The Land Acquisition Act, 1894.

(Part I.—Preliminary.—Sections 1 to 3.)

An Act to amend the law for the acquisition of land for public purposes and for Companies.

WHEREAS it is expedient to amend the law for the acquisition of land needed for public purposes and for Companies and for determining the amount of compensation to be made on account of such acquisition; It is hereby enacted as follows:—

PART I.

PRELIMINARY.

1. (1) This Act may be called the Land Acquisition Act, 1894.
Short title, extent and commencement.

(2) It extends to the whole of British India; and

(3) It shall come into force on the first day of March, 1894.

2. (1) The Land Acquisition Act, 1870, and section 74 of the Punjab Courts Act, 1884, are hereby repealed.

(2) But all proceedings commenced, officers appointed or authorised, agreements published and rules made under the said Land Acquisition Act shall, as far as may be, be deemed to have been respectively commenced, appointed or authorized, published and made under this Act.

(3) Any enactment or document referring to the said Land Acquisition Act or to any enactment thereby repealed shall, so far as may be, be construed to refer to this Act or to the corresponding portion thereof.

3. In this Act, unless there is something repugnant in the subject or context,—

(a) the expression "land" includes benefits to arise out of land, and things attached to the earth or permanently fastened to anything attached to the earth:

(b) the expression "person interested" includes all persons claiming an interest in compensation to be made on account of the acquisition of land under this Act; and a person shall be deemed to be interested in land if he is interested in an easement affecting the land:

(c) the expression "Collector" means the Collector of a district, and includes a Deputy Commissioner and any officer specially appointed by the Local Government to perform the functions of a Collector under this Act:

(d) the expression "Court" means a principal Civil Court of original jurisdiction, unless the Local Government has appointed (as it is hereby empowered to do) a special judicial officer within any specified local limits to perform the functions of the Court under this Act:

(e) the expression "Company" means a Company registered under the Indian Companies Act, 1882, or under the (English) Companies Acts, 1862 to 1890, or incorporated by an Act of Parliament or of the Governor General in Council, or by Royal Charter or Letters Patent: VI of 1882.

(f) the expression "public purpose" includes the provision of village-sites in districts in which the Local Government shall have declared by notification in the official Gazette that it is customary for the Government to make such provision: and

(g) the following persons shall be deemed persons "entitled to act" as and to the extent hereinafter provided (that is to say)—

trustees for other persons beneficially interested shall be deemed the persons entitled to act with reference to any such case, and that to the same extent as the persons beneficially interested could have acted if free from disability:

a married woman, in cases to which the English law is applicable, shall be deemed the person so entitled to act, and, whether of full age or not, to the same extent as if she were unmarried and of full age; and

the guardians of minors and the committees or managers of lunatics or idiots shall be deemed respectively the persons so entitled to act, to the same extent as the minors, lunatics or idiots themselves, if free from disability, could have acted:

Provided that—

(i) no person shall be deemed "entitled to act" whose interest in the subject-matter shall be shown to the satisfaction of the Collector or Court to be adverse to the interest of the person interested for whom he would otherwise be entitled to act;

*The Land Acquisition Act, 1894.**(Part II.—Acquisition.—Sections 4-9.)*

(ii) in every such case the person interested may appear by a next friend, or, in default of his appearance by a next friend, the Collector or Court, as the case may be, shall appoint a guardian for the case to act on his behalf in the conduct thereof;

(iii) the provisions of Chapter XXXI of the Code of Civil Procedure shall, *mutatis mutandis*, apply in the case of persons interested appearing before a Collector or Court by a next friend, or by a guardian for the case, in proceedings under this Act; and

(iv) no person "entitled to act" shall be competent to receive the compensation-money payable to the person for whom he is entitled to act, unless he would have been competent to alienate the land and receive and give a good discharge for the purchase-money on a voluntary sale.

PART II.

ACQUISITION.

Preliminary Investigation.

4. (1) Whenever it appears to the Local Government that land in any locality is likely to be needed for any public purpose, a notification to that effect shall be published in the official Gazette, and the Collector shall cause public notice of the substance of such notification to be given at convenient places in the said locality.

