3.16. *Loss or destruction of certificate of registration and certificate of fitness of a transport vehicle.*—(1) If at any time the certificate of registration and the certificate of fitness of a transport vehicle are lost or destroyed, the owner shall forthwith intimate the fact in writing to the Registering Authority by whom the certificate of registration was issued or by whom the registration mark was assigned under section 29 and shall apply in Form C.R.L.D. to the said authority for the issue of a duplicate certificate of registration and certificate of fitness.

(2) Upon the receipt of an application in Form C.R.L.D. together with a fee of (five) rupees the Authority may, after making such enquiries as appear necessary and obtaining particulars of the original certificate of fitness from the Inspector of Motor Vehicles by which it was issued or last renewed, issue a duplicate certificate of fitness in Form H clearly stamped "Duplicate" in red ink.

3.17. *Procedure when a lost certificate is subsequently found.*—(1) When a duplicate certificate of fitness or certificate of registration has been issued upon representation that the original has been lost and the original certificate of fitness or certificate of registration shall be delivered forthwith to the Registering Authority.

(2) Any other person finding a certificate of fitness or certificate of registration shall deliver it to the holder or to the nearest police station.

3.18. *Temporary receipt for certificate of registration or certificate of fitness taken into possession by a competent authority.*—(1) When the holder of a certificate of registration and a certificate of fitness of a transport vehicle has submitted them to a Registering Authority or other authority for any purpose under the Act or these Rules and neither the certificate of registration nor the certificate of fitness has been suspended or cancelled, the Registering Authority (or other authority) shall furnish him with a receipt for the certificate of registration in Form R. Tem and during such time as the receipt shall be specified to remain in force it may be produced in place of the certificate of registration or the certificate of fitness under sub-section (2) of section 86.

(2) Any authority granting a receipt under the preceding sub-rule may at his discretion extend the term thereof by order endorsed thereon.

(3) No fee shall be payable in respect of a receipt given under this rule.

3.19. *The fee for the issue of certificate of registration of a motor vehicle shall be*—

(a) In respect of a trailer not having more than two wheels and not weighing more than one ton unladen or a motor cycle—Twelve rupees.

(b) In respect of a light motor vehicle—Eighteen rupees.

(c) In respect of any other vehicle—Thirty-six rupees.

(d) In respect of a duplicate certificate of registration—Five rupees.

(2) The fee for the registration of transfer of ownership of any vehicle under section 31 shall be two rupees.

Provided that no registration fee shall be payable for registering vehicles already registered under the law in force immediately before the commencement of the Act.

(3) There shall be no fee for the assignment of a new registration mark under section 29 for recording the change of address of an owner under section 30 or for recording an alteration to a motor vehicle under section 32.

3.20. Authority to suspend certificate of registration. Any magistrate of the first or second class or any police officer not below the rank of Police Inspector and Inspector of Motor Vehicles may suspend the registration of a motor vehicle under section 33.

3.21. (1) When in an application for the registration of a motor vehicle the parties, to an agreement of hire purchase declare, in the form of the note endorsed on Form E that the vehicle is the subject of such an agreement, the Registering Authority shall complete and affix his signature to the note appended to Form G but shall not be required to satisfy himself as to the title of the two parties in the vehicle nor shall the endorsed on Form G in any way affect the title of any party.

(2) If, upon termination of an agreement of hire purchase or otherwise, the registered owner and the other party desire that the note on Form G relating to such an agreement shall be cancelled they shall apply in Form H. P. Ter. to the Registering Authority by whom the vehicle was registered or by whom a new registration mark has been assigned to the vehicle under section 29, and the Registering Authority shall thereupon cancel the note endorsed on Form G.

(3) Nothing contained in this rule shall prevent the Registering Authority from recording a change of the address of the Registered owner on the certificate of registration as provided in section 30, nor shall the Registering Authority be required to inform the other party to an agreement of hire purchase of any intimation of change of address; but the Registering Authority shall not record any transfer of ownership of a motor vehicle under section 31, so long as the certificate of registration contains the note of an agreement of hire purchase, unless the other party to that agreement signifies his consent to such transfer by endorsement upon Form T.O.

(4) If the other party to an agreement of hire purchase satisfies the Registering Authority that he has taken possession of the vehicle owing to the default of the registered owner under the provisions of the agreement and that the registered owner has absconded or refuses to deliver the certificate of registration, the Registering Authority may, after giving the registered owner an opportunity of being heard and notwithstanding that the certificate of registration is not produced, cancel the certificate of registration and issue a duplicate certificate of registration and deliver the same to the other party.

(5) The owner shall be deemed to have been given an opportunity of being heard within the meaning of the preceding sub-rule if a notice has been sent to him by registered post to the address stated in the certificate of registration.

(6) If a note in respect of an agreement of hire purchase is to be endorsed on a certificate of registration, there shall be payable in addition to the registration fee a sum of ten rupees. No fee shall be payable in respect of the cancellation of the note under sub-rule (2). There shall be payable for recording transfer of ownership a further fee of rupees two when the transfer is of a vehicle which is the subject of a hire purchase agreement.

3.22. *Transfer of ownership.*—(1) Intimation of transfer of ownership of a motor vehicle under sub-section (1) of section 31 shall be made in Form T.O.

(2) Communication (of transfer to the original Registering Authority under sub-section (2) of section 31 shall be in Form CRTI.

3.23. *New registration mark.*—(1) Application for a new registration mark under section 29 shall be made in Form R.M.A.

(2) The Registering Authority assigning a new registration mark to a motor vehicle shall intimate the fact to the owner and the other party, if any, to an agreement of hire purchase specified in the note on the certificate of registration, and shall apply to the original Registering Authority for transfer of the records of the vehicle in Form R.M.I.

3.24. *Vehicles entering the Union Territory of Dada and Nagar Haveli, from outside.*—(1) When any motor vehicle which is not registered in the Union Territory of Dadra and Nagar Haveli has been kept therein for a period exceeding thirty days, the owner or the other person in charge of the vehicle shall send the intimation to the Registering Authority of the Union Territory of Dadra and Nagar Haveli in which the motor vehicle is at the time of making the report and shall intimate:

(a) his name and permanent address and his address for the time being;

(b) the registration mark of the vehicle;

(c) the mark and description of the vehicle; and

(d) in the case of a transport vehicle the name of the authority within the State by whom the permit has been issued or countersigned:

Provided that in the case of a transport vehicle covered by a permit having validity in the Union Territory of Dadra and Nagar Haveli it shall be necessary to make a report under this sub-rule upon the occasion of first entry only.

(2) Nothing in this rule shall apply to a motor vehicle which is exempted from registration under provisions of rule 3.26.

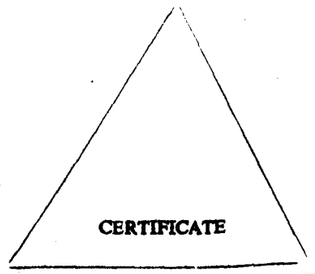
(3) Nothing in this rule shall apply to any vehicle registered under section 39.

3.25. *Hiring agreement.*—(1) When possession of a motor vehicle is transferred by the registered owner to another person under a hiring agreement, the registered owner shall forthwith intimate the fact and the full name and the address of the transferee to the Registering Authority of the area in which the said owner has his residence or place of business.

(2) Nothing in the preceding sub-rule shall make it necessary to give intimation of a hiring agreement when the vehicle is to be used thereunder as a stage carriage.

3.26. *Exemption of vehicles in the possession of manufacturers or dealers.*—(1) Section 22 shall not apply to a motor vehicle in the possession of a manufacturer or of a dealer in motor vehicle in the course of the business of the manufacturer or dealer so long as it is used under the authorisation of a trade certificate granted by the Registering Authority within whose area the manufacturer or dealer has his place of business.

(2) Application for the trade certificates shall be made in Form A C A and shall be accompanied by the prescribed fee.



(3) The fee for the trade certificate shall be one hundred rupees in respect of any number of certificates up to ten, and fifty rupees in respect of each additional number of five or less certificates. The fee shall be payable annually in advance.

(4) If the Registering Authority declines to issue a trade certificate or issues a less number of certificates than the number specified in the application, the fee or a proportion of the fee determined in accordance with sub-rule (3), as the case may be, shall be refunded to the applicant.

(5) Upon the receipt of an application for the trade certificates as aforesaid the Registering Authority shall if satisfied that the number of certificates applied for is reasonable in relation to the business of the applicant issue the certificates in Form TC accordingly and assign to the applicant a series of trade registration marks consisting of the three letters of the registration mark specified in the Second Schedule of these rules followed by not more than three figures and followed by one letter of the alphabet in respect of each certificate.

(6) The trade certificate shall be attached to the registration mark in a weatherproof holder, in the manner set out hereunder:—

NHM140

(7) Not more than one vehicle shall be used in a public place at any one time under any one trade certificate.

(8) No person to whom a trade certificate is granted shall cause or allow it to be used upon any motor vehicle other than motor cycle unless the holder of the certificate or a bonafide employee of the holder is present in the vehicle or for any purpose other than one of the purposes set out below:—

(a) For test during the course of or after completion of constructions or repairs.

(b) For proceeding or returning from a weigh bridge for and after weighment, or to and from any place of its registration.

(c) For reasonable trial by or for the benefit of a prospective purchaser and for proceeding to or returning from the place where such person intends to keep it.

(d) For proceeding for the purchase of delivery to or from the premises of the dealer and from such premises to the premises of a purchaser or of another dealer.

(e) For proceeding to or returning from a workshop with the object of fitting a body to the vehicle or of painting or of repairs.

(f) For proceeding to or from a railway station or wharf for or after being transported.

(g) For proceeding to or returning from an exhibition of motor vehicles or any place at which the vehicle is to be or has been offered for sale.

(9) (a) No vehicle carrying a trade registration mark and certificate shall be used as a transport vehicle under the authorisation of any permit or otherwise.

(b) The trade certificate granted in other States in the Indian Union shall be treated as valid in the Union Territory of Dadra and Nagar Haveli.

(10) (a) Every holder of a trade certificate shall keep a register in Form T C R and enter or cause to be entered in duplicate in such register full and true particulars of the purposes for which every vehicle leaves his premises under a trade certificate of the driver in charge, and of the period during which the vehicle was on the road under a trade certificate.

(b) The register shall be in the form of foil and counterfoil in a bound book the pages of which shall be numbered serially. The necessary particulars except in regard to the time of return shall be entered in it by the holder of the certificate or his agent before the commencement of each trip. The register shall be open to inspection on demand, by any police officer not below the rank of sub-Inspector or the Inspector of Motor Vehicles.

(c) The foil containing the entries made prior to the commencement of the trip shall be carried by the driver of the vehicle and the counterfoil shall be retained for a period of thirty days after the trip has been completed and shall be exhibited on demand by any police officer authorised to inspect the register.

(11) If at any time the Registering Authority is satisfied that the holder of a trade certificate has contravened any of the provisions of this rule he may, after giving the holder an opportunity of making any representation which he may wish to make suspend or cancel any or all the trade certificate held by him.

3.27. *Exemption of road plant.*—Nothing in Chapter III of the Act shall apply to road rollers, graders and other road making or road cleansing plants.

CHAPTER IV

CONTROL OF TRANSPORT VEHICLES

4.1. *Term of appointment of members of the State Transport Authority.*—(1) There shall be five members of State Transport Authority: there official and two non-official. Any official appointed to be a member of the State Transport Authority shall continue as such until such time as the Administrator may otherwise order. A non-official member of the State Transport Authority shall hold office for a period of two years and thereafter until a successor is appointed.

Provided that the Administrator may at any time remove any non-official members:

Provided further that when any non-official member dies or is removed or vacates office his successor shall hold his appointment for the remainder of the period of office of the member whose place he takes and thereafter until a successor is appointed.

(2) A non-official member of the State Transport Authority shall be entitled to travelling allowance and halting allowance for attendance at meetings, and for any journeys performed by him under the orders of the Chairman in connection with the business of the authority, at the rates admissible to officers of Grade I (drawing pay less than Rs. 1,000 per mensem) under the Central Government's travelling allowance Rules.

Provided that:—

(a) A non-official member, who has his residence at a place other than the headquarters of the Authority will draw halting allowance at full rate even for the day on which he may not have halted for full 24 hours at place at which the meeting of the Authority is held, and

(b) A non-official member, who has his place of residence at the headquarters of the Authority shall be entitled to draw, for each day of attendance at a meeting of the Authority, a fee equal to the halting allowance to which he would have been entitled if he had his residence elsewhere.

4.2. *Meetings of the State Transport Authorities.*—(1) The State Transport Authority shall meet at such times and at such places as the Chairman may appoint:

Provided that the Authority shall meet not less than once in each month unless the Administrator otherwise directs.

(2) Two members shall constitute a quorum at a meeting.

(3) The Chairman, if unable to attend a meeting, shall nominate a member to act as Chairman at the meeting.

If the Chairman himself does not appoint his nominee, the members present shall elect a member to act as Chairman at the meeting.

(4) The Chairman or the acting Chairman nominated under the preceding sub-rule shall have a second or casting vote.

4.3. *Conduct of business of Transport Authorities.*—(1) Subject to the provisions of the Act and these rules the State Transport Authority shall have power to make by-laws to regulate the conduct of its business and shall likewise have power to amend such by-laws, and the business of such Authority shall be conducted accordingly under the direction of the Chairman.

(2) The Secretary shall issue to each member of the State Transport Authority, a copy of the agenda ten days before the actual date of the meeting at which it is to be considered.

(3) Save in the case of the hearing of an objection to the grant of a stage carriage permit or of a public carrier permit and in the case of the hearing of a representation under sub-section (6) of section 57, the State Transport Authority, may decide any matter without holding a meeting by the majority of the votes of members recorded in writing and sent to the Secretary (hereinafter referred to as procedure by circulation).

(4) In the procedure by circulation, the Secretary shall send to each member such particulars of the matter as may be reasonably necessary in order to enable the member to arrive at a decision and shall specify the date by which the votes of members are to be received in the office of the Authority. Upon receipt of the votes of members as aforesaid, the Secretary shall lay the papers before the Chairman, who shall record the decision by endorsement on the form of application or other document, as the case may, according to the votes received and the vote or votes cast by the Chairman. The record of the votes cast shall be kept by the Secretary and shall not be available for inspection by any person save by a member at a regularly constituted meeting of the Authority. No decision shall be made upon procedure by circulation if before the date by which the votes of members are required to reach the office of the Authority, not less than one-third of the members of the Authority by notice in writing to the Secretary demand that the matter be referred to a meeting of the Authority.

(5) The number of votes excluding the Chairman's second or casting vote, necessary for a decision to be taken upon procedure by circulation shall not be less than the number necessary to constitute a quorum.

(6) The State Transport Authority, may summon any applicant for a permit to appear before it and may decline to grant the permit until the applicant has so appeared either in person or by an agent authorised by him in writing and until the applicant has furnished such information as may reasonably be required by the Authority in connection with the application.

(7) Nothing in this rule shall prevent the State Transport Authority from deciding upon the procedure by circulation any matter which has been considered at a meeting or has been the subject of a hearing and upon which a decision has been reserved.

(8) When a matter is decided by the votes of members present at a meeting, no person other than a member of the Authority shall be entitled to be present and no record of the voting shall be kept save of the number of votes cast on either side.

Provided that when any matter is decided by the exercise of the second or casting vote of the Chairman the fact shall be recorded.

(9) In case the non-official members of the State Transport Authority differ on any matter *en-block* from the official members, the matter shall be referred for decision to the Administrator.

4.4. All orders and directions issued by the Administrator under section 43-A, shall be published in the Official Gazette.

4.5. *Refusal to accept applications of permits.*—When a State Transport Authority has in the exercise of its powers under the Act imposed a limit upon the number of permits of any class which may be granted for a specified route or a specified area and has already granted such number of permit of that class, the Authority may decline to consider further applications for such permits in respect of any such route or area.

4.6. *Publication of application.*—(1) In pursuance of the provisions of sub-section (3) of section 57, upon receipt of an application for a stage carriage permit or a public carrier's permit the Secretary of the State Transport Authority shall post a copy of the application, together with the notice of the date before which representations may be submitted and of the date appointed for consideration, on a notice board outside the office of the Authority.

(2) It shall be a sufficient compliance with the provisions of sub-section (3) of section 57, if the particulars specified in that sub-section are published at the cost of the applicant in a newspaper of standing circulating in the region and are posted on a notice board outside the office of the Authority not less than fifteen days before the date appointed for the receipt of representations.

(3) If upon publication of particulars of an application in respect of stage carriage permit or of the public carrier's permit as aforesaid no representation is received in connection therewith within the specified period, the application may if the Chairman so directs, be submitted for the decision of the Authority, by procedure by circulation.

4.7. *Hearing of applications or objections.*—(1) When an application for any permit is considered at a meeting of the State Transport Authority and the applicant desires to be heard in support of his application or has been summoned to appear under the provision of sub-rule (6) of rule 4.3 the applicant may either appear and conduct his case in person or may be represented by any person authorised by him in writing in his behalf.

(2) Any person who has made a representation in connection with an application for a stage carriage permit or a public carrier's permit within the period specified in and in accordance with the provisions of section 57 and of these rules, may appear before the Authority upon the date appointed for consideration of the application either in person or be represented by any person authorised by him in writing in this behalf.

(3) Any person or authority who has made a representation under the provisions of section 50 may appear before the Authority upon the date appointed for hearing representation either in person or by a representative authorised by him or by it, as the case may be, in writing in this behalf.

(ii) unless it is satisfied that the terms of the permit applied for correspond to the actual use of the vehicle prior to the date of application under these rules;

(iii) if it is satisfied that any permit, licence or other document issued under any law for the time being in force and previously held by the applicant has been cancelled as a result of any offence or breach of condition;

(iv) if it appears to the State Transport Authority that in conjunction with any other permit applied for, the grant of a permit would afford the applicant an undue advantage over other providers of road transport or confer on him right to ply over an excessive number of roads or throughout an unreasonably large area.

(3) It shall be a condition of any notification under clause (1) of sub-rule 1 that any permit, licence or other document in force at the date of such notification shall cease to be of effect from the date of the grant or refusal of a new permit in lieu thereof, if the holder fails to make application by the date specified in accordance with clause (ii) of that sub-rule, then from that date.

4.27. (1) No application for the renewal of a permit shall be entertained unless it is made in writing to the State Transport Authority, by whom the permit was issued not less than two months in the case of a stage carriage permit or a public carrier's permit and not less than one month in other cases before the expiry of the permit. Every application for renewal shall be accompanied by Part A of the permit, and shall state the period for which the renewal is desired.

(2) The prescribed fee for entertaining an application for renewal of a permit under sub-section (3) of section 58 shall be five rupees.

(3) The State Transport Authority renewing a permit shall call upon the holder to produce Part A or Part B thereof, as the case may be, and shall endorse Parts A and B accordingly and shall return them to the holder.

4.28. *Renewal of countersignatures on permits.*—(1) Subject to the provisions of Rule 4.29 application for the renewal of countersignature on a permit shall be made in writing to the State Transport Authority concerned and within the appropriate periods prescribed in Rule 4.27 and shall, subject to provisions of sub-rule 2, be accompanied by Part A of the permit. The applicant shall set forth the period for which the renewal of the countersignature is required.

(2) If at the time of application for renewal of countersignature of a permit Part A of the permit is not available, being under renewal by the Authority by which it was issued, the application shall mention the fact and shall state the number and date of the permit, the name of the Authority by which it was granted, the date of its expiry and number and date of the countersignature to be renewed.

(3) The State Transport Authority granting the renewal of a countersignature shall call upon the holder to produce Part A of the permit, if it has not been produced, and Part B of or Parts B of the permit and shall endorse the Parts A and B accordingly and return them to the holder.

4.29. *Power of Authority renewing a permit to renew any countersignature thereon.*—(1) The Authority by which the permit is renewed may, unless any Authority by which the permit has been countersigned has by general or special order otherwise directed likewise renew any countersignature on the permit (by endorsement of the permit in the manner set forth in the appropriate Form) and shall in such case intimate the fact of the renewal to the Authority which first gave the countersignature.

(2) Unless Parts A and B of a permit have been endorsed as provided in sub-rule (1) or the period of validity of the countersignature has been extended by the Authority which first gave it, the countersignature shall cease to have effect on expiry of the period for which it was originally operative.

4.30. *Permit authorising the replacement of a vehicle.*—(1) If the holder of a permit relating to a particular vehicle desires at any time to replace the vehicle with another, he shall forward Part A of the permit and apply in writing to the Transport Authority by which the permit was issued stating the reasons why the replacement is desired and shall :—

(i) if the new vehicle is in his possession, forward the certificate of registration, or

(ii) if the new vehicle is not in his possession, state any material particulars in respect of which the new vehicle will differ from the old.

(2) Upon receipt of an application under sub-rule (1) the State Transport Authority may in its discretion reject the application :—

(i) If it has prior to the application given notice of its intention to reduce the number of transport vehicles of that class generally or in respect of the route or area to which the permit applies; or

(ii) if the new vehicle proposed differs in material respects from the old; or

(iii) if the holder of the permit has contravened the provisions thereof or has been deprived of possession of the old vehicle under the provisions of hire purchase agreement :

Provided that in considering applications for new permits within its area, the State Transport Authority shall, other things being equal, give preference to an applicant who has been deprived of the permit by the operation of clause (1) of this sub-rule.

(3) If the State Transport Authority grants an application for the replacement of a vehicle under this rule, it shall call upon the holder of the permit to produce Part B of the permit and the certificate of registration of the new vehicle if not previously delivered to it and shall correct Parts A and B of the permit accordingly under its seal and signature and return them to the holder.

(4) No fee shall be chargeable for the replacement of the vehicle under this rule.

4.31. *Permit for the replacement of a vehicle forming part of a service.*—(1) If the holder of a permit relating to a service of stage carriage or contract carriages desires at any time to replace any vehicle covered by a vehicle of a different type or capacity, he shall forward Part A of the permit with an application in writing to the State Transport Authority by which the permit was issued stating the reasons why the replacement is desired and shall intimate the relevant particulars of the vehicle to be replaced and of the new vehicle.

(2) Upon receipt of an application under sub-rule (1) the State Transport Authority may in its discretion reject the application :—

(i) if it has prior to the application given notice of its intention to reduce the number of transport vehicles of that class generally or in respect of the route or area to which the permit applies; or

(ii) if the new vehicle differs in material respect from the old; or

(iii) if the holder of the permit has contravened any of its provisions.

(3) If the State Transport Authority grants an application for the replacement of the vehicle under this rule, it shall call upon the holder of the permit to produce the appropriate Part B of the permit and shall correct Parts A and B of the permit accordingly under its seal and signature and return them to the holder.

4.32. *Procedure on cancellation, suspension or expiry of permit.*—(1) The holder of a permit may at any time surrender it to the State Transport Authority by which it was granted and the State Transport Authority shall forthwith cancel any permit so surrendered.

(2) When the State Transport Authority suspends or cancels any permit :—

(i) The holder shall surrender Parts A and B of the permit within seven days of receipt of a demand in writing by the State Transport Authority.

(3) Within fifteen days of the expiry of any permit by the efflux of time, the holder shall deliver Parts A and B or Parts B to the State Transport Authority by which it was issued.

4.33. *Transfer fee.*—The fees for a transfer of a permit under sub-section 1 of section 59 and section 61 shall be five rupees.

4.34. *Conduct of drivers of motor cabs.*—(1) The driver of a motor cab used as a contract carriage :—

(i) shall in the absence of reasonable cause to the contrary, proceed to the destination made by the hirer by the shortest and quickest route;

(ii) shall not terminate the hiring thereof before he has been discharged by the hirer;

(iii) shall station his motor cab in the stand in the order in which he arrives, the motor cab which has been waiting longest being stationed in the front position and the other vehicle shall move as the vacancy occurs;

(iv) shall not allow his motor cab, when it is not engaged to remain at any public place other than the stand approved for the purpose, nor shall he loiter for the purpose of his being hired in any public place.

(2) Nothing in this rule shall render it obligatory for a person wishing to hire a motor cab at a stand to take the first cab, or restrict his freedom to choose which-ever vehicle he prefers.

4.35. *Issue of duplicate permits.*—(1) When Part A and Part B of any permit has been lost or destroyed the holder shall forthwith intimate the fact to the State Transport Authority by which the permit was issued and shall deposit the prescribed fee for the issue of a duplicate, and in the case of the loss or destruction of Part B shall also forward Part A of the permit.

(2) The State Transport Authority shall upon receipt of an application in accordance with sub-rule (1), issue a duplicate permit or part or parts of a permit, as the case may be, and to the extent that it is able to verify the facts may endorse thereon certified copies of any counter-signature by other authority, intimating the fact to the Authority.

(3) A duplicate permit or duplicate part of the permit issued under this rule shall be clearly stamped "Duplicate" in red ink and the certified copy of any countersignature by any other State Transport Authority on a permit or a part of a permit made under this rule shall be valid in the region of that other authority as if it were a counter-signature

(4) When a permit or part of a permit has become so dirty, torn or defaced as in the opinion of the State Transport Authority to be illegible, the holder thereof shall surrender the permit or part of the permit, as the case may be, to the State Transport Authority and apply for the issue of a duplicate permit or part of a permit in accordance with this rule.

(5) The fee for the issue of a duplicate permit or part of a permit shall be five rupees.

(6) Any permit or part of permit which is found by any person shall be delivered by that person to the nearest police station or to the holder or to the State Transport Authority by which it was issued and if the holder finds or receives any permit or part of a permit in respect of which a duplicate has been issued, he shall return the original to the State Transport Authority by which it was issued.

4.36. *Variation of permits.*—(1) Upon application made in writing by the holder of any permit, the State Transport Authority may at any time in its discretion vary the permit or any of the conditions thereof subject to the provision of the following sub-rule.

(2) Where a representation has been made by any person in connection with the grant of a stage carriage permit or a public carrier's permit under sub-section (1) of section 47 and section 55, the State Transport Authority shall not subsequent to the issue of a permit vary the permit or any condition thereof in a manner prejudicial to any person by whom such representation has been made unless the State Transport Authority has afforded such person a reasonable opportunity of making representation in respect of the proposed variation.

(3) Notwithstanding the provisions of sub-rule (2) the State Transport Authority may vary any stage carriage permit or public carrier's permit without affording any person an opportunity of making a representation if in the opinion of the State Transport Authority the representation made by such person in respect of the issue or renewal of the permit was frivolous or vaxatious, or involves a question of principle which has already been decided by a ruling of the State Transport Authority which has not been modified upon appeal.

4.37. *Production of permit.*—(1) Part A of a permit shall be produced on demand made at any reasonable time by any member of the State Transport Authority or any police officer not below the rank of Inspector or motor vehicle Inspector.

4.50. *Licensing of conductors.*—(1) No person shall work as a conductor of a stage carriage, and no employer shall so employ any person on any route or in any area specified by the State Transport Authority, unless such person holds a conductor's licence in form L. Con. granted by a Licensing Authority in the State.

(2) A conductor's licence shall not be granted by a Licensing Authority until the applicant produces a medical certificate in Form F.A.B. to show that he is qualified to render first aid. If any person duly authorised, before 1st January, 1965 as a conductor of Public Service Vehicle fails, within a period of 12 months from the said date, to produce the required Medical Certificate, he shall be liable to be disqualified from obtaining conductor's licence.

(3) A conductor's licence shall be valid for a period of not less than one year and not more than three years from the date of issue or renewal and shall be effective throughout the Union Territory of Dadra and Nagar Haveli.

(4) A conductor's licence issued by any other competent authority in India shall not be effective in the State unless countersigned under the authority of a Licensing Authority.

(5) Applications for the grant of countersignature of a conductor's licence shall be made in writing to the Licensing Authority of the Union Territory of Dadra and Nagar Haveli where the applicant resides or normally works in Form L. Con. A, and in the case of an application for the grant of a licence shall be accompanied by two copies of a recent photograph of the applicant and by the fee, prescribed in rule (8).

(6) In the case of an application for the grant of licence, if the Licensing Authority has reason to suppose that the applicant is physically unfit to perform the duties of a conductor, the authority may call upon him to produce a medical certificate of fitness in Form M. C. Con. signed by a registered medical practitioner, and in such case the applicant shall furnish a third copy of a photograph prescribed in sub-rule (5) which shall be firmly affixed to the medical certificate of fitness and shall be signed or sealed by the registered medical practitioner.

(7) No person under the age of eighteen years shall hold a conductor's licence.

(8) The fee for a conductor's licence and for the renewal of a conductor's licence shall be one rupee for a period of one year for which the licence is granted or renewed.

(9) Any Licensing Authority, on application made to it accompanied by the prescribed fee, renew a conductor's licence.

Provided that when the authority renewing the licence is not the original authority it shall intimate the fact of such renewal to the authority which issued the licence.

(10) If at any time a conductor's licence is lost or destroyed or becomes illegible or the photograph attached thereto ceases in the opinion of the authority by which the licence was granted to be a reasonable likeness of the holder, that authority shall proceed as if the conductor's licence were a driving licence :

Provided that the fee for the issue of a duplicate conductor's licence shall be one rupee.

(11) A Licensing Authority may decline to issue a conductor's licence or to countersign a conductor's licence if he is satisfied—

(i) that the applicant's knowledge of the provisions of the Act and these rules and of the duties and powers of a conductor thereunder is inadequate to enable him to perform the duties of a conductor; or

(ii) that the applicant was at any time the holder of conductor's or a driving licence which has been cancelled for misconduct; or

(iii) that the character or physique of the applicant is such as to render him an unsuitable person to hold a conductor's licence;

and may likewise decline to renew a conductor's licence.

