ECCLESIASTICAL DEPARTMENT,

Cotacamund 13th September 1894.

From

REV. S. MORLEY, M.A.,

BISHOP'S CHAPLAIN,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

*Stone House**Cotacamund.*

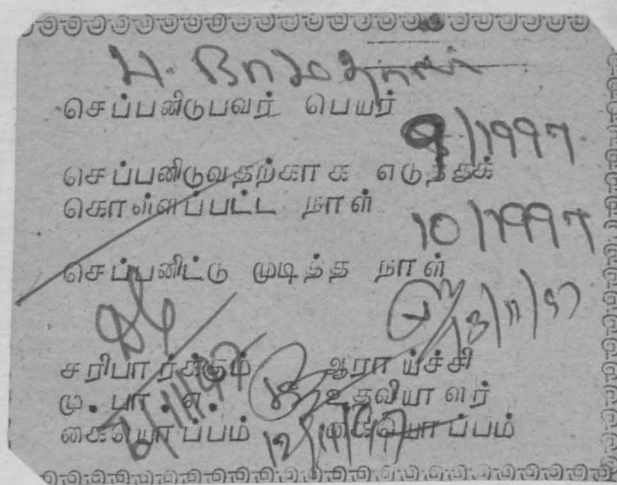

SIR,

With reference to paragraph 2 of Government Order No 68 of 4th September 1894, I have the honor, by desire of the Right Reverend the Bishop, to submit the following remarks which he trusts will prove satisfactory to Government.

Of the nine Chaplains absent on furlough on 1st July, the Reverends A. H. Durham, W. H. Hobart, and A. A. Sharp are on Medical Certificate and though the Reverend C. P. C. Nugent is not on Medical Certificate he took leave on account of his health. For some time he had suffered much.

The Reverends A. C. Taylor, F. C. Hill, and H. A. Williams are on furlough previous to retiring, certainly the last two.

The Reverend C. E. Whiteley had served nearly thirteen years without furlough. And it is six years since the Reverend C. J. Eddy took furlough; and both these latter only for one year.

47
Of the Chaplains on privilege leave, the
Reverend Dr. Brandon had broken down through
work and worry connected with the Madras
Industrial School, and the Reverend J. English
had long been struggling against an attack of
the throat.

I have the honor to be,
Sir,

Your most obedient servant,

S. Morley,
Bishop's Chaplain

My dear Sir,
The Bishops would
be much obliged if you would
be so good as to substitute
the accompanying letter
for mine of 13th Sep: 1894
No 1339; or, should the
letter have already come

before Government,
would obtain permission of
Government to make this
substitution.

He is afraid the last
para of the original might
seem to imply an unbecom-
ing spirit towards Government
for having drawn his attention
- to what he allows
caused the appearance of
laxity. He had no

such thought in his mind.

The removal of the last para
is the only change made.

SIR,

With reference to paragraph 2 of Government Order No. 68 of 4th September 1894, I have the honor, by desire of the Right Reverend the Bishop, to submit the following remarks which he trusts will prove satisfactory to Government.

Of the nine Chaplains absent on furlough on 1st July, the Reverends R. H. Durham, W. H. Hobart and A. A. Sharp are on Medical Certificate, and though the Reverend C. P. C. Nugent is not on Medical Certificate he took leave on account of his health. For some time he had suffered much.

The Reverends A. G. Taylor, J. G. Hill, and H. A. Williams are on furlough previous to retiring - certainly the last two.

The Reverend C. E. Whitely has served nearly thirteen years without furlough. And it is six years since the Reverend C. J. Etty took

Furlough; and both these latter only for one year.

Of the Chaplains on privilege leave, the Reverend D^r Brandon had broken down through work and worry connected with the Madras Industrial School, and the Reverend J. English had long been struggling against an attack of the throat.

His Lordship has borne in mind that the Service has the first claim upon public servants, but submits that the interests of the Service were best considered by leave being granted to most of the above named Chaplains on the ground of health.

I have the honor to be,

Sir,

Your most obedient servant