(2) Thereupon it shall be lawful for any officer, either generally or specially authorized by such Government in this behalf, and for his servants and workmen,—

to enter upon and survey and take levels of any land in such locality;

to dig or bore into the subsoil;

to do all other acts necessary to ascertain whether the land is adapted for such purpose;

to set out the boundaries of the land proposed to be taken and the intended line of the work (if any) proposed to be made thereon;

to mark such levels, boundaries and line by placing marks and cutting trenches;

and, where otherwise the survey cannot be completed and the levels taken and the boundaries and line marked, to cut down and clear away any part of any standing crop, fence or jungle;

Provided that no person shall enter into any building or upon any enclosed court or garden attached to a dwelling-house (unless with the

consent of the occupier thereof) without previously giving such occupier at least seven days' notice in writing of his intention to do so.

5. The officer so authorized shall at the time of such entry pay or tender payment for all necessary damage to be done as aforesaid, and, in case of dispute as to the sufficiency of the amount so paid or tendered, he shall at once refer the dispute to the decision of the Collector or other chief revenue-officer of the district, and such decision shall be final.

Declaration of intended Acquisition.

6. (1) Subject to the provisions of Part VII of this Act, whenever it appears to the Local Government that any particular land is needed for a public purpose, or for a Company, a declaration shall be made to that effect under the signature of a Secretary to such Government or of some officer duly authorized to certify its orders:

Provided that no such declaration shall be made unless the compensation to be awarded for such property is to be paid by a Company, or wholly or partly out of public revenues or some fund controlled or managed by a local authority.

(2) The declaration shall be published in the official Gazette, and shall state the district or other territorial division in which the land is situate, the purpose for which it is needed, its approximate area, and, where a plan shall have been made of the land, the place where such plan may be inspected.

(3) The said declaration shall be conclusive evidence that the land is needed for a public purpose or for a Company, as the case may be; and, after making such declaration, the Local Government may acquire the land in manner hereinafter appearing.

7. Whenever any land shall have been so declared to be needed for a public purpose, or for a Company, the Local Government, or some officer authorized by the Local Government in this behalf, shall direct the Collector to take order for the acquisition of the land.

8. The Collector shall thereupon cause the land (unless it has been already measured and ready marked out under section 4) to be marked out. He shall also cause it to be measured, and (if no plan has been made thereof) a plan to be made of the same.

9. (1) The Collector shall then cause public notice to be given at convenient places on or near the land to be taken, stat-

ing that the Government intends to take possession of the land, and that claims to compensation for all interests in such land may be made to him.

(2) Such notice shall state the particulars of the land so needed, and shall require all persons interested in the land to appear personally or by agent before the Collector at a time and place therein mentioned (such time not being earlier than fifteen days after the date of publication of the notice), and to state the nature of their respective interests in the land and the amount and particulars of their claims to compensation for such interests, and their objections (if any) to the measurements made under section 8. The Collector may in any case require such statement to be made in writing and signed by the party or his agent.

(3) The Collector shall also serve notice to the same effect on the occupier (if any) of such land and on all such persons known or believed to be interested therein, or to be entitled to act for persons so interested, as reside, or have agents authorized to receive service on their behalf, within the revenue district in which the land is situate.

(4) In case any person so interested resides elsewhere, and has no such agent, the notice shall be sent to him by post in a letter addressed to him at his last known residence, address or place of business and registered under Part III of the Indian Post Office Act, 1866.

10. (1) The Collector may also require any such person to make or deliver to him, at a time and place mentioned (such time not being earlier than fifteen days after the date of the requisition), a statement containing, so far as may be practicable, the name of every other person possessing any interest in the land or any part thereof as co-proprietor, sub-proprietor, mortgagee, tenant or otherwise, and of the nature of such interest, and of the rents and profits (if any) received or receivable on account thereof for three years next preceding the date of the statement.

(2) Every person required to make or deliver a statement under this section or section 9 shall be deemed to be legally bound to do so within the meaning of sections 175 and 176 of the Indian Penal Code.

Enquiry into Measurements, Value and Claims, and Award by the Collector.

11. On the day so fixed, or on any other day to which the enquiry has been adjourned, the Collector shall proceed to enquire into the objections (if any) which any person interested has stated pursuant to a

notice given under section 9 to the measurements made under section 8, and into the value of the land, and into the respective interests of the persons claiming the compensation, and shall make an award under his hand of—

- (i) the true area of the land;
- (ii) the compensation which in his opinion should be allowed for the land; and
- (iii) the apportionment of the said compensation among all the persons known or believed to be interested in the land, of whom, or of whose claims, he has information, whether or not they have respectively appeared before him.