(12) A licensing Authority may for reasons to be recorded in writing suspend or cancel a conductor's licence issued by itself or any other Licensing Authority, or any countersignature granted according to sub-rule (4) of this rule. Where a Licensing Authority suspends or cancels a licence or countersignature granted by another Authority, it shall communicate the particulars to that Authority.

(13) Any court by which a conductor is convicted of any offence in connection with his duty as a conductor may cancel the conductor's licence.

(14) A conductor of a stage carriage shall on demand by any police officer in uniform produce his conductor licence for inspection; provided that if at the time his licence is demanded he is displaying the badge prescribed in rule 4.54 it shall be sufficient compliance with sub-rule if he produces the licence within forty-eight hours at any police station in India except Jammu and Kashmir which he specifies to the police officer making the demand.

(15) No person shall hold more than one conductor's licence effective in the same region.

(16) The Licensing Authority may by notification in the Official Gazette declare that such of these rules as are applicable to driver or to driver's licences as may be specified in the said notification shall apply to conductors or to conductor's licences as the case may be.

(17) In all matters relating to the grant countersignature, suspension and cancellation of conductor's licences, the Licensing Authority shall act under the control of the State Transport Authority.

4.51. *Appellate Authority.*—The authority to whom an appeal may be made:—

(a) Under sub-section (2) of section 21-E and sub-section (4) of section 21-F against the order of the Licensing Authority shall be the Secretary to the Administrator.

(ix) power under section 62 and under sub-section (4) of section 63 to grant temporary permit;

(x) power under section 63 to countersign a permit or attach or vary the conditions thereof;

Provided that the Director of Transport shall—

(i) keep informed the State Transport Authority from time to time the action taken by him in pursuance of the power delegated; and

(ii) arrange to paste on a notice board on the premises of the office of the State Transport Authority a copy of every resolution of that Transport Authority delegating its power to him.

(2) Notwithstanding anything contained in this rule, the State Transport Authority may from time to time, issue instructions to the Director of Transport as to the manner, in which he shall exercise the powers delegated to him.

CHAPTER V

Construction, Equipment and Maintenance of Motor Vehicles.

5.1. *General.*—No person shall use and no person shall cause or allow to be used in any public place any motor vehicle which does not comply with the rules contained in this chapter or with any order hereunder made by competent Authority.

(2) Nothing in this rule shall apply to a motor vehicle which has been damaged in an accident while at the place of the accident or to a vehicle so damaged or otherwise defective while being removed to the nearest reasonable place of repair or disposal.

5.2. *Lamps.*—(1) Save as hereinafter provided every motor vehicle while in a public place during the period between half an hour after sunset and half an hour before sunrise and at any other time when there is not sufficient light to render clearly discernible persons and vehicles on road at a distance of 160 metres ahead shall carry the following lamps (hereinfater referred to as "obligatory front-lamps") :—

(a) save in the cases of a motor cycle and an invalid carriage two lamps showing to the front a white light visible from a distance of 160 metres;

(b) in the cases of a motor cycle and an invalid carriage, on lamps showing to the front a white light visible from a distance of 160 metres and, where the registration mark exhibited at the front of the vehicle is exhibited on both sides of a plate in the manner prescribed in sub-rule (6) of rule 3.6 so fixed as to illuminate both sides of the plate;

(c) in the case of a side-car attached to a motor cycle, a lamp affixed to the extreme left hand side or the side-car showing to the front a white light visible from a distance of 160 metres in addition to the lamp required by clause (b) above to be carried on the motor cycle;

and shall in every case also carry :—

(i) one lamp hereinafter referred to as the "rear lamp" showing to the rear a red light visible from a distance of 160 meters; and

(ii) a lamp, which may be the rear lamp or some other device illuminting with a white light the whole of the registration mark exhibited on the rear of the vehicle, so as to render it legible from a distance of 16 metres to the rear.

Provided that when a motor vehicle is drawing another vehicle or vehicles and the distance between such vehicles does not exceed two metres it shall not, subject to any other provisions of these rules, be necessary for the drawn vehicles to carry obligatory front lamps or any save the last drawn vehicle to carry the rear lamp or a lamp illuminating the rear registration mark.

(2) Every lamp required under sub-rule (1) to be carried shall during the aforesaid period be kept properly lighted and in an efficient condition.

(3) Obligatory front lamps shall be as nearly as possible of the same power and at the same height from the ground.

(4) No lamp showing a light to the front shall be so fixed that the centre of the lamp is more than two metres from the ground; provided that this provision shall not apply to the internal lighting of any motor vehicle or to any light necessary to illuminate the route board of a public service vehicle.

(5) The rear lamp shall be fixed either on the centre line of the vehicle or to the right hand side and at a height of not more than one metre from the ground.

(6) Where a trailer is being drawn by a motor vehicle, other than the drawn part of an articulated vehicle, a lamp of as nearly as possible the same power as the rear lamp and showing a red light to the rear shall be affixed to the trailer vertically above or below the rear lamp at a distance of not less than 600 millimetres or more than one metre from the rear lamp.

(7) No motor vehicle shall show a red light to the front or other than a red light to the rear; provided that this provision shall not apply to the internal lighting of the vehicle or to an amber light if displaced by any direction indicator.

(8) No lamp showing a light to the front shall be used on any vehicle unless such lamp is so constructed, fitted and maintained that the beam of light emitted therefrom—

(a) is permanently deflected downwards to such an extent that it is at all times incapable of dazzling any person standing on the same horizontal plane as the vehicle at a greater distance than 8 metres from the lamp, and whose eye level is not less than one metre above that plane; or

(b) can be deflected downwards or both downwards and to the left by the driver in such manner as to render it incapable of dazzling any such person in the circumstances aforesaid; or

(c) can be extinguished by the operation of a device which at the same time causes a beam of light to be emitted from the lamp which complies with clause (a); or

(d) can be extinguished by the operation of a device which at the same time either deflects the beam of light from another lamp downwards or both downwards and to the left—in such manner as to render it incapable of dazzling any such person in the circumstances aforesaid, or brings into or leaves in operation a lamp or lamps which complies or comply with clause (a).

(9) for the purpose of sub-rule (8) at least one of the following anti-dazzle devices shall be fitted to a motor vehicle :—

(i) To paint the upper half of the head lamp lens with thick black paint and to fit head lamp lens shield to prevent upward reflection of light.

(ii) To include a variable resistance in the lighting circuit so that the intensity of the illumination could be reduced to the minimum to allow a safe Crossing.

(iii) To fit anti-dazzle automatic Photo electric (Cell Control).

(10) Sub-rule (8) shall not apply to any lamp fitted with an electric bulb, if the power of the bulb does not exceed seven watts and the lamp is fitted with frosted glass or other material which has the effect of diffusing the light.

5.3. *Brakes.*—(1) Every motor vehicle shall be fitted with brakes of sufficient strength capable of stopping the vehicle within the distance specified in sub-rule (10) below and of holding it at rest in all conditions, and all the brakes with which the motor vehicle is fitted shall at all times be properly connected and shall be maintained in good and efficient condition.

(2) Every motor vehicle other than an invalid carriage, a trailer, a road roller or a locomotive, shall be equipped with an efficient braking system or systems sufficient to supply two means of operation so designed and constructed that notwithstanding the failure of any part (other than the fixed member of a brake shoe anchor pin) through or by means of which the force necessary to apply the brakes is transmitted, there shall still be available for the driver to apply, to not less than half the number of the wheels of the vehicle, brakes sufficient under the most adverse conditions to bring the vehicle to rest within a reasonable distance.

Provided that save in the case of a tractor of a heavy motor vehicle, in the event of such failure as aforesaid it shall not be necessary for brakes to be available for application by the driver :

(a) in the case of a motor vehicle registered in India before the first day of April, 1940., to more than two wheels; and

(b) in the case of a motor vehicle having less than four wheels to more than one wheel.

(3) The application of one means of operation shall not effect or operate the pedal or hand lever of the other means of operation.

(4) In the case of vehicles registered in India on or after the first day of April, 1940, no braking system shall be dependent upon the rotation of the engine :

Provided that this sub-rule shall not apply in the case of a vehicle referred to in clause (b) of sub-rule (8) of this rule or to the braking system of any trailer or of the trailing half of any articulated vehicle.

(5) The brakes of a motor vehicle which are operated by one of the means of operation shall be capable of being applied by direct mechanical action without the intervention of any hydraulic, electric or pneumatic device.

(6) In the case of a motor vehicle with more than three wheels, other than an invalid carriage, a road roller or a locomotive where any brake shoe is capable of being applied by more than one means of operation, all the wheels shall be fitted with brakes, all of which are operated by one of the means of operation.

Provided that except in the case of a tractor :

(a) where a motor vehicle has more than six wheels, at least four of which are steering wheels, it shall be sufficient compliance with this sub-rule if brakes are fitted to all the wheels other than two steering wheels which are situated on opposite side of the vehicle, and all such brakes are operated by one of the means of operation.

(b) where a motor vehicle has more than four wheels and the drive is transmitted to all wheels other than the steering wheels without the interposition of a differential driving gear on similar mechanism between the axles carrying the driving wheels, it shall be deemed to be a sufficient compliance with this sub-rule if one of the means of operation operates the brakes on two driving wheels situated on opposite side of the vehicle and the other means of operation operates brakes on all the other wheels required to be fitted with brakes by this sub-rule :

Provided further that where means of operation are provided in addition to those prescribed by this rule, such additional means of operation may be disregarded for the purposes of this sub-rule.

(7) One at least of the means of operation shall be capable of causing brakes to be applied directly and not through the transmission gear to all the wheels of the vehicle :

Provided that where a motor vehicle has more than four wheels and the drive is transmitted to all wheels other than the steering wheels without the interposition of a differential driving gear or similar mechanism between the axles carrying the driving wheels, it shall be deemed to be a sufficient compliance with this sub-rule if the brakes applied by one means of operation act directly on two driving wheels on opposite side of the vehicle and the brakes applied by the other means of operation act directly on all other driving wheels.

(8) For the purposes of this rule :

(a) in the case of a motor vehicle other than an invalid carriage, a road roller or a locomotive :

(i) except in the case of a motor vehicle the unladen weight of which does not exceed 1016 kilograms or which is the passenger vehicle constructed or adapted to carry not more than seven passengers exclusive of the driver, not more one front wheel shall be taken into account in deciding whether the condition in sub-rule (2) is fulfilled, that brakes must be available which can be applied to half the number of wheels of the vehicle; and

(ii) every moving shaft to which any part of a braking system or any means of operation thereof is connected or by which it is supported shall be deemed to be part of that system;

(b) in the case of the motor vehicle propelled by steam and not used as a public service vehicle, the engine shall be deemed to be an efficient braking system with one means of operation if the engine is capable of being reversed and is incapable of being disconnected from any of the driving wheels of the vehicle except by the sustained action of the driver.

(9) The braking system operated by one of the means of operation shall, according to whether the vehicle is laden or unladen, be capable of bringing it to rest when travelling at the speed specified in the table below within the distance therein specified when at the time of the application of the brakes the vehicle is travelling over a hard dry level road in good condition with top gear and clutch engaged, or when in the same conditions the efficiency of the brakes as determined by a brake-testing meter approved by the Administrator is not less than thirty per cent when the vehicle is laden and not less than forty per cent when the vehicle is unladen.

	Speed	Distance in feet to stop from application of brakes	
	Miles per hour	Vehicles laden	Vehicles unladen
A. Foot operated	20	45	33·5
B. Hand operated	15	25	19
on a gradient 1 in 5	20	110	80

(10) For the purpose of the preceding sub-rule a vehicle shall be held to be laden when it carries not less than fifty per cent of the full load for which it is constructed.

5.4. *Reversing.*—Every motor vehicle other than a motor cycle shall be capable of moving forwards and backwards under its own power.

5.5. *Horns.*—(1) Every motor vehicle shall be fitted with a horn or other approved device available for immediate use by the driver of the vehicle and capable of giving audible and sufficient warning of the approach or position of the vehicle.

(2) No motor vehicle shall be fitted with any multi-toned horn giving a succession of different note or with another sound producing device giving an unduly harsh, shrill, loud or alarming noise.

(3) Nothing in sub-rule (2) shall prevent the use on vehicle used as ambulances, or for fire-fighting or salvage purposes, or on vehicles used by police officers in the course of their duties, or on other similar vehicles of such sound signals as may be approved by the Administrator.

(4) Every transport vehicle shall be fitted with a bulb horn.

5.6. *Silencers.*—(1) Every motor vehicle shall be fitted with a device (herein referred to as a silencer) which by means of an expansion chamber or otherwise reduces as far as may be reasonable and practicable the noise that would otherwise be made by the escape of exhaust gases from the engine.

(2) Every motor vehicle shall be so constructed or equipped that the exhaust gases from the engine are not discharged downwards so as to impinge on the road surface.

5.7. *Mirror.*—Every transport vehicle other than a motor cab shall be fitted externally and every other motor vehicle except a motor cycle having not more than two wheels and to which a side car is not attached, shall be fitted either internally or externally with a mirror so placed as to enable the driver to be or become aware of the presence, in the rear, of any other vehicle the driver of which desires of passing such motor vehicle.

5.8. *Dangerous projections.*—(1) No mascot or other similar fitting or device shall be carried on any motor vehicle registered in India after the first date of April, 1941, in any position where it is likely to strike any person with whom the vehicle may collide unless the mascot is unlikely to cause injury to any person by reason of any projection therein.

(2) No motor vehicle shall be permitted to be used which is so constructed that any axle hub cap projects laterally more than 102 millimetres beyond the rim of the wheel to which it is attached, unless the hub of the hub cap does not project laterally beyond the body or wings of the vehicle and is provided with an adequate guard.

5.9. *Noise.*—Every motor vehicle shall be so constructed and maintained as not to cause undue noise when in motion.

5.10. *Safety glass.*—(1) The glass of windscreens or windows facing to the front on the outside of every motor vehicle shall be safety glass.

(2) For the purpose of this rule—

(a) "safety glass" means glass so constructed or treated that if fractured it does not fly into fragments capable of causing severe cuts;

(b) any windscreen or window at the front of the inner surface of which is at an angle exceeding thirty degrees to the longitudinal axis of the vehicle shall be deemed to face to the front.

(3) This rule shall not apply to a motor vehicle registered in India before the first day of July, 1940.

5.11. *Arrangement and maintenance of glass.*—The glass of the front windscreen, side and rear windows of every motor vehicle shall be such and shall be maintained in such condition as to be clearly transparent and allow the driver a clear vision to the front and to the sides and through the prescribed mirror to the rear of the vehicle.

5.12. *Windscreen wiper.*—(1) An efficient automatic windscreen wiper shall be fitted to every motor vehicle which is so constructed that the driver cannot by opening the windscreen or otherwise obtain an adequate view to the front of the vehicle without looking through the windscreen.

(2) This rule shall not apply to a motor vehicle registered in India before the first day of April. 1940.

5.13. *Tyres.*—(1) The pneumatic tyres of every motor vehicle shall be kept properly inflated and in good and sound condition.

(2) A tyre shall be deemed to be not in good and sound condition if—

(a) any of the fabric of the casing or breaker strip is exposed by wear of the tread or by any unvulcanised cut or abrasion of any part, or

(b) the tyre shows signs of incipient failure by local deformation or swelling, or

(c) the tyre has been patched or repaired by an outside gaiter or patch other than a properly vulcanise repair :

Provided that clause (c) shall not apply to a temporary repair effected to enable the vehicle to be moved to the nearest reasonable place where the tyre can be repaired or replaced.

(3) After the first day of April, 1942, no motor vehicle other than a tracklaying vehicle shall be driven at a speed in excess of 10 kilometres per hour unless it is fitted with pneumatic tyres on all wheels.

5.14. *Emission of smoke, vapour or grease.*—(1) Every motor vehicle shall be so constructed, shall be maintained in such condition, and shall be so driven and used that there shall not be emitted therefrom any smoke, visible vapour, girt sparks ashes, cinders, or oily substance the emission of which could be prevented or avoided by the taking of reasonable steps or the exercise of reasonable care, or the emission of which might cause damage or annoyance to other persons or property or endanger the safety of any other users of the road.

(2) Every motor vehicle using fuel shall be fitted with an efficient appliance for the purpose of preventing the emission of sparks or girt and also with a tray or shield to prevent ashes and cinders from falling on the road.

5.15. *Speedometer.*—(1) Every motor vehicle, other than an invalid carriage or a vehicle which may not under the provision of the Eighth Schedule of the Act at any time be driven at a rate of speed in excess of 10 kilometres per hour, shall be fitted with an instrument (hereinafter referred to as a "speedometer") so constructed and in such a position as at all times readily to indicate to the driver the speed at which the vehicle is travelling :

Provided that this sub-rule shall not apply to a motor cycle registered in India before the first day of July, 1940.

(2) A speedometer shall be deemed to satisfy the requirements of this rule if upon test it is found to be accurate within ten per cent above or below the speed specified for the vehicle in the Eighth Schedule to the Act, or if no speed is so specified than above or below the speed of 48 kilometres an hour.

5.16. *Springing.*—Every motor vehicle and every trailer drawn thereby shall be equipped with suitable and sufficient means of springing adequately maintained in good and sound condition between the road wheels and the frame of the vehicle :

Provided that this rule shall not apply to—

(a) any motor vehicle registered in India before the first day of April, 1940, if any means of

springing with which it is fitted are adequately maintained in good and sound condition;

(b) any tractor not exceeding five thousand kilograms in weight unladen if all the unsprung wheels of the tractor are fitted with pneumatic tyres;

(c) any land locomotive, land tractor, land implement, agricultural trailer, or any trailer used solely for the haulage of felled trees;

(d) motor cycles;

(e) vehicle designed for use in works or in private premises and used on a road only in passing from one part of the works or premises to another or to works or premises within a distance of two miles.

5.17. *Steering.*—The steering mechanism of every motor vehicle shall be adequately maintained in good and sound condition, free from backlash exceeding forty-five degrees on the steering wheel. All rods and arms shall be adequately protected by bumpers or otherwise from damage, and where the connections are secured with bolts or pins, the bolts or pins shall be effectively locked. All connections made with pins shall be such that when they are in any position other than horizontal the head of the pin shall be uppermost.

5.18. *Overall width.*—(1) The overall width of every motor vehicle measured at right angles to the axle of the motor vehicle between perpendicular planes enclosing the extreme points shall not exceed—

(a) in the case of a motor vehicle other than a transport vehicle (but including a motor cab) 2.2 metres;

(b) in the case of a transport vehicle other than a motor cab, 2.5 metres.

Provided that if the Administrator is satisfied that a particular vehicle or class of vehicles having an overall width in excess of the width specified in this rule is suitable for carrying out any work in furtherance of a public purpose, the Administrator may by notification in the Official Gazette exempt such vehicles or class of vehicles from the provisions of this rule either generally or in such areas or on such routes, subject to such conditions if any, as may be specified in the notification.

5.19. *Overall length.*—(1) The Overall length of every motor vehicle other than a trailer shall not exceed—

(a) in the case of a vehicle having not more than two axles, 9.14 metres;

(b) in the case of a rigid framed vehicle having more than two axles, 10.36 metres;

(c) in the case of an articulated vehicle having more than two axles, 10 metres (including the rear part or trailer).

Provided that if the Administrator is satisfied that a particular vehicle or a class of vehicles having an overall length in excess of the length specified in this sub-rule is suitable for carrying out any work in furtherance of a public purpose the Administrator may by notification in the Official Gazette exempt such vehicles or class of vehicles from the provisions of this sub-rule either generally or in such areas or on such routes subject to such conditions, if any, as may be specified in the notification.

(2) This rule shall not apply in the case of an articulated vehicle constructed and normally used for the conveyance of indivisible loads of exceptional length—

(a) if all the wheels of the vehicle are fitted with pneumatic tyres, or

(b) if all the wheels of the vehicle are not fitted with pneumatic tyres, so long as the vehicle is not driven at a speed exceeding 19 kilometres per hour.

(3) In this rule "overall length" means the length of the vehicle measured between parallel planes passing through the extreme projecting points of the vehicle exclusive of—

(a) any starting handle;

(b) any hood when down;

(c) any ladder forming part of a turn-table fire-escape fixed to the vehicle;

(d) any post office letter-box the length of which measured parallel to the axis of the vehicle does not exceed twelve inches;

(e) any steps giving access to the interior of the vehicle;

(f) any light ladder giving access to the roof of the vehicle.

5.20. *Overall height.*—(1) The overall height of a motor vehicle measured from the surface on which the motor vehicle rests shall not exceed 3.5 metres.

(2) This rule shall not apply to fire escapes, tower-wagons and other special purpose vehicle exempted by the general or special order of the District Magistrate.

5.21. *Overhang.*—(1) The overhang of a tractor or locomotive shall not exceed 1.8 metres.

(2) The overhang of a motor vehicle other than a tractor or locomotive shall not exceed fifty per cent of the distance between the plane perpendicular to the axis of the motor vehicle which passes through the centre or centres of the front wheels and the foremost verticle plane from which the overhang is to be measured as defined in sub-rule (3).

(3) For the purposes of this rule "overhang" means the distance measured horizontally and parallel to the longitudinal axis of the vehicle between two verticle planes at right angles to such axis passing through the two points specified in paragraphs I and II of this definition, respectively—

I. The rear-most point of the vehicle exclusive of—

(a) any hood when down;

(b) any post office letter-box, the length of which measured parallel to the longitudinal axis of the vehicle, does not exceed 300 millimetres;

(c) any ladder forming part of a turn-table fire-escape fixed to a vehicle;

(d) any steps giving access to the interior of the vehicle;

(e) any light ladder giving access to the roof of the vehicle;

(f) any luggage carrier fitted to a motor vehicle constructed solely for the carriage of passengers and their effects and adapted to carry not more than seven passengers exclusive of the driver.

II. (a) In the case of a motor vehicle having only two axles the front axle alone being a steering axle, the centre point of the rear axle, or

(b) in the case of a motor vehicle having only three axles where the front axle is the only steering axle, a point 100 millimetres in rear of the centre of a straight line joining the centre points of the rear and middle axle, or

(c) in any other case a point situated on the longitudinal axles of the vehicle and such that a line drawn from it at right angles to that axis will pass through he centre of the minimum turning circle of the vehicle.

(4) In the case of any motor vehicle registered in India before the first day of April, 1940, it shall suffice if the overhang does not exceed fortyfive per cent of the wheel base of the vehicle.

5.22. *Direction indicators and stop lights.*—(1) For the purposes of the proviso to section seventynine of the Act, the signal of an intention to turn to the right or left may be given by a mechanical or electrical direction indicator, and during the period between half an hour after sun set and half an hour before sun rise the signal of an intention to stop may be given by an electrical stop light as hereinafter specified.

(2) Every direction indicator shall when in operation be in the form of an illuminated sign of amber colour of a minimum illuminated length of 150 millimetres and of a maximum illuminated breadth not exceeding one-fourth of the illuminated length the illuminated surface being visible both from front and rear of the vehicle, or in the form of an arrow not less than 150 millimetres in length, presenting a white surface visible both from the front and rear of the vehicle.

(3) A direction indicator intended to intimate a right-hand turn shall be fitted only on the right side and a direction indicator intended to intimate a left-hand turn shall be fitted only on the left side of the vehicle, and except as provided in sub-rule (5) every direction indicator shall be so designed and fitted that—

(a) it is not more than 1.2 metres behind the base of the windscreen;

(b) it is not more than 2 metres above the level of the ground;

(c) when in operation—

(i) it temporarily alters the outline of the vehicle to the extent of at least 150 millimetres measured horizontally;

(ii) its outermost point shall be at least 150 millimetres further from the longitudinal axis of the vehicle than is the outermost point of the driver's cab or of the side of the body immediately behind the driver's seat; and

(iii) it remains steady;

(d) the driver of the vehicle when in his driving seat may be readily aware that it is operating correctly :

Provided that clause (a) shall not apply in the case of a pillarless saloon motor-car if the direction indicator is not situated behind the widest part of the body.

(4) For the purpose of this rule a "pillarless saloon motor-car" means a motor vehicle which is constructed solely for the carriage of passengers and their effects and is adapted to carry not more than seven persons exclusive of the driver and which has—

(a) an enclosed body with four doors; and

(b) no vertical dividing pillar between the doors on either side of the vehicle.

(5) Additional direction indicators in the Form specified in sub-rule (2) may be fitted at the rear of any vehicle provided that—

(a) they are only used coincidentally with those fitted in accordance with the provisions of sub-rule (3); and

(b) they are visible at a reasonable distance from any point in the rear of the vehicle.

(6) Every direction indicator shall be so fitted that when not in operation it will not be likely to mislead the driver of any other vehicle or any person controlling traffic.

(7) Every stop light shall be fitted at the rear of the vehicle and not to the left of the centre thereof and when in operation shall show a red or amber light :

Provided that nothing in this rule shall prevent the fitting of a duplicate stop light on the left side of the vehicle which comes into operation at the same time as the stop light fitted at the centre or on the right side of the vehicle.

(8) Every light shown by a direction indicator or a stop light shall be diffused by means of frosted glass or other adequate means and shall be a steady light.

(9) Every direction indicator and every stop light shall be such as to be readily operated by the driver of the motor vehicle at all times when sitting in the normal driving position.

(10) In the case of a motor vehicle fitter with right hand steering control nothing in this rule shall be taken to require that a direction indicator or a stop light shall be fitted. In the case of a motor vehicle with left hand steering control a direction indicator as specified in this rule is compulsory.

(11) Notwithstanding anything containing in this rule every transport vehicle, other than a delivery van, a motor cab or a tractor, shall be fitted with an electrical stop light in the manner provided in this rule :

Provided that the Administrator or the State Transport Authority may, by order exempt any transport vehicle or class of such vehicles from the requirement of fitting an electrical stop light on such conditions, if any, as may be specified in the order.

5.23. *Cars fitted with left hand steering control.*—A motor-car fitted with left hand steering control shall exhibit the words "Left Hand Drive" at a conspicuous place on its rear on a plane plate or a plane surface of the vehicle in red colour on white background, each letter being not less than 35 millimetres in height and of uniform thickness of 13 millimetres.

5.24. *Wings.*—(1) Every motor vehicle except a locomotive, a tractor or a trailer shall, unless adequate protection is afforded by the body of the motor vehicle, be provided with wings or other similar fittings to catch, so far as practicable, mud or water thrown up by the rotation of the wheels.

(2) The rear wheels of every trailer except a trailer drawn by a locomotive shall be provided with wings as aforesaid.

Side-car wheel : Every side-car attached to a motor cycle shall be so attached, at the left hand side of the motor cycle, that the wheel thereof is not wholly outside perpendicular planes at right angle to the longitudinal axis of the motor cycle passing through the extreme projecting points in front and in the rear of the motor cycle.

5.25. *Communication with driver.*—(1) Every transport vehicle whether for the use of passengers or goods in which the driver's seat is separated from the passengers or the goods compartment by a fixed partition, which is not capable of being readily open shall be furnished with efficient means to enable the passengers, conductor or the cleaner, in such a compartment to signal the driver to stop the vehicle, provided further that the cleaner, or a conductor in a goods vehicle shall be seated at the back to give signal to the driver when the former notices a faster vehicle approaching the one in which he is travelling.

(2) Sub-rule (1) shall not apply to—

(i) petrol tank lorries; and

(ii) the vehicles fitted with tanks on the entire Chasis.

5.26. *Marks to be exhibited on vehicles being driven to a place of registration.*—(1) When on the authority of sub-section (2) of section 22 of the Act a motor vehicle is driven to or from a place of registration without a registration mark, the following particulars shall be exhibited thereon, namely :

(a) the name of the owner;

(b) the designation of the firm from which the vehicle has been purchased, if it has been newly acquired by the owner;

(c) the date and time (to be ascertained by previous inquiry from the Registering Authority) when the registration is to be carried out.

(2) The particulars required by the preceding sub-rule shall be exhibited on boards in front and rear of the vehicle in letters and figures not less than 50 millimetres high.

5.27. *Special marks to be exhibited in a stage carriage when in use as a contract carriage.*—(1) No stage carriage or a vehicle forming part of a service of stage carriage shall be used as a contract carriage unless a board is affixed on each side of the vehicle showing that it is for the time being in use as such and not as a stage carriage.

(2) The boards required by the preceding sub-rule shall exhibit the words "ON CONTRACT" in red letters on a white ground, the letters being of a size not less than that prescribed for the numerals of a registration mark, and shall be fixed in a prominent and unobscured position at or near roof level.

(3) The boards required by sub-rule (1) shall be affixed before the commencement of any trip for which the vehicle is being used as a contract carriage and shall be kept, affixed throughout the whole of the trip, and any boards or marks indicating the route or routes on which the vehicle is operated at other times shall be removed or covered up throughout the trip.

Special rules applicable to all Public Service Vehicles

5.28. *General.*—(1) Every public service vehicle, and all parts thereof including paint-works or varnish, shall be maintained in a clean and sound condition, and the engine mechanism and all working parts in reliable working order.

(2) Every public service vehicle shall carry a first-aid-box containing the following articles :

(1) Set of ordinary splints (consisting of six splints with four iron sockets);
(2) 4 triangular bandages;
(3) 3.2×¼ packet surgeons lint;
(4) 4×15 grams packet cotton wool;
(5) 9 first-aid dressings;
(6) 11 roller bandages;
(7) 4 burn dressings;
(8) 2 eye pads;
(9) 1 card safety pins;
(10) 1 pair scissors;
(11) 1 spool plaster 25 millimetres;
(12) 1 medicine tumbler;
(13) 1 bottle spirit surgical;
(14) 1 bottle sal volatile;
(15) 1 small torniquet;
(16) 1 pad splinter forceps.

