RULES FOR THE CUSTODY, DISTRIBUTION, AND SALE OF POSTAGE STAMP LABELS.

Approved by the Government of India in Financial Department letter No. 801, *dated 8th June* 1876.

(N. B.—These Rules apply both to Service Stamps and to Ordinary Stamps with the exceptions noted in Rules V and VIII.)

Supplies from Central Depôts.

I.—Supplies of postage stamps for the Madras Presidency, including Mysore and the local depôts subordinate to Madras, shall be supplied by the Superintendent of Stamps at Madras on the indent of officers in charge of local depôts.

II.—Supplies of postage stamps for the Presidency of Bombay, including Sind, Berar, the Central Provinces, and local depôts subordinate to Bombay, shall be supplied by the Superintendent of Stamps at Bombay on the indent of officers in charge of local depôts.

III.—Stamps for the Bengal Presidency, including the North-Western Provinces, Oudh, the Punjab, Central India, Rajpootana, Assam, and British Burmah, and local depôts subordinate to Calcutta, shall be supplied by the Superintendent of Stamps at Calcutta on the indent of officers in charge of local depôts.

IV.—The above-mentioned supplies from central to local depôts shall be issued on credit.

Local depôts.

V.—Every treasury throughout India, including those attached to political, customs, and salt agencies, shall be a local depôt for the sale of postage stamps, provided that the value of the stamps sold at one time to any purchaser shall not be less than Rs. 5, and shall not include any fraction of a rupee. At any station at which there is a collector of land revenue, neither a salt agent nor collector of customs shall be entrusted with the custody and sale of postage stamps. All sales under this rule will be for cash on delivery; and when the purchaser is one of those who are required to retail stamps under Rule VIII, or is one specially authorized under Rule IX, a discount of one half-anna per rupee will be allowed. But to purchasers other than the above, no discount will be allowed, and officers in charge of local depôts must see that discount is not allowed except to the privileged officers above referred to. The sale of embossed envelopes shall be subject to the same conditions, except that they shall be sold in packets containing sixteen envelopes each, portions of a packet not being saleable. The price of each packet shall be the value of the stamps borne by the envelopes contained in it, the discount (if any) being calculated on that value.

The above rule is only partially applicable to "Service Stamps," which may be sold *only to Government officials on a written application, accompanied by payment of the value in cash*, and on which *no discount is allowed.* A receipt containing in detail the gross value of each description of Service Postage Stamps sold will be granted by the treasury officer for the amount paid to him.

VI.—A supply equal to the probable consumption for five months of the district attached to each local depôt shall be kept in each, and as soon as the number in store has fallen below the number expended during the preceding six months, the collector, or other officer in charge of the depot, shall indent* on the central depôt of his Presidency for a number equal to the consumption of the last three months for which accounts have been rendered to the central depôt of the Presidency. If by any accident the stock of stamps of any value should run short before the receipt of a fresh supply from the central depôt, the officer in charge of the treasury will indent on neighbouring districts for a quantity sufficient to meet the demand, which may be supplied or not, according to the discretion, and on the responsibility of the officer indented on, with reference to the wants of his own district. It will be the duty of the Superintendent of Stamps of the Presidency to report to the Director General of the Post Office, for the orders of Government, every occasion on which it may appear, from the monthly statement or otherwise, that the store of stamps of any particular value in any district has fallen below the authorized amount.

* Form 1.

Branch depôts.

VII.—Every branch treasury and every tehsil treasury shall be a branch depôt for the sale of postage stamps under the conditions described in Rule V. It will receive its stamps from the local depôt to which it is subordinate, keeping always in store a supply sufficient to meet the probable demands of one month, estimated according to the average of former sales. It will keep an account of sales in the same form (3) hereafter prescribed for the treasurer's account, and will indent for supplies in the same form (4) as hereafter prescribed for the treasurer's indent. It will render an account monthly to the local depôt in Form 6A immediately on the expiration of the month.

Retail sale of Stamps.