12. (1) Such award shall be filed in the Collector's office and shall, except as hereinafter provided, be final and conclusive evidence, as between the Collector and the persons interested, whether they have respectively appeared before the Collector or not, of the true area and value of the land, and the apportionment of the compensation among the persons interested.

(2) The Collector shall give immediate notice of his award to such of the persons interested as are not present personally or by their representatives when the award is made.

13. The Collector may, for any cause he thinks fit, from time to time adjourn the enquiry to a day to be fixed by him.

14. For the purpose of enquiries under this Act, the Collector shall have power to summon and enforce the attendance of witnesses, including the parties interested or any of them, and to compel the production of documents by the same means, and (so far as may be) in the same manner, as is provided in the case of a Civil Court under the Code of Civil Procedure.

15. In determining the amount of compensation, the Collector shall be guided by the provisions contained in sections 23 and 24.

Taking Possession.

16. When the Collector has made an award under section 11, he may take possession of the land, which shall thereupon vest absolutely in the Government, free from all encumbrances.

17. (1) In cases of urgency, whenever the Local Government so directs, the Collector, though no such award has

been made, may, on the expiration of fifteen days from the publication of the notice mentioned in section 9, sub-section (1), take possession of any waste or arable land needed for public purposes or for a Company. Such land shall thereupon vest absolutely in the Government, free from all encumbrances.

(2) Whenever, owing to any sudden change in the channel of any navigable river or other unforeseen emergency, it becomes necessary for any Railway Administration to acquire the immediate possession of any land for the maintenance of their traffic or for the purpose of making thereon a river-side or ghat station, or of providing convenient connection with or access to any such station, the Collector may, immediately after the publication of the notice mentioned in sub-section (1) and with the previous sanction of the Local Government, enter upon and take possession of such land, which shall thereupon vest absolutely in the Government free from all encumbrances :

Provided that the Collector shall not take possession of any building or part of a building under this sub-section without giving to the occupier thereof at least forty-eight hours' notice of his intention so to do or such longer notice as may be reasonably sufficient to enable such occupier to remove his moveable property from such building without unnecessary inconvenience.

(3) In every case under either of the preceding sub-sections the Collector shall at the time of taking possession offer to the persons interested compensation for the standing crops and trees (if any) on such land and for any other damage sustained by them caused by such sudden dispossession and not excepted in section 24 ; and, in case such offer is not accepted, the value of such crops and trees and the amount of such other damage shall be allowed for in awarding compensation for the land under the provisions herein contained.

PART III.**REFERENCE TO COURT AND PROCEDURE THEREON.**

18. (1) Any person interested who has not accepted the award may, by written application to the Collector, require that the matter be referred by the Collector for the determination of the Court, whether his objection be to the measurement of the land, the amount of the compensation, the persons to whom it is payable, or the apportionment of the compensation among the persons interested.

(2) The application shall state the grounds on which objection to the award is taken :

Provided that every such application shall be made,—

(a) if the person making it was present or represented before the Collector at the time when he made his award, within six weeks from the date of the Collector's award ;

(b) in other cases, within six weeks of the receipt of the notice from the Collector under section 12, sub-section (2), or within six months from the date of the Collector's award, whichever period shall first expire.

19. (1) In making the reference, the Collector shall state, for the information of the Court, in writing under his hand,—

(a) the situation and extent of the land, with particulars of any trees, buildings or standing crops thereon ;

(b) the names of the persons whom he has reason to think interested in such land ;

(c) the amount awarded for damages and paid or tendered under sections 5 and 17, or either of them, and the amount of compensation awarded under section 11 ; and,

(d) if the objection be to the amount of the compensation, the grounds on which the amount of compensation was determined.

(2) To the said statement shall be attached a schedule giving the particulars of the notices served upon, and of the statements in writing made or delivered by, the parties interested respectively.

20. The Court shall thereupon cause a notice, specifying the day on which the Court will proceed to determine the objection, and directing their appearance before the Court on that day, to be served on the following persons, namely :—

(a) the applicant ;

(b) all persons interested in the objection, except such (if any) of them as have consented without protest to receive payment of the compensation awarded ; and,

(c) if the objection is in regard to the area of the land or to the amount of the compensation, the Collector.