5.29. *Stability.*—(1) The stability of a single-decked public service vehicle other than a motor cab shall be such that under any conditions of load, at an allowance of 160 pounds for every passenger for which the vehicle is registered, if the surface on which the vehicle stands were tilted to either side to an angle of thirty-five degrees from the horizontal the point at which over-turning occurs would not be reached.

(2) For the purpose of conducting tests of stability the height of any stop used to prevent a wheel of the vehicle from slipping sideways shall not be greater than two-thirds of the distance between the surface upon which the vehicle stands before it is tilted, and that part of the rim of that wheel which is then nearest to such surface when the wheel is loaded in accordance with the requirements of this rule.

5.30. *Side overhang.*—In the case of a vehicle used as a stage carriage, no part of the vehicle other than a direction indicator, when in operation, or a driving mirror shall project laterally more than 350 millimetres beyond the extreme outer edge of the outer tyre in the case of the dual rear wheels.

5.31. *Seating room.*—(1) In every public service vehicle other than a motor cab there shall be provided for each passenger a reasonably comfortable seating space of not less than 375 millimetres square measured on straight lines along and at right angle to the front of each seat, and

(a) when the seats are placed along the vehicle, the backs of the seats on one side shall be at least 1.37 metres distant from the backs of the seats on the other side;

(b) when the seats are placed across the vehicle and are facing in the same direction there shall be everywhere a clear space of not less than 66 centimetres between the backs of the seats;

(c) when seats are placed across the vehicle and are facing each other there shall be everywhere a clear space of not less than 1.25 metres between the backs of facing seats; and

(d) where seats are placed in such a manner that one row is alongside the vehicle and other rows of seats across the vehicle, the clear space between the front end of the longitudinal seats and the nearest part of the transverse seats shall not be less than 450 millimetres.

(2) The backs of all seats shall be closed to a height of sixteen inches above seat level.

5.32. *Gangway.*—(1) In every compartment of every public service vehicle the entrance to which compartment is from the front or rear there shall be a gangway along the vehicle, and

(a) where seats are placed along the sides of the vehicle there shall be as gangway a clear space of not less than 60 centimetres measured between the fronts of the seats; and

(b) where seats are placed across the vehicle there shall be as gangway a clear space of not less than 300 millimetres up to a height of 760 millimetres from the floor level and not less than 380 millimetres above 760 millimetres from the floor level and where standing passengers are allowed, there shall be as gangway a clear space of not less than 500 millimetres in width up to a height of 760 millimetres from the floor level.

(2) Where the vehicle has seats across the full width of the body with separate doors to each seat, a gangway from front to rear of the vehicle shall not be required.

5.33. *Limit of seating capacity.*—Notwithstanding anything contained in these rules, no public service vehicle other than a motor cab shall be registered for a number of passengers in excess of the number obtained by subtracting 118 kilograms from the difference in kilograms between the registered laden and unladen weight of the vehicle and dividing the resulting figures by 160 or for such numbers of passengers that when the vehicle is loaded in the normal manner, the axle weight of any axle will exceed the registered axle weight for that axle.

5.34. *Head-room.*—Every public service vehicle other than a motor cab shall have the following internal height or head-room measured along the centre of the vehicle from the top of the floor boards or battens to the underside of the roof supports :

(a) In the case of a vehicle with a permanent top not less than 1.4 metres and not more than 1.8 metres.

(b) In the case of a vehicle with a movable hood not less than 1.4 metres.

5.35. *Drivers Seat.*—(1) No public service vehicle shall be driven otherwise than from the right hand side of the vehicle.

(2) On every public service vehicle space shall be reserved for the driver's seat such as to allow him to exercise full and unimpeded control of the vehicle, and in particular :—

(a) the part of the seat against which the driver's back rests shall not be less than 280 millimetres from the nearest point on the steering wheel and that the seat shall be so constructed as to be adjustable in such a way that the distance is increased to 350 millimetres. The driver's seat shall be constructed as to permit an up and down adjustment in addition to the fore and aft adjustment mentioned herein;

(b) the width across the vehicle shall be not less than 680 millimetres and shall extend to the left of the centre of the steering column in no case less than 250 millimetres and so that a line drawn parallel to the axis of the vehicle through the centre of any gear lever, brake lever, or other device to which the driver has to have frequent access lies not less than 50 millimetres inside the width reserved for the drivers seat; and

(c) in the case of a public service vehicle other than a motor cab, the space reserved in accordance with clause (b) above shall at the left hand and be enclosed with a rigid wooden or other suitable partition to a height not less than 300 millimetres above the seat, and continued forward of the seat at an adequate height above the floor of the vehicle.

(3) No public service vehicle shall be so constructed that any person may sit or any luggage may be carried on the right hand side of the driver.

(4) Every public service vehicle shall be so constructed that save for the front pillar of the body, the driver shall have a clear vision both to the front and through an angle of ninety degrees to his right hand side. The front pillar of the body shall be so constructed as to obstruct the vision of the driver to the least possible extent.

(5) The Transport Authority may, by order in writing, direct that until such time as the vehicles have been taken off the road after having lived their lives nothing in this rule in regard to and consequent upon provision requiring that the vehicle shall be driven from the right hand side shall apply to a public service vehicle fitted with left hand steering control and obtained through the Disposal Organization of the Central Government.

(2) Sub-rule (1) shall not apply to a public service vehicle during the completion of any journey during which it has been necessary to bring the spare wheel or rim and tyre into use.

(3) Every public service vehicle shall at all times be furnished with an efficient jack and other tools necessary to change a wheel or rim and tyre and with equipment necessary to repair a puncture, including the following :—

Spanners to fit every nut on the vehicle.

One screw driver.

One pair pliers.

One hammer.

Two tyre levers.

Tyre repair outfit.

Tyre pump.

Wheel jack.

One spare headlight bulb and one spare rear lamp bulb.

A supply of spare fuses.

(4) Every transport vehicle other than a motor cab granted a permit which enables it to operate regularly on any road shall be furnished with a suitably fashioned block, attached by chain to the vehicle, to be used as a chock when the vehicle is halted on a slope.

5.56. *Advertisements and other markings on Public Service Vehicle.*—(1) No advertising device, figure or writing shall be exhibited on any public service vehicle save as may be permited by the State Transport Authority by general or specific order.

(2) A public service vehicle when regularly used for carrying Government mail by or under a contract with the Indian Posts and Telegraphs Department shall exhibit in a conspicuous place upon a plate or a plane surface of the motor vehicle the words "MAIL" in red on a white ground, each letter being not less than 150 millimetres in height and of a uniform thickness of 20 millimetres.

(3) Save as aforesaid, no motor vehicle shall display any sign or inscription which include the word "MAIL".

5.57. No public service vehicle, other than a contract carriage shall ply for hire unless it clearly exhibits on the roof of the vehicle immediately above the driver's seat and forward of luggage carrier, if any, a route board enabling the destination, registered number and starting place to be read by any person approaching the vehicle.

Special rules applicable to goods vehicles

5.58. *Body and loading platform.*—The body of every goods vehicle including a trailer shall be so fastened to the frame of the vehicle and so constructed as to comply with such directions as may be issued by the State Transport Authority from time to time. The vehicle shall be capable of carrying the load for which it is used without danger or inconvenience to other road users so that the load can be securely packed within the body or platform.

5.59. *Driver's Seat.*—Rule 5.35 relating to the driver's seat shall apply to every goods vehicle other than a delivery van.

Special rules applicable to trailers

5.60. *Overall length.*—(1) The overall length of a trailer, excluding any draw-bar, shall not exceed 6.7 metres.

(2) This rule shall not apply to—

(a) a trailer constructed and normally used for the conveyance of indivisible loads of abnormal length.

(b) any agricultural or road-making implement;

(c) the trailing part of any articulated vehicle;

(d) to any incompletely assembled or otherwise disabled motor vehicle which is being drawn by a motor vehicle in consequence of the disablement.

5.61. *Brakes.*—(1) Save as provided in sub-rule (2) below, every trailer exceeding 500 kilograms in weight laden shall have an efficient braking system, the brakes of which are capable of being applied when it is being drawn—

(a) In the case of a trailer having not more than two axles, to at least all the wheels of one axle, or

(b) in the case of a trailer having more than two axles to all the wheels of two axles;

Provided always that the brakes as aforesaid shall be capable of being applied to not less than half the number of wheels of the trailer and so constructed that—

(i) the brakes can be applied either by the driver of the drawing vehicle or by some other person on such vehicle or the trailer,

Provided that this clause shall not apply in the case of a trailer not exceeding 1016 kilogram in weight unladen or in the case of a trailer not constructed or adapted to carry any load other than plant or other special appliance or apparatus which is a permanent or essentially permanent fixture and not exceeding 2030 kilogram in total weight, if in either case the brakes of the trailer automatically come into operation on the overrun of the trailer, and

(ii) the brakes are capable of being set so as effectually to prevent two at least of the wheels from revolving when the trailer, whether it is attached to the drawing vehicle, or not, is not being drawn.

(2) Sub-rule (1) hereof shall not apply to—

(a) any land implement drawn by a motor vehicle,

(b) any trailer designed for use and used by local authority for street cleansing provided that the trailer does not carry any load other than its necessary gear and equipment, or

(c) any disabled vehicle which is being drawn by motor vehicle in consequence of the disablement.

(3) The braking system shall be so constructed that it is not dependent upon the rotation of the engine of drawing vehicle.

(i) *Type of body and material.*—The body of of every auto-rickshaw shall be either of a station wagon or a box type or hackney carriage type as provided by the State Transport Authority soundly constructed to the satisfaction of the Registering Authority and shall be securely fastened to the frame of the vehicle. There shall be adequate arrangements for protection of passengers from sun, wind and rain. The material used in the construction shall be strong and of good quality.

(ii) *Roof.*—The roof shall be so constructed as to provide protection for passengers from sun and rain and shall be either of metal sheeting or canvass or some other suitable material.

5.65. *Overhang.*—The overhang of the body shall not exceed fortyone per cent of the distance between the plane perpendicular to the axis of the auto-rickshaw which passes through the centre of the front wheel and the centre of the rear axle.

5.66. *Overall width.*—(i) *4-Passenger auto-rickshaws.*—The overall width measured at right angles to the axis of the planes enclosing the extreme points shall be not more than 1.8 metres and not less than 1.3 metres.

(ii) *2-Passenger auto-rickshaws.*—The overall width measured at right angles to the axis of the planes enclosing the extreme points shall be not more than 1.4 metres and not less than 1 metre.

5.67. *Overall height.*—(i) *4-Passenger auto-rickshaw.*—The overall height measured from the surface on which auto-rickshaw stands shall not exceed 1.4 metres and there shall be at least 1.2 metres clear head space between floor board and the roof.

(ii) *2-Passnger auto-rickshaw.*—The overall height measured from the surface on which auto-rickshaw stands shall not exceed 1.4 metres and there shall be at least 1.2 metres clear head space between floor board and the roof.

5.68. *Road Clearance.*—The road clearance of every auto-rickshaw shall be not more than 225 millimetres and not less than 150 millimetres.

5.69. *Clearance of floor boards.*—The floor board shall not be more than 550 millimetres above the surface on which the auto-rickshaw stands.

5.70. *Lights.*—Every auto-rickshaw shall be fitted with one head and two side white lights or two head lights on the body in the front. In addition to the front lights, an auto-rickshaw shall be fitted with the rear lamp showing to the rear a redlight visible from a distance of 150 metres and illuminating with white light the registration mark exhibited on the rear of the vehicle so as to render it legible from a distance of 15 metres and also two cat's eye reflectors on the rear mudguards so as to warn the vehicular traffic approaching from behind that there is an auto-rickshaw ahead. If no mudguards are used cat's-eye reflectors in the rear will be optional. The auto-rickshaw shall be also fitted with a rear stoplight to be operated by foot-brake.

5.71. *Driver's seat.*—The back of the driver's seat should have at least 100 millimetres of clearance from the front panel of the body. A wind screen shall be provided for the driver.

5.72. *Gangway.*—In every 4-Passenger auto-rickshaw the entrance to which is from the front or rear and the seats are placed across the vehicle there shall be a gangway of not less than 300 millimetres.

5.73. *Seat.*—The seating area and the seating layout shall be in accordance with these rules and the dimensions and specifications thereof shall be as may be specified by the State Transport Authority, in its approved seating layout plan.

5.74. *Leg space.*—(i) *4-Passenger auto-rickshaw.*—There shall be provided at least 275 millimetres leg space.

(ii) *2-Passenger auto-rickshaw.*—There shall be provided at least 375 millimetres leg space.

5.75. *Milometer.*—Every auto-rickshaw shall be provided with a suitable type of milometer to record total mileage covered on the basis of which fare is paid and also in milometer of the type in which trip reading can be adjusted to zero or fare meter.

5.76. *Horn.*—Every auto-rickshaw shall be fitted with a bulb horn in addition to electric horn.

5.77. *Rear view mirror.*—Every rickshaw shall be fitted with a rear view mirror mounted at a suitable place to give a clear unobstructed view of the rear to the driver.

5.78. *Brakes.*—Every auto-rickshaw shall be fitted with mechanically-operated brakes capable of stopping the vehicle within a reasonably safe distance. In addition, every auto-rickshaw shall also be provided with a manually-operated hand-brake to be used in emergency or for parking purposes.

5.79. *Reverse gear.*—Four-seated auto-rickshaw built over a chassis fitted with an engine rated at 7.5 H.P. or above shall be fitted with reverse gear arrangements so as to reverse the vehicle while in operation.

5.80. *Differential Assembly.*—Every auto-rickshaw with a rear drive shall be provided with a differential assembly, power to which is transmitted either through chain or a shaft.

CHAPTER VI
CONTROL OF TRAFFIC

6.1. *Limitations on the use of heavy transport vehicles.*—(1) No transport vehicle shall be driven within the Union Territory of Dadra and Nagar Haveli in such a state that the total weight of the vehicle and its load, including the weight of any trailer drawn by the vehicle under load carried thereon, exceeds eight metric tons, or in such a state that the weight carried on any one axle of the vehicle or trailer exceeds six metric tons :

Provided that the 4-wheeler transport vehicle may be allowed to be driven within the Union Territory of Dadra and Nagar Haveli where the laden axle load thereof does not exceed metric 8 tons, the axle spacing (distance between front and rear axles) is not less than 3.8 metres and the width over track between centre to centre of wheel is not less than 1.5 metres and the total weight exceeds eight tons but does not exceed 10.16 metric tons.

Provided further that a 6-wheeler transport vehicle with one trailer, the laden axle load of which does not exceed 4 tons, the laden axle weight of trailer does not exceed 3 tons, the axle spacing between front and rear axle of tractor is not less than 32 metres feet, the axle spacing between rear axles of tractors is not less than 1.2 metres the axle spacing between axle of trailer is not less than 3 metres, the axle spacing between rar axle of tractor and front axle of trailer is not less than 4.2 metres, the total weight of the tractor and trailer exceeding eight metric tons but not exceeding 16 metric tons may be allowed to be driven in the Union Territory of Dadra and Nagar Haveli.

Provided further that in the case of tracked loads the total load of the tracked vehicle spread over 2.8 metres length shall not exceed 12 metric tons.

(2) For the purpose of the preceding sub-rule all persons carried on the vehicle shall be included in the load.

(3) Administrator may by order in writing exempt any motor vehicle or class of motor vehicle from the operation of the preceding sub-rule.

6.2. *Signalling devices.*—(1) Subject to succeeding sub-rules, the signalling device required by section 80 shall be a direction indicator as prescribed in rule 5.22 and shall be fitted to both sides of the vehicle.

(2) Notwithstanding anything contained in sub-rule (1) until such time as the vehicles have been taken off the road after having lived their lives, a motor vehicle, other than a transport vehicle, obtained through the Disposals Organization of the Central Government may be fitted with a mechanical or electrical direction indicator complying with the requirements of rule 5.22 on the right hand side of the vehicle only.

(3) The State Transport Authority may, by order in writing, direct, that the provisions of sub-rule (2) shall apply to any transport vehicle or class of transport vehicles, specified in the order.

(4) At the time of registration of a transport vehicle, in respect of which, an order under sub-rule (2) has been made the Registering Authority concerned shall record a note in the Certificate of Registration to the effect that the direction indicator may be fitted on the right hand side only.

6.3. *Vehicles abandoned on the road.*—(1) If any motor vehicle is allowed to stand in any place other than a duly appointed parking place in such a way as to cause obstruction to traffic or danger to any person, any Police Officer may—

(a) forthwith cause the vehicle to be moved under obstruction or danger;

(b) unless it is moved to a position where it will not cause obstruction or danger take all reasonable precautions to indicate the presence of the vehicle; and

(c) if the vehicle has been stationary in one place for a continuous period of twenty-four hours and adequate steps have not been taken for its repair or removal by the owner or his representative, remove the vehicle and its contents to the nearest place of safe custody.

(2) If a motor vehicle has been stationary in a duly appointed parking place for a period exceeding that specified by competent authority in respect of the said place, or if no such period has been specified for a period exceeding six hours, any Police Officer may remove the vehicle to the nearest place of safe custody.

(3) Notwithstanding any fine or penalty which may be imposed upon any person upon conviction for the contravention of the provisions of section 81 or of any regulations made by a competent authority in relation to the use of duly appointed parking places, the owner of the motor vehicle or his heirs or assigns shall be liable to make good any reasonable expense incurred by any Police Officer in connection with the moving, lighting watching or removal of a vehicles or its contents in accordance with sub-rules (1) and (2); any Police Officer or any person into whose custody the vehicle has been entrusted by any Police Officer, shall be entitled to detain the vehicle until he has received payment accordingly and shall upon receiving such payment give a receipt to the person making the payment.

6.4. *Use of weighing devices.*—(1) The driver of any goods vehicle required by a competent authority under section 73 to convey the vehicle to a weighing device shall upon the demand of such authority so drive and manipulate the vehicle as to place it or any wheel or wheels thereof, as the case may be, upon the weigh-bridge or wheel-weigher in such a manner that the weight of the vehicle or the weight transmitted by any wheel or wheels may be exhibited by the weigh-bridge or wheel weigher.

(2) If the driver of a motor vehicle fails within a reasonable time to comply with a requisition under sub-rule (1) a person authorised under section 73 may cause any person, being the holder of a licence authorising him to drive such a vehicle, so to drive and manipulate the vehicle.

(3) When the vehicle or axle weight of a motor vehicle is determined by separate and independent determination of the weight transmitted by any wheel or wheels of the vehicle, to axle weight and the laden weight shall be deemed to be the sum of the weights transmitted by the wheels of any axle or by all the wheels of the vehicle as the case may be.

(4) Upon the weighment of a vehicle in accordance with the said section and this rule, the person who has required the weighment or the person incharge of the weighing device shall deliver to the driver or other person incharge of the vehicle a statement in writing of the weight of the vehicle and of any axle the weight of which is separately determined.

(5) No weighing device shall be used for the purpose of section 73 unless it is tested not less than once in every six calendar months by an officer appointed by the Chairman of the State Transport Authority.

6.5. *Restriction on driving with gear disengaged.*—No person shall drive a transport vehicle with the clutch pedal depressed or with any free wheel or other device in operation which frees the engine from the driving wheels and prevents the engine from acting as a brake when the vehicle is travelling down an incline.

6.6. *Prohibition on mounting or taking hold of vehicle in motion.*—(1) No person shall mount or attempt to mount on or dismount from any motor vehicle when the motor vehicle is in motion.

(2) No person shall take hold of, and no driver of a motor vehicle shall cause or allow any person to take hold of, any motor vehicle in motion for the purpose of being towed or drawn upon some other wheeled vehicle or otherwise.

6.7. *Towing.*—(1) No vehicle other than a mechanically disabled or incompletely assembled motor vehicle or a registered trailer shall be drawn or towed by any motor vehicle.

(2) No motor vehicle other than a registered trailer shall be drawn or towed by any other motor vehicle unless there is in the driver's seat of the motor vehicle being drawn or towed a person holding a licence authorising him to drive the vehicle or unless the steering wheels of the motor vehicle being towed are firmly and securely supported clear of the road surface by some crane or other device on the vehicle which is drawing or towing it.

(3) When a motor vehicle is being towed by another motor vehicle, the clear distance between the rear of the front vehicle and the front of the rear vehicle shall at no time exceed five metres. Steps shall be taken to render the two rope or chain easily distinguishable by other users of the road, and there shall be clearly displayed on the rear of the vehicle being towed in black letters not less than 75 millimetres high and on a wide ground the words "ON TOW" :

Provided that no person shall be liable to be convicted for the contravention of the sub-rule for failure to display the words "ON TOW" if the motor vehicle which is towing the other is not a motor vehicle adapted and ordinarily used for the purpose and so long as the vehicle is being towed between the place of the breakdown and the nearest place on the route at which the necessary materials can be obtained.

(4) No motor vehicle when towing another vehicle other than a trailer or side-car shall be driven at a speed exceeding 25 kilometres per hour.

6.8. *Traffic segregation.*—Where any road or street is provided with footpaths, or tracts reserved for cycles or specified classes of other traffic, no persons shall, save with the sanction of a Police Officer in uniform, drive any motor vehicle or cause or allow any motor vehicle to be driven on any such foot-path or track.

6.9. *Projection of loads.*—(1) No person shall drive and no person shall cause or allow to be driven, in any public place any motor vehicle which is loaded in a manner likely to cause danger to any persons or in such a manner that the load or any part thereof or anything extends :

(a) laterally beyond the side of the body or beyond a vertical plane in prolongation of the side of the body;

(b) to the front beyond the formost part of the vehicle;

(c) to the rear to a distance exceeding 1.2 metres beyond the rearmost part of the vehicle excluding any luggage carrier; and

(d) in height by a distance which exceeds 3.4 metres from the surface upon which the motor vehicle rests.

(2) Clause (c) of sub-rule (1) shall not apply to goods motor vehicle when loaded with any pole or any projecting things so long as :

(a) the projecting load falls within the limits of the body of a trailer being drawn by the goods vehicles; or

(b) the distance by which the pole or other thing projects beyond the rearmost point of the motor vehicle does not exceed 1.8 metres; and

(c) there is attached to the rear of such pole or other thing in such a way as to the clearly visible from the rear at all times a white circular disc of not less than 375 millimetres in diameter; and at night a lamp in addition to the prescribed lamps on the vehicle so arranged as to show a red light to the rear.

(3) The Registering Authority or any Gazetted Officer of Police may by order in writing exempt any motor vehicle, for such period and subject to such conditions as he may specify, from any or all of the provisions of this rule.

6.10. *Carriage of dangerous substances.*—(1) Except for the fuel and lubricants necessary for the use of the vehicle, no explosive, highly inflammable or otherwise dangerous substance shall be carried on any public service unless it is so packed that even in the case of an accident to the vehicle, it is unlikely to cause damage or injury to the vehicle or persons carried thereon.

(2) If in the opinion of a Police Officer not below the rank of Sub-Inspector any public service vehicle is at any time loaded in contravention of this rule, he may order the driver or other person in charge of the motor vehicle to remove or repack the inflammable or dangerous substance.

6.11. *Sound Signals.*—(1) No driver of a motor vehicle shall sound the horn or other device for giving audible warning with which the motor vehicle is equipped, or shall cause or allow any other person to do so, continuously or to an extent beyond what is necessary to ensure safety.

(2) The District Magistrate may by notification published in the Official Gazette or in one more newspapers circulating in the area in question, and by the erection in suitable places of traffic sign no. 7 as set forth in Part A of the Ninth Schedule to the Act, prohibit the use by drivers of motor-vehicle of any horn, gong or other device for giving audible warning in any area during such hours as may be specified in the notification:

Provided that when the District Magistrate prohibit the use of any horn, gong or other device for giving audible warning during certain specified hours, he shall cause a suitable notice, in English and in the script of the district, to be affixed below the traffic sign setting forth the hours within which such use is prohibited.

6.12. *Cut-outs.*—No driver of a motor vehicle shall in any public place make use of any cut-out or other device by means of which the exhaust gases of the engine are released save through the silencer.

6.13. *Restrictions on travelling backwards.*—No driver of a motor vehicle shall cause the vehicle to travel backwards without first satisfying himself that he will not thereby cause danger or undue inconvenience to any person, or in any circumstances, for any person, or in any greater distance or period of time than may be reasonably necessary in order to turn the vehicle round.

6.14. *Use of lamps when a vehicle is at rest.*—(1) If within the limits of any municipality or cantonment a motor vehicle is at rest within the hours during which lights are required, at the left hand side of any road or street or elsewhere or in any duly appointed parking place, it shall not be necessary for the motor vehicle to exhibit any light save as may be required generally or specifically by the District Magistrate.

(2) Outside the limits of a municipality or cantonment if a motor vehicle is at rest within the hours during which lights are required in such a position as not to cause danger or undue inconvenience to other users of the roads, it shall not be necessary for the motor vehicle to display any lights.

6.15. *Dazzling lights.*—(1) The driver of a motor vehicle shall at all times when the lights of the motor vehicle are in use so manipulate them that danger or undue inconvenience is not caused to any person by dazzle.

(2) The District Magistrate may by notification in the Official Gazette and by the erection of suitable notices in English and in the local script prohibit the use, within such areas or in such places as may be specified in the notification, of lamps giving a powerful or intense light.

6.16. *Visibility of lamps and registration marks.*—(1) No load or other thing shall be placed on any motor vehicle so as at any time to mask or otherwise interrupt vision of any lamp, registration mark or other mark required to be carried by or exhibited on any motor vehicle by or under the provisions of the Act, unless a duplicate of the lamp or mark so masked or otherwise obscured is exhibited in the manner required by or under the Act for the exhibition of the masked or obscured lamp or mark.

(2) All registration and other marks required to be exhibited on a motor vehicle by or under the provisions of the Act shall at all times be maintained as far as may be reasonably possible in a clear and legible condition.

6.17. *Stop sign on road surface.*—(1) When any line is painted on or inlaid into the surface of any road at the approach to a road junction or to a pedestrian crossing or otherwise, no driver shall drive a motor vehicle so that any part thereof projects thereon that line at any time when a signal to stop is given by a police officer or by means of traffic control lights or by the temporary display of sign no. 3 in Part A of the Ninth Schedule to the Act.

(2) A line for the purposes of this rule shall not be less than five centimetres in width at any part and shall be either in white, black or yellow.

Special rules applicable to trailers

6.18. *Trailers prohibited with motor cycles.*—(1) No motor cycle with not more than two wheels with or without a sidecare shall not draw a trailer.

(2) No motor cycle shall draw a trailer exceeding 227 kilograms in weight unladen or 1.5 metres in overall width.

6.19. *Prohibition of attachment of trailer to certain vehicles.*—No motor vehicle which exceeds 8 metres in length shall draw a trailer :

Provided that this rule shall not apply to any motor vehicle being towed in consequence of disablement.

6.20. *Attendants on trailer.*—(1) When a trailer is or trailers are being drawn by a motor vehicle there shall be carried in the trailer or trailers or on the drawing motor vehicle, as the case may be, the following persons not being less, than twenty years of age and competent to discharge their duties that is to say :—

(a) if the brakes of the trailer or trailers cannot be operative by the driver of the drawing motor vehicle or by some other person carried on that vehicle—

(i) one person on every trailer competent to apply the brakes; and

(ii) one person placed at or near the rear of the last trailer in train in such a position as to able to a clear view of the road in the rear of the trailer, to signal to the driver of overtaking vehicles and to communicate with the driver of the drawing motor vehicles;

(b) if the brakes of the trailer can be operated by the driver of the drawing motor vehicle or by some other person carried on that vehicle, such other person in addition to the driver shall be carried on that vehicle and one person on the last trailer in train in accordance with the provisions of sub-clause (ii) of clause (a);

(c) if the trailer is or trailers are being drawn by a locomotive notwithstanding that the brakes of the trailer or trailers can be operated by the driver or some other person on the locomotive, not less than one person on each trailer and not less than two persons on the last trailer in the train, one of whom shall be the person required by the provisions of sub-clause (ii) of clause (a).

(2) This rule shall not apply—

(a) to any trailer having not more than two wheels and not exceeding 771 kilograms in weight laden when used singly and not in a train with other trailers;

(b) to the trailing half of an articulated vehicle;

(c) to any trailer used solely for carrying water for the purposes of the drawing vehicle when used singly and not in a train with other trailers;

(d) to any agricultural or road making or road repairing or road cleansing implement drawn by a motor vehicle;

(e) to any trailer specially constructed or adapted for any purpose, upon which an attendant cannot safely be carried; or

(f) to any closed trailer specially constructed for any purpose and specifically exempted from any or all of the provisions of this rule by an order in writing made by registering authority, to the extent so exempted.

6.21. *Distinguishing mark for trailers.*—(1) No person shall drive or suffer or cause to be driven in any public place any motor vehicle to which a trailer is or trailers are attached unless there is exhibited on the back of the trailer or of the last trailer in train, as the case may be, a distinguishing mark in the form set out in the diagram contained in the Third Schedule to these rules in white on a black ground.

(2) The mark shall be kept clean and unobscured and shall be so fixed to the trailer that—

(a) the letter on the mark is vertical and easily distinguishable from the rear of the trailer;

(b) the mark is either on the centre or to the right hand side of the back of the trailer; and

(c) no part thereof is at a height exceeding 1.2 metres from the ground.

(3) This rule shall not apply to the cases referred to in clauses (a), (b), (c), (d) and (e) of sub-rule (2) of rule 6.20.

Special rule for locomotives

6.22. *Attendant.*—Every locomotive shall carry not less than one attendant, being a competent person of over twenty years in the management of the locomotive.