VIII.—A supply of stamps *for sale by retail* shall be kept available at every post office, receiving house, tehsildaree, thana and every police station at which letters are received for despatch, and with every licensed stamp-vendor; and it shall be the duty of the officer, to whom the person in charge of any of the above-named places is subordinate, to take steps to ensure that the supply kept on hand is at all times equal to at least one week's demand. Persons in charge of the above-mentioned places will receive discount on purchases under Rule V.

This rule does not apply to "Service Stamps."

By the term "licensed vendor," as used above, is meant a stamp-vendor licensed under rules framed by the local Government in accordance with Section 48 of the General Stamp Act (XVIII of 1869).

Authorization of certain retail vendors other than the above.

IX.—A district officer may authorize the grant of discount at half-anna per rupee on purchases under Rule V to any person who is a *bonâ fide* retail vendor of postage stamps, although he may not be one of those required to retail them under the above rule. Such authority shall be given in writing, and must be produced by the person authorized when claiming discount on purchases: the authority will hold good for only 12 months from the date on which it is given, and may be revoked at any time at the discretion of the district officer. No such authority may be given to any person employed in a Government Treasury. A register showing the name, residence, and occupation of every person so authorized, and the date of the authority, shall be kept by the district officer.

Custody of Stamps in Local Depôts.

X.—The bulk of postage stamps in store at any local depôt shall be kept in parcels, containing a known number of sheets, in the treasury or other

secure place, in one or more strong chests or presses, under double locks,—the key of one lock of each chest or press always remaining in the hands of the collector or other officer in charge of the stamps, and the key of the other in the hands of the treasurer.

XI.—The remainder of the stamps in store shall be in the hands of the treasurer, and shall not exceed the probable demand of fourteen days, estimated according to the average of former sales.

XII.—The treasurer shall keep a daily account of receipts and sales* in the vernacular of the district, in which the transactions of each succeeding day shall be entered consecutively, a balance being struck at the close of each day, and attested by the initials of the officer in charge of the treasury.

* Form 3.

XIII.—On the first open day of each month, and on every Monday during the month, the treasurer shall prepare in the vernacular, and submit to the officer in charge of the postage stamps, an indent* for a supply of postage stamps for the following week. The indent, after being approved or altered by the officer in charge of the postage stamps, shall be signed by him, and complied with as directed in the following rule. The indent thus signed shall be the warrant for the issue of the stamps.

* Form 4.

XIV.—The officer in charge of the postage stamps shall cause the store under double locks to be opened, and the required number to be counted and delivered to the treasurer in his presence. A store-book* shall be kept in English, in which the number and value of the stamps delivered to the treasurer shall be entered, and a balance struck at the time of delivery. This balance will be attested by the initials of the officer in charge and of the treasurer, both of whom shall invariably be present during the whole time that the store under double locks, or any part of it, remains open. The deliveries shown in the store-book will agree with the indent as approved.

* Form 5.

XV.—If the treasurer require stamps at any intermediate time, the same process will be observed as is prescribed in the two preceding rules.

XVI.—Stamps will be supplied from the store under double locks only to the treasurer and to branch depôts, and on indent from them, respectively. Sales should be made not out of store, but from the supply in the hands of the treasurer or the supply in branch depôts.

XVII.—As soon as possible after the arrival of a despatch of postage stamps from a central depôt, or from any other local depôt, the packets or boxes are to be opened, one at a time, in the presence of the officer in charge of stamps. The stamps contained in each box or packet are then to be immediately counted and compared with the invoice,* which, after being receipted, will be returned by the first post to the depôt whence they were despatched. Unless the officer in charge of the stamps can certify that the stamps contained in any given packet or box were immediately counted by himself personally, or in his presence, he will be held responsible for the value of any that may be found deficient. The stamps are then to be placed in the store under double locks and entered in the store-books, and no stamps are to be delivered to the treasurer or sold to any party without being first brought into store.

* Form 2.