21. The scope of the inquiry in every such proceeding shall be restricted to a consideration of the interests of the persons affected by the objection.

*The Land Acquisition Act, 1894.**(Part III.—Reference to Court and Procedure thereon.—Sections 22-28.)*

22. Every such proceeding shall take place in open Court, and all persons entitled to practise in any Civil Court in the province shall be entitled to appear, plead and act (as the case may be) in such proceeding.

23. (1) In determining the amount of compensation to be awarded for land acquired under this Act, the Court shall take into consideration—

first, the market-value of the land at the date of the publication of the declaration relating thereto under section 6 ;

secondly, the damage sustained by the person interested, by reason of the taking of any standing crops or trees which may be on the land at the time of the Collector's taking possession thereof ;

thirdly, the damage (if any) sustained by the person interested, at the time of the Collector's taking possession of the land, by reason of severing such land from his other land ;

fourthly, the damage (if any) sustained by the person interested, at the time of the Collector's taking possession of the land, by reason of the acquisition injuriously affecting his other property, moveable or immoveable, in any other manner, or his earnings ;

fifthly, if, in consequence of the acquisition of the land by the Collector, the person interested is compelled to change his residence or place of business, the reasonable expenses (if any) incidental to such change ; and

sixthly, the damage (if any) *bona fide* resulting from diminution of the profits of the land between the time of the publication of the declaration under section 6 and the time of the Collector's taking possession of the land.

(2) In addition to the market-value of the land, as above provided, the Court shall in every case award a sum of fifteen per centum on such market-value, in consideration of the compulsory nature of the acquisition.

24. But the Court shall not take into consideration—

first, the degree of urgency which has led to the acquisition ;

secondly, any disinclination of the person interested to part with the land acquired ;

thirdly, any damage sustained by him which, if caused by a private person, would not render such person liable to a suit ;

fourthly, any damage which is likely to be caused to the land acquired, after the date

of the publication of the declaration under section 6, by or in consequence of the use to which it will be put ;

fifthly, any increase to the value of the land acquired likely to accrue from the use to which it will be put when acquired ;

sixthly, any increase to the value of the other land of the person interested likely to accrue from the use to which the land acquired will be put ; or,

seventhly, any outlay or improvements on, or disposal of, the land acquired, commenced, made or effected without the sanction of the Collector after the date of the publication of the declaration under section 6.

25. (1) When the applicant has made a claim to compensation, pursuant to any notice given under section 9, the amount awarded to him by the Court shall not exceed the amount so claimed or be less than the amount awarded by the Collector under section 11.

(2) When the applicant has refused to make such claim, or has omitted without sufficient reason (to be allowed by the Judge) to make such claim, the amount awarded by the Court shall in no case exceed the amount awarded by the Collector.

(3) When the applicant has omitted for a sufficient reason (to be allowed by the Judge) to make such claim, the amount awarded to him by the Court shall not be less than, and may exceed, the amount awarded by the Collector.

26. Every award under this Part shall be in writing signed by the Judge, and shall specify the amount awarded under clause *first* of sub-section (1) of section 23, and also the amounts (if any) respectively awarded under each of the other clauses of the same sub-section, together with the grounds of awarding each of the said amounts.

27. (1) Every such award shall also state the amount of costs incurred in the proceedings under this Part, and by what persons and in what proportions they are to be paid.

(2) When the award of the Collector is not upheld, the costs shall ordinarily be paid by the Collector, unless the Court shall be of opinion that the claim of the applicant was so extravagant or that he was so negligent in putting his case before the Collector that some deduction from his costs should be made or that he should pay a part of the Collector's costs.

28. If the sum which, in the opinion of the Court, the Collector ought to have awarded as compensation is in excess of the sum which the Collector did award as compensation, the award of the Court may direct

(Part I.V.—Apportionment of Compensation.—Sections 29-30. Part V.—Payment.—Sections 31-32.)

that the Collector shall pay interest on such excess at the rate of six per centum per annum from the date on which he took possession of the land to the date of payment of such excess into Court.

PART IV.

APPORTIONMENT OF COMPENSATION.

29. Where there are several persons interested, if such persons agree in the apportionment of the compensation, the particulars of such apportionment shall be specified in the award, and as between such persons the award shall be conclusive evidence of the correctness of the apportionment.

