be such as to render Leave of Absence for a period of—absolutely necessary (or highly desirable) for his recovery.

An application for extension of leave must, if the applicant be in India, be accompanied by a Certificate to the like effect from the Medical Officer by whom the applicant is attended, together with a statement showing sufficient reason for the extension solicited; and such Certificate must be counter-signed by the Members of the Medical Board, or by the Superintending Surgeon of the Division in which the applicant may be located, as the case may be, on perusal of the statement. In like manner, if the applicant shall have proceeded beyond the Territory under the Government of the East India Company, he must furnish a Certificate and Statement to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance, and the period of it to be stated, and the Certificate to be counter-signed by the Residing Physician of the East India Company if the applicant is in England, or if not in England, by the principal Medical authority of the Colony or Country to which the Absentee may have proceeded, or some sufficient reason stated for the want of such counter-signature if the Certificate be so counter-signed. The Medical Board or Superintending Surgeon, before counter-signing a Certificate as above-mentioned, must either personally examine the applicant or state some sufficient reason why they, or he, have or hath been unable to do so. When any of the required particulars are neglected, leave will be refused.

Section VII. The following conditions will in future attach to Leave of Absence granted to Servants who shall have resided ten years and upwards in India, and who may be declared by a sufficient Medical Certificate to require such leave for the recovery of their health:—

1st.—The total period of absence, with the privileges hereinafter provided, shall not (save as specially excepted in Section VII. of these Rules) exceed eighteen months in the whole, but shall if except fifteen months on any one occasion.

2ndly.—The office of the absentee will be considered to be vacated if he shall be absent beyond eighteen months altogether, or beyond fifteen months at any one time, such absence to be computed, if he shall proceed to a Sanatorium within the Presidency, from the date of his arrival thereat; if to any place beyond the Presidency, but within the Command of India, from the date of his reaching the limits of his own Presidency; and if he shall proceed to Sea, from the date of the sailing of the Vessel on which he may have embarked from any port in India which is not more distant from his Station than the Port of his own Presidency; to the date of his arrival at any Port within the Presidency to which he belongs, or at any other Port which is not more distant from his Station than the Port of his own Presidency.

3rdly.—The absentee will be entitled to draw a moiety of his salary, and the same will be paid to him during such period of absence, provided that he shall in no case draw a larger sum than Rupees 10,000 (£1,000) per annum, during that period. In cases in which the emolument of the absentee's office does not exceed Rupees 5,000 per annum, no deduction therefrom shall be made for the period of eighteen months, nor shall such a deduction be made in other cases as shall reduce the allowance below Rupees 3,000 (£500) per annum.

4thly.—If the Absentee be compelled by the state of his health, under due Medical Certificate, to remain absent for a longer period than eighteen months, or fifteen months at any one time, he will, as before stated, vacate his appoint-

ment, but he will be permitted to receive an allowance at the rate of £500 per annum, for such further period of absence as shall not exceed the entire term of three years in the whole. At the expiration of that term, all allowance must cease until the Servant's return to India.

Section VII. If a Civil Servant of more than fifteen years' service, after having been absent on sick leave for eighteen months in the whole, or for fifteen months at one time, at whatever period of his service such Sick Leave shall have been taken, shall be again compelled by the same cause to apply for Leave of Absence, the Government of India and the subordinate Governments may, on special grounds, grant Leave of Absence for one further period not exceeding six months, during which the absentee may retain his office, and half his salary under the terms above enjoined.

Section VIII. If a Civil Servant, after fifteen years' service, shall be compelled by ill health to apply for further Leave of Absence, he may be permitted on special grounds to obtain it, but his absence will involve the loss of office and salary; the Government of India and the subordinate Governments will however, respectively, exercise a discretionary power to grant, in such last-mentioned cases, a sick absentee allowance, not exceeding Rupees 5,000 or £500 per annum, for a further period not exceeding twelve months.

Section IX. Junior Civil Servants, who may be compelled by sickness, certified as aforesaid, to quit their Stations before the completion of ten years' residence in India, will be allowed to be absent for eighteen months in the whole or fifteen months at any one time. They will not retain their appointments, but they will be permitted to draw, during this period, an allowance at the rate of £250 per annum as at present; and if any Junior Servant, absent as aforesaid, be prevented by the state of his health, under due Medical Certificate, from returning to his duty at the end of the periods above-named, he will be permitted to continue absent for a further term, not exceeding eighteen months, with the same allowance.

Section X. A Junior Civil Servant, having enjoyed either of the above-named advantages, will not be entitled to the Leave of Absence provided for Servants of more than ten years' service, after he shall have attained that standing, but if after he has attained it, he shall be compelled again by ill health to quit his station, and provided that his former periods of absence shall have fallen short of three years in the aggregate, he may be permitted, under Medical Certificate, to receive a further Leave of Absence for such a period as shall make up the entire length of absence to three years, and during that additional period he shall receive an allowance at the rate of £500 per annum. He will however be entitled, after fifteen years' service, to the benefit of the special leave authorized to be granted according to Sections VII and VIII. of these Rules.

Section XI. None of the above-mentioned Rules will be applicable to Members of Council. Each Member may, however, with the special sanction of the Government, be permitted to be absent, under Medical Certificate, for a period not exceeding six months, retaining his office and receiving half his salary, which shall be paid to him during such absence, but if his absence shall exceed six months, his office will be vacated.

Section XII. Civil Servants who may desire to draw their allowances while absent on account of sickness under the above Rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn either by the Agents at the Presidency or by themselves in case of their coming under retrenchment.

CHAPTER III.

RULES FOR SHORT LEAVE ON PRIVATE AFFAIRS.

Section XIII. The Government may grant to Civil Servants Leave of Absence to any place or places in the Continent of India, whether within the Ter-

the Officer joining, but in case of Junior Civil Servants, the salary of Assistants will be payable from the date of their being reported qualified for the Public Service, unless forfeited under the preceding Rule, through delay in joining the Station to which they may be appointed.

Section XXIV. In case of a change of office, when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XXI. regulating the time and distance for joining Station, shall be applicable, and the Officer will, for the periods allowed in that Rule respectively, draw out of the salary of the office he is about to join, a sum equal to that of his previous situation.

CHAPTER VI.

RULES FOR DEPUTATION ALLOWANCES.

Section XXV. The sum of Company's Rupees 52,200 per annum having been fixed, under the orders of the Court of Directors, as the maximum salary of Civil Officers of the Government under the situation of Members of Council, Civil Servants who may draw larger allowances than this annual sum, as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will, in all cases of absence, be treated in respect to deductions as drawing only the allowance thus limited, and the excess above the monthly salary yielded by that annual sum shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties, to meet the necessary expenses of his position; provided, however, that in the cases of Civil Servants appointed to offices of the description referred to subsequent to the 2nd June 1854, the sum of Rupees 50,000 shall be held to be the maximum salary, under the Government Resolution, No. 563, of that date.

NOTE.—This Rule will equally apply in case of a Political Resident taking a leave of one, two, or three months, for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Section XXVI. Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an office according to the following rules, and subject to the limitations and conditions hereafter laid down:—

To Civil Servants not holding any substantive appointment, at the rate of 50 per cent. on the monthly salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

To Civil Servants holding an office of inferior emolument, when officiating in an office of superior emolument, at the rate of 20 per cent. upon the monthly salary of the appointment officiated in, in all cases in which the salary of such appointment shall not exceed Company's Rupees 2,000 per mensem, and in respect to all appointments of which the salary shall be more than Company's Rupees 2,000 per mensem, at the rate of 20 per cent. upon Company's Rupees 2,000, and of 10 per cent. on the amount in which the monthly salary may exceed Company's Rupees 2,000, provided however that no lower rate of Deputation Allowance shall be given than Rupees 200 per mensem.

The Deputation Allowance shall in all cases be in addition to the salary of the substantive appointment held by the Officer on deputation.

The above rates are granted provisionally, subject to future revision.

In the Punjab, Nagpore and other places, where appointments are by classes, the amount of Deputation allowances, payable at the above rates, will be calculated, not upon the salary of the individual Officer holding the substantive appointment in which the Officer deputed may be temporarily officiating, but

on the average rate of salary attached to the particular class to which the appointment may belong.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions.

A Civil Servant acting in an appointment, the salary of which is to be reduced on the retirement of the present incumbent, will draw deputation allowance on the reduced salary.

An Officer officiating in more than one appointment will be entitled to Deputation Allowance, regulated by the aggregate amount of the salary of the offices.

An Officer appointed permanently to a higher situation, but prevented from joining his appointment by an order of Government, and detained to officiate in a situation of still higher emolument than the one to which he has been permanently appointed, will be entitled to a Deputation Allowance in addition to the higher salary to which he has been promoted.

Section XXVII. No Civil Servant, temporarily officiating for another, shall draw an amount larger than the entire emoluments of the office in which he is officiating, and if the amount of the Deputation Allowance, according to the prescribed scale, added to the permanent emoluments of the officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments, on being deputed to officiate for another, shall be relieved only from one, he shall receive no Deputation Allowance, unless the emoluments of the office in which he is deputed to act exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

Section XXVIII. No Subordinate Officer acting for his principal or for any other person holding a superior appointment in the same office or establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then, the allowance is not to be drawn in arrears. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Section XXIX. Civil Servants, if deputed to act at a distance from the Stations where they are employed, or if ordered by Government on special duty, shall be permitted to draw Travelling Allowances at the rate sanctioned in the case of a first appointment.

CHAPTER VII.

RULES FOR LIMITING THE PERIOD OF SERVICE.

Section XXX. After thirty-five years' service no Civil Servant shall be appointed to any new Office, nor be permitted to retain an office which he has held for a period of five years and upwards, except in special cases, which are to be referred for the decision of the Hon'ble the Court of Directors. This Rule will be applicable to every Civil Servant appointed to office after its promulgation, and to the case of every Civil Servant to whom it relates at the close of five years from the date of its promulgation.

A Commissary or Deputy Commissary of Ordnance, not being a Commissioned Officer, is allowed to retire on full pay if he has served twenty-seven years in India, of which twelve must have been in the Ordnance Department; twenty-five years, fourteen of which in that Department; or twenty-two years, seventeen years of which in the Ordnance Department.

A Conductor of Stores is allowed to retire on £60 per annum after twenty-five years' actual service in India.

Officers on furlough retiring from the service will be considered to have retired from the date of their application to retire; or from the expiration of two years and a half from the commencement of their furloughs, whichever shall happen first.

An Officer proposing to retire is required to forward, with his application for permission to do so, a certificate from the Department of the Accountant General that there are no demands against him on the books of that department."

Officers proposing to retire from the Service are authorized to apply through the prescribed Channel of the Pay Department for withdrawal of their accounts, and the Departments concerned are required to comply therewith, and to grant certificates of "No demands" as soon as the applicants have settled all balances standing against them or given proper security for the same. GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

FORT WILLIAM, 8th January 1847.

No. 11 of 1847.—With a view to uniformity of practice, and to obviate the inconvenience arising from the existing system under which dates are assigned to vacancies caused by the retirement, &c. of European Officers in India, the Hon'ble the President of the Council of India in Council, with the concurrence of the Right Hon'ble the Governor General, is pleased to establish the following rule, which is to be considered applicable to all the Presidencies.

