OFFICE NOTE. No. 1093.

From

THE CHIEF SECRETARY,

To, The Secretary to Govt.
P. W. D.

In returning without Counter-
initials, the accompanying
file regarding the Pussemalkam
Cemetery the undersigned has
the honour to point out that the
draft order is not in accordan-
ce with the views of the majority
of Hon'ble members of Govt.
which are apparently that
the matter is one for the
Municipality to deal with
as it amounts to an application
for a new Cemetery.

What W says may
be true enough but
the fact remains that
the draft is not in
accordance with the
notes of H. H. H. The
explanation in W's
office note should more
correctly be sub^d to
H. H. H. & their orders
rather than whether the
proposed draft may
issue.

Note for C. H.

I don't think there is any
objection given there to any
objection now to countersigning
the draft. It is thought
now only to ascertain what
the work will cost. The question
whether to sign is to be decided
hereafter. 25/5

To

The Honorable
The Chief Secretary

Your office note No. 1093
dated 21st May

There seems to be some
misapprehension in this
matter. The cemetery —
belongs to Government and
the Municipality cannot
be required to improve it.
The portion to be raised is
within the

not really a question of
acquiring a new site, but
of improving the existing
site.

2. All that is now proposed
is to prepare an estimate,
i.e. to ascertain the cost
of the improvements required;
when this has been done
the question as to whether
Government should undertake
the work or not can be
considered.
