GOVERNMENT OF MADRAS.

ECCLESIASTICAL DEPARTMENT.

READ—the following paper:—

From Revd. F. W. KELLETT, Secretary to the Madras Missionary Conference, to the Chief Secretary to Government, dated Royapettah, 25th June 1895.

I have the honour to enclose the accounts of the Pursewalkum and Washermanpettah cemeteries (Non-conformist sections) for the year ending 31st March 1895.

2. There has been a great decrease during the year in the number of burials at Pursewalkum; the income accordingly barely meets the expenditure. The small balance it is proposed to keep in hand, if Government permit.

3. It will be seen from the Washermanpettah account that the surplus from Pursewalkum account for 1893 to 1894, which Government allowed us to transfer to Washermanpettah for repairs and alterations, has been utilised for that purpose. Much still remains to be done to make the Washermanpettah cemetery what it should be. We hope, therefore, that Government will allow us to retain and use the balance which remains on the Washermanpettah account as occasion may demand.