6.23. *Crossing unmanned railway level crossing.*—When a public service vehicle approaches an unmanned railway level crossing, the driver of the vehicle shall cause the vehicle to be stopped, and the conductor of the vehicle shall get down from the vehicle, see the railway track on both sides and ensure that it is clear, and shall then give a signal to the driver of the vehicle to cross the track :

Provided that the conductor shall not get into the vehicle until it has crossed the track.

CHAPTER VII

HALTING OF MOTOR VEHICLES IN PUBLIC PLACES : CONTROL OF STANDS

7.1. *Halting of stage carriages.*—No stage carriage shall be halted in an urban area for more than five minutes consecutively for the taking up or setting down of passengers or at any time during the course of a run except at a stand.

7.2. *Bus stops.*—(1) The District Magistrate may direct that in any street or any road in an urban area notified by him in this behalf (the notification being made by public proclamation or in such other manner as the District Magistrate may deem fit) no stage carriage shall take up or set down passengers except at a place appointed by him as a bus stop or at a stand.

(2) No stage carriage shall be halted at a bus stop for longer than is necessary to take up such passengers as are waiting when the vehicle arrives and to set down such passengers as wish to alight.

7.3. *Every stage carriage trip to be begun and ended at a stand.*—(1) If the run of any stage carriage starts or finishes in an urban area it shall, unless the District Magistrate specially exempt the vehicle from the provision of this rule., be begun from or be ended at a stand.

(2) Where a stage carriage is exempted from the provisions of the preceding sub-rule which shall be a condition of the exemption that no passengers shall be taken up or set down, as the case may be, at any point within a distance of 183 metres or such other distance as may be named in the order of exemption from the place where the stage carriage is garaged or parked at the start or finish of the run.

(3) In exempting a stage carriage from the provisions of sub-rule (1) of this rule the District Magistrate may make it a condition that the first passengers shall be taken up, or the last passengers be set down, at a particular bus stop fixed for the purpose in the order of exemption.

(4) An order of exemption made under sub-rule (1) of this rule shall remain in force for one year or such lesser period as the District Magistrate may direct and may be cancelled or modified by him at his discretion at any time.

7.4. *Stage carriages to be properly parked when not in use.*—A State Transport Authority may attach to a stage carriage permit a condition that when the vehicle is not in use it shall not be halted in any public place except at a stand or at a parking place appointed by a competent authority under section 76.

7.5. *Preceding rules not applicable to contract carriages.*—Nothing in rule 7.1 or 7.3 or in any direction made under rule 7.2 shall apply to a stage carriage when it is being used under the authority as a contract carriage or as a vehicle for the carriage or goods without passengers, provided that a board had been affixed to the vehicle bearing the inscription "On contract" or "carrying goods only" (as the case may be) and provided particulars of the hiring have been entered in the log-book of the vehicle.

7.6. *Halting of contract carriages.*—A State Transport Authority may impose on the use of any contract carriage, or any stage carriage when the same is being used as a contract carriage, a condition that the vehicle shall not be halted for more than ten consecutive minutes in any public place in an urban area save at a parking place or in the case of a motor-cab a cab-rank duly appointed under section 76 or at a stand.

7.7. *Parking places.*—The District Magistrates in Union Territory of Dadra and Nagar Haveli is authorised, subject to the control of the State Transport Authority and after consultation with the Chief of Police and the local authority having jurisdiction in the area concerned, to make orders appointing parking-places for motor vehicles under section 76.

(2) No motor cycle shall draw a trailer exceeding 227 kilograms in weight unladen or 1.5 metres in overall width.

6.19. *Prohibition of attachment of trailer to certain vehicles.*—No motor vehicle which exceeds 8 metres in length shall draw a trailer :

Provided that this rule shall not apply to any motor vehicle being towed in consequence of disablement.

6.20. *Attendants on trailer.*—(1) When a trailer is or trailers are being drawn by a motor vehicle there shall be carried in the trailer or trailers or on the drawing motor vehicle, as the case may be, the following persons, not being less, than twenty years of age and competent to discharge their duties that is to say :—

(a) if the brakes of the trailer or trailers cannot be operative by the driver of the drawing motor vehicle or by some other person carried on that vehicle—

(i) one person on every trailer competent to apply the brakes; and

(ii) one person placed at or near the rear of the last trailer in train in such a position as to able to a clear view of the road in rear of the trailer, to signal to the driver of overtaking vehicles and to communicate with the driver of the drawing motor vehicles;

(b) if the brakes of the trailer can be operated by the driver of the drawing motor vehicle or by some other person carried on that vehicle, such other person in addition to the driver shall be carried on that vehicle and one person on the last trailer in train in accordance with the provisions of sub-clause (ii) of clause (a).

(c) if the trailer is or trailers are being drawn by a locomotive notwithstanding that the brakes of the trailer or trailers can be operated by the driver or some other person on the locomotive, not less than one person on each trailer and not less than two persons on the last trailer in train, one of whom shall be the person required by the provisions of sub-clause (ii) of clause (a).

(2) This rule shall not apply—

(a) to any trailer having not more than two wheels and not exceeding 771 kilograms in weight laden when used singly and not in a train with other trailers;

(b) to the trailing half of an articulated vehicle;

(c) to any trailer used solely for carrying water for the purposes of the drawing vehicle when used singly and not in a train with other trailers;

(d) to any agricultural or road making or road repairing or road cleansing implement drawn by a motor vehicle;

(e) to any trailer specially constructed or adapted for any purpose, upon which an attendant cannot safely be carried; or

(f) to any closed trailer specially constructed for any purpose and specifically exempted from any or all of the provisions of this rule by an order in writing made by registering authority, to the extent so exempted.

6.21. *Distinguishing mark for trailers.*—(1) No person shall drive or suffer or cause to be driven in any public place any motor vehicle to which a trailer is or trailers are attached unless there is exhibited on the back of the trailer or of the last trailer in train, as the case may be, a distinguishing mark in the form set out in the diagram contained in the Third Schedule to these rules in white on a black ground.

(2) The mark shall be kept clean and unobscured and shall be so fixed to the trailer that—

(a) the letter on the mark is vertical and easily distinguishable from the rear of the trailer;

(b) the mark is either on the centre or to the right hand side of the back of the trailer; and

(c) no part thereof is at a height exceeding 1.2 metres from the ground.

(3) This rule shall not apply to the cases referred to in clauses (a), (b), (c), (d) and (e) of sub-rule (2) of rule 6.20.

Special rule for locomotives

6.22. *Attendant.*—Every locomotive shall carry not less than one attendant, being a competent person of over twenty years in the management of the locomotive.

6.23. *Crossing unmanned railway level crossing.*—When a public service vehicle approaches an unmanned railway level crossing, the driver of the vehicle shall cause the vehicle to be stopped, and the conductor of the vehicle shall get down from the vehicle, see the railway track on both sides and ensure that it is clear, and shall then give a signal to the driver of the vehicle to cross the track :

Provided that the conductor shall not get into the vehicle until it has crossed the track.

HALTING OF MOTOR VEHICLES IN PUBLIC PLACES : CONTROL OF STANDS

7.1. *Halting of stage carriages.*—No stage carriage shall be halted in an urban area for more than five minutes consecutively for the taking up or setting down of passengers or at any time during the course of a run except at a stand.

7.2. *Bus stops.*—(1) The District Magistrate may direct that in any street or any road in an urban area notified by him in this behalf (the notification being made by public proclamation or in such other manner as the District Magistrate may deem fit) no stage carriage shall take up or set down passengers except at a place appointed by him as a bus stop or at a stand.

(2) No stage carriage shall be halted at a bus stop for longer than is necessary to take up such passengers as are waiting when the vehicle arrives and to set down such passengers as wish to alight.

7.3. *Every stage carriage trip to be begun and ended at a stand.*—(1) If the run of any stage carriage starts or finishes in an urban area it shall, unless the District Magistrate specially exempt the vehicle from the provision of this rule, be begun from or be ended at a stand.

(2) Where a stage carriage is exempted from the provisions of the preceding sub-rule which shall be a condition of the exemption that no passengers shall be taken up or set down, as the case may be, at any point within a distance of 183 metres or such other distance as may be named in the order of exemption from the place where the stage carriage is garaged or parked at the start or finish of the run.

(3) In exempting a stage carriage from the provisions of sub-rule (1) of this rule the District Magistrate may make it a condition that the first passengers shall be taken up, or the last passengers be set down, at a particular bus stop fixed for the purpose in the order of exemption.

(4) An order of exemption made under sub-rule (1) of this rule shall remain in force for one year or such lesser period as the District Magistrate may direct and may be cancelled or modified by him at his discretion at any time.

7.4. *Stage carriages to be properly parked when not in use.*—A State Transport Authority may attach to a stage carriage permit a condition that when the vehicle is not in use it shall not be halted in any public place except at a stand or at a parking place appointed by a competent authority under section 76.

7.5. *Preceding rules not applicable to contract carriages.*—Nothing in rule 7.1 or 7.3 or in any direction made under rule 7.2 shall apply to a stage carriage when it is being used under the authority as a contract carriage or as a vehicle for the carriage or goods without passengers, provided that a board had been affixed to the vehicle bearing the inscription "On contract" or "carrying goods only" (as the case may be) and provided particulars of the hiring have been entered in the log-book of the vehicle.

7.6. *Halting of contract carriages.*—A State Transport Authority may impose on the use of any contract carriage, or any stage carriage when the same is being used as a contract carriage, a condition that the vehicle shall not be halted for more than ten consecutive minutes in any public place in an urban area save at a parking place or in the case of a motor-cab a cab-rank duly appointed under section 76 or at a stand.

7.7. *Parking places.*—The District Magistrates in Union Territory of Dadra and Nagar Haveli is authorised, subject to the control of the State Transport Authority and after consultation with the Chief of Police and the local authority having jurisdiction in the area concerned, to make orders appointing parking-places for motor vehicles under section 76.

7.8. *Cab-ranks.*—(1) At every cab-rank appointed under section 76 :—

(a) the drivers shall station their motor cabs in the rank in the order in which they arrive the motor cab which have been waiting longest being stationed in the front position, and the motor cabs been moved up as vacancies occur;

(b) the drivers of the first two motor cabs shall stay by their vehicles ready to be hired by any person;

(c) No motor cab engaged for some future time shall be kept in the rank unless the driver is willing to accept any intermediate hiring that may be offered; and

(d) No disabled motor cab shall be kept in the rank unless the disablement can be and is intended to be remedied forthwith.

(2) The District Magistrate may in the case of any cab rank relax any or all of the direction in the preceding sub-rule.

(3) Nothing in sub-rule (1) of this rule shall render it obligatory on a person wishing to hire a motor cab from a cab rank to take the first cab or restrict his freedom to choose whichever vehicle he prefers.

7.9. *Responsibility of driver, conductor and permit-holder for securing compliance with these rules.*—In so far any rule in this Chapter, or any orders issued in conformity therewith, directs that a transport vehicle shall or shall not be halted in a certain provisions enjoying the driver and place or in a certain manner, the rule shall be read as if it included in the case of a stage carriage the conductor to ensure that it is so halted or not halted, and requiring the holder of any permit issued in respect of the vehicle to take all measures open to him to secure compliance with the direction.

7.10. *Involuntary halts.*—No person shall be liable to be punished for halting a vehicle in contravention of any of these rules if the stopping of the vehicle was occasioned by a mechanical defect or by any other cause beyond the control of the driver or person incharge;

Provided that the driver or other person incharge shall continue to be liable for contravening section 81 unless all practicable steps have been taken to dispose of the vehicle in such a way that it shall not cause danger, obstruction or inconvenience to other users of the road.

7.11. *Prohibition on the use of horns.*—Except to avoid an imminent accident no person shall sound the horn or other audible warning device of any motor vehicle within the limits of a stand, parking place or cab-rank.

7.12. *Notification of stands.*—(1) The District Magistrate may in consultation with the local authority having jurisdiction in the area concerned make an order in the prescribed form permitting any place to be used as a stand, and without such an order no place shall be so used.

Provided always that no place which is privately owned shall be notified as a stand save on application by or with the written consent of the owner.

(2) Every order made by a District Magistrate under the preceding sub-rule shall show clearly the site of stand which is allowed to be established, and shall be notified by publication in one or more newspapers circulating in the district or by such other means as the District Magistrate may consider appropriate.

(3) No place where—

(a) arrangements are made for the issue of tickets to passengers, or

(b) covered accommodation is provided for waiting passengers, or

(c) agents are stationed to marshal waiting passengers.

shall be used for the taking up or setting down or passengers unless it has been duly notified as a stand under this rule.

7.13. *Consideration governing the location of stands.*—In deciding whether to grant permission for the use of any place as a stand the District Magistrate shall have regard to the following matters, namely,—

(a) the interests of the public generally and the efficient organisation of motor transport;

(b) the suitability of the site from the point of view of traffic control;

(c) the avoidance of annoyance to persons living or having property in the locality;

(d) the suitability of the site in relation to other stands in the same town;

(e) any other considerations that may appear to be relevant.

7.14. *Conditions applicable to stands.*—(1) Every order permitting a place to be used as a stand shall be subject to the following conditions, namely :—

(a) that the land and buildings of the stand shall at all times be kept clean and in a good state of repair;

(b) that the stand shall be administered in a seemly and orderly manner;

(c) that the person, company or authority permitted by the District Magistrate to use the place as a stand shall take all possible precautions to ensure that no breach of the Act or of these rules is committed in respect of any vehicle entering, or leaving or halting at the stand and that any such breach is reported to the nearest officer of police;

(d) that a board shall be set up in a conspicuous position at the stand showing the fees payable (if an order has been made fixing the fees) and that the full amount of fees due from the owners and drivers of vehicles shall be charged neither more nor less.

(e) that weighing-machines shall be maintained at the stands for determining the weight of the goods to be carried by passengers in public vehicles or in the goods vehicles.

(2) In making an order permitting a place to be used as a stand the District Magistrate may further attach to it any one or more of the following conditions, namely, that the local authority or person authorised to administer the stand shall—

(a) maintain such records as the District Magistrate may from time to time direct;

(b) employ such staff at the stand as may be specified in order;

(c) provide waiting-rooms for the largest number of passengers that may reasonably be expected to use;

(d) provide suitable lavatories for both sexes;

(e) provide rest-rooms for the drivers and conductors of the vehicles regularly kept at the stand;

(f) provide an adequate supply of drinking water for the passengers, drivers and all person likely to be employed at the stand;

(g) provide covered accommodation or other form of shelter for all the vehicles regularly kept at the stand or for such percentage of those vehicles as the District Magistrate may specify;

(h) provide for the illumination of the stand at night;

(i) provide, in a separate portion of the stand, facilities for washing and cleaning vehicles and for executing ordinary repairs;

(j) provide toilet and refreshment facilities in keeping with the appropriate requirements of privacy and hygiene;

(k) provide cloak-rooms containing wash-basins, water-taps, etc. for women passengers.

(3) With the approval of State Transport Authority the District Magistrate may attach to the order any other condition that may seem to him to be necessary to secure the efficient administration of the stand or otherwise to be in the public interest.

7.15. (1) When an order has been made permitting a place to be used for the establishment of a stand, the District Magistrate may enter into an agreement with any person, firm or company (hereinafter referred to as the "manager") to undertake the maintenance and management of the stand and to be responsible for the fulfilment of the conditions attached to the order of sanction and of all the provisions of the Act and these rules which may be applicable.

(2) It shall be a condition of every agreement made under the preceding sub-rule that the manager shall maintain accounts in English containing such particulars as the District Magistrate or any official or auditor appointed by him.

(3) Every such agreement shall further state whether the manager shall be entitled to retain the whole of the fees collected at the stand or whether some portion thereof or a consolidated sum in lieu shall be payable to the Administrator.

(4) An agreement under sub-rule (1) of this rule may be so framed as to require the manager within a certain time to erect specified buildings or carry out specified works on the site of the stand, or to fulfil any specified conditions of the stand, or to fulfil any specified conditions of the kind described in sub-rule (2) or rule 7.14.

(5) Save with the approval of the State Transport Authority no agreement shall be made under sub-rule (1) with any person who has a financial interest direct or indirect in any of the vehicles likely to be kept at the stand unless the person with whom the agreement is to be made agrees that he will employ in the working of the stand any person having such an interest.

7.16. *Municipal stands.*—(1) A local authority administering a stand shall maintain separate accounts of the income received and expenditure incurred in respect of it, and these accounts together with the accounts of any manager or contractor employed by the local authority in connection with the stand shall be subject to audit under arrangements made by the Administrator and shall be open to inspection at all reasonable times by the District Magistrate and any official appointed for the purpose.

(2) It shall be a condition of every order permitting a place to be used as a site for a stand that the whole of the profit derived from the administration of the stand, after deducting such expenditure for the management, lighting and maintenance of the stand as may be incurred with the approval of the District Magistrate together with the deductions specified in the next following sub-rule, shall be devoted by the local authority to defraying the cost of new buildings and improvements at the stands of providing amenities for the drivers of vehicles or waiting passengers.

(3) In determining the amount to be expended by the local authority under the preceding sub-rules on new buildings, improvements and amenities, a deduction shall be made equal to—

(a) the interest which the local authorities may actually be paying on any sum borrowed by it during the preceding twenty years for the purpose of acquiring land or buildings for the stand; or if the local authority has during the preceding twenty years expended capital of its own in acquiring land and building, a sum representing interest on that capital at the current bank rate;

(b) any rent which may be due from the local authority to any person on account of the land and buildings included in the stand; and

(c) such additional sum not exceeding three per cent of the gross receipt from fees as may be agreed between the District Magistrate under local authority.

(4) Save with the approval of the State Transport Authority the Local Authority administering a stand shall not entrust the management of the stand to or permit to be employed in the working of the stand any person who has a financial interest direct or indirect in any of the vehicles likely to be kept thereat.

7.17. *Disposal of moneys accruing to Government.*—Moneys accruing to the Administrator from the administration of stands shall be devoted, to—

(a) the carrying out of improvements and the provision amenities at stands;

(b) the acquisition of sites for stands, or

(c) any other object which in the opinion of the Administrator, conduces to the welfare of persons employed in the motor transport industry and the travelling public.

7.18. *Stands to be open to all transport vehicles.*—No transport vehicle, the driver or person in charge of which offers to pay the proper fees shall be refused admittance to a stand unless the sanctioned accommodation at the stand is already fully occupied :

Provided that where the owner of any vehicle has been granted a licence for a stand or has been given permission to make use of a stand of his vehicle shall have no right of admission to any stand situated within five miles of that stand.

7.19. *Company stands.*—(1) Order permitting a place to be used as a stand shall specify clearly the area which may be so used.

(2) Save with the special permission of the State Transport Authority, no such order shall be made unless the person or company applying to use the place as a stand holds permits (being permits in the name of the person or company making the application) for not less than five transport vehicles.

(3) Before giving permission for the establishment of any stand the District Magistrate shall satisfy himself that the proposed site is not in such a location as would give the user an undue advantage over the owners of stage carriages operating in competition with him from the general stand or stands.

(4) No vehicles shall be admitted to any stands of other than vehicles in respect of which a permit is held by the person or company in whose name the stand has been sanctioned, together with any vehicles which may have been specially mentioned in the District Magistrate's order as entitled to use the stand.

7.20. *Boundaries of stands to be demarcated.*—The local authority or person entrusted with the administration of a stand shall erect and maintain to the satisfaction of the District Magistrate pillars or other marks of a permanent character clearly indicating the boundaries of the land included in the stands.

7.21. *Prohibition on use of loud sounding devices at stands.*—(1) No horn, gong, bell, whistle, gramaphone, loud-speaker, musical instrument, or other device for creating loud noise shall be used to attract passengers to any stand.

(2) In the event of such use the manager and any contractor employed to administer the stand, and the owner, driver and conductor of the vehicle to which the sound was intended to attract custom, shall, in addition to the person who uses the instrument, be punishable for

contravening this rule, unless he can show that the use of the instrument was without his consent.

7.22. *Cancellation of orders for the establishment of stands.*—(1) A District Magistrate may at any time revoke any order made by himself or any of his predecessors permitting the establishment of any stand if in his opinion any of the conditions on which the stand was permitted to be established have been contravened or the stand has not been satisfactorily managed or its continuance is no longer in the public interest.

(2) Before revoking any order under the preceding sub-rule the District Magistrate shall give the person authorised to administer the stand an opportunity of being heard, and shall record his reasons in writing.

(3) If an order permitting the establishment of a stand is not revoked under sub-rule (1) of this rule, it shall remain in force for three years or such lesser period as may be mentioned in the order and may be renewed from time to time by the District Magistrate for a further period of not more than three years.

7.23. *Control over District Magistrate.*—(1) Any person aggrieved by an order of the District Magistrate sanctioning the establishment of stand, or revoking or modifying an order permitting the establishment of a stand may within thirty days of the receipt of the order, appeal to the Administrator, whose order, thereon shall be final and conclusive.

(2) The District Magistrates shall in all matters relating to the establishments of stands and the appointing of bus-stops be subject to the control of the State Transport Authority and shall comply with any particular or general instructions that may be issued by that Authority.

"(1) Subject to other provisions of these Regulations, a member shall be entitled to vote in an election to the Council from the regional constituency within whose territorial jurisdiction his professional address falls on a date immediately six months prior to the date on which the list of members eligible to vote in the election is published :

Provided that his name has been borne on the Register continuously for a period of not less than six months immediately prior to the date of the publication of the said list, and

Provided further that he is not in arrears in respect of his annual membership fee and the regional council fee on a date 45 days before the date, and in case of more than one date the first of the dates, fixed for the poll."

II. For the existing regulation 62, substitute the following :—

"62. *Qualifications of members to stand for election.*

Subject to other provisions of these Regulations, a fellow whose name is included in the list of members eligible to vote published under sub-regulation (1) of regulation 64 and whose name continues to be on the Register on the date on which he is to cast his vote, shall be eligible to stand for election to the Council from the regional constituency in which his name is included."

III. In the sub-regulation (1) of regulation 63, for the words "two hundred and ninety", substitute the words "three hundred and ninety".

IV. For the existing sub-regulation (1) of regulation 64, substitute the following :—

"(1) At least three months before the date, and in case of more than one date, the first of the dates of polling fixed for an election, the Council shall publish for each regional constituency, a list of members eligible to vote showing *'inter alia'* distinctly and separately—

(i) whether the voter is an associate or a fellow;

(ii) the manner in which the voters in any particular place shall exercise their franchise; and

(iii) in case the voters at a place are to exercise their franchise at a polling booth, the number and address of the polling booth at which the franchise shall be exercised.

Explanation I : The address of a member published in the list of voters shall be final for determining the manner in which he shall be entitled to cast his vote or the constituency or the polling booth to which he shall belong for the purposes of casting his vote :

Provided that in a city where there is more than one polling both, the Secretary may, in his discretion, permit a member attached to a booth to vote at another booth within the same city, on an application made in this behalf stating the reasons why he wants to vote at the other both, within 30 days of the date of publication in the Gazette of India of the notification under sub-regulation (4).

Explanation II : The inclusion of the name of a member in the list of members eligible to vote shall not confer an absolute right to vote at the election which shall be subject to the other provisions of these Regulations."

V. For the existing sub-regulation (2) of regulation 64, substitute the following :—

"(2) The list of members eligible to vote shall be put on the Notice Board of the Council, the Notice Boards of the Regional Council concerned as well as the Notice Boards of the branches of the Regional Council concerned wherever these exist."

VI. In sub-regulation (5) of regulation 6,' for the words "before the date or dates of polling fixed for an election", substitute the words "before the date, and in case of more than one date the first of the dates of polling fixed for an election".

VII. Re-number sub-regulation 64(5) as 65(1) and re-number the existing Regulation 65 as 65(2).

VIII. For the existing sub-regulation (1) of regulation 66, substitute the following :—

"(1) A candidate for election shall pay in all a fee of five hundred rupees irrespective of the number of nomi- nations, by a demand draft payable at the headquarters of the Institute."

IX. For the existing regulations 67 to 70, substitute the following :—

"67. *Scrutiny of nominations*

(1) The Secretary shall scrutinize the nomination papers of all the candidates and shall endorse on each nomination paper his decision whether he accepts or rejects the nomination.

(2) The Secretary shall record a brief statement of his reasons if he rejects a nomination.

(3) The Secretary shall refuse or reject a nomination if he is satisfied :—

(i) that the candidate was ineligible to stand for election; or

(ii) that the proposer or the seconder was not qualified to subscribe to the nomination of the candidate in the appropriate Form; or

(iii) that the signature of the candidate or of the proposer or the seconder is not genuine; or

(iv) that the candidate or the proposer or the seconder is in arrears in respect of the annual membership fee and/or the regional Council fee on the date he signs the form of nomination; or

(v) that there has been a failure to comply with the provisions of regulations 65 or 66.

Explanation I : The Secretary may not reject a nomination paper on the ground of a technical defect which is not of a substantial character.

Explanation II : The rejection of the nomination of a candidate by reason of any irregularity in respect of that nomination is no bar to the acceptance of another nomination which is valid in respect of the same candidate.

(4) In a case where the nomination, or if more than one nomination were filed, all the nominations of a candidate have been rejected, the Secretary shall give notice of his decision together with brief statement of his reasons therefor to the candidate concerned by registered post.

68. *Preparation of lists of valid nominations*

(1) On completion of the scrutiny of the nominations, the Secretary shall forthwith prepare a list of valid nominations for each constituency and cause a copy of the list to be sent by registered post to each candidate from that constituency whose nomination has been accepted as valid.

(2) The list shall contain full names in alphabetical order and the addresses of the validly nominated candidates for each constituency.

69. *Withdrawal of candidature*

(1) A candidate may withdraw his candidature by notice in writing subscribed by him and delivered to the Secretary before 3.00 P.M. of the tenth day following the date of issue of the communication under sub-regulation (1) of regulation 68.

(2) A candidate who has withdrawn his candidature shall be incompetent to cancel his withdrawal.

(3) The withdrawal of candidature shall be intimated by the Secretary to the other candidates standing for election from the same constituency.

(4) A candidate who has withdrawn his candidature in accordance with sub-regulation (1) shall be entitled to the refund in full of the fee paid by him under sub-regulation (1) of regulation 66."

70. *Intimation of final list of nominations to voters*

(1) The Secretary shall omit from the list of valid nominations the names of candidates who have withdrawn their candidature and send the final list of nominations for each constituency to all the candidates for that constituency by registered post and to the voters for that constituency.

(2) The list shall be put on the notice board of the Council, the notice boards of the Regional Council concerned as well as the notice boards of branches of Regional Council concerned, wherever these exist."

X. In regulation 71,

(a) for the words "before the date or dates of polling fixed for the election", substitute the words "before the date, and in case of more than one date the first of the dates of polling, fixed for the election".

(b) for the word & figure "regulation 67", substitute the word & figure "regulation 66".

XI. In sub-regulation (1) of regulation 72, for the words "before the date fixed for polling", substitute the words "before the date, and in case of more than one date the first of the dates, fixed for polling".

XII. For the existing regulation 75, substitute the following :—

"75. *Polling Booths*

The Secretary shall set up such number of polling booth at such places as he deems necessary :

Provided that no polling booth shall be set up in any town or city having less than 25 voters, according to their professional addresses, as given in the list of members eligible to vote :

Provided further that in a city having more than 400 voters, there shall be one polling booth for every 400 voters."

XIII. At the end of regulation 76, insert the following new sub-regulation (3).

"(3) Where the polling officer appointed by the Secretary is unable to conduct the polling on one or more of the day/days fixed for the polling, he may appoint any other person to act on his behalf."

XIV. For the existing sub-regulation (2) of regulation 79, substitute the following :—

"(2) He may appoint any two members as his authorised representatives for each polling booth, only one of whom shall be entitled to be present at a time on his behalf at that particular polling booth."

XV. In the sub-regulation (3) of regulation 79, for the words "at least thirty days before the date fixed for the poll", substitute the words "at least thirty days before the date, and in case of more than one date the first of the dates, fixed for the poll".

XVI. In regulation 82, re-number the sub-regulation (2) as sub-regulation (1) and sub-regulation (1) as sub-regulation (2) thereof.

XVII. In sub-regulation (2) of regulation 86, delete the words "at the end of the day, when the polling officer inspects it".

XVIII. In regulation 89, for the words "thirty days before the date fixed for the poll" substitute the words "twenty-five days before the date, and in case of more than one date the first of the dates, fixed for the poll".

XIX. For the existing sub-regulation (3) of regulation 90, substitute the following :—

"(3) An application in the appropriate Form, for permission to vote by post, shall be sent to the Secretary so as to reach him at least 45 days before the date, and in case of more than one date the first of the dates fixed for the poll, and an application not received within the time specified shall not be considered."

XX. For the existing sub-regulation (5) of regulation 90, substitute the following :—

"(5) A member who has been permitted to vote by post shall record his vote before a Magistrate, a Gazetted Officer, a Justice of the Peace, a Notary Public, or principal or head of a college affiliated to a university or of a higher secondary school recognised by the competent authority, in a room where no one else shall be permitted to be present."

XXI. (a) Delete sub-regulation (1) or regulation 102 and re-number sub-regulation (2) thereof as regulation 102.

(b) Change the heading of regulation 102 from "Finality of Secretary's decision" to "Election not to be invalid due to accidental omission etc."

XXII. In re-numbered regulation 102, delete the words "in the conduct of the election".

XXIII. For sub-regulation (1) of regulation 112, substitute the following :

"(1) (i) Subject to the other provisions of these Regulations, a member shall be entitled to vote at an election to the Regional Council from the region within which his professional address falls on a date immediately six months prior to the date on which the list of members eligible to vote for that election is published :

Provided that his name has been borne on the Regional Register continuously for a period of not less than six months immediately prior to the date of publication of the said list, and

Provided further that he is not in arrears in respect of the annual membership fee and/or the regional council fee on a date 45 days before the date, and in case of more than one date the first of the dates, fixed for the poll.