XVIII.—Officers in charge of stamps will have the stamps in store, both those under double locks and those in the hands of the treasurer, counted in their presence on the last open day of September and March in each official year, and will certify having done so in the following terms at the foot of the monthly accounts of sales and stock* for those months furnished to the Superintendent of Stamps :—

* Form 6.

"*I do hereby certify that I have personally counted the postage stamps in store on* 18 , *the actual value of which is Rupees* (here enter the amount in words and figures) ; *and that the rules prescribed by the order of the Government of India, dated are duly observed.*"

XIX.—On occasions of transfer of charge, postage stamps will be made over in the same manner and under the same precautions as the cash balance in the treasury.

XX.—The officer in charge of each local depôt will submit, within the first week of each month, an account* to the Superintendent of Stamps of his presidency, showing the balance in hand at the sudder and branch treasuries at the close of the preceding month, and the sales effected during that month.

* Form 6.

Returns to be made by Central Depôt.

XXI.—The Superintendent of Stamps of each Presidency will, on the 15th of each month, in addition to any account required by the Accountant General, furnish the Director General of the Post Office with a memorandum* showing the number of stamps distributed by him during the preceding month ; and at the close of each month he will also furnish another memorandum† showing the number and value of stamps in hand, and the total sales of each local depôt and of all the local depôts supplied by him.

Notifications by High Court, Comptroller General, &c.

HIGH COURT—Original Side.

The 10th day of August 1876.

The following Rules passed by the High Court of Judicature at Fort William in Bengal are published for general information.

By Order,

E. BELCHAMBERS,
Registrar.

The following rules, made pursuant to Section 148 *of the "High Court's Criminal Procedure Act,* 1875," *are to come into effect as the rules of the High Court of Judicature at Fort William in Bengal from the first day of October* 1876 :—

1. Every application to the Court to admit a prisoner to bail shall [unless otherwise ordered] be supported by affidavit, or affirmation, stating when, by whom, and under what circumstances, the prisoner was committed to custody, and where he is detained in custody. If the Court shall think fit to order that the prisoner be admitted to bail, the order shall be drawn up with a direction that a warrant be issued to bring up the prisoner before the Court for the purpose of being bailed.

2. When a person shall be in custody in any case ordered to be transferred to this Court from any Criminal Court situate within the local limits of its Ordinary Original Criminal Jurisdiction, the order for the transfer of the case shall be drawn up with a direction that a warrant be issued to bring up the person so in custody to be dealt with according to law. In every other case not otherwise provided for, in which it may be necessary that a prisoner should be brought up before the Court to be dealt with according to law, an application must be made to the Court, supported [unless otherwise ordered] by affidavit, or affirmation, stating when, by whom, and under what circumstances, the prisoner was committed to custody, and where he is detained in custody.

3. Every application to bring up before the Court a person alleged to be illegally or improperly detained in custody, shall be supported by affidavit, or affirmation, stating where and by whom the person is detained in custody, and [so far as they are known] the facts relating to such detention, with the object of satisfying the Court that there is probable ground for supposing that such person is detained in custody against his will and without just cause.

4. Every application to bring up a prisoner before the Court to be examined as a witness shall be supported by affidavit, or affirmation, stating where the prisoner is detained in custody, and for what purpose his evidence is required.

5. When a prisoner, detained in custody within the local limits of the Ordinary Original Criminal Jurisdiction of this Court, shall be required to be brought before a Court Martial, or any Commissioners acting under the authority of any commission from the Governor General in Council, for trial, or to be examined as a witness, the presiding officer of such Court Martial, or the presiding officer acting under such commission, shall send an application to this Court in writing. The application shall be in the form of a letter addressed to the Registrar of this Court, in its Original Jurisdiction, stating the purpose for which the said Court Martial has been assembled, or the authority under which the said Commissioners are acting, and also stating where the prisoner is detained in custody, and when, where, and for what purpose, he is required to be produced. It shall be the duty of the Registrar to submit the letter, as soon as possible after the receipt thereof, to, and to obtain the order thereon of, the Judge of this Court exercising Ordinary Original Jurisdiction.

