GOVERNMENT OF MADRAS. ECCLESIASTICAL DEPARTMENT.

READ—the following paper :—

Despatch from the Right Honorable Mr. H. H. FOWLER, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 17th January 1895, No. 2, Public (Ecclesiastical).

I have had under consideration in Council the case of the Revd. W. H. Hobart, a chaplain on your establishment.

2. Mr. Hobart went out to India in 1882. In 1885-86 he was in England for eighteen months on medical certificate. Early in 1892 he was again invalided home, and his leave has been extended from time to time on medical grounds up to the 23rd January 1895, when the term of three years, to which a chaplain's furlough is strictly limited under the Civil Service Regulations, will have been exhausted. The Medical Board, before which Mr. Hobart has now appeared, has not felt itself justified in pronouncing him to be completely and permanently incapacitated for service in India, but it considers that he should be allowed a further residence of twelve months in this country to enable him to recover his nervous tone. On the other hand the medical men whom Mr. Hobart has himself consulted both in England and in India have warned him that a return to work in India will in all probability bring about a recurrence of the illness from which he broke down in 1885 and 1892.

3. In view of all the facts I have considered it desirable to treat the case specially and to place Mr. Hobart on the retired list from the 24th January 1895; I have accordingly granted him from that date the pension of £127-15-0 for which his 8½ years' residence in India would have rendered him eligible if he had been duly certified to be permanently incapacitated for further service.

4. In due course I will appoint another chaplain in his place.

WITH ORDER

India Office,

Public (Ecclesiastical).

No. 2.

To His Excellency The Right Honourable The Governor
in Council, Fort St. George.

MY LORD,

*Retirement of Rev. W. H. Hobart, as a
special case though not permanently in-
capacitated for service.*

I have had under consideration in Council
the case of the Rev. W. H. Hobart, a chaplain
on your establishment.

2. Mr. Hobart went out to India in 1882. In
1885-86 he was in England for eighteen months on
medical certificate. Early in 1892 he was again
invalided home, and his leave has been extended
from time to time on medical grounds up to the
23rd January 1895, when the term of three years,
to which a chaplain's furlough is strictly limited
under the Civil Service Regulations, will have been
exhausted. The Medical Board, before which
Mr. Hobart has now appeared, has not felt itself
justified in pronouncing him to be completely and
permanently incapacitated for service in India, but
it considers that he should be allowed a further
residence of twelve months in this country to enable
him to recover his nervous tone. On the other
hand the medical men whom Mr. Hobart has him-
self consulted both in England and in India have
warned him that a return to work in India will in
all probability bring about a recurrence of the illness
from which he broke down in 1885 and 1892.

3. In view of all the facts I have considered it
desirable to treat the case specially and to place
Mr. Hobart on the retired list from the 24th
January 1895; I have accordingly granted him
from that date the pension of 127*l*. 15*s*., for which
his 8½ years' residence in India would have rendered
him eligible if he had been duly certified to be
permanently incapacitated for further service.

4. In due course I will appoint another chaplain
in his place.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,

W. H. Hobart