30. When the amount of compensation has been settled under section 11, if any dispute arises as to the apportionment of the same or any part thereof, or as to the persons to whom the same or any part thereof is payable, the Collector may refer such dispute to the decision of the Court.

PART V.

PAYMENT.

31. (1) On making an award under section 11, the Collector shall tender payment of the compensation awarded by him to the persons interested entitled thereto according to the award, and shall pay it to them unless prevented by some one or more of the contingencies mentioned in the next sub-section.

(2) If they shall not consent to receive it, or if there be no person competent to alienate the land, or if there be any dispute as to the title to receive the compensation or as to the apportionment of it, the Collector shall deposit the amount of the compensation in the Court to which a reference under section 18 would be submitted:

Provided that any person admitted to be interested may receive such payment under protest as to the sufficiency of the amount:

Provided also that no person who has received the amount otherwise than under protest shall be entitled to make any application under section 18:

Provided also that nothing herein contained shall affect the liability of any person, who may receive the whole or any part of any compensation awarded under this Act, to pay the same to the person lawfully entitled thereto.

(3) Notwithstanding anything in this section, the Collector may, with the sanction of the Local Government, instead of awarding a money compensation in respect of any land,

make any arrangement with a person having a limited interest in such land, either by the grant of other lands in exchange, the remission of land-revenue on other lands held under the same title, or in such other way as may be equitable having regard to the interests of the parties concerned.

(4) Nothing in the last foregoing sub-section shall be construed to interfere with or limit the power of the Collector to enter into any arrangement with any person interested in the land and competent to contract in respect thereof.

32. (1) If any money shall be deposited in Court under sub-section (2) of the last preceding section and it appears that the land in respect whereof of the same was awarded belonged to any person who had no power to alienate the same, the Court shall—

(a) order the money to be invested in the purchase of other lands to be held under the like title and conditions of ownership as the land in respect of which such money shall have been deposited was held; or

(b) if such purchase cannot be effected forthwith, then in such Government or other approved securities as the Court shall think fit;

and shall direct the payment of the interest or other proceeds arising from such investment to the person or persons who would for the time being have been entitled to the possession of the said land, and such moneys shall remain so deposited and invested until the same be applied—

(i) in the purchase of such other lands as aforesaid; or

(ii) in payment to any person or persons becoming absolutely entitled thereto.

(2) In all cases of moneys deposited to which this section applies the Court shall order the costs of the following matters, including there-in all reasonable charges and expenses incident thereto, to be paid by the Collector, namely:—

(a) the costs of such investments as aforesaid;

(b) the costs of the orders for the payment of the interest or other proceeds of the securities upon which such moneys are for the time being invested, and for the payment out of Court of the principal of such moneys, and of all proceedings relating thereto, except such as may be occasioned by litigation between adverse claimants.

The Land Acquisition Act, 1894.

(Part V.—Payment.—Sections 33-34. Part VI.—Temporary Occupation of Land.—Sections 35-37. Part VII.—Acquisition of Land for Companies.—Sections 38-40.)

33. When any money shall have been deposited in Court under this Act for any cause other than that mentioned in the last preceding section, the Court may, on the application of any party interested or claiming an interest in such money, order the same to be invested in such Government or other approved securities as it may think proper, and may direct the interest or other proceeds of any such investment to be accumulated and paid in such manner as it may consider will give the parties interested therein the same benefit therefrom as they might have had from the land in respect whereof such money shall have been deposited or as near thereto as may be.

34. When the amount of such compensation is not paid or deposited on or before taking possession of the land, the Collector shall pay the amount awarded with interest thereon at the rate of six per centum per annum from the time of so taking possession until it shall have been so paid or deposited.

PART VI.

TEMPORARY OCCUPATION OF LAND.

35. (1) Subject to the provisions of Part VII of this Act, whenever it appears to the Local Government that the temporary occupation and use of any waste or arable land are needed for any public purpose, or for a Company, the Local Government may direct the Collector to procure the occupation and use of the same for such term as it shall think fit, not exceeding three years from the commencement of such occupation.

(2) The Collector shall thereupon give notice in writing to the persons interested in such land of the purpose for which the same is needed, and shall, for the occupation and use thereof for such term as aforesaid, and for the materials (if any) to be taken therefrom, pay to them such compensation, either in a gross sum of money, or by monthly or other periodical payments, as shall be agreed upon in writing between him and such persons respectively.