Rule.—Whenever an officer may be desirous of resigning or retiring from the service, or of being transferred to the Invalid Establishment, he is required to state in his application the date, which must be a prospective one, from which he wishes such resignation, retirement, or transfer to have effect; and from the date so specified, the applicant, in the event of the decision of Government on his case not having been previously received, will, pending such decision, be exempted from the performance of all military duty.

Officers retiring &c. from the Service while serving without the limits of the Madras Presidency and beyond Sea.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 9th May 1845.

No. 85 of 1845.—1. In order to obviate as far as possible risk of loss to the State, as well as to facilitate and expedite the adjustment of the Accounts of Officers of the Madras Army, who may resign, retire, or be removed, from the Service, while serving in the Tenasserim Provinces, Straits Settlements, China, Aden, or elsewhere without the limits of this Presidency and beyond Sea, the Most Noble the Governor in Council is pleased to direct that whenever an Officer so situated applies for permission to resign or retire from the Service, or is placed in arrest preparatory to trial by Court Martial, his Pay and Allowances of every description shall be thenceforth drawn on separate Abstract, and his Pay Accounts kept entirely separate from those of the Regiment or Detachment to which he may belong.

2. Consequently an Officer, situated as above described, proposing to retire from, or resign, the Service, will not be permitted to sign the Pay Abstracts, &c. of his Troop or Company; but he is not, on that account, to be deprived of Troop or Company Command Allowance to which he may under Regulation have claim, to which he will continue entitled in the same way as if detached in the manner adverted to in Para. 4, head "Troops and Companies," page 179, Section 9h, of the Code of Pay and Audit Regulations.

3. The Officers Commanding at the Stations in question are directed to send to Madras for immediate Audit, at the same time that the application for permission to resign or retire is forwarded, all Abstracts containing previous charges of the Officer about to retire or resign; thus leaving, to take the usual course of Audit, only common charges for his own Pay and Allowances, in which there ought to be no mistake.

Furlough Regulations.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness, and as hereafter specified,) to their rotation to be absent on furlough, and the same rule is applicable to Assistant Surgeons, and Veterinary Surgeons.*

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

A Chaplain (appointed previously to the 1st September 1835,) after seven years' residence in India, is allowed to go home on furlough and receive the pay of Major, £292 per annum. Should he go home from sickness prior to this period of service, he is allowed the pay of Captain only, viz. £191 12s. 0d. per annum.

If appointed subsequently to that date, after seven years' residence in India, the pay of Captain, viz. £191 12s. per annum; and if compelled by ill health to go home prior to this period of service, the half pay of Captain, or £127 15s. per annum.

Officers going to England on furlough, are required immediately to report their arrival by letter to the Secretary, stating the name of the ship in which they came, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the Officer to his presidency.

Officers are required to join the Establishment to which they belong at the expiration of the three years furlough, unless they shall have obtained an extension of leave from the Court six months before the expiration of that period. No furlough will be extended except in cases of sickness, certified in the manner hereafter mentioned, or in cases in which it shall be proved to the Court that a further residence in Europe is indispensably necessary.

All Officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's Examining Physician, Dr. John Scott, 13, Stratton Street, who will report to the Court of Directors his opinion on the state of such Officers' health, and if resident in the country, in any part of the United Kingdom, they must transmit, with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen eminent in the medical profession, viz.

I hereby certify, that I have carefully examined, (state the nature of the case as well as the name of the party,) and I declare upon my honour, that according to the best of my judgment and belief, ——— is at present unfit for military duty, and that it is absolutely necessary for the recovery of his health, that he should remain at least ——— longer in this country.

Also previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or other evidence, as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period must at

* A second furlough on private affairs may be granted to officers when the public service will permit the indulgence, but the rule which precludes an Officer receiving pay when absent in Europe on such affairs for a longer period than three years is to be fully maintained. The following is a copy of the regulation as published in the Bengal code, and is applicable to all the presidencies: "No Officer who has drawn three years' furlough pay is allowed pay during any future furlough, except in cases of certified sickness, but if he has not received pay for the full term, he may during a second furlough on private affairs be allowed the same for such space of time as will complete the three years." See General letter to the Madras Government of the 1st January 1831.—Continued.

its expiration apply for permission, either to return to their duty, or to reside a further time in England.

In every case in which an Officer has had his furlough extended beyond the prescribed period, on the ground of his health not being sufficiently restored and shall apply for permission to return to his duty, he shall produce a certificate from the Examining Physician that his health is completely re-established, and that there is every probability of his being able to perform the active studies of his profession in India.

No Officer who has failed to obtain an extension of furlough, will be considered eligible to return to the service after five years' absence, under the Act of 38 Geo. III, Cap. 52, Sec. 70.

Every Officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the Court's instruction, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them. Officers, therefore, who shall go home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the Court to remain a further time in Europe.

No Officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting Colonels of Regiments, and those of the rank of Lieutenant Colonel regimentally, when promoted to that of Major General: the latter are then allowed to draw the pay of their Brevet rank beyond the above period.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA
IN COUNCIL.

Fort William, 1st February 1854.

No. 110 of 1854.—The following communication from the Hon'ble the Court of Directors to the Governor General of India in Council is published for general information:—

MILITARY DEPARTMENT.

Copy Paragraphs which will form a No. in the next List of Packet to the Governor General of India in Council.

1. The law as affecting the absence of our Servants from India having been revised by a recent Act of the Legislature, we have had under our consideration the regulations for furloughs to Europe and for leave of absence at the Cape of Good Hope, New South Wales, and elsewhere out of India.

2. Our Officers avail themselves of these regulations to a very large extent, as will appear from the following statement of absentees (excluding Regimental Colonels) prepared from the latest official army lists received by us dated in July 1853.

Numbers of Military and Medical Officers on furlough to Europe, on private affairs..... 157
On furlough to Europe, on sick certificate..... 641
On leave to Sea, the Cape, New South Wales, &c..... 123
besides large numbers absent on sick certificate and on private affairs in India.

3. With the view of adapting the regulations to the present increased facilities of communication, and to correct as far as possible any tendency in them to deter Officers from resorting to the places which may be most conducive to the restoration of their health when a change of climate is required for that purpose

we have resolved to adopt the following rules,—to have effect from the date of their promulgation in General Orders, in substitution for the existing rules, viz.

4. Furloughs or leaves of absence on sick certificate, to be granted for a term not exceeding eighteen months, whether they be to any place in Europe or elsewhere out of India. The regimental allowances of his rank for a term not exceeding six months to be granted to the Officer receiving such leave from the date of his departure from his presidency, regimental pay to be drawn during the period of his absence.

5. Extended leave may be granted as at present on production of medical certificates for further periods not exceeding eighteen months in the whole. During this further time regimental pay to be continued, but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

6. Furloughs on private affairs to be allowed for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. Officers who have taken the benefit of the regulation for the grant of furloughs on sick certificate, to Europe or elsewhere beyond Sea, to be ineligible to a furlough on private affairs until they have served six years from the date of their last return to duty.

7. Pay of regimental rank to be drawn whilst on furlough, but not beyond the period of two years in each furlough.

8. All grants of furlough on private affairs to be subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absences.

9. Officers holding staff appointments may have leave of absence on sick certificate or furlough, for a period not exceeding six months without losing their appointment, and if on sick certificate receiving for that time half staff allowances, but on any absence beyond that period, the staff appointment and allowances cannot be retained except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave to be reported to us directly with the reasons for it, and to be subject to our approbation.

10. Having made these arrangements for furloughs on private affairs and sick certificate, we think it right to modify the privileges conceded by the present regulations to absentees in India, at the Cape of Good Hope and elsewhere within Indian limits, of counting their time of absence on sick certificate and on private affairs for their retiring pensions, whilst absentees on furlough or on sick certificate in Europe have hitherto had no such advantage.

11. We have in consequence resolved that no furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years of aggregate service, three years in twenty-five years' service, and four years in 30 years' service, shall be allowed to count as service for the retiring pension,* and that no difference shall be made in this respect between leave of absence taken in Europe or elsewhere, or whether the leave be on sick certificate or on private affairs.

12. If Regimental Officers now in the Service prefer retaining what may be considered the advantage of the present regulations, they may do so provided they signify their wish to that effect through the proper department when they next apply for furlough or leave of absence.

Letter dated 24th October 1853, No. 274. Para. 7. We fully approve—14 to 16. Proposed grant of Furlough to your Resolutions in behalf of Europe, on private affairs, to unattached Lieuts. unattached Lieutenants Douglas, Stephen, Douglas and W. Sheffield. Lieut. and Sheffield.

IN COUNCIL.

Fort William, 18th May 1854.

No. 331 of 1854.—The Most Noble the Governor General of India in Council is pleased to direct that the following para. of Military letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 27, dated 15th March 1854, be published in General Orders:

Letter dated 25th November 1853, No. 201.

Application from Asst. Commissary of Ordnance G. Forrest, soliciting that Warrant Officers may be placed, as regards Furlough, on the same footing as Commissioned Officers. Government think that the occasional and not large expense which the grant of Furlough would cause, would be more than counterbalanced by the advantages of the measure, which they strongly recommend for adoption.

Para. 13.—Upon the grounds stated in your Correspondence, and the Commander in Chief, we sanction the grant of Furloughs to Warrant Officers upon the same terms as those already sanctioned for unattached Officers, and Officers granted Commissions on the Veteran Establishment, viz. after six years' service as Warrant Officers and fifteen years' service in India.

No. 226 of 1841.—The Right Hon'ble the Governor General of India in Council is pleased to publish for general information, the following paragraph of a letter from the Hon'ble the Court of Directors to the Governor in Council at Bombay, No. 42, dated 4th August 1841, on the subject of the extension of Furloughs to New South Wales, or any other of Her Majesty's Colonies, the Rule therein laid down being applicable to all the Presidencies.

"Para 2. In future cases when Officers may be granted a Furlough on sick certificate, or on private affairs, to New South Wales, or any other Colony, we desire that they may be separately informed, that any applications which they may have occasion to prefer for extended leave, are to be addressed to us in sufficient time to allow of their receiving our reply by the period when they should embark on their return, so as to ensure their arrival within the original term of Furlough; that if the application is preferred on account of health, it should be supported by Certificates from the Medical Staff Officers, or other undoubted medical testimony on the spot, shewing that the applicant is then incapable from ill health to return to the performance of military duty in India, and specifying the term for which they consider additional leave absolutely necessary for the recovery of the applicant's health; and that if the application is preferred on the ground of urgent private affairs, it will be required, that the nature of those affairs should be specified, and that the necessity for his continued absence should be certified by his professional adviser on the spot."

Sick Leave Regulations.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 16th August 1847.

No. 178 of 1847.—The Most Noble the Governor in Council directs the publication of the following Regulations regarding the grant of leave on medical certificate to European Officers.

1. All Sick Officers for whose recovery change of climate, whether to places beyond or within the limits of the Presidency, may be recommended, will be required to appear for examination before a Board of Medical Officers.