(ii)(a) At least three months before the date, and in case of more than one date the first of the dates of polling fixed for an election, the Council shall publish for each regional constituency, a list of members eligible to vote showing whether a voter is an associate or a fellow.

(ii)(b) The list of members eligible to vote shall be put on the Notice Board of the Council, the Notice Boards of the Regional Council concerned as well as the Notice Boards of the branches of the Regional Council concerned wherever these exist.

(iii) The list shall be available on payment of such price as may be fixed by the Council and this shall be notified in the Gazette of India and the Institute's Journal."

XXIV. After sub-regulation (2) of regulation 112, insert the following new sub-regulation (2A).

"(2A)(i) Subject to the provisions of Chapter VI, a member whose name is included in the list of voters published under this regulation shall be eligible to stand for the election to the Regional Council for the region in which his name is included.

(ii) The Council shall publish in the Gazette of India a notice stating the number of members to be elected and calling for nominations of candidates for election by a specified date which shall not be less than 14 days from the date of the publication of the notice."

XXV. In sub-regulation (3) of regulation 112, for the words "fifty rupees" substitute the words "one hundred rupees".

XXVI. For sub-regulation (4) of regulation 112, substitute the following :—

"(4) The number of members to be elected to the Regional Council shall be one for every hundred and ninety-five members in the region, entitled to vote at the election, fractions exceeding half being counted as one and fractions equivalent to or less than half being omitted :

Provided however that there shall be at least five elected members in each Regional Council."

XXVII. In sub-regulation (7) of regulation 112, for the words "hereinbefore mentioned", substitute the words "contained in this Chapter".

XXVIII. In Schedule 'A', for the existing Form 26, substitute the following new Form :—

"FORM 26

EMPLOYEES' STATE INSURANCE CORPORATION

New Delhi, the 27th January 1967

No. INSII(10)-03/64—It is notified for general information that the Employees' State Insurance Corporation passed the following Resolution in its meeting held on 22nd March, 66 :—

Resolution No. 1

"Resolved that the following proviso may be added to para 1(b) of the Corporation Resolution dated 23-8-60 under the heading Explanation :—

Provided that where an insured person has completed 4 contribution periods immediately preceding the commencement of relevant spell of Sickness, he shall be deemed to have completed two years' continuous service if contributions paid by him in any 3 out of the said 4 completed contribution periods entitle him to Sickness Benefit in the corresponding benefit periods.

Further resolved that para 2 of the resolution dated 23-8-60 may be substituted by the following :

The Extended Sickness Benefit shall be granted only if the insured person is no longer entitled to receive Sickness Benefit because of the 2nd proviso to Section 49 or because of his ineligibility to Sickness Benefit during the relevant benefit period under Section 47 of the Employees' State Insurance Act".

Resolution No. 2

"Resolved that with effect from such date as the Chairman of the Corporation may decide persons suffering from 'Gangrene' may be granted Extended Sickness Benefit on the same scale and subject to the same conditions as specified in the resolution adopted by the Corporation at its meeting held on 23rd August, 1960 in regard to grant of Extended Sickness Benefit to persons suffering from T. B., Leprosy, Mental and Malignant diseases.

Resolved further that in Sub-Regulation (3) of Regulation 103-A of the Employees' State Insurance (General) Regulations, 1950 the word 'Gangrene' shall be inserted after the word 'Lung abscess' wherever they occur".

The Director General Health Services to whom the question of devising a suitable terminology for the phrase 'Gangrene and its sequelae' had been referred as desired in the minutes of the said meeting, has since confirmed that the phrase 'Gangrene and its sequelae' may be adopted.

In pursuance of the above Resolutions the Chairman of the Corporation has decided that the Resolution granting Extended Sickness Benefit to insured persons suffering from 'Gangrene and its sequelae' will come into force from the 1st Sept., 1966.

Para two of the above Resolution number 2 is being published separately for comments before its final adoption by the Corporation in pursuance of Section 97(1) of the Employees' State Insurance Act, 1948.

Resolution of the Corporation dated 23-8-60 was published in part III Section 4 of the Gazette of India dated 29-4-1961.

बनाम

भारत संघ जो दक्षिण मध्य रेलवे का स्वामी है और जिसका प्रतिनिधित्व दक्षिण मध्य रेलवे, सिकंदराबाद के जनरल मैनेजर द्वारा किया जाता है। — प्रत्यर्थी

यत: उपर्युक्त शिकायतकर्ता ने भारतीय रेल अधिनियम 1890, द्वारा 41(1) के अधीन शिकायत की है कि मैसूर राज्य के उत्तर कन्नड़ जिले के बांगुर नगर, डांडेली में उनका एक कागज का कारखाना है; अलनावर-डांडेली शाखा लाइन 32 कि० मी० है; 1-2-1964 के पूर्व अलनावर से और अलनावर को मुख्य लाइन द्वारा भेजे जाने-वाले माल यातायात को भा० रे० स० सं० की भाड़ा सूची के अनुसार सामान्य दर पर प्रभारित किया गया था और अलनावर और डांडेली के बीच भेजे जाने वाले सभी माल यातायात को नये रूप से किया गया बुकिंग मानकर एक समान दर पर प्रभारित किया गया था; उपर्युक्त पद्धति से असंतुष्ट होकर शिकायतकर्ता ने डांडेली को और वहां से भेजे जाने वाले अपने यातायात पर अवरित दूरी के आधार पर वर्ग-दरों को लागू कराने के लिए दक्षिण रेलवे को निदेशित करने की प्रार्थना करते हुए रेल दर अधिकरण के समक्ष 1963 की शिकायत सं० 4 प्रस्तुत की है, उपर्युक्त शिकायत के निर्णयाधीन रहते समय दक्षिण रेलवे ने 1-2-64 से मानक सरकवां प्रभार को अलनावर-डांडेली के लिए 96

(185)

कि० मी० की दूरी पर चालू किया जब कि अलनावर और डांडेली के बीच की वास्तविक दूरी 32 कि० मी० है। उस पर शिकायतकर्ता ने अपनी शिकायत का संशोधन करते हुए अधिकरण से प्रार्थना की कि अलनावर और डांडेली के बीच भी अपने यातायात पर दूरी के बदले एक समान वास्तविक अविरत दूरी पर दरों और प्रभारों को लागू करने का निदेश रेलवे को दिया जाय; अधिकरण ने उपर्युक्त 1963 की शिकायत सं० 4 के सम्बन्ध में दिये गये 18-4-1966 के अपने निर्णय में कहा कि "हम एतद्वारा घोषित करते हैं कि अलनावर डांडेली खंड के लिए लागू होने वाली स्पीत दूरी पर वर्ग-दर को लागू करना भारतीय रेल अधिनियम की धारा 28 के विरुद्ध शिकायतकर्ता को अनुचित हानि पहुंचाता है और स्वत: डांडेली को और डांडेली से भेजे जाने वाले शिकायतकर्ता के यातायात पर की दरों को अनुचित ठहराता है; भारत संघ ने 1963 की शिकायत सं० 4 पर अधिकरण के निर्णय और आदेश के विरुद्ध सर्वोच्च न्यायालय में अपील की और स्थगित करने के लिए कैफियत दायर की और चूंकि स्थगित करने के लिए उनकी कैफियत सर्वोच्च न्यायालय द्वारा अस्वीकृत की गयी, दक्षिण मध्य रेलवे ने 5-11-1966 को शिकायत में निर्दिष्ट विशिष्ट स्टेशन जोड़ों के बीच केवल निर्दिष्ट मालों के लिए वास्तविक दूरी पर, वर्ग-दर पर स्टेशन-से-स्टेशन की दरें प्रभारित की, 1963 की शिकायत सं० 4 में अधिकरण के निर्णय के अनुसार जब तक वहन में उक्त लाइन शामिल है तब तक किसी भी स्टेशन से पर स्टेशन को निर्दिष्ट माल घोषित हों तो उसके सम्बन्ध में अलनावर-डांडेली लाइन पर स्वीकृत दूरी पर वर्ग-दरों के उन्मुक्त लाभ के लिए शिकायतकर्ता स्वत: हकदार है; चूंकि अपीलों में निर्णय

विशिष्ट रूप से निर्दिष्ट स्टेशनों से इतर स्टेशनों से प्रेषित यातायात के सम्बन्ध में स्फीत दूरी पर वर्ग-दर प्रभारित करते रहता है, उनको शिकायत के परिशिष्ट 'क' में निर्दिष्ट इतर 97 स्टेशन जोड़ों के सम्बन्ध में उन्मुक्ति पाने के लिए इस शिकायत को दायर करना पड़ा; नीचे दिये गये निर्दिष्ट मालों के सम्बन्ध में यातायात के वहन प्रभार भेदमूलक हैं और रेल अधिनियम की धारा 28 के उपबन्धों का उल्लंघन करते हैं क्योंकि भारत के इतर प्रदेशों में स्थित कागज के कारखानों को स्फीत दर पर प्रभारित करके उनके साथ भेदमूलक व्यवहार नहीं किया जाता । शिकायतकर्ता द्वारा उत्पादित कागज और पल्प बोर्ड भारत में विभिन्न स्थानों को प्रेषित किये जाते हैं और जहां उन्हें इतर कारखानों से प्रतियोगिता का सामना करना पड़ता है और स्फीत दूरी के फलस्वरूप अतिरिक्त भाड़ा देने पड़ने के कारण अनुचित रूप से पक्षपात युक्त होते हैं; यह हानि और पक्षपात केवल प्रत्यर्थी द्वारा अनुचित स्फीत दूरी के आधार पर उनके यातायात को प्रभारित करने की कार्यनीति के कारण हुआ था; निर्दिष्ट 97 स्टेशन जोड़ों के बीच नीचे दिये गये मालों के वहन भाड़ा स्वतः अनुचित है और जब कि वास्तविक दूरी केवल 32 कि० मी० है, 96 कि० मी० के लिए भाड़ा प्रभारित करके वसूल करना स्वतः अनुचित है ।

और यतः शिकायतकर्ता ने प्रार्थना की है कि (1) शिकायत के परिशिष्ट 'क' में उल्लिखित सोप्स्टोन चूरा, सोपस्टोन, बांस, भट्ठी का तेल, दाहक सोडा, सोडा, राख, रोजिन, चूनापत्थर, ऐलम, सोडियम, सल्फेट, कागज और पल्प बोर्ड आदि मालों के लिए 97 स्टेशन जोड़ों के बीच स्फीत दूरी पर भाड़ा वसूल करने के बदले अलनावर डांडेली के बीच और डांडेली अलनावर के बीच अविरत वास्तविक दूरी पर मानक दर और भाड़ा वसूल करने के लिए प्रत्यर्थी निदेशिक किया जाय (2) शिकायत की तारीख से उन्मुक्ति दिया जाय (3) शिकायतकर्ता को खर्च की अदायगी करायी जाय;

और यतः एसा माना जाता है कि और भी इस प्रकार के व्यक्ति होंगे जो रिकार्ड में नहीं हों परन्तु जिनका उपर्युक्त शिकायतकर्ताओं या प्रत्यर्थी के समान इन कार्यवाहियों में समान हित होगा ।

अतएव यह सार्वजनिक सूचना रेल दर अधिकरण नियमावली 1959 के नियम 19 (3) और 19 (4) के अधीन दी जाती है ताकि कोई भी व्यक्ति, जो चाहे, इस सूचना में प्रकाशन की तारीख से 30 दिनों के अन्दर शिकायत में प्रार्थित उनमुक्ति की पुष्टि में या विरोध में प्रविष्ट होने की अनुमति के लिए या शिकायत-कर्ताओं या प्रत्यर्थी के पक्ष में जोड़े जाने के लिए प्रस्तावित प्रवेश के आधार और स्थिति को तथा कार्यवाहियों में प्रार्थी के हित को स्पष्ट करते हुए या उक्त मामले में एक पार्टी के रूप में जोड़े जाने का आधार स्पष्ट करते हुए अधिकरण को अर्जी पेश कर सके । इस सार्वजनिक सूचना के बाद अधिकरण द्वारा दिया जानेवाला कोई भी निर्णय से एसे सभी लोगों पर लागू होगा ।

आज मार्च 1967 के 25 दिन "अडयार हाउस", 1, पन्स रोड, राजा अण्णामलैपुरम, मद्रास–28 में मेरे हस्ताक्षर और अधिकरण की मुद्रा के अधीन
जारी की जाती है ।

BEFORE THE RAILWAY RATES TRIBUNAL AT MADRAS

(*Public Notice under Rule* 19(3) *and* (4), *Railway Rates Tribunal Rules,* 1959).

COMPLAINT No. 4 of 1966.

The West Coast Paper Mills Ltd., *Complainant*

vs.

The Union of India owning the South Central Railway and represented by its General Manager, Secunderabad. *Respondent*

Whereas the complainant above named has filed a complaint under Section 41(1), Indian Railways Act, 1890, stating that he has a paper mill at Bangur Nagar, Dandeli in the North Kanara District of the Mysore State; that Alnavar-Dandeli branch line is 32 Kms; that prior to 1-2-1964 the goods traffic from and to Alnavar on the main line was charged on the usual basis as per I.R.C.A. Goods Tariff and between Alnavar and Dandeli all goods traffic was charged on flat rates treating as fresh bookings; that the complainant, aggrieved by the above system, filed complaint No. 4 of 1963 before the Railway Rates Tribunal to direct the Southern Railway to apply class rates on their traffic to and from Dandeli on continuous mileage; that during the pendency of the above complaint, the Southern Railway introduced with effect from 1-2-1964, standard telescopic charges but on an inflated distance of 96 Kms. between Alnavar and Dandeli when the actual distance is only 32 Kms; that thereupon the complainant amended the complaint requesting the Tribunal to direct the Railways to levy standard rates and charges on their traffic between Alnavar and Dandeli also on continuous actual distance and not on inflated distance; that the Tribunal by its judgment dated 18-4-1966 in the said complaint No. 4 of 1963 declared "We hereby declare that the class rates with inflated distance applicable to the Alnavar-Dandeli branch subject the complainant to an undue disadvantage in contravention of section 28 of the Indian Railways Act and also render unreasonable *per se* the rates for the complainant's traffic to and from Dandeli."; that the Union of India filed an appeal and a stay petition in the Supreme Court of India against the judgment and order of the Tribunal in Complaint No. 4 of 1963 and their stay petition was rejected by the Supreme Court, the South Central Railway on 5-11-1966 quoted station-to-station rates at the class rates on the actual distance only to the specified commodities between the specific pairs of stations mentioned in the complaint; that by reason of the judgment of the Tribunal in Complaint No. 4 of 1963, they are automatically entitled to relief from the class rates with inflated distance over the Alnavar-Dandeli Branch line in respect of whatever stations the specified commodities may be despatched to or from, so long as the carriage included this Branch line; that since the respondent has persisted in charging class rate with inflated distance in respect of traffic emanating from stations other than those specifically mentioned in the complaint, they have to file this complaint for relief regarding 97 other pairs of stations mentioned in annexure 'A' to the Complaint; that the rates for carriage of traffic in respect of the specified commodities mentioned below are discriminatory and offend the provisions of Sec. 28 of the Railways Act, since Paper mills situated in other parts of India are not subject to this discriminatory treatment of charging on an inflated basis; that the paper and pulp board manufactured by the complainant are despatched to various places in India, where they have to meet competition from other mills and that they are unduly prejudiced by reason of having to pay extra freight as a result of the inflated distance; that this disadvantage and prejudice are due solely to the policy of the respondent in charging their traffic on an unreasonable inflated distance basis; that the rates for the carriage of the commodities mentioned below between the specified 97 pairs of stations are unreasonable *per se* and to levy and collect a rate or charge for 96 Kms. when the actual distance is only 32 Kms. is by itself unreasonable;

And Whereas the complainant has prayed for (1) directing the respondent to levy standard rates and charges between Alnavar and Dandeli and *vice versa* on continuous actual distance and not on inflated distance for the commodities, Soap stone powder, soap stone, bamboos, furnace oil, caustic soda, soda ash, lime stone, alum, sodium sulphate, paper and pulp board between 97 pairs of stations mentioned in annexure 'A' of the Complaint; (2) granting the relief with effect from the date of the complaint and (3) awarding costs to the complainant;

And Whereas it is thought that there may be persons who are not on record but have the same interest in the proceedings as the complainant or the respondent above named;

This public notice is therefore given under Rule 19(3) and (4) of the Railway Rates Tribunal Rules, 1959, so that any person who desires may petition the Tribunal within 30 days of the publication of this notice for leave to intervene in support of or opposition to the reliefs sought in the complaint or be added on the side of the complainant or the respondent setting forth the grounds of the proposed intervention, the position and the interest of the petitioner in the proceedings or the grounds for being added as a party in the above complaint. Any decision given by the Tribunal after this public notice shall apply to all such persons.

Given under my hand and seal of the Tribunal, this 15th day of March, 1967, at "Adyar House", No. 1, Pugh's Road, Rajah Annamalaipuram, Madras-28.

V. N. GOPALA DESIKAN
Secretary,

Office of the Chief Inspector of Mines and Chairman, Board of (Metalliferous) Mining Examinations

Dhanbad, the 5th April 1967

BYE-LAWS FOR CONDUCT OF EXAMINATIONS FOR AND GRANT OF MANAGER'S CERTIFICATE OF COMPETENCY RESTRICTED TO MINES HAVING OPENCAST WORKINGS ONLY.

No. Board/MM/3497/67.—In accordance with the provision laid down in Sub-regulation (4) of Regulation 13 of the Metalliferous Mines Regulations, 1961, the following bye-laws made under the said sub-regulation for the conduct of examinations for and grant of Manager's Certificate of Competency restricted to mines having open-cast workings only under Regulation 16 of Metalliferous Mines Regulations, 1961 are hereby published.

1. Type and Extent of Training—(1) For purpose of clause (a) of Regulation 16(2).

(a) Practical experience as a workman on different operations shall be approved as below :

Experience in blasting	.. Upto 18 months.
(*ii*) Experience in taking samples of rock, ore or mine dust and analysing the same; experience as survey assistant or chainman.	Upto 18 months (including experience under sub-clause (b) and Clause (2).
(*iii*) Experience as a face worker or operator of machinery; experience on transport and haulage work; experience in ore handling and preparation plant; experience as electrician or mechanic.	Upto 24 months.

(*b*) Practical experience as a mining apprentice shall be approved as below :—

(*i*) Experience on general mining work.	In full.
(*ii*) Experience on quality control planning and survey work.	Upto 12 months.
(*iii*) Experience in drilling and prospecting work.	Upto 12 months.
(*iv*) Experience in transport and ore-handling work; Experience in workshop.	Upto 12 months.

(2) For purposes of clause (*b*) of Regulation 16(2), practical experience of mine officials shall be approved as below :—

(*i*) Experience as mining mate, mine foreman, safety officer, assistant manager or in any equivalent position.	In full.
(*ii*) Experience in quality control, planning and survey work.	Upto 12 months (including period of practical experience if any on survey work as mining apprentice).
(*iii*) Experience in drilling and prospecting work.	Upto 12 months (including period of practical experience, if any, on drilling and prospecting work as mining apprentice).
(*iv*) Experience in transport and ore handling work and in workshop.	Upto 12 months (including period of practical experienrce if any, on transport ore handling and in workshop as mining apprentice)

Experience in the capacity of other officials may be approved to an extent determined by the Board, provided that such official exercised real responsibility involving actual control and direction of some type of mining work. In case of such experience the exact nature of work performed and degree of responsibility should be stated in the certificate.

(3) For purposes of Regulation 19, only such practical experience in coal mines would be approved as has been obtained in mines having an average monthly output of not less than 2,500 tons of coal, and the extent of experience approved shall depend on the size, and degree of mechanisation of the mines and the nature of experience obtained.

(4) The practical experience of a candidate shall be approved only upto 60 days before the date of commencement of the examination.

(5) Practical experience extending over a period of less than three months in case of workers, and four weeks in case of officials and mining apprentices, at a time shall not be approved.

(6) Every certificate of practical experience should contain precise information about the capacity in which the candidate worked, the nature of work done, and the date of commencement and termination of experience at each mine. No certificate of practical experience shall be

considered unless it is granted by the manager of the mine. Every such certificate shall also carry the signature of the applicant, attested by the manager. Every certificate obtained after the publication of these byelaws, shall be in a form prescribed by the Board.

2. *Frequency of examination*—After the date specified in this behalf by the Board, the examinations shall be held once at least in every year.

3. *Applications to be supported by original certificates etc.*—No application shall be considered unless it is supported by original certificates as to qualifications, practical experience, age, sound health, first-aid and character, and is accompanied by evidence that the prescribed fee has been paid. The certificate of practical experience shall not be retured to the candidate.

4. *Appointment of examiners*—(1) So far as practicable, the examiners appointed by the Board for each of the examinations for the First Class Manager's Certificate and the Second Class Manager Certificate shall be two or more mining engineers, each holding the First Class Manager's Certificate and an Inspector of Mines who shall also act as the secretary for the examination.

(2) Except in an emergency, no member of the Board shall act as an examiner.

5. *Subject and Syllabus for examination*—(1) The candidates shall be examined in the following subjects :

(a) Winning and Working.

(b) Mining Machinery.

(c) Mine Surveying.

(d) Mine Management, Legislation and General Safety.

(2) The syllabus for the examination for the First Class Manager's Certificate shall be as laid out in Appendix I, and for the Second Class Manger's Certificate shall be as laid out in Appendix II.

6. *Type of examination*—(1) The examination for each subject shall consist of a written paper, (of three hours' duration) and an oral test, so however that, in case of candidate who has not reached the standard laid down in Byelaw 8(1), the examiners may eliminate the oral test.

(2) Questions for each written paper shall be prepared by the examiner concerned and submitted to the Board. Every question paper shall be set by the Board in consultation with the examiner concerned.

(3) The oral test may be held at a date after the written examination and notified to every candidate concerned by the Secretary. The notice shall also indicate the place of the oral test.

7. *Subject Marks*—Every subject shall carry a total maximum of 140 marks, a maximum of 100 marks for the written paper and of 40 marks for the oral test.

8. (1) In order to qualify for the oral test, a candidate must obtain, in the written examination, not less than 40 per cent of the maximum marks each in at least three of the four papers and not less than 50 per cent of maximum marks of the four papers taken together.

(2) In order to pass the examination, a candidate must obtain :

(i) not less than 40 per cent of the maximum marks in each of the four subjects, taking the written examination and the oral test separately,

(ii) not less than 50 per cent of the maximum marks in aggregate of the written examination and the oral test, taken separately, and

(iii) an aggregate of not less than 60 per cent of the maximum marks of the written examination and the oral test taken together.

9. *Re-examination in one or more subjects*—(1) If a candidate has satisfied the provisions of clauses (ii) and (iii) of byelaw 8(2) and has also obtained not less than 40 per cent of the maximum marks in the oral test in each of the subjects, but has failed to obtain 40 per cent of the maximum marks in the written examination in one of the four subjects, he shall be eligible for re-examination in the subject in which he has so failed, at the next succeeding two written examinations.

(2) If a candidate has obtained :

(i) in the written examination not less than 40 per cent of the maximum marks in each of the subjects, and not less than 60 per cent of the maximum marks in all the subjects taken together.

(ii) in the oral test, not less than 50 per cent of the maximum marks in aggregate but has failed to obtain 40 per cent of the maximum marks in any one or two subjects,

he shall be eligible for re-examination in the subject or subjects in which he has so failed, at the next two succeeding oral tests.

(3) Every candidate who becomes eligible to be re-examined under Clause (1) and (2) of this Byelaw, shall be duly informed of the fact by the Secretary.

Provided that if any such candidate is unable, by reason of illness, to a attend at the next succeeding examination aforesaid, he may at the discretion of the Board be permitted to be re-examined at the next respective succeeding examination.

(4) A candidate re-examined under this Byelaw shall be deemed to have passed in the examination as a whole if he obtains not less than 60 per cent of the maximum marks in the written paper or the oral tests, as the case may be, in the subject or subjects concerned.

10. *Conduct of the Written Examination*—All candidates shall conduct themselves as required by the Secretary. The rules laid down in Appendix III shall apply to the conduct of the written examination.

11. *Penalty for misconduct*—Any candidate who submits a false certificate or counterfeits a certificate or makes a false declaration or adopts unfair means during the examination, may be disqualified by the Board and also debarred from appearing at any subsequent examination for a specified period not exceeding three years depending upon the facts of the case.

12. *Declaration of Results*—The results of the examinations, as approved by the Board, shall be announced by the Secretary on a date fixed by the Board.

13. *Cancellation of Result etc.*—If a candidate who has been declared successful in any examination for the grant of a certificate or who has been granted a certificate, is found to have submitted a false certificate or to have counterfeited a certificate or to have made a false declaration, the Board may cancel his result or withdraw the certificate issued to him, as the case may be.

1. No candidate shall be admitted into the examination hall until he has produced an authorisation issued by the Secretary. No candidate arriving more than 30 minutes late shall be permitted to attend the examination; no candidate arriving late shall be eligible for any extra compensatory time.

2. Before entering the examination hall, every candidate shall leave all books, notes and papers etc. out-side.

3. Every candidate shall be required to sign in a register in which his roll number would be recorded.

4. Paper will be supplied, and no paper other than that so supplied shall be used.

5. Names shall not be written on the answer book. Every candidate shall write his roll number on the slip attached to the answer book and no where else. Any person who writes his roll number or name or initials etc. on his answer book is liable to be disqualified.

6. Ink will be provided. Candidates shall bring their own pens and pencils, drawing pens and drawing instruments, including protractor.

7. Candidates will be supplied with logarithmic tables if considered necessary by the examiner.

8. The calculations and other work by which a result is obtained shall be clearly shown on the left-hand side page, in immediate connection with the answer to the question under reference.

9. Sketches may be made to illustrate answers. When sketches are asked for, it should be understood that, unless otherwise stated, free hand sketches with dimensions are all that is necessary; and candidates need not spend time in making finished drawings.

10. Any candidate desiring to consult the examiner or requiring any paper or other material should stand in his seat to draw attention, but should not call out.

11. Any candidate speaking to any other candidate, or consulting any book or notes, or using paper other than that supplied by the Board, or using any other unfair means or acting in a manner considered improper by the examiner, shall be liable to be disqualified.

12. No candidate shall leave the examination hall before the expiry of one hour after the commencement of the examination.

13. When a candidate has completed the answers to the questions or when the time allowed for answering the questions has elapsed, or when a candidate has been disqualified under Rule 11, he must hand over the answer book to the Secretary and at once leave the examination hall.

BYE-LAWS FOR CONDUCT OF EXAMINATIONS FOR AND GRANT OF MINE SURVEYOR'S CERTIFICATE OF COMPETENCY RESTRICTED TO MINES HAVING OPENCAST WORKINGS ONLY

No. Board/MM/3498/67.—In accordance with the provision laid down in Sub-regulation (4) of Regulation 13 of the Metalliferous Mines Regulations, 1961, the following bye-laws made under the said sub-regulation for the conduct of examinations for and grant of Surveyor's Certificate of Competency restricted to Mines having opencast workings only under Regulation 17 of Metalliferous Mines Regulations, 1961 are hereby published.

1. *Type and Extent of Training.*—(1) The practical experience of a candidate shall be approved only up to 60 days before the date of commencement of the examination.

(2) Practical experience extending over a period of less than four weeks at a time shall not be approved.

(3) Every certificate of practical experience should contain precise information about the capacity in which the candidate worked, the nature of work done, and the date of commencement and termination of experience at each mine. No certificate of practical experience shall be considered unless it is signed by the Manager of the mine or in case of persons employed in an organisation other than a mine which is concerned with surveying the workings of a mine, by the officer-in-charge of the survey work. Every such certificate shall also carry the signature of the applicant, attested by the Manager or the Officer-in-charge as the case may be. Every certificate obtained after the publication of these bye-laws shall be in a form prescribed by the Board.

2. *Frequency of examinations.*—The examinations shall be held once at least in every year.

3. *Applications to be supported by original certificate, etc.*—No application shall be considered unless it is supported by original certificates as to qualifications, practical experience, age, sound health, First-Aid and character, and is accompanied by evidence that the prescribed fee has been paid. The certificates of practical experience shall not be returned to the candidate.

4. *Appointment of Examiners.*—(1) So far as practicable the examiners appointed by the Board shall be a person holding the Mines Surveyor's Certificate or First Class Managers' Certificate and an Inspector of Mines who shall also act as the Secretary for the examination.

(2) Except in an emergency, no member of the Board shall act as an examiner.

5. *Syllabus and Type of Examination.*—(1) The examination shall consist of one written paper and an oral test; so however that, in case of candidate who has obtained an aggregate of less than 50 marks in the written paper, the examiners may eliminate the oral test.

(2) The syllabus for the examination shall be as laid down in Appendix I.

(3) Questions for each written paper shall be prepared by the examiner concerned and submitted to the Board. The question paper shall be set by the Board in consultation with examiner concerned.

(4) The oral test may be held at a date after the written examination and notified to every candidate concerned by the Secretary. The notice shall indicate the place of the oral test.

6. *Subject marks.*—The examination shall carry a total maximum of 160 marks, a maximum of 100 marks for the written paper and of 60 marks for the oral test.

7. *Qualifying and Pass Marks, etc.*—In order to qualify for the oral test, a candidate must obtain not less than 50 marks in the written examination; and in order to pass the examination, not less than 30 marks in the oral test and a total aggregate of not less than 96 marks.