(3) In case the Collector and the persons interested differ as to the sufficiency of the compensation or apportionment thereof, the Collector shall refer such difference to the decision of the Court.

36. (1) On payment of such compensation, or on executing such agreement, or on making a reference under section 35,

the Collector may enter upon and take possession of the land, and use or permit the use thereof in accordance with the terms of the said notice.

(2) On the expiration of the term, the Collector shall make or tender to the persons interested compensation for the damage (if any) done to the land and not provided for by the agreement, and shall restore the land to the persons interested therein:

Provided that, if the land has become permanently unfit to be used for the purpose for which it was used immediately before the commencement of such term, and if the persons interested shall so require, the Local Government shall proceed under this Act to acquire the land as if it was needed permanently for a public purpose or for a Company.

37. In case the Collector and persons interested differ as to the condition of the land at the expiration of the term, or as to any matter connected with the said agreement, the Collector shall refer such difference to the decision of the Court.

PART VII.

ACQUISITION OF LAND FOR COMPANIES.

38. (1) Subject to such rules as the Governor General of India in Council may from time to time prescribe in this behalf, the Local Government may authorize any officer of any Company desiring to acquire land for its purposes to exercise the powers conferred by section 4.

(2) In every such case section 4 shall be construed as if for the words "for such purpose" the words "for the purposes of the Company" were substituted; and section 5 shall be construed as if after the words "the officer" the words "of the Company" were inserted.

39. The provisions of sections 6 to 37 (both inclusive) shall not be put in force in order to acquire land for any Company, unless with the previous consent of the Local Government, nor unless the Company shall have executed the agreement hereinafter mentioned.

40. (1) Such consent shall not be given unless the Local Government be satisfied, by an enquiry held as hereinafter provided,—

(a) that such acquisition is needed for the construction of some work, and

(b) that such work is likely to prove useful to the public.

The Land Acquisition Act 1894.

(Part VII.—Acquisition of Land for Companies.—Sections 41-44. Part VIII.—Miscellaneous.—Sections 45-48.)

(2) Such enquiry shall be held by such officer and at such time and place as the Local Government shall appoint.

(3) Such officer may summon and enforce the attendance of witnesses and compel the production of documents by the same means and, as far as possible, in the same manner as is provided by the Code of Civil Procedure in the case of a Civil Court.

41. LEGISLATIVE DEPARTMENT.

WE, the undersigned, Members of the Select Committee to which the Bill to amend the Indian Tariff Act, 1894, was referred, have considered the Bill and the papers noted in the list appended, and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto.

Schedule IV, No. 8.—In consequence of representations received by us, we have simplified the classification of sugar contained in this number.

No. 11.—In accordance with a suggestion from Madras, we have exempted unmanufactured tobacco from duty.

No. 13.—We have exempted from duty water-lifts, sugar-mills and oil-presses as well as all machines ordinarily used in processes of husbandry or for the preparation for use or for sale of the products of husbandry which the Governor General in Council may by notification exempt.

No. 14.—We have carefully examined the definition of machinery and made certain additions with the view of rendering it more complete and comprehensive as well as more readily intelligible.

No. 15.—We have made one or two additions to the articles chargeable with one per cent. duty under the heads of iron and steel.

No. 44.—We have made the duty in the case of coloured twists and yarns and of piece-goods payable *ad valorem* instead of on a tariff valuation as in the Bill as introduced, and we have combined mule and water twists under the same head.

No. 46.—Owing to our having inserted this new number, which relates to earth, common clay and sand (declared to be free), we have had to alter the subsequent numbering to the end of the Schedule.

No. 93.—We have amended the proviso to this number so as to provide for the exemption from duty of the materials of such tramways as the Governor General in Council may think fit, by notification, specifically to exempt.

No. 96.—A representation has been received by us from certain of the Inland Steam Navigation Companies concerning the duty which it was originally proposed to impose on inland ships and vessels under this number. We have now made such ships and vessels free from duty.

2. We have also received and considered a number of suggestions as to the classification of articles and the tariff valuations, to some of which we have given effect.

(2) It extends to the whole of British India; and

(3) It shall come into force at once.