2. At the Presidency, and at all Stations where practicable, a Board of three Medical Officers shall be appointed for the purpose of granting, confirming, extending and when necessary cancelling, medical certificates to Officers,—and none will be permitted to quit their Stations until they have been examined by such Board, before which the Officers' Medical Attendants are always to appear for the purpose of affording information on each case.

3. At the Presidency, a Member of the Medical Board, the Superintending Surgeon, and another Medical Officer to be appointed by the Commander in Chief, will form a Board; and at other Stations the three senior Medical Officers will be nominated for the duty. When it does not interfere with their other duties, Civil Surgeons are to be considered available as Members of Boards, if there is not a sufficient number of Medical Officers without them.

4. At Stations where there may be only two Medical Officers besides the one who has charge of a Patient, the Commanding Officer shall constitute them a Board for the above purpose, and should there be a difference of opinion upon the case, the recommendation of the Officer's Medical Attendant will be sufficient to decide that a sick certificate shall be granted.

5. At Stations where there is but one Medical Officer he may grant sick certificates, but in every such case, as also when a certificate is granted under the provisions of para. 4, the Patient is to be informed that he will be required to appear for examination before a Board of Medical Officers at the first Station on his route at which a Board of three Members can be convened: and with a view to obviate unnecessary delay or inconvenience to the Patient, the Officer Commanding the Station from which the Sick Officer is proceeding will communicate with the Officer Commanding such Station on route, where the necessary steps will be taken to assemble the Board upon the Sick Officer's arrival.

6. Previous to departure from a Station, each Sick Officer is to be furnished with a sealed medical statement of his case, to be produced to the Board in cases contemplated by paras. 4 and 5, and which after the examination will be returned to him sealed by the Board, for the purpose of being delivered to the Medical Officer by whom he may next be attended.

7. In cases in which an Officer's sick certificate may not be confirmed by a Board at a Station on his route, he is to be allowed to remain there pending the orders of Government or the Commander in Chief upon the Board's Proceedings.

8. As a general rule Officers are not to be sent to the Presidency on sick certificate, except for embarkation or for the treatment of mental or ophthalmic disease. When however a residence with near relations at the Presidency is

deemed advisable, or any special reason with regard to the Patient's health may exist, Medical Boards or Officers are to grant the certificates accordingly, and enter their reasons for doing so in the Proceedings of Boards, or in the certificates granted where Boards cannot be convened.

9. A Board will be assembled annually under the orders of His Excellency the Commander in Chief for the examination of Patients on the Neilgherry Hills, of which the Superintending Surgeon Southern Division will be President, and should there not be Medical Officers of experience residing on the Hills, the Commander in Chief will detach one or more from the adjoining Divisions as may be found convenient.

10. All Officers on the Hills who have been absent from their duty for one year will be required to appear for examination before the Annual Board, and, according to its report, will either be allowed to remain on the Hills for a further period, or be required to join their Corps or Departments if the Board reports that by the re-establishment of their health they are fit for duty.

11. Intermediate extension of leave on sick certificate to an Officer on the Hills will be granted only on the recommendation of a Board of Medical Officers, to be convened by the Officer Commanding at Ootacamund. The Medical Officer doing duty on the Hills who is not in attendance on the Patient is to be nominated a Member of this Board, but if for want of Medical Officers a Board cannot be convened, the countersignature of a sick certificate by the Superintending Surgeon of the Southern Division will be held sufficient to enable the Patient to remain until a Board can be assembled.

12. The Proceedings of Medical Officers, which are to be prepared separately, are to be forwarded through the Medical Board—and those for other Officers through the prescribed channels to Government or to the Adjutant General of the Army.

13. With the exception of the addition required in para. 8 to the certificate of an Officer who may be sent to the Presidency without having appeared before a Board of Medical Officers, the forms of medical certificates given in Section VIII. of the Medical Regulations are to continue in use as heretofore.

14. The following form of Proceedings is to be adopted by Boards of Medical Officers, and will include one or more cases, according to the number of Officers to be examined. When medical certificates are confirmed, it will be sufficient to state the circumstances as briefly as possible—but in cases in which there may be a difference of opinion between the Officer who grants a certificate and a Board, whether at the same or at another Station, the reasons for not confirming the certificate are to be fully recorded.

FORT WILLIAM, 9th June 1843.

No. 126 of 1843.—The Hon'ble the President in Council, in communication with the Right Honorable the Governor General, with the view of laying down some rule limiting the extent of indulgence which, consistently with the general interests of the Military branch of the Service, may be accorded to Officers, in respect to the tenure of Military Appointments on occasions of Leave of Absence beyond Sea, is pleased to notify for the information of the Army, that no second Leave beyond Sea, on account of health, will be granted to an Officer holding any Military Appointment, who may have been absent under the Orders regulating leave, until three (3) years at the least shall have passed after the date of such Officer's return, without forfeiture of his appointment.

MEDICAL SERVICE REGULATIONS.

Superintending Surgeons, the Medical Board, &c.

Fort St. George, 15th July 1842.

No. 126 of 1842.—The following General Order by the Honorable the President in Council, is published for the information of the Army.

"GENERAL ORDERS BY THE HONORABLE THE PRESIDENT IN COUNCIL."

Fort William, July 1st 1842.

No. 169 of 1842.—In obedience to the Orders of the Honorable the Court of Directors, in their Military Letter to the Government of India, No. 6, under date the 4th May 1842, the following Regulations are to have effect in the Medical Department of the three Presidencies from the 16th instant.

The situation of Superintending Surgeon to be considered a Staff Appointment, to which only those fitted for it by a zealous and able discharge of their professional duties shall be deemed eligible, and the appointment to future vacancies will be made without reference to the order of succession, whenever it may be the opinion of Government, that such departure from Seniority is required for the maintenance of the public interests.

The present system by which all Pensions in the Medical Service superior to those of Surgeon (Captain's full pay after 17 years service in India) are dependent on promotion to the Staff Appointment of Superintending Surgeon, is abolished, and in its stead the principle of granting those Pensions according to length of service established, upon the following scale, viz.

After 20 years' Service, 3 years Furlough included, as at present, £181 a year.

| | | | | |
|------|-----|---|------|---|
| " 26 | " 2 | " | £300 | " |
| " 32 | " 3 | " | £365 | " |
| " 35 | " 3 | " | £500 | " |
| " 36 | " 3 | " | £700 | " |

The present Regulations by which Superintending Surgeons are entitled as such to Pensions of £181 a year, £365 a year, and Members of the Medical Board in Pensions of £500 and £700 a year, according to period of Service in those ranks respectively, will cease to be the rule of the Service for Medical Officers after the date of the introduction of the new arrangement; but individuals then in the Service, and who may be appointed to the Offices of Superintending Surgeon and Member of the Board within ten years from that date, will be allowed the option of retiring upon Pensions upon the old scale of length of service in those Ranks, instead of the new scale of length of service in India.

The designation of 1st, 2d and 3d Members of the Medical Board is abolished, and the following Titles are substituted:

| | |
|-------------------------------------|-------------|
| Physician General..... | 1st Member. |
| Surgeon General..... | 2d Member. |
| Inspector General of Hospitals..... | 3d Member. |

The Members of the Board will accordingly be commissioned with these Titles, when appointed to the respective positions abovementioned, and when retiring from the Service will be placed on the Retired List with the Title then held by them.

The Regulation which fixes the rank of Brigadier General as the relative

* Medical Officers who have served 20 years in India (three years furlough included) are now entitled to retire on a Pension of £300 a year. See G. O. of the Government of India, No. 172 of 1831, published in the Fort St. George Gazette for that year, page 365—Continued.

Army Rank of Members of the Medical Board, will equally apply to those Members under the new Titles now established.

All Surgeons of 30 years' Service to be designated "Senior Surgeons," and their relative Rank with Officers of the Army to be that of Major. This arrangement, like all others having reference only to the rank and designation of Medical Officers, confers no claim whatever to superior allowances and will make no change whatever in the nature of their employment.

O. G. 126, dated 15th July 1842.

1st. The Physician General, Surgeon General and Inspector General of Hospitals will, collectively, continue to perform the duties of the Medical Board as heretofore; their period of service, reckoning from the date of promotion to Inspector General of Hospitals, will be five years, after which they will be required, as was the case with a Member of the Medical Board, to retire; and, as vacancies occur, the Inspector General will be promoted to the rank of Surgeon General, and the Surgeon General to that of Physician General.

2d. No alteration has been made in the regulation which prescribes that vacancies in the Medical Board shall be filled up by selection from the Superintending Surgeons, of such as shall be most distinguished for professional science and the zealous discharge of their duties, due regard being had to seniority in the service when the qualifications of the individuals appear to be adequate to the correct performance of the duties of the office."

3d. A Superintending Surgeon, in virtue of his Staff Appointment, is to take rank over all Garrison and Regimental Surgeons within his Division who may be senior to him in the list of Surgeons; but in such cases, if Medical Officers desire it, they will be transferred to a Division the Superintending Surgeon of which is their senior in the Service.

4th. The situation of Superintending Surgeon being considered a Staff appointment, the Government will be at liberty, should the interests of the public service require it, to remand him to the rank of Regimental Surgeon, or rather to remove him from his Staff appointment.

5th. The regulation published in G. O. G. No. 226, dated 9th June 1835, which provides that no Medical Officer shall be considered eligible to the situation of Superintending Surgeon, who shall not have served for two years in the military branch of his profession at some period subsequently to his promotion to the rank of Surgeon, continues still in force.

6th. A Medical Officer holding the appointment of Superintending Surgeon before his embarkation to Europe, will, on his return to India, be entitled to resume his appointment as a Superintending Surgeon.

Fort St. George, 29th May 1850.

No. 107 of 1850.—1. In conformity with instructions from the Government of India, approved and sanctioned by the Honorable the Court of Directors, The Right Honorable the Governor in Council, is pleased to publish the

following Rules, respecting Members of the Medical Board and Superintending Surgeons on the Madras Establishment, which (except as regards the amount of salaries) correspond with those in Bengal, and are to apply to all Officers, who may be appointed to either of the above situations subsequent to the date of this General Order, in supercession of all different provisions contained in the Code of Pay and Audit Regulations or in former General Orders.

2. The Rules contained in the revised Code of Pay and Audit Regulations will continue to apply to Members of the Medical Board, and Superintending Surgeons appointed prior to the date of this General Order, and to the Officers now officiating, or who may be appointed to officiate, for any of them.

MEDICAL BOARD.

1. Members of the Medical Board rank as Brigadiers General; but that rank is considered as purely official, or of courtesy, and does not give claim either to Military command or to increased allowances of any kind, except in cases of distribution of Prize Money, in which Members of the Medical Board are allowed to share according to the above scale of rank.

2. The Members of the Medical Board are Commissioned with the following title, and on retirement from the Service are placed on the Retired List with the title then held by them.

1st. Paymaster General.

2d. Surgeon General.

3d. Inspector General of Hospitals.

3. The consolidated salary of a Member of the Medical Board is 2,450 Rupees per mensem, which is held to include the Pay and full Regimental allowances of a Surgeon.

4. The allowances of Members of the Medical Board are passed from date of vacancy on the Board, in the same manner as those of General Officers on the Staff, on the principle that they hold their appointments for a limited period only.