8. *Conduct of the Written Examination.*—All candidates shall conduct themselves as required by the Secretary. The rules laid down in Appendix II shall apply to the conduct of the written examination.

9. *Penalty for misconduct.*—Any person who submits a false certificate or counterfeits a certificate or makes a false declaration or adopts unfair means during the examination, may be disqualified by the Board and also debarred from appearing at any subsequent examination for a specified period not exceeding three years depending upon the facts of the case.

10. *Declaration of Results.*—The results of the examinations, as approved by the Board, shall be announced by the Secretary on a date fixed by the Board.

11. *Cancellation of Result, etc.*—If a candidate who has been declared successful in any examination for the grant of a certificate, or who has been granted a certificate, is found to have submitted a false certificate or to have counterfeited a certificate or to have a false declaration, the Board may cancel his result or withdraw the certificate issued to him, as the case may be.

(3) Every certificate of practical experience should contain precise information about the capacity in which the candidate worked, the nature of work done, and the dates of commencement and termination of experience at each mine. No certificate of practical experience shall be considered unless it is granted by the manager of the mine.

(4) Any candidate who submits a false certificate or counterfeits a certificate or makes a false declaration or adopts unfair means during the examination, may be disqualified by the Board and also debarred from appearing at any subsequent examination for specified period not exceeding three years depending upon the facts of the case.

2. *Application to be supported by original certificate etc.*—No application shall be considered unless it is supported by original certificates as to qualifications, if any, literacy, practical experience, age, sound health, first-aid and character, and is accompanied by evidence that the prescribed fee has been paid.

3. *Holding of examinations.*—Examinations shall be held at such times and such places as may be fixed by the Board and notified to the candidate. The examination fees of a candidate who fails to appear for an examination at the appointed place and time without sufficient cause to the satisfaction of the Chief Inspector shall be forfeited.

4. *Appointment of Examiners.*—(1) So far as practicable, the examiners appointed by the Board for each examination shall be one manager or assistant manager holding the First or Second Class Manager's Certificate and an Inspector of Mines who shall also act as the Local Secretary.

(2) Except in an emergency, no member of the Board shall act as an examiner.

5. *Type of examination.*—(1) The examination shall be conducted orally in Hindi or in the language of the district in which examination is held.

(2) Candidates shall be examined in the following subjects :

(i) Charging and firing of shots of gunpowder and high explosives in opencast workings; sources of accidents in the handling and use of explosives.

(ii) Provisions of the Metalliferous Mines Regulations and Rules and Bye-laws made under the Mines Act, 1952 relating to the handling and use of explosives on the surface and in opencast workings, and to the duties of blasters in respect of such handling and use.

(iii) Methods of examining working places after blasting; and rendering them safe.

(iv) Dealing with misfires.

(v) Writing of reports.

6. *Conduct of the examination.*—Every candidate shall conduct himself as required by the Local Secretary of the examination.

7. *Identity of candidates, etc.*—(1) At the time of examination, every candidate shall hand over the authorisation issued to him for appearing in the examination and two unmounted photographs of himself (of a size approximately (5 cm.×6·5 cm.) to the Local Secretary for the examination who after satisfying himself that each photograph is a likeness of the candidate shall endorse each of them on the back with the same of the candidate.

(2) The secretary of the examination shall record the left hand thumb impression of every candidate.

8. *Successful candidates.*—In order to qualify, a candidate must obtain not less than 40 per cent of the maximum marks in each subject and not less than 60 per cent of the total marks.

9. *Unsuccessful candidates.*—A candidate who has failed in an examination for a Blaster's Certificate shall not be eligible for re-examination for a period of three months from the date of the examination in which he failed.

No. BOARD-MM/3500/67.—In accordance with the provision laid down in sub-regulation (4) of Regulation 13 of the Metalliferous Mines Regulations, 1961, the following bye-laws made under the said sub-regulation for the conduct of medical examination under sub-regulation (1) of Regulation 30 of the Metalliferous Mines Regulations, 1961 are hereby published :—

BYE-LAWS FOR THE CONDUCT OF MEDICAL EXAMINATION UNDER SUB-REGULATION (1) OF REGULATION 30 OF THE METALLIFEROUS MINES REGULATIONS, 1961

1. *Application for examination.*—An application for a medical examination under sub-regulation (1) of Regulation 30 of the Metalliferous Mines Regulations, 1961 shall be made by the candidate to the Chief Inspector not less than four months prior to the date on which such medical examination is due.

2. *Examination and Examiners.*—(1) So far as practicable the examiners appointed by the Chief Inspector for each medical examination under this regulation shall be two registered medical practitioners. Every examiner shall be paid a fee of Rs. two for every candidate examined.

(2) The applicant may be required to appear for medical examination at such time and at such place as may be communicated to the applicant in writing. While at the place of the examination, every candidate shall conduct himself as required by the examiners.

3. *Standard of fitness, etc.*—(1) For ascertaining the freedom of a person from deafness, defective vision or any other infirmity, mental or physical, likely to interfere with the efficient discharge of his duties, the medical practioners appointed as examiners shall *keep in view* the standard laid down in First Schedule in these bye-laws. Not withstanding these standards, however, if the examiners are of the opinion that any disability of the person is of such a nature and degree that it is not likely to interfere with the normal discharge of his duties for a period of five years, the examiners may declare the person to be fit.

(2) If the examiners are of the opinion that the disability of the person is of such a nature and degree that it can be cured or controlled such that it is no longer likely to interfere with the normal discharge of his duties, the examiners may recommend that the person may be directed to get his disability cured or controlled, as the case may be, and to submit himself to another medical examination within such period not exceeding six months as they may specify. The Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing, permit the person to continue to act in a statutory capacity during such period.

(3) The examiners shall submit their report in the form in Second Schedule to these bye-laws.

4. *Identity of the candidate.*—Every candidate shall bring with him to the place of examination the certificate of competency held by him, and shall produce the same (along with the authorisation issued to him for appearing at the examination) to the examiners for proving his identity.

5. *Successful candidates.*—The certificate of competency of every successful candidate shall be retained by the examiners who shall immediately after the examination, forward the same to the concerned Regional Inspector of Mines for endorsement. The certificate duly endorsed shall be returned to the candidate through the manager of the mine, if any, where he is employed.

6. *Provision for re-examination.*—Where the Chief Inspector is of the opinion that due to special circumstances it would be advisable for a candidate who has failed to satisfy the examiners in an examination aforesaid to be re-examined he may arrange for a re-examination of the candidate by other examiners. The fee stipulated in clause (b) of Regulation 30(1) shall be payable for every such re-examination. Bye-laws 1 to 5 above shall also apply to every such re-examination.

G. S. JABBI,
Chief Inspector of Mines
&
Chairman, Board of (Metalliferous) Mining Examinations.

FIRST SCHEDULE

OFFICE OF THE CHIEF INSPECTOR OF MINES
AND
CHAIRMAN, BOARD OF (COAL) MINING EXAMINATIONS

Dhanbad, the 27th April 1967

No. BOARD-COAL/13157/67—In accordance with the provision laid down in sub-regulation (5) of Regulation 13 of the Coal Mines Regulations, 1957, and in supersession of all previous Notifications on the subject, the following bye-laws made under sub-regulation (4) of the said Regulation for conduct of medical examination under sub-regulation (1) of Regulation 27 of the Coal Mines Regulations, 1957, are hereby published :—

BYE-LAWS FOR THE CONDUCT OF MEDICAL EXAMINATION UNDER SUB-REGULATION (1)

OF REGULATION 27 OF THE COAL MINES REGULATIONS, 1957

1. *Application for Examination*—An application for a medical examination under sub-regulation (1) of Regulation 27 of the Coal Mines Regulations, 1957 shall be made by the candidate to the Chief Inspector not less than four months prior to the date on which such medical examination is due.

2. *Examination and Examiners*—(1) So far as practicable the examiners appointed by the Chief Inspector for each medical examination under this regulation shall be two registered medical practitioners. Every examiner shall be paid a fee of Rs. two for every candidate examined.

(2) The applicant may be required to appear for medical examination at such time and at such place as may be communicated to the applicant in writing. While at the place of the examination, every candidate shall conduct himself as required by the examiners.

3. *Standard of fitness etc.*—(1) For ascertaining the freedom of a person from deafness, defective vision or any other infirmity, mental or physical, likely to interfere with the efficient discharge of his duties, the medical practitioners appointed as examiners shall *keep in view* the standard laid down in First Schedule in these bye-laws. Notwithstanding these standards, however, if the examiners are of the opinion that any disability of the person is of such a nature and degree that it is not likely to interfere with the normal discharge of his duties for a period of five years, the examiners may declare the person to be fit.

(2) If the examiners are of the opinion that the disability of the person is of such a nature and degree that it can be cured or controlled such that it is no longer likely to interfere with the normal discharge of his duties, the examiners may recommend that the person may be directed to get his disability cured or controlled, as the case may be, and to submit himself to another medical examination within such period not exceeding six months as they may specify. The Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing, permit the person to continue to act in a statutory capacity during such period.

(3) The examiners shall submit their report in the form in Second Schedule to these bye-laws.

4. *Identity of the candidate*—Every candidate shall bring with him to the place of examination the certificate of competency held by him, and shall produce the same (along with the authorisation issued to him for appearing at the examination) to the examiners for proving his identity.

5. *Successful candidates*—The certificate of competency of every successful candidate shall be retained by the examiners who shall immediately after the examination, forward the same to the concerned Regional Inspector of Mines for endorsement. The certificate duly endorsed shall be returned to the candidate through the manager of the mine, if any, where he is employed.

6. *Provision for re-examination*—Where the Chief Inspector is of the opinion that due to special circumstances it would be advisable for a candidate who has failed to satisfy the examiners in an examination aforesaid to be re-examined he may arrange for a re-examination of the candidate by other examiners. The fee stipulated in clause (b) of Regulation 27(1) shall payable for every such re-examination. Bye-laws 1 to 5 above shall also apply to every such re-examination.

FIRST SCHEDULE

STANDARD OF PHYSICAL FITNESS

1. A candidate must be in good mental and bodily health and free from any physical defect likely to interefere with the efficient performance of this duties in the mine. In assessing the fitness of the candidate the Medical Board/Medical Officers shall make due allowance for the age of the candidate and the normal deterioration in health and physical fitness likely to occur at such age, so however that the arduous nature of the mining profession is kept in view.

2. *Hearing* in each ear must be good and there should be no progressive disease in the ear.

3. The following *standard of visual acuity*, with or without glasses, should be strictly observed.

(a) For underground workers :		
One eye.	..	6/6
The other eye.	..	6/12
Or		
Each eye.	..	6/9
(b) For surface workers :		
One eye.	..	6/9
The other eye.	..	6/18
Or		
Each eye.	..	6/12

Uniocular persons should be declared unfit for underground work. For surface work uniocular surface persons should have a vision of at least 6/12.

4. There should not be any *active disease* of the heart and *lungs*.

5. There should be no evidence of disease of *abdominal* organs.

6. If *hernia* is present and the Medical Board/Medical Officers are of the opinion that it can be effectively controlled by the use of truss, the candidate may be declared fit. In other cases he may be declared fit after a successful operation.

7. *Hydrocele*, if present, should not be large enough to impede his normal activities. If the hydrocele is large, the candidate may be declared fit after operation.

8. The *limbs* should be well formed and developed, and the function of all limbs should be within normal limits.

9. There should not be any *congenital malformation*, or defect, or any deformity likely to interfere with the candidate's normal duties.

No. Board-Coal/13158/67—In accordance with the provision laid down in sub-regulation (5) of Regulation 13 of the Coal Mines Regulation 1957, and in supersession of all previous Notifications on the subject, the following by-laws made under Regulation 13 for the grant of Medical Certificates of fitness under Regulation 28, are hereby published.

BYE-LAWS FOR THE GRANT OF MEDICAL CERTIFICATES OF FITNESS UNDER REGULATION 28 OF THE COAL MINES REGULATIONS, 1957

1. *Constitution of Medical Board*—(1) The Medical Certificate of Fitness to a holder of Manager's or Surveyor's Certificate or to an Engineer of whatever category, or other senior official shall be granted by a Senior Medical Board which shall consist of :

(i) The Civil Surgeon, Dhanbad; or the Physician Specialist Central Hospital, Coal Mines Welfare Organisation, Dhanbad; or some other qualified medical practitioner in the employ of Government nominated by the Chief Inspector;

(ii) A qualified medical practitioner nominated by the Chief Inspector; and

(iii) A medical Inspector of Mines nominated by the Chief Inspector.

The medical Inspector of Mines shall also act as the Secretary to the Senior Medical Board.

(2) The Medical Certificate of Fitness to a holder of an Overman's Sirdar's, Engine Driver's or Shotfirer's Certificate or to an official appointed under Regulation 33 of the Coal Mines Regulation, 1957 or other junior official shall be granted by a Junior Medical Board which shall be constituted for every Inspection Region, consisting of :

(i) The local Civil Assistant Surgeon or some other qualified medical practitioner in the employ of Government nominated by the Chief Inspector;

(ii) A qualified medical practitioner nominated by the Chief Inspector; and

(iii) A medical inspector of mines nominated by the Chief Inspector;

The medical Inspector of Mines shall also act as the Secretary to the Junior Medical Board.

2. *Payment of examination fees to members of Medical Board*—Every member of the Senior and Junior Medical Board, other than the Secretary, shall be paid by the Chief Inspector out of the money realised by him under bye-law 3 and examination fee of Rs. Sixteen and Rupees Five respectively, for every candidate examined.

3. *Application for a Medical Certificate of Fitness*—(1) An application for the grant of a Medical Certificate of Fitness shall be made by the candidate to the Chief Inspector not less than four months prior to the date on which the Medical Certificate of Fitness is required.

(2) Every such application shall be accompanied by a fee of Rupees Thirty-two in case of a holder of Manager's or Surveyor's Certificate or an Engineer of whatever category or other senior official, and a fee of Rupees Ten in the case of the holder of an Overman's, Sirdar's, Engine Driver's or Shotfirer's Certificate or an official appointed under Regulation 33 or other junior official. The fees shall be paid as prescribed in Regulation 198 of the Coal Mines Regulations, 1957.

(3) In addition to the fees mentioned clause (2) the cost of any laboratory, X-ray and other investigation considered necessary by the Board shall be paid by the candidate.

4. *Examination by Medical Board*—(1) The applicant may be required to appear for a medical examination at such time and at such place as may be fixed by the Medical Board and communicated to the applicant by the Secretary to the Board.

(2) For ascertaining the fitness of a person to carry out properly the duties prescribed for him under the Act and the Regulation etc. the Medical Board shall *keep in view* the standards laid down in the First Schedule to these bye-laws. Notwithstanding these standards however, if the Medical Board is of the opinion that any disability of the person is of such a nature and degree that it is not likely to interfere with the normal discharge of his duties for a period of one year, the Medical Board may declare the person fit.

(3) The Medical Board shall submit its report in the forms contained in the Second Schedule to these bye-laws.

5. *Unsuccessful candidates*—(1) If a person who fails to satisfy the Medical Board regarding his fitness to carry out properly the duties prescribed for him under the Act and the Regulation etc. so requests within 15 days of the declaration of the results of the examination by the Medical Board, the Chief Inspector may arrange for his re-examination by the Standing Medical Board of the State in which the medical examination under these bye-laws was held. For every such re-examination, the fee stipulated by the Standing Medical Board shall be paid by the applicant in the manner intimated to him by the Secretary.

(2) In case a person who has failed to satisfy the Medical Board regarding his fitness has requested the Chief Inspector for re-examination by the Standing Medical

Board under clause (1), the Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing, permit the person to continue to act as manager or an official or a Shot firer or a winding engineman, as the case may be, till he has been re-examined by the Standing Medical Board or for such lesser period as may be specified by the Chief Inspector in the order.

6. *Re-examination*—(1)(a) If the Medical Board is of the opinion that the disability of the person is of such a nature and degree that it can be cured or controlled such that it is no longer likely to interfere with the normal discharge of his duties, the Medical Board may recommend that the person may be directed to get his disability cured or controlled, as the case may be, and to submit himself to a medical re-examination within such period not exceeding six months as it may specify. The Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing permit the person to continue to act as manager or an official or a shotfirer or a winding engineman, as the case may be, during such period.

(b) The fee stipulated in clauses (2) and (3) of Bye-law 3 shall be payable for every such re-examination. The provision at bye-laws 1 to 4 above shall also apply to every such re-examination.

(2)(a) If a person who has been declared unfit by the Medical Board or by the Standing Medical Board referred to in Bye-law 5 represents to the Chief Inspector that, subsequent to his examination by the Medical Board or the State Medical Board aforesaid, he has been cured of his disability and that he is fit to carry out properly the duties prescribed for him under the Mines Act and the Rules and Regulations made thereunder, and produce a certificate from a Registered Medical practitioner to that effect, the Chief Inspector may, on such conditions that he may specify, permit him to be examined again by the Medical Board or the State Medical Board for ascertaining his fitness. For every such examination, fee on the scales prescribed under these bye-laws shall be paid.

(b) A permission granted to a person to appear for a medical examination under sub-clause (a) shall not imply a permission to work as manager or an official or a shotfirer or a winding engineman, as the case may be, till he has been examined again by the Medical Board or the Standing Medical Board and declared fit.

(4) All moneys belonging to the Fund shall be deposited in the Reserve Bank or the State Bank of India or shall be invested in Central Government Securities.

(5) The Accounts of the Fund shall be audited by the Authority auditing the Accounts of the Corporation.

18. *Interest* :

The Board shall as soon as possible after the expiry of every year—

(i) determine and notify, with the approval of the Managing Director the rate at which interest shall be allowed during the year on all deposits standing to the credit of every member of the Fund;

(ii) prepare an account of the total interest accrued and received on the investments of the Fund during that year; and

(iii) credit the amount of interests due to every member on the balance standing to his credit in the Fund on the 31st day of March of the year.

Provided that in the case of a member ceasing to be such member before the accounts of the year are closed, interest shall be allowed upto the date of cessation of the membership at the rate fixed for the preceding year.

19. *Members' Accounts* :

(1) An individual account for each member shall be maintained in the form prescribed by the Board

and allotted a separate number. All Accounts shall be maintained at the Head Office of the Corporation.

(2) As soon as may be after the close of the year every member shall be supplied with a statement of his account in duplicate showing therein the opening balances for the year of subscriptions and contributions to the credit of his account including interest thereon, the amount of subscriptions and contributions for the year, the interest credited to his account for the year and the total amounts of subscriptions and contributions including interest thereon to his credit at the end of the year.

(3) Every member shall return the duplicate copy of the statement of his account duly signed by him after satisfying himself as to the correctness of the entries made therein, not later than two months from the date of receipt thereof.

(4) An abstract for the year of the individual account of each member in respect of whom a return is required to be furnished under the Income-tax Rules, 1962 shall be furnished to the Income-tax Officer concerned in such form and within such dates as may be required by the provisions of the said Rules.

20. *Nominations* :

(1) Every member shall, as may be after joining the Fund, make a nomination in the form set out in Annexure-I conferring on one or more persons the right to receive the amount which may stand to his credit in the Fund in the event of his death before that amount has become payable or having become payable has not been actually paid.

Provided that if, at the time of making the nomination, the member has a family, the nomination shall not be in favour of any person or persons other than the members of his family.

(2) If a member nominates more than one person under sub-regulation (1), he shall specify in the nomination the amount of share payable to each of the nominees in such manner as to cover the whole of the amount which may stand to his credit in the Fund at any time.

(3) A member may at any time cancel or modify a nomination by notice in writing :

Provided that the member shall, along with such notice, send a fresh nomination made in accordance with the provisions of this Regulation (in the form set out in Annexure-II).

(4) A member may provide in a nomination—

(a) that in the event of any specified nominee predeceasing the member, the right conferred upon that nominee shall pass to such other person or persons as may be specified in the nomination :

Provided that where the member has family such other nominee, shall also be a member of the family,

Provided also that where the member has no family, the provisions of the proviso to subclause (b) shall apply.

(b) that the nomination shall become invalid in the event of the happening of a contingency specified therein :

Provided that if at the time of making the nomination the member has no family, he shall provide in the nomination that it shall become invalid in the event of his subsequently acquiring a family.

(5) Immediately on the death of a nominee in respect of whom no special provision has been made in the nomination under clause (a) of subregulation (4), or on the occurrence of any event by reason of which the nomination becomes invalid in pursuance of clause (b) of subregulation (4), the member shall send to the Secretary a notice in writing cancelling the nomination together with a fresh nomination made in accordance with the provisions of this regulation.

(6) Every nomination made, and every notice of cancellation given, by a member shall be communicated to the Secretary and, to the extent that it is valid, take effect on the date on which it is received by the Secretary.

(7) Except as otherwise provided in this Regulation, no employee shall assign or create a charge upon his beneficial interest in the Fund.

21. *Advances from the Fund* :

1. The Board may sanction the payment to any member of an advance for any of the purposes listed in Col. 2 of the statement below up to the limits and subject to the special conditions, if any, set out in Col. 3 & Col. 4 respectively.

Serial No.	Purpose	Limit up to which advance may be sanctioned.	Special conditions

2. The advance shall not be granted to any member until the repayment of the last instalment of any previous advance.

3. A member who has been sanctioned an advance from the Fund shall satisfy the sanctioning authority within such period as may be specified by that authority that the money has been utilised for the purpose for which it was sanctioned and, if he fails to do so, the whole sum so sanctioned or so much thereof as has not been applied for the purpose for which it was sanctioned, shall forthwith be repaid in one lumpsum together with interest thereon at the rate specified under sub-regulation (3) of Regulation 22 by the member of the Fund and in default of such payment shall be ordered by the sanctioning authority to be recovered from his emoluments either in one lumpsum or in such number of monthly instalments as may be determined by such authority.

22. *Recovery of Advances* :

(1) An advance shall be recovered from the member in such number of equal monthly instalments as the sanctioning authority may direct but such number shall not be less than 12 unless the member so elects and more than 36. A member may at his option make repayment in a smaller number of instalments than that prescribed. The amount of each instalment shall be fixed in terms of whole rupees the amount of the advance being raised or reduced if necessary to admit of such fixation.

(2) Recovery shall be made in the manner provided in regulation 16 and shall commence from the first occasion after the advance is made on which the member draws pay for a full month. Recovery, shall, however, not be made except with the member's consent while he is in receipt of subsistence grant or on sick leave and/or extraordinary leave exceeding 30 days.

(3) Interest shall be charged on advances and recovered in accordance with the provisions of rule 71 of the Income-Tax Rules, 1962.

23. *Withdrawals* :

1. The Board may sanction a withdrawal at any time after the completion of twenty-three years of service (including broken periods of service if any) of a member or within ten years before the date of his retirement on superannuation whichever is earlier, from the amount of subscriptions and interest thereon standing to the credit of the member in the Fund, for any of the purposes mentioned in Column 2 of the statement below upto the limits and subject to the conditions, if any, set out in Column 3 and 4 respectively.

Serial No.	Purpose	Limit up to which withdrawal may be sanctioned	Special conditions
1	2	3	4
(1)	To meet the cost of higher education including where necessary, the travelling expenses of the member or of any person actually dependent on him in the following cases viz.,		
	(a) for education outside India for academic, technical, professional or vocational course beyond the high school stage ; (b) for any medical engineering or other technical or specialised course in India beyond the high school stage provided that the course of study is for not less than three years.	3 months pay or half of the amount of subscription and interest thereon standing to the credit of the member in the Fund whichever is less.	——
(2)	To meet the expenditure in connection with the marriage of himself or his children or of any other person actually dependent on him.	6 months pay or half of the amount of subscription and interest thereon standing to the credit of the member in the Fund which ever is less.	——

1	2	3	4
(3)	To pay any expenses in connection with the illness or a disability including where necessary, travelling expenses of the subscriber or of any person actually dependent on him.	3 months pay or half of the amount of subscription and interest thereon standing to the credit of the member in the Fund whichever is less.	——
(4)	Building or acquiring a suitable house for his residence including or excluding the cost of the site or repaying any outstanding amount on account of a loan expressly taken for this purpose before the date of receipt of the application for withdrawal but not earlier than 12 months of that date or reconstructing or making additions or alterations to a house already owned or acquired by a member.	The amount of withdrawal shall not exceed half of the amount standing to the employee's credit or actual cost of the house or of the house-site whichever is less.	(i) the construction of the house should be commenced within six months of the withdrawal and should be completed within one year from the date of the commencement of the constructions ; (ii) if the withdrawal is made for the purchase of a house and/or a site for a house, the purchase should be made within six months of the withdrawal ; (iii) if the withdrawal is made for the repayment of loan previously raised for the purpose of construction or purchase of a house the repayment of the loan should be made within three months of the withdrawal ; (iv) where the withdrawal is for the construction of a house, it shall be permitted in two or more equal instalments (not exceeding four) a later instalment being permitted only after verification by the President about the actual utilisation of the earlier withdrawal ; (v) the withdrawal shall be permitted only if the house and/or site is free from encumbrances and no withdrawal shall be permitted for purchasing a share in a joint property or building or house or land whose ownership is divided.
(5)	Purchasing a house site or repaying any outstanding amount on account of loan expressly taken for this purpose before the date of receipt of the application for the withdrawal but not earlier than 12 months of that date.		
(6)	For any other purpose authorised by the Income-tax Rules.	3 months pay or half of the amount of subscription and interest thereon standing to the credit of the member in the Fund whichever is less.	Prior sanction of the Managing Director is necessary.

2. The actual withdrawal from the Fund shall be made only on receipt of an authorisation from the President who will arrange this as soon as the formal sanction of the Board has been issued.

3. The provisions of sub-regulation 3 of Regulation 21 shall *mutatismutandis* apply to moneys withdrawn the Fund under this Regulation.

24. *Conversion of an advance into a withdrawal* :

A member who has already drawn an advance under Regulation 21 may convert, at his discretion, by written request addressed to the President through the Secretary the balance outstanding against it into a withdrawal on his satisfying the conditions laid down in Regulation 23.

25. *Final withdrawals of accumulations in the Fund* :

(1) When a member quits the service of the Corporation, the accumulated balance standing to his credit in the Fund shall, subject to the deduction of Income-tax that may be due and payable by him according to the provisions of the Income-tax Act and also subject to any deductions under Regulation 27, become payable to him.

(2) Notwithstanding anything contained in Regulations 21 to 25, it shall be open to the Board to permit the withdrawal of ninety per cent of the amount standing at the credit of an employee if the employee takes leave preparatory to retirement, provided that if he rejoins duty on the expiry of leave he shall refund the amount drawn together with interest at the rate allowed by the Fund.

26. *Procedure on death of member* :

Subject to any deduction under Regulation 27, on the death of a member before the amount standing to his credit has become payable or where the amount has become payable before actual payment has been made :—

(i) if a nomination made by the member in accordance with Regulation 20 subsists, the amount standing to his credit in the Fund or that part thereof to which the nomination relates, shall become payable to his nominee or nominees in accordance with such nomination; or

(ii) if no nomination subsists or if the nomination relates only to a part of the amount standing to his credit in the Fund the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall become payable to the members of his family in equal shares;

Provided that no share shall be payable to—

(a) sons who have attained majority;

(b) sons of a deceased son who have attained majority;

(c) married daughters whose husbands are alive;

(d) married daughters of a deceased son whose husbands are alive;

If there is any member of the family other than those specified in clauses (a), (b), (c), and (d) :

Provided further that the widow or widows, and the child or children of a deceased son shall receive between them in equal parts only the share which that son would have received if he had survived the member and had not attained the age of majority at the time of the member's death.

(iii) in any case, to which the provisions of clauses (i) and (ii) do not apply the whole amount shall be payable to the person legally entitled to it.

Explanation :—For the purpose of this paragraph a member's posthumous child, if born alive, shall be treated in the same way as a surviving child born before the member's death.

27. *Deductions* :

(1) Subject to the condition that no deduction may be made which reduces the credit by more than the amount of any contribution by the Corporation with interest thereon, before the amount standing to the credit of a member in the Fund is paid out of the Fund the Managing Director may direct the deduction therefrom of—

(a) any amount, if a member has been dismissed from the service of the Corporation.

(b) any amount, if a member resigns his employment under the Corporation within five years of the commencement thereof.

(c) any amount due under a liability incurred by the member to the Corporation.

(2) All amounts deducted under Clause (a) or Clause (b) of sub-regulation (1) shall lapse to the Fund.

(3) All amounts deducted under Clause (c) of sub-regulation (1) shall be paid into the credit of the Corporation.

28. *Manner of payment of amount in the Fund* :

(1) When the amount standing to the credit of a member in the Fund or the balance thereof, after any deduction under Regulation 27 becomes payable, it shall be the duty of the Secretary, after satisfying himself as to the correctness of the amount payable to make payment on receipt of a written application in this behalf as provided in sub-regulation (3) below :

(2) If the person to whom under these Regulations any amount is to be paid is a 'lunatic' for whose estate a Manager has been appointed under the Indian Lunatic Act, 1912, the payment will be made to such Manager and not to the lunatic.

(3) Any person who desires to claim payment under this Regulation shall send a written application in that behalf to the Secretary. Payment of amounts withdrawn shall be made in India only. The persons to whom the amounts are payable shall make their own arrangements to receive payments in India.

29. *Relaxation in individual cases* :

When the Managing Director is satisfied that the operation of any of these Regulations causes or is likely to cause undue hardship to a member, he may, notwithstanding anything contained in these Regulations deal with the case of such member in such manner as may appear to him to be just and equitable.

30. *Delegation of Powers* :

The Board may delegate any of its powers under these Regulations to the President or to any *ex-officio* trustee subject to such conditions and modifications as it may deem fit to impose.