2. In this Act, unless there be something repugnant in the subject or context,—

(1) "the Principal Act" means the Sea Customs Act, 1878:

(2) "Chief Customs Authority" means, in the Presidency of Fort St. George, and the territories respectively under the administration of the Lieutenant-Governors of Bengal and the North-Western Provinces and the Chief Commissioner of Oudh, the Board of Revenue; in the Presidency of Bombay outside Sind, the Commissioner of Customs; in Sind, the Commissioner; in the Punjab and Burma, the Financial Commissioner; and elsewhere the Local Government or such officer as the Local Government may, by notification in the official Gazette, appoint in this behalf by name or in virtue of his office:

(4) "mill" means any building or place where cotton fibre is spun or otherwise converted into yarn, or where yarn is woven or otherwise manufactured, by machinery moved otherwise than by manual labour:

(5) "warehouse" means a place licensed for the storage of goods under this Act, and includes every public or private warehouse duly appointed or licensed under section 15 or 16 of the Principal Act, or under section 2 of the Inland Bonded Warehouses Act, 1887:

(6) "yarn" means yarn wholly or partly composed of cotton fibres; and

(7) "customs port," "foreign port," "vessel" and "master" have respectively the meanings defined for them in the Principal Act.

J. M. MACPHERSON,

Offg. Secretary to the Government of India.

The following Report of the Select Committee on the Bill to provide for the Imposition and Levy of certain Duties on Cotton Goods was presented to the Council of the Governor General of India for the purpose of making Laws and Regulations on the 27th December, 1894:—

LEGISLATIVE DEPARTMENT.

WE, the undersigned, Members of the Select Committee to which the Bill to provide for the Imposition and Levy of certain Duties on Cotton Goods was referred, have considered the Bill and the papers noted in the list appended, and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto.

2. We have revised the definition of Collector in section 2, with the object of showing on the face of the Bill that the Customs Collectors at the larger ports only are to perform the functions of the Collector under the Bill, and that elsewhere they may be discharged by the Collector of the district or by such officer as the Local Government may appoint.

3. We have so altered the first proviso to section 5 as to make it clear that it is the intention to exempt from duty all yarns which would, by mercantile usage, be reckoned as of the number of 20 or less, even though they may slightly exceed that number, that is, may weigh slightly less than the weight theoretically attributable to that number.

4. We have appended to sub-section (2) of section 6 a Schedule specifying the same tariff values for yarns dutiable under this Bill as those which are proposed for like yarns when imported by sea by the Bill to amend the Indian Tariff Act, 1894, which is now before the Legislative Council.

5. We have added a sub-section to section 7 under which the first returns of yarns produced will not be required of mill-owners until the 15th February.

6. With the view of meeting, as far as possible, an objection taken to section 18 by the Bombay Millowners Association, we have altered the section so as to permit of yarns shipped for export being shown in the return for any month not later than that in which the yarn is shipped.

7. We have added an explanation to section 19 the effect of which will be to enable the drawback on yarn which has only been bleached or dyed or converted into sewing thread being recovered under this section.

8. In deference to representations made to us we have extended the periods within which, under section 21, drawback on export of cotton fabrics may be claimed to twelve months from the date of the manufacture of such fabrics, and to twelve months from the date on which the yarns in respect of which drawback is applied for have paid duty.

9. We have inserted an additional number in section 25 taken from the Bombay Salt Act, 1890, imposing a penalty on officers guilty of abusing their powers under the Bill.

10. We have inserted two new sections (section 31), imposing on mill-owners the duty of keeping such records and accounts as they may be required to do by rule, and (section 35), applying the provisions of section 10 of the Tariff Act, which prescribe rules as to payment of duty in the case of contracts for sale made before duty has been imposed, to duties imposed under this Bill.

11. We have added a sub-section to section 36 with the object of subjecting goods which may be imported in contravention of a notification issued under the section to the penalties imposed by section 19 A of the Sea Customs Act in the case of goods whose importation is prohibited under that Act.

12. The other alterations we have made in the Bill as introduced do not appear to us to be of sufficient importance to call for notice.

13. The publication ordered by the Council has been made as follows:—

In English.

Gazette.

Date.

Gazette of India 17th December, 1894.

14. We do not think that the measure has been so altered as to require republication, and we recommend that it be passed as now amended.

The 26th December, 1894.

We regret we must dissent from the Report in so far as it relates to section 5, which fixes the limit of exemption from Excise Duty upon yarns at the count of 20 instead of 24, as proposed by us in the Select Committee.