5. A Member of the Medical Board when absent on leave, on private affairs, or on medical certificate, within or beyond the limits of the Presidency, is only entitled to Rs. 1,075 As. 4 P. per mensem for the prescribed periods; subsequent to which he will be restricted to the pay proper of his Army rank of Surgeon.

6. The amount forfeited by a Member of the Medical Board, during absence as above stated, viz. Rs. 771 As. 32 per mensem, is payable to the Superintending Surgeon appointed to officiate for him, or, when no such appointment has been made, becomes a saving to the State.*

7. Members of the Medical Board, when on furlough to Europe, are entitled to the furlough pay of Colonels of Infantry.

8. Pensions from Lord Clive's Fund to Members of the Medical Board and their Widows, are allowed, at the same rates and under the same rules as to Colonels and their Widows.

9. A Member of the Medical Board who has proceeded to Europe, and been permitted by the Honorable the Court of Directors to return to India, for the purpose of completing the residue of his tour of service in the Board, becomes entitled to consolidated salary, from the date of his arrival at Madras, and the Junior Member of the Board, consequently, reverts, from the same date, to his former position of Superintending Surgeon, his period of service as Junior Member being counted as so much passed to the term of five years to which service in the Medical Board is limited.

10. The Members of the Medical Board actually in the Service on the 16th July 1842, and appointed to the Board at any time within ten years from that date, have, provided they have completed twenty years service in India (including three years furlough), the option of retiring upon Pensions, either ac-

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire, in India or Europe, at any period after becoming Members of the Board on the first of those Pensions, or at any time after the completion of three years service in the Board on the second.

SUPERINTENDING SURGEONS.

1. The situation of Superintending Surgeon is considered a Staff appointment, and nominations thereto are made without reference to the order of succession whenever it may be the opinion of Government, that such departure from seniority is required for the maintenance of the public interests. Medical Officers are not entitled, under any circumstances, to the Allowances of Superintending Surgeon, until they shall have entered upon the duties appertaining to the appointment.

2. The consolidated salary of a Superintending Surgeon is 1,575 Rupees per mensem, which includes the Pay and full Regimental allowances of Surgeon. —The Superintending Surgeons of the Nagpore and Hyderabad Subsidiary Forces, and Superintending Surgeons employed with Troops on actual Field Service, are entitled to salaries of Rs. 1,803, 4 As 6 P. each; but these higher salaries are only claimable by them when actually present and in the performance of the duties of their appointments, their receipts being regulated by the provision applicable to other Superintending Surgeons during absence involving any forfeiture of allowances, when the additional allowance, viz. the difference* between the amount above mentioned and Rupees 1,575, becomes payable to the Officiating Superintending Surgeon.

3. An allowance of 60 Rupees per mensem, for Writers and Stationery, is attached to the appointment of Superintending Surgeon, and payable under the same rules as other Office allowances in general.

4. Superintending Surgeons rank as Lieutenant Colonels; but that rank is considered purely Official, or by courtesy, and does not give any claim either to Military command or to increased allowances of any kind, except in cases of distribution of Prize Money, in which Superintending Surgeons share according to the above scale of rank.

5. The office of Superintending Surgeon being incompatible with an executive charge, a Surgeon appointed to officiate as Superintending Surgeon of a Division or Force is invariably on assuming superior office to make over his subordinate charge. If a Regimental Surgeon, and officiating for an absent incumbent who had previously been in charge, he will be entitled to the forfeited portion of the salary of Superintending Surgeon, viz. Rs. 498 2 A. per mensem if the absence of the incumbent be occasioned by his temporary employment in the Medical Board (Vide Para 11), and Rs. 579 13 A. per mensem if the incumbent be absent on medical certificate or private affairs, vide para 6, and will draw the Office allowance (60 Rupees per mensem) with the Pay and Regimental allowances of his rank and station, and if a Garrison or other Staff Surgeon (not Regimental) he will further be entitled to a moiety of the salary of his permanent situation, provided that salary is higher in amount than the forfeited portion of the salary of Superintending Surgeon. If lower in amount, he is not entitled to any part of it while officiating as Superintending Surgeon, and is restricted to the Pay and Regimental allowances of his rank for the entire period occupied by him in reaching his new station, and subsequently joining his original one.†

6. A Superintending Surgeon when absent in India, or within the limits of the Honorable Company's Charter, on medical certificate, or private affairs, within the prescribed periods, is entitled to Rupees 995-8-0 per mensem, being

the Pay and full Regimental allowances of a Surgeon, and a moiety of the remainder of his consolidated salary; but when absent beyond the "prescribed periods" he is restricted to the subsistence or pay proper of his Army rank of Surgeon.

7. A Superintending Surgeon when absent on furlough to Europe, is entitled to the furlough pay of a Lieutenant Colonel of Infantry.

8. A Superintending Surgeon, who has proceeded to Europe, and been permitted by the Honorable the Court of Directors to return to India to resume his appointment becomes entitled to salary from the date of his actual resumption of his duties as Superintending Surgeon, and from which date the Junior Superintending Surgeon on the Establishment will revert to the grade of Surgeon.

9. Superintending Surgeons actually in the Service on the 16th July 1842, and appointed to the Office of Superintending Surgeon at any time within ten years from that date, have, provided they have completed twenty years service in India (including three years furlough), the option of retiring upon Pensions either according to the general scale for length of service in India established on the above date, or upon the following scale:

 and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire, to India or Europe, at any period after becoming Superintending Surgeons on the first of those Pensions, or at any time after the completion of three years as Superintending Surgeon on the second.

10. No Medical Officer is to be considered eligible to the situation of Superintending Surgeon who shall not have served for two years in the Military branch of his Profession, at some period subsequently to his promotion to the rank of Surgeon, unless he shall have held for a similar period the appointment of Marine or Presidency Surgeon, or Surgeon to the General Hospital, or shall have served in the Rank of Surgeon for two years with the Troops commanded by British Officers in the Nizam's Service, or the Army of any other Native State.

11. Full salaries are allowed when they return Amount forfeited by Absence Members..... Re. 771 12 0 to reassume charge of their permanent duties. While Officiating as Member of the Medical Board a Superintending Surgeon is entitled to the sum of Company's Rupees 1,850 10 Annas per month as shown in the margin.*

12. No forfeiture is incurred by a Superintending Surgeon on being transferred from one circle of Superintendence to another, and the Officer who may be appointed to take charge of the Office records on such occasions will draw the Office allowance (vide para. 3) from date of the permanent incumbent quitting the circle to that of his successor entering it.

13. An Order directing a Medical Officer to receive charge of the records of a Superintending Surgeon's Office does not confer the rank, impose the duties, nor entitle him to the allowances of an Officiating Superintending Surgeon.

14. Pensions from Lord Clive's Fund to Superintending Surgeons and their Widows, are allowed at the same rates, and under the same rules, as to Lieutenant Colonels and their Widows.

No. 111 of 1839.—The Right Honorable the Governor in Council is pleased to establish the following regulations, for the promotion of individuals in the subordinate grades of the Medical Department.

1. No Medical Apprentice shall be promoted to the rank of Assistant Apothecary, until reported qualified by the Superintendent of the Medical School; and any individual who shall fail to qualify himself by the expiration of the prescribed course of instruction, will be removed from the Service.

2. No Assistant Apothecary shall be promoted to the rank of 2d Apothecary, nor any 2d Apothecary to the rank of Apothecary, until he shall have passed his examination for the superior grade before a Board of Medical Officers at the Presidency.

4. The examination will embrace the following points,—pharmacy, and materia medica, reading and writing prescriptions, minor operations of surgery; general principles and practice of vaccination, with such a knowledge of the nature and treatment of diseases in general, as is considered sufficient to qualify the individual for such charges as may usually devolve upon them.

5. On the extent to which the examination is to be carried in the several particulars above specified the Board will be guided in each case by the opportunities which the individual may have enjoyed of acquiring professional knowledge, or having had the advantage of previous instruction in the Medical School or otherwise; but under no circumstances is any individual to be passed for the superior grade, unless found perfectly qualified for the duties which he will actually be required to perform.

8. Second Apothecaries and Assistant Apothecaries succeeding to promotion when at distant Stations, not having already passed, will be appointed to act in the superior grade, until an opportunity may offer for their undergoing the prescribed examination at the Presidency.

9. The assembly of the Board of Examiners, and all subsidiary details will be under the direction of the Commander in Chief.

ADMISSION.

Art. 1. No person is admissible as a Subscriber to the Military Fund, unless he entered or shall enter the service of the Honorable East India Company on the Madras Establishment as a Cadet or Assistant Chaplain. Cadets and Assistant Chaplains become Members of the Military Fund, as a condition of their appointment, and are eligible to its benefits from the date of their admission on the establishment. Assistant Chaplains subscribe as Captains until they have served 15 years; subsequently as Majors.—G. O. G. 12th June, 1838.

Art. 2. Medical Officers (formerly received as Members,) may continue in the Society on the old rules; according to which a Surgeon pays and is entitled to benefits, as a Captain; a Superintending Surgeon as Major; and a Member of the Medical Board as Lieutenant Colonel; but Medical Officers are no longer admissible.

Art. 3. Assistant Chaplains or Cadets, being married or having legitimate offspring, are required to pay marriage donation and also subscription, at the Indian rates, of their grade as married, with arrears to be calculated from the date of their admission on the establishment, or from the date of birth of the eldest surviving child, if the latter date be anterior; with compound interest at 8 per cent. per annum, on the whole amount of donation and subscription, either at once, or by 25 equal monthly instalments, within 25 months of the date of admission.

DONATIONS AND SUBSCRIPTIONS.

Art. 4. All subscriptions to the Fund are payable in India, monthly, in advance. All donations, although for the convenience of Subscribers payable by prescribed instalments, become debts to the Fund from the date on which they fall due, and must, under any circumstances, be paid by the Subscriber, if he lives until the expiration of the prescribed period for the payment. Should a Subscriber die while his donation is in course of regular payment by instalments, no demand is to be made against his estate for the instalments unpaid.

Art. 5. Subscribers shall pay donations and subscriptions in the time and manner hereafter defined, agreeably to Tables A. and B. Widowers with legitimate offspring to be considered and pay the same as married. Subscriptions are to commence from the date of admission on the Establishment of Fort St. George; entrance donations become due from the same date; and donations and subscriptions on promotion from the date of promotion as signified in

G. O. G. Arrears of Instalments of donation and subscriptions to be recovered from first pay drawn.

Art. 6. The donations of Cadets, Cornets, 2d Lieutenants and Ensigns, and Assistant Chaplains may be paid, in anticipation, in England; those married or having legitimate offspring will be further required on arrival in India to pay the subscriptions and interest laid down in Article 3.

Art. 7. Donations on Entrance or Promotion must be paid immediately on becoming due, or by equal and regular monthly instalments, agreeably to Table A, as married or single, commencing with the first pay drawn by the Subscriber after the event. If the Subscriber however be promoted during the payment of such instalments, he must pay the new donation, as well as the balance of the old, at the higher rate of the class into which he has been promoted.

MARRIAGES.