31. *Interpretation* :

If any question arises relating to the interpretation of these Regulations, it shall be referred to the Managing Director whose decision thereon shall be final.

32. *Winding up* :

The Fund shall not be closed except when the Corporation is wound up. In the event of the dissolution of the Corporation, the Fund shall be closed and the moneys after payment of amounts due to be paid but not yet paid under these Regulations, shall be distributed amongst the members then existing by payment to each of them a sum which shall bear the same proportion to the aggregate market value of proceeds of securities and uninvested cash then constituting the Fund as the amount then standing to the credit of the member in his individual account bears to the aggregate of the amounts, then standing to the credit of the individual accounts of all such members.

THE BAR COUNCIL OF INDIA

The rules of the Council have been amended by the Council at its meeting on the 30th of April, 1967 as set out hereunder :—

I. *Amendment of Rules in Part III-A*

Resolution No. 74/1967

RESOLVED that the Rules of the Council in Part III-A be and the same are hereby amended as under :—

Add the following as Rule 11

11. *Explanation.*—Nothing in these rules shall affect persons who joined a course of instruction in law for a degree in law before the 1st academic term of the year 1967 and have taken a degree in law before 31st December, 1971 but they shall continue to be governed by the Resolutions of this Council being Resolution No. 201/1963 dated 26th February, 1963 read with Resolutions Nos. 50/1965 dated 11-4-1965, 16/1966 dated 27-2-1966 and 121/1966 dated 27-8-1966.

II. *Amendment of Rules in Part VI, Chapter II*

Resolution No. 72/1967

RESOLVED that in Rule 42 of Part VI, Chapter II, of the Rules of the Council the word 'government' be inserted after the words 'a full-time salaried employee of any person'.

Resolutions referred to in Resolution No. 74/1967

Resolution No. 201/1963 *dated* 26-2-1963

1. RESOLVED that a degree in law obtained on or before the 30th June, 1964 from any University established by law in the territory of India be recognised for the purposes of Section 24(1)(c)(iii) of the Advocates Act, 1961.

2. RESOLVED that no degree in law obtained after the 30th June, 1964 from any University in the territory of India shall be recognised unless such degree has been obtained after undergoing a course of study in law for a minimum period of two years after graduation : Provided however that nothing herein contained shall affect a person who has commenced a course of study in law before graduation, prior to the 28th February, 1963 and obtained a degree in law before the 1st October, 1966.

3. RESOLVED that for the purposes of Section 24(1)(c)(iii) of the Act, a degree in law obtained from any University in Pakistan shall be recognised only if such degree has been obtained after a study in law for a minimum period of the two years after graduation.

Resolution No. 50/1965 *dated* 11-4-1965

The Bar Council of India is of the opinion that the degree in law recognised in paragraph 2 of Resolution No. 201/1963 should have been obtained after a course of study in law by regular attendance and after attending the necessary lectures of a college recognised by a University.

Resolution No. 16/1966 *dated* 27-2-1966

RESOLVED that Resolution No. 50/1965 passed on the 10th of April, 1965 will not apply to persons who have begun their course of study in law or taken a degree in law prior to that date *viz.* 10th April, 1965.

Resolution No. 121/1966 *dated* 27-8-1966

Having considered the following Resolutions 201/1963, 50/1965 and 16/1966 and representations or letters received (i) dated 28th May, 1966 from the Secretary of the Bar Council of Rajasthan, and (ii) dated 15-6-1966 from the Secretary, Bar Council of Madras.

This Council resolves that all applications for enrolment rejected by any State Bar Council or Enrolment Committee thereof of persons who began their course of study in law or who took their degree in law prior to 10th April, 1965, on the sole ground that their Law Degrees were not obtained after a course of study in Law by regular attendance and after attending the necessary lectures at a University recognised college shall be deemed to be pending and the State Bar Councils concerned and the Enrolment Committees thereof are hereby directed to dispose off the same in the light of the above mentioned resolutions of this Council.

Secretary,
Bar Council of India

AIR-INDIA

AIR-INDIA STAFF HOUSING REGULATIONS, 1967

GM/58-5.—In exercise of the powers conferred by section 45 of the Air Corporations Act, 1953 (27 of 1953), the Air-India, with the previous approval of the Central Government, hereby makes the following regulations to regulate the grant of loans to its employees or to societies formed by its employees for the purpose of constructing or purchasing dwelling houses, including the purchase of land or plots therefor, namely :—

CHAPTER I

PRELIMINARY

1. *Short title and commencement.*—(1) These Regulations may be called the Air-India Staff Housing Regulations, 1967.

(2) They shall come into force on the date of notification in the Gazette of India.

2. *Definitions.*—In these regulations, unless the context otherwise requires,—

(a) "Chairman" means the Chairman of the Corporation;

(b) "competent authority", in relation to the exercise of any power or the performance of any function under these regulations, means the Corporation, the Chairman, the General Manager, the Financial Controller, the Personnel Manager or any other officer nominated by the Chairman or the General Manager;

(c) "Corporation" means Air-India;

(d) "employee" means—

(i) a person employed on a scale of pay prescribed for India based staff;

(ii) a person employed on a scale of pay prescribed for a local recruit at stations abroad provided he is a member of a society and is an Indian national,

and confirmed in the services of the Corporation as member of its permanent staff;

(e) "family", in the case of an employee, means his or her spouse, legitimate children, parents, brothers and unmarried or widowed sisters;

(f) "Financial Controller" means the Financial Controller of the Corporation;

(g) "General Manager" means the General Manager of the Corporation;

(h) "individual loan" means a loan granted under these regulations to any individual employee;

(i) "Personnel Manager" means the Personnel Manager of the Corporation;

(j) "society" means a co-operative housing society formed by the employees and registered or deemed to be registered under the law relating to co-operative societies for the time being in force;

(k) "collective loan" means a loan granted under these regulations to any society.

3. *Housing loans.*—(1) Subject to the provisions of these regulations, loans may be granted to any employee or to a society for the purpose of :

(a) acquisition of land or plots *and* construction of dwelling houses thereon; or

(b) construction of dwelling houses on land or plots already owned by or leased to the employee or the society, as the case may be; or

(c) purchase of ready-built houses or flats on ownership basis.

(2) Individual loans may also be granted for the purpose of enlarging a house already owned by an employee solely in his or her own name and occupied by the employee or the employee and his or her family, in cases where the existing accommodation is inadequate or unsuitable to the requirements or needs of the employee or of the employee and his or her family, as the case may be.

(3) The power to sanction an individual loan shall be exercisable—

(i) by the General Manager or, in his absence, by the Chairman, where the amount of the loan does not exceed seventy-five thousand rupees; and

(ii) by the Corporation where the amount of the loan exceeds seventy-five thousand rupees.

4. *Location of dwelling houses.*—(1) Individual loans may be granted for the purpose of constructing or purchasing dwelling houses, including the purchase of land or plots therefor, at any place in India.

(2) Collective loans may be granted for the construction or purchase of dwelling houses, including the purchase of land or plots therefor, *only* in areas within the limits of Municipal Corporations or Municipalities within India where the Corporation has established or may establish on line stations, or within such extensions as may be approved by the Corporation of such areas.

5. *General condition for the grant of loans.*—(1) No employee or society shall be entitled to claim a loan under this regulation as a matter of right and the grant of every such loan shall be subject to the discretion of the sanctioning authority, the merits of each case and the availability of funds.

(2) No such loan shall be granted to any employee who has not completed at least five years' continuous service in the Corporation as a permanent member of its staff : provided that this condition may be relaxed or waived in respect of societies one or more of the members of which does not or do not satisfy the condition.

(3) No loan shall be granted under this regulation in cases where the employee, his or her spouse or any of his or her children owns a house, whether individually or jointly with each other or with another person, but the sanctioning authority may relax this condition if the house is owned by the employee jointly with another person, not being the employee's spouse or children, and the employee desires to build or purchase a separate house for his or her *bona fide* residential purpose.

(4) In cases where both the husband and wife are in the service of the Corporation and eligible for loan, a loan under these regulations shall be granted only to one of them.

(5) No loan shall be granted under these regulations if the applicant has availed himself of any loan or advance for construction or purchase of a dwelling house from any Government or other source (such as the Ministry of Rehabilitation, or the Central or State Housing Scheme or any Bank or Life Insurance Corporation), unless the applicant gives an undertaking in writing forthwith to repay in full the loan or advance so drawn.

(6) Only one individual loan shall be granted and that to construct or purchase only one house in the service career of an employee. Similarly, only one collective loan shall be granted and that in respect of only one housing project of a society. An employee can have either an individual loan or a collective loan as a member of the society and not both.

(7) No loan shall be granted to construct or purchase a dwelling house on leasehold land, unless the unexpired residue of the lease period on the date of the grant of the loan is more than 25 years in the case of an individual employee or more than 35 years in the case of a society, and unless the leasehold rights are transferable or assignable.

(8) No part of the loan shall be used for any purpose other than the construction or purchase of a dwelling house, including the purchase of land or plots therefor, for the personal occupation of the employee or the employee and his or her family, as the case may be, or as a source of profit.

6. *Power of Chairman and General Manager to issue supplementary rulings and orders, etc.*—The Chairman or the General Manager shall have power to issue such supplementary rulings or orders, not inconsistent with these regulations, as he may deem appropriate for the due and proper administration of these regulations and for the full implementation of their objective, and to interpret the meaning of these regulations, and such rulings, orders or interpretations shall be final and binding on all individuals and societies who have drawn or may draw housing loans from the Corporation.

7. *Modification, amendment or revision of the regulations.*—Subject to the provisions of section 45 of the Air Corporations Act, 1953 (27 of 1953), the Corporation reserves to itself the right to modify, amend or revise from time to time any or all of these regulations, and any such modification, amendment or revision shall apply to all subsisting loans from the date of such modification, amendment or revision, as the case may be.

8. *Repeal.*—With effect from the date on which these regulations come into force, all previous rulings or orders issued by the Corporation in regard to housing loans shall stand superseded.

CHAPTER II

INDIVIDUAL LOANS

9. *Loan limits.*—(1) No individual loan shall exceed 36 times the basic pay of the employee at the time he applies for the loan, or three-fourths of the total cost of the dwelling house (inclusive of the cost of land), whichever is less, subject to a maximum of Rs. 75,000/- in any one case : Provided that where the amount of 36 times the basic pay of an employee is less than Rs. 5,000/-, a loan not exceeding Rs. 5,000/- may be granted to such employee.

(2) Where the loan is required for enlarging an existing accommodation, the amount of the loan shall not exceed two-thirds of the cost of such enlargement or Rs. 15,000/- whichever is less.

10. *Procedure for grant of loans.*—(1) Every individual loan shall be applied for in writing in such form as the General Manager may prescribe, and shall be submitted to the Personnel Manager together with evidence in support of the statements or declarations made therein

(2) The Personnel Manager shall scrutinise every such application in the light of these regulations and the evidence furnished by the employee and may, in that behalf, call for such further evidence or information as he may consider relevant.

(3) The Personnel Manager shall also arrange to have the value or estimate of the cost of the house proposed to be built or acquired as stated in the application verified by the Corporation's Works Engineer or other Officer or agency suitably qualified in that behalf, and obtain a report that the value or estimate, as the case may be, is reasonable. If a ready-built house is to be purchased, the report shall also state whether the house is in good repair and tenantable condition.

(4) If the Personnel Manager is satisfied that the loan is admissible under these regulations and that the statements or declarations made by the employee are correct, he shall certify to that effect and forward the application with his recommendation to the Financial Controller.

(5) The Financial Controller shall scrutinise the application generally and in particular with regard to—

(a) the availability of funds, and

(b) the adequacy of the security offered by the employee,

and forward the same to the General Manager with such recommendations as he may consider appropriate.

(6) If the General Manager is satisfied as to the merits of the case, he may sanction the grant of the loan.

11. *Interest.*—Every loan granted under these regulations shall carry simple interest at the rate of 5½ per cent per annum or such revised rate as the Corporation may prescribe from time to time. All such interest shall be calculated on the reducing balances of the loans.

12. *Security.*—(1) The repayment of the loan with interest shall be secured by a first legal mortgage or charge in favour of the Corporation of or on the land and the house to be built thereon or the land and the house acquired by the employee, as the case may be, or with the approval of the General Manager, by a mortgage by deposit of title deeds of the land and the house in cases where the land and the house are situated in any area in which such mortgage is permitted :

Provided that the General Manager may waive this condition if the employee gives other security to secure the repayment of the full amount of the loan with interest, by way of any one or more of the following :—

(a) assignment of Life Insurance Policy or Policies in favour of the Corporation (only the surrender value whereof will be taken into account);

(b) deposit of investment scrips approved by the General Manager together with blank Transfer Deeds duly executed.

(2) Irrespective of the type of security offered by the employee and accepted by the General Manager, every employee shall, before the loan or any part thereof is advanced to him, execute a Demand Promissory Note and such other documents as may be considered appropriate by the General Manager.

13. *Purchase of dwelling houses.*—(1) Where the loan is for the purchase of a ready-built dwelling house, the employee shall arrange with the vendor of the property to deliver the title deeds thereof to the Personnel Manager, or to other officer nominated by him, who will forthwith arrange for a verification of the vendor's title and ascertain whether the title is marketable and clear of all claims, charges or encumbrances adverse to the Corporation.

(2) On receipt of the reports in regard to the title and the valuation report, the Personnel Manager shall forward the same, together with the application and his recommendations, to the Financial Controller as to whether the amount of the loan may be paid to the employee.

(3) The amount of the loan shall be advanced to the employee on the completion of the sale or transfer by the seller in favour of the employee by execution of the necessary sale deed, conveyance or assignment and on the employee executing a mortgage deed or creating a charge or mortgage by deposit of title deeds in favour of the Corporation, where this condition is not waived under the proviso to sub-regulation (1) of regulation 12. Where such condition has been waived, the loan amount shall be paid only on the employee furnishing other security as provided in the proviso to regulation 12. The title deeds and other documents in relation to the property or the collateral securities furnished by the employee shall remain with the Corporation till the loan together with interest thereon is repaid in full, provided that collateral securities of value equal to the amount of the loan repaid may, where possible, be returned to the employee or other person duly authorised by the employee to receive the same.

14. *Construction of dwelling house.*—(1) Where the loan is required to construct a house on a land or plot already acquired by an employee, he shall submit to the Personnel Manager the title deeds to the land or plot and an estimate of its value along with his application for an investigation into his title and verification of the value in the manner contemplated in regulations 10 and 13, and the Personnel Manager shall act in the manner specified in the said regulations.

(2) If the loan is duly sanctioned, the first instalment equal to 20 per cent of the sanctioned loan shall be paid to the employee upon his executing in favour of the Corporation a mortgage deed mortgaging the land along with the house to be built thereon or creating a charge or a mortgage by deposit of title deeds in favour of the Corporation or on the employee furnishing other security as provided in the proviso to sub-regulation (1) of regulation 12, as the case may be.

(3) If the land is not already acquired by the employee at the date of the application for the loan, the employee shall arrange with the owner of the land to deliver the title deeds to the Personnel Manager, or to such other officer as the Personnel Manager may nominate, to enable him to ascertain whether the title to the land is clear of all encumbrances and is marketable. The first instalment of the loan shall be advanced to the employee only if the General Manager is satisfied that there is an unencumbered and marketable title to the land to be acquired by the employee and on the execution of the sale deed or conveyance or assignment, as the case may be, in favour of the employee by the vendor or transfer or and on the employee executing a mortgage deed or creating a mortgage by deposit of title deeds in favour of the Corporation as aforesaid.

(4) The employee shall immediately thereafter proceed with the construction of the house with due despatch, and shall complete the same within a period of 24 months from the date of the receipt of the first instalment of the loan by him or her or within such further time as the General Manager may in his discretion grant.

(5) In the event of delay in commencing construction, the employee shall submit to the Personnel Manager monthly reports stating the reasons for the delay and the probable date of commencement not later than the fifth day of each month. The Personnel Manager shall verify such reports or cause such reports to be verified in such manner as he may consider appropriate and submit his findings to the General Manager.

(6) If the employee fails to commence or, as the case may be, to complete the construction of the house within the period aforesaid, it shall be also lawful, but not obligatory, for the Corporation to complete the building at its own expense, and all the expenses incurred by the Corporation on and incidental thereto shall form part of and be treated as the loan agreed to be advanced to the employee and shall be recoverable with interest, as provided in regulation 16. In such an event, no further instalments shall be advanced to the employee.

(7) Immediately upon the commencement of the construction of the house, the employee shall intimate the fact to the Personnel Manager and shall thereafter submit to him every quarter or at such other intervals and in such form and manner as the Personnel Manager may prescribe, a report on the progress of construction and probable date of completion. If the probable date of completion stated in a report varies from the date given in the previous report, the reasons for such variation shall also be stated.

(8) The second instalment equal to 30 per cent of the sanctioned loan shall be paid to the employee upon his or her producing a certificate from the Works Engineer or other appropriate agency acceptable to the Financial Controller that the construction of the house has reached the plinth level.

(9) The hird instalment equal to 40 per cent of the sanctioned loan shall be paid to the employee upon his producing a further such certificate that the construction of the house has reached roof level.

(10) The final instalment equal to 10 per cent of the sanctioned loan shall be paid when the construction of the house has been completed and the employee has produced a completion certificate from the architects or other appropriate authorities.

15. *Incidental costs.*—All costs of and incidental to the investigation of title, deposit of the title deeds and execution and registration of the mortgage deed or creating a charge or mortgage by deposit of title deeds, as the case may be, in favour of the Corporation shall be borne and paid by the employee. All costs in respect of reconveyance of the property to the employee after the loan with interest thereon has been repaid in full shall also be paid by the employee.

16. *Repayment of loan.*—(1) The loan together with interest thereon shall be repayable on demand, but the General Manager may permit an employee to repay the loan with interest in such monthly equated instalments as the General Manager may deem fit. Such instalments may be paid over a period not exceeding fifteen years from the date commencement of repayment as hereinafter set forth, namely :—

(a) in case where the loan is granted for purchasing a ready built house and the loan is permitted to be repaid by monthly equated instalments, such instalments shall commence from the calendar month next following the month in which the loan was advanced;

(b) in case where the loan is granted for constructing a house, the payment of the equated instalments shall commence from the month next following the month in which the construction of the house is completed, or the 24th month after the month in which the first instalment of the loan is paid to the employee, whichever is earlier.

(2) The monthly equated instalments shall be recoverable from the salary of the employee.

(3) If the employee ceases to be in the service of the Corporation, whether by retirement or death or for any reason whatsoever, before repayment of the loan together with interest thereon, the loan, or such part thereof as may then be outstanding, shall become repayable to the Corporation forthwith together with accrued interest. The General Manager may, however, in deserving cases, permit the employee concerned or his or her heirs or legal representatives, as the case may be, to repay the outstanding amount together with interest thereon in suitable instalments. If the employee or his or her heirs or legal representatives, as the case may be, fails or fail to repay the entire outstanding amount of the loan together with interest thereon, or any instalment thereof where payment in instalments is permitted, the Corporation shall be entitled to enforce its right to recover the whole amount of the loan then outstanding with accrued interest.

(4) Without prejudice to the Corporation's rights under sub-regulation (3), the Corporation shall also have the right to withhold the whole or any part of the Corporation's contribution to the provident fund of the employee in accordance with the relevant provisions of the All-India Employees' Provident Fund Regulations, 1964, or any other sum of money payable by the Corporation to the employee or to his estate by way of compensation or otherwise, and apply the same towards the repayment of the loan.

(5) If any life insurance policy which is assigned to the Corporation as security under clause (a) of the proviso to sub-regulation (1) of regulation 12 matures before the loan with interest thereon is repaid in full, the whole or any part of the sum of money received under the matured policy may be withheld and appropriated towards repayment of the whole or part of the outstanding balance of the loan. If, after such appropriation, any balance remains out of the amount received under the insurance policy, it shall be paid to the employee.

17. *Insurance, taxes, etc.*—(1) The house built or purchased with the assistance of the loan shall be insured at the cost of the employee for an amount not less than the amount of the loan with an insurance company approved by the Financial Controller, and, till the loan is fully repaid, must be kept so insured, against destruction or damage by war, fire, flood, lightning and earthquake or such of those risks as the Financial Controller may specify. The insurance policy shall be assigned in favour of the Corporation and deposited with the Financial Controller or other officer nominated by him until the loan together with interest thereon is fully repaid. The premia for such insurance shall be paid regularly and the premium receipts produced for the inspection of the Financial Controller.

(2) The employee shall also pay regularly all the rates, taxes and penalties levied in respect of the property until the loan is repaid in full and shall produce the official receipts or certificates therefor for the inspection of the Financial Controller.

18. *Maintenance.*—The house built or purchased with the assistance of the loan must, at all times until the loan is repaid in full, be maintained in good repair and habitable condition at the cost of the employee and must also be kept free from all charges and encumbrances other than those created in favour of the Corporation.

19. *Sale or hire of house.*—(1) The employees shall not, except with the express consent in writing of the General Manager, sell or give on rent the house built or purchased by him with the assistance of the loan before the loan with interest thereon is repaid in full. If, however, for any reason, the employee desires to sell the house or to give it, or part thereof, on rent before the loan is so repaid, he shall be bound to give the Corporation the first option to purchase it or to take it on rent, as the case may be.

(2) Where the house is to be rented to the Corporation, the annual rent to be charged shall not exceed the standard annual rent to be determined on the basis of 10 per cent of the total cost of construction including the cost of land.

(3) Where the house is to be sold to the Corporation, the price thereof shall be determined by mutual agree-

ment between the General Manager and the employee or, in case of difference, by arbitration under the provisions of the Arbitration Act, 1940 (10 of 1940).

20. *Failure to repay.*—In the event of the employee failing to pay on demand the entire outstanding amount of the loan together with interest thereon, or any, two consecutive instalments, where such instalments are permitted, or failing to observe and perform the terms and conditions under which the loan has been granted (including the terms and conditions contained in these regulations), on his part to be observed and performed, the amount due and payable by the employee shall become payable forthwith and the Corporation shall be entitled to take such steps as may be deemed appropriate for the recovery thereof.

CHAPTER III

COLLECTIVE LOANS

21. *Loan Limits.*—The amount of a collective loan shall be determined on the basis of a maximum of Rs. 75,000/- per flat, provided that such amount shall not exceed 80 per cent of the total cost of the project of the society concerned, inclusive of the cost of land.

22. *Undertakings by societies.*—Every society applying for a loan under these regulations shall have rules and bye-laws acceptable to the Corporation and shall give the Corporation an undertaking in writing in such form as may be determined by the General Manager in each case agreeing to abide by the following conditions, namely :—

(a) that no person other than a permanent employee of the Corporation is, or will be admitted, as a member of the Society, the heir or heirs of a deceased member being excepted;

(b) that no employee who is a member of any other housing society is or will be admitted to the membership of the society;

(c) that each member of the society fulfils the requirements of sub-regulations (2) to (5) of regulation 5;

(d) that no member will be permitted to alienate or rent out his flat to any person other than a permanent employee of the Corporation, without giving the Corporation the first option to acquire or hire the flat;

(e) that the Corporation shall have the right to inspect periodically the account books and such other records of the society as may be considered necessary, such inspection to be carried out by an officer of the Corporation to be nominated by the Financial Controller;

(f) that a copy of the annual accounts and annual report of the society will be regularly submitted to the Financial Controller;

(g) such other conditions as may be specified by the General Manager having regard to the circumstances of each case.

23. *Interest.*—Every collective loan shall carry simple interest at the rate of 5¼ per cent per annum or such revised rates as the Corporation may prescribe from time to time. All such interest shall be calculated on the balances of the loans for the time being and from time to time remaining unpaid.

24. *Security.*—The repayment of the loan with interest shall be secured by a first legal mortgage in favour of the Corporation of the land and the buildings to be constructed thereon or of the land and the buildings acquired by the society, as the case may be. Every such mortgage shall be duly registered in accordance with the law for the time being in force.

25. *Repayment of loan.*—(1) The loan together with interest thereon shall be repayable by the society on demand, but the society may be permitted to repay the loan in such number of monthly equated instalments as may be fixed by the Corporation, spread over a period not exceeding 20 years from the date of commencement of repayment as hereinafter set forth.

(2) Unless otherwise expressly agreed to by the Corporation, repayment of the loan shall commence as provided below :—

(a) where the loan is granted for purchasing ready-built dwelling house, the repayment shall commence from the month next following the month in which the house is occupied by any or all of the members of the society;

(b) where the loan is for the construction of dwelling house, the repayment shall commence from the month next following the month in which the construction is completed, or from the 24th month after the month in which the first instalment of the loan is paid to the society, whichever is earlier.

(3) Notwithstanding anything contained in sub-regulation (2), the General Manager may, for good and sufficient reasons, extend the time for commencement of repayment by not more than six months. Any further extension or extensions in excess of six months shall be subject to the approval of the Corporation.

26. *Failure to repay.*—In the event of the society failing to pay on demand the entire outstanding amount of the loan together with the interest thereon, or any two consecutive instalments, where such instalments are permitted, or failing to observe and perform the terms and conditions under which the loan has been granted (including the terms and conditions contained in these regulations), on its part to be observed and performed, the amount due and payable by the society shall become payable forthwith and the Corporation shall be entitled to take such steps as may be deemed appropriate for the recovery thereof.

27. *Procedure for grant of collective loans.*—Applications for collective loans shall be made and processed generally in the manner set forth in regulation 10. Every such application shall be signed by the Chairman or Chief Promoter of the society and accompanied by the following documents :—

(a) an authenticated copy of the bye-laws of the society as approved by the Registrar of Co-operative Societies;

(b) a certified true copy or a photostat copy of the certificate of registration of the society;

(c) a statement, signed by the Chairman or Chief Promoter of the society, showing the names of its members, the designation of the post occupied by each member in the Corporation, his gross salary and the amount invested or agreed to be invested by him out of his own resources in the society's project;

(d) a declaration by the Chairman or Chief Promoter or Secretary of the society that each member is a permanent employee of the Corporation; and

(e) an estimate of the cost of the society's project showing the cost of land and cost of construction separately.

28. *Application of certain regulations.*—The provisions of regulations 13, 14, 15, 17, 18 and 19 shall, as far as may be, apply to collective loans.