6. Every application to remove a prisoner from one custody to another, for the purpose of trial, shall be on notice to the prisoner, and shall [unless otherwise ordered] be supported by affidavit, or affirmation, stating where the prisoner is detained in custody, to what other custody it is proposed

to remove him, and the reason for such change of custody.

7. The Sheriff shall, as soon as possible after the arrest of any person under a warrant of arrest issued under the High Court's Criminal Procedure Act, bring up the body of such person before the Court to be dealt with according to law. If the Sheriff shall fail to comply with this direction, or if, after he shall have complied therewith, it shall at any time be necessary that the prisoner should be brought up before the Court, the application for that purpose shall be supported by the production of the Sheriff's return of *Cepi Corpus* to the warrant of arrest. The officer having the custody of the Sheriff's return shall cause the same to be produced before the Court on a requisition to him in writing.

8. When an application is made under Rules 1, 2, and 3, to bring up before the Court a person in custody under a warrant to detain such person, a copy of the warrant under which he is detained, obtained from and authenticated by the signature of the person in whose custody the applicant is, shall be produced to the Court; or it shall be shown by affidavit, or affirmation, that it has been asked for and denied.

9. The affidavit, or affirmation, required by Rules 1, 2, 3 and 8, shall be made by the person alleged to be in custody, unless it be shown that by reason of restraint, or coercion, or other sufficient cause, he is unable to make it, in which case it shall be made by some other person.

10. In any case in which the Court shall order a person in custody to be brought either before it, or before a Court Martial, or before Commissioners acting under the authority of a commission from the Governor General in Council, or, to be removed from one custody to another, a warrant in writing shall be prepared and signed by the Registrar, or the Clerk of the Crown, and countersigned by the Judge who made the order, and sealed with the seal of the Court.

11. Such warrant when issued under rule 5 shall be forwarded by the Registrar, or Clerk of the Crown, to the Officer in charge of the jail in which the prisoner is confined. In every other case, the warrant shall, unless otherwise ordered, be delivered to the attorney of the applicant, who shall cause it to be served personally upon the person to whom it is directed, or otherwise, as the Court shall direct.

12. The forms of warrant prescribed in the annexed schedule shall be followed with such variations as the circumstances of each case may require.

BENGAL CIVIL FUND.

At a Half-yearly General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall, Calcutta, on Wednesday, the 26th July 1876.

PRESENT:—E. F. Harrison, Esq.; The Hon'ble W. F. McDonell, V. C.; J. A. Crawford, Esq.; H. A. Cockerell, Esq.; The Hon'ble H. J. Reynolds, B.A.; The Hon'ble H. Bell, M.A.; H. Beverley, Esq., M.A.; J. O'Kinealy, Esq.; R. H. Wilson, Esq., B.A.; W. H. Grimley, Esq., B.A.; W. M. Souttar, Esq., M.A.; and T. D. Beighton, Esq.

J. A. Crawford, Esq., in the chair.

Read the following Report submitted by the Managers:—

REPORT.

1. The Managers submit their Proceedings for the past half-year for the consideration and sanction of the Meeting.

Subject to the approval of subscribers they have admitted to the benefits of the Fund the following families:—