Art. 8. All marriages must be reported.—When a Subscriber, Widower or Bachelor, marries, his family will become eligible to the benefits of the Institution if he duly report his marriage, and make, commence, or arrange to commence,* as below prescribed, the payments consequent thereon: viz., increased subscription according to his class, and the regulated donation, subject to increase agreeably to Table G, for disparity, if his age exceed that of his wife more than 8 years. If the Subscriber pay the whole donation within 30 days after the date of marriage, he will be allowed a discount or deduction of 10 per cent.; if not, he must pay it by 25 equal monthly instalments, commencing with the first month after marriage. This rule applies to Subscribers marrying Annuitants on the Fund.

Art. 9. If the report of marriage be not made, and the prescribed payment begun, within one month after the event, the donation will be increased by (1) one per cent. per month up to the date of announcement, and the pensions of the widow and children will be contingent upon the husband's surviving 25 months from the date of his report, and completing the payment together with all arrears of subscription (calculated from the date of marriage) and penalties. If however the report be made within the month, and all the regular payments begun, or arrears taken to begin them, and the husband should die before any or all of the instalments are paid, the widow and family will be entitled to their pensions subject to the regulated deductions on account of Minimum. Provided always that that part of the provisions of this Article which requires that the husband should survive 25 months to entitle his widow and children to their pensions, shall not be held applicable to cases where the Subscriber shall produce a Death Certificate as per Form given in Appendix L.

Art. 10. The report of marriage must contain the dates of birth of the Wife and of the Subscriber, also the Christian name of the Wife. This information is necessary for the calculation of the amount of donation, and Subscribers should be careful in affording it, as any omission, by leading to a reference, should involve a penalty as to time. In every case the best course to be followed is, on making the report of marriage, immediately to commence the regulated subscriptions and instalments of donations, as laid down in Tables A and B.

CHILDREN.

Art. 11. To secure for his daughters the continuance until marriage or death, of the annuities to which they may become entitled from the Fund, in consequence of his decease, before they respectively attain the age of 21 years; or should they have attained that age at their Father's death to obtain for them similar annuities, a Subscriber is required within 10 days from date of birth of each daughter, to notify the same to the Secretary, and state that it is his intention to pay an additional donation of Rupees 752, which amount will become due to the Fund from the lapse of the tenth day after birth, whether the child subsequently live or die. If the child die within ten days from date of birth,

* Means giving the necessary instructions to the Pay Department to make the required deduction.

the report of intention to pay donation on her behalf will be considered cancelled. If the Subscriber pay the whole donation within 30 days after the child's birth, he will be allowed a discount or deduction of 10 per cent.; if not, he must pay it within 12 months from date of birth of the daughter by 12 equal monthly payments, commencing with the first month after the birth of the child. Vide Table A.

To obviate the inconvenience which might be occasioned by the neglect of the above Article, Subscribers may, if they prefer it, notify to the Secretary their wish to avail themselves of the rule for all daughters who may be born to them; the donation for each becoming due and payable as above explained, whether the child live or die.

In addition to the above a monthly subscription of one Rupee, or 2s. 3d. is to be paid for each son under 21 years of age; and for each daughter until marriage or death, during the life of the father. The subscription for daughters for whom the donation of Rupees 752 may not have been duly paid to cease after the age of 21 years.

Subscribers are consequently required to report to the Secretary, dates of births and decease of all children.

Art. 12. A posthumous daughter, or a daughter whose father may die before the expiration of 10 days from her birth, without having made the prescribed report, will be entitled to the advantage of Regulation 11; but the prescribed donation for her will be deducted from her annuity at the rates specified in Table D. In the case of a daughter born during the temporary absence of the father, the report must be made as soon as the event comes to his knowledge, the cause of the delay being explained at the time.

Art. 13. Subscribers having failed to make the requisite report within the period of 10 days, and wishing, at any future time, to secure to their daughters the annuity in question, are required to notify their intention to the Secretary, and to pay for the same agreeably to Table H. These donations must be paid at once or by 12 equal monthly instalments, from date of notification, and can only be received during the life-time of the father. The money becomes due from the date of report, whether the child subsequently live or die. Monthly subscription of 2s. 3d. or 1 Rupee calculated from date of birth must be paid at once and in addition to the donation.

Art. 13½. When daughter's donation (whether under Article 11 or under Table H) shall have gone unpaid beyond the period allowed, and it shall happen that circumstances prevent the possibility of its being recovered, together with the penalty or penalties due upon it, from the pay or pension of the Subscriber, and the Subscriber shall, in the mean time, die without having paid such donation, with penalty or penalties (as the case may be), in such cases, notwithstanding that the Subscriber shall have duly reported, within the prescribed period from his daughter's birth, his intention to pay such donation, such report of intention shall be held to have been cancelled, and the daughter shall not be entitled to the prolonged annuity, unless the whole circumstances of the case shall be considered, by at least three Directors, to warrant a reference being made to the Subscribers at large, for their decision regarding her continuance or otherwise on the list of permanent annuitants.

O. G. 17th March 1846. All exclusions are to be notified in the proceedings published to the Army.

Art. 15. Pleas of ignorance of the rules of the Society are not to be received in excuse for disregard of, or deviation from the Regulations; nor does the employment of an Agent disinvest a Member or Annuitant of responsibility.

PAYMENTS.

Art. 16. All payments in India to the Fund must be made to Military Paymasters, or other functionaries from whose offices Subscribers receive their monthly pay and allowances, or into the Government Treasury at Madras.

Art. 17. Payments of subscriptions to the Fund are made in England by deductions at the India House from the Pay bills or abstracts of Subscribers.

Art. 19. The Secretary's Office in India is solely one of check and audit of accounts, and he is prohibited from receiving cash or bills in liquidation of sums due to the Fund.

Art. 20. Subscribers are exempted from the regular payments on account of donation and remuneration when absent in Europe on Furlough, or Sick Certificate, when such promotion occurs prior to leaving India or during their absence, but a discount of 10 per cent. will be allowed if the donation be paid within 30 days from the date of first receipt of pay in the advanced rank. On return to India and coming into the receipt of Indian allowances the regular instalments must be commenced or resumed, with the addition of 5 per cent. on all payments suspended during such absence. This is not applicable to Retired Officers.

A discount of 10 per cent. is allowed on all donations if paid within 30 days from the date they become due, viz. on entrance from date of admission on the Establishment in India, on marriage, or the birth of a daughter from the date of either event. On promotion from the date of drawing pay in the advanced rank. Donations are payable by regular and equal monthly instalments at the rate and within the periods laid down in Table A. of the Regulations.

Art. 21. Subscribers who may be prevented drawing pay by a temporary cause, such as captivity, suspension from pay, or the like, shall, during such period, be exempted from penalties for non-payment of subscriptions or donations on entrance or promotion but on the removal of the cause, and upon the receipt of pay, they shall be required to pay up all arrears within a period equal to that of their temporary incapacity, and immediately succeeding it, by regular and equal monthly instalments.

Subscribers omitting to draw pay, or whose Agents neglect or cease to draw pay on their account when due, are not under the above clause exempted from penalty on arrears. Officers proceeding to Europe on private affairs, or remaining on extended furlough and ceasing to draw pay from Government during such absence, are required to make arrangements at Home for the regular payments

of subscription as it becomes due at the Europe rate. Subscribers retiring from the Service while on sick certificate or furlough in Europe, and owing donations or balance of donation to the Fund, are required to pay the same by the regulated instalments, commencing from the date of retirement.

Art. 22. Subscribers while in the receipt of income allowance from the Fund, are not exempted from the payment of monthly subscription, or of the instalments of marriage donation.

Art. 23. The payment of the Minimum by no means exempts the Subscriber from the continuance of subscriptions and donations, so long as he shall remain a member of the Fund.

Art. 24. Expulsion or withdrawal from the Fund, dismissal from or resignation of the service, involve the forfeiture of all claims to the benefits of the Fund, as also of the amount of the Subscribers' donations and subscriptions, and all other sums paid up to the period of separation; but the restoration of a dismissed Officer to the service entitles him to re-admission, on payment of arrears with compound interest at 8 per cent. per annum, within a period equal to and immediately succeeding that of his disqualification.

Art. 25. Subscribers who retire from the service on the prescribed Pension of their ranks, or on Half Pay, or on Lord Clive's Fund, shall not forfeit their rights as Subscribers to the benefits of the Fund, provided they continue the payments prescribed in Table B. To
The Secretary Madras Military Fund.

Sir,
I request you will submit to the Directors of the Fund this my application to subscribe to the Fund according to length of service—on the terms published in Minutes of Proceedings of the Military Fund, under date the 7th July 1848.

I hereby agree to comply with all the provisions of the new Rule as set forth in the aforesaid Circular; and during performance on my part of any one of which provisions, I hereby consent that my wife shall, at my demise, forfeit all and every advantage the new Rule is intended to confer, and which she would otherwise derive from my compliance with the conditions of the said new Rule of Subscription according to length of Service.

APPENDIX II.

1st May 1848.

RESULTS FOR THE ADMISSION OF OFFICERS OF THE NON-EFFECTIVE ESTABLISHMENT WHO DID NOT ENTER THE ARMY AS CADETS.

Officers on the Non-effective Establishment who did not enter the Army as Cadets are allowed to participate in the benefits of the Military Fund, to the extent and in the manner hereinafter described.

1. Premiums to Widows.

1. Officers of the above description will be allowed, on proof of health, to insure survivorship pensions for their wives, to the full extent of the regulated pensions to widows of Subscribers of corresponding rank on the regular establishment, or for one-quarter, a half, or three-quarters of such regulated pension, on payment of an equivalent single or monthly premium according to age, to be determined on the principle laid down in Article 162, Davies' 1st Report (Formulas A—D taken from Tables 10 and 32) the amount of which premium can be ascertained on application to the Secretary.

2. In the event of the party preferring to insure by monthly instead of a single premium such monthly payment will cease on the death of either the husband or wife, and whichever mode of payment be adopted, the pension will be continued to the widow for life without being subject to suspension in case of her re-marriage.

H. Pensions to Children.

1. Officers of the above description at present in the service will also be allowed to secure for each of their children the full amount, or such proportion of the pensionary benefits held out to the children of members of the regular service as their means will allow, the proportions being restricted, as in the case of widows, to a quarter, a half or three quarters.

2. Thus to secure the same pensionary advantage as is allowed the children of regular Subscribers, payment of the equivalent, as regulated by the last two columns of Table 21* if for sons, and by the corresponding columns of Table 26* if for daughters, must be made by single premium, and for half the above benefits half the amount will be charged.

Application to insure for any of the above benefits, supported by certificate of health and of dates of birth of parents and children, must be preferred within six months from the date on which the Rule is passed by the Army; or the application will not be admitted.

Those who insure to the full extent of the pension allowed to widows of Members of the regular establishment, will be allowed to effect a further Assurance on promotion to a higher grade, or for any additional children that may be born to them, and those who insure for less than the fixed rates will be allowed to augment their original amount insured, on production of a fresh certificate of health and at the rates prescribed for their then ages; but to obviate complexity of accounts, such additional insurance by either party can only be allowed to be effected by a single payment; and if for an additional child the application must be made within six months of the date of birth.

