GOVERNMENT OF MADRAS.

ECCLESIASTICAL DEPARTMENT.

READ—the following paper :—

From Rev. W. WACE, Acting Bishop's Chaplain, to the Chief Secretary to Government, dated Ootacamund, 15th May 1889, No. 794.

By desire of the Right Reverend the Bishop, I have the honor to request that the following facts and proposal may be submitted to His Excellency the Governor in Council for favorable consideration :—

- (1) The number of Europeans at Mysore and at its out-stations is much smaller than it used to be when the Mysore Commission existed.
 - (2) By the removal of the Native regiment from Mercara, the number of Europeans at that station has also been diminished, though the whole number of residents in the district under the Chaplain's care is considerable.
 - (3) The number of British troops quartered at Cannanore has been reduced to one company, and there is one Native regiment there.
 - (4) Latterly, for several months, when there was not a sufficient number of Chaplains for all the stations in the diocese, the two stations of Calicut and Cannanore, the former with its out-stations of Malapuram and Vayitri, the latter with those of Tellicherry and Manantoddy, have been placed under the care of one Chaplain. But this arrangement has been very unsatisfactory, especially as there are European troops at three of the places.
2. With the view of making a fairer division of work, his Lordship proposes that the out-station of Mangalore be separated from Mercara and attached to Cannanore; and that Mercara and Mysore with their out-stations be made the charge of one Chaplain instead of two; the Chaplain being permitted to reside at either station as he may find most convenient, subject to the Bishop's approval, and to visit the station at which he is not residing once in every month, and to visit the out-stations of each (except Mangalore) as heretofore.
3. It is seldom that the number of Chaplains available for duty is sufficient to occupy all the stations. The proposed uniting of Mercara and Mysore will set free one Chaplain for some vacant station.

ORDER—dated 1st June 1889, No. 48, Ecclesiastical.

The proposed arrangements are sanctioned.

2. The Accountant-General will arrange to embody the lists of Chaplain's stations and of out-stations, periodically visited by Chaplains, in part XXIII of the quarterly civil lists.