Mrs. Stainforth	... £ 300	The widow of the late Mr. H. Stainforth (an annuitant of 1862) who died at Chota Nagpore on the 20th January last.
Mrs. Pollen Two daughters	... £ 300 ... „ 60	
	£ 360	
Less $\frac{1}{6}$ under Rule 7	... „ 60	The widow and two daughters of the late Mr. F. Pollen, who died at Boolundshuhur on the 11th February last.
	£ 300	
Mrs. Light or Lyte (formerly Sargent)	£ 400	The widow of the late Revd. W. M. Light, formerly an incumbent on the full allowance from the Fund as the widow of Mr. Henry Sargent, a subscriber, who died in 1834, re-admitted under the old Rules from the date of decease of her late husband, 2nd April 1875, to the allowance noted on the margin. This lady's original incumbency lasted from 24th April 1834 to the end of 1837. She was married to the Revd. W. M. Light on the 26th August 1837.
Less private income	... £ 306-18	
	£ 93-2	
Mrs. Falcon Six children	... £ 300 ... „ 380	The widow and six children (three daughters and three sons) of the late Mr. A. B. Falcon, who died at sea on the 5th May last, provisionally pending the receipt of the certificate of baptism of the widow and the certificates of the first and second marriage of Mr. Falcon.
	£ 680	
Less $\frac{1}{6}$ under Rule 7	... „ 113	
	£ 567	

Mr. Heeley having incurred the penalty specified under Article XXXVII (38) of the Rules by having neglected for more than a year to pay the necessary subscriptions from his furlough allowance, was reminded of the fact, and immediately on the receipt of the letter paid the subscription, and at the same time represented that severe illness had caused the unintentional omission. The Managers informed him that they had resolved to recommend his re-admission on the Fund to the General Meeting. They have since heard of Mr. Heeley's death and received an application for the admission of the widow and two children (one son and one daughter) to the benefits of the Fund. A General Meeting is alone competent to admit to the benefits of the Fund the family of Mr. Heeley, and as good and sufficient cause has been shown for the omission, and the arrears of subscription with interest have been paid up, they submit the case to the favourable consideration of this Meeting.

Mrs. Heeley Two children	... £ 300 ... „ 140	
	£ 440	

2. The votes of subscribers have affirmed the resolution passed at the Meeting of 26th January last, *viz.*, "that Mrs. Morris, formerly Mrs. Drew, be allowed on special grounds to bequeath to her daughter £50 per annum without entailing a reduction in the pension allowed from the Fund." The votes in favour were 138 and 1 against.

3. Under the special circumstances now affecting the Fund, the Managers on departure of Mr. Verner on leave appointed Mr. J. O'Kinealy to officiate as Secretary for three months or such time as might be required to prepare the circular explaining the position of the Fund with respect to the Government. They have since nominated Mr. C. P. L. Macaulay as Secretary. He will assume the duties of the office on Mr. O'Kinealy's work being completed.

4. The following resolution was passed at the last General Meeting of subscribers:—"that the Managers be desired to prepare and circulate in a popular form a complete note explaining the facts of the case under discussion and showing how far the Managers differ from the opinions expressed by the Government of India in the despatch of the 28th October last." The statement of the case has been prepared by Mr. O'Kinealy, and the Managers hope very shortly to call a special General Meeting to consider the plan of action to be adopted.

Proposed by *Mr. W. H. Grimley*, seconded by *Mr. R. H. Wilson*, and carried "that the proceedings of the Managers, in admitting to the benefits of the Fund the families of the late Messrs. H. Stainforth, F. Pollen, W. M. Light, and A. B. Falcon, be confirmed."

Proposed by *Mr. T. D. Beighton*, seconded by *Mr. W. H. Grimley*, and carried "that the interest of the late Mr. W. L. Heeley to the contingent benefits of the Fund be restored, and that as good and sufficient cause has been shown for the unintentional omission of contributions, and that the arrears of subscription with interest has been paid up, his family be admitted to the benefits of the Fund."

Proposed by *Mr. H. A. Cockerell*, seconded by *Mr. W. H. Grimley*, and carried "that Mr. A. Money be elected a Manager in the place of Hon'ble W. F. McDonell, who leaves Calcutta."

A vote of thanks was passed to the Chairman.