The pensions assured to widows and children of the said Officers will be issuable without deduction on account of minimum; and it must be distinctly understood that Officers insuring as above are not eligible for personal benefits, either to themselves or families.

The case of Officers who may hereafter receive commissions on the regular establishment will be provided for on receipt of the revised Tables under preparation by the Actuary.

2. The foregoing Tables being merely provisional, it is, in every case, to be understood that any sum, when the Actuary who may eventually pronounce upon the subject may declare to be wanting to complete the full value of the increase of pension guaranteed, is to be made good to the Fund by the Subscriber, or, in the event of his death in the interim, to be recovered from the annuity payable to the particular child to whom such increase may have been secured; while, on the other hand, should the Actuary pronounce the payment made to be in excess of the actual value, the difference is to be refunded to the Subscriber, or, in the event of his having died, to be paid to the child in question, if still living.

3. Should the Subscriber, and the child for whom the increase may have been purchased, both die before the receipt of the Actuary's decision (a case, it is hoped, very unlikely to arise) it is proposed to consider the payment made under the foregoing Tables, final.

4. The sums required to be paid, in order to secure the increase to daughters, for whom "Donation" has been paid, are of course larger than those charged under Table No. 1, the increase purchased under Table No. 1 being claimable only up to 21 years of age, whereas that purchased under Table No. 2 is claimable until marriage or death.

5. The following case exhibits the extent of the benefit securable:—

A deceased Subscriber's child would, in virtue of its Father's having been a married Subscriber, and of his having reported its birth and paid monthly Sub-

scription of one Rupee on its behalf, be entitled, during its Mother's life time, to receive Pension as follows:—

| £ | | |
|--|----|-----|
| Under 6 years of age..... | 20 | 0 0 |
| Between 6 and 12 years of age..... | 30 | 0 0 |
| From 12 years of age until the termination of its claim upon the Fund..... | 40 | 0 0 |

Supposing, however, that, during its Father's life time, the increase now in question had been purchased for it, the same child would, in virtue of such transaction, receive, even during its Mother's continuance in life, Pension as follows:—

| £ | | |
|--|----|-----|
| Under 6 years of age..... | 30 | 0 0 |
| Between 6 and 12 years of age..... | 45 | 0 0 |
| From 12 years of age until the termination of its claim upon the Fund..... | 60 | 0 0 |

—being the rates established for children who have lost both parents.

Obt.—In these calculations the Subscriber's Minimum has been assumed to have been paid in full. Supposing the reverse to be the fact, the usual deductions of one-fourth would be made (See Article 47) and the rates of Annuity payable would thus stand as follows, until the sum wanting to complete the Minimum had been recovered:—

| AGE OF CHILD. | During the mother's life—the increase not having been purchased. | | | During the mother's life—the increase having been purchased. | | |
|-----------------------------|--|----|----|--|----|----|
| | £ | S. | D. | £ | S. | D. |
| Under 6 years..... | 15 | 0 | 0 | 22 | 10 | 0 |
| Between 6 and 12 years..... | 22 | 10 | 0 | 32 | 15 | 0 |
| 12 years and upwards..... | 30 | 0 | 0 | 45 | 0 | 0 |

There would be several objections to exempting the extra £10, £15, £20, from the operation of Article 47. The contingent liability of the additional sums in question, to be taxed, in common with the rest of the Pension, towards completion of the Minimum, will doubtless, however, not escape the notice of the Actuary, when finally determining their value.

6. The increase may be purchased either for the whole of a Subscriber's children, or for one, or any given number, of them.

7. Subscribers wishing to purchase the increase for Children upwards of 90 days old are required to produce Health Certificates according to the following Form:—

We the undersigned Medical Officers of Her Majesty's or the Honorable the East India Company's service (as the case may be) do hereby solemnly and sincerely declare that we have carefully and personally examined into the state of A. B.'s health, and that we pronounce him free from any bodily complaint of dangerous tendency, and believe him to be a good life.

Rule 6th.—That in order to obviate the difficulties which would arise from the occasional remote situations of Her Majesty's Corps serving under the several Presidencies, the Most Noble the Governor General in Council was pleased to order that direct when the Fund was established, that Bills may be granted to the Pay Master of Her Majesty's Regiments by the Governments of Madras and Bombay, or the Government of Bengal, payable at sight to the Agent or Agents of the Queen's Military Fund, acting for the Committee of

Rule 9th.—That whenever there may be mixed Corps, of Her Majesty's Service, or more than one stationed together at the same time every application for relief from this Fund shall be heard and decided on by a Station Committee, composed, as equally as possible, of Officers from such Corps present, being Subscribers to the Fund.

STATION COMMITTEE.

President.

A Field (Officer if practicable.)

1 Captain, or Surgeon, or Pay Master.

2 Lieutenants, or 1 Lieut. and 1 Quarter Master, 1 Ensign or Assistant Surgeon.

Committees.

Rule 10th.—As it may often happen that Officers die while the Corps they belong to is stationed by itself, or remotely detached, it shall be in the power of every Commanding Officer of a Regiment so situated, to assemble a Committee of any five Officers being Subscribers to hear and decide upon the case of any Widows and Children to become destitute, and seeking relief from this Fund. It shall also be competent for the Commander-in-Chief at either Presidency to assemble a Special Committee to report on the case of any Lady who may become a Widow, whilst the Regiment to which her husband belonged, shall be at another distant Station, or on Service, beyond Sea.

Rule 11th.—That such Station, Regimental or Special Committees as the case shall be, having duly examined into the circumstances of the party seeking relief, shall report their opinion on and recommend the amount to be granted whether for passage money or maintenance, strictly in conformity with the Regulations annexed. The opinion and recommendation of such Committees shall be forwarded to the Honorary Secretary Army Head Quarters by the Officer Commanding the Corps in which the casualty may have occurred, and the Pay Master of the Regiment under the above authority can at once advance to the Widow the amount of "Maintenance" awarded by the Committee, reimbursing himself by a deduction from his next regimental remittance or by drawing a Bill on the Secretary; the residue of the award to be adjusted by the Secretary under the sanction of the general Committee of Management.

Rule 12th.—The Sub-Committees at Madras and Bombay will in cases of Special awards in those Presidencies, on satisfying themselves with the accuracy of the statements laid down before them, draw upon the Honorary Secretary at Army Head Quarters for the amount which may be awarded; but in the final adjustment of the accounts of such Sub-Committee, the General Committee will consider themselves bound to object to any sum, however trifling, which may be granted in excess of the Rules laid down.

Rule 13th.—The Sub-Committee will, on drawing for any sum on the Honorary Secretary in cases of Special Awards, transmit the Report of the Station Committee as well as their own opinion and explanation of the Award as a voucher, and they will afterwards, as soon as possible, transmit the proper Re-

ceipts and Certificates, showing that the money has been appropriated in the manner and for the purposes for which it was awarded.

Rule 14th.—The object of this Fund being clearly confined to sending Home Families of deceased Officers, and with a view of preventing those painful appeals for assistance to the Public, at once so humiliating to respectable individuals and the Queen's Service in India, it is earnestly hoped that all ranks of Staff and Regimental Officers will support it.

Rule 15th.—But to prevent doubts and misconceptions which might possibly arise hereafter, it is distinctly declared, that no Widow continuing to reside in this country after the death of her husband, can expect any provision or pension for herself or children from the Fund further than is stated in the 8th Clause of the Schedule of Awards. It is also declared, that no Widow is entitled to passage money or allowance for travelling, unless she actually proceed to Sea or on her journey in the manner for which any allowance may have been drawn, and should she have received such allowance, she will be required to refund; and further, that no Widow, under any circumstances, shall be entitled to any assistance from this Fund, unless the application shall be made in the usual form within six months after the demise of her husband.

Rule 16th.—Orphan Children are eligible for the benefits of this Fund, but awards for them must be specially made by a Station or Sub-Committee and sanctioned by the Commander-in-Chief of the Presidency, who is requested to appoint some eligible person to take care of them, and provide a passage, &c. &c.

Rule 17th.—That the Honorary Secretary, acting for the Committee of General Management, shall furnish an Annual Account of the Receipts and Disbursements of this Fund, to the Adjutant General of Her Majesty's Forces in India; and that that Officer be applied to, to circulate the same amongst the Subscribers, and the several Officers of Government at the three Presidencies.

Rule 18th.—That Commanding Officers of Her Majesty's Regiments be requested to pay particular attention to causing the regular quarterly remittances to be made to the Honorary Secretary of the Queen's Military Widows' Fund, acting for the Committee of General Management Army Head Quarters, who is requested from time to time to apprise Commanding Officers whenever any Corps may fail in making such remittances.

Rule 19th.—That no general Rule or Regulation of this Fund shall be altered, except recommended by the General Committee, and approved by a majority of the Subscribers.

Rule 20th.—In taking the opinion of the Regimental and Staff Officers of Her Majesty's Forces in India, a very general wish was expressed and carried by a Majority that all Widows of Subscribers should have their passage to England, &c. &c. defrayed. As an Officer ceases to be a Subscriber on leaving India, all claims on the Fund must in like manner cease from the same period; but an Officer going to Sea for the benefit of his health, being entitled to his Company's allowances will be considered as a Subscriber during his absence.

Rule 21st.—That all Widows of Officers, who were Subscribers to the Fund, shall be entitled to the amount granted to Widows and Children for passage Money to England, if their husbands die on their passage to England, or during their absence on Sick Certificate, at the Cape of Good Hope, the Mauritius, New South Wales, or Australia.

Rule 22d.—That no special grants, in cases of great distress (not provided for in the Regulations of the Fund) shall be passed by the General Committee without the sanction of the majority of Subscribers; which sanction is to be declared in the General Abstract of Accounts published annually for the information of Subscribers.

 soldiers receive their pensions in the country, (which if they reside more than 25

 Directors, who will appoint a proper person for paying them,) a shilling will be
 charged on each payment for the person who pays them.

The pensions of Commissioned and Warrant Officers are payable as they fall due. Non-commissioned officers and privates paid in advance, on their landing, for the broken period to the end of the first half-year, and afterwards half-yearly in advance.

The Widows of Commissioned and Warrant Officers are entitled to the following pensions, upon providing satisfactory evidence, that their husbands did not die possessed of property to the amount stated opposite to their respective ranks. The pensions continue during widowhood, but terminate finally on re-marriage, which cancels all claim to reversion to the Pension previously drawn in right of their former deceased husbands. Should the second husband have been an European Officer, or Soldier in the Company's service, the Widow will be entitled to pension on his account.

No Widow is entitled to a benefit from the Fund until a sum equal to 10 months' pension has been received on her account.

The full amount of pension is payable only, after the subscriptions, &c. on her account amount to a sum equal to 15th months' pension. Payments exceeding 10 and less than 15 months' pension, entitle the widow to 5-6ths of the pension of her class. Pensions are not payable to widows on re-marriage, or during coverture, but they become entitled to such on again becoming widows.

Pension is forfeited by incontinence. Pensions are not payable to the families of subscribers who die with six months' subscription in arrears, and subscribers 12 months in arrears are struck off the books. The Regulations at length may be had on application to the Secretary, and on payment of 4 annas per copy.

TAYLOR'S FUND.

