PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the Venerable the Archdeacon
of Madras, No. 1996 of 17 December 1894.

Endorsement thereon in the Ecclesiastical
Department, No. 9 of 8 January 1895.

Order thereon No. 128 W of 18 January 1895.

It would appear from this
correspondence that in connection with
the repairs to St. Matthias Church last
year, the organ got wet, that the instru-
ment in consequence got out of order,
and that it thus became necessary
to have it immediately attended to. This
opportunity was taken by the Church
Committee to have it thoroughly over-
hauled. The Repairer's report shows
that the organ required a great deal
done to it irrespective of any wetting it
may have received. The total cost of
repairs amounted to Rs 150. The damage
directly attributable to the wetting would

offered by the Consulting Architect, but the Government, on consideration of all the circumstances, is willing to contribute £45, being half the cost required to thoroughly overhaul and repair the organ. The Consulting Architect is authorised to pay this amount and to charge it to Repairs, Civil Buildings.