When an arrear of land-revenue has become due in respect of any pattí or mahál, and the Deputy Commissioner of the district is of opinion that the other processes hereinbefore provided are not sufficient for the recovery of such arrear, he may, in addition to, or [illegible] of all or any such other processes, and subject to the provisions next hereinafter contained, and with the previous sanction of the Chief Commissioner, sell by auction the pattí or mahál in respect of which such arrear is due:

Provided that no pattí or mahál shall be sold—

(*a*) for any arrears of land-revenue which may have become due in respect thereof while it was under the management of the Court of Wards, or held under the provisions of the Oudh Taluqdárs' Relief Act, or when the proprietor or under-proprietor thereof was, at the time the arrear accrued, a female deemed by the Chief Commissioner incompetent to manage her estate, a minor, an idiot, or a lunatic;

The Chief Commissioner may, notwithstanding anything contained in section 133, at any time before a sale of land for arrears of revenue has been actually made, direct it to be made subject to such of the interests in or rights to such land created by the proprietor in possession thereof, or any person through whom he claims, as the Chief Commissioner thinks fit.

Power to cancel restricted sale and re-sell under section 134.

When the proceeds of a sale so made are not equal to the arrears due at the time of sale, the Chief Commissioner may, at any time before the Commissioner of the Division has confirmed the sale, direct it to be cancelled and a new sale of the land to be made under section 133.

Power to proceed against defaulter's other immoveable property.

135. If the arrear cannot be recovered by any of the above processes, and the defaulter is in possession of any other immoveable property, the Deputy Commissioner may proceed against such other property, as if it were the land on account of which the revenue is due under the provisions of this Act:

Provided that no interest save those of the defaulter alone, shall be so proceeded against, and no incumbrances created or contracts entered into by him in good faith shall be rendered invalid by such proceeding.

Procedure in effecting sale.

136. On the receipt of the sanction of the Chief Commissioner to the sale of any land, the Deputy Commissioner of the district shall issue a proclamation, in the vernacular language of the district, of the intended sale, specifying the time and place of sale,

The particulars of such leases, interests and rights shall be given in the proclamation.

Such proclamation shall be made at the headquarters of the tahsíl in which the land is situate, and also in the village of which it is a part.

138. A written notice of the intended sale and of the time and place thereof shall be affixed in the office of the Deputy Commissioner of the district, and where the Assistant Commissioner in charge of the sub-division in which the land is situate has a separate office, then also in such office, and a copy of such notice shall be served on the defaulter.

139. Every sale under this chapter shall be made either by the Deputy Commissioner of the district in person or by an Assistant Commissioner specially appointed by him in this behalf.

Time when sale may be made.

No such sale shall take place on a Sunday or other authorized holiday, or until after the expiration of at least thirty days from the date on which the said notice thereof has been affixed in the office of the Deputy Commissioner of the district, and proclamation of the sale has been made in the village in which the land is situate.

The Deputy Commissioner of the district may, from time to time, postpone the sale, reporting such postponement to the Commissioner of the division.

When sale may be stayed.

140. If the defaulter pay the arrear of revenue in respect of which the land is to be sold at any time before the day fixed for the sale, to the person appointed by Government under section 109, to receive payment of the revenue assessed on such land, or to the Deputy Commissioner of the district, or the Assistant Commissioner in charge of the sub-division of the district, the sale shall be stayed.

142. The full amount of purchase-money shall be paid by the purchaser before sunset of the fifteenth day from that on which the sale of the land took place, or, if the said fifteenth day be a Sunday or other authorized holiday, then on the first office day after such fifteenth day;

and in default of payment within such period, the deposit, after defraying thereout the expenses of the sale, shall be forfeited to Government, and the property shall be re-sold, and the defaulting purchaser shall forfeit all claim to the property, or to any part of the sum for which it may be subsequently sold.

147. After the expiration of the said thirty days, if no such application as is mentioned in section 145, has been made, or if such application has been made and rejected, the Commissioner of the Division shall make an order confirming the sale;

and if such application be made and allowed the Commissioner shall make an order setting aside the sale.

150. After a sale of land in respect of which an arrear of revenue is due has been confirmed in manner aforesaid, the Deputy Commissioner of the District shall, unless the purchase has been made subject to a right of some other person to possession, put the person declared to be the purchaser into possession of the land, and shall grant him a certificate, to the effect that he has purchased the land to which the certificate

refers, and such certificate shall be deemed to be a valid transfer of such land, but need not be stamped or registered as a conveyance.