Established 1st July 1849 for the benefit of Widows and Orphans of European Pensioners of Her Majesty's and the Honourable Company's Service in Southern India, not entitled to Lord Clive's Fund.

Committee of Management.

The Rev H. Taylor, A. C. L.—Chairman.

The Deputy Paymaster and Staff Officer Poonamallee.

The Rev. the Chaplain of Poonamallee.

The Brigade Major Queen's Troops.

The Staff Surgeon Poonamallee.

The Presidency Paymaster.

Lieut. Col. W. P. Macdonald, Secretary and Treasurer.

Rules.

I. This Fund is designated 'Taylor's Fund' to perpetuate the name of its Reverend Founder, and its object is to afford relief to the Widows and legitimate Offspring of European Pensioners.

II. The Capital by which this Fund is to be supported, has been derived from the liberal contributions of the Public, and is invested in Government Securities in the names of three of the Committee.

III. The interest of this capital together with Subscriptions, to be applied to the proposed object, and after discharging such claims, all surplus in the hands of the Treasurer, will be half-yearly added to the Capital in even hundreds, together with the entrance donations of Subscribers, and all contributions received from private individuals or other sources.

IV. To entitle a Widow to the benefits of this Fund, her Husband must have paid his entrance Donation, which has been in the first instance fixed at the small amount of Eight Rupees, but will be 12 from the 1st January 1850.

V. The monthly Subscription is Eight Annas, to be paid quarterly in advance.

VI. Subscribers, who are 12 months in arrears, will be struck off the Books if their Subscriptions are not immediately paid up on demand, and any subscriber dying with a half-year's subscription due to the Fund, will deprive his Widow of all claim on the Fund; if the amount due is less than this period, the same will be deducted from the Widow's Pension.

VII. The monthly Pension to a Widow will be 3½ Rupees, and 1 Rupee for each child under or above the age at which they can be admitted into the Government Asylums, when the Pension shall cease, except however those cases in which the Guardians or Friends of Children of different persuasions shall wish to educate them at schools attached to their own respective Churches, when, on the Directors being satisfied that the education of the Orphans is being so conducted, the pension shall continue. The Maximum payment, however, is never to be in excess of the Widow's Pension, and all such Pensions to cease at the age of 14.

VIII. The Committee will at once remove from the Pension List, any Widow known to be living a life of incontinence, or guilty of other notorious misconduct.

IX. The Children's allowance will be continued in the event of the mother again marrying, but on her death their cases to be specially considered.

X. Marriages considered by the Committee as death-bed marriages, will altogether exclude the Widow from Pension.

XI. To prevent abuse of this Charity, no claims to Pension will be admitted where the Husband may have been more than thirty years older than the claimant, and any attempt to deceive the Committee in regard to children, will involve the immediate expulsion of a Subscriber or of a Widow on the Fund.

XII. Persons married, who do not join this Fund within a period of 12 months from date of transfer to the Pension Establishment, and Pensioners unmarried, who do not join within 6 months from date of marriage, will not be admitted subscribers on this Fund.

XIII. In the event of a Pensioner subscriber to the Fund finally leaving India with his family and thus disconnecting himself with the Fund, the whole amount of his payments to the Fund shall be refunded to him. In the event of a Pensioner subscriber to the Fund quitting India leaving his family in the country and making arrangements for the regular payment of his quarterly subscriptions, they will be eligible to the benefits of the Institution in the event of his death.

XIV. The Secretary shall keep a Register of Subscribers, their Wives and Children; it is therefore incumbent on Subscribers to report their marriages, and the births and deaths of Children, in default of which their families will be liable to a forfeiture of benefits; for this Register must be the Committee's guide in regulating claims to Pension.

XV. Should the Subscriptions and interest of Capital fall short of the demand for payment of Pensions, it will be in the power of the Committee to direct a proportionate deduction from Pensions; in like manner should the prosperous state of the Funds justify an increase in Pensions, it shall be competent to the Committee to direct the same to the extent of Rupees 5 in lieu of 3½, with the same limit for Children.

XVI. The affairs of this Fund shall be conducted by a Committee to meet Quarterly, 3 of whom shall be sufficient to act in the name and behalf of the whole, save that no Rule shall be altered until submitted individually for consideration, and be confirmed at the next Quarterly Meeting.

tain instrument under seal bearing date the Twentieth day of July 1831, under which it was intended to certify such Fees: And whereas we still consider that a reasonable certain and consistent Table for all the business hitherto usually charged for and to be done, should be certified and established to prevent exaction, and contention, and in order that nothing may be unreasonably demanded or exacted or unlawfully taken by those employed, but such as seem to us suitable, customary and unobjectionable in their nature, and at the same time afford a moderate professional remuneration to those Registrars whose services are thus rendered: We therefore as far as we lawfully may and can, having considered and given our best consideration to the subject, do certify the foregoing graduated scale to be in our opinion reasonable and such as may not be (with reference to the usages in the Dioceses elsewhere) improperly taken by our Registrars and Secretaries for business considered to be of a voluntary and private kind, and where the acts done are not exclusively for Government objects or of the state, and of a nature for which public provision is made.

And we order that a Table of these Fees be placed up in some conspicuous part of the Registry.

In testimony whereof we have affixed our hand and Seal dated this Thirty-first day of May, in the Year of Our Lord One thousand Eight hundred and Forty-two, and in the Eleventh Year of Our Consecration.

Rules for Chaplains and Assistant Chaplains.

FORT ST. GEORGE, June 2, 1840.

The following Rules for the guidance of Chaplains and Assistant Chaplains, revised under instructions from the Honorable Court of Directors, are published for general information, in modification of the Order of Government dated 30th July 1839.

1. Every Chaplain and Assistant Chaplain, on his arrival at the Presidency from England or elsewhere, shall report the same to the Secretary to Government in the General Department, as well as to the Chief Ecclesiastical authority in the Diocese.

2. Every Chaplain and Assistant Chaplain must report his arrival at his Station to the Chief Ecclesiastical authority in the Diocese, to the Civil Auditor, and to the Chief Civil or Military authority of the Station.*

3. Funerals are to be appointed at sunrise and sunset, and the Clergyman is to attend at the latter time if he receives notice of a funeral before 3 o'clock P. M., but if the notice arrives after that hour, the interment is to take place on the morning following: cases however may occur which may require a deviation from the general rule;†

4. Commanding Officers, in concurrence with the Chaplain, will fix the time for officiating at divine service on Sunday with the Soldiers.

5. Attested copies of the Registers of Baptisms, Marriages and Funerals, must be transmitted regularly every 3 months to the Registrar of the Archdeaconry, viz. on the 31st March, 30th June, 30th September, and 31st December.‡

6. All Marriage Certificates of Europeans, being Soldiers, or persons employed in the Military Department, under the rank of Commissioned Officer, shall specify distinctly the birth of the female, whether European, Indo British, Native, &c.

7. The Chaplain is to enter carefully all the Marriages, Baptisms, and Burials of Soldiers and their Children in the Regimental Register Book of the respective European Corps, as well as in the usual Register kept by the Station Chaplain.§

8. The Chaplain of every Station, where any of Her Majesty's Regiments are stationed, must forward to the Registrar of the Archdeaconry, for transmission to the Chaplain General's Office, half yearly, and for any broken period that may occur previous to his leaving the Station in which he is employed, a copy, duly signed by himself and by the Officer in Command of the Station, of the Regimental Registers of Marriages and Baptisms now kept in conformity with the general Regulations on this subject.

9. The Chaplain at a Military Station is to visit regularly, at least twice in each week, the European Hospital or Hospitals. He is carefully to superintend and inspect the European Regimental and other Schools, visiting them for this purpose not less than once a week, and to represent any matter concerning their management to the Commanding Officer, which may require his notice. Provided, however, that in the performance of the above duties he shall not interfere with the religious persuasion of those who do not profess the tenets of the Church of England. He is to report to the Commanding Officer on the 1st of January and the 1st of July in each year, and oftener if necessary, the state of the Euro-

* This rule is made applicable to a Chaplain's departure to, or return from, out stations of his district.

† Notification. Fort St. George, August 31, 1832.

‡ In consequence of frequent losses in the Registers of funerals, served upon the Clergy, which may seriously affect the Registration, all notices not signed by a Military Officer, should heretofore be signed by a Member of the Family from whose house the funeral may proceed, as well as by the Undertaker. In all cases where the funeral notice does not bear such required countersignatures, the Officiating Chaplain will be responsible for obtaining them and all necessary information, if possible, before visiting the Burial Ground.

§ Notices of funerals proceeding from the General Hospital at Madras should invariably be signed by the Surgeon in charge; and at out-station stations notices for the interment of persons, not belonging to any Corps or Detachment at the place, by the Post Adjutant or other Staff Officer.

By order of the Right Honorable the Governor in Council.
A. C. MONTGOMERY, Chief Secretary.

† Dates altered (under authority) subsequently to the promulgation of these Rules—Consult.

‡ Chaplains are held responsible for the safety of the Register Books of their respective Churches and Stations. See Court Notification, dated Sept. 27, 1833.—Consult.

pean Regimental Schools, the qualifications and conduct of the Master, and the proficiency of the Scholars.

10. All communications from the Clergy are to be addressed to Government through the Lord Bishop, in order that he may make such remarks thereon as his Lordship may think proper; when the Diocese shall be vacant, communications are to be addressed through the Archdeacon, or other Chief Ecclesiastical authority. All applications for change of station must be made direct to the Right Honorable the Governor, or his Private Secretary, and to the Lord Bishop or Chief Ecclesiastical authority in the Diocese.

11. A Chaplain directed to visit the Out-Stations of his District periodically, is permitted to draw a travelling allowance at the rate of 200 Rupees per mensem, calculated at the rate of one day's allowance for every 10 miles, allowing for a halt on the 7th day; provided however that the allowance drawn on this account shall in no case exceed 200 Rupees per mensem. The documents required in support of the travelling expenses of Chaplains will be—1st, the order or authority of the Lord Bishop for proceeding on such journey; and 2dly, their own declaration on honor that the journey so authorized has been performed.*

12. Any Chaplain leaving his Station, whether with or without the orders of Government, shall be bound to report the circumstance to the Civil Auditor.

13. Any Chaplain who may be removed from one station to another, shall in like manner report to the Civil Auditor the dates of his departure from the one and of his arrival at the other, and the Civil Auditor is restricted from passing the bill of any Chaplain appointed to a new station, for the allowance belonging to such Station (without the special orders of Government), until he shall have received a report of his arrival at the place of his appointment.

14. Any Chaplain returning to the Presidency after a sea voyage for the recovery of his health, or otherwise, shall (unless the contrary is specially sanctioned by Government) be required to rejoin his station within the time that may be prescribed for travelling to the Station to which he stands appointed.

15. When a Chaplain proposes to quit his principal Station, for the occasion of visiting any of his appointed smaller Stations, or when he intends to apply for temporary leave of absence, he must give timely notice to the Chief Civil and Military resident authorities, (and state in his application for leave that such has been done), in order that if there be any cogent reasons against the absence of the Chaplain, they may be submitted to the Governor in Council.