भारत संघ, जो (1) उत्तर रेलवे, नई दिल्ली और (2) दक्षिण रेलवे, मद्रास का स्वामी है, जिसका प्रतिनिधित्व उन रेलों के जनरल मैनेजर करते हैं । प्रत्यार्थी

यतः उपर्युक्त शिकायत कर्ता ने भारतीय रेल अधिनियम 1890 की धारा 41 (1) के अधीन शिकायत पेश की है कि अपने व्यापार के दौरान वे उत्तर रेलवे के नगीना और धामपुर के व्यापारियों से ढैंचा बीज खरीदते हैं : जबकि उत्तर रेलवे ढैंचा बीज के लिए प्रति क्विंटल रु० 6.79 की दर पर का प्रभार लगाती है, दक्षिण रेलवे अपने अधिकार क्षेत्र में स्थित गन्तव्य स्टेशनों पर इस माल के आते समय प्रति चौपहिए बड़ी लाइन वैगन के लिए 110 क्विंटल की भार सम्बन्धी शर्त के साथ रु० 11.82 (अधिप्रभार को छोड़कर) की दर पर के प्रभार मांगती है; ढैंचा बीज खाद्य उत्पादन की वृद्धि के लिए इस्तेमाल की जाने वाली हरी खाद है जिनका उपयोग "अधिक अन्न उपजाओ" आन्दोलन के सिलसिले में मद्रास सरकार द्वारा किया जाता है; दक्षिण रेलवे पर प्रभारित की जाने वाली दरें अनुचित हैं, जीरा बीज मूल्य प्रति किलो रु० 3 है और ढैंचा बीजों, प्रति किलो केवल चालीस पैसे है, के लिए एक ही दर प्रभारित की जाती है अन्यायपूर्ण तौर से भेदमूलक है, ढैंचा बीजों पर, जिनका प्रति किलो चालीस पैसे हैं, प्रति किलो बार प्रभार बहुत अधिक है; जनता के हित की अधिक अन्न उपजाओ आन्दोलन को बढ़ावा देने के दृष्टि से ढैंचा बीजों पर प्रभारित दर यथासम्भव कम होनी चाहिए; उत्तर रेलवे के स्टेशनों से दक्षिण रेलवे से इतर रेलों पर स्थित गन्तव्य स्टेशनों को बुक किये जाते समय एक ही पण्य पर प्रभारित की जानेवाली दर उस दर से कम है जो कि दक्षिण रेलवे द्वारा उसी पण्य के लिए मांगी जा रही है और इस प्रकार प्रस्तुत शिकायत कर्ताओं के साथ भेदमूलक व्यवहार किया जा रहा है और वे अपने को प्रतिकूल परिस्थिति में पाते हैं; ढैंचा बीज सचमुच खाद के जैसे प्रभारित किये जाने चाहिएं; किन्तु फिलहाल उसको उसी दर पर प्रभारित किये जाने से वे संतुष्ट रहेंगे, जो उत्तर रेलवे द्वारा स्वीकृत की गयी है;

और अतः शिकायतकर्ताओं ने प्रार्थना की है कि (1) यह घोषित किया जाय कि नगीना से शिवकाशी को, नगीना से सासूर को, धाम पुर से शिवकाशी को और धामपुर से सासूर को ढैंचा बीजों के परिवहन के लिए अभी प्रभारित की जानेवाली दरें अनुचित हैं, (2) अधिकरण द्वारा उचित दरें निर्धारित की जायें; (3) यह घोषित किया जाय कि दक्षिण रेलवे ने शिकायतकर्ताओं के माल

को अनुचित, पक्षपातपूर्ण और प्रतिकूल परिस्थिति में डालकर रेल अधिनियम की धारा 28 का उल्लंघन किया है और वह रेलवे निदेशित किया जाय कि उस पक्षपात और प्रतिकूल परिस्थिति का निवारण करें; और (4) शिकायतकर्ताओं को खर्च की अदायगी करायी जाय ;

और यत: ऐसा माना जाता है कि इस प्रकार के और भी व्यक्ति होंगे जो रिकार्ड में नहीं हों, परन्तु जिनका उपर्युक्त शिकायतकर्ताओं या प्रत्यर्थी के समान हित इन कार्यवाहियों में होगा;

अतएव यह सार्वजनिक सूचना रेल दर अधिकरण नियमावली 19(3) और (4) के अधीन दी जाती है ताकि कोई भी व्यक्ति, जो ऐसा चाहे, इस सूचना के प्रकाशन की तारीख से 30 दिनों के अन्दर, शिकायत में प्रार्थित परिहार की पुष्टि या विरोध में दाखिल होने की अनुमति के लिए या शिकायतकर्ताओं या प्रत्यर्थी के पक्ष में जोड़े जाने के लिए प्रस्तावित दखल के आधार को या कार्यवाहियों में प्रार्थी की स्थिति और हित को, या उक्त शिकायत में एक पार्टी के रूप में जोड़े जाने के आधार को व्यक्त करते हुए अधिकरण को अर्जी पेश कर सके। इस सार्वजनिक सूचना के बाद इस अधिकरण द्वारा दिया जाने वाला कोई भी निर्णय उन सभी लोगों के लिए लागू होगा।

दि इलेक्ट्रो मेटल्लर्जिकल वर्क्स लिमिटेड, डांडेली—शिकायतकर्ता

बनाम

भारत संघ जो दक्षिण मध्य रेलवे, सिकन्दराबाद, का स्वामी है, और जिसका प्रतिनिधित्व उसके जनरल मैनेजर द्वारा किया जाता है। — प्रत्यर्थी

यत: उपर्युक्त शिकायतकर्ता ने भारतीय रेल अधिनियम, 1890, धारा 41(1) के अधीन शिकायत की है कि फेरो-मैंगनीज का विनिर्माण करने के लिए प्रत्यर्थी रेलवे के डांडेली स्टेशन द्वारा परिसेवित उनका एक कारखाना है, जिसके लिए आवश्यक मुख्य कच्ची सामग्रियां कच्चा मैंगनीज, कोक, डोलोमाइट, चूना-पत्थर, विद्युत् लेप हैं; ये कच्ची सामग्रियां कारखाने में रेल द्वारा लायी जाती हैं और तैयार माल भी रेल द्वारा भेजा जाता है; 1-2-64 से तत्कालीन दक्षिण रेलवे ने 32 कि० मी० दूरी की शाखा लाइन अलनावर-डांडेली के बीच के यातायात के संबंध में लगातार मील दूरी पर मानक संरक्षा (टेलीस्कोपिक) वर्ग दरों को चालू किया, परंतु अलनावर-डांडेली के बीच प्रभारित करने की दूरी को 96 कि० मी० तक अर्थात् तिगुना स्फीत कर दिया; शिकायत के अनुबंध में दिये गये मामलों के लिये अनुबंध में दिये गये स्टेशनों के बीच उनके यातायात पर का परिवहन के लिये भाड़े की दर स्वत: अनुचित है और रेलों में अन्यत्र इन्हीं दूरियों पर इन्हीं मालों के लिये प्रभार्य भाड़े की दरों की तुलना में भी अनुचित है :

और इस अधिकरण ने 1963 की शिकायत सं० 4 पर 18-4-1966 ने अपने निर्णय में (वेस्ट कोस्ट पेपर मिल्स बनाम दक्षिण रेलवे) सामान्य नियम के रूप में व्यक्त किया है कि इस खंड पर के भाड़े के लिए स्फीत दूरी का आधार अनुचित है जिस पर भी प्रत्यर्थी रेलवे ने केवल वेस्ट कोस्ट पेपर मिल्स को सिर्फ उनकी शिकायत में निर्दिष्ट विशिष्ट स्टेशन जोड़ों के बीच निर्दिष्ट मालों के संबंध में उन्मुक्ति दी है। रेलवे के एक उपभोगकर्ता के लिये स्फीत दूरी पर के प्रभार को रद्द करके और अन्य उपभोगकर्ताओं के लिये उसे जारी रखना भेदमूलक है और रेल अधिनियम की धारा 28 का उल्लंघनकारी है, इस शाखा लाइन पर स्फीत दूरी पर प्रभारित करना दूसरे प्रकार से भी रेल अधिनियम की धारा 28 का उल्लंघन करता है क्योंकि भारत के इस्तर प्रदेशों में स्थित फेरो-मैंगनीज का विनिर्माण करनेवाले कारखानों को स्फीत दूरी पर अधिक भाड़ा प्रभार को भुगतान करने को बाध्य करके उनके साथ भेदमूलक व्यवहार नहीं किया गया है, शिकायतकर्ता के तैयार माल बंबई, मद्रास, कलकत्ता, दिल्ली आदि स्थानों को प्रेषित किये जाते हैं जहां उन्हें इतर कारखानों से जिनको स्फीत दूरी पर वहन भाड़ा देना नहीं पड़ता है, प्रतियोगिता का सामना करना पड़ता है;

और यत: शिकायतकर्ता ने प्रार्थना की है कि (1) यह घोषित किया जाय कि अलनावर-डांडेली खंड पर उनके यातायात के संबंध में स्फीत दूरी पर भाड़ा अनुचित है; (2) शिकायत के अनुबंध में निर्दिष्ट विशिष्ट मालों के लिये और निर्दिष्ट स्टेशनों के बीच 96 कि० मी० की स्फीत दूरी पर भाड़ा वसूल करने के बदले अलनावर डांडेली के बीच 32 कि० मी० की लगातार वास्तविक दूरी पर मानक दर पर भाड़ा वसूल करने के लिये प्रत्यर्थी निदेशित किया जाय; (3) 1963 की शिकायत सं० 4 पर दिये गये निर्णय की तारीख से, अर्थात् 18-4-1966 से, उन्मुक्ति दिया जाय; और (4) शिकायतकर्ता को खर्च की अदायगी करायी जाय।

और यत: ऐसा माना जाता है कि और भी इस प्रकार के व्यक्ति होंगे जो रिकार्ड में नहीं हों, परन्तु जिनका उपर्युक्त शिकायतकर्ताओं का प्रत्यर्थी के समान इन कार्यवाहियों में समान हित होगा।

अतएव यह सार्वजनिक सूचना रेल दर अधिकरण नियमावली, 1959 के नियम 19(3) और (4) के अधीन दी जाती है ताकि कोई भी व्यक्ति, जो चाहे, इस सूचना के प्रकाशन की तारीख से 30 दिनों के अन्दर शिकायत में प्रार्थित उन्मुक्ति की पुष्टि में या विरोध में प्रविष्ट होने की अनुमति के लिए या शिकायतकर्ताओं या प्रत्यर्थी के पक्ष में जोड़े जाने के लिए प्रस्तावित प्रवेश के आधार को तथा कार्यवाहियों में प्रार्थी की स्थिति और हित को स्पष्ट करते हुये या उक्त मामले में एक पार्टी के रूप में जोड़े जाने का आधार स्पष्ट करते हुये अधिकरण को अर्जी पेश कर सके। इस सार्वजनिक सूचना के बाद अधिकरण द्वारा दिया जाने वाला कोई भी निर्णय ऐसे सभी लोगों पर लागू होगा।

आज मई 1967 के 16वें दिन "अडयार हाउस" 1, पब्स रोड, राजा अण्णामलैपुरम, मद्रास-28 में मेरे हस्ताक्षर और अधिकरण की मुद्रा के अधीन जारी की जाती है।

बनाम

भारत संघ जो पूर्वोत्तर रेलवे का स्वामी है, और जिसका प्रतिनिधित्व पूर्वोत्तर रेलवे गोरखपुर के जनरल मैनेजर द्वारा किया जाता है। — प्रत्यर्थी

यत: उपर्युक्त शिकायतकर्ता ने भारतीय रेल अधिनियम की धारा 41(1) (ग) के अधीन शिकायत की है कि प्रत्यर्थी रेलवे पर स्थित सीवान में उनका शक्कर का एक कारखाना है; कच्चे माल अर्थात् ईख का एक अंश और तैयार माल अर्थात् शक्कर, रेल द्वारा भेजे जाते हैं; उन्होंने तकालीन बंगाल और पश्चिमोत्तर रेलवे कं० लि० के साथ 1933 में या उसके करीब सीवान में एक इमदादी साइडिंग के निर्माण के लिये एक करार कर लिया था जिसमें इमदादी साइडिंग की भूमि की लागत और वहां रेल पथ बिछाने का खर्च उठाने की स्वीकृति दी थी और साथ ही सूद, मूल्यह्रास और इमदादी साइडिंग के अनुरक्षण के लिये प्रभार के रूप में रेलवे के पूंजीगत परिव्यय के 8 1/2 प्रतिशत भुगतान करने की भी स्वीकृति दी थी; इसके आधार पर प्रभार प्रति छमाही के लिये रू० 417.50 निर्धारित किया गया था; यह व्यवस्था 1933 से जारी थी; 1966 में प्रत्यर्थी रेलवे में एक पक्षीय रूप से उपर्युक्त प्रभार को 1-11-65 से बढ़ा दिया और प्रति वर्ष के लिए रू० 3495.36 बना दिया; प्रभार में यह असाधारण वृद्धि पूर्ण रूप से अनुचित है; चूंकि उनके साइडिंग के संबंध में किया गया अनुरक्षण कार्य नगण्य है, उसके लिये रु० 3291.38 में प्रभारित करना अनीतिपूर्ण, साम्यहीन, अन्यायपूर्ण, और अनुचित है, वैसे सूद प्रभार भी हैं, रेलें वाहक होने के कारण वैगनों को इमदादी साइडिंग और निजी साइडिंग की जंक्शन पर खड़ा करने के लिये बाध्य हैं और इमदादी साइडिंग पर परिवहन के लिये अलग प्रभार नहीं लगाया जा सकता;

और यत: शिकायतकर्ता ने प्रार्थना की है कि

(1) वर्तमान सूद और अनुरक्षण प्रभार अनुचित घोषित किये जायें।

(2) उचित सूद और अनुरक्षण प्रभार निर्धारित किये जायें।

(3) उन्मुक्ति प्रभार की बढ़ायी गयी तारीख से लागू की जायें।

(4) शिकायतकर्ता को खर्च की अदायगी करायी जाय।

और यत: ऐसा माना जाता है कि और भी इस प्रकार के व्यक्ति होंगे जो रिकार्ड में नहीं हों परन्तु जिनका उपर्युक्त शिकायतकर्ता या प्रत्यर्थी के समान इन कार्यवाहियों में समान हित होगा।

दि जयपुर उद्योग लिमिटेड, सवाईमाधोपुर — शिकायतकर्ता

बनाम

भारत संघ जो पश्चिम रेलवे बम्बई का स्वामी है और जिसका प्रतिनिधित्व उस रेलवे के जनरल मैनेजर द्वारा किया जाता है — प्रत्यर्थी

यत: उपर्युक्त शिकायतकर्ता ने रेल अधिनियम की धारा 41(1) के अधीन यह बताते हुये शिकायत पेश की है कि पश्चिम रेलवे पर स्थित स्टेशन सवाईमाधोपुर पर उनका एक सीमेंट कारखाना है, उनके परिसर में उनकी लागत पर बिछाया, निर्मित और अनुरक्षित उनका अपना एक मी० ला० साइडिंग है, रेलवे, 1953 से लेकर, प्रति घंटे रु० 18 या दोनों दिशाओं में परिवाहित प्रति वैगन के लिए रु० 1—इनमें से जो भी अधिकतर हो—की दर पर साइडिंग प्रभार लगाते आ रही थी, उपर्युक्त साइडिंग प्रभार 1958 से रु० 28 प्रति घंटे या रु० 1 प्रति वैगन, इनमें से जो भी अधिकतर हो, तक बढ़ाया गया था जो 1960 से रु० 30-50 प्रति घंटे या रु० 1 प्रति वैगन, इनमें से जो भी अधिकतर हो, तक पुन: बढ़ाया गया, 1962 से यह प्रभार रु० 35 प्रति घंटे या रु० 1 प्रति वैगन, इनमें से जो भी अधिकतर हो, तक पुन: बढ़ाया गया और मार्च 1959 से प्रभार रु० 38 प्रति घंटे या रु० 1 प्रति वैगन इनमें से जो भी अधिकतर हो, तक फिर से बढ़ाया गया;

साइडिंग प्रभार को प्रति वैगन के आधार पर लगाया जाना न्यायसंगत नहीं है; 1 मार्च, 1966 से प्रत्यर्थी प्रति वैगन के आधार को छोड़ कर रु० 38 प्रति घंटे की दर पर प्रभारित करते आ रहा था, प्रत्यर्थी ने शिकायतकर्ता को साइडिंग प्रभार को 10 अप्रैल 1967 से प्रति घंटे रु० 45 तक बढ़ाये जाने की सूचना दी है, जबकि साइडिंग प्रभार को रु० 38 प्रति घंटे की दर पर लगाना भी अनुचित है, आगे की वृद्धि न्यायसंगत नहीं है, दोनों पक्षीकारों की उपस्थिति में चलायी गयी 5 जांचों के आधार पर, रेलवे ने प्रति शंट के लिये किया जाने वाला समय 84 मिनट माना, जबकि शिकायतकर्ता का दावा था कि वह केवल 62 मिनट था; रेलवे द्वारा स्वयं संगणित 84 मिनटों के बदले प्रति शंट के लिये 87 मिनट की दर पर रेलवे बिल लगाती आ रही है;

और यत: शिकायत कर्ता ने प्रार्थना की है कि शिकायत की तारीख से लेकर साइडिंग प्रभार प्रति घंटे रु. 18 की दर पर नियत किया जाय; (2) साइडिंग प्रभार प्रति शंट के लिये 62 मिनट के आधार पर निर्धारित किया जाय; (3) अधिक वसूली गयी रकम को लौटाने के लिए प्रत्यर्थी को निदेशित किया जाय और (4) शिकायतकर्ता को खर्चा की अदायगी करायी जाय।

और यत: ऐसा माना जाता है कि और भी इस प्रकार के व्यक्ति होंगे जो रिकार्ड में नहीं हों परंतु जिनका उपर्युक्त शिकायत कर्ता या प्रत्यर्थी के समान इन कार्यवाहियों में समान हित होगा;

*In case of the factory this date should be 24-2-1951 or in case of factory to which the Act previously applied but has ceased to apply for the time being, the date when the Act last applied. In case of the establishment, this date should be the date one year prior to the date of the enforcement of the Employees' State Insurance Act, 1948 to the establishment.

N.B. :—Changes in the names and addresses of persons mentioned in column 8(a) (b) (c) (d) should invariably be intimated to the appropriate office of the Corporation as soon as these take place.

NOTE :—1. In answer to query No. 5, complete information is required with regard to the nomenclature of industry or business and the exact nature of work carried on as a part of that industry or business. Instead of replying to the query like "textiles", "chemicals", "engineering" etc., the exact nature of work will need to be stated such as "Textiles—cotton knitting", "Chemicals—manufacture of matches", "Engineering—manufacture of electric motors" etc. etc.

2. "Power" means electrical energy or any other form of energy which is mechanically transmitted and is not generated by human or animal agency.

3. "Immediate Employer" in relation to employees employed by or through him, means a person who has undertaken the execution on the premises of a factory or an establishment to which this Act applies or under the supervision of the principal employer or his agent, of the whole or any part of any work which is ordinarily part of the work of the factory or establishment of the principal employer or preliminary to the work carried on in, or incidental to the purpose of any such factory or establishment, and includes a person by whom the services of an employee who has entered into a contract of service with him are temporarily lent or let on hire to the principal employer.

4. "Principal Employer" means—

(i) In a factory, the owner or occupier of the facory and includes the managing agent of such owner or occupier, the legal representative of a deceased owner or occupier, and where a person has been named as the manager of the factory under the Factories Act, 1948, the person so named, (ii) in any establishment under the control of any department of any Govt. in India, the authority appointed by Govt. in this behalf or where no authority is so appointed, the head of the department; (iii) in any other establishment any person responsible for the supervision and control of the establishment.

5. "Employee" means any person employed for wages in or in connection with the work of a factory or establishment to which this Act applies and—(i) who is directly employed by the principal employer on any work of or incidental or preliminary to or connected with the work of the factory or establishment, whether such work is done by the employee in the factory or establishment or elsewhere; or (ii) who is employed by or through an immediate employer on the promises of the factory or establishment under the supervision of the principal employer or his agent on work which is ordinarily part of the work of the factory or establishment or which is preliminary to the work carried on in or incidental to the purpose of the factory or establishment; or (iii) whose services are temporarily lent or let on hire to the principal employer by the person with whom the person whose services are so lent or let on hire has entered into a contract of service and includes any person employed for wages on any work connected with the administration of the factory or establishment or any part, department or branch thereof or with the purchase of raw materials for, or the distribution or sale of the products of, the factory or establishment; but does not include—

(a) any member of the Indian naval, military or air force; or

(b) any person so employed whose wages (excluding remuneration for over-time work) exceeds five hundred rupees a month.

Provided that an employee whose wages (excluding remuneration for over-time work) exceed, five hundred rupees a month at any time after (and not before) the beginning of the contribution period, shall continue to be an employee until the end of that period.

6. "Wages" means all remuneration paid or payable in cash to an employee if the terms of the contract of employment, express or implied were fulfilled and includes any payment to an employee in respect of any period of authorised leave, lock-out, strike which is not illegal or lay-off and other additional remuneration, if any, paid at intervals not exceeding two months, but does not include—

BEFORE THE RAILWAY RATES TRIBUNAL AT MADRAS

Madras-28, the 25th May 1967

(*Public notice issued under Rule* 19(3) *and* (4), *of the Railway Rates Tribunal Rules*, 1959.)

COMPLAINT NUMBER 1 OF 1967

Messrs. P. P. Karuppiah Nadar Sons, General Merchants, SIVAKASI.—*Complainant.*

Versus

The Union of India owning (1) the Northern Railway, New Delhi and (2) the Southern Railway, Madras, and represented by their respective General Managers.—*Respondents*

WHEREAS the complainant above-named has filed a complaint under Section 41(1), Indian Railways Act, 1890, stating that in the course of their business they purchase Dhancha seeds from parties at Nagina and Dhampur, Northern Railway; that whereas the Northern Railway is charging Dhancha seeds at the rate of Rs. 6.79 per quintal, the Southern Railway, on arrival of the goods at destination stations lying within its jurisdiction, is demanding payment of freight at the rate of Rs. 11.82 (excluding surcharge) per quintal subject to the weight condition of 110 quintals per B.G. 4 wheeler; that Dhancha seeds are green manure used for increase in food production and are used by the Government of Madras to boost 'Grow More Food' Campaign; that the rates charged by the Southern Railway on Dhancha seeds are unreasonable; that to charge the same rate for both Jeera seeds priced at Rs. 3 per kilo and Dhancha seeds priced only at forty paise per kilo is itself unjustly discriminatory; that the incidence of freight charge at twelve paise per kilo on Dhancha seeds, the cost of which is only forty paise per kilo, is very high; that in the interests of the public and in the interest of the serving the Grow More Food Campaign, the rates charged for Dhancha seeds should be as low as possible; that the same commodity booked from stations on the Northern Railway to destination stations other than on Southern Railway is charged at a lower rate than that being demanded by the Southern Railway and thus the complainant is subjected to discriminatory treatment and is placed at a disadvantage; that Dhancha seeds should be charged actually as for manures, but, for the present, they will be satisfied if these are charged at the rate accepted by the Northern Railway;

AND WHEREAS the complainant has prayed for (1) a declaration that the present rate charged by the Southern Railway for transport of Dhancha seeds from Nagina to Sivakasi, Nagina to Sattur; Dhampur to Sivakasi and Dhampur to Sattur are unreasonable; (2) fixation of reasonable rate by the Tribunal; (3) declaring that the Southern Railway is contravening Section 28 of the Railways Act by subjecting their traffic to undue prejudice and disadvantage and directing the Railway to abate such prejudice and disadvantage; and (4) awarding costs to the complainant;

AND WHEREAS it is thought there may be persons who are not on record but have the same interest in the proceedings as the complainant or the respondents abovenamed;

This public notice is, therefore, given under Rule 19(3) and (4) of the Railway Rates Tribunal Rules, 1959, so that any person who desires may petition the Tribunal, within thirty days of the publication of this notice for leave to intervene, in support of or opposition to the reliefs sought for in the complaint or be added as a party on the side of the complainant or respondents setting forth the grounds of the proposed intervention or the position and the interest of the petitioner in the proceedings or the grounds for being added as a party in the above complaint. Any decision given by the Tribunal after this public notice shall apply to all such persons.

Given under my hand seal of the Tribunal, this fifteenth day of May, 1967, at "Adyar House", No. 1, Pugh's Road, Raja Annamalaipuram, Madras-28.

BEFORE THE RAILWAY RATES TRIBUNAL AT MADRAS

(*Public Notice issued under Rule* 19(3) *and* (4) *of the Railway Rates Tribunal Rules*, 1959.)

COMPLAINT *No.* 2 OF 1967

The Electro Metallurgical Works Ltd., Dandeli—*Complainant.*

vs.

The Union of India owning the South Central Railway, Secunderabad, and represented by its General Manager—*Respondent.*

WHEREAS the Complainant above-named has filed a complaint under Section 41(1) of the Indian Railways Act, 1890, stating that they have a factory served by Dandeli station on the respondent Railway, for manufacturing Ferro-manganese, the principal raw materials required being manganese ore, coke, dolomite, limestone and Electrode paste; that the raw materials are brought to the factory and the finished product is also sent out by rail; that with effect from 1-2-1964 the then Southern Railway introduced standard telescopic class rates on continuous mileage in respect of the traffic over Alnavar-Dandeli branch line of 32 Kms., but inflated the distance for charge between Alnavar and Dandeli to 96 Kms. *viz.* 3 times; that the rates for carriage of their traffic in the commodities mentioned in the annexure to the complaint between the stations mentioned therein are unreasonable *per se* and are also unreasonable, when compared to the rates for the same commodities for identical distances, elsewhere on the Railways :

That this Tribunal has, by its Judgment dated 18-4-1966 in Complaint No. 4 of 1963 (West Coast Paper Mills *vs.* Southern Railway) held in general terms that the basis of inflated distance for change over the section is unreasonable, in spite of which the respondent railway has given relief only to the West Coast Paper Mills in respect of specified commodities for specified pairs of stations mentioned in their complaint only; that it is discriminatory and violative of Section 28 of the Railways Act to cancel the inflated distance for charge for one user of the Railway and continue it for other users; that the inflated distance for charge over this branch line offends Section 28 of the Railways Act, in another way also because factories situated in other parts of India manufacturing Ferro-managanese are not subjected to this discriminatory treatment of having to pay higher freight charges on the inflated distance; that the complainant's product is sent to Bombay, Madras, Calcutta, Delhi, etc. where they have to face competition from other factories, which do not have to pay freight charges on inflated distance;

AND WHEREAS the complainant has prayed for (1) a declaration that the inflated distance for charge over the Alnavar-Dandeli Section in respect of their traffic is unreasonable; (2) directing the respondent Railway to levy standard rates between Alnavar and Dandeli on continuous actual distance of 32 Kms. and not on the inflated distance of 96 Kms. in respect of commodities specified and between the stations mentioned, in

the annexure to the complaint; (3) granting relief from the date of judgment in Complaint No. 4 of 1963 *i.e.* 18-4-1966; and (4) awarding costs to the complainant.

AND WHEREAS it is thought that there may be persons who are not on record but have the same interest in the proceedings as the complainant or the respondent above-named;

This public notice is therefore given under Rule 19(3) and (4) of the Railway Rates Tribunal Rules, 1959, so that any person who desires may petition the Tribunal within 30 days of the publication of this notice for leave to intervene in support of or opposition to the reliefs sought in the complaint or be added on the side of the complainant or the respondent setting forth the grounds of the proposed intervention, the position and the interest of the petitioner in the proceedings or the grounds for being added as a party in the above complaint. Any decision given by the Tribunal after this public notice shall apply to all such persons.

Given under my hand and seal of the Tribunal this 16th day of May 1967, at "Adyar House" No. 1 Pugh's Road, Rajah Annamalaipuram, Madras-28.

COMPLAINT NO. 3 OF 1967

New Savan Sugar Mills.—*Complainant.*

vs.

The Union of India owning the North Eeastern Railway, Gorakhpur and represented by its General Manager —*Respondent.*

WHEREAS the complainant above-named has filed a complaint under Section 41(1)(c) of the Railways Act stating that they have a sugar mill at Siwan on the respondent Railway; that part of the raw material *viz.* sugarcane and also the finished product sugar are despatched by rail; that they entered into an agreement with the then Bengal and North Western Railway Co. Ltd., in or about 1933, for the construction of an assisted siding at Siwan, undertaking to bear the cost of the land and cost of laying the permanent way, etc. for the assisted siding and also to pay 8½ per cent of the Railway's capital outlay towards interest, depreciation and maintenance charges of the assisted siding; that the charges on this basis were fixed at Rs. 417.50 per half year; that the system was in force from 1933 onwards; that in 1966 the respondent railway unilaterally increased the above charges to Rs. 3495.36 per annum with effect from 1st November 1965; that the abnormal increase in the charges is absolutely unreasonable; that as the maintenance done to their siding is negligible, to charge Rs. 3,291.38P. per annum on that account is unfair, in equitable, unjust and unreasonable, and so also are the interest charges; that the Railways as carriers are under obligation to place the wagons at the junction of the private siding with the assisted siding and no separate charge for haulage over the assisted siding can be levied;

AND WHEREAS the complainant has prayed for (1) declaration that the present interest and maintenance charges are unreasonable; (2) fixation of reasonable interest and maintenance charges; (3) giving effect to the reliefs from the date of enhancement of the charges; and (4) awarding costs to the complainant.

AND WHEREAS it is thought that there may be persons who are not on record but have the same interest in the proceedings as the complainant or the respondent above-named.

This public notice is therefore given under Rule 19(3) and (4) of the Railway Rates Tribunal Rules, 1959, so that any person who desires may petition the Tribunal within 30 days of the publication of this notice, for leave to intervene in support of or opposition to the reliefs sought in the complaint or be added on the side of the complainant or the respondent setting forth the grounds of the proposed intervention, the position and the interest of the petitioner in the proceedings or the grounds for being added as a party in the above case. Any decision given by the Tribunal after this public notice shall apply to all such persons.

BEFORE THE RAILWAY RATES TRIBUNAL AT MADRAS

(*Public Notice issued under Rule* 19(3) *and* (4) *of the Railway Rates Tribunal Rules,* 1959)

COMPLAINT NO. 4 OF 1967

The Jaipur Udyog Limited, Sawai Madhopur—*Complainant.*

vs.

The Union of India owning the Western Railway, Bombay, and represented by its General Manager—*Respondent.*

WHEREAS the complainant above-named has filed a complaint under Section 41(1) of the Railways Act stating that they own a Cement Factory at Sawai Madhopur, a station on the Western Railway; that they have their own M.G. Siding inside their premises, laid, constructed and maintained at their own cost; that the Railways have been levying siding charges since 1953 at the rate of Rs. 18 per hour or Re. 1 per wagon hauled both ways, whichever was higher; that the above siding charges were increased to Rs. 28 per hour or Re. 1 per wagon whichever was higher from 1958 and again increased to Rs. 30.50 per hour or Re. 1 per wagon whichever was higher from the year 1960; that in 1962 the charges were again increased to Rs. 35 per hour or Re. 1 per wagon whichever was higher; that from March 1964 the siding charges were further increased to Rs. 38 per hour or Re. 1 per wagon, whichever was higher;

That the levy of siding charges on per wagon basis was unjustified; that from 1st March 1966 the respondent was charging Rs. 38 per hour giving up the per wagon basis; that the respondent has intimated the complainant of the increase in the siding charges to Rs. 45 per hour with effect from 10th April, 1967; that when even the charge of Rs. 38 per hour is unreasonable, any further increase is not justified; that on the basis of 5 trials conducted in the presence of both the parties, the Railways concluded that the time taken per shunt is 84 minutes, whereas the complainant claimed that the time taken is only 62 minutes; that even as against 84 minutes as arrived at by the Railways, they are raising bills on the basis of 87 minutes per shunt.

AND WHEREAS the complainant has prayed for (1) fixation of the siding charges on the basis of Rs. 18 per hour from the date of the complaint; (2) fixation of siding charges on the basis of 62 minutes per shunt; (3) directing the respondent to refund the excess amount collected; and (4) awarding costs to the complainant.

AND WHEREAS it is thought that there may be persons who are not on record but have the same interest in the proceedings as the complainant or the respondent above-named;

This public notice is therefore given under Rule 19(3) and (4) of the Railway Rates Tribunal Rules, 1959, so that any person who desires may petition the Tribunal within 30 days of the publication of this notice for leave to intervene in support of or opposition to the reliefs sought in the complaint or be added on the side of the complainant or the respondent setting forth the grounds of the proposed intervention, the position and the interest of the petitioner in the proceedings or the grounds for being added as a party in the above complaint. Any decision given by the Tribunal after this public notice shall apply to all such persons.

Given under my hand and seal of the Tribunal this 16th day of May 1967 at "Adyar House" No. 1 Pugh's Road, Rajah Annamalaipuram, Madras-28.