If the land has been sold on account of an arrear of revenue due in respect thereof, the certificate shall also either state that the purchaser has purchased the land to which the certificate refers free of every incumbrance other than the leases mentioned in section 133, or shall specify the incumbrances subject to which the land has been sold.

154. The person named in the certificate of title as purchaser of any land shall be liable for all instalments of land-revenue becoming due in respect of such land subsequently to the date of the confirmation of the sale.

Pre-emption by co-sharers when land sold is a pattí of a mahál.

155. Where any land sold under section 132 is a pattí of a mahál, any recorded co-sharer, not being himself in arrear with regard to the revenue due in respect of such land, may, if the lot has been knocked down to a stranger, claim to take the said land at the sum last bid:

Provided that such claim be made on the day of sale, and before the officer conducting the sale has left the office for the day, and provided that the claimant fulfil all the other conditions of the sale.

158. Whenever a mahál or pattí is held in sub-settlement, or under a heritable, non-transferable lease, the rent payable under which has been fixed by the Settlement Officer or other competent authority, and the rent of such mahál or pattí falls into arrear, the proprietor, instead of suing the defaulter under Act No. XIX of 1868, may, within the period limited for such a suit, apply in writing to the Deputy Commissioner requesting him to realize such arrear.

The Deputy Commissioner shall, on receipt of such application, satisfy himself as to the existence of such arrear, and shall then, subject to such rules as may from time to time be made in this behalf by the Chief Commissioner, proceed to recover such arrear as if it was an arrear of revenue.

If in addition to or in lieu of the other remedies applicable to the recovery of arrears of revenue, the Deputy Commissioner thinks it necessary or expedient to annul the sub-settlement of any such mahál or pattí, he shall refer the case with his opinion thereon to the Chief Commissioner, and the Chief Commissioner may thereupon annul the existing sub-settlement of such mahál or pattí for such period (not exceeding fifteen years) as he thinks fit; and the new sub-settlement to be made on the expiration of such period shall be made in accordance with the provisions of section 40 and (so far as is practicable) with those of section 131.

PRE-EMPTION.

6. The right of pre-emption is a right of the persons hereinafter mentioned or referred to, to acquire, in the cases hereinafter specified, immoveable property in preference to all other persons.

Right of pre-emption.

7. Unless the existence of any custom or contract to the contrary is proved, such right shall, whether recorded in the settlement-record or not, be presumed—

Presumption as to its existence.

(*a*) to exist in all village-communities, however constituted, and whether proprietary or under-proprietary, and in the cases referred to in section forty of the Oudh Land-Revenue Act, 1876, and

3rdly, to any member of the village-community; and

4thly, if the property be an under-proprietary tenure, to the proprietor.

Where two or more persons are equally entitled to such right, the person to exercise the same shall be determined by lot.

10. When any person proposes to sell any property, or when he forecloses a mortgage upon any property in respect of which any persons have a right of pre-emption, he shall give notice to the persons concerned of the price at which he is willing to sell such property, or of the amount due in respect of such mortgage, as the case may be.

Presumption as to its existence.

And whereas the said Thákur of Bhaunagar is also the proprietor of divers villages, forming part of the said Territory, and hereinafter called the Káthiáwár villages:

And whereas the British Government have exercised certain powers of Government over the said territory, but such territory has never been treated as being British territory, nor as having been vested in the East India Company, nor in Her Majesty the Queen of Great Britain and Ireland and Empress of India, and the said Káthiáwár villages have consequently never been subject to the laws in force in the Presidency of Bombay:

And whereas in the year 1820 the British Government established a Political Agency for the said territory of Káthiáwár:

And whereas in the year 1857 the said Thákur was, by an order of the British Government, invested in respect of the same villages with certain powers of sovereignty limited by and subject to the rules laid down for the government and conduct of the said Káthiáwár Political Agency:

And whereas for divers reasons of State affecting the welfare of British India, the British Government became desirous of ceding to the Thákur of Bhaunagar the Scheduled villages, to be held by him on the same conditions as those on which he holds the Káthiáwár villages, and for that purpose certain agreements were made and certain notifications published which were intended to operate as a cession of the Scheduled villages:

And whereas on the twenty-ninth day of January 1866, the Governor of Bombay in Council published a notification declaring that, in accordance with the agreement last hereinbefore recited, the Scheduled villages were from and after the first day of February 1866, removed from the jurisdiction of the Revenue, Civil and Criminal Courts of the Bombay Presidency and transferred to the supervision of the said Political Agency in Káthiáwár on the same conditions as to jurisdiction as the said Káthiáwár villages:

And whereas the intention of the said agreements and notifications was that the villages comprised therein should be ceded to and vested in the Thákur of Bhaunagar, to be held by him on the terms on which he holds the Káthiáwár villages:

And whereas ever since the first day of February 1866, the Scheduled villages have been governed according to the intention of the said agreements, and acts of executive authority have been done, proceedings taken and decrees and sentences passed by the Thákur of Bhaunagar and his officers, and by the officers of the said Political Agency, and by the Courts of Justice appointed to exercise jurisdiction within the limits of the said Political Agency:

And whereas it now appears that such agreements and notifications were not worded so as to express their true intention, and that the Scheduled villages did not thereby cease to be British territory, or to be subject to the laws in force in the Presidency of Bombay:

And whereas by a notification, dated the fifth day of December 1876, after reciting to the effect above recited, and reciting that the Secretary of State for India, had on behalf of Her Majesty the Queen of Great Britain and Empress of India, given his sanction to the cession intended to be thereby effected, the Governor General in Council, with the sanction aforesaid, did thereby cede and grant to the said Thákur of Bhaunagar, his heirs and successors, the said Scheduled villages, to hold the same unto the said Thákur his heirs and successors, on the terms and subject to the rules on and subject to which he holds the said Káthiáwár villages: but it was thereby provided that, in case the said Thákur his heirs or successors should commit, any acts of misgovernment which, in the opinion of the Governor General in Council, rendered it inexpedient that the said Thákur his heirs and successors should continue to hold the said Scheduled villages, the Governor General in Council might resume the villages thereby ceded and reannex the same to Her Majesty's dominions:

And whereas it is expedient (so far as relates to any past or future proceedings in British India) to ratify the aforesaid acts, proceedings and sentences of the Thákur of Bhaunagar and the officers and Courts aforesaid, and to indemnify the said Thákur and officers against any liability in respect thereof, and to provide that no title to property shall be disturbed by any act, proceeding or sentence of any other authority; It is hereby enacted as follows:—

Short title.

1. This Act may be called "The Bhaunagar Act, 1876:"

Local extent.

It extends only to British India;

Commencement.

And it shall come into force at once.

Scheduled villages excluded from jurisdiction of Bombay Courts.

2. The said Scheduled villages shall be deemed to have been, on and after the said first day of February 1866, excluded from the jurisdiction of the Revenue, Civil and Criminal Courts of the Bombay Presidency.

Validation of acts done after 1st February 1866.

3. All acts of executive authority, proceedings, decrees and sentences which have been done, taken or passed subsequently to the first day of February 1866, and which would have been valid if the Scheduled villages had been ceded according to the intention of the said agreements and notification, shall be as valid and operative in British India as if such cession had actually been effected;

Bar of suits.

and no suit or other proceeding shall be maintained or continued against any person whatever on the ground that the Scheduled villages did not cease to be British territory on the first day of February 1866.

Saving of personal jurisdiction of Courts of British India.

4. Nothing in this Act shall affect any jurisdiction which any Court of Justice in British India may for the time being be entitled to exercise over persons resident or being beyond the limits of British India.
