Book Department.

With reference to G.O., Ecclesiastical Department, No. 213, dated the 30th May last, I have the honor respectfully to suggest, for the consideration of His Grace the Governor in Council that the sum of Rupees 400 be paid into the treasury at Malabar for remittance to me by a transfer receipt for credit of Mr. Brennen's Endowment for a Protestant Chapel at Tellicherry and invested in the same manner as are the moneys alluded to in the concluding sentence of paragraph 3 of Proceedings of Government, Judicial Department, No. 1128, of 4th September 1860, and Proceedings of Government, Ecclesiastical Department, No. 203, of 9th October 1866.

2. I beg to state that interest on previous investments has accrued to the extent of Rupees 2,173-6-0 and to request sanction for its investment in Government promissory notes if the sum is not required immediately.

No. 1293.

Forwarded to the Domestic Chaplain with request that he will obtain and submit the views of the Right Reverend the Lord Bishop and of the Lay Trustee at Tellicherry on the Accountant-General's suggestion.

OOTACAMUND,
26th June 1879.

(Signed) C. G. MASTER,
Offg. Chief Secretary.

ABSTRACT.—Forwarding letter from the Church Committee Tellicherry requesting that interest that has accrued on the Brennen Endowment may be under their control for lighting apparatus and painting.

- No. 8. *From the Rev. S. MORLEY, Domestic Chaplain to the Right Reverend the Lord Bishop of Madras, to the Acting Chief Secretary to Government, dated Ootacamund, 12th August 1879, No. 929.*

ABSTRACT.—Forwarding a letter from the Lay Trustee of Tellicherry Church showing that the cost of the contemplated improvements in the Tellicherry Church will amount to about Rupees 250.

No. 9. *From the Rev. S. MORLEY, Domestic Chaplain to the Right Reverend the Lord Bishop of Madras, to the Acting Chief Secretary to Government, dated Ootacamund, 27th August 1879, No. 935.*

In reply to your memorandum, No. 1471, Educational Department, of 23rd July, and your letter of 11th August relating to the Brennen Endowment Fund, I am desired by the Bishop to say that he approves of the Accountant-General's proposal to invest in Government promissory notes the Rupees 2,173-6-0, being the amount of accumulated interest on previous investments.

2. He has looked through the papers herewith returned and finds all clear up to the Government Proceedings of 12th August 1868.

3. In these Proceedings there is a statement by the Accountant-General of the whole amount of investments on account of the Brennen Church Endowment Fund, viz., Rupees 5,000, at five-and-a-half per cent. and of the balance at credit of the Fund, viz., Rupees 509-11-8.

4. Also authority was then given to the Tellicherry Church Committee to draw the interest as it fell due with directions to submit an annual account to Government of the interest drawn and of its expenditure.

5. The next Proceedings of Government on the subject are dated 30th June 1871, and in conjunction with those of 21st May 1874 seem to indicate that the Committee drew the interest up to June 1871. But no interest seems to have been drawn subsequently, and, as a necessary consequence, the accounts rendered by the Church Committee have not exhibited a full statement regarding the fund; the interest accruing each year on the investments has been left out of sight.

6. As a remedy for the future, the Bishop suggests that every year when he receives the account from the Church Committee, he should forward it to the Accountant-General and the Accountant-General add his statement, always specifying the amount invested and rate of interest; that the Accountant-General should submit the whole to Government; and that the Proceedings of Government embodying the two statements should be communicated to all concerned. This, it is hoped, would prevent in future such an overlooking of the existence of the investments belonging to the fund as that which has now occurred.

7. In the early papers the name of the benefactor is always spelt "Brennon." In the Government Proceedings of 1st March 1861 it is spelt for the first time "Brennen" and has continued to be so spelt. A reference to some early original manuscripts might determine which is correct.

No. 10. ORDER THEREON, 8th September 1879, No. 206.

Adverting to the improvements contemplated by the Church Committee at Tellicherry, His Grace the Governor in Council directs that the balance of Rupees 470-6-6 shown in G.O., dated the 30th May 1879, No. 213, be held intact.

2. The interest, amounting to Rupees 2,173-6-0, mentioned in paragraph 2 of the Accountant-General's letter, No. 2475, dated 21st June 1879, will however be invested in Government promissory notes.

3. The Right Reverend the Lord Bishop's suggestions in paragraph 6 of the Domestic Chaplain's letter, No. 935, dated the 27th August 1879, are approved, and will be carried out.

4. The doubt as to whether "Brennen" should be spelt with an *o* or an *e* in the last syllable will be cleared up by reference to the original manuscript papers in 1860 and 1861.

Government Proceedings of 12 Aug 1868.

3. In these Proceedings there is a statement by the Accountant General of the whole amount of investments on account of the Baccin Church Endowment Fund viz Rs 5000 at $5\frac{1}{2}$ per cent; & of the balance at credit of the Fund viz Rs 509-11-8.
4. Also authority was then given to the Tellingbury Church Committee to draw the interest as it fell due, with directions to submit an annual account to Government of the interest & drawn to the expenditure.
5. The next Proceedings of Government on the subject are dated 30th June 1871. & in conjunction with those of 21 May 1874, seem to indicate that the Committee drew the interest up to June 1871. But no interest seems to have been drawn subsequently;

150
 & as a necessary consequence the accounts rendered by the Church Committee have not exhibited a full statement regarding the Fund: the interest accruing each year on the investments has been left out of sight.

6. As a remedy for the future, the Bishop suggests that every year, when he receives the account from the Church Committee, he should forward it to the Accountant General; & the Accountant General add his statement, always specifying the amount invested & rate of interest; that the Accountant General should submit the whole to Government; & that the Proceedings of the Government embodying the two statements should be communicated to all concerned. This it is hoped would prevent in future such an overlooking of the balance of the investments belonging to the fund as that which has now occurred.

7. In the early papers the name of the Benefactor is always spelled "Brennon". In the form- ment Proceedings of 1st March 1861 it is spelled for the first time "Brennen", that continued to be so spelled. A reference to some early original manuscripts might determine which is correct.

I am dear Sir,
Very faithfully yours
