ECCLESIASTICAL DEPARTMENT.

READ—the following paper :—

Despatch from the Right Hon'ble Mr. H. H. FOWLER, Her Majesty's Secretary of State for India, to His Excellency the Right Hon'ble the Governor in Council, Fort St. George, dated India Office, London, 18th April 1895, No. 9, Public (Records.)

I have received your Secretary's letters, Financial Department, Nos. 64 and 104, of the 23rd January and 2nd February last, respectively, which were accompanied by lists of tombs of Europeans in several districts of the Madras Presidency, in only one of which, however, is there any index, viz., that for the Tinnevely district.

2. Without an index of the names of persons whose tombs are described, these lists will be of but little use for reference, but this will be best supplied by the publication of a separate general index so soon as the series for the Madras Presidency shall have been completed.

ORDER—dated 21st May 1895, No. 35, Ecclesiastical.

A general index will be prepared in the Chief Secretariat as soon as the lists from all districts have been received; those from Coimbatore and Gódvári are still due and that from Tanjore is under revision.

2. Two copies of the district list should be kept in the Collector's office and additions should be made to them from time to time in view to revised lists being issued by Government about once in five years. Collectors will take steps to ensure their being furnished with the requisite particulars from the various parts of their districts.