In reference to the foregoing revised Rules for the guidance of Chaplains and Assistant Chaplains, the Right Honorable the Governor in Council directs the republication of the following Rules for regulating the absence and travelling allowances to Chaplains and Assistant Chaplains, which forms Chapter VI of the General Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation allowances, promulgated on the 21st Feb. 1840.

"RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS."

Published by order of the Right Honorable the Governor in Council.

ROBERT CLERK, Secy. to Govt.

FORT ST. GEORGE, 20th September 1842.

No. 172 of 1842.—The Right Honorable the Governor in Council has been pleased, in the Ecclesiastical Department, under date the 13th instant, to direct that the following Rule for the guidance of Chaplains be re-established under this Presidency.

"The practice of baptizing in private houses is to be avoided by the Chaplain as much as possible, and the Clergyman is to attend at the place appointed for divine service on some fixed day and hour in each week, for the purpose of baptizing Soldiers' children; however, this is not to be considered as author-

* Rule modified; see Extracts from Court's Despatch of the 12th April 1842, page 254, and Plan for visiting out stations, page 235. The allowance is now 9 annas for each mile of distance travelled over, and the Bishop's order is not necessary.—CONSULE.

† Subsequent orders require that the Chaplain shall also report his return from these visits to the Chief resident authority at his station.—CONSULE.

ing the Clergyman to decline attending at any time or place to administer private baptism to such infants as may be in a weak, or precarious state of health."

S. W. STEEL, Lt. Col. Secy. to Govt.

FORT ST. GEORGE, 1st April 1851.

No. 63 of 1851.—The Right Honorable the Governor in Council directs the publication in General Orders of the following rule, established in the Ecclesiastical Department in 1845, for the performance of Divine Service at Military Stations during the absence of the Chaplain.

"The Reverend Chaplain at a Military Station is to nominate an Officer to read Prayers and a sermon (selected by the Chaplain) for the approval of the Commanding Officer, when the services of a Clergyman of the Church of England cannot be obtained."

C. A. BROWNE, Lt. Col., Secy. to Govt.

Chaplains' Visits to Out-Stations.

Extract from Court's Despatch, 12th April 1842.

"In Section 27 of the Regulations respecting leave of absence and deputation and travelling allowances which we have recently approved, you will find a rule on the subject of travelling allowances on joining a Station, and when any change takes place except at the desire of the Chaplain or Assistant Chaplain.

3. But to avoid inconvenience and guard against the possibility of misunderstanding, we think it desirable that for every circle of stations the Lord Bishop should be requested to frame a plan determining the periods at which each place shall be visited by the Chaplain or Assistant Chaplain officiating in such circle, which plan being approved by Government shall continue in force till varied by the same authority. As minute local information will be necessary to the successful formation of such plan, we can only offer a few suggestions on the subject. The frequency of ecclesiastical visits should be governed in a great degree by the extent of the Christian population of the place to be visited. A place may contain not more than 3 or 4 members of the English Church, and though it might not be right to exclude these few persons from the benefit of Christian ordinances, it is obvious that in the present state of our Ecclesiastical Establishment such a place could not be visited frequently without injury to others of greater importance. An annual visit might in some cases be all that could reasonably be afforded; while to others, visits twice, three or four times a year might be expedient; and to others again, which might be more populous, it might be desirable that visits should be made once in six weeks, or once a month.

4. When a circle of Stations may from the deficiency of our Establishment, or any other cause, be left without a resident Clergyman, we are of opinion that the Chaplain or Assistant Chaplain of a neighbouring district should, as desired by the Lord Bishop, be appointed to visit the station thus deprived of clerical services. In such cases the most convenient course will be for the Lord Bishop to bring the subject to the notice of Government, and submit a plan of visitation. Such plan being approved, the Chaplain or Assistant Chaplain who can most conveniently discharge the required duty should be specially appointed thereto, and then forward be entitled to draw travelling allowances in conformity with the provisions of the plan, and in accordance with our Financial Despatch of the 30th October 1839.

5. We should lament that the practice of visiting stations at which no Clergyman is permanently resident should be discontinued, and it would be unjust to subject the Clergy to the expense attendant on such visits. Under these impressions we deem it proper to sanction the payment of such reasonable charges not exceeding those authorized in our Despatch of the 30th October 1839, before referred to; and we are encouraged in this view by the fact that although Chaplains and Assistant Chaplains when absent from their duty are subject to the same deductions as Civil Servants, no charge is incurred in providing for the duty of the absentee. The deductions may thus be regarded as a fund, meeting to a certain extent the extra charges incurred by occasional or provisional visits of the Clergy to Stations which they do not reside."

Published by order of the Right Honorable the Governor in Council.

H. C. MONTGOMERY,

Chief Secretary.

Rank, Furlough, and Retiring Allowances of Chaplains.

APPOINTED PRIOR TO AUGUST 31, 1836.

Extracts from an Ecclesiastical General Letter to the Supreme Government, dated the 22d November, 1825.

Para. 2d. We have lately directed our attention to the Regulations under which Chaplains are permitted to retire from the service, and from an anxious desire to promote the respectability and comfort of that class of our Servants, we have resolved that the retiring pay of Chaplains after a service of eighteen years, including three years Furlough, be augmented from £292 per annum, the pay of Major, to £365 per annum, the pay of Lieutenant Colonel, and that in cases of bad health, certified in conformity with existing Regulations, Chaplains shall be allowed to retire after ten years' actual service upon £200, 15, 0, the half pay of Lieutenant Colonel, instead of £173, 7, 6, the half pay of Major; and upon the production of similar certificates after seven years' actual service upon £173, 7, 6, the half pay of Major, instead of £127, 15, 0, the half pay of Captain.

3d. We have further to acquaint you that we have determined to abolish the designation of Junior Chaplains; and we desire that the Chaplains be hereafter distinguished only by the title applicable to the Stations at which they are placed—such as Chaplains at the Presidency and District Chaplains.

Rank, Furlough, and Retiring Allowances of Chaplains.

APPOINTED SUBSEQUENTLY TO AUGUST 31, 1836.

Extracts from a Letter from the Honorable the Court of Directors.

ECCLESIASTICAL DEPARTMENT, August 31, 1836.

Para. 1. Our attention has been drawn by the Government of India, on the suggestion of the Lord Bishop of Calcutta, to the necessity of increasing the number of Chaplains, for the purpose of extending the benefit of religious offices more widely than the present Establishment will admit.

2. While we were fully sensible of the importance of the desired object, and very anxious to promote its success, we felt that we should not be justified in making such an addition to the amount of Ecclesiastical charges, as would result from the appointment of an increased number of Chaplains upon the existing scale of remuneration. We determine therefore to make such new arrangements with regard to the Chaplains on the Bengal Establishment, as should enable us to add to their number, and thus provide more adequately for the spiritual benefit of the European residents, without any serious increase of expense. We have resolved to extend the principle of these arrangements to your Presidency, with the view of accomplishing the same beneficial purpose.

3. We intend that the number of Chaplains under your Government shall be increased from 23 to 29. The salaries are to be apportioned as follows;—the two Chaplains at the Presidency will receive the same amount as at present; nine will receive Company's Rupees 700 per mensem, and the remaining 18 Company's Rupees 500 per mensem. These salaries will constitute their entire emoluments from the Company. The payments heretofore made under the name of palanquin money will cease, and we shall on no account sanction any extra allowances, whatever may be the grounds upon which they may be claimed.

4. The Chaplains receiving the lower amount of 500 Rupees per mensem will be termed Assistant Chaplains, and in future all appointments will be made to this Class. The Assistant Chaplains will succeed to the higher rank, and the higher rate of salary, according to seniority, as vacancies occur in the superior class, after it shall have been reduced by casualties to the prescribed number of nine.

5. As vacancies arise they will be supplied in the following manner; on the occurrence of the first vacancy two Assistant Chaplains will be appointed, on the second only one, and on all succeeding vacancies, the same principle will be

PURSEWALKUM GENERAL CEMETERY RULES.

FORT ST. GEORGE, 15th November 1853.

The following Rules for the management of the Burial Ground for the interment of the dead of all Christian denominations, not members of the Church of England, are published for general information.

I. That the Burial ground be designated the "Pursewalkum General Cemetery;" this designation being inscribed in large letters over the entrance; and that the right of interment belongs to all Christians not members of the Church of England.

II. That the management of the "Pursewalkum General Cemetery" be confided to a Committee, selected from the Ministers labouring in Madras, those at present being connected with the London Mission, American Mission, Wesleyan Mission, the General Assembly's Mission, the Free Church's Mission and the Baptist Mission, and such other Missionaries and other lay persons as may hereafter be deemed by Government entitled to take part in the management.

III. That the Committee keep the Burial ground in order, free from all rank vegetation; the trees and shrubs in it being neatly lopped from the fees realized, making over to Government annually any sums that may accrue after the payment of all expenses on this account, and rendering for the same period, an account or receipts and disbursements to the Military Board, for submission to Government, and for publication in the Official Gazette.

IV. That the Committee nominate their own Secretary and fill up vacancies, both being subject to the approval of the Military Board under the authority of Government.

V. That all applications for permission to inter must be in writing to the Secretary to the Committee of management, with particulars of the name of the deceased, date and cause of death, age, late profession or employment.

VI. That applications for the interment of children shall, besides containing the name of the child, also contain the names of the parents, their profession, &c., and the Committee will register all Burials according to the established form, submitting the same quarterly to the Military Board.

VII. That the Committee to whom the management of the Burial ground is entrusted, be careful to have the graves so arranged, that there shall be no waste of space.

VIII. That the charge for monuments be as follows:

A first class monument, with ground not exceeding 10 feet by 6, Rupees 40 0 0
A second class monument with ground not exceeding 7 feet by 3½, " 25 0 0
A head stone monument, " 15 0 0

The charge to Native Christians wishing to erect a monument to be reduced to one half of the above amounts.

IX. The charge for monuments will be appropriated by the Committee, in liquidation of the expenses incurred in keeping the ground, walls, and gate, and the balance made over to Government, as proposed in Rule III.

X. Applications for the erection of monuments must, like those for interments, be made to the Secretary to the Committee, and all charges for monuments must in every case be paid for in advance.

Two of the Native Missionaries, in turn, preach every Lord's day in Tamil at 11 A. M. in Madras, and in the Triplicane Branch School House on the Mount Road; the European Missionaries, and they in turn, preach in English at 6½ P. M. in the Hall of the Free Church Mission Institution, Black Town. There is also a prayer meeting in the same place every Wednesday evening at 6½ P. M. The Rev. S. Ettirajooloo was sent up in May 1852 to Nellore to superintend the School and to begin a new Mission there. During the past year the average attendance on the three Native Ministers at Madras, Triplicane, and Nellore, where the preaching is in Telugoo—has been about twelve hundred, of whom one-third were adults.

In conformity with an Act of the General Assembly of the Free Church of Scotland, held at Glasgow on the 24th day of October 1843, the Missionaries at Madras were constituted a PRESBYTERY OF THE FREE PROTESTING CHURCH OF SCOTLAND, on the 13th March 1844. On the 26th day of November 1851, they ordained Rajahgopal, Venkataramiah and Ettirajooloo to the full powers of the Christian Ministry, and set them apart to act as Ordained Missionaries in connexion with the Madras Free Church Presbytery.
